2

2020-21 Superintendent Goals

Safe Learning

- The Superintendent will place student learning and social and emotional wellness at center of decisions.
- The Superintendent will provide a safe learning environment in accordance with the Governor's School Planning Guidance
- The Superintendent will consistently take into account the health and wellness of students and staff.

Leadership

- The Superintendent will develop relationships to increase and sustain effective collaboration with staff and community partners
- The Superintendent will expand opportunities for communication and engagement of students and families to best meet their needs

Advocacy

- The Superintendent will advocate for our educational needs to our City, County, State and Federal Representatives.

Finance and Operations

- The Superintendent will ensure that the mission of the school district is reflected in the budget decision making.

Superintendent and Board Relations

- The Superintendent will form relationships with board members to provide timely and informative communications.

2020-21 School Board Goals

Safe Learning

- The School Board will place student learning and social and emotional wellness at center of decisions.
- The School Board will support the Superintendent in providing a safe learning environment in accordance with the Governor's School Planning Guidance
- The School Board will support the Superintendent to consistently take into account the health and wellness of students and staff.

Leadership

- School board members will strive to attend MSBA, MREA, and SEE offerings to broaden their base of knowledge.
- School board members will provide effective, two-way communication through digital formats or person to person dialogue.

Advocacy

- Each school board member will advocate our educational needs to our state and federal representatives.

Finance and Operations

- The School Board will ensure that the mission of the school district is reflected in the budget decision making.

Superintendent and Board Relations

- School Board members will form relationships with the superintendent to serve district constituents by following the MSBA governance model.
