1. 432 Return to Work Policy - NEW

Note: TCU's version is attached (edited for JPS). There is not a MSBA policy. This was requested by Katie Pekarna-Damlo. Implementing a policy will help us force employees to return to work even though they may have restrictions due to a work related injury. We will also receive a discount on our workers compensation insurance if we have our return to work policy on file with EMC. EMC recommends having an attorney review the policy prior to adoption.

2. 902.1 Facility Use Policy

* If any one board member wishes to remove an item from the consent agenda for discussion, that item should be added to the board meeting agenda prior to its approval.
