

Board of Education Regular Meeting
Monday, August 11, 2025 12:00 PM

Gothenburg High School Media Center
1322 Avenue I
Gothenburg, NE 69138

Agenda

1. Call to Order & Pledge of Allegiance

Rationale:

Mission Statement:

Gothenburg Public Schools is the cornerstone of a proud, passionate, and progressive community where students and staff thrive in a positive and innovative environment. We ensure the growth of all individuals by inspiring them to own and maximize their potential.

A copy of the open meetings law is posted on the wall of the Board Room and is available to the public.

2. Swearing-In of New Board Member

Rationale:

Following the resignation of Board Member Mr. Nate Wyatt, the Board of Education appointed Mr. Ryan Sukraw to fill the vacant position. In accordance with board policy and statutory requirements, the newly appointed member must be officially sworn in prior to participating in board business. This action ensures compliance with Nebraska state law and confirms Mr. Sukraw's role as an active, voting member of the Board of Education.

2.1. Review of Board/Superintendent Operating Protocol and Organizational Structure

Rationale: It is important to review the board/superintendent operating protocol and the organizational structure each time the board reorganizes.

A successful board and administration alignment can be defined as a connected group of individuals working together, not as separate entities, but a team with clear purpose and understanding of roles with a common goal of making decisions that are in the best interests of students, staff, and community. The Board and Administration are not in competition with each other but are competing to meet the individual and collective needs of students.

2.2. Review Chain of Command

Rationale: Board Policy 3035 outlines that the superintendent shall be in control of all school district operations except as provided by another policy or as otherwise

provided by law. Linked here is the administrative chain of command, working from the lowest level in the chain upward.

2.3. Discussion of Standing Committees for the remainder of 2025

Rationale:

Standing Committees

1. Personnel / Negotiations
2. Facilities & Transportation
3. Finance
4. Committee on American Civics
5. Policy

Policy 2002 outlines that the board shall authorize such special committees as it deems necessary. The board president shall appoint members to the committee, and designate its function, tasks it is to perform, and completion date for its work. After the initial appointment, positions can be modified by a majority vote of the board.

A list of the proposed 2025 standing committees is linked below.

2.4. Distribution of Conflict of Interest Policies and Forms

Rationale: The final task under the Realignment of the Board of Education for the remainder of 2025 is to disseminate the conflict of interest policy and the associated form.

Policy 2005 outlines a Conflict of Interest when a board member has a business in which the board member or a member of his or her immediate family is a partner, a limited liability company, stockholder, or serves as a director or an officer for a business that could potentially benefit from board action.

There is no action needed.

3. Approve the Agenda

Rationale:

The Board reserves the right to rearrange the order of items as needed.

This meeting was legally advertised in the *Gothenburg Leader* on July 31 & August

7 and was also published on the Nebraska Public Notices website, in accordance with state requirements. A copy of the Request for Publication and Proof of Publication will be linked in the electronic minutes once the Proof of Publication is available.

4. Recognition of Visitors

4.1. Public Participation

Rationale:

Board Policy 2009 - Opportunity for Public Expression.

(A copy of the policy is linked here.)

PUBLIC PARTICIPATION

INSTRUCTIONS FOR MEMBERS OF THE PUBLIC WHO WISH TO

SPEAK: This is the portion of the meeting when members of the public may speak to the board about matters of public concern.

- **Getting Started:** Before the meeting begins, anyone wishing to address the board must sign in with their name, address, and any organizations they are representing. When recognized, please stand and state your name.
- **Time Limit:** The board will generally allow a total of 30 minutes for the presentation of all public comments. Individuals may speak only one time, and must limit comments to 5 minutes. If there are more than 6 individuals who wish to address the board, the 30 minutes will be divided equally between the number of speakers. These time limits may be changed by a majority vote of the board members in attendance to extend the time for a specific item or speaker.
- **Personnel or Student Topic:** If you are planning to speak about a personnel or a student matter involving an individual, please understand that the district has a complaint policy and/or procedures to resolve such complaints and concerns. The Board requests that you follow the policy and procedures before addressing these matters with the Board. Board members will generally not respond to any questions you ask or comments about individual staff members or students.
- **General Rules:** This is a public meeting for the conduct of business. Comments from the audience while others are speaking will not be tolerated. Lewd, obscene, profane, slanderous, threatening and hostile conduct or statements and fighting words (words whose mere utterance entails a call to violence) will not be tolerated.
- **No Action by the Board:** The board will not act on any matter unless it is on the published agenda.

5. Action Items

5.1. Consent Agenda

Rationale:

1. Approval of Previous Minutes
2. Approval of the Treasurer's Report
3. Approval of the Warrants / Bills
 - a. Petty Cash
 - b. Student Activity
 - c. Hot Lunch
 - d. Bank Statement
 - e. Summary of Accounts and Receipts
 - f. Monthly Expenditure Report
 - g. Check Journal
4. Excuse Absent Board Members

5.2. Surplus

Rationale: School districts periodically identify equipment, furniture, and materials that are no longer functional, safe, cost-effective to repair, or aligned with current instructional or operational needs. Surplusing such items allows the district to responsibly dispose of or repurpose outdated or unneeded property, maintain an efficient use of storage space, and ensure that district resources are directed toward items that support student learning and district operations.

The board is asked to consider the following item(s) as surplus:

- vibraphone

5.3. Discuss and consider approval of the proposed slate of directors for the Impact Center Operating Board as chosen by the Gothenburg Impact Center Facilities Agency.

Rationale: The Gothenburg Impact Center Facilities Agency is represented by the city and the school. One of their roles is to propose a slate of directors for the Impact Center Operating Board. This board is responsible for the following activities:

- overseeing the organization's legal responsibilities;

- determining long range issues, needs and program focus;
- establishing policies;
- approving and monitoring the organization's programs and services;
- recommending officers for election;
- positively representing the organization in the community;
- evaluating the executive director;
- providing financial stewardship;
- enlisting the support of others; and
- exercising fiscal responsibility with the organization's assets.

All three incumbent board members have agreed to serve another term, if approved. With this in mind, the Facilities Agency proposes the following slate of directors for a four-year term expiring in 2029:

Community Member-At-Large: Alexandria Colwell
 Community Member-At-Large: Helen Cool
 Community Member-At-Large: Kristi Kreuzscher

Also on the Board of Directors - Terms Expiring 2027

School Representative: Josie Floyd
 City Representative: Verlin Janssen
 Hospital Representative: Kayla Knauss
 Community Member-At-Large: Colten Venteicher

5.4. Discuss and consider approval of the 2025-2026 Gothenburg Public Schools Pandemic Preparedness Plan.

Rationale: Annually, the board of education is asked to review and approve the Re-Opening plan. This plan is kept on our school website and has had no changes since last year although we are changing the name to Pandemic Preparedness Plan to represent the comprehensive nature of the plan.

Also included here is the "Exclusion and Re-Admittance" operating procedure we will utilize again this school year. This does not require board approval.

- 5.5. Discuss and consider approval of transfers to the Depreciation Fund, the Activities Fund, the Cooperative Fund, and the Employee Benefit Fund.

Rationale: Money was budgeted in the **Depreciation Fund** and is reserved for the repair and replacement of items such as the purchase of vehicles, a roof, or instructional equipment. The Superintendent recommends a transfer of \$250,000 at this time.

Money is budgeted for general operating expenses in the **Activities Fund**. The activities director determines the short-term and long-term needs of the activities program in collaboration with the Superintendent. The superintendent recommends a transfer of \$75,000 at this time.

The **Cooperative Fund** is utilized for interlocal agreements where the school district is acting as the fiscal agent for any cooperative activity between one or more public agencies. In this case, we are preparing our first Operating Expenses payment now that The Impact Center is up and running. The superintendent recommends a transfer of \$95,000 at this time.

The **Employee Benefit Fund** is utilized as reserve General Fund money for employee benefits such as early retirement, health insurance, and unemployment. It is recommended that we transfer \$35,000 into the Employee Benefit fund.

There are sufficient resources in the budget to allow for these transfers, totaling \$455,000 at this time.

- 5.6. Discuss, consider, and take all necessary action to adopt resolution increasing the school district's base growth percentage used to determine the school district's property tax request authority by up to six percent (6%).

Rationale:

For the third year, we have a third lid schools must statutorily observe when setting their budget: the property tax request authority.

The funding needed for the School District to meet its obligations to its students will require an increase in the base growth percentage used to determine the School District's property tax request authority.

Nebraska law authorizes the Board, upon an affirmative vote of at least seventy percent (70%) of the Board, to increase such base growth percentage by up to six percent (6%).

A motion to approve this increase would increase the base growth percentage used to determine Gothenburg Public School's property tax request authority for the

2025-2026 budget by an amount of 6%.

A vote for this motion does not mean that Gothenburg Public Schools will access all six percent. Instead, it means that a number up to six percent may be used when planning the overall budget.

The image below shows how the Gothenburg Public School's overall tax request has fluctuated over the past several years compared to the Rate of Inflation (<https://www.usinflationcalculator.com/inflation/current-inflation-rates/>).

6. Policy & Procedure

6.1. Second reading of proposed new policies.

As an annual notice, this is an informational item only. No action is required.

6.3. Second Reading of the 2025-2026 Activity Handbook

Dr. Jonas presented the district’s continued membership in the **Nebraska Rural Community Schools Association (NRCSA)** for board consideration. She noted that the district has been a member for many years and explained that NRCSA offers valuable advocacy and support tailored to rural school districts.

Dr. Jonas compared NRCSA to STANCE, a group the district also participates in that primarily supports larger districts. She emphasized that belonging to both provides a balanced range of resources and representation.

Among the most frequently used NRCSA benefits is the **credit card program**, which she highlighted as particularly effective for managing district purchases. Dr. Jonas noted that the program has been efficient under the oversight of Business Manager Becky Vang, and further improvements are being implemented this year to enhance efficiency.

When asked by **Mr. Dalrymple** about the annual membership cost, Dr. Jonas estimated it to be **\$875**, with a commitment to confirm the exact amount. In response to a question from **Mrs. Terrell** regarding participation, Dr. Jonas stated that of the 245 school districts in Nebraska, she estimates approximately **180 districts** are NRCSA members.

Mr. Fornoff invited additional questions from board members. No further questions were raised.

Mr. Fornoff provided a brief recap of the board vacancy process following **Mr. Wyatt’s resignation** in June after 18.5 years of service. He expressed deep appreciation for Mr. Wyatt’s long-standing commitment to the district.

Dr. Jonas had previously outlined the timeline for applications and interviews. The Executive Committee—comprised of **Mrs. Jobman, Mrs. Terrell, and Mr. Fornoff**, with input from **Mr. Dalrymple** and **Mrs. Brass**—reviewed all submitted applications. Mr. Fornoff thanked all candidates, acknowledging the importance and courage involved in volunteering to serve the community and its schools.

Mr. Fornoff introduced **Mr. Ryan Sukraw** as the recommended appointee to the board and invited committee members to share additional comments.

Mrs. Jobman echoed her appreciation for all applicants, noting that the decision was not easy due to the high quality of the candidate pool. She highlighted Mr. Sukraw's broad experience serving on various boards and his longstanding engagement in the community, stating that his background would offer valuable insight and perspective to board discussions.

Mrs. Terrell agreed, emphasizing that the committee was especially focused on selecting someone with **experience in education and budgeting**, given the timing of the appointment ahead of the upcoming school year and budget season. She expressed gratitude for the applicants and confidence in Mr. Sukraw's qualifications.

5. Policy & Procedure

5.1. Discuss and consider policy updates for the 2025-2026 school year.

Dr. Jonas provided an overview of the district's annual policy updates, noting that the proposed revisions are primarily based on **legal guidance from KSB School Law**, which conducts a yearly review of policies and advises districts on required changes.

While many updates were minor or technical in nature, Dr. Jonas highlighted a few significant items for board awareness:

- **Title IX:**
Recent changes at the federal level have led to **updated Title IX guidelines**. Despite evolving legal interpretations, Dr. Jonas emphasized that the district's procedures and commitment to staff training will remain unchanged.
After discussion with the **Policy Committee**, the recommendation is to adopt a **more streamlined version** of the Title IX policy that aligns with **pre-2020 (2019) standards**, based on legal analysis and case law. The revised policy is considered the most appropriate and legally sound version for the district at this time.
- **Other Policy Adjustments** are available on the summary document.

Dr. Jonas thanked the board for reviewing the full list of updates in advance and gave special thanks to the **Policy Committee** for their time and attention to detail during the review process.

5.2. **First reading of proposed new policies.**

Dr. Jonas clarified that unlike routine policy updates, new policies require a review period between the first and second readings to allow for board feedback.

She presented three new policies for initial review:

- **Policy 6044 - Participation and Assignment of Athletic Teams**
This policy aligns with **LB89 (Stand with Women Act)** and addresses athletic team participation based on biological sex as defined by reproductive organs and functions. The policy designates teams as male, female, or co-ed. It includes language from the legislation specifying that males shall not participate on female-designated teams; however, females may participate on male teams when no female team exists for that sport (e.g., football). Dr. Jonas noted that media coverage of the bill had been misleading and offered to answer questions; none were raised.
- **Behavioral Intervention Policy**
This policy follows a model developed by the Nebraska Department of Education (NDE) after extensive feedback and revisions. It outlines procedures for responding to behavioral incidents in schools and reflects collaborative efforts to develop effective guidelines. Dr. Jonas praised the NDE for their responsiveness to superintendent input during the process.
- **Policy 5038 - Picture Submission for School Use**
This new policy provides clear guidelines for staff regarding student photographs used in yearbooks, publications, presentations, and online platforms. Although procedures existed previously, formalizing the policy will ensure consistency and clarify expectations.

No action was taken on these policies at this time to allow for further review and feedback.

5.3. **Review of Policy 6025 Cell Phones**

Dr. Jonas reported that the district recently opened the cell phone policy for community feedback but received no comments. Therefore, the district will continue to implement last year's policy without changes.

She reviewed the policy details: at the secondary level (grades 7-12), students are required to dock their phones in classroom caddies, a practice consistent with the previous year. At the elementary level, students do not have access to cell phones during the school day; phones are kept in lockers or collected by teachers.

Dr. Jonas noted the importance of consistency in making the policy effective and affirmed the district will remain open to future feedback from parents and students.

As an additional observation, Dr. Jonas shared that in interviews with graduating seniors planning to enter education, the cell phone policy was frequently cited as a positive change impacting their school experience.

No action was taken.

5.4. **Discuss and consider approval of the 25-26 Student Handbook.**

Motion to approve the 25-26 student handbook as presented Passed with a motion by Becky Jobman and a second by Lisa Brass.

Lisa Brass: Yea
Matt Dalrymple: Yea
Kyle Fornoff: Yea
Becky Jobman: Yea
Kelly Terrell: Yea

Dr. Jonas reported that no public feedback was received following the presentation of the **Student Handbook changes** at the June meeting.

Following additional internal review by the **Policy Committee**, along with input from district administration and the **school nurse**, enhanced language regarding **latex balloon restrictions** was added to the handbook. This update reflects an existing practice that had not been previously stated clearly in writing.

No other changes were made. Dr. Jonas indicated the handbook is now ready for board approval.

5.5. **First Reading of the 2025-2026 Activity Handbook**

Dr. Jonas noted that, for the first time in three years, there are **no changes** to the **Activity Handbook** other than updates to calendar **dates**.

No action was taken.

5.6. **First Reading of the 2025-2026 Staff Handbook**

Dr. Jonas reported that the **2025-2026 Staff Handbook** contains only minor updates, all of which align with **newly adopted board policies**. The handbook is currently open for board review.

In response to a question from **Mr. Fornoff** regarding how the handbook compares to other districts, Dr. Jonas explained that most districts working with **KSB School Law** likely have similarly structured handbooks. Approximately three years ago, the district formally aligned its handbook with KSB policy to maintain consistency. Each summer, KSB provides a "red-line" version of recommended changes, which the district reviews and incorporates as appropriate.

No action was taken.

5.7. Review, consider, and approve the required staff trainings, as presented, as reasonable in length of time.

Motion to approve the required staff trainings, as presented, during the upcoming school year as reasonable and appropriate for the District. Passed with a motion by Lisa Brass and a second by Matt Dalrymple.

Lisa Brass: Yea
Matt Dalrymple: Yea
Kyle Fornoff: Yea
Becky Jobman: Yea
Kelly Terrell: Yea

Dr. Jonas explained that, following legislation passed two years ago, the board is required to **annually adopt a resolution** confirming that staff trainings are conducted and that they are of a **reasonable length**. While the district cannot modify the duration of most trainings—since they are mandated by law or regulation—this annual approval ensures compliance with the legislation.

A comprehensive list of required trainings was presented, including the **mandating authority**, the **estimated time commitment**, and the **intended staff audience**. On average, the total time for completion amounts to approximately **one full day**, which led the district to implement a **flex day** last year to give staff time to complete them.

Dr. Jonas noted that the training modules are made available **early in the summer** to allow staff flexibility in completing them either gradually or all at once. All trainings are due **by the first day students return**, as the information is considered essential for working safely and effectively with students.

Mrs. Terrell inquired about new training additions from the current legislative session. Dr. Jonas clarified that while no new requirements were introduced, **some items marked in red**

were not included on the resolution in prior years but are now formally listed. She also referenced a state initiative, "**Operation Clean Out the Closets**," which aimed to review and potentially reduce training mandates. While the list did not shrink, it also **did not grow**, which was seen as a positive outcome.

Approximately **70% of required trainings** are delivered through the **Vector platform** provided by the district's insurance provider, ALICAP. Other trainings, such as CPR/AED and specific acknowledgments, are managed separately and tracked by staff including **Mrs. Tiller** and **Mrs. Haas**.

5.8. Discuss and consider approval of teacher and administrator evaluation documents.

Motion to approve the evaluation documents for certified staff as presented. Passed with a motion by Kelly Terrell and a second by Lisa Brass.

Lisa Brass: Yea
Matt Dalrymple: Yea
Kyle Fornoff: Yea
Becky Jobman: Yea
Kelly Terrell: Yea

Dr. Jonas reported that there are **no changes** to the district's **evaluation tools** for the upcoming year. These documents are reviewed and adopted **annually in July** and submitted to the **Nebraska Department of Education (NDE)** for official record.

She noted that the district completed a **comprehensive overhaul** of the evaluation tools a few years ago and continues to find them effective and well-aligned with the district's needs.

6. Informational Items

6.1. Annual disclosure of administrative conflict of interest in accordance with Board Policy 4053

Dr. Jonas explained that, in compliance with legislation enacted a few years ago, all district administrators annually file **Conflict of Interest disclosures** related to any potential conflicts involving district contracts.

The disclosures were presented for public record. No action was required.

7. Reports

Federal Funds Update

The U.S. Department of Education has notified states that funding for six key formula grant programs for FY 2025—totaling \$6.9 billion—will not be released. For Gothenburg Public Schools, these funds have historically supported the operation of four kindergarten classrooms. The anticipated impact of this is approximately \$25,000, which will shift to local funding sources for the 2025–26 school year.

Policy & Handbook Updates

June marks the start of our annual policy review and alignment process. During this time, we carefully review all required and recommended policy updates and work to ensure these changes are accurately reflected in our staff, student, and activities handbooks. While this process takes time, it provides an important opportunity to promote consistency across policies and ensure alignment between buildings.

Admin Team Professional Growth

Our administrative team recently met to focus on the importance of classroom walkthroughs and the value of being consistently present in instructional spaces. Each administrator has scheduled dedicated time for walkthroughs throughout the year, and we will use our Friday check-ins to reflect on these visits. These weekly discussions will help us ensure consistent support across buildings and provide opportunities to recognize and celebrate the great teaching and learning happening in our classrooms.

At the end of the month, our team attended the HumanEX Conference, where we had the privilege of hearing from keynote speaker Inky Johnson. A former college football player whose career was cut short by a life-changing injury at the University of Tennessee, Inky shared a powerful message about overcoming adversity, embracing change, and persevering through challenges. It was an inspiring two days filled with meaningful team building and professional growth.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number (if any).
(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
(3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

YOUR HOME EQUITY LINES OF CREDIT SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you upon request and in response to a billing error notice.

Your Home Equity Lines of Credit is operated in conjunction with your Demand Deposit Account. Any charges for your checking account will be made to the Demand Deposit Account and they will be the same charges as are made for Demand Deposit Accounts not operated in conjunction with Home Equity Lines of Credit. The following information thus applies only to loans made to you under your Home Equity Lines of Credit line of credit.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR DEMAND DEPOSIT LOAN

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- (1) Your name and account number.
(2) The dollar amount of the suspected error.
(3) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

We figure a portion of the FINANCE CHARGE on your Home Equity Lines of Credit by applying the daily periodic rate(s) to the "Daily Balance" of your account for the billing cycle. To get the "Daily Balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits and unpaid FINANCE CHARGES. This gives us the daily balance.

The minimum periodic payment required is shown on the front of this bill. You may pay off your Home Equity Lines of Credit loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Home Equity Lines of Credit. Periodic statements may be sent to you at the end of each billing cycle showing your Home Equity Lines of Credit loan transactions.

Mrs. Josie Floyd, Elementary Principal

Summer School: This July, we successfully held "Camp Dudley" for 73 K-6 students, an increase of nine students from last year. We had a 91% participation rate, and the new three-week, single-session format (8:00-11:00) was a great success. Thank you to the teachers—Kayla Paul, Marley Kennicutt, Tara Foster, Blayre Miller, Jaime Burkink, Regan Schwanz, and Paige Klumpe—as well as our paras and substitutes for making this a positive and impactful learning experience for our students.

A NEW look to our SWEDE SHIELD:

In June, a team of staff members (Mrs. Bartels, Mrs. Stienike, Mrs. Waddle, Mrs. Baker, Mr. Hamilton, Mrs. Rubenthaler, and Mrs. Floyd) attended a two-day training on Restorative Practices. Inspired by this training, the team made minor adjustments to our **SWEDE SHIELD**, which now features the words **"WE ARE"** and **"STAFF, STUDENTS, FAMILY, & COMMUNITY."** We believe that by embracing the principles of the SWEDE SHIELD, we can create a more positive environment within our school, homes, and community.

Class Lists & BOY Letter: With the conclusion of the summer break, our Dudley students anticipate who their teacher will be for the upcoming school year. Class Lists have been shared with teachers and are changing (almost every day) in one grade level or another. A "Beginning of the Year" letter was sent out to all families the end of July. All students in grades K-6th received a letter with their classroom teacher being identified. [BOY Teacher Letter 2025](#)

What's NEW @ Dudley:

Thanks to the hard work of several high school students, Mrs. Mosel, Mr. Bartels, Rick Frickenstein, and Jesse Kincheloe, we have a beautiful new sign on the west side of our building. We're excited for it to welcome students, parents, and visitors to Dudley Elementary!

enVision Math Training:

To prepare for our new K-6 enVision math program, our staff dedicated time on July 21st and 22nd to training at ESU #10. We focused on aligning our standards and materials and developing a new scope and sequence. This will be an exciting adventure as we work to deliver quality math instruction to all students at Dudley Elementary.

Dr. Jonas presented the district’s continued membership in the **Nebraska Rural Community Schools Association (NRCSA)** for board consideration. She noted that the district has been a member for many years and explained that NRCSA offers valuable advocacy and support tailored to rural school districts.

Dr. Jonas compared NRCSA to STANCE, a group the district also participates in that primarily supports larger districts. She emphasized that belonging to both provides a balanced range of resources and representation.

Among the most frequently used NRCSA benefits is the **credit card program**, which she highlighted as particularly effective for managing district purchases. Dr. Jonas noted that the program has been efficient under the oversight of Business Manager Becky Vang, and further improvements are being implemented this year to enhance efficiency.

When asked by **Mr. Dalrymple** about the annual membership cost, Dr. Jonas estimated it to be **\$875**, with a commitment to confirm the exact amount. In response to a question from **Mrs. Terrell** regarding participation, Dr. Jonas stated that of the 245 school districts in Nebraska, she estimates approximately **180 districts** are NRCSA members.

Mr. Fornoff invited additional questions from board members. No further questions were raised.

4.4. **Appoint New Board Member to fill vacancy.**

Motion to appoint Ryan Sukraw to the Board of Education to fill the vacancy created by the resignation of Mr. Nate Wyatt, with the appointed term to expire December 31st, 2026. Passed with a motion by Becky Jobman and a second by Kelly Terrell.

Mr. Fornoff provided a brief recap of the board vacancy process following **Mr. Wyatt’s resignation** in June after 18.5 years of service. He expressed deep appreciation for Mr. Wyatt’s long-standing commitment to the district.

Dr. Jonas had previously outlined the timeline for applications and interviews. The Executive Committee—comprised of **Mrs. Jobman, Mrs. Terrell, and Mr. Fornoff**, with input from **Mr. Dalrymple** and **Mrs. Brass**—reviewed all submitted applications. Mr. Fornoff thanked all candidates, acknowledging the importance and courage involved in volunteering to serve the community and its schools.

Mr. Fornoff introduced **Mr. Ryan Sukraw** as the recommended appointee to the board and invited committee members to share additional comments.

Mrs. Jobman echoed her appreciation for all applicants, noting that the decision was not easy due to the high quality of the candidate pool. She highlighted Mr. Sukraw’s broad experience serving on various boards and his longstanding engagement in the community, stating that his background would offer valuable insight and perspective to board discussions.

Mrs. Terrell agreed, emphasizing that the committee was especially focused on selecting someone with **experience in education and budgeting**, given the timing of the appointment ahead of the upcoming school year and budget season. She expressed gratitude for the applicants and confidence in Mr. Sukraw’s qualifications.

5. Policy & Procedure

5.1. Discuss and consider policy updates for the 2025-2026 school year.

Motion to approve the policy updates for 2025-2026 as presented Passed with a motion by Kelly Terrell and a second by Becky Jobman.

Lisa Brass: Yea

Matt Dalrymple: Yea

Kelly Terrell: Yea

Dr. Jonas provided an overview of the district’s annual policy updates, noting that the proposed revisions are primarily based on **legal guidance from KSB School Law**, which conducts a yearly review of policies and advises districts on required changes.

While many updates were minor or technical in nature, Dr. Jonas highlighted a few significant items for board awareness:

- **Title IX:**
Recent changes at the federal level have led to **updated Title IX guidelines**. Despite evolving legal interpretations, Dr. Jonas emphasized that the district’s procedures and commitment to staff training will remain unchanged.
After discussion with the **Policy Committee**, the recommendation is to adopt a **more streamlined version** of the Title IX policy that aligns with **pre-2020 (2019) standards**, based on legal analysis and case law. The revised policy is considered the most appropriate and legally sound version for the district at this time.
- **Other Policy Adjustments** are available on the summary document.

Dr. Jonas thanked the board for reviewing the full list of updates in advance and gave special thanks to the **Policy Committee** for their time and attention to detail during the review process.

5.2. **First reading of proposed new policies.**

Dr. Jonas clarified that unlike routine policy updates, new policies require a review period between the first and second readings to allow for board feedback.

She presented three new policies for initial review:

- **Policy 6044 - Participation and Assignment of Athletic Teams**
This policy aligns with **LB89 (Stand with Women Act)** and addresses athletic team participation based on biological sex as defined by reproductive organs and functions. The policy designates teams as male, female, or co-ed. It includes language from the legislation specifying that males shall not participate on female-designated teams; however, females may participate on male teams when no female team exists for that sport (e.g., football). Dr. Jonas noted that media coverage of the bill had been misleading and offered to answer questions; none were raised.
- **Behavioral Intervention Policy**
This policy follows a model developed by the Nebraska Department of Education (NDE) after extensive feedback and revisions. It outlines procedures for responding to behavioral incidents in schools and reflects collaborative efforts to develop effective guidelines. Dr. Jonas praised the NDE for their responsiveness to superintendent input during the process.
- **Policy 5038 - Picture Submission for School Use**
This new policy provides clear guidelines for staff regarding student photographs used in yearbooks, publications, presentations, and online platforms. Although procedures existed previously, formalizing the policy will ensure consistency and clarify expectations.

No action was taken on these policies at this time to allow for further review and feedback.

5.3. **Review of Policy 6025 Cell Phones**

Dr. Jonas reported that the district recently opened the cell phone policy for community feedback but received no comments. Therefore, the district will continue to implement last year's policy without changes.

She reviewed the policy details: at the secondary level (grades 7-12), students are required to dock their phones in classroom caddies, a practice consistent with the previous year. At the elementary level, students do not have access to cell phones during the school day; phones are kept in lockers or collected by teachers.

Dr. Jonas noted the importance of consistency in making the policy effective and affirmed the district will remain open to future feedback from parents and students.

As an additional observation, Dr. Jonas shared that in interviews with graduating seniors planning to enter education, the cell phone policy was frequently cited as a positive change impacting their school experience.

No action was taken.

5.4. **Discuss and consider approval of the 25-26 Student Handbook.**

Motion to approve the 25-26 student handbook as presented Passed with a motion by Becky Jobman and a second by Lisa Brass.

Lisa Brass: Yea
Matt Dalrymple: Yea
Kyle Fornoff: Yea
Becky Jobman: Yea
Kelly Terrell: Yea

Dr. Jonas reported that no public feedback was received following the presentation of the **Student Handbook changes** at the June meeting.

Following additional internal review by the **Policy Committee**, along with input from district administration and the **school nurse**, enhanced language regarding **latex balloon restrictions** was added to the handbook. This update reflects an existing practice that had not been previously stated clearly in writing.

No other changes were made. Dr. Jonas indicated the handbook is now ready for board approval.

5.5. **First Reading of the 2025-2026 Activity Handbook**

Dr. Jonas noted that, for the first time in three years, there are **no changes** to the **Activity Handbook** other than updates to calendar **dates**.

No action was taken.

5.6. **First Reading of the 2025-2026 Staff Handbook**

Dr. Jonas reported that the **2025-2026 Staff Handbook** contains only minor updates, all of which align with **newly adopted board policies**. The handbook is currently open for board review.

In response to a question from **Mr. Fornoff** regarding how the handbook compares to other districts, Dr. Jonas explained that most districts working with **KSB School Law** likely have similarly structured handbooks. Approximately three years ago, the district formally aligned its handbook with KSB policy to maintain consistency. Each summer, KSB provides a "red-line" version of recommended changes, which the district reviews and incorporates as appropriate.

No action was taken.

5.7. Review, consider, and approve the required staff trainings, as presented, as reasonable in length of time.

Motion to approve the required staff trainings, as presented, during the upcoming school year as reasonable and appropriate for the District. Passed with a motion by Lisa Brass and a second by Matt Dalrymple.

Dr. Jonas explained that, following legislation passed two years ago, the board is required to **annually adopt a resolution** confirming that staff trainings are conducted and that they are of a **reasonable length**. While the district cannot modify the duration of most trainings—since they are mandated by law or regulation—this annual approval ensures compliance with the legislation.

A comprehensive list of required trainings was presented, including the **mandating authority**, the **estimated time commitment**, and the **intended staff audience**. On average, the total time for completion amounts to approximately **one full day**, which led the district to implement a **flex day** last year to give staff time to complete them.

Dr. Jonas noted that the training modules are made available **early in the summer** to allow staff flexibility in completing them either gradually or all at once. All trainings are due **by the first day students return**, as the information is considered essential for working safely and effectively with students.

Mrs. Terrell inquired about new training additions from the current legislative session. Dr. Jonas clarified that while no new requirements were introduced, **some items marked in red**

were not included on the resolution in prior years but are now formally listed. She also referenced a state initiative, "**Operation Clean Out the Closets**," which aimed to review and potentially reduce training mandates. While the list did not shrink, it also **did not grow**, which was seen as a positive outcome.

Approximately **70% of required trainings** are delivered through the **Vector platform** provided by the district's insurance provider, ALICAP. Other trainings, such as CPR/AED and specific acknowledgments, are managed separately and tracked by staff including **Mrs. Tiller** and **Mrs. Haas**.

5.8. Discuss and consider approval of teacher and administrator evaluation documents.

Motion to approve the evaluation documents for certified staff as presented. Passed with a motion by Kelly Terrell and a second by Lisa Brass.

Dr. Jonas reported that there are **no changes** to the district's **evaluation tools** for the upcoming year. These documents are reviewed and adopted **annually in July** and submitted to the **Nebraska Department of Education (NDE)** for official record.

She noted that the district completed a **comprehensive overhaul** of the evaluation tools a few years ago and continues to find them effective and well-aligned with the district's needs.

6. Informational Items

6.1. Annual disclosure of administrative conflict of interest in accordance with Board Policy 4053

Dr. Jonas explained that, in compliance with legislation enacted a few years ago, all district administrators annually file **Conflict of Interest disclosures** related to any potential conflicts involving district contracts.

The disclosures were presented for public record. No action was required.

Federal Funds Update

The U.S. Department of Education has notified states that funding for six key formula grant programs for FY 2025—totaling \$6.9 billion—will not be released. For Gothenburg Public Schools, these funds have historically supported the operation of four kindergarten classrooms. The anticipated impact of this is approximately \$25,000, which will shift to local funding sources for the 2025–26 school year.

Policy & Handbook Updates

June marks the start of our annual policy review and alignment process. During this time, we carefully review all required and recommended policy updates and work to ensure these changes are accurately reflected in our staff, student, and activities handbooks. While this process takes time, it provides an important opportunity to promote consistency across policies and ensure alignment between buildings.

Admin Team Professional Growth

Our administrative team recently met to focus on the importance of classroom walkthroughs and the value of being consistently present in instructional spaces. Each administrator has scheduled dedicated time for walkthroughs throughout the year, and we will use our Friday check-ins to reflect on these visits. These weekly discussions will help us ensure consistent support across buildings and provide opportunities to recognize and celebrate the great teaching and learning happening in our classrooms.

At the end of the month, our team attended the HumanEX Conference, where we had the privilege of hearing from keynote speaker Inky Johnson. A former college football player whose career was cut short by a life-changing injury at the University of Tennessee, Inky shared a powerful message about overcoming adversity, embracing change, and persevering through challenges. It was an inspiring two days filled with meaningful team building and professional growth.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number (if any).
(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
(3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

YOUR HOME EQUITY LINES OF CREDIT SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you upon request and in response to a billing error notice.

Your Home Equity Lines of Credit is operated in conjunction with your Demand Deposit Account. Any charges for your checking account will be made to the Demand Deposit Account and they will be the same charges as are made for Demand Deposit Accounts not operated in conjunction with Home Equity Lines of Credit. The following information thus applies only to loans made to you under your Home Equity Lines of Credit line of credit.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR DEMAND DEPOSIT LOAN

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- (1) Your name and account number.
(2) The dollar amount of the suspected error.
(3) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

We figure a portion of the FINANCE CHARGE on your Home Equity Lines of Credit by applying the daily periodic rate(s) to the "Daily Balance" of your account for the billing cycle. To get the "Daily Balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits and unpaid FINANCE CHARGES. This gives us the daily balance.

The minimum periodic payment required is shown on the front of this bill. You may pay off your Home Equity Lines of Credit loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Home Equity Lines of Credit. Periodic statements may be sent to you at the end of each billing cycle showing your Home Equity Lines of Credit loan transactions.

Summer School: This July, we successfully held "Camp Dudley" for 73 K-6 students, an increase of nine students from last year. We had a 91% participation rate, and the new three-week, single-session format (8:00-11:00) was a great success. Thank you to the teachers—Kayla Paul, Marley Kennicutt, Tara Foster, Blayre Miller, Jaime Burkink, Regan Schwanz, and Paige Klumpe—as well as our paras and substitutes for making this a positive and impactful learning experience for our students.

A NEW look to our SWEDE SHIELD:

In June, a team of staff members (Mrs. Bartels, Mrs. Stienike, Mrs. Waddle, Mrs. Baker, Mr. Hamilton, Mrs. Rubenthaler, and Mrs. Floyd) attended a two-day training on Restorative Practices. Inspired by this training, the team made minor adjustments to our **SWEDE SHIELD**, which now features the words **"WE ARE"** and **"STAFF, STUDENTS, FAMILY, & COMMUNITY."** We believe that by embracing the principles of the SWEDE SHIELD, we can create a more positive environment within our school, homes, and community.

Class Lists & BOY Letter: With the conclusion of the summer break, our Dudley students anticipate who their teacher will be for the upcoming school year. Class Lists have been shared with teachers and are changing (almost every day) in one grade level or another. A "Beginning of the Year" letter was sent out to all families the end of July. All students in grades K-6th received a letter with their classroom teacher being identified. [BOY Teacher Letter 2025](#)

What's NEW @ Dudley:

Thanks to the hard work of several high school students, Mrs. Mosel, Mr. Bartels, Rick Frickenstein, and Jesse Kincheloe, we have a beautiful new sign on the west side of our building. We're excited for it to welcome students, parents, and visitors to Dudley Elementary!

enVision Math Training:

To prepare for our new K-6 enVision math program, our staff dedicated time on July 21st and 22nd to training at ESU #10. We focused on aligning our standards and materials and developing a new scope and sequence. This will be an exciting adventure as we work to deliver quality math instruction to all students at Dudley Elementary.
