**84-1408. DECLARATION OF INTENT;  
MEETINGS OPEN TO PUBLIC.**

It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

**84-1409. TERMS, DEFINED. FOR PURPOSES OF THE OPEN MEETINGS ACT, UNLESS THE CONTEXT OTHERWISE REQUIRES:**

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions.

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

**84-1410. CLOSED SESSION; WHEN; PURPOSE;  
REASONS LISTED; PROCEDURE; RIGHT TO  
CHALLENGE; PROHIBITED ACTS; CHANCE  
MEETINGS, CONVENTIONS, OR WORKSHOPS.**

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

- (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;
- (b) Discussion regarding deployment of security personnel or devices;
- (c) Investigative proceedings regarding allegations of criminal misconduct;
- (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;
- (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or
- (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open

Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

**84-1411. MEETINGS OF PUBLIC BODY; NOTICE; METHOD; CONTENTS; WHEN AVAILABLE; RIGHT TO MODIFY; DUTIES CONCERNING NOTICE; VIDEOCONFERENCING OR TELEPHONE CONFERENCING AUTHORIZED; EMERGENCY MEETING WITHOUT NOTICE; APPEARANCE BEFORE PUBLIC BODY.**

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site.

(ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by:

(A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site; or

(B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting.

(iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state coun-

cil, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if:

(a) Reasonable advance publicized notice is given as provided in subsection (1) of this section;

(b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used;

(c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference;

(d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and

(e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or

(ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing.

Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, of the governing body of a public power and irrigation district, or of the Nebraska Brand Committee may be held by telephone conference call if:

(a) The territory represented by the educational service unit, member educational service units, community college board of governors, public

power district, public power and irrigation district, Nebraska Brand Committee, or member public agencies of the entity or pool covers more than one county;

(b) Reasonable advance publicized notice is given as provided in subsection (1) of this section which identifies each telephone conference location at which there will be present: (i) A member of the educational service unit board, council, community college board of governors, governing body of a public power district, governing body of a public power and irrigation district, Nebraska Brand Committee, or entity's or pool's governing body; or (ii) A nonvoting designee designated under subdivision (3)(f) of this section;

(c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or entity or pool or at a place which will accommodate the anticipated audience;

(d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used;

(e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call;

(f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site;

(g) The telephone conference call lasts no more than five hours; and

(h) No more than one-half of the board's, council's, governing body's, committee's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that:

(i) The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing; and

(ii) An organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act may hold more than one-half of its meetings by telephone conference call if the organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conference call.

Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

## **84-1412. MEETINGS OF PUBLIC BODY; RIGHTS OF PUBLIC; PUBLIC BODY; POWERS AND DUTIES.**

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

- (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;
- (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;
- (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested twenty-four hours in advance;
- (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;
- (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act;
- (f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and
- (g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

### **84-1413. MEETINGS; MINUTES; ROLL CALL VOTE; SECRET BALLOT; WHEN.**

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

**84-1414. UNLAWFUL ACTION BY PUBLIC BODY;  
DECLARED VOID OR VOIDABLE BY DISTRICT COURT;  
WHEN; DUTY TO ENFORCE OPEN MEETING LAWS;  
CITIZEN'S SUIT; PROCEDURE;  
VIOLATIONS; PENALTIES.**

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

**2. Minutes of January 19, 2021, meeting.**

BOARD OF PARKS COMMISSIONERS  
JANUARY 19, 2021

A regular meeting of the Board of Parks Commissioners of the City of Columbus, Nebraska, was convened in open and public session on January 19, 2021, at 4:00 p.m. in the Council Chambers, 1369 25 Avenue, Columbus, Nebraska.

Notice of this meeting was given in advance thereof by publication in the Columbus Telegram, with a copy of the proof of publication being on file in the office of the City Clerk. Availability of the agenda was communicated in the advance notice to the members of the Board of Parks Commissioners. All proceedings hereafter shown were taken while the convened meeting was open to the public.

1. **STATEMENT OF COMPLIANCE WITH OPEN MEETINGS ACT AND ROLL CALL.** Chair Hansen announced that a copy of the Open Meetings Act is posted in the meeting room. Present were Members Robbin Cutsor, Jack Gutierrez, Brad Hansen, Sandra Jochens, Gary Puetz, Bruce Schmidt, and John Shadle. Members Chuck Fleeman and Nick Larson were absent. City staff members included Public Property Director Doug Moore, Park Superintendent Ron Dush, Park and Recreation Coordinator Betsy Eckhardt, City Administrator Tara Vasicek, and Account Clerk II/Records Clerk II Linda Nickeson. Also present was Mayor Jim Bulkley.
2. **ELECTION OF CHAIR AND VICE-CHAIR.** Gutierrez nominated Hansen to serve as chair. Nominations closed with a motion by Puetz and a second by Schmidt. Cutsor, Gutierrez, Hansen, Jochens, Puetz, Schmidt, and Shadle voted "Aye" and none voted "Nay". Fleeman and Larson were absent. Hansen was elected chair with a motion by Cutsor and a second by Gutierrez. Cutsor, Gutierrez, Hansen, Jochens, Puetz, Schmidt, and Shadle voted "Aye" and none voted "Nay". Fleeman and Larson were absent. Jochens nominated Cutsor to serve as vice-chair. Nominations closed with a motion by Jochens and a second by Schmidt. Cutsor, Gutierrez, Hansen, Jochens, Puetz, Schmidt, and Shadle voted "Aye" and none voted "Nay". Fleeman and Larson were absent. Cutsor was elected vice-chair with a motion by Gutierrez and second by Hansen. Cutsor, Gutierrez, Hansen, Jochens, Puetz, Schmidt, and Shadle voted "Aye" and none voted "Nay". Fleeman and Larson were absent.
3. **MINUTES OF OCTOBER 20 AND NOVEMBER 17, 2020, MEETINGS.** The minutes were approved as presented with a motion by Puetz and a second by Cutsor. Cutsor, Gutierrez, Hansen, Jochens, Puetz, Schmidt, and Shadle voted "Aye" and none voted "Nay". Fleeman and Larson were absent.
4. **REQUEST FROM ANTIQUE TRACTOR AND GAS ENGINES SHOW TO CAMP OVERNIGHT FRIDAY, JUNE 11 AND SATURDAY, JUNE 12, 2021, IN WEST PAWNEE PARK.** Moore confirmed there have been no issues with this event in previous years. The recommendation to the mayor and city council to approve the

request of Antique Tractor and Gas Engines Show to camp overnight in west Pawnee Park was approved with a motion by Cutsor and a second by Jochens. Cutsor, Gutierrez, Hansen, Jochens, Puetz, Schmidt, and Shadle voted "Aye" and none voted "Nay". Fleeman and Larson were absent.

5. **ANNUAL REPORT FROM COLUMBUS YOUTH BASEBALL LEAGUE.** Stacy Steffen reviewed the 2020 season and noted that collecting COVID-19 waiver forms was challenging but the organization did receive them. Moore stated that staff is reviewing the facility agreements and introduced new Park and Recreation Coordinator Betsy Eckhardt who will be working with each organization to update them for the 2021 season. Moore mentioned that a new backstop has been installed on the Centennial Park minor field and that the new sidewalks will allow easy access to all fields.
6. **ANNUAL REPORT FROM COLUMBUS MARINERS BASEBALL LEAGUE.** No one from Columbus Mariners Baseball League was present.
7. **ANNUAL REPORT FROM AMERICAN LEGION BASEBALL.** Ken Robinson reviewed the 2020 season and stated that the organization plans to increase the player fees for the 2021 season and find ways to reduce costs in order to offset the current deficit caused by COVID-19 restrictions. He also mentioned that the organization is seeking a new concession stand manager. Hansen pointed out that Nebraska received national recognition for being one of the few states hosting American Legion baseball in 2020 and that no admission fees were collected this year; however, generous free will donations were received.
8. **ANNUAL REPORT FROM COLUMBUS BASEBALL ASSOCIATION.** Tom Meays reviewed the 2020 season and noted that \$22,000 of grant money received was given to the Columbus Mariners program for field repairs at Gerrard Park. Hansen mentioned that sponsor signage fees were waived for the 2020 season. Meays stated that Columbus Baseball Association will be asking for the city's continued support to proceed with new Pawnee Park baseball field lighting and said the organization will seek financial support from a variety of sources, including financial institutions, grants, and \$200,000 from the city. Ron Schilling stated that the organization plans to attend the February Park Board meeting with a presentation from Musco Lighting and that city support is required in order to apply for grant funding for the project.
9. **UPDATE TO BY-LAWS OF COLUMBUS BOARD OF PARKS COMMISSIONERS TO CHANGE THE MEETING DATE.** Moore pointed out the only proposed change to the by-laws is changing the meeting date to the first Tuesday of each month to better coincide with items that require city council approval. The amendment to the by-laws was approved with a motion by Shadle

and second by Schmidt. Cutsor, Gutierrez, Hansen, Jochens, Puetz, Schmidt, and Shadle voted "Aye" and none voted "Nay". Fleeman and Larson were absent.

10. **WILDERNESS PARK PRACTICE POLICY.** Bulkley thanked the board for serving the community and asked for their consideration of being open to discussions regarding opening Wilderness Park for public use. He pointed out that the complex is controlled by a single group and closed to the public and he believes it should be available to all taxpayers similar to all other city parks. He acknowledged the organization using the facility and expressed the need to hold discussions prior to the new season in order to work together and find the best solution to benefit the entire community. Kay Arlt, Columbus Soccer Club (CSC) president, pointed out the goal of the original committee while creating the complex was to have a premier level facility and opening it to the public would defeat that purpose and noted that there is an abundance of other practice locations in Columbus. She distributed pictures of damage at Tranquility Park in Omaha and stated that she's contacted many other communities with public soccer fields who confirmed that those fields have been terribly damaged. She expressed concern that if Wilderness Park fields are badly worn Columbus will no longer draw the large number of teams for tournaments and suggested using the area north of the gated complex for public use. Rich Albright, Council Bluffs, IA, stated that he was a member of the original Wilderness Park soccer complex committee and explained the process used for rotating the fields to provide maximum flexibility. It was noted that past experience of overuse resulted in the complex being closed for an entire summer and that baseball fields are much easier to maintain than field turf. He also stated that while attending soccer games in other communities he receives many compliments on our facility and how much they enjoy playing here. Katie Gassmann, AYSO Regional Commissioner, stated that the AYSO and CSC organizations together spend \$10,000 annually to maintain the fields and that each are run strictly by volunteers. She mentioned that AYSO is the largest recreational sport in Columbus, including a VIP program for all disabilities that could not continue if the integrity of the fields are damaged. John Arlt, AYSO and CSC board member and Columbus High School soccer coach, pointed out the tax revenue received from the 65-70 teams that play in the two annual tournaments and the large number of kids that would quit playing if the fields were not maintained properly that would ultimately affect high school play.

Bulkley left the meeting at 5:10 p.m.

Tim Gentile, AYSO board member, stated that he coaches four teams and has never struggled to find a place to practice and pointed out that damaged fields will result in many injuries.

11. **REPORT OF PUBLIC PROPERTY DIRECTOR.**

- 11.A. Park Department.** Moore reviewed activity within city parks and mentioned that the only damage received from last week's windstorm was the new Sunset Park playground sign that has since been repaired.
- 11.B. Park and Recreation.** Eckhardt explained that newly purchased recreation software will be used to reserve city facilities, arrange schedules, and will have the capability to organize youth leagues if the city chooses to do so in the future. She indicated that in addition to working on updating agreements for multiple city facilities she has been communicating with the Platte County Visitors Bureau regarding ways to bring more events to Columbus.
- 11.C. Aquatics Department.** Moore reported that the new recreation software will replace the outdated Sportsman software used at the Aquatic Center and Pawnee Plunge. He pointed out it is unclear at this time what COVID restrictions will be in place for spring and summer attendance at both facilities.
- 11.D. Golf Department.** Moore stated that Landscapes Unlimited will be advertising for employees in the Columbus area to help with reconstruction of Quail Run and confirmed that the full course is expected to be open in spring of 2022. Vasicek confirmed that an extension to the required 18 month completion date has been requested, the city will receive 75 percent of the total reconstruction costs from FEMA, and that staff will be working with NEMA for the remainder of the project.

**5. Annual Report from Columbus Area Youth Football Organization.**

## 2020 Columbus Area Youth Football Report

### Overall

This was a crazy year with COVID and all the other things happening in our world. Our numbers were down from 2019, the following chart is a breakdown of participants:

Grade	# of participants	Total
3 <sup>rd</sup> Grade	52	112 flag players
4 <sup>th</sup> Grade	60	
5 <sup>th</sup> Grade	89	169 tackle players
6 <sup>th</sup> Grade	80	

We had 304 participants in 2019 and 281 in 2020. One of the things that helped keep our numbers up is that Albion brought two tackle teams back to the league this year, we are hoping that they stay for the future.

The season of course did not go off without a hitch, we waited until August to open up the registration, this is 2 months later than normal. This really crunched our time for getting teams broke out and gear handed out. Normally we start the season the week before Labor Day, but this year we pushed everything back until after labor day. It was recommended by ECHD that we wait until after the schools got up and going to see what we might see for increases in numbers.

We also had numerous calls with ECHD because of exposures and potential exposures of players, but everyone was patient and it all worked out, some teams had to play pretty short-handed at times but, I think we only lost 3 games because of exposure.

We did play a week later than normal and the last week we actually played in about 4 inches of snow. The kids loved it, most parents did not.

### Park Improvements Completed

- The City did some work on the parking areas, there still could be some grading done on the east side of the building where water ponds.
- We continue to get compliments on the facility.
- The fields were in great condition this year, I was told by the Central City coaches (who is an assistant at the high school) that this was the best field conditions that they have played on all year.

### Park Improvements Planned

- I hope to come up with some sort of sunshades (like at the Pawnee Plunge) to put up on the concrete where the old building was at. There is very little shade around our facility.
- Hopefully minor grading by City.
- We plan to build some more shelving and some racks for hanging jerseys.

## League Improvements

- We started using SportsEngine for signups, it went really well. Of course with everything there are pros and cons.
  - Pros:
    - People do not have to come to the signups, it can be done at home, work wherever. I know some groups signed up at baseball games because they were reminded by Lamont or myself.
    - People can pay with credit card or debit card. We have a code that we can issue to people if they want to pay with cash and it bypasses the payment section.
    - Some of the out of town teams, David City and Central City sign up as a team and we use a code to allow them to pay as one large check.
    - We get raw data that allows us to sort it and create teams.
    - We can still have signup dates, they just use SportsEngine, not our old Google Sheets database.
    - Sign-up takes only 3 minutes
    - SportsEngine had links to information such as COVID waiver and background check information immediately as people signed up.
    - Eliminated people signing up late, this is a pro because it saves confusion as teams are made and gear is checked out.
  - Cons:
    - Some people do not have internet access.
    - People are intimidated by the thought of signing up on-line.
    - Eliminated people signing up late, this is also a con because our goal is to get as many people to play as possible, however using SportsEngine there are some difficulties having people sign up late. This was actually a blessing this year because COVID shrunk our sign up time as it was.
- We continued to have Thursday practices at Columbus High School, Tuesday practices were at Bradshaw Park. Our initial goal was to have all practices at CHS because it allows players to use equipment at the school such as sleds, dummies, blocking chutes, etc. However because COVID changed how practices at CHS were held we moved Tuesday to Bradshaw so that it did not conflict with YMCA flag football. It will take some coordinating but we have discussed how to get this done. We will try again next year because of the advantages of using the equipment. Also it will be nice for parents that have kids in our league and in the YMCA league.
- I have been talking to Coach Linder and Coach Williams on ways to recruit more kids out of our local schools. Our numbers are down from where they used to be. But we do lose kids who specialize in baseball or soccer and also have kids who do not participate due to concussion concerns. Fall soccer conflicts for a lot of kids.
- We will need to get about 120 helmets reconditioned this summer, I have already contacted our rep to get this scheduled.
- We are looking to purchase jerseys either this year or next year depending on the cost.

## Park Maintenance

- Nothing. The City crews do a great job. Ron and the guys are really good to work with.

### Requests from WPOC to City - 2021

(1) We have received the City's 5-year plan document, and our north parking lot was in the 2020 budget. I just want to keep this on our Requests so it doesn't get lost in the shuffle. It is very important to the growth of our AYSO program and our tournaments that we have the additional parking to the north.

(2) We would like to get this item added to the Park Dept budget: We request that the north store room be expanded to the north by 20 feet. With the Kawasaki Mule, the AYSO Gator, and our new golf cart, there isn't much room left in the store room for all of our "stuff" - which include paint strippers, tables, paint, ladders, nets, tents, paper towels for restrooms, toilet paper boxes, etc. We suggest leaving the current brick wall that is on the north in place, and just add a new north, east, and west wall and new entry door and roof. I have not gotten estimates on what this would cost, but can get them if the City needs them. Currently we store our U5/U6 goals outside and locked up because we don't have room for them in the storeroom.

(3) We would like to ask that we have some fill dirt delivered to the very south end of the parking lot. We need this dirt for filling gopher holes, etc.

We also would like the plants and weeds pulled from the raised area on the south end of the Pavilion wall. After those are cleared, we would ask that some plastic and then fill dirt is added to that area for planting. WPOC will pay for plants for that area that are hardy and will keep kids off the south wall of the Pavilion (possibly bushes that have thorns) :)

### Comments

**We want to thank the Park Department for all the work that goes into keeping our complex beautiful. From mowing, trimming, cleaning out the berms last fall, etc. - We appreciate all the time and effort to making our complex one of the more pleasing complexes in the state!!**

### 2021 Look Ahead

As of now, we have 57 High School soccer games scheduled at Wilderness Park this spring - starting March 19 and running through May 1. That number does not include Districts or Sub-State. That number also does not include the 20+ games that will be scheduled for the Developmental League and some club games that are played in the spring.

To: City of Columbus

From: Columbus Baseball Association

Up until 5 or 6 years ago the Legion baseball field in Pawnee Park was classified as one of the ultimate places to play baseball. We didn't have any problem scheduling games or State or local tournaments; because everyone liked the way we put on tournaments and the facility where we played the games.

As time has gone by other Communities have renovated their facilities by installing new lights or field turf or both. Agra lime was added to our field this year; but that is a maintenance procedure. There was new concrete poured last year and new restrooms installed; but nothing done on the field.

The three major areas we need to renovate are lights, field turf and dugouts. The lights were donated to the City by Appleton Electric in 1997 and were updated in 2008 and right now lights are our biggest need. We now have several lights not working creating dark spots on the field. Over time these lights do lose their brightness. We would replace the old lights with LED lights from Musco Lighting.

Two years ago we had the American Legion class A and class B State Baseball Tournaments here everything went well the only complaint we had was the bad lighting.. We have been informed by the Athletic Director of the American Legion that we aren't eligible for a State or Area Tournaments until we improve our lighting. With new lighting we could have an Area and/or State every year.

LED lighting would be our first priority. We need the City to be willing to help fulfill the need for lighting by giving an ok for the project and funding it through Grants and as a Budget item. The CBA needs this information so we can apply for more Grants. Because the ball field is owned by the City a lot of the Grants ask the City to match their fund's.

The approximate cost of the lighting is \$260,000 with a 25 year warranty. We have a \$50,000 Grant an another \$50,000 waiting for City participation and we have local Banks wanting to help.

To: City of Columbus

From: Columbus Baseball Association

The second phase of renovation to the baseball field at Pawnee Park would be to install Field Turf on the infield from the boundary on the right field side to the boundary on left side of the infield. This would make the field more presentable and a more favorable field to play on. It would be an incentive for other teams to come here and play.

The installation of Field Turf would assist us in field preparation, scheduling games and tournaments. On an average year; which is from March to August 1st we lose 10 practice days and 8 to 10 scheduled games because of rain and wet grounds.

The Columbus High School baseball teams practice and play games on this field in the spring. In the summer the American Legion has four teams that practice and play games on this field; also the Mariners and the Outlaws play some games when field is available. In one season between the High School the Legion and the Club teams there could be 60 plus games played on this field.

The field could be used everyday during the summer creating a lot of stress on the field and work keeping the field in a playable condition. Field Turf would eliminate mowing and watering and having to tarp the infield during tournaments.

We Field Turfed the football field to play approximate 15 games in two months. In comparison wouldn't it be feasible to Field Turf the baseball field which has 60 plus games played on it in 5 months.

The estimated cost for the project is \$350,000. The Association is willing to assist in funding of the project by applying for Grants. In order to get any Grants we need the Cities willingness to participate and see the need for the project. We also have two Banks willing to help finance the project over an extended period of time to help ease any budget difficulty. Over the last 10 or 12 year the Association has spent money on Capital improvements and will continue to help in anyway it can.
