Education Identity and Access Management Board Resolution

The Minnesota Department of Education (MDE), Professional Educator Licensing Standards Board (PELSB), and Office of Higher Education (OHE) require annual designation of an Identified Official with Authority (IOwA) for each Local Educational Agency (LEA) that uses the Education Identity and Access Management (EDIAM) system. The IOwA is responsible for authorizing, reviewing, and recertifying user access for their LEA in accordance with the State of Minnesota Enterprise Identity and Access Management Standard, which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The IOwA will authorize user access to State of Minnesota Education secure systems in accordance with the user's assigned job duties, and will revoke that user's access when it is no longer needed to perform their job duties.

Your school board or equivalent governing board must designate an IOwA to authorize user access to State of Minnesota Education secure websites for your organization. This EDIAM board resolution must be completed and submitted to MDE annually, as well as any time there is a change in the assignment of the IOwA.

MDE strongly recommends that the superintendent or executive director is named IOwA, who then can grant IOwA proxy roles.

Long-Term Facilities Maintenance Expenditure Categories used in the Excel Spreadsheet Template

Category 1: Health and Safety Expenditures by Uniform Financial and Accounting Reporting Standards (UFARS) Finance Codes 347, 349, 352, 358, 363 and 366 (this section excludes project costs of \$100,000 or more for which additional revenue is requested for Finance Codes 358, 363 and 366).

projects for Fiscal Year (FY) 2027 and FY 2028. The later years can be a rough estimate. Fiscal 2026 is an estimate of what the **final** UFARS expenditures will be. Once the FY 2026 audited financial data is complete and final UFARS data has been submitted, enter the actual FY 2026 Health and Safety (H&S) expenditures on the Health and Safety Data Submission System Category 1 excludes projects costing \$100,000 or more for asbestos removal or encapsulation fire safety, and indoor air quality as they are entered under Category 2 as listed below. Also enter FY 2026, FY 2027 and FY 2028 totals per finance code in the Health and Safety Data Submission on the Minnesota Department of Education (MDE) website (MDE homepage > Districts, Schools and Educators > Business and Finance > Data Submissions, then select the Health and Safety category) so hold harmless revenue calculates properly on the levy.

Category 2: Health and Safety Expenditures by UFARS Finance Code for Asbestos Removal and Encapsulation, Fire Safety and Indoor Air Quality projects costing \$100,000 or more per Project, per Site, per Year.

A district enters totals by finance code for individual projects that cost \$100,000 or more per site, per year for asbestos removal and encapsulation, fire safety, or indoor air quality as they generate additional revenue. Also, enter FY 2026, FY 2027 and FY 2028 H&S projects costing \$100,000 or more on a separate line in the Health and Safety Data Submission System on the MDE website (the project description should include the site name and whether it is financed by “pay-as-you-go” or bonded dollars).

Category 3(a): Remodeling for Approved Voluntary Prekindergarten (VPK) Program

If the district has an approved VPK program include planned expenditures for remodeling projects.

Category 3(b): Remodeling for Gender Neutral Single-User Restroom per site (Effective FY 2025)

For districts who budget for a remodeling project for a gender-neutral single user restroom at least one at each school site.

Category 4: Americans with Disabilities Act (ADA) Accessibility Projects

Enter approved project costs to increase accessibility to school facilities. The project shall conform to both the district’s ADA/Section 504 disabled access transition plan and the current ADA Accessibility Guidelines for Buildings and Facilities, as well as applicable state and local building and fire codes.

Category 5: Deferred Maintenance Projects by UFARS Finance Code.

Facility deferred maintenance projects are broken into nine finance codes. Each code represents a component grouping of a building designed to ease assignment of a project into the proper code. The code breakdown is also meaningful for comparison of costs among school districts and to the Minnesota legislature to assess school facility costs and the ongoing need for facility funding.

Category 6: Deferred Maintenance Projects for Roofing Systems requests for \$100,000 or more per site/year.

A district enters totals by finance code for individual roofing projects that cost \$100,000 or more per site, per year for additional revenue.

Fund Balance Section: Fund 01 - General Fund LTFM Project Expenditures and Fund 06 - Building Construction Project Expenditures (LTFM Only - Bonded or \$2 million or more per project/site/year (see transfer guidance)).

To begin, enter previous fiscal year ending fund balances for Fund 01-467-XX in cell C56 and Fund 06-467-XX in cell C67. Beginning and Ending Fund Balances are input/calculated as negative balances = (\$100,000), or as positive balances = \$100,000. Revenues, expenditures and transfer IN and OUT are all entered as positive numbers. The fiscal year ending fund balance calculation formula includes the revenues/transfer IN entries as positive numbers added to the fiscal year beginning fund balance. The fiscal year ending fund balance calculation formula includes the expenditures/transfer OUT entries as negative numbers subtracted from the beginning fiscal year fund balance. **If both Funds 01 and 06 are utilized, you will have to input an Excel formula to divide up the total expenditures in Cells C-M , Line 53 - if any or all of these cells apply.** This would affect

The Minnesota Department of Education (MDE) will continue to use the existing Health and Safety (H&S) database (located on the MDE website under MDE > Districts, Schools and Educators > Business and Finance > Data Submissions, select Health and Safety) to drive levy processing for fall levies. Districts enter summary data by finance code, consistent with the summary data for Fiscal Year (FY) 2026, FY 2027 and FY 2027 included on the district's ten-year plan expenditure spreadsheet. Detailed information by project will still be required for asbestos removal and encapsulation, fire safety and indoor air quality projects costing \$100,000 or more per project, per site, per year since those generate additional revenue over and above the Long-Term Facilities Maintenance (LTFM) formula allowance. Do not enter information for deferred maintenance or accessibility finance codes. The Health and Safety amounts provide an accurate calculation of the hold harmless revenue estimate on the levy and aid entitlement reports, and either add to revenue or show complete information for persons who seek levy information. When comfortable with data and assumptions, a district should enter the total health and safety cost from the expenditure spreadsheet in the hold harmless section of the revenue spreadsheet and the Health and Safety Data Submission System. Hold harmless revenue depends on the year's H&S costs plus deferred maintenance revenue for districts that did not qualify for alternative facilities revenue. Hold harmless for an alternative facilities school district is health and safety plus an amount to fund the other ten-year plan projects. For FY 2026, 27 and 28, MDE is asking school districts to enter totals by finance code from the expenditure spreadsheet in the Health and Safety Data Submission System (instructions on how to enter H&S data on the data submissions website may be found on the LTFM webpage under MDE > Districts, Schools and Educators > Business and Finance > School Finance > Facilities and Technology > Long-Term Facilities Maintenance, then select "Health and Safety Website Instructions" (these instructions may also be found on the Health and Safety Data Submission System). MDE uses the submission system to load the prior law calculation H&S amount into the Levy Limitation and Certification system and LTFM Aid Entitlement system. Without this step, the levy shows zero in the health and safety line under the old law revenue and the calculation is inaccurate. An alternative facilities school district should not include the amount in both the Health and Safety Data Submission System and in the revenue amount entered for deferred maintenance ten-year plan projects levy as the H&S levy will be doubled. In the Health and Safety Data Submission System, enter the H&S finance totals, six in all (if all are included in the ten-year planned projects) from the expenditure spreadsheet plus separately enter each individual project (asbestos removal and encapsulation, fire safety or indoor air quality) costing \$100,000 or more for H&S. **Only**

Note: School Districts should continue to update H&S expenditures in the Health and Safety Data Submission system on a regular basis to accurately cost estimate decreases or increases for applicable fiscal years.

Make sure to update the system for **final, audited UFARS H&S financial data** (reference the 25-26 UFARS Turnaround Report titled **Expenditure by Finance Code Report** on the Minnesota Funding Reports (MFR) webpage located at Data Center > Data Reports and Analytics, locate the School Finance Reports section), select Minnesota Funding Reports (MFR). Enter your school name, view all reports, select UFARS Turnaround Reports category, select 25-26 school year, under Report select "All" and then List Reports.

Katie Maier, Interim Principal

Dear LSH Elementary Families,

Welcome to the 2026-2027 school year! As your Interim Elementary Principal, I am honored to serve our students, families and staff. We are incredibly excited to welcome your children back to our classrooms and to partner with you as we work together to create a positive, supportive and engaging learning environment where every child can thrive.

At LSH, we believe every student has the potential to learn, grow and succeed. We believe that the best work is done collaboratively, and you—our parents and caregivers—are an essential part of that team.

This handbook is designed to help your family get familiar with our school's day-to-day practices, guidelines, and expectations. We highly encourage you to take some time to review it together. We want our communication with you to be open and continuous, so please look out for regular newsletters, progress reports, scheduled conferences, and direct updates from our staff throughout the year.

We deeply value your time, ideas, and partnership. Your active involvement is what makes Le Sueur-Henderson Public Schools such a special place to learn. If you ever have a question, feedback, or a positive story to share, please never hesitate to reach out. We are always happy to connect with you!

I look forward to an outstanding 2026-2027 school year filled with learning, growth and memorable experiences. Thank you for trusting us with your child's education. Together we can help every Giant reach their full potential.

Be Giant!

Katie Maier, Interim LSH Elementary Principal

Absences

Children are expected to be in school every day unless they are ill or there is an emergency in the family. If children are ill, it is better to keep them home than expose others to illness. When a student will be absent for any reason, the parent is expected to notify the school. Parents are requested to call the school office by 8:00 a.m. on the day of the absence to give the reason the child will be missing school. See "ATTENDANCE PROCEDURES" for more information regarding excused and unexcused absences.

Attendance Line: (507) 665-4700

Animals in the School

Due to various student and staff allergies, pets will not be allowed in school.

Arrival Time

LSH Elementary begins at 8:10 a.m. If your child does not ride the bus, please plan for your child's arrival between 7:50 a.m. - 8:10 a.m. Supervision begins at 7:50.

- Expectations at Crossings: When walking to school, all students are expected to stay on the sidewalks and cross intersections at the designated crosswalks.
- Expectations if being dropped off: Parents are expected to follow LSH's morning drop off procedures. When dropping off children, parents are to remain in their vehicles. Simply pull forward and allow your child out of the vehicle when close to the main doors. If parents are in need of exiting their vehicle, then the vehicle must be parked in the parking lot. Do not leave parked cars in the driveway.
- All children are either to attend breakfast or proceed immediately to the playground.

Assessments

LSH Elementary School uses a variety of assessments to measure student performance and growth. Results of these measures provide teachers with the information needed to develop appropriate lessons and improve instruction for all students. These assessments are administered throughout the year and primarily assess the areas of reading and mathematics.

FASTBridge:

FastBridge combines Computer Adaptive Tests (CAT) and Curriculum-Based Measures (CBM) to screen students, identify skill gaps, and offer proven recommendations for reading instruction and diagnostic reading

	interventions. Please refer to the district assessment calendar found on isd2397.org for exact dates. <i>Minnesota Comprehensive Assessment Test (MCA-II):</i> The MN Comprehensive Assessment Test evaluates student progress toward achievement of high standards in reading and math at the 3rd, 4th, and 5th grade level. The 5th grade students have an additional test in science. This information is used to implement improvement strategies and to celebrate our successes. The MN Comprehensive Assessment Tests are administered in April. Please refer to the district assessment calendar found on isd2397.org for exact dates. <i>What if I choose not to have my student participate in statewide assessments?</i> Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate (see link below). All forms should be completed and returned to the student's site by January 15 to best support school district planning. Minnesota Department of Education Parent/Guardian Guide to Statewide Testing

Attendance Procedures

It is the responsibility of the students, parents/guardians and the school to assure that the student attends school every day classes are in session. Absence, for whatever reason, is detrimental to a student's success.

Excused Absences:

To be considered an excused absence, the student's parent or legal guardian may be asked to verify, in writing, the reason for the student's absence from school. A note from a physician or a licensed mental health professional stating that the student cannot attend school is a valid excuse.

The following reasons may also be sufficient to constitute excused absences:

- Illness
- Serious illness in the student's immediate family
- A death or funeral in the student's immediate family or of a close friend or relative
- Medical, dental, or orthodontic treatment, or a counseling appointment, court appearances occasioned by family or personal action
- Religious instruction not to exceed three hours in any week
- Physical emergency conditions such as fire, flood, storm, etc.
- Official school field trip or other school/community-sponsored outings
- Removal of a student pursuant to a suspension (suspensions are to be handled as excused absences and students will be permitted to complete make-up work)
- Family emergencies, or a student's condition that requires ongoing

treatment for a mental health diagnosis.

Parent absence requests may be denied or counted as unexcused if they are for reasons other than those listed above.

Student Responsibility After An Excused Absence:

1. Students whose absences are excused are required to make up all assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher.
2. Work missed because of absence must be made up within 2 days from the date of the student's return to school. Any work not completed within this period shall result in "no credit" for the missed assignment. However, the building principal or the classroom teacher may extend the time allowed for completion of make-up work in the case of an extended illness or other extenuating circumstances.

Unexcused Absences:

The following are examples of absences which may be unexcused:

- Truancy (an absence by a student which was not approved by the parent and/or the school district)
- Any absence in which the student/parent failed to comply with any reporting requirements of the school district's attendance procedures
- Work at home, work at a business, except under a school-sponsored work release program
- Parent related work obligations
- Oversleeping/sleeping in
- Car trouble/ missing the bus
- If suspended from the school district transportation, and the child does not attend school
- Absences resulting from accumulated unexcused tardies (3 tardies equals one unexcused absence)
- Any other absence not included under the attendance procedures set out in this handbook.

Tardiness:

Students are expected to be in their assigned area at designated times. Failure to do so constitutes tardiness.

- a. Elementary: Up to one hour late from the start of the student day. Your child will be considered ABSENT for ½ day if he/she misses more than one hour of morning or afternoon classes.
- b. Middle School & High School: Up to 10 minutes late to a class. Your child will be considered ABSENT if he/she is more than ten minutes late to class.

Excused Tardiness:

Valid excuses for tardiness may include: Illness, serious illness in the student's immediate family, a death or funeral in the student's immediate family or of a

	close friend or relative, medical, dental, or orthodontic treatment, or a counseling appointment, court appearances occasioned by family or personal action, physical emergency conditions such as fire, flood, storm, etc., and any tardiness for which the student has been excused in writing by an administrator or faculty member. Unexcused Tardiness: An <u>unexcused</u> tardiness is failing to be in an assigned area at the designated time class period commences without a valid excuse. The following are examples of tardies which may be unexcused: Truancy (an absence by a student which was not approved by the parent and/or the school district), any absence in which the student/parent failed to comply with any reporting requirements of the school district's attendance procedures, work at home, work at a business, except under a school-sponsored work release program, parent related work obligations, oversleeping/sleeping in, car trouble, missing the bus, if suspended from the school district transportation, and the child is late to school, absences resulting from accumulated unexcused tardies (3 tardies equals one unexcused absence), and any other tardiness not included under the attendance procedures set out in this handbook. Consequences of Tardiness: After one unexcused tardy, the student may be required to serve a detention. Three unexcused tardies are equivalent to one unexcused absence. Attendance-Related Awards: It will be at the discretion of the building principal if attendance-related awards will be distributed at the end of the school year. 1. Perfect attendance criteria: Child misses 0 days of school (excused or unexcused absences and/or tardies). 2. Exemplary attendance criteria: Child misses 1 day or less of school (excused or unexcused absences and/or tardies).
Background Checks	The LeSueur-Henderson School District has adopted a policy, the purpose of which is to promote the physical, social, and psychological well-being of its students. Pursuant to this policy, the school district shall seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also shall seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic. The school district may elect to seek criminal history background checks for other volunteers, independent contractors, and student employees, coaches, assistants, and advisors. *This is a summary of the Criminal Background Check Policy 404, To view the

Bicycles

Students are allowed to ride bicycles to school. Racks are provided for parking, but the school does not accept any responsibility for the bicycles. As a measure of safety, we have established the following guidelines:

- All bicycles must be parked in the racks provided; scooters must be kept in the student's locker during school hours.
- No child may ride a bicycle belonging to anyone else.
- Bicycle riders should ride with traffic and obey all traffic rules.
- Bicycles and scooters should be walked on school grounds
- Bicycle locks are highly recommended.

Birthdays

Birthday Invitations

- All children love to be invited to a birthday party. We ask your cooperation in not sending birthday invitations to school to be handed out. We have many disappointed children when invitations are handed out and they are not included.

Birthday Treats

- Please remember to let the teacher know ahead of time if you would like to send treats to class. The State Department of Education requires that all treats brought to school be commercially prepared.

Since many children have a variety of food restrictions we strongly encourage you to consider a non food item. A few suggestions would be pencils, erasers, small notebooks, yo-yos, bouncy balls, etc. A board game or book donation to the classroom are also fun ways to honor a child.

Bullying Prohibition Policy

An act of bullying, by either an individual student or a group of students, is expressly prohibited on school premises, on school district property, at school functions or activities, or on school transportation. This policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. This policy also applies to any student whose conduct at any time or in any place constitutes bullying or other prohibited conduct that interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student or other students, or materially and substantially interferes with a student's educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges. This policy also applies to an act of cyberbullying regardless of whether such act is committed on or off school district property and/or with or without the use of school district resources.

No teacher, administrator, volunteer, contractor, or other employee of the school district shall permit, condone, or tolerate bullying.

*A bullying report form and the entire Bullying Prohibition Policy 514 can be

Change in End of Day Plans	Students must provide a parent/guardian signed note to the teacher if there is any change to their end of day plans. <u>If no note is brought to school, the child will be expected to follow their regular end of day plans.</u> We ask that you call the school office before <u>1:30 p.m.</u> regarding any end of the day transportation changes to ensure that the school office has sufficient time to notify the teacher. (507) 665-4700 The school will always verify any students who are absent and have not received a phone call or email about.

Classroom Assignment

LSH Elementary school has established an effective and equitable classroom assignment process. Families have an opportunity to participate by completing a Parent Input Form available in spring. Please do not request a specific teacher when completing this form. In order for input to be considered, the form must be turned in on or before the deadline.

Placement Process:

- Parents may complete the Parent Input Form.
- Grade level teams create heterogeneous, balanced classes based on parent and teacher input.
- The principal has the final authority on all placements.

In addition, specialists in the following areas provide regular instruction: Physical Education, Art, Music, and Media. For more information, visit the District 2397 website.

Dental & Medical Appointments	If a parent/guardian wishes a child to be excused for a dental or medical appointment, a note or email must be sent to the child's teacher indicating the date and time of the appointment. Please include the school office in any communication so we are all aware. Parents/guardians need to come to the office and sign out their child. The child will ONLY be excused from the elementary office. The child will remain in class until the parent arrives. This will eliminate the child missing valuable class time, in the event the parent/guardian is running late.
Dismissal/ Early Pick-Up	Regular dismissal is at 3:10 for LSH. However, if you are picking up your child during school hours, you <u>must</u> stop in the office so we can note that your child is leaving. The office will call the classroom to release your child when you arrive to pick up. Students will not be released until the teacher receives notification from the school office. For your child's safety, please do not ask us to send your child home from school unattended. Please try to schedule appointments after regular school dismissal time.
Drop off & Pick Up Location 	For the safety of our students, parents/guardians must follow the drop off/pick up students procedures. A child's safety is extremely important. We ask for parents to be patient and follow the school's procedures. Our children are precious. Please be patient. <u>LSH Elementary Drop off Procedures:</u> Parents are expected to follow LSH's morning drop off procedures. When dropping off children, parents are to remain in their vehicles. Simply pull forward and allow your child out of the vehicle when close to the main doors. If parents are in need of exiting their vehicle, then the vehicle must be parked in the parking lot. <u>Do not leave parked cars in the car lane.</u> <u>LSH Elementary Pick Up Procedures:</u> ● Student Walkers: ○ All student walkers will be dismissed at 3:10pm ● Student Pick-up: ○ Parents are to stay in their vehicles, place their name card on the car rearview mirror, stay in the pick up line, and wait for a school adult to bring their child to the vehicle. ● Parents will not enter the building at dismissal. Parents will stay in their vehicles. ● Parents are to wait in the Pick up Line. ● If parents choose to illegally park in the school's parking lot or on the street, the parent will be subject to being ticketed and the child will not be released from the building until all other pickup cars have been cleared. ● You <u>must</u> have your vehicle name card displayed to ensure a safe and fast dismissal.

Emergency Evacuation Procedures	Emergency evacuation procedures are posted in each classroom. Throughout the year the teacher will be reviewing all emergency procedures to ensure students understand what to do in the case of an emergency and/or an evacuation. See Safety and Crisis Prevention.
Emergency Parent/Guardian Contact Information	To provide assistance to each student in case of an emergency, the required emergency information is essential. The annual Student Health Census Form provides up to date emergency phone numbers and medical information. <u>It is the parent's/guardian's responsibility to notify the school of any change of address, telephone number, or emergency numbers.</u>
Emergency School Closing/Changes Due to Weather or COVID	School cancellations or emergency late starts will be announced through the school notification system and on radio stations KEEZ (Z99) 99.1 FM; KYSM 103.5 FM; KRBI 105.5 FM; KMKO 95.7 FM (all are Three Eagles Radio Stations in Mankato); KCHK New Prague 103.5 AM, 95.5 FM and TV stations WCCO Channel 4, KSTP Channel 5, KMSP Channel 9, KARE Channel 11 and KEYC Channel 12. Please use these notification systems, rather than calling the school. It is important our lines are available for emergency calls.
English Language Learner & Outreach Worker	The ESL program provides special assistance to students who have a native language and are learning a second language, English. The Outreach Worker will serve as a family-to-school liaison to create the connection between school programs and services to the families of the community.
Essential Oils	Staff will not administer essential oils. These are not FDA approved products.
Family/Church Night	By virtue of a long standing agreement with the Le Sueur-Henderson Ministerial Association, Wednesday evenings are to be free of school activities. No school activities are to be scheduled after 5:45pm on Wednesdays.
Field Trips 	Elementary classes go on field trips related to units studied during the year. These trips are not only enjoyable; they enrich the learning experiences of our students. Teachers are responsible for arranging chaperones to ensure adequate supervision is provided and special needs are met for any student needing extra help or support. Students participating in field trips are ambassadors of our schools. They are

judged not only from the standpoint of behavior, but also appearance. For this reason students are expected to dress appropriately for appearance and the weather.

Before any student can participate in a field trip, a signed form must be on file with the classroom teacher. Parents/guardians will always be notified when classes are planning trips. All trips are free unless otherwise indicated.

Many field trips are sponsored by PTO (Parent Teacher Organization) and H.A.V.E. (Humanities are Vital to Education). Without their financial support these experiences would not be available for our students. Students and staff appreciate their generous contributions.

~~E-Learning Days Due _____ to Emergency Closings~~

~~The term "E-learning day" refers to a school day when instead of coming to our school buildings, teachers and students will be working off site. Students in grades K-12 will do different learning activities throughout the E-Learning day. E-Learning Days are intended to counter the loss of curriculum momentum resulting from school cancellations due to Minnesota's winter weather. E-Learning Days cannot replace the face-to-face time students have with their teachers, but it can provide better continuity when school is interrupted. E-Learning Days also negate the need for makeup school days in June. E-Learning Days are intended to be used for short-term closures; in comparison, Distance Learning is intended for remote learning for longer periods of time (e.g. two weeks or more).~~

~~The first two weather-related days of school closure will not be made up and there will be no assignments. However, the third through seventh weather-related emergency closings will may be E-Learning Days. All E-Learning Days count as a day of school for our students and teachers; there will be required assignments. Completion of work will be used as verification of attendance. Students who do not complete work on E-learning days will be considered unexcused. If a child is sick on an E-learning day, parents must call into the attendance line to let the school know.~~

~~A maximum of five E-Learning Days can occur per school year. If we exceed that threshold, then the District will activate the Emergency Make Up Days as denoted on the 2026-2027 calendar.~~

~~*This is a summary of the E-Learning Days Procedures. To view the complete procedure, please visit our website www.isd2397.org~~

Students will give their PIN number for lunch and breakfast. Checks should be made payable to ISD 2397, please indicate your child's name on your check memo.

Breakfast will be available in the school cafeteria each morning from 7:45-8:10am. Students should not arrive for breakfast until the scheduled time. School lunch menus are available in the serving line.

Food Service Prices 2024-2025

Student Breakfast	FREE
K-5 Lunch	FREE
Extra Milk	\$0.50
Adult Lunch	\$5.00

Information regarding free and reduced meal application procedures are made available to families in the fall of each year. If you need a form during the year please contact any of the school offices.

Please note: When a family qualifies for Free or Reduced meals, the school receives more state aid funding, even if the student(s) do not use the hot lunch program. We encourage ALL families to complete a form and return it to school. More state funding means more educational opportunities for our students!

Harassment and Violence Policy

The policy of the school district is to maintain a learning and working environment that is free from harassment and violence on the basis of race, color, creed, religion, national origin, sex, age, marital status, familial status, status with regard to public assistance, sexual orientation, or disability. The school district prohibits any form of harassment or violence on the basis of race, color, creed, religion, national origin, sex, age, marital status, familial status, status with regard to public assistance, sexual orientation, or disability.

Head Lice

Parents should periodically check their children for head lice. Head lice are not uncommon in school settings, but some studies have shown that lice are NOT highly transferable in the school setting. Below is helpful information about head lice.

LSH School District will follow this procedure:

1. A child will be checked as needed or as referred by a teacher.
2. If LIVE lice are found on a child at school:
 - The parent/guardian will be contacted
 - The child will be sent home to be treated and cannot return until there are NO LIVE lice. If there are only nits, then the student can return.
 - Siblings or close contacts in the classroom will be checked as referred by the classroom teacher.
3. When a child returns to school:
 - School personnel will check the child's head, but they are NOT responsible for picking live lice and/or nits from the child's head
 - If there are only nits, then the child will be sent to class
 - If there are live lice, the child will be sent home again to retreat

Preserving the confidentiality of each student/family is mandated. Classroom or school-wide screening is currently discouraged. Screening for nits alone is not an accurate way of predicting which children are or will be infested, and screening for live lice has not been proven to have significant effect on the incidence of head lice in a school community over time*. School screenings cannot take the place of more careful parental checks*. It is the parent's responsibility, as with other conditions, to be aware of their child's needs and seek the necessary care. If information or resources are needed, please contact school health services or your family care provider.

*American Academy of Pediatrics

Health Screening

Vision and hearing screening is typically conducted in the fall for all students in grades: 1, 3 and 5. If you request your child not be screened, or if your child has a special health concern that may make it difficult for a routine vision or hearing screening, please contact your building health services office.

Vision and Hearing screenings can be conducted at any time during the school year with a request or referral from teachers or parents. When suspected health problems are detected, a referral for a medical evaluation is made. If financial assistance is needed, or resources and information is requested, please contact the School Nurse at (507) 665-4711.

Healthy Snacks

The Le Sueur-Henderson School district has adopted a wellness policy that promotes healthy lifestyle choices for our students and staff. At LSH we will be helping our school community make health conscious choices by offering healthy snacks at school whenever possible.

We know most children do not get enough fruits and vegetables on a daily basis. Research has shown five servings of fruits/vegetables a day is the minimum for good health, and years down the road, they can reduce heart disease and cancer. Fruits and vegetables are loaded with vitamins and minerals, are low in fat, sugars, and salt and are high in fiber. They are the original "Fast Food".

At the elementary level we would like to offer children in grades K-5 a healthy snack mid-morning to help encourage the five a day habit! We are able to order fruits and other healthy options in bulk, reducing the cost to you. During back-to-school conferences you will have the opportunity to sign up for healthy snacks for your children. The cost will be **\$75.00** for the entire school year. There will be several choices each day for students including: apples, oranges, string cheese, a variety of crackers, pretzels and popcorn options as well.

You may still choose to send a daily snack with your students. If you do, we ask that you choose from the following items: any fruits, any vegetables, crackers, pretzels, almonds/cashews, (no peanuts due to allergies), rice cakes, whole grain bagels or yogurt.

We hope you take advantage of this opportunity to perhaps save some money, enjoy the convenience of a school provided snack and most importantly provide "top notch" nutrition for your child at snack time. This is how the cost breaks down.

\$75.00 per year / 173 school days = \$0.43 per day

Please take the time to discuss the snack guidelines with your children. We encourage you to take your children to the produce section when you shop for groceries and let them try new fruits and vegetables. Please make sure to stop by the snack cart in the fall and have a healthy snack and sign your child up for the Healthy Eating Snack Program.

Homework

Any homework assigned will have been fully explained to the pupil and of a type that can be done with resources available in the home. Normally, a child who properly uses time available in school should not have an unreasonable amount of homework. A child who misses school for an appreciable length of time may have make-up work assigned to do at home. When your child has homework, you should help as follows:

1. Provide the child with a place to study which is free from distractions. Check to see the lighting is adequate.
2. Set aside a definite time period in the after school hours and designate it "homework time".
3. After school, in the afternoon, or right after dinner are better for study period than later on in the evening when the child is fatigued.
4. If a child is having a difficult time grasping material, contact the teacher to see if there is anything you can do at home to help your child climb the ladder to successful learning.
5. Provide guidance when the child is doing homework, but don't do the homework.

If you request homework for a child who is ill, call the school office before 11:00 A.M. to allow the teacher an opportunity to prepare the assignments. Better yet, mention it when you call the attendance line about the student being out ill. If you send a message requesting homework with a sibling or neighborhood student, please have them stop in to see the teacher when they arrive at school in the morning.

Immunization Requirements

Minnesota law requires parents/guardians of students enrolled in public schools to provide documentation that immunizations against certain communicable diseases have been received or to provide a signed, notarized conscientious exemption to a school official. The following immunizations are required prior to entrance in Kindergarten:

- 5 doses of DTaP (the fifth dose should be given on or after the 4th birthday)
- 4 doses of polio (the fourth dose should be given on or after the 4th birthday)
- 2 doses of MMR (the second dose should be given on or after the 4th birthday)
- 3 doses of Hepatitis B (the third dose should be given between 6-18 months of age)
- 2 doses of Varicella (chicken pox) (the second dose should be given on or after the 4th birthday)

For further information contact your clinic, public health office or the school nurse. Your student is at risk for exclusion from school if proper documentation of immunizations is not received. See Minnesota Law.

Information and/or Concerns	When you need information or have a concern about your child, the first person to contact is your child's teacher. Teachers welcome calls from parents. If after talking to the teacher, you still have questions, contact the principal.
Injury/Accidents	Students involved in an injury of any kind in the gym, classroom, corridors, or recess, must report the accident to the teacher/adult in charge immediately. The student will be referred to the main office as soon as possible for evaluation and administration of first aid or appropriate care as needed.
Internet Acceptable Use & Safety Policy	The school district is providing students and employees with access to the school district computer system, which includes Internet access. The purpose of the system is more specific than providing students and employees with general access to the Internet. The school district system has a limited educational purpose, which includes use of the system for classroom activities, educational research, and professional or career development activities. Users are expected to use Internet access through the district system to further educational and personal goals consistent with the mission of the school district and school policies. Uses which might be acceptable on a user's private personal account on another system may not be acceptable on this limited-purpose network. The use of the school district system and access to use of the Internet is a privilege, not a right. Depending on the nature and degree of the violation and the number of previous violations, unacceptable use of the school district system or the Internet may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other appropriate school district policies, including suspension, expulsion, exclusion, or termination of employment; or civil or criminal liability under other applicable laws. * This is a summary of the Internet Acceptable Use & Safety Policy 524. To view the complete policy, please visit our website www.isd2397.org
Kids Club	Community Education offers high quality and affordable school age care for students K-5 at LSH Elementary. Dates: Available every day school is in session and summer. Time: 6:15am – 8:10am (before school) 3:10pm –5:30pm (after school) 1:10pm -5:30pm (early out days) Location: LSH Elementary For more information and to receive a registration booklet, please call Community Education at 507-665-4620.

Life Threatening Allergies 	In any given school year we may have students and staff with life threatening allergies. Although emergency medications may be available in the health office in the event of a severe allergic reaction, the best treatment is prevention since measures may not be adequate to counteract the swift severe reactions that may occur. Ideally our environment would be free of all allergens, including those related to foods, but this is not always possible. With peanuts/tree nuts it can be especially difficult since they can be a hidden ingredient in foods. In an effort to keep children and adults safe we ask that you: • Frequently remind your child never to share any part of their lunch or snack with others. • Check with your child's teacher regarding food allergies or dietary restrictions in the class if you would like to bring treats for a birthday or a classroom party. • Bring treats that are nut and peanut free.
Lunchroom Expectations	1. Students must remain in the cafeteria. 2. Students are responsible for picking up after themselves and returning their trays to the dishwashing area. 3. Students should line up in an orderly manner to get their lunch. 4. Students should keep voices low and behave appropriately. 5. Students should NOT share food with one another from school or home due to potential unknown allergies and spreading germs.
Lockers	Students are assigned a locker. Students should never leave money or other items of value in their lockers. According to Minnesota State Law; lockers and desks are District property and may be searched without the student's permission or knowledge. In addition, if school personnel have reasonable suspicion, they may search through any personal belongings.
Lost Damaged Materials	& The school will charge an appropriate replacement fee for electronic devices, textbooks, workbooks and/or library books that are lost and/or damaged beyond repair.
Lost & Found 	PLEASE PUT YOUR CHILD'S NAME on all of their personal items; so we can return them if they are lost. Remind your children to check the "lost and found" when something disappeared at school. Parents are welcome to check this area at any time.

Medication Policy

Before a school nurse, or health aid designated by the school nurse, can administer prescription medication to a student, the following must be provided by the parent/guardian:

- A signed authorization form from the parent/guardian
- A written order from a physician is required for prescription medications. Prescription medication must be labeled with a current pharmacy label with the student's name, name of medication and dose, any directions and time to be given, and with the prescribing physician's name.

Select OTC (over the counter) medications are available in the health office for students with a signed parent permission on the Annual Health Form, parents will be contacted prior to administration of any OTC medication.

Students with asthma are allowed to carry and use their inhaler as needed with written consent of the parent/guardian and medical provider (MN Statute 121A.221). Elementary students are strongly encouraged to keep inhalers in the health office to use when needed. Inhalers must be labeled with a current pharmacy label and accompanied by a physician's order and Asthma Action Plan.

Elementary students' EpiPens will be kept in the health office or other designated area and will be readily available at all times. EpiPens must contain a current pharmacy label and be accompanied by a physician's order and Severe Allergy Care Plan.

Teacher-Parent Communication

Each staff member has voice mail access. Those messages are picked up before and after school. Emergency messages need to be directed to the office staff.

Each day we receive many requests to get a message to students. We know that occasionally important family things come up and it is necessary to contact your child. However, because teaching/learning is a priority, we need to keep messages and classroom interruptions to a minimum.

Elementary faculty, staff, and administration believe a strong partnership with parents is essential for student success. Open, respectful, and honest communication is a critical pillar of this partnership. Our staff will respond to requests for information and assistance in a timely and professional manner. Similarly, every staff member should be treated with respect and dignity by parents and members of the public. Teachers balance the needs of planning a lesson, teaching a lesson, and correcting materials and must be provided with reasonable time to correct materials and communicate. Many teachers share

	a weekly update or emails along with the weekly school newsletter from the principal as an opportunity for families to stay on top of all school related events. The first step in teacher-parent communication is reading these essential communications thoroughly. Some tips for communicating effectively with our faculty and staff include: • Utilize voice mail or email whenever possible to contact teachers. You can expect a timely and professional response. • Call the teacher in advance to schedule a meeting if you would like to discuss something with the teacher face-to-face. • Strive to resolve a conflict or misunderstanding directly with a teacher first; you are welcome to contact the administration if you are dissatisfied with the resolution. • Make sure your requests are reasonable. • Make sure your attitude and words are respectful. • Recognize that we strive to build responsibility in students. Please keep this in mind, as we will come from a different perspective in our communication with you.
Money Brought to School	Any money brought to school should be sealed in an envelope with the student's name, teacher's name, amount and purpose of money clearly marked on the envelope.
Parent Teacher Conferences 	Parent-Teacher Conferences are one of the most important channels of communication between school and home. Conferences are held twice a year. You will sign up for a 30 minute visit with your child's teacher through an online scheduler. Watch for more information about how to sign up in the school newsletter. <u>TIPS FOR A SUCCESSFUL CONFERENCE:</u> 1) Arrive on time; 2) Make a list before you come of items you want to discuss, or questions you'd like answered; 3) Ask for clarification of any information the teacher gives that you don't understand; 4) Follow-up with the teacher in the weeks to come.
Positive Behavior Interventions &	LSH Elementary School uses the Positive Behavior Interventions and Support (PBIS) system as a system for teaching our students behavior expectations. PBIS is: • Used with all students and staff at LSH Elementary

Support (PBIS)

- ~~Used in all areas of the school (classrooms, cafeteria, playground, restrooms, buses, etc.)~~
- ~~Used to help schools create learning environments that teach and support children in making appropriate decisions.~~

~~A PBIS school teaches the expectations to all students throughout the school year. PBIS schools provide consistent, predictable and fair use of consequences for all students. Our staff teaches the students these expectations and provides opportunities for them to practice using GIANT PRIDE.~~

~~Parents can support PBIS by:~~

- ~~Reading and discussing the Behavior Expectations Matrix. Matrixes will be available at our upcoming conferences or in the school offices.~~
- ~~Be involved in your child's daily routines by checking planners/folders, attending conferences and contacting the teacher when you have questions.~~
- ~~Review the Behavior Expectation Matrix with your child if he/she experiences behavior problems at school.~~
- ~~Work on a plan to help your child with strategies for choosing appropriate behaviors.~~
- ~~Support teacher and administrative behavior decisions.~~

~~Teaching a behavior that schools expect to see works best when there is consistency across home and school settings. When a child has challenging behavior at school, a strong partnership between the school and family is important. Family involvement is a key feature when developing positive behavior support plans for all students. School wide positive behavioral interventions and support is a school wide approach to helping all children learn to self-manage behaviors. However, parent involvement is really important in all aspects of PBIS. When parents are involved, outcomes for children are better.~~

~~Participating in a PBIS initiative is more than volunteering to help with a school field trip or help out in the classroom. It is a willingness to help participate in your own child's positive behavioral support program, and to participate in LSH's PBIS initiative.~~

GIANT PRIDE

The PRIDE in GIANT PRIDE helps us remember the character traits we want all students and staff to strive for.

- P= Positive, I will be positive & ready to learn
- R= Respect, I will be considerate of others, their property and myself
- I= Integrity, I will do the "right thing" at all times
- D= Determination, I will believe in myself
- E= Excellence, I will challenge myself to do my best.

	<u>Our Four Compelling Statements that every student and adult will follow.</u> 1. Treat all Property with Respect 2. Take Responsibility for Your Learning 3. Act in a Safe and Healthy Way 4. Respect the Rights and Needs of Others * For more information on Student Discipline please review Policy 506, To view the complete policy, please visit our website www.isd2397.org
PTO	A Parent Teacher Organization is designed to enhance the home-school relationship. The purpose of the organization is three-fold: 1. To provide a forum for parent input regarding instruction and organizational practices/policies in the elementary program. 2. To provide parent educational opportunities on academic, social, and emotional topics related to children. 3. To provide opportunities for families to participate together in education and social activities. All parents are invited to become active in the PTO. PTO supports the school in many ways including fundraisers, staff recognition, volunteering opportunities and programs that enhance the education of our students and families.
Personal Belongings of Students	Unless a teacher requests them specifically, students are discouraged from bringing toys, sports equipment or other expensive items to school. School staff are not responsible for non-requested items.
Pledge of Allegiance	Students in this school district shall recite the Pledge of Allegiance to the flag of the United States of America one or more times each week. *This is a summary of the Pledge of Allegiance Policy (Policy 531). To view the complete policy, please visit our website www.isd2397.org
Protection and Privacy of Pupil Records	The school district recognizes its responsibility in regard to the collection, maintenance, and dissemination of pupil records and the protection of the privacy rights of students as provided in federal law and state statutes. <u>GENERAL CLASSIFICATION</u> State law provides that all data collected, created, received, or maintained by a school district are public unless classified by state or federal law as not public or

	private or confidential. State law classifies all data on individuals maintained by a school district which relates to a student as private data on individuals. This data may not be disclosed to parties other than the parent or eligible student without consent, except pursuant to a valid court order, certain state statutes authorizing access, and the provisions of FERPA and the regulations promulgated thereunder. * This is a summary of the Protection & Privacy of Pupil Records Policy, To view the complete policy, please visit our website www.isd2397.org
Recess 	Be sure your child is properly dressed for the weather conditions. During cold weather children are expected to wear caps or hoods, mittens, snow pants and snow boots. Students will be outside at noon recess and before school unless the temperature or wind-chill is below zero. Please help your child understand the importance of dressing warmly. All children, when the temp is 40 degrees or lower, will be expected to wear a coat, hat and mittens/gloves at a minimum. When students need to remain inside for health reasons the school will need a written request from the parent/guardian. The request should include an explanation as to why the child should be inside and should state the number of days the request is being made for. Requests for more than five days must have a doctor's confirmation. When weather conditions prevent students from going outside, recess will be held in the classrooms/gym space.
Records, Parent Access to Student	Parents/guardians are permitted to review their student's educational records. Upon request, the district will provide a list of the types and locations of educational records used by the district. Upon requesting access to records, parents/guardians will be supplied a more detailed copy of rights and procedures involved. Non- custodial parents do have the right to education information including but not limited to records and report cards, please contact the building administrator for additional information. Parents have the ability to access student information on Infinite Campus parent portal.
Reporting to Families	LSH Elementary School operates on a semester system. Individual parent-teacher conferences are scheduled for K-5 students prior to the start of school and in November and March February for all students' grades K-5. Report cards will be available to families after each semester. (More information concerning time and date will be sent home prior to conferences).
Retention Policy	Recommendations for retention are approached with caution. Children who have repeated a grade will not normally be considered for retention again. If you have questions regarding our district's retention policy/procedure, you should contact your building principal to discuss it further.

Safety and Crisis Prevention	The Le Sueur-Henderson School District utilizes the Standard Response Protocol (SRP) developed by the "I Love U Guys" Foundation as part of our comprehensive Crisis Management Plan. This protocol provides clear, consistent guidelines, structure, and a common language for students, staff, and first responders in dealing with a range of crisis situations that may interrupt the normal operation of school. The plan is designed to deal effectively with any situation that has the potential to result in physical injury to students, staff, or community members. The key elements of our crisis and safety procedures involve the following: ● The Standard Response Protocol (SRP): Implementing clear action-based responses (Hold, Secure, Lockdown, Evacuate, Shelter) to establish a unified, predictable reaction to any emergency. ● Routine and Emergency Security: Maintaining consistent, daily building security practices alongside emergency response procedures. ● Safety First: Prioritizing the physical and emotional safety of our students and staff to keep them out of harm's way. ● Staff Roles and Training: Clearly identifying and training each staff member on their specific role during an emergency. ● Effective Communication: Using established district information channels to communicate quickly and accurately with staff, families, and first responders. ● Media and Rumor Management: Dealing fairly and transparently with the news media while actively stopping the spread of rumors both internally and externally.

ROUTINE BUILDING SECURITY PROCEDURES

The school district has in place a daily non-crisis building security plan/practice which applies to all building sites each day and is as follows:

- All visitors will be buzzed in during the instructional day.
- All visitors must report to the office (exceptions are school programs and conferences).
- All visitors will be required to show a form of Identification, preferably a driver's license or state-issued ID.
- All visitors must wear a visitor's badge.
- Parents dropping off their child when school is already in session must go to the office and sign the child in.
- Parents picking up their children from school before dismissal must come to the office to sign the child out. The secretary will then call your child to the office.

School Counselor/~~Social Worker~~

The school counselor/~~Social Worker~~ is a resource person within our schools who works with students, parents, teachers and administration. The school counselor/~~Social Worker~~ may work with students during the year, either individually, in a group, as part of a family or in the classroom setting.

In the classroom, the school counselor/~~Social Worker~~ uses materials and discussion along with group process skills to help students discover and clarify personal values, learn truths about themselves, develop positive attitudes towards others and find out how others feel and think about important matters. A great variety of topics are discussed: goals, friends, academic successes, cooperation, study habits, competition, family responsibility, self-awareness, justice and values.

The school counselor/~~Social Worker~~ may

- conduct phone and parent conferences during the year
- provide short-term family support
- help those requiring longer-term support to find appropriate help.

The school counselor/~~Social Worker~~ works closely with the principal and staff discussing school needs and educational planning. In general, the role of the school counselor is to work to improve communication within the school and between school and home for all those who are interested in the academic and personal development of the children.

School Nurse

A licensed school nurse is in the district during the school day. Health services are provided for all students and staff. A diagnosis of any illness is NOT made by the nurse. Health services include:

- Basic first aid
- Medication administration
- Hearing and vision screening
- Limited classroom teaching
- Individual student/family health counseling
- Keeping of health records on students
- A resource for teachers.

If a student becomes ill while at school, the parent or guardian, or a person designated by the parent or guardian will be called. It is the responsibility of the parent/guardian to have the student picked up within 30 minutes of being notified. In the case of an accident, first aid will be administered and the parent or guardian will be called. If the student needs further treatment, it is the responsibility of the parent or guardian to transport the student to the doctor. In the event the accident is deemed to be a medical emergency, 911 will be called.

It is very important to update the student information form for each of your students each fall so that we have the most current information should illness or an accident occur during the school day. If any changes occur during the

	year please contact the school office with a new address, phone number, work phone, neighbor contact, etc. If a student's symptoms suggest the presence of a communicable disease, including fever, diarrhea, vomiting and uncontrolled coughing, they should remain home for at least 24 hours and until symptoms resolve. Parents are requested to report any contagious disease to the school as soon as possible. Please contact the school nurse to discuss the exclusion guidelines and returning to school plan.

Specialist Classes

Students rotate between the specialty classrooms once every four days

PHYSICAL EDUCATION

The basic goals of physical education are to have the children be active, to learn something about movement and to have fun. In the primary grades (K-3) emphasis is on movement education to develop basic skills and perceptual awareness. In the intermediate grades (4-5) many team sports and individual sports are introduced. There is still a concentration on basic skills. Rhythm is a major area at all levels. Physical fitness testing is done in the intermediate grades. Students will be dismissed from physical activities with a doctor's excuse.

GYM SHOES: Children are asked to have separate tennis shoes available for gym periods. This is a safety precaution for your child. The shoes do not need to be new, but clean and free of outside mud and dirt.

MUSIC

The students study a wide spectrum of topics; singing, music history, composers, music appreciation, rhythm and movement exploration, musical instruments and music theory.

ART

Students are exposed to different media; paint, crayon, wood, plastic, fibers, collages, sculptures and prints. The main emphasis in the primary grades is on originality and creativity. The upper grades move into more emphasis on design.

MEDIA

The elementary schools are fortunate to have well-established, cheerful, inviting library media centers for both students and staff. Fine collections of fiction and nonfiction books are available for pleasure reading, as well as, a wide range of popular children's magazines. The students in K-5 have scheduled library/media classes to ensure their regular, habit forming exposure to all kinds of reading materials. iPads and Chromebooks are also available to students and staff.

Student Dress

We believe neat and proper dress contributes to positive attitudes and self-image. Articles of clothing promoting drug/tobacco use, violence, sexually offensive implications or containing profanity are never acceptable. Inappropriate dress also includes a lack of shoes or shirts, coats (exception: if the teacher believes the room temperature to be too cool), hats, bandanas and any other apparel that interferes with instruction. Please refer to the complete student dress code policy on the District website for further information.

Student Registration

Students enrolled at the elementary school are automatically registered in the spring for the following school year. Children entering kindergarten in the fall are to be registered in the spring during Kindergarten Roundup (New Kindergarten Registration). Those students new to the district should register prior to school opening in the fall. This registration will take place approximately two weeks in advance of the start of school and may be done ~~at~~ the _____ elementary _____ offices. _____ online at <https://www.isd2397.org/page/enrollment-information>

Children entering kindergarten must be five (5) years of age on or before September 1. The school does have an early admission policy for underage children who qualify. Please consult with the principal if you have questions.

The district is not responsible for lost or stolen personal devices.

LE SUEUR-HENDERSON PUBLIC SCHOOL
GRIEVANCE PROCEDURE FOR
COMPLAINTS OF DISCRIMINATION

The following grievance procedure applies to claims of sex and disability discrimination:

- A. Any person who believes he or she has been the victim of unlawful discrimination or any person with knowledge or belief of conduct that may constitute unlawful discrimination shall report the alleged acts immediately to an appropriate school district official designated by this policy. The complaint must be filed within 30 calendar days of the alleged violation.
- B. The Human Rights Officer is responsible for receiving oral or written complaints of unlawful discrimination toward an employee or student. However, nothing in this policy shall prevent any person from reporting unlawful discrimination toward an employee or student directly with the Human Rights Officer, the school board or other school district official.
- C. While the school board has designated the Human Rights Officer to receive complaints of unlawful discrimination, if the complaint involves the Human Rights Officer, the complaint shall be made to the superintendent.
- D. Upon receipt of a complaint, the Human Rights Officer shall immediately notify the superintendent. If the superintendent is the subject of the complaint, the Human Rights Officer shall immediately notify the school board.
- E. The Human Rights Officer may request but not insist upon a written complaint. Alternative means of filing a complaint, such as through a personal interview or by tape recording, shall be made available upon request for qualified persons with a disability. If the complaint is oral, it shall be reduced to writing within 24 hours and forwarded to the superintendent. Failure to do so may result in disciplinary action. The school district encourages the reporting party to complete the complaint form for written complaints. It is available from the principal of each building or the school district office.
- F. The school district shall respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses, consistent with the school district's legal obligations to investigate, take appropriate action, and comply with any discovery or disclosure obligations.

INVESTIGATION

- A. The Human Rights Officer, upon receipt of a complaint alleging unlawful discrimination shall promptly undertake an investigation if deemed appropriate. The investigation may be conducted by the Title IX coordinator for complaints of sex discrimination or the Section 504 Coordinator for complaints of disability discrimination, or a school district official or neutral third party designated by the Title IX coordinator, Section 504 coordinator or Human Rights Officer. The investigation shall be completed within 30 days of the complaint, unless impracticable.
- B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of other methods deemed pertinent by the investigator.

- C. In determining whether the alleged conduct constitutes a violation of this policy, the school district shall consider the facts and the surrounding circumstances such as the nature of the behavior, past incidents or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incident occurred.
- D. The school district may take immediate steps to protect the parties involved in the complaint process, pending completion of an investigation of alleged unlawful discrimination.
- E. Upon completion of the investigation, the school district investigator shall make a written report to the Human Rights Officer. If the complaint involves the Human Rights Officer, the report may be filed directly with the superintendent or school board. The report shall include the facts, a determination of whether the allegations have been substantiated, whether a violation of this policy has occurred as well as a description of any proposed resolution which may include alternative dispute resolution.
- F. The district shall comply with federal and state law pertaining to retention of records.

APPEAL

If the grievance has not been resolved to the satisfaction of the complainant, s/he may appeal to the Human Rights Officer within ten (10) school days of receipt of the findings of the school district investigation. The school district investigator shall conduct a review of the appeal and within ten (10) school days of receipt of the appeal, shall affirm, reverse, or modify the findings of the report. The decision of the school district investigator is final but does not preclude pursuit of alternative complaint procedures noted in the section entitled "Right to Alternative Complaint Procedures."

SCHOOL DISTRICT ACTION

- A. Upon conclusion of the investigation and receipt of the findings, the school district shall take appropriate action. If it is determined that a violation has occurred, such actions may include, but is not limited to, warning, suspension, expulsion, transfer, remediation or termination.

School district action taken for violation of this policy shall be consistent with the requirements of applicable collective bargaining agreements, Minnesota and federal law and school district policies.

- B. The result of the school district's investigation of each complaint filed under these procedures shall be reported in writing to the complainant by the school district in accordance with state and federal law regarding data or records privacy.

STUDENT AND PARENT HANDBOOK

WELCOME TO LSH MIDDLE/HIGH SCHOOL

Welcome to Le Sueur-Henderson Middle and High School. It is a privilege to partner with the families, staff and communities on behalf of our students. At LS-H we are cultivating the skills and knowledge that our students will need in order to become independent, productive adults with the ability to determine their own future.

We provide a safe, caring environment for students to make mistakes and grow from these experiences. There is a strong sense of community at LS-H that has been developed throughout our rich history. The dedication of our staff to do what is right for each student has led to a school culture we can all be proud of. At LS-H, students are encouraged to make individual choices regarding their course selection and during their daily curricular activities to continually discover their interests and future career fields. We set high expectations for our students to engage in high quality academic learning opportunities in the dynamic learning community at LS-H Middle/High School.

We believe, in addition to learning content at high levels, students must be able to: think critically, solve problems, consume information, demonstrate effective interpersonal skills, and have the grit and perseverance necessary in order to adapt to a constantly shifting landscape. They must be prepared to learn beyond high school and be ready to engage in personalized learning opportunities.

It is for this reason Le Sueur-Henderson Middle/High School sets and consistently adheres to high expectations around academics and positive behaviors. These expectations apply to each and every student at LS-H. We strive to personalize our approach to student learning needs and develop systemic pathways to meet the needs of our students each and every day. We will continue to focus on student learning through our PLC process, through continued development of guaranteed and viable curriculum aligned to state standards, and engage students in rigorous and relevant learning. We will hold students accountable for their learning and behaviors in a safe, supportive learning environment.

We look forward to supporting each of our students to reach their potential, discover their strengths, and celebrate their successes.

ACADEMICS

Alternative Educational Opportunities

Some students may be at risk of not continuing or completing their educational programs. The school district provides alternative learning options for students at risk of not succeeding in school. Alternative educational opportunities may include special tutoring, modified curriculum and instruction, instruction through electronic media, special education services, homebound instruction, and enrollment in an alternative learning program, among others. Students and parents/guardians with questions about these programs should contact the School Counselor or Principal.

[Table of Contents](#)

Assessment Requirements

To ensure students are adequately prepared for assessments, a minimum of 3-5 assignments, determined by the classroom teacher which specifically address the standards taught, must be completed by the student. These assignments will be noted in Infinite Campus with the abbreviation "AR".

Computing Grade Point Average

Each grade is given a value. The quarterly GPA is the average value of the grades earned in the quarter just completed.

Grades are valued as follows:

A = 4.00	B + = 3.333	B- = 2.667	C = 2.000	D+ = 1.33	D- = .667
A- = 3.667	B = 3.000	C+ = 2.333	C- = 1.667	D = 1.000	F = .000

E- LEARNING Days

The term "E-Learning Day" refers to a school day when instead of coming to our school buildings, teachers and students will be working off-site. Students in grades K-12 will do different learning activities throughout the E-Learning Day. E-Learning schedules and expectations will be communicated through the school website, social media, and/or email.

E-Learning Days are intended to counter the loss of curriculum momentum resulting from school cancellations due to Minnesota's winter weather. E-Learning Days cannot replace the face-to-face time students have with their teachers but it can provide better continuity when school is interrupted. E-Learning Days also negate the need for makeup school days in June.

The first two weather related days of school closure will not be made up and there will be no assignments. However, the third and fourth weather related emergency closings will be E-Learning Days. All E-Learning Days count as a day of school for our students and teachers; there will be required assignments.

Extended School Year Opportunities

The school district provides extended school year opportunities to a student who is the subject of an Individualized Education Program (IEP) if the student's IEP team determines the services are necessary during a break in instruction in order to provide a free and appropriate public education. For more information on extended school year opportunities for students with an IEP, contact the Special Education Director.

Fundraising

All fundraising activities conducted by student groups and organizations and/or parent groups must be approved in advance by the Principal. Participation in nonapproved fundraising activities is a violation of school district policy. Solicitations of students or employees by students for nonschool-related activities will not be allowed during the school day.

Student participation in the graduation ceremony is a privilege, not a right. Students who have completed the requirements for graduation are allowed to participate in graduation exercises, unless participation is denied for appropriate reasons, which may include discipline. Graduation exercises are under the control and direction of the building principal(s).

Graduation Recognition

Le Sueur-Henderson High School will give special recognition for student academic achievement at the Commencement Ceremony as follows:

- Honors: (GPA 3.0 to 3.5) will be recognized at the Graduation Ceremony with a single yellow cord as graduating with Honors and noted in the program.
- High Honors: (GPA 3.51 to 3.85) students will be recognized at the Graduation Ceremony with double yellow cords and noted in the program.
- Graduating with Distinction: (GPA 3.86 and above) will be recognized at the Graduation Ceremony with double yellow cords, a medal and noted in the program.

*Graduation recognition will be determined at the end of the first semester of senior year.

Graduation Requirements

A primary goal of Le Sueur-Henderson High School is that each student who attends will be college and career ready upon graduation. We also strive to help each student be healthy, safe, engaged, supported, and challenged.

All students must meet the requirements for graduation as prescribed by the State of Minnesota and the School Board of Independent School District #2397. For a detailed explanation of graduation requirements, see the Le Sueur-Henderson High School Student Registration Guide.

Honor Roll (High School)

1. Students must carry a minimum of three classes with letter grades to be listed on the honor roll.
2. Any class which is graded S (satisfactory) or U (unsatisfactory) will not be computed for honor roll purposes.
3. High school students have the opportunity of being recognized each quarter in one of three levels:

A Honor Roll:	GPA of 3.667 or above
B+ Honor Roll:	GPA of 3.333 - 3.666
B Honor Roll:	GPA of 3.000 - 3.332

Incomplete Grades

Incomplete grades are given only due to circumstances beyond the control of the student. Students who receive an incomplete at the end of a grading period have 2 weeks (10 school days) to complete the work. After that time, work not turned in will receive a failing grade.

Postsecondary Enrollment Options

Ninth, tenth, eleventh, and twelfth grade students may apply to enroll in Postsecondary Enrollment Options (PSEO) and other advanced enrichment programs. General information about the PSEO program will be provided to all eighth, ninth, tenth, and eleventh grade students by March 1. Qualifying credits granted to a student through a PSEO course or program that meets or exceeds a graduation standard or requirement will be counted toward the graduation and credit requirements of the state academic standards. Interested students must fill out an application form and submit it to the school counselor by October 30 or May 30 to indicate the pupil's intent to enroll in postsecondary courses during the following academic term. A pupil is bound by notifying or not notifying the district by October 30 or May 30. The application form must be signed by the student and his/her parent or guardian. Students wishing to take a PSEO course should contact Jessica Kirschner, School Counselor.

Students participating in PSEO must provide interim and final grades to the Le Sueur-Henderson School Counselor.

According to the MN State Statute Colleges are required to give notice to high schools if the student is not attending or withdraws.

Relearning Opportunities

At Le Sueur-Henderson Middle/High School, we believe that all students should have the opportunity to make mistakes and demonstrate growth throughout the learning process. Our goal is that all students demonstrate mastery of our essential content area standards. As a result, reassessment opportunities may be provided to all students on summative assessments at the discretion of the teacher.

[Table of Contents](#)

Students are expected to work with their teacher to develop a relearning plan that must be completed prior to a reassessment opportunity being provided. Reassessment scores will replace the initial summative assessment score. Relearning opportunities will not be provided on assessments that occur at the end of a Semester.

Schedule Changes

Students, parents/guardians, and the counseling department are encouraged to work together to select appropriate courses. Despite careful planning, schedule changes may occasionally be necessary. Please note that schedule changes are not guaranteed and may not be approved.

Add/Drop Guidelines:

- Students may request to add or drop a course (semester or year-long) during the week *prior* to the start of the semester or school year. Written approval from a parent/guardian is required.
- Any course dropped *after* the semester begins must be approved by the Middle/High School Principal. If approved, the course will be recorded on the transcript with a grade of Withdraw or Withdraw/Fail (WF), which will be included in the student's cumulative GPA.

Students and parents/guardians will be notified electronically when schedules become available in Infinite Campus. For specific questions or to request a change, please contact the school counselor.

Section 504 Policy Statement:

Section 504 is a federal regulation that prohibits discrimination against persons with a disability in any program with federal financial assistance. It defines a person with a disability as anyone who:

1. Has a physical or mental impairment which substantially limits one or more major life activity such as caring for one's self, performing manual tasks, seeing, hearing, speaking, breathing, learning and working;
2. Has a record of such an impairment; or
3. Is regarded as having such impairment. (34 Code of Federal Regulations Part 104.3)

It is the policy of the Le Sueur-Henderson Board of Education to provide a free and appropriate education to each handicapped student within its jurisdiction, regardless of the nature or severity of the handicap. It is the intent of the district to ensure that students who are handicapped within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated and provided with appropriate educational services. Students may be handicapped under this policy even though they do not require services pursuant to the Individuals with Disabilities Act (IDEA). Due process rights of handicapped students and their parents under Section 504 will be enforced. Questions or concerns can be directed to the school office.

Standards-Based Grading (Middle School)

Middle school courses use a standards-based grading system to communicate how well students demonstrate proficiency on specific learning standards. Rather than averaging points from assignments, grades reflect a student's current level of understanding of the essential skills and knowledge taught in the course.

Performance Levels:

- 4 – Exceeds the Standard: Demonstrates advanced understanding and consistently applies learning independently and in new situations.
- 3 – Meets the Standard: Demonstrates proficiency and consistently meets grade-level expectations.
- 2 – Approaching the Standard: Demonstrates partial understanding but needs additional practice or support to consistently meet expectations.
- 1 – Beginning the Standard: Demonstrates limited understanding and requires significant support to develop the necessary skills.

Students are provided multiple opportunities to learn, practice, receive feedback, and demonstrate growth throughout a unit. The goal of standards-based grading is to provide clear, meaningful feedback that supports student learning and encourages continuous improvement.

Weighted Grade Categories

Le Sueur-Henderson Middle/High School supports and encourages our students to make mistakes. We understand that mistakes are an essential part of the learning process. The weighted grade categories below will be used to reduce the impact of students' formative mistakes on their reported grade. They will also help to ensure each students' grade accurately communicates their mastery of content area standards.

Summative Assessments: 80%

Formative Assessments: 20%

*Course exceptions will only be granted as approved by administration or as required by a post-secondary institution.

ATTENDANCE

Attendance Procedures (Policy 503)

It is the responsibility of the students, parents/guardians and the school to assure that the student attends school every day classes are in session. Absence, for whatever reason, is detrimental to a student's success. It is the student's responsibility to make up all work missed due to absence. In accordance with the regulations of the Minnesota Department of Education and the Minnesota Compulsory Attendance Law (MN. Stat.120A.22), students are required to be full time students and attend all assigned classes every day school is in session. For detailed information, see the "Student Attendance" policy 503.

Attendance procedures are designed to address the problems of absenteeism at Le Sueur-Henderson Middle and High School. School absences may result in one or all of the following:

- Parent notification by phone call, text, written communication and/or a requested conference.
- Remedial Intervention: detention, in-school suspension, referral to nurse or MTSS team.
- Required medical verification for illness.
- Referral of student and parent for truancy to Juvenile Court, in accordance with Minnesota Statutes.
- Referral to the County Social Service Department for further investigation.
- Excessive absences are a concern to all involved with the student's education. When an absence is necessary, the parents or guardian must notify the school explaining the reason for the student's absence.
- The school requires a phone call as early as possible. Office hours are 7:30 AM to 4:00 PM. Voicemail will be checked for those parents calling before the office is open. Absences not reported by parents will be recorded as unexcused. THE ATTENDANCE LINE PHONE NUMBER is 507-665-5801.
- The school has the right to verify any and all absences. (The school will make the final determination if the absence is excused or unexcused.)
- Homework - if a student is absent due to illness, homework may be obtained by checking their Google Classroom site or by contacting teachers and/or counselor.

Any student who leaves school without permission from the office for any purpose will receive an unexcused absence and may be suspended out of school for the remainder of the day. Parents/guardians may not excuse a student for leaving the building if the office has not been notified prior to the student leaving. Students who are ill during the day are required to check out through the nurse's office.

Students are not allowed to sit or be inside of a parked vehicle for any reason during the school day. Office permission must be obtained in order to go inside of a vehicle at any time during the school day; this includes the lunch period. Seniors who have obtained and intend to use Senior Privileges must leave school grounds during their study hall or lunch period. Loitering on school grounds is not allowed.

- Absences resulting from official suspension will be handled in accordance with the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.
- Days during which a student is suspended from school shall not be counted in a student's total accumulated unexcused absences.

- A letter will be sent to parent/guardian after 3 (three) unexcused absences.
- If a student reaches 5 (five) unexcused absences a letter will be sent home ~~and a parent meeting with the Attendance Manager to make an attendance plan will occur.~~ The county attorney's office may ~~also~~ be notified along with the county social worker.

the search will uncover a violation of law and/or school policy or rule. The search will be reasonable in its scope and intrusiveness. Such searches may be conducted without notice, without consent, and without a search warrant. A student will be subject to loss of parking privileges and to discipline if the student refuses to open a locked motor vehicle or its compartments under the student's control upon a school official's request. POLICY #506

CO-CURRICULARS, ACTIVITIES & ATHLETICS

The school district provides opportunities for students to pursue special interests that contribute to their physical, mental, and emotional health. Formal instruction is the school district's priority.

Students who participate in school-sponsored activities are expected to responsibly represent the school and community. All rules pertaining to student conduct and student discipline apply to school activities.

All spectators at school-sponsored activities are expected to behave appropriately. Students and employees may be subject to discipline. Parents/guardians and other spectators may be subject to sanctions for inappropriate, illegal, or unsportsmanlike behavior at these activities or events.

The Le Sueur-Henderson School District is a member of the Minnesota State High School League (MSHSL). Students who participate in MSHSL activities must abide by the MSHSL rules. The district will enforce all MSHSL rules during the school year and in the summer as applicable.

Employees who conduct MSHSL activities will cover applicable rules, penalties, and opportunities with students and parents/guardians prior to the start of an activity. For more information about the MSHSL rules and student eligibility requirements, contact Paul Theorin, Activities Director.

A MSHSL Parent Permission form must be signed by both parent and student once each year; also, a physical examination form must be on file signed by doctor, parent and student and must be renewed every three years. (Participants cannot begin without these forms).

Co-Curricular Academic Eligibility Standards

Academic achievement and co-curricular activity participation go hand in hand to promote the educational growth of each student. Whenever there is a question of priority, however, we at Le Sueur-Henderson High School believe that academics take precedence. For this reason and to encourage achievement in both curricular and co-curricular areas, the following academic standards and eligibility guidelines have been established.

In order to be eligible for all co-curricular events, students must have all school work current and up to a passing level. Every two weeks, starting with the 3rd week of each semester, a "deficiency list" will be generated by the Activities Director. All students whose name appears

[Table of Contents](#)

on the "deficiency list" will forfeit their privilege to participate in co-curricular events until they are passing all of their classes. In order to regain eligibility for co-curricular participation, ineligible students are required to bring teacher-signed verification to the Activities Director or the Activities Director's Secretary that their schoolwork is at a passing level.

Family / Church Night

By virtue of a long standing agreement with the Le Sueur-Henderson Ministerial Association, Wednesday evenings are to be free of school activities. No school activities are to be scheduled after 5:45 p.m. on Wednesdays unless specifically approved by the Superintendent.

Student in Good Standing Expectations

HEALTH AND SAFETY

The safety of students on campus and at school-related activities is a high priority of the district. While district-wide safety procedures are in place, student and parent cooperation is essential to ensuring school safety.

Accidents

All student injuries that occur at school, at school-sponsored activities, or on school transportation should be reported to the School Nurse in the MS/HS Office. Parents/guardians of an injured student will be notified as soon as possible. If the student requires immediate medical attention, the principal or other district leader will call 911 or seek emergency medical treatment and then contact the parent(s).

Crisis Management

The Le Sueur-Henderson School District has a Crisis Management Plan in place to provide guidelines, structure, and a process in dealing with a range of crisis situations which may interrupt the normal operation of school at our building sites and/or in our community. The plan provides a process to deal with any situation that has the potential to result in physical injury to one or more students, staff, or community members.

The key elements of the Crisis Management Plan involve the following:

- Routine and emergency building security procedures
- Keeping our students and staff safe and out of harm's way

- Dealing effectively and fairly with the news media and
- Stopping the rumor mill (internally and externally).

For more information, please review District Policy 806.

Drug-Free School and Workplace

The possession and use of alcohol, controlled substances, and toxic substances are prohibited at school or in any other school location before, during, or after school hours. Paraphernalia associated with controlled substances also is prohibited. The school district will discipline or take appropriate action against anyone who violates this policy.

District policy is not violated when a person brings a controlled substance that has a currently accepted medical treatment into a school location for personal use if the person has a physician's prescription for the substance except marijuana is not allowed on school property even if prescribed. Students who have prescriptions must comply with the school district's "Student Medication" policy.

Emergency Evacuation Procedures

Emergency evacuation procedures are posted in each classroom. It is the student's responsibility to know the procedure for each classroom.

Employment Background Checks

The school district will seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also will seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic coaches, assistants, and advisors. The school district may elect to seek criminal history background checks for other volunteers, independent contractors, and student employees.

Essential Oils and Scented Products

Staff will not administer essential oils to students. If the student has a Doctor's prescription for essential oils, this should be administered by the nurse or designee. Staff will be cognizant of student health concerns that may be heightened with scents. Some students are sensitive to air fresheners, diffusers, essential oils or other scented products. If a classroom has a student or staff member that is sensitive, that classroom should not use these products. Please talk to the school nurse if you are unsure if a student is sensitive to these products.

The school district has created a limited open forum for secondary students to conduct non curriculum-related meetings during non instructional time. The school district will not discriminate against or deny equal access or a fair opportunity on the basis of the religious, political, philosophical, or other content of the speech at such meetings. These limited open forum meetings will be voluntary and student initiated; will not be sponsored by school employees or agents; employees or agents of the school will be present at religious meetings only in a non participatory capacity; the meetings will not interfere with the orderly conduct of educational activities within the school; and nonschool persons will not direct, control, or regularly attend activities of student groups. All meetings under this provision must follow the procedures established by the school district.

Health Information

First Aid

The nurse's office in each building is equipped to handle minor injuries requiring first aid. If the nurse's office is not open, assistance can be sought from the building's administrative office. If a student experiences a more serious medical emergency at school, 911 will be called and/or a parent/guardian will be contacted depending on the situation.

The district has installed automated external defibrillators (AEDs). Tampering with any AED is prohibited and may result in discipline.

Communicable Diseases

To protect other students from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. If a parent or guardian suspects that his/her child has a communicable or contagious disease, the parent or guardian should contact the school nurse or principal so that other students who might have been exposed to the disease can be alerted.

Students with certain communicable diseases will not be excluded from attending school in their usual daily attendance settings as long as their health permits and their attendance does not create a significant risk of transmitting the illness to other students or school district employees. The school district will determine on a case-by-case basis whether a contagious student's attendance creates a significant risk of transmitting the illness to others.

Immunizations

All students must provide proof of immunization or submit appropriate documentation exempting them from such immunizations in order to enroll or remain enrolled. Students may be exempted from the immunization requirement when the immunization of the student is contraindicated for medical reasons; laboratory confirmation of adequate immunity exists; or due to the conscientiously held beliefs of the parents/guardians or student. The school district will maintain a file containing the immunization records for each student in attendance at the school district for at least five years after the student reaches the age of 18. For a copy of the immunization schedule or to obtain an exemption form or information, contact the School Nurse in the MS/HS Office.

Medications at School During the School Day

The school district acknowledges that some students may require prescribed drugs or medication during the school day. The administration of prescription medication or drugs at school requires a completed signed request from the student's parent. An "Administering Prescription Medications" form must be completed once a year and/or when a change in the prescription or requirements for administration occurs. Prescription medications must be brought to school in the original container labeled for the student by a pharmacist, and must be administered in a manner consistent with the instructions on the label. Prescription medications are not to be carried by the student, but will be left with the appropriate school personnel. Exceptions that may be allowed include: prescription asthma medications administered with an inhaler pursuant to school district policy and procedures, medications administered as noted in a written agreement between the school district and parent or as specified in an Individualized Education Program (IEP), a plan developed under Section 504

[Table of Contents](#)

of the Rehabilitation Act (section 504 Plan), or an individual health plan (IHP). Marijuana is not allowed on school property even if prescribed. The school district is to be notified of any change in administration of a student's prescription medication.

Seizure Action Plan

When a parent or guardian notifies the school district that a student has a diagnosed seizure disorder and has seizure rescue medication or medication prescribed by the student's licensed health care provider to treat seizure disorder symptoms, the school district will create an individualized seizure action plan.

Suicide Prevention Information

Le Sueur-Henderson school district issues identification cards to students in middle and high school, which provide contact information for the National Suicide Prevention Lifeline (1-800-273-8255) and Crisis LifeLine (988 LifeLine), the Crisis Text line (741741), and the Le Sueur County Mobile Crisis Services (1-877-399-3040).

Video and Audio Recording

School Buses

All school buses used by the school district may be equipped for the placement and operation of a video camera. The school district will post a notice in a conspicuous location informing students that their conversations or actions may be recorded. The school district may use a video recording of the actions of student passengers as evidence in any disciplinary action arising from the students' misconduct on the bus.

Places Other Than Buses

The school district buildings and grounds may be equipped with video cameras. Video surveillance may occur in any school district building or on any school district property.

Visitors

To ensure the safety of those in the school and to avoid disruption to the learning environment, all visitors must report directly to the school office upon entering the building, with the exception of events open to the public.

During the school day, visitors will be asked to present a government-issued ID, such as a driver's license or passport, which will be scanned into the system. The Raptor system will then conduct an on-the-spot background check against the national sex-offender database. Once entry is approved, a sticker badge will be issued and will be required to wear (must be visible) while in the building. The system does not create a copy of the ID. The Raptor scanner collects the ID photo, name, date of birth, and the last four digits of the license number.

Visitors must have the approval of the principal before visiting a classroom during instructional time.

An individual or group may be denied permission to visit a school or school property or such permission may be revoked if the visitor(s) does not comply with the school district

Table of Contents

procedures and regulations or if the visit is not in the best interest of students, employees or the school district. **All visitors will both register and check out in the school office.**

We value and encourage parental involvement. We also encourage parent visits to school, especially for special events such as concerts, conferences, open house, and sporting events, and also for volunteering opportunities. In the interest of assuring student safety and minimizing disruptions to the educational process, visitors who plan to come in during the student day (8:10 AM-3:08 PM) must abide by the following guidelines:

1. Parents are welcome to visit the counseling or administrative offices at any time during the school day, but appointments are advised.
2. Notify the school office at least 24 hours in advance if you wish to visit a classroom.
3. Classroom visits for parent-teacher conferencing will not be permitted. Teacher conferences need to be scheduled for before 8:10 AM or after 3:08 PM.
4. Please do not bring others, especially young children, on your visit.
5. Classroom visitation will only be permitted for classes in which your child is enrolled and presently attending.
6. Actions or demonstrations that draw attention or disrupt the class in any way are prohibited.
7. Visitors will not audiotape, record video or take photographs during the class without prior permission from the principal.
8. The names of students shall not be mentioned by the visitor when publicly discussing anything observed during the visit.
9. If a parent requests a visit to his or her school and custody of the child is an issue, the principal will abide by existing legal agreements.
10. School administrators have the discretion to adopt or enforce more specific and/or restrictive rules governing visits to school buildings.

Students enrolled in other school districts may not attend LSH Middle and High School during the academic day. They are welcome to attend extra curricular activities and must follow the guest procedures outlined for all school dances.

Weather Emergencies

School cancellations or emergency late starts will be announced through the school notification system and on radio stations KEEZ (Z99) 99.1 FM; KYSM 103.5 FM; KRBI 105.5 FM; KMKO 95.7 FM (all are Three Eagles Radio Stations in Mankato); KCHK New Prague 103.5 AM, 95.5 FM and TV stations WCCO Channel 4, KSTP Channel 5, KMSP Channel 9, KARE Channel 11 and KEYC Channel 12. Please use these notification systems, rather than calling the school. It is important our lines are available for emergency calls. In most instances, if there is an emergency school closing or if school is closed due to inclement weather, all co-curricular practices, games, or events will be canceled or postponed. Exceptions to this policy may occur if conditions improve throughout the day and travel is deemed safe for games and/or practices. A final decision on participation in Activities during emergency closing situations will be made by the Superintendent, Activities Director, Building Principal, and Director of Transportation.

Food Deliveries & Forgotten Lunches

To ensure campus safety and minimize disruptions to the learning environment, commercial food deliveries for students (via parents, friends, apps like DoorDash, UberEats, and Grubhub) or deliveries from local restaurants are strictly prohibited during the school day. Any such delivery brought to the main office will be turned away or held until the final bell.

Forgotten Lunches: We understand that mornings can be hectic. If a student forgets their lunch at home, a parent or guardian may drop it off at the main office.

- It is the student's responsibility to check the office for their lunch during their designated mealtime.
- Classes will not be interrupted, and pages will not be made for lunch pickups.

Alternatively, students can always obtain a meal through our school cafeteria program. Thank you for helping us keep our building secure and our focus on learning.

Notification of Account Status

- A. Food account balances are posted to the Infinite Campus Parent Portal daily for families to review.
- B. The parent/guardian will be notified when any of their children's accounts are \$5.00 or less according to the following procedures.
 - a. Middle / High School
 - i. Once a student's balance becomes \$5.00 or less, email notification will be sent to the parent/guardian contact by the Food Service Director.
 - ii. If the account becomes below \$0, an email and letter will be sent home by the Food Service Director.
 - iii. When the balance is -\$15.00, a phone call to parent/guardian will be made by the food service director. Students will not be allowed to take items beyond a single reimbursable meal.
 - iv. When the balance is at -\$30.00, the Building principal or designee will meet with the family.
- C. Families using Non-Sufficient Fund Checks to replenish their lunch accounts will be charged \$15.00 for collection charges.
- D. At the end of the year, significant negative accounts (below -\$50) for Food Service Fund Balances and/or unreturned or damaged school district property will be sent to collections after attempts have been made to contact parents/guardians.

School Nurse

A certified school nurse is in the district during the school day to provide health services for all students and staff. A diagnosis of any illness is not made by the nurse. Health services include: (1) first aid, (2) hearing and vision screening, (3) limited classroom teaching, (4) individual student/family health counseling, (5) scoliosis screening, (6) keeping of health records on each child, and (7) a resource for teachers.

If a student becomes ill at school, the student is required to report to the nurse's office. The parent or guardian, or a person designated by the parent or guardian is called by the school nurse. It is the parent's responsibility to take the student home. In case of an accident, first aid will be administered and the parent or guardian will be called. If the student needs further treatment, it is the responsibility of the parent or guardian to

[Table of Contents](#)

transport the student to the doctor. In the event that a parent or guardian cannot be reached, the school will contact the physician listed on the student information form or make whatever arrangements necessary to provide health service to the child.

It is very important to update the student information form for each of your students each Fall, so we have the most current information should illness or an accident occur during the school day. If any changes occur during the year please contact the school secretary with a new address, phone number, work phone, neighbor contact, etc.

Illnesses

Students not feeling well must report to the nurse's office. Students calling a parent/guardian for pickup from school prior to seeing the school nurse will receive an unexcused absence. When your child is ill, please call the school daily to report the illness. If we call because your child has become ill, arrangements are expected to be made for your child to be picked up within an hour.

Many students and parents are concerned about when students should stay home or attend school. The following information is intended to help with this decision:

- Students with a fever of 100 degrees or more are expected to stay home for 24 hours after the temperature returns to normal without medication.
- If the student has vomited or had diarrhea, he/she is expected to stay home until 24 hours after the last episode.
- If the student has any rash that may be disease-related or the cause is unknown, check with your health care provider before sending him/her to school.
- If the student has open/draining skin sores, or inflamed/draining eyes or ears the student should stay home until seen by your healthcare provider.

Library Media Center

The Library Media Center (LMC) serves as an instructional facility for all students and staff. It is here that the critical skills of information gathering, analyzing, and evaluating are practiced and reinforced. Students may use the library/media center during the school day and before and after school only when a supervisor is present.

[Table of Contents](#)

The resources of the LMC are made available to all students. Students, in turn, are expected to demonstrate proper care of the materials, equipment and facilities. This includes sharing resources with others by returning them when due. Students will be charged fees for lost or damaged materials.

Use of the Library/Media Center (LMC)

The library is a place for quiet study. Students using the center must not interfere with others working there. No food or pop is allowed in the library or the computer labs. Students are expected to come to the center prepared.

Grades 6-8 Procedure: Teachers will take their students to the LMC during classes and stay with them while they are in the LMC.

Grades 9-12 Procedure: To use the LMC during study hall, students must follow the pass system requirements to obtain a pass from the academic teacher who assigned the materials being worked on. No more than 5 students from any one study hall will be allowed to use the LMC during any given class period. Classroom teachers will accompany their students to the LMC and stay with them if more than 5 students need to use the LMC. Students who are taking online courses will not be allowed to use the LMC unless appropriate technology/resources are unable to be provided in their designated school location.

Penalty for Misuse

Students who do not behave in a responsible manner will not be allowed to use the LMC for a time determined by the teacher and Assistant Principal/Dean of Students or Principal.

STUDENT CONDUCT

Misbehavior by one student can disrupt the learning process for many other students. In addition, students must learn to practice good safety habits, value academic honesty, respect the rights of others, and obey the law. For detailed information on the Student Code of Conduct and consequences for violations, see the "Student Discipline" Policy 506 (Appendix 5).

LSH recognizes that cell phones and personal devices can serve an educational purpose. Students are reminded that having a cell phone and/or personal device in your possession is a privilege at LSH MS/HS. It is the responsibility of the student to be aware of cell phone and personal device (including wearable technology) expectations.

Refusal to show the contents may result in the student not being allowed to bring the phone to school for the rest of the year.*

The use of electronic and/or personal devices or other objects, which cause distractions to the educational environment; making, distributing or posting recordings, either audio or video, of any school activities, classroom, or school employee without prior approval of a building administrator; and the use of personal devices in locker rooms, as well as, classrooms or other areas requiring a private, secure, or distraction-free setting are examples of unacceptable behavior subject to disciplinary action by the school. A bullying report form has been established in an ongoing effort to maintain a safe learning environment. The purpose of the form is to provide students and parents with a simple way to report unsafe situations. Students can still share any concerns they might have with school staff. The Bullying Report Form is one more option students and parents have to help keep schools safe and communicate with district administrators.

Food and Beverages

Parents and/or students are not allowed to schedule an outside vendor to deliver food to the school (ie. Pizza, Door Dash).

In an effort to maintain high quality school facilities, **food and beverages may not be consumed in classrooms, other instructional areas, or hallways** (Ex. fine arts and physical education areas). Students are allowed to carry a water bottle in instructional areas of LS-H Middle/High School. Food and beverage purchased from Food Service may be consumed in the commons or near a second chance breakfast location. Only a principal may grant an exception to the food and beverage policy stated above. Students with special health needs may possess and consume food and/or beverages by arrangement through the health office.

over to appropriate staff. If this is done accordingly, no consequences will be considered. These items will be confiscated and must be picked up by a parent. Repeated violations of this policy will be considered insubordination and will be subject to further disciplinary consequences.

Pictures/Video/Audio Recordings

Students shall not photograph or record other individuals at school or at school sponsored activities without their knowledge and consent, except for activities considered to be in the public arena such as sporting events or public performances. Use of cellular phones or other personal electronic devices is strictly prohibited in locker rooms and restrooms. Assuring academic integrity: Students shall not use cellular phones or other electronic devices in any way that may cause a teacher or staff member to question whether the student may be cheating on tests or academic work or violating copyright policy.

Use of cellular phones or other personal electronic devices must not violate any other district policies, including those regarding student privacy, copyright, cheating, plagiarism, civility, student code of conduct, electronic technologies acceptable use, or harassment. If a violation occurs involving more than one District policy, consequences for each policy will apply.

Technology Use

The Le Sueur-Henderson School District is committed to teaching 21st century skills. We believe that using technology for teaching and learning supports communication, collaboration, critical thinking and creativity in the classroom. LSH Schools want to ensure students develop the skills and knowledge necessary to responsibly navigate this emerging modern world. Therefore, Le Sueur-Henderson Schools has implemented a 1:1 (student to computing device) program for grades 4-12 using chromebooks to create a seamless and dynamic educational experience for students. All chromebooks are the property of Le Sueur-Henderson Schools and as a result may be seized and reviewed at any time. Students should have no expectation of privacy of materials found on the chromebook. Please review District Policy 524 and the Device Handbook for further information.

Students who are to serve detention will receive notification through their school email and/or their assigning teacher, ~~Assistant Principal Dean of Students~~, or Principal. It is the

Behaviors Defined and Consequences

The following guidelines have been established in order to help students, parents, and teachers better understand the behavioral expectations for students. The consequences are aimed at assisting students in meeting expectations. They are not, however, absolute. Each disciplinary situation that arises will be handled with the best interests of the student involved and the school as a whole in mind. Therefore, professional judgment may be used when determining what, if any, consequences are enforced in a given disciplinary situation. The principal or designee may impose or recommend longer suspensions, expulsion, or any other discipline as appropriate on a case by case basis. Definitions of violations follow the table.

Abuse of Technology

All school district students have conditional access to the school district's computer system, including Internet access, for limited educational purposes, including use of the system for classroom activities, educational research, and professional and career development. Use of the school district's system is a privilege, not a right. Unacceptable use of the school district's computer system or the Internet may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other appropriate school district policies, including, but not limited to, suspension, expulsion, or exclusion; or civil or criminal liability under other applicable laws.

A copy of the school district's "Internet, Technology, and Cell Phone Acceptable Use" policy 524 is available at www.isd2397.org.

[Table of Contents](#)

Alternative Learning Day

A designated day where students receive educational instruction in an alternative learning environment to accommodate diverse academic and behavioral needs.

Assault: Staff or Student:

Assault is committing acts of verbal and/or non verbal coercion through intimidation or threat of force. Assault and battery is committing a physical attack upon another person with the intent of causing bodily harm.

Bus Misbehavior

Safety is of prime concern for the school bus driver. A student is in violation of this rule when he/she interferes with the safe and efficient transportation of students to and from school and/or fails to accept and carry out reasonable instructions given by the bus driver. Students must remember that riding the school bus is a privilege, not a right.

Cafeteria Misconduct

Le Sueur-Henderson Middle/High School has a closed campus (Except for Seniors) and students are expected to stay in school for lunch. Students are expected to behave appropriately and cannot take food out of the Commons.

Chronic Insubordination

A persistent, repeated pattern of willful refusal by a student to follow reasonable directives, rules, or requests made by school administrators, teachers, or staff members.

Unlike a single instance of poor judgment or talking back, insubordination becomes "chronic" when it occurs repeatedly over time, demonstrating a continuous disregard for school authority and established behavioral expectations.

Cyberbullying

Cyberbullying is the act of using technology, such as the Internet or cellular phones, to bully or intimidate. Cyber bullying most often occurs outside of school; however, when the behavior causes a disruption at school and has a direct effect on school safety, students are subject to discipline. Cyber bullying includes messages intended for both students and staff members. Students who engage in cyberbullying will suffer consequences ranging from a warning to expulsion.

Disorderly Conduct

This is defined as engaging in obscene or abusive language or in boisterous and noisy conduct tending to arouse alarm or resentment in others (i.e. poor sportsmanship at athletic events, inappropriate cheers.) False fire alarms will result in an automatic five-day suspension and notification of police.

Disruptive Conduct (Classroom)

Students who are disruptive in the classroom stop their own learning process and interfere with the learning process of other students.

Dress Standards

At Le Sueur-Henderson Middle/High School, we take pride in the appearance of our students and our learning environment. Our dress reflects the quality of our school, conduct, and adhering to basic standards of dress is preparation for adhering to standards of dress in professional settings after high school. Refer to Policy 504 for a complete list of details.

Drug-Free School and Workplace

The possession or use of alcohol, controlled substances, toxic substances, medical cannabis, nonintoxicating cannabinoids, and edible cannabinoid products are prohibited at school or in any other school location before, during, or after school hours. Paraphernalia associated with controlled substances also is prohibited. The school district will discipline or take appropriate action against anyone who violates this policy.

District policy is not violated when a person brings a controlled substance that has a currently accepted medical treatment use onto a school location for personal use if the person has a physician's prescription for the substance except marijuana is not allowed on school property even if prescribed. Students who have prescriptions must comply with the school district's "Student Medication and Telehealth" policy. The school district will provide an instructional program in every elementary and secondary school on chemical abuse and the prevention of chemical dependency.

Fighting

Fighting is mutual combat in which both parties have contributed to the situation by verbal and/or physical action. Students are expected to avoid fights and to seek other non-violent means of resolving conflicts. To that end, they are expected to walk away from situations in which they are provoked if at all possible.

Harassment: Religious, Racial, and Sexual Harassment

See District 2397 Policy Against Religious, Racial and Sexual Harassment and Violence at the end of the Le Sueur-Henderson Middle/High School Parent/Student Handbook. www.isd2397.org

Hazing Prohibition

Hazing is prohibited. No student will plan, direct, encourage, aid, or engage in hazing. Students who violate this rule will be subject to disciplinary action pursuant to the school district's "Student Discipline" policy. Please see the school district's "Hazing Prohibition" [policy 526](#)

Inappropriate Use or Representation of School Logos or Branding

The use of the school's name, logos, mascots, and any other branding materials on personal social media accounts must be approved by school administration. Unauthorized use or alteration of school logos and branding that misrepresents the school is prohibited.

Insubordination

Each person, regardless of position or role at Le Sueur-Henderson Middle/High School, has the right to be treated with respect. The deliberate refusal to follow and obey the reasonable request or order of a school staff member or employee will be considered insubordination. For example, any student who refuses to give the proper name to a district employee or go to the office when directed to do so will be considered insubordinate.

Insubordination is also involved when students directly attack a staff member or employee, either physically or with words or manner including but not limited to swearing or obscene language or gestures.

[Table of Contents](#)

Leaving the Building Without a Pass

Students are not allowed to leave the building during the day without a pass from the office. This includes going out to the parking lot to retrieve books or supplies from cars. If students need to leave the building, they need to stop in the office to receive a pass. Teachers do not have authority to give students passes to leave the building.

Lunch Workshop

Students referred to Lunch Workshop for misconduct will receive/eat lunch with a designated staff member who will conduct a mini workshop directed towards the offense in which the student committed. Students are required to be present for their entire 30 minute lunch period and actively participate in the workshop in various ways. Failure to participate in the activities or adhere to the designated staff member's instructions may result in dismissal of the student with no credit for time served.

Students who skip Lunch Workshop may face additional consequences, which could include suspension. Students who have more than 3 Lunch Workshops may face further consequences up to and including suspension.

Notice of Violent Behavior by Students

The school district will give notice to teachers and other appropriate school district staff before students with a history of violent behavior are placed in their classrooms. Prior to giving this notice, district officials will inform the student's parent or guardian that the notice will be given. The student's parents/guardians have the right to review and challenge their child's records, including the data documenting the history of violent behavior.

Nuisance Objects

Nuisance devices detract from the learning environment and can be potentially dangerous. Nuisance items include but are not limited to firecrackers, water pistols, water balloons, and smoke bombs. Students cannot be in possession of these items on school grounds, at school events, or on school buses. Depending on the seriousness of the item, police may be called.

Physical Contact

Physical contact between a student and another person that is not age-appropriate or developmentally appropriate. Physical contact can be intentional or unintentional, and it may involve harm.

Physical contact includes age- or developmentally inappropriate pushing, shoving, hitting, knocking over others, playfighting, and rough housing.

Plagiarism/Cheating

Cheating and plagiarism are prohibited. The following are the most common types of plagiarism that occur in student work:

- A. Blatant plagiarism or the direct copying of another's material without acknowledging that source
- B. Plagiarizing material or using an original idea of someone else without crediting the source of the material or idea.
- C. Using artificial intelligence (AI) on assessments and/or when not approved by the teacher.

[Table of Contents](#)

To cheat is to mislead an instructor in some way so as to receive a grade for work that the student did not originate, or work performed with unauthorized aid and assistance. Providing work to another student who then claims it as his/her own is considered cheating.

Tobacco-Free Schools; Possession and Use of Tobacco, Tobacco-Related Devices, and Electronic Delivery Devices; Vaping Awareness and Prevention Instruction (Policy 419)

School district students and staff have the right to learn and work in an environment that is tobacco free. School policy is violated by any individual's use of tobacco, tobacco-related devices, or carrying or using activated electronic delivery devices in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. The district is not required to pay for the mental health screening. The purpose of this meeting is to attempt to determine the pupil's need for assessment or other services or whether the parent or guardian should have the pupil assessed or diagnosed to determine whether the pupil needs treatment for a mental health disorder.

Student Discipline (POLICY #506)

The school board recognizes that individual responsibility and mutual respect are essential components of the educational process. The school board further recognizes that nurturing the maturity of each student is of primary importance and is closely linked with the balance that must be maintained between authority and self-discipline as the individual progresses from a child's dependence on authority to the more mature behavior of self-control.

All students are entitled to learn and develop in a setting which promotes respect of self, others, and property. Proper positive discipline can only result from an environment which provides options and stresses student self-direction, decision-making, and responsibility. Schools can function effectively only with internal discipline based on mutual understanding of rights and responsibilities.

Students must conduct themselves in an appropriate manner that maintains a climate in which learning can take place. Overall decorum affects students (Some of the policies printed in the following section of this handbook are summarized. Not all district policies are referenced in this handbook. Copies of these policies in their entirety may be obtained by visiting www.isd2397.org.) attitudes and influences student behavior. Proper student conduct is necessary to facilitate the education process and to create an atmosphere conducive to high student achievement.

[Table of Contents](#)

Although this policy emphasizes the development of self-discipline, it is recognized that there are instances when it will be necessary to administer disciplinary measures. The position of the school district is that a fair and equitable district-wide student discipline policy will contribute to the quality of the student's educational experience. This discipline policy is adopted in accordance with and subject to the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.

In view of the foregoing and in accordance with Minn. Stat. § 121A.55, the school board, with the participation of school district administrators, teachers, employees, students, parents, community members, and such other individuals and organizations as appropriate, has developed this policy which governs student conduct and applies to all students of the school district.

The personal possessions of students within a school locker may be searched only when school officials have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school officials must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials.

Desks

School desks are the property of the school district. At no time does the school district relinquish its exclusive control of desks provided for the convenience of students. Inspection of the interior of desks may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant.
