To Whom It May Concern:

Please accept this as my letter of resignation from Le Sueur-Henderson High School, as I have recently accepted a full-time work experience teaching position at Eden Prairie High School.

While I'm very excited about this new opportunity, I'd like to express my sincerest gratitude to our school board, administrators, staff, scholars, families, and community business leaders for continually inspiring and motivating me for four fantastic years. Thank you for helping me become a better educator and human being.

I would also like to give a GIANT thank you to the administrators, teachers, coaches, staff, and families in our district who have been so giving of their time and talents to Owen, Callie, and Everett Greisen. It's nice to know my kids are learning in a district filled with countless people who care so much about children.

I will always appreciate my time as an educator within the Le Sueur-Henderson school district because so many people made my experience so special.

Sincerely,

A handwritten signature in black ink, appearing to read "Dave Greisen", written in a cursive style.
