## Community Education Update

May 29, 2026

### General Community Ed.

- Summer enrichment classes begin the first week of June 1. We also start drivers' education this week. We have 26 students enrolled in the classroom portion of driver's education and you'll start to see the driver ed. vehicle more around town starting this week.
- Full-day Kids Club summer camp sessions are now full.
- Registration has been climbing; however, some of the newer specialty classes have had slower enrollment. Summer highlights include Glow Track Camp and *A Midsummer Night's Dream* — our annual summer children's play.
- Thunder of Drums will be renting district facilities for lodging and rehearsal on July 6 and 7. We expect percussion and band rehearsals to be held throughout town during those days.
- Cadence Sports, an event management company specializing in fundraising, is organizing a bike race on Sunday, June 14, and will be utilizing the back parking lot of the school campus for race-loop training. Over 100 bicyclists will be riding through Le Sueur on that day.

### Adult Basic Education (ABE)

ABE programming continues to remain active:

- We wrap up the majority of our ABE classes in mid-June; however, through our partnership with surrounding ABE consortiums, students have the option of continuing their education by attending evening regional online ESL and GED classes.
- By the time the board reads this, we will have completed and turned in our ABE Narrative, a comprehensive document outlining consortium operations, including hiring practices, staff development, curriculum, student demographics, assessment practices, and more. Our narrative is over 100 pages long.
- Our end-of-year recognition ceremony will be held Tuesday, June 16, at 6:00 p.m. in the St. Peter Community Center. We will recognize students who have obtained their GED, high school diploma, or achieved a level gain with their academics. All Advisory Council members and LSH school board members are invited.

### Early Childhood

#### Preschool offerings for the 2026–2027 school year will include:

- Monday–Friday (all day) for 4–5-year-olds — 2 sections (31 enrolled)
- Monday–Friday (afternoons) for 4–5-year-olds — 1 section (5 enrolled)
- Monday–Thursday (mornings) for 3-year-olds — 2 sections (21 enrolled)

For next year, we have added another section of all-day, every-day preschool for 4–5-year-olds. Last year, this option filled up in two hours. We currently have just one remaining spot available in this program.

On Thursday, May 7, from 5:30–6:30 p.m. in the MS parking lot, we hosted our annual vehicle fair and concert. If you drove by that day, you likely noticed the Jolly Pops band, many different vehicles, semi-trucks, fire trucks, an ambulance, race cars, and, of course, an ice cream truck. This was our best-attended event to date, with over 200 people participating.

### **Kids Club**

We wrapped up our school-year care program on May 21 and spent two days completing staff trainings and preparing rooms for summer programming. We opened summer care on the Tuesday after Memorial Day, and the first week has gone very smoothly. Students are learning the routines well.

We currently have over 85 students registered for the summer. We initially had a waiting list for summer programming; however, we were able to accommodate each family. With staffing levels and classroom space available at the elementary school, we now have an average of 70 students per day.

Field trips planned for the summer include Como Zoo, Good Times Park, Camp Dels, Scott County Fair, and Wild Things Indoor Park.

#### Collaborative CTE & Workforce Development Highlights

We want to open this month's report by celebrating a powerful graphic recently shared by Jack Wheeler, our Workforce Development Coordinator. This graphic highlights the combined efforts of our LSH staff and Jack to expand Career and Technical Education (CTE) opportunities for our students. By aligning our curriculum with regional industry needs and strengthening community partnerships, we are building sustainable pipelines that provide students with invaluable hands-on experience, credentialing, and post-secondary readiness.

## **Academic Year Attendance Analysis (2025-2026)**

This year, our school focused heavily on monitoring student engagement through the critical benchmark of maintaining 90% attendance. *(Under the Minnesota Department of Education (MDE) and the federal Every Student Succeeds Act (ESSA), a student is considered chronically absent if they miss 10% or more of the school year for any reason.)* Overall, the school maintained incredibly strong figures, with several grades reaching 100% proficiency at various points in the year.

### **Monthly Attendance Benchmarks**

The table below tracks the percentage of the student body per grade level that **met or exceeded the 90% attendance threshold** from September through May.

	<b>Sept</b>	<b>Oct</b>	<b>Nov</b>	<b>Dec</b>	<b>Jan</b>	<b>Feb</b>	<b>Mar</b>	<b>Apr</b>	<b>May</b>
<b>6th</b>	95.65%	97.10%	92.75%	91.30%	91.30%	89.86%	91.43%	92.86%	95.71%
<b>7th</b>	96.05%	96.15%	96.10%	100%	93.33%	90.67%	93.33%	98.65%	91.89%
<b>8th</b>	92.11%	96.00%	86.84%	86.49%	93.15%	91.55%	87.67%	90.28%	91.67%
<b>9th</b>	97.37%	94.67%	90.41%	95.71%	89.86%	89.86%	97.10%	98.55%	94.20%
<b>10th</b>	97.22%	100%	98.59%	97.18%	95.89%	95.71%	91.43%	95.71%	98.59%
<b>11th</b>	98.68%	98.68%	100%	96.00%	98.65%	97.14%	88.41%	97.10%	94.20%
<b>12th</b>	100%	96.61%	86.44%	91.53%	90%	92.86%	78.57%	94.55%	94.55%

### **Key Findings & Trends**

- **Consistently High Performance:** Grade 10 emerged as our most consistent cohort, maintaining a 91% proficiency rate across all nine months and peaking at a perfect 100% in October.
- **Middle School Transitions:** Grade 8 showed notable volatility during the winter months (November/December) and early spring (March). These periods represent critical times for re-engagement strategies as they prepare for high school.
- **Senior Achievement and "Senior Slide":** While Grade 12 began the year with a perfect 100% record in September, there was a significant drop to 78.57% in March. This correlates with traditional seasonal trends seen in graduating classes.
- **System-Wide Success:** The overall growth and achievement of 100% benchmarks across different months by Grades 7, 10, 11, and 12 indicate that our school-wide culture-building strategies and

attendance policies are highly successful. This positive environment has driven collective student buy-in, though maintaining consistency across all months remains our primary goal moving forward.

## Historical Last Day Attendance Data

Looking at long-term data specifically for the **last day of school**, we have experienced a remarkable recovery over the last few years.

- **2022-23:** 93.78% (*Strong baseline*)
- **2023-24:** 87.24% (*Significant Drop: -6.54%*)
- **2024-25:** 92.13% (*Strong Recovery: +4.89%*)
- **2025-26:** **95.60%** (*Historical Peak: +3.47%*)

## Last Day Attendance Rate Breakdown by Grade Level

Our current school year achieved the highest last-day attendance rate in recent history. This was driven by exceptional final-day turnout across almost all grades, particularly in the middle school tier:

Grade Level	2022-23	2023-24	2024-25	2025-26 (Current)
6th Grade	96.39%	95.15%	97.07%	95.37%
7th Grade	91.01%	93.96%	94.90%	98.01%
8th Grade	86.74%	89.12%	91.45%	94.61%
9th Grade	97.03%	80.87%	90.19%	92.65%
10th Grade	93.49%	81.11%	86.56%	95.66%
11th Grade	100.00%	81.24%	93.62%	93.72%
<b>Total</b>	<b>93.78%</b>	<b>87.24%</b>	<b>92.13%</b>	<b>95.60%</b>

## End-of-Year Activities & Celebrations

### Middle School Awards

The annual Middle School Awards ceremony was a spectacular success. A special thank you to Sherri Fritz, Cassie Wilke, Katie Maier, and the middle school team for putting this together and recognizing the academic, behavioral, and personal achievements of our students.

### Last Day Activities Schedule

Our exceptional AVID students created, organized, and ran this year's last-day activities schedule. ***A special Thank you to Mel Hollnagel for her coordination.*** They successfully coordinated a highly engaging, 9-station rotation that kept student and staff morale and attendance incredibly high through the final bell:

1. Musical Chairs
2. Dodgeball
3. Egg Race
4. Hula Hoop
5. Head, Shoulders, Knees, Toes (HSKT) Cup Grab / Cone Flip
6. Relay Race (4x100)
7. Bingo

8. Spoons
9. Escape Room

## **Unified Track & Field Invitational**

The Unified Track and Field Invitational was hosted May 13th and turned out to be a huge success! It was a beautiful display of sportsmanship, inclusion, and community pride. Thank you to Erika Anderson, Unified Club, staff, student-athletes, and volunteers who made this event unforgettable.

## **Looking Ahead: Summer & Fall Operations**

### **Streamlined Online Registration**

We are completely shifting our back-to-school workflows online to improve efficiency and convenience for our district families.

- **Timeline:** The online registration portal is currently in the process of being set up and will be fully live and available by **July 1st**.
- **The Process:** A direct portal link will be emailed to all parents and guardians. They will be able to complete all annual back-to-school information updates securely through **Infinite Campus**.
- **Zero Paperwork:** All necessary district forms are digitised and included directly in the system. No physical paperwork will be required from parents, making this process significantly quicker and easier than in previous years.
- **New Student Enrollment:** A dedicated enrollment link will also be prominently added to the district website specifically for families moving into the area.
- **Accessibility Support:** For families who do not have reliable access to technology or internet at home, dedicated computer kiosks will be set up and available during our annual Open House so that staff can assist them in completing the process.

Respectfully submitted,

## LSH Elementary School Board Update – June 2026

MCA testing concluded with a flurry over the past several weeks. While we will not receive reading results for some time and cannot publicly report math and science results, I can report on our FastBridge data. Overall, from fall to spring, the elementary school has seen incredible academic growth this year. In all but a couple of classrooms, we saw significant student growth, and I am very excited about what that means for the future of our students and school.

Hiring for next year is also going very, very well. I am excited about the new staff members joining the elementary next year, as I believe they will greatly benefit our students and strengthen our school community.

Extended School Year (ESY) programming is ready to begin for the first three weeks of June. It is always nice to have students in the building during that time and continue providing important learning opportunities and support.

One of our building goals this year was to improve student attendance. I am happy to report that we reduced overall absences by 7% this year. If we remove one family with an unusually high number of absences from the data, that reduction increases to an 11% decrease in absences. While we still have work to do in this area, the progress is encouraging and speaks to the efforts of our staff and families.

I say this each year, but it truly seems like the years go by faster and faster. We are now finalizing class lists, completing one final hire, and preparing for another school year that will be upon us before we know it.

As always, your support is greatly appreciated, and it is truly a pleasure to serve the district.

### Summary of the Memorandum of Understanding

This MOU establishes a formal agreement between the **Le Sueur-Henderson School District** and the **Teamsters Union 320** (representing education support professionals/paraprofessionals) to implement a teacher apprenticeship program.

Key provisions included in the document are:

- **Partnership and Funding:** The program is a collaboration between the District, a partnering university, and the Minnesota Teachers Joint Apprenticeship Training Committee (MNTJATC). Tuition is covered by MNTJATC as long as funding is available.
- **Compensation:**
  - Apprentices receive a starting hourly rate no less than the applicable rate for special education paraprofessionals.
  - **Year 2 Increase:** Per your request, the MOU codifies a **\$ 2.00-per-hour salary increase** for apprentices entering their second year of the program.
  - Apprentices are paid for both On-the-Job Training (OJT) and Related Technical Instruction (RTI).
- **Work Standards:** Apprentices follow a 7.5-hour workday and a 182-day teacher calendar. To ensure program integrity, they cannot be pulled from their duties to serve as substitute teachers.
- **Labor Protections:** In the event of a strike or work stoppage, apprentices are protected from discipline for attending mandatory RTI sessions, and the District will provide a contingency plan for technology access (e.g., non-district logins) to ensure they can complete coursework.
- **Employment Security:** If an apprentice does not complete the program or the program ends due to funding, they are eligible to return to their previous bargaining unit position or an equivalent role without loss of pay or seniority.

## MEMORANDUM OF UNDERSTANDING: JOURNEYWORKER TEACHER ROLE

Between Independent School District No. 2397 (Le Sueur-Henderson Public Schools) and  
the Le Sueur-Henderson Education Association (LSHEA).

---

### Preamble

This Memorandum of Understanding ("MOU") is entered into by and between the Le Sueur-Henderson School District ("District") and the LSHEA ("Union").

- **WHEREAS**, the District has established a teacher apprenticeship program designed to provide education support professionals with alternative pathways to becoming licensed teachers in response to teacher shortages; and
- **WHEREAS**, this program represents a collaborative partnership between the Minnesota Teachers Joint Apprenticeship Training Committee (MNTJATC), the university partner, the District, and the Union; and
- **WHEREAS**, both parties agree that a long-term mentorship provided to an apprentice by an experienced, licensed teacher is vital to cultivating competent new educators and improving student services; and
- **WHEREAS**, the parties wish to codify the specific duties, expectations, and terms of employment for the licensed teachers stepping into the mentor role;
- **NOW, THEREFORE**, the parties agree to the following provisions governing the **Journeyworker** position:

---

### 1. Selection, Qualifications, and Discretion

- The District retains sole discretion to determine the qualifications, final selection, and the total number of Journeyworkers utilized within the apprenticeship program.
- To qualify, the individual must be a licensed teacher who meets all established Journeyworker criteria.
- **Two-Year Commitment:** The Journeyworker must commit to participating in the program and partnering with their assigned apprentice(s) for a duration of **two (2) years**.

- **Apprentice Cap:** To ensure high-quality mentorship, focused instruction, and program integrity, a Journeyworker shall be assigned **no more than two (2) apprentices** at any given time.

## 2. Core Operational Expectations & Scope of Role

- **Classroom Integration:** The Journeyworker is responsible for supporting their assigned apprentice(s) (maximum of two) directly within the classroom environment for the duration of the two-year commitment, actively modeling, coaching, observing, and co-planning alongside the apprentice.
- **Job-Embedded Training:** The Journeyworker must deliberately structure and provide clear opportunities for their assigned apprentice(s) to fulfill their job-embedded On-the-Job Training (OJT) requirements.
- **Meetings and Professional Development:** The Journeyworker is required to attend all mandatory Journeyworker-specific meetings, alignment sessions, and training programs scheduled by the District or program sponsors during the school year.
- **Summer Training Requirements:** Journeyworkers shall participate in mandatory program-related summer training for up to **three (3) days** per year.
- **Performance Evaluation:** The Journeyworker's performance in this specialized mentorship capacity will be regularly evaluated by the District to maintain program integrity.
- **Role Boundary Awareness:** The Journeyworker must maintain a clear understanding of the distinct separation between their professional duties and the specific learning boundaries governing the apprentice's role.

## 3. Protection of Related Technical Instruction (RTI) & Labor Protections

- **Acknowledgment of RTI Obligations:** Journeyworkers must respect that the apprentice is bound by strict licensure requirements to attend all mandatory Related Technical Instruction (RTI) sessions administered through the university partner.
- **Continuation During Labor Disputes:** In the event of a labor strike, contract negotiation conflict, or work stoppage, the apprentice's obligation to complete their RTI remains uninterrupted so they may graduate on time.
- **Non-Coercion and Professional Conduct:** Journeyworkers are strictly prohibited from utilizing coercion, cultural pressure, or demonstrating resentment toward an apprentice who continues to participate in mandatory university RTI sessions during active labor disputes or union actions.

## 4. Compensation and Program Discontinuation

**Program Integrity Clause:** Continuous engagement in the apprenticeship requires mutual adherence to program standards. If at any point an apprentice or a Journeyworker becomes unwilling or unable to fulfill the core expectations of the

program (including coursework, mentorship quality, work experience, summer training, or attendance), the District reserves the right to terminate the apprenticeship arrangement.

- **Yearly Stipend:** In recognition of the additional mentoring, coaching, classroom alignment, and summer training requirements, Journeyworkers shall receive a **yearly stipend of \$3,000**, paid in accordance with standard District payroll practices.
- **Proration & Termination:** If the apprenticeship arrangement is dissolved early due to performance issues, an inability to meet mentorship or training expectations, or an apprentice's withdrawal from the program, the District will immediately terminate or prorate the \$3,000 yearly stipend assigned to the Journeyworker based on the portion of the service year completed.

## 5. General Provisions

- **Grievance Framework:** This MOU is fully enforceable under the standard grievance and arbitration procedures established within the broader collective bargaining agreement (CBA).
- **Precedent Disclaimer:** The parties acknowledge that this MOU is born out of unique district labor shortages and cannot be used in any future negotiations or grievances as a past practice or binding precedent.
- **Severability:** If any specific provision of this document is declared invalid by a court of competent jurisdiction, all other independent elements of this agreement will remain fully active and enforceable.

## KIDS CLUB COORDINATOR

### ARTICLE I PURPOSE

This Contract is entered into between Independent School District No. 2397, Le Sueur-Henderson, Minnesota, hereinafter referred to as the School District, and Cheri Youngren, hereinafter referred to as the Coordinator, who agrees to perform the duties of the Kids Club Coordinator

### ARTICLE II DURATION, EXPIRATION, TERMINATION DURING THE TERM, MUTUAL CONSENT, AND CONTINGENCY

Section 1. Duration: This Contract is for a term of two years commencing on July 1, 2025 and ending on June 30, 2027. All benefits listed are annual and therefore will be prorated accordingly. It shall remain in full force and effect unless modified by mutual consent of the School Board and the Coordinator or unless terminated as provided in this Contract.

Section 2. Expiration: This Contract shall expire at the end of the term specified in Section 1. above. At the conclusion of its term, neither party shall have any further claim against the other, and the School District's employment of the Coordinator shall cease, unless a subsequent Contract is entered into by the parties. In the event the parties fail to enter into a subsequent contract, the Coordinator's employment shall continue on a month-to-month basis until the School Board either enters into a subsequent Contract with the Coordinator or until the School Board provides sixty (60) calendar days of written notice of the termination of the Coordinator's employment.

Section 3. Termination During the Term: The Coordinator's employment may be terminated during the term of this Contract only for cause as defined in M.S. 122A.40, Subd. 9. and Subd. 13., but, except for purposes of describing grounds for discharge, the provisions of M.S. 122A.40 shall not be applicable. If the School Board proposes to terminate the Coordinator during the term of this Contract for cause as described in M.S. 122A.40, Subd. 9. or Subd. 13., it shall notify the Coordinator, in writing, of the proposed grounds for termination. The Coordinator shall be entitled to a hearing before an arbitrator provided the Coordinator makes such a request, in writing, to the School Board Chair within fifteen (15) calendar days after receipt of the written notice of the proposed termination. In such event, the parties shall jointly petition the Bureau of Mediation Services (BMS) for a list of five (5) arbitrators. The arbitrator shall be selected by the parties through the normal striking process as provided by BMS rules. The arbitrator shall conduct a hearing under normal arbitration procedure rules and issue a written decision. The decision of the arbitrator shall be final and binding upon the parties, subject to normal judicial review of arbitration decisions as provided by law. The Coordinator may be suspended with pay pending final determination by the arbitrator. If the Coordinator fails to request a hearing as provided in this section within the fifteen (15)-day calendar period, he/she shall be deemed to have acquiesced to the School Board's proposed action, and the proposed action shall become final on such date as determined by the School Board, and the Coordinator shall have no further claim or recourse.

Section 4. Mutual Consent: This Contract may be terminated at any time by mutual consent of the School Board and the Coordinator.

Section 5. Contingency: If this Contract is a subsequent Contract entered into prior to the completion of an existing Contract, this subsequent Contract is contingent upon the Coordinator's completing the terms of the existing Contract.

ARTICLE III  
DUTIES

The Coordinator shall serve under the direction of the Community Education Director. The Coordinator shall perform all duties incident to the position and such other duties as may be prescribed by the Community Ed. Director and Superintendent from time to time. The Coordinator shall abide by the policies, regulations, rules, and procedures established by the School Board and the Commissioner of the Department of Education and shall abide by all Minnesota laws relating to the operation of the School District.

ARTICLE IV  
DUTY YEAR AND LEAVES OF ABSENCE

Section 1. Basic Work Year: The Coordinators duty year shall be for the entire twelve (12)-month Contract year, and the Coordinator shall perform duties on those legal holidays on which the School Board is authorized to conduct school if the School Board so determines.

Section 2. Vacation: The Coordinator shall earn fifteen (15) working days of annual paid vacation each Contract year. Unused vacation may carry up to 10 unused vacation days into next year, with superintendent approval. Upon voluntary termination of employment, the Coordinator shall be entitled to payment for any unused vacation days earned and accrued pursuant to the provisions of this section; however, if the Coordinator is involuntarily terminated, he/she shall not be entitled to unused earned and accrued vacation days.

Section 3. Holidays: The Coordinator shall be entitled to eleven (11) paid holidays: 4th of July, Labor Day, Thanksgiving, and Friday after Thanksgiving, Christmas Eve day, Christmas Day, New Year's Eve day, New Year's Day, Good Friday, Memorial Day and Juneteenth to be used throughout the year. Upon voluntary or involuntary termination of employment, unused holidays may not be paid out.

Section 4. Sick Leave: The Coordinator is entitled up to 12 sick leave days. Upon voluntary or involuntary termination of employment, the Coordinator shall not be entitled to unused sick leave days.

Section 5. Workers' Compensation: Pursuant to M.S. Chapter 176, the Coordinator injured on the job in the service of the School District and collecting workers' compensation insurance may draw sick leave and receive full wages from the School District, the wages to be reduced by an amount equal to the insurance payments, and only that fraction of the days not covered by insurance will be deducted from accrued sick leave.

Section 6. Emergency and Funeral Leave: The Coordinator shall be granted bereavement leave for a death within the Coordinator's immediate family. The time utilized shall be in an amount to be determined after conferring with the Superintendent. Days utilized will not be deducted from the Coordinator's sick leave. "Immediate family" is defined as the Coordinator's spouse, child, parent, brother, sister, grandparent, brother-in-law, sister-in-law, mother-in-law, father-in-law, or grandchildren. This particular type of personal leave shall be extended from one to five days as determined and granted by the superintendent or his designated representative for any particular event.

Funeral leave of up to one (1) day per school year shall be granted for funerals of friends and other persons not mentioned in the previous paragraph. Such leave shall be non-accumulative.

Section 7. Jury Service: The Coordinator who serves on jury duty shall be granted the day or days necessary as stipulated by the court to discharge this responsibility without any wages deduction or loss of

basic leave allowance. The compensation received for jury duty service shall be remitted to the School District.

Section 8. Military Leave: Military leave shall be granted pursuant to applicable law.

Section 9. Insurance Application: A Coordinator on unpaid leave is eligible to continue to participate in group insurance programs if permitted under the insurance policy provisions. The Coordinator shall pay the entire premium for such insurance commencing with the beginning of the leave and shall pay to the School District the monthly premium in advance. In the event the Coordinator is on paid leave from the School District under Section 4. above or supplemented by sick leave pursuant to Section 5. above, the School District will continue insurance contributions as provided in this Contract until sick leave is exhausted. Thereafter, the Coordinator must pay the entire premium for any insurance retained.

#### ARTICLE V INSURANCE

Section 1. Health and Hospitalization Insurance: The School District shall provide the Coordinator and the Coordinator's dependents with health and hospitalization insurance coverage under the School District's group health and hospitalization insurance plan. The School District shall contribute the sum of \$6,700 annually (\$558.33 per month) for single coverage and \$10,800 annually (\$900 per month) for family coverage toward the premium for such insurance. The balance of the premium shall be paid by the Coordinator through payroll deduction.

*NOTE 2: In the event this Contract will cause or does cause penalties, fees, or fines to be assessed against the School District, the parties agree to reopen negotiations that result in a revised Contract between the parties that eliminates or reduces penalties, fees, or fines to be assessed against the School District. The amount of any reduction in the School District's contribution toward the Coordinator's healthcare benefits as a result of addressing the "highly compensated employee" component of the ACA will be placed into another School District provided benefit(s) (i.e., a retirement HRA, wages, etc.) as agreed upon between the parties.*

Section 2. Life Insurance: The School District shall provide, at its own expense, term life insurance for the Coordinator under the School District's group term life insurance plan in the amount of \$20,000, payable to the Coordinator's named beneficiary(ies).

*NOTE 3: According to the Internal Revenue Service rules, the amount of School District premium contribution that pays for life insurance coverage in excess of \$50,000 is considered taxable income, so the School District should be certain that it is reporting that contribution as such, and the Coordinator needs to know why that amount is being reported.*

Section 3. Long-Term Disability Insurance: The School District shall provide, at its own expense, long-term disability insurance for the Coordinator under the School District's group long-term disability insurance under which full-time employees may be included and which will compensate those persons covered thereby two-thirds (2/3) of the covered person's annual wages, effective after thirty (30) days' disability and payable to age seventy (70) subject to requirements of the insurance carrier.

Section 4. Eligibility: The eligibility of the Coordinator and the Coordinator's dependent(s) and beneficiary(ies) for insurance benefits shall be governed by the terms of the insurance policies purchased by the School District pursuant to this article.

Section 5. A teacher may use his/her accumulated sick leave and the School Board limits use as permissible.

Subd. 4. Medical Certificate: The School District may require a teacher to furnish a medical certificate from a qualified physician as evidence of any illness and/or disability pursuant to this section, indicating such absence was due to illness and/or disability, in order to qualify for sick leave pay. However, the final determination as to the eligibility of a teacher for sick leave is reserved to the School District. In the event that a medical certificate will be required, the teacher will be so advised.

Subd. 5. Deduction: Sick leave allowed shall be deducted from the accumulated sick leave days earned by the teacher.

Subd. 6. Special Provision: A teacher will receive up to eight (8) hours or one (1) day per school year to attend activities related to the employee's child(ren), for example, athletic/non-athletic event, graduation, or wedding, provided these activities cannot be scheduled during non-working hours. Hours would deduct from sick leave balance.

A teacher will receive up to eight (8) hours or one (1) day per school year to attend non-medical related appointments, provided these appointments cannot be scheduled during non-working hours. Hours would deduct from sick leave balance.

For both of these language items, 1) time must be taken in four (4) hour increments, 2) must be submitted in writing to the building principal at least three (3) days in advance, and 3) must be approved by the building principal. No more than two (2) teachers from each building and four (4) teachers district wide can be gone at any time for these leaves. These leaves shall not be granted for the day preceding or the day following holidays or vacations and the first and last days of school. Approval is dependent upon the availability of qualified substitutes.

Section 2. Personal Leave: Personal leave may be granted to any teacher who makes such a request with said hours to be deducted from that teacher's accumulated sick leave. If the hours missed are hours such as an emergency closing and no school is held, said hours shall not be charged against the teacher's personal leave. The use of said personal leave shall be at the discretion of the teacher. Personal time is equivalent to FTE status.

- 0-5 Employee receives 16 personal hours
- 6-14 Employee receives 24 personal hours
- 15 and beyond Employee receives 32 personal hours.

\* Benefits will be credited at the beginning of year.

An additional eight (8) hours of personal leave shall be granted to each teacher for use during the year following a year in which he or she used fewer than sixteen (16) hours of sick time. Sick Time for this purpose will not include sick time hours subtracted for the use of personal leave.

A teacher will have any unused personal hours placed into a "Personal Time Bank" at the end of the school year. This bank will be capped at 16 hours. Any hours used from the "Personal Time Bank" must be used in a minimum of 4-hour increments.

Any unused personal hours (excluding hours banked) shall be sold back to the district at sub rate pay (minimum of 4 hours) at the end of the school year. This compensation shall be included in the June 30<sup>th</sup> pay period.

Additional personal leave may be granted by the superintendent. Requests for additional personal leave shall be submitted in writing. If the additional leave is for the purpose of vacation, then the teacher must give up one day of pay for each day granted and the school district will pay the cost of the substitute. However, if the day missed is a teacher workday or when the teacher is assigned to work individually, and the teacher performs the duties of that day there shall be no loss of compensation for that day. If the day missed is a day such as an emergency closing and no school is held, there shall be no loss of compensation for that day nor shall the day be charged against the teacher's personal leave.

If the additional personal leave is for reasons other than vacation, then the teacher may be required to pay the cost of the substitute and the teacher will not lose any pay for the additional days granted other than the substitute cost if required. Should the teacher find replacement among the staff, he/she shall not be required to pay the cost of a substitute.

Any teacher availing him/herself of personal leave should notify his/her building principal at least 24 hours prior to taking said leave. The superintendent may waive the 24-hour rule in emergencies. A maximum of six (6) teachers in the School District will be granted personal leave for the same day. On any given day, a maximum of four (4) teachers from the elementary (School Readiness-5) or (6-12) will be granted leave for the same day.

Personal hours will not be utilized in the first week of student contact days, or the last week of student contact days, nor during the pre-service professional development contract days of the school year unless pre-approved by the superintendent of schools. Said decisions will not set past practice or be grievable.

Section 3. Workers' Compensation: Pursuant to M.S. Chapter 176, a teacher injured on the job in the service of the School District and collecting workers' compensation insurance may draw sick leave and receive full salary from the School District, the salary to be reduced by an amount equal to the insurance payments, and only that fraction of the days not covered by insurance will be deducted from accrued sick leave.

Section 4. Emergency and Bereavement Leave:

Subd. 1. Use: A full-time teacher may be granted an emergency leave or bereavement leave with the written approval of the Superintendent totaling no more than five (5) days per year, non-accumulative for any situation that arises requiring the teacher's emergency attention which cannot be attended to when school is not in session and which is not covered under other provisions of this Agreement. Emergency and bereavement leave granted under this provision shall be deducted from that teacher's sick leave and bereavement request must indicate relationship of deceased. Said decisions will not set past practice or be grievable.

Pursuant to this section, bereavement leave may be allowed for death of an immediate family member. "Immediate family" is defined as the teacher's spouse, child, parent, in-law parent, brother, sister, in-law brother, in-law sister, grandchild, grandparent or other relative who lived in the same household as the teacher. Bereavement leave of up to one (1) day per school year, non-accumulative, shall be granted for funerals of friends and other persons not mentioned above. In extenuating circumstances, the Superintendent may exercise discretion in granting additional bereavement leave.

Subd. 2. Requests: Requests for emergency leave must be made, in writing, to the Superintendent at least three (3) days in advance or as soon as practical, unless the

Superintendent determines that such advance notice was not possible. The request shall state the reason for the proposed leave. The Superintendent reserves the right to refuse to grant such leave if, under the circumstances involved, he/she determines that such leave should not be granted.

#### Section 5. Child Care Leave:

Subd. 1. Use: A childcare leave may be granted by the School Board, subject to the provisions of this section, to one (1) teacher-parent of a natural or adopted infant child, provided such teacher-parent is caring for the child on a full-time basis.

Subd. 2. Request: A teacher making application for childcare leave shall inform the Superintendent, in writing, of the request to take the leave at least three (3) calendar months before commencement of the intended leave.

Subd. 3. Medical Statement: A teacher will provide, at the time of the leave application, a statement from the attending physician indicating the expected date of delivery.

Subd. 4. Date of Leave: The School District may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave coincide with some natural break in the school year – i.e., winter vacation, spring vacation, semester or quarter break, end of a grading period, end of the school year, or the like. The availability of a substitute teacher may also be considered by the School Board in the granting of a childcare leave or its duration.

Subd. 5. Duration: In making a determination concerning the commencement and duration of a childcare leave, the School Board shall not, in any event, be required to:

1. Grant any leave for more than twelve (12) months in duration;
2. permit the teacher to return to employment prior to the date designated in the request for childcare leave.

Subd. 6. Reinstatement: A teacher returning from childcare leave shall be reinstated in a position for which he/she is licensed and qualified unless previously discharged or placed on unrequested leave of absence.

Subd. 7. Failure to Return: Failure of the teacher to return by the date determined under this section shall constitute grounds for termination unless the School Board and the teacher mutually agree, in writing, to an extension in the leave.

Subd. 8. Salary and Fringe Benefits: Leave under this section shall be without pay or fringe benefits.

#### Section 6. General Leave of Absence:

Subd. 1. Application: Teachers with a minimum of three (3) years of teaching experience in the School District may apply, in writing, to the Superintendent for an unpaid leave of absence subject to the provisions of this section. The granting of such leave shall be at the sole discretion of the School Board.

Subd. 2. Purpose: Such leave may be granted by the School Board for overseas teaching, participation in the Peace Corps, Vista, and/or the National Teacher Corps, extended illness of the teacher, extended illness in the teacher's immediate family as defined in Section 3. above, civic activities, alternative occupational experiences, teacher organization activity, service in public office, or other reasons deemed appropriate by the School Board.

Subd. 3. Notification: A teacher on such leave shall notify the Superintendent, in writing, no later than April 1<sup>st</sup> of the final leave year of the teacher's intention to return at the conclusion of the leave or to request an extension of the leave. The granting of an extension shall be at the sole discretion of the School Board. The School Board may also, at its sole discretion, waive the April 1<sup>st</sup> notice date if the School Board determines special circumstances are involved. A teacher who fails to notify the Superintendent as required may be subject to discipline.

Section 7. Family and Medical Leave (FMLA): FMLA leave shall be granted pursuant to applicable law.

Section 8. Jury Service: A teacher who serves on jury duty shall be granted the day or days necessary as stipulated by the court to discharge this responsibility without any salary deduction or loss of basic leave allowance. The compensation received for jury duty service shall be remitted to the School District.

Individuals making use of such leave time shall notify their building administrator before taking such leave and preferably 48 hours in advance of time away from the classroom. In the event that less than a complete day is used, the Exclusive Representative will only be charged with only time used. In the event that a substitute teacher is required, the Exclusive Representative will pay substitute costs. Insofar as possible, the exclusive representative will schedule meetings and conduct its business outside of the basic day as defined in Article XIII Hours of Service.

Section 12. Insurance Application: A teacher on unpaid leave is eligible to continue to participate in group insurance programs if permitted under the insurance policy provisions. The teacher shall pay the entire premium for such insurance commencing with the beginning of the leave and shall pay to the School District the monthly premium in advance, except as otherwise provided in law. In the event the teacher is on paid leave from the School District under Section 1. above or supplemented by sick leave pursuant to Section 2. above, the School District will continue insurance contributions as provided in this Agreement until sick leave is exhausted. Thereafter, the teacher must pay the entire premium to the School District for any insurance retained.

Section 13. Credit: A teacher who returns from unpaid leave shall retain experience credit for pay purposes and other benefits which had accrued at the time the leave began. No credit shall accrue for the period of time that a teacher was on unpaid leave.

Section 14. Eligibility: Full leave benefits provided in this article shall apply only to teachers who are employed as teachers an average of at least thirty-seven and one-half (37.5) hours per week. Teachers who are employed as teachers an average of at least twenty (20) hours per week shall be eligible for partial benefits proportional to the extent of their employment.

Teacher Head Coaches and/or Activity Advisors may also participate in these activities, subject to fund availability, where germane to his/her assignment, sport or activity.

Section 2. Reimbursement: The School District shall pay for all reimbursable expenses incurred during the professional leave, if the School District requested the teacher to attend the meeting. Once approved, School District policy will dictate the reimbursable expenses of attending said conference.

### Section 3. Preparation Time and Regular Student Contact Assignment:

Subd. 1. Teaching Load Grades 6-8 and 9-12: All 6-8 and 9-12 teachers shall have a maximum of five (5) class periods per semester, a maximum of one (1) supervision/professional development period, and a minimum of one (1) period of unassigned preparation time each day equal to the length of the class period.

a) Advisor/Advisee Period: Teachers may be assigned an advisor/advisee period in addition to their supervision period that is not considered separate preparation. This advisory/advisee time will not be an additional prep.

b) Schedule Overload: If a teacher agrees to teach an additional section, the teacher will be compensated at a rate of .0835 of their salary per semester, not including any extracurricular compensation for each section above the normal full-time load of five (5) periods. The sixth (6th) class shall be in lieu of a supervision period if the teacher is a full-time teacher. The following criteria shall apply, in order, when considering a sixth (6th) class:

i. The School District shall not assign a teacher a sixth (6th) class if such assignment would result in another teacher licensed to teach that class being reduced in teaching time to less than the maximum provided in this Article & Section unless the teacher voluntarily consents to such reduction.

ii. The School District shall not assign a sixth (6th) class to a teacher if there is a part-time teacher who is licensed to teach that class and wishes to teach the class.

iii. In the event that the School District determines that a sixth (6th) class is necessary, that sixth (6th) class opportunity shall be posted with interviews conducted to determine which candidate is most qualified to teach the sixth class.

c) Additional Preparation Time: If a teacher has five (5) classes with different preparations each day, s/he will be entitled to two (2) periods of unassigned preparation time. A class with different preparation is one in which either one or both of the following occur: (1) a class with a different class title or (2) a class that

requires the use of significantly different instructional materials than are used in the teacher's other class assignments and meets in different class periods. For this section a period describes a block of time of approximately fifty (50) minutes in length. A change in the length of a period or the number of periods in a day can be made only after the principal has met with teacher representatives as appointed by the LSHEA to discuss the rationale of the proposed changes. Should any teacher voluntarily agree to exceed any of the above stated limitations such agreement shall be with the consent of the teacher and shall not be construed as setting a precedent for future considerations.

Subd. 2 Teaching Load Elementary School: In the elementary school in grades School Readiness through 3, inclusive, the School District will limit, insofar as possible, the number of students per classroom to 25 or less and in grades 4 through 5, inclusive, the School District will limit, insofar as possible, the number of students per classroom to 30 or less, provided, however, that an additional number of students not to exceed 5 may be assigned to each teacher so that it will not be necessary to engage a new teacher and establish a new class for less than 20 students.

In the event of division into ability groups the School District will limit, insofar as possible, the number of students in the low ability group to 20 or less. In other ability groupings, the School District will limit, insofar as possible, the number of students per group in grades School Readiness through 3 to 20 or less and in grades 4 through 5 to 25 or less provided, however, that an additional number of students, not to exceed 5, may be assigned so that it will not be necessary to engage a new teacher and establish a new ability group for less than 20 students.

Subd. 3: Teaching Assignments: All teachers shall be given written notice of their assignment for the forthcoming year no later than July 1. Teaching schedules will be released no later than August 1st, unless extenuating circumstances give cause for an extension. Extenuating circumstances may include unanticipated or late teacher separation from the district, retirement or other unforeseen administrative changes.

Subd. 4 Preparation in Elementary and Special Areas: It is the intention where practical that elementary teachers and specialists will be provided with one block (approximately 55 minutes) of unassigned, uninterrupted preparation time during the child's class day which shall include preparation time and all time in which their classes are receiving instruction from various teaching specialists. All elementary teachers and specialists shall receive the equivalent of 300 minutes of unassigned preparation time per week but not necessarily allocated equally among the days, but each teacher shall receive not less than 27 minutes of unassigned, uninterrupted preparation time daily. All daily preparation time shall be in one continuous block. In order to provide for individual needs, any teacher, by mutual agreement with the building principal, may have the 300

minutes allocated differently from the above.

Subd. 5. Other Responsibilities: During the remaining hours of the teacher's basic day when the teacher is not assigned regular classroom instructional time as described in Subd. 1. above, the teacher will be available for assigned student supervision; individual help for students; parent conferences; staff, department, or curriculum meetings; or other related tasks as assigned by the School District.

#### **ARTICLE XIV: VACANCIES & INVOLUNTARY TRANSFERS**

Section 1. Vacancies: When a teaching or co-curricular position becomes available for assignment, the District shall post notice of the position for a minimum of ten business days, except in cases of emergency or immediate need. All postings shall be made to the District website and sent via email to the Exclusive Representative and all licensed staff on the day that the vacancy is first posted. The District shall also post the position to at least one statewide, online teacher job posting site. The available position may not be filled during the posting period except in cases of emergency or immediate need, in which case the 10-day posting period may be amended, but at no time can the posting period be fewer than 3 business days.

Subd. 1. Dates: Each vacancy posting shall indicate the date of said notice as well as the expiration date of the posting.

Subd. 2. Application: Teachers who possess a valid license to teach in the subject matter or grade level may make written application for transfer, assignment or reassignment prior to the expiration date of the notice

Subd. 3. Qualified Internal Applicants: District teachers meeting the qualifications of Subd. 2 of this Article are guaranteed at least one interview for the vacancy.

#### Section 2. Involuntary Transfers:

Subd.1. Definition: An involuntary transfer is the movement of a teacher from one school building to a position in another school building. An involuntary transfer shall not be used as a punitive measure against a teacher. Involuntary transfers may be made to meet district staffing needs, which may include but are not limited to enrollment changes, reduction of force, program changes, restructuring, realignment, shared leadership, communication, professional development, school climate, academic rigor and student achievement.

Subd. 2. Selection for Transfer: A teacher may only be involuntarily transferred to a position for which he or she has a current valid license (other than a limited or provisional license) to teach in such grade or subject matter.

Subd. 3. Notice of Transfer: A teacher subject to an involuntary transfer shall be notified of such transfer as early as possible. Each teacher subject to involuntary transfer shall be notified in writing of their placement.

## **ARTICLE XV: LENGTH OF THE SCHOOL YEAR**

Section 1. Teacher Duty Days: The School Board shall establish the number of school days and teacher duty days for the next school year, and the teacher shall perform services on those days as determined by the School Board, including those legal holidays on which the School Board is authorized to conduct school and, pursuant to such authority, has determined to conduct school. The school years for 2025-2026 and 2026-2027 shall consist of 185 duty days including a minimum of 5 teacher workdays.

### Section 2. Modifications in Calendar, Length of School Day:

Subd. 1. Calendar Modifications: In the event of energy shortage, severe weather, or other exigency, the School Board reserves the right to modify the school calendar, and – if school is closed on a normal duty day(s) – the teacher shall perform duties on such other day(s) as the School Board shall determine.

Subd. 2. Other Modifications: In the event of energy shortage, severe weather, or other exigency, the School Board may modify the duty day or duty week with the understanding that the total number of hours shall not be increased i.e., a four (4)-day week with increased hours per day but the total weekly hours shall not exceed those of a regular five (5)-day week.

Subd. 3 School Closing: Teachers will not be required to report on days when schools are closed pursuant to Subd. 1 herein.

First (1<sup>st</sup>) and Second (2<sup>nd</sup>) School Closings: First (1<sup>st</sup>) and Second (2<sup>nd</sup>) student days of a school year lost will be made up as personal professional development days. Documentation will be provided to the building administrators within five (5) days of returning to school.

Additional School Closings: If there is not a flexible E-learning plan approved by the Board or available emergency days available on the calendar, any school closings in excess of two shall be rescheduled as either student or teacher word days at the end of the school year.

Section 3. Meet and Confer: Prior to adjusting the calendar, duty day, or duty week in Section 2. above, the School District shall afford the exclusive representative the opportunity to meet and confer on such matters.

## **ARTICLE XVI: GRIEVANCE PROCEDURE**

### Section 1. Definitions:

Subd. 1. Grievance: The word, “grievance,” shall mean a written allegation by a teacher that he/she has been injured as a result of a dispute or disagreement between the teacher and the School District as to the interpretation or application of specific terms and conditions contained in this Agreement.

Subd. 2. Grievant(s): The word, “grievant(s),” shall mean an individual teacher, a group of teachers, or the exclusive representative who/which files a grievance as defined in Subd. 1. above.

Subd. 3. Group of Teachers: A group of fewer than ten (10) teachers may file a grievance if a complaint arises out of the same transaction or occurrence and the facts and claim are common to all teachers in the group. Such grievance must be in writing and signed by all grievants in the group.

Subd. 4. Exclusive Representative Grievance: The exclusive representative may file a grievance if a complaint involving ten (10) or more teachers arises out of the same transaction or occurrence and the facts and claim are common to all teachers in the group. In order to pursue such a grievance, the exclusive representative must provide the Superintendent with the names and signatures of the affected teachers no later than the third (3<sup>rd</sup>) level of the grievance procedure. The exclusive representative grievance may proceed only as to the teachers identified in the appeal to arbitration. The exclusive representative may also file a grievance if the allegation involves a specific right of the exclusive representative as noted in this Agreement.

Subd. 5. Days: Any reference to the word, “days,” regarding time periods in this procedure, shall refer to working days. The term, “working day,” is defined as all weekdays not designated as holidays by state law.

Section 2. Representation: The grievant(s), administrator(s), or School Board may be represented during any step of the procedure by any person or agent designated by such party to act on the party’s behalf.

Section 3. Interpretations:

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual, written agreement.

Subd. 2. Computation of Time: In computing any period of time prescribed or allowed by procedures in this article, the date of the act, event, or default for which the designated period of time begins to run shall not be included.

Subd. 3. Filing and Postmark: The filing or service of any notice or document required

by this Agreement shall be timely based on timestamp email.

Section 4. Time Limitation and Waiver: A grievance shall not be valid for consideration unless the grievance is submitted to the School District's designee in writing, signed by the grievant(s), setting forth the facts and the specific provision(s) of the Agreement allegedly violated and the particular relief sought within twenty-eight (28) days after the date that the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver of that grievance. Failure to appeal a grievance from one level to another within the time periods provided below shall constitute a waiver of the grievance. An effort shall first be made to resolve an alleged grievance informally between the grievant(s) and the School District's designee.

Section 5. Resolution of Grievance: The School District and the grievant(s) shall attempt to resolve all grievances which may arise during the course of employment as follows:

Subd. 1. Level I: If the grievance is not resolved through informal discussion, the School District's designee shall give a written decision on the grievance to the parties involved within fourteen (14) days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent, provided such appeal is made, in writing, within seven (7) days after the receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or his/her designee shall, within fourteen (14) days, set a time to meet regarding the grievance after receipt of the appeal. Within ten (10) days after the meeting, the Superintendent or his/her designee shall issue a written decision to the parties involved.

Subd. 3. Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such appeal is made, in writing, within seven (7) days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School Board shall hear the grievance no later than the next regularly scheduled board meeting fourteen (14) or more days after receiving the appeal but within twenty-one (21) days after receipt of the appeal. Within fourteen (14) days after hearing the grievance, the School Board shall issue its written decision to the parties involved. At the option of the School Board, a committee or representative(s) of the School Board may be designated by the School Board to hear the appeal at this level and report the findings and recommendations to the School Board. The School Board shall then render its decision.

Section 6. Denial of Grievance: Failure by the School Board or its representative(s) to issue a decision within the time period provided in this article shall constitute a denial of the grievance, and the grievant(s) may appeal it to the next level.

Section 7. Arbitration Procedures: In the event that the grievant(s) and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined in this article.

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the grievant(s), and such request must be filed in the office of the Superintendent within fourteen (14) days following the decision in Level III above.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not first been duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties may, within fourteen (14) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Commissioner to submit a panel of seven (7) arbitrators to the parties, pursuant to PELRA, provided such request is made within twenty-one (21) days after the request for arbitration. The request shall ask that the panel be submitted within ten (10) days after the receipt of said request. Within ten (10) days after receipt of the panel, the parties shall alternately strike names, and the remaining name shall be the arbitrator to hear the grievance. The order of striking will be determined by lot. Failure to agree upon an arbitrator or the failure to request an arbitrator from the Commissioner within the time period as provided in this article shall constitute a waiver of the grievance.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator, and both parties may be represented by such person(s) as they may choose, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision: Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided in PELRA. The arbitrator shall issue a written decision and order including findings of fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

Subd. 6. Expenses: Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording of the hearing shall be made at the request of either party. The parties shall share equally the fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses

which the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of such transcript shall pay for such a copy.

Subd. 7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before him/her pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment contained in this Agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined in this article; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include, but are not limited to, such areas of discretion or policy as the functions and programs of the School District, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, the arbitrator's order shall give due consideration to the statutory rights and obligations of the School Board to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Section 8. Election of Remedies and Waiver: A party instituting any action, proceeding, or complaint in a federal or state court of law or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this article. Upon instituting a proceeding in another forum as outlined in this Agreement, the teacher(s) shall waive the right to initiate a grievance pursuant to this article, or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in the Agreement or to enforce the award of an arbitrator.

## **ARTICLE XVII: TEACHER EVALUATION AND SUPERVISION**

Section 1. Probationary Teachers: Probationary and other teachers shall be evaluated at least three times during each school year for the first three years or until receiving continuing contract status in the School District.

Section 2. Tenured Teachers: All remaining teachers shall be evaluated on an in-depth basis on a schedule which includes 1/3 of the teachers in each year of a three-year period. The faculty members to participate in that process shall be scheduled for each of the three years by the building principal and the schedule shall be printed and provided to all teachers at the beginning of each school year.

Section 3. Purpose: The purpose of staff supervision and evaluation will be to improve

instruction and expertise. The most current methods of classroom observation and review will be incorporated into the process and all teachers will be informed each school year as to the procedures involved.

Section 4. Reports: When an evaluation report is placed in a teacher's file the teacher will be provided with a copy. The teacher may attach to the file copy of the report any facts or observations pertinent to the contents of the report. Any other material relative to the performance of duties that is placed in a teacher's file must be made known to the teacher. The teacher will have the right to attach to the file copy facts or observations pertinent to the contents of the material.

Section 5. Teacher Requests: Teachers may request additional conferences or assistance at their own discretion.

Section 6. Termination for Deficiencies: Evaluation procedures and termination procedures shall be separate and distinct from each other. If, after evaluation, the School District proposes to consider terminating a teacher for ongoing deficiencies, said proposal shall only occur after the teacher has been placed on, and failed to satisfactorily complete a teacher improvement plan as provided for in the teacher development & evaluation plan.

Section 7. Teacher Improvement Plan: At the time of being placed on a teacher improvement plan, the School District will issue notice to the teacher of Article XIX, Section 3, Subd. 3 (1) contained herein.

## **ARTICLE XVIII: PROGRESSIVE DISCIPLINE**

Section 1. Discipline: Discipline shall consist of oral reprimand, written reprimand, suspension with pay, suspension without pay, and discharge. However, the School District reserves the right to impose discipline at any level as it determines based upon the circumstances surrounding the action. A conference between the teacher and his/her supervisor(s) shall be held prior to the imposition of a written reprimand, suspension, or discharge.

Section 2. Grounds for Disciplinary Action: The imposition of an oral reprimand shall not be subject to the grievance procedure. A teacher may challenge the contents of any written materials in his/her personnel file pursuant to the provisions of M.S. 122A.40, Subd. 19. A teacher shall be suspended without pay only for just cause, and such action shall be subject to the grievance procedure. A teacher who is the subject of a discharge shall be governed by M.S. 122A.40, and such action shall not be subject to the provisions of this article.

Section 3. Opportunity to Meet: Suspension with or without pay shall be imposed only by the Superintendent or his/her designee. If a suspension without pay is to be considered pursuant

to Section 2. above, the teacher shall be afforded an opportunity to meet with the Superintendent or his/her designee, and the teacher may elect to have a representative in attendance at any such meeting.

Section 4. Subject to Arbitration: Suspension without pay shall take effect only after written notification from the Superintendent or his/her designee to the teacher stating the grounds for suspension without pay. The teacher shall have the right to invoke the grievance procedure set forth in this Agreement at the arbitration level, provided written notification requesting arbitration is sent to the Superintendent or his/her designee within five (5) working days after receipt of the written notice of suspension without pay. The arbitrator's authority shall include a review of whether the suspension without pay and the length of the suspension were appropriate considering the circumstances surrounding the action.

Section 5. Removal from Duty – Investigation: This article shall not apply to a teacher who is removed from duty on paid suspension pending investigation of allegations or to a teacher charged with a felony who is removed from duty on unpaid suspension pursuant to M.S. 122A.40, Subd. 13.

## **ARTICLE XIX: UNREQUESTED LEAVE OF ABSENCE (ULA) AND SENIORITY AGREEMENT**

Section 1. Purpose: The purpose of this article is to implement the provisions of M.S. 122A.40, Subd. 10., which article, when adopted, shall constitute the required plan for ULA because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of school districts.

Section 2. Definitions: For purposes of this article, the terms defined shall have the meanings respectively ascribed to them.

Subd. 1. Teacher: "Teacher" shall mean those members of the unit as defined by PELRA and this Agreement, except the provisions of this article shall not be applicable to any other bargaining unit member who is not a teacher as defined by M.S. 122A.40, Subd.1.

Subd. 2. Qualified: "Qualified" shall mean a teacher who, in addition to the state license, has a major in the subject matter or field taught and has successfully had teaching experience in such subject matter or field within the past five (5) years.

Subd. 3. Seniority: "Seniority" applies only to Tier 3 and Tier 4 qualified teachers and commences with the first day of continuous teaching service in the School District. For seniority purposes, teachers employed as District-wide coordinators and consultants will be considered as part of the subject matter area most closely related to the teacher's current assignment as determined by the School District.

Subd. 4. Continuing Contract Teachers: A teacher who has acquired continuing contract rights must not be placed on unrequested leave of absence (ULA) while Tier 1 licensed, Tier 2 licensed or probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed.

Subd. 5. Days: Any reference to the word, “days,” regarding time periods in this article, shall refer to business days. The term, “business day,” is defined as all weekdays not designated as holidays by state law.

### Section 3. ULA:

Subd. 1. Terms: The School Board may place on ULA such teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes. Such leave of absence shall continue for a period of five (5) years, after which the right to reinstatement shall terminate; provided the teacher’s right to reinstatement shall also terminate if the teacher fails to file with the Superintendent by April 1st of each year, a written statement requesting reinstatement. Such leave shall be effective no later than the close of the school year or at such earlier time as mutually agreed upon by the teacher and the School Board.

Subd. 2. Notice: Teachers placed on such leave shall receive notice by May 1st of the school year prior to the commencement of such leave with reasons for said Placement.

Subd. 3. Placement: Teachers shall be placed on ULA in inverse order of seniority in the field and subject matter employed with the following exception:

- 1) No teacher shall be placed on ULA if any other qualified teacher employed in the same field and subject matter is on a “Teacher Improvement Plan” as provided for in the “Teacher Evaluation and Peer Review Process” required in [M.S. 122A.40, Subd. 8.](#)

Subd. 4. Affirmative Action Program: This section shall not apply if its application will result in any violation of the School District’s affirmative action program which shall include ethnicity, race, color, or sex; and any teacher employed in an affirmative action program may be retained in the same field or subject matter of a teacher with greater seniority if such retention is necessary to effectuate the purposes of such affirmative action program.

Subd. 5. Tie-Breaker: In the event a reduction in number of teachers creates a situation requiring that a choice be made among teachers who have equal seniority, the selection of the teacher(s) for purposes of reduction shall be at the discretion of the School District based on criteria including performance, training, experience, skills in special assignments, special or advanced certifications obtained in the teacher’s field and subject matter employed, and other relevant factors.

Subd. 6. Additional Assignments: If reduction in number of teachers based on seniority would result in the discontinuance of any curricular or extra- or co-curricular program, the School District may at its discretion determine the teacher employed in such program may not be placed on ULA, and the next senior teacher may be placed on such leave, at the discretion of the School District.

Subd. 7 Years of Service: Any teacher placed on such leave may engage in teaching or any other occupation during such period and may be eligible for reemployment insurance if otherwise eligible for such compensation under that law, and such leave will not result in a loss of credit for years of service in the School District earned prior to the commencement of such leave.

Section 4. Realignment: For purposes of placement on ULA or recall from ULA, nothing in this article, shall require the School District to reassign a senior teacher to a different position for which he/she is not qualified, as defined in "Section 2." above, to accommodate the seniority claims of a junior teacher.

Section 5. Dropping of License: A teacher shall not be permitted to exercise seniority to displace another teacher in a different licensure area by dropping the license in the subject matter in which the teacher is currently assigned by the School District in order to acquire a different assignment through the ULA process. If a teacher drops the license which qualified the teacher for the teacher's current assignment, the School District may place the teacher on ULA, and the teacher shall have no bumping rights nor realignment rights in another licensure area.

Section 6. Reinstatement:

Subd. 1. Process: No new teacher shall be employed by the School District while any qualified teacher is on ULA in the same field and subject matter. Teachers placed on ULA shall be reinstated to the positions from which they have been given leave or any other available positions in the School District in the fields in which they are qualified as such positions become available. The order of reinstatement shall be in inverse order in which teachers were placed on ULA.

Subd. 2. Notices: When placed on ULA, a teacher must file his/her name and address, to which any notice of reinstatement or availability of position shall be mailed, with the School District personnel office. Proof of service by the person in the School District depositing such notice to the teacher at the last known address shall be sufficient, and the teacher on ULA shall be responsible to provide for forwarding of mail or for address changes. Failure of a notice to reach a teacher shall not be the responsibility of the School District if any notice has been mailed as provided in this Article.

Subd. 3. Acceptance of Reemployment: If a position becomes available for a qualified teacher on ULA, the School District shall mail the notice via email and certified mail to such teacher who shall have ten (10) days from the date of such notice to accept the reemployment. Failure to accept, in writing, within such ten (10)-day period shall constitute a waiver on the part of the teacher to any further rights of employment or reinstatement, and that teacher shall forfeit any future reinstatement or employment rights.

Subd. 4. Reinstatement Rights: Reinstatement rights shall automatically cease five (5) years from the date ULA was commenced, and no further rights to reinstatement shall

exist.

Section 7. Establishment of Seniority List:

Subd. 1. Preparation: The School Board shall annually cause a seniority list (by name, date of employment, qualification, and subject matter or field) to be prepared from its records by February 1st. The School Board shall there upon cause such list to be posted in an official place in each school building of the School District.

Subd. 2. Request for Change: Any teacher whose name appears on such list and who may disagree with the order of seniority in said list shall have ten (10) days from the date of posting to supply written documentation, proof, and request for seniority change to the Superintendent.

Subd. 3. Final List: Within ten (10) days thereafter, the School District shall evaluate any and all such written communications regarding the order of seniority contained in said list and may make such changes the School District deems warranted. A final seniority list shall thereupon be prepared by the School District, which list as revised shall be binding on the School District and any teacher.

Section 8. Filing of Licenses: In any year in which a reduction of teaching positions is occurring and the School Board is placing teachers on ULA, only those licenses actually received in the Superintendent's office for filing as of January 15th of such year shall be considered for purposes of determining lay-off within areas of licensure for the following school year. A license filed after January 15th shall be considered for purposes of recall but not for the current reduction.

Section 9. Effect: This article shall be effective at the beginning date of this Master Agreement and shall be governed by its duration clause. This article shall govern all teachers as defined in Section 2., Subd. 1. above and shall not be construed to limit the rights of any other licensed employee not covered by the Master Agreement or other Master Agreement affecting such licensed employee.

Section 10. Procedure: Any challenge by a teacher who is proposed for placement on ULA or recall there from shall be subject to the hearing and review procedures as provided in M.S. 122A.40 and, therefore, shall not be subject to the grievance procedure.

**ARTICLE XX: TIER 1 & TIER 2 TEACHERS**

Section 1. Statutory Considerations: Pursuant to M.S. 122A.182, a Tier 1 or Tier 2 teacher may be a teacher of record in a Minnesota Public School System. However, M.S. 122A.182 specifically provides that such licensure shall not be construed to bring such Tier 2 teacher within the definition of a teacher for purposes of M.S. 122A.40, Subd.1.

Section 2. Probationary Period: Time spent as a Tier 2 licensed teacher will be credited toward

the teacher's probationary period as provided in M.S. 122A.182.

Section 3. Layoff: Tier 2 teachers will be laid off prior to any qualified Tier 3 or 4 teachers being placed on ULA.

## **ARTICLE XXI: DURATION**

Section 1. Terms and Reopening Negotiations: This Agreement shall remain in full force and effect for a period commencing upon the date of its full ratification through June 30, 2027, and thereafter as provided by PELRA. If the exclusive representative desires to modify or amend this Agreement commencing on July 1, 2025, it shall give written notice of such intent pursuant to PELRA no later than March 1, 2025 including complete language and detail of proposed changes. If such notice is not timely served, the School District shall not be required to negotiate any terms of employment for the following school year. Unless otherwise mutually agreed, the parties shall not commence negotiations more than one hundred twenty (120) days prior to the expiration of this Agreement.

Section 2. Effect: This Agreement constitutes the full and complete Agreement between the School District and the exclusive representative. The provisions of this Agreement relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, and School District policies, rules, and regulations concerning terms and conditions of employment inconsistent with these provisions. Nothing in this Agreement shall be construed to obligate the School District to continue or discontinue existing or past practices or prohibit the School District from exercising all management rights, functions, and prerogatives, except insofar as this exercise would be in express violation of any term or terms of this Agreement.

Section 3. Finality: Pursuant to M.S. 179A.20, Subd. 3., any matters relating to the current Agreement term shall not be open for negotiation during the term of this Agreement.

Section 4. Severability: The provisions of this Agreement shall be severable, and if any such provision or the application of any such provision under any circumstances is held invalid, it shall not affect any other provisions of the Agreement or the application of any provision.

IN WITNESS WHEREOF, the parties have executed this Agreement as follows:
