EXCERPT FROM THE CITY OF GIBBON'S ZONING REGULATIONS

8.8 FENCE REGULATIONS: Fences, Walls and Hedges: Notwithstanding other provisions of this ordinance, fences, walls and hedges may be permitted in any required yard, provided that no fence, wall or hedge along the sides or front edge of any front yard shall be over three and one half (3 ½) feet in height. Additionally, on a corner lot in a Residential District, a sight triangle shall be provided such that nothing shall be erected, placed, planted, or allowed to grow in such a manner as to materially impede vision between a height of two and one half (2 ½) feet and ten (10) feet above the centerline grades of the intersecting streets. In conformance with the diagram on the following page. The following regulations shall apply to the construction of fences.

1. No solid fence shall be constructed closer to the street than the property line.
2. No fence erected in a required front yard shall materially obstruct public view. Permitted types of fences shall include split rail, chain link, or other similar material. No component of a front yard fence shall exceed three and one half (3 ½) feet in height, nor shall any structural member exceed thirty-six (36) inches in cross-sectional area.
3. No fence shall be constructed which will constitute a traffic hazard as identified in the site triangle of a corner lot (see above).
4. No fence shall be constructed in such a manner or be of such design as to be hazardous or dangerous to persons or animals by intent of its construction or by inadequate maintenance.
5. No component of a fence within Residential Districts, except fences erected upon public or parochial school grounds or in public parks and in public playgrounds, shall be constructed of a height greater than six (6) feet.
6. All fences shall conform to the construction standards of the building code and other applicable ordinances and resolutions.
7. In commercial and industrial districts, maximum height of fences shall be eight (8) feet. When industry standards for certain types of businesses require fences of greater heights, the Zoning Administrator at his direction, may allow greater heights.
8. All fences constructed in the City of Gibbon shall comply with the provision of this section and obtain a building permit.
9. The good side of fence shall face to the outside of the property.
10. All outdoor swimming pools shall be enclosed by a fence or wall at least six (6) feet, but not more than eight (8) feet in height with a gate or gates which can be securely locked.

EXCERPT FROM THE CITY OF GIBBON'S ZONING REGULATIONS

8.8 FENCE REGULATIONS: Fences, Walls and Hedges: Notwithstanding other provisions of this ordinance, fences, walls and hedges may be permitted in any required yard, provided that no fence, wall or hedge along the sides or front edge of any front yard shall be over three and one half (3 1/2) feet in height. Additionally, on a corner lot in a Residential District, a sight triangle shall be provided such that nothing shall be erected, placed, planted, or allowed to grow in such a manner as to materially impede vision between a height of two and one half (2 1/2) feet and ten (10) feet above the centerline grades of the intersecting streets, in conformance with the diagram on the following page. The following regulations shall apply to the construction of fences.

1. No solid fence shall be constructed closer to the street than the property line.
2. No fence erected in a required front yard shall materially obstruct public view. Permitted types of fences shall include split rail, chain link, or other similar material. No component of a front yard fence shall exceed three and one half (3 1/2) feet in height, nor shall any structural member exceed thirty-six (36) inches in cross-sectional area.
3. No fence shall be constructed which will constitute a traffic hazard as identified in the site triangle of a corner lot (see above).
4. No fence shall be constructed in such a manner or be of such design as to be hazardous or dangerous to persons or animals by intent of its construction or by inadequate maintenance.
5. No component of a fence within Residential Districts, except fences erected upon public or parochial school grounds or in public parks and in public playgrounds, shall be constructed of a height greater than six (6) feet.
6. All fences shall conform to the construction standards of the building code and other applicable ordinances and resolutions.
7. In commercial and industrial districts, maximum height of fences shall be eight (8) feet. When industry standards for certain types of businesses require fences of greater heights, the Zoning Administrator at his direction, may allow greater heights.
8. All fences constructed in the City of Gibbon shall comply with the provision of this section and obtain a building permit.
9. The good side of fence shall face to the outside of the property.
10. All outdoor swimming pools shall be enclosed by a fence or wall at least six (6) feet, but not more than eight (8) feet in height with a gate or gates which can be securely locked.
