PUBLIC COMMENTS - The meeting agenda includes an opportunity for comments from the audience. It is the prerogative of the Presiding Officer to recognize members of the audience who wish to address the Board during the time reserved for public comment. No discussion of individual students or personnel matters is permitted, as those items are appropriate for closed session pursuant to Section 2 (c) of the Open Meetings Act. If you have a concern regarding an individual student or a personnel issue, you are asked to bring it to the attention of the administration. In the interest of providing all visitors an equal opportunity to address the Board, comments will be limited to five (5) minutes. Those individuals needing more time should submit their thoughts in writing to the Board's recording secretary. Visitors addressing the Board need come to the podium, use the microphone, and state their full name and address because the proceedings are video recorded for later broadcasting to the community. The Board reserves the right to edit the video recordings for the purpose of excluding any public comment regarding an individual student or a personnel issue. **Per Board of Education Bylaw 0167.3, "No interviews should be conducted in the meeting room while the Board is in session." If members of the press/audience want to conduct an interview, they should wait until the conclusion of the meeting, or go out in the hallway or to another room.**
