4. Hearings

Rationale:

Nebraska School Districts are required to have annual hearings for each of the following areas:

Budget (September)

Tax Request (September)

Student Fees Policy (June)

Parental Involvement Policy (June)

Other Hearings may be scheduled as needed.

4.1. Open Parental Involvement Hearing

- 4.1.1. Review of Parent and Guardian Involvement In Education Practices Policy 5018 and District Title I Parent and Family Engagement Policy 5057.

Rationale: Policy 5018 Parental Involvement

Recent legislative changes (LB71 and LB428) have amended sections of Nebraska statutes (§79-530 to §79-533), increasing parental access to educational information and involvement in school practices. These updates require districts to revise their policies to include provisions for parent access to student surveys and the ability to opt their children out. The revised policy must be developed with parental input, adopted following a public hearing, and reviewed annually. It must also be posted on the district's website by August 1, 2025, with any updates clearly accessible. Adoption is required by July 1, 2025 and will be considered at tonight meeting.

Policy 5057 Title I Parent and Family Engagement

There are no changes to this policy though an annual hearing for public input is required.

Rationale: An opportunity for the public to comment on Parental Involvement.

- 4.1.3. Close Parental Involvement Hearing

4.2. Open Student Fees Hearing

 - b. Student Activity
 - c. Hot Lunch
 - d. Bank Statement
 - e. Summary of Accounts and Receipts
 - f. Monthly Expenditure Report
 - g. Check Journal
4. Excuse Absent Board Members

5.2. Surplus

Rationale: School districts periodically identify equipment, furniture, and materials that are no longer functional, safe, cost-effective to repair, or aligned with current instructional or operational needs. Surplusing such items allows the district to responsibly dispose of or repurpose outdated or unneeded property, maintain an efficient use of storage space, and ensure that district resources are directed toward items that support student learning and district operations.

This following items the board is asked to consider surplusing:

2000 Blue Bird Bus

- The 2000 Blue Bird Bus has reached the end of its service life and is no longer meeting the district's operational needs. As we work to maintain a reliable and efficient fleet, this vehicle has been removed from regular use. We are seeking a motion to declare the 2000 Blue Bird Bus as surplus and authorize the Superintendent to accept sealed bids for its sale.

Track Pits (2 pole vault, 1 high jump)

- The IPI pits have reached the end of their service life and are no longer meeting the district's operational needs. These pits were damaged last year in a massive windstorm and were recently replaced by insurance. We are seeking a motion to declare the pole vault pits as surplus and authorize the Superintendent to accept sealed bids for their sale.

Manchester 30 Gallon Air Tank

- We have a 30-gallon Manchester air tank that remains unused and appears to have been purchased several years ago. While it is in new condition, it has not been integrated into

our operations and is not needed for current or future classroom or maintenance needs. Specifications for the tank can be found here. We are seeking a motion to declare the air tank as surplus and authorize the Superintendent to accept sealed bids for its sale.

Instructional Materials

- These instructional materials are no longer needed due to the adoption of updated resources that align more closely with current standards and instructional goals. While still in usable condition, they have been replaced as part of our regular curriculum review and update process. We are seeking a motion to declare the specified materials as surplus and authorize the Superintendent to offer these materials on social media and through professional networking list-serves at fair market value.

5.3. Board Member Resignation - Mr. Nate Wyatt

Rationale: Board Member Mr. Nate Wyatt has submitted his resignation.

The Board of Education would like to extend its sincere appreciation to **Mr. Nate Wyatt** for his dedicated service as a school board member since **2006**. Over his years of service, Mr. Wyatt has been a strong advocate for students and the Gothenburg community. His leadership, thoughtful decision-making, and unwavering commitment to public education have made a meaningful and lasting impact. We thank him for his years of service and wish him all the best in the future.

The Board needs to officially accept this resignation to begin the process of filling the vacancy in accordance with state statute.

5.3.1. Review Board Member Vacancy Process

Rationale: The vacancy process and applicable state statutes are outlined here.

Appointment Timeline:

June 10th, 2025 - Resignation Effective & Applications Open

June 26th, 2025 - Applications Due

July 14th, 2025 - Appointment Recommendation @ Regular Board Meeting

As an informational item, no action is required.

6. Policy & Procedure

- 6.1. Discuss and consider approval of Board Policy 5018 Parent and Guardian Involvement in Education Practices.

Rationale: Policy 5018 Parental Involvement

Recent legislative changes (LB71 and LB428) have amended sections of Nebraska statutes (§79-530 to §79-533), increasing parental access to educational information and involvement in school practices. These updates require districts to revise their policies to include provisions for parent access to student surveys and the ability to opt their children out. The revised policy must be developed with parental input, adopted following a public hearing, and reviewed annually. It must also be posted on the district’s website by August 1, 2025, with any updates clearly accessible.

6.2. Discuss and consider approval of Policy 5045 Student Fees.

Rationale: A Student Fees Hearing is required each year. If public input was given, take into consideration that input and consider this as a first reading. If no public input, consider a motion to approve the updated policy. School lunch prices were already approved at a prior meeting. This is an approval of the policy itself.

6.3. Annual review of Board Policy 5054 - Student Bullying.

Rationale: According to state statute, the district's policy on bullying prevention must be reviewed annually. There are no changes to this policy at this time. This is a review only. No action is required.

6.4. Designate Superintendent Jonas as authorized district representative for federal and state programs for the 2025-2026 fiscal year.

Rationale: This designation is done on an annual basis prior to September of each year.

6.5. First reading of the proposed Student Handbook.

Rationale: The student handbook is a work in progress over the summer. The changes work to align our updated policies with our student handbook. We are still working on these but are providing an active link for review prior to the July board meeting. Timing of approval is important to ensure we can get the handbook to students in August.

3. Recognition of Visitors

3.1. Celebration of Excellence

Dr. Jonas introduced Mr. Mroczek, who presented the activity highlights. He began by recognizing Taylor, who was unable to attend the previous board meeting due to scheduling conflicts in April. Mr. Mroczek shared that Taylor was recently honored at the Academic Awards Night as one of 48 recipients of the prestigious Believers and Achievers Award across the State of Nebraska.

This well-regarded award recognizes students based on four key areas: scholastic achievement, activity participation, school and community involvement, and citizenship. Mr. Mroczek noted that Taylor exemplifies excellence in all of these areas, both within the school and in the broader community.

In addition to being named a Believer and Achiever, Taylor was selected as one of eight students statewide to receive a \$500 scholarship at the spring banquet. Mr. Mroczek emphasized the significance of this accomplishment, given the hundreds of applicants statewide, and extended his congratulations on behalf of the school and the board. He invited Taylor to attend the meeting to acknowledge her achievements, noting that her recognition is well deserved.

Mr. Wyatt inquired about Taylor's future plans. Taylor shared that she will be attending the University of Nebraska-Lincoln (UNL) next year, where she plans to major in nursing. Her academic path includes two years at UNL followed by two years at the University of Nebraska Medical Center (UNMC).

Mr. Fornoff asked Mr. Mroczek if he knew how many Believers and Achievers Award recipients have come from Gothenburg in past years. Mr. Mroczek responded that, during his tenure, there have been only a handful of recipients.

Mr. Ryker added that he appreciated the question, as he had been wondering the same. He noted that the award is highly competitive and, although he did not have an exact number, he estimated that only about half a dozen students have received the honor during his 20 years with the district. The board congratulated Taylor and wished her the best of luck.

Mr. Mroczek introduced Mr. Schaeffer, inviting him to share insights regarding the district's weight training program, which has played a significant role in student success. Mr. Mroczek noted that there has been considerable enthusiasm surrounding the new weight room flooring installed last summer, and Mr. Schaeffer would also speak briefly on that topic. He added that Mr. Schaeffer provided handouts to accompany his presentation and encouraged board members to ask questions following the update.

Mr. Schaeffer opened his remarks by referencing the emphasis on data-driven instruction, stating, "PLC keeps pushing data, so here is your stack of data." He explained that he provided hard copies to streamline the presentation, as accessing the digital information would have required navigating multiple windows. The performance program currently in use allows staff to pull and analyze a wide range of metrics.

He shared that in 2021, during his second year overseeing the summer weight program, the district adopted the Rack Performance software. This system has enhanced efficiency and provided measurable outcomes, demonstrating positive trends in student performance. The first two pages of the handout highlight individual participation numbers and recent testing results, comparing fall benchmarks to data gathered in February and March.

Mr. Schaeffer cited guidance from athletic training clinics, explaining that a small decrease (10-20%) in max lifts is expected among high-performing athletes due to in-season demands. Larger decreases warrant further investigation, potentially indicating injury or other programmatic issues. He also reported a decline in major injuries since he joined the district in the 2017-2018 school year, attributing this improvement to intentional program changes made in response to concerning injury trends at that time.

He described attending the Nebraska State Strength and Conditioning Clinic, where national experts emphasized the importance of developing athletes holistically rather than focusing solely on increasing muscle mass. Based on these insights, the district shifted its approach in 2020 to prioritize proper movement mechanics and foundational strength aligned with an athlete's frame and developmental stage. Speed and agility have also become key focus areas.

Since implementing these changes, the program has seen a 30% average increase in max lifts for both male and female athletes from fall to spring, and a 150% average gain in max lifts since 2023 — a strong indicator of improved strength and overall fitness among students.

Mr. Schaeffer emphasized that the program supports multi-sport athletes, with the primary goal of helping them become strong and mobile enough to succeed across all athletic disciplines. To reinforce the program's values and mindset, three guiding acronyms have been introduced:

- **E.A.T.** - *Effort, Attitude, Toughness*: Introduced in 2020 during the COVID-19 pandemic, this mindset helps students understand the importance of controlling what they can each day.
- **D.M.G.B.** - *Doesn't Matter, Get Better*: Encourages a growth mindset, reminding students that regardless of their circumstances, improvement is always possible.
- **E.R.M.** - *Every Rep Matters*: Promotes accountability and commitment, distinguishing between simply showing up and being fully engaged.

These principles have become embedded in the student culture, particularly among upperclassmen, who are now modeling and encouraging these values in younger athletes.

Mr. Schaeffer also mentioned the addition of Coach Franklin, who has taken on the role of speed and agility coach. His expertise is expected to further strengthen the program. He concluded by

noting that while the district has made substantial progress, there are still areas for improvement. Specifically, they are examining recurring springtime issues related to hamstrings, quads, and hip flexors. Mr. Schaeffer acknowledged that while the three main compound lifts are yielding excellent results, continual refinement is essential. He closed by echoing a key takeaway from recent clinics: "If you're still doing the same thing you were five years ago, you're doing it wrong."

Mr. Mroczek presented an overview of the 2024-2025 Swede State Event Appearances, referencing the attached link containing detailed information. He highlighted the significance of these events in showcasing student achievements and fostering community engagement. The provided materials offer insights into the various events and the participation of Gothenburg students, reflecting the district's commitment to excellence and active involvement in state-level activities. Dr. Jonas thanked him for putting this together.

Dr. Jonas reported that the district is finalizing outstanding contracts, with Ackerman Contracting being the last contractor involved. She noted that Ackerman had been awaiting the opportunity to complete the installation of the fourth-grade controlled entry vestibule. That work has now been completed, and the upcoming payment will serve as the final disbursement, allowing the district to formally close out the contract.

4.3. Discuss and consider approval of lunch prices for 2025-2026 school year.

Motion to approve the meal prices as presented Passed with a motion by Nate Wyatt and a second by Matt Dalrymple.

Dr. Jonas explained that although the timing of the review may seem early, it coincides with the district's contractual obligations with Lunchtime Solutions. She presented attached comparison charts providing a detailed analysis to support the related action item. Dr. Jonas also noted that there will be some staffing changes with Lunchtime Solutions for the upcoming school year; however, she has maintained ongoing communication with the company to ensure a smooth transition.

Mr. Dalrymple inquired about the current level of student school lunch debt. Dr. Jonas confirmed that while some students do carry balances, the overall situation has significantly improved over the past two years. She attributed this progress to increased involvement from building principals, who have assisted by making phone calls to parents—an effort that has proven effective. Mr. Floyd added that the number of calls required has been minimal.

Dr. Jonas recalled, with agreement from Mr. Wyatt, that prior to the COVID-19 pandemic, it was common for the district to transfer substantial funds—estimated between \$25,000 and \$40,000—from the general fund to support the school lunch program. Since the pandemic, however, such transfers have not been necessary.

4.4. Surplus

Dr. Jonas read over the rationale.

5. Policy & Procedure

5.1. American Civics Report

Dr. Jonas introduced the item by reading the rationale and then invited Mrs. Richeson to present the accompanying documents.

Mrs. Richeson explained that, in alignment with state statute and the American Civics requirements, the district administers the U.S. citizenship test as part of its American Government curriculum. The statute is intended to help prepare students for active civic engagement. At Gothenburg, this component has been integrated into Mr. Scott's American Government course, where the test content is embedded throughout the semester's instruction.

In order to successfully complete the course, students are required to take the citizenship test and achieve a passing score of at least 60%. Mrs. Richeson reported that for the first semester, all 28 students passed, with 10 achieving a perfect score of 100%. For the second semester, which was just completed the previous week, all students again passed, with 9 earning a perfect score.

She noted from personal experience, having had a student complete the course, that the material is both engaging and academically rigorous. Mrs. Richeson concluded by affirming that the district is in full compliance with the civics requirement, and credited Mr. Scott for his dedication and enthusiasm, as reflected in his students' strong performance.

5.2. Financial Literacy Status Report

Dr. Jonas began by reading the rationale and invited Mrs. Richeson to review the supporting documents. Mrs. Richeson explained that as part of the district's Professional Learning Community (PLC) process, all teachers, departments, and courses work to align instruction with Nebraska's state standards, which the district has formally adopted. Each subject area identifies 10 to 12 essential standards that represent the most critical learning outcomes for students.

She noted that the financial literacy essential standards are outlined in the provided materials and reflect a shared commitment among both high school and elementary staff to ensure students achieve mastery as they progress through grade levels.

Dr. Jonas then invited Mrs. Floyd to speak on how this process is implemented at Dudley Elementary. Mrs. Floyd shared that the school partners annually with local banks, alternating which bank works with different grade-level bands. This year, DaySpring Bank worked with students in grades 4-6, presenting financial literacy lessons in the Performing Arts Center. Flatwater Bank delivered presentations to grades 1-3, and author Julia Cook was also invited to share lessons from her book *I Am Money*.

Mrs. Floyd also highlighted the Flat Swede student-run branch bank, which operates every Wednesday throughout most of the school year. Sixth-grade students play a key leadership role in this initiative, and all students are encouraged to participate by saving money. As of the 2024-2025 school year, student savings total \$14,197 — a noteworthy accomplishment.

In addition, the EverFi financial literacy program continues to be utilized by Mr. Meyer with sixth-grade students to further reinforce core financial education principles.

Mr. Ryker directed attention to the proficiency data included in the board packet, which reflects student achievement from the first semester — data that Mr. Koehler identified as the most representative of program impact. Mr. Ryker added that the district has now designated personal finance as a course specifically for juniors and seniors, ensuring it is taught at a time when the material is most relevant as students prepare for college, careers, or independent living. Initially, some freshmen and sophomores were enrolled in the course as scheduling was adjusted. Meanwhile, computer science offerings are now targeted toward students in the freshman and sophomore levels.

5.3. Computer Science Standards Report

Mrs. Richeson addressed the board regarding the district’s approach to meeting Nebraska’s new computer science and technology graduation requirement. She emphasized that the goal of this requirement is to equip students with essential skills for future success in an ever-evolving workforce. Referencing a commonly cited idea—that many future jobs do not yet exist—she stressed the importance of preparing students with adaptable digital skills regardless of their career paths.

To fulfill the state mandate, students must complete at least one semester-long course in computer science or technology. This course must include instruction in computer literacy, educational technology, digital citizenship, information technology, and computer science fundamentals. Instructional content also includes practical applications such as web development and basic coding skills.

Mrs. Richeson shared a recent visit to Mrs. Hamilton’s 8th grade computer class, where students were deeply engaged in advanced coding activities. She remarked on the complexity of the work and how impressed she was with both the instruction and student enthusiasm, noting how much she personally learned during the brief observation.

When the requirement was first introduced, Mr. Koehler led the development and delivery of the course, including decisions on curriculum content and instructional resources. Over time, he developed a strong interest in teaching the subject. With Mr. Koehler’s upcoming retirement, the course will now be taught by Mrs. Hamilton, whose passion for computer science makes her well-suited for the role. Mrs. Richeson expressed enthusiasm about the program's future under her leadership.

5.4. FAFSA Report

Dr. Jonas reviewed the rationale for the FAFSA-related agenda item. Mr. Dalrymple inquired whether the FAFSA is still being funded at the federal level. Dr. Jonas clarified that there is no fee associated with completing the FAFSA; it serves solely as a reporting mechanism for students seeking to apply for federal student aid.

Regarding the current status of federal student aid funding itself, Dr. Jonas noted that she did not have specific information and suggested that it might be best addressed by someone with recent experience navigating the process, such as a parent of a college-bound student.

6. Informational Items

6.1. Discuss open coaching positions.

Dr. Jonas noted that although Mr. Mroczek typically provides this update in May, he was unavailable due to preparations for the upcoming spring sports banquet. She provided an overview of the district's process for filling extra duty assignments, emphasizing that advertising for these positions begins early each spring—this year, starting in February.

As part of the teacher recruitment process, candidates are asked during interviews about their interest in any extra duty roles. While participation is never a requirement, the conversation is often framed with the question: *"Is there anything you wouldn't be able to sleep at night if you weren't doing?"* This approach is designed to ensure that candidates are first and foremost successful in the classroom, while still giving them the opportunity to express interest in extracurricular involvement.

Once new hires are confirmed, if a teacher has expressed strong interest in a particular role (e.g., coaching a specific sport), Mr. Mroczek follows up to share available opportunities. These candidates are then considered based on their experience, qualifications, and fit with the district's needs. As roles become available throughout the spring, Mr. Mroczek continues to keep interested staff informed and engaged in the process.

Dr. Jonas acknowledged that finding staff willing to take on the time commitment involved in coaching and other extra duty assignments is becoming increasingly challenging. While the district continues to benefit from strong coaching talent, she noted that priorities have shifted in recent years—particularly following the COVID-19 pandemic—as more individuals seek a better balance between professional and personal responsibilities.

She expressed appreciation for the teachers and staff who remain passionate about contributing to student success outside of the classroom. In cases where extra duty roles cannot be filled internally, the district is open to considering qualified community members. However, she noted that for the upcoming school year, there are no new head coaching hires from outside the district.

Mr. Ryker summarized the discussion by observing that significantly fewer teachers today aspire to become varsity head coaches compared to a decade ago—a trend that reflects broader shifts in professional interests and priorities.

Mr. Wyatt then asked Dr. Jonas to confirm whether the list of positions provided represented roles that are already filled. Dr. Jonas confirmed that all positions are currently staffed and that the district has no open extra duty assignments at this time—an encouraging position to be in.

7. Reports

7.1. Board of Education Reports

1. Personnel Committee - Mr. Fornoff confirmed they have not met but are getting ready to meet every month for summer. It will be kind of a boot camp series, if you will, that Dr. Jonas is putting together. Be a good refresher for Kelly and I, and a good introduction for Lisa on negotiations.
2. Transportation and Facilities - Mr. Wyatt confirmed they had not met.
3. Finance - Mrs. Jobman confirmed things are just truly on track, like the way we projected and we're hoping to have a little more concrete information on the projected budget in June.
4. Committee on American Civics - Mrs. Terrell confirmed she didn't have anything.
5. Policy Review - Mrs. Terrell confirmed she didn't have anything new.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number (if any).
(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
(3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

YOUR HOME EQUITY LINES OF CREDIT SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you upon request and in response to a billing error notice.

Your Home Equity Lines of Credit is operated in conjunction with your Demand Deposit Account. Any charges for your checking account will be made to the Demand Deposit Account and they will be the same charges as are made for Demand Deposit Accounts not operated in conjunction with Home Equity Lines of Credit. The following information thus applies only to loans made to you under your Home Equity Lines of Credit line of credit.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR DEMAND DEPOSIT LOAN

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- (1) Your name and account number.
(2) The dollar amount of the suspected error.
(3) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

We figure a portion of the FINANCE CHARGE on your Home Equity Lines of Credit by applying the daily periodic rate(s) to the "Daily Balance" of your account for the billing cycle. To get the "Daily Balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits and unpaid FINANCE CHARGES. This gives us the daily balance.

The minimum periodic payment required is shown on the front of this bill. You may pay off your Home Equity Lines of Credit loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Home Equity Lines of Credit. Periodic statements may be sent to you at the end of each billing cycle showing your Home Equity Lines of Credit loan transactions.

Dayspring Bank has updated our funds availability policy (Regulation CC) per the Federal Reserve Board and Consumer Financial Protection Bureau. This is an update that these agencies are required to update every five years. This notice details the changes made to that policy. The changes are beneficial to you and will be effective **July 1, 2025**.

Funds deposited into your account are typically available the first business day after the day of your deposit. However, certain types of checks may take longer to process.

The updated policy includes **increases** to several dollar amount thresholds when a hold is placed on a check. The updates to hold situations are:

- Minimum Amount for Next-Day Availability will increase from \$225 to \$275.
- Cash Withdrawal amount will rise from \$450 to \$550.
- New Accounts, Large Deposits, and Repeatedly Overdrawn Accounts threshold will increase from \$5,525 to \$6,725.

These changes aim to expedite the availability of funds, ensuring more money is accessible to you sooner. We are committed to keeping you informed and providing seamless service during this transition.

Review the full policy on our website, www.dayspring.bank/policies or reach out to your local branch.

Meeting: June Board Meeting

Date: 6/09/25 @ 5:00

Mrs. Josie Floyd, Elementary Principal

Elementary Track & Field Days:

Our K-6th Track & Field Day was held on Monday, May 12th. This was the fourth year of having all students participating on the same day and we were thankful for beautiful weather this year which allowed us to be outdoors! The SPECIALS team did a great job preparing the students for their events and signing students up for events. This was a fun day for students and families!

5th & 6th Band Concert:

The 5th & 6th grade bands performed on May 19th with a fine performance from these new instrumentalists. They had the privilege of performing after the 7th & 8th grade bands so they had the opportunity to hear "where they are going". Congratulations to Mr. Johnson for a successful performance.

Backpack Program:

The backpack program is an outstanding opportunity for our community and students to serve while providing for so many of our students/families in Gothenburg. Thank you to everyone who has made this a huge success during the 2024-2025 school year.

During the school year, the program served 51 families which included approximately 233 individuals who benefited from the program. Throughout the year, Student Council officers along with Mrs. Long and Mrs. Meisinger made the deliveries to classrooms. Thank you to these students and staff members for making a difference for so many at Dudley!

We have many other individuals who gather the food and prepare the backpacks for our students and families that deserve a huge applause and THANK YOU as well! It truly takes a village to distribute the food to the families of Gothenburg. Thank you Kendra Boyd and Wenda Keiser for all you do to provide a strong foundation for our children!

Camp Dudley (Summer School) 2025:

We have a great lineup of staff to facilitate Camp Dudley this summer which will be held July 7th-25th with one session being offered this year from 8:00-11:00. The following individuals will be part of the program:

Overall, 47,040 books have been read to the children. Dudley Elementary is working with the Summer Reading Program at Gothenburg Public Library to promote reading over the summer!

Positive Office Referrals:

During the 2024-2025 school year, over 150 Positive Office Referrals were electronically submitted by staff or submitted using our Swede Postcards.. Dudley staff focused on recognizing students for doing things "THE

SWEDE WAY” being SAFE, KIND, RESPECTFUL, & RESPONSIBLE! In addition to those positive connections, 38,687 SWEDE WAY tickets were distributed by staff to students this year. I am incredibly proud of our staff for building positive relationships with students through the year with these phone calls, positive notes and SWEDE WAY TICKETS!

LETRS (Dawson County Cohort):

We have 13 staff members who completed the second year of a two year journey with LETRS (Language Essentials for Teachers of Reading & Spelling) professional development. Our staff members are part of the Dawson County LETRS Cohort that has been facilitated by ESU #10. During the year, they attended (4) in-person trainings, completing assigned reading from the text, online lessons, quizzes, and a problem of practice application. Next year we have 6 staff members who will either be in year #1 or year #2 of their LETRS journey.

Staff participating in Year #2 include: Suzanne Neels, Molly Koehn, Kayla Paul, Charity Wyatt, Anne Ostendorf, Gretchen David, Jena Rahjes, Ellie Anderjaska, Sharon Andres, Erika Brown, Maria Andersen, Heather Franzen, and Erin Feather.

We have (3) additional staff members who started the Year #1 journey this year (2024-2025) with ESU #10. They include: Mrs. Angie Richeson, Ms. Kara Libich, and Mrs. Blayre Miller.

Administrator Report

Meeting: June Board Meeting

Date: 6/9/25

Mrs. Angie Richeson - Director of Teaching and Learning

Curriculum & Instruction:

- 2025-2026 - ELA (English Language Arts) materials review and adoption
- 2026-2027 - Science materials review and adoption
- 2027-2028 - Social Studies materials review and adoption

Assessment:

- MAP Growth Assessment
 - We continue to dive into the Spring data and will utilize it at the district level to inform our professional development planning and also to make instructional decisions for the 2025-2026 school year
- NSCAS Summative Assessment (3rd through 8th graders)
 - We will send home individual student reports as soon as we receive them from the state (in the fall). District-wide data is embargoed until the Nebraska Department of Education releases it (usually around Thanksgiving)
- ELPA Assessment
 - The ELPA21 is a comprehensive English language proficiency assessment and instructional system designed to support English learners and their educators.
 - All students who enroll in the district and indicate that English is not the primary language spoken at home are given the ELPA screener to determine if they qualify for English Learner (EL) services
 - If students qualify, we serve them through our Multi-Tiered System of Supports (MTSS) process
 - Less than 1% of our student population qualify for EL services (this number is less than 10 students - due to confidentiality, we are not able to give the exact number of students)
 - All students who qualify for EL services take the ELPA Summative assessment in February / March
 - 2025 ELPA Summative results:
 - The majority of our EL students scored as PROGRESSING... and the data continues to indicate strong growth for these students (a couple of them are SO CLOSE to scoring proficient!)
 - 1 student scored PROFICIENT! This student will no longer be served as an English Learner student through our MTSS process.
 - She will be “monitored” for 4 years. This monitoring period is in line with federal requirements under the Every Student Succeeds Act (ESSA), which mandates that former English Learners be tracked for four years after exiting EL services. During this period,

schools ensure that they can succeed in academic content without requiring additional language support. If they struggle, interventions or additional support may be provided as needed.

Professional Development:

- Swede Orientation (for new and new-to-the-district teachers) will take place the last week of July / first week of August (Tuesday, July 29th - Friday, August 1st)

Dr. Allison Jonas

Legislative Update

The Legislature adjourned sine die on June 2nd, marking the close of a productive session. I want to express my appreciation for the engagement and responsiveness of our local senator, Teresa Ibach. This session reflected a renewed sense of decorum and a return to a more democratic and less partisan legislative process than we've seen in recent years.

Policy updates reflecting this session's legislative changes will be presented at the July board meeting, following my review and a meeting with the policy committee.

Shout Out

A huge shout out to Jim Clark, Mr. Mroczek, Mr. Frickenstein, and the many other volunteers it takes to pull off the Jr. High state track meet. This year's meet brought in over 17,000 online views and thousands of visitors to our community! News Channel Nebraska does a great job of highlighting this event!

3. Recognition of Visitors

3.1. Celebration of Excellence

Dr. Jonas introduced Mr. Mroczek, who presented the activity highlights. He began by recognizing Taylor, who was unable to attend the previous board meeting due to scheduling conflicts in April. Mr. Mroczek shared that Taylor was recently honored at the Academic Awards Night as one of 48 recipients of the prestigious Believers and Achievers Award across the State of Nebraska.

This well-regarded award recognizes students based on four key areas: scholastic achievement, activity participation, school and community involvement, and citizenship. Mr. Mroczek noted that Taylor exemplifies excellence in all of these areas, both within the school and in the broader community.

In addition to being named a Believer and Achiever, Taylor was selected as one of eight students statewide to receive a \$500 scholarship at the spring banquet. Mr. Mroczek emphasized the significance of this accomplishment, given the hundreds of applicants statewide, and extended his congratulations on behalf of the school and the board. He invited Taylor to attend the meeting to acknowledge her achievements, noting that her recognition is well deserved.

Mr. Wyatt inquired about Taylor's future plans. Taylor shared that she will be attending the University of Nebraska-Lincoln (UNL) next year, where she plans to major in nursing. Her academic path includes two years at UNL followed by two years at the University of Nebraska Medical Center (UNMC).

Mr. Fornoff asked Mr. Mroczek if he knew how many Believers and Achievers Award recipients have come from Gothenburg in past years. Mr. Mroczek responded that, during his tenure, there have been only a handful of recipients.

Mr. Ryker added that he appreciated the question, as he had been wondering the same. He noted that the award is highly competitive and, although he did not have an exact number, he estimated that only about half a dozen students have received the honor during his 20 years with the district. The board congratulated Taylor and wished her the best of luck.

Mr. Mroczek introduced Mr. Schaeffer, inviting him to share insights regarding the district's weight training program, which has played a significant role in student success. Mr. Mroczek noted that there has been considerable enthusiasm surrounding the new weight room flooring installed last summer, and Mr. Schaeffer would also speak briefly on that topic. He added that Mr. Schaeffer provided handouts to accompany his presentation and encouraged board members to ask questions following the update.

Mr. Schaeffer opened his remarks by referencing the emphasis on data-driven instruction, stating, "PLC keeps pushing data, so here is your stack of data." He explained that he provided hard copies to streamline the presentation, as accessing the digital information would have required navigating multiple windows. The performance program currently in use allows staff to pull and analyze a wide range of metrics.

He shared that in 2021, during his second year overseeing the summer weight program, the district adopted the Rack Performance software. This system has enhanced efficiency and provided measurable outcomes, demonstrating positive trends in student performance. The first two pages of the handout highlight individual participation numbers and recent testing results, comparing fall benchmarks to data gathered in February and March.

Mr. Schaeffer cited guidance from athletic training clinics, explaining that a small decrease (10-20%) in max lifts is expected among high-performing athletes due to in-season demands. Larger decreases warrant further investigation, potentially indicating injury or other programmatic issues. He also reported a decline in major injuries since he joined the district in the 2017-2018 school year, attributing this improvement to intentional program changes made in response to concerning injury trends at that time.

He described attending the Nebraska State Strength and Conditioning Clinic, where national experts emphasized the importance of developing athletes holistically rather than focusing solely on increasing muscle mass. Based on these insights, the district shifted its approach in 2020 to prioritize proper movement mechanics and foundational strength aligned with an athlete's frame and developmental stage. Speed and agility have also become key focus areas.

Since implementing these changes, the program has seen a 30% average increase in max lifts for both male and female athletes from fall to spring, and a 150% average gain in max lifts since 2023 — a strong indicator of improved strength and overall fitness among students.

Mr. Schaeffer emphasized that the program supports multi-sport athletes, with the primary goal of helping them become strong and mobile enough to succeed across all athletic disciplines. To reinforce the program's values and mindset, three guiding acronyms have been introduced:

- **E.A.T.** - *Effort, Attitude, Toughness*: Introduced in 2020 during the COVID-19 pandemic, this mindset helps students understand the importance of controlling what they can each day.
- **D.M.G.B.** - *Doesn't Matter, Get Better*: Encourages a growth mindset, reminding students that regardless of their circumstances, improvement is always possible.
- **E.R.M.** - *Every Rep Matters*: Promotes accountability and commitment, distinguishing between simply showing up and being fully engaged.

These principles have become embedded in the student culture, particularly among upperclassmen, who are now modeling and encouraging these values in younger athletes.

Mr. Schaeffer also mentioned the addition of Coach Franklin, who has taken on the role of speed and agility coach. His expertise is expected to further strengthen the program. He concluded by

noting that while the district has made substantial progress, there are still areas for improvement. Specifically, they are examining recurring springtime issues related to hamstrings, quads, and hip flexors. Mr. Schaeffer acknowledged that while the three main compound lifts are yielding excellent results, continual refinement is essential. He closed by echoing a key takeaway from recent clinics: "If you're still doing the same thing you were five years ago, you're doing it wrong."

Mr. Mroczek presented an overview of the 2024-2025 Swede State Event Appearances, referencing the attached link containing detailed information. He highlighted the significance of these events in showcasing student achievements and fostering community engagement. The provided materials offer insights into the various events and the participation of Gothenburg students, reflecting the district's commitment to excellence and active involvement in state-level activities. Dr. Jonas thanked him for putting this together.

Dr. Jonas reported that the district is finalizing outstanding contracts, with Ackerman Contracting being the last contractor involved. She noted that Ackerman had been awaiting the opportunity to complete the installation of the fourth-grade controlled entry vestibule. That work has now been completed, and the upcoming payment will serve as the final disbursement, allowing the district to formally close out the contract.

4.3. Discuss and consider approval of lunch prices for 2025-2026 school year.

Dr. Jonas explained that although the timing of the review may seem early, it coincides with the district's contractual obligations with Lunchtime Solutions. She presented attached comparison charts providing a detailed analysis to support the related action item. Dr. Jonas also noted that there will be some staffing changes with Lunchtime Solutions for the upcoming school year; however, she has maintained ongoing communication with the company to ensure a smooth transition.

Mr. Dalrymple inquired about the current level of student school lunch debt. Dr. Jonas confirmed that while some students do carry balances, the overall situation has significantly improved over the past two years. She attributed this progress to increased involvement from building principals, who have assisted by making phone calls to parents—an effort that has proven effective. Mr. Floyd added that the number of calls required has been minimal.

Dr. Jonas recalled, with agreement from Mr. Wyatt, that prior to the COVID-19 pandemic, it was common for the district to transfer substantial funds—estimated between \$25,000 and \$40,000—from the general fund to support the school lunch program. Since the pandemic, however, such transfers have not been necessary.

5. Policy & Procedure

5.1. American Civics Report

Dr. Jonas introduced the item by reading the rationale and then invited Mrs. Richeson to present the accompanying documents.

Mrs. Richeson explained that, in alignment with state statute and the American Civics requirements, the district administers the U.S. citizenship test as part of its American Government curriculum. The statute is intended to help prepare students for active civic engagement. At Gothenburg, this component has been integrated into Mr. Scott's American Government course, where the test content is embedded throughout the semester's instruction.

In order to successfully complete the course, students are required to take the citizenship test and achieve a passing score of at least 60%. Mrs. Richeson reported that for the first semester, all 28 students passed, with 10 achieving a perfect score of 100%. For the second semester, which was just completed the previous week, all students again passed, with 9 earning a perfect score.

She noted from personal experience, having had a student complete the course, that the material is both engaging and academically rigorous. Mrs. Richeson concluded by affirming that the district is in full compliance with the civics requirement, and credited Mr. Scott for his dedication and enthusiasm, as reflected in his students' strong performance.

5.2. Financial Literacy Status Report

Dr. Jonas began by reading the rationale and invited Mrs. Richeson to review the supporting documents. Mrs. Richeson explained that as part of the district's Professional Learning Community (PLC) process, all teachers, departments, and courses work to align instruction with Nebraska's state standards, which the district has formally adopted. Each subject area identifies 10 to 12 essential standards that represent the most critical learning outcomes for students.

She noted that the financial literacy essential standards are outlined in the provided materials and reflect a shared commitment among both high school and elementary staff to ensure students achieve mastery as they progress through grade levels.

Dr. Jonas then invited Mrs. Floyd to speak on how this process is implemented at Dudley Elementary. Mrs. Floyd shared that the school partners annually with local banks, alternating which bank works with different grade-level bands. This year, DaySpring Bank worked with students in grades 4-6, presenting financial literacy lessons in the Performing Arts Center. Flatwater Bank delivered presentations to grades 1-3, and author Julia Cook was also invited to share lessons from her book *I Am Money*.

Mrs. Floyd also highlighted the Flat Swede student-run branch bank, which operates every Wednesday throughout most of the school year. Sixth-grade students play a key leadership role in this initiative, and all students are encouraged to participate by saving money. As of the 2024-2025 school year, student savings total \$14,197 — a noteworthy accomplishment.

In addition, the EverFi financial literacy program continues to be utilized by Mr. Meyer with sixth-grade students to further reinforce core financial education principles.

Mr. Ryker directed attention to the proficiency data included in the board packet, which reflects student achievement from the first semester — data that Mr. Koehler identified as the most representative of program impact. Mr. Ryker added that the district has now designated personal finance as a course specifically for juniors and seniors, ensuring it is taught at a time when the material is most relevant as students prepare for college, careers, or independent living. Initially, some freshmen and sophomores were enrolled in the course as scheduling was adjusted. Meanwhile, computer science offerings are now targeted toward students in the freshman and sophomore levels.

5.3. Computer Science Standards Report

Mrs. Richeson addressed the board regarding the district’s approach to meeting Nebraska’s new computer science and technology graduation requirement. She emphasized that the goal of this requirement is to equip students with essential skills for future success in an ever-evolving workforce. Referencing a commonly cited idea—that many future jobs do not yet exist—she stressed the importance of preparing students with adaptable digital skills regardless of their career paths.

To fulfill the state mandate, students must complete at least one semester-long course in computer science or technology. This course must include instruction in computer literacy, educational technology, digital citizenship, information technology, and computer science fundamentals. Instructional content also includes practical applications such as web development and basic coding skills.

Mrs. Richeson shared a recent visit to Mrs. Hamilton’s 8th grade computer class, where students were deeply engaged in advanced coding activities. She remarked on the complexity of the work and how impressed she was with both the instruction and student enthusiasm, noting how much she personally learned during the brief observation.

When the requirement was first introduced, Mr. Koehler led the development and delivery of the course, including decisions on curriculum content and instructional resources. Over time, he developed a strong interest in teaching the subject. With Mr. Koehler’s upcoming retirement, the course will now be taught by Mrs. Hamilton, whose passion for computer science makes her well-suited for the role. Mrs. Richeson expressed enthusiasm about the program's future under her leadership.

5.4. FAFSA Report

Dr. Jonas reviewed the rationale for the FAFSA-related agenda item. Mr. Dalrymple inquired whether the FAFSA is still being funded at the federal level. Dr. Jonas clarified that there is no fee associated with completing the FAFSA; it serves solely as a reporting mechanism for students seeking to apply for federal student aid.

Regarding the current status of federal student aid funding itself, Dr. Jonas noted that she did not have specific information and suggested that it might be best addressed by someone with recent experience navigating the process, such as a parent of a college-bound student.

6. Informational Items

6.1. Discuss open coaching positions.

Dr. Jonas noted that although Mr. Mroczek typically provides this update in May, he was unavailable due to preparations for the upcoming spring sports banquet. She provided an overview of the district's process for filling extra duty assignments, emphasizing that advertising for these positions begins early each spring—this year, starting in February.

As part of the teacher recruitment process, candidates are asked during interviews about their interest in any extra duty roles. While participation is never a requirement, the conversation is often framed with the question: *"Is there anything you wouldn't be able to sleep at night if you weren't doing?"* This approach is designed to ensure that candidates are first and foremost successful in the classroom, while still giving them the opportunity to express interest in extracurricular involvement.

Once new hires are confirmed, if a teacher has expressed strong interest in a particular role (e.g., coaching a specific sport), Mr. Mroczek follows up to share available opportunities. These candidates are then considered based on their experience, qualifications, and fit with the district's needs. As roles become available throughout the spring, Mr. Mroczek continues to keep interested staff informed and engaged in the process.

Dr. Jonas acknowledged that finding staff willing to take on the time commitment involved in coaching and other extra duty assignments is becoming increasingly challenging. While the district continues to benefit from strong coaching talent, she noted that priorities have shifted in recent years—particularly following the COVID-19 pandemic—as more individuals seek a better balance between professional and personal responsibilities.

She expressed appreciation for the teachers and staff who remain passionate about contributing to student success outside of the classroom. In cases where extra duty roles cannot be filled internally, the district is open to considering qualified community members. However, she noted that for the upcoming school year, there are no new head coaching hires from outside the district.

Mr. Ryker summarized the discussion by observing that significantly fewer teachers today aspire to become varsity head coaches compared to a decade ago—a trend that reflects broader shifts in professional interests and priorities.

Mr. Wyatt then asked Dr. Jonas to confirm whether the list of positions provided represented roles that are already filled. Dr. Jonas confirmed that all positions are currently staffed and that the district has no open extra duty assignments at this time—an encouraging position to be in.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number (if any).
(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
(3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

YOUR HOME EQUITY LINES OF CREDIT SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you upon request and in response to a billing error notice.

Your Home Equity Lines of Credit is operated in conjunction with your Demand Deposit Account. Any charges for your checking account will be made to the Demand Deposit Account and they will be the same charges as are made for Demand Deposit Accounts not operated in conjunction with Home Equity Lines of Credit. The following information thus applies only to loans made to you under your Home Equity Lines of Credit line of credit.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR DEMAND DEPOSIT LOAN

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- (1) Your name and account number.
(2) The dollar amount of the suspected error.
(3) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

We figure a portion of the FINANCE CHARGE on your Home Equity Lines of Credit by applying the daily periodic rate(s) to the "Daily Balance" of your account for the billing cycle. To get the "Daily Balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits and unpaid FINANCE CHARGES. This gives us the daily balance.

The minimum periodic payment required is shown on the front of this bill. You may pay off your Home Equity Lines of Credit loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Home Equity Lines of Credit. Periodic statements may be sent to you at the end of each billing cycle showing your Home Equity Lines of Credit loan transactions.

Funds Availability Policy Change Notice

Dayspring Bank has updated our funds availability policy (Regulation CC) per the Federal Reserve Board and Consumer Financial Protection Bureau. This is an update that these agencies are required to update every five years. This notice details the changes made to that policy. The changes are beneficial to you and will be effective **July 1, 2025**.

Funds deposited into your account are typically available the first business day after the day of your deposit. However, certain types of checks may take longer to process.

The updated policy includes **increases** to several dollar amount thresholds when a hold is placed on a check. The updates to hold situations are:

- Minimum Amount for Next-Day Availability will increase from \$225 to \$275.
- Cash Withdrawal amount will rise from \$450 to \$550.
- New Accounts, Large Deposits, and Repeatedly Overdrawn Accounts threshold will increase from \$5,525 to \$6,725.

These changes aim to expedite the availability of funds, ensuring more money is accessible to you sooner. We are committed to keeping you informed and providing seamless service during this transition.

Review the full policy on our website, www.dayspring.bank/policies or reach out to your local branch.

Meeting: June Board Meeting

Date: 6/09/25 @ 5:00

Mrs. Josie Floyd, Elementary Principal

Elementary Track & Field Days:

Our K-6th Track & Field Day was held on Monday, May 12th. This was the fourth year of having all students participating on the same day and we were thankful for beautiful weather this year which allowed us to be outdoors! The SPECIALS team did a great job preparing the students for their events and signing students up for events. This was a fun day for students and families!

5th & 6th Band Concert:

The 5th & 6th grade bands performed on May 19th with a fine performance from these new instrumentalists. They had the privilege of performing after the 7th & 8th grade bands so they had the opportunity to hear "where they are going". Congratulations to Mr. Johnson for a successful performance.

Backpack Program:

The backpack program is an outstanding opportunity for our community and students to serve while providing for so many of our students/families in Gothenburg. Thank you to everyone who has made this a huge success during the 2024-2025 school year.

During the school year, the program served 51 families which included approximately 233 individuals who benefited from the program. Throughout the year, Student Council officers along with Mrs. Long and Mrs. Meisinger made the deliveries to classrooms. Thank you to these students and staff members for making a difference for so many at Dudley!

We have many other individuals who gather the food and prepare the backpacks for our students and families that deserve a huge applause and THANK YOU as well! It truly takes a village to distribute the food to the families of Gothenburg. Thank you Kendra Boyd and Wenda Keiser for all you do to provide a strong foundation for our children!

Camp Dudley (Summer School) 2025:

We have a great lineup of staff to facilitate Camp Dudley this summer which will be held July 7th-25th with one session being offered this year from 8:00-11:00. The following individuals will be part of the program:

Overall, 47,040 books have been read to the children. Dudley Elementary is working with the Summer Reading Program at Gothenburg Public Library to promote reading over the summer!

Positive Office Referrals:

During the 2024-2025 school year, over 150 Positive Office Referrals were electronically submitted by staff or submitted using our Swede Postcards.. Dudley staff focused on recognizing students for doing things "THE

SWEDE WAY” being SAFE, KIND, RESPECTFUL, & RESPONSIBLE! In addition to those positive connections, 38,687 SWEDE WAY tickets were distributed by staff to students this year. I am incredibly proud of our staff for building positive relationships with students through the year with these phone calls, positive notes and SWEDE WAY TICKETS!

LETRS (Dawson County Cohort):

We have 13 staff members who completed the second year of a two year journey with LETRS (Language Essentials for Teachers of Reading & Spelling) professional development. Our staff members are part of the Dawson County LETRS Cohort that has been facilitated by ESU #10. During the year, they attended (4) in-person trainings, completing assigned reading from the text, online lessons, quizzes, and a problem of practice application. Next year we have 6 staff members who will either be in year #1 or year #2 of their LETRS journey.

Staff participating in Year #2 include: Suzanne Neels, Molly Koehn, Kayla Paul, Charity Wyatt, Anne Ostendorf, Gretchen David, Jena Rahjes, Ellie Anderjaska, Sharon Andres, Erika Brown, Maria Andersen, Heather Franzen, and Erin Feather.

We have (3) additional staff members who started the Year #1 journey this year (2024-2025) with ESU #10. They include: Mrs. Angie Richeson, Ms. Kara Libich, and Mrs. Blayre Miller.

Mrs. Angie Richeson - Director of Teaching and Learning

Curriculum & Instruction:

- 2025-2026 - ELA (English Language Arts) materials review and adoption
- 2026-2027 - Science materials review and adoption
- 2027-2028 - Social Studies materials review and adoption

Assessment:

- MAP Growth Assessment
 - We continue to dive into the Spring data and will utilize it at the district level to inform our professional development planning and also to make instructional decisions for the 2025-2026 school year
- NSCAS Summative Assessment (3rd through 8th graders)
 - We will send home individual student reports as soon as we receive them from the state (in the fall). District-wide data is embargoed until the Nebraska Department of Education releases it (usually around Thanksgiving)
- ELPA Assessment
 - The ELPA21 is a comprehensive English language proficiency assessment and instructional system designed to support English learners and their educators.
 - All students who enroll in the district and indicate that English is not the primary language spoken at home are given the ELPA screener to determine if they qualify for English Learner (EL) services
 - If students qualify, we serve them through our Multi-Tiered System of Supports (MTSS) process
 - Less than 1% of our student population qualify for EL services (this number is less than 10 students - due to confidentiality, we are not able to give the exact number of students)
 - All students who qualify for EL services take the ELPA Summative assessment in February / March
 - 2025 ELPA Summative results:
 - The majority of our EL students scored as PROGRESSING... and the data continues to indicate strong growth for these students (a couple of them are SO CLOSE to scoring proficient!)
 - 1 student scored PROFICIENT! This student will no longer be served as an English Learner student through our MTSS process.
 - She will be “monitored” for 4 years. This monitoring period is in line with federal requirements under the Every Student Succeeds Act (ESSA), which mandates that former English Learners be tracked for four years after exiting EL services. During this period,

schools ensure that they can succeed in academic content without requiring additional language support. If they struggle, interventions or additional support may be provided as needed.

Professional Development:

- Swede Orientation (for new and new-to-the-district teachers) will take place the last week of July / first week of August (Tuesday, July 29th - Friday, August 1st)
- All staff will report for Back-to-School Inservice on Wednesday, August 6th

Mentor / Mentee Program:

- Mentees and Mentors:
 - Jaycee Anderson (Mentor - Jaime Burkink)
 - Jill Camargo (Mentor - Lori Long)

 - Connor Rosfeld (Mentor - Mary Meisinger)
 - Kayla Studnicka (Mentor - Heather Franzen)

Strategic Plan - Strategy 3: We will collaborate with all stakeholders to maximize student growth

- 3.3 - Implement innovative and effective communication practices (Operational Phase)

 - We are excited to share that Miss Samantha Janda has taken over the role as facilitator of all things "social media" for the district (previously done by Mrs. Cindy Moore)
 - Mrs. Tiller will serve as the "Communications Coordinator" for the district (overseeing all things communication... website, social media, etc.), but Miss Janda will coordinate the day-to-day social media posts.

Legislative Update

The Legislature adjourned sine die on June 2nd, marking the close of a productive session. I want to express my appreciation for the engagement and responsiveness of our local senator, Teresa Ibach. This session reflected a renewed sense of decorum and a return to a more democratic and less partisan legislative process than we've seen in recent years.

Policy updates reflecting this session's legislative changes will be presented at the July board meeting, following my review and a meeting with the policy committee.

Shout Out

A huge shout out to Jim Clark, Mr. Mroczek, Mr. Frickenstein, and the many other volunteers it takes to pull off the Jr. High state track meet. This year's meet brought in over 17,000 online views and thousands of visitors to our community! News Channel Nebraska does a great job of highlighting this event!
