VIII. **Informational Items**

VIII.1. Special Education in EMSD #37 Part I: Introduction to Special Education Services and Programs

Dr. Swanson introduced the first in a three-part series of informational sessions designed to provide a comprehensive overview of the district's Special Education department. This first session focused on the foundational "4 Pillars" of special education as defined by the Individuals with Disabilities Education Act.

The 4 Pillars of Special Education:

FAPE (Free and Appropriate Public Education): Ensuring all students with disabilities receive services at no cost to parents, tailored to their unique needs to ensure meaningful progress.

IEP (Individualized Education Program): A legally binding document that outlines a student's present levels of performance, specific goals, required accommodations, and necessary educational placements.

SDI (Specially Designed Instruction): Adapting the content, methodology, or delivery of instruction to meet the individual needs of a child and close the gap created by their disability.

LRE (Least Restrictive Environment): The principle that students with disabilities should be educated with their non-disabled peers to the maximum extent possible. The district noted that 57.6% of its students with IEPs are currently in the "01 Setting," meaning they spend 80% or more of their day in general education classrooms.

The IEP Process and Demographics:

The school psychologist detailed the referral process, noting that referrals can come

from parents or Site Intervention Teams.

The district serves 524 students with IEPs.

The largest disability categories served are Specific Learning Disabilities (23.7%), Speech & Language (19.1%), and Autism (17%).

Eligibility is reviewed every three years, while IEP goals are reviewed and updated annually.

District-Level Specialized Programs:

Structured Learning Classrooms (SLC): These classrooms use the TEACCH model to serve students with diverse cognitive and communication needs, often using visual schedules and AAC devices to build independence in a highly predictable routine.

Success Classrooms: Focused on students whose primary barrier to learning is social-emotional or behavioral, these rooms utilize restorative practices and a high-intensity behavior level system.

Life Skills Program: This program focuses on essential academic and vocational skills, such as the "Gator Grill" and "Gator Bites" projects. The Board was informed of an upcoming name change for this program to avoid stereotypes and better align with its academic and independence-focused purpose.

Dr. Swanson concluded by highlighting the ongoing partnership with Effective School Solutions to support students dealing with trauma and announced that future sessions will cover out-of-district partners and co-teaching models.

IX.3. Redistricting Update

IX.3.a. Ridgewood Facilities Presentation

Bob Schultz, Director of Maintenance, provided a detailed overview of the internal facility upgrades scheduled for Ridgewood Elementary to support the redistricting plan and the return of 5th-grade students. The project focuses on modernizing learning spaces, improving safety, and optimizing the building's layout for increased student occupancy.

Corridor Modernization and Branding:

Green Corridor (Ridgewood West): Formerly Glenview North, this wing will receive new flooring after asbestos abatement, new student lockers that will be lower to the ground for younger students, and a full floor-to-ceiling refresh using school colors and branding.

Blue and Beige Corridors: These areas will be refreshed with new paint, wall finishes, and consistent branding elements to improve the overall appearance without major structural changes.

Reconfigured Learning and Support Spaces:

Classrooms: Two classrooms are currently split classrooms will have partial walls removed to restore them to full-sized, flexible learning environments with updated flooring and casework.

Kindergarten Wing: The four classrooms at the end of the beige hallway will receive new flooring and paint touch-ups.

Nurse and Administrative Offices: The nurse's office will be expanded and reconfigured for better flow and privacy. Additionally, a classroom across from the current office will be converted into a new reception area and two principal offices to accommodate more support staff.

Staff Lounge: A new dedicated staff lounge will be created from an existing classroom, featuring a kitchenette and designated workspaces.

Gymnasium and Shared Spaces: The North Gymnasium will undergo a complete strip and floor refinishing, including new lines and the school logo. New bleacher seating will be installed to match the school's branding colors. Building entrances will be updated with epoxy flooring and refurbished exterior

doors.

Critical Safety and Infrastructure Upgrades:

Security Doors: The district is mirroring the security model at Wells Elementary by installing security-style doors with magnetic locks (mag-locks) throughout the corridors. This allows the office to initiate a full building lockdown with a single button press.

HVAC and Systems: The project includes significant upgrades to HVAC, electrical, and data systems, particularly in the reconfigured office and support areas.

Site Drainage: Major improvements to the site's drainage systems have been designed to manage water mitigation effectively before the new playground surfacing is installed.

IX.3.b. Ridgewood Playground Committee Presentation

The Playground Committee presented a comprehensive design for an inclusive playground at Ridgewood Elementary, rooted in the vision of "universal belonging" for every student regardless of ability. The project moved from vision to reality through a collaborative process in early 2026 that incorporated feedback from staff, families, and students.

Surface Preferences: Survey results showed a strong preference for synthetic turf over grass and a solid soft surface under equipment for maximum fall protection.

Vegetation: The majority of stakeholders agreed to remove an existing tree to improve play flow, with plans to possibly replant elsewhere on the site.

Student Choice: Students were given a voice in the project by voting on the color palette; they officially selected "Castle Rock," a scheme featuring blue, red, beige, and azure accents.

Curriculum Integration: As part of a science unit, first graders designed custom shade options that were incorporated into the final playground layout.

Age-Specific Play Zones: K-2 Focus: Highlights include an 8-foot climber, a "virtual tunnel" for exploration, monkey bars, a ball toss game, and traditional swings.

3-5 Focus: This zone features a more challenging 9-foot slide and open-sightline climbers to ensure visibility and safety for older students.

Inclusivity and Accessibility Features:

Communication Boards: Large sensory boards allow non-verbal or multilingual students to communicate basic wants and needs while playing.

Calming Areas: Dedicated "calming zones" provide a quiet space for students who may become overstimulated or anxious.

Physical Access: The design includes sensory ramp walls, rockers, and swing chairs to accommodate students with physical disabilities or visual impairments.

Multiculturalism: Welcoming signage will be displayed in multiple languages to reflect the diversity of the student body.

Advanced Safety and Technology:

T°Cool Turf System: Ridgewood will utilize a patented antimicrobial turf cooling infill that works through evaporative cooling (similar to perspiration) to reduce surface temperatures by up to 50°F on sunny days.

Walking Track: A concrete walking track will circle the perimeter of the playground to encourage movement for individuals of all abilities.

Security: The site will include three pole lights equipped with cameras, P.A. speakers, and a full intercom system to ensure staff can manage the area effectively.

PRESS Bundles

Each bundle summarizes the global reasons for changes to all materials that are listed.

Specific details about how each piece of material changed, e.g., legislation, administrative rules, **PRESS** Advisory Board feedback, quality assurance, five-year review items, etc., are explained in numerical order in the **Revisions to Policies, Administrative Procedures, and Exhibits** table (Revisions Table) beginning on p. 6.

Please spend time reviewing the **PRESS** Online Committee Worksheets for these materials, which will provide further, more on-the-spot detailed explanations in the footnotes, along with added comment boxes by the **PRESS** Editors when necessary.

Open Meetings Act and Freedom of Information Act

During the veto session, the 104th General Assembly passed legislation that amended the Open Meetings Act (OMA) and the Freedom of Information Act (FOIA). Public Act 104-438 adds “performance of active military duty as a service member” to the reasons a board member may attend a meeting remotely under OMA, and it prohibits boards from holding regular or special meetings on election days. P.A. 104-438 also adds “regional” to the types of association representatives that a public body can meet with in closed session to discuss self-evaluation, practices and procedures, or professional ethics. However, as we explained in the **PRESS** Issue 120 Update Memo, IASB is advocating for trailer bills (House Bill 4176 and Senate Bill 2715) that would remove or amend “regional” based on IASB’s concerns about ambiguity and legal risk, potential governance conflicts, and a lack of any demonstrated need for the expansion of this exception. Because we anticipate that this closed meeting exception could be amended again, this specific change is not reflected in the materials updated for this issue.

FOIA was amended by P.A. 104-438 in response to concerns about cyberattacks and requests generated by artificial intelligence. It now requires requesters to: (1) put their requests in the body of an email rather than in attachments, and (2) verify they are a person if a district has reason to believe they are not a person and requests the verification.

The following **PRESS** materials are updated in response to this legislation:

- 2:140-E, Guidance for Board Member Communications, Including Email Use
- 2:200, Types of School Board Meetings
- 2:220, School Board Meeting Procedure
- 2:250, Access to District Public Records
- 2:250-AP1, Access to and Copying of District Public Records
- 2:250-AP2, Protocols for Record Preservation and Development of Retention Schedules
- 2:250-E2, Immediately Available District Public Records and Web-Posted Reports and Records

Personnel

In response to concerns regarding the impact of federal immigration enforcement on employment, the General Assembly passed P.A. 104-455 during the veto session. It adds protections for employees if their employer receives a *no match* letter from a federal agency regarding a discrepancy in the individual’s identifying documents. Districts should consult their legal counsel if they receive such a letter to ensure compliance with the new requirements.

Also in the area of personnel, P.A. 104-259, effective 6-1-26, creates a new unpaid leave entitlement for employees whose child is a patient in a neonatal intensive care unit. This leave is in addition to leave that may also be available to employees under the federal Family and Medical Leave Act.

PRESS Terminology

What are the meanings of the “AP” and “E” after certain policy numbers?

The **PRESS Policy Reference Manual (PRM)** is an encyclopedia of sample board policies, administrative procedures, and exhibits. They are all in numerical order for easy reference. **PRESS** recommends that local school districts maintain separate board policy and administrative procedure manuals to help distinguish for the board, staff, students, parents, and community members, the distinction between board documents and staff documents, board work, and staff work.

Policy. The board develops policies with input from various sources like district administrators, the board attorney, and **PRESS** materials. The board then formally adopts the policies, often after more than one consideration.

After adoption by the board, each policy should have an adoption date.

Administrative Procedures. Administrative procedures are developed by the superintendent, administrators, and/or other district staff members. The staff develops the procedures that guide implementation of the policies. Administrative procedures are not adopted by the board, which allows the superintendent and staff the flexibility they need to keep the procedures current. **PRESS** sample procedures are numbered to correspond with the policies that they implement for easy reference. For example, policy 6:190’s related administrative procedure is 6:190-AP.

Administrative procedures should be dated for implementation by the administrative staff and kept separately from the board policy manual.

Exhibits. Both board policies and administrative procedures may have related exhibits. Exhibits provide information and forms intended to be helpful to the understanding or implementation of either a board policy or administrative procedure, and they do not require formal board adoption. **PRESS** sample exhibits are numbered to correspond to the related board policy or administrative procedure. For example, Board Policy 2:70 has a related exhibit numbered 2:70-E. Administrative procedure 7:340-AP1 has a related exhibit numbered 7:340-AP1, E.

Exhibits labeled with an “E” may provide guidance for board work or staff work. Those providing guidance for board work should be dated for implementation by the board. Those providing guidance for the staff should be dated for implementation by the administrative staff.

Administrative procedures exhibits, always labeled with the “AP, E” format, should be dated for implementation by the administrative staff.

The following **PRESS** materials are updated in response to these legal updates:

5:30, Hiring Process and Criteria

5:30-AP2, Investigations

5:250, Leaves of Absence

5:330, Sick Days, Vacation, Holidays, and Leaves

Student Records

In connection with the establishment of Illinois' *One Click College Admit* program, P.A. 104-15 expands the types of high school student directory information that school districts must share with military recruiters, State public institutions of higher education, and the Illinois Student Assistance Commission through a centralized data system. Beginning 7-1-26, these entities will have access to student birth dates, in addition to other directory information previously shared with them. Districts still need to provide parents/guardians with the opportunity to opt their children out of the release of this information.

The following **PRESS** materials are updated:

7:340-AP1, School Student Records

7:340-AP1, E1, Notice to Parents/Guardians and Students of Their Rights Concerning a Student's School Records

7:340-AP1, E3, Letter to Parents and Eligible Students Concerning Military Recruiters and Postsecondary Institutions Receiving Student Directory Information

Title I Parent and Family Engagement

The federal Elementary and Secondary Education Act requires each district receiving Title I funds to develop, jointly with parents and family members of participating children, a written parent and family engagement policy. 20 U.S.C. §6318. This requirement has long been met through **PRESS** sample policy 6:170, *Title I Programs*, which mandates that the superintendent or designee develop district- and school-level parent and family engagement plans. Suggested components for these plans are contained in sample exhibits 6:170-AP1, E1, *District-Level Parent and Family Engagement Plan*, and 6:170-AP1, E2, *School-Level Parent and Family Engagement Plan*, which have both been renamed to more closely align with federal statutes and guidance, as well as terminology used by the Ill. State Board of Education (ISBE). These plans are incorporated into the policy by reference.

In January 2025, the U.S. Dept. of Education issued revised non-regulatory guidance titled *Parent and Family Engagement*,

which contains a sample template for a district-wide parent engagement policy and a sample template for a school-parent compact. Sample policy 6:170, *Title I Programs*, and its accompanying materials have been updated to ensure compatibility with the sample templates in Parent and Family Engagement and for continuous improvement.

Districts receiving a Title I, Part A allocation that are required to submit proof of parent and family engagement (PFE) compliance to ISBE as part of their FY 2027 Consolidated District Plan (CDP) will need to submit their adopted policy 6:170, *Title I Programs*, and both exhibits 6:170-AP1, E1, *District-Level Parent and Family Engagement Plan*, and 6:170-AP1, E2, *School-Level Parent and Family Engagement Plan*. Please note that the plans must be customized to reflect the district's actual Title I parent and family engagement activities. At the end of March, ISBE will offer a recorded webinar on CDPs that will include additional information on Title I requirements.

The following **PRESS** materials are updated:

- 6:170, Title I Programs
- 6:170-AP1, Checklist for Development, Implementation, and Maintenance of Parent and Family Engagement Compacts for Title I Programs

<p>New Law Impacts Immigration Enforcement at Daycares</p> <p>Public Act 104-440 amended the Child Care Act to prohibit day care centers from sharing with any person, entity, or agency, the actual or perceived immigration status of a child or associated person, unless required by law. Licensed day care centers are required to adopt policies and provide training for interacting with enforcement agents and notifying parents if a law enforcement agent for civil immigration requests a child’s personally identifiable information. For any school districts managing day care centers, a policy template is provided for day care centers through the Ill. Dept. of Early Childhood at: https://idec.illinois.gov/immigration-rights/day-care-safety.html.</p>	<p>No PRESS materials are affected.</p>
<p>U.S. Dept. Of Education Releases Updated Guidance on Prayer and Religious Expression in Schools</p> <p>In February 2026, the U.S. Dept. of Education issued an updated version of its guidance, <i>Constitutionally Protected Prayer and Religious Expression in Public Elementary and Secondary Schools</i>, available at: 2026-guidance-constitutionally-protected-prayer-and-religious-expression-public-elementary-and-secondary-schools-113182.pdf. The guidance states that public school employees can engage in visible, personal prayer, even if students voluntarily participate in the prayer. However, school officials and employees cannot deliver prayers on behalf of the school or in situations where students are unable to opt out. Districts should consult their board attorneys if they have questions about the impact of this updated guidance on their current practices.</p>	<p>Affected PRESS materials, including sample policies 6:70, <i>Teaching About Religions</i>, 7:130, <i>Student Rights and Responsibilities</i>, and 7:330, <i>Student Use of Buildings - Equal Access</i>, will be updated in a future PRESS issue.</p>
<p>Duplicate Citations for 105 ILCS 5/22-105 Will Be Addressed in General Revisory Bill</p> <p>Senate Bill 3731 has been filed in part to fix duplicate citations to 105 ILCS 5/22-105. The change in numbering will occur in the <i>Safe Schools For All Act</i>, which is proposed to change to 105 ILCS 5/22-106. Instances of this citation for the <i>Safe Schools for All Act</i> within the materials for Issue 121 include the phrase “(final citation pending).”</p>	<p>Affected PRESS materials, including sample policy 6:145, <i>Migrant Students</i>, and materials in the 7:150 suite, will be updated in the fall issue.</p>

School Board

Administrative Procedure - Superintendent Committees

The Superintendent or designee creates Superintendent or administrative committees as deemed necessary, makes all appointments, and directs all activities. A Superintendent or administrative committee reports directly to the Superintendent or designated administrator ~~who directs its activities~~. The Superintendent or designee should consult the Board Attorney (a) concerning whether any of these committees must comply with the Open Meetings Act (OMA), and/or (b) to receive guidance for ensuring that the meetings either comply with OMA requirements or do not trigger OMA.¹ Unless otherwise indicated, the ~~listed following~~ Superintendent or administrative committees are optional.

Communicable and Chronic Infectious Disease Program Task Force

This task force assists in the development and review of a chronic and infectious disease program consistent with the District's policies and State and federal laws and regulations, and reports directly to the Superintendent or designee. Appointments are made to the task force only if the Superintendent or designee determines that its input is desirable. See Board policies 5:40, *Communicable and Chronic Infectious Disease* (addressing personnel); and 7:280, *Communicable and Chronic Infectious Disease* (addressing students).

Task force members include the Superintendent or designee, the District medical advisor, a school nurse, and representatives from the School Board, local health department, PTA or PTO, the professional staff, and other employee groups.

Communicable and Chronic Infectious Disease Review Team

This review team ~~assists with the implementation of the chronic and infectious disease program developed by the Communicable and Chronic Infectious Disease Program Task Force~~. It monitors those employees and students who have a communicable and chronic infectious disease, and:

1. Reviews individual medical case histories.
2. Recommends the most appropriate educational setting for a student, which may include temporary removal from and return to the regular educational setting.
3. Recommends the most appropriate work setting for an employee; this may include retention in his/her present position, transfer to another position, or temporary excusal from or return to his/her work assignment.

The footnotes should be removed before the material is used.

¹ Superintendent and administrative committees are generally not governed by the Open Meetings Act (OMA), but the operation and function of specific committees may make the Act applicable. For example, any committee, whether superintendent or board, having as members at least a majority of the quorum (three out of seven) of the board, will be subject to OMA. 5 ILCS 120/1.02. For a five-member board, OMA is applicable when a quorum of board members (three out of five) sit on a committee. *Id.* Other factors that determine whether a committee is governed by OMA include "who appoints the members of the entity, the formality of their appointment, and whether they are paid for their tenure; the entity's assigned duties, including duties reflected in the entity's by-laws or authorizing statute; whether its role is solely advisory or whether it also has a deliberative or investigative function; whether the entity is subject to government control or otherwise accountable to any public body; whether the group has a budget; its place within the larger organization or institution of which it is a part; and the impact of decisions or recommendations that the group makes." *Univ. Prof'ls v. Stukel*, 344 Ill.App.3d 856, 865 (1st Dist. 2003).

Team members may include the District’s medical advisor, a school nurse, the Building Principal, and the Superintendent or designee.²

The review team is guided by the Board’s policies, Ill. Dept. of Public Health (IDPH) rules and regulations, and all other applicable State and federal laws. ~~It reports directly to the Superintendent or designee.~~ See also Board policies 5:40, *Communicable and Chronic Infectious Disease*; and 7:280, *Communicable and Chronic Infectious Disease*. The review team consults the employee’s or the student’s personal physician and local health department officials before making any recommendations.

The Communicable and Chronic Infectious Disease Review Team respects the privacy rights of each employee and student and takes such precautions as may be necessary to secure confidentiality.

Anaphylaxis Prevention, Response, and Management Committee

This committee develops and implements the District’s Anaphylaxis Prevention, Response, and Management Program ~~and reports directly to the Superintendent or designee.~~ It monitors the program and establishes a schedule to ensure the Superintendent reports on the program’s effectiveness to the Board at least once every three years. See Board policy 7:285, *Anaphylaxis Prevention, Response, and Management Program*, and administrative procedure 7:285-AP, *Anaphylaxis Prevention, Response, and Management Program*, based upon the Ill. State Board of Education (ISBE) Anaphylaxis Response Policy for Illinois Schools at: www.isbe.net/Documents/Anaphylactic-policy.pdf.

Committee members may include District-level administrators, Building Principals, the District Safety Coordinator (see administrative procedure 4:170-API, *Comprehensive Safety and Security Plan, Part C, District Safety Coordinator and Safety Team; Responsibilities*), District 504 Coordinator (see exhibit 6:120-API, E1, *Notice to Parents/Guardians Regarding Section 504 Rights*), staff members, parents/guardians, community members, and students.

Employee Substance Abuse Prevention Committee

This committee makes recommendations directly to the Superintendent or designee regarding the issues of employee substance abuse and resulting employee conduct standards, and:

1. Cooperates with community and State agencies on substance abuse programs.
2. Gathers information about substance abuse and suggests methods to ~~disseminate~~ ~~share~~ it ~~to~~ ~~with~~ employees.
3. Develops a support network that encourages employees to self-refer for treatment and suggests procedures for early identification and treatment.
4. Recommends procedures that would protect the privacy of employees while taking into consideration any directives from the Board to the Superintendent regarding the District’s obligation to provide a safe environment and to ensure high-quality performance, which may include but not be limited to:
 - a. Securing training for designated district employees to educate them ~~to-on~~ identifying symptoms of being impaired by or under the influence of substances prohibited by policy. For guidance about what impaired by or under the influence of means, see:
 - i. Footnote numbers five and six in Board policy 5:50, *Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition*;

The footnotes should be removed before the material is used.

² The team members listed align with prior joint guidance of the Ill. State Board of Education (ISBE) and the Ill. Dept. of Public Health. See <https://wordpress.uchospitals.edu/infectionprevention/files/2011/05/IDPH-Chronic-ID-in-schoolchildren.pdf>. Additional federal guidance on planning teams for infectious diseases is available at: https://rems.ed.gov/docs/PandemicFactSheet_508C.pdf.

- ii. 625 ILCS 5/11-501.2 and 5/11-501.9, (chemical and other tests, validity, etc., a/k/a *field sobriety tests*);
 - iii. 410 ILCS 705/10-50(d) (“An employer may consider an employee to be impaired or under the influence of cannabis if the employer has a *good faith belief* that an employee manifests specific, articulable symptoms while working that decrease or lessen the employee’s performance of the duties or tasks of the employee’s job position, including symptoms of the employee’s speech, physical dexterity, agility, coordination, demeanor, irrational or unusual behavior, or negligence or carelessness in operating equipment or machinery; disregard for the safety of the employee or others, or involvement in any accident that results in serious damage to equipment or property; disruption of a production or manufacturing process; or carelessness that results in any injury to the employee or others.”) (**Note:** Consult the Board Attorney about identifying cannabis use); and
 - iv. Professional development opportunities in the area, e.g., local law enforcement agencies may be a place to begin.
- b. Implementing a reasonable suspicion and/or drug testing³ program(s) to enhance the District’s ability to identify and discipline employees suspected of being impaired by and/or under the influence of prohibited substances. **Note:** Consult the Board Attorney before implementing any drug-testing program(s) or disciplining employees based upon the results of these programs. Drug testing will likely assist the District with the challenges of identifying cannabis-related issues, but the science behind impairment identification and behavioral testing for cannabis impairment is new and emerging.
 - c. Addressing expectations for employees in positions of leadership who are perpetually on call⁴ due to the nature of their positions and responsibilities.
 - d. Holding licensed educators to a higher standard than non-licensed employees due to their professional code of conduct expectations. ⁵
 - e. Holding employees working directly with students to a higher standard than employees not working directly with students.
 - f. Recommending a method to explicitly inform employees of the consequences of violating the District’s Board’s policy.

The footnotes should be removed before the material is used.

³ The best practice for ensuring the strongest defense when disciplining an employee for undertaking tasks while being impaired by and/or under the influence of prohibited substances is a confirmed, positive drug test used in combination with reasonable suspicion of impairment. Drug testing may be cost prohibitive and disruptive for school districts while also presenting several other legal considerations, including possible collective bargaining implications upon request by the employee representative. For example, while the Americans with Disabilities Act allows the results of such tests to be used as the basis for disciplinary action (42 U.S.C. §12114; 29 C.F.R. §1630.16(c)), drug tests may still violate other laws, e.g., Title VII and the Rehabilitation Act (42 U.S.C. §2000e *et seq.*; and 29 U.S.C. §701 *et seq.*). Identifying and disciplining employees for cannabis use on a drug test alone may present a unique set of challenges because cannabis can remain in a person’s system for weeks.

⁴ See f/n 3 of sample policy 5:50, *Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition*.

⁵ If a district holds all its employees to the same standard of professional conduct regardless of licensure status or whether an employee works directly with students (see item e.), delete item e. in the list and replace item d. with the following:
Holding all employees to the same high standard of conduct expectations, regardless of their licensure status or whether they work directly with students.

- g. Recommendings best practices for discipline of employees who are suspected of violating or are violating the District's-Board's policy.⁶

Committee members may include the Superintendent or designee, the District's medical advisor/medical review officer, and employee representatives from both professional and educational support personnel. The committee is guided by Board policies, administrative procedures, and relevant State and federal statutes. See Board policies 5:50, *Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; and administrative procedure 5:120-AP2, *Employee Conduct Standards*.

Team members may include one or two Board members, administrators, and staff members. ~~The team reports directly to the Superintendent or designee.~~

Sex Equity Committee

This committee supports the District's efforts to eliminate sexual harassment by advising the Superintendent or designee on prevention, intervention, and education. Committee members may include community representatives, District administrators, teachers, and students. See Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; 5:10, *Equal Employment Opportunity and Minority Recruitment*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 7:10, *Equal Educational Opportunities*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; and 7:185, *Teen Dating Violence Prohibited*.

School Violence Prevention Team

This team builds awareness about and supports the development and implementation of the District's:

1. Targeted School Violence Prevention Program. See Board policy 4:190, *Targeted School Violence Prevention Program*, and administrative procedure 4:190-AP1, *Targeted School Violence Prevention Program*.
2. Anti-bullying program, as appropriate. See Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; and administrative procedure 7:180-AP1, *Prevention, Identification, Investigation, and Response to Bullying*.

All Building Principals or their designees ~~must~~ serve on this team.⁷ Other team members may include the District Safety Coordinator (see administrative procedure 4:170-AP1, *Comprehensive Safety and Security Plan, Part C, District Safety Coordinator and Safety Team; Responsibilities*), law enforcement representatives, the Board Attorney, District psychologist(s), mental health workers and/or

The footnotes should be removed before the material is used.

⁶ Consult the board attorney regarding any disciplinary action explored for employees based solely on a positive cannabis test result. Employee discipline is an item on which collective bargaining may be required.

⁷ Including building principals on this team aligns with sample administrative procedure 4:190-AP1, *Targeted School Violence Prevention Program*, which provides that "Building Principals are mandatory for successful implementation" of a Targeted School Violence Prevention Plan.

social service agencies, faith leaders, community members, and students. ~~The team reports directly to the Superintendent or designee.~~

Transitional Bilingual Education (TBE) Programs Parent Advisory Committee ⁸

This committee is required ~~when the District has a Transitional Bilingual Education (TBE) Program.~~ The committee maximizes the practical involvement of parents/guardians of students in the District's TBE program(s). Its purpose is to:

1. Afford parents/guardians the opportunity to effectively express their views; and
2. Ensure that the District's program(s) are planned, operated, and evaluated with the involvement of, and in consultation with, parents/guardians of students served by the program(s).

~~All Building Principals or their designees serve on this team.~~⁹ Other Committee members must include parents/guardians of students enrolled in the District's TBE program(s), transitional bilingual education teachers, counselors, and representatives from community groups. A majority of the committee members (or if the District has multiple committees, each committee) must be parents/guardians of students enrolled in the District's TBE program(s).¹⁰ ~~All Building Principals or their designees attend committee meetings.~~¹¹ ~~The District must provide annual training to the committee.~~¹²

This committee must elect officers; ~~and~~ establish bylaws (internal rules, guidelines, and procedures).¹³ ~~It meets at least four times per year. It reports directly to the Superintendent or designee.~~

Title I Parent Advisory Committee

This committee is required if the District receives or desires to receive Title I funds. See Board policy 6:170, *Title I Programs*; administrative procedure 6:170-AP1, E1, *District-Level Parent and Family Engagement Plan Compact*; 20 U.S.C. §§6312(a)(1)(A), 6318(a)(2)(F). The committee supports the development and implementation of the District's Title I plan. Its activities may include, at the Superintendent or designee's directive:

1. Facilitating the active involvement of parents/guardians in their children's academic success by such activities as coordinating Title I parent-teacher conferences, providing information to help parents/guardians assist their children, coordinating volunteer or paid participation by

⁸ 105 ILCS 5/14C-10; 23 Ill.Admin.Code §228.30(c)(4). A district must establish a program in transitional bilingual education when, at the beginning of a school year, it has 20 or more English learners in a (home) language classification within an attendance center of the district (private school students are excluded from the attendance center count). 105 ILCS 5/14C-3. See www.isbe.net/Pages/BPAC.aspx for additional guidance. This committee carries out its duties autonomously, but a district may intervene to ensure compliance after consultation with ISBE's Multilingual/Language Development Department. 23 Ill.Admin.Code §228.30(c)(4)(C).

⁹ Optional. ISBE recommends that a district representative attend meetings of this committee. See the *Bilingual Parent Advisory Committee FAQ* at: www.isbe.net/Pages/BPAC.aspx. If building principals do not serve on this committee and the district deletes this sentence, amend the next sentence's introductory words as follows: "Other committee members must include ...".

¹⁰ 105 ILCS 5/14C-10.

¹¹ Optional. ISBE recommends that a district representative attend (rather than serve on) meetings of this committee. See the *Bilingual Parent Advisory FAQ* at: www.isbe.net/Pages/BPAC.aspx.

¹² The training must be conducted in a language that parent/guardian members can understand. It must include but need not be limited to: (1) information related to instructional approaches and methods in bilingual education; (2) the provisions of State and federal law related to students' participation and parents' rights; and (3) accountability measures relevant to students in bilingual programs. 23 Ill.Admin.Code §228.30(c)(4)(B).

¹³ 105 ILCS 5/14C-10; 23 Ill.Admin.Code §228.30(c)(4)(d). This committee must file its bylaws and records of the election of officers with the school district.

Commented [DJ1]: Note to Subscribers: ISBE guidance provides that the "BPAC shall operate independently without control or influence from the school district," and it recommends that a district representative attend each BPAC meeting.

Commented [DJ2]: Note to Subscribers: This training requirement is not new but is added to provide more detail about this committee.

Commented [DJ3]: Note to Subscribers: The requirement to meet four times per year is not new but is added to provide more detail about this committee.

- parents/guardians in school activities, and establishing a process to respond to parents/guardians' inquiries and recommendations.
2. Distributing Title I informational materials.
 3. Consulting on the District's Title I Plan.
 4. Supporting the implementation of Board policy 6:170, *Title I Programs*.

Committee members include parents/guardians and family members of Title I children. ¹⁴~~It reports directly to the Superintendent or designee.~~

PERA (Performance Educational Reform Act) Joint Committee and the RIF (Reduction in Force) Joint Committee ¹⁵

~~Each committee listed below is required until its function has been fulfilled.~~

1. PERA joint committee. This ~~mandatory joint~~ committee is "composed of equal representation selected by the district and its teachers, or where applicable, the exclusive bargaining representative of its teachers." 105 ILCS 5/24A-4(b-5), added by P.A. 104-20. This committee:

- ~~a. May~~, but is not required to, incorporate data and indicators on student growth as a factor in rating teaching performance in the teacher evaluation plan. ~~Id.~~ The amendment of an evaluation plan continues to be a mandatory subject of bargaining.
- ~~b. This committee also agrees~~ to the panel of qualified evaluators that reviews appeals of *unsatisfactory* performance ratings and determines the criteria for successful appeals.¹⁶ 105 ILCS 5/24A-5.5. ~~This committee must also: (a)-e~~
- ~~c. Establishes~~ a teacher evaluation plan that ensures that each tenured teacher whose performance is rated as either *excellent* or *proficient* is evaluated at least once in the course of the three school years after receipt of the rating. ~~and (b)-i~~
- ~~d. Implements~~ an informal teacher observation plan established by ISBE rule and by agreement of this committee to ensure that each tenured teacher ~~in this category whose performance is rated as excellent or proficient~~ is informally observed at least once in the course of the two school years after receipt of the ~~excellent or proficient~~ rating. 105 ILCS 5/24A-5.
- ~~a-e. Meets at least once a year to assess and review the effectiveness of the District's evaluation plan for the purposes of continuous improvement of instruction and evaluation practices.~~ 105 ILCS 5/24A-4.

5-2. RIF joint committee. This mandatory committee convenes annually to consider issues identified in the statute concerning the selection of teachers for layoff. 105 ILCS 5/24-12(c). On or before December 1 of each year, the RIF joint committee must be established and must hold its first meeting. It is composed of individuals appointed by the Board and the teachers (or the exclusive bargaining representative of its teachers).

The footnotes should be removed before the material is used.

¹⁴ Inclusion of parents/guardians and family members of Title I children on this committee aligns with 20 U.S.C. §6318(a)(2)(A), which requires a district to involve them in the joint development of a district's plan to help low-achieving children meet challenging achievement and academic standards, and in the development of comprehensive and targeted support and improvement plans.

¹⁵ These committees are not subject to OMA. 105 ILCS 5/24A-4(b-5) and 105 ILCS 5/24-12(c).

¹⁶ The PERA joint committee does not determine what rating will be issued to replace an unsatisfactory rating in the event of a successful appeal; that issue must be collectively bargained. 105 ILCS 5/24A-5.5.

Concussion Oversight Team ¹⁷

The Concussion Oversight Team is required until its function has been fulfilled. State law requires the team to establish protocols for return-to-play and return-to-learn for students who have suffered a concussion or head injury during interscholastic athletic activities. See Board policy 7:305, *Student Athlete Concussions and Head Injuries*. 105 ILCS 5/22-80(d). The Board must appoint or approve a Concussion Oversight Team. Section 22-80(d) identifies who must be on each Concussion Oversight Team. A physician, to the extent possible, must be on the Team. If the school employs an athletic trainer and/or nurse, they must be on the Team to the extent practicable. The Team must include, at a minimum, one person who is responsible for implementing and complying with the return-to-play and return-to-learn protocols adopted by the Team. Other licensed health care professionals may be appointed to serve on the Team. If it is not practicable for a physician, athletic trainer, and/or nurse to be on the Team and other licensed health care professionals are not appointed to serve on the Team, the Team may be composed of only one person who need not be a licensed healthcare professional; however, that individual may not be a coach.

Wellness Committee ¹⁸

The Wellness Committee includes at least one representative from each of the following groups: parents, students, representatives of the school food authority, teachers of physical education, school health professionals, a member of the Board,¹⁹ school administrators,²⁰ and members of the community. Individuals of this committee will participate in the development, implementation, periodic reviews, and updates of Board policy 6:50, *School Wellness*. 7 C.F.R. §210.31(d)(1).

Children's Advocacy Center (CAC) Communication Committee ²¹

This committee supports the implementation of the Alleged Incidents of Sexual Abuse; Investigations subhead of Board policy 5:90, *Abused and Neglected Child Reporting*. It includes the District Nondiscrimination Coordinator, District Safety Coordinator, and at least one representative from each of the following groups: District-level administrators, Building Principals, school personnel, and employees from the accredited [Children's Advocacy Center \(CAC\)](#) that serves the District. ~~The CAC Communication Committee reports directly to the Superintendent or designee.~~ See Board policy 5:90,

The footnotes should be removed before the material is used.

¹⁷ 105 ILCS 5/22-80(d).

¹⁸ Establishing a wellness committee is optional; if established, it should be listed here, or delete it if the board has not directed the superintendent to convene a wellness committee in policy 6:50, *School Wellness*. See f/n 27 in sample policy 6:50, *School Wellness*. The preamble to 7 C.F.R. §210.31(d)(1) suggests one method to comply with the rules is by: "identifying individuals" to serve on a "local school wellness policy committee." However, the final text of 7 C.F.R. §210.31(d)(1) does not specifically require districts to establish a local school wellness policy committee – only that they "permit [groups listed in the procedure above] to participate . . .".

¹⁹ See f/n 1 above. As much of the work of developing a plan to involve local stakeholders is administrative/staff work rather than governance work, the best practice is to have a wellness committee be an administrative committee, but consult the board attorney for guidance about the application of OMA when three or more board members serve on this committee.

²⁰ If a board wants to comply with the U.S. Dept. of Agriculture's encouragement to include Supplemental Nutrition Assistance Program Education (SNAP-ED) coordinators or educators in the group to provide input about the wellness policy, insert: "[Supplemental Nutrition Assistance Program Education \(SNAP-ED\) coordinators, educators,](#)" immediately before: ", and members of the community."

²¹ Establishing a Children's Advocacy Center (CAC) communication committee is optional and only applies to school districts within a county served by an accredited CAC. See f/n 143 in sample policy 5:90, *Abused and Neglected Child Reporting*, and sample administrative procedure 5:90-AP1, *Coordination with Children's Advocacy Center*.

Abused and Neglected Child Reporting, and administrative procedure 5:90-AP1, *Coordination with Children's Advocacy Center*.

Educational Technology Committee ²²

This committee supports the following functions:

1. Implementation of Board policy 7:345, *Use of Educational Technologies; Student Data Privacy and Security*. Committee members may include the Head of Information Technology, District-level administrators, Building Principals, and teachers. See administrative procedure 7:345-AP, *Use of Educational Technologies; Student Data Privacy and Security*.
2. The District's submission of an annual report to ISBE regarding educational technology capacities and policies. ²³
3. Developing, monitoring, and updating the District's Artificial Intelligence (AI) Plan and AI Responsible Use Guidelines ~~for the use of AI~~. ²⁴

Remote Learning Committee ²⁵

This committee develops a plan for instruction in grades pre-K through 12 and presents it to the Superintendent for approval who then presents it to the Board for adoption when the:

1. Governor declares a disaster due to a public health emergency (20 ILCS 3305/7); and
2. State Superintendent of Education declares a requirement for the District to implement and use Remote Learning Days (RLDs) or Blended Remote Learning Days (BRLDs).

After adoption of the plan by the Board, this committee supervises the implementation of administrative procedure 6:20-AP, *Remote and/or Blended Remote Learning Day Plan(s)*, and exists until its function has been fulfilled.

The footnotes should be removed before the material is used.

²² Establishing an Educational Technology Committee is optional. The Student Online Personal Protection Act (SOPPA), 105 ILCS 85/, centralizes decision making about what K-12 online sites, services, and applications will be used in schools by requiring boards to adopt a policy for designating which district employees are authorized to enter into agreements with operators who collect personally identifiable information about students. See sample policy 7:345, *Use of Educational Technologies; Student Data Privacy and Security*, and sample administrative procedure 7:345-AP, *Use of Educational Technologies; Student Data Privacy and Security*.

²³ 105 ILCS 5/10-20.74. See www.isbe.net/Pages/Educational-Technology.aspx. The sample policies that apply to this submission include, but are not limited to: 4:10, *Fiscal and Business Management*; 5:125, *Personal Technology and Social Media: Usage and Conduct*; 6:220, *Bring Your Own Technology (BYOT) Program: Responsible Use and Conduct*; 6:230, *Library Media Program*; 6:235, *Access to Electronic Networks*; and 7:345, *Use of Educational Technologies; Student Data Privacy and Security*.

²⁴ See sample administrative procedure 6:235-AP3, *Development of an Artificial Intelligence (AI) Plan and AI Responsible Use Guidelines*. Delete Item #3 if a board has not adopted the optional **Use of Artificial Intelligence (AI)-Enabled Tools** subhead in policy 6:235, *Access to Electronic Networks*.

²⁵ Establishing this committee is optional. 105 ILCS 5/10-30, requires "the district to adopt a remote and blended remote learning day plan approved by the district superintendent" when certain emergency conditions exist that are related to the management of a public health emergency under the Ill. Emergency Management Act. See f/n 1 in sample administrative procedure 6:20-AP, *Remote and/or Blended Remote Learning Day Plan(s)*. A committee can assist the superintendent to ensure all the statutory requirements for implementing, monitoring, and amending the plan are met.

Time Out and Physical Restraint Oversight Team²⁶

The Time Out and Physical Restraint Oversight Team is required. The Team includes, but is not limited to, Building Principals, teachers, paraprofessionals, school service personnel, and administrators ~~to who~~ develop:

1. The District's plan, including school-specific considerations,²⁷ for reducing and eventually eliminating the use of isolated time out, time out, and physical restraint in accordance with the goals and benchmarks established by ISBE;²⁸ and
2. Procedures to implement the plan and make the plan available for review by parents/guardians.

~~The Team also supported the District's submission to ISBE of the plan by July 1, 2022, and of progress reports annually thereafter through July 1, 2024, as well as notification to parents/guardians when plans and progress reports were available for review.~~

The footnotes should be removed before the material is used.

²⁶ 105 ILCS 5/2-3.130(e) requires boards to create a Time Out and Physical Restraint Oversight Team. As this is administrative/staff work rather than governance work, the best practice is to have the team be an administrative committee but consult the board attorney for guidance.

²⁷ An *entity-specific plan* (district-specific plan) is required by 105 ILCS 5/2-3.130(e), amended by P.A. 103-175; however, final ISBE rules at 23 Ill.Admin.Code §1.285(k)(1)(B) go beyond the authority of the statute and require a *school district plan* that includes *school-specific recommendations*.

~~A-Plans were is required to be submitted to ISBE from 2022-2024 unless a district couldn show that it: (1) didhas not used physical restraint, time out, and isolated time out (RTO) within the previous three years. (2) has-adopted a policy prohibiting the use of RTO, and (3) enforce is the policy. 105 ILCS 5/2-3.130(f); 23 Ill.Admin.Code §1.285(k)(1)(B). Consult the board attorney to determine if a team is required for a district; a team may still be required by law even if no plan was is required.~~

The plan ~~must had to~~ include, but ~~was is~~ not limited to, specific actions ~~being taken by the school took~~ to: (1) reduce and eventually eliminate relying on RTO for behavioral interventions and develop noncoercive environments, (2) develop individualized student plans (separate from a student's individualized education program or 504 plan) that aim to prevent the use of RTO, (3) ensure that appropriate school personnel are fully informed of the student's history, including any history of physical or sexual abuse, and other relevant medical and mental health information, except that any disclosure of student information must be consistent with laws and rules governing student confidentiality and privacy rights, and (4) support a vision for cultural change that reinforces using the following in lieu of RTO: positive behavioral interventions and supports, effective ways to de-escalate situations, crisis intervention techniques, and debriefing meetings to reassess what occurred and why. 105 ILCS 5/2-3.130(e)(1)-(4).

²⁸ ~~ISBE's initial goal is for a 25% reduction in the use of RTO over a 12-month period for students experiencing five-plus instances in a 30-day period. ISBE intends to periodically revise this goal in order to systemically reduce and eventually eliminate the use of RTO. See www.isbe.net/Pages/restraint-time-out.aspx for further information, including ISBE's *RTO Reduction Plan Directions and Checklist*, and *Reduction Plan Submittal Template*.~~

A. Legal Citations and Definitions

The legal requirements contained in this procedure are followed by a citation to the controlling statute. Citations in parentheses indicate the location of a named law. For additional clarification regarding a requirement, the cited law should be reviewed.

Definitions are found in the Ill. Freedom of Information Act (FOIA) (5 ILCS 140/2). For easy reference, some definitions are re-printed in this procedure. The IASB reports on Ill. Public Access Counselor (PAC) opinions concerning FOIA on its **Recent Court and Agency Decisions** website, located at: www.iasb.com/policy-services-and-school-law/court-decisions-listing/www.iasb.com/law/courtdecisions.cfm.

B. FOIA Compliance

The District's Freedom of Information Officer (FOIA Officer) implements the Board policy (2:250, *Access to District Public Records*) and has the duties, without limitation, listed below:

1. Manages the District's compliance with FOIA including without limitation, performing the following duties specified in FOIA, 5 ILCS 140/3.5:
 - a. Receives FOIA requests, ensures that the District responds to requests in a timely fashion, and issues responses to FOIA requests.
 - b. Develops a list of documents or categories of records that will be immediately disclosed upon request. See [exhibit 2:250-E2, Immediately Available District Public Records and Web-Posted Reports and Records](#).
 - c. Upon receiving a request for a public record, (a) notes the date the District received the written request; (b) computes the day on which the period for response will expire and makes a notation of that date on the written request; (c) maintains an electronic or paper copy of a written request, including all documents submitted with the request until the request has been complied with or denied; and (d) creates a file for the retention of the original request, a copy of the response, a record of written communications with the requester, and a copy of other communications.

2. Identifies other staff members to assist with FOIA compliance and delegates specific responsibilities to them. These individuals may include the information technology specialist and department heads.
3. Informs and/or trains staff members concerning their respective responsibilities regarding FOIA. This includes explaining the requirement that all FOIA requests must be immediately forwarded to the FOIA Officer, including those that are received via email.
4. Successfully completes the annual training program developed by the Ill. Public Access Counselor (PAC) in the Ill. Attorney General's office. Each newly appointed FOIA Officer must successfully complete the training program within 30 days after assuming the position.

C. Availability and Posting Requirements

Full access to the District's *public records* is available to any person as provided in FOIA. The FOIA Officer approves all requests for public records unless:

1. ~~(1)~~ The requested material does not exist;
2. ~~(2)~~ The requested material is exempt from inspection and copying by FOIA;
3. ~~(3)~~ Complying with the request will be unduly burdensome after extending an opportunity to the requester to reduce the request to manageable proportions;
4. The request would require the District to open electronically attached files or hyperlinks to view or access details of a request, in which case the requester shall be notified within five business days that the entirety of the electronic request must appear within the body of the electronic submission; or
5. The District has a reasonable belief that the request was not submitted by a person, and the requester fails to verify orally or in writing that they are a person within 30 days of the District's request for such verification.

The FOIA Officer shall:

1. Prominently display ~~at each administrative office and school, and post~~ on the District website, make available for inspection and copying, and send through the mail if requested if any, the following:¹
 - a. A brief description of the District, and
 - b. The methods for requesting information and District public records, directory information listing the FOIA Officer and where requests for public records should be directed, and any fees. 5 ILCS 140/4. This information must be copied and mailed if requested.
2. Maintain and make available for inspection and copying a reasonably current list of all types or categories of records under the District's control. 5 ILCS 140/5. The list below contains the categories of records kept by the District; some of the records within these categories are exempt and, therefore, will not be disclosed in response to a FOIA request.

~~The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.~~

¹ ~~If a district does not maintain a website, amend this phrase to read as follows:
Prominently display at each administrative office and school, make available for inspection and copying, and send through the mail if requested, the following:~~

Formatted: Font: Not Italic

- a. Board governance, including without limitation, Board meeting calendar and notices, Board meeting agendas and minutes, Board policy
- b. Fiscal and business management, including without limitation, levy resolution and certificate of tax levy, audit, line-item budget, grant documents, account statements, accounts payable list, contracts, legal notices, bidding specifications, requests for proposals

- d. Students and instruction, including without limitation, accountability documents, calendars, student handbooks, learning outcomes, student school records

D. Fee Schedule

The FOIA Officer establishes a fee schedule (from time-to-time as appropriate) that complies with 5 ILCS 140/6, including each of the following:

- 1. The fees, except when otherwise fixed by statute, must: (a) be reasonably calculated to reimburse the District’s actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records, and (b) not exceed that maximum fee amount set by FOIA.
- 2. Statutory fees applicable to copies of public records when furnished in a paper format are not applicable to those records when furnished in an electronic format.
- 3. No fee is charged for the first 50 pages of black and white, letter or legal sized copies furnished to a requester.
- 4. The fee for black and white, letter, or legal sized copies shall not exceed 15 cents per page.
- 5. If the District provides copies in color or in a size other than letter or legal, the fee may not be more than its actual cost for reproducing the records.
- 6. A fee reduction is available if the person requesting the record states a specific purpose for the request and indicates that a fee reduction is in the public interest by having as its principal purpose the general public’s health, safety, welfare, or legal rights and is not for the principal purpose of personal or commercial benefit. In setting the reduction’s amount, the FOIA Officer considers the amount of materials requested and the cost of copying them.
- 7. In accordance with 5 ILCS 140/6(a-5), if a *voluminous request* is for electronic records and the responsive records are:
 - a. Not in a portable document format (PDF), the District charges up to \$20 for not more than two megabytes of data, up to \$40 for more than two but not more than four megabytes of data, and up to \$100 for more than four megabytes of data.
 - b. In a PDF, the District charges up to \$20 for not more than 80 megabytes of data, up to \$40 for more than 80 megabytes but not more than 160 megabytes of data, and up to \$100 for more than 160 megabytes of data.
 - c. In both a PDF and not in a PDF, the District separates the fees and charges the requester under both fee scales.

8. Unless the request is for a *commercial purpose* or a *voluminous request*, the costs of any search for and review of the records or other personnel costs associated with reproducing the records are not included in the fee calculation. 5 ILCS 140/6(a).

*Section 6(a) states: "If a request is not a request for a *commercial purpose* or a *voluminous request*, a public body *may not* charge the requester for the costs of any search for and review of the records or other personnel costs associated with reproducing the records." (Emphasis added). This implies that a search and review fee may be charged when responding to a request for a *commercial purpose* or a *voluminous request*. However, Sec. 6(b) states that the search and review fee described in Sec. 6(f) may be charged *only to* someone making a *commercial request*. Sec. 6(f) contains the maximum amounts that may be charged for search and review but does not explain when they may be charged. The FOIA Officer will need to consult the Board Attorney.

When responding to a request for commercial purposes, as defined in 5 ILCS 140/2(c-10), the District charges:

- a. Up to \$10.00 for each hour spent by personnel in searching for or retrieving a requested record or examining the record for necessary reductions. No fee is charged for the first eight hours spent by personnel in searching for or retrieving a requested record. 5 ILCS 140/6(f).
- b. The actual cost of retrieving and transporting public records from an off-site storage facility when the public records are maintained by a third-party storage company under contract with the District. 5 ILCS 140/6(f).

Someone making a voluminous request may be charged the fees as described above upon the FOIA Officer's consult with the Board Attorney.

The FOIA Officer provides the requester with an accounting of all fees, costs, and personnel hours in connection with the request for public records under 7 and 8 above. 5 ILCS 140/6(a-5) and (f).

E. Response to FOIA Requests

The FOIA Officer must:

1. Comply with or deny a request for inspection or copying within five business days of receiving a records request, unless the time for response is extended. 5 ILCS 140/3. He or she may use forms prepared by the PAC available at: www.illinoisattorneygeneral.gov/Open-And-Honest-Government/PAC/FOIA-Officers/www.foiapac.ilag.gov/. Click on the menu *PAC Resources*, then on the submenu *Forms and Sample Letters*.
 2. Redact any and all exempt portion(s) of requested records containing both exempt and non-exempt material and release the remaining material. 5 ILCS 140/7.
 3. Comply with the Personnel Record Review Act (PRRA), 820 ILCS 40/~~amended by P.A. 101-531~~.
- a. The response to a request for a disciplinary report, letter of reprimand, or other disciplinary action depends on the age and nature of the responsive record.
 - 1) If the responsive record is more than four years old and is not related to an incident or an attempted incident of sexual abuse, severe physical abuse, or *sexual misconduct* as defined in 105 ILCS 5/22-85.5(c), the request must be denied unless

the release is ordered in a legal action or arbitration. 5 ILCS 140/7.5(q), ~~amended by P.A. 101-620~~; 820 ILCS 40/8, ~~amended by P.A.s 101-531 and 102-702~~.

- 2) If the responsive record is more than four years old and is related to an incident or an attempted incident of sexual abuse, severe physical abuse, or *sexual misconduct* as defined in 105 ILCS 5/22-85.5(c), the request cannot be denied. 820 ILCS 40/8, ~~amended by P.A.s 101-531 and 102-702~~.
- 3) If the responsive record is four years old or less, it must be disclosed (regardless of its nature) and the employee must be notified in writing (first class mail) or by email, if available, on or before the day any such record is released, unless notice is not required under the PRRA. 5 ILCS 140/7.5(q), ~~amended by P.A. 101-620~~; 820 ILCS 40/7, ~~amended by P.A. 102-562~~. A notice to the employee is not required if:
 - The employee specifically waived written notice as part of a written, signed employment application with another employer;
 - The disclosure is ordered to a party in a legal action or arbitration; or
 - Information is requested by a government agency as a result of a claim or complaint by an employee, or as a result of a criminal investigation by such agency.

b. A request for a performance evaluation(s) must be denied. 820 ILCS 40/11.

F. Extensions of Time to Respond

The District FOIA Officer may extend the time for a response for any of the reasons stated in 5 ILCS 140/3(e)(i-vii), **quoted below**:

- (i) The requested records are stored in whole or in part at other locations than the office having charge of the requested records;
- (ii) The request requires the collection of a substantial number of specified records;
- (iii) The request is couched in categorical terms and requires an extensive search for the records responsive to it;
- (iv) The requested records have not been located in the course of routine search and additional efforts are being made to locate them;
- (v) The requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure under 5 ILCS 140/7 or should be revealed only with appropriate deletions;
- (vi) The request for records cannot be complied with by the public body within the time limits prescribed by 5 ILCS 140/3(d) without unduly burdening or interfering with the operations of the public body; or
- (vii) There is a need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of a public body having a substantial interest in the determination or in the subject matter of the request.

If an extension of time for a response is needed, the FOIA Officer must perform one of the following actions within five business days after receipt of the request:

1. Notify the requester that the District is extending its time for response for no longer than ~~five~~5 business days from the original due date, and identify the reason for the delay and the date on which a response will be made. 5 ILCS 140/3(e) and (f); or
2. Confer with the requester in an attempt to reach an agreement on an extended compliance date. The agreement must be in writing. 5 ILCS 140/3(e).

G. Unduly Burdensome Requests

Before invoking the *unduly burdensome* exemption, the FOIA Officer must confer with the requester in an attempt to reduce the request to manageable proportions. 5 ILCS 140/3(e) and (g). A request may be unduly burdensome due, for example, to the request's breadth. The FOIA Officer must explain to the requester in writing when a request continues to be unduly burdensome, specifying the reason why the request is unduly burdensome.

H. Requests for Commercial Purposes

A request is for *commercial purposes*, according to 5 ILCS 140/2(c-10), if:

[T]he use of any part of a public record or records, or information derived from public records, in any form for sale, resale, or solicitation or advertisement for sales or services. For purposes of this definition, requests made by news media and non-profit, scientific, or academic organizations shall not be considered to be made for a commercial purpose when the principal purpose of the request is (i) to access and disseminate information concerning news and current or passing events, (ii) for articles of opinion or features of interest to the public, or (iii) for the purpose of academic, scientific, or public research or education.

Formatted: Font: Not Italic

The FOIA Officer responds to a request that appears to be for commercial purposes pursuant to 5 ILCS 140/3.1 by:

1. Asking the requester to identify if the record is for a commercial purpose. See [exhibit 2:250-E1, *Written Request for District Public Records*](#). It is unlawful for a person to knowingly obtain a public record for a commercial purpose without disclosing that it is for a commercial purpose, if requested to do so by the District. 5 ILCS 140/3.1(c).
2. Responding to a request for records to be used for a commercial purpose within 21 working days after receipt. The response must be one of the following: (a) provide an estimate of the time required by the District to provide the records and an estimate of the fees, which the requester may be required to pay in full before copying the requested documents; (b) deny the request pursuant to one or more of the exemptions; (c) notify the requester that the request is unduly burdensome and extend an opportunity to attempt to reduce the request to manageable proportions; or (d) provide the records requested.
3. Complying with a request, unless the records are exempt from disclosure, within a reasonable period considering the size and complexity of the request, and giving priority to records requested for non-commercial purposes.
4. Collecting a fee as described in subsection **D.** above.

I. Managing Requests from a Recurrent Requester

A request is from a *recurrent requester*, according to 5 ILCS 140/2(g), if:

[A] person that, in the 12 months immediately preceding the request, has submitted to the same public body (i) a minimum of 50 requests for records, (ii) a minimum of 15 requests for records within a 30-day period, or (iii) a minimum of seven requests for records within a seven-day

period. For purposes of this definition, requests made by news media and non-profit, scientific, or academic organizations shall not be considered in calculating the number of requests made in the time period in this definition when the principal purpose of the requests is (i) to access and disseminate information concerning new and current or passing events, (ii) for articles of opinion or features of interest to the public, or (iii) for the purpose of academic, scientific, or public research or education.

For purposes of this definition, one *request* may identify multiple records to be inspected or copied.

The District complies with a request from a recurrent requester within a reasonable period considering the size and complexity of the record, unless the records are exempt from disclosure. 5 ILCS 140/3.2(c).

The FOIA Officer responds to a request from a recurrent requester by:

1. Notifying the requester within five business days after receiving a request from a recurrent requester (5 ILCS 140/3.2(b)) that:
 - a. The request is being treated as coming from a recurrent requester under 5 ILCS 140/2(g);
 - b. The reasons the request is being treated as coming from a recurrent requester;
 - c. The District will send an initial response within 21 business days after receipt of the request; and
 - d. The proposed FOIA responses that may be asserted pursuant to 5 ILCS 140/3.2(a). These are the same responses that the District can provide within 21 business days after receipt of a request.
2. Responding within 21 business days after receipt of a recurrent request with one of the following (5 ILCS 140/3.2(a)):
 - a. An estimate of the time required by the District to provide the records and an estimate of the fees, which the requester is required to pay in full before the District copies the requested documents;
 - b. A denial pursuant to one or more of the exemptions;
 - c. Notification that the request is unduly burdensome and extend an opportunity to attempt to reduce the request to manageable proportions; or
 - d. The records as requested.

J. Managing Voluminous Requests

A *voluminous request*, according to 5 ILCS 140/2(h), means:

[A] request that:

- i. Includes more than five individual requests for more than five different categories of records or a combination of individual requests that total requests for more than five different categories of records in a period of 20 business days; or
- ii. Requires the compilation of more than 500 letter or legal-sized pages of public records unless a single requested record exceeds 500 pages. *Single requested record* may include, but is not limited to, one report, form, email, letter, memorandum, book, map, microfilm, tape, or recording.

According to 5 ILCS 140/2(h), a *voluminous request* “does not include a request made by news media and non-profit, scientific, or academic organizations if the principal purpose of the request is: (1) to access and disseminate information concerning news and current or passing events; (2) for articles of opinion or features of interest to the public; or (3) for the purpose of academic, scientific, or public research or education.”

The FOIA Officer responds to a voluminous request by:

1. Notifying the requester within five business days after receiving a voluminous request that:
 - a. The District is treating the request as a voluminous request under 5 ILCS 140/3.6.
 - b. The District is treating the request as voluminous for one of the following reasons:
 - 1) Includes more than five individual requests for more than five different categories of records or a combination of individual requests that total requests for more than five different categories of records in a period of 20 business days; or
 - 2) Requires the compilation of more than 500 letter or legal-sized pages of public records unless a single requested record exceeds 500 pages.
 - c. The requester must respond to the District within ~~10~~ten business days after this response is sent. The requester must specify whether the requester would like to amend the request in such a way that the District will no longer treat the request as a voluminous request.
 - d. If the requester does not respond within ~~10~~ten business days or if the request continues to be a voluminous request following the requester response, the District will respond to the request and assess any fees the District charges pursuant to 5 ILCS 140/6.
 - e. The District has five business days after receipt of the requester’s response or five business days from the last day for the requester to amend the request, whichever is sooner, to respond to the request.
 - f. The District may request an additional ~~10~~ten business days to comply with the request.
 - g. The requester has the right to review the District’s determination by the public access counselor whose address and phone number follows:

Public Access Counselor
Office of the Attorney General
500 S. 2nd Street
Springfield, Illinois 62706
Phone: 1-877-299-3642
 - h. If the requester fails to accept or collect the responsive records, the District will still charge the requester for its response pursuant to 5 ILCS 140/6 and the requester’s failure to pay will be considered a debt due and owing to the District and may be collected in accordance with applicable law.
2. Providing the requester ~~10~~ten business days from the date the District responded to amend the request in such a way that the District will no longer treat it as a voluminous request.

3. If a request continues to be a voluminous request following the requester's reply or the requester fails to reply, responding within the earlier of five business days after the District receives the requester's reply or five business days after the final day for the requester to reply to the District's notification. The District's response must:
 - a. Provide an estimate of the fees to be charged, indicating whether the District requires the person to pay in full before the District copies the requested documents;
 - b. Deny the request pursuant to one or more of the exemptions sent out in FOIA;
 - c. Notify the requester that the request is unduly burdensome and extend an opportunity to the requester to attempt to reduce the request to manageable proportions; or
 - d. Provide the records as requested.

The District may extend the time for responding by not more than five business days from the final date for the requester to reply to the District's notification for any of the reasons provided in 5 ILCS 140/3(e).

The requester and District may agree in writing to extend the time for compliance for a period to be determined by the parties.

K. Denials

The FOIA Officer will deny a FOIA request for any of the exemptions in 5 ILCS 140/7 or 7.5, ~~amended by P.A.s 101-221, 101-620, and 101-649~~. He or she will comply with 5 ILCS 140/9 by:

1. Providing the requester with a written response containing: (a) the reasons for the denial, including a detailed factual basis for the application of any exemption claimed; (b) the names and titles or positions of each person responsible for the denial; and (c) information about his or her right to review by the Public Access Counselor (include the address and phone number for the Public Access Counselor), and to judicial review under 5 ILCS 140/11.
2. Specifying the exemption claimed to authorize the denial and the specific reasons for the denial, including a detailed factual basis and a citation to supporting legal authority when the denial is based on the grounds that the records are exempt under 5 ILCS 140/7.
3. Retaining copies of all denial notices in a single central office file that is open to the public and indexed according to the type of exemption asserted and, to the extent feasible, according to the types of records requested. 5 ILCS 140/9(b).

L. Consultation with the Board Attorney

The FOIA Officer may consult with the Board Attorney, as needed, for legal advice concerning compliance with FOIA, including without limitation:

1. Responding to specific requests,
2. Communicating with the Office of the Ill. Attorney General or PAC, or
3. During any judicial proceeding.

Thirty days prior to disposal or destruction of any records, regardless of physical format or characteristics, submit a Local Records Disposal Certificate to the Commission and dispose only after a copy of that certificate has been reviewed and approved by the Chairman and returned to the District. The original copy of that Local Records Disposal Certificate is kept in the files of the Commission, and the duplicate copy approved and returned by the Chairman must be retained by the District. 44 Ill.Admin.Code §§4000.40(c), 4500.40(c). 4. In the case of records with scheduled retention of less than one year, a single Local Records Disposal Certificate for more than one disposal event within a given year may be used. Local Records Disposal Certificates submitted with this intent must include a schedule of proposed records disposal in addition to the normally required information. The District must wait to dispose of records until receipt of approval from the Commission, as required in number 3, above. 44 Ill.Admin.Code §§4000.40(d), 4500.40(d). 5. For records that have been damaged by water, fire, smoke, insects or vermin, mold or some other natural disaster that poses a health or safety risk to employees, the District may apply to the Commission for permission to dispose of those records ahead of their scheduled disposal date. The request must include a Local Records Disposal Certificate accompanied by the District's explanation of why the records need early disposal. The Commission may grant the request only after physically reviewing the damaged records. 44 Ill.Admin.Code §§4000.40(e), 4500.40(e).

Re: CPR and AED Video

State law requires the Ill. High School Association to post a hands-only cardiopulmonary resuscitation (CPR) and automated external defibrillators (AED) training video on its website. The law also requires the District to notify staff members and parents/guardians about the video. You are encouraged to view the [brief](#) video, ~~which will take less than 15 minutes of your time,~~ at:

Administrative Procedure - Interview Questions

Anti-discrimination laws affect all steps of the employee hiring process. Knowledge of the characteristics on which these laws prohibit inquiry is especially critical when conducting interviews. Any employer that asks applicants to record video interviews and uses an artificial intelligence analysis of the applicant-submitted videos must comply with the Artificial Intelligence Video Interview Act, 820 ILCS 42/ ~~added by P.A. 101-260~~. Sloppy interview practices can result in the appearance of illegal discrimination or actual discrimination.

Interviewers should avoid seeking information that will not be used to make an employment decision. Assume that a rejected applicant may believe that all information acquired was used. The District, if challenged, must explain why it asked for the information – a very difficult task when the information involves race, sex, religion, age, disability, etc. Information needed for insurance, tax, Ssocial Ssecurity, or similar purposes should be obtained after employment. The following list of protected characteristics may not be complete because of the rapidly changing nature of discrimination laws.

Protected Status	Do not ask	Permissible to ask
Race and color	What race are your parents?	
Alienage, ancestry, national origin, nationality, and citizenship status (provided the individual is authorized to work in the U.S.), work authorization status	In what country were you born? Administrative Procedure - Investigations

Immigration Investigation

All newly hired employees must complete section one of the U.S. Citizenship and Immigration Services Form I-9 (Form I-9) no later than three business days following their first working day (Immigration Reform and Control Act, 8 U.S.C. §1324a, 8 C.F.R. §274a.2). See: www.uscis.gov/i-9. If an individual is unable to provide the required documents to complete it, the individual may present a receipt for the application of the required documents within three days of the hire. The individual must then present the required documents within 90 days of the hire. The Superintendent or designee completes section two of the Form I-9 and confirms the employee's information.

If the Employment Eligibility Verification System (E-Verify) is used to complete Form I-9, the Superintendent or designee will review the Ill. Dept. of Labor's website and its E-Verify factsheet, available at: <https://labor.illinois.gov/content/dam/soi/en/web/idol/laws-rules/legal/documents/e-verification-facts-poster.pdf>. If the District contends that there is a discrepancy in an employee's employment verification information, follow the procedures required by ~~The Right to Privacy~~ in the Workplace Act, 820 ILCS 55/1412, ~~amended added~~ by P.A. 103-879/104-455, ~~and 820 ILCS 55/13, added by P.A. 103-879, eff. 1-1-25.~~

The completed Form I-9 shall be maintained in a file separate from other personnel records in order to prevent unauthorized review of personnel files. The Form I-9 shall be retained for a period of three years after the date of hire or one year after individual employment is terminated, whichever is later.

Fingerprint-based Criminal History Records Information (CHRI) Check (105 ILCS 5/10-21.9, amended by P.A. 103-1542-702)

A fingerprint-based criminal history records information check must be initiated prior to employment, but the District may permit the individual to be hired and begin employment pending its outcome. See ~~Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel~~, at: www.isbe.net/Documents/guidance_chri.pdf. See administrative procedure 5:30-AP4, *Fingerprint-Based Criminal History Record Information*, for procedures regarding the handling of sensitive CHRI provided through the Federal Bureau of Investigation's national databases.

A complete criminal history records check pursuant to 105 ILCS 5/10-21.9, ~~amended by P.A. 103-154~~, consists of:

1. Fingerprint-based checks through (a) the Ill. State Police (ISP) for ~~criminal history records information (CHRI)~~ pursuant to the Ill. Uniform Conviction Information Act (20 ILCS 2635/), and (b) the Federal Bureau of Investigation (FBI) national crime information databases pursuant to the Adam Walsh Child Protection and Safety Act (Pub. L. 109-248),
2. *A check of the Ill. Sex Offender Registry (see the Sex Offender Community Notification Law, 730 ILCS 152/ ~~et seq.~~), and
3. *A check of the Murderer and Violent Offender Against Youth Registry (see the Murderer and Violent Offender Against Youth Registration Act, 730 ILCS 154/75 - 154/105).

*These checks must be conducted by the District or the Regional Superintendent¹ once every five years that an individual remains employed by the District. 105 ILCS 5/10-21.9(a-5), (a-6), ~~amended by P.A. 102-552.~~

See also Board policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*, and administrative procedure 4:175-AP1, *Criminal Offender Notification Laws; Screening*. **Important:** 20 ILCS 2630/5.2 outlines how an individual may petition to have an arrest record expunged by the arresting authority and the records of the arrest sealed by the circuit court clerk. It also details offenses for which an individual cannot have his or her conviction sealed.

Note: The following criminal history records check guides ~~isare~~ also available:

Guide to Understanding Criminal History Record Check Information is available at: <https://dph.illinois.gov/content/dam/soi/en/web/idph/files/forms/background-check-guide-071817.pdf>.

The following individuals are responsible for the actions listed:

Applicant - Each applicant for employment in any position (except bus drivers employed by a private student transportation contractor) must provide a written authorization for a complete criminal history records check at the time he or she submits the application.

Individual Student Teaching or beginning a required internship - Each individual student teaching or beginning a required internship must provide written authorization for, and pay the costs of, his or her criminal history records check (including any applicable vendor's fees) prior to participating in any field experiences in the District. See 105 ILCS 5/10-21.9(g).

Applicant for Bus Driver - Each applicant for a bus driver position must complete the application required by the Secretary of State for a school bus driver permit (obtained from the District) and submit it to the District along with the necessary fingerprint submission as required by the ISP to conduct a fingerprint-based criminal history records check. The Superintendent or designee will conduct a pre-employment interview² with prospective school bus driver candidates, distribute school bus driver applications and medical forms, and submit the applicant's fingerprint cards to the ISP. The Superintendent or designee will certify in writing to the Secretary of State that all pre-employment conditions have been successfully completed, including the successful completion of a criminal history records check as required by State law. The applicant must present the certification to the Secretary of State at the time of submitting the school bus driver permit application. See 625 ILCS 5/6-106.1, amended by P.A.s ~~104-260 and 104-256~~ ~~102-168 and 102-299~~; 92 Ill.Admin.Code §1035.25.

Superintendent or designee - **Note:** Add any additional steps to efficiently receive a complete criminal history records check.

1. Fingerprint-Based Criminal History Records Check:

~~The footnotes should be removed before the material is used.~~

¹ Alternative for districts in suburban Cook County: replace "Regional Superintendent" with "appropriate Intermediate Service Center Executive Director" throughout this procedure.

² Any employer that asks applicants to record video interviews and uses an artificial intelligence analysis of the applicant-submitted videos must comply with the Artificial Intelligence Video Interview Act, 820 ILCS 42/.

- a. For all applicants, the Superintendent or designee completes the required forms to request the criminal history records checks from an appropriate ISP or LiveScan vendor. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the School Board President shall ensure that these checks are completed. This may include submitting the applicant's name, sex, race, date of birth, Ssocial Ssecurity number, fingerprint images, and other identifiers to the ISP and FBI on the forms prescribed by each agency.
- b. The Superintendent or designee, or when the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President, will provide the applicant with a copy of the ISP and FBI reports. Required by 105 ILCS 5/10-21.9(b) and 20 ILCS 2635/7. The applicant has the obligation and responsibility to notify the District within seven (7) working days if information in the report furnished by the ISP is inaccurate or incomplete. Id.
- c. The Superintendent or designee, or the Regional Superintendent, notifies the State Superintendent of Education in writing within 15 business days when a CHRI returns a conviction of a crime set forth in 105 ILCS 5/21B-80. 105 ILCS 5/10-21.9(e), and The Superintendent or designee, or the Regional Superintendent, also:
 - i. Makes a preliminary determination that the applicant will be disqualified based on a conviction record when: (1) the District is prohibited by 105 ILCS 5/10-21.9, amended by P.A. 103-154, from employing the individual because the conviction is an offense listed in 105 ILCS 5/21B-80, amended by P.A. 102-552,³ (2) there is a *substantial relationship* between one or more of the previous criminal offenses and the employment sought or held; or (3) the employment would involve an *unreasonable risk* to property or to the safety or welfare of specific individuals or the general public.

Conviction record means information indicating that a person has been convicted of a felony, misdemeanor or other criminal offense, placed on probation, fined, imprisoned, or paroled pursuant to any law enforcement or military authority. 775 ILCS 5/1-103(G-5). It includes the results of a *complete criminal history records check* conducted pursuant to 105 ILCS 5/10-21.9, amended by P.A. 103-154.

Substantial relationship means a consideration of whether a job position offers the opportunity for the same or a similar offense to occur and whether the circumstances leading to the conduct for which the person was convicted will recur in the position. 775 ILCS 5/2-103.1(A).

To determine whether an applicant is disqualified based on a *substantial relationship* or *unreasonable risk*, considers the following factors: (1) length of time since the conviction; (2) number of convictions that appear on the conviction record; (3) nature and severity of the conviction and its relationship to the safety and security of others; (4) the facts or circumstances surrounding the conviction; (5) the age of the employee at the time of the conviction; and (6)

The footnotes should be removed before the material is used.

³ Attorneys have different opinions as to whether the IHRA requires the *interactive assessment* outlined in 775 ILCS 5/2-103.1(c), which includes preliminary and final notices, when a disqualifying offense listed in 105 ILCS 5/21B-80 is found in a conviction record; **consult the board attorney for guidance on this issue.**

evidence of rehabilitation efforts. 775 ILCS 5/2-103.1(B). See also Ill. Dept. of Human Rights (IDHR) *Conviction Record Protection – Frequently Asked Questions* (March 2021), at: <https://dhr.illinois.gov/conviction-record-protection-frequently-asked-questions.html>.

- ii. When the applicant’s conviction record disqualifies him/her/they, notifies the applicant of the preliminary decision in writing. The written notice shall contain: (1) the disqualifying convictions that are the basis for the preliminary decision and the District’s reasoning for the disqualification; (2) a copy of the *complete criminal history records check* conducted pursuant to 105 ILCS 5/10-21.9, [amended by P.A. 103-154](#); and (3) an explanation of the applicant’s right to submit evidence challenging the accuracy of the conviction record that is the basis for the disqualification within seven (7) working days of the applicant’s receipt of the copy of the conviction record⁴ if the applicant wishes to dispute the accuracy of the conviction record and/or submit evidence in mitigation, such as rehabilitation. 775 ILCS 5/2-103.1(C)(1) and (2). See exhibit 5:30-AP2, E1, *Notice of Preliminary Hiring Decision Based on Conviction Record*, for a sample letter template.

Note: Evidence of rehabilitation may include education, training, stable employment, family and community involvement, and recovery from substance abuse. For more information, see *EEOC Enforcement Guidance on the Consideration of Arrest and Conviction Records in Employment Decision under Title VII of the Civil Rights Act*, at: www.eeoc.gov/laws/guidance/enforcement-guidance-consideration-arrest-and-conviction-records-employment-decisions.

- iii. When the final decision disqualifies the applicant based on the conviction record, provides a second written notice to the applicant that contains: (1) notice of the disqualifying conviction(s) that are the basis for the final decision and the District’s reasoning for the disqualification; (2) any existing procedure the employer has for the applicant to challenge the decision or request reconsideration (this is not required)⁵; and (3) the right to file a charge with the IDHR. 775 ILCS 5/2-103.1(C)(3). See exhibit 5:30-AP2, E2, *Notice of Final Hiring Decision Based on Conviction Record*, for a sample letter template.
- d. The Superintendent or designee, or the Regional Superintendent, or as applicable the entity that provides background checks for public schools, notifies the State

The footnotes should be removed before the material is used.

⁴ The IHRA requires at least five business days for the applicant to dispute the accuracy of the conviction record, but the Ill. Uniform Conviction Information Act (UCIA) provides the applicant seven working days from of receipt of the copy of the conviction information to notify the district if the information is inaccurate or incomplete. 20 ILCS 2635/7(A)(2). This procedure accommodates the longer timeline of the UCIA.

⁵ Consult the board attorney for advice about whether policy 2:260, *Uniform Grievance Procedure*, should be included in the final decision letter for new applicants and/or existing employees. That policy is limited to students, parents/guardians, employees, or community members that want to file a complaint regarding the district’s alleged violation of a constitutional right, statute, or board policy.

Superintendent of education in writing⁶ within 10 business days⁷ after receiving information of a *pending* criminal charge for an offense set forth in 105 ILCS 5/21B-80. Required by 105 ILCS 5/10-21.9(e).

Note: For substitute teachers, the Superintendent will need to ensure that the District performs these checks. Contact the Board Attorney and/or ISBE regarding the validity of a *certificate of authorization*, if a substitute teacher presents one. ~~From 1-1-11 through 7-1-11, the Regional Superintendent or Suburban Cook County Intermediate Service Center Executive Director, whichever was appropriate, was allowed to issue certificates of authorization to substitute teachers. Issuance of a certificate of authorization was proof that the substitute teacher applicant had met all of the requirements to substitute teach in the educational service region; i.e., a fingerprint-based criminal history records check, a physical examination, and a negative tuberculin test. Because P.A. 97-607 deleted certificates of authorization, substitute teachers no longer receive them because they no longer exist.~~

- e. For individuals student teaching or beginning a required internship, the Superintendent or designee ensures that the individual completes the required forms, authorizations, and provides payment to the District for the costs of completing a complete criminal history records check prior to student teaching or beginning a required internship (105 ILCS 5/10-21.9(g) and Board policy 5:260, *Student Teachers*). ~~For more information, see also ISBE's non-regulatory guidance document, *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, available at: www.isbe.net/Documents/guidance_chr.pdf.~~
2. Screen of the Statewide offender databases upon hire and every five years thereafter that an individual remains employed by the District. 105 ILCS 5/10-21.9(a-5), (a-6), ~~amended by P.A. 102-552~~. The Superintendent or designee, or when the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President, performs a screen for each applicant of:
 - a. The Statewide Sex Offender Registry, <https://sor.isp.illinois.gov/sorpublic> ~~<https://isp.illinois.gov/Sor/Disclaimer>~~, as authorized by the Sex Offender Community Notification Law (730 ILCS 152/ *et seq.*), and
 - b. The Statewide Murderer and Violent Offender Against Youth Registry <https://sor.isp.illinois.gov/sorpublic> ~~<https://isp.illinois.gov/MVOAY/Disclaimer>~~, as authorized by the Murderer and Violent Offender Against Youth Registration Act (730 ILCS 154/75-154/105).

The Superintendent or designee, or when the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President, notifies the individual if he or she is identified in the database as a sex offender. Required by 105 ILCS 5/10-21.9(a-5), (a-6), and (b). The Superintendent or designee, or the Regional Superintendent, notifies the State Superintendent of

The footnotes should be removed before the material is used.

⁶ 105 ILCS 5/10-21.9(e) requires written notice for *convictions*. While notice for *pending* criminal charges is not required to be “in writing,” for ease of use, consistency in administration, alignment with the requirement to provide written notice for *convictions*, and best practices this sample text states the State Superintendent will also be notified of *pending* criminal charges in writing. Consult the board attorney for further guidance.

⁷ 105 ILCS 5/10-21.9(e) does not state whether the notice requirement is *calendar days* or *business days*. Support for it being *business days* is found later in 105 ILCS 5/10-21.9(e), which requires that notice for *convictions* be provided within 15 business days.

Education in writing within 15 business days, when a database screen finds a *registration* for an individual licensed by ISBE. 105 ILCS 5/10-21.9(e).

ISP and FBI - The ISP and FBI furnish records of convictions (until expunged), pursuant to the District's request, to the Board President. **Note:** The ISP and FBI must "furnish, pursuant to a fingerprint-based criminal history records check, records of convictions, until expunged, to the president of the school board...". See 105 ILCS 5/10-21.9(a) and (g). 20 ILCS 2630/3.3 establishes authority for the ISP to collect fees from the District if the Board wishes to participate in a Federal *Rap Back Service*. Rap Back Service is a capability of the FBI's Next Generation Identification (NGI) system that provides authorized agencies notification of criminal activity and, in limited cases, of civil activity, that occurs after the initial processing and retention of criminal or civil transactions, e.g., an initial fingerprint-based criminal history records check. The Board may determine that it wants to participate. Participation includes ISP submitting fingerprints that the District orders to the FBI Rap Back Service to be retained for the purpose of being searched by future submissions to the FBI Rap Back Service. For a student teacher, the report shall be returned to the Superintendent or designee (see ISBE's non regulatory guidance document, *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, at: www.isbe.net/Documents/guidance_chr.pdf).

Board President - The School Code requires the Board President to keep a conviction record confidential. The information may only be shared between the Board President, the Superintendent or designee, Regional Superintendent (if the check was requested by the District), State Superintendent of Education, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the ISP and/or Statewide Sex Offender Registry for clarification purposes, or the Teachers' Retirement System of the State of Illinois (TRS) when the board learns that a teacher has been convicted of a felony. See 105 ILCS 5/10-21.9(b), 105 ILCS 5/21B-10, [amended by P.A. 104-128](#), and 105 ILCS 5/21B-85, amended by P.A. [103-512-552](#). Regional Superintendent/Suburban Cook County Intermediate Service Center Executive Director - The Superintendent or designee may require the applicant to authorize the Regional Superintendent or Suburban Cook County Intermediate Service Center Executive Director, whichever is appropriate, to conduct the check when an applicant is (1) seeking employment in more than one District simultaneously as (a) a substitute teacher, (b) a concurrent part-time employee, and/or (c) educational support personnel, or (2) the employee works for a contractor holding contracts with more than one district. The Regional Superintendent or Suburban Cook County Intermediate Service Center Executive Director, whichever is appropriate, also performs a check of the Statewide Sex Offender Registry, <https://sor.isp.illinois.gov/sorpublic/https://isp.illinois.gov/Sor/Disclaimer>, as authorized by the Sex Offender Community Notification Law (730 ILCS 152/115), and the Violent Offender Against Youth Registry, <https://sor.isp.illinois.gov/sorpublic/https://isp.illinois.gov/MVOAY/Disclaimer>, as authorized by the Murderer and Violent Offender Against Youth Registration Act (730 ILCS 154/75-154/105). Contractors - The above requirements for a *complete criminal history records check* apply to all employees and agents of contractors who have direct, daily contact with students. 105 ILCS 5/10-21.9(f). Every contractor with the District shall: (1) make every employee or agent who will have direct, daily contact with students submit to a complete criminal history records check, (2) confirm that it will make those employees available to the District for the criminal history records check, and (3) submit payment for the costs of the check(s) to the District.

Note: The provisions in 105 ILCS 5/10-21.9(f) and (g) apply to employees of contractors who have “direct, daily contact” with students. To be comprehensive and to eliminate uncertainty, this procedure and Board policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*, may require a criminal history records check on all employees of contractors who may work in any school building or on school property. Whether the District uses the comprehensive language or the direct language from the School Code, the District, not the contractor, must perform the background checks. Contractors are not authorized under any State or federal law to: (1) conduct the required criminal history background checks; or (2) see the employee’s criminal history furnished by the ISP and the FBI.⁸ All contracts should also require the contractor to purchase insurance to cover misconduct by their employees and/or an indemnification clause. Additionally, the Superintendent or designee should check insurance coverage to determine whether employees of contractors are covered. See also Board policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*, and administrative procedure 4:60-AP3, *Criminal History Records Check of Contractor Employees*, for the responsibilities of contractors. Last, if the District has received, within the last year, information that concerns the record of conviction and identification as a sex offender of any contractors’ employees, the District must provide the information to another school or school district that requests it. 105 ILCS 5/10-21.9(f-5). ~~For more information, see ISBE’s non-regulatory guidance document, *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, available at www.isbe.net/Documents/guidance_chr.pdf.~~ Unless notified by the individual named in a criminal history records information (CHRI) request or by the ISP that the information furnished in a CHRI report is inaccurate or incomplete, the District cannot be liable for damages to any person to whom the CHRI pertains for actions it reasonably took in reliance on the accuracy and completeness of CHRI report. 20 ILCS 2635/7(A)(3).

District - The District complies with 105 ILCS 5/10-21.9, amended by P.A. ~~103-1548~~ ~~102-552~~ and ~~102-702~~, and 5/21B-80, ~~amended by P.A. 102-552~~. Administrative Procedure - Coordination with Children's Advocacy Center¹

Children's Advocacy Centers (CACs) are child-focused, trauma-informed, facility-based programs that provide a multi-disciplinary, comprehensive response to child abuse. Illinois CACs are organized and operate under the Children's Advocacy Center Act. 55 ILCS 80/. CACs are accredited based on standards set by the National Children's Alliance. 55 ILCS 80/2.5. See www.nationalchildrensalliance.org/.

If the District is located within a county that is served by an accredited CAC, it must coordinate with the CAC to implement the **Alleged Incidents of Sexual Abuse; Investigations** subhead of Board policy 5:90, *Abused and Neglected Child Reporting*. 105 ILCS 5/22-85. For a map of accredited CACs, and to identify a CAC that may serve the District, see www.childrensadvocacycentersofillinois.org/about/map. Use this procedure to coordinate with the District's local CAC.

Criminal Code of 2012, 720 ILCS 5/11-1.509-1A) that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred either: on school grounds during a school activity, outside of school grounds, or not during a school activity. 105 ILCS 5/22-85(b).²

Sexual Abuse and Sexual Assault – See Ill. Criminal Code of 2012 definitions at:
720 ILCS 5/11-9.1A. Permitting sexual abuse of a child.

¹ This procedure cites the minimum requirements of State law. Modify this procedure based upon the District's specific implementation needs and any additional needs of the CAC that serves the District.

² See the f/n 15 analysis in sample policy 5:90, *Abused and Neglected Child Reporting*. To provide boards with clarity, this procedure uses the definition of *sexual abuse* from the Ill. Criminal Code of 2012.

- 720 ILCS 5/11-1.20. Criminal sexual assault.
- 720 ILCS 5/11-1.30. Aggravated criminal sexual assault.

Administrative Procedure – Remote and/or Blended Remote Learning Day Plan(s)

*Use this procedure in conjunction with the subhead **Suspension of In-Person Instruction; Remote and/or Blended Remote Learning Day Plan(s)** in Board policy 4:180, *Pandemic Preparedness; Management; and Recovery*.*

When the District must implement a Remote and/or Blended Remote Learning Day Plan (Plan) that designates *remote learning days* (RLDs) and/or *blended remote learning days* (BRLDs) for instruction in grades pre-kindergarten through 12, the Superintendent must approve¹ a Plan, present the Plan to the Board for adoption² prior to its implementation, implement the Plan after Board approval, and post it on the District's website.

The Superintendent will begin the process of developing a Plan in one of the two following ways:

1. Adapting the District's e-learning program (adopted by the Board pursuant to 105 ILCS 5/10-20.56) into a Plan³ and ensuring that it is posted on the District's website and communicated to the community in accordance with this procedure.⁴ See *E-learning Program; Days*, in the **Definitions** subhead below for more information about an e-learning program.
2. Using this procedure if the District has not implemented an e-learning program.⁵

The footnotes should be removed before the material is used.

¹ 105 ILCS 5/10-30(3) states "the district shall adopt a remote and blended remote learning day plan approved by the district superintendent." This presents a governance best practice conundrum. For ease of administration, to avoid confusion during implementation and to align with the IASB *Foundational Principles of Effective Governance* (https://www.iasb.com/conference-training-and-events/training/training-resources/foundational-principles-of-effective-governance/www.iasb.com/principles_popup.cfm), this administrative procedure requires the superintendent to present the approved plan to the board for adoption prior to district-wide implementation and posting on the district's website. See f/n 13 in sample policy 4:180, *Pandemic Preparedness; Management; and Recovery* for further discussion.

³ *Id.* at 5/10-30(2). If the board has implemented an e-learning program in the district, it should adapt the program into a Plan by ensuring that the requirements for communicating the Plan are met. See f/n 4 below. Consult the board attorney regarding the impact, if any, of 105 ILCS 5/10-20.56(d-10), (d-15), and (d-20), added by P.A. 102-697, which requires boards to pay educational support personnel and contractors their regular rate of pay on e-learning days, unless they are rescheduled. The law limits the number of e-learning days to the minimum number of emergency days in the approved school calendar; it is unclear if those days would still need to be paid in the event an e-learning program is adapted into a Plan. *Id.*

Definitions

Blended Remote Learning Days (BRLDs) – School attendance days during which the District provides hybrid days of in-person and remote instruction to students.⁶ Once the State Superintendent of Education declares that the District must use ~~remote learning days~~RLDs or ~~blended remote learning days~~BRLDs, the Superintendent implements these days in grades pre-kindergarten through 12. These days are counted as days of attendance and are pupil attendance days for calculation of the length of a school term under 105 ILCS 5/10-19 and 5/10-19.05. If the District has implemented an *e-learning program*, these school attendance days may be met through it. See 105 ILCS 5/10-30.

E-learning Program; Days – E-learning is short for electronic learning. As an optional instructional tool for school districts, e-learning days are part of an implemented e-learning program in the District that:

1. Uses the Internet, telephones, texts, chat rooms, or other similar means of electronic communication for instruction and interaction between teachers and students that meet the needs of all learners; and
2. Addresses a district's responsibility to ensure that all teachers and staff who may be involved in the provision of e-learning have access to any and all hardware and software that may be required for the program.

An e-learning program is implemented after a school board:

1. Adopts a resolution to implement research-based program(s) for district-wide e-learning days that permit student instruction to be received electronically while students are not physically present in lieu of the district's scheduled emergency days as required by 105 ILCS 5/10-19 (105 ILCS 5/10-20.56(b), amended by P.A. 103-780);
2. Conducts a public hearing on the District's initial e-learning program proposal or renewal with at least 10 days' advanced notice (Id. at 5/10-20.56(c)); and
3. Before the implementation of any e-learning days in that school year, to ensure access for all students, receives verifications by the regional office of education (ROE) or intermediate service center (ISC) that the board's proposal for an e-learning program has: (a) met the requirements specified in 105 ILCS 5/10-20.56, amended by P.A. ~~s 102-584, 102-697, and~~ 103-780; (b) the components designed to reasonably and practicably accomplish the requirements outlined in the enabling statute; and (c) not exceeded the minimum number of emergency days in a district's approved school calendar. In its verification process, the ROE/ISC ensures that the specific needs of all students are met, including special education students and English Learners, and that all mandates are still met using the proposed research-based program. See 105 ILCS 5/10-20.56(b), amended by P.A. ~~s 102-584 and~~ 103-780.

While the ROE/ISC must annually verify a district's e-learning program, the Board's approval of an e-learning program is for a term of three school years. 105 ILCS 5/10-20.56(d)(10), amended by P.A. 103-780.

Plan – The District's formal implementation of remote instruction that includes RLDs and BRLDs. If the District already has an e-learning program in place, it should adapt the program into a Plan by

The footnotes should be removed before the material is used.

⁶ The law is silent regarding whether BRLDs must be in-person and remote on the same day or whether they may include in-person instruction on one day and remote learning on different day. BRLDs is a term commonly used in higher education, and in higher education, in-person and remote instruction may take place on the same day or on different days.

ensuring that the requirements for communicating the Plan, e.g., website posting, etc. are met.⁷ When finalized, it is provided to students and faculty, posted on the District’s website where other policies, rules, and standards of conduct are posted, and listed in exhibit 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*. Plans should be periodically reviewed and amended to ensure the needs of all students continue to be met throughout the suspension of in-person learning. If a plan is amended, post the amended plan to the District website.⁸

Remote Learning Days (RLDs) – Remote learning is learning that happens outside of the traditional classroom because the student and teacher are separated by distance and/or time. Remote learning can be real-time or flexibility-timed, and it may or may not involve technology. School attendance days are days that the District provides remote instruction to students. Once the State Superintendent of Education declares that the District must use ~~remote learning days~~RLDs or ~~blended remote learning days~~BLRDs, the Superintendent implements these days in grades pre-kindergarten through 12 on days of attendance. These days are counted as pupil attendance days for calculation of the length of the District’s official calendar under 105 ILCS 5/10-19 and 5/10-19.05. If a district has implemented an e-learning program, these school attendance days may be met through it. Five RLDs, taken consecutively or in separate increments, may be used to develop, review, or amend the District’s Plan or provide professional development to staff about remote education; i.e., *Remote Learning Planning Days*. See 105 ILCS 5/10-30.⁹

Remote Learning Planning Days – ~~If the district does not implement an e-learning program, then a district may use up~~ to five consecutive or separate increment days ~~that a district may use~~ to develop, review, or amend its Plan or to provide professional development to staff about remote education. These days are counted as days of attendance and are pupil attendance days for calculation of the length of a school term under 105 ILCS 5/10-19 and 5/10-19.05. See 105 ILCS 5/10-30.¹⁰

¹⁷ This committee is optional. Establishing it is a best practice for aligning with governance principles and examining the many implementation issues specific to each individual school district. While smaller school districts, i.e., one-building districts, may be able to implement a Plan through one meeting, larger school districts will likely require the uniform coordination that this committee provides.

Administrative Procedure - Checklist for Development, Implementation, and Maintenance of Parent and Family Engagement Compacts for Title I Programs¹

The development, implementation, and maintenance of school-level parent/guardian and family engagement compacts must be ~~accomplished with~~carried out through meaningful consultation with parents/guardians of children participating in Title I programs. The Superintendent must designate a person ~~to~~who will be responsible for the process of obtaining meaningful consultation. 1. The District involves parents/guardians and family members in the joint development of the District's ~~Plan~~ to help low-achieving children meet challenging achievement and academic standards (20 U.S.C. §6312), and the development of comprehensive and targeted support and improvement plans (20 U.S.C. §§6311(d)(1), (2)) by:

The numbered paragraphs correspond to requirements in the Elementary and Secondary Education Act, 20 U.S.C. §6318(a)(2)(A)-(F). Exhibit - Student Authorization for Access to the District's Electronic Networks

*This form accompanies ~~Administrative Procedure~~ 6:235-AP1, *Acceptable Use of the District's Electronic Networks*. It must be signed when students will have unsupervised Internet access or when supervision will be minimal. Please submit this form to the Building Principal.*

Dear Parents/Guardians:

Our ~~School~~District has the ability to enhance your child's education through the use of its electronic networks, including the Internet. Our goal in providing this service is to promote educational excellence by facilitating resource sharing, innovation, and communication. Students and their parents/guardians need only sign this *Authorization for Access to the District's Electronic Networks* ([Authorization](#)) once while the student is enrolled in the ~~School~~District.

The District *filters* access to materials that may be defamatory, inaccurate, offensive, or otherwise inappropriate in the school setting. If a filter has been disabled or malfunctions it is impossible to control all material and a user may discover inappropriate material. Ultimately, parents/guardians are responsible for setting and conveying the standards that their child should follow, and the ~~School~~District respects each family's right to decide whether or not to authorize Internet access.

With this educational opportunity also comes responsibility. The use of inappropriate material or language, or violation of copyright laws, may result in the loss of the privilege to use this resource. Remember that you are legally responsible for your child's actions. If you agree to allow your child to have a network account, sign the *Authorization form* below and return it to your school.

I have read this *Authorization* form. I understand that access is designed for educational purposes and that the District has taken precautions to eliminate controversial material. However, I also recognize it is impossible for the District to restrict access to all controversial and inappropriate materials. I will hold harmless the District, its employees, agents, or Board members, for any harm caused by materials or software obtained via the network. I accept full responsibility for supervision if and when my child's use is not in a school setting. I have discussed the *Acceptable Use of the District's Electronic Networks* with my child. I hereby request that my child be allowed access to the District's electronic networks, including the Internet.

Administrative Procedure - Web Publishing Guidelines

General Requirements

All material published on the District's website must have educational value and/or support the District guidelines, goals, and policies. Material appropriate for web publishing includes information about the District and its School Board members, agendas, policies, appropriate administrative procedures, Department activities or services, schools, teachers or classes, student projects, and student extracurricular organizations.¹ Personal information, not related to education, will not be allowed on the District's website.

The District ~~webmaster~~ website administrator shall implement a centralized process for review and uploading of material onto the District's website to ensure that, before material is published, it complies with ~~Board~~ District policy and procedures.² The District ~~website administrator~~ webmaster shall supervise the efforts of all staff members responsible for web publishing at each level of District web publishing and, when appropriate, hold in-service opportunities for those staff members. The staff members responsible for web publishing are identified in these procedures in the section **Different Levels of Web Publication**. The District ~~website administrator~~ webmaster shall provide regular feedback and suggestions to the Superintendent regarding these Guidelines.

All content published on the District's website must:

1. Comply with all State and federal law concerning copyright, intellectual property rights, accessibility,³ and legal uses of network computers.
2. Comply with Board policies, administrative procedures, these Guidelines, and other District guidelines provided for specific levels of publishing. This specifically includes the Board's *Access to Electronic Networks* policy and the District's procedures on *Acceptable Use of the District's Electronic Networks*.⁴
3. Due to limited storage space and varying network speeds, file sizes may be limited by the District ~~website administrator~~ webmaster.
4. Comply with the publishing expectations listed below.

Material that fails to meet these Guidelines or is in violation of Board policy and/or procedures shall not be published on the District's website. The District reserves the right to remove any material in

The footnotes should be removed before the material is used.

¹ IASB Policy Services provides web publishing services for board policy manuals. For information about these services and to see sample policy manuals online, visit www.iasb.com/policy. See [sample exhibit 2:250-E2, Immediately Available District Public Records and Web-Posted Reports and Records](#), for a listing of items that are required by law to appear on a district's website.

² A centralized process for review and uploading of material on district web pages will assist compliance with law and ~~board~~ district policy and administrative procedures in a consistent fashion across the district. If appropriate, replace "District ~~website administrator~~ webmaster" with correct title (e.g., District Network System Administrator).

³ See [sample policy 2:260, Uniform Grievance Procedure](#), at [f/n 4](#) for discussion of website accessibility standards under State and federal law.

⁴ See [sample policy 6:235, Access to Electronic Networks](#), and [sample administrative procedure 6:235-API, Acceptable Use of the District's Electronic Networks](#).

violation of its policy or procedures. Failure to follow these Guidelines or Board policy and/or procedures may result in loss of privileges, disciplinary action, and/or appropriate legal action.

Publishing Expectations

The following are minimum expectations for all District web pages:

1. The style and presentation of web published material should be of high quality and designed for clarity and readability. Material shall not be published in violation of the District's procedures on *Acceptable Use of the District's Electronic Networks*, including material that is abusive, obscene, profane, sexual threatening, harassing, knowingly false or invades the privacy of any individual. Anonymous messages are prohibited.
2. Correct grammar and spelling are expected.
3. All information must be verifiable.
4. Publications must include a statement of copyright when appropriate and indicate that permission has been secured when including copyrighted materials.
5. Publications must identify affiliation with the District, school, and/or department.
6. Widespread use of external links to non-District websites is discouraged, but if used, the external sites must contain appropriate educational materials and information as exclusively determined by the District.⁵ Every effort should be made to ensure that all links are operational. Every link to an external website must open a new browser window.⁶
7. Relevant dates are required on all publications, including the date on which the publication was placed on the District's website. Each site should contain the date the page was last updated.
8. All publications must include the District email address of the staff member responsible for the page. This provides a contact person for questions or comments. If a student is the publisher, the sponsoring staff member's email must be included as the responsible person. Only District staff members may act as student sponsors.
9. Use of the District's website for personal or financial gain is prohibited. No commercial or private accounts should be listed on any District web pages.
10. All documents should be previewed on different web browsers, especially Google Chrome, Mozilla Firefox, or Microsoft Edge, before being posted on the District's website.

For more information about these expectations or other issues related to web publishing, please contact the System Administrator.

Protecting Student and Staff Privacy

Personal information concerning students or staff members, including home addresses and telephone numbers, shall not be published on District web pages.

The footnotes should be removed before the material is used.

⁵ External links have two problems: (1) schools cannot control the content of those sites but may be held responsible for directing visitors, including students, to them, and (2) widespread use may inadvertently create a public forum or raise First Amendment concerns if and when objectionable links are rejected for publication. However, with vigilant supervision and appropriate controls, these risks can be reduced. The district may replace this sentence with the following:

External links to non-District websites are limited to sites containing appropriate educational materials and information as exclusively determined by the District.

⁶ The external website link must be programmed to open a new browser window. If the district believes it is too limiting to require every link to an external website to open a new browser window, remove the requirement from this procedure as well as [exhibit 6:235-E3, Online Privacy Statement](#).

A student's last name, last name initial, and grade-level shall not be published on District web pages. In addition, student records shall not be disclosed.⁷ In special circumstances (e.g., where accolades are warranted), the sponsoring staff member should contact the Building Principal who may seek permission from the student's parents/guardians. Web pages shall not display student pictures with a student identified by his or her name unless written parental permission was first granted (e.g., by executing the form *Using a Photograph or Videotape of a Student*).⁸ Student email addresses, whether a personal or District account, shall not be listed on any District web page.

Submitting Material to Be Published

Everyone submitting material for publication on the District's website shall have signed an *Authorization for Access to the District's Electronic Networks*. Before material is published on the District's website, the author must authorize the District in writing to publish the material, unless the District owns the copyright. All material submitted by a teacher or other staff member for publication on the District's website is deemed "work for hire," and the copyright in those works vests in the District.⁹ All material submitted for the District's website is subject to treatment as a District-sponsored publication.

Different Levels of Web Publication

The following guidelines provide specific information regarding web publishing at different levels within the District. At each level, a staff member is identified as being responsible for web publishing at that level. This individual's web publishing efforts are supervised by the District [website administrator/webmaster](#).

District-Level

The District [website administrator/webmaster](#) conducts the District-level web publishing efforts and supervises other levels of web publishing. District-level publishing includes the District's homepage as well as any publishing activities representing the District as a whole, e.g., information about Board meetings, Board policy, and schedules. The District homepage shall have a link to an Online Privacy Statement.¹⁰

Department-Level

District departments (e.g., Transportation, Personnel, or Curriculum) may publish their own web pages as part of the District's website. The department supervisor or director is ultimately responsible for his or her respective department's web pages, but may appoint a staff member as the department's [website administrator/webmaster](#) to fulfill the maintenance, reviewing, and uploading tasks. The department supervisor or director shall keep the District [website administrator/webmaster](#) informed of who is the department [website administrator/webmaster](#).

The web-published material should coincide with that department's printed material. The District [website administrator/webmaster](#) should be consulted before publishing potentially sensitive material, e.g., school comparisons or student data.

The footnotes should be removed before the material is used.

⁷ The requirements of the Family Educational Rights and Privacy Act as well as the Ill. School Student Records Act severely limit website publication of student information. Even obtaining parental consent is problematic because, under 105 ILCS 10/6(a)(8), the consent must identify the recipients of the student records, which is impossible with web publishing.

⁸ See [sample exhibit 7:340-AP1, E2, Using a Photograph or Videotape of a Student](#).

⁹ See [sample administrative procedure 5:170-AP1, Copyright Compliance](#).

¹⁰ See [sample exhibit 6:235-E3, Online Privacy Statement](#).

The department front pages should maintain the look and feel of the District homepage: – the connection to the District should be obvious. Links to the main website’s homepage must be included at the bottom of main pages, and the District’s logo must be included at the top of main front pages of each department.

School-Level

The Building Principal is ultimately responsible for his or her respective school’s webpages, but may appoint a staff member as the school [website administrator/webmaster](#) to fulfill the maintenance, reviewing, and uploading tasks. The Building Principal shall keep the District [website administrator/webmaster](#) informed of who is the school [website administrator/webmaster](#). All official material originating from the school will be consistent with the District style and content guidelines. The Building Principal or school [website administrator/webmaster](#) may develop guidelines for the various sections of and contributors to the school’s web pages.

Staff-Level

Any teacher or other staff member wanting to create web pages for use in class activities or to provide a resource for other teachers or staff members shall notify the school [website administrator/webmaster](#) of his or her desired publishing activities.

Student-Level ¹¹

A student wanting to create web pages on the District’s website as part of a class or school-sponsored activity should request a teacher or staff member to sponsor the student’s publishing efforts. The sponsoring teacher or staff member shall notify the school [website administrator/webmaster](#) of the desired publishing activities. The student’s web page must include an introduction written by the sponsor that describes the intent of the student’s web page and contains the sponsor’s District email address. Student web pages will be removed at the end of the school year unless special arrangements are made.

Personal web pages are not allowed on the School District’s web server. Likewise, student web pages may not contain commercial or advertising links, including links to games and advertisements for games.

¹¹ Student free speech rights on the Internet are not absolute. For class or school-sponsored activities, school officials may impose some limits on what appears in school-sponsored student publications. *Hazelwood v. Kuhlmeier*, 484 U.S. 260 (1988). However, content written by student journalists for school-sponsored media receives additional protections under the Speech Rights of Student Journalists Act. 105 ILCS 80/. See [sample](#) policy 7:315, *Restrictions on Publications; High Schools*, for additional information about that act’s requirements. For a discussion about disciplining students for off-campus conduct, which, depending upon the circumstances, may involve content posted by students online, see [sample](#) policy 7:190, *Student Behavior* at f/n 3.

Administrative Procedure - Anaphylaxis Prevention, Response, and Management Program¹

The following procedure implements [Board](#) policy 7:285, *Anaphylaxis Prevention, Response, and Management Program*, which is based upon the Ill. State Board of Education's (ISBE) *Anaphylaxis Response Policy for Schools (ISBE Model)*, available at: www.isbe.net/Documents/Anaphylactic-policy.pdf (105 ILCS 5/2-3.190, [amended by P.A. 104-391](#), ~~added by P.A. 102-413 and renumbered by P.A. 102-813~~). The District's Anaphylaxis Prevention, Response, and Management Program is developed and collectively implemented by local school officials, District staff, students and their families, and the community. This administrative procedure contains three sections as follows:

1. Glossary of Terms
2. Anaphylaxis Prevention, Response, and Management Program
3. Individual Allergy Management (Three Phases)
 - Phase One: Identification of Students with Allergies
 - Phase Two: Plan to Reduce Risk of Allergic Reactions
 - Phase Three: Response to Allergic Reactions

Glossary of Terms

The Terms Related to This Model Anaphylaxis Response Policy of the ISBE Model (p. 4) is incorporated here by reference. In this procedure, the term **epinephrine injector** is used in lieu of **epinephrine auto-injector** (*ISBE Model*, p. 4) because that is the term used in the School Code, but they have the same meaning.

Anaphylaxis — A severe systemic allergic reaction from exposure to allergens that is rapid in onset and can cause death. An anaphylactic reaction can occur up to one to two hours after exposure to the allergen. Common allergens include animal dander, fish, latex, milk, shellfish, tree nuts, eggs, insect venom, medications, peanuts, soy, and wheat.

The footnotes should be removed before the material is used.

¹ **“Note:”** messages appear throughout this procedure to highlight legal issues and available customization options. This format is a departure from ~~the PRESS's publication's~~ general format, which usually provides finished procedures that are ready for immediate use and implementation. This procedure follows the legal requirements for what an anaphylaxis prevention, response, and management program must include, but development and implementation of the actual program is subject to a district's resources and circumstances, i.e., the size of the school district, conditions in individual buildings, and an individual student's needs.

The first paragraph's second sentence is optional. Remove it if the board removed the optional clause discussed in f/n 3 of sample policy 7:285, *Anaphylaxis Prevention, Response, and Management Program* (Program). The purpose of the sentence is to allocate responsibility for allergy management among the district, staff, and allergic students and their families and alert the community that successful implementation relies upon everyone to understand the seriousness of food and non-food allergies.

The Ill. State Board of Education (ISBE)'s *Anaphylaxis Response Policy for Schools (ISBE Model)* does not prescribe or suggest any particular sample forms to be used as part of a district's Program. This procedure suggests sample forms that are made available through resources cited by the *ISBE Model*. Given the expansion of State law to address not only food allergies, but other allergies that could result in anaphylaxis, districts should ensure that whatever forms they use can accommodate both food and non-food allergies.

Anaphylaxis Prevention, Response, and Management Program (Program) — The overall process that the Superintendent and other District-level administrators use to implement [Board](#) policy 7:285, *Anaphylaxis Prevention, Response and Management Program*, which is based upon the *ISBE Model*.

Anaphylaxis Prevention, Response, and Management Committee (Committee) — A District-level team that the Superintendent creates to develop an Anaphylaxis Prevention, Response, and Management Program. It monitors the District’s Anaphylaxis Prevention, Response, and Management Program for effectiveness and establishes a schedule for the Superintendent to report information back to the Board once every three years.

CDC Guidelines — The *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs*, published by the Centers for Disease Control and Prevention (2013) and available at: www.cdc.gov/school-health-conditions/media/pdfs/20_316712-A_FA_guide_508tag.pdf and www.cdc.gov/healthyschools/foodallergies/pdf/20_316712-A_FA_guide_508tag.pdf. The CDC Guidelines are referred to in the *ISBE Model* as “a full food allergy and prevention of allergen exposure plan.” The CDC Guidelines are focused on the management of food allergies, but they also mention other allergens that may result in anaphylaxis (p. 21).

Individual Allergy Management — The process at the building level used to manage and prevent anaphylaxis. The process identifies: (a) students with allergies, (b) procedures to prevent exposure to known allergens, and (c) appropriate responses to allergic reactions. It is synonymous with the third section in this sample administrative procedure.

Individualized Educational Program/Plan (IEP) — A plan or program developed to ensure that a child who has a disability identified under the law and is attending a public elementary or secondary school receives specialized instruction and related services.

Individual Health Care Plan (IHCP) — A document that outlines an allergic student’s needs, and at minimum, includes the precautions necessary for allergen avoidance and emergency procedures and treatments. Its function is similar to a 504 Plan (see below). **Important:** Consult the Board Attorney about whether the Program should implement a 504 Plan or IHCP. This Program’s procedures implement 504 Plans only. Insert IHCP in place of or in addition to 504 Plan in this document if the District will also implement IHCPs.

504 Plan — A document that outlines an allergic student’s needs, necessary accommodations, and individual staff member responsibilities. Its function is identical to an IHCP while also including procedural protections (see above). This Program’s procedures implement 504 Plans only. Important: Consult the Board Attorney about whether implementing only 504 Plans is the best method. Many attorneys agree that a 504 Plan is the best (although not universal) practice for a student with a diagnosis of an allergy.²

504 Team — A building-level team that implements the phases of Individual Allergy Management in a student’s 504 Plan. Insert “IHCP Team” in place of or in addition to “504 Team” if the district will also implement IHCPs. **Note:** If the District implements IHCPs, gathering information, identifying

The footnotes should be removed before the material is used.

² Prior to the 2008 amendments to the Americans with Disabilities Act, courts frequently found that allergies were not disabilities under Section 504 (see, e.g., *Smith v. Tangipahoa Parish Sch. Bd.*, 2006 WL 3395938 (D.Ct. LA 2006)). As a result, schools commonly drafted Individual Health Care Plans (IHCP) and Emergency Action Plans (EAP) for allergic students instead of Section 504 Plans. The ADA Amendments Act of 2008 (Pub. L. 110-325) significantly broadened the definition of *substantially limits* to include disabilities that are inactive or in remission. These amendments generally support Section 504 entitlement for students with allergies because an allergic reaction will *substantially limit* the major life activity of *breathing* when anaphylaxis occurs.

methods to prevent exposure, and assigning staff responsibilities will rely heavily on the Nurse/Designated School Personnel (DSP)³, not a 504 Team.

Anaphylaxis Prevention, Response and Management Program

This section relies heavily upon District-level administrators to implement the Program even if the District has no students with food or other allergies. 105 ILCS 5/2-3.190, [amended by P.A. 104-391](#), ~~added by P.A. 102-413 and renumbered by P.A. 102-813~~. This is because identification of students at risk of anaphylaxis cannot be predicted, and it is possible that a student who has not been identified could have his or her first reaction at school. CDC Guidelines, p. 9. This section references the *ISBE Model* and aligns with governance principles so that District-level administrators can: (a) integrate the Program into the District’s existing policies and procedures, (b) engage in ongoing monitoring of the Program, (c) assess the Program’s effectiveness, and (d) inform the Board about the Program along with recommendations to enhance its effectiveness.

Note: Modify this section based upon the District’s specific implementation needs. The only mandate in 105 ILCS 5/2-3.190 was that school boards implement a policy based upon the ISBE Model by 8-17-22. Implementation methods are many; this Program provides one method.

Some school districts may choose to use the <i>ISBE Model</i> document, available at: www.isbe.net/Documents/Anaphylactic-policy.pdf, or create a document that is consistent with the requirements of the <i>ISBE Model</i>, but also reflects the specific needs of the school district.</p> <p>Inform the School Board of the Committee’s progress and needs by adding information items to the Board’s agendas at least once every three years.</p>

Individual Allergy Management

This section’s procedures are implemented each time the school identifies a student with an allergy. It follows policy 6:120, *Education of Children with Disabilities*, and references additional considerations based upon the *ISBE Model*. It relies heavily upon Building Principals and the Nurse/DSP to identify the necessary accommodations for each student and determine which staff members are responsible to provide them. Accommodations are impacted by a number of factors, e.g., the student’s age, the allergen(s) involved, the facilities at each school building, etc.

Epinephrine should be stored in a safe, unlocked, and accessible location in a dark place at room temperature (between 59-86 degrees F). Epinephrine should not be maintained in a locked cabinet or behind locked doors. Trained staff should be made aware of the storage location in each school. It should be protected from exposure to hot, cold, or freezing temperatures. Exposure to sunlight will hasten deterioration of epinephrine more rapidly than exposure to room temperatures. The expiration date of epinephrine solutions should be periodically checked; the drug should be replaced if it is approaching the expiration date. The contents should periodically be inspected through the clear window of the injector. The solution should be clear; if it is discolored or contains solid particles, replace the unit. 3. Regularly (e.g., monthly) check stock epinephrine to ensure proper storage, expiration date, and medication stability. Maintain documentation when checks are conducted. Expired injectors or those with discolored solutions or solid particles should not be used. 4. Dispose of epinephrine injectors in a sharps container.

Administrative Procedure - Program for Managing Student Athlete Concussions and Head Injuries

State Law

1. The Youth Sports Concussion Safety Act (YSCSA) contains concussion safety directives for School Boards and certain identified staff members. 105 ILCS 5/22-80. A School District must implement 105 ILCS 5/22-80 if it offers interscholastic athletic activities or interscholastic athletics under the direction of a coach (volunteer or school employee), athletic director, or band leader. An *interscholastic athletic activity* “means any organized school-sponsored or school-sanctioned activity for students, generally outside of school instructional hours, under the direction of a coach, athletic director, or band leader, including, but not limited to, baseball, basketball, cheerleading, cross country, track, fencing, field hockey, football, golf, gymnastics, ice hockey, lacrosse, marching band, rugby, soccer, skating, softball, swimming and diving, tennis, track (indoor and outdoor), ultimate Frisbee, volleyball, water polo, and wrestling. All interscholastic athletics are deemed to be interscholastic activities.” 105 ILCS 5/22-80(b).
A School District may need to implement its return-to-learn protocol for a student’s return to the classroom after he or she is believed to have experienced a concussion, “whether or not the concussion took place while the student was participating in an interscholastic activity.” 105 ILCS 5/22-80(d). For a comprehensive discussion of this Act, see the IASB publication, *Checklist for Youth Sports Concussion Safety Act*, at: www.iasb.com/iasb/media/documents/checklistconcussionsafetyact.pdf. Helpful guidance for implementing this law plus training modules are available from the Lurie Children’s Hospital’s *A Guide for Teachers and School Professionals*, also available using the above link.
2. 105 ILCS 25/1.15 requires: (a) all high school coaching personnel to complete online concussion awareness training, and (b) all student athletes to view the IHSA video about concussions.
3. 105 ILCS 25/1.20, requires the IHSA to require all member districts that have certified athletic trainers to have those trainers complete and submit a monthly report on student-athletes who have sustained a concussion during: (1) a school-sponsored activity overseen by the athletic trainer; or (2) a school-sponsored event of which the athletic director is made aware. **Concussion** - A complex pathophysiological process affecting the brain caused by a traumatic physical force or impact to the head or body, which may include temporary or prolonged altered brain function resulting in physical, cognitive, or emotional symptoms or altered sleep patterns and which may or may not involve a loss of consciousness. 105 ILCS 5/22-80. See also: *Returning to School After a Concussion: A Fact Sheet for School Professionals*, www.cdc.gov/headsup/media/pdfs/schools/tbi_returning_to_school-a.pdf.
4. 20 ILCS 2310/2310-3207 requires: (a) the Ill. Dept. of Public Health (IDPH), subject to appropriation, to develop, publish, and disseminate a brochure to educate the general public on the effects of concussions in children and discuss how to look for concussion warning signs in children, and (b) schools to distribute this brochure, free of charge, to any child or parent/guardian of a child who may have sustained a concussion, regardless of whether or not the concussion occurred while the child was participating in an interscholastic athletic activity, if available. The IDPH has adopted as its brochure the CDC’s *Heads Up* campaign brochures which include concussion fact sheets for

athletes, parents, coaches, and school professionals, see <https://dph.illinois.gov/topics-services/prevention-wellness/injury-violence-prevention/concussion.html>.

The Superintendent or designee (not a coach) must supervise the person responsible for compliance with the return-to-learn protocol. 105 ILCS 5/22-80(g). The return-to-learn protocol governs a student’s return to the classroom after a concussion, whether or not the concussion took place while the student was participating in an interscholastic athletic activity. Guidance from Lurie Children’s Hospital explains that recovery from a concussion must be an individualized process, because no two concussions are the same. See <i>Return to Learn after a Concussion: A Guide for Teachers and School Professionals</i>, Lurie Children’s Hospital, at: www.luriechildrens.org/globalassets/media/pages/specialties-conditions/programs/concussion-program/documents/lurie-return-to-learn-guide-2017-updated.pdf. This Guide explains that a student’s full recovery depends on both cognitive and physical rest. It suggests using a multidisciplinary team to facilitate a student’s return to the classroom and provides examples of accommodations and interventions. It also stresses the importance of identifying a school staff member who will function as a case manager or concussion management leader, e.g., a school nurse, athletic trainer, or school counselor.</p>

Sections

A. Legal Citations and Definitions

The legal requirements contained in this procedure are followed by a citation to the controlling rule and/or statute. Citations in parentheses indicate the location of a named law. For additional clarification regarding a requirement, the cited law should be reviewed.

Definitions are found in the Ill. School Student Records Act and the Ill. State Board of Education (ISBE) rules. 105 ILCS 10/2; 23 Ill.Admin.Code §375.10. For easy reference, some definitions are re-printed in this procedure.

The release of confidential information given by a student to a therapist, e.g., school counselor or psychologist, is not included in these procedures but is governed by the Mental Health and Developmental Disabilities Confidentiality Act (MHDDCA). 740 ILCS 110/.

B. School Student Records Defined

School Student Record means any writing or other recorded information concerning a student and by which a student may be individually identified that is maintained by a school or at its direction or by an employee of a school, regardless of how or where the information is stored. 105 ILCS 10/2(d).

The footnotes should be removed before the material is used.

¹ Modify this procedure to align it with board policy. Customize it to reflect the district's practice, particularly to specify the district's treatment of records that the law: (1) says may be kept as either permanent records or temporary records; and (2) allows to be kept as directory information.

Special Education Records means school records that relate to identification, evaluation, or placement of, or the provision of a free and appropriate public education to, students with disabilities under the Individuals with Disabilities Education Act (20 U.S.C. §1400 *et seq.*) and Article 14 of the School Code. These records include the report of the multidisciplinary staffing conference on which placement or nonplacement was based and all records and audio recordings in any format relating to special education placement hearings and appeals. 23 Ill.Admin.Code §375.10.

A school student record does not include any of the following:

1. Writings or other recorded information kept in a school staff member's sole possession that is destroyed not later than the student's graduation or permanent withdrawal, and is not accessible or revealed to any other person except a temporary substitute teacher. 105 ILCS 10/2(d).
2. Information maintained by law enforcement professionals working in the school. 105 ILCS 10/2(d).
3. Video or other electronic recordings created and maintained by law enforcement professionals working in the school or for security or safety reasons or purposes, provided the information was created at least in part for law enforcement or security or safety reasons or purposes. This includes, without limitation, electronic recordings made on school buses, as described in the exemption from the criminal offense of eavesdropping in 720 ILCS 5/14-3(m). The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials for disciplinary or special education purposes regarding a particular student. 23 Ill.Admin.Code §375.10. **Note:** For districts and schools that do not have a designated law enforcement unit, consult the Board Attorney regarding designating an employee to serve as the *law enforcement unit-in-order* to maintain the security camera and determine the appropriate circumstances in which the school would disclose recorded images.
4. Any information, either written or oral, received from law enforcement officials pursuant to 105 ILCS 5/22-20 concerning a student less than the age of 18 years who has been arrested or taken into custody. 23 Ill.Admin.Code §375.10. ²

C. Eligible Students Accorded the Rights of Parent/Guardian

All rights and privileges concerning school student records that are accorded to parents/guardians become exclusively those of the student when the student reaches 18 years of age, graduates from high school, marries, or enters military service, whichever occurs first. 105 ILCS 10/2(g). Such students are called *eligible students* in this procedure.

D. Official Records Custodians

Each Building Principal is designated the Official Records Custodian for his or her respective school and has the duties, without limitation, listed below. ³

1. Is responsible for the maintenance, care, and security of all school student records, whether or not the records are in his or her personal custody or control, and shall take all reasonable measures to protect school student records through administrative, technical, and security

The footnotes should be removed before the material is used.

² Many lawyers believe that once these records are received by a school, they are protected as education records under the federal Family Educational Rights and Privacy Act (FERPA, 20 U.S.C. §1232g). Consult the board attorney for advice.

³ For districts that have a single District-level records custodian rather than one at each school, use the following alternative sentence: "The District's Official Records Custodian or designee(s) has the duties, without limitation, listed below."

safeguards against risks, such as unauthorized access, release, or use. 105 ILCS 10/4(a) and (b); 23 Ill.Admin.Code §375.40(g).

2. Reviews student temporary records at least every four years, or upon a student's change in attendance centers, whichever occurs first, to verify entries and to eliminate or correct all out-of-date, misleading, inaccurate, unnecessary, or irrelevant information. The records review is required in any given school year at the time a student first changes attendance centers within the District, but it does not need to be conducted if the student enrolls in a different attendance center later in that same school year. 23 Ill.Admin.Code §375.40(b).
3. When requested by the Ill. Dept. of Children and Family Services (DCFS) due to an indicated finding being overturned in an appeal or hearing, purges DCFS's final finding report from the student's record in accordance with the Ill. School Student Records Act (105 ILCS 10/) on the date of expungement provided by the report. 325 ILCS 5/8.6, amended by P.A. 103-624.
4. Manages requests to access school student records.
5. Transfers a certified copy of the records of students transferring to another school and retains the original records.
6. Provides all required notices to parents/guardians and students, including without limitation, each of the following:
 - a. Upon initial enrollment or transfer to the school and annually thereafter, notification of rights concerning school student records; the notification may be delivered by any means likely to reach parents, including direct mail or email, delivery by the student to the parent, or incorporation into a student handbook. 23 Ill.Admin.Code §375.30; [34 C.F.R. §99.7](#).
 - b. Annual notification of information that is considered to be *directory information* and of the procedures to be used by parents/guardians to request that specific information not be released. 23 Ill.Admin.Code §375.80.
 - c. Notification to secondary students and their parents/guardians that they may opt out of the disclosure of students' names, addresses, electronic mail (email) addresses, birth dates, and telephone listings to military recruiters and institutions of higher learning by submitting a written request that such information not be released without the prior written consent of the parent/guardian. 20 U.S.C. §7908; [10 U.S.C. §503\(c\)](#); [105 ILCS 5/10-20.5a, amended by P.A. 104-15](#).
 - d. Notification of their right to a hearing to challenge any entry in the school student records (except for academic grades) and Official Records Custodian's name and contact information. 23 Ill.Admin.Code §375.90.

Notice to parents/guardians or the student may be provided through: (1) the school's parent or student handbook, (2) publication in a newspaper published in the District or, if no newspaper is published in the District, in a newspaper of general circulation within the district, (3) U.S. mail delivered to the last known address of the parent/guardian or student, or (4) other

means provided notice is confirmed to have been received, e.g., hand delivery, return receipt, or read receipt email. 105 ILCS 10/4(h); 23 Ill.Admin.Code §375.40(c).⁴

7. Takes all action necessary to ensure that school personnel are informed of the provisions of the School Student Records Act. 105 ILCS 10/3(c).
8. Performs all actions required of the District described in this procedure and the laws governing school student records.

The Building Principal may delegate any of these duties to an appropriate staff member but shall remain responsible for the duties' execution.

E. Maintenance of School Student Records 105 ILCS 10/2; 23 Ill.Admin.Code §375.10.

The District maintains two types of school records for each student: a *permanent* record and a *temporary* record.

The *student permanent record* shall consist of the following:

1. Basic identifying information, including the student's name and address, birth date and place, gender, and the names and addresses of the student's parent(s)/guardian(s).
2. Evidence required by the Missing Children Records Act. 325 ILCS 50/5(b)(1).
3. Academic transcripts, including: grades, graduation date, and grade level achieved; as applicable, and if allowed by District policy, scores received on college entrance examinations if that inclusion is requested in writing by an eligible student or the student's parent/guardian⁵; the unique student identifier assigned and used by ISBE's Student Information System (23 Ill.Admin.Code §1.75); as applicable, designation of an Advanced Placement computer science course as a mathematics-based, quantitative course for purposes of meeting State graduation requirements set forth in 105 ILCS 5/27-60522, renumbered by P.A. 104-391; as applicable, designation of the student's achievement of the State Seal of Biliteracy, awarded in accordance with 105 ILCS 5/2-3.159 and 23 Ill.Admin.Code Part 680; as applicable, designation of the student's achievement of the State Commendation Toward Biliteracy, awarded in accordance with 23 Ill.Admin.Code §680.20(c); and as applicable, designation of the student's achievement of the Global Scholar Certification, awarded in accordance with 105 ILCS 5/2-3.169, amended by P.A. 103-979, and 23 Ill.Admin.Code §1.443.
4. Attendance record.
5. Health record, defined by ISBE rule as "medical documentation necessary for enrollment and proof of having certain examinations, as may be required under Section 27-8.1 of the [School] Code."

The footnotes should be removed before the material is used.

⁴ 105 ILCS 10/4(h) requires notice of destruction of student records also be given to DCFS when a student is in its legal custody; however, the law does not specify how that notice is to be delivered to DCFS. A district may wish to rely on item #4) in paragraph e of this list so it has evidence the notice was received.

⁵ 23 Ill.Admin.Code §375.10 provides that districts may, through board policy, allow scores received on college entrance examinations to be included on a student's academic transcript if that inclusion is requested in writing by a student, parent or person who enrolled the student. If board policy allows for the inclusion of such scores on academic transcripts, then the district's notification to parents/guardians and students of their school student records rights must include the process for requesting the inclusion. 23 Ill.Admin.Code §375.30(d)(5).

Note: Though 23 Ill.Admin.Code §375.10 uses the phrase "student, parent or person who enrolled the student," student records rights under ISSRA and FERPA attach to eligible students and their parents/guardians, not to "a person who enrolled the student" (though that person is typically a parent or guardian).

6. Record of release of permanent record information that contains the information listed in Section I, **Record of Release**, below.
7. Scores received on all State assessment tests administered at the high school level (that is, grades 9 through 12). 105 ILCS 5/2-3.64a-5.

If not maintained in the temporary record, the *permanent record* may include:

1. Honors and awards received.
2. Information concerning participation in school-sponsored activities or athletics, or offices held in school-sponsored organizations.

No other information shall be placed in the permanent record.

The *student temporary record* contains all information not required to be kept in the student permanent record and must include:

1. Record of release of temporary record information that contains the information listed in Section I, **Record of Release**, below.
2. Scores received on the State assessment tests administered in the elementary grade levels (kindergarten through grade 8).
3. Completed home language survey. 23 Ill.Admin.Code §228.15(d).

5. Any final finding report received from DCFS provided to the school under the Abused and Neglected Child Reporting Act; no report other than what is required under Section 8.6 of that Act (325 ILCS 5/8.6) shall be placed in the student record. 23 Ill.Admin.Code §375.40(f).
6. Information concerning a student's status and related experiences as a parent, expectant parent, or victim of domestic or sexual violence, as defined in 105 ILCS 5/26A, including a statement of the student or any other documentation, record, or corroborating evidence and the fact that the student has requested or obtained assistance, support, or services related to that status. 105 ILCS 10/2(f), ~~amended by P.A. 102-466~~, a/k/a *Ensuring Success in School (ESS) Law*, ~~eff. 7-1-25~~. See Board policy 7:255, *Students Who are Parents, Expectant Parents, or Victims of Domestic or Sexual Violence*, and the **Confidentiality** subhead of administrative procedure 7:255-AP1, *Supporting Students Who are Parents, Expectant Parents, or Victims of Domestic or Sexual Violence*.
7. Any biometric information that is collected in accordance with 105 ILCS 5/10-20.40.
8. Health-related information, defined by ISBE rule as "current documentation of a student's health information, not otherwise governed by the MHDDCA or other privacy laws, that includes identifying information, health history, results of mandated testing and screenings, medication dispensation records and logs, e.g., glucose readings, long-term medications administered during school hours, documentation regarding a student athlete's and his or her parents' acknowledgment of the District's concussion policy adopted under Section 22-80 of the [School] Code, and other health-related information that is relevant to school participation, e.g., nursing services plan, failed screenings, yearly sports physical exams, interim health histories for sports."

9. Accident report, defined by ISBE rule as “documentation of any reportable student accident that results in an injury to a student, occurring on the way to or from school or on school grounds, at a school athletic event or when a student is participating in a school program or school-sponsored activity or on a school bus and that is severe enough to cause the student not to be in attendance for one-half day or more or requires medical treatment other than first aid. The accident report shall include identifying information, nature of injury, days lost, cause of injury, location of accident, medical treatment given to the student at the time of the accident, or if the school nurse has referred the student for a medical evaluation, regardless of whether the parent or guardian, student (if 18 years or older), or an unaccompanied youth has followed through on that request.”
10. Any documentation of a student’s transfer, including records indicating the school or school district to which the student transferred. 23 Ill.Admin.Code §375.75(e).
11. Completed course substitution form for any student who, when under the age of 18, is enrolled in vocational and technical course or a registered apprenticeship program under 23 Ill.Admin.Code Part 255 as a substitute for a high school or graduation requirement. 105 ILCS 10/4; 23 Ill.Admin.Code §1.445.
12. Information contained in related service logs maintained by the District for a student with an individualized education program under 105 ILCS 5/14-8.02f(d), including for speech and language services, occupational therapy services, physical therapy services, school social work services, school counseling services, school psychology services, and school nursing services.

The *temporary record* may also consist of:

1. Family background information
2. Intelligence test scores, group and individual
3. Aptitude test scores
4. Reports of psychological evaluations, including information on intelligence, personality, and academic information obtained through test administration, observation, or interviews
5. Elementary and secondary achievement level test results
6. Participation in extracurricular activities, including any offices held in school-sponsored clubs or organizations
7. Honors and awards received
8. Teacher anecdotal records
9. Other disciplinary information
10. Special education records
11. Records associated with plans developed under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §701 *et seq.*)
12. Verified reports or information from non-educational persons, agencies, or organizations of clear relevance to the student’s education

F. Retention and Destruction of School Student Records

The permanent record is maintained for at least 60 years after the student transfers, graduates, or permanently withdraws. 105 ILCS 10/4(e). The temporary record is maintained for at least five

years after the student transfers, graduates, or permanently withdraws. 105 ILCS 10/4(f). Individuals adding information to a student's temporary record must include their name, signature, and position and the date the information was added. 105 ILCS 10/4(d). Temporary records that may be of assistance to a student with a disability who graduates or permanently withdraws, may, after five years, be transferred to the parent(s)/guardian(s) or to the eligible student. Appropriate District personnel shall explain to the student and the parent/guardian the future usefulness of these records. 23 Ill.Admin.Code §375.40(d). Be sure to provide notice of destruction of school student records pursuant to 105 ILCS 10/4(h), as noted in D(6)(e), above.

G. Social Security Numbers

School officials, with limited exceptions, may not require students or their parents/guardians to provide Social Security numbers. 5 ILCS 179/, Identity Protection Act. The collection and retention of Social Security numbers shall be in accordance with Board policy 4:15, *Identity Protection*.

H. Access to School Student Records

The phrase "access to a school student record" means any release or disclosure of information from a student's school record, whether or not any record is copied. Access in all cases is limited to the designated portion of the record to which the consent or statutory authority applies.

Neither the District nor any of its employees shall release, disclose, or grant access to information found in any school student record except under the conditions set forth in the Ill. School Student Records Act. 105 ILCS 10/6. Absent a court order, school officials do not provide educational records to U.S. Immigration and Customs Enforcement for immigration enforcement activities.

The Building Principal shall grant access to school student records as detailed below. The Building Principal shall consult with the Superintendent and, if authorized, the Board Attorney concerning any questions.

Access to Parent/Guardian, Eligible Student, or DCFS

1. A student's parent(s)/guardian(s) or eligible student, or designee, or DCFS' Office of Education and Transition Services, when a student is in the legal custody of DCFS, are entitled to inspect and copy information in the student's school record; a student less than 18 years old may inspect or copy information in his or her permanent school record. 105 ILCS 10/5. A request to inspect or copy school student records shall be made in writing and directed to the Building Principal. Access to the records shall be granted within 10 business days after the receipt of such a request. 105 ILCS 10/5(c). The District may extend this timeline by up to five additional business days if one or more of these six reasons applies:
 - a. The requested records are stored in whole or in part at other locations than the office having charge of the requested records;
 - b. The request required the collection of a substantial number of specified records;
 - c. The request is couched in categorical terms and requires an extensive search for the records responsive to it;
 - d. The requested records have not been located in the course of routine search and additional efforts are being made to locate them;
 - e. The request for records cannot be complied with by the school district within the time limits prescribed by subsection (c) without unduly burdening or interfering with the operations of the school district; or

- f. There is a need for consultation, which shall be conducted with all practicable speed, with another public body or school district among two or more components of a public body or school district having a substantial interest in the determination or in the subject matter of the request.

105 ILCS 10/5(c-5).

The District and the person making the request may also agree in writing to extend the timeline for response. Id. The response to an access request for a special education student's records shall include those school student records located in the special education office.

2. The parent(s)/guardian(s), DCFS, if applicable, or the District may request a qualified professional to be present to interpret the student's records. 105 ILCS 10/5(b). If the District makes the request, it is responsible for securing and bearing the cost of the professional's presence.
3. Unless the District has actual notice of a court order or a notice of a *parenting plan* under the Ill. Marriage and Dissolution of Marriage Act, indicating otherwise:
 - a. Divorced or separated parents/guardians with and without *parental responsibility* (formerly custody) are both permitted to inspect and copy the student's school student records. 750 ILCS 5/602.11.
 - b. The Building Principal shall send copies of the documents listed below to both divorced or separated parents/guardians, or if the student is in the legal custody of DCFS, DCFS' Office of Education and Transition Services, at their request. 105 ILCS 5/10-21.8.
 - i. Academic progress reports or records
 - ii. Emotional and physical health reports
 - iii. Notices of school-initiated parent-teacher conferences
 - iv. School calendar regarding the student
 - v. Notices about open houses, graduations, and other major school-sponsored events including student-parent/guardian interaction
4. The school will deny access to a student's school records to a parent against whom an *order of protection* (OP) was issued if the OP prohibits the parent from inspecting or obtaining such records pursuant to the Domestic Violence Act of 1986 or the Code of Criminal Procedure of 1963. See the Ill. Marriage and Dissolution of Marriage Act, 750 ILCS 5/602.11(a), and 750 ILCS 60/214(b)(15), and 222(f). Also see **Orders of Protection**, below.⁶
5. Parent(s)/guardian(s) or the student, or if applicable, DCFS' Office of Education and Transition Services, shall not be granted access to confidential letters and recommendations concerning the admission to a post-secondary educational institution, applications for employment or the receipt of an honor or award which were placed in the records prior to 1-1-75, provided such letters and statements are not used for purposes other than those for which they were specifically intended. Access shall not be granted to such letters and statements entered into the record at any time if the student has waived his or her right of access after being advised of

The footnotes should be removed before the material is used.

⁶ This may conflict with FERPA in that it restricts a parent/guardian's right to access his or her child's school records more than is expressly permitted by FERPA. 20 U.S.C. §1232g(a)(1)(A), (B); 34 C.F.R. §99.10(a). Contact the board attorney for guidance.

his or her right to obtain the names of all persons making such confidential letters and statements. 105 ILCS 10/5(e).

Access With Consent of Parent/Guardian or Eligible Student

1. Access will be granted to any person possessing a written, dated consent, signed by the parent(s)/guardian(s) or eligible student, stating to whom the records may be released, the information or record to be released, and the reason for the release. 105 ILCS 10/6(a)(8); 23 Ill.Admin.Code §375.70(e). Whenever the District requests the consent to release records, the Building Principal shall inform the parent(s)/guardian(s) or eligible student in writing of the right to inspect, copy, and challenge their contents and to limit such consent to designated portions of the records. 105 ILCS 10/6(a)(8).
2. Access to any record that is protected by the MHDDCA, specifically that of a therapist, social worker, psychologist, nurse, agency, or hospital that was made in the course of providing mental health or developmental disabilities services to a student, will be granted according to the consent requirements contained in MHDDCA. 740 ILCS 110/4 and 5.

Access Without Notification to or Consent of Parent/Guardian or Eligible Student

1. District employees or officials of the ISBE will be granted access, without parental/guardian consent or notification, when a current, demonstrable, educational, or administrative need is shown. Access in such cases is limited to the satisfaction of that need. 105 ILCS 10/6(a)(2). Individual board members do not have a right to see student records merely by virtue of their office, unless they have a current, demonstrable educational or administrative interest in the student and seeing his or her record(s) would be in furtherance of the interest. 105 ILCS 10/6(a)(2).
2. Access will be granted, without parental/guardian consent or notification, to any person for the purpose of research, statistical reporting, or planning, provided that no student or parent/guardian can be identified from the information released, and the person to whom the information is released signs an affidavit agreeing to comply with all applicable statutes and rules pertaining to school student records. 105 ILCS 10/6(a)(4).
3. Access will be granted, without parental/guardian consent or notification, to another school district that overlaps attendance boundaries with the District, if the District has entered into an intergovernmental agreement that allows for sharing of student records and information between them. 105 ILCS 10/6(a)(13).⁷
4. The District will comply with an *ex parte* court order requiring it to permit the U.S. Attorney General or designee to have access to a student's school records without notice to or the consent of the student's parent(s)/guardian(s). 20 U.S.C. §1232(g)(j), as added by the Sec. 507 of the U.S.A. Patriot Act of 2001. An *ex parte* order is an order issued by a court of competent jurisdiction without notice to an adverse party.

The footnotes should be removed before the material is used.

⁷ For elementary or high school districts only. Intergovernmental agreements must meet the following requirements: (1) the sharing must be voluntary and at the discretion of each district; (2) the sharing of student information only applies to students that have a) been enrolled in both districts or b) would have been enrolled in both districts based on attendance boundaries, provided the parent/guardian has confirmed in writing that the student intends to enroll or has enrolled in the high school district; and (3) the sharing of student information does not exceed the scope of information that is shared among schools in a unit district. 105 ILCS 10/6(a)(13).

5. A Serious Habitual Offender Comprehensive Action Program (SHOCAP) committee member will be granted access, but only to the extent that the release, transfer, disclosure, or dissemination is consistent with the Family Educational Rights and Privacy Act (FERPA). 105 ILCS 10/6(a)(10) allows disclosure to SHOCAP committee members who are “state and local officials and authorities” as those terms are used in FERPA. This federal law does not define “state and local officials and authorities;” rather, it limits when disclosure may be made to such officials and authorities.
6. Juvenile authorities will be granted access when necessary for the discharge of their official duties upon their request before the student’s adjudication, provided they certify in writing that the information will not be disclosed to any other party except as provided under law or order of court. *Juvenile authorities* means: (a) a circuit court judge and court staff members designated by the judge; (b) parties to the proceedings under the Juvenile Court Act of 1987 and their attorneys; (c) probation officers and court appointed advocates for the juvenile authorized by the judge hearing the case; (d) any individual, public or private agency having court-ordered custody of the child; (e) any individual, public or private agency providing education, medical or mental health service to the child when the requested information is needed to determine the appropriate service or treatment for the minor; (f) any potential placement provider when such release is authorized by the court to determine the appropriateness of the potential placement; (g) law enforcement officers and prosecutors; (h) adult and juvenile prisoner review boards; (i) authorized military personnel; and (j) individuals authorized by court. 105 ILCS 10/6(a)(6.5).
7. [Pursuant to federal law, military recruiters and institutions of higher learning will be granted access to secondary students’ names, addresses, and telephone numbers, unless the student’s parent/guardian submits a written request that such information not be released without the prior written consent of the parent/guardian or eligible student. Only this written consent process may be used; no other processes, such as an opt-in process, etc., may be used. Military recruiters also have access to secondary students’ email addresses under the same conditions. Military recruiters and institutions of higher learning have access to students’ names, addresses, and phone numbers this information even if the District does not release directory information under FERPA or the Ill. School Student Records Act. 20 U.S.C. §7908; 10 U.S.C. §503\(c\). No later than 30 days after receiving a request for student information from military recruiters for military recruiting purposes, the District must provide access to secondary school student names, addresses, email addresses \(which shall be the email addresses provided by the school, if available\), and telephone and mobile phone listings, unless the student’s parent/guardian submits a written request that such information not be released without the prior written consent of the parent/guardian or eligible student. 10 U.S.C. §503\(c\). Pursuant to State law, by July 1, 2026, and each July 1 thereafter, military recruiters, the Ill. Student Assistance Commission, and State public institutions of higher education will also be granted access through a secure centralized system to high school students’ names, home addresses, birth dates, and telephone numbers, unless the student’s parent/guardian submits a written request before the end of the students’ sophomore year \(or if the student is a transfer student, by another time set by the District\) that such information not be released. 105 ILCS 5/10-20.5a, amended by P.A. 104-15. These entities have access to this student information even if the District does not release directory information under FERPA or the Ill. School Student Records Act.](#)

~~7.8.~~ DCFS' Office of Education and Transition Services will be granted access if the student is in the legal custody of DCFS. 105 ILCS 10/6(a)(12.5).

Access Without Consent of, but With Notification to, Parent/Guardian or Eligible Student

1. In accordance with the procedures described in Section L below (Transmission of Records for Transfer Students), access will be granted, without parental/guardian consent, to the official records custodian of another school within Illinois or an official with similar responsibilities of a school outside Illinois, in which the student has enrolled or intends to enroll, upon the request of such official or student. 105 ILCS 10/6(a)(3).
2. Access will be granted pursuant to a court order, provided that the parent(s)/guardian(s) shall be given prompt written notice of such order's terms, the nature and substance of the information proposed to be released, and an opportunity to inspect and copy such records and to challenge their contents. 105 ILCS 10/6(a)(5). Parents of students who are named in a court order or parenting plan shall be deemed to have received the required written notice. The Building Principal shall respond to the order no earlier than five school days after its receipt in order to afford parents/guardians the opportunity to review, inspect, and challenge the records if the parents choose to do so. 23 Ill.Admin.Code §375.70(d).

For the purposes of these procedures, a court order is a document signed by a judge. A subpoena signed by a court clerk, an attorney, or an administrative agency official shall not be considered a court order unless signed by a judge. 23 Ill.Admin.Code §375.40(a).

3. Information may be released without parental consent, in connection with an articulable and significant threat to the health or safety of a student or other individuals, to appropriate persons if the knowledge of the requested information is necessary to protect the health or safety of the student or other individuals. The Building Principal shall make this decision taking into consideration the seriousness of the threat to the health or safety of the student or other individuals, the need for such records to meet the emergency, whether the persons to whom such records are released are in a position to deal with the emergency, and the extent to which time is of the essence in dealing with the emergency. 105 ILCS 10/6(a)(7); 23 Ill.Admin.Code §375.60. The Building Principal shall notify the parent(s)/guardian(s) or eligible student, no later than the next school day after the date that the information is released, of the date of the release, the person, agency, or organization to whom the release was made, and the purpose of the release.
4. The District will grant access as specifically required by federal or State statute, provided the individual complies with the requirements in 23 Ill.Admin.Code §375.70(b). 105 ILCS 10/6(a)(6). Prior to granting access, the Building Principal shall provide prompt written notice to the parent(s)/guardian(s) or eligible student of this intended action. 105 ILCS 10/6(b); 23 Ill.Admin.Code §375.70. This notification shall include a statement concerning the nature and

substance of the records to be released and the right to inspect, copy, and challenge the contents. If the release relates to more than 25 students, a notice published in the newspaper is sufficient.

The District charges \$.35 per page for copying information from a student's records.⁸ No parent/guardian or student shall be precluded from copying information because of financial hardship. 23 Ill.Admin.Code §375.50. **Note:** The ISBE rule allows a school to "charge the actual cost for providing a copy of school student records or any portion of such records to parents and students upon request for such copies, provided that such costs shall not exceed \$.35 per page." 23 Ill.Admin.Code §375.50.

I. Record of Release⁹

Except as provided below, a record of all releases of information from school student records (including all instances of access granted whether or not records were copied) shall be kept and maintained as part of such records. 105 ILCS 10/6(c). This record shall be maintained for the life of the school student record and shall be accessible only to the parent(s)/guardian(s) or eligible student, Building Principal, or other authorized person. The record of release shall include each of the following:

1. The nature and substance of the information released;
2. The name and signature of the official records custodian releasing such information;
3. The name of the person requesting the information, in what capacity the request was made, and the purpose for the request;
4. The date of release; and
5. A copy of any consent to a release.

No record of a disclosure is maintained when records are disclosed according to the terms of an *ex parte* court order entered under 20 U.S.C. §1232g(j), *Investigation and prosecution of terrorism*. 20 U.S.C. §1232g(j)(4).¹⁰

J. Orders of Protection

Upon receipt of a court OP that prohibits a Respondent's access to records, the Building Principal shall file it in the temporary record of a student who is the *protected person* under the OP. No information or records shall be released to the Respondent named in the OP. 750 ILCS 60/222(f).¹¹

K. Parenting Plans

The footnotes should be removed before the material is used.

⁸ Districts may substitute the following alternative: "The District charges a fee for copying school student records that corresponds to the fee schedule for copies of records requested under the Freedom of Information Act."

⁹ Consult the board attorney about the need to maintain a record of release in the case of a breach of student record information. ISSRA does not address records of release for unauthorized disclosures, but FERPA requires a record of "each disclosure" of personally identifiable information from a student's education records. 105 ILCS 10/6(c); 34 C.F.R. §99.32. Guidance from the U.S. Dept. of Education indicates a record of release would be required for a data breach, see *A Parent's Guide for Understanding K-12 School Data Breaches* (2021), at: <https://studentprivacy.ed.gov/resources/parents-guide-understanding-k-12-school-data-breaches>.

¹⁰ FERPA does not require a record of disclosure in this instance, but ISSRA does not contain a similar exception. Consult the board attorney for guidance when presented with an *ex parte* order under 20 U.S.C. §1232g(j).

¹¹ See f/n 6 above.

Upon receipt of a parenting plan under the Ill. Marriage and Dissolution of Marriage Act (750 ILCS 5/), the Building Principal shall file it in the temporary record of a student who is the subject of the parenting plan.

L. Transmission of Records for Transfer Students 105 ILCS 10/6(a)(3); 23 Ill.Admin.Code §§375.70 and 375.75.

The Building Principal shall:

1. Within 14 calendar days after enrolling a transfer student, request directly from the student's previous school a certified copy of the student's record. The District shall exercise due diligence in obtaining the copy of the record requested.
2. Upon the student's request or that of the official records custodian of another school in which the student has enrolled or intends to enroll, within 10 calendar days, transfer a certified copy of the student's record (that is, the student's permanent and temporary record) to the official records custodian of the appropriate school and retain the original records. The records transfer is subject to prior notice to the student's parent(s)/guardian(s) as described above in Section H (Access to School Student Records). See Board policy 7:50, *School Admissions and Student Transfers To and From Non-District Schools*.
3. Determine if the school or special education office has any record that is protected by the MHDDCA concerning the transferring student, specifically a record or report made by a therapist, social worker, psychologist, nurse, agency, or hospital that was made in the course of providing mental health or developmental disabilities services. If so, ask the appropriate person as identified in 740 ILCS 110/4 whether to send the record protected by MHDDCA to the new school and, if yes, obtain a written consent for disclosure as provided in 740 ILCS 110/5.

This requirement does not apply to special education records and reports that are related to the identification, evaluation, or placement of, or the provision of a free and appropriate public education to, students with disabilities. 23 Ill.Admin.Code §375.10.

4. Provide the parent/guardian or eligible student prior written notice of the nature and substance of the information to be transferred and opportunity to inspect, copy, and challenge it. If the parent's/guardian's address is unknown, notice may be served upon the official records custodian of the requesting school for transmittal to the parent/guardian. This service is deemed conclusive, and 10 calendar days after this service, if the parents/guardians make no objection, the records may be transferred to the requesting school.
5. Destroy any biometric information collected and do not transfer it to another school district.
6. Refrain from transferring the records if a student's record has been flagged as a "missing child" as provided in Section 5 of the Missing Children Records Act and Section 5 of the Missing Children Registration Law. The District shall notify the Ill. State Police or the local law enforcement authority of the request.
7. Retain the original records in accordance with the requirements of 105 ILCS 10/4.
8. Include information about whether or not the student is *in good standing* and whether or not the student's medical records are up-to-date and complete. 105 ILCS 5/2-3.13a.
9. Maintain any documentation of the student's transfer, including records indicating the school or school district to which the student transferred, in that student's temporary record.

If the student has unpaid fines, fees, or tuition charged pursuant to 105 ILCS 5/10-20.12a and is transferring to a public school located in Illinois or any other state, the Building Principal shall, unless otherwise prohibited by State law (23 Ill.Admin.Code §375.75(i)): ¹²

1. Transfer the student's *unofficial record of student grades* in lieu of the student's official transcript of scholastic records. The *unofficial record of student grades* means written information relative to the grade levels and subjects in which a student was enrolled and the record of academic grades achieved by that student prior to transfer. These records shall also include the school's name and address, the student's name, the name and title of the school official transmitting the records, and the transmittal date.
2. Within 10 calendar days after the student has paid all of his or her unpaid fines or fees and at this District's own expense, forward the student's official transcript of scholastic records to the student's new school.

The Building Principal shall include the following information with the transferred records if the student is transferring to another public school located in Illinois or any other state and at the time of the transfer is currently serving a term of suspension or expulsion for any reason: 105 ILCS 5/2-3.13a; 23 Ill.Admin.Code §375.75(j).

1. The date and duration of the period of any current suspension or expulsion; and
2. Whether the suspension or expulsion is for: (a) knowingly possessing in a school building or on school grounds a weapon as defined in the Gun Free Schools Act (20 U.S.C. §7961 *et seq.*); (b) knowingly possessing, selling, or delivering in a school building or on school grounds a controlled substance or cannabis; or (c) battering a school staff member.

¹² Optional. 105 ILCS 5/10-20.9a(c) and (d), inoperative "on and after three years" from 5-6-22, prohibits public high schools from withholding a student's grades, transcripts, or diploma because of an unpaid balance on the student's school account. See sample policy 6:280, *Grading and Promotion*, at *fn 3*, for a discussion about the expiration date of this law. Districts are also prohibited from withholding student records, transcripts, or diplomas because the student's parents are unable to pay required *fees*. [23 Ill.Admin.Code §1.245\(e\)](#); [105 ILCS 5/28-19-2](#). See sample policy 4:140, *Waiver of Student Fees*, at *fn 1*, for more information about the definition of *fees*. Fees, for example, do not include library fines, which could be reflected in a student's account. 23 Ill.Admin.Code §1.245(a)(2). These statutes refer generically to *transcripts*; they do not distinguish between *unofficial* and *official transcripts*. Consult the board attorney for advice on a district's ability to withhold official transcripts from students under 23 Ill.Admin.Code §375.75(i).

¹³ Districts are not required to identify and release directory information. **Be sure that the board policy provides for the release of directory information before including this section.** See sample policy 7:340, *Student Records*. There has been at least one instance in Illinois in which parents were upset that their school district released students' names and addresses pursuant to a Freedom of Information Act (FOIA) request. FOIA contains an exemption for home addresses. Many lawyers, however, say that a district must release student information pursuant to a FOIA request when each of the following has occurred: the FOIA request seeks information that is included in the district's definition of student directory information, the district notified parents that it releases directory information, and the parents did not opt out of allowing directory information to be released concerning their child. An opinion from the Ill. Public Access Counselor (PAC) supports that a district may not rely on the FOIA exemption for home addresses. PAO 12-3.

Delete the specific types of information that the district does not want released, such as *address*, from the list of information designated as *directory information*. Realize, however, that if the information identified as directory information is too limited, the district may be prohibited from publishing information about specific students.

The District may release certain directory information regarding students as permitted by law, except that a student's parent(s)/guardian(s) may prohibit the release of the student's directory information. Directory information is limited to: ¹⁴

1. Student's Name
2. Student's Address
3. Student's Grade level
4. Student's Birth date and place
5. Parent(s)/guardian(s)' names, addresses, electronic mail addresses, and telephone numbers
6. Photographs, videos, or digital images used for informational or news-related purposes (whether by a media outlet or by the school) of a student participating in school or school-sponsored activities, organizations, and athletics that have appeared in school publications, such as yearbooks, newspapers, or sporting or fine arts programs
7. Academic awards, degrees, and honors
8. Information in relation to school-sponsored activities, organizations, and athletics
9. Major field of study
10. Period of attendance in school

No photograph highlighting individual faces shall be used for commercial purposes, including solicitation, advertising, promotion, or fundraising, without the prior, specific, dated, and written consent of the parent or eligible student (see 765 ILCS 1075/30). 23 Ill.Admin.Code §375.80. The following shall not be designated as directory information: (a) an image on a school security video, or (b) student Social Security number or student identification or unique student identifier. Id.

The notification to parents/guardians and students concerning school student records, provided upon initial enrollment or transfer to the school and annually thereafter, will inform them of their right to opt out of the release of directory information. See exhibit 7:340-API, E1, *Notice to Parents/Guardians and Students of Their Rights Concerning a Student's School Records*.

N. Student Record Challenges

Parents/guardians have the right to a hearing to challenge the accuracy, relevancy, or propriety of any entry in their student's school records, exclusive of academic grades and references to expulsions or out-of-school suspensions, if the challenge is made at the time the student's school

¹⁴ 23 Ill.Admin.Code 375.80(a)(1) no longer includes *gender* as information which may be designated as directory information. This is consistent with attorneys' views that Illinois' past practice of including *gender* within directory information may have violated FERPA. FERPA regulations provide that directory information "means information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed" and it "includes, but is not limited to, the student's name; address; telephone listing; electronic mail address; photograph; date and place of birth; major field of study; grade level; enrollment status, e.g., undergraduate or graduate, full-time or part-time; dates of attendance; participation in officially recognized activities and sports; weight and height of members of athletic teams; degrees, honors, and awards received; and the most recent educational agency or institution attended." 34 C.F.R. §99.3. Though FERPA regulations do not explicitly preclude the designation of *gender* as directory information, U.S. Dept. of Educ. (DOE) guidance has consistently advised schools not to disclose a student's sex as directory information because it would be considered harmful or an invasion of privacy. See *Letter to Institutions of Postsecondary Education*, DOE Family Policy Compliance Office (Sept. 2009). Consult the board attorney about the practical implementation of this issue. Some attorneys, for example, believe photos of the "Girls Volleyball Team" may contradict DOE guidance.

student records are forwarded to another school to which the student is transferring. 105 ILCS 10/7; 23 Ill.Admin.Code §375.90. A request for a hearing should be submitted to the Superintendent and shall contain notice of the specific entry or entries to be challenged and the basis of the challenge. The following procedures apply to a challenge: Id.

1. The Superintendent or designee will invite the parent(s)/guardian(s) to an initial informal conference, within 15 school days of receipt of the request for a hearing.
2. If the challenge is not resolved by the informal conference, formal procedures shall be initiated. The Superintendent will appoint a hearing officer, who is not employed in the attendance center in which the student is enrolled.
3. The hearing officer will conduct a hearing within a reasonable time, but no later than 15 days after the informal conference, unless an extension of time is agreed upon by the parent(s)/guardian(s) and school officials. The hearing officer shall notify parents and school officials of the time and place of the hearing.
4. At the hearing, each party shall have the right to:
 - a. Present evidence and to call witnesses;
 - b. Cross-examine witnesses;
 - c. Counsel;
 - d. A written statement of any decision and the reasons therefore; and
 - e. Appeal an adverse decision to an administrative tribunal or official to be established or designated by the State Board.
5. A verbatim record of the hearing shall be made by a tape recorder or a court reporter. A transcript may be prepared by either party in the event of an appeal of the hearing officer's decision. However, a transcript is not required in an appeal.
6. The written decision of the hearing officer shall, no later than 10 school days after the conclusion of the hearing, be transmitted to the parent(s)/guardian(s) and the School District. It shall be based solely on the information presented at the hearing and shall be one of the following:
 - a. To retain the challenged contents of the school student record;
 - b. To remove the challenged contents of the school student record; or
 - c. To change, clarify, or add to the challenged contents of the school student record.
7. Any party has the right to appeal the decision of the local hearing officer to the Regional Superintendent or appropriate Intermediate Service Center Executive Director, within 20 school days after the decision is transmitted to the parties. The parent(s)/guardian(s), if they appeal, shall so inform the District and within 10 school days the school shall forward a transcript of the hearing, a copy of the record entry in question, and any other pertinent materials to the Regional Superintendent or appropriate Intermediate Service Center. The District may initiate an appeal by the same procedures.
8. The final decision of the Regional Superintendent or appropriate Intermediate Service Center Executive Director may be appealed to the circuit court of the county in which the District is located.

9. The parent(s)/guardian(s) may insert a written statement of reasonable length describing their position on disputed information. The District will include a copy of the statement in any release of the information in dispute. 105 ILCS 10/7(d).

Exhibit - Notice to Parents/Guardians and Students of Their Rights Concerning a Student's School Records¹

Upon the initial enrollment or transfer of a student to the school and annually thereafter, the school must notify the student and the student's parents/guardians of their rights concerning school student records. This notification may be distributed by any means likely to reach parents/guardians.

The contact information for each School's Official Records Custodian follows:

This notice contains a description of your and your child's rights concerning school student records.

A *school student record* is any writing or other recorded information concerning a student and by which a student may be individually identified that is maintained by a school or at its direction or by a school employee, regardless of how or where the information is stored, except for certain records kept in a staff member's sole possession; records maintained by law enforcement officers working in the school; video and other electronic recordings that are created in part for law enforcement, security, or safety reasons or purposes; and electronic recordings made on school buses. The District maintains two types of school records for each student: *permanent record* and *temporary record*.

The *permanent record* includes:

1. Basic identifying information, including the student's name and address, birth date and place, gender, and the names and addresses of the student's parents/guardians.
2. Evidence required under the Missing Children Records Act. 325 ILCS 50/5(b)(1).
3. Academic transcripts, including: grades, graduation date, and grade level achieved;² the unique student identifier assigned and used by the Ill. State Board of Education (ISBE) Student

¹ This notification is based on the *Model Notification* published by the U.S. Dept. of Education. Changes were made to [this exhibit](#) comply with the Ill. School Student Records Act (ISSRA, 105 ILCS 10/) and the ISBE rule mandating this notification (23 Ill.Admin.Code §375.30(d)). To obtain the legal citations for this exhibit's provisions, see sample administrative procedure 7:340-AP1, *School Student Records*, which is annotated with citations to controlling rules and statutes.

Customize this notice to reflect the district's practice, particularly to specify the district's treatment of records that the law: (1) permits to be kept as either permanent records or temporary records; and (2) allows to be kept as directory information.

² 23 Ill.Admin.Code §375.10 provides that districts may, through board policy, allow scores received on college entrance examinations to be included on a student's academic transcript if that inclusion is requested in writing by a student, parent or person who enrolled the student. If the board allows written requests to include college entrance examination scores on students' transcripts, insert the following phrase into #3:

scores received on college entrance examinations if that inclusion is requested in writing by an eligible student or the student's parent/guardian;

Information System; as applicable, designation of an Advanced Placement computer science course as a mathematics-based, quantitative course for purposes of meeting State graduation requirements set forth in 105 ILCS 5/27-60522; as applicable, designation of the student's achievement of the State Seal of Biliteracy, awarded in accordance with 105 ILCS 5/2-3.159; as applicable, designation of the student's achievement of the State Commendation Toward Biliteracy; and as applicable, designation of the student's achievement of the Global Scholar Certification, awarded in accordance with 105 ILCS 5/2-3.169.

4. Attendance record.
5. Health record defined by ISBE as "medical documentation necessary for enrollment and proof of dental examinations, as may be required under Section 27-8.1 of the School Code."
6. Record of release of permanent record information that includes each of the following:
 - a. The nature and substance of the information released;

 - d. The date of release; and
 - e. A copy of any consent to a release.
7. Scores received on all State assessment tests administered at the high school level (that is, grades 9 through 12). 105 ILCS 5/2-3.64a-5.

If not maintained in the *temporary record*, the *permanent record* may include:

1. Honors and awards received.
2. Information concerning participation in school-sponsored activities or athletics, or offices held in school-sponsored organizations.

All information not required to be kept in the student *permanent record* is kept in the student *temporary record* and must include:

1. Record of release of temporary record information that includes the same information as listed above for the record of release of permanent records.
2. Scores received on the State assessment tests administered in the elementary grade levels (that is, kindergarten through grade 8).
3. Completed home language survey.
4. Information regarding serious disciplinary infractions (that is, those involving drugs, weapons, or bodily harm to another) that resulted in expulsion, suspension, or the imposition of punishment or sanction.
5. Any final finding report received from a Child Protective Service Unit provided to the school under the Abused and Neglected Child Reporting Act; no report other than what is required under Section 8.6 of that Act (325 ILCS 5/8.6) shall be placed in the student record.
6. Information concerning a student's status and related experiences as a parent, expectant parent, or victim of domestic or sexual violence, as defined in 105 ILCS 5/26A, including a statement of the student or any other documentation, record, or corroborating evidence and the fact that the student has requested or obtained assistance, support, or services related to that status.
7. Any biometric information that is collected in accordance with 105 ILCS 5/10-20.40.
8. Health-related information, defined by the ISBE as "current documentation of a student's health information, not otherwise governed by the Mental Health and Developmental Disabilities

The footnotes should be removed before the material is used.

Note: Though 23 Ill.Admin.Code §375.10 uses the phrase "student, parent or person who enrolled the student," student records rights under ISSRA and the federal Family Educational Rights and Privacy Act (FERPA, 20 U.S.C. 1232g) attach to eligible students and their parents/guardians, not to "a person who enrolled the student" (though that person is typically a parent or guardian).

Confidentiality Act or other privacy laws, that includes identifying information, health history, results of mandated testing and screenings, medication dispensation records and logs, e.g., glucose readings, long-term medications administered during school hours, documentation regarding a student athlete and his or her parent/guardian's acknowledgment of the District's concussion policy adopted under 105 ILCS 5/22-80 and other health-related information that is relevant to school participation, e.g., nursing services plan, failed screenings, yearly sports physical exams, interim health histories for sports."

9. Accident report, defined by the ISBE as "documentation of any reportable student accident that results in an injury to a student, occurring on the way to or from school or on school grounds, at a school athletic event, or when a student is participating in a school program or school-sponsored activity or on a school bus and that is severe enough to cause the student not to be in attendance for one-half day or more or requires medical treatment other than first aid. The accident report shall include identifying information, nature of injury, days lost, cause of injury, location of accident, medical treatment given to the student at the time of the accident, or if the school nurse has referred the student for a medical evaluation, regardless of whether the parent or guardian, student (if 18 years or older), or an unaccompanied homeless youth ... has followed through on that request."
10. Any documentation of a student's transfer, including records indicating the school or school district to which the student transferred.
11. Completed course substitution form for any student who, when under the age of 18, is enrolled in vocational and technical course or a registered apprenticeship program under 23 Ill.Admin.Code Part 255 as a substitute for a high school or graduation requirement.
12. Information contained in related service logs maintained by the District for a student with an individualized education program under 105 ILCS 5/14-8.02f(d), including for speech and language services, occupational therapy services, physical therapy services, school social work services, school counseling services, school psychology services, and school nursing services.³

The *temporary record* may include:

1. Family background information

³ 105 ILCS 10/2(f).

The Family Educational Rights and Privacy Act (FERPA) and the Ill. School Student Records Act (ISSRA) afford parents/guardians and students over 18 years of age (*eligible students*) certain rights with respect to the student's school records. They are:

1. The right to inspect and copy the student's education records within 10 business days after the date the District receives a request for access.

The degree of access a student has to his or her records depends on the student's age. Students less than 18 years of age have the right to inspect and copy only their permanent record. Students 18 years of age or older have access and copy rights to both permanent and temporary records. Parents/guardians or students should submit to the Building Principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parent(s)/guardian(s) or student of the time and place where the records may be inspected. The District shall make the records available to inspect and copy within 10 business days, unless the District extends the response timeline to 15 business days in accordance with ISSRA. The District charges \$.35 per page for copying but no one will be denied their right to copies of their records for inability to pay this cost.

These rights are denied to any person against whom an order of protection has been entered concerning a student. 105 ILCS 5/10-22.3c and 10/5(a); 750 ILCS 60/214(b)(15).⁴

2. The right to request the amendment of the student's education records that the parent(s)/guardian(s) or eligible student believes are inaccurate, irrelevant, or improper.

Parents/guardians or eligible students may ask the District to amend a record that they believe is inaccurate, irrelevant, or improper. They should write the Building Principal or the Official Records Custodian, clearly identify the record they want changed, and specify the reason.

If the District decides not to amend the record as requested by the parents/guardians or eligible student, the District will notify the parents/guardians or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent(s)/guardian(s) or eligible student when notified of the right to a hearing.

3. The right to permit disclosure of personally identifiable information contained in the student's education records, except to the extent that the FERPA or ISSRA authorizes disclosure without consent.

Disclosure without consent is permitted to school officials with legitimate educational or administrative interests. A school official is a person employed by the District as an

The footnotes should be removed before the material is used.

⁴ 23 Ill.Admin.Code §375.10 provides that districts may, through board policy, allow scores received on college entrance examinations to be included on a student's academic transcript if that inclusion is requested in writing by a student, parent or person who enrolled the student. If the board allows written requests to include college entrance examination scores on students' transcripts, insert the following as right #2 and renumber the following list items:

2. The right to have one or more scores received on college entrance examinations included on the student's academic transcript.

Parents/guardians or eligible students may have one or more scores on college entrance exams included on their student's academic transcript. Students often take college entrance examinations multiple times to improve their results. Test publishers provide the results from each examination taken to the student's high school. A parent/guardian or eligible student may want certain scores to be included on academic transcripts sent to postsecondary institutions to which the student applies. The District will include scores on college entrance examinations upon the written request of the parent/guardian or eligible student stating the name of each college entrance examination that is the subject of the request and the dates of the scores that are to be included.

Note: Though 23 Ill.Admin.Code §375.10 uses the phrase "student, parent or person who enrolled the student," student records rights under ISSRA and FERPA attach to *eligible students* and their parents/guardians, not to "a person who enrolled the student" (though that person is typically a parent or guardian).

administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board. A school official may also include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of personally identifiable information from education records (such as an attorney, auditor, medical consultant, therapist, or educational technology vendor); or any parents/guardians or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. Individual board members do not have a right to see student records merely by virtue of their office unless they have a current demonstrable educational or administrative interest in the student and seeing his or her record(s) would be in furtherance of the interest.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility or contractual obligations with the District.

Upon request, the District discloses education records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law. Before information is released to these individuals, the parents/guardians will receive prior written notice of the nature and substance of the information, and an opportunity to inspect, copy, and challenge such records.

When a challenge is made at the time the student's records are being forwarded to another school to which the student is transferring, there is no right to challenge: (1) academic grades, or (2) references to expulsions or out-of-school suspensions.

Disclosure is also permitted without consent to: any person for research, statistical reporting or planning, provided that no student or parent(s)/guardian(s) can be identified; to another school district that overlaps attendance boundaries with the District, if the District has entered into an intergovernmental agreement that allows for sharing of student records and information with the other district;⁵ any person named in a court order; appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons; and juvenile authorities when necessary for the discharge of their official duties who request information before adjudication of the student.

4. The right to a copy of any school student record proposed to be destroyed or deleted.

The permanent record is maintained for at least 60 years after the student transfers, graduates, or permanently withdraws. The temporary record is maintained for at least five years after the student transfers, graduates, or permanently withdraws. Temporary records that may be of assistance to a student with a disability who graduates or permanently withdraws, may, after five years, be transferred to the parent(s)/guardian(s) or to the student, if the student has succeeded to the rights of the parent(s)/guardian(s). Student temporary records are reviewed every four years or upon a student's change in attendance centers, whichever occurs first.

5. The right to prohibit the release of directory information concerning the parent's/guardian's child.⁶

Throughout the school year, the District may release *directory information* regarding its students, limited to:

The footnotes should be removed before the material is used.

⁵ For elementary and high school districts only.

⁶ Districts are not required to identify and release directory information. **Be sure that the board policy provides for the release of directory information before including this right.** See [sample](#) policy 7:340, *Student Records*.

Academic awards, degrees, and honors
Information in relation to school-sponsored activities, organizations, and athletics

Any parent/guardian or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the Building Principal within 30 days of the date of this notice. No directory information will be released within this time period, unless the parent/guardian or eligible student is specifically informed otherwise.

No photograph highlighting individual faces is allowed for commercial purposes, including solicitation, advertising, promotion or fundraising without the prior, specific, dated and written consent of the parent or student, as applicable; and no image on a school security video recording shall be designated as directory information.

- 6. The right to request that military recruiters, ~~or~~ institutions of higher learning, and the Ill. Student Assistance Commission not be granted access to your secondary school student's name, address, electronic mail (email) addresses, and telephone numbers, and birth date without your prior written consent.**

Federal law requires a secondary school to grant military recruiters and institutions of higher learning, upon their request, access to secondary school students' names, addresses, email addresses, and telephone numbers, unless the student's parent/guardian, or a student who is 18 years of age or older, submits a written request that the information not be released without the prior written consent of the parent/guardian or eligible student. Similarly, State law requires a secondary school to provide to military recruiters, public institutions of higher education, and the Ill. Student Assistance Commission access to the same types of information, in addition to a secondary student's birth date, unless the student's parent/guardian submits a written request before the end of the student's sophomore year (or if the student is a transfer student, by another time set by the District) that such information not be released. If you wish to opt your child out of the release of this information so that it is not released without your prior written consent, notify the Building Principal where your student is enrolled for further instructions.

- 7. Re: Military Recruiters and Postsecondary Institutions Receiving Student Directory Information

Dear Parents/Guardians:

~~From time to time~~Periodically, military recruiters and postsecondary educational institutions, including in conjunction with the Ill. This information is used for recruiting purposes and/or to inform students of educational and career opportunities. The school must provide this information unless the parent/guardian, or the student if he/she has attained the age of 18, submits a written request that the student's records not be released without their prior written consent.

Important: If you do not want military recruiters, ~~or~~ institutions of higher learning, or ISAC to be given your secondary school student's name, telephone number, address, birth date, and/or email address, ~~and telephone number~~ without your prior written consent, please complete the form below and return it to the Building Principal.

Sincerely,

Exhibit - Frequently Asked Questions Regarding Military Recruiter Access to Students and Student Information¹

1. What does the [Elementary and Secondary Education Act](#) require of schools with regard to allowing military recruiters access to students?

Schools receiving funds under the [federal](#) Elementary and Secondary Education Act (ESEA) must: (1) give military recruiters the same access to secondary school students as they provide to postsecondary educational institutions or to prospective employers or an institution of higher education, and (2) provide students' names, addresses, electronic mail (email) addresses (which must be the email addresses provided by the school, if available), and telephone listings (numbers) to military recruiters, when requested, unless parents/guardians or the student (18 years or older) have opted out (see Question 2, below). 20 U.S.C. §7908; 10 U.S.C. §503(c). [Federal law requires schools to give military recruiters access to this information no later than 30 days after receiving a request from them. 10 U.S.C. §503\(c\)\(1\)\(A\)\(iii\). State law also requires schools to give access to this information, as well as students' birth dates, to military recruiters beginning on July 1, 2026, and every July 1 thereafter. 105 ILCS 5/10-20.5a.](#)

2. What information about students (and which students) must be disclosed to military recruiters by our administration?

Secondary schools must disclose names, addresses, email addresses, [birth dates](#), and telephone numbers of secondary students, unless parents/guardians, or the student if he/she has attained the age of 18 (~~an~~ [eligible student](#)), have submitted a written request that the information not be released without their prior written consent.

3. What notification must schools provide to parents/guardians and eligible students before disclosing students' names, addresses, email addresses, [birth dates](#), and telephone numbers to military recruiters and institutions of higher education?

Under federal and State laws governing student records, schools must provide notice to parents/guardians and eligible students of the types of student information that it releases publicly. This type of student information, commonly referred to as *directory information*, includes names, addresses, email addresses, [birth dates](#), and telephone numbers. The notice must include an explanation of a parent/guardian's or eligible student's right to request that the information not be disclosed without prior written consent. Under the Elementary and Secondary Education Act, schools must notify parents/[guardians](#) that the school routinely discloses names, addresses, email addresses, and telephone numbers to military recruiters and institutions of higher education upon request, subject to a parent/guardian's or eligible student's written request not to disclose such information without their prior written consent. [Similarly, State law provides military recruiters and public institutions of higher education access to the same types of information, in addition to a secondary student's birth date, unless the student's parent/guardian submits a written request before the end of the student's sophomore year \(or if the student is a transfer student, by another time set by the District\) that such information not be released.](#)

Formatted: IASB Italic

The footnotes should be removed before the material is used.

¹ This document answers many questions concerning the topic for school staff members and may be distributed at will.

A notice provided through a mailing or student handbook informing parents/guardians and eligible students of the above information is sufficient to satisfy the parental notification requirements. The notification must advise parents/guardians and eligible students how to opt out of the public, nonconsensual disclosure of directory information and the method and timeline within which to do so.

If a school does not release directory information, it still must provide students' names, addresses, email addresses, [birth dates](#), and telephone numbers to military recruiters and institutions of higher education upon request. The school must notify parents/guardians and eligible students: (1) that it discloses information to military recruiters and institutions of higher education, and (2) that parents/guardians and eligible students have the right to opt out of this disclosure.

Formatted: Font: Not Italic

4. Does recruitment take place in a private office or out in a common area?

Neither federal nor State law addresses where recruitment takes place. These laws only require that guidelines imposed on military recruiters be the same as those imposed on postsecondary educational institutions recruiters and/or prospective employers. [Federal law does require school districts to provide military access to career fairs or similar events upon request made by military recruiters for military recruiting purposes.](#)

5. How frequently are recruiters present?

Neither federal nor State law addresses how often recruiters may have access to students. These laws only require that guidelines imposed on military recruiters be the same as those imposed on postsecondary educational institutions and prospective employers.

6. What information does a military recruiter request of students during the interview?

The type of questions military recruiters may ask students is generally not limited. Students may refuse to cooperate or even refuse to be interviewed.

7. Can schools supervise recruiters to ensure they do not approach impressionable students too strongly?

Federal law does not grant authority to schools to supervise military recruiting efforts. The school may still require military and postsecondary recruiters to abide by the District's policy governing conduct on school property.

8. What are parents' rights relative to military recruiters on campus?

Parents may instruct their children to forgo being interviewed by military and/or postsecondary recruiters or prospective employers.

9. What information do schools provide to families relative to recruiting that goes on at school?

Aside from the notice described in #3, neither federal nor State law addresses what information schools must provide to parents regarding the recruiting that takes place at school – this is a local issue to be determined by the Superintendent or Building Principal.

10. Where can I get more information on the requirements of 10 U.S.C. §503?

The Office of the Secretary of Defense may be contacted for copies of the statute, or questions relating to it. Please contact the Accession Policy Directorate as follows:

Director, Accession Policy
4000 Defense Pentagon
Washington, DC 20301-4000
Telephone: 703/695-5529

11. Where can I get more information on the requirements of §7908 of the ESEA?

The Student Privacy Policy Office (SPPO) in the U.S. Dept. of Education administers the Family Educational Rights and Privacy Act (FERPA) as well as 20 U.S.C. §7908. School officials with questions on this guidance, or FERPA, may contact the SPPO by submitting an

online form at <https://studentprivacy.ed.gov/contact> or calling the SPPO's Student Privacy Help Desk at 1-855-249-9072.

School Board

Types of School Board Meetings¹

General

For all meetings of the School Board and its committees, the Superintendent or designee shall satisfy all notice and posting requirements contained herein as well as in the Open Meetings Act ([OMA](#)). This shall include mailing meeting notifications to news media that have officially requested them and to others as approved by the Board.² Unless otherwise specified, all meetings are held in the District's main office.³ Board policy 2:220, *School Board Meeting Procedure*, governs meeting quorum requirements.

The Superintendent is designated on behalf of the Board and each Board committee to receive the training on compliance with ~~the Open Meetings Act~~[OMA](#) that is required by Section 1.05(a) of that Act. The Superintendent may identify other employees to receive the training.⁴ In addition, each Board member must complete a course of training on ~~the Open Meetings Act~~[OMA](#) as required by Section 1.05(b) or (c) of that Act.⁵

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law controls this policy's content. The provisions of the Open Meetings Act (OMA) do not apply to collective bargaining negotiations, including negotiating team strategy sessions, and grievance arbitrations as provided in 115 ILCS 5/18.

² 5 ILCS 120/2.02. These responsibilities may be given to anyone.

³ State law ~~only~~ requires that meetings be held in a location convenient and open to the public and no open meeting is allowed to be held on a legal holiday unless the regular meeting day falls on that holiday. 5 ILCS 120/2.01. [Regular and special meetings also may not be held or scheduled on the day of a general primary election, a general election, a consolidated primary election, or a consolidated election, as defined in the Election Code. 5 ILCS 120/2.07\(a\), added by P.A. 104-438.](#) According to an Ill. Atty. Gen. Public Access Counselor Opinion (PAO), a board may not meet in a private residence because it would not be convenient and open to the public. PAO 12-8. A board meeting 26 miles away from its regular location, while open to the public, was inconvenient because "the public, as a practical matter, would be deterred from attending it." PAO 13-14. [Generally, a board must also plan to accommodate a greater number of meeting attendees if it is aware of heightened interest in a meeting. PAO 25-11.](#) Any person may record an open meeting. 5 ILCS 120/2.05. See sample policy 2:220, *School Board Meeting Procedure*.

⁴ Each board must designate at least one employee or member to receive training on compliance with OMA. 5 ILCS 120/1.05. Revise this paragraph if the board designates other individual(s) to receive the training. A list of designated individual(s) must be submitted to the Ill. Atty. Gen. Public Access Counselor (PAC). The designated individual(s) must successfully complete an electronic training curriculum administered by the PAC within 30 days after that designation, and thereafter must successfully complete an annual training program. OMA does not specify duties for the designated individuals who receive the training but presumably they would assist the board in its OMA compliance efforts.

⁵ 5 ILCS 120/1.05(b) applies to training administered by the Ill. Atty. Gen. Office; 1.05(c) applies to training administered by IASB. Board members elected or appointed after 1-1-12 must complete the training not later than 90 days after taking the oath of office. Even before this law, compliance with OMA has always been considered a shared responsibility of board members. Failing to complete OMA training does not affect the validity of an action taken by the board nor is it considered a criminal violation. 5 ILCS 120/1.05(b) and 120/4. However, a person found to have violated any other provisions of OMA is guilty of a Class C misdemeanor punishable by a \$1,500 fine and/or 30 days in jail. 5 ILCS 120/4.

Regular Meetings

The Board announces the time and place for its regular meetings at the beginning of each fiscal year.⁶ The Superintendent shall prepare and make available the calendar of regular Board meetings. The regular meeting calendar may be changed with 10 days' notice in accordance with State law.⁷

A meeting agenda shall be posted at the District's main office and the Board's meeting room, or other location where the meeting is to be held, at least 48 hours before the meeting.⁸

Closed Meetings⁹

The Board and Board committees may meet in a closed meeting to consider the following subjects:

1. The appointment, employment, compensation, discipline, performance, or dismissal of specific employees, specific individuals who serve as independent contractors in a park, recreational, or educational setting, or specific volunteers of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee, a specific individual who serves as an independent contractor in a park, recreational, or educational setting, or a volunteer of the public body or against legal counsel for the public body to determine its validity.¹⁰ However, a meeting to consider an increase in compensation to a specific employee of a public body that is subject to the Local Government Wage Increase

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁶ OMA and the School Code have different provisions regarding the establishment of a regular meeting schedule. OMA requires each public body to prepare and make available a regular meeting schedule at the beginning of each calendar or fiscal year. 5 ILCS 120/2.03. The School Code states that this task is accomplished during the organizational meeting. By *announcing* the schedule at the beginning of each calendar or fiscal year and by *fixing* the schedule at the organizational meeting, a board can implement both laws. Note that the phrase in this sample policy, "at the beginning of each fiscal year," can be changed to "at the beginning of each calendar year."

⁷ Regular meeting dates may be changed by giving at least 10 days' notice in a newspaper of general circulation and posting a notice at the district's main office. 5 ILCS 120/2.03. Districts with a population of less than 500, in which no newspaper is published, may give the 10 days' notice by posting a notice in at least three prominent places within the district, in addition to posting a notice at the district's main office. *Id.* Notice shall also be given to those news media having filed an annual request to receive notifications. *Id.* [The 10 days' notice requirement does not apply to the rescheduling of a single meeting if the regular meeting schedule is otherwise maintained. See PAO 24-13 and f/n 17, below.](#)

⁸ 5 ILCS 120/2.02(a). The posting location may need modification to comply with the law's requirement that the agenda be posted at the district's main office. For agenda requirements, see sample policy 2:220, *School Board Meeting Procedure*.

OMA also requires that "any requested notice and agenda for the meeting be continuously available for public review during the entire 48-hour period preceding the meeting." 5 ILCS 120/2.02(c) ~~(emphasis added)~~. The requirement for continuously available is satisfied if the district posts any required notice and agenda on its website. However, to comply with the legislative intent, posting on the district website does not replace the posting described in this sentence. See Rep. Pihos' remarks reported in *New open-meetings law; is hard-copy posting of agendas still required?*, Sept. 2012, Illinois Bar Journal.

For districts that do not post board meeting agendas on a website (because they do not have a website maintained by a full-time staff member), add the following sentence:

The agenda shall be continuously available for public review during the entire 48-hour period preceding the meeting. If a notice or agenda is not continuously available for the full 48-hour period due to actions outside of the district's control, the lack of availability does not invalidate any meeting or action taken.

⁹ 5 ILCS 120/2(c), amended by P.A. 103-311. The reasons for closed meetings are frequently addressed in court decisions and Ill. Atty. Gen. opinions; only a few of these decisions/opinions are mentioned in the footnotes.

¹⁰ "Th[is] exception is not intended to allow private discussion of fiscal matters, notwithstanding that they may directly or indirectly impact the employees of the public body." See PAOs 12-11 and 15-03. Discussing the elimination of an employee's position for reasons unrelated to the performance of the employee is not within the scope of Section 2(c)(1). See PAO 15-07. Nor does the exception permit a public body to hold closed sessions to discuss employees in general or issues that may ultimately have an impact on employees. See PAOs 15-05, 16-13, and 18-12.

- Transparency Act may not be closed and shall be open to the public and posted and held in accordance with [~~the Open Meetings Act~~OMA]. 5 ILCS 120/2(c)(1). ¹¹
2. Collective negotiating matters between the public body and its employees or their representatives, or deliberations concerning salary schedules for one or more classes of employees. 5 ILCS 120/2(c)(2). ¹²
 3. The selection of a person to fill a public office, as defined in ~~the Open Meetings Act~~OMA, including a vacancy in a public office, when the public body is given power to appoint under law or ordinance, or the discipline, performance or removal of the occupant of a public office, when the public body is given power to remove the occupant under law or ordinance. 5 ILCS 120/2(c)(3).
 4. Evidence or testimony presented in open hearing, or in closed hearing where specifically authorized by law, to a quasi-adjudicative body, as defined in ~~the Open Meetings Act~~OMA, provided that the body prepares and makes available for public inspection a written decision setting forth its determinative reasoning. 5 ILCS 120/2(c)(4).
 5. Evidence or testimony presented to the Board regarding denial of admission to school events or property pursuant to 105 ILCS 5/24-24, provided that the Board prepares and makes available for public inspection a written decision setting forth its determinative reasoning. 5 ILCS 120/2(c)(4.5).
 6. The purchase or lease of real property for the use of the public body, including meetings held for the purpose of discussing whether a particular parcel should be acquired. 5 ILCS 120/2(c)(5).
 7. The setting of a price for sale or lease of property owned by the public body. 5 ILCS 120/2(c)(6).
 8. The sale or purchase of securities, investments, or investment contracts. 5 ILCS 120/2(c)(7).
 9. Security procedures, school building safety and security, and the use of personnel and equipment to respond to an actual, a threatened, or a reasonably potential danger to the safety of employees, students, staff, the public, or public property. 5 ILCS 120/2(c)(8).
 10. Student disciplinary cases. 5 ILCS 120/2(c)(9).
 11. The placement of individual students in special education programs and other matters relating to individual students. 5 ILCS 120/2(c)(10).

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹¹ The Local Government Wage Increase Transparency Act, 50 ILCS 155/, allows *disclosable payments* (described below) to Ill. Municipal Retirement Fund (IMRF) employees only when the school board has first discussed the specific payment to be made at a meeting open to the public and posted and held in accordance with the requirements of OMA. 50 ILCS 155/5.

The provisions apply only to disclosable payments made to participating employees under Article Seven of the Ill. Pension Code (IMRF) who began participation before 1-1-11 and who are not subject to a collective bargaining agreement with respect to the employment upon which the participation is based.

Disclosable payments means a payment, whether in the form of an increase in the rate of earnings or a lump-sum payment, that would:

1. Be made by a participating employer to a participating employee after the employee has expressed to the employer his or her intent to retire or withdraw from service;
2. Have the effect of increasing the employee's reportable monthly earnings from that employer by more than 6% compared to the previous month; and
3. Be made between 12 months and 90 days prior to the employee's expected termination of service.

A disclosable payment also includes payment for accumulated sick leave; it does not include a refund of contributions or any payment required to be paid by State or federal law.

¹² Discussing a hiring freeze is not within the scope of Section 2(c)(2). See PAO 15-07. And if a public body is not engaged in collective bargaining at the time of the meeting, discussion of a hiring freeze does not constitute a collective negotiating matter. Id.

12. Litigation, when an action against, affecting or on behalf of the particular public body has been filed and is pending before a court or administrative tribunal, or when the public body finds that an action is probable or imminent, in which case the basis for the finding shall be recorded and entered into the minutes of the closed meeting. 5 ILCS 120/2(c)(11).
13. The establishment of reserves or settlement of claims as provided in the Local Governmental and Governmental Employees Tort Immunity Act, if otherwise the disposition of a claim or potential claim might be prejudiced, or the review or discussion of claims, loss or risk management information, records, data, advice or communications from or with respect to any insurer of the public body or any intergovernmental risk management association or self insurance pool of which the public body is a member. 5 ILCS 120/2(c)(12).
14. Self evaluation, practices and procedures, or professional ethics, when meeting with a representative of a statewide association of which the public body is a member. 5 ILCS 120/2(c)(16).¹³
15. Discussion of minutes of meetings lawfully closed under [the Open Meetings Act/OMA](#), whether for purposes of approval by the body of the minutes or semi-annual review of the minutes as mandated by Section 2.06. 5 ILCS 120/2(c)(21).
16. Meetings between internal or external auditors and governmental audit committees, finance committees, and their equivalents, when the discussion involves internal control weaknesses, identification of potential fraud risk areas, known or suspected frauds, and fraud interviews conducted in accordance with generally accepted auditing standards of the United States of America. 5 ILCS 120/2(c)(29).

The Board may hold a closed meeting, or close a portion of a meeting, by a majority vote of a quorum, taken at an open meeting. The vote of each Board member present, and the reason for the closed meeting, will be publicly disclosed at the time of the meeting and clearly stated in the motion and the meeting minutes.¹⁴

A single motion calling for a series of closed meetings may be adopted when such meetings will involve the same particular matters and are scheduled to be held within three months of the vote.¹⁵

No final Board action will be taken at a closed meeting.¹⁶

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹³ IASB [field services Outreach and Training](#) directors are available to facilitate a board self-evaluation.

¹⁴ 5 ILCS 120/2a. Provided the open meeting was properly noticed, no additional notice is required to close the meeting. A motion to close a meeting can be as simple as, "I move that the Board hold [go into] a closed session to discuss [state one of the closed meeting grounds with reference to the specific section authorizing the closed meeting]."

The adequacy of a motion to go into closed session was discussed in [Henry v. Anderson and Champaign Community Unit School Dist. No. 4](#), 356 Ill.App.3d 952 (4th Dist. 2005). A statutory citation is not required in the motion to go into closed session, but OMA does require a reference to the specific exception.

The *litigation* exception [can be challenging is tricky](#). If the litigation has been filed and is pending, the motion to go into closed session need only state that the board will discuss litigation that has been filed and is pending. If the litigation has not been filed, the board must: (1) find that the litigation is probable or imminent, and (2) record and enter into the closed session minutes the basis for that finding. [120 ILCS 5/5 ILCS 120/2\(e\)11](#). See [City of Bloomington v. Raoul](#), 184 N.E.3d 366 (Ill. App. 4th Dist. 2021) (finding city council improperly invoked litigation exception to justify closed session); PAO 21-03.

when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda. ¹⁷

Special Meetings

Special meetings may be called by the President or by any three members of the Board by giving notice thereof, in writing, stating the time, place, and purpose of the meeting to remaining Board members by mail at least 48 hours before the meeting, or by personal service at least 24 hours before the meeting. ¹⁸

Public notice of a special meeting is given by posting a notice at the District's main office at least 48 hours before the meeting and by notifying the news media that have filed a written request for notice. A meeting agenda shall accompany the notice. ¹⁹

All matters discussed by the Board at any special meeting must be related to a subject on the meeting agenda. ²⁰

Emergency Meetings

Public notice of emergency meetings shall be given as soon as practical, but in any event, before the meeting to news media that have filed a written request for notice. ²¹

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁷ 5 ILCS 120/2.02.

¹⁸ 105 ILCS 5/10-16 (two members of a board of directors; 105 ILCS 5/10-6). Lawyers disagree whether three members may call a special meeting without violating OMA, although there is general agreement that no violation occurs if three members call a special meeting while they are participating in a lawful board committee meeting with the matter on the agenda.

¹⁹ 5 ILCS 120/2.02. News media that gave the board an address or telephone number within the district's territorial jurisdiction must be given notice in the same manner as given board members.

OMA requires that "any required notice and agenda be *continuously available* for public viewing during the entire 48-hour period preceding the meeting." 5 ILCS 120/2.02(c) (emphasis added). The requirement for *continuously available* is satisfied if the district posts any required notice and agenda on its website. Posting on the district website does not replace the posting described in this paragraph. See f/n 8.

For districts that do not post board meeting notices and agendas on a website (because they do not have a website maintained by a full-time staff member), add the following sentence:

The notice and agenda shall be continuously available for public review during the entire 48-hour period preceding the meeting.

[Some attorneys find OMA's posting requirements for special meetings to be unclear and recommend that a board post notices and agendas of such meetings at the district's main office *and* at the location where the meeting is to be held. Consult the board attorney for guidance on this issue and ensure that posting practices align with this policy and administrative procedure 2:200-AP, *Types of School Board Meetings*. Posting at the meeting location promotes greater transparency. Boards that post public notices and agendas of special meetings at the meeting location may revise this sentence as follows:](#)

[Public notice of a special meeting is given by posting a notice at the District's main office and the location where the meeting is to be held at least 48 hours before the meeting and by notifying the news media that have filed a written request for notice.](#)

[Note that if this alternative language is used, this sample policy requires posting in the same manner for reconvened and rescheduled meetings in alignment with OMA; see the **Reconvened or Rescheduled Meetings** subhead.](#)

²⁰ Lawyers disagree whether OMA mandates this restriction, i.e., whether it restricts board *discussions* to items related to an item on the special meeting agenda. OMA limits board *action* to items on the agenda (5 ILCS 120/2.02(c)); it states that the validity of any action taken "which is germane to a subject on the agenda shall not be affected by other errors or omissions in the agenda." 5 ILCS 120/2.02(a). For agenda requirements, see sample policy 2:220, *School Board Meeting Procedure*.

²¹ 5 ILCS 120/2.02(a).

Posting on the District Website ²²

In addition to the other notices specified in this policy, the Superintendent or designee shall post the following on the District website: (1) the annual schedule of regular meetings, which shall remain posted until the Board approves a new schedule of regular meetings; (2) a public notice of all Board meetings; and (3) the agenda for each meeting which shall remain posted until the meeting is concluded.

Note that 5 ILCS 120/2.02(b) requires that a notice of *all* meetings be posted on the district website, but only notices of *regular* meetings must remain posted until the *regular* meeting is concluded. As this is an obvious oversight, it is wise to leave the notice of every meeting on the website until after the meeting occurred. The agenda must remain on the district website until the meeting is concluded. Id.

School Board Meeting Procedure¹

Agenda

The School Board President is responsible for focusing the Board meeting agendas on appropriate content.² The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.³

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting.⁴ Items submitted by Board members to the Superintendent or the President shall be placed on the agenda for an upcoming meeting.⁵ District residents may suggest

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law requires boards to have a policy concerning: (1) the public's right to record meetings (5 ILCS 120/2.05), and (2) if applicable, attendance by video or audio means (5 ILCS 120/7). Boards are not mandated to have a policy on the remaining topics covered in this policy. The following items are matters of local discretion: agenda preparation and contents, process for board members to have items placed on agenda, receipt and handling of residents' requests for agenda inclusions, and order of business.

² Appropriate agenda content includes establishing board processes, clarifying the district's purpose, delegating authority, defining operating limits, monitoring district progress, and taking legally required board action. See *IASB's Foundational Principles of Effective Governance* at: www.iasb.com/conference-training-and-events/training/training-resources/foundational-principles-of-effective-governance-www.iasb.com/principles.efm.

³ To comply with the Open Meetings Act's (OMA's) mandate that minutes contain a "summary of discussion on all matters proposed, deliberated, or decided," a board should include a list of consent items in the agenda. OMA also requires that any final action "be preceded by a public recital of the nature of the matter being considered and other information that will inform the public of the business being conducted." 5 ILCS 120/2(e). Some level of explanation of the consent agenda items must be verbally given before a board votes to approve a consent agenda. The Ill. Supreme Court has held that "the recital must announce the nature of the matter under consideration, with sufficient detail to identify the particular transaction or issue, but need not provide an explanation of its terms or its significance." *Bd. of Educ. of Springfield Sch. Dist. No. 186 v. Atty. Gen. of Ill.*, 77 N.E.3d 625, 636 (Ill. 2017).

⁴ 5 ILCS 120/2.02(c). The Ill. Appellate Court held that OMA prohibits a board from voting on a matter at a regular meeting that is not on the pre-meeting published agenda. *Rice v. Bd. of Trustees of Adams Cnty.*, 326 Ill.App.3d 1120 (4th Dist. 2002).⁴

⁵ An alternative follows [for those boards that want to give discretion to the board president to decide whether an item submitted by a board member should be added to a meeting agenda](#):

Any Board member may submit suggested agenda items to the Board President for his or her consideration.

inclusions for the agenda.⁶ The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.⁷

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency.⁸ The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of School Board Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome.⁹ A vote of *abstain* or

Commented [DJ1]: Note to subscribers: The option in footnote 6 specifically relates to the sentence in the policy regarding agenda items suggested by district residents. Reference to district residents is added to the optional language to clarify the intended scope of the option.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁶ See sample policy 2:230, *Public Participation at School Board Meetings and Petitions to the Board*. In districts governed by a board of school directors, an appointed board official must give a resident of the district requesting consideration of a matter by the board a formal written response no later than 60 days after receiving the request. The response must establish a meeting before the board or list the reasons for denying the request. 105 ILCS 5/10-6.

Options follow to restrict the addition of new agenda items by district residents; the phrases between [] may be used together, separately, or eliminated:

Discussion items suggested by District residents may be added to the agenda [at the beginning of a regular meeting] [upon unanimous approval of those Board members present].

⁷ An Ill. Atty. Gen. Public Access Counselor Opinion (PAO) found no violation of OMA when a board removed an item from the agenda within the 48-hour notice time period. PAO 14-3. Removals inform the public that the board does not plan to proceed on the topic.

⁸ State law does not require this, except that 105 ILCS 5/10-16 requires members to receive a written notice of a special meeting that includes the meeting's purpose.

⁹ In most situations, the failure of a member to vote has the effect of acquiescence or concurrence with the majority of votes cast. Prosser v. Village of Fox Lake, 91 Ill.2d 389 (Ill. 1982); People v. Bertrand, 978 N.E.2d 681 (Ill. App. 1st Dist. 2012). For example, a motion passes with a vote of two *yays*, one *nay*, and four *abstentions*. A motion fails with a vote of two *yays*, three *nays*, and two *abstentions*. A motion fails with a vote of three *yays*, three *nays*, and one *abstain* because there is no majority. Exceptions include when a statute requires the *affirmative vote* of a majority or extra. Statutory exceptions include the following board actions:

1. Dismissing a teacher for any reason other than reduction of staff or elimination of that position requires approval by the majority of all members. 105 ILCS 5/24-12.
2. Directing the sale of district real property or buildings thereon must be approved by at least 2/3 of the board members, unless the sale is residential property constructed or renovated by students as part of a curricular program, in which case, the board could engage the services of a licensed real estate broker to sell the property for a commission not to exceed 7%, contingent upon the public listing of the property on a multiple listing service for a minimum of 14 calendar days and a sale of the property happens within 120 days. 105 ILCS 5/5-22.
3. Making or renewing a lease of school property to another school district or municipality or body politic and corporate for a term longer than 10ten years, or to alter the terms of such a lease whose unexpired term exceeds 10 years, requires approval by at least 2/3 of the board's full membership. 105 ILCS 5/10-22.11.
4. Leasing any building, rooms, grounds, and appurtenances to be used by the district for school or administration purposes for a term longer than ten years, or to alter the terms of such a lease whose unexpired term exceeds ten years, requires approval by at least 2/3 of the board's full membership. 105 ILCS 5/10-22.12.
5. Obtaining personal property by lease or installment contract requires approval by an affirmative vote of at least 2/3 of the board members. *Personal property* includes computer hardware and software and all equipment, fixtures, and improvements to existing district facilities to accommodate computers. 105 ILCS 5/10-22.25a.
6. Adopting a supplemental budget after a successful referendum requires approval by a majority of the full board. 105 ILCS 5/17-3.2.

present, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of abstain or present, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated. ¹⁰

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present. ¹¹

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary.¹² The minutes include: ¹³

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

7. Petitioning the circuit court for an emergency election requires approval by a majority of the members. 10 ILCS 5/2A-1.4.
8. Expending funds in emergency situation in the absence of required bidding requires approval by at least 3/4 of the board. 105 ILCS 5/10-20.21(a)(xiv).
9. Exchanging school building sites requires approval by at least a 2/3 majority of the board. 105 ILCS 5/5-23.
10. Waiving the administrative cost cap requires approval by an affirmative vote of at least 2/3 of the board. 105 ILCS 5/17-1.5.
11. Authorizing an advisory question of public policy to be placed on the ballot at the next regularly scheduled election requires approval by a majority of the board. 105 ILCS 5/9-1.5.

¹⁰ Voting sequence is at the board's discretion. A board may indicate how frequently it changes the voting sequence by adding *after each vote, monthly, or annually* to the end of the sentence. All board members, including officers, may make motions and vote.

¹¹ This paragraph's first sentence contains the requirements in 105 ILCS 5/10-7. The second sentence is optional and may be deleted or amended. Other optional provisions include:

Option 1: Any Board member may include a written explanation of his or her vote in the District file containing individual Board member statements; the explanation will not be part of the minutes.

Option 2: Any Board member may request that his or her vote be changed before the President announces the result.

If a board takes a roll call vote on all action items, it may substitute this paragraph with the following sentence:

The Board shall take a roll call vote on all matters requiring its action, including but not limited to, all questions involving the expenditure of money and all questions involving the closing of a meeting to the public.

¹² 105 ILCS 5/10-7 and 5 ILCS 120/2.06. The minutes are the only record showing that the board took official action, including necessary prerequisites to make such action legally sufficient. A non-member recording secretary (of a board of education) or clerk (of a board of directors) may be given these responsibilities. 105 ILCS 5/10-14.

¹³ All items listed are required to be recorded in minutes **except** items 7-9; other items may be included at the board's discretion. 5 ILCS 120/2.06 and 120/2a; 105 ILCS 5/10-7. The Ill. Atty. Gen. Public Access Counselor (PAC) found a board's vague reference to a *personnel matter* insufficient to meet the requirements of #3. PAO 13-7.

8. Upon request by a Board member, a record of how he or she voted on a particular motion;¹⁴ and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later. ¹⁵

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection.¹⁶ This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session. ¹⁷

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require. ¹⁸

The official minutes are in the custody of the Board Secretary.¹⁹ Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval;²⁰ they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁴ The intent behind this optional item is to give an individual member a means of recording his or her support or opposition to a motion that was taken by oral vote; it will record that the individual took an alternative position to that of the majority without having the minutes recite unnecessary detail.

¹⁶ Required by 5 ILCS 120/2.06(d), ~~amended by P.A. 102-653~~. If a board is unable to conduct the review every six months, it must do so as soon after as is practicable, taking into account the nature and meeting schedule of the board. *Id.* A board may also conduct the review more frequently. For the sake of brevity and to align with the closed meeting exception in 5 ILCS 120/2(c)(21) that continues to refer to a public body's *semi-annual* review of its closed session minutes, this policy's exhibits use the term *semi-annual*, even though that term was removed from 5 ILCS 120/2.06(d).

While board notes from closed sessions may be confidential under the Freedom of Information Act (FOIA), they may be discoverable by the opposing party in a lawsuit. *Bobkoski v. Cary Sch. Dist.* 26, 141 F.R.D. 88 (N.D. Ill. 1992).

The failure to strictly comply with the semi-annual review does not cause the written minutes or related verbatim record to become public, provided that the board, within 60 days of discovering its failure to strictly comply, reviews the closed session minutes and reports the result of that review in open session. 5 ILCS 120/2.06(d), ~~amended by P.A. 102-653~~.

¹⁷ 5 ILCS 120/2(c)(21) allows boards to discuss the confidentiality needs of closed meeting minutes in closed meetings.

Board member.²¹ The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order. ²²

The Board's open meeting minutes shall be posted on the District website within ten days after the Board approves them; the minutes will remain posted for at least 60 days. ²³

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings.²⁴ If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location. ²⁵

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting. ²⁶

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member.²⁷ Access to the verbatim

²¹ 5 ILCS 120/2.06(f). The listed individuals in the statute are matched to the titles in the IASB Policy Reference Manual. If the board wishes to mirror the statutory language, delete: ~~the Recording Secretary, the Superintendent or designated administrator, or any elected Board member~~ and replace with: "a records secretary, an administrative official of the public body, or any elected official of the public body."

See the discussion in paragraph two of f/n 27 below about what *in the presence of* means.

²² *Id.*

²³ Posting on the website is required *only if* the district has a website that is maintained by a full-time staff member; if not, this sentence may be omitted. 5 ILCS 120/2.06(b).

²⁴ Boards must keep a verbatim record of their closed meetings in the form of an audio or video recording. 5 ILCS 120/2.06(a). This sample policy uses audio recording only; a board that uses a video recording should amend this policy and exhibit 2:220-E1, *Board Treatment of Closed Meeting Verbatim Recordings and Minutes*.

The interests of continuity, efficiency, and ease of holding someone accountable suggest that the superintendent be made responsible for making and storing the verbatim recordings. If the superintendent is not present, e.g., during discussions concerning the superintendent's contract, the tasks should be given to a board member.

²⁵ Alternatively, use: "is maintained within the District's administrative offices or their official storage location."

²⁶ This paragraph paraphrases 5 ILCS 120/2.06(c). No notification to, or the approval of, a records commission or the State Archivist is needed if a recording is destroyed under the conditions listed.

²⁷ 5 ILCS 120/2.06(e). The listed individuals align with the other titles used in the IASB Policy Reference Manual. If the board wishes to mirror the statute, delete: ~~the Recording Secretary, the Superintendent or designated administrator, or any elected Board member~~ and replace with: "a records secretary, an administrative official of the public body, or any elected official of the public body."

The intent of the *in the presence of* language is meant to protect both (1) the verbatim recordings/closed session minutes (see f/n 21 above), and (2) the board members requesting access to them. It ensures that a school district official is present at all times when a requesting board member accesses the verbatim recording/closed session minutes. The requirement is meant to prevent misuse and removal of the verbatim recording/closed session minutes from the district offices or official storage location. It is also meant to protect the board member who requests the access from being alone and in a situation where the board member could potentially be accused of tampering with or taking the verbatim recording/closed session minutes.

Consult the board attorney about:

recordings is available at the District's administrative offices or the verbatim recording's official storage location.²⁸ Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.²⁹

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.³⁰

Quorum and Participation by Audio or Video Means³¹

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

1. The practice of sending an *appointed* board member to be present with a board member who requests access to verbatim recordings/closed session minutes. 5 ILCS 120/2.06(e) states, "any *elected* official of the public body;" appointed is not listed but is mentioned elsewhere in the language of this section of the law;
2. Access to verbatim recordings/closed session minutes by other officials employed by the district, e.g., superintendent or other high-level administrators and even the board attorney; and
3. How this law affects the sharing of closed session minutes with board members prior to a meeting at which the closed session minutes will be approved.

The intent of P.A. 99-515, which amended 5 ILCS 120/2.06(e), was to manage a board member's *individual* request for access to these items in the board member's individual capacity (see sample policy 2:80, *Board Member Oath and Conduct*), not change prior practices in regard to other officials and board attorneys or the required work of school boards under various laws. While many attorneys do not interpret the law to restrict access or change procedures for these other high-level school officials and attorneys employed by the district, some attorneys do, and it is important to obtain legal advice on this specific issue.

³⁰ This paragraph is optional. It provides boards an opportunity to discuss and encourage each member to carefully think about purposes for their requests to listen to verbatim recordings, which historically has been and should continue to be to "access information relevant to the exercise of duties" for the public body. Intra-board conflicts may escalate if the recording is used to confirm or dispute who ~~said~~ what. Prior to P.A. 99-515, OMA did (and still does) allow boards to release these types of information. 5 ILCS 120/2.06(e). Board members should evaluate whether their requests under 5 ILCS 120/2.06(e) are "relevant to the exercise of their duties" before making such requests. Confirming or disputing who ~~said~~ what diverts resources away from operations of the district in educating its students. Additional considerations in listening to verbatim recordings may include personnel and student records confidentiality issues, which should be discussed with the board attorney.

³¹ 5 ILCS 120/2.01 and 120/7, amended by P.A.s 103-311 and 104-438. See also 105 ILCS 5/10-6 (regular and special meetings) and 5/10-12 (quorum). In order to allow attendance by video or audio means, a board must adopt a policy conforming to the restrictions in OMA. The statute requires the board member who wishes to attend remotely to notify the "recording secretary or clerk of the public body." The policy includes the superintendent as a possible person to receive the notice. Everything in this section is required aside from provisions on the length of notification that is given the secretary and the process for accommodating the request. Alternatively, a board may: (1) prohibit members from participating by video or audio means by omitting this section, (2) add other requirements, or (3) alter the 24-hour notification. Note that the statute does not contemplate someone either approving or denying a request, only that the request be accommodated if the notification is provided.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, ~~or~~ (4) unexpected childcare obligations, or (5) performance of active military duty as a service member. If a member wishes to attend a meeting by video or audio means, he or she must notify the Recording Secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration ³²

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency.³³ The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the

In a non-binding opinion, the PAC found a public body violated OMA when it allowed a board member to join a closed session meeting remotely without first taking action at that particular meeting in open session to approve the remote participation. 2019 PAC 57660. Therefore, even with the adoption of this policy to approve remote participation, best practice is to ensure the public is informed of any board members that are participating remotely for a particular board meeting. Consult the board attorney for advice on whether the board should take action every time it wishes to permit a member to participate remotely or in those instances where a board member objects to such participation.

Conflicting obligations to an employer may provide a permissible reason for a board member's attendance by video or audio conference. PAO 24-7. A board member does not have to show that it would be unfeasible to commute from a work assignment to the meeting location to participate remotely. Id.

OMA borrows the definition for active military duty from the Service Member Employment and Reemployment Act, 330 ILCS 61/1-10. 5 ILCS 120/7(a), amended by P.A. 104-438. It means any full-time military service regardless of length or voluntariness, including, but not limited to, annual training, full-time National Guard duty, and State active duty. 330 ILCS 61/1-10. Service member means a resident of Illinois who is a member of any component of the U.S. Armed Forces or the National Guard of any state, D.C., a commonwealth, or territory of the U.S. 5 ILCS 120/7(a), amended by P.A. 104-438.

³² 5 ILCS 120/2.01 and 120/7(e)(1)-(10). See also 105 ILCS 5/10-6 (regular and special meetings) and 5/10-12 (quorum). During the 2020 COVID-19 pandemic, Ill. Gov. Pritzker issued Executive Order (EO) 2020-07 pursuant to 20 ILCS 3305/7 (disaster proclamation due to public health emergency) that temporarily suspended OMA's physical quorum requirement. The Governor extended this OMA relief through subsequent Executive Orders as the crisis continued. In June of 2020, 5 ILCS 120/420/7(e) was enacted, immediately requiring public bodies to meet a number of conditions before suspending the physical quorum requirement.

Boards must remember that public comment is still required when a quorum is not physically present at the meeting location. See Public Comment section of the Ill. Atty. Gen.'s guidance entitled Guidance to Public Bodies on the Open Meetings Act and the Freedom of Information Act During the COVID-19 Pandemic on p. 5 at: www.foiapaec.ilag.gov/content/pdf/Updated%20Remote%20Meetings%20Guidance%20May%202022.pdf.

³³ The phrase "due to public health emergency" aligns with Ill. Emergency Management Agency Act (IEMAA), 20 ILCS 3305/4 and 7, which provides the governor with the power to declare a disaster. 5 ILCS 120/7(e)(1) uses the phrase "related to public health concerns because [the governor has declared] a disaster" and while not aligning with IEMAA text, means "public health emergency." For ease of understanding and alignment with IEMAA, this policy uses "public health emergency."

To avoid confusion, note that the triggers under 5 ILCS 120/7(e) for when a school board may conduct its meetings by audio or video conference without the physical presence of a quorum are a bit more broad than the School Code's triggers to implement remote and/or blended remote learning days (RLD/BRLDs). OMA states (1) the "governor **or the director of IDPH** has issued a disaster declaration of a disaster as defined in 20 ILCS 3305/...." This means that it is possible for the board to meet remotely if the director of IDPH declares a disaster under OMA, but that may not mean a district must implement RLD/BRLDs because the School Code states that the governor must declare the disaster.

President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination. ³⁴

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes,³⁵ and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum. ³⁶

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure. ³⁷

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting.³⁸ Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

³⁴ 5 ILCS 120/7(e)(2) states "the head of the public body as defined in [the Freedom of Information Act (FOIA), 5 ILCS 140/2(e), FOIA]." FOIA defines *head of the public body* to mean the *president* or "such person's duly authorized designee." 5 ILCS 140/2(e). [Sample Policy 2:110, Qualifications, Term, and Duties of Board Officers](#), designates the vice president to perform the duties of the president if that office is vacant or he or she is absent or unable to perform the office's duties.

For practical purposes if a disaster is declared due to a public health concern, this policy designates the superintendent as "[the president or vice president's] duly authorized designee" pursuant to the authority of 5 ILCS 140/2(e) for the board to move forward with the required determination to meet by audio or video with no physical presence of a quorum.

³⁵ While this phrase of the sentence is not required in OMA, many attorneys agree that transparency best practices in this situation include the individual making the determination to: (1) put it in writing referring to the specific disaster declaration applicable to the board's jurisdiction and the public health concern/public health emergency that applies to not having an in-person meeting; and (2) include that written determination (a) on the board's published notice and agenda for the audio or video meeting, and (b) in the meeting minutes.

School Board

Access to District Public Records¹

Full access to the District's public records is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.²

Freedom of Information Officer³

The Superintendent shall serve as the District's Freedom of Information Officer and assume all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the delegated action that was delegated.

Definition⁴

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material

Formatted: IASB Italic

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ The Ill. Freedom of Information Act (FOIA) governs the subject matter in this policy. 5 ILCS 140/. School districts are required to make public records available to any person for inspection or copying, unless they fall within an exception. 5 ILCS 140/3(a). The *fn*s only discuss sections of FOIA that are relevant to school districts. State law does not explicitly require boards to adopt a policy on access to their records. However, a board policy is the logical instrument to memorialize the actions that are required to implement FOIA. The laws limiting the disclosure of employee evaluations are discussed in *fn* 7.

See also *Let the Sunshine In: School Board Meetings and Records* published by IASB at:

www.iasb.com/IASB/media/Documents/JPBSunshine.pdf.

Any person denied access to a public record may request a review by the Ill. Public Access Counselor (PAC) established in the office of the Ill. Atty. Gen. 5 ILCS 140/9.5. As a result of the review, the PAC may issue an opinion binding on the requester and public body. IASB reports on the opinions relevant to school districts at:

www.iasb.com/policy-services-and-school-law/court-decisions-listing/www.iasb.com/law/decisions.cfm?SubjectArea=Freedom%20of%20Information%20Act%20-%20FOIA.

² This sentence allows a board to monitor the district's compliance with FOIA. This is an important duty as illustrated by FOIA's provision stating: "It is a fundamental obligation of government to operate openly and provide public records as expeditiously and efficiently as possible." The School Code requires the FOIA report described in #2 (105 ILCS 5/10-16); it is optional, however, for districts governed by a board of school directors.

³ Each board must designate one or more official(s) or employee(s) to act as its freedom of information officer(s). 5 ILCS 140/3.5 (referred to in the *fn*s as *FOIA Officer*). A board may replace *Superintendent* in this paragraph with another job title, or may replace the paragraph with one of the alternatives below:

Alternative 1: The Board will appoint an employee to serve as the District's Freedom of Information Officer. That appointee assumes all the duties and powers of that office as provided in FOIA and this policy.

Alternative 2: The Superintendent shall appoint an employee, who may be himself or herself, to [continue as with alternative 1].

⁴ The definition is quoted from 5 ILCS 140/2(c), amended by P.A. 104-438. Substitute the following alternative for this paragraph if desired:

The definition of *public records*, for purposes of this policy, is the definition contained in 5 ILCS 140/2(c) without amendment.

Junk mail means any unsolicited commercial mail or commercial electronic communication sent to a district and not responded to by a district. 5 ILCS 140/2(f), added by P.A. 104-438.

pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District. [The District's public records do not include junk mail.](#)

Requesting Records⁵

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. [Email requests must include the entirety of the request within the body of the email and not as an attachment or hyperlink.](#) The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;⁶
2. The requested material is exempt from inspection and copying by the Freedom of Information Act;⁷
3. Complying with the request would be unduly burdensome;⁸

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁵ This section restates 5 ILCS 140/3(c) [amended by P.A. 104-438, in relevant part](#). Districts may, but are not required to, accept oral requests. Compliance with an oral request may stave off the formal written request and permit more flexibility in the response. If the district wants to accept oral requests, delete ~~must be made in writing and~~ from the first sentence and add the following:

Oral requests may be accepted provided personnel are available to handle them, but otherwise must be made in writing.

The response to an oral request should be documented. Districts may provide a request form for convenience but may not require its use. See [sample exhibit 2:250-E1, Written Request for District Public Records](#).

⁶ FOIA does not require a public body to create a record. 5 ILCS 140/1; [Chicago Tribune Co. v. Dept. of Financial and Professional Regulation](#), 8 N.E.3d 11 (Ill. App. 4th Dist. 2014). However, compiling information already in the public body's possession into a different format in order to respond to a FOIA request does not constitute the creation of a new record. PAO 15-10. See also [Hites v. Waubesa Community College](#), 56 N.E.3d 1049 (Ill. App. 2nd Dist. 2016) (holding that databases that house aggregations of data and do not merely store documents are subject to FOIA).

⁷ 5 ILCS 140/7, [amended by P.A.s 101-434, 102-791, 102-752, eff. 1-1-23, and 102-753, eff. 1-1-23](#), and 140/7.5 describe numerous explicit exceptions to the presumption that all public records are available for public inspection. Each record is "presumed to be open to inspection or copying" and the district will have "the burden of proving by clear and convincing evidence that it is exempt." 5 ILCS 140/1.2 and 140/11(f). A person who prevails in a court proceeding to enforce FOIA will be awarded attorney's fees; the public body may incur a civil penalty of between \$2,500 and \$5,000 for each occurrence of a willful or intentional violation of FOIA or other action in bad faith; and courts may impose additional penalties of up to \$1,000 for each day the violation continues if (1) the board fails to comply with the court's order after 30 days, (2) the court's order is not on appeal or stayed, and (3) the court does not grant the public body additional time to comply with the court's order to disclose public records. 5 ILCS 140/11(i) and (j). School officials should seek the board attorney's advice concerning the denial of a record request.

Two State laws limit the disclosure of employee personnel evaluations:

1. The Personnel Record Review Act prohibits the disclosure of performance evaluations. 820 ILCS 40/11.
2. The School Code prohibits the disclosure of public school teacher, principal, and superintendent performance evaluations except as otherwise provided in the certified employee evaluation laws. 105 ILCS 5/24A-7.1.

5 ILCS 140/7(kk), [added by P.A. 101-434](#), exempts from disclosure "the public body's credit card numbers, debit card numbers, bank account numbers, Federal Employer Identification Number, security code numbers, passwords, and similar account information" that could result in identity theft or fraud of a government entity or a person.

⁸ 5 ILCS 140/3(g).

4. The request would require the District to open electronically attached files or hyperlinks to view or access details of a request. In that case, the requester shall be notified within five business days that the entirety of the electronic request must appear within the body of the electronic submission;⁹ or

~~3-5.~~ The District has a reasonable belief that the request was not submitted by a person, and the requester fails to verify orally or in writing that they are a person within 30 days of the District's request for such verification.¹⁰

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA.¹¹ The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date.¹² If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.¹³

The time periods are extended for responding to requests for records made for a commercial purpose, requests by a recurrent requester, or voluminous requests, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.¹⁴

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.¹⁵

Fees¹⁶

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

² 5 ILCS 140/3(e), amended by P.A. 104-438.

¹⁰ 5 ILCS 140/3(j), added by P.A. 104-438.

¹¹ 5 ILCS 140/3(d). Reasons for extensions are addressed at 5 ILCS 140/3(e). Public bodies must respond to FOIA requests. PAOs 16-05, 16-04, 16-03, and 16-01. Public bodies must also conduct a reasonable search for public records responsive to a FOIA request, which includes searching public employees' communications on personal devices or accounts for records pertaining to the transaction of public business. PAO 16-06.

¹² 5 ILCS 140/3(e).

¹³ 5 ILCS 140/3(f). A board may replace the default paragraph with the following alternative:

The Freedom of Information Officer shall respond to record requests according to the time periods described in 5 ILCS 140/3.

¹⁴ The timelines are extended to respond to a: (1) *recurrent requester* (defined in 5 ILCS 140/2(g)); (2) request with a *commercial purpose* (defined in 5 ILCS 140/2(c-10)); and (3) *voluminous request* (defined in 5 ILCS 140/2(h)). To use the extended timelines, a district must follow the requirements in 5 ILCS 140/3.2 for responding to a *recurrent requester*; 5 ILCS 140/3.1 for responding to a request with a *commercial purpose*; and 5 ILCS 140/3.6 for responding to a *voluminous request*. See [sample administrative procedure 2:250-API, Access to and Copying of District Public Records](#), for additional information.

¹⁵ 5 ILCS 140/7, amended by P.A.s 101-434, 102-791, 102-752, eff. 1-1-23, and 102-753, eff. 1-1-23. Redacting exempt portions is permitted, but not required, except that contractors' employees' addresses, telephone numbers, and social security numbers must be redacted before disclosure. 5 ILCS 140/2.10. Reviewing past responses to FOIA requests will promote uniform treatment of requests for similar records.

¹⁶ 5 ILCS 140/6. The first paragraph's intent is to be efficient and avoid paraphrasing a complex law. See [sample administrative procedure 2:250-API, Access to and Copying of District Public Records](#), for a fee schedule identifying the maximum fees permitted.

and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a commercial purpose and fees, costs, and personnel hours in connection with responding to a voluminous request.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a voluminous request, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it. ¹⁷

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer. ¹⁸

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record.¹⁹ The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁵ ILCS 140/6(a) states: "If a request is *not* a request for a *commercial purpose* or a *voluminous request*, a public body *may not* charge the requester for the costs of any search for and review of the records or other personnel costs associated with reproducing the records." (Emphasis added.) This implies that a search and review fee may be charged when responding to a request for a *commercial purpose* or a *voluminous request*. However, 5 ILCS 140/6(b) states that the search and review fee described in 5 ILCS 140/6(f) may be charged *only to someone making a commercial request*. 5 ILCS 140/6(f) contains the maximum amounts that may be charged for search and review but does not explain when they may be charged. The FOIA Officer will need to consult the board attorney concerning fees.

¹⁷ 5 ILCS 140/6(c) makes it mandatory to furnish records "without charge or at a reduced charge" if the request is in the *public interest* as defined by FOIA. If a board wants to indicate when a reduction is available by paraphrasing the statute, it may substitute the following alternative for the default paragraph:

A fee reduction is available if the person requesting the record states a specific purpose for the request and indicates that a fee reduction is in the public interest by having as its principal purpose the preservation of the general public's health, safety, welfare, or legal rights and is not for the principal purpose of personal or commercial benefit. The Freedom of Information Officer shall set the amount of the reduction, taking into consideration the amount of material requested and the cost of copying it.

¹⁸ Public bodies may adopt rules for the times and places where records will be made available. 5 ILCS 140/3(h). A board may amend this sentence to reflect other times and/or places where records will be made available.

¹⁹ 5 ILCS 140/4. A district may reduce FOIA requests by posting records on its website. Many records are required to be web-posted, see [sample exhibit 2:250-E2, Immediately Available District Public Records and Web-Posted Reports and Records](#). If the district does not have a website, replace this paragraph as follows:

Some public records are available for immediate access including a description of the process for requesting a public record, and a list of all types or categories of records under its control.

For a list of required web-postings see [sample exhibit 2:250-E2, Immediately Available District Public Records and Web-Posted Reports and Records](#). Using the district's website is also a convenient way to comply with FOIA's requirement to identify documents that are *immediately* available, 5 ILCS 140/3.5(a). Although not required to be web-posted, a list of all types or categories of records under its control must be prepared and made available. 5 ILCS 140/5; see [sample administrative procedure 2:250-AP1, Access to and Copying of District Public Records](#).

2:250

reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.²⁰

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request.²¹ Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.²²

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²⁰ 5 ILCS 140/8.5.

²¹ The Local Records Act (50 ILCS 205/3) requires the preservation of records described in items #1-3. The preservation of records described in item #3 is also required by the Family Educational Rights and Privacy Act (20 U.S.C. §1232g) and the Ill. School Student Records Act (105 ILCS 10/), among other laws. An example of a record described in item #4 is a record subject to a *litigation hold* or a document preservation requirement pursuant to Federal Rules of Civil Procedure, Rules 16 and 26.

Categorizing email messages is complicated because two laws apply, and the rules differ when a board member is a party. See sample policy 2:140, *Communications To and From the Board*, for a discussion of email between or among board members. When employees or agents are using email for school purposes, the email messages may be *public records*, but will not necessarily be subject to disclosure depending on the topic discussed. FOIA's list of exemptions from disclosure determines whether these emails are subject to disclosure. For exemptions see 5 ILCS 140/7, ~~amended by P.A.s 101-434102-791, 102-752, eff. 1-1-23, and 102-753, eff. 1-1-23, and 140/7.5.~~

Not all email messages between or among employees must be preserved, even if they are *public records* for purposes of FOIA. The definition of *public record* in the Local Records Act (50 ILCS 205/3) is narrower than its definition in FOIA. Thus, staff email, like all district records, must be retained only when it contains material described in #1-4. While this is a slippery slope without definitive parameters, employee email that is conversational or personal, or contains brainstorming may generally be deleted.

The Prevailing Wage Act (820 ILCS 130/5) requires contractors, while participating in public works, to keep certified payroll records of all laborers, mechanics, and other workers employed by them on the project and to submit this record ~~no later than the 15th of the month to the public body, until the Ill. Dept. of Labor (IDOL) activates through an electronic database for certified payrolls no later than 4-1-20, at which time contractors will submit certified payrolls only to that database. Id. The public body in charge of the project must keep the records submitted before 1-1-14 for a period of not less than three years. Records submitted on or after 1-1-14 must be kept for a period of five years or until the IDOL activates the electronic database for certified payrolls, whichever is less. Id. Records may be retained in paper or electronic format.~~ These records are considered public records, except for contractors' employees' addresses, telephone numbers, social security numbers, race, ethnicity, and gender, and they must be made available in accordance with FOIA. *Id.* **Note:** 820 ILCS 130/5 requires contractors to maintain records of the race, ethnicity, gender, and veteran status of workers on a public works project. FOIA, however, was not similarly amended to require public bodies to redact the workers' race, ethnicity, and gender from certified payroll records before disclosure. See 5 ILCS 140/2.10. The Ill. Atty. Gen. has previously issued at least one non-binding opinion finding that disclosure of a person's gender is not an unwarranted invasion of personal privacy under 5 ILCS 140/7(1)(c). Districts should consult with their board attorneys regarding what categories of information may be properly redacted in response to a FOIA request for certified payroll records.

School Board

Uniform Grievance Procedure ¹

A student, parent/guardian, employee, or community member should notify any District Complaint Manager if he or she believes that the School Board, its employees, or its agents have violated his or her rights guaranteed by the State or federal Constitution, State or federal statute, or Board policy^{2,3}, or has a complaint regarding any one of the following: ³

1. Title II of the Americans with Disabilities Act, 42 U.S.C. §12101 et seq. ⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law requires this subject matter be covered by policy and controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. Employee grievance procedures are a mandatory subject of bargaining and cannot be changed without the employee exclusive representative's consent. This policy and its companion sample policy 2:265, *Title IX Grievance Procedure*, are in addition to, and not a substitute for, the employee grievance procedure contained in a collective bargaining agreement.

A grievance procedure is required by many civil rights acts and implementing regulations, including those listed. For the sake of consistency and ease of administration, this policy consolidates all board grievance procedures, excluding Title IX sexual harassment complaints (see sample policy 2:265, *Title IX Grievance Procedure*) into one policy, except those contained in collective bargaining agreements. See the cross references for the policies referring to this uniform grievance procedure policy.

² Including the phrase "guaranteed by the State or federal Constitution, State or federal statute, or Board policy" broadens the scope of this policy beyond the items listed. Consult the board attorney regarding whether to retain this phrase and/or to otherwise limit the scope of this policy.

³ The Individuals with Disabilities Education Act (IDEA) (20 U.S.C. §1400 et seq.) is not included in the list of statutes that may serve as the basis of a grievance, and attorneys disagree whether it should be. Many believe that IDEA provides the exclusive remedy; others believe that including IDEA allows parents/guardians an opportunity to get their position before the board. Unique and specific complaint resolution mechanisms are expressly provided under IDEA, Article 14 of the School Code, and their respective implementing regulations. These mechanisms follow: (1) IDEA at 20 U.S.C. §1415 (procedural safeguards-mediation and due process); (2) IDEA regulations at 34 C.F.R. §§300.151-300.153 (state complaints), 300.506 (mediation), and 300.507 et seq. (due process); (3) 105 ILCS 5/14-8.02a (mediation and due process) and 5/14-8.02b (expedited due process); and (4) special education regulations at 23 Ill.Admin.Code §§226.560 (Mediation), 226.570 (State Complaint Procedures), and Subpart G (due process). A board that would like to include IDEA should consult the board attorney.

⁴ The Americans with Disabilities Act Amendments Act (ADAAA) (Pub. L. 110-325), made significant changes to the Americans with Disabilities Act's definition of disability by broadening the scope of coverage. The ADAAA also overturned a series of U.S. Supreme Court decisions that interpreted the Americans with Disabilities Act of 1990 in a way that made it difficult to prove that impairments were a disability. The U.S. Equal Employment Opportunity Commission's (EEOC) regulations, 29 C.F.R. Part 1630, are at: www.eeoc.gov/eeoc-disability-related-resources/laws-and-regulations-related-disability-discrimination.

Boards should consult with their attorneys regarding how the ADAAA and its implementing regulations impact their districts.

Title II of the ADA of 1990 also includes website accessibility. The *Web Content Accessibility Guidelines* (WCAG) Version 2.1, Level AA is the formal federal legal standard for public accommodation websites, including school districts. The compliance date for districts is 4-24-26 or 4-26-27, depending upon the size of the population where the district is located. 28 C.F.R. §§35.104 and 35.200 et seq. See the U.S. Dept. of Justice's *Fact Sheet: New Rule on the Accessibility of Web Content and Mobile Apps Provided by State and Local Governments* (4-8-24), at: <https://www.ada.gov/resources/2024-03-08-web-rule/>. WCAG 2.1 is available at: www.w3.org/TR/WCAG21. 105 ILCS 5/10-20.75 also requires school districts to ensure their *Internet websites or web services* comply with Level AA of the WCAG 2.1 or any revised version of those guidelines. *Internet website or web service* means "any third party online curriculum that is made available to enrolled students or the public by a school district through the Internet." Id.

2. Title IX of the Education Amendments of 1972, 20 U.S.C. §1681 *et seq.*, excluding Title IX complaints governed by Board policy 2:265, *Title IX Grievance Procedure*
3. Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. §791 *et seq.*⁵
4. Discrimination and/or harassment on the basis of race, color, or national origin prohibited by the Illinois Human Rights Act, 775 ILCS 5/; Title VI of the Civil Rights Act of 1964, 42 U.S.C. §2000d *et seq.*; and/or Title VII of the Civil Rights Act of 1964, 42 U.S.C. §2000e *et seq.* (see Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*)⁶

⁵ See f/n 4's discussion of website accessibility above. See also the discussion in f/n 2 of sample policy 8:70, *Accommodating Individuals with Disabilities*.

⁶ 105 ILCS 5/22-95(b)(1)(B), added by P.A. 103-472, requires a district to have an internal process for filing a complaint regarding a violation of its policy (or policies) prohibiting discrimination and harassment on the basis of race, color, national origin, and retaliation. Sample policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, utilizes this policy as an internal complaint process. See also sample administrative procedure 2:270-AP, *Prevention and Response Program for Complaints of Discrimination and Harassment Based on Race, Color, and National Origin*, which includes additional procedures to be followed when responding to complaints of discrimination and harassment on the basis of race, color, and national origin.

⁷ 5 ILCS 430/70-5(a) requires governmental entities (including school districts) to adopt an ordinance or resolution establishing a policy to prohibit sexual harassment that contains certain prescribed elements. See sample policy 5:20, *Workplace Harassment Prohibited*, at f/n 3 and subhead **Complaints of Sexual Harassment Made Against Board Members by Elected Officials** in sample policy 2:105, *Ethics and Gift Ban*, for further detail. Complaints of sexual harassment made against board members by fellow board members or other elected officials of governmental units must undergo an *independent review*, which is not a term defined in the statute. Unlike the powers granted by the Ill. General Assembly to municipalities to pass ordinances, school boards govern by rules referred to as *policies*. 105 ILCS 5/10-20.5. Further, school boards may only exercise powers given to them that are consistent with the School Code that may be requisite or proper for the maintenance, operation, and development of any school or schools under the jurisdiction of the board. 105 ILCS 5/10-20. School districts are also required to create, maintain, and implement an age-appropriate sexual harassment policy. 105 ILCS 5/10-20.69. See sample policy 7:20, *Harassment of Students Prohibited*, and its f/n 9 for further information.

50 ILCS 205/3c requires a school district to post on its website and make available to news media specific information about severance agreements that it enters into because an employee or contractor was “found to have engaged in sexual harassment or sexual discrimination, as defined by the Ill. Human Rights Act or Title VII of the Civil Rights Act of 1964.” Consult the board attorney about the word *found*. It raises many practical application questions, e.g., when does the word *found* trigger a board's compliance responsibility pursuant to this law. Such questions include, but are not limited to:

1. Must a school board make a *finding* to trigger this requirement? If the severance agreement is entered into post-termination, a record of board *findings* rarely exists.
2. Are charges for termination *findings*? Often superintendents submit charges for termination, but these are not technically *findings*.
3. Are charges based on a complaint manager's report and determination(s) *findings* under the law when a board still has the ability to review and reject the complaint manager's determination(s)?

Next, contrast the above publication law with the Government Severance Pay Act (GSPA), 5 ILCS 415/10(a)(2). GSPA prohibits an employee of a school district with contract provisions for severance pay from receiving any severance if he or she is fired for *misconduct* by the board. GSPA defines *misconduct* to include sexual harassment and/or discrimination. *Id.* at 415/5.

Consult the board attorney about how to reconcile whether sexual harassment and/or sexual discrimination is misconduct for which a severance would be prohibited under the GSPA, and therefore, not available to be published under 50 ILCS 205/3c. And for further discussion and other applicable transparency laws that apply to this issue, see also f/n 16 in sample policy 5:20, *Workplace Harassment Prohibited*.

⁹ 105 ILCS 5/10-20.60 requires schools to implement the Ill. sex equity grievance procedures when processing student complaints about breastfeeding accommodations. Complainants must be informed that the board's decision may be appealed to the Regional Superintendent (or appropriate Intermediate Service Center Executive Director) and, thereafter, to the State Superintendent. 23 Ill.Admin.Code §200.40. **Note:** Certain claims brought under 105 ILCS 5/10-20.60 may also be covered by the anti-discrimination protections of Title IX; consult the board attorney for further advice. ¹⁰ All districts must have a policy on bullying. 105 ILCS 5/~~27-23.7~~22-110, **renumbered by P.A. 104-391**. See sample policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. The inclusion of *bullying* in the list of topics that may serve as the basis of a grievance furthers the obligation to communicate this policy to students and their parents/guardians.

¹¹ Parents/guardians of educationally disadvantaged children may sue a district for misuse of funds allocated by State law for the benefit of such children. *Noyola v. Bd. of Educ.*, 179 Ill.2d 121 (Ill. 1997) (affirming the appellate court's conclusion in *Noyola v. Bd. of Educ.*, 284 Ill.App.3d 128 (1st Dist. 1996) that parents/guardians may pursue a claim to enforce the requirements of the School Code but holding that the proper action for enforcement is by means of mandamus not an implied right of action).

¹² The Whistleblower Act (740 ILCS 174/), amended by P.A. 103-867, includes school districts in the definition of employer. It protects employees from employer retaliation for disclosing information to a government or law enforcement agency. 740 ILCS 174/15, amended by P.A. s 103-867 **and 104-440**, contains language prohibiting employers from retaliating against employees who disclose information in a court, an administrative hearing, or in any other proceeding initiated by a public body where the employee has a good faith belief that an activity, policy, or practice of the employer: (1) violates a State or federal law, rule, or regulation; or (2) poses a substantial and specific danger to employees, public health, or safety. The Ill. False Claims Act (740 ILCS 175/) includes school districts in its definition of *State*. A strict interpretation of this language appears to allow school boards to collect civil penalties and costs against someone making a false claim. Before disciplining any employee, boards should thoroughly investigate the ramifications of these acts in consultation with their attorney and liability insurance carriers.

¹³ The Genetic Information Nondiscrimination Act (GINA) (42 U.S.C. §2000ff et seq.) is a federal law. Title I addresses the use of genetic information pertaining to health insurance. Title II protects job applicants, current and former employees, labor union members, and apprentices and trainees from discrimination based on their genetic information. GINA covers employers with 15 or more employees.

16. Employee Credit Privacy Act, 820 ILCS 70/ 14

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parent(s)/guardian(s)); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable¹⁵ resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

GINA broadly defines genetic information to include information about an individual's genetic tests, their family members, and, among other things, the manifestation of a disease or disorder in the individual or the individual's family members. Information about an individual's or family member's age or gender is excluded from genetic information. Its remedies mirror those available under a Title VII of the Civil Rights Act claim: back pay, reinstatement, attorneys' fees and compensatory and punitive damages. Retaliation against an individual who brings a claim under GINA is also prohibited. Federal regulations are available at 29 C.F.R. Part 1635, and background information on these regulations is available at: www.eeoc.gov/genetic-information-discrimination. An FAQ entitled *FAQs on the Genetic Information Nondiscrimination Act* is available at: www.dol.gov/agencies/ebsa/laws-and-regulations/laws/gina.

The Ill. Genetic Information Protection Act (GIPA) (410 ILCS 513/) also prohibits employers from making employment decisions on the basis of any employee's genetic testing information and from penalizing employees who do not want to disclose their genetic information as part of a workplace wellness program. GIPA includes the federal GINA's definition of genetic information and creates more stringent obligations on Ill. employers. While the federal GINA exempts small employers (those with less than 15 employees), Illinois' GIPA covers all employers, even those with one employee. GIPA also provides penalties for negligent and intentional mishandling of genetic information. Note that Title II of GINA does not preempt GIPA's greater protections to Illinois employees.

Before using any sort of genetic information, consult the board attorney for guidance regarding GINA's and GIPA's specific applications to the district and how these laws integrate with other related federal laws, such as the Family and Medical Leave Act (29 U.S.C. §2612 *et seq.*) and the ADA, and State laws governing time off for sickness and workers' compensation.

¹⁴ 820 ILCS 70/. Unless a satisfactory credit history is an *established bona fide occupational requirement* of a particular position, an employer may not: (1) refuse to hire, discharge, or otherwise discriminate against an individual with respect to employment because of the individual's credit history or credit report; (2) inquire about an applicant's or employee's credit history; or (3) order or obtain an applicant's or employee's credit report from a consumer reporting agency. The Act identifies circumstances that permit a satisfactory credit history to be a job requirement, such as, when the position's duties include custody of or unsupervised access to cash or marketable assets valued at \$2,500 or more. 820 ILCS 70/10(b). A person who is injured by a violation of this Act may bring a civil action to obtain injunctive relief and/or damages. 820 ILCS 70/25. The court must award costs and reasonable attorneys' fees to a prevailing plaintiff. *Id.*

¹⁵ The phrase "prompt and equitable resolution" comes from Title IX implementing regulation 34 C.F.R. §106.8(c) which requires schools to "adopt and publish grievance procedures that provide for the prompt and equitable resolution of student and employee complaints" of sex discrimination.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender.¹⁶ The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager or designee shall process and review the complaint under Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

For any complaint alleging sex discrimination that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), the Title IX Coordinator or designee¹⁷ shall process and review the complaint under Board policy 2:265, *Title IX Grievance Procedure*.

For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint according to that policy, in addition to any response required by this policy, and shall consider whether an investigation under Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*,¹⁸ should be initiated.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf.¹⁹ The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁶ [This is a](#) [These are](#) best practices [to reduce barriers to filing a complaint](#).

¹⁷ "Title IX Coordinator or designee" is used where Title IX is implicated. In contrast, if Title IX is not implicated, "Nondiscrimination Coordinator or a Complaint Manager or designee" is used (see the last paragraph under the **Filing a Complaint** subhead).

¹⁸ See sample administrative procedure 5:120-AP2, *Employee Conduct Standards*, and its exhibit 5:120-AP2, E, *Expectations and Guidelines for Employee-Student Boundaries*.

¹⁹ This [sample](#) policy gives complaint managers the flexibility to appoint another individual to conduct an investigation, which may be appropriate in cases where the neutrality or efficacy of the complaint manager is an issue, and/or where the district wishes to have the expertise and related attorney-client and work product privileges that an in-house or outside attorney may afford an investigation. Such alternative appointments are often made in consultation with the superintendent or other district-level administrator (except in cases involving complaints about those individuals).

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time from the Superintendent.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall provide his or her written decision to the Complainant and the accused²⁰ as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.²¹

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall provide its written decision to the Complainant and the accused,²² as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.²³

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²⁰ Using a consistent delivery method that allows the district to verify the date of receipt is a best practice, e.g., registered mail, return receipt requested, and/or personal delivery.

²¹ *Preponderance of evidence* is a standard of proof used in civil cases. It means "the greater weight of the evidence, not necessarily established by the greater number of witnesses testifying to a fact but by evidence that has the most convincing force." See *Black's Law Dictionary, 11th ed. 2019*.

²² See f/n 20, above.

²³ The Ill. sex equity regulations require districts to have "specific timelines for completion of each step and rendering of a written decision, and shall provide for final appeal of grievance decisions made at the system level to the system's governing board." 23 Ill.Admin.Code §200.40(c)(1). To avoid arguments over these timelines, this sample policy provides that the failure to strictly follow the timelines does not prejudice any party. The grievance procedure is worthless if complaints are not thoroughly and promptly investigated.

Appointing a Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers ²⁴

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Superintendent shall appoint a Title IX Coordinator to coordinate the District's efforts to comply with Title IX. ²⁵

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, each of a different gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator, Title IX Coordinator, and the Complaint Managers. ²⁶

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²⁴ While the names and contact information are required by law to be listed, they are not part of the adopted policy and do not require board action. This allows for additions and amendments to the names and contact information when necessary. It is important for updated names and contact information to be inserted into this policy and regularly monitored.

A district's Nondiscrimination Coordinator often also serves as its Title IX Coordinator. Best practice is that throughout the board policy manual, the same individual be named as Nondiscrimination Coordinator. In contrast, Complaint Managers identified in individual policies may vary depending upon local district needs.

²⁵ Title IX regulations require districts to designate and authorize an employee to coordinate efforts to comply with Title IX and to refer to that employee as the *Title IX Coordinator*. 34 C.F.R. §106.8(a). Districts must identify the Title IX Coordinator by name, office address, email address, and telephone number. Id. If a district has more than one Title IX Coordinator, it should designate one of its Title IX Coordinators to retain ultimate oversight to ensure the district's consistent compliance with its responsibilities under Title IX and its implementing regulations.

A district must prominently display its Title IX nondiscrimination policies (this policy 2:260, *Uniform Grievance Procedure*, and policy 2:265, *Title IX Grievance Procedure*) and contact information for its Title IX Coordinator on its website, if any, and in each handbook made available to students, applicants for employment, parents/guardians, employees, and collective bargaining units. 34 C.F.R. §106.8(a) and (b). Notifications must state that nondiscrimination extends to employment, and that inquiries about the application of Title IX and its regulations may be referred to the district's Title IX coordinator, to the U.S. Dept. of Education's Assistant Secretary of Education, or both. 34 C.F.R. §106.8(b). See sample exhibit 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*.

²⁶ The board may include the following option to address publication of such contact information:

"The Superintendent or designee shall ensure that students, parents/guardians, employees, and members of the community are informed of the contact information for the District's Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers on an annual basis."

Publicizing the contact information for the Nondiscrimination Coordinator and Complaint Managers through personnel handbooks, student handbooks, and/or on the district's website is a best practice. The Ill. Principals Association (IPA) maintains a handbook service that coordinates with **PRESS** material, *Online Model Student Handbook (MSH)*, at: www.ilprincipals.org/msh/.

Title IX Grievance Procedure¹

Sexual harassment affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment when that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:²

1. A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct;³ or

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ Title IX of the Education Amendments of 1972 (Title IX) (20 U.S.C. §1681 *et seq.*) requires this subject matter be covered by policy and controls this policy's content. This policy contains items on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. Employee grievance procedures are a mandatory subject of bargaining and cannot be changed without the employee exclusive representative's consent. This policy and its companion policy 2:260, *Uniform Grievance Procedure*, are in addition to, and not a substitute for, the employee grievance procedure contained in a collective bargaining agreement.

For the sake of consistency and ease of administration, this policy addresses only Title IX sexual harassment grievances, except those contained in collective bargaining agreements. See the cross references for the policies referring to this Title IX sexual harassment grievance procedure policy.

A district must have at least one policy explicitly stating it does not discriminate on the basis of sex in its education programs or activities under Title IX and its implementation regulations (34 C.F.R. Part 106). 34 C.F.R. §106.8(b)(1). Title IX jurisdiction is geographically limited to discrimination against a person in the United States. 34 C.F.R. §106.8(d). While all complaints of sexual harassment may not constitute sexual harassment under Title IX, Title IX's reach is broad because an alleged complainant or alleged respondent may be *anyone* in the District's educational program or activity in the United States – including applicants for employment, students, parents/guardians, any employee, and third parties.

² 34 C.F.R. §106.30. The definition of *sexual harassment* in the policy and in Title IX includes *unwelcome* conduct. *Id.* However, case law does not always distinguish between *welcome* and *unwelcome* conduct. See Mary M. v. North Lawrence Community Sch. Corp., 131 F.3d 1220 (7th Cir. 1997) (8th grade student did not need to show that a school employee's sexual advances were *unwelcome* in order to prove sexual harassment).

³ 34 C.F.R. §106.30. This behavior is commonly called *quid pro quo* sexual harassment. See 85 Fed. Reg. 30036, f/n 94. By using the term individual, Title IX regulations do not limit quid pro quo sexual harassment to situations where the provision of an aid, benefit or service by an employee is conditioned on a current student's participation in unwelcome sexual conduct. By way of example, quid pro quo Title IX sexual harassment involving an employee and an individual other than a current student may be implicated when: an employee tells a former student she can only get a letter of recommendation if she participates in unwelcome sexual conduct; an employee selects a volunteer for a coveted field trip chaperone position if he participates in unwelcome sexual conduct; or a supervisory employee subjects a subordinate employee to unwelcome sexual conduct in exchange for a promotion.

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. *Sexual assault* as defined in 20 U.S.C. §1092(f)(6)(A)(v), *dating violence* as defined in 34 U.S.C. §12291(a)(11), *domestic violence* as defined in 34 U.S.C. §12291(a)(12), or *stalking* as defined in 34 U.S.C. §12291(a)(36).⁴

Examples of sexual harassment include, but are not limited to, touching, rape, sexual battery, sexual abuse, sexual coercion, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

Definitions from 34 C.F.R. §106.30

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.⁵

Education program or activity includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.⁶

Formal Title IX Sexual Harassment Complaint means a document filed by a *Complainant* or signed by the Title IX Coordinator⁷ alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.⁸

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.⁹

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a Formal Title IX Sexual Harassment Complaint or where no Formal Title IX Sexual Harassment Complaint has been filed.¹⁰

Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and

VAWA was reauthorized in 2022 and the citations changed; however, 34 C.F.R. §106.30 has not been updated. This policy uses the updated VAWA citations.

prevention programs in grades pre-K through 12,¹¹ and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12.¹² This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.

2. Incorporates education and training for school staff as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager. ¹³
3. Notifies applicants for employment,¹⁴ students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons. ¹⁵

Making a Report

A person who wishes to make a report under this Title IX grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking. ¹⁶

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

¹³ ~~105 ILCS 110/31d~~. Detailed training requirements exist for Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. 34 C.F.R. §106.45(b)(1)(iii). Title IX rules “[leave districts] discretion to determine the kind of training to other employees that will best enable the [district], and its Title IX Coordinator, to meet Title IX obligations.” 85 Fed. Reg. 30114. Many attorneys agree the best practice is to train all district staff about the definition of sexual harassment, the scope of the district's education program or activity, all relevant district policies and procedures, and the necessity to promptly forward all reports of sexual harassment to the Title IX coordinator. See sample administrative procedure 2:265-AP1, *Title IX Response*.

¹⁴ If your district is covered by Subpart C of Title IX, which “applies only to institutions of vocational education, professional education, graduate higher education, and public institutions of undergraduate higher education,” amend this to state “applicants for admission or employment.” 34 C.F.R. §106.15(d).

¹⁵ 34 C.F.R. §106.8. See sample exhibit 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*.

¹⁶ Using “or any employee with whom the Complainant is comfortable speaking” ensures Title IX compliance because Title IX deems “any employee” of an elementary or secondary school who has notice of sexual harassment or allegations of sexual harassment to have *actual knowledge*. Therefore, a report to any employee triggers a district's duty to respond. 34 C.F.R. §106.30. This policy contains an item upon which collective bargaining may be required. Any policy that impacts wages, hours, and terms and conditions of employment is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator. ¹⁷

Processing and Reviewing a Report

Upon receipt of a report made under this Title IX grievance procedure, the Title IX Coordinator and/or designee will promptly contact the Complainant to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the Complainant of the availability of supportive measures with or without the filing of a Formal Title IX Sexual Harassment Complaint, and (4) explain to the Complainant the process for filing a Formal Title IX Sexual Harassment Complaint. ¹⁸

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it.¹⁹ For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*;²⁰ 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁷ Title IX regulations require districts to designate and authorize an employee to coordinate its efforts to comply with Title IX and to refer to that employee as the *Title IX Coordinator*. 34 C.F.R. §106.8(a). Districts must identify the Title IX Coordinator by name, office address, email address, and telephone number. Id. If a district has more than one Title IX Coordinator, it should designate one of its Title IX Coordinators to retain ultimate oversight to ensure the district's consistent compliance with its responsibilities under Title IX and its implementing regulations. A district's Nondiscrimination Coordinator often also serves as its Title IX Coordinator. See sample policy 2:260, *Uniform Grievance Procedure*.

The Title IX Coordinator with ultimate oversight should be listed in this policy. While the name and contact information is required by law to be listed, they are not part of the adopted policy and do not require board action. This allows for additions and amendments to the name and contact information when necessary. It is important for updated name and contact information to be inserted into this policy and regularly monitored.

¹⁸ Required by 34 C.F.R. §106.44(a) and (b) regardless of whether a formal Title IX sexual harassment complaint is filed.

¹⁹ See sample exhibit 2:265-E, *Title IX Glossary of Terms*, for a discussion of Title IX sexual harassment and non-Title IX sexual harassment. Consult the board attorney for further guidance.

²⁰ See sample administrative procedure 5:120-AP2, *Employee Conduct Standards*.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a Formal Title IX Sexual Harassment Complaint is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation. ²¹

The Superintendent or designee shall implement procedures to ensure that all Formal Title IX Sexual Harassment Complaints are processed and reviewed according to a Title IX grievance process that fully complies with 34 C.F.R. §106.45.²² The District's grievance process shall, at a minimum: ²³

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with 34 C.F.R. §106.45 before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
 - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
 - b. Receive training on the definition of sexual harassment, the scope of the District's education program or activity, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially. ²⁴
4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²¹ This policy gives Title IX coordinators the flexibility to appoint another qualified individual to conduct an investigation. This may be appropriate when the neutrality or efficacy of the Title IX coordinator is an issue, and/or where the district wishes to have the expertise that an in-house or outside attorney may afford to an investigation. Alternative appointments are often made in consultation with the superintendent or other district-level administrator (except in cases involving complaints about those individuals) and the board attorney. If a complaint involves the superintendent or other district-level administrator, alternative appointments are often made in consultation with the board and the board attorney.

²² 34 C.F.R. §106.45(b). See sample administrative procedures 2:265-AP1, *Title IX Response*, and 2:265-AP2, *Formal Title IX Complaint Grievance Process*.

²³ 34 C.F.R. §106.45(b)(1) lists the basic requirements for a grievance process.

²⁴ Aside from the general training requirements of 34 C.F.R. §106.45(b)(1)(iii), the DOE gives districts flexibility to determine certain training practices or techniques to best meet training requirements based upon their unique local conditions and resources within their educational community. 85 Fed. Reg. 30120. See also 85 Fed. Reg. 30084 (declining to specify that training of Title IX personnel must include implicit bias training, so long as training provides instruction on how to serve impartially and avoid prejudgment of the facts at issue, conflicts of interest, and bias, and that training materials avoid sex stereotypes).

5. Require that any individual designated by the District as a decision-maker receive training²⁵ on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.²⁶
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.²⁷

Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²⁵ While live hearings are only required for postsecondary institutions, elementary and secondary schools may choose to offer them as part of their grievance process. **Consult the board attorney if the board wants the district to use a live hearing in its grievance process.**

If using a live hearing during the grievance process, amend #5 by inserting the following underscored text: “Require that any individual designated by the District as a decision-maker receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.”

²⁶ 34 C.F.R. §106.45(b)(1)(vii) requires the Title IX sexual harassment grievance process to state the standard of proof it will use to determine responsibility of the respondent. The standard of proof selected must be applied “consistently to formal complaints alleging Title IX sexual harassment regardless of whether the respondent is a student or an employee.” 85 Fed. Reg. 30373. This sample policy uses the *preponderance of evidence* standard of proof, not the *clear and convincing evidence* standard of proof. *Preponderance of evidence* is a standard of proof used in civil cases. It means “the greater weight of the evidence, not necessarily established by the greater number of witnesses testifying to a fact but by evidence that has the most convincing force.” See *Black's Law Dictionary, 11th ed. 2019*. *Preponderance of evidence* is the standard of proof used in sample policy 2:260, *Uniform Grievance Procedure*. *Clear and convincing* is a higher standard of proof, requiring more than *preponderance of evidence* but less than proof beyond a reasonable doubt. It means “evidence indicating that the thing to be proved is highly probable or reasonably certain.” See *Black's Law Dictionary, 11th ed. 2019*. **Consult the board attorney regarding the appropriate standard of proof for the district, as well as implications if a different standard of proof is used in this policy than in 2:260, *Uniform Grievance Procedure*.** For boards that choose the *clear and convincing evidence* standard of proof, delete “*preponderance of*” and insert “*clear and convincing*.” Ensure the same standard of proof is used in 2:265-AP2, *Formal Title IX Complaint Grievance Process*.

²⁷ Examples of legally recognized privileges include attorney-client privilege, doctor-patient privilege, and spousal privilege. See 85 Fed. Reg. 30277.

student behavior policies.²⁸ Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law. ²⁹

Retaliation Prohibited ³⁰

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*. ³¹

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

Incurring Debt ¹

The Superintendent shall provide early notice to the School Board of the District's need to borrow money. The Superintendent or designee² shall prepare all documents and notices necessary for the Board, at its discretion, to: (1) issue State Aid Anticipation Certificates,³ tax anticipation warrants,⁴ working cash fund bonds,⁵ bonds,⁶ notes,⁷ and other evidence of indebtedness,⁸ or (2) establish a line of credit with a bank or other financial institution.⁹ The Superintendent shall notify the Ill. Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors¹

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. ¹⁴ Providing information to parents/guardians about how to recognize grooming behaviors is not in *Erin's Law*; it only addresses informing parents/guardians about the methods for increasing their awareness and knowledge of grooming behaviors. 105 ILCS 5/10-23.13(b)(1). This policy requires the district to provide information to parents/guardians about how to recognize grooming behaviors to: (1) effect the purpose of *Erin's Law*, (2) align with the intent of the statutes cited in f/n 1, above (educating all students to recognize and avoid sexual abuse and assault), and (3) align with the notification requirements in 105 ILCS 5/27-13.2 (parents/guardians of K-8 students prior to commencing instruction in recognizing and avoiding sexual abuse (see f/n 15, below)).

General Personnel

Hiring Process and Criteria ¹

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with School Board policy on equal employment opportunity and minority recruitment.² The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board.³ If the Superintendent's recommendation is rejected, the Superintendent must submit another.⁴ No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).⁵

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. This policy contains an item on which impact bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

² See sample policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Districts may not classify a job as either a *male* or *female* job. 29 C.F.R. §1604.5, 34 C.F.R. §106.55.

105 ILCS 5/22-9~~56~~, ~~added by P.A. 103-46 and renumbered~~ ~~amended~~ by P.A. 103-56446, requires school districts, when hiring or assigning educators for physical education, music, or visual arts, to prioritize the hiring or assigning of educators who hold an educator license and endorsement in those areas.

³ Boards must consider the superintendent's recommendations concerning, among other things, "the selection, retention, and dismissal of employees." 105 ILCS 5/10-16.7. The board may want to use this alternative sentence:

All personnel decisions are made by the Board, but only on the recommendation of the Superintendent.

A board that fills a "new or vacant teaching position" must select a candidate based on: (1) certifications, (2) qualifications, (3) merit and ability (including performance evaluation, if available), and (4) relevant experience, provided that the length of continuing service with the district must not be considered a factor, unless all other factors are determined by the school district to be equal. 105 ILCS 5/24-1.5. The statute does not define "new or vacant teaching positions." The requirement does not apply to filling vacant positions under 105 ILCS 5/24-12 (reduction in force and recall). Consult the board attorney about these issues.

The Equal Pay Act of 2003, 820 ILCS 112/10(b-25), added by P.A. 103-539, ~~eff. 1-1-25~~, makes it unlawful for employers with 15 or more employees to fail to include the "pay scale and benefits" for a position in any specific job posting. "Pay scale and benefits" means the wage or salary, or the wage or salary range, and a general description of benefits and other compensation. *Id.* at 112/5, amended by P.A. 103-539, ~~eff. 1-1-25~~. To satisfy the posting requirement, an employer can include a hyperlink to a public webpage that includes the pay scale and benefit information. *Id.* at 112/10(b-25), added by P.A. 103-539, ~~eff. 1-1-25~~. If an employer uses a third party to post its job postings, then the employer must provide the pay scale and benefits or a hyperlink containing the information to the third party. *Id.* The Act also requires employers to inform current employees of promotion opportunities within 14 calendar days after the employer posts externally for the position. *Id.* Employers are not prohibited from asking applicants about their wage or salary expectations for a position. *Id.*

⁴ An additional optional sentence follows:

The Superintendent may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval.

⁵ 775 ILCS 5/2-103.1 prohibits employers from using conviction records as a basis to refuse to hire or to take any adverse action against an applicant or employee unless: (1) otherwise authorized by law; (2) there is a *substantial relationship* between the criminal offense and the employment sought; or (3) granting the employment would involve an unreasonable risk to property or to the safety or welfare of specific individuals or the general public. For the disqualifying offenses listed in 105 ILCS 5/21B-80, ~~amended by P.A. 102-552~~, a district does not have to show a substantial relationship between the offense and the position or that hiring or continuing to employ the person would involve an unreasonable risk. However, the Ill. Dept. of Human Rights (IDHR) interprets the Ill. Human Rights Act (IHRA) to still require the employer to notify the applicant of the disqualification pursuant to law and to afford the applicant at least five business days to respond in case the applicant wants to dispute the accuracy of the conviction record. *Id.* at 5/2-103.1(C). See IDHR's *Conviction Record Protection – Frequently Asked Questions* (March 2021), at:

All applicants must complete a District application in order to be considered for employment. ⁶

Attorneys have different opinions as to whether the IHRA requires the *interactive assessment* outlined in 775 ILCS 5/2-103.1(c), which includes preliminary and final notices, when a disqualifying offense listed in 105 ILCS 5/21B-80 is found in a conviction record; **consult the board attorney for guidance on this issue**. See sample administrative procedure 5:30-AP2, *Investigations*, and its footnotes for more detail regarding the IHRA notice provisions and the need for districts to also comply with the seven-day notification requirement in the Ill. Uniform Conviction Information Act, 20 ILCS 2635/7. **Note:** The protections of 775 ILCS 5/2-103.1 do not cover *unpaid interns*, which may include student teachers in the K-12 context. The definition of *employee* in the IHRA only extends to include unpaid interns for civil rights violations involving sexual harassment. 775 ILCS 5/2-101(A)(1)(c) and 5/2-102(D).

105 ILCS 5/10-21.9(c); 105 ILCS 5/21B-80, ~~amended by P.A. 102-552~~, allows individuals with criminal histories involving certain drug convictions to apply for or to reinstate their educator licenses seven years after their sentence for the criminal offense is completed. Consult the board attorney about whether the board wants to continue prohibiting employment for any individual who has a criminal history involving these exempted drug offenses.

For more discussion regarding criminal history records checks and screenings required by 105 ILCS 5/10-21.9, ~~amended by P.A.s 102-552 and 102-702~~, see f/n 5 and 6 in sample policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*.

⁶ Any person who applies for employment as a teacher, principal, superintendent, or other certificated employee who willfully makes a false statement on his or her application for employment, material to his or her qualifications for employment, which he or she does not believe to be true, is guilty of a Class A misdemeanor. 105 ILCS 5/22-6.5. District employment applications must contain a statement to this effect. *Id.* Each employment application for these positions must state the following (*Id.*):

Failure to provide requested employment or employer history which is material to the applicant's qualifications for employment or the provision of statements which the applicant does not believe to be true may be a Class A misdemeanor.

Many districts ask applicants about disqualifying criminal convictions on their employment applications or at another point before a job offer is made. State law does not expressly prohibit this practice; however, guidance issued by IDHR regarding implementation of 775 ILCS 5/1-103(G-5) and 5/2-103.1 states “[u]nless authorized by law, an employer is prohibited from inquiring about an applicant’s conviction record prior to making a job offer to the applicant.” See *Conviction Record Protection – Frequently Asked Questions* guidance issued by IDHR (March 2021), at:

<https://dhr.illinois.gov/conviction-record-protection-frequently-asked-questions.html>.

While the School Code and Job Opportunities for Qualified Applicant Act do not prohibit districts from asking about disqualifying convictions before a job offer is made, it is unclear whether they affirmatively *authorize* such inquiries. The IDHR’s guidance does not carry the force of law, but it may impact its handling of a discrimination charge based on a conviction record. It is also unclear if an applicant’s mere disclosure of a disqualifying conviction on an application, absent results of a fingerprint-based criminal history records check, Ill. Sex Offender Registry check, or Violent Offender Against Youth Registry check, triggers the district’s obligation to provide notice to the applicant under 775 ILCS 5/2-103.1(C); see also f/n 5, above. Consult the board attorney for advice on these issues and how they may affect application processes.

Any employer that asks applicants to record video interviews and uses an artificial intelligence (AI) analysis of the applicant-submitted videos must comply with the Artificial Intelligence Video Interview Act, 820 ILCS 42/. Employers should also be careful that use of AI, software, and algorithms to assess applicants does not violate the Americans with Disabilities Act (ADA) (42 U.S.C. §12101 *et seq.*) or the Ill. Human Rights Act (IHRA), 775 ILCS 5/2-101(N) and (O), added by P.A.s 103-804 and 104-417. See sample policy 5:10, *Equal Employment Opportunity and Minority Recruitment*, and its f/n 2 for discussion of the IHRA requirements regarding use of artificial intelligence in the hiring process. Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration. ⁷

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict. ⁸

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law.⁹ When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall

⁷ 105 ILCS 5/10-16.7. The foundation for a productive employment relationship begins with [a board's policy adherence to written board policy](#), a thoughtfully crafted employment contract and job description, and procedures for communications and ongoing assessment. See IASB's *Foundational Principles of Effective Governance*, **Principle 3. The board employs a superintendent**, at:

www.iasb.com/conference-training-and-events/training/training-resources/foundational-principles-of-effective-governance/.

⁸ Job descriptions will become the basis for categorizing a teacher into one or more positions that the teacher is qualified to hold for reduction in force (RIF) dismissal and recall purposes. 105 ILCS 5/24-12(b). A board should consult with its attorney to review its current list of job descriptions and discuss the district's specific responsibilities.

A job description is evidence of a position's essential functions. 29 C.F.R. §1630.2(n). The ADA protects individuals who have a disability and are qualified, with reasonable accommodation, to perform the *essential functions* of the job. 42 U.S.C. §12101 *et seq.*, amended by the ADA Amendments Act (ADAAA), Pub. L. 110-325. Determining which functions are essential may be critical to determining if an individual with a disability is qualified. An individual is qualified to perform a job even though he or she is unable, due to a disability, to perform tasks which are incidental to the job. Only when an individual is unable to perform the *essential functions* of a job may a district deny the individual employment opportunities. 29 C.F.R. §1630.2(m). For a definition of *essential functions* see *Id.* at 1630.2(n). Whether a particular function is essential is a factual determination.

Important: The ADAAA made significant changes to the ADA's definition of disability that broadened the scope of coverage and overturned a series of U.S. Supreme Court decisions that made it difficult to prove that an impairment was a qualifying disability. There is information about the regulations and a link to them at: www.eeoc.gov/laws/guidance/fact-sheet-eeocs-final-regulations-implementing-adaaa. Consult the board attorney regarding how these amendments impact the district's hiring processes.

⁹ The policy's requirements on criminal records checks for applicants for employment are mandated by 105 ILCS 5/10-21.9, ~~amended by P.A.s 102-552 and 102-702~~. See sample administrative procedure 5:30-AP2, *Investigations*, for the process, timing, and positions requiring criminal background investigation and what steps a district must take if it wants to disqualify an applicant based on a conviction record. The Statewide Sex Offender Database (a/k/a Sex Offender Registry) is available at: <https://sor.isp.illinois.gov/sorpublic/https://isp.illinois.gov/Sor/Disclaimer>. The Statewide Murderer and Violent Offender Against Youth Database is available at: <https://sor.isp.illinois.gov/sorpublic/https://isp.illinois.gov/MVOAY/Disclaimer>. See sample policy 4:60, *Purchases and Contracts*, for requirements concerning (1) criminal background checks of employees of contractors who have *direct, daily contact* with students and (2) sexual misconduct related employment history reviews (EHRs) of employees of contractors who have *direct contact with children or students*.

ensure that these checks are completed.¹⁰ The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database.¹¹ The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law.¹² The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁰ *Id.* If a board wants to require additional background inquiries beyond the fingerprint-based criminal history records information check required by 105 ILCS 5/10-21.9, ~~amended by P.A.s 102-552 and 102-702~~, and the EHR required by 105 ILCS 5/22-94, ~~added by P.A. 102-702~~, including the federal *Rap Back Service* (20 ILCS 2630/3.3) and/or checks through consumer reporting agencies regulated by the Fair Credit Reporting Act (15 U.S.C. §1681 *et seq.*), consult the board attorney. For more detailed information, see the laws listed in sample exhibit 3:40-E, *Checklist for the Superintendent Employment Contract Negotiation Process*, under the checklist item entitled **Conditions of Employment**, in the **Other Background Check Laws** row.

¹¹ 105 ILCS 5/10-21.9(b) and 105 ILCS 5/21B-10. The School Code requires the board president to keep a conviction record confidential. It is impossible to know whether a fingerprint-based criminal history records check and a check of the Statewide Sex Offender and Violent Offender Against Youth Databases on a successful superintendent candidate will come back with a conviction record.

Therefore, in accordance with best practice (ensuring compliance and aligning with good governance principles), this policy does not assign a designee for the board president to complete this task. However, to balance the requirement to keep conviction records confidential with the practical implementation of ensuring a fingerprint-based criminal history records check and a check of the Statewide Sex Offender and Violent Offender Against Youth Databases are performed on each successful superintendent applicant, a board president may want to designate the duty to order these checks to the individuals otherwise listed in 105 ILCS 5/10-21.9(b). Those individuals include the board president, the superintendent or designee, regional superintendent (if the check was requested by the district), state superintendent of education, state Educator Preparation and Licensure Board, any other person necessary to the hiring decision, or for clarification purposes, the Ill. State Police and/or Statewide Sex Offender Registry.

¹² *Id.* at 5/10-21.9(b) and 105 ILCS 5/21B-85, amended by P.A. ~~s-102-552 and~~ 103-51. The School Code continues to define the board president's role in conducting criminal background investigations and receiving the results of these investigations, including the results for employees of district contractors. 105 ILCS 5/10-21.9. Many districts delegate this task in the hiring process to a human resources department.

105 ILCS 5/21B-85, amended by P.A. ~~s-102-552 and~~ 103-51, requires a board to provide prompt written notice to the board of trustees of the Teachers' Retirement System of the State of Illinois (TRS) when it learns that any teacher has been convicted of a felony offense (which provides for a sentence of death or imprisonment for one year or more). The notice to TRS is limited to (1) the name of the license holder, (2) fact of conviction, (3) name and location of the court in which the conviction occurred, and (4) the assigned case number from the court. *Id.*

Use this alternative for districts in suburban Cook County: replace "Regional Superintendent" with "appropriate Intermediate Service Center Executive Director."

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law. ¹³

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80¹⁴ or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment. ¹⁵

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following: ¹⁶

Dept. of Labor's website for current information on the accuracy of *E-Verify* and to review and understand their legal responsibilities relating to the use of any electronic employment verification systems. See <https://labor.illinois.gov/laws-rules/conmed/privacy-workplace.html>.~~ 820 ILCS 55/13, added by P.A. 103-879, eff. 1-1-25, ~~restricts employers from imposing work authorization verification or re-verification requirements greater than what is required by federal law, and it requires employers to follow certain procedures in the event it contends there is a discrepancy in the employee's employment verification information.~~ 55/14, added by P.A. 104-455, prohibits employers from taking adverse action against an employee based only on the receipt of a notice of discrepancy (a *no-match letter*) between an employee's individual taxpayer identification number or other identifying documents from a federal agency or outside vendor not responsible for immigration law enforcement, such as the Social Security Administration, Internal Revenue Service, or an insurance company. The RPWA also requires employers to provide notice to the employee upon receipt of a *no-match letter*. *Id.*, at 55/15-55/17 added by P.A. 104-455. ¹⁶ As an alternative to describing the prohibited investigations, a board may substitute this sentence:

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law, including without limitation, investigation into or inquiry concerning: (1) credit history or report unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; (2) claim(s) made or benefit(s) received under Workers' Compensation Act; and (3) access to an employee's or applicant's social networking website, including a request for passwords to such sites.

The default policy provision and the alternative stated above – whichever is selected – may be made a prohibition rather than a duty of the superintendent; to do this, delete the stricken text as follows: “The Superintendent shall ensure that the District does not engage”

1. The District uses an applicant’s credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position. ¹⁷
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria. ¹⁸
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation. ¹⁹
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment. ²⁰
5. The District does not ask an applicant or applicant’s current or previous employers about wage or salary history, including benefits or other compensation. ²¹
6. The District does not ask an applicant or applicant’s previous employers about claim(s) made or benefit(s) received under the Workers’ Compensation Act. ²²
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts. ²³

¹⁷ Employee Credit Privacy Act, 820 ILCS 70/10. This Act allows inquiries into an applicant’s credit history or credit report or ordering or obtaining an applicant’s credit report from a consumer reporting agency when a satisfactory credit history is an *established bona fide occupational requirement* of a particular position. The Act identifies circumstances that permit a satisfactory credit history to be a job requirement, such as, the position’s duties include custody of or unsupervised access to cash or marketable assets valued at \$2,500 or more.

²¹ 820 ILCS 112/10(b-10). **Note:** Attorneys caution that using the exceptions in 820 ILCS 112/10(b-10)(1) and (2) may trigger litigation. Violating this subsection entitles an employee to recover in a civil action any damages incurred, special damages up to \$10,000, injunctive relief, and costs and reasonable attorney’s fees. 820 ILCS 112/30(a-5).

A school board that wishes to preserve these exceptions should consult its board attorney; then they may supplement number 5 by adding the following after “compensation”:

unless the applicant’s wage or salary history is a matter of public record, or is contained in a document completed by the applicant’s current or former employer and then made available to the public by the employer, or then submitted or posted by the employer to comply with State or federal law; or the applicant is a current employee applying for a position with the same current employer.

Bracketed explanations follow the statutory language in 820 ILCS 55/10(b)(5):

“Nothing in this subsection shall prohibit or restrict an employer from complying with a duty to screen employees or applicants prior to hiring...provided that the password, account information, or access sought by the employer only relates to an online account that:

(A) an employer supplies or pays; or

(B) an employee creates or maintains on behalf of under the direction of an employer in connection with that employee’s employment.”

[Based on this explanation, it is implausible that an applicant would have an account, service, or profile for business purposes of a school employer.]

Sexual Misconduct Related Employment History Review (EHR) ²⁴

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations ²⁵

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising

The statute specifically permits an employer to: (1) maintain workplace policies governing the use of the employer's electronic equipment, including policies regarding Internet use, social networking site use, and electronic mail use; and (2) monitor usage of the employer's (district's) electronic equipment and electronic mail. The statute also states that it does *not prohibit* an employer from obtaining information about an applicant or an employee that is in the public domain or that is otherwise obtained in compliance with the statute. Finally, the statute does not apply to all types of personal technology that employees may use to communicate with students or other individuals, such as text messages on a personal phone. According to this statute, a new or existing employee or substitute teacher employee may be subject to additional health examinations, including tuberculosis screening, as required by rules adopted by the Ill. Dept. of Public Health (IDPH) or by order of a local public health official. The IDPH does not require school employees to be screened for tuberculosis other than workers in child day care and preschool settings. 77 Ill.Admin.Code §696.140(a)(3).

The last sentence of the first paragraph exceeds State law requirements and may be deleted.

Note that while examination by a spiritual leader/practitioner is sufficient for purposes of leaves, the statute does not permit an examination by a spiritual leader/practitioner for initial employment exams. This difference may present a constitutional issue; contact the board attorney for an opinion if an applicant wants to use an examination by a spiritual leader/practitioner.

Federal law limits pre-employment medical inquiries to whether the applicant is able to perform job-related functions; required medical examinations of applicants is forbidden. ADA, 42 U.S.C. §12112(d)(2); see also f/n 8 for an explanation regarding the ADAAA. Districts may condition an employment offer on taking and passing medical inquiries or physical exams, provided that all entering employees in the same classification receive the same conditional offer.

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in Board policy 5:90, *Abused and Neglected Child Reporting*.

Drug- and Alcohol-Free Workplace: E-Cigarette, Tobacco, and Cannabis Prohibition¹

All District workplaces are drug- and alcohol-free workplaces.²

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. The Right to Privacy in the Workplace Act (RPWA) allows employers to regulate employees' use of lawful products that impair an employee's ability to perform his or her assigned duties. 820 ILCS 55/5(b). The Cannabis Regulation and Tax Act (CRTA), 410 ILCS 705/10-35(a)(8), allows penalties issued by employers of law enforcement officers for consumption, possession, sale, purchase, or delivery of cannabis or cannabis-infused substances while on or off-duty to be collectively bargained; districts that employ school resource officers should consult their board attorneys about this provision of the CRTA.

The federal Drug-Free Workplace Act applies only to the specific programs receiving federal funds, 41 U.S.C. §8101 et seq. For ease of administration, this policy makes its requirements applicable to all employees to avoid confusion during implementation and to avoid complications when obtaining and maintaining federal funds. The CRTA, 410 ILCS 705/, legalized cannabis, but it remains a *Schedule I* (c)(17) controlled substance under federal law, meaning that it has no currently accepted medical use in addition to a high potential for abuse. 21 U.S.C.A. §812 (exempting hemp as defined at 7 U.S.C.A. §1639o). 41 U.S.C. §§8101, 8102 and 8103. While not law, in June 2019, the U.S. House of Representatives, in a voice vote, voted in favor of an amendment to H.R. 3055, which was introduced by Reps. Earl Blumenauer (D-OR), Tom McClintock (R-CA), and Eleanor Holmes Norton (D-D.C.), prohibiting the U.S. Dept. of Justice (DOJ) from interfering with a state's decision to implement laws governing the legalization of cannabis (recreational and medicinal). This marked the first time that either branch of the U.S. Congress has voted to protect state recreational cannabis laws from federal enforcement actions. If the amendment becomes law, it would block the DOJ from using funds to intervene in state and territory cannabis legalization laws. This policy continues to prohibit employees from using cannabis as allowed by the CRTA. See f/n 9, below.

The federal Safe and Drug-Free Schools and Communities Act provides funds, upon application, for drug and violence prevention programs; it does not contain policy mandates. Illinois also has a Drug Free Workplace Act (30 ILCS 580/) that applies to districts with 25 or more employees working under a state contract or a grant of \$5,000 or more.

² Replace this sentence with the district's drug- and alcohol- free policy goal(s), if any.

With the passage of the CRTA, 410 ILCS 705/, each board and superintendent may wish to engage in a risk-management conversation about the district's drug- and alcohol-free policy enforcement and discipline goals. Enforcement and discipline goals depend upon a board's risk-level tolerance and community expectations. Risk-level-tolerance decisions will depend upon many factors, including, but not limited to: (1) the board attorney's recommendations, (2) the district's budget parameters, if any, for reasonable suspicion training on identification of symptoms of impairment and/or being under the influence, (3) drug testing, and (4) the community's expectations. Answers to the following questions might structure this risk-management conversation:

1. Does the board want to implement a reasonable suspicion program (or any other type of *just cause* provisions in an applicable collective bargaining agreement) to identify employees suspected of being impaired and/or under the influence to enhance its ability to discipline?
2. Does the board want the superintendent to secure training for designated district employees to educate them to identify symptoms of impairment or being under the influence of the substances prohibited in this policy?
3. How does the board want to address employees in positions of leadership, e.g., the superintendent and/or building principal(s), who are perpetually on call due to the nature of their positions and responsibilities (see f/n 3, below)?
4. How will the district manage its duty to educate students about the dangers of drugs and alcohol against the reality that employees are allowed to use lawful products off-duty and off the district's premises (820 ILCS 55/5(a))?
5. Will licensed educators be held to a higher standard than non-licensed employees due to their professional code of conduct expectations?
6. Will employees working directly with students be held to a higher standard than employees not working directly with students?

An employee is *on call* when the District schedules the employee with at least 24 hours' notice to be on standby or otherwise responsible for performing employment-related tasks either at the District or another location previously designated by the District.³ All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being on call⁴ for the District:⁵

Formatted: Font: Not Italic

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.⁶
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectable, regardless of when and/or where the use occurred.⁷
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator

³ 820 ILCS 55/5. Consult the board attorney regarding how the board wants to treat employees who may be considered *on call*, e.g., superintendents, principals, coaches, and/or maintenance workers, etc.

For boards that do not want to refer to employees on call, delete this sentence and the following phrase from the sentence that immediately follows it: *or being on call*.

⁴ An employee is *on call* when the employer schedules him or her with at least 24 hours' notice to be on standby or otherwise responsible for performing employment-related tasks either at the employer's location or another previously-designated location. 820 ILCS 55/5. Consult the board attorney regarding how the board wants to treat employees who may be considered *on call*, e.g., superintendents, principals, coaches, and/or maintenance workers, etc.

For boards that do not want this text, delete *or being on call*.

⁵ To align with best practices for identifying and subsequently initiating discipline of employees for violating this policy (especially with the passage of the CRTA) and any possible collective bargaining agreement provisions, the superintendent may want to convene the **Employee Substance Abuse Prevention Committee** (see sample administrative procedure 2:150-AP, *Superintendent Committees*).

⁶ These actions are prohibited by both federal (41 U.S.C.A. §§8101, 8102 and 8103) and State Workplace Acts. See f/n 13, below. These laws do not address *under the influence* but a board may add: ", or being impaired by or under the influence of any illegal substance or any detectable use of any illegal substance regardless of when or where the use occurred." This option is limited to *illegal* substances to avoid prohibiting employees from using lawfully prescribed controlled substances. See f/n 13. Contact the board attorney for advice concerning this provision and whenever the district wants to discipline or dismiss an employee using it. If a hearing is required before the district may discipline or discharge an employee under this provision, the district must put forth evidence that the employee violated it. A district would also have this burden if a grievance is filed under a *just cause* provision in a collective bargaining agreement. This policy's third paragraph addresses prescribed medications other than cannabis.

⁷ Optional; alcohol is not addressed in either the federal or State Drug-Free Workplace Acts. Contact the board attorney for advice concerning this provision and whenever the district wants to discipline or dismiss an employee using it. If a hearing is required before the district may discipline or discharge an employee under this provision, the district must put forth evidence that the employee violated it. A district would also have this burden if a grievance is filed under a *just cause* provision in a collective bargaining agreement. The Ill. Court of Appeals held that when the policy defines *under the influence* as any "mental, emotional, sensory or physical **impairment** due to the use of drugs or alcohol," the school district must prove that the teacher showed signs of impairment even though she registered 0.056 blood-alcohol level on a Breathalyzer. Kinsella v. Bd. of Ed. of the City of Chicago, 27 N.E.3d 226 (Ill. App. Ct. 1st Dist. 2015).

pursuant to *Ashley's Law*, 105 ILCS 5/22-33.⁸ The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms⁹ while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.¹⁰

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. ⁸ “[R]egardless of when and/or where the use occurred” is intended to mean that an employer may reach an employee's conduct on- or off-duty depending upon the facts of the disciplinary situation; however, the CRTA contains a specific requirement that law enforcement employers adopt a policy outlining penalties for discipline of law enforcement employees for their on or off-duty conduct involving consumption, possession, sale, purchase, or delivery of cannabis or cannabis-infused substances. *Id.* at 10-35(a)(8). See also *f/n*s 1, above, and 9, below. Consult the board attorney if the district employs a school resource officer(s) (SRO(s)) as opposed to contracting with a local law enforcement agency for SRO services.

410 ILCS 130/25(b) prohibits discipline or arrest of school nurses and/or administrators for acting in accordance with *Ashley's Law*, 105 ILCS 5/22-33. Employers may enforce drug-free workplace policies when they are applied in a nondiscriminatory manner. 410 ILCS 705/10-50(a) includes disciplining employees – even those who are *registered qualifying patients* – for violating drug-free workplace policies (410 ILCS 130/50 and 705/10-35(a)(1)). Contact the board attorney for advice concerning the Compassionate Use of Medical Cannabis Program Act (Medical Cannabis Program Act (MCPA)).

⁹ Specific articulable symptoms listed in 410 ILCS 705/10-50(d) include: the employee's speech, physical dexterity, agility, coordination, demeanor, irrational or unusual behavior, or negligence or carelessness in operating equipment or machinery; disregard for the safety of the employee or others, or involvement in any accident that results in serious damage to equipment or property; disruption of a production or manufacturing process; or carelessness that results in any injury to the employee or others. In contrast to the CRTA, the MCPA, while listing the same specific, articulable, symptoms, does not require an employer to have a *good faith belief* that a *registered qualifying patient* is under the influence of cannabis. 410 ILCS 130/50(f).

¹⁰ 410 ILCS 705/10-35 and 10-50(a) allow reasonable, nondiscriminatory, zero-tolerance policies. If the district seeks to discipline an employee on the basis that he or she is under the influence of or impaired by cannabis, it must afford the employee a reasonable opportunity to contest the basis of the determination. *Id.* at 10-50(d). See also *f/n* 7, above. **Contact the board attorney for advice concerning this provision and whenever the district seeks disciplinary action or dismissal of an employee on the basis of the cannabis prohibitions in the policy.**

See also the Ill. Vehicle Code 625 ILCS 5/11-501.2(b-5) number one: when an individual's tetrahydrocannabinol concentration (THC) is five nanograms or more in whole blood or 10 nanograms or more in another bodily substance, e.g., saliva, urine, etc., as defined in 625 ILCS 5/11-501.2(a), a presumption under Illinois law exists that the individual is under the influence of cannabis. Under 625 ILCS 5/11-501.2(b-5) number two: when an individual's [THC] is less than five nanograms in whole blood or less than 10 nanograms or more in another bodily substance, e.g., saliva, urine, etc., as defined in 625 ILCS 5/11-501.2(a), the individual may still be considered impaired.

In addition to a zero-tolerance policy, the CRTA also allows civil, criminal, or other penalties for:

1. Engaging in tasks under the influence of cannabis when doing so would constitute negligence, professional malpractice, or professional misconduct (410 ILCS 705/10-35(a)(1));
2. Possessing cannabis on a school bus or on school grounds (*Id.* at 10-35(a)(2)(A)-(B) unless permitted under the MCPA);
3. Using cannabis on a school bus or on school grounds (*Id.* at 10-35(a)(3)(A)-(B) unless permitted under the MCPA);
4. [Using cannabis] in a public place [while impaired or under the influence of cannabis] (*Id.* at 10-35(a)(3)(F));
5. Knowingly being [impaired by or under the influences of cannabis] in close physical proximity to anyone under 21 years of age who is not a registered medical cannabis patient under the MCPA (*Id.* at 10-35(a)(3)(G));
6. Smoking [and/or vaping (see *f/n* 19, below for a definition of vaping)] in any place where smoking is prohibited under the Smoke Free Illinois Act (*Id.* at 10-35(a)(4));
7. Using [cannabis] as an on-duty law enforcement officer, corrections officer, probation officer, or firefighter (*Id.* at 10-35(a)(8)), or consuming, possessing, selling, purchasing, or delivering cannabis or a cannabis-infused substance(s) while on or off-duty [only if a policy has been adopted] *Id.* at 10-35(a)(8); or
8. [Using cannabis while [b]]eing on duty as an individual holding a school bus permit or Commercial Driver's License (*Id.* at 10-35(a)(9)).

limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test. ¹¹

For purposes of this policy, a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

For purposes of this policy, *District premises*¹² means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. School grounds means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall: ¹³

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired. ¹⁴

¹¹ 410 ILCS 705/10-50(d). For boards that will not communicate to employees what will happen when reasonable suspicion exists, delete the first sentence of this paragraph: ~~Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation.~~

410 ILCS 705/10-50(e)(1), protects the district from liability for actions described in the last sentence of this paragraph. Delete it if the board will not communicate this information to its employees.

¹² 410 ILCS 705/10-35 and 10-50(a) allows employers to prohibit cannabis in the *workplace*. Many attorneys agree it is a best practice for employers to define workplace in policies that prohibit cannabis. 410 ILCS 705/10-50(h) defines *workplace* as the employer's premises, including any building, real property, and parking area under the control of the employer or area used by an employee while in performance of the employee's job duties, and vehicles, whether leased, rented, or owned – and may be further defined by the employer's written policy when it is consistent with this definition.

This policy's definition of workplace expands the above CRTA definition to areas that board policy and/or the School Code impose duties upon districts to keep students safe, including:

1. The *school property* definition from sample policy 8:30, *Visitors to and Conduct on School Property*;
2. The *school grounds* definition at 105 ILCS 5/10-27.1A(d); and
3. Places that school districts must prevent and respond to bullying, including vehicles used for school purposes. 105 ILCS 5/22-110, [renumbered by P.A. 104-3917-23-7\(a\)](#).

¹³ Required by the State and federal Drug-Free Workplace Acts.

¹⁴ This optional paragraph is not addressed in State or federal drug-free workplace acts. An employer should generally not ask an employee about his or her use of medication. See rules implementing the Americans with Disabilities Act, 29 C.F.R. §1630.14. Consult the board attorney if an employee is suspected of working while impaired or under the influence.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following: ¹⁵

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted. ¹⁶
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations. ¹⁷
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about: ¹⁸
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.
6. Remind employees that [Board](#) policy 6:60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence. ¹⁹

¹⁹ Optional. This statement serves as a display of good judgement and a reminder to employees that 105 ILCS 5/27-13-2, amended by P.A.s 102-195 and 103-365255, added by P.A. 104-391, and 5/27-23-4115 renumbered by P.A. 104-391 (provided it can be funded by private grants or the federal government) require districts to educate students about the prevention and avoidance of drugs abuse, the dangers of opioid and substance abuse, and the dangers of fentanyl.

E-Cigarette, Tobacco, and Cannabis Prohibition ²⁰

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes,²¹ tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco has the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis has the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device. ²²

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²⁰ 105 ILCS 5/10-20.5b, The Smoke Free Illinois Act, 410 ILCS 82/, and the CRTA, 410 ILCS 705/10-35(a)(4)(smoking anywhere where smoking is prohibited under the Smoke Free Illinois Act). Federal law prohibits smoking inside schools. 20 U.S.C. §6083(a).

The prohibition in sample policy 8:30, *Visitors to and Conduct on School Property*, referred to here, applies "on school property or at a school event." Here, "at a school event" is clarified with the phrase "while ... performing work for the District" in order to align with this policy's other prohibitions.

²¹ While 720 ILCS 675/1, excludes e-cigarettes from its definition of tobacco, it does not address vaporization. Prohibiting *e-cigarettes* aligns with the district's obligation to maintain a safe, smoke-free environment and is a logical extension of 105 ILCS 5/10-20.5b, The Smoke Free Illinois Act (410 ILCS 82/), and The Prevention of Tobacco Use by Minors-Persons Under 21 Years of Age and Sale and Distribution of Tobacco Products Act, 720 ILCS 675 (provides the legal age to buy tobacco and e-cigarette products to 21 years of age). In addition, the U.S. Food and Drug Administration now regulates e-cigarettes. 21 C.F.R. Parts 1100, 1140, and 1143.

E-Cigarettes may resemble cigarettes but contain a battery-operated heating element that turns a liquid into an aerosol (or vapor) that sometimes includes nicotine, flavorings, and other chemicals. The act of inhaling and exhaling the aerosol is known as *vaping*. See <https://nida.nih.gov/publications/drugfacts/vaping-devices-electronic-cigarettes>. For ease of administration, this sample policy treats *vaping*, whether tobacco products or not, and smoking tobacco the same due to the outbreaks of lung disease associated with the use of e-cigarettes and vaping. Some e-cigarettes do not look like tobacco products; they are designed to resemble other objects, such as USB flash drives, to be more easily concealed. Like smoking tobacco, vaporization products may include nicotine, which is derived from and is the addictive drug in tobacco, and other potentially harmful chemicals. See *Tobacco/Nicotine and Vaping* at: <https://nida.nih.gov/research-topics/tobacconicotine-vaping>. Unlike smoking tobacco, vaping does not produce smoke, but rather the aerosol, often mistaken for water vapor and consisting of fine particles. Many of these particles contain varying amounts of toxic chemicals, which have been linked to cancer and respiratory and heart disease. For resources, see www.edc.gov/tobacco/basic-information/e-cigarettes/index.htm and https://digitalmedia.hhs.gov/tobacco/educator_hub.

²² Optional. If a district does not want to include the statutory example that includes the term *vape pen*, which provides notice that vaping products are also prohibited through the term e-cigarette, replace ~~includes but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device~~ with "shall have the meaning provided in the Prevention of Tobacco Use by Minors, Persons Under 21 Years of Age and Sale and Distribution of Tobacco Products Act, 720 ILCS 675/1(a-9)."

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination.²³ In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.²⁴

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.²⁵

Disclaimer²⁶

The Board reserves the right to interpret, revise or discontinue any provision of this policy pursuant to the **Suspension of Policies** subhead in [Board](#) policy 2:240, *Board Policy Development*.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²³ An employee who currently uses *illegal* drugs is not protected under the Americans With Disabilities Act (ADA) when the district acts on the basis of such use. 42 U.S.C. §12114. Legal drug abusers and alcoholics may still be protected as *handicapped* under the Rehabilitation Act of 1973 (29 U.S.C. §706 *et seq.*) or the Ill. Human Rights Act (IHRA). 775 ILCS 5/1-101 *et seq.* and 56 Ill.Admin.Code §2500.20. The Rehabilitation Act, however, excludes from protection “an alcohol or drug abuser whose current use of alcohol or drugs prevents such individual from performing the duties of the job in question or whose employment ... would constitute a direct threat to the property or the safety of others.” 28 C.F.R. §42.540(k)(1).

The ADA neither authorizes nor prohibits drug testing; it allows the results of such tests to be used as the basis for disciplinary action. 42 U.S.C. §12114; 29 C.F.R. §1630.16(c). Drug tests may still violate other laws, e.g., Title VI and the Rehabilitation Act. 42 U.S.C. §2000e *et seq.*; and 29 U.S.C. §701 *et seq.* Drug tests may also be a subject of collective bargaining. See paragraph one of *f/n* 1, above. Consult the board attorney before implementing a drug-testing program to enforce this policy.

Professional Personnel

Leaves of Absence ¹

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave ²

Each full-time professional staff member is granted 10 days sick leave each school year at full pay. Unused days are allowed to accumulate to 180 days. Sick leave is defined in State law as personal illness, mental or behavioral health complications, quarantine at home, serious illness or death in the

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

This policy is consistent with the minimum requirements of State law. The local collective bargaining agreement may contain provisions that exceed these requirements. The introductory paragraph recognizes that an applicable collective bargaining agreement or individual employment contract will supersede a conflicting provision of the policy. It also provides policy coverage for those professional personnel who are not included in a bargaining unit or have employment contracts with conflicting provisions. Alternatively, if the policy's subject matter is superseded by a bargaining agreement, the board policy may state, "Please refer to the applicable collective bargaining agreement(s)."

Districts must coordinate leaves provided by State law and the local bargaining agreement with the leave granted by the Family and Medical Leave Act (FMLA) (29 U.S.C. §2612), amended by Sec. 565 of the National Defense Authorization Act for Fiscal Year 2010 (Pub. L. 111-84). The FMLA grants eligible employees 12 weeks unpaid leave each year for: (1) the birth and first-year care of a child; (2) the adoption or foster placement of a child; (3) the serious health condition of an employee's spouse, parent, or child; (4) the employee's own serious health condition; (5) the existence of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is on *covered active duty*; and (6) to care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness. Districts are permitted to count paid leave (granted by State law or board policy) taken for an FMLA purpose against an employee's FMLA entitlement. 29 C.F.R. §825.207. See sample policy 5:185, *Family and Medical Leave*.

Many A plethora of State laws grant leaves to employees of the State and municipalities but are not applicable to school districts, including the Employee Blood and Organ Donation Leave Act (820 ILCS 149/), Local Government Disaster Service Volunteer Act (50 ILCS 122/), Organ Donor Leave Act (5 ILCS 327/), Civil Air Patrol Leave Act (820 ILCS 148/), and Paid Leave for All Workers Act (820 ILCS 192/). See sample policy 5:185, *Family and Medical Leave*, for a discussion of the Military Leave Act (820 ILCS 151/) and its applicability to school districts.

² The provisions in this section are required by 105 ILCS 5/24-6, amended by P.A.s 102-275, 102-697, and 102-866. Each specified number of days in this section is the statutory minimum. Before adopting this policy or applying its provisions, the district should examine any applicable bargaining agreements.

Consult the board attorney about the Employee Sick Leave Act (ESLA). 820 ILCS 191/, amended by P.A. 102-4. It prohibits employers from limiting the use of sick time to an employee's own illnesses and allows employees to use employer-provided sick leave due to illness, injury, medical appointment, or *personal care* of a *covered family member*. Id. at 191/10(a), amended by P.A. 102-4. *Personal care* means: (1) activities to ensure a covered family member's basic medical, hygiene, nutritional, or safety needs are met, or to provide transportation to medical appointments, for a covered family member unable to meet those needs himself or herself; and (2) being physically present to provide emotional support to a covered family member with a serious health condition who is receiving inpatient or home care. Id. at 191/5, amended by P.A. 102-4. The ESLA defines *covered family members* as an employee's child, stepchild, spouse, domestic partner, sibling, parent, mother- or father-in-law, grandchild, grandparent, or stepparent. Id. Leave may be taken under the same terms for which the employee would be permitted to take leave for his or her own illness or injury.

immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.³

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.⁴

Family Bereavement Leave⁵

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take family bereavement leave. The purpose, requirements,

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

³ 105 ILCS 5/24-6, ~~amended by P.A. 102-275~~, overturned the Illinois Supreme Court's decision in Dynak v. Bd. of Educ. of Wood Dale Sch. Dist. 7, 444 Ill.Dec. 651 (Ill. 2020) (finding that a teacher was not entitled to use 30 days of sick leave for birth consecutively before and after an intervening summer break). It is unclear from the language of the statute if an employee can be prohibited from *intermittent* use of 30 working sick days for birth, e.g., such as taking leave once a week. Consult the board attorney for guidance on this issue.

⁴ 105 ILCS 5/24-6, ~~amended by P.A.s 102-275, 102-697, and 102-866~~.

⁵ Family Bereavement Leave Act, 820 ILCS 154/, ~~amended by P.A. 102-1050~~; 56 Ill.Admin.Code Part 252. These paragraphs discuss family bereavement leave. 820 ILCS 154/5, defines an *eligible employee* under the same terms as an employee under FMLA (29 U.S.C. §2601 et seq.). See f/n 1 above. The employer may require reasonable documentation as specified in 820 ILCS 154/10(d), ~~amended by P.A. 102-1050~~ but may not require that an employee identify which specific category under item (4) in the first paragraph of this subhead pertains to the leave. Note the term *Significant Event* does not appear in the statute; it is included in this sample policy as a shorthand term to refer to those events listed in 820 ILCS 154/10(a)(4).

Domestic partner, when used to refer to an unmarried employee, includes: (1) the person recognized as the domestic partner of the employee under any domestic partnership or civil union law of a state or political subdivision of a state, or (2) an unmarried adult who is in a committed, personal relationship with the employee, who is not a domestic partner as described in item (1) and who the employee designates as that employee's domestic partner. 820 ILCS 154/5, ~~amended by P.A. 102-1050~~.

scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave⁶

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss.⁷ An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Sabbatical Leave⁸

Sabbatical leave may be granted in accordance with the School Code.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

The Act also provides that the leave must be completed within 60 days of the employee learning of the death of his or her *covered family member*, as defined by 820 ILCS 154/5. However, that 60-day limitation does not apply when more than one covered family member dies in a 12-month period. There may be times when an employer may want to grant more than 10 unpaid work days, e.g., when a deceased covered family member lived in a foreign country, etc. Consult the board attorney to resolve the complexities of determining whether an employee is an eligible employee under the FMLA that would trigger this Act.

⁶ 820 ILCS 156/, added by P.A. 103-466. Delete this subhead and the Legal Reference to 820 ILCS 156/, Child Extended Bereavement Leave Act, if the district has fewer than 50 full-time employees.

⁷ If the district employs at least 50 but fewer than 250 employees on a full-time basis, substitute the following sentence: "Accordingly, if the District employs at least 50 but not more than 249 employees on a full-time basis, an employee is entitled to a total of six weeks of unpaid leave within one year after the employee notifies the District of the loss." 820 ILCS 156/10, added by P.A. 103-466.

⁸ State law provides guidelines for sabbatical leaves but does not require boards to offer them. 105 ILCS 5/24-6.1.

Personal Leave⁹

Professional staff members are granted one personal leave day per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal three days in advance of the requested date,
2. No personal leave days may be used immediately before or immediately after a holiday unless the Superintendent grants prior approval,
3. Personal leave may not be used in increments of less than one-half day,
4. Personal leave days are subject to a substitute's availability,
5. Personal leave days may not be used during the first and/or last five days of the school year,
6. Personal leave days may not be used on in-service and/or institute training days, and
7. Personal leave may not be used by more than 10% of the teaching staff in each building at the same time.

Leave of Absence Without Pay¹⁰

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge¹¹

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁹ State law does not address personal leave. It is not uncommon for professional staff to be granted more than one day of personal leave per year.

¹⁰ State law does not address leaves of absence without pay other than stating that a mutually agreed leave will not affect a teacher's contractual continued service. 105 ILCS 5/24-13.

¹¹ This paragraph restates 10 ILCS 5/13-2.5. The statute does not state whether the notice requirement is *calendar* days or *business* days. Support for it being *calendar* days is found in 10 ILCS 5/1-6; support for it being *business* days is found in 10 ILCS 5/1-3.

Rather than duplicate the statute's requirements in separate policies, sample policy 5:330, *Sick Days, Vacation, Holidays, and Leaves*, grants the leave to support personnel on the terms applicable to professional staff.

Child-Rearing Leave ¹²

The Board shall grant a professional staff member's request for a non-paid, child-rearing leave, not to exceed the balance of the school year plus one additional school year (but in no event shall such leave exceed three semesters), provided the request complies with this policy. Nothing in this section shall prohibit a professional staff member from using paid sick days as provided in this policy. ¹³

A teacher should request, if possible, a child-rearing leave by notifying the Superintendent in writing no later than 90 days before the requested leave's beginning date.¹⁴ The request should include the proposed leave dates. The leave shall end before a new school year begins or before the first day of school after winter recess. ¹⁵

Subject to the insurance carrier's approval, the teacher may maintain insurance benefits at his or her own expense during a child-rearing leave.

A professional staff member desiring to return before the leave's expiration will be assigned to an available vacancy for which the teacher is qualified, subject to scheduling efficiency and instruction continuity.

Leaves for Service in the Military ¹⁶

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave ¹⁷

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹² The School Code does not address child-rearing. FMLA grants eligible employees a combined total of 12 weeks each year, with exceptions for teachers at the end of the school year, for, among other things, a child's: (1) birth and first-year care, and (2) adoption or foster placement (see sample policy 5:185, *Family and Medical Leave*). Districts not covered by the FMLA must treat a request for child-care leave to care for an adopted infant on terms comparable to those given biological mothers. *McWright v. Alexander*, 982 F.2d 222 (7th Cir. 1992).

¹³ Districts offering a child-rearing or maternity leave must be very careful not to violate anti-discrimination laws. Districts can prohibit pregnant teachers from combining paid disability leave with an unpaid maternity leave, provided that non-pregnant teachers are likewise prohibited from combining a paid disability leave with an unpaid general leave of absence. *Maganuco v. Leyden Comm. High Sch. Dist. 212*, 939 F.2d 440 (7th Cir. 1991); *U.S. v. Consol. High Sch. Dist. 230*, 983 F.2d 790 (7th Cir. 1993); *E.E.O.C. v. Elgin Teachers' Ass'n.*, 780 F.Supp. 1195 (N.D.Ill. 1991). A sick leave bank exclusion of maternity benefits violates Title VII. *U.S. v. Consol. High Sch. Dist. 230*, *supra*.

¹⁴ The length of the notice - here 90 days - is *not* covered by State or federal law. If an employee fails to provide this notice, the employee still has the right to request a family and medical leave which has a much shorter notice requirement (see sample policy 5:185, *Family and Medical Leave*), and could be followed by a child-rearing leave.

¹⁵ For a high school, omit "the first day of school after winter recess" and insert "at the semester break." Alternatively, the board may want to be more flexible by stating:

Every effort shall be made to have the leave minimally interrupt instructional continuity by ending . . .

¹⁶ Required by the School Code (105 ILCS 5/10-20.7b, 5/24-13, and 5/24-13.1); the Service Member Employment and Reemployment Rights Act (330 ILCS 61/, streamlining several job-related protection laws into one statute, mandating leave for *active service*, and requiring the public employer to make up the difference between military pay and regular compensation); and the Uniformed Services Employment and Reemployment Rights Act (38 U.S.C. §4301 *et seq.*).

¹⁷ Required by 105 ILCS 5/24-13.

Leave for Employment in Department of Defense ¹⁸

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours.¹⁹ Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.²⁰

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.²¹

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence ²²

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a

Code Part 280). *Gender violence* means: (1) one or more acts of violence or aggression that is a criminal offense under State law committed, at least in part, on the basis of a person's actual or perceived sex or gender, (2) a physical intrusion or invasion of a sexual nature under coercive conditions that is a criminal offense under State law, or (3) a threat to commit one of these acts. 820 ILCS 180/10(12.5). *Other crime of violence* means conduct prohibited by 720 ILCS 5/9 (homicide), 720 ILCS 5/11 (sex offenses), 720 ILCS 5/12 (bodily harm), 720 ILCS 5/26.5 (harassing and obscene communications), 720 ILCS 5/29D (terrorism), and 720 ILCS 5/33A (armed violence), or similar provisions of the Criminal Code of 1961. 820 ILCS 180/10(2.5), added by P.A. 102-487. *Sexual violence* is not specifically defined in VESSA. While the law applies to all school districts (820 ILCS 180/10(10)), the number of employees determines the number of total workweeks of leave available during any 12-month period (820 ILCS 180/20(a)(2)). The term *employee* includes part-time workers. The Ill. Dept. of Labor must furnish to all employers a notice summarizing the law's requirements (*Your Rights Under Illinois Employment Laws* at: <https://labor.illinois.gov/employers/posters.html>). All districts must post this notice in a conspicuous place where notices to employees are customarily posted.

total of 12 work weeks of unpaid leave during any 12-month period.²³ Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).²⁴

Leaves to Serve as an Officer, Trustee, or Representative of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations,²⁵ (2) up to ~~20~~twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3,²⁶ (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2,²⁷ and (4) up to 10 days of paid leave per school term for teachers elected to represent a statewide teacher association in federal advocacy work in accordance with 105 ILCS 5/24-3.5.²⁸

COVID-19 Paid Administrative Leave²⁹

When applicable, paid administrative leave related to COVID-19 will be granted to eligible employees in accordance with State law.

²³ If the district employs fewer than 50 employees, it may substitute the following sentence: "Accordingly, if the District employs at least 15 but not more than 49 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of eight work weeks of unpaid leave during any 12-month period." 820 ILCS 180/20(a)(2), amended by P.A. 103-314, eff. 1-1-24.

If the district employs at least one but not more than 14 employees, it may substitute the following sentence: "Accordingly, if the District employs at least one but not more than 14 employees, and subject to any exceptions in VESSA, an employee is entitled to a total four (4) work weeks of leave during any 12-month period." Under 820 ILCS 180/20(a)(4), ~~added by P.A. 103-314, eff. 1-1-24~~, an employee is not entitled to more than two work weeks (10 work days) if the leave is to attend a wake or funeral (or an alternative event), make end-of-life arrangements, or grieve due to the death of a family or household member killed in a crime of violence. In these circumstances, the leave must be completed within 60 days after the date on which the employee receives notice of the death. Employees may qualify for unpaid leave under both VESSA and the Family Bereavement Leave Act; leave taken under one act does not diminish the availability of leave under the other. Id.

²⁴ VESSA states that an employee does not have a right to take unpaid leave that exceeds the unpaid leave time allowed under the FMLA. 820 ILCS 180/20(a)(2). Educational Support Personnel

Sick Days, Vacation, Holidays, and Leaves ¹

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave ²

Full or part-time educational support personnel who work at least 600 hours per year receive 10 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

This policy is consistent with the minimum requirements of State law. The local collective bargaining agreement may contain provisions that exceed these requirements. The introductory paragraph recognizes that an applicable collective bargaining agreement or individual employment contract will supersede a conflicting provision of the policy. Alternatively, if the policy's subject matter is superseded by a bargaining agreement, the board policy may state, "Please refer to the applicable collective bargaining agreement."

Districts must coordinate leaves provided by State law and the local bargaining agreement with the leave granted by the Family and Medical Leave Act (FMLA) (29 U.S.C. §2612), amended by Sec. 565 of the National Defense Authorization Act for Fiscal Year 2010 (Pub. L. 111-84). The FMLA grants eligible employees 12 weeks unpaid leave each year for: (1) the birth and first-year care of a child; (2) the adoption or foster placement of a child; (3) the serious health condition of an employee's spouse, parent, or child; (4) the employee's own serious health condition; (5) the existence of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is on (or has been notified of an impending call to) *covered active duty* in the Armed Forces; and (6) to care for the employee's spouse, child, parent, or next of kin who is a covered service member with a serious injury or illness. The definition of *covered servicemember* includes a veteran "who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness" if the veteran was a member of the Armed Forces "at any time during the period of 5 years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy." 29 U.S.C. §2611(15). Districts are permitted to count paid leave (granted by State law or board policy) taken for an FMLA purpose against an employee's FMLA entitlement. 29 C.F.R. §825.207. See sample policy 5:185, *Family and Medical Leave*.

~~A plethora of~~ Many State laws grant leaves to employees of the State and municipalities, but are not applicable to school districts, including the Employee Blood and Organ Donation Leave Act (820 ILCS 149/), Local Government Disaster Service Volunteer Act (50 ILCS 122/), Organ Donor Leave Act (5 ILCS 327/), Civil Air Patrol Leave Act (820 ILCS 148/), and Paid Leave for All Workers Act (820 ILCS 192/). See sample policy 5:185, *Family and Medical Leave*, for a discussion of the Military Leave Act (820 ILCS 151/) and its applicability to school districts.

² This section contains the minimum benefits provided by 105 ILCS 5/24-6, ~~amended by P.A. 102-275, 102-697, and 102-866~~. Each specified number of days in this section is the statutory minimum. The School Code does not address whether an employee's 10 paid sick leave days are available upon employment, accrued over months, or after working for a certain period of time, e.g., one year. Also be aware that the Employee Sick Leave Act (ESLA) (820 ILCS 191/, ~~amended by P.A. 102-4~~) allows employees to use employer-provided sick leave due to illness, injury, medical appointment, or *personal care* of a *covered family member*. See sample policy 5:250, *Leaves of Absence*, at f/n 2 for more information about the scope and application of the ESLA. Leave may be taken under the same terms for which the employee would be permitted to take leave for his or her own illness or injury.

Before adopting this policy or applying its provisions, the district should examine any applicable bargaining agreements. Strict accounting of unused sick days is important to avoid:

1. Employees accumulating sick time on a full-time basis when they are truly working part-time hours;

workday. Unused sick leave shall accumulate to a maximum of 180 days, including the leave of the current year.³

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a

2. Inconsistent treatment; and

3. Inaccurate reporting to IMRF (credit is given for full day unused sick days upon retirement). 40 ILCS 5/7-139(a)(8).

105 ILCS 5/24-6, amended by P.A.s 102-275, 102-697, and 102-866, required districts to return any sick leave days used by educational support personnel for a qualifying COVID-19 related reason during the 2021-2022 school year, provided the employee was "fully vaccinated against COVID-19" by 5-10-22. See sample policy 5:250, *Leaves of Absence*, at f/n 2, for more information.

³ As this policy is consistent with the minimum requirements of State law, this provision on the maximum number of sick days that may be accumulated is based on the minimum number required as stated in 105 ILCS 5/24-6, amended by P.A.s 102-275, 102-697, and 102-866. The number may be increased to meet or exceed the number IMRF will recognize for retirement credit purposes. The following alternative does this: "Unused sick leave shall accumulate to the maximum number of days that IMRF will recognize for retirement credit purposes."

The following optional provisions apply to boards that want to address the IMRF's requirement that public bodies must have a written plan allowing eligible employees to convert their eligible accumulated sick leave to service credit upon their retirement. See 40 ILCS 5/7-139(a)(8). See also IMRF General Memorandum #555 at:

www.imrf.org/en/publications-and-archive/general-memos/2007-general-memos/general-memo-555.

Option 1: No collective bargaining agreement applies and the board wants to publicize its written plan. Insert the following sentence: This policy is the District's written plan allowing eligible employees to convert eligible accumulated sick leave to service credit upon a District employee's retirement under the Ill. Municipal Retirement Fund.

Option 2: A local collective bargaining agreement contains the written plan and the board wants to publicize it. Insert the following sentence: Please refer to the applicable collective bargaining agreement(s) for the District's written plan allowing eligible employees to convert eligible accumulated sick leave to service credit upon an employee's retirement under the Ill. Municipal Retirement Fund.

Option 3: A district maintains two separate sick leave plans, one for employees under a collective bargaining agreement, and one for non-unionized employees. Insert the text for both Option 1 and Option 2.

Note: If Options 1, 2, or 3 are chosen, add 40 ILCS 5/7-139 to the Legal References. If the board does not have a written sick leave plan for purposes of IMRF sick leave to service credit conversion or does not wish to include it in the policy, do not include any of the options above or add the citation to the Legal References.

condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification. ⁴

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway. ⁵

Vacation ⁶

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

<u>Length of Employment</u>		<u>Earned Per Monthly Accumulation</u>	<u>Maximum Vacation Leave Earned Per Year</u>
<u>From:</u>	<u>To:</u>		
Beginning of year 2	End of year 5	0.83 Days	10 Days per year
Beginning of year 6	End of year 15	1.25 Days	15 Days per year
Beginning of year 16	End of year	1.67 Days	20 Days per year

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee’s average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation. ⁷

⁵ 105 ILCS 5/24-6, amended by P.A.s 102-275, 102-697, and 102-866.

⁶ State law does not require districts to give employees vacations. This subhead should be customized based on local needs and conditions and in consultation with the board attorney. For example, some districts may wish to attract or retain employees by offering vacation during the first year of employment and/or by making vacation days available for use on the first day of employment, earned evenly throughout the year.

⁷ Required by 820 ILCS 115/5 and 56 Ill.Admin.Code §300.520 (Earned Vacations).

Holidays ⁸

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a legal school holiday listed below, District employees will not be required to work on:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
Abraham Lincoln's Birthday	Veterans Day
Casimir Pulaski's Birthday	2024—General Election Day, when required by law
Memorial Day	Thanksgiving Day
Juneteenth National Freedom Day	Christmas Day
Independence Day	

A holiday will not cause a deduction from an employee's time or compensation.² The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave ¹⁰

Full-time educational support personnel have one paid personal leave day per year. The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, a personal leave request should be submitted to the Building Principal three days before the requested date.
2. No personal leave day may be used immediately before or immediately after a holiday, or during the first and/or last five days of the school year, unless the Superintendent grants prior approval.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

Language referring to a General Election holiday when required by law is maintained in this policy should this practice continue.](#) Holidays not specified in the School or Election Codes may be added to the policy; however, boards adding additional holidays should monitor and review to ensure the list remains current.

A State-mandated school holiday on Good Friday is unconstitutional according to [Metzl v. Leininger](#), 57 F.3d 618 (7th Cir. 1995). Closing school on religious holidays may be permissible for those districts able to demonstrate that remaining open would be a waste of educational resources because of widespread absenteeism. Also, districts may be able to close school on Good Friday by adopting a spring holiday rationale or ensuring that it falls within spring break. School districts should discuss their options, including the collective bargaining implications, with their board attorney.

² [105 ILCS 5/24-2\(a\), amended by P.A. 103-395, states that "\[n\]o deduction shall be made from the time or compensation of a school employee, including an educational support personnel employee, on account of any legal or special holiday in which that employee would have otherwise been scheduled to work but for the legal or special holiday." This language has caused confusion and disputes in the field. Some unions have claimed this language means educational school personnel must be paid for holidays, in addition to the days worked in the regular work year. Consult the board attorney for guidance.](#)

¹⁰ State law does not address personal leave. It is not uncommon for boards to grant educational support personnel the same number of personal leave days as are granted to professional staff.

3. Personal leave may not be used in increments of less than one-half day.
4. Personal leave is subject to any necessary replacement's availability.
5. Personal leave may not be used on an in-service training day and/or institute training days.
6. Personal leave may not be used when the employee's absence would create an undue hardship.

Leave to Serve as a Trustee of the Ill. Municipal Retirement Fund

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Ill. Municipal Retirement Fund in accordance with State law. ¹¹

School Wellness ¹

Student wellness, including good nutrition and physical activity, shall be promoted in the District's educational program, school-based activities, and meal programs.² This policy shall be interpreted consistently with Section 204 of the Child Nutrition and WIC Reauthorization Act of 2004 and the Healthy Hunger-Free Kids Act of 2010 (HHFKA).³

The Superintendent will ensure:⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law requires this subject matter to be covered in policy and controls its content. The federal Child Nutrition and WIC Reauthorization Act of 2004 (Child Nutrition Act) (Pub. L. 108-265) requires school districts participating in a program authorized by the Richard B. Russell National School Lunch Act (NSLA) (42 U.S.C. §1751 *et seq.*) or the Child Nutrition Act to have a school wellness policy. Pub. L. 108-265, Sec. 204. State law required the Ill. State Board of Education (ISBE) to "establish a State goal that all school districts have a wellness policy." 105 ILCS 5/2-3.139(a). ISBE complied in October 2007 by "instruct[ing] all public school districts to establish a School Wellness Policy." The federal and State laws list mandatory topics for the policy. The second sentence of this policy should be deleted if the district does not participate in the NSLA or the Child Nutrition Act.

This sample policy seeks to be both legally compliant and consistent with good governance principles. Both federal and State laws allow each school district to determine how the required topics are addressed. Good governance principles suggest that the board should establish goals with community and stakeholder input. The administration should determine how to achieve the goals. The board should monitor this policy by requesting and reviewing periodic implementation data.

They are also directed to administer a grant program to further the Program's intent of "reduc[ing] obesity and improv[ing] nutrition and public health, as well as strengthen[ing] local agricultural economies by increasing access to and promoting the consumption of locally grown fruits and vegetables in schools and increasing physical activities and programs that promote pupil wellness." 105 ILCS 124/10.~~

² 7 C.F.R. §210.31(a) and (c)(1). The law requires that local school wellness policies include specific goals for nutrition promotion and education, physical activity, and school-based activities. Federal law requires consideration of evidence-based strategies and techniques when implementing school-based activities. See ISBE's *Local Wellness Policy Content Checklist/Fact Sheet* at: www.isbe.net/Documents/Local-Wellness-Policy-Content-Checklist.pdf www.isbe.net/Pages/Local-School-Nutrition-Wellness-Policy.aspx.

Goals for Nutrition Education and Nutrition Promotion ⁶

The goals for addressing nutrition education and nutrition promotion include the following:

- Schools will support and promote sound nutrition for students.
- Schools will foster the positive relationship between sound nutrition, physical activity, and the capacity of students to develop and learn.
- Nutrition education will be part of the District's comprehensive health education curriculum. See Board policy 6:60, *Curriculum Content*. ⁷

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

This sample policy identifies the superintendent as the school official responsible to ensure compliance and oversee the policy. When the rules require specific identification of a school official, the policy does not include the delegation language *or designee*. **[School boards] must identify the [school official(s)] responsible for oversight of [its wellness policy] to ensure compliance. [Boards] have discretion and are the most qualified to identify the best candidate for [their wellness] policy leadership as size, resources, and needs vary greatly among [school districts].** See Federal Register Vol. 81, No. 146 at 50155 at: www.gpo.gov/fdsys/pkg/FR-2016-07-29/pdf/2016-17230.pdf.

For boards that wish to identify a school official other than the superintendent, delete ~~Superintendent~~ and replace it with the responsible school official's title.

The intent of the rule is that schools "notify households on an annual basis of the availability of the local school wellness policy information and provide information that would enable *interested households* to obtain additional details." Fed. Reg. Vol. 81, No. 146 at 50160. However, the rule states, "[i]nform the *public* about the content and implementation of the local school wellness policy, and make the policy and any updates to the policy available to the public on an annual basis."

To achieve the intent of this requirement, the regulations suggest several methods for districts, which include a common method many districts likely already use: post the policy on the websites for the *public*, and use the student handbook to distribute important information to *interested households*.

⁵ For boards that distribute their wellness policies via student handbooks and want to list that in the text of their policies, insert "and distributed to students and their parents/guardians through student handbooks". For sample handbook language, see the Illinois Principals Association *Online Model Student Handbook (MSH)* at: www.ilprincipals.org/msh/.

⁶ Goals for nutrition education and nutrition promotion are required topics, but the local board may determine what goals are appropriate. Pub. L. 108-265, Sec. 204(a)(1) and Pub. L. 111-296; 42 USC §1758b(b)(1); 105 ILCS 5/2-3.139(a)(2); and 7 C.F.R. §210.31(c)(1). Replace this policy's text with a board's own locally-developed nutritional education and promotion goals.

Nutrition promotion, required by Pub. L. 111-296, is not well-described or defined. The Food Nutrition Service (FNS) describes *nutrition promotion* more clearly in its technical assistance materials and the proposed 7 C.F.R. Part 210 rules (Fed. Reg. Vol. 79, No. 38 at 10695), dated Feb. 26, 2014, which state, "... evidence based techniques and scientifically-based nutrition messages targeted to a specific audience to inspire and motivate them to take action and use these techniques and messages to create environments and food service venues (classroom, cafeteria, ~~à~~ la carte, vending machines, school stores, snack bars, fundraisers, home, etc.) that encourage healthy nutrition choices, as well as enhance and encourage participation in school meal programs."

Goals for Physical Activity ⁸

The goals for addressing physical activity include the following:

- Schools will support and promote an active lifestyle for students.
- Physical education will be taught in all grades and shall include a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. See [Board](#) policies 6:60, *Curriculum Content* and 7:260, *Exemption from Physical Education*. ⁹
- During the school day, all students will be required to engage in a daily physical education course, unless otherwise exempted. See [Board](#) policies 6:60, *Curriculum Content* and 7:260, *Exemption from Physical Education*. ¹⁰
- The curriculum will be consistent with and incorporate relevant *Illinois Learning Standards for Physical Development and Health* as established by the Ill. State Board of Education (ISBE). ¹¹

Goals for Other School-Based Activities ¹²

The goals for school-based activities include the following:

- Schools will support and promote a healthy eating environment for students.
- Schools will promote and participate in wellness activities.
- Schools will offer other school-based activities to support student health and wellness, including coordinated events and clubs.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

Nutrition Guidelines for Foods Available During the School Day; Marketing Prohibited ¹³

Students will be offered and schools will promote nutritious food and beverage choices during the school day that are consistent with Board policy 4:120, *Food Services* (requiring compliance with the nutrition standards specified in the U.S. Dept. of Agriculture’s (USDA) *Smart Snacks* rules). ¹⁴

In addition, in order to promote student health and reduce childhood obesity,¹⁵ the Superintendent or designee shall:

1. Restrict the sale of *competitive foods*, as defined by the USDA, in the food service areas during meal periods;
2. Comply with all ISBE rules; and
3. Prohibit marketing during the school day of foods and beverages that do not meet the standards listed in Board policy 4:120, *Food Services*, i.e., in-school marketing of food and beverage items must meet *competitive foods* standards. ¹⁶

Competitive foods standards do not apply to foods and beverages available, but not sold in school during the school day; e.g., brown bag lunches, foods for classroom parties, school celebrations, and reward incentives. ¹⁷

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹³ The policy must include the nutrition guidelines selected by the board for “all foods available during the school day with the objective of promoting student health and reducing childhood obesity.” Pub. L. 108-265, Sec. 204(a)(2); 105 ILCS 5/2-3.139(a)(1); and 7 C.F.R. §§210.10 and 210.31(a), (c)(2), and (c)(3)(i)-(iv). 42 U.S.C. 1758b(b)(2)(A) requires that each local school wellness policy include nutrition guidelines for all foods and beverages available for sale on the school campus during the school day to ensure they are consistent with the statutory and regulatory provisions governing school meals (7 C.F.R. §§210.10, 220.8 and 220.10) and competitive foods (7 C.F.R. §210.11) as applicable.

Prior to July 2016 when 7 C.F.R. § 210.10 and 7 C.F.R. § 210.31(c) (respectively) became effective, the current *Dietary Guidelines for Americans* published jointly by the U.S. Depts. of Health and Human Services and Agriculture (USDA) were used as nutrition guidelines.

¹⁴ 7 C.F.R. §§210.10 (meal requirements for lunches and requirements for afterschool snacks); 210.11(c) (general nutrition standards for competitive food, i.e., *Smart Snacks*); and 210.31(a) and (c) (encompassing all other nutrition requirements, including foods not sold to students during the school day (classroom parties)).

¹⁵ 7 C.F.R. §210.31(c)(3)(iv).

¹⁶ 7 C.F.R. §§210.11(a)(2) and 210.31(c)(3)(iii); 23 Ill. Admin. Code §305.5. For a definition of *competitive foods*, see [sample administrative procedure 4:120-AP, Food Services; Competitive Foods; Exemptions](#).

¹⁷ 7 C.F.R. §210.31(c)(2). This sample policy does not apply competitive food standards to foods not sold in schools; i.e., foods that students bring into the school from home, etc.

The final [federal] rule does not require that local school wellness policy standards for *foods provided in schools during the school day but not available for sale* conform to the school meal requirements or the competitive foods standards. In fact, the preamble to the final rule reiterates this saying, “[a]gain, it should be noted that with regard to foods provided, but not sold, in schools, local jurisdictions have the discretion to adopt standards that conform to [the competitive food standards] or to adopt more or less stringent standards.” Similarly, the preamble to the final rule clearly states the rule does not require school boards to address standards for food brought from home for individual consumption. See Federal Register Vol. 81, No. 146 at 50158 at: www.gpo.gov/fdsys/pkg/FR-2016-07-29/pdf/2016-17230.pdf. Emphasis added.

This sample policy adopts less stringent standards for foods not sold in schools. For boards that wish to adopt standards that conform to the competitive food standards or apply even more stringent standards to foods available, but not sold during the school day, delete the last sentence of this [Nutrition Guidelines for Foods Available During the School Day; Marketing Prohibited](#) subhead: ~~*Competitive foods* standards do not apply to foods and beverages available, but not sold in school during the school day; e.g., foods for classroom parties, school celebrations, and reward incentives.~~ and choose one of the following sentences to replace it:

Option 1: The District applies competitive foods standards listed in Board policy 4:120, *Food Services*, to foods available, but not sold, in schools.

Exempted Fundraising Day (EFD) Requests ¹⁸

All food and beverages sold to students on the school campuses of participating schools during the school day must comply with the “general nutrition standards for competitive foods” specified in federal law.

ISBE rules prohibit EFDs for grades 8 and below in participating schools.

The Superintendent or designee in a participating school may grant an EFD for grades 9 through 12 in participating schools. To request an EFD and learn more about the District’s related procedure(s), contact the Superintendent or designee. The District’s procedures are subject to change. The number of EFDs for grades 9 through 12 in participating schools is set by ISBE rule.

Guidelines for Reimbursable School Meals ¹⁹

Reimbursable school meals served shall meet, at a minimum, the nutrition requirements and regulations for the National School Lunch Program and/or School Breakfast Program. ²⁰

Unused Food Sharing Plan ²¹

In collaboration with the District’s local health department, the Superintendent or designee will:

1. Develop and support a food sharing plan (Plan) for unused food that is focused on needy students. ²²
2. Implement the Plan throughout the District.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

Option 2: The District applies more stringent standards than the competitive foods standards to foods available, but not sold, in schools. These include [list the chosen standards to foods available, but not sold, in schools].

The AHG encourages school officials to consider prohibiting foods as a reward and using the *Smart Snacks* standards for foods available, but not sold during the school day. However, enforcing such standards against students who are sent to school with snacks from their parents/guardians is difficult and may be considered overreach. Further, such a standard may open the district to challenges. Consult the board attorney about enforcement of standards that meet the *competitive foods* standards – or even more stringent standards – upon foods available, but not sold during the school day, i.e., choosing Options 1 or 2, above.

¹⁸ Required by 23 Ill.Admin.Code §305.15(c)(2), 7 C.F.R. §§210.11(b)(4), ~~and (c)(2)~~ and 210.314(c)(~~32~~) for participating schools that want to grant EFDs.

For elementary districts, delete these sentences: ~~The Superintendent or designee in a participating school may grant an EFD for grades 9 through 12 in participating schools. To request an EFD and learn more about the District’s related procedure(s), contact the Superintendent or designee. The District’s procedures are subject to change. The number of EFDs for grades 9 through 12 in participating schools is set by ISBE rule.~~

For high school districts, delete this sentence: ~~EFDs are prohibited for grades eight and below in participating schools.~~

Detailed procedures are subject to change and are too complicated for policy text. This policy seeks to balance the requirement to include procedures in the policy for requesting an EFD by providing information about the initial steps and directing the superintendent or designee to inform the requestor of the current procedure. For a list of the number of available EFDs and a more detailed sample step-by-step procedure to request them, see sample administrative procedure 4:120-AP, *Food Services; Competitive Foods; Exemptions*.

¹⁹ Inclusion in the policy is required for only those districts that participate in a program authorized by the NSLA or the Child Nutrition Act.

²⁰ Child Nutrition Act of 1966 (42 U.S.C. §1771 *et seq.*) and NSLA (42 U.S.C. §1758).

²¹ 105 ILCS 5/2-3.189, ~~added by P.A. 102-359 and renumbered by P.A. 102-813.~~

²² *Needy students* is not defined by 105 ILCS 5/2-3.189, ~~added by P.A. 102-359 and renumbered by P.A. 102-813.~~

3. Ensure the Plan complies with the Richard B. Russell National School Lunch Act, as well as accompanying guidance from the U.S. Department of Agriculture on the Food Donation Program.²³
4. Ensure that any leftover food items are properly donated to combat potential food insecurity in the District's community. *Properly* means in accordance with all federal regulations and State and local health and sanitation codes.

Monitoring²⁴

At least every three years, the Superintendent shall provide implementation data and/or reports to the Board concerning this policy's implementation sufficient to allow the Board to monitor and adjust the policy (a triennial report).²⁵ This triennial report must include without limitation each of the following:

- An assessment of the District's implementation of the policy
- The extent to which schools in the District are in compliance with the policy
- The extent to which the policy compares to model local school wellness policies
- A description of the progress made in attaining the goals of the policy
- How the District will make the results of the assessment available to the public
- Where the District will retain records of the assessment²⁶

The Board will monitor and adjust the policy pursuant to [Board](#) policy 2:240, *Board Policy Development*.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²³ Required for districts that participate in child nutrition programs, the National School Lunch Program and National School Breakfast Program, the Child and Adult Care Food Program (CACFP), and the Summer Food Service Program (SFSP). See 105 ILCS 5/2-3.189, ~~added by P.A. 102-359 and renumbered by P.A. 102-813.~~

Delete number 3 *only if* the district participates in none of the programs listed.

Food sharing plans will depend on many local factors and require local health department involvement, so because of that, a sample **PRESS** administrative procedure is not practical and does not exist.

²⁴ The policy must establish a plan for measuring implementation of the local wellness policy, including designation of one or more persons within the local educational agency at each school, as appropriate, charged with operational responsibility for ensuring that the school meets the local wellness policy. Pub. L. 108-265, Sec. 204(a)(4); 105 ILCS 5/2-3.139(a)(4); and 7 C.F.R. §210.31(c)(5), (6), and (e)(1). 105 ILCS ~~103-5(a)5/27-235(a), renumbered by P.A. 104-391,~~ requires ISBE to develop and maintain a nutrition and physical activity best practices database. Materials may be found at: www.isbe.net/Pages/Nutrition-and-Wellness.aspx.

42 U.S.C. §1758b(b)(5)(A) (Pub. L. 111-296) requires the public to receive periodic measures with the listed items. The accepted practice is annual reports. There is very little guidance to assist school districts in complying with this requirement, ~~and school districts were expected to be working toward developing a reasonable method to implement this requirement by the end of the 2011-2012 school year.~~ Without guidance, to ensure compliance, superintendents should contact their Regional Office of Education or Intermediate Service Center regarding their school districts' efforts to comply with this requirement. ~~A guide~~[Guidance](#) to help school districts conduct a ~~triennial~~ evaluation of local wellness policies ~~is available, along with more guidance at:~~ <https://www.isbe.net/Pages/Local-School-Nutrition-Wellness-Policy.aspx> www.fns.usda.gov/tn/local-school-wellness-policy.

²⁵ 7 C.F.R. §210.31(e)(2)(i)-(iii) and (3).

²⁶ *Id.* and §210.31(f); see also the Local Records Act, 50 ILCS 205/. It governs retention of district records; its definition of *public record* is narrower than the definition in the Freedom of Information Act. These communications must be retained only when they contain: (1) evidence of the district's organization, function, policies, procedures, or activities, or (2) informational data appropriate for preservation. Consult the board attorney for a more thorough analysis and a legal opinion about how to meet both of the federal records retention requirements discussed in f/n ~~298~~, below, and the Local Records Act.

Community Involvement ²⁷

The Board and Superintendent will actively invite suggestions and comments concerning the development, implementation, periodic reviews, and updates of the school wellness policy from parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the community. Community involvement methods shall align their suggestions and comments to [Board](#) policy 2:140, *Communications To and From the Board* and/or the **Community Engagement** subhead in [Board](#) policy 8:10, *Connection with the Community*. ²⁸

Recordkeeping ²⁹

The Superintendent shall retain records to document compliance with this policy, the District's records retention protocols, and the Local Records Act.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²⁷ A board must establish a plan in its wellness policy for involving parents, students, and representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the public in the development of the school wellness policy. Pub.L. 108-265, Sec. 204(a)(5); 42 U.S.C. §1758b(b)(3) (Pub.L. 111-296); 105 ILCS 5/2-3.139(a)(3); 7 C.F.R. §210.31(c)(5) (requirement to describe involvement plan in policy), and 7 C.F.R. §210.31(d)(1) (requirement to allow certain stakeholders to participate in policy development, etc.).

School districts have discretion in exactly how they implement this requirement, and [e]ach [school district] is best suited to determine the distinctive needs of the community it serves. See Federal Register Vol. 81, No. 146 at 50155 at www.gpo.gov/fdsys/pkg/FR-2016-07-29/pdf/2016-17230.pdf.

This requirement's awkward wording notwithstanding, a board may take compliance steps by:

Seeking community input or involvement during this policy's adoption and monitoring phases, and inviting suggestions and comments during the public comment portion of board meetings from time to time. This method aligns with sample policies 2:140, *Communications To and From the Board*, and 2:240, *Board Policy Development*.

Establishing a "local school wellness committee." This method is discussed in the preamble to 7 C.F.R. §210.31(d)(1), which suggests "identifying individuals" to serve on a "local school wellness policy committee." **However, the final text of 7 C.F.R. §210.31(d)(1) does not specifically require districts to establish a local school wellness policy committee – only that they "permit [groups listed in the policy above] to participate"** See also the citation to the Federal Register, in the second paragraph of this f/n, above, discussing policy implementation discretion.

The default text of this policy ~~follows item #1 above and~~ does not establish a local school wellness committee. For a district that wants to appoint or approve a local school wellness committee, add the following optional sentence as the last sentence of this subhead: "As necessary, the Superintendent or designee will convene a Wellness Committee with at least one representative from each of the listed groups." Also list the Wellness Committee in sample administrative procedure 2:150-AP, *Superintendent Committees*. As much of the work of developing a plan to involve local stakeholders is administrative/staff work rather than governance work, best practice is for a Wellness Committee be an administrative committee, but consult the board attorney for guidance. See f/n 3 in sample policy 2:150, *Committees*, for a discussion of Open Meetings Act implications of the Wellness Committee being a board committee.

If a board wants to comply with the USDA's *encouragement* to include Supplemental Nutrition Assistance Program Education (SNAP-ED) coordinators or educators in the group to provide input about the policy, add:

“, Supplemental Nutrition Assistance Program Education (SNAP-ED) coordinators, educators” to the end of the first sentence in this subhead, immediately before: “, and community.”

²⁸ If a board has not adopted the **Community Engagement** subhead in policy 8:10, *Connection with the Community*, delete the phrase at the end of the second sentence: “Individuals shall align their suggestions and comments to policy 2:140, *Communications To and From the Board* and/or the **Community Engagement** subhead in policy 8:10, *Connection with the Community*.”

A board may also choose to post this policy on its website and include it in the student handbook.

²⁹ 7 C.F.R. §210.31(f). Records must include: (1) the policy; (2) documentation demonstrating compliance with community involvement requirements, including requirements to make the local school wellness policy and triennial assessments available to the public; and (3) documentation of the triennial assessment of the local school wellness policy for each school under its jurisdiction.

Student Social and Emotional Development ¹

Social and eEmotional lLearning (SEL) is defined as the process through which students enhance their ability to integrate thinking, feeling, and behaving to achieve important life tasks. Students competent in SEL are able to recognize and manage their emotions, establish healthy relationships, set positive goals, meet personal and social needs, and make responsible and ethical decisions. ²

The Superintendent shall incorporate SEL into the District’s curriculum and other educational programs consistent with the District’s mission and the goals and benchmarks of the Ill. Learning Standards.³ The Ill. Learning Standards include three goals for students: ⁴

1. Develop self-awareness and self-management skills to achieve school and life success.
2. Use social-awareness and interpersonal skills to establish and maintain positive relationships.
3. Demonstrate decision-making skills and responsible behaviors in personal, school, and community contexts.

The incorporation of SEL objectives into the District’s curriculum and other educational programs may include but is not limited to: ⁵

1. Classroom and school-wide programming to foster a safe, supportive learning environment where students feel respected and valued. This may include incorporating scientifically based, age- and culturally appropriate classroom instruction, and District-wide, and school-wide strategies that teach SEL skills, promote optimal mental health, and prevent risk behaviors for all students. ⁶

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law requires this subject matter be covered by policy, and it required districts to submit it to the Ill. State Board of Education (ISBE) once by 8-31-04. 405 ILCS 49/15(b).

³ Required by the Children’s Mental Health Act, 405 ILCS 49/1 et seq., amended by P.A.s 102-899 and 102-1034. ISBE incorporated social and emotional development standards into the Ill. Learning Standards. For more information see: www.isbe.net/sel. School social workers may implement a continuum of social and emotional education programs and services in accordance with students’ needs. 405 ILCS 49/15(b).

⁴ The goals, along with their benchmarks, performance descriptors and indicators are available at the link in f/n 3, above.

⁵ The objectives are a matter of local school board discretion. A board may replace the sample objectives with its own local objectives. This sample policy lists the ISBE’s SEL goals found on ISBE’s website, cited in f/n 3, above.

⁶ 20 ILCS 1705/76 requires the Ill. Dept. of Human Services (IDHS) to create and maintain an online Mental Health Database and Resource [mental health database and resource](http://www.dhs.state.il.us/page.aspx?item=118331) page on its website with mental health resources to: (1) assist school social workers, school counselors, parents, teachers, and school support personnel with the goal of connecting them with mental health resources related to bullying and school shootings; and (2) encourage information sharing among educational administrators, school security personnel, and school resource officers. See the IDHS School Based Mental Health Database at: www.dhs.state.il.us/page.aspx?item=118331.

2. ~~Ongoing staff professional development and trainingsupport~~ to promote students' SEL development. ~~This may include providing all personnel with age appropriate academic and SEL and how to promote it.~~⁷
3. Parent/Guardian and family involvement to promote students' SEL development. This may include providing parents/guardians and families with learning opportunities related to the importance of their children's optimal SEL development and ways to enhance it.⁸
4. Community partnerships to promote students' SEL development. This may include establishing partnerships with diverse community agencies and organizations to assure a coordinated approach to addressing children's mental health and SEL development.
5. Early identification and intervention to enhance students' school readiness, academic success, and use of good citizenship skills. This may include development of a system and procedures for periodic and universal screening, assessment, and early intervention for students who have significant risk factors for social, emotional, or mental health conditions that impact learning.⁹
6. Treatment to prevent or minimize mental health conditions in students. This may include building and strengthening referral and follow-up procedures for providing effective clinical services for students with social, emotional, and mental health conditions¹⁰ that impact learning. This may include student and family support services, school-based behavioral health services, and school-community linked services and supports.
7. Assessment and accountability for teaching SEL skills to all students. This may include implementation of a process to assess and report baseline information and ongoing progress about school climate, students' social and emotional development, and academic performance.¹¹

See [the care portal, Behavioral Health Care and Ongoing Navigation \(BEACON\), at: https://beacon.illinois.gov/](https://beacon.illinois.gov/). Using Animals in the Educational Program ¹

Animals may be brought into school facilities for educational purposes according to procedures developed by the Superintendent assuring: (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment. ²

Animal Experiments

Experiments on living animals are prohibited; however, behavior studies that do not impair an animal's health or safety are permissible. ³

Animal Dissection

The dissection of dead animals or parts of dead animals shall be allowed in the classroom only when the dissection exercise contributes to or is a part of an illustration of pertinent study materials. All dissection of animals shall be confined to the classroom and must comply with the School Code.

Students who object to performing, participating in, or observing the dissection of animals are excused from classroom attendance without penalty during times when such activities are taking place. ⁴ No student will be penalized or disciplined for refusing to perform, participate in, or observe a dissection. The Superintendent or designee shall inform students of: (1) their right to refrain from performing, participating in, or observing dissection, and (2) which courses contain a dissection unit and which of those courses offers an alternative project. ⁵

⁴ 105 ILCS 112/25 prohibits schools from penalizing a student who refuses to perform, participate in, or observe dissection.

Instruction

Migrant Students ¹

The Superintendent will develop and implement a program to address the needs of migrant children in the District in accordance with federal law.

This program will:

1. Identify migrant students and assess their educational and related health and social needs.
2. Provide a full range of services to migrant students through appropriate local, State, and federal educational programs,² including applicable Title I programs, special education, gifted education, vocational education, language programs, counseling programs, and elective classes.
3. Provide migrant children-students with full and appropriate opportunities to meet the same challenging State academic standards that all children are expected to meet.³
4. Provide, to the extent feasible:⁴
 - a. Advocacy and outreach programs to migrant children and their families, including helping such children and families gain access to other education, health, nutrition, and social services,
 - b. Professional development programs, including mentoring, for District staff,
 - c. Family literacy programs,
 - d. The integration of information technology into educational and related programs, and
 - e. Programs to facilitate the transition of secondary school students to postsecondary education or employment.⁵

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ ~~State or ff~~ederal law controls this policy's content. The first sentence of this policy allows a school board to consider the goals for its migrant education program and to amend the sample policy accordingly. The *Migrant Education Program* is a federally funded program authorized under Title I, Part C, of the Elementary and Secondary Education Act (ESEA). 20 U.S.C. §6391 et seq.; 34 C.F.R. §200.81 et seq. This policy may be deleted if the district does not receive Title I funds under the ESEA.

To qualify for the program, a migrant child must: (1) be younger than the age of 22, (2) have not earned a high school diploma or an equivalent degree, (3) have moved on his/her own as a migratory worker or with/to join/to precede a parent, spouse or guardian who is a migratory worker; and (4) have moved within the preceding 36 months due to economic necessity, from one school district to another, and from one residence to another. 20 U.S.C. §6399; see also www.isbe.net/Pages/Migrant-Education-Program.aspx. Although most of the requirements are directed to State agencies, local school districts that receive State money for these programs will be held to many of the same requirements by the State. For additional information, see ISBE's collection of material about the Migrant Education Program in Illinois at www.isbe.net/Pages/Migrant-Education-Program.aspx.

105 ILCS 5/22-105 (final citation pending), added by P.A. 104-288, requires that schools in the State, "[p]rotect the integrity of school learning environments for all children, so that no parent is discouraged from sending and no child is discouraged from attending school, including from the threat of immigration enforcement or other law enforcement activity on a school campus." Consult the board attorney for guidance on the intersection of federal and State law related to migrant students. See also sample policy 7:150, Agency and Law Enforcement Requests.

⁵ For an elementary school district that wants to delete subsection e, amend 4(c)-4(e) as follows:

¹⁴ Vocational Academies Act. 105 ILCS 433/. The Act’s purpose is to “integrate workplace competencies and career and technical education with core academic subjects.” School districts are permitted to partner with community colleges, local employers, and community-based organizations to establish a vocational academy that functions as a 2-year school within a school for grades 10 through 12. Grant funds may be available from ISBE at: www.isbe.net/Pages/Grants.aspx.

¹⁵ 105 ILCS 5/10-22.20a, permits districts to enter joint agreements with community college districts and other school districts to provide career education or advanced vocational training to students in grade 11 and higher to prepare for a trade. The duration of such program may not exceed two years for any district pupil. Participating community colleges may bill participating districts, but payments may not exceed actual operating costs. Participating high schools may use State aid monies to pay the charges. *Id.*

Harassment of Students Prohibited¹

No person, including a ~~School~~ District employee, agent, or student, shall harass, intimidate, or bully a student on the basis of actual or perceived: race; color; national origin; military status; unfavorable discharge status from military service; sex; sexual orientation; gender identity²; gender-related identity or expression; ancestry; age; religion; physical or mental disability; order of protection status; status of being homeless; actual or potential marital or parental status, including pregnancy; physical appearance; socioeconomic status; academic status; association with a person or group with one or more of the aforementioned actual or perceived characteristics; or any other distinguishing characteristic. The District will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, sexual, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, sexual violence, causing psychological harm, threatening or causing physical harm, threatened

¹ State or federal law requires this subject matter be covered by policy, controls this policy's content, and 105 ILCS 5/10-20.71 requires that every two years, each district within an Illinois county served by an accredited Children's Advocacy Center review all its existing sexual abuse investigation policies and procedures to ensure consistency with 105 ILCS 5/22-85. Each district must also have a policy on bullying. 105 ILCS 5/~~27-23-722-110~~, amended by P.A. 103-47 ~~and renumbered by P.A. 104-391~~; see sample policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*.

This policy's list of protected classifications aligns with the list in sample policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. The protected classifications are found in 105 ILCS 5/~~27-23-722-110~~(a), amended by P.A. 103-47 ~~and renumbered by P.A. 104-391~~; 775 ILCS 5/1-103; 23 Ill.Admin.Code §1.240.

The list of protected classifications in sample policy 7:10, *Equal Educational Opportunities*, is different – it does not contain the classifications that are exclusively identified in the bullying statute. ~~Id. 105 ILCS 5/27-23.7, amended by P.A. 103-47.~~

The Ill. Human Rights Act (IHRA) and an Ill. State Board of Education (ISBE) rule prohibit schools from discriminating against students on the basis of *sexual orientation* and *gender identity*. 775 ILCS 5/5-101(A)(11); 23 Ill.Admin.Code §1.240. *Sexual orientation* is defined as the “actual or perceived heterosexuality, homosexuality, bisexuality, or gender related identity, whether or not traditionally associated with the person's designated sex at birth.” 775 ILCS 5/1-103(O-1). *Gender identity* is included in the definition of sexual orientation in the Act. The Act permits schools to maintain single-sex facilities that are distinctly private in nature, e.g., restrooms and locker rooms. 775 ILCS 5/5-103. Additionally, *race* is defined to include traits associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twists. 775 ILCS 5/1-103(M-5). 775 ILCS 5/1-102(A); added *order of protection status* to its list of protected categories. IHRA's jurisdiction regarding schools as a public accommodation is specifically limited to: (1) failing to enroll an individual, (2) denying access to facilities, goods, or services, or (3) failing to take corrective action to stop severe or pervasive harassment of an individual. 775 ILCS 5/5-102.2. It is also a violation of IHRA if a district is aware of an employee or agent's harassment towards a student but fails to take appropriate action to stop the harassment. 775 ILCS 5/5A-101 and 102, amended by P.A. 103-472.

For boards that want to incorporate ISBE's sample policy recommendation, insert the following in place of “gender identity;”: gender; gender identity (whether or not traditionally associated with the student's sex assigned at birth);

If the board inserts this option, it must also insert the options in f/ns 4 and 9 of policy 7:10, *Equal Educational Opportunities*, but note the protected statuses list in this policy is different and should not be copied from here into 7:10, *Equal Educational Opportunities*.

or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.³

Sexual Harassment Prohibited

The District shall provide an educational environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law.⁴ See Board policies 2:265, *Title IX Grievance Procedure*, and 2:260, *Uniform Grievance Procedure*.

Making a Report or Complaint

Students are encouraged to promptly report claims or incidents of bullying, intimidation, harassment, sexual harassment, or any other prohibited conduct to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the student is comfortable speaking.⁵

Reports under this policy will be considered a report under Board policy 2:260, *Uniform Grievance Procedure*, and/or Board policy 2:265, *Title IX Grievance Procedure*. The Nondiscrimination

³ This list of examples of prohibited conduct is optional. While hate speech is not specifically mentioned in this paragraph, any hate speech used to harass or intimidate is banned. Hate speech without accompanying misconduct may be prohibited in response to actual incidents when hate speech interfered with the educational environment. West v. Derby Unified Sch. Dist., 206 F.3d 1358 (10th Cir. 2000).

⁴ Two laws apply to sexual harassment of students in Illinois. Title IX of the Education Amendments of 1972 (Title IX) prohibits sexual harassment in any educational program or activity receiving federal financial assistance. 20 U.S.C. §1681. Title IX defines sexual harassment as conduct on the basis of sex that meets one or more of the following: (1) a district employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; (2) unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it denies a person equal access to the District's education program or activity; or (3) *sexual assault, dating violence, domestic violence, or stalking* as defined in federal law. 34 C.F.R. §106.30. See sample policy 2:265, *Title IX Grievance Procedure*, and sample exhibit 2:265-E, *Title IX Glossary of Terms*. Consult the board attorney to ensure the nondiscrimination coordinator and complaint managers are trained to appropriately respond to allegations of Title IX sexual harassment. See sample procedures 2:265-API, *Title IX Response*, and 2:265-AP2, *Formal Title IX Complaint Grievance Process*.

IHRA prohibits any district employee or agent from sexually harassing a student, and defines sexual harassment as any unwelcome sexual advances or requests for sexual favors made to a student, or any conduct of a sexual nature toward a student, when: (1) such conduct has the purpose of substantially interfering with the student's educational performance or creating an intimidating, hostile or offensive educational environment; or (2) the district employee or agent either explicitly or implicitly makes the student's submission to or rejection of such conduct as a basis for making various enumerated education-related determinations. 775 ILCS 5/5A-101(E).

School districts are liable for damage awards for an employee's sexual harassment of a student in limited situations. Liability occurs only when a district official who, at a minimum, has authority to institute corrective action, has actual notice of and is deliberately indifferent to the employee's misconduct. Gebser v. Lago Vista Independent Sch. Dist., 524 U.S. 274 (1998). Schools are liable in student-to-student sexual harassment cases when school agents are deliberately indifferent to sexual harassment, of which they have actual knowledge that is so severe, pervasive, and objectively offensive that it can be said to deprive the victims of access to the educational opportunities or benefits provided by the school. Davis v. Monroe County Bd. of Educ., 526 U.S. 629 (1999). The Ill. Dept. of Human Rights investigates charges of sexual harassment in violation of the IHRA, and it is a civil rights violation when a district fails to take remedial or disciplinary action against an employee the district knows engaged in sexual harassment. 775 ILCS 5/5A-102, amended by P.A. 103-472.

⁵ Using "or any employee with whom the student is comfortable speaking" ensures compliance with Title IX regulations providing that "any employee" of an elementary or secondary school who has notice of sexual harassment or allegations of sexual harassment is deemed to have *actual knowledge* which triggers a district's duty to respond. 34 C.F.R. §106.30. By including "any employee" in this list, this policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

Coordinator, Title IX Coordinator, and/or Complaint Manager or designee shall process and review the report according to the appropriate grievance procedure. The Superintendent shall insert into this policy the names, office addresses, email addresses, and telephone numbers of the District's current Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers.^{6 7}

⁶ While the names and contact information are required by law to be listed, they are not part of the adopted policy and do not require board action. This allows for additions and amendments to the names and contact information when necessary. It is important for updated names and contact information to be inserted into this policy and regularly monitored.

Each district must communicate its bullying policy to students and their parents/guardians. 105 ILCS 5/27-23.722-110, amended by P.A. 103-47 [and renumbered by P.A. 104-391](#); see sample policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*.

⁷ Title IX regulations require districts to identify the name, office address, email address, and telephone number of the person who is responsible for coordinating the district's compliance efforts. 34 C.F.R. §106.8(a). For further discussion of the Title IX Coordinator, see f/n 17 in sample policy 2:265, *Title IX Grievance Procedure*. A district's Nondiscrimination Coordinator often also serves as its Title IX Coordinator.

1. For students, age-appropriate information about the contents of this policy in the District's student handbook(s), on the District's website, and, if applicable, in any other areas where policies, rules, and standards of conduct are otherwise posted in each school.⁸
2. For staff members, this policy in the appropriate employee handbook(s), if applicable, and/or in any other areas where policies, rules, and standards of conduct are otherwise made available to staff.

Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator, Title IX Coordinator, or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), the Title IX Coordinator or designee shall consider whether action under Board policy 2:265, *Title IX Grievance Procedure*, should be initiated.

For any report or complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall investigate under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*.

For any other alleged student harassment that does not require action under Board policies 2:265, *Title IX Grievance Procedure*, or 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under Board policies 2:260, *Uniform Grievance Procedure*, and/or 7:190, *Student Behavior*, should be initiated, regardless of whether a written report or complaint is filed.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁸ In addition to notifying students of Board policies 2:260, *Uniform Grievance Procedure*, and 2:265, *Title IX Grievance Procedure*, a district must notify them of the name, office address, email address, and telephone number of district's Title IX Coordinator. 34 C.F.R. §106.8(a). 105 ILCS 5/10-20.69 requires districts to maintain and implement an *age-appropriate* policy on sexual harassment that is included in the school district's student handbook, as well as on a district's website and, if applicable, other areas where such information is posted in each school. The law does not expressly state that the age-appropriate policy is for students; however, that is the most logical interpretation. In practice, most districts maintain a student handbook for each building. Because the law only requires one policy, this policy manages the age-appropriate requirement by directing age-appropriate explanations of the policy be included in the building-level student handbook(s). Student handbooks can be developed by the building principals, but should be reviewed and approved by the superintendent and school board. The Ill. Principals Association maintains a handbook service that coordinates with **PRESS** material, *Online Model Student Handbook (MSH)*, at: www.ilprincipals.org/msh.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in⁹ 720 ILCS 5/11-9.1A(b), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to Board policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under Board policy 2:265, *Title IX Grievance Procedure*, or Board policy 2:260, *Uniform Grievance Procedure*.

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action up to and including discharge. Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action, including but not limited to, suspension and expulsion consistent with the behavior policy. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints or providing information about harassment is prohibited (see Board policies 2:260, *Uniform Grievance Procedure*, 2:265, *Title IX Grievance Procedure*, and 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*).

Students should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

School Admissions and Student Transfers To and From Non-District Schools ¹

Age [*Elementary or Unit Districts only*]

To be eligible for admission, a child must be five years old on or before September 1 of that school term.² A child entering first grade must be six years of age on or before September 1 of that school term.³ Based upon an assessment of a child's readiness to attend school, the District may permit him or her to attend school prior to these dates.⁴ A child will also be allowed to attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will be six years old on or before December 31.⁵ A child with exceptional needs who qualifies for special education services is eligible for admission at three years of age.⁶ Early

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law requires some of the subject matter contained in this sample policy to be covered by policy and controls this policy's content. Boards must adopt a policy on school admissions (105 ILCS 5/10-21.2) and restricting a student from transferring from another school while under a suspension or expulsion from that school (105 ILCS 5/10-22.6). A *registration guidance document*, updated annually, is available from the Ill. State Board of Education (ISBE) at: www.isbe.net/Documents/guidance_reg.pdf.

² 105 ILCS 5/10-20.12. The district may, however, establish a kindergarten for children between the ages of 4 and 6 years old. 105 ILCS 5/10-22.18. Any child between the ages of 7 and 17 (unless the child has already graduated from high school) must attend public or private school, with certain exceptions allowed for physical and mental disability, lawful employment, or other reasons as specified by statute. 105 ILCS 5/26-1. The phrase "a child between the ages of 7 and 17" is liberally construed to fully carry out the true intent and meaning of the General Assembly (5 ILCS 70/1.01), which is to ensure that students graduate from high school (105 ILCS 5/26-1). Therefore, "the ages of 7-17" means a child is 17 until his or her 18th birthday.

³ Optional sentence.

⁴ 105 ILCS 5/10-20.12.

⁵ Id. Delete the first four sentences in this paragraph if the district operates a year-round school and use the following alternative:

To be eligible for admission, a child must be at least five years old within 30 days after the commencement of that school term. Based upon an assessment of the child's readiness to attend school, the District may permit him or her to attend school prior to this date. A child may also attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool and continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will attain age six within four months after the commencement of the term.

⁶ 105 ILCS 5/14-1.02 and 5/14-1.03a. An ISBE rule states: "Each school district shall be responsible for actively seeking out and identifying all children from birth through age 21 within the district (and those parentally-placed private school children for whom the district is responsible under 34 C.F.R. §300.131) who may be eligible for special education and related services." 23 Ill.Admin.Code §226.100. Note that after a child is determined to be eligible for special education services, the child must be placed in the appropriate program no later than the beginning of the next school semester. 105 ILCS 5/14-8.02.

entrance to kindergarten or first grade may also be available through Board policy 6:135, *Accelerated Placement Program*.^{7 8}

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate.⁹ When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent¹⁰ record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within ~~ten~~10 days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that ~~ten~~10-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.¹¹

⁷ 105 ILCS 5/14A-17, Accelerated Placement Act (APA). For high school districts, delete this sentence and the cross reference to 6:135, *Accelerated Placement Program*. See sample policy 6:135, *Accelerated Placement Program*, and sample administrative procedure 6:135-AP, *Accelerated Placement Program Procedures*, for further detail.

Attorneys disagree whether the APA conflicts with 105 ILCS 5/10-20.12 (*School year – School age*). See f/n 4 in sample policy 6:135, *Accelerated Placement Program* for a discussion about reconciling the APA and 105 ILCS 5/10-20.12. **Consult the board attorney for guidance.**

⁸ Districts should consider implementing specific and objective criteria for early admissions and address such issues as who pays the costs for assessments, etc. Using this exception defeats the age requirement rules because it only relies upon a child's readiness, regardless of his or her age.

⁹ Presenting a certified copy of a student's birth certificate is a missing children's law enforcement issue that may not be used for denying enrollment. See Guidance Documents subhead in sample administrative procedure 7:50-AP, *School Admissions and Student Transfers To and From Non-District Schools*, for more information about enrollment and residency issues. Consult the board attorney if a student cannot produce a certified copy of his or her birth certificate and wishes to provide a passport, visa, or other governmental documentation of identity. To balance the tension between the missing children's laws reporting requirements, ~~and~~ *Plyler v. Doe* (457 U.S. 202 (1982)), and 105 ILCS 5/22-105 (final citation pending), added by P.A. 104-288, many attorneys advise not to report a student's failure to produce a birth certificate; however always consult the board attorney for assistance based upon the specific facts of the enrollment situation (see f/n 11 below). See also f/n 6 in sample administrative procedure 7:150-AP, Managing Agency and Law Enforcement Requests, for discussion of place of birth as directory information.

¹⁰ 23 Ill.Admin.Code §375.10 states that the *student permanent record* shall include basic identifying information, including the student's name, birth date and place, and gender, and evidence required under 325 ILCS 50/5(b)(1).

¹¹ Two almost identical laws govern this requirement: Missing Children Records Act (325 ILCS 50/) and Missing Children Registration Law (325 ILCS 55/). We reconciled their differences as much as possible but chiefly used the language from the Registration Law because it has the clearest explanation. The statutory enforcement requirements, as nonsensical as they may seem, are quoted in the policy. **Important:** Schools cannot deny admission based upon immigration (~~illegal~~)-status alone. Note that singling out foreign-looking students for visa requests is probably illegal discrimination. See *Plyler v. Doe* and 105 ILCS 5/22-105 (final citation pending), added by P.A. 104-288. See also f/n 18 below.

2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*.¹²

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U.S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year.¹³ Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.¹⁴

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment.¹⁵ Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Ill. Dept. of Children and Family Services (DCFS) when enrolling in or changing schools. The District's liaison ensures that DCFS' Office of

According to the Ill. State Police, a certified copy of the student's birth certificate is the only acceptable proof of the child's identity and age. 20 Ill.Admin.Code §1290.60(a). For more discussion about acceptable proof of identity, see f/n 1 in sample administrative procedure 7:50-AP, *School Admissions and Student Transfers To and From Non-District Schools*. The Missing Children Records Act requires schools to make prompt copies of these certified copies. 325 ILCS 50/5(b)(1). Once made, schools need not request another certified copy with respect to that child for any other year in which the child is enrolled in that school or other entity. *Id.* While the Act does not mandate where the copy should be kept, it is appropriate for placement in the student's permanent record. See 23 Ill.Admin.Code §375.10 and f/n 10, above. The school person who receives the copy of the certified birth certificate should initial and date the document. That way, if there is a question or an investigation (which can happen even years after enrollment) there will not be an issue as to who received the document and the date it was processed.

A district must also *flag* a student's record on notification by the State police of the student's disappearance and report to the State police any request for a *flagged* student record. 325 ILCS 50/3, 50/5.

Student Transfers To and From Non-District Schools ¹⁷

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term

¹⁶ Required by 105 ILCS 5/10-20.59. These DCFS liaisons must be licensed under Article 21B of the School Code. 105 ILCS 5/10-20.59 directs how employees are prioritized for DCFS liaison appointment. DCFS liaisons are “encouraged to build capacity and infrastructure within their school district to support students in the legal custody of the Department of Children and Family Services.” Schools are required to give DCFS liaisons certain notices, records, and meeting invitations. See 105 ILCS 5/10-20.77 (notice and invitation to attend parent-teacher conferences and other meetings); 105 ILCS 5/10-21.8 (copies of correspondence and reports upon request of DCFS); 105 ILCS 5/13B-60.10 (notice and invitation to attend alternative learning opportunities program conference); 105 ILCS 5/14-8.02 (notices related to special education); 105 ILCS 10/ (student records). See sample administrative procedure 7:340-AP1, *School Student Records*, for more information regarding DCFS access to the student records of children in its legal custody. The law does not specifically require that a district’s DCFS liaison perform these duties; this policy assigns them to the DCFS liaison because they logically fit within the responsibilities outlined in 105 ILCS 5/10-20.59, which may include:

1. Streamlining the enrollment process for students in foster care;
2. Implementing student data tracking and monitoring mechanisms;
3. Ensuring that students in DCFS custody receive all school nutrition and meal programs available;
4. Coordinating student withdrawal from a school, record transfers, and credit recovery;
5. Becoming experts on the foster care system and State laws and policies in place that support students in DCFS custody;
6. Coordinating with child welfare partners;
7. Providing foster care-related information and training to the district;
8. Working with DCFS to help students maintain their school placement, if appropriate;
9. Reviewing student schedules to ensure students are on track to graduate;
10. Encouraging a successful transition into adulthood and post-secondary opportunities;
11. Encouraging involvement in extracurricular activities; and
12. Knowing what support is available within the district and community for students in DCFS custody.

¹⁷ 105 ILCS 5/2-3.13a requires each transferor (original) school to keep documentation of transfers in the student’s record. It also requires “notification [by the transferee (recipient) school] of the transfer on or before July 31 following the school year during which the student withdraws from the transferor school or school district or the student shall be counted in the calculation of the transferor school’s or school district’s annual student dropout rate.” ISBE rule, 23 Ill.Admin.Code §375.75(e), is consistent with this requirement. The rule also requires the transferring school or district to maintain any documentation of the student’s transfer, including records indicating the school or school district to which the student transferred, in that student’s temporary record. *Id.*

Out-of-state transfer students, including children of military personnel, may use unofficial transcripts for admission to a school until official transcripts are obtained from the student’s last school district. 105 ILCS 10/8.1(d) and 70/32. See also sample administrative procedure 7:50-AP, *School Admissions and Student Transfers To and From Non-District Schools*.

A board has two basic options for students transferring into the district who are serving a suspension or expulsion. Under option one, it may comply with the minimum requirements of 105 ILCS 5/2-3.13a by refusing to allow a student transferring from any public school to attend classes until the period of any suspension or expulsion has expired when the penalty was for: (1) knowingly possessing in a school building or on school grounds a weapon as defined in the Gun Free Schools Act; (2) knowingly possessing, selling, or delivering in a school building or on school grounds a controlled substance or cannabis; or (3) battering a staff member of the school. Under option two, a board may require a student who was suspended or expelled for any reason from any public or private school in this or any other state to complete the entire term of the suspension or expulsion before being admitted to the school district. The sample policy uses the second, more simple, more comprehensive alternative.

of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

Foreign Students [High School or Unit Districts only] 18

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

A board may adopt a policy providing that if a student is suspended or expelled for any reason from any school, anywhere, the student must complete the suspension's or expulsion's entire term in an alternative school program under Article 13A (105 ILCS 5/13A, amended by P.A. 103-473) or an alternative learning opportunities program under Article 13B (105 ILCS 5/13B) before being admitted into the school district if there is no threat to the safety of students or staff in the alternative program. 105 ILCS 5/2-3.13a and 5/10-22.6(g), amended by P.A. 102-466, a/k/a *Ensuring Success in School (ESS) Law*, ~~eff. 7-1-25~~. If a board adopts such a policy, it must allow for the consideration of any mitigating factors (including the student's status as a parent, expectant parent, or victim of domestic or sexual violence as defined in 105 ILCS 5/26A). 105 ILCS 5/10-22.6(g), amended by P.A. 102-466, a/k/a *ESS Law*, ~~eff. 7-1-25~~. If a board wants to provide for this alternative, it may add the following to either of the above options and add 105 ILCS 5/26A to the Legal References:

The Superintendent is authorized to allow a student who was suspended or expelled from any public or private school to be placed in an alternative school program established under Article 13A of the School Code or an alternative learning opportunities program established under Article 13B of the School Code for the remainder of the suspension or expulsion. When determining whether to authorize such placement, the Superintendent shall consider any mitigating factors relating to the suspension or expulsion, including the student's status as a parent, expectant parent, or victim of domestic or sexual violence as defined in 105 ILCS 5/26A.

18 Generally, a citizen of a foreign country who wishes to enter the U.S. must first obtain either: (1) a nonimmigrant visa (for temporary stay for tourism, medical treatment, business, temporary work, or study), or (2) an immigrant visa for permanent residence. Common visas presented by foreign students are:

1. J-1 nonimmigrant visas for participants in educational and cultural exchange programs designated by the U.S. Dept. of State (DOS), Exchange Visitor Program, and Designation Staff. These students are enrolled provided they otherwise qualify for admission. For information about J-1 visas and the Exchange Visitor Program, see j1visa.state.gov/programs.
2. F-1 nonimmigrant student visa. F-1 visas are not issued for attendance at an elementary or middle school (K-8). Before obtaining an F-1 student visa, the individual must submit evidence that the school district has been reimbursed for the unsubsidized per capita cost of the education. These students are enrolled provided they otherwise qualify for admission. However, attendance at U.S. public high schools cannot exceed a total of 12 months.
3. B-2 visitor nonimmigrant visas. There is disagreement over whether these students must be enrolled tuition-free. Their *visitor* visa is evidence of nonresident status. Call the district's attorney for guidance.
4. The qualified school-age child of an alien who holds another type of visa, i.e., A, E, H, I, L, etc., other than a visitor visa. These students are enrolled provided they otherwise qualify for admission. Likewise, dependents of foreign nationals on long-term visas are enrolled provided they otherwise qualify for admission.
5. No immigration documentation. *Plyler v. Doe* and 105 ILCS 5/22-105 (final citation pending), added by P.A. 104-288. A school cannot deny admission based upon immigration (~~illegal~~) status alone. Note that singling out foreign-looking students for visa requests is probably illegal discrimination. Thus, undocumented aliens are enrolled, provided they otherwise qualify for admission. See [sample policy 7:150, Agency and Law Enforcement Requests, and sample administrative procedure 7:150-AP, Managing Agency and Law Enforcement Requests](#).
6. Immigrant visa. These students are enrolled provided they otherwise qualify for admission.

The Student and Exchange Visitor Information System (SEVIS) is an Internet-based system that provides tracking and monitoring, with access to accurate and current information on nonimmigrant students (F and M visas) and exchange visitors (J visa), and their dependents (F-2, M-2, and J-2). 8 U.S.C. §1372(c)(2), implemented by 8 C.F.R. §214.1(h), is an exception to the Family Educational Rights and Privacy Act (20 U.S.C. §1232g) authorizing and requiring districts to report information concerning an F, J, or M nonimmigrant to the extent necessary to comply with 8 U.S.C. §1372 and 8 C.F.R. §214.3(g) to certify these students for enrollment. SEVIS enables schools and program sponsors to transmit electronic information and event notifications, via the Internet, to the U.S. Dept. of Homeland Security (DHS) and DOS throughout a student's or exchange visitor's stay. SEVIS will provide system alerts, event notifications, and reports to the end-user schools and programs, as well as for DHS and DOS offices.

According to federal regulations, students who apply for F-1, M-1, F-3, J-1, or M-3 visas must pay a fee to the DHS. The regulations describe when and how the fee is to be paid, who is exempt from the fee, and the consequences for failure to pay, 8 C.F.R. Parts 103, 214, and 299.

The District accepts foreign exchange students with a J-1 visa and who reside within the District as participants in an exchange program sponsored by organizations screened by administration. Exchange students on a J-1 visa are not required to pay tuition. ¹⁹

Privately sponsored exchange students on an F-1 visa may be enrolled if an adult resident of the District has temporary guardianship, and the student lives in the home of that guardian. Exchange students on an F-1 visa are required to pay tuition at the established District rate.²⁰ F-1 visa student admission is limited to high schools, and attendance may not exceed 12 months.

The Board may limit the number of exchange students admitted in any given year. Exchange students must comply with District immunization requirements. Once admitted, exchange students become subject to all District policies and regulations governing students.

Re-enrollment ²¹ [*High School or Unit Districts only*]

Re-enrollment shall be denied to any individual 19 years of age or above who has dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his or her 21st birthday. However, at the Superintendent's or designee's discretion and depending on program availability, the individual may be enrolled in a graduation incentives program established under 105 ILCS 5/26-16 or an alternative learning opportunities program established under 105 ILCS 5/13B-1 (see 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*). Before being denied re-enrollment, the District will offer the individual due process as required in cases of expulsion under policy 7:210, *Expulsion Procedures*. A person denied re-enrollment will be offered counseling and be directed to alternative educational programs, including adult education programs that lead to graduation or receipt of a GED diploma. This section does not apply to students eligible for special education under the Individuals with Disabilities Education Improvement Act or accommodation plans under the Rehabilitation Act, Section 504.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁹ **Optional.** State law allows, but does not require, boards to waive nonresident tuition for these students. 105 ILCS 5/10-22.5a.

²⁰ Exchange students on F-1 visas must pay the full-unsubsidized public education costs before entering the U.S. 8 U.S.C. §1101(a)(15)(F); 8 U.S.C. §1184(m). Boards may not waive the fee.

²¹ 105 ILCS 5/26-2(b). The requirements in this section are provided in State law, that is: (1) it is mandatory that a district deny re-enrollment as provided in this section; (2) it is permissive whether to enroll the individual in a district graduation incentives program or alternative learning opportunities program (although depending on circumstances, a student below the age of 20 may be entitled to enroll in a graduation incentives program); (3) it is mandatory to provide due process before denying re-enrollment; (4) it is mandatory to offer the individual who is denied re-enrollment counseling and to direct that person to alternative educational programs; and (5) it is mandatory that this section not apply to students eligible for special education.

105 ILCS 5/26-2(c) allows a district to deny enrollment to a student 17 years of age or older for one semester for failure to meet minimum academic or attendance standards if certain conditions are met. See sample policy 7:70, *Attendance and Truancy*.

Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students¹

Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering kindergarten or the first grade;²
2. Entering the sixth and ninth grades;³ and
3. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).⁴

Proof of immunization against meningococcal disease is required for students in grades 6 and 12.⁵

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.⁶
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.⁷
3. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination.⁸ A student will not be excluded from

Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months.

one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

If a student fails to present proof by October 15, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination²⁰

All children in kindergarten and the second, sixth, and ninth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second, sixth, or ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions²¹

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected.²²
2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.

Teen Dating Violence Prohibited¹

Engaging in teen dating violence that takes place at school, on school property, at school-sponsored activities, or in vehicles used for school-provided transportation is prohibited.² For purposes of this policy, ~~the term~~ *teen dating violence* occurs whenever a student who is 13 to 19 years of age uses or threatens to use physical, mental, or emotional abuse to control an individual in the dating relationship; or uses or threatens to use sexual violence in the dating relationship.³

The Superintendent or designee shall develop and maintain a program to respond to incidents of teen dating violence that:⁴

1. Fully implements and enforces each of the following Board policies:⁵
 - a. 2:260, *Uniform Grievance Procedure*. This policy provides a method for any student, parent/guardian, employee, or community member to file a complaint if he or she believes that the School Board, its employees, or its agents have violated his or her rights under the State or federal Constitution, State or federal statute, Board policy, or various enumerated bases.
 - b. 2:265, *Title IX Grievance Procedure*. This policy prohibits a District employee, agent, or student from engaging in sexual harassment in violation of Title IX of the Education

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ All school boards must have a policy on teen dating violence. 105 ILCS ~~110/3-105/27-240~~, renumbered by P.A. 104-391. This sample policy is designed to align with a district's already-existing procedures for reporting bullying and school violence. See f/n 7. The curriculum components for teen dating violence education, which apply to districts with students enrolled in grades 7 through 12, are listed in sample administrative procedure 6:60-API, *Comprehensive Health Education Program*.

² 105 ILCS ~~110/3-105/27-240~~(b)(1), renumbered by P.A. 104-391. School officials must proceed carefully before disciplining a student for out-of-school conduct. A school's authority over off-campus conduct is much more limited than incidents that occur on school grounds. However, school officials may generally: (1) remove a student from extracurricular activities when the conduct code for participation requires students to conduct themselves at all times as good citizens and exemplars of the school (see sample policy 7:240, *Conduct Code for Participants in Extracurricular Activities*); and (2) suspend or expel a student from school attendance when the student's expression causes substantial disruption to school operations.

³ 105 ILCS ~~110/3-105/27-240~~(a), renumbered by P.A. 104-391. For districts that wish to broaden the ages (e.g., perhaps include 11-12 year olds in a middle school setting), delete the following phrase from the first sentence: "~~who is 13 to 19 years of age~~". The law defines *dating* or *dating relationship* as an "ongoing social relationship of a romantic or intimate nature between two persons." The terms do not include "a casual relationship or ordinary fraternization between two persons in a business or social context."

⁴ Required by 105 ILCS ~~110/3-105/27-240~~(b)(3), renumbered by P.A. 104-391.

⁵ Be sure the referenced board policies, as adopted locally, contain the language paraphrased in this policy. If not, either substitute similar language from the locally adopted board policies on the same topics, or just insert the titles from relevant locally adopted policies.

The statutory content requirements for a teen dating policy include "establish[ing] procedures for the manner in which employees of a school are to respond to incidents of teen dating violence." This policy fulfills this requirement by incorporating by reference the following administrative procedure: 7:180-API, *Prevention, Identification, Investigation, and Response to Bullying*. This means that 7:180-API should be considered to be part of this policy.

- Amendments of 1972. Prohibited conduct includes but is not limited to sexual assault, dating violence, domestic violence, and stalking.
- c. 7:20, *Harassment of Students Prohibited*. This policy prohibits any person, including a District employee, agent, or student, from harassing intimidating, or bullying a student based on the student's actual or perceived characteristics of sex; sexual orientation; gender identity; and gender-related identity or expression (this policy includes more protected statuses).
 - d. 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. This policy prohibits students from engaging in bullying, intimidation, and harassment at school, school-related events and electronically. Prohibited conduct includes threats, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying.
2. Encourages anyone with information about incidents of teen dating violence to report them to any of the following individuals: ⁶
 - a. Any school staff member. School staff shall respond to incidents of teen dating violence by following the District's established procedures for the prevention, identification, investigation, and response to bullying and school violence. ⁷
 - b. The Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager identified in [Board](#) policy 7:20, *Harassment of Students Prohibited*. ⁸
 3. Incorporates age-appropriate instruction in grades 7 through 12, in accordance with the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*. ⁹
 4. Incorporates education for school staff, as recommended by the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager. ¹⁰

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁶ 105 ILCS ~~103-105/27-240~~(b)(4), [renumbered by P.A. 104-391](#), requires the policy to identify by job title which school officials are responsible for receiving reports related to teen dating violence.

⁷ *Id.* at f/ns 5 and 6. Sexual violence is one listed component of teen dating violence. 105 ILCS ~~103-105/27-240~~(a), [renumbered by P.A. 104-391](#). Sexual violence has also been found by the Ill. Gen. Assembly to be a component of bullying and school violence. 105 ILCS ~~5/27-23-722-110~~, [renumbered by P.A. 104-391](#). Thus, identifying *any school staff member* is consistent with [sample administrative procedure](#) 7:180-AP1, *Prevention, Identification, Investigation, and Response to Bullying*, which uses the student-friendly reporting system outlined in [sample exhibit](#) 7:180-AP1, E2, *Be a Hero by Reporting Bullying*.

⁸ *Id.* Under any reporting system, a report involving bullying and school violence that is based upon a protected status (often teen dating violence will involve conduct based upon the target's sex) must be referred to the district's Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager (7:20, *Harassment of Students Prohibited*). Customize this list to reflect local conditions. These individuals may also take reports directly from students.

⁹ Required by 105 ILCS ~~103-105/27-240~~(b)(2), [renumbered by P.A. 104-391](#). The curriculum-specific components for teen dating violence education are listed in 6:60-AP1, *Comprehensive Health Education Program*.

¹⁰ *Id.* For boards that add the optional paragraphs in policy 5:100, *Staff Development Program*, add the phrase "and Board policy 5:100, *Staff Development Program*."

5. Notifies students and parents/guardians of this policy. ¹¹

¹¹ Required by 105 ILCS ~~110/3.10~~[5/27-240](#)(b)(5), ~~renumbered by P.A. 104-391~~. Boards must communicate this policy to students and their parents/guardians. Bullying, teen dating violence, intimidation, and harassment are not acceptable in any form and will not be tolerated at school or any school-related activity. The School District will take disciplinary action against any student who participates in such conduct or who retaliates against someone for reporting incidents of bullying, teen dating violence, intimidation, or harassment.

Bus Conduct¹

All students must follow the District's School Bus Safety Rules.

School Bus Suspensions

The Superintendent, or any designee as permitted in the School Code, is authorized to suspend a student from riding the school bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following:

1. Prohibited student conduct as defined in School Board policy 7:190, *Student Behavior*.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the Superintendent or designee deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the [School Board](#) may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The District's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.²

Academic Credit for Missed Classes During School Bus Suspension³

A student suspended from riding the bus who does not have alternate transportation to school shall have the opportunity to complete or make up work for equivalent academic credit. It shall be the responsibility of the student's parent or guardian to notify the school that the student does not have alternate transportation.

Electronic Recordings on School Buses ⁴

Electronic visual and audio recordings may be used on school buses to monitor conduct and to promote and maintain a safe environment for students and employees when transportation is provided for any school related activity. Notice of electronic recordings shall be displayed on the exterior of the vehicle's entrance door and front interior bulkhead in compliance with State law and the rules of the Illinois Department of Transportation, Division of Traffic Safety.

Students are prohibited from tampering with electronic recording devices. Students who violate this policy shall be disciplined in accordance with the Board's discipline policy and shall reimburse the School District for any necessary repairs or replacement.

⁴ This section is optional; it contains the statutory prerequisites for districts that want to use electronic audio and visual recording devices on school buses. 720 ILCS 5/14-3(m). These required prerequisites reside in an exception to the criminal eavesdropping statute. The criminal eavesdropping statute prohibits recording a conversation in which someone has a reasonable expectation of privacy without the consent of all parties but allows citizens to record public conversations without obtaining consent. While the criminal eavesdropping statute was legislatively corrected as of 12-30-2014, 720 ILCS 5/14-3(m) remains the same. Districts should consult with their board attorney regarding the requirements of the statute.

In addition, consult with the board attorney concerning the status of video and/or audio recordings that were made on school buses. Confusion surrounds whether or not videotapes are education records for purposes of the federal Family Education Rights and Privacy Act (20 U.S.C. §1232g) and/or school student records as defined in the Ill. School Student Records Act (ISSRA) (105 ILCS 10/). [The Ill. State Board of Education \(ISBE\)](#) considerably reduced the confusion by stating in its rule that school student records do not include video or other electronic recordings "created at least in part for law enforcement or security or safety reasons or purposes." 23 Ill.Admin.Code §375.10. ISBE rules also specify that: (1) electronic recordings made on school buses, as defined in the exemption from the criminal offense of eavesdropping in 720 ILCS 5/14-3(m), are not school student records, and (2) no image on a school security recording may be designated as directory information. 23 Ill.Admin.Code §§ 375.10, 375.80(a)(2)(B). This treatment exempts school bus videos from the multiple requirements in ISSRA. However, when responding to a request under the Freedom of Information Act (5 ILCS 140/) for recordings on school buses, a district will need to find an exemption other than the recording is a school student record.

Students

Misconduct by Students with Disabilities¹

Behavioral Interventions²

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The School Board will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for children with disabilities.

Discipline of Special Education Students³

The District shall comply with the Individuals With Disabilities Education Improvement Act of 2004 and the Illinois State Board of Education's *Special Education* rules when disciplining special education students. No special education student shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his or her disability.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. State law requires each district to have a policy on student behavior (105 ILCS 5/10-20.14; 23 Ill.Admin.Code §1.280) plus "policies and procedures" on behavioral interventions (105 ILCS 5/14-8.05). In its continuing commitment to help school districts and special education cooperatives comply with [ISBE the Ill. State Board of Education](#)'s requirements for policy and procedure, the Ill. Council of School Attorneys, special education committee, reviewed this policy and prepared extensive procedures, *Special Education Procedures Assuring the Implementation of Comprehensive Programming for Children with Disabilities*. These procedures, plus other material, are available gratis on the IASB website at: www.iasb.com/policy-services-and-school-law/guidance-and-resources/special-education/special-education-procedures-and-sample-policies/-iasb.com/law/iesaspeeed.cfm.

² State law specifies what must be covered in the mandatory "policies and procedures" on behavioral interventions. 105 ILCS 5/14-8.05(c). They must "be developed with the advice of parents with students with disabilities and other parents, teachers, administrators, advocates for persons with disabilities, and individuals with knowledge or expertise in the development and implementation of behavioral interventions for persons with disabilities." *Id.* A board that wants to highlight the components of the procedures may add the following:

The committee shall review the [Ill. State Board of Education](#)'s guidelines on the use of behavioral interventions and use them as a non-binding reference. This policy and the behavioral intervention procedures shall be furnished to the parents/guardians of all students with individual education plans ([IEPs](#)) within 15 days after their adoption or amendment by, or presentation to, the School Board or at the time an individual education plan is first implemented for a student; all students shall be informed annually of this policy and the procedures. At the annual [individualized education plan IEP](#) review, this policy shall be given to the parents/guardians and the behavioral interventions procedures explained and made available to them on request.

Conduct Code for Participants in Extracurricular Activities¹

The Superintendent or designee, using input from coaches and sponsors of extracurricular activities, shall develop a conduct code for all participants in extracurricular activities consistent with School Board policy.² The conduct code shall: (1) require participants in extracurricular activities to conduct themselves as good citizens and exemplars of their school at all times, including after school, on days when school is not in session, and whether on or off school property; (2) emphasize that hazing and bullying activities are strictly prohibited; and (3) notify participants that failure to abide by it could result in discipline, up to and including removal from the activity. Participants who violate the conduct code will be allowed to give an explanation before being progressively disciplined.³ The conduct code shall be reviewed by the Building Principal periodically at his or her discretion and presented to the Board.

Participants in extracurricular activities must abide by the conduct code for the activity and Board policy 7:190, *Student Behavior*. All coaches and sponsors of extracurricular activities shall annually review the conduct code with participants and provide participants with a copy. In addition, coaches and sponsors of interscholastic athletic programs shall provide instruction on steroid abuse prevention to students in grades 7 through 12 participating in these programs.⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content.

² Optional:
...and the rules adopted by any association in which the School District maintains a membership.

³ In most cases involving a student's removal from an extracurricular activity, courts have ruled that participation in extracurricular programs is a privilege rather than a right. *Clements v. Bd. of Educ. of Decatur Public Sch. Dist. No. 61*, 133 Ill.App.3d 531 (4th Dist. 1985). The deprivation of a privilege does not trigger the Constitution's due process provision. Consequently, unlike school attendance, students generally have no constitutional right to participate in extracurricular programs. See also *Kevin Jordan v. O'Fallon THSD 203*, 302 Ill.App.3d 1070 (5th Dist. 1999). This case involved a type of *good citizen* rule in which all student-participants in extracurricular activities agreed to abide by the school's ban on alcohol and drug use. Pursuant to this rule, the school suspended a star football player who police had found intoxicated at a convenience store around 3:00 A.M. The suspension was upheld.

Compare with *Mahanoy Area Sch. Dist. v. B.L.*, [441 S.Ct. 2038](#) 594 U.S. 180 (2021), which involved a student suspended from the cheerleading squad for one year after she posted two vulgar *snaps* on Snapchat while off campus during the weekend. The U.S. Supreme Court held that while schools may have a special interest in regulating some off-campus student speech, e.g., teaching good manners and preventing disruption, here the school's interests were insufficient to overcome the student's interest in free expression, and the one-year suspension violated the student's First Amendment rights. The Court noted that the school's interest in regulation was diminished by the fact that the student's speech did not identify the school, did not target any member of the school community, and was transmitted through a personal cell phone to an audience consisting of her private circle of Snapchat friends. Comments during oral argument suggest the Court was particularly struck by the severity of the discipline issued as well. Careful factual analysis, in consultation with the board attorney, should occur when considering discipline of participants for off-campus activity. See [sample administrative procedure](#) 7:240-AP1, *Code of Conduct for Extracurricular Activities*.

Extracurricular Drug and Alcohol Testing Program ⁵

The District maintains an extracurricular drug and alcohol testing program in order to foster the health, safety, and welfare of its students. Participation in extracurricular activities is a privilege and participants need to be exemplars. The program promotes healthy and drug-free participation.

Each student and his or her parents/guardians must consent to having the student submit to random drug and alcohol testing in order to participate in any extracurricular activity. Failure to sign the District's *Consent to Participate in Extracurricular Drug and Alcohol Testing Program* form will result in non-participation.

If a test is *positive*, the student will not participate in extracurricular activities until after a *follow-up* test is requested by the Building Principal or designee and the results are reported. The Building Principal or designee will request a *follow-up* test after such an interval of time that the substance previously found would normally be eliminated from the body. If this *follow-up* test is negative, the student will be allowed to resume extracurricular activities. If a *positive* result is obtained from the *follow-up* test, or any later test, the same previous procedure shall be followed.

The Superintendent or designee shall develop procedures to implement this policy. No student shall be expelled or suspended from school as a result of any verified positive test conducted under this program other than when independent reasonable suspicion of drug and/or alcohol usage exists. This program does not affect the District policies, practices, or rights to search or test any student who at the time exhibits cause for reasonable suspicion of drug and/or alcohol use.

Performance Enhancing Drug Testing of High School Student Athletes ⁶

The Illinois High School Association (IHSA) prohibits participants in an athletic activity sponsored or sanctioned by IHSA from ingesting or otherwise using any performance enhancing substance on its banned substance list, without a written prescription and medical documentation provided by a licensed physician who evaluated the student-athlete for a legitimate medical condition. IHSA administers a performance-enhancing substance testing program. Under this program, student athletes are subject to random drug testing for the presence in their bodies of performance-enhancing substances on the IHSA's banned substance list. In addition to being penalized by IHSA, a student may be disciplined according to Board policy 7:190, *Student Behavior*.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁵ This program is optional. The U.S. Supreme Court upheld the constitutionality of a student activities drug testing policy that required all middle and high school students to consent to random urinalysis testing for drugs in order to participate in any extracurricular activity. *Bd. of Educ. of Independent Sch. Dist. No. 92 v. Earls et al.*, 536 U.S. 822 (2002). This sample policy, as well as the procedures and forms implementing it, are based on the policy approved by the Seventh Circuit in *Todd v. Rush County Schs.*, 133 F.3d 984 (7th Cir. 1998). Alternatively, this program may be limited to extracurricular athletic participants; if so, add the Drug and Alcohol Testing Program to policy 7:300, *Extracurricular Athletics*, and delete it from here.

Exemption from Physical Education ¹

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act.² The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request.³ Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.⁴

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course.⁵

State law prohibits the Board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District.⁶

A student who is eligible for special education may be excused from physical education courses in either of the following situations:⁷

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ An ISBE rule requires boards to have a policy defining the types of parental excuses that will be accepted in order for a student to be exempted from P.E. 23 Ill.Admin.Code §1.425(e), amended at 42 Ill.Reg. 11542-43. State or federal law controls this policy's content.

³ Required by 23 Ill.Admin.Code §1.425(d)(1) and (2). School boards must identify any evidence/support they will require for excuses they will deem appropriate. Before the board adopts this [sample](#) policy, it should have a conversation with the superintendent to discuss and review and/or amend the sample reasons for excusal offered in this [sample](#) policy. Topics for discussion include determining whether (a) the sample reasons are sufficient, (b) more reasons are needed, and/or (c) the sample reasons should be amended. These conversations should be based upon the community's needs.

Communicable and Chronic Infectious Disease¹

A student with or carrying a communicable and/or chronic infectious disease has all rights, privileges, and services provided by law and the School Board's policies.² The Superintendent will develop procedures to safeguard these rights while managing health and safety concerns.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ 105 ILCS 5/10-21.11 requires all boards to adopt a policy on the appropriate manner of managing children with chronic infectious diseases. State or federal law controls this policy's content. This policy concerns an area in which the law is unsettled in that competing interests (balancing the protection of the afflicted student's rights against the protection of the health and safety of the student body) have not been completely resolved.

² A student with a contagious disease is probably an [handicapped individual with a disability](#) under Section 504 of the Rehabilitation Act of 1973. 29 U.S.C. §794(a). See [Sch. Bd. of Nassau Co. v. Arline](#), 480 U.S. 273 (1987) (teacher with tuberculosis was [handicapped covered](#) under Section 504); [Thomas v. Atascadero Unified Sch. Dist.](#), 662 F.Supp. 376 (C.D. Ca. 1986) (a child with AIDS was [a handicapped person covered](#) under Section 504); [Dist. 27 Cmty. Sch. Bd. v. Bd. of Educ. of the City of New York](#), 502 N.Y.S.2d 325 (1986).

Students with contagious diseases may also qualify for special education under the Individuals With Disabilities Education Improvement Act of 2004. 20 U.S.C. §1400 *et seq.* Each school district, independently or in cooperation with other districts, must provide a comprehensive program of special education that meets the needs of children [from](#) ages 3 [through](#) 21 with exceptional characteristics as identified in State law, specifically including physical or health impairments. 105 ILCS 5/~~Art.~~14.

Decisions to place a student in a class outside regular classes due to infectious disease must be based on medical evaluations indicating a need to protect the health and safety of others. [Cmty. High Sch. Dist. 155 v. Denz](#), 124 Ill.App.3d 129 (2nd Dist. 1984).

Cases involving contagious diseases are highly fact-specific. Generally, the appropriate treatment of a student depends on the severity of the disease and the risk of infecting others, but in all cases, the board attorney should be consulted.

Students

Extracurricular Athletics

Student participation in school-sponsored extracurricular athletic activities is contingent upon the following:

1. The student must meet the academic criteria set forth in Board policy 6:190, *Extracurricular and Co-Curricular Activities*.¹
2. A parent/guardian of the student must provide written permission for the student's participation, giving the District full waiver of responsibility of the risks involved.²
3. The student must present a current certificate of physical fitness issued by a licensed physician, an advanced practice registered nurse, or a physician assistant. The ***Pre-Participation Physical Examination Form***, offered by the Illinois High School Association and the Illinois Elementary School Association, is the preferred certificate of physical fitness.³
4. The student must show proof of accident insurance coverage either by an [insurance](#) policy purchased through the District-approved insurance plan or a parent/guardian written statement that the student is covered under a family insurance [plan](#).⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content.

A comprehensive Student Handbook can provide notice to parents and students of the school's conduct rules, extracurricular and athletic participation requirements, and other important information. The building principal usually develops the Handbook, subject to review and approval by the superintendent and board.

Each board in a district that maintains any of grades 9 through 12 must have a *no pass-no play* policy. 105 ILCS 5/10-20.30. See sample policy 6:190, *Extracurricular and Co-Curricular Activities*, for complete details.

For purposes of clarity, the IASB uses a curricular-extracurricular dichotomy. All classes are included in the category *curricular* as well as what was formally known as *co-curricular*, e.g., band and choral performances that are a required part of the class. The category *extracurricular* includes all school-sponsored activities that are not a part of a student's educational program as reflected in the student's class schedule. Examples include football, cheerleading, French club, Key Club, and student government. Note that extracurricular activities may be curriculum-related or non-curriculum-related for purposes of determining access to school facilities under the federal Equal Access Act. See sample policy 7:330, *Student Use of Buildings - Equal Access*.

² At a minimum, schools should: (1) fully inform and warn students and their parents/guardians of risks inherent in a sport, (2) assist their understanding and appreciation of these risks, and (3) document the school's efforts. See sample exhibit 7:300-E1, *Agreement to Participate*. This form's provision concerning waiver of liability and hold harmless should be reviewed with the board attorney. The district may not be able to waive gross negligence or recklessness on its part, but the waiver language in the form serves to alert the student and his/her parents/guardians to the seriousness of potential injuries.

³ Students participating in interscholastic athletics must have an annual physical exam. 23 Ill.Admin.Code §1.530(b)(2). Ill. High School Association (IHSA) by-law 2.150 requires schools to have on file for each student participating in interscholastic athletics a certificate of physical fitness issued by a licensed physician, physician assistant, or nurse practitioner not more than 395 days preceding any date of participation; a form is available on the IHSA website at: www.ihsa.org/resources/download-center/ihsa.org/Resources/DownloadCenter.aspx.

⁴ This item ensures that students are covered by insurance for medical expenses up to \$50,000 (before the district's catastrophic accident insurance kicks in) and that students who are not covered by the district's catastrophic insurance are otherwise covered by insurance.

5. The student must agree to follow all conduct rules and the coaches' instructions.
6. The student and his or her parents/guardians must provide written consent to random drug and alcohol testing pursuant to the Extracurricular Drug and Alcohol Testing Program.⁵
7. The student and his or her parents/guardians must: (a) comply with the eligibility rules of, and complete any forms required by, any sponsoring association (such as, the Illinois Elementary School Association, the Illinois High School Association, or the Southern Illinois Junior High School Athletic Association),⁶ and (b) complete all forms required by the District including, without limitation, signing an acknowledgment of receiving information about ~~the Board's concussion~~-policy 7:305, *Student Athlete Concussions and Head Injuries*.⁷

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

105 ILCS 5/22-15 requires (with limited exceptions) each school district having grades 9-12 to maintain catastrophic insurance coverage for student athletes who sustain an accidental injury while participating in interscholastic athletic events sanctioned by IHSA that results in medical expenses in excess of \$50,000. A district maintaining grades K-8 may, but is not required to, provide accident and/or health insurance on a group or individual basis for students injured while participating in any school-sponsored athletic activity. For more information see sample policy 4:100, *Insurance Management*.

⁵ Optional; delete if the district does not have such a program. Be sure this provision is consistent with [sample](#) policy 7:240, *Conduct Code for Participants in Extracurricular Activities*, and [sample](#) administrative procedure 7:240-AP2, *Extracurricular Drug and Alcohol Testing Program*. The Seventh Circuit upheld the constitutionality of a high school's random drug testing program for students involved in extracurricular activities in *Todd v. Rush County Schs.*, 133 F.3d 984 (7th Cir. 1998).

A district must include information concerning the board's concussion policy in any agreement, contract, code, or other written instrument that the district requires a student athlete and his or her parent(s) or guardian(s) to sign before participating in practice or interscholastic competition. 23 Ill.Admin.Code §1.530(b)(1). Sample exhibit 7:300-E1, *Agreement to Participate*, contains the requirements in this policy. Community Relations

Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine District-Board policy, the School Board welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, ~~or~~ a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has by-laws containing the following: ¹

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members, including on any organization or club websites or social media accounts.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title

¹ For boards that want to require all parent organizations and booster clubs to have 501(c)(3) status, use the following paragraph:

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, ~~or~~ a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club is a 501(c)(3) that has submitted proof of its status and has by-laws containing the following:

A 501(c)(3) organization is an organization that qualifies for exemption from federal income tax because it is organized and operated exclusively for one or more of the following purposes: religious; charitable; scientific; testing for public safety; literary; educational; fostering national or international amateur sports competition (but only if none of its activities involve providing athletic facilities or equipment); or the prevention of cruelty to children or animals. For more information, see www.irs.gov/charities-and-nonprofits.

IX by providing equal athletic opportunity for members of both genders will supersede an organization's or club's recommendation.²

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos.³ The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.

² Booster clubs are understandably selective in their support. However, by accepting booster club assistance that creates vast gender differences, a board may face claims that it has violated Title IX. Title IX's focus is on equal funding opportunities, equal facility availability, similar travel and transportation treatment, comparable coaching, and comparable publicity. See 34 C.F.R. Part 106.

³ Booster clubs present potential liabilities to a school district beyond loss of funds because they seldom are properly organized (they generally are not incorporated or otherwise legally recognized), carry no insurance, raise and handle large sums, and club members hold themselves out as agents of the school (after all, no funds could be raised but for the school connection). A disclaimer, such as the one presented here, may not be sufficient. A district may take several actions, after discussion with its board attorney, to minimize liability, such as adding a requirement to item 6 above that the club: (1) operate under the school's authority (activity accounts); or (2) be properly organized and demonstrate fiscal responsibility by being a 501(c)(3) organization, obtaining a bond, and/or arranging regular audits. Ultimately, the best way to minimize liability is to be sure that the district's errors and omissions insurance covers parent organizations and booster clubs.

School Board Meeting Procedure¹

Agenda

The School Board President is responsible for focusing the Board meeting agendas on appropriate content.² The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.³

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting.⁴ Items submitted by Board members to the Superintendent or the President shall be placed on the agenda for an upcoming meeting.⁵ District residents may suggest

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law requires boards to have a policy concerning: (1) the public's right to record meetings (5 ILCS 120/2.05), and (2) if applicable, attendance by video or audio means (5 ILCS 120/7). Boards are not mandated to have a policy on the remaining topics covered in this policy. The following items are matters of local discretion: agenda preparation and contents, process for board members to have items placed on agenda, receipt and handling of residents' requests for agenda inclusions, and order of business.

² Appropriate agenda content includes establishing board processes, clarifying the district's purpose, delegating authority, defining operating limits, monitoring district progress, and taking legally required board action. See *IASB's Foundational Principles of Effective Governance* at: www.iasb.com/conference-training-and-events/training/training-resources/foundational-principles-of-effective-governance-wwww.iasb.com/principles.efm.

³ To comply with the Open Meetings Act's (OMA's) mandate that minutes contain a "summary of discussion on all matters proposed, deliberated, or decided," a board should include a list of consent items in the agenda. OMA also requires that any final action "be preceded by a public recital of the nature of the matter being considered and other information that will inform the public of the business being conducted." 5 ILCS 120/2(e). Some level of explanation of the consent agenda items must be verbally given before a board votes to approve a consent agenda. The Ill. Supreme Court has held that "the recital must announce the nature of the matter under consideration, with sufficient detail to identify the particular transaction or issue, but need not provide an explanation of its terms or its significance." *Bd. of Educ. of Springfield Sch. Dist. No. 186 v. Atty. Gen. of Ill.*, 77 N.E.3d 625, 636 (Ill. 2017).

⁴ 5 ILCS 120/2.02(c). The Ill. Appellate Court held that OMA prohibits a board from voting on a matter at a regular meeting that is not on the pre-meeting published agenda. *Rice v. Bd. of Trustees of Adams Cnty.*, 326 Ill.App.3d 1120 (4th Dist. 2002).⁴

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency.⁸ The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of School Board Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome.⁹ A vote of *abstain* or

⁶ See sample policy 2:230, *Public Participation at School Board Meetings and Petitions to the Board*. In districts governed by a board of school directors, an appointed board official must give a resident of the district requesting consideration of a matter by the board a formal written response no later than 60 days after receiving the request. The response must establish a meeting before the board or list the reasons for denying the request. 105 ILCS 5/10-6.

Options follow to restrict the addition of new agenda items by district residents; the phrases between [] may be used together, separately, or eliminated:

Discussion items suggested by District residents may be added to the agenda [at the beginning of a regular meeting] [upon unanimous approval of those Board members present].

⁷ An Ill. Atty. Gen. Public Access Counselor Opinion (PAO) found no violation of OMA when a board removed an item from the agenda within the 48-hour notice time period. PAO 14-3. Removals inform the public that the board does not plan to proceed on the topic.

⁸ State law does not require this, except that 105 ILCS 5/10-16 requires members to receive a written notice of a special meeting that includes the meeting's purpose.

⁹ In most situations, the failure of a member to vote has the effect of acquiescence or concurrence with the majority of votes cast. Prosser v. Village of Fox Lake, 91 Ill.2d 389 (Ill. 1982); People v. Bertrand, 978 N.E.2d 681 (Ill. App. 1st Dist. 2012). For example, a motion passes with a vote of two *yays*, one *nay*, and four *abstentions*. A motion fails with a vote of two *yays*, three *nays*, and two *abstentions*. A motion fails with a vote of three *yays*, three *nays*, and one *abstain* because there is no majority. Exceptions include when a statute requires the *affirmative vote* of a majority or extra. Statutory exceptions include the following board actions:

1. Dismissing a teacher for any reason other than reduction of staff or elimination of that position requires approval by the majority of all members. 105 ILCS 5/24-12.
2. Directing the sale of district real property or buildings thereon must be approved by at least 2/3 of the board members, unless the sale is residential property constructed or renovated by students as part of a curricular program, in which case, the board could engage the services of a licensed real estate broker to sell the property for a commission not to exceed 7%, contingent upon the public listing of the property on a multiple listing service for a minimum of 14 calendar days and a sale of the property happens within 120 days. 105 ILCS 5/5-22.
3. Making or renewing a lease of school property to another school district or municipality or body politic and corporate for a term longer than 10 years, or to alter the terms of such a lease whose unexpired term exceeds 10 years, requires approval by at least 2/3 of the board's full membership. 105 ILCS 5/10-22.11.
4. Leasing any building, rooms, grounds, and appurtenances to be used by the district for school or administration purposes for a term longer than ten years, or to alter the terms of such a lease whose unexpired term exceeds ten years, requires approval by at least 2/3 of the board's full membership. 105 ILCS 5/10-22.12.
5. Obtaining personal property by lease or installment contract requires approval by an affirmative vote of at least 2/3 of the board members. *Personal property* includes computer hardware and software and all equipment, fixtures, and improvements to existing district facilities to accommodate computers. 105 ILCS 5/10-22.25a.
6. Adopting a supplemental budget after a successful referendum requires approval by a majority of the full board. 105 ILCS 5/17-3.2.

present, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated. ¹⁰

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present. ¹¹

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. ¹² The minutes include: ¹³

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

7. Petitioning the circuit court for an emergency election requires approval by a majority of the members. 10 ILCS 5/2A-1.4.
8. Expending funds in emergency situation in the absence of required bidding requires approval by at least 3/4 of the board. 105 ILCS 5/10-20.21(a)(xiv).
9. Exchanging school building sites requires approval by at least a 2/3 majority of the board. 105 ILCS 5/5-23.
10. Waiving the administrative cost cap requires approval by an affirmative vote of at least 2/3 of the board. 105 ILCS 5/17-1.5.
11. Authorizing an advisory question of public policy to be placed on the ballot at the next regularly scheduled election requires approval by a majority of the board. 105 ILCS 5/9-1.5.

¹⁰ Voting sequence is at the board's discretion. A board may indicate how frequently it changes the voting sequence by adding *after each vote, monthly, or annually* to the end of the sentence. All board members, including officers, may make motions and vote.

¹¹ This paragraph's first sentence contains the requirements in 105 ILCS 5/10-7. The second sentence is optional and may be deleted or amended. Other optional provisions include:

Option 1: Any Board member may include a written explanation of his or her vote in the District file containing individual Board member statements; the explanation will not be part of the minutes.

Option 2: Any Board member may request that his or her vote be changed before the President announces the result.

If a board takes a roll call vote on all action items, it may substitute this paragraph with the following sentence:

The Board shall take a roll call vote on all matters requiring its action, including but not limited to, all questions involving the expenditure of money and all questions involving the closing of a meeting to the public.

¹² 105 ILCS 5/10-7 and 5 ILCS 120/2.06. The minutes are the only record showing that the board took official action, including necessary prerequisites to make such action legally sufficient. A non-member recording secretary (of a board of education) or clerk (of a board of directors) may be given these responsibilities. 105 ILCS 5/10-14.

¹³ All items listed are required to be recorded in minutes **except** items 7-9; other items may be included at the board's discretion. 5 ILCS 120/2.06 and 120/2a; 105 ILCS 5/10-7. The Ill. Atty. Gen. Public Access Counselor (PAC) found a board's vague reference to a *personnel matter* insufficient to meet the requirements of #3. PAO 13-7.

8. Upon request by a Board member, a record of how he or she voted on a particular motion;¹⁴ and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later. ¹⁵

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection.¹⁶ This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session. ¹⁷

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require. ¹⁸

The official minutes are in the custody of the Board Secretary.¹⁹ Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval;²⁰ they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁴ The intent behind this optional item is to give an individual member a means of recording his or her support or opposition to a motion that was taken by oral vote; it will record that the individual took an alternative position to that of the majority without having the minutes recite unnecessary detail.

¹⁶ Required by 5 ILCS 120/2.06(d), ~~amended by P.A. 102-653~~. If a board is unable to conduct the review every six months, it must do so as soon after as is practicable, taking into account the nature and meeting schedule of the board. *Id.* A board may also conduct the review more frequently. For the sake of brevity and to align with the closed meeting exception in 5 ILCS 120/2(c)(21) that continues to refer to a public body's *semi-annual* review of its closed session minutes, this policy's exhibits use the term *semi-annual*, even though that term was removed from 5 ILCS 120/2.06(d).

While board notes from closed sessions may be confidential under the Freedom of Information Act (FOIA), they may be discoverable by the opposing party in a lawsuit. *Bobkoski v. Cary Sch. Dist.* 26, 141 F.R.D. 88 (N.D. Ill. 1992).

The failure to strictly comply with the semi-annual review does not cause the written minutes or related verbatim record to become public, provided that the board, within 60 days of discovering its failure to strictly comply, reviews the closed session minutes and reports the result of that review in open session. 5 ILCS 120/2.06(d), ~~amended by P.A. 102-653~~.

¹⁷ 5 ILCS 120/2(c)(21) allows boards to discuss the confidentiality needs of closed meeting minutes in closed meetings.

Board member.²¹ The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order. ²²

The Board's open meeting minutes shall be posted on the District website within ten days after the Board approves them; the minutes will remain posted for at least 60 days. ²³

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings.²⁴ If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location. ²⁵

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting. ²⁶

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member.²⁷ Access to the verbatim

²¹ 5 ILCS 120/2.06(f). The listed individuals in the statute are matched to the titles in the IASB Policy Reference Manual. If the board wishes to mirror the statutory language, delete: ~~the Recording Secretary, the Superintendent or designated administrator, or any elected Board member~~ and replace with: "a records secretary, an administrative official of the public body, or any elected official of the public body."

See the discussion in paragraph two of f/n 27 below about what *in the presence of* means.

²² *Id.*

²³ Posting on the website is required *only if* the district has a website that is maintained by a full-time staff member; if not, this sentence may be omitted. 5 ILCS 120/2.06(b).

²⁴ Boards must keep a verbatim record of their closed meetings in the form of an audio or video recording. 5 ILCS 120/2.06(a). This sample policy uses audio recording only; a board that uses a video recording should amend this policy and exhibit 2:220-E1, *Board Treatment of Closed Meeting Verbatim Recordings and Minutes*.

The interests of continuity, efficiency, and ease of holding someone accountable suggest that the superintendent be made responsible for making and storing the verbatim recordings. If the superintendent is not present, e.g., during discussions concerning the superintendent's contract, the tasks should be given to a board member.

²⁵ Alternatively, use: "is maintained within the District's administrative offices or their official storage location."

²⁶ This paragraph paraphrases 5 ILCS 120/2.06(c). No notification to, or the approval of, a records commission or the State Archivist is needed if a recording is destroyed under the conditions listed.

²⁷ 5 ILCS 120/2.06(e). The listed individuals align with the other titles used in the IASB Policy Reference Manual. If the board wishes to mirror the statute, delete: ~~the Recording Secretary, the Superintendent or designated administrator, or any elected Board member~~ and replace with: "a records secretary, an administrative official of the public body, or any elected official of the public body."

The intent of the *in the presence of* language is meant to protect both (1) the verbatim recordings/closed session minutes (see f/n 21 above), and (2) the board members requesting access to them. It ensures that a school district official is present at all times when a requesting board member accesses the verbatim recording/closed session minutes. The requirement is meant to prevent misuse and removal of the verbatim recording/closed session minutes from the district offices or official storage location. It is also meant to protect the board member who requests the access from being alone and in a situation where the board member could potentially be accused of tampering with or taking the verbatim recording/closed session minutes.

Consult the board attorney about:

recordings is available at the District's administrative offices or the verbatim recording's official storage location.²⁸ Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.²⁹

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.³⁰

Quorum and Participation by Audio or Video Means³¹

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

1. The practice of sending an *appointed* board member to be present with a board member who requests access to verbatim recordings/closed session minutes. 5 ILCS 120/2.06(e) states, "any *elected* official of the public body;" appointed is not listed but is mentioned elsewhere in the language of this section of the law;
2. Access to verbatim recordings/closed session minutes by other officials employed by the district, e.g., superintendent or other high-level administrators and even the board attorney; and
3. How this law affects the sharing of closed session minutes with board members prior to a meeting at which the closed session minutes will be approved.

The intent of P.A. 99-515, which amended 5 ILCS 120/2.06(e), was to manage a board member's *individual* request for access to these items in the board member's individual capacity (see sample policy 2:80, *Board Member Oath and Conduct*), not change prior practices in regard to other officials and board attorneys or the required work of school boards under various laws. While many attorneys do not interpret the law to restrict access or change procedures for these other high-level school officials and attorneys employed by the district, some attorneys do, and it is important to obtain legal advice on this specific issue.

³⁰ This paragraph is optional. It provides boards an opportunity to discuss and encourage each member to carefully think about purposes for their requests to listen to verbatim recordings, which historically has been and should continue to be to "access information relevant to the exercise of duties" for the public body. Intra-board conflicts may escalate if the recording is used to confirm or dispute who ~~said~~ what. Prior to P.A. 99-515, OMA did (and still does) allow boards to release these types of information. 5 ILCS 120/2.06(e). Board members should evaluate whether their requests under 5 ILCS 120/2.06(e) are "relevant to the exercise of their duties" before making such requests. Confirming or disputing who ~~said~~ what diverts resources away from operations of the district in educating its students. Additional considerations in listening to verbatim recordings may include personnel and student records confidentiality issues, which should be discussed with the board attorney.

³¹ 5 ILCS 120/2.01 and 120/7, amended by P.A.s 103-311 and 104-438. See also 105 ILCS 5/10-6 (regular and special meetings) and 5/10-12 (quorum). In order to allow attendance by video or audio means, a board must adopt a policy conforming to the restrictions in OMA. The statute requires the board member who wishes to attend remotely to notify the "recording secretary or clerk of the public body." The policy includes the superintendent as a possible person to receive the notice. Everything in this section is required aside from provisions on the length of notification that is given the secretary and the process for accommodating the request. Alternatively, a board may: (1) prohibit members from participating by video or audio means by omitting this section, (2) add other requirements, or (3) alter the 24-hour notification. Note that the statute does not contemplate someone either approving or denying a request, only that the request be accommodated if the notification is provided.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, ~~or~~ (4) unexpected childcare obligations, or (5) performance of active military duty as a service member. If a member wishes to attend a meeting by video or audio means, he or she must notify the Recording Secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video: Disaster Declaration ³²

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency.³³ The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the

In a non-binding opinion, the PAC found a public body violated OMA when it allowed a board member to join a closed session meeting remotely without first taking action at that particular meeting in open session to approve the remote participation. 2019 PAC 57660. Therefore, even with the adoption of this policy to approve remote participation, best practice is to ensure the public is informed of any board members that are participating remotely for a particular board meeting. Consult the board attorney for advice on whether the board should take action every time it wishes to permit a member to participate remotely or in those instances where a board member objects to such participation.

Conflicting obligations to an employer may provide a permissible reason for a board member's attendance by video or audio conference. PAO 24-7. A board member does not have to show that it would be unfeasible to commute from a work assignment to the meeting location to participate remotely. Id.

OMA borrows the definition for active military duty from the Service Member Employment and Reemployment Act, 330 ILCS 61/1-10. 5 ILCS 120/7(a), amended by P.A. 104-438. It means any full-time military service regardless of length or voluntariness, including, but not limited to, annual training, full-time National Guard duty, and State active duty. 330 ILCS 61/1-10. Service member means a resident of Illinois who is a member of any component of the U.S. Armed Forces or the National Guard of any state, D.C., a commonwealth, or territory of the U.S. 5 ILCS 120/7(a), amended by P.A. 104-438.

³² 5 ILCS 120/2.01 and 120/7(e)(1)-(10). See also 105 ILCS 5/10-6 (regular and special meetings) and 5/10-12 (quorum). During the 2020 COVID-19 pandemic, Ill. Gov. Pritzker issued Executive Order (EO) 2020-07 pursuant to 20 ILCS 3305/7 (disaster proclamation due to public health emergency) that temporarily suspended OMA's physical quorum requirement. The Governor extended this OMA relief through subsequent Executive Orders as the crisis continued. In June of 2020, 5 ILCS 120/420/7(e) was enacted, immediately requiring public bodies to meet a number of conditions before suspending the physical quorum requirement.

Boards must remember that public comment is still required when a quorum is not physically present at the meeting location. ~~See Public Comment section of the Ill. Atty. Gen.'s guidance entitled *Guidance to Public Bodies on the Open Meetings Act and the Freedom of Information Act During the COVID-19 Pandemic* on p. 5 at www.foiopaec.ilga.gov/content/pdf/Updated%20Remote%20Meetings%20Guidance%20Mar%202022.pdf.~~

³³ The phrase "due to public health emergency" aligns with Ill. Emergency Management Agency Act (IEMAA), 20 ILCS 3305/4 and 7, which provides the governor with the power to declare a disaster. 5 ILCS 120/7(e)(1) uses the phrase "related to public health concerns because [the governor has declared] a disaster" and while not aligning with IEMAA text, means "public health emergency." For ease of understanding and alignment with IEMAA, this policy uses "public health emergency."

To avoid confusion, note that the triggers under 5 ILCS 120/7(e) for when a school board may conduct its meetings by audio or video conference without the physical presence of a quorum are a bit more broad than the School Code's triggers to implement remote and/or blended remote learning days (RLD/BRLDs). OMA states (1) the "governor or the director of IDPH has issued a disaster declaration of a disaster as defined in 20 ILCS 3305/" This means that it is possible for the board to meet remotely if the director of IDPH declares a disaster under OMA, but that may not mean a district must implement RLD/BRLDs because the School Code states that the governor must declare the disaster.

President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination. ³⁴

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes,³⁵ and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum. ³⁶

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure. ³⁷

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting.³⁸ Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

³⁴ 5 ILCS 120/7(e)(2) states "the head of the public body as defined in [the Freedom of Information Act (FOIA), 5 ILCS 140/2(e), FOIA]." FOIA defines *head of the public body* to mean the *president* or "such person's duly authorized designee." 5 ILCS 140/2(e). [Sample Policy 2:110, Qualifications, Term, and Duties of Board Officers](#), designates the vice president to perform the duties of the president if that office is vacant or he or she is absent or unable to perform the office's duties.

For practical purposes if a disaster is declared due to a public health concern, this policy designates the superintendent as "[the president or vice president's] duly authorized designee" pursuant to the authority of 5 ILCS 140/2(e) for the board to move forward with the required determination to meet by audio or video with no physical presence of a quorum.

³⁵ While this phrase of the sentence is not required in OMA, many attorneys agree that transparency best practices in this situation include the individual making the determination to: (1) put it in writing referring to the specific disaster declaration applicable to the board's jurisdiction and the public health concern/public health emergency that applies to not having an in-person meeting; and (2) include that written determination (a) on the board's published notice and agenda for the audio or video meeting, and (b) in the meeting minutes.

¹ State or federal law controls this policy’s content. **This policy is mandatory for any district that receives or desires plans to receive Title I funds.** Title I is part of the Elementary and Secondary Education Act (ESEA), 20 U.S.C. §6301 et seq. It was amended by the Every Student Succeeds Act, Pub. L. 114-95. To comply with ESEA, a board must also incorporate by reference the district’s exhibits 6:170-API, E1, District-Level Parent and Family Engagement Plan, and 6:170-API, E2, School-Level Parent and Family Engagement Plan. These exhibits contain all legally required components and are compatible with sample templates contained in the U.S. Dept. of Education’s non-regulatory guidance titled Parent and Family Engagement (2025), at: www.ed.gov/media/document/parent-and-family-engagement-guidance-2025-109202.pdf.

Note: On December 15, 2015, the Every Student Succeeds Act (ESSA) amended multiple laws, including ESEA. If a source cites to ESEA through ESSA (as *Parent and Family Engagement* does), it uses ESSA’s phrasing and states “Section 1116 of the ESEA.” In contrast, materials that cite directly to ESEA, as **PRESS** does, cite to 20 U.S.C. §6318. These citations both reference the same law.

² This paragraph, or similar language, is mandatory for each district receiving Title I funds. 20 U.S.C. §6321(c)(2)(A)(iii).

³ 20 U.S.C. §6318(a)(2) requires each district receiving Title I funds to “develop jointly with, agree on with, and distribute to, parents and family members of participating children a written parent and family engagement policy.” This requirement is accomplished in this sample policy by mandating the superintendent or designee to develop a District-Level Parent and Family Engagement ~~Plan~~Compact, according to Title I requirements. A sample District-Level Parent and Family Engagement ~~Plan~~Compact is contained in 6:170-API, E1, *District-Level Parent and Family Engagement Plan*~~Compact~~. A sample process for developing a parent and family engagement compact is contained in 6:170-API, *Checklist for Development, Implementation, and Maintenance of Parent and Family Engagement Compacts for Title I Programs*.

is distributed to parents/guardians of students receiving services, or enrolled in programs, under Title I.

School-Level Parent and Family Engagement Plan Compact⁴

Each Building Principal or designee shall develop a School-Level Parent and Family Engagement Plan Compact (School Plan) according to Title I requirements. This School Plan Level Parent and Family Engagement Compact shall contain: (1) a process for continually involving parents/guardians in its development and implementation, (2) how parents/guardians, the entire school staff, and students share the responsibility for improved student academic achievement, (3) the means by which the school and parents/guardians build and develop a partnership to help children achieve the State’s high standards, and (4) other provisions as required by federal law. Each Building Principal or designee shall ensure that the School Plan Compact is distributed to parents/guardians of students receiving services, or enrolled in programs, under Title I.

School Board

Exhibit - Guidance for Board Member Communications, Including Email Use¹

The Open Meetings Act (OMA) requires the School Board to discuss District business only at a properly noticed Board meeting, 5 ILCS 120/. Other than during a Board meeting, a majority or more of a Board quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This guidance assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Note: *Public records stored by board members on personal devices (i.e., texts) or personal email accounts pose significant logistical and administrative challenges for public record preservation and certain FOIA requests. It is therefore a best practice for board members to utilize District-issued devices or District-issued email addresses for electronic communications that qualify as public records under the Freedom of Information Act (FOIA) or the Local Records Act (LRA). For that reason, the examples in this guidance focus primarily on board member email use and District-issued devices.*

Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a do not reply all/forward alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."** *Alternatively, the Superintendent may blind carbon copy (bcc) all other board members (preventing them from replying to all) and include a similar alert to the group, such as: "BOARD MEMBER ALERT: This email is in response to a request. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. Only reply to the sender."*
2. Board members are permitted to discuss any ~~topic~~ *matter other than except* District business with each other, whether in person or by telephone, ~~or~~ email, ~~text, or other electronic means~~, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone, ~~or~~ email, ~~text, or other electronic means~~, that ~~relates to District business but~~ is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone, ~~or~~ email, ~~text, or other electronic means~~.

The footnotes should be removed before the material is used.

¹ This exhibit is not a substitute for legal advice. Use it after having a discussion with the board attorney. To prevent over-loading the District's servers with email messages, the District can annually seek authority from the Local Records Commission to dispose of "all District-wide electronic correspondence" for a year at a time. These types of records are generally not needed in the transaction of current District business, and they generally do not have sufficient administrative, legal, or fiscal value to warrant preservation. The board attorney should also be consulted on all legal issues involving the Open Meetings Act (OMA) and record retention.

Stated another way, a Board member may discuss District business in person or by telephone, ~~or~~ email, text, or other electronic means with only one other Board member at a time. ~~However,~~
4.5.A# Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls, ~~or~~ emails, texts, or other electronic communications to, Board members individually.

6. A Board member should include a ~~do not reply~~ all/forward alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: **“BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.”** Alternatively, the board member may bcc the other board members and include a similar alert to the other board members, such as “BOARD MEMBER ALERT: This email is not for interactive discussion purposes. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. The recipient should not reply to it or forward it to another individual.”

~~5.7.~~ Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a public record as defined by FOIA, unless a specific exemption applies. A *public record* is any recorded information “pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body.” 5 ILCS 140/2, amended by P.A. 104-438. Public records do not include junk mail. Junk mail includes unsolicited commercial electronic communications sent to the District that it does not respond to. Id. Email or other electronic communications sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a public record (unless a FOIA exemption is applicable).

Formatted: Font: Not Italic

Formatted: IASB Italic

If a Board member uses a District-provided device or email address to discuss public business, the electronic communication email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

Formatted: Font: Not Italic

- First**, the communication pertains to the transaction of public business, and
Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill. App. Ct. 2013).

The following examples describe FOIA’s treatment of electronic communications:

Formatted: Font: Not Italic

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
 - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work would not be a public record. Individual Board members, alone, cannot conduct school District business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.

- b. Sent and/or received by an individual Board member on a District-issued device or District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
- c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
- d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District's possession.
- e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District's possession because Board members were functioning collectively as a public body.

The District's Freedom of Information Officer and/or Board Attorney will help determine when whether a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Email Electronic communications that qualify yes under FOIA as a public records will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the District's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District, and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any email-electronic communication concerning a topic that is being litigated without obtaining the Board Attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify advise their clients at the beginning of a legal proceeding that they must not to destroy any electronic records that might be relevant. This is referred to as a litigation hold. For more discussion of a litigation hold, see administrative procedure 2:250-AP2, Protocols for Record Preservation and Development of Retention Schedules. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4.

Exhibit - Immediately Available District Public Records and Web-Posted Reports and Records¹

[For use by only those districts that have websites.]

The District’s Freedom of Information Officer designates the public records that are listed in this table as being immediately available to the public. The records that are asterisked (*) are posted on the District’s website and may be immediately inspected, downloaded, printed, and/or copied. Any asterisked public record is also immediately available for inspection or copying upon request at the District’s administrative office during its regular business hours, provided any applicable fees are paid. Unless otherwise noted in the special instructions column, records not asterisked (*) will be provided within five business days as allowed by the Freedom of Information Act, provided any applicable fees are paid.

Web-posted records and information (use of an * is explained in the paragraph above this table)	Web-posting statutory reference and special instructions
<p>*Annual schedule of regular meetings for the current school year that are posted at the beginning of each calendar or fiscal year</p> <p>*Public notice of each Board meeting that is posted at least 48 hours before the meeting and remains posted until the meeting is concluded</p> <p>*Agenda of each regular meeting that is posted at least 48 hours before a meeting and remains posted until the meeting is concluded</p> <p>Note: For school districts that do not post board meeting notices and/or agendas on a website (because they do not</p>	<p>5 ILCS 120/2.02.</p>

The footnotes should be removed before the material is used.

¹ This exhibit has two purposes: (1) to identify the data and documents that must be posted on a district’s website, if the district has a website; and (2) to fulfill the requirement in the Freedom of Information Act (FOIA) for the district’s FOIA officer to designate the public records that are immediately available to the public. 5 ILCS 140/3.5(a). Many attorneys agree that using the required items for web-posting is an easy and practical way for the FOIA officer to develop a list of public records that are *immediately available*. Some attorneys prefer that the district also retain copies of its web-posted public records for immediate inspection and/or copying upon request at the administrative office. The introductory paragraph manages this issue by indicating that copies of certain identified public records will also be immediately available in the district’s administrative office. This exhibit suggests identifying public records for immediate availability that are easily reproduced and stored, i.e., not voluminous. The FOIA officer should customize this list as appropriate to the district’s circumstances.

Districts may respond to a FOIA request for a public record published on the district website by directing the requester to the website. However, if the requester is unable to reasonably access the record, the requester may re-submit his or her request, and the district must then make the record available for inspection and copying. See 5 ILCS 140/8.5; see also reference in Ill. Public Access Counselor binding opinion 10-1. Consult the board attorney for ideas to manage the district’s specific FOIA compliance issues.

This basis for delay does not specifically apply to the more general website notification of a breach, however, such a delay may also be warranted depending upon the circumstances. Exhibit - Guidelines and Application for Using Animals in School Facilities for Educational Purposes

To be submitted to the Building Principal

This application must be approved before an animal may be brought into any school facility. Animals may be brought into the classroom or learning center for educational purposes, provided: 1) prior permission is received from both the supervising teacher and the Building Principal or designee; and 2) the following *Guidelines for Using Animals in School Facilities* are agreed to by the applicant, supervising teacher, and/or the animal owner. [The Building Principal may rescind such approval should the presence of the animal create a disruption to the educational environment.](#)

Guidelines for Using Animals in School Facilities

Prohibited Animals

The following animals are prohibited in school facilities:

1. Inherently dangerous animals (e.g., lions, tigers, cougars, and bears)
2. Nonhuman primates (e.g., monkeys and apes)
3. Mammals at high-risk for transmitting rabies (e.g., bats, raccoons, skunks, foxes, and coyotes)
4. Aggressive or unpredictable animals, wild or domestic
5. Stray animals with unknown health and vaccination history
6. Venomous or toxin-producing animals (e.g., certain spiders, insects, reptiles, and amphibians)

Vaccination Requirements

Prior to bringing certain animals into school facilities, current health records and/or proof of current vaccination is required as follows:

1. **Cats** – A health certificate signed by a licensed veterinarian showing proof of current vaccination against feline distemper/upper respiratory vaccine (FVRCP), feline leukemia, feline chlamydiosis, and rabies; and proof of a negative fecal exam or successful treatment for internal parasites within the past six months.
2. **Dogs** – A health certificate signed by a licensed veterinarian showing proof of current vaccination against canine distemper, hepatitis, leptospirosis, canine parainfluenza (CPIV), [parvovirusparvovirus](#), Bordetella, and rabies; and proof of a negative fecal exam or successful treatment for internal parasites within the past six months.

3. **Ferrets** – A health certificate signed by a licensed veterinarian showing proof of current vaccination against rabies; and proof of a negative fecal exam or successful treatment for internal parasites within the past six months.
4. **Psittacine Birds** – Proof of treatment or negative test results for psittacosis (avian chlamydiosis).

General Guidelines

To protect students and staff from zoonotic diseases, the following guidelines apply to animals brought into school facilities for educational purposes:

1. The Building Principal or designee must approve all animals brought into school facilities.
2. Animals must be clean and free of intestinal parasites, fleas, ticks, and mites.
3. Students must be supervised by District staff during all human-animal contact.
4. Animals should be handled humanely.
5. Animals should be displayed in enclosed cages or under appropriate restraint (e.g., leash).
6. Animals may not roam free, fly free or have contact with wild animals.
7. No animals are allowed in areas where food or drink is prepared or consumed.
8. Food for animals must be stored in air-tight, closed containers (preferably hard plastic) to prevent spills and attracting nuisance animals and/or insects.
9. Anyone handling animals must wash his/her hands thoroughly with warm water and soap afterwards. Hand sanitizer may not be used as a substitute for soap and water.
10. Areas where animals have been present must be cleaned and disinfected by District staff.
11. Animal waste must be appropriately disposed of by a District staff member (e.g., using disposable plastic gloves and plastic bags). **Under no circumstances are students allowed to clean cages/aquariums or handle animal waste.**
12. The supervising teacher must:
 - a. Consult with parent(s)/guardian(s) to determine any special considerations needed for students who are immunocompromised or have allergies, asthma, or other health concerns; and
 - b. Complete and issue the *Student Permission for Exposure to Animal(s)* form to the parent(s)/guardian(s) of all students who will be exposed to the animal(s).
13. A responsible adult must accompany all animal visits into school facilities.

Procedures for the Housing, Care and Handling of Specific Animals

1. **Dogs** – All dogs must be housebroken.
2. **Farm Animals** – Due to the risk of E. coli O157:H7, Salmonella, Campylobacter, and Cryptosporidium, these animals are not appropriate unless meticulous attention to personal hygiene can be assured.
3. **Ferrets** – Ferrets bite when startled, therefore students should not handle ferrets in the classroom. Students under the age of five are prohibited from having contact with these animals.
4. **Fish** – Use disposable gloves when cleaning aquariums. Do not dispose of aquarium water in sinks used for food preparation or for obtaining drinking water.
5. **Hamsters, Guinea Pigs, and Gerbils** – Due to the risk of Salmonella bacteria and Lymphocytic choriomeningitis virus, special care must be taken when students handle these animals. Students under the age of five are prohibited from having contact with these animals.
6. **Psittacine Birds** – Because these birds (e.g., parrots, parakeets, budgies, and cockatiels) can carry disease, students are prohibited from handling them. Staff members should clean cages when students are not present.

7. **Reptiles and Amphibians** – Due to the risk of Salmonella bacteria, special precautions must be taken when students handle these animals. Students under the age of five are prohibited from having contact with these animals.

Animal-Related Injuries

If an animal bites, scratches, or otherwise injures someone at school and the skin is pierced, the Building Principal or designee will ensure:

1. The teacher immediately reports the incident to the Building Principal or designee and school nurse;
2. If necessary, the school nurse notifies public health authorities;
3. The school nurse notifies the student's parent(s)/guardian(s); and
4. An incident/accident report is completed by the staff member responsible at the time of the injury and forwarded to the school nurse.

Exhibit - Student Handbook Checklist

The Checklist contains mandatory and recommended notices that schools should give to their students and the students’ parents/guardians.¹ *Mandatory* means the notices are legally required. *Recommended* means including the notices are a best practice. The Checklist is in the IASB Policy Reference Manual (PRM) format, and it lists corresponding policies, procedures, and exhibits in numerical order within each sub-headed category. A corresponding citation to the Ill. Principals Association **Online Model Student Handbook (MSH)** is also listed, if one exists. Any handbook should be reviewed by the Board Attorney before distribution to ensure that all mandatory notices are included as this Checklist is subject to change without notice. This Checklist is not a substitute for legal advice.

As you plan for your home repair or improvement project, it is important to ask the right questions in order to protect your investment. The tips in this fact sheet should allow you to protect yourself and minimize the possibility that a misunderstanding may occur.

CONTRACT TIPS

1. Get all estimates in writing.
2. Do not be induced into signing a contract by high-pressure sales tactics.
3. Never sign a contract with blank spaces or one you do not fully understand. If you are taking out a loan to finance the work, do not sign the contract before your lender approves the loan.
4. You have three business days from the time you sign your contract to cancel any contract if the sale is made at your home. Homeowners age 65 or older have up to 15 business days if they signed a contract with an uninvited solicitor in the home. The contractor cannot deprive you of this right by initiating work, selling your contract to a lender or any other tactic. If you are planning to file a claim with your insurance company to pay for the work, you may cancel the contract in one of two ways, whichever occurs first: (1) within five business days after receiving written notice from the insurance company denying your claim; or (2) within 30 days after you sent a claim to the insurance company.
5. If the contractor does business under a name other than the contractor's real name, the business must either be incorporated or registered under the Assumed Business Name Act. Check with the Secretary of State to see if the business is incorporated or with the county clerk to see if the business has registered under the Act.
6. Homeowners should check with local and county units of government to determine if permits or inspections are required.
7. Determine whether the contractor will guarantee his or her work and products.
8. Determine whether the contractor has the proper insurance.
9. Do not sign a certificate of completion or make final payment until the work is done to your satisfaction.
10. Ask for lien waivers for any and all subcontractors.

Protect Yourself with Lien Waivers for all Subcontractors

Before you pay your contractor, understand that the Mechanics Lien Act requires that you shall request and the contractor shall give you a signed and notarized written statement (known as a "Sworn Statement") that lists all the persons or companies your contractor hired to work on your home, their addresses along with the amounts about to be paid, and the total amount owed after the payment to those persons or companies.

Suppliers and subcontractors have a right to file a lien against your home if they do not get paid for their labor or materials. To protect yourself against liens, you should demand that your contractor provide you with a Sworn Statement before you pay the contractor.

You should also obtain lien waivers from all contractors and subcontractors if appropriate. You should consult with an attorney to learn more about your rights and obligations under the Mechanics Lien Act.*

*Disclaimer: The contents of this paragraph are required to be placed in the pamphlet for consumer guidance and information only. The contents of this paragraph are not substantive enforceable provisions of the Home Repair and Remodeling Act and are not intended to affect the substantive law of the Mechanics Lien Act.

BASIC TERMS TO BE INCLUDED IN A CONTRACT

- Contractor's full name, address and telephone number. Illinois law requires that those selling home repair and improvement services provide their customers with notice of any change to their business name or address that comes about prior to the agreed dates for beginning or completing the work.

- Total cost of work to be performed.
- Schedule and method of payment, including down payment, subsequent payments and final payment.

If the contractor fails to commence or complete work within the contracted time period, the homeowner may cancel and may be entitled to a refund of any down payment or other payments made towards the work upon written demand by certified mail.
- Illinois law also requires contractors who offer roofing work to include their Illinois state roofing license name and number on contracts and bids.
- Provision stating the grounds for termination of the

If you cancel, any payments made by you under the contract will be returned to you within 10 business days following receipt by the contractor of your cancellation notice. If, however, the contractor has provided any goods or services related to a catastrophe, acknowledged and agreed to by the insured homeowner in writing to be necessary to prevent damage to the premises, the contractor is entitled to the reasonable value of such goods and services.

To file a complaint against a roofing contractor, contact the Illinois Department of Financial and Professional Regulation at 312-814-6910 or file a complaint directly on its website. **Keep a copy of the signed contract in a safe place for reference as needed.**

AVOIDING HOME REPAIR FRAUD

Please use extreme caution when confronted with the following warning signs of a potential scam:

1. Door-to-door salespeople with no local connections who offer to do home repair work for substantially less than the market price.
2. Solicitations for repair work from a company that lists only a telephone number or a post office box number to contact, particularly if it is an out-of-state company.
3. Contractors who fail to provide references when requested.
4. People who offer to inspect your home for free.
5. Contractors who demand cash payment for a job or ask you to make a check payable to a person other than the owner or company name.
6. Offers from a contractor to drive you to the bank to withdraw funds to pay for the work.

Subject: Recommendation for Middle School ELA Curriculum Adoption

Our current English Language Arts (ELA) curriculum, Springboard, is going out of print, which requires the middle school ELA committee to find a high-quality replacement to ensure our teachers and students have the materials they need for the upcoming school year. To make this selection, we used the Illinois State Board of Education's evaluation tool to ensure any new program meets state standards and aligns with the East Moline Literacy Plan. The committee identified four priorities for this new curriculum: it must be culturally relevant and representative of our student population, it must prioritize physical books and print materials over digital platforms, it must be strictly aligned with state standards, and it must be backed by research that covers all areas of reading and writing (including word study, speaking, and language).

The committee evaluated four programs: ThinkCerca, Common Lit, Study Sync, and myPerspectives. All four of these options received "Green" ratings from EdReports, which is a highly respected non-profit organization that provides independent reviews of instructional materials. A "Green" rating is the highest possible score, signaling that a curriculum meets all expectations for alignment to standards and high-quality instructional design. Among these top-rated choices, the committee selected **myPerspectives** because it best met our specific requirements for a balance of print resources and comprehensive lessons in all key areas of literacy. This program ensures that our teaching methods are consistent from grade to grade and provides the necessary resources to support students with different learning needs.

The total cost for this new curriculum is approximately \$98,000. We have a plan to cover the majority of this cost using \$78,000 from Glenview's School Improvement Grant, with the remaining \$20,000 coming from district funds. To prepare our staff, we have scheduled the first teacher training session for the afternoon of May 6. By approving this adoption, the Board ensures our students will continue to have access to modern, engaging, and effective learning materials that meet all state requirements.
