Cemetery - Still in the process of uploading full obituaries. The directory building has been installed, seeking donations to add benches and potential flowerpots to the inside. Section signs have been ordered and received. Three security cameras have been installed around the cemetery. The first mow of the season happened last Thursday.

Golf Course- The season has started off great with nice weather. We had the Q&A session 4/5/2023 and had 12 members in attendance. The greens seem to have wintered well. The mulch did a nice job protecting them. Denise will continue to manage the club house. We are still in need of one more attendant in the club house.

Library – Busy month in April. Getting ready for Thursday clubs, Museum on the Move with Kearney Area Childrens Museum on 4/17, the Baseball hat Cricut workshop on 4/17, Homeschool Storytime on 4/20, and National Library Week on 4/23-4/30. Some of city staff will be helping with the summer reading program kick off June 1st.

Wastewater – Repairs were made to SBR #2 actuator.

Water/Sewer – Repaired water main on 7th street. Cross connection survey will be going out with Aprils Billing. In May we will then be sending out a lead service survey.

Presentations and Proclamations:

Buffalo County Sheriff Department—Captain Anderson: Captain Anderson reviewed the monthly reports. The department will have two persons graduate from the training center. He will introduce them at an upcoming meeting. Investigator Paul Koerner has been promoted to Sergeant. He has been assigned as the new supervisor of the criminal investigations unit. Once the weather permits, they will have the speed trailer in the area.

City Administrator Report—Matthew Smallcomb: Mr. Smallcomb let the council know we should get the results of the CCCFF Grant by the end of the month. BD Construction has begun site prep work for the fire hall addition. The building materials will be delivered on April 1st. The structure for the directory at the cemetery has been delivered. The cemetery board will be looking for donations for benches and flowerpots for that area. There will be signs placed at the cemetery to indicate the different sections. Mr. Smallcomb informed the council that Denise Catlin has resigned her position as the golf course clubhouse manager and administrative assistant. Denise has agreed to help until the clubhouse position is filled.

City Treasurer Report—Susan Tonniges: Ms. Tonniges updated the council on the city's financials. The financials are on track.

Gibbon Pack/American Foods Group—Nate Sego, Vice President of Operations: Mr. Sego discussed the upcoming projects at the plant. They will be moving the main entrance to the plant to the north west side of the property. They are currently waiting on the State of Nebraska Department of Roads for approval of a turning lane located on Highway 30 and Beatty Street. Trucks will be diverted to the north. This should alleviate the hazard of traffic waiting to turn on Highway 30. They will be installing an R/O water treatment system in June. In addition, they will be adding a pretreatment system for their wastewater. They will work with the city to make sure the pretreatment doesn't cause problems to the operation of the city's system. The pretreatment facility will be done in 18 to 24 months. Mr. Sego introduced Chris Johannsen, the plant's controller, and Shawn Tobler, the plant engineer.

Proposed ATV Ordinance—Council: Councilman Stall had been approached by a citizen to consider allowing ATVs to be operated on the streets in town, researched the current code and contacted Matt and Captain Anderson regarding the issue. Matt provided examples of ordinances from other city's that allow ATVs with his recommendations. The council advised Matt and Barry Hemmerling to move forward in drafting an ordinance for the next council meeting.

Our regularly scheduled weekly and monthly programs are wrapping up here at the GPL! Thursday Club, which has shown record attendance these past couple of weeks with 28 kids participating, will conclude for the school year on April 27th. This 1-hour finale's guest speaker will be Miss Gab! She will be giving a presentation on her recent trip to Japan! The community (all ages!) are welcome to attend! Other programs leading up to our Summer Reading Kick-Off include a program led by The Kearney Area Children's Museum on April 17th, a Cricut workshop featuring the hat press, Genealogy Club, book clubs, Homeschool Storytime, a Head Start night hosted here at the library and a Star Wars: May the 4th DIY light saber-making event.

Two winners were drawn for our "New Year, New You" adult reading challenge! Two lucky readers were awarded Spring Grillin' Packages, consisting of 15-pound ribeye rolls, courtesy of the Gibbon Pack, as well as seasonings and drinks! We had 65 total entries in this fun challenge that included both non-fiction and novels. Our reading challenges in the Children's Library are still ongoing. We have had amazing participation among elementary-age kids! Both youth chapter book challenges end on April 27th.

There is so much happening here at the library! Be sure to watch The Clipper and our Facebook page for more information! Better yet, stop in today!

The Board will meet again on May 9th at 5:00 p.m. All are welcome to attend.

Thank you for your continued support!

MINUTES

CEMETERY BOARD MEETING

April 13, 2023

CITY HALL

5:00 p.m.

Present: Lee Vohland, Joan Hemmerling, Nicole Schuster, Heather Smallcomb, Karl Borden, Melody Rockefeller, Dustin Eutsler, and Pam Rasmussen.

Lee Vohland called the meeting to order at 5:00 p.m. at City Hall and advised those present of the Open Meetings Act and the board abides by it when conducting business.

The Board reviewed the Minutes from the March 2023 meeting. Joan Hemmerling made a motion to approve the minutes. Karl Borden seconded the motion. Motion carried.

The Board reviewed the bills. Heather Smallcomb motioned to approve the bills. Melody Rockefeller seconded the motion. Motion carried.

Dustin Eutsler went over the new signs and their placement at the cemetery. He showed the board one of the signs and explained how they would be placed on a post to see both sides. Much like a street sign. He let the Board know Mike Stalder began working on Monday for the summer.

Pam Rasmussen has a request from the Mercer family about putting several names on a headstone. They would purchase a lot and place a headstone and would like to put names and birth/death dates on it however there would not be any burials in the cemetery as they would choose a different method of burial but would want the record at the cemetery and on the headstone. After some discussion Karl Borden motioned to approve Mercers request to allow several names on a headstone, seconded by Melody Rockefeller. Motion carried.

Pam Rasmussen let the Board know there have been security cameras placed at the cemetery.

Dustin Eutsler asked the Board about getting flags for all branches of the military to place in a half circle around the large American flag near the speaker stand. The Board agreed that would be a nice addition to the area. He will look into it after Memorial Day as it wont get done prior to that.

Dustin Eutsler is working on getting the road back into shape and will have graveled prior to Memorial Day. He also let the Board know the water is on and the system is working.

With no other business Lee Vohland adjourned the meeting at 5:19 p.m. The next regular Board meeting will be May11, 2023 @ 5:00 p.m. at the City Hall.

City Hall has received several calls from concerned citizens regarding the intersection of 8th and Pine Streets. With the change in the school drop off and pick up points from the east to the west side of the building, traffic (and speed) has increased tremendously. We would propose making this intersection a 3-Way Stop as shown below.
