RURAL ECONOMIC DEVELOPMENT LOAN AGREEMENT

This Agreement dated as of the date first written above between **Howard County Medical Center**, a corporation duly organized and existing under the laws of the State of Nebraska ("Borrower"), and the City of St. Paul, Nebraska, a Nebraska Corporation ("Lender") sets forth the terms and understandings between the Borrower and Lender regarding a loan (the "Loan") the Lender is making to the Borrower pursuant to Section 313 of the Rural Electrification Act of 1936, as amended ("Act") and 7 CFR part 4280, Subpart A – Rural Economic Development Loan and Grant Programs ("Regulations").

The Lender, on behalf of Borrower, has filed an application and supporting material (collectively, the "Application Materials") with United States of America ("Government") requesting the Loan for promoting rural economic development.

Lender wishes to make the Loan to the Borrower with proceeds of a grant from the Government to finance Approved Purposes for the rural development project ("Project") as described and defined in the Letter of Conditions between the Government and the Lender dated **June 6th, 2018**.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, Lender and the Borrower agree as follows:

A. Loan Terms

1. Lender shall lend **Howard County Medical Center (\$360,000)** to the Borrower to be used solely to promote rural economic development as more particularly described in the Application Materials, as those materials may have been modified by the Letter of Conditions. Borrower shall be obligated to pay an administrative fee equal to one percent (1%) per annum on the outstanding balance, during the term of the loan. This fee will be payable monthly with the loan payment, and Lender will prepare an amortization schedule. **The term of the loan will be 5 years, with 60 equal monthly payments of \$5,000.00 commencing October 1st, 2018, and one final installment on or before October 1st, 2023, of \$5,000 inclusive of the administrative fee (the "Loan").**
2. The loan will be continuously secured by the Cash Assets of the Howard County Medical Center to the lender.
3. Lender shall advance the proceeds of the Loan to the Borrower at one singular time, subject to submission by Borrower to Lender of evidence that the project is proceeding and expenditure of funds in the amount of the requested advance.

4. The Borrower shall repay the Loan in accordance with the note (as hereinafter defined) to be executed by the Borrower and made payable to Lender, with the first payment coming due on the 15th business day of each month. The Borrower shall begin to repay the Loan on the date set forth in the Note and shall continue paying without interruption until all indebtedness associated with the Loan has been repaid in full on or before the final maturity date of the Note.

5. The Loan will not bear interest although indebtedness not paid when due will be subject to late charges, costs, and other charges as provided in the Note.

6. If the Borrower fails to satisfy all conditions, requirements, and terms prerequisite to the advance of the proceeds of the Loan from the Lender as set forth in this agreement on or before October 1st, 2018, or such later date as the Lender and Government may approve in writing in furtherance of the purposes of the Act, the Loan committee shall be considered rescinded.

7. The Borrower will be responsible to reimburse Lender for its costs and expenses related to this transaction, and to obtain and pay for any and all appraisals, surveys, inspections, reports, title insurance, bank fees, etc related to the Project as may be required for Lender to meet its obligations to the Government.

B. Conditions. The obligation of Lender under this Agreement to consummate this transaction is subject to the following conditions:

1. Review and approval of all Loan documents by the Administrator of the REA or its representative;
2. Funding of the zero-interest grant by the Government to Lender;
3. Receipt by Lender of legal opinion from Borrower's Legal Counsel in a form and content satisfactory to Lender's Counsel;
4. Receipt by Lender of certified resolutions of Borrower's Board of Directors that approves the Loan and this transaction and authorizes an officer of the Borrower to execute all documents and to request in writing the advance of the Loan, and a certificate of authority in a form reasonably requested by Lender;
5. Receipt by Lender of the security instrument/collateral referenced in Section 1 hereof; and
6. Receipt of evidence satisfactory to the Lender that the Borrower has obtained or received binding commitments for supplemental financing of at least \$1,400,000 that is needed, in addition to the Loan proceeds, to ensure completion of the Project.

C. Affirmative Covenants. Borrower agrees as follows:

1. Borrower shall execute and deliver its promissory note (the "Note") to the Lender in the form attached hereto as Exhibit A and incorporated herein by this reference in order to evidence its obligation to repay the Loan by the terms of this Agreement, the Letter of Conditions, and the Note. The Borrower shall pay all indebtedness evidenced by the Note in the manner and at the times described herein and therein.
2. Borrower shall promptly use the proceeds of the Loan only in the manner and exclusively for the purposes set forth in the Application Materials as previously approved by the Government and in accordance with Letter of Conditions, this Agreement, and the Regulations (as they may be amended from time to time). No changes may be made in the foregoing without the prior written approval of the Government. Until disbursed by the Borrower for authorized Loan purposes, the Borrower shall deposit the Loan proceeds in a separate bank account which is fully insured by the Federal Deposit Insurance Corporation (FDIC).
3. Borrower shall make all payments on the Note by using an automated clearing house (ACH) system or, if notified by Lender in writing to do so, any other reasonable method of payment specified by Lender. Specific instructions for using ACH will be provided by the Lender.
4. Borrower shall deliver to Lender, and shall maintain a copy at its premises, a certified list of expenditures and attachments as described in this section for review by Lender and Government representatives, auditors or others conduction a review or audit for the Borrower and the expenditure of the proceeds of the Loan. The Borrower shall also submit a duplicate certified list of expenditures and attachments as described in this section to the Government for its files.
 - a. Borrower shall provide an itemized list to the Lender, with attached invoices, receipts, bills of sale, and other evidence representing the items shown on the list that shows the expenditures made on the Project for Approved Purposes using the proceeds of the Loan, with a signed certification from an authorized officer of the Borrower to the effect "I certify that the proceeds of the rural economic development loan from the City of St. Paul, Nebraska (Lender) were expended on approved purposes as shown on this list and the attached invoices, receipts, bills of sale, and other evidence represent items shown on the list."
 - b. Invoices, receipts, bills of sale, and other evidence must at least total the amount of funds that have been provided to the Borrower using the proceeds of the Loan; the certified list must be provided upon completion of the Project or within one year of the date of the first advance of funds to the borrower, whichever occurs first. If all funds have not been expended by the first advance of funds, the Borrower must provide to the Lender a certified list of current expenditures and a projected schedule of the expenditures to be incurred in the upcoming year. Upon completion of the Project, the Borrower must provide to the Lender a final certified list of the expenditures including the attachments.

c. Borrower shall expend the Loan funds within two years of the date of the first advance of funds to the Borrower, or by such later date as the Government may approve in writing in furtherance of the purposes of the Act. The Borrower shall return to the Lender all funds it provided from the proceeds of the Loan that have not been expended by the second anniversary of the date of the advance of funds to the borrower, or by such later date as the Government has approved, as a prepayment on the Note.

5. Borrower shall submit a duplicate certified listing of the expenditures and attachments to the Government for its files. The Borrower shall permit Lender and its agents to inspect and copy its records about the Project during regular business hours and shall permit Representatives of the Government to inspect the Project itself during regular business hours.

6. Borrower shall permit Lender to monitor performance to ensure that objectives proposed in the Application Materials are being achieved. Beginning one year from the date of advance of Loan proceeds to the Borrower and concluding three years from the date of advance or upon completion of the Project as proposed in the Application Materials, whichever date occurs later, the Borrower shall submit a project performance report to the Lender on an annual basis. The Project performance report shall describe: (i) the actual accomplishments of the Project, setting forth the number and types of jobs created and retained; (ii) the impact of the Project on the economy and quality of life of the rural community; (iii) reasons why any projections or objectives as proposed in the Application Materials were not met, and (iv) any problems, delays, or adverse conditions which have occurred, or are anticipated, which may affect the attainment of overall objectives of the Project. This disclosure shall be accompanied by a statement of the action taken or planned to resolve the delays, problems or adverse conditions. Upon completion of the Project or three years from the date of advance, whichever occurs later, the Borrower shall provide a final written performance report, accompanied by color photographs, including negatives or slides, documenting the overall accomplishments of the Project.

7. Borrower shall immediately notify the Lender in writing of the closure of operations of the Borrower, the transfer of operations by the Borrower from the original project site described in the Application Materials, or the institution of bankruptcy proceedings involving the Borrower.

8. Borrower shall comply with the Regulations, as they may be amended from time to time, including, without limitation, any Federal regulations or Federal statutes which the Regulations identify as being applicable to activities contemplated by the Application Materials or this Agreement.

9. Borrower shall provide to the Government and Lender, upon completion of the Project, a management representation letter certifying to the statements in Exhibit B of this Agreement.

10. This Loan is subject to the nondiscrimination provisions of Title VI of the Civil Rights Act of 1964, as amended; section 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975; as amended; and Executive order 11246, Equal Employment Opportunity, as amended by Executive order 11375, Amending Executive Order 11246, Relating to Equal Employment Opportunity. Borrower shall comply with all such requirements in addition to the specific requirements set forth in the Regulations.

11. All facilities of the Project that are open to the public or in which physically handicapped persons may be employed shall be designed, constructed, and/or altered to be readily accessible to, and usable by handicapped persons, and comply with all applicable federal, state, and local laws and regulations.

12. If the Project is in an area subject to flooding, flood insurance must be provided by the Borrower to the extent available and required by law, covering all buildings, machinery, equipment, fixtures and furnishings contained in the buildings.

13. Borrower must certify that it will establish and make a good faith effort to maintain a drug-free workplace program in accordance with federal and state law and regulations.

14. Borrower must comply with, and provide certification with respect to, federal law related to debarment and suspension, and deliver to Lender a duly executed copy of a certification form substantially similar to that attached to this Agreement as Exhibit C, with respect to the Borrower and any lower tier subsidiaries of the Borrower.

15. Borrower shall comply with all federal law and regulations related to restrictions on lobbying and file a certifications statement regarding the use of federal appropriated funds to lobby the Executive and Legislative branches of the Government, and to file a disclosure form if engaged in these activities using unappropriated funds.

D. Negative Covenant

Borrower shall not enter into or request Lender to approve any agreements which would permit third parties to fund, develop, manage, own, lease or operate the Project in a manner that would violate the Regulations, this Agreement, or the Letter of Conditions if the Borrower were to undertake such activity in its own name.

E. Representations and Warranties

Borrower represents and warrants that on and as of the date first set forth above:

Connie:

Sorry, I had about 3 more phone calls after you called and here I am just now able to get to your email!

Per our regulation; Intermediaries (you), may charge reasonable loan servicing fees, which are limited to one percent per year of the principal amount outstanding on the loan; reasonable professional service fees that are customary for the service being provided and in accordance with any standard fee schedules that have been established for the service; and reasonable expenses the Intermediary has incurred from Independent Providers.

So according to the above, you can charge the servicing fee, a professional service fee or any special services provided, and a for expenses that you incurred from Independent Providers (such as title companies during loan closing). We usually only see the one percent loan servicing fee charged so that the Intermediary can pay for the administration costs of the revolving loan fund account, such as those costs involved in reporting on the account, completing loan reviews, closing costs not incurred by the borrower, etc. These costs cannot come out of the grant and matching funds, so that is why the servicing fee comes in place. *

Let me know if you need anything else.

Cannot use Redlg funds per USDA

Civic Center Job Duties

Recruiting new members

- emailing renewal letter, but first have to sort through and get emails in order
- Managing Social media flyers and Advertising

Trying to recruit and create new events for members and non- members

- leagues
- Tournaments
- craft shows
- youth programs

Structuring the Civic Center Website

- Needs a lot of updating

Responding to emails

- this takes up more time than I would have expected.

Creating signage for the facility

- Gym rules
- Facility hours
- upcoming events

Managing the calendar

Sending out invoices for events

Invoicing and managing the electronic sign

Paying Civic Center Bills

Managing Quick Books

Tracking and Invoicing Gym times

- School
- SPSYA
- Wellness Center
- Cat Hoops

Showing the Civic Center for Events

Cleaning

- We have a cleaner once a week. But the facility still requires daily cleaning.

I created this list off of my current to do list. Which is just the tip of the iceberg. I truly feel that if we push the civic center to the full potential of the facility this position could be created into a full-time job.

Special Council Meeting Minutes
Northwest Drainage

Wednesday, October 9, 2019 - 6:00 p.m.

A special meeting of the Mayor, City Councilmembers and the Howard County Commissioners of St. Paul, Nebraska was held at the Howard County Court House in said City on Wednesday, October 9, 2019 at 6:00 p.m. Present were Mayor Bergman, Councilmembers: Brenda Klanecky, Katie Kowalski & Jerry Thompson and Howard County Commissioners: Rance Lierman, Kathy Hirschman and Dave Boehle. Notice of the meeting was posted in four (4) different places around the City. Notice of this meeting was communicated in the advance notice. All proceeds thereafter shown were taken while the convened meeting was opened to the attendance of the public.

Also, in attendance were Randy Kauk and Alan Lewandowski from the Farwell Irrigation District; an attendance sheet was also passed around for signatures.

Howard County Commissioner Kathy Hirschman opened the meeting at 6:00 p.m., with announcing the Open Meetings Act, which was posted in the Commissioners room as required by the Nebraska State Law.

The study session was to discuss possible solutions to the northwest drainage problem affecting the west section of St. Paul, and then later discussing the Middle Loup River bridge flooding and bank erosion problem south of St. Paul on US Highway 281.

Utility Superintendent Helzer stated that the City of St. Paul has been experiencing the flooding problem for the past 12 years. In July 2014, Olsson's performed a St. Paul Northwest Drainage Study; the study offered the City three (3) options in alleviating the flooding issue. The proposed alternatives consisted of: (1) replacement of three (3) bridges along Paul Street, Inman Road, and Hardy Road; (2) constructing a dam approximately 2.3 miles upstream of Paul Street, having a drainage area of 6.6 miles; and (3) widen the existing tributary channel.

After a lengthy dialogue regarding the flooding problem, the consensus between the City of St. Paul and Howard County is to attend the Lower Loup Natural Resource District (NRD) sub-committee meeting on Tuesday, October 15, 2019 at 1:00 p.m. and the regular NRD meeting on Tuesday, October 22, 2019 at 7:00 p.m.

The focus was then turned to the discussion of the Middle Loup River flooding and erosion problem south of St. Paul. Utility Superintendent Helzer stated that he utilized the St. Paul Public School drone to acquire the pictures of the Middle Loup River; placed them on a disk and mailed them to Bradley Thompson, Army Corp. of Engineers, Omaha, NE.

At this point, it was the consensus of the City Council and Commissioners to have Mayor Bergman develop a letter to the Army Corp. of Engineers expressing the concerns regarding the erosion of the north bank of the Middle Loup River on US Highway 281 and Ms. Puncochar's river bank at 1076 Hardy Road. Mayor Bergman will ensure that the letter is reviewed by both entities prior to mailing.

There was no further business to come before this session of the Council.

Howard County Commissioner Hirschman and Mayor Bergman closed the special meeting at 7:11 p.m.

City of St. Paul Regular Meeting
704 6th Street
St. Paul, NE 68873

Monday, October 21, 2019

A meeting of the Mayor and City Council of the City of St. Paul, Nebraska was held at the City Hall in said City on Monday, October 21, 2019 at 7:00 p.m. Present were Mayor Joel M. Bergman and Councilmembers: Brenda Klanecky, Ralph Kezeor, Katie Kowalski & Jerry Thompson. Absent: None. Notice of the meeting was given in advance thereof by publication in the Phonograph Herald, a legal newspaper published in said City and County. Notice of the meeting was also posted in four (4) places. Notice of this meeting was communicated in the advance notice. All proceeds thereafter shown were taken while the convened meeting was opened to the attendance of the public.

Mayor Bergman opened the meeting at 7:00 p.m., thanking the public for attending and announcing that the City of St. Paul abides by the Open Meetings Act, which is posted on the west wall as required by Nebraska State Law. Mayor Bergman also stated that the City Council may vote to go into Closed Session on any agenda item as allowed by State Law; this was followed by the "Pledge of Allegiance."

Individuals who have appropriate agenda items for City Council consideration should complete the "Request for Future Agenda Items" form located at the City Office. If the issue can be handled administratively without Council action, notification will be provided. If the item is scheduled for a meeting or study session, notification of the date will be given.

There was an opportunity for individuals wishing to provide input on any of tonight's agenda items. Those individuals were asked to reserve time to speak.

On March 8, 2019, Howard County was awarded the NE Crime Commission 2019 Community-based Juvenile Service Aid Grant #19-CB-0524 in the amount of \$24,160. The grant is for a School Resource Officer (SRO) wage (\$15,541) and travel time for an on-site Mental Health Therapist (\$6,203). The grant will be utilized by the St. Paul Public School and Elba Public School. The personnel wage breakdown for the position is \$18.09/hour x 21 hours/week x 38 weeks/year = \$14,436; fringe benefit (tax) breakdown is \$1,105. Howard County provided a match share of \$2,416 (10% of grant), which came from a portion of the Howard County Attorney's wage (\$2,244) and payroll tax (\$172). The grant will expire in June 2020. After a lengthy discussion with St. Paul Public School Superintendent Poppert and Howard County Sheriff Busch regarding the SRO topic, Council member Kezeor moved to approve the City supplementing the St. Paul Public School Resource Officer (SRO) wage. The approximate amount will range from \$1200 to \$1500 depending on the weeks left in the school year; this will supplement the SRO wage from \$18.09 to \$20 hourly. Council member Kowalski seconded the motion. Council members Kezeor, Kowalski & Thompson voted aye, Council member Klanecky voted nay. Motion carried 3/1. St. Paul Public School Superintendent Poppert will structure an Interlocal agreement between the City of St. Paul, St. Paul Public School and Howard County; the document will be brought back to the City Council prior to the exchange of funds.

Council member Kowalski moved to approve the request of the After Prom Committee to expand their project of "Showing Your School Spirit" to include the sidewalk in front of a downtown business; the event will begin on Saturday, October 19, 2019, with either painting a blue "SP" or a red Husker "N". Council member Thompson seconded the motion. Council members Klanecky, Kezeor, Kowalski & Thompson voted aye, nays none. Motion carried 4/0. If the property owner of the business places the After Prom logo in front of their business, it is their responsibility to maintain it in good condition.

Council member Klanecky moved to approve Brian and Cathryn Sack's Property Improvement application regarding 715 Howard Avenue in the amount of \$5,000. The project application includes new windows and exterior doors. The St. Paul Development Corp. Board of Directors recommends the approval of the application. Council member Kezeor seconded the motion. Council members Klanecky, Kezeor, Kowalski & Thompson voted aye, nays none. Motion carried 4/0. The funds will be expended from the sales tax account.

Council member Kezeor moved to approve the September 2019 Treasurer's Report and the zoning permits of October 14, 2019. Council member Klanecky seconded the motion. Council members Klanecky, Kezeor, Kowalski & Thompson voted aye, nays none. Motion carried 4/0. In viewing permit #2019-60, Ms. Berthelsen will correct the description of language from shed to fence.

A brief discussion ensued on approving Resolution 2019-8, whereas by Nebraska State Statute 53-124.11, the City Clerk and the Chief of Police are the designated agents for the City in determining whether a special designated liquor (SDL) license should be approved or denied. The item was tabled until November 4, 2019 to allow City Clerk Beck time to create a check list of the special designated liquor application procedure for the City, Deputy Clerk and Police Sergeant.

Council member Kowalski moved to approve the proposal from BTS Communications in replacing the City's old telephone system with the new BTS Communication system, powered by Clearly. The initial equipment and installation is \$4,127; yearly license fee of \$754, along with the monthly telephone bill of approximately \$148. Currently, the City's monthly telephone bill is \$373. The monthly telephone bill will not reflect any changes, due to the Water DSL (\$111) and Treatment Plant (\$18), Pool (\$19) & Parks (\$18) remaining the same as current. The only change is paying for the upfront cost of the equipment and installation. Council member Klanecky seconded the motion. Council members Klanecky, Kezeor, Kowalski & Thompson voted aye, nays none. Motion carried 4/0.

Council member Thompson moved to approve removing Mike Feeken's name from the St. Paul Civic Center checking account and sinking fund and adding Sarah Call's name only to the St. Paul Civic Center checking account signature card. Council member Kezeor seconded the motion. Council members Klanecky, Kezeor, Kowalski & Thompson voted aye, nays none. Motion carried 4/0. The minutes will be provided to the Homestead Bank for the signature card file.

Notice of Special meeting dates: (1) Monday, October 21, 2019 at 6:00 p.m. regarding the discussion of the employee's health insurance coverage (JJ Green, Primark Insurance will be present); (2) Tuesday, October 22, 2019 at 7:00 p.m. regarding a Lower Loup Natural Resource District (NRD) meeting in Ord, NE to discuss the City's Northwest Drainage project; and (3) Monday, November 4, 2019 at 5:30 p.m. regarding the IBEW 1597 Union negotiations contract.

Utility Superintendent Helzer updates include: (1) Overland Ready Mix Concrete will be increasing cement 5% - 7%, effective January 1, 2020. The Howard Avenue concrete project bid will reflect the old cost, due to the bid letting; (2) Island Glass, Grand Island, NE replaced the glass in the east Civic Center door on Thursday, October 3, 2019. The City will receive approximately \$78, due to the \$500 deductible; (3) Diamond Engineering has been working on a sanitary sewer manhole at 4th and Kendall Streets and (4) a Tree Board meeting will soon be scheduled.

Chief of Police Paczosa submitted an "Incident & Nuisance" report, along with reporting on police business.

Council member Klanecky stated that there was interest from persons regarding the Northwest Drainage meeting at the Howard County Courthouse on Wednesday, October 9, 2019.

In preparation of the Northwest Drainage meeting schedule at the NRD on Tuesday, October 22, 2019 at 7:00 p.m. in Ord, NE, Mayor Bergman and Utility Superintendent Helzer assessed the drainage and backflow of water on the northwest side of St. Paul, and visited with Todd Wojtalewicz concerning the matter.

Mayor Bergman also visited with Kenny Rich at the NE Dept. of Transportation (NDOT); Mr. Rich stated that the NDOT will be cleaning out the right-of-ways on both sides of the US Highway 92 Bridge to make water flow more efficient in the area.

Mayor Bergman updates include: (1) there will be Council member discussion on Sarah Call's Community Program Coordinator employment hours (SPDC will be present on November 4, 2019 meeting); (2) City Clerk Beck checked on the City's 2019-2020 levy with Howard County Clerk Bev Sack; (3) a City resident submitted a letter to Mayor Joel Bergman concerning the street dance on Saturday, October 5, 2019; (4) Mike Feeken

will continue to stay on the St. Paul Library and Housing Authority Boards; (5) Dana Cole & Co. will be auditing the City books from October 29 - 31, 2019; (6) City received a LARM reimbursement of \$16,041 regarding Attorney Pigsley's legal fees concerning Ms. Killinger's CIR & NEOC courtcases; (7) Todd Wojtalewicz paid the Wellfield Pasture rent of \$5,406; (8) St. Paul Development Corp. has submitted an "Invitation for Bids" regarding the Middle Loup Subdivision construction project; and (9) active advertisement to fill Mike Feeken's position at the St. Paul Civic Center.

Council member Kezeor updated the City Council on the St. Paul Civic Center advisory meeting.

Brad Slaughter, formerly a bond underwriter with Ameritas Investment Corp., requested to inform the Mayor and City Council on his transition from Ameritas Investment Corp. to Piper Jaffray Public Finance, Lincoln, NE. Piper Jaffray was founded in 1895, and is a full service U.S. Investment bank and asset management firm offering investment underwriting. Mr. Slaughter stated that this will not change the City's existing bonds; the bonds will continue to be paid through the Depository Trust Clearing Corp. (DTCC) or the Bank of Oklahoma Financial (BOK).

Mayor Bergman adjourned the City Council meeting at 8:29 p.m. and reopened the 6:00 p.m. special meeting again at 8:30 p.m. in continuing the discussion of the employee health insurance (see special meeting for adjournment).

St. Paul Planning Commission
October 28, 2019
Meeting Minutes

A meeting of the St. Paul Planning Commission was convened in open and public session on the 28th day of October, 2019 at 5:00 p.m. in the City Council Chambers, 704 6th Street, St. Paul, Nebraska.

Chairman Chuck Schmid called the meeting to order at 5:01 p.m. with a statement regarding the Open Meeting Act, which is posted on the west wall of the City Council Chambers. The agenda was sent to the Commission members prior to the meeting and posted in four (4) public places. Commission members present: Chairman Chuck Schmid, Connie Becker, Wilber Medbery, and Tony Walch. Absent was Arvilla Jacobs. Also present Zoning Administrator Matt Helzer, Laura Berthelsen (minutes).

Commission member Becker moved to approve the October 14 26, 2019 meeting minutes. Commission member Medbery seconded the motion. Commission members Becker, Medbery, Schmid, and Walch voted aye, nays none. Motion carried 4/0.

Chairman Schmid presented the following zoning permits:

2019-64	Diane Lamberson – Construct deck at 1120 Davis Street
2019-65	Dallas McIntyre – Construct utility shed at 1318 Bruce Street
2019-66	Connor Bolling – Construct deck at 1309 Grant Street
2019-67	Sts. Peter & Paul Parish Life Center – Install sign on building at 713 Elm St.

Commission member Medbery moved to approve Zoning Permit applications 2019-64 through 2019-67. Commission member Becker seconded the motion. Commission members Becker, Medbery, Schmid, and Walch voted aye, nays none. Motion carried 4/0.

After discussion of Zoning Permit application 2019-68, it was determined that the principal building (house) is in conformance with the zoning regulations, and the permit application will not add to the existing non-conformity of the accessory building (garage). Based on this conclusion, Commission member Becker moved to approve Zoning Permit application 2019-68. Commission member Medbery seconded the motion. Commission members Becker, Medbery, Schmid, and Walch voted aye, nays none. Motion carried 4/0.

Chairman Schmid announced that the next St. Paul Planning Commission meeting will be held on Monday, November 25, 2019 at 5:00 p.m. If zoning permit applications are filed that need to be addressed earlier, a meeting will be held on November 12, 2019 at noon.

MEMORANDUM

TO: Planning Commission Members
FROM: Matt Helzer, Zoning Administrator
DATE: October 23, 2019
RE: Zoning Permit Application 2019-68

Bob Holthaus has applied for a residential zoning permit to complete an addition to his house at 1103 9th Street. The addition will be to the back of the house. The house currently meets all setback requirements. The property also contains a nonconforming detached garage. The detached garage is non-conforming because it is located approximately eight (8) feet from the house instead of the required minimum of ten (10) feet.

The project will not extend or alter the nonconforming garage. The project will, however, continue the eight (8) foot separation between the house and garage for approximately an additional four (4) feet.

Zoning regulations that may apply:

- Section 2.2.02 indicates that ". . . no building or structure or part thereof shall hereafter be erected, constructed, reconstructed, replaced, moved or structurally altered except in conformity with all of the regulations herein specified in the zoning district in which it is located."
- Section 9.5.02 indicates that ". . . no separate accessory building shall be erected within ten (10) feet of any other building . . .".

The permit application applies to the principal building, not the accessory building (garage). No changes will be made to the non-conforming garage. The proposed house addition meets setback requirements from the property lines.

It is suggested that the approval or denial of this application contain a statement indicating the Planning Commission's interpretation of the zoning regulations regarding this specific application.

6) LOCAL GOVERNMENT (CITY) APPROVAL OF SPECIAL DESIGNATED LIQUOR APPLICATION:

- a. The Special Designated Liquor application will be placed on the AGENDA if: (1) a new liquor license vendor has not submitted a prior special designated liquor (SDL) application, or (2) the liquor license application is questionable by the City Clerk or the Chief of Police.

Otherwise, the City will follow the Resolution No. 2019-8 by virtue of Nebraska State Statute §53-124-11; whereas the City Clerk and the Chief of Police for the City of St. Paul is designated agent to determine whether a special designated liquor license is to be approved or denied.

- b. Once the SDL application is approved, the City Clerk will scan the application and upload the document to the email address provided on the application. The City Clerk will call the SDL recipient to make sure the email was received on their end to avoid the Nebraska Liquor Control Commission not receiving the application.
- c. The Retail Liquor License Holder or the Non-Profit Organization will then go to their PORTAL to upload the City Clerk's scanned document.

Request for Proposal (RFP)
COMMUNITY BRANDING & WEBSITE
DATE: November 6, 2019

Background

For several years the City of St. Paul, Nebraska has utilized the term “St. Paul – Batting 1.000” as its town slogan. This term is in relation to the community’s connection with baseball and the hometown legacy of Major League Baseball (MLB) Hall of Famer Grover Cleveland Alexander. While the slogan has served the community well – it seems to be time for a slogan update, along with comprehensive community branding.

Project Description

The City of St. Paul, Nebraska with a population of 2,299 is seeking a qualified individual or organization to create a logo, slogan, branding strategy, graphics standards and website for the community. “This institution is an equal opportunity provider, and employer”.

Designated representatives of the City of St. Paul will provide the information necessary to populate the website with narrative content. A firm that can handle interface design and website hosting is a must. The site must include a technology solution that allows the City of St. Paul staff or designated representative(s) easy access to update content after the launch. Content management systems are required.

To be effective, the website must be:
