NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice;

appearance before public body; applicability of section.

(1)(a) Except as provided in subsection (9) of this section, each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committees, notice shall be given at least four times each year of the regular meeting schedule, the location, and the method designated by the public body to provide reasonable advance publicized notice. Such notice shall be given by publication in a legal newspaper of general circulation within the public body's jurisdiction.

(iii) Failure to comply with subdivision (1)(b)(i) of this section shall not cause any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken at a meeting of the public body to be void or voidable.

(c) For a public body that decides to publish notice in a newspaper of general circulation within the public body's jurisdiction to meet the notice requirement in subdivision (1)(a) of this section, in case of refusal, neglect, or inability of the newspaper to publish the notice, the public body shall (i) post such notice on its website, if available, (ii) request the newspaper submit a post on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers, and (iii) post such notice in a conspicuous public place in such public body's jurisdiction. The public body shall keep a written record of such posting pursuant to subdivision (1)(c)(i) and (iii) of this section and a written record of the request to the newspaper pursuant to subdivision (1)(c)(ii) of this section. The record of such posting shall be evidence that such posting was done as required and shall be sufficient to fulfill the requirement of publication.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

August Newsletter

PALMYRA FCCLA

Here's what has happened in the last month and what's to come!

Member of the Month

This year, our chapter decided to take leadership a step further by creating "Member of the Month". For August, our chapter officers decided to give this award to our National Leadership Conference attendees (pictured above) who either competed in STAR events at the national level or were a part of the Nebraska State Officer Team. This year, the conference was held in Washington D.C.!

Chapters and Chillers

Chapters & Chillers is a chance to get involved, earn points, and help our FCCLA chapter grow! Members who want to work will complete training and sign a volunteer contract so they're ready to take on their role. Every shift you work earns you points that can lead to more FCCLA opportunities, also helping you build teamwork and leadership skills. Plus, every drink we sell helps us raise money for FCCLA service activities, conferences, and trips.

Points

Earn points by getting involved in FCCLA! The more points you earn, the more opportunities you unlock, like becoming our voting delegate at SLC.

Support our members this year by buying a bag of coffee! Roasted and sold from a local source! This money will go towards supporting our service projects and chapter events! Members need to sell 5 bags to attend DLC.

NATIONALS IN WASHINGTON D.C.

This summer, Nationals brought FCCLA members from across the country together for leadership opportunities, workshops, and STAR Events. Several members from our chapter competed at Nationals and had amazing results.

Carter and Lauren placed 26th and earned Gold in Entrepreneurship Level 3, Hattie placed 10th in Interior Design Level 1, Austin placed 6th in FCCLA Chapter Website Level 1, and Kailey, Devynn, and Lalia earned an amazing 2nd place in Entrepreneurship Level 2! Hope also attended the FCCLA National Leadership Conference as a Nebraska FCCLA State Officer, the Vice President of Programs. We are so proud of everyone who competed and represented our chapter at the national level!

STAR

Members can compete in different events based on their interests and skills, starting at the district level and working their way to state and potentially Nationals. This year, Districts will be held on January 29th, and State will be held April 4th-6th. We encourage everyone to consider competing, try something new, and represent our chapter!

Administrator Board Report. updated Monday, September 14th, 2026

- Parent-Teacher Conferences are scheduled for September 23 and 24. Students will dismiss at 1:00 p.m. on September 23, and September 24 will include conference time and staff professional development. There will be no school for students on September 24 or 25.
- Bennet/Palmyra has completed MAPS/NSCAS assessments for students KDG-5th grade. A huge thank you to all the staff for being so flexible with scheduling. MAPS/NSCAS data gives the classroom teacher a baseline for where the students are at, as well as areas to focus on with individual students and at a classroom level.
- We are looking at starting a "Senior Highlight" at PHS. This would give each student a t-shirt (see photo) and highlight their after HS plans, including any scholarships, awards, etc. that is relevant to them.
- Mr. Haag and Mr. Johnson is looking to coordinate a day and time where seniors dressed in graduation regalia walk the halls of the elementary school while students come out to celebrate them.
- Formalized/clarified communication with teachers when students are in "Return to Learn: protocol, particularly emphasizing that teachers have authority to use accommodations and exempt work when appropriate.
- We've added a 504 case manager (Mr. Kotik) and an Attendance Officer (Mr. Baumert).
- PHS has transitioned from PAC to a Professional Leadership Team (PLT), designed to provide staff voice and collaborative problem-solving around building-wide systems and procedures. (2 year terms)
- Bennet Elementary introduced the **Fifth Grade Legacy Project** this year. Funds raised through the Panther Fun Run will help replace aging

chairs throughout the school. More than **\$20,000** has been raised, with the culminating Fun Run scheduled for September 18.

- We reduced our Boosterthon service level and now pay a 15% processing fee for the fundraising platform and donation collection. Bennet operates its own Prize Store, allowing us to reward students immediately while retaining a greater percentage of the funds raised. Local business sponsorships also provided a Fun Run shirt for every K-5 student.
- Many teachers are participating in LETRS or AIM Pathways training. CLSD funding continues to support literacy professional development, CKLA remediation training, and required non-evaluative ELA Instructional Practice Guide observations.
- Certified staff have begun the annual NEE evaluation cycle and Professional Development Growth Plans, with an emphasis on professional reflection, feedback, and growth.
- During the September 4th power outage, staff safely served lunch, supervised students without normal lighting or air conditioning, communicated changing plans, and coordinated an early dismissal for approximately 275 students.

5TH GRADE LEGACY PROJECT

ANNUAL. STUDENT-DRIVEN. LEAVING A LASTING IMPACT.

**A NEW TRADITION
STARTED BY
OUR FIFTH GRADERS!**

**FIFTH GRADERS.
BIG IDEAS.
A LASTING LEGACY.**

After last year's Panther Fun Run helped fund our library renovation, our fifth graders wanted to keep the momentum going! They presented their idea to Mr. Haag: continue the Fun Run and let future 5th grade classes choose a project that leaves a lasting impact for years to come. That idea is now the **5TH GRADE LEGACY PROJECT**.

Our current 5th graders looked at the needs of our school and unanimously chose to replace our aging classroom chairs.

THEIR REASONS:

- ☑ Chairs are falling apart—especially on the bottom.
- ☑ Broken chairs are hard to move.
- ☑ They've been around for ages—some of our parents even sat in these same chairs!
- ☑ Different sizes, colors, and styles make our classrooms look weird.
- ☑ Some chairs have little storage compartments and are uncomfortable.

- ☑ Chair backs can pull out hair—ouch!
- ☑ Some chairs hurt our backs.
- ☑ Better chairs will help us focus and be better in school.
- ☑ We want new chairs for our teachers too—they work hard!
- ☑ Let's recycle the old chairs!

“

WE WILL BE
HAPPY AND THANKFUL
AND I KNOW SO MUCH PEOPLE
WHO WANT NEW CHAIRS...
SO CAN WE PLEASE GET
NEW CHAIRS?

– From our 5th Grade Presentations

**YES...
THESE
CHAIRS!**

OUR GOAL:

\$20,000

STRETCH GOAL:

\$25,000

**LAST YEAR:
LIBRARY RENOVATION**

Thanks to an amazing school community,
we made it happen!

**THIS YEAR:
NEW CHAIRS**

Because of you, we'll leave
Bennet better than we found it!

Through this year's Panther Fun Run, our entire school community can help our fifth graders turn their idea into a reality and purchase new chairs that will serve today's students—and future generations of Panthers—for years to come!

TODAY'S 5TH GRADERS. TOMORROW'S LEGACY.

THE EDTECH TRIANGLE

This framework is a research-based synthesis of the EdTech practices, tools, and skills that optimize learning, support well-being, and protect against some of tech's negative outcomes. EdTech can be powerful in the classroom, and it should be used in line with current research.

TRANSFORMATIVE: Robotics, coding, computational thinking, computer animation, website design, graphic design, advanced photo, video, or music editing, digital marketing, spreadsheet creation, digital citizenship, any tech that helps students with special needs.

SUPPORTIVE: Digital images or articles not available in print, audiobooks, podcasts, supplementary videos, keyboarding, intentional use of sharing platforms used to update parents on student work, use of video conferencing or collaborative apps and platforms when the learning outcome is not easily replicated with a traditional or face-to-face method.

RESTRICTIVE: E-texts in place of print, prioritizing typing over handwriting (except in final work), using software or applications that have already been mastered by the student (such as taking pictures with a tablet), points-based learning games, overcomplicated tech use by teachers, screen-based tech whose learning outcomes are easily replicated with a traditional or face-to-face method.

DISRUPTIVE: Any platform that exposes students to age-inappropriate content or bullying, unrestricted access to cell phones during school hours, tech for tech's sake, needless screen-based homework assignments, using screen time as a reward, for behavior management, or as a choice during free time, too much screen time.*

*SCREEN TIME LIMIT RECOMMENDATIONS

In order to optimize academic outcomes and support student well-being, technology is most effective when it's Supportive or Transformative; however, tech use is not imperative for academic success, and the EdTech Triangle does not endorse a minimum amount of tech use or screen time per grade. Moreover, all types of screen-based EdTech (even Transformative) can isolate students from their teachers or peers and decrease in-person social skills. We encourage teachers to check student screen time totals on school-issued devices periodically (when possible) in order to evaluate the cost-benefit and remain aligned with a tech-healthy school culture.

- The district will ensure that student access to foods and beverages meet federal, state and local laws and guidelines including, but not limited to:

 - USDA Smart Snacks in School nutrition standards.
- The district will offer students a variety of age-appropriate, healthy food and beverage selections, which may include fruits, vegetables, and whole grains aimed at meeting the nutrition needs of students within their calorie requirements in order to promote student health and reduce childhood obesity.

All previously purchased products will be used, and all existing contracts honored.
- All equipment that currently displays noncompliant marketing materials will not be removed or replaced (e.g., a scoreboard with a Coca-Cola logo). However, as the district reviews and considers new contracts, and as scoreboards or other such durable equipment are replaced or updated over time, any products that are marketed and advertised will meet or exceed the USDA Smart Snacks in School nutrition standards.

7. Public Participation

Parents, students, representatives of the school food authority, teachers, school health professionals, board members, school administrators, and members of the general public shall be allowed to provide their input to the school district during the wellness policy adoption and review process.

8. Competitive Foods (Includes Food and Beverages Sold in Vending Machines, School Stores, Fundraisers or in Competition with the National School Lunch and Breakfast Programs)

The district will regulate sales of food not meeting nutrition standards to facilitate healthy food choices for all students.

- Except as otherwise allowed by the Nebraska Department of Education (NDE), all foods and beverages sold during the school day as part of a fundraiser or for any other purpose in competition with the National School Lunch and Breakfast Programs must meet the nutrition standards of those programs.
- Fundraiser food or beverages are NOT exempt from the USDA Smart Snacks in School nutrition standards. Therefore, if food is sold as a fundraiser:
 - It shall not be sold in competition with school meals in the food service area during the meal service.
 - It shall not be sold or otherwise made available to students anywhere on school premises during the period beginning one half hour prior to the serving period for

breakfast and/or lunch and lasting until one half hour after the serving of breakfast and/or lunch.

A quick snapshot of the various programs, services, support and events NASB has planned for its members in the coming month!

ADVOCACY & GOVERNMENT RELATIONS ... Your NASB Legislation Committee met earlier this August to look at the 2027 game plan. Colby continues to meet with Legislative candidates one-on-one, AND we've conducted some Meet & Greets in select areas (see the Events page!) Keep tabs with our GR page as interim hearings are being scheduled as well. Stay engaged. Share your stories. Call Colby & Matt any time!

ALICAP ... ALICAP members should have their 2026-27 annual billing statements. We are pleased to be declaring a \$2.6 million dividend, as a credit on this year's bills. Reminder that payment is due September 30th. Let Megan know if you have any questions.

AWARDS OF ACHIEVEMENT ... We are pleased to have the opportunity to present individual and board awards at our Area Membership Meetings that kicked off August 18 and run through September.

BOARD LEADERSHIP ... Check out "At the Board Table" on Page 4 to learn about all things Board Leadership!

EDUCATION LEADERSHIP SEARCH SERVICE ... Is your district or ESU facing a leadership vacancy? Now is the time to contact us for information on search protocols and procedures. Catch up with Shari at the Area Membership Meetings or email sbecker@NASBonline.org - we can talk about the process, field questions, or get a date on the calendar to begin your search.

ENERGY PURCHASING ... As we head into winter, recent headlines have highlighted the potential for a Super El Niño and the possibility of unpredictable weather patterns across Nebraska. With weather often driving significant fluctuations in natural gas demand and pricing, it is more important than ever for schools to have greater certainty when planning their energy budgets. Through participation in NASB's CJUMP and NJUMP natural gas purchasing groups, schools benefit from a collaborative purchasing approach designed to provide greater budget stability and help protect against dramatic swings in natural gas prices. While no program can eliminate all market volatility, CJUMP and NJUMP provide participating schools with the security and purchasing strength that comes from working together.

GALLUP STRENGTHS ... The August featured theme is **Analytical**. Analytical belongs to the Strategic Thinking domain. People exceptionally talented in the Analytical theme search for reasons and causes and are comfortable questioning assumptions. They see themselves as objective and logical. They value data to uncover truth. Sound like you? Contact Shari for a Gallup assessment.

MEMBER ENGAGEMENT ... This is my favorite time of year! We get to see so many members at the Area Membership Meetings and the State Education Conference is right around the corner (We are just over 80 days away!) Be sure to read the Conference mailer email closely – we have some BIG changes to the schedule this year! You will want to be sure and stay for Friday morning of Conference. We have packed it with great breakout sessions, two Super Sessions, the NASB Delegate Assembly, NASA Membership Meeting, Classroom Showcase, and closing keynote speaker, Danny Steele.

POLICY SERVICES ... Policy serves as the foundation for effective governance, but strong systems require more than adoption alone. To learn more about what the NASB Policy Support Service offers the board and superintendent contact Lindsey at lheadrick@NASBonline.org or Marcia at mherring@NASBonline.org or Josh at jwall@NASBonline.org. The updated service offers a manual authored by Perry Law Firm, integration into SPARQ Online Publishing, and so much more.

QUORUMS ... Periodically, questions arise when a quorum of a school board attends an NASB workshop, convention, or other educational event. **Is that allowed under the Nebraska Open Meetings Act?** Yes. Nebraska Statute § 84-1410 specifically exempts travel to and attendance at workshops, conferences, and similar events from the definition of a meeting, even when a quorum of the board is present. The important limitation is that board members should not use the occasion to discuss or take action on business that is specifically related to their own school district. Attend, learn, network, and enjoy the opportunity - but save your district's business for a properly noticed board meeting!

TECHNOLOGY ... Negotiations season is here! If you are a new superintendent or someone who needs a refresher, please don't hesitate to reach out to Darion to schedule a training.

ALICAP RETURNING \$2.6 MILLION TO ITS MEMBERS

Leadership

Innovation

Vision

Engagement

#liveNASB

<https://alicap.org/> 

The ALICAP Board of Trustees is proud to announce that it is returning \$2.6 million to member school districts and educational service units (ESUs) for the 2026-2027 school year in the form of a dividend.

ALICAP provides property, liability, errors and omissions, auto, workers' compensation, pollution, and cyber security insurance to school districts and ESUs that choose to join.

ALICAP is formed under Nebraska's Intergovernmental Risk Management Act, which allows Nebraska's public schools to pool their assets together to provide insurance services to its members. This pooling concept has proven to be a success as over \$36 million has been returned to schools and ESUs in the form of a dividend since 1990. This concept of shared risk management has demonstrated cost savings for Nebraska schools, ESUs, and taxpayers.

Returning dividends to the members is a key characteristic that sets ALICAP apart from the typical insurance provider. Each member district/ESU is an owner of the ALICAP pool, and when the pool has a surplus from any given year, those dollars may be returned to the owners, instead of the traditional insurance providers' stockholders.

ALICAP provides coverage to 233 school districts and ESUs in Nebraska and is governed by school board members and administrators representing its participating members. "I'm proud of ALICAP and what we've been able to do for Nebraska's schools," said Megan Boldt, NASB Associate Executive Director and Director of ALICAP. "ALICAP made six promises to its members back in 1990 and we've stayed true to them over the past 36 years."
