From: Krish Mohip, Superintendent

Agenda Topic: E-Rate Switched Ethernet (WAN) Renewal

Expected Outcome: Information

Staff Contacts: Michael Swanson

Title: E-Rate Switched Ethernet (WAN) Renewal

Purpose: Proviso Township High Schools District 209 currently utilizes AT&T for their switched ethernet (WAN) service to connect all three campuses. The current network and infrastructure devices require this switched ethernet (WAN) service to sync district services across the network.

Background:

Switched ethernet service (WAN) is reimbursed by E-Rate Category I at a 90% reimbursement rate. Proviso has selected AT&T in the past based on the E-Rate decision matrix.

Proviso Schools District 209, in conjunction with Telesolutions Consultants LLC, has posted a RFP seeking proposals for 1-year switched ethernet (WAN) connections for Year 29 of E-Rate Services (7/1/2026 - 6/30/2027).

This purchase aligns with the Goal 3 – Technology and Innovation of the strategic plan and the following action steps:

- Create a plan for ongoing upgrades and purchases of devices, technology, infrastructure, and equipment.
- Increase equitable access to high-quality digital resources and standards-based, technology-rich learning experiences.

Administration Analysis:

The renewal of switched ethernet (WAN) is critical to continue providing technology services across the district and synchronizing all systems. Switched ethernet (WAN)

ensures that all three district buildings perform as one unified network and deliver uniform technology service and technology user experience across the district.

Equity Impact: Switched ethernet (WAN) ensures that all three district buildings perform as one unified network and deliver a uniform technology service and technology user experience across the district.

Student Impact: Switched ethernet (WAN) ensures that all student accounts and student-used services are accessible and secure.

Staff Impact: Switched ethernet (WAN) ensures that all staff accounts and services used by staff are accessible and secure.

Financial Impact: The cost for the 25-26 school year WAN renewal one-year signed term was \$3,900 per month (\$46,800 for the 12-month term). 26-27 RFPs have been reviewed and aligned with the E-Rate decision matrix. The new contractual cost for AT&T is \$3,783 per month (\$45,396 for the 12-month term). \$40,856.40 of this cost will be reimbursed as switched ethernet service (WAN) is reimbursed by E-Rate Category I at a 90% reimbursement rate.

Communication: The Director of Technology will communicate with the Business Office to complete the purchase.

Statute, Administrative Policy or Board Rules Statement:

Board Policy 4:60 Purchases and Contracts

Superintendent's Recommendation:

That the Board of Education of Proviso Township High Schools District 209 accepts the Superintendent's recommendation to approve the AT&T E-Rate Switched Ethernet (WAN) one-year renewal at a total cost of \$45,396 (\$3,783 per month).

This initiative will replace the District’s existing legacy Cisco access points with modern, high-performance infrastructure capable of supporting current and future instructional, administrative, and student connectivity needs. The selected solution includes Wi-Fi 7 access points, all required hardware, five (5) years of subscription licensing, and professional services, including project management, design, configuration, installation, and migration from the existing wireless environment.

The following companies have prepared RFP proposals:

- Tusker (Mindsight)
- Electronaca Inc

Decision Matrix Selection Criteria:

- 35% - Price of the eligible products and services
- 25% - Understanding of needs
- 25% - Prior experience
- 15% - Prices for ineligible services, products and fees

26-27 RFPs have been reviewed and aligned with the E-Rate decision matrix. Tusker (Mindsight) scored highest on the E-Rate decision matrix, making it the recommended vendor for services at a proposed cost of \$586,575.75.

**Request for Proposal for Switches and UPS units for
Proviso Township High Schools District 209, Forest Park, Illinois**

Submitted by Jerry Steinberg, Telesolutions Consultants LLC
February 11, 2026

Proviso Township High Schools District 209 with its district office located at 8601 Roosevelt Road, Forest Park, IL 60130, 708-338-5900, is seeking proposals in conjunction with the Federal Universal Services E-rate Program for new Access points and licenses to be installed at its three high schools.

Proviso Township High Schools District 209 presently has older access points that need to be replaced to access the Internet and to exchange information between/among its locations.

Proviso Township High Schools District 209 participates in the E-rate program and is reimbursed in the 85% discount level overall. We are seeking firm, cost proposals from qualified enterprise level vendors offering mainstream equipment that is proven and operable in ample numbers of schools in the immediate local area.

Implementation of the following equipment list is fully dependent on E-rate approval and the Proviso Township High Schools District 209 Board of Education approval.

Vendors must provide the Lowest Corresponding Price, or LCP, for their service and equipment offerings per E-rate rules.

Proviso Township High Schools District 209 is seeking proposals for the purchase and installation of Wi-Fi 7 Access Points and 5-year subscription Licensing and related components for their three high schools.

Implementation will include project management, design, configuration, and physical installation of the Access points at each school. All materials needed or required will be the responsibility of the selected contractor. Professional services must include migration planning from the existing Cisco Access points to the new Wi-fi 7 Access Points.

Proviso Township High Schools District 209 Scope of Work:

Category 1: Wi-Fi Replacement for all three schools. This is a 1:1 replacement across the district which needs to include hardware, installation, and configuration. Juniper Networks is the preferred and so it will be Juniper Networks or any Enterprise Level Equivalent. One item to note is that the district currently has CISCO Wi-Fi, so the new access points clip into the old bracket. This is important as it saves tons of installation time as they can simply unmount the old access point and re-use the bracket for the new Juniper or equivalent access point.

***Due to the scope of this project, any equipment or software not used or deemed not necessary during installation will be returned and removed from final cost upon project acceptance and closure.**

Proviso Township High Schools District 209

To: Proviso Township High Schools District 209 Board of Education

From: Krish Mohip, Superintendent

Agenda Topic: East Auditorium AV Replacement

Expected Outcome: Information

Staff Contacts: Michael Swanson

Title: East Auditorium AV Replacement

Purpose: Proviso Township High Schools District 209 utilizes the Proviso East Auditorium for major events involving students, staff, and community members that require a large-capacity space. To better serve the Proviso community, the auditorium needs an audiovisual (AV) system update to improve reliability, functionality, and overall usability.

Background:

Proviso East currently has a audio system installed by Savage Pro Audio that serves the auditorium. While this audio system was updated in the past four years, the projector and projector AV inputs were never installed for the space. Currently Proviso East has a projector sitting in the seating area on a small table to project content for the auditorium.

This purchase aligns with the Goal 3 – Technology and Innovation of the strategic plan and the following action steps:

- Create a plan for ongoing upgrades and purchases of devices, technology, infrastructure, and equipment.
- Increase equitable access to high-quality digital resources and standards-based, technology-rich learning experiences.

Administration Analysis:

Updating the audiovisual system in the Proviso East Auditorium will modernize the space and significantly improve its functionality, reliability, and accessibility. District 209 administration has worked closely with the contractor to ensure a cost-effective solution

by reusing existing audio hardware installed by Savage Pro Audio while adding a permanent, integrated video projection component.

This approach minimizes costs while maximizing the impact of the upgrade, allowing the auditorium to serve students more effectively, staff, and the broader Proviso community.

Equity Impact: The Proviso East Auditorium AV upgrade will promote equity by ensuring all students, staff, families, and community members have consistent access to high-quality audiovisual experiences during assemblies, performances, instructional activities, and community events.

Student Impact: The Proviso East Auditorium AV upgrade will have a direct and positive impact on students by providing a more engaging, dependable, and professional learning and performance environment.

Staff Impact: The Proviso East Auditorium AV upgrade will positively impact staff by providing a dependable, efficient, and user-friendly audiovisual system that supports instruction, school events, and professional responsibilities.

Financial Impact: The cost for the project including a one-year service contract is \$34,625.50.

Communication: The Director of Technology will communicate with the Business Office to complete the purchase.

Statute, Administrative Policy or Board Rules Statement:

Board Policy 4:60 Purchases and Contracts

Superintendent's Recommendation:

That the Board of Education of Proviso Township High Schools District 209 accepts the Superintendent's recommendation to approve the East Auditorium AV Replacement at a cost of \$34,625.50.

E. PROJECT PLAN:

- a. KICKOFF MEETING: Upon successful award of the project, Our Project Manager will schedule and host a project kick off meeting with key project Stakeholders that will take place at time and location beneficial for all. Typically done via TEAMS, or initially on the customer site, but ACP CreativIT can also offer meeting spaces in either its, Buffalo Grove Headquarters, or its O'Hare Sales Office if a customer site is unavailable. The objective of the Kickoff meeting is to provide open lines of communication and setting of expectations including timing, identify the key players involved, risk assessments, chain of command, and coordination items.
- b. PROGRESS MEETINGS: Leading up to on-site installation, recurring meetings as necessary may take place typically VIA teams until such time that the on-site installation begins. If requested by the customer or construction team, may be held on-site for an additional fee. This maintains communication efforts, and prepares us for any challenges, issues, and updates of progress throughout the planning phase of the venture. Reoccurring weekly meetings, if necessary, will be scheduled once installation starts.
- c. SITE WALK THROUGH: ACP CreativIT identifies the need to assess site conditions throughout the project life span. This includes pre-installation, progress visits, infrastructure coordination, and overall AV integration coordination. As needed and as requested, ACP CreativIT will be on-site to help ensure that this project is running at optimal performance from start to finish.
- d. IT COORDINATION: ACP CreativIT understands that parts of this venture are network dependent. It is our objective to work closely with AV, IT Managers and Stakeholders, to review and understand applicable standards, and to communicate proactively the needs of the Information Technology Team. Owner to acquire and configure Microsoft Teams Rooms devices with its own resource account. The resource account is the account the Teams Rooms device logs into and is what is used to invite and book the Teams Room.
- e. SCHEDULING: ACP CreativIT will also have expectations to set as it relates to achieving completion on or prior to the end date. ACP CreativIT further intends to clearly outline the dependencies of others (Power, Data, Structural, Supports, etc.) prior to the project beginning.
- f. SITE INSTALLATION EXECUTION: Installers will be onsite promptly at the agreed upon start times, on consecutive days until the objective is completed. A dedicated Lead Tech and necessary support labor to achieve the objectives in the timeline allotted. Tools and materials will be delivered and pre-staged for ease of access. For the purposes of planning, tools and materials will be stored on-site at mutually beneficial secured locations near the space being worked in.
- g. COMMISSIONING: All commissioning will be done on-site upon completion of the physical installation. At this time, commissioning technicians will be working closely with the AV & IT team to assure proper connectivity, and configurations take place and to troubleshoot matters, sometimes at a moment's notice. ACP CreativIT identifies these efforts as being the more time-consuming elements of the project. Once configured, fully commissioned, and tested, user training will be scheduled.
- h. TRAINING: ACP CreativIT has included a block of Train-the-Trainer training for this project. Additional or refresher training is available in ½ day blocks.

F. LEAD TIMES & DISCONTINUATION OF PRODUCTS:

- a. The AV Industry as a whole, amongst many others are experiencing longer than normal lead-times due to shortages in raw material, production material, semiconductor, and microchip shortages, as well as other geopolitical supply chain issues. Equipment and material lead times and prices are subject to change and/or product discontinuance, without notice. ACP CreativIT is not responsible for pricing impacts or delays related to equipment, or that is on allocation or may become discontinued throughout the duration of this phased project. Lead times are as good as the information we are provided by our vendor partners.
- b. ACP CreativIT has its fingers on the pulse of the industry and the challenges we are all facing with getting

equipment and solutions for our customers, even in a comparable capacity. Anything proposed in this design along with any alternatives includes or not proposed that are similar in functionality are anticipated to face considerable challenges with allocation throughout the duration of this project and into 2024. This assessment is gathered through news media, industry publications, and extensive discussions with industry leading manufacturers.

- c. Our Vendor Partners are working on other means to get subcomponents from their suppliers, which are unfortunately facing similar challenges. Some vendors have begun to change assembly and manufacturing sites, where some are changing products entirely which uses different subcomponents, these changes may influence its published features and use cases. Any changes to manufacturing require additional time to do Quality Control to ensure they are still delivering a working product.
- d. Lead times if they may have been identified or included is effective as of the proposal submittal date. Considerable effort to secure a working system within specification under scheduled timelines may be made to help reduce project delays due to product lead times, however matters outlined above are simply unavoidable and at times unpredictable. The ACP CreativIT project team will work alongside the Stakeholders to uncover and suggest alternatives to reduce project delays due to allocation or discontinuation. Any costs associated with these changes not excluding the equipment or design engineering charges may be billed on a change order.
- e. ACP CreativIT does not pre-order equipment without a purchase order or NTP and highly advises, as it is by most vendors/manufacturers, to secure and procure a contract as soon as possible. The same advice we as integrators are given is being passed along to our clients and partners.

G. Exclusions: The following work is **not included** in our Scope of Work:

- a. All conduits and raceways
- b. High voltage, wiring panels, breakers, relays, boxes, receptacles, etc.
- c. Corporate voice/data drops or networking equipment.
- d. Antenna/CATV drops, distribution or equipment.
- e. Concrete saw cutting and/or core drilling.
- f. In-wall blocking support as specified.
- g. Fire wall, ceiling, roof, and floor penetration.
- h. Necessary drywall replacement and/or repair.
- i. Necessary ceiling tile or T-bar modifications, replacements and/or repair.
- j. All millwork (moldings, trim, cut outs, etc.).
- k. Patching and Painting.
- l. Permits (unless specifically provided for and identified within the contract).

H. Construction Considerations:

- a. To accomplish the outlined goals of this project, the Customer will be responsible for contracting with an outside entity to make the necessary modifications to the space as directed by ACP CreativIT. The costs associated with these modifications are not included in this proposal.

Assumptions

The list of assumptions below was used to develop this Statement of Work and Quote. If any of these assumptions are not correct or if additional, unanticipated information was uncovered during the project, it may affect the SOW and Quote relative to the installation timeline and/or price. If so, a change order (discussed below) will be written and signed off by the customer before this additional work is performed.

1. The room(s) match(es) the drawings provided
2. Site preparation by the Customer and their contractors includes electrical and data placement per ACP CreativIT specification.
3. Site preparation will be verified by ACP CreativIT project manager or representative before scheduling of the installation. All work areas should be clean and dust free prior to the beginning of on-site integration of electronic equipment.
4. Customer communication of readiness will be considered accurate and executable by ACP CreativIT project manager.
5. In the event of any arrival to site that ACP CreativIT is not able to execute work and definable progress, the Customer will be charged a \$115/hr per installer Fee to offset the lost time due to the lack of readiness. The Fee will be presented as a Contract Change Order and will/may halt work until acceptance by the Customer and rescheduling of the integration effort is agreed upon.
6. Rescheduling and redeployment of ACP CreativIT technicians due to unacceptable site preparation may cause scheduling delays of up to 10 business days.
7. There is ready access to the building / facility and the room(s) for equipment and materials.
8. There is secure storage for equipment during a multiple-day integration.
9. If Customer furnished equipment and existing cabling is to be used, ACP CreativIT assumes that these items are in good working condition at this time and will integrate into the designed solution. Any repair, replacement and/or configuration of these items that may be necessary will be made at an additional cost.
10. All Network configurations including IP addresses are to be provided, operational and functional before ACP CreativIT integration begins. ACP CreativIT will not be responsible for testing the LAN connections.
11. Cable or Satellite drops must be in place with converter boxes operational before the completion of integration. Any delay resulting in extra work caused by late arrival of these items will result in a change order for time and materials.
12. Document review / feedback on drawings / correspondence will be completed by the Customer within two business days (unless otherwise noted)
13. The documented Change Control process will be used to the maximum extent possible – the Customer will have an assigned person with the authority to communicate/approve project Field Directed Change Orders and Contract Change Orders
14. In developing a comprehensive proposal for equipment and integration services ACP CreativIT's Account Managers and Engineering teams must make some assumptions regarding the physical construction of your facility, the availability of technical infrastructure and site conditions for installation. If any of the conditions we have indicated in the site survey form are incorrect or have changed for your particular project or project site, please let your Sales representative know as soon as possible. Conditions of the site found during integration effort which are different from those documented may have an effect on the price of the system solution, integration or services. To ensure that you have an accurate proposal based on your facility and specific to the conditions of your project, please review all project documentation carefully.

From: Dr. Deborah Hill

Agenda Topic: FY27 Consolidated District Plan

Expected Outcome: Action Item

Information Staff Contacts: Dr. Shaylon Walker

Title: FY27 Consolidated District Plan

Subject:

FY27 Consolidated District Plan

Background:

With the passage of the reauthorization of the Elementary and Secondary Education Act of 1965 (ESEA), commonly known as the "Every Student Succeeds Act," all school districts in Illinois participating or wishing to participate in the Title I program had to submit to the Illinois State Board of Education (ISBE) a Title I District Plan which meets the requirements of Section 1112 of the ESEA.

Beginning with SY20, ISBE instituted a Consolidated District Plan (CDP) which allows grantees to answer one set of planning questions to meet requirements for all 14 of the federal formula grants listed. Building on recent eGMS improvements, the Consolidated District Plan pre-populates with a grantee's narrative responses from the previous years' plans, where applicable. Collecting and coordinating this information up front will streamline the grant application process.

Proviso Township 209 proudly serves the students in Maywood, Broadview, Forest Park, and Melrose Park. Proviso East and Proviso West operate Title I school-wide programs. Additionally, students being served in Proviso Math and Science Academy, our selective enrollment school, are students in these same communities and are entitled to the same support provided through our federal funds, including – increasing proficiency in Reading, Math, and Writing scores across all subgroups, improving students' readiness to compete in the Global Market Place, improving the educational outcomes for English Learners and providing professional development for staff on data-driven decision

making. This is an opportunity for our District to stay true to our mission of equity, excellence, and relevance for all. The District is required to develop and have approved by the Board of Education a Consolidated District Plan. This plan must be submitted to and approved by ISBE in order to receive approval of the District's application for FY26 Title I, II and IV funds.

ISBE has provided a template for school districts to use in the development of the Consolidated District Plan which includes all required components. ISBE has also made provisions for the submission of the CDP through the ISBE Web Application Security (IWAS) system.

Administration's Analysis:

In SY18, District administration developed, in consultation with various stakeholders, a Title I District Plan utilizing the state-provided template. The template for the plan included five sections with specific prompts which needed to be addressed. The information in the plan reflected programming and services already in place, and also the transformation plans, strategic initiatives, and other improvements being implemented.

For SY19 through SY21, the Title I District Plan was reviewed and updated to reflect any changes, presented to the Board of Education for approval, and submitted to ISBE.

The attached FY27 Consolidated District Plan incorporates much of the information previously included in the Title I District Plans, as well as newly required information. The FY26 CDP development included consultation with principals, teachers' union, district administration, parents and other stakeholders.

Statute, Administrative Policy or Board Rules Statement:

Section 1112 of the Elementary and Secondary Education Act of 1965, as amended through PL 114-95 (December 2015) requires that a local educational agency (schooldistrict) may receive Title I funding during any fiscal year only if such agency has on file with the State educational agency a plan, approved by the State educational agency, that includes certain components.

Implementation or Assessment Plan:

Upon approval of the Board of Education, the Consolidated District Plan will be submitted to the Illinois State Board of Education. ISBE may require some adjustments/clarifications to the plan which may occur after initial Board approval. The administration will make

any requested/required adjustments needed for ISBE approval.

Administration's Recommendation:

That the Board of Education of Proviso Township High Schools District 209 accepts the Superintendent's recommendation to approve the FY26 Consolidated District Plan.

Equity Impact

The FY27 Consolidated District Plan is rooted in equity-driven practices that dismantle barriers and create inclusive opportunities for all students. District 209 remains committed to ensuring equitable access to high-quality instruction, resources, and support services, regardless of race, language, income status, or ability. This plan supports a multi-tiered system of supports, targeted interventions for English learners, students with disabilities, and the chronically credit-deficient. Additionally, the inclusion of parent engagement centers, strategic stakeholder collaboration, and culturally responsive instructional practices all underscore the District's intentional work in closing opportunity gaps and eliminating disparities across all subgroups.

Student Impact

Students are at the center of this consolidated plan, with services and supports directly impacting their academic, social-emotional, and postsecondary outcomes. Key investments include: expanded afterschool and Saturday programming, dual-credit opportunities, personalized learning centers, academic and behavioral intervention services, increased access to mental health supports, and pathways aligned with college and career readiness. Implementation of specialized programming, such as bilingual education, gifted and talented identification, and STEM-focused academies, ensures differentiated instruction to meet each student's unique needs and promote graduation and postsecondary success.

Staff Impact

This plan enhances staff capacity through sustained and targeted professional development aligned with instructional priorities and equity-centered teaching practices. Staff will benefit from instructional coaching, professional learning communities (PLCs), mentoring programs, and external partnerships with higher education institutions. The development and use of a professional development handbook and intentional

recruitment/retention strategies address the ongoing needs of a diverse and effective educator workforce. These efforts collectively aim to improve teacher efficacy, job satisfaction, and overall instructional quality across the district.

Financial Impact

Federal, state, and local funds are strategically aligned to maximize resources, minimize duplication, and support sustainable programming. The plan leverages funding from multiple titles (I, II, III, IV and IDEA) to meet comprehensive district needs. A portion of instructional administrators' salaries is supported by Title I to drive instructional coaching and school improvement initiatives. Investments in technology integration, student health and safety, bilingual and special education, and college and career readiness are balanced with fiscal responsibility to ensure programs are efficient, impactful, and compliant with funding regulations. The district will continue to monitor, amend, and resubmit the plan as necessary based on actual grant awards and financial projections.

Agenda Topic: Turn it in Renewal

Expected Outcome: Information Item

Staff Contacts: Ms. Felicia Lee, District Coordinator for Technology Integrations; Mr. Michael Swanson, Director of IT; Ms. Angela Marino, Director of Curriculum; Mr. Rob Markus, AP Capstone teacher at PMSA

Title: Turn it in Renewal Contract

Purpose: To continue our partnership with Turn it in for the 2026-2027 school year.

Background:

Turn it In is a digital platform that authenticates students' original work. It is a robust program that identifies plagiarism and AI use in essays submitted. ELA teachers use Turn it in for final drafts. Other departments use it for their writing assignments as well.

This is a renewal of the Originality and Feedback Studio district license. [Usage reports](#) from the 2024-2025 school year and through 12/31/2025 show that there are 17-30 active teachers utilizing the platform at end of grading periods (October, December, March, and May) and 45-76 active classes in grades 9-12 during those same peak months.

The highest usage month was in April of 2025 with 1,542 similarity reports generated. High-similarity submissions (greater than 50%) represent a small percentage of total submissions, indicating appropriate student citation practices and effective instructional use of originality tools. Overall, these numbers show strong usage over time across the district.

AI detection data indicates a gradual increase in flagged submissions during the 2025–2026 school year. While overall percentages remain low, this trend highlights the importance of continued guidance on responsible AI use and alignment with district AI policy. The Turnitin program provides a significant tool to assist the district in this process. Alignment to Strategic Plan – Turnitin usage supports district priorities by reinforcing academic integrity, ethical scholarship, and responsible AI use. Specifically, Turn it in

aligns with the district's strategic plan under Goal #1, Systemic Alignment/Culture of Excellence, with the objective to build a culture of continuous improvement and design equitable systems for school-based and district improvement. Renewing our contract with Turn it in also aligns to Goal #2, Academic Achievement/Student Support which ensures that all students have access to engaging, high-quality, equitable, and relevant instruction through the use of the Turn it in platform. Turn it in aligns with Goal #3 by allowing for the integration of technology into teaching and learning.

Administration's Analysis:

Turn it in provides a robust resource to assist students in using proper citations and maintaining academic integrity in their writing. The AI detection feature is particularly important as a required authentication system for the AP Capstone program. Teachers can access Turn it in through the external tool feature in Schoology. There is a Schoology Group to provide further support as well. Teachers can collaborate during duty period for implementation strategies. They can also communicate with administration regarding the quality of the platform.

If approved, the current subscription that ends on June 30, 2026 would be renewed from July 1, 2026 to June 30, 2027 for \$25,797.00. This includes Turnitin Feedback Studio and Originality. [Here](#) is the quote.

Equity Impact: Using Turn it in across the district ensures that all students have equitable access to high-quality digital resources to provide standards-based, technology-rich learning experiences for authentication of students' original work and feedback.

Student Impact: All students can receive a similarity report from Turn it in. They can also receive feedback using AI along with the AI detection tool to assist in their learning.

Staff Impact: Teachers are able to authenticate their students' work through the Turn it in platform. The program also provides feedback for students and utilizes an AI detection tool to assist in classroom instruction.

Financial Impact: The digital license package runs from 7/1/2026 to 6/30/2027 which includes Feedback Studio and Originality. The total investment for a one-year renewal of Turn it in = \$25,797.00. The renewal will be funded through General Funds.

Communication: Professional development opportunities will continue to be communicated to staff as they are scheduled. Updates will be made to the Schoology Group for Turn it in and teachers will be encouraged to continue their usage of this platform to enhance learning and teaching.

Statute, Administrative Policy or Board Rules Statement:

School Board Policy 4:50 Payment Procedures requires that [this purchase/renewal of contract] shall be reviewed by the Board of Education, after which [it] may be approved for payment by Board of Education order.

Proviso Township High School District 209

To: Proviso Township High School District 209 Board of Education

From: Krish Mohip, Superintendent
Dr. Alexander Aschoff, Deputy Superintendent of Academics

Agenda Topic: Dual Degree at Proviso Math and Science Academy

Expected Outcome: Information

Staff Contacts: Ms. Toni Johnson, Coordinator of Dual Credit, Dual Degree, and Advanced Placement; Rubi Ortiz, Coordinator of CTE and Early College; Dr. Jennifer Kirmes, Deputy Superintendent of School Improvement; PMSA Staff; PMSA Building Administration

Title: Expansion Dual Degree Program Proviso Math and Science Academy

Purpose: The purpose of this information item is to provide the Board of Education with an update on the District's efforts to expand Dual Degree opportunities through the development of an onsite Dual Degree program at Proviso Math and Science Academy (PMSA), including the transition from the current partnership with Triton College to a potential partnership with Dominican University.

Background:

Proviso Township High School District 209 has maintained a Dual Degree partnership with Triton College to provide students the opportunity to earn both a high school diploma and an Associate Degree. Currently, eight seniors, creatively referred to as the "Great Eight", are on track to graduate in May with both their high school diploma and Associate Degree. Additionally, 19 juniors are actively participating in the Triton Dual Degree program and will continue with Triton through their senior year. These students will not be impacted by the proposed transition and will be fully supported through program completion.

As part of the District's commitment to expanding access and strengthening student outcomes, District leadership has explored the development of an onsite Dual Degree model at PMSA. In accordance with the Dual Credit Quality Act (Public Act 104-0012: <https://www.ilga.gov/Documents/Legislation/PublicActs/104/PDF/104-0012.pdf>), the District first engaged in good-faith negotiations with Triton College to expand dual credit offerings. A formal meeting occurred on February 9, 2026; however, the District and

Triton were unable to reach an agreement on the proposed model. Under the Act, Triton had 30 calendar days to provide formal notice of disapproval. As no such notice was received within the required timeframe, the District is now eligible to pursue a partnership with an alternative postsecondary institution.

Since that time, the District has engaged stakeholders to inform planning and gauge interest. District and building leadership met with staff on March 9, rising juniors on March 11, and parents on March 19. Approximately 80% of students in attendance expressed interest in participating in the program. The parent meeting was livestreamed and is available on the District's YouTube channel (<https://www.youtube.com/@pthsd209>), and a follow-up survey has been distributed to support planning for the 2026–2027 school year.

This initiative aligns with the District's Strategic Plan by expanding equitable access to rigorous, relevant, and college-level learning opportunities. The onsite Dual Degree model strengthens the District's commitment to "Equity, Excellence, and Relevance for All" by removing barriers to participation and ensuring students can access postsecondary opportunities within their high school environment. The program supports the 5Essentials framework by fostering a Supportive Environment through embedded academic and social supports, advancing Ambitious Instruction through access to college-level coursework, and demonstrating Effective Leadership through strategic partnerships and long-term capacity building.

Administration Analysis:

The proposed shift to an onsite Dual Degree program represents a strategic evolution of the District's early college programming. While the current Triton model has produced successful outcomes for a small cohort of students, it has also presented limitations in scalability, access, and the District's ability to provide real-time academic support.

The onsite model, in partnership with Dominican University, is designed to address these challenges by bringing college-level instruction directly to PMSA. This approach allows the District to embed comprehensive wraparound supports into the school day, including academic tutoring, structured study groups, English Learner services, IEP and 504 accommodations (aligned with university standards), and ongoing academic advising. Additionally, the partnership will focus on credentialing District teachers to deliver dual credit coursework, supported by a co-teaching model and university-aligned professional development. This structure not only ensures instructional quality and alignment with postsecondary expectations but also builds internal capacity and sustainability over time.

The program also provides a more seamless pathway for students beyond the Associate Degree by aligning with a university partner that can support bachelor's and graduate-level transitions. Importantly, the District will maintain its commitment to current Triton students, ensuring continuity through their graduation in 2028, while gradually transitioning to the new model.

Equity Impact: The onsite Dual Degree program significantly expands equitable access to early college opportunities by eliminating barriers related to transportation, scheduling, and external campus requirements. By embedding the program within PMSA, all students—regardless of background—have increased access to rigorous postsecondary coursework and the supports necessary to succeed.

Student Impact: Students will benefit from increased access to college-level coursework, the ability to earn an Associate Degree while remaining connected to their high school community, and enhanced academic supports tailored to their needs. This model promotes higher levels of college readiness, persistence, and postsecondary success while providing a structured and supported transition into higher education.

Staff Impact: This initiative creates meaningful professional growth opportunities for staff through dual credit credentialing and potential graduate coursework partnerships. Teachers will have the opportunity to teach college-level courses, engage in co-teaching models with university faculty, and participate in ongoing professional learning aligned with postsecondary expectations. Future higher decisions will be made for any current vacancies to pursue candidates that meet requirements to teach dual credit coursework. When implemented for 2026-2027, this may impact voluntary or involuntary transfers for teachers that are currently dual credit certified for a course that aligns with the potential course offerings Dominican has for their associates degree. Student and parent interest for this program will dictate the number of dual credit certified teachers needed. If that demand is greater than our current staff, those teachers at PMSA will be paired with a Dominican Professor using a co-teaching model.

Financial Impact: The total cost of the program is estimated to not exceed \$500,000 annually if all eligible PMSA students (up to approximately 212 students) participate. The program will be funded through local District funds. The proposed partnership with Dominican University provides a significantly more cost-effective model compared to traditional university tuition, while also allowing for flexible delivery models (District-taught, co-taught, or university-taught) to manage costs and scale implementation over time.

	AA Taught at PMSA by D209 Staff	AA Taught at PMAS by DU Faculty	AA Taught at PMAS by D209 & DU Faculty	Co- at Current AA Taught at DU by DU Faculty
Price per D209 students per course	\$190.50	\$265	\$225	\$1,333.33

Total price to complete AA degree	\$4,000	\$5,565	\$4,725	\$28,000
Savings	86%	80%	83%	0%

The projected cost of the onsite Dual Degree program will vary based on the number of participating students, students' college-readiness levels, and the instructional delivery model ultimately used. At full scale, if the entire rising junior cohort at PMSA were to participate, the total annual cost would not exceed approximately \$500,000, funded through local District resources. It is important to note that this figure represents a planning ceiling rather than the anticipated cost during the initial implementation year.

The District has intentionally designed this model to build long-term internal capacity while reducing overall program costs over time. Under the proposed Dominican University partnership, the total cost for a student to complete an Associate Degree is estimated to range from approximately \$4,000 if taught by District 209 staff, \$4,725 if co-taught by District and Dominican University faculty, and \$5,565 if taught by Dominican University faculty. This stands in contrast to the current university-delivered model, which is estimated at approximately \$28,000 per completed Associate Degree. As a result, the proposed model reflects a cost savings of approximately 80% to 86% per student, depending on the instructional delivery approach.

In addition to the cost per degree, it is critical to consider the total cost of the District's current Dual Degree partnership with Triton College. For the 2026–2027 school year, the program cost is estimated at approximately \$240,000 to support up to 42 students.

Beyond tuition, the District also incurs additional expenses due to the off-campus nature of the program. Students attending Triton full-time require transportation and access to meals during the school day. To ensure equitable access, the District provides meal voucher cards at an estimated cost of up to \$1,600 per student annually, contributing to a total projected cost of approximately \$259,200 across participating students.

When transportation, meals, and operational logistics are considered, the total per-student cost of the Triton model increases significantly. By comparison, the proposed onsite model eliminates many of these additional costs. Delivering coursework at Proviso Math and Science Academy removes the need for daily transportation, eliminates meal voucher expenses, and allows students to remain within the structure of the school day. This not only reduces operational costs but also increases instructional time and access to embedded supports. Furthermore, as more District teachers become dual credit credentialed, the reliance on university faculty will decrease, further improving cost efficiency.

Ultimately, the proposed Dominican University partnership represents a more sustainable and scalable investment. It allows the District to significantly expand access to early

college opportunities—from a limited cohort to potentially over 200 students—while reducing the overall cost per student and maintaining high academic rigor, strong student supports, and alignment with the District’s long-term strategic goals.

Communication: The District has already initiated communication with key stakeholder groups, including staff, students, and parents, through in-person meetings and virtual engagement. Ongoing communication will include updates to families, continued outreach to students, and collaboration with building leadership to support scheduling and program implementation for the 2026–2027 school year. All families of rising juniors will be required to complete the interest survey to determine our staffing needs.

Statute, Administrative Policy or Board Rules Statement:

This proposal aligns with several Board of Education policies governing curriculum, instruction, and student learning opportunities. Board Policy 6:60 (Curriculum Content) affirms the District’s responsibility to provide comprehensive instructional programming, including coursework in core academic areas and vocational education, ensuring students are prepared for college and career success. Board Policy 6:310 (High School Credit for Non-District Experiences) further authorizes students to earn credit through college-level coursework and dual credit opportunities, including partnerships with postsecondary institutions, with approval from the Superintendent or designee. This work is also consistent with Board Policy 6:30 (Organization of Instruction), which supports the development of instructional programs that expand access to rigorous and relevant learning experiences for all students.

This initiative is further grounded in the requirements of the Dual Credit Quality Act (Public Act 104-0012), which mandates that school districts first engage in good-faith negotiations with their local community college district prior to pursuing an alternative postsecondary partner. Following the District’s meeting with Triton College on February 9, 2026, and the expiration of the statutory 30-day response window without formal disapproval, the District is permitted under the Act to establish a partnership with an alternative postsecondary institution that meets all statutory requirements. This proposal reflects full compliance with State law while advancing the District’s commitment to expanding equitable access to high-quality dual credit and dual degree opportunities.

Proviso Township High School District 209

To: Proviso Township High School District 209 Board of Education

From: Mr. Krish Mohip, Superintendent of Schools
Dr. Alexander Aschoff, Deputy Superintendent of Academics

Agenda Topic: Student Information System Renewals

Expected Outcome: Information

Staff Contacts: Mr. Swanson, IT Director; Ms. Lee, Technology Integration Coordinator

Title: PowerSchool Student Information System Renewal Contract

Purpose: The purpose of this item is to seek Board approval to renew the District's contract with PowerSchool for its Student Information System (SIS) and related platforms for the 2026–2027 school year to ensure continuity of critical data systems, instructional tools, and operational supports.

Background:

Proviso Township High Schools District 209 has utilized PowerSchool's suite of tools for over a decade to support student information management, instructional delivery, and data-driven decision-making. The platform serves as the District's primary system for managing student enrollment, attendance, grading, scheduling, and communication with families.

In addition to the core SIS, the District has expanded its use of PowerSchool to include Schoology Learning Management System (LMS), hosting services, and integrated tools that support teaching, learning, and operational efficiency. For the 2026–2027 school year, the District will continue these services and formally include PowerSchool Ecollect Forms to enhance digital workflows related to registration and fee collection.

This renewal aligns with the District's Strategic Plan, specifically Goal #2: *All students will have access to engaging, high-quality, equitable, and relevant instruction.* The PowerSchool platform supports Ambitious Instruction and Supportive Environment by

providing real-time access to student data, instructional resources, and communication tools.

Administration Analysis:

The Educational Services and Technology teams have reviewed the District's current use of PowerSchool systems and determined that they remain essential to daily operations. These tools are deeply embedded in instructional practices, student data management, and family engagement.

PowerSchool SIS serves as the backbone of student information management, while Schoology supports instructional delivery and digital learning. The inclusion of Ecollect Forms enhances operational efficiency by streamlining registration and fee collection processes, reducing reliance on paper-based systems.

Additionally, the updated renewal includes expanded storage capacity within the system to support digital document management, ensuring the District can continue to scale its use of electronic records efficiently and securely.

Maintaining these systems ensures stability, avoids disruption to instruction and operations, and supports continued growth in data-informed decision-making.

Equity Impact: PowerSchool platforms provide equitable access to student information, instructional resources, and communication tools for all students and families. These systems enable early identification of student needs and support targeted interventions, helping to close opportunity gaps. The use of Ecollect Forms further promotes equitable access by simplifying and standardizing registration and payment processes.

Student Impact: Students benefit from personalized learning experiences supported through Schoology. PowerSchool's Student Information System (SIS) allows students to monitor their academic progress, check grades, and stay organized with upcoming assignments and deadlines. Parents and guardians also benefit from increased transparency and engagement through the SIS, as it provides real-time access to attendance, grades, and progress reports—supporting stronger school-home partnerships. This allows parents to have engaged and meaningful conversations with their student about their child's progress and performance.

Staff Impact: Renewing these tools allows educators to maintain consistent workflows in planning, instruction, and assessment. Staff members use these systems daily to track student progress, communicate with families, and manage classroom activities. The continued availability of these tools reduces disruptions and maximizes instructional time, while allowing teachers to focus more on teaching and less on administrative tasks. Renewing the platform ensures continuity in workflows, minimizes disruption, and allows staff to focus on instruction rather than system transitions.

Financial Impact: The total cost of the PowerSchool renewal for the 2026–2027 school year is \$115,028.53, funded through local District funds and applicable grant sources.

This cost includes licenses and subscription fees for:

- PowerSchool SIS Maintenance and Support
- PowerPack (SIS On-Prem Subscription)
- PowerSchool SIS Hosting and SSL Certificate
- PowerSchool SIS Hosting
- Schoology LMS Subscription
- PowerSchool Ecollect Forms SaaS
- PS SIS 100 GB Additional Storage for Document Attachments

The updated quote reflects a more cost-effective renewal than originally projected, while maintaining and enhancing system functionality. This demonstrates responsible fiscal management while continuing to invest in critical infrastructure that supports instruction and operations.

Communication: The district will communicate the renewal internally to staff and externally to stakeholders through appropriate channels, reinforcing our commitment to technology-supported learning and data-informed decision-making.

Statute, Administrative Policy or Board Rules Statement:

This purchase aligns with Board Policy 4:50 (Payment Procedures), which requires Board review and approval of expenditures. Additionally, the use of PowerSchool systems supports Board Policy 6:60 (Curriculum Content) by ensuring access to instructional tools and data systems necessary for delivering comprehensive educational programming, and Board Policy 6:30 (Organization of Instruction), which supports the use of systems that enhance instructional delivery and student support.

BOARD OF EDUCATION

2:220 Board of Education Meeting Procedure

Agenda

The Board President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board of Education action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Board members to the Superintendent or the President shall be placed on the agenda for an upcoming meeting. District residents may suggest inclusions for the agenda.^{Q1} The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board of Education member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of Board of Education Meetings*.

The Board President shall determine the order of business at regular Board of Education meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board of Education, with a quorum being present, a majority of the votes cast shall determine its However, a meeting to consider an increase in compensation to a specific employee of a public body that is subject to the Local Government Wage Increase Transparency Act may not be closed and shall be open to the public and posted and held in accordance with [the Open Meetings Act]. [5 ILCS 120/2\(c\)](#) (1), amended by P.A. 99-646.. A vote of “abstain” or “present,” or a vote other than “yea” or “nay,” or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of “abstain” or “present,” or a vote other than “yea” or “nay,” or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence of casting votes shall be alphabetical by last name with the Board President voting last.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote^{Q2} shall be taken and entered in the Board’s minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Any Board of Education member may request that his or her vote be changed before the President announces the result.

Any Board member may include a written explanation of his/her vote in the District file containing individual Board member statements; the explanation will not be part of the minutes.

Minutes

The Board Secretary shall keep written minutes of all Board of Education meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board of Education members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted "yea" and "nay";
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, the members making the motion and the second;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board of Education for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board of Education member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained within the District's main office.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board of Education constitutes a quorum. Provided a quorum is physically present, a Board member, provided he or she has received permission from the Board President, may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, ~~or~~ (4) unexpected childcare obligations, or (5) performance of active military duty as a service member. [PRESSPlus1](#) If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President of the request and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the President nor Vice President are present or able to perform this determination, the Superintendent

shall serve as the duly authorized designee for purposes of making this determination.

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

BOARD OF EDUCATION

2:250 Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.

Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and assume all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the delegated action ~~that was delegated~~.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District. The District's public records do not include junk mail. [PRESSPlus1](#)

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. Email requests must include the entirety of the request within the body of the email and not as an attachment or hyperlink. [PRESSPlus2](#) The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; ~~or~~
3. Complying with the request would be unduly burdensome; ~~or~~
4. The request would require the District to open electronically attached files or hyperlinks to view or access details of a request. In that case, the requester shall be notified within five business days that the entirety of the electronic request must appear within the body of the electronic submission; or

5. The District has a reasonable belief that the request was not submitted by a person, and the requester fails to verify orally or in writing that they are a person within 30 days of the District's request for such verification. [PRESSPlus3](#)

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The Complaint Manager may first attempt to resolve complaints without resorting to this grievance procedure if deemed appropriate. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. Any person filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to

this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parent(s)/guardian(s)); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed. In the case of a complaint against the Superintendent, the Board President shall receive the complaint. The Board President shall immediately provide all members of the Board of Education and legal counsel of the Board of Education said complaint verbatim, and shall direct legal counsel for the Board of Education to take any and all actions deemed advisable based upon the complaint and prior to the Board of Education being able to meet to discuss said complaint.

The Board of Education shall determine the appropriate person(s) or entity(ies) to investigate the complaint on its behalf and to direct the manner in which the complaint will be investigated. The Board of Education will determine the merits of any complaint against the Superintendent.

With respect to complaints against the Superintendent, the Board of Education shall strive to make a determination regarding the complaint within sixty (60) days of its filing. If additional time is needed, the Board of Education will notify the complainant of the need for additional time. The decision of the Board of Education with respect to a complaint against the Superintendent shall be final and not subject to further appeal before it.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager or designee shall process and review the complaint under Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

For any complaint alleging sex discrimination that, if true, would implicate Title IX of the Education Amendments of 1972 ([20 U.S.C. §1681](#) *et seq.*), the Title IX Coordinator or designee shall process and review the complaint under Board policy 2:265, *Title IX Grievance Procedure*.

For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the

complaint under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint according to that policy, in addition to any response required by this policy, and shall consider whether an investigation under Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, should be initiated.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years or age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time from the Superintendent.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall provide his or her written decision to the Complainant and the accused as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board of Education by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board of Education.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall provide its written decision to the Complainant and the accused, as well as to the Complaint Manager. This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance

procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Superintendent shall appoint a Title IX Coordinator to coordinate the District's efforts to comply with Title IX.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, each of a different gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator, Title IX Coordinator, and the Complaint Managers. The Superintendent or designee shall ensure that students, parents/guardians, employees, and members of the community are informed of the contact information for the District's Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers on an annual basis.

PERSONNEL

5:30 Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board of Education policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. The Superintendent may select personnel on a short-term basis for a specific project or emergency condition before the Board of Education's approval. No individual will be employed who has been convicted of a criminal offense listed in [105 ILCS 5/21B-80](#)(c). Members of the Board of Education shall refrain from making hiring suggestions and recommendations to District employees involved in the hiring process. However, this shall not restrict any Board Member from debating or discussing the potential hire of any candidate at a properly noticed meeting of the Board of Education or any of its committees for that purpose.

All applicants must complete a District application in order to be considered for employment. No individual shall begin full time, part time, club, stipend-compensated work, or any other work until receiving written approval from the Office of Human Resources. Any individual who is found to be in violation will be subject to disciplinary consequences including suspension and forfeiture of payment. It is the responsibility of the individual who has sought employment to ensure that official approval from the Office of Human Resources has been granted prior to beginning any type of employment.

Supervisors of clubs, activities, athletics, and departmental and building administrators are responsible for monitoring, supervising and ensuring that all persons have appropriate clearance from the Office of Human Resources to work before they allow any individual to begin service.

While volunteers are not paid employees of the District, these approval guidelines, as well as policy 6:250 *Volunteers*, will also apply to all volunteers.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction

record confidential and share it only with the Superintendent, appropriate Intermediate Service Center Executive Director, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in [105 ILCS 5/21B-80](#) or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of ~~any~~ such examination. [PRESSPlus1](#)

5:50 Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition

All District workplaces are drug- and alcohol-free workplaces.

An employee is *on call* when the District schedules the employee with at least 24 hours' notice to be on standby or otherwise responsible for performing employment-related tasks either at the District or another location previously designated by the District. [PRESSPlus1](#) All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being *on call* for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance, or being impaired by or under the influence of any illegal substance or any detectible use of any illegal substance regardless of when or where the use occurred.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectible, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, [105 ILCS 5/22-33](#). The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

For purposes of this policy, *District premises* means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school

athletic event, or other school-sponsored or school-sanctioned events or activities. *School grounds* means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted.
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.
6. Remind employees that policy 6:60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco has the meaning provided in [105 ILCS 5/10-20.5b](#).

Cannabis has the meaning provided in the CRTA, [410 ILCS 705/1-10](#).

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Disclaimer

The Board reserves the right to interpret, revise or discontinue any provision of this policy pursuant to the **Suspension of Policies** subhead in policy 2:240, *Board Policy Development*.

5:250 Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent it does not conflict with an applicable collective bargaining agreement or individual contract; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Sabbatical Leave, Personal Leave, Maternity Leave, Extended Leave of Absence, Leave of Absence for Advanced Study, Leave of Absence

Please refer to the current Agreement between Board of Education, Proviso Township High Schools District No. 209, Cook County, Illinois and Proviso Teachers Union Local 571, American Federation of Teachers, AFL-CIO.

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, [20 U.S.C. §2601 et seq.](#)) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, spouse, [PRESSPlus1](#) domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will

not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or

household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 ([29 U.S.C. §2601](#) *et seq.*).

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Leaves to Serve as an Officer, Trustee, or Representative of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) up to twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with [105 ILCS 5/24-6.3](#), (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in [105 ILCS 5/24-6.2](#), and (4) up to 10 days of paid leave per school term for teachers elected to represent a statewide teacher association in federal advocacy work in accordance with [105 ILCS 5/24-3.5](#).

COVID-19 Paid Administrative Leave

When applicable, paid administrative leave related to COVID-19 will be granted to eligible employees in accordance with State law.

Family Neonatal Intensive Care Leave [PRESSPlus2](#)

An unpaid leave from work is available to any staff member whose child [PRESSPlus3](#) is a patient in a neonatal intensive care unit (NICU) in accordance with the requirements of the Family Neonatal Intensive Care Leave Act. STUDENTS

7:50 School Admissions and Student Transfers To and From Non-District Schools

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent.

Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Building Principal shall immediately notify the local law enforcement agency and shall also notify the person enrolling the student in writing that, unless he or she complies within 10 days, the case shall be referred to the local law enforcement authority for investigation. If compliance is not obtained within that 10-day period, the Principal shall so refer the case. The Principal shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations, Immunizations, and Exclusion of Students*.

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U.S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment

and transfer of records of students in the legal custody of the Illinois Department of Children and Family Services (DCFS) when enrolling in or changing schools. The District's liaison ensures that DCFS' Office of Education and Transition Services receives all written notices and records pertaining to students in the legal custody of DCFS as required by State law.

Student Transfers To and From Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

Foreign Students

The District accepts foreign exchange students with a J-1 visa and who reside within the District as participants in an exchange program sponsored by organizations screened by administration. Exchange students on a J-1 visa are not required to pay tuition.

Privately sponsored exchange students on an F-1 visa may be enrolled if an adult resident of the District has temporary guardianship and the student lives in the home of that guardian. Exchange students on an F-1 visa are required to pay tuition at the established District rate. F-1 visa student admission is limited to high schools and attendance may not exceed 12 months.

The Board of Education may limit the number of exchange students admitted in any given year. Exchange students must comply with District immunization requirements. Once admitted, exchange students become subject to all District policies and regulations governing students.

Re-enrollment

Re-enrollment shall be denied to any individual 19 years of age or above who has dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his or her 21st birthday. However, at the Superintendent's or designee's discretion and depending on program availability, the individual may be enrolled in a graduation incentives program established under [105 ILCS 5/26-16](#) or an alternative learning opportunities program established under [105 ILCS 5/13B-1](#) (see 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*). Before being denied re-enrollment, the District will offer the individual due process as required in cases of expulsion under policy 7:210, *Expulsion Procedures*. A person denied re-enrollment will be offered counseling and be directed to alternative educational programs, including adult education programs that lead to graduation or receipt of a GED diploma. This section does not apply to students eligible for special education under the Individuals with Disabilities Education Improvement Act or accommodation plans under the Rehabilitation Act, Section 504.

STUDENTS

7:100 Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students

Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering the ninth grade; and
2. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required for students in grade 12.

As required by State law:

1. The required health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.
3. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.
4. The District will provide informational materials regarding influenza and influenza vaccinations developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parents/guardians.

Unless an exemption or extension applies, the failure to comply with the above requirements by the first day of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. New students who register after the first day of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required immunization by the first day of school, the student must present, by the first day of school, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, advanced practice registered nurse, physician assistant, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by the first day of school may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. If the

required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Eye Examination

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parents/guardians of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

If a student fails to present proof by October 15, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination

All children in ninth grade must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected.
2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.
3. Eye examination requirement, if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
4. Dental examination requirement, if the student's parents/guardians show an undue burden or a lack of access to a dentist.

Homeless Child

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce immunization and health records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, governs the enrollment of homeless children.

7:240 Conduct Code for Participants in Extracurricular Activities

The Building Principal, using input from coaches and sponsors of extracurricular activities, shall develop a conduct code for all participants in extracurricular activities consistent with Board policy and the rules adopted by any association in which the School District maintains a membership. The conduct code shall: (1) require participants in extracurricular activities to conduct themselves as good citizens and exemplars of their school at all times, including after school, on days when school is not in session, and whether on or off school property; (2) emphasize that hazing and bullying activities are strictly prohibited; and (3) notify participants that failure to abide by it could result in discipline, up to and including removal from the activity. Participants who violate the conduct code will be allowed to give an explanation before being progressively disciplined. The conduct code shall be reviewed by the Building Principal periodically at his or her discretion and presented to the Board of Education.

Participants in extracurricular activities must abide by the conduct code for the activity and Board policy 7:190, *Student Behavior*. All coaches and sponsors of extracurricular activities shall annually review the conduct code with participants and provide participants with a copy. In addition, coaches and sponsors of interscholastic athletic programs shall provide instruction on steroid abuse prevention to students in grades 9 through 12 participating in these programs.

Performance Enhancing Drug Testing of High School Student Athletes

The Illinois High School Association (IHSA) prohibits participants in an athletic activity sponsored or sanctioned by IHSA from ingesting or otherwise using any performance enhancing substance on its banned substance list, without a written prescription and medical documentation provided by a licensed physician who evaluated the student-athlete for a legitimate medical condition. IHSA administers a performance-enhancing substance testing program. Under this program, student athletes are subject to random drug testing for the presence in their bodies of performance-enhancing substances on the IHSA's banned substance list. In addition to being penalized by IHSA, a student may be disciplined according to Board policy 7:190, *Student Behavior*.

7:260 Exemption from Physical Activity

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.

Special activities in physical education will be provided for students whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents their participation in the physical education courses.

State law prohibits a school board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

1. He or she (a) is in grades 9-12, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or
2. He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Superintendent or designee.

A student requiring adapted physical education must receive that service in accordance with his or her Individualized Educational Program/Plan (IEP).

A student in grades 9-12, unless otherwise stated, may submit a written request to the Building Principal to be excused from physical education courses for the reasons stated in 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students*.

The Superintendent or designee shall maintain records showing that the criteria set forth in this policy were applied to the student's individual circumstances, as appropriate.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

1. The time of year when the student's participation ceases;
2. The student's class schedule; and

3. The student's future or planned additional participation in activities qualifying for substitutions for physical education as outlined in policy 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students*.

COMMUNITY RELATIONS

8:90 Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine District Board [PRESSPlus1](#) policy, the Board of Education welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, or a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has bylaws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members, including on any organization or club websites or social media accounts.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school must be in compliance with Board Policy 8:80 regarding "*Gifts to the District*".

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Communications To and From the Board

2:140-E Exhibit - Guidance for Board Member Communications, Including Email Use

The Open Meetings Act (OMA) requires the Board of Education to discuss District business only at a properly noticed Board meeting. [PRESSPlus1](#) 5 ILCS 120/. Other than during a Board meeting, a majority or more of a Board quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This guidance assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Note: *Public records* stored by board members on personal devices (i.e., texts) or personal email accounts pose significant logistical and administrative challenges for public record preservation and certain FOIA requests. It is therefore a best practice for board members to utilize District-issued devices or District-issued email addresses for electronic communications that qualify as public records under the Freedom of Information Act (FOIA) or the Local Records Act (LRA). For that reason, the examples in this guidance focus primarily on board member email use and District-issued devices.

Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a do not reply all/forward alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."** Alternatively, the Superintendent may blind carbon copy (bcc) all other board members (preventing them from replying to all) and include a similar alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. Only reply to the sender."**
2. Board members are permitted to discuss any topic other than District business with each other, whether in person or by telephone, email, text, or other electronic means, regardless of the number of members participating in the discussion. For example, they may discuss sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone, email, text, or other electronic means, that relates to District business but is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone, email, text, or other electronic means. Stated another way, a Board member may discuss District business in person or by telephone, email, text, or other electronic means with only one other Board member at a time.

5. A Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls, emails, texts, or other electronic communications to, Board members individually.
6. A Board member should include a do not reply all/forward alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: **“BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.”** Alternatively, the board member may bcc the other board members and include a similar alert to the other board members, such as **“BOARD MEMBER ALERT: This email is not for interactive discussion purposes. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. The recipient should not reply to it or forward it to another individual.”**
7. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a public record as defined by FOIA, unless a specific exemption applies. A *public record* is any recorded information “pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body.” 5 ILCS 140/2, amended by P.A. 104-438. Public records do not include *junk mail*. Junk mail includes unsolicited commercial electronic communications sent to the District that it does not respond to. Id. Email or other electronic communications sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a public record (unless a FOIA exemption is applicable).

If a Board member uses a District-provided device or email address to discuss public business, the electronic communication is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

First, the communication pertains to the transaction of public business, and

Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill. App. Ct. 2013).

The following examples describe FOIA’s treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
 - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work would not be a public record. Individual Board members, alone, cannot conduct school District business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
 - b. Sent and/or received by an individual Board member on a District-issued device or

District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.

- c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
- d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District's possession.
- e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District's possession because Board members were functioning collectively as a public body.

The District's Freedom of Information Officer and/or Board Attorney will help determine whether a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Electronic communications that qualify under FOIA as *public records* will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the District's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District, and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any electronic communication concerning a topic that is being litigated without obtaining the Board Attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally advise their clients at the beginning of a legal proceeding that they must not destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4.

14. Consent Agenda

A. Approval of Proviso East Ansul System

148

Proviso Township High School District 209

To: Proviso Township High School District 209 Board of Education

**From: Mr. Krish Mohip, Superintendent
Dr. Alvarez, Deputy Superintendent of Operations**

Agenda Topic: Proviso East Kitchen Ansul System

Expected Outcome: Information

Staff Contacts:

L.T. Taylor, Director of Buildings & Grounds

Title: Kitchen Ansul System

Purpose: An ANSUL system is a specialized fire-suppression system installed above cooking equipment and inside ventilation hoods to detect and extinguish grease fires. When excessive heat is detected, the system automatically releases a wet chemical agent through nozzles to quickly put out flames, cool hot surfaces, and prevent the fire from reigniting. During emergencies the system is designed to shut off gas or electrical power to cooking appliances to stop fueling the fire. Upgrading the system helps ensure the school meets current fire safety codes while protecting students, staff, and the building from potential kitchen fires

Background: The ANSUL fire suppression system at Proviso East High School appears to be a minimum of 20 years old and was identified as deficient during inspections conducted by Johnson Controls International. Due to its age and code compliance concerns, upgrades are required to ensure proper operation and safety. The recommended improvements include updating the make-up air wiring connections, electrical components, and gas piping associated with the kitchen equipment and fire suppression system. These upgrades will help bring the system into compliance with current safety standards and ensure the ANSUL system functions properly in the event of a kitchen fire.

Administration Analysis: The ANSUL fire suppression system at Proviso East High School is estimated to be over 20 years old and was identified as deficient during recent inspections conducted by **Johnson Controls**. Due to the age of the system and the deficiencies noted, upgrades are required to ensure compliance with current fire safety codes and operational standards. The recommended improvements include updates to the make-up air wiring, electrical components, and gas piping associated with the kitchen equipment and fire suppression system. Completing these upgrades will enhance system reliability, improve safety conditions, and help maintain compliance with inspection and regulatory requirements.

Equity Impact: Upgrading the ANSUL fire suppression system at Proviso East High School will support a safe and compliant learning environment for all students, staff, and visitors. Ensuring that the kitchen fire suppression system is functioning properly helps protect individuals who rely on school meal services and those working in the cafeteria and kitchen areas. Addressing

[Date of BOE Meeting]

the deficiencies identified by **Johnson Controls** promotes equitable access to safe facilities by maintaining consistent safety standards across the school and reducing potential risks associated with outdated fire protection equipment.

Student Impact: The fire suppression system at Proviso East High School will help ensure a safer environment for students by improving fire protection in the school's kitchen and cafeteria areas. Addressing the deficiencies identified during inspections by **Johnson Controls** will reduce potential safety risks and help maintain reliable operation of the fire suppression system. These improvements support the continued availability of meal services and help protect students, staff, and school property in the event of a kitchen-related fire

Staff Impact: Upgrading the ANSUL fire suppression system at Proviso East High School will improve safety conditions for staff, particularly members of the food service team who work directly with cooking equipment on a daily basis. Addressing the deficiencies identified during inspections by **Johnson Controls** will help ensure the system functions properly in the event of a kitchen fire. These upgrades will reduce potential risks associated with outdated equipment, support compliance with safety standards, and provide staff with a safer and more reliable working environment while preparing and serving meals to students

Financial Impact: The proposed cost for upgrading the ANSUL fire suppression system at Proviso East High School is **\$28,890.79**. This investment will address deficiencies identified during inspections by **Johnson Controls**, including necessary upgrades to the make-up air wiring, electrical components, and gas piping associated with the kitchen fire suppression system. Completing these improvements will help ensure compliance with current safety standards, reduce potential liability, and maintain safe and reliable kitchen operations

Communication: This work is up for information at this point; with a projected action for April 2026.

Board Policy 4:60 *Purchases and Contracts* describe the exceptions to bidding requirements, including that for professional services.

Superintendent's Recommendation:

Date of Board Action: April 14, 2026

B. Approval of District Parking Lot Seal Coat East/West

C. Approval of SY27 Renewal Health Insurance

151

Subject:

SY27 Renewal Rates for Health and Dental Insurance

Background:

The District has approximately 619 employees and 52 retirees participating in its health insurance plans. In accordance with the Affordable Care Act (ACA), employees working 30 or more hours per week are eligible for coverage.

The District operates under a self-funded insurance model, contracting with BlueCross BlueShield (BCBS) as a third-party administrator to process claims. This structure allows the District to benefit from BCBS's negotiated provider discounts while assuming responsibility for claim costs rather than paying fixed premiums.

The District currently offers three (3) health insurance plan options: a Blue Choice Options PPO Plan, a High Deductible PPO Plan with a Health Savings Account (HSA), and a Blue Advantage HMO Plan.

Administration's Analysis:

Administration met with the Insurance Committee on April 7, 2026, to review factors impacting the SY27 renewal. The District experienced a 17% increase in enrollment, along with a rise in high-cost claimants (15 in the current year compared to 11 in the prior year, with 10 expected to continue into the next plan year). These claims involve complex and high-cost medical conditions, placing increased pressure on overall plan costs.

As a result, the District is projecting:

- An 11.3% increase in expected fixed costs and claims liability (approximately \$15.35 million)
- A 13.0% increase in maximum liability (approximately \$18.28 million)

The Wellness Incentive Program will now be Marquee and is compliant with wellness program regulations and the Americans with Disabilities Act (ADA). This will offer gift cards.

Administration's Recommendation:

Based on these factors, the Insurance Committee recommends the following for the SY27 renewal:

- Reduce the wellness incentive from \$1,255 to \$1,000

- Implement a 10% increase in health insurance premium rates
- Maintain current dental, vision (voluntary), and Teladoc benefits with no changes
- Accept a projected 20% increase in stop-loss coverage

It is recommended that the Board of Education of Proviso Township High Schools District 209 approve the proposed renewal rates and plan adjustments as presented. The final recommendation will be brought forward for approval at the April 14, 2026, Board Meeting.

D. Approval of Donation from the Class of 1970

E. Approval of Subject Credit Recovery Contract

154

Proviso Township High School District 209

To: Proviso Township High School District 209 Board of Education

From: Krish Mohip, Superintendent

Agenda Topic: Subject Credit Recovery Platform

Expected Outcome: Action

Staff Contacts: Dr. Jennifer Kirmes, Deputy Superintendent of School Improvement

Title: Subject Credit Recovery Contract

Purpose:

The purpose of this memo is to request the Board of Education's approval to enter a one-year contract with Subject, an online instructional platform proposed for use in District 209's credit recovery and alternative learning programming.

Background:

In response to these persistent challenges with Edgenuity—including ease of cheating through AI tools, outdated and unengaging content, limited bilingual support, and insufficient scaffolds for struggling learners—the district formed the Credit Recovery Task Force. The task force is composed of more than 20 teachers representing Proviso East, Proviso West, and PMSA. Over the past several months, members met four times to examine the district's needs, review detailed product demonstrations, test platforms hands-on with students, and apply a comprehensive scoring rubric. Their charge has been to analyze the root causes of inconsistent outcomes across buildings, identify essential features for an effective credit recovery program, and recommend a platform capable of delivering rigorous, equitable, and well-supported instruction for all learners.

Task Force Scoring Summary:

Across all scoring categories, Subject emerged as the highest-rated option. Reviewers frequently assigned "Excellent" ratings in the areas of content quality, progress monitoring, reporting, multilingual access, and customer service. For example, multiple evaluators gave Subject all "Excellent" ratings across nearly every rubric category, citing its clarity, strength of video instruction, and robust reporting tools. Evaluators commented that Subject provided comprehensive student progress reports, weekly automated parent updates, effective academic integrity controls, and strong technical reliability.

Reviewer Feedback:

Several teachers highlighted Subject’s engaging instructional videos, AI-assisted supports, and real-time tutoring features. One reviewer noted being “impressed with the quality of the videos—interactiveness, length, animation, graphics—and the availability of AI help or live tutors at any time.” Another commented positively on Subject’s comprehensive reports, stating, “There is one comprehensive report for student progress. You don’t have to search in three different areas.” Others emphasized that Subject offered improved individualization for English learners and students with IEPs.

Feedback from other districts (Morton, Fenton, Bremen) currently using Subject reinforced these results. Districts reported increased student engagement, stronger rigor compared to previous platforms, improved teacher oversight, and highly responsive vendor support.

Ongoing Task Force Work:

The Credit Recovery Task Force will continue to meet throughout spring and summer 2026. Their ongoing role includes providing input on implementation planning, developing building-level procedures, ensuring consistency across all schools and programs that use the platform, and advising on staff training and student onboarding. This continued collaboration will help ensure thoughtful, equitable, and effective rollout districtwide.

Administration’s Analysis:

Administration finds that Subject aligns strongly with District 209’s priorities for rigor, accessibility, transparency, and usability. Its strengths in multilingual supports, individualized pathways, and clear progress monitoring will support student success while reducing barriers for historically underserved populations. Its streamlined reporting tools will make it easier for teachers to manage student progress and intervene when necessary.

Equity Impact Statement:

Subject’s multilingual supports, individualized learning paths, accessible instructional videos, and consistent reporting features reduce barriers for English learners, students with disabilities, and students needing flexible pacing. These supports strengthen equity of access and ensure progress is visible and actionable.

Student Impact Statement:

Subject is expected to improve student engagement, completion rates, and mastery of academic content. Features such as on-demand tutoring, multilingual access, and interactive modules further enhance student learning opportunities.

Staff Impact:

Teachers and administrators will benefit from intuitive data dashboards, accessible progress monitoring tools, and streamlined communication features. Vendor-provided training and ongoing support will strengthen implementation and reduce the burden on teaching staff.

Financial Impact:

The vendor's initial cost was \$170,000 for one year. Following some negotiations, the vendor reduced the price to \$150,000 for the year.

Communication Plan:

Communication regarding implementation will occur with administrators, teachers, students, and families. Training plans, onboarding procedures, and support resources will be shared once a contract is approved.

Statute, Administrative Policy, or Board Rules Statement:

In accordance with Board Policy 4:60, anticipated expenditures over \$25,000 require Board approval.

Superintendent's Recommendation:

That the Board of Education of Proviso Township High School District 209 approves the Superintendent's recommendation to enter a one-year agreement with Subject at a total cost of \$150,000.

Date of Board Action: April 14, 2026

If Subject makes the Licensed Content available in a hosted environment,

School, on behalf of itself and all Authorized Users, acknowledges and agrees School and the Authorized Users are responsible for obtaining and maintaining all hardware, software, and services (e.g., telecommunications services, ISP accounts, etc.) required to access the Internet and the Licensed Content.

2. Services. Subject shall provide to School the following “Services”, as may be amended from time to time in accordance with the provisions set forth herein. The specific scope of services shall be detailed below, which is attached to and forms an integral part of this contract. School will provide all necessary and reasonably requested information, direction, and cooperation to enable Subject to provide the Services.
 - Administrative and Academic Support. In an effort to maintain a high level of customer service, Subject shall provide email and live chat support to prospective students, active students, and School instructors serving as the teacher of record for the Subject Curriculum. Such support will include admissions, enrollment, and administrative assistance for students. Students are also able to access our live chat Homework Helper feature for academic assistance. For teachers, it will include technology, process, and general administrative support.
 - Curriculum Development Support and Program Management. For the courses offered as part of the Subject Curriculum, Subject shall provide content, simulations, videos, presentations and other typical online course content developed and owned by Subject that will be reviewed and approved by School faculty and instructors.
 - Technology. Subject will provide, and shall maintain, periodically revise, and host a technology platform for the Subject Curriculum, to serve as an online platform for students, teachers, support coordinators, and other staff and to enable online applications, course delivery, Subject Curriculum communications, and such other functions as are mutually agreed to by the Parties (“**Platform**”). The Platform is (a) designed to enable the effective delivery of Program curriculum and (b) shall be made available to Authorized Users. The Parties agree to negotiate in good faith should School wish to use the Platform for other academic programs offered by School. Subject will be responsible for correction of any errors, bugs, and defects in the Platform within a reasonable period of time.
 - Identity Validation. Subject shall have and maintain processes and mechanisms in place to ensure that each student registering for a course is the same student who participates in the course.
 - Academic and Professional Certification. Upon request by School, Subject shall assist School in providing information to aid in approval of the Subject Curriculum by regulators.
 - Program and Student Evaluation. Subject shall gather ongoing data of Authorized Users to further overall evaluation of the Subject Curriculum, including, but not limited to, student satisfaction with the Subject Curriculum, evaluation of instructors, and such other matters in such form and at such frequency as School may reasonably require.
3. Payments. For the License and Services to be provided hereunder, Subject will be due the payments, as may be amended from time to time in accordance with the provisions set forth herein. Except as otherwise agreed to in writing by the Parties, the Payments are inclusive of and cover the cost of all materials used for the provision of the License and Services. The Payments do not include or otherwise cover any local, state, federal or foreign taxes, levies, or duties of any nature charged to Subject in connection with the provision of the License and Services, excluding only taxes based on Subject’s net income (“**Taxes**”). School is responsible for paying all Taxes. If Subject has the legal obligation to pay or collect Taxes based on School’s or Authorized Users’ use of the License or receipt of the Services, such amount may be invoiced to and will be paid by School to Subject unless School provides Subject with a valid tax exemption certificate authorized by the appropriate taxing authority.
4. Termination.
 - a. Either Party may terminate this Agreement, effective on written notice to the other Party, if the other Party:
 - i. materially breaches this Agreement, and such material breach: (i) is incapable of cure; or (ii) being capable of cure, remains uncured 30 calendar days after the non-breaching Party

- provides the breaching Party with written notice of such breach; or
 - ii. becomes insolvent or admits its inability to pay its debts generally as they become due; becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law; is dissolved or liquidated or takes any corporate action for such purpose; makes a general assignment for the benefit of creditors; or has a receiver, trustee, custodian or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business.
 - iii. Subject may terminate this Agreement, effective on written notice to the School, if the School loses any accreditation, state authorization, or other licensure or certification necessary to perform the obligations required by this Agreement.

- 5. Effect of Expiration or Termination. Upon expiration or termination of this Agreement for any reason, all rights and licenses granted to School under this Agreement shall immediately terminate and School and all Authorized Users shall immediately cease all access, use, or display of the Licensed Content and purge any copies of the Licensed Content. School shall reasonably assist in (i) ensuring Authorized Users purge any copies of the Licensed Content upon termination of this Agreement and (ii) preventing Authorized Users from accessing Licensed Content following termination of this Agreement. Subject shall promptly deliver to School all documents, work product, and other materials, whether or not complete, prepared by or on behalf of Subject in the course of performing the Services. Any payments owed to Subject, up to and including the effective date of such termination, shall be due and payable to Subject within 30 calendar days of expiration or termination of this Agreement for any reason.

- 6. Academic Integrity.
 - a. Notwithstanding the terms of this Agreement, School at all times shall retain ultimate authority and power over each and every one of the discretionary functions that are necessary attributes of a duly authorized educational institution offering secondary programs and instruction, as more particularly described and defined as follows: (i) strategic planning and other advisory functions; (ii) approving the curriculum and content of School’s educational programs; (iii) setting admission standards and criteria and determining the admissibility of individual students; (iv) developing academic policies and procedures; (v) approving and appointing instructors who hold teaching credentials required by applicable law; (vi) assigning grades of record, awarding and recording academic credit and credentials, and maintaining student transcripts and other permanent records; (vii) obtaining and maintaining all accreditations, approvals, registrations, permits, or licenses required under applicable law or by any educational agency or governmental authority in connection with School’s secondary programs and instruction; (viii) establishing and enforcing academic policies and requirements; (ix) performing all other core academic functions; and (x) overseeing and establishing standards for Subject’s provision of services to School.
 - b. Nothing in this Agreement is intended, or should be interpreted to, obligate Subject to provide any services that would result in Subject or any employee of Subject being classified as a “teacher of record” or similar designation. The Parties agree that School and its employees will maintain ultimate responsibility for all functions required of a teacher of record under applicable law, including oversight and approval of course content, assignments, and grades, and that for all purposes, Subject is not a teacher of record.

- 7. Third Party Providers. To the extent School’s or an Authorized User’s access, display, or use of Licensed Content interfaces with software applications or other technology and applications provided by third parties (collectively, “**Third Party Applications**”), School, on behalf of itself and all Authorized Users, agrees to maintain appropriate licenses or permissions from the licensors of the Third Party Applications for School and Authorized Users to use the Third Party Applications during the Term. Subject does not provide any warranties, guaranties or indemnification regarding any Third Party Applications or any third parties or any of their products or services, whether or not such products or services are designated by Subject or anyone else as “partner,” “certified,” “validated” or otherwise. Any exchange of data or other interaction between School, an Authorized User and a third party, and any purchase or license by School or an Authorized User of any product or service offered by a third party, is solely between School or the applicable Authorized User and such third party.

- 8. Confidentiality. All non-public, confidential or proprietary information of each Party (“**Confidential**

Information”), including, but not limited to, information about its business affairs, products, software, application programming interfaces, user interfaces, predictive models, analytics and analytics reporting, intellectual property and trade secrets, specifications, samples, patterns, designs, plans, drawings, documents, data, business operations, lists, pricing, discounts, or rebates disclosed by one Party to the other, whether disclosed orally or disclosed or accessed in written, electronic, or other form or media, or otherwise learned by the recipient Party in connection with this Agreement, and whether or not marked, designated, or otherwise identified as “confidential,” in connection with this Agreement is confidential, solely for use in connection with performing this Agreement and may not be disclosed or copied unless authorized by the disclosing Party in writing. Confidential Information does not include any information that: (a) is or becomes generally available to the public other than as a result of a Party’s breach of this Agreement; (b) is obtained by the recipient Party on a non-confidential basis from a third-party that was not legally or contractually restricted from disclosing such information; or (c) is established by documentary evidence to be in the possession of recipient Party prior to the disclosing Party’s disclosure hereunder. Upon the disclosing Party’s request, the recipient Party shall promptly return all documents and other materials received from the disclosing Party.

9. Data

As part of the services provided under this Agreement, Subject Technologies Inc. shall offer a data consultation service to the School. This service includes a collaborative review of data shared by the School, which may include historical data from previous vendor engagements, for the purpose of benchmarking and strategic planning.

a. Data Anonymization

All data provided by the School for the purposes of the data consultation service shall be de-identified and shall not contain any personally identifiable information (PII) as defined under applicable federal and state privacy laws, including but not limited to FERPA and COPPA.

b. Onboarding and Service Collaboration

School agrees to allocate up to five (5) in-person working days per calendar year for meetings between Subject Technologies Inc. and a designated School representative responsible for overseeing data and analytics. These meetings will be scheduled with mutual consent and used to facilitate meaningful consultation and data review.

c. Purpose and Outcome: The purpose of the data consultation service is to assess and enhance the efficacy of the partnership between Subject Technologies Inc. and the School. This includes evaluating the success of the services delivered, informing continuous improvement, and aligning on measurable impact.

10. Independent Contractor. It is understood and acknowledged that in providing the License and Services, Subject acts in the capacity of an independent contractor and not as an employee or agent of School. Subject shall control the conditions, time, details, and means by which Subject provides the License and Services. Subject has no authority to commit, act for or on behalf of School, or to bind School to any obligation or liability. Subject shall not be eligible for and shall not receive any employee benefits from School and shall be solely responsible for the payment of all taxes, FICA, federal and state unemployment insurance contributions, state disability premiums, and all similar taxes and fees relating to the fees earned by Subject hereunder

11. Intellectual Property for Marketing and Related Purposes.

a. Notwithstanding any prohibition in any nondisclosure or confidentiality agreement signed by the Parties, each Party hereby grants to the other Party (a) a limited and non-exclusive, royalty-free license to use the granting Party’s names, logos, service marks or trademarks (collectively, the “**Marks**”), solely for the performance of each Party’s obligations under this Agreement, and (b) a license to use the granting Party’s name as a reference in the other Party’s marketing and other promotional materials, in each case solely for purposes of performing the other Party’s obligations and exercising the other Party’s rights under this Agreement; provided, however, that the other Party may not use any Mark(s) or otherwise reference the granting Party in any marketing, promotional or other materials, including on websites owned or operated by the other Party, until such uses and materials in whatever form will have been previously submitted to and approved in writing by the granting Party, which approval may be withheld by the granting Party for any reason in its sole discretion. The licenses granted by each Party in this Section 10 will terminate upon the termination of this Agreement or as otherwise expressly agreed to by the Parties in writing.

- b. Upon each Party's reasonable request, the other Party will promptly remove, alter or modify any and all use of the Party's Marks or other references to the Party in any marketing, promotional or other materials, including on websites owned or controlled by the other Party.
- c. Except for what is set forth herein, no rights or licenses with respect to any intellectual property are granted under this Agreement. Each Party will own and retain all right, title and interest in and to its names, logos and service marks, proprietary features and proprietary technology, trade secrets, patents, copyrights, trademarks, and other proprietary rights of any type under the laws of any governmental authority, domestic or foreign, and all modifications thereto, and improvements and derivative works thereof, including, without limitation, rights in and to all applications and registrations relating to any of the foregoing and including, without limitation, any such rights in and to any information or content contributed by such Party to the other Party (collectively, its "**Intellectual Property**"). Notwithstanding anything in this Agreement to the contrary, in the event that one Party modifies, improves or creates derivative works of any of the other Party's Intellectual Property, it shall assign, and does hereby assign, all right, title and interest in and to such modifications, improvements and derivative works to the other Party (i.e., the owner of the Intellectual Property).

12. Compliance with Laws. The Parties agree to materially comply with all applicable international, federal, state and local laws, rules, regulations and ordinances. In particular and without limitation, Subject and School also agree to comply with all applicable regulatory, privacy, data protection, anti-bribery, anti-boycott, anti-terrorism, and export control laws and regulations, and not to discriminate against any employee, applicant, or enrolled student because of any basis protected by law. Each Party has and shall maintain in effect all the licenses, permissions, authorizations, consents, and permits that it needs to carry out its obligations under this Agreement.

13. Representations, Warranties, and Indemnification.

- a. Subject and School each represent and warrant they have the power and authority to enter into this Agreement and perform their obligations under this Agreement. School represents and warrants it has the right and authority to provide Subject with the names and email addresses of the Authorized Users, and that the Authorized Users have expressly consented to School providing their names and email addresses to Subject. School represents and warrants it will not provide any information to Subject about Authorized Users without the prior express consent of the applicable Authorized User(s), and that any information School collects from Authorized Users is done on School's behalf.
- b. Subject to the terms and conditions set forth in this Section 12, each Party (as "**Indemnifying Party**") shall indemnify, hold harmless, and defend the other Party and its officers, directors, affiliates, agents, students, and representatives (collectively, "**Indemnified Party**") against any and all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including professional fees and attorneys' fees, that are awarded against Indemnified Party in a final non-appealable judgment or proceeding (collectively, "**Losses**"), arising out of:
 - i. material breach or non-fulfillment of any representation, warrant, or covenant contained in this Agreement by Indemnifying Party or its personnel;
 - ii. any negligent or more culpable act or omission of Indemnifying Party or its personnel (including any reckless or willful misconduct) in connection with the performance of its obligations under this Agreement; or
 - iii. any failure by Indemnifying Party to comply in all material respects with any applicable federal, state, or local laws, regulations, or codes in the performance of its obligations under this Agreement.

14. Warranties. SUBJECT PROVIDES THE LICENSED CONTENT "AS IS." SUBJECT MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO THE LICENSED CONTENT OR SERVICES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND SUBJECT SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS,

NON-INFRINGEMENT OR OTHERWISE.

15. Limitation of Liability. IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL OR SPECIAL DAMAGES WHATSOEVER INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, BUSINESS INTERRUPTION, LOSS OF OR UNAUTHORIZED ACCESS TO INFORMATION AND THE LIKE, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, EACH PARTY'S AGGREGATE MAXIMUM LIABILITY ARISING FROM OR IN ANY WAY RELATED TO THIS AGREEMENT (WHETHER IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE) SHALL NOT EXCEED THE PAYMENTS ACTUALLY PAID TO SUBJECT DURING THE SIX (6) MONTHS PRECEDING THE DATE OF THE EVENT THAT IS THE BASIS OF THE CLAIM. THIS SECTION SHALL SURVIVE TERMINATION OF THIS AGREEMENT FOR ANY REASON. The foregoing limitations shall not apply to any damages arising out of or in connection with one Party's infringement of the other Party's intellectual property rights.
16. Insurance. With respect to any activity conducted under this Agreement or any subsequently executed amendment hereto, each Party will maintain, at its own cost and expense, adequate and customary required levels (as appropriate and standard) of cyber liability coverage, general public liability insurance, worker's compensation insurance, and property damage to cover each Party's indemnity obligations under this Agreement. Evidence of such insurance shall be provided to the other Party upon request.
17. Injunctive Relief. School acknowledges and agrees the Licensed Content contains the copyrighted material of Subject, the unauthorized use, display or disclosure of which would irreparably harm Subject. Accordingly, School agrees that in the event of an actual or threatened unauthorized use, display or disclosure of all or a portion of the Licensed Content by School or an Authorized User, Subject shall be entitled to and should receive expedited injunctive relief from a court of competent jurisdiction enjoining such unauthorized use, display or disclosure without Subject having to prove irreparable harm or post a bond. Further, School acknowledges that money damages may not be a sufficient remedy for any breach or threatened breach of Sections 1 or 8 by the School or its representatives. Therefore, in addition to all other remedies available at law (which Subject does not waive by the exercise of any rights hereunder), Subject shall be entitled to seek specific performance and injunctive and other equitable relief as a remedy for any such breach or threatened breach, and School hereby waives any requirement for the securing or posting of any bond or the showing of actual monetary damages in connection with such claim. In the event that Subject institutes any legal suit, action, or proceeding against the other Party arising out of or relating to this Section 16, Subject shall be entitled to receive in addition to all other damages to which it may be entitled, the costs incurred by Subject in conducting the suit, action, or proceeding, including attorneys' fees and expenses and court costs.
18. Non-Solicitation.
- a. Each Party agrees that during the Term and for a period of one year after the expiration or earlier termination of the Term, without obtaining the prior written consent of the other Party, neither such Party nor any of its affiliates or Representatives (each, a "**Restricted Person**") shall directly or indirectly, for itself or on behalf of another person or entity solicit for employment or otherwise induce, influence, or encourage to terminate employment with the other Party or any of its affiliates or subsidiaries, or employ or engage as an independent contractor, any current or former employee of the other Party (each, a "**Covered Employee**"), except (i) pursuant to a general solicitation through the media or by a search firm, in either case, that is not directed specifically to any employees of the other Party, unless such solicitation is undertaken as a means to circumvent the restrictions contained in or conceal a violation of this Section 17.a, or (ii) if the other Party terminated the employment of such Covered Employee before the Restricted Person having solicited or otherwise contacted such Covered Employee or discussed the employment or other engagement of the Covered Employee.
 - b. The Parties agree that the duration, scope, and geographical area of the restrictions contained in this Section 17 are reasonable. Upon a determination that any term or provision of this Section 17 is invalid, illegal, or unenforceable, the court may modify this Section 17 to substitute the maximum duration, scope, or geographical area legally permissible under such circumstances to the greatest extent possible

to effect the restrictions originally contemplated by the Parties hereto.

19. General.

- a. *Further Assurances.* Each of the Parties hereto shall use commercially reasonable efforts to, from time to time upon request, furnish the other Party such further information or assurances, execute and deliver such additional documents, instruments, and conveyances, and take such other actions and do such other things, as may be reasonably necessary to carry out the provisions of this Agreement and give effect to the transactions contemplated hereby.
- b. *Notices.* Each Party shall deliver all communications in writing either in person, by certified or registered mail, return receipt requested and postage prepaid, by facsimile or email (with confirmation of transmission), or by recognized overnight courier service, and addressed to the other Party at the addresses set forth on the signature pages hereto (or to such other address that the receiving Party may designate from time to time in accordance with this section).
- c. *Governing Law.* This Agreement is made and shall be construed in accordance with the internal laws of the State of Delaware (irrespective of its choice of law principles). Subject to Section 18.d of this Agreement, each of the Parties submits to the exclusive jurisdiction and venue of the Central District of California and the state courts sitting in Los Angeles County, California, in any action or proceeding arising out of or relating to this Agreement.
- d. *Dispute Resolution.* The Parties shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement by negotiations between representatives with authority to settle the dispute. If the dispute has not been resolved within 30 calendar days of a Party's request for negotiation, either Party may submit the dispute to non-binding mediation in Los Angeles County, California, and the Parties shall cooperate in the mediation process and pay their own costs and legal expenses in connection therewith. If the dispute has not been resolved within 60 calendar days of submitting it to mediation, either Party may institute a court action in the Central District of California or the state courts located in Los Angeles County, California, to resolve the dispute. No Party may institute a court action on a dispute without first attempting to resolve the dispute in accordance with the dispute resolution process in this Section 18.d, except that the Parties acknowledge and agree the dispute resolution process in this Section 18.d shall not apply to disputes related to School's alleged breach of Section 1 or 8 of this Agreement, and that Subject may institute court action with respect to such disputes without first undergoing the dispute resolution process in this Section 18.d.
- e. *Integration.* This Agreement (including Exhibit A, Terms and Conditions) contains the entire understanding of the Parties with respect to the subject matter hereof, and supersedes all prior and contemporaneous written or oral understandings, agreements, representations, and warranties with respect to such subject matter. The invalidity, illegality, or unenforceability of any provision herein does not affect any other provision herein or the validity, legality, or enforceability of such provision in any other jurisdiction.
- f. *Amendment.* The Parties may not amend this Agreement except by written instrument signed by the Parties.
- g. *Force Majeure.* Neither Party to this Agreement shall be liable for non-performance of any obligation under this Agreement if such non-performance is caused by a Force Majeure event. "**Force Majeure**" means an unforeseeable cause beyond the control of and without the negligence of the Party claiming Force Majeure, including, but not limited to, fire, flood, severe weather, acts of God, labor strikes, interruption of utility services, war, acts of terrorism, acts of government, pandemics, and other unforeseeable accidents.
- h. *Waiver.* No waiver of any right, remedy, power, or privilege under this Agreement ("**Right(s)**") is effective unless contained in a writing signed by the Party charged with such waiver. No failure to exercise, or delay in exercising, any Right operates as a waiver thereof. No single or partial exercise of

any Right precludes any other or further exercise thereof or the exercise of any other Right.

- i. *Cumulative Rights.* The Rights under this Agreement are cumulative and are in addition to any other rights and remedies available at law or in equity or otherwise.
- j. *Assignment.* School may not assign this Agreement without Subject's prior written consent. Subject may assign this Agreement without School's consent.
- k. *Publicity and Trademark License:* Subject may use School's trademarks, service marks and logos in press releases, advertising and promotional materials to indicate that School is a licensee of Subject. School hereby grants Subject a non-exclusive, non-transferable, royalty-free license during the Term to use School's trademarks, service marks and logos in press releases, advertising and promotional materials. All such use of School's trademarks, service marks and logos shall be in accordance with any reasonable trademark use guidelines communicated to Subject by School, and all such use shall inure to School's benefit. School represents and warrants it has the right to grant the trademark licenses granted in this Section 18.k, and School agrees to indemnify, defend and hold Subject harmless from any claims, demands, causes of action, costs and expenses (including reasonable attorneys' fees and expert witness fees) arising out of or relating to any allegation that School's trademarks, service marks or logos infringe or otherwise violate any third party's trademark, copyright, right of publicity or other intellectual property or proprietary right.
- l. *Successors and Assigns; Third Party Beneficiaries.* This Agreement is binding upon and inures to the benefit of the Parties and their respective successors and permitted assigns. Except for the Parties, their successors and permitted assigns, there are no third-party beneficiaries under this Agreement.
- m. *Survival.* Sections 4, 5, 7, 8, 9, 13 through 18 inclusive of this Agreement, the Services and Payment sections of this Agreement, as well as any other provision that, in order to give proper effect to its intent, should survive the expiration or termination of this Agreement, will survive such expiration or termination for the period specified therein, or if nothing is specified for a period of 12 months after such expiration or termination.
- n. *Counterparts.* This Agreement may be executed in counterparts.
- o. *Headings.* The Headings in this Agreement are for convenience only and shall not affect its interpretation.
- p. *Severability.* If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon a determination that any term or provision is invalid, illegal or unenforceable, the Parties shall negotiate in good faith to modify this Agreement to effect the original intent of the Parties as closely as possible in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.
- q. *Public Announcements.* Unless otherwise required by applicable law, no Party to this Agreement shall make any public announcements in respect of this Agreement or the transactions contemplated hereby or otherwise communicate with any news media without the prior written consent of the other Party (which consent shall not be unreasonably withheld, conditioned, or delayed), and the Parties shall cooperate as to the timing and contents of any such announcement.
- r. *Entire Agreement.* This Agreement, together with all related exhibits and schedules, constitutes the sole and entire agreement of the Parties to this Agreement with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter.

Proviso Township High School District 209

To: Proviso Township High School District 209 Board of Education

From: Krish Mohip, Superintendent

Agenda Topic: Panorama Education Contract Renewal

Expected Outcome: Action

Staff Contacts: Jennifer Kirmes, Deputy Superintendent of School Improvement

Title: Panorama Education Contract Renewal

Purpose:

The purpose of this memo is to request the Board of Education's approval to renew the Panorama Education contract for two years in support of the District's MTSS, early warning, and student well-being initiatives. The renewal is fully funded through the Project AWARE grant, which includes \$120,000 already approved by ISBE for this expenditure.

Background:

Panorama Education is a comprehensive K–12 platform that consolidates academic, attendance, behavioral, and student experience data in a single system to support the District's Multi-Tiered System of Supports (MTSS). Panorama's Student Success module serves as the district's MTSS and early warning system and provides staff with current information on student performance, identifies students who are on track or at risk, and supports intervention planning and progress monitoring.

Proviso Township High Schools use Panorama primarily to operationalize MTSS through the Student Success platform. Student Success Teams (SSTs) rely on Panorama to access real-time academic, behavioral, and attendance data in one place. These data help SSTs identify students who need additional support, determine appropriate Tier 2 or Tier 3 interventions based on root causes, and monitor progress toward goals. Panorama allows teams to store intervention plans, track implementation, and document progress in a consistent and efficient way.

Administration's Analysis:

Administration finds that Panorama continues to be a strong and necessary tool for supporting MTSS across the district. The platform's ability to integrate multiple data sources and automatically identify students who may require more intensive support allows staff to respond more quickly and effectively. Its intervention planning and progress monitoring tools help ensure that supports are implemented with fidelity and are adjusted when students do not make expected progress.

Equity Analysis:

Renewing Panorama supports the district's equity goals by ensuring that decisions about student support are grounded in accurate, accessible, and comprehensive data. The platform allows educators to identify disparities in academic, behavioral, or attendance outcomes by providing consistent visibility into how different groups of students are progressing. By organizing data in a single system, Panorama reduces inconsistencies in how students are identified for supports and helps prevent students from being overlooked due to gaps in manual data practices. Panorama also strengthens fidelity in intervention monitoring, which ensures that students receive the supports they are entitled to and that interventions are adjusted when they are ineffective.

Student Impact:

Renewing Panorama is expected to enhance student outcomes by improving the speed and accuracy with which staff can identify concerns and initiate targeted supports. Students benefit from more precise intervention planning and more consistent progress monitoring. The availability of optional survey tools also gives principals the choice to gather additional student voice data that can strengthen Tier 1 supports and inform school-level improvement plans.

Staff Impact:

Teachers, counselors, deans, social workers, and administrators benefit from having a single, reliable system for accessing student data and documenting MTSS interventions. Panorama reduces the time spent managing spreadsheets or pulling data from multiple systems, allowing staff to focus on direct student support.

Financial Impact:

The Panorama renewal is fully funded through the Project AWARE grant, which includes \$120,000 already approved by ISBE for this purpose. The renewal covers a two-year term and does not require spending from the district's operating budget.

Communication & Implementation Plan:

If the Board approves the renewal, the administration will work with Panorama to continue alignment with MTSS workflows and ensure smooth implementation over the next two years. Professional development will be offered to Student Success Teams, administrators, and staff to strengthen use of the platform.

Statute, Administrative Policy, or Board Rules Statement:

In accordance with Board Policy 4:60, anticipated expenditures over \$25,000 require Board approval.

Superintendent's Recommendation:

That the Board of Education of Proviso Township High School District 209 approves the Superintendent's recommendation to renew its agreement with Panorama Education at a total cost of \$120,000.

BACKGROUND

Panorama is an education technology company that provides a cloud-based platform-as-a-service and related support services to enable schools and school districts to analyze student and school data, measure social-emotional learning, and design and implement survey programs for students, staff and parents or authorized guardians ("Platform"). The client named on the Service Order attached hereto ("Client") and Panorama have entered into an agreement consisting of the attached Service Order, including any exhibits attached thereto, ("SO"), these terms ("Terms" and collectively with the SO, "Agreement"). From time to time hereafter, Client and Panorama may enter into additional service orders pursuant to which Client may purchase additional rights to use the Platform and receive additional services, provided that these Terms will be incorporated by reference into and apply to each such additional service order to create a separate agreement that governs each such additional service order, in each case to the exclusion of any other terms or conditions that either party seeks to impose or incorporate or that are implied by course of dealing.

1 RIGHT TO USE PLATFORM

1.1 Platform. Subject to this Agreement, Panorama hereby grants Client (including Client's students, employees, and parents and authorized guardians of Client's students, all as applicable and described in the relevant SO, ("Authorized Users")), the limited, nonexclusive, nontransferable, non-sublicenseable right to access and use the Platform via the Internet during the Term solely for Client's use, in accordance with applicable laws and regulations and the Platform's intended uses as communicated to Client by Panorama.

1.2 Limitations. Except as expressly permitted in the Agreement, Client will not and will not authorize or allow any third party to: (a) provide access to the Platform to any person who is not an Authorized User or (b) reverse engineer, decompile, disassemble or otherwise attempt to discover the source code, object code or underlying structure, ideas or algorithms of the Platform; (c) modify, translate or create derivative works based on the Platform; (d) copy, rent, lease, distribute, pledge, assign or otherwise transfer or allow any lien, security interest or other encumbrance on the Platform; (e) use the Platform for timesharing or service bureau purposes or otherwise for the benefit of a third party; (f) hack, manipulate, interfere with or disrupt the integrity or performance of or otherwise attempt to gain unauthorized access to the Platform or its related systems, hardware or networks or any content or technology incorporated in any of the foregoing; or (g) remove or obscure any proprietary notices or labels of Panorama or its suppliers on the Platform or on any printed or digital materials provided by Panorama.

1.3 Compliance with Laws. Panorama is responsible for compliance with federal, state local laws and regulations to the extent they govern Panorama's activities, including providing the Platform to Client. Client is responsible for compliance with federal, state and local laws and regulations to the extent they govern Client's activities, including but not limited to the use by Client of the Platform to collect, record, retain, use and disclose any individual's information. Without limiting the foregoing,

each party is responsible for determining its own obligations, including but not limited to notice and consent obligations, under the Family Educational Right to Privacy Act and its implementing regulations ("FERPA") and the Protection of Pupil Rights Act and its implementing regulations ("PPRA"). The parties agree that they intend for the collection and use of personally identifiable information (as defined under FERPA) for only legitimate educational purposes and other purposes allowed under relevant laws, including but not limited to FERPA and PPRA. Client hereby gives its consent to Panorama on behalf of parents (as defined under FERPA, PPRA and the Children's Online Privacy Protection Act ("COPPA")) of children from whom any personal information (as defined under COPPA) may be gathered in connection with this Agreement and the Platform. Panorama shall not be obligated to obtain consents from parents directly.

Panorama grants no, and reserves any and all, rights other than the rights expressly granted to Client under this Agreement with respect to the Platform.

2.3 Client Feedback. Client may from time to time provide suggestions, comments for enhancements or functionality or other feedback ("Feedback") to Panorama with respect to the Platform. Panorama has full discretion to determine whether to proceed with development of the requested enhancements, features or functionality. Client hereby grants Panorama a royalty-free, fully paid-up, worldwide, transferable, sublicenseable, irrevocable, perpetual license to: (a) copy, distribute, transmit, display, perform, and create derivative works of the Feedback in whole or in part; and (b) use the Feedback in whole or in part, including without limitation, the right to develop, manufacture, have manufactured, market, promote, sell, have sold, offer for sale, have offered for sale, import, have imported, rent, provide and lease products or services that practice or embody, or are configured for use in practicing, the Feedback in whole or in part.

2.5 Data Security and Privacy.

(a) Panorama will implement and maintain an information security program that is consistent with industry recognized practices, which include using commercially reasonable administrative, physical and technical safeguards designed to protect the Platform from unauthorized access that could compromise the security, confidentiality or integrity of Client PII. Panorama shall: (i) use reasonable efforts to secure physical premises where Client PII will be processed and/or stored and (ii) take reasonable precautions with respect to the employment of, access given to, and education and training of personnel engaged by Panorama to perform its obligations under this Agreement.

(c) If during the Term or upon termination of this Agreement Client requests in writing, Panorama will delete or otherwise render unrecoverable Client PII in Panorama's possession in a manner consistent with media sanitization practices described under industry recognized standards.

(d) Panorama shall not be responsible for any personally identifiable information input into the Platform in a manner not prescribed by Panorama or in a field that is not a Structured Field.

3 FEES; PAYMENT TERMS

3.1 Fees; Payment Terms. Unless otherwise indicated on the SO, Client will pay all fees within thirty (30) days of the invoice date. If payment of any fee is not made when due and payable, a late fee will accrue at the rate of the lesser of one and one-half percent (1.5%) per month or the highest legal rate permitted by law and Client will pay all reasonable expenses of collection. In addition, if any past due payment has not been received by Panorama within thirty (30) days from the time such payment is due, Panorama may upon written notice to Client suspend access to the Platform until such payment is made.

3.2 Taxes; Tax Exemption. All amounts payable by Client to Panorama hereunder are exclusive of any sales, use and other taxes or duties, however designated, including without limitation, withholding taxes, royalties, know-how payments, customs, privilege, excise, sales, use, value-added and property taxes (collectively "Taxes"). To the extent applicable, Client will be solely responsible for payment of all Taxes and will not withhold any Taxes from any amounts due Panorama. For the avoidance of doubt, Taxes do not include taxes based on Panorama's income. Client is responsible for determining whether it qualifies for any tax exemption, and if Client claims it is tax-exempt, it will, upon request from Panorama, provide documentation evidencing its tax-exempt status.

4 TERM, TERMINATION

4.1 Term. The term of the Agreement will commence on the Effective Date and, unless earlier terminated in accordance with this Section 4, will continue through the date set forth on the SO ("Term").

4.2 Expiration; Termination. In addition to any other remedies it may have, either party may terminate the Agreement prior to expiration if the other party breaches any part of the Agreement and fails to cure such breach within thirty (30) days after receiving notice thereof. Panorama's Confidential Information includes, without limitation, the Platform and this Agreement. Each party acknowledges that certain Confidential Information may constitute valuable trade secrets and proprietary information of a party, and each party agrees that it will use the Confidential Information of the other party solely in accordance with the provisions of this Agreement and will not disclose, or permit to be disclosed, the same directly or indirectly, to any third party without the other party's prior written consent, except as otherwise permitted hereunder. Each party will use reasonable measures to protect the confidentiality and value of the other party's Confidential Information. Each party agrees to exercise due care in protecting the

Confidential Information from unauthorized use and disclosure. In the event of actual or threatened breach of the provisions of this Section, the non-breaching party will be entitled to seek immediate injunctive and other equitable relief, without waiving any other rights or remedies available to it. Each party will promptly notify the other in writing if it becomes aware of any violations of the confidentiality obligations set forth in the Agreement. Upon Disclosing Party's written request, Receiving Party will either promptly return to Disclosing Party Disclosing Party's Confidential Information, and all embodiments thereof, that is in Receiving Party's possession and certify such return or use reasonable efforts to delete or otherwise render inaccessible such Confidential Information and certify the same.

6 REPRESENTATIONS, WARRANTIES AND DISCLAIMER

Each party represents and warrants to the other party that (a) such party has the required power and authority to enter into this Agreement and to perform its obligations hereunder, (b) the execution of this Agreement and performance of its obligations thereunder do not and will not violate any other agreement to which it is a party or any law or regulation applicable to it, and (c) this Agreement constitutes a legal, valid and binding obligation when signed by both parties. Client further represents and warrants that it has the right to provide Client Data to Panorama as well as the licenses and rights therein and thereto for the purposes contemplated by this Agreement.

6.2 Disclaimer. EXCEPT AS EXPRESSLY SET FORTH HEREIN, THE PLATFORM IS PROVIDED ON AN "AS-IS" BASIS AND PANORAMA DISCLAIMS ANY AND ALL WARRANTIES. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, NEITHER PARTY MAKES ANY ADDITIONAL REPRESENTATION OR WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED (EITHER IN FACT OR BY OPERATION OF LAW), OR STATUTORY, AS TO ANY MATTER WHATSOEVER. ALL OTHER EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW. EACH PARTY EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUALITY, ACCURACY, TITLE, AND NON-INFRINGEMENT. NEITHER PARTY WARRANTS AGAINST INTERFERENCE WITH THE ENJOYMENT OF THE PRODUCTS OR SERVICES PROVIDED BY SUCH PARTY OR AGAINST INFRINGEMENT. NEITHER PARTY WARRANTS THAT THE PRODUCTS OR SERVICES PROVIDED BY SUCH PARTY ARE ERROR-FREE OR THAT OPERATION OF SUCH PARTY'S PRODUCTS OR SERVICES WILL BE SECURE OR UNINTERRUPTED. NEITHER PARTY WILL HAVE THE RIGHT TO MAKE OR PASS ON ANY REPRESENTATION OR WARRANTY ON BEHALF OF THE OTHER PARTY TO ANY THIRD PARTY.

7 LIMITATIONS OF LIABILITY; INDEMNIFICATION

7.1 Disclaimer of Consequential Damages. THE PARTIES HERETO AGREE THAT, NOTWITHSTANDING ANY OTHER PROVISION IN THIS AGREEMENT, EXCEPT FOR LIABILITY ARISING OUT OF (A) CLIENT'S USE OF THE PLATFORM OTHER

THAN EXPRESSLY PERMITTED BY SECTION 1 (RIGHT TO USE PLATFORM), (B) EITHER PARTY'S BREACH OF SECTION 5 (CONFIDENTIALITY), AND (C) A PARTY'S INDEMNIFICATION OBLIGATIONS SET FORTH IN SECTION 7.4 AND 7.5 BELOW, AS APPLICABLE, IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY SPECIAL, INDIRECT, RELIANCE, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, LOST OR DAMAGED DATA, LOST PROFITS OR LOST REVENUE, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EVEN IF A PARTY HAS BEEN NOTIFIED OF THE POSSIBILITY THEREOF.

7.2 General Cap on Liability. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, EXCEPT FOR LIABILITY ARISING OUT OF (A) CLIENT'S USE OF THE PLATFORM OTHER THAN EXPRESSLY PERMITTED BY SECTION 1 (RIGHT TO USE PLATFORM), (B) EITHER PARTY'S BREACH OF SECTION 5 (CONFIDENTIALITY), AND (C) A PARTY'S INDEMNIFICATION OBLIGATIONS SET FORTH IN SECTION 7.4 AND 7.5 BELOW, AS APPLICABLE, UNDER NO CIRCUMSTANCES WILL EITHER PARTY'S LIABILITY FOR ALL CLAIMS ARISING UNDER OR RELATING TO THIS AGREEMENT (INCLUDING BUT NOT LIMITED TO WARRANTY CLAIMS), REGARDLESS OF THE FORUM AND REGARDLESS OF WHETHER ANY ACTION OR CLAIM IS BASED ON CONTRACT, TORT, OR OTHERWISE, EXCEED THE AGGREGATE FEES PAID BY CLIENT TO PANORAMA UNDER THIS AGREEMENT DURING THE TWELVE (12) MONTH PERIOD PRECEDING THE EVENT OR CIRCUMSTANCES GIVING RISE TO SUCH LIABILITY. THIS LIMITATION OF LIABILITY IS CUMULATIVE AND NOT PER INCIDENT.

7.3 Independent Allocations of Risk. EACH PROVISION OF THIS AGREEMENT THAT PROVIDES FOR A LIMITATION OF LIABILITY, DISCLAIMER OF WARRANTIES, OR EXCLUSION OF DAMAGES IS TO ALLOCATE THE RISKS OF THIS AGREEMENT BETWEEN THE PARTIES. EACH OF THESE PROVISIONS IS SEVERABLE AND INDEPENDENT OF ALL OTHER PROVISIONS OF THIS AGREEMENT, AND EACH OF THESE PROVISIONS WILL APPLY EVEN IF THEY HAVE FAILED OF THEIR ESSENTIAL PURPOSE.

7.4 Indemnification by Panorama. Except for liability for which Client is responsible under Section 7.5, Panorama will indemnify, defend and hold Client and the officers, directors, agents, and employees of Client ("Client Indemnified Parties") harmless from settlement amounts and damages, liabilities, penalties, costs and expenses ("Liabilities") that are payable to any third party or incurred by the Client Indemnified Parties (including reasonable attorneys' fees) arising from any third party claim, demand or allegation that the use of the Platform in accordance with the terms and conditions of this Agreement infringes such third party's copyright or results in a misappropriation of such third party's trade secrets. Panorama will have no liability or obligation under this Section 7.4 if such Liability is caused in whole or in part by (a) modification of the Platform by any party other than Panorama without Panorama's express consent; (b) the combination, operation, or use of the Platform with other product(s), data or services not provided by Panorama where the Platform would not by itself be infringing; or (c) unauthorized or improper use of the Platform. If the use

of the Platform by Client has become, or in Panorama's opinion is likely to become, the subject of any claim of infringement, Panorama may at its option and expense (i) procure for Client the right to continue using the Platform as set forth hereunder; (ii) replace or modify the Platform to make it non-infringing so long as the Platform has at least equivalent functionality; (iii) substitute an equivalent for the Platform or (iv) if options (i)-(iii) are not available on commercially reasonable terms, terminate the Agreement. This Section 7.4 states Panorama's entire obligation and Client's sole remedies in connection with any claim regarding the intellectual property rights of any third party.

7.5 Indemnification by Client. Client will indemnify, defend and hold Panorama and the officers, directors, agents, and employees of Panorama ("Panorama Indemnified Parties") harmless from Liabilities that are payable to any third party or incurred by the Panorama Indemnified Parties (including reasonable attorneys' fees) arising from any third party claim, demand or allegation arising from or related to any use by Client or Authorized Users of the Platform or Client Data in violation of the Agreement or any applicable federal, state or local law or regulation.

7.6 Indemnification Procedure. If a Client Indemnified Party or a Panorama Indemnified Party (each, an "Indemnified Party") becomes aware of any matter it believes it should be indemnified under Section 7.4 or Section 7.5, as applicable, involving any claim, action, suit, investigation, arbitration or other proceeding against the Indemnified Party by any third party (each an "Action"), the Indemnified Party will give the other party ("Indemnifying Party") prompt written notice of such Action. Indemnified Party will cooperate, at the expense of Indemnifying Party, with Indemnifying Party and its counsel in the defense and Indemnified Party will have the right to participate fully, at its own expense, in the defense of such Action with counsel of its own choosing. Any compromise or settlement of an Action will require the prior written consent of both parties hereunder, such consent not to be unreasonably withheld or delayed.

8.2 **International.** Client may not remove or export from, or use from outside, the United States or allow the export or re-export of the Platform or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority.

8.3 **Relationship.** No agency, partnership, joint venture, or employment is created as a result of the Agreement and a party does not have any authority of any kind to bind the other party in any respect whatsoever.

8.4 **Publicity.** Each party agrees that it will not, without prior written consent of the other, issue a press release regarding their business relationship. Notwithstanding anything herein to the contrary, Panorama may identify Client and the relationship between Panorama and Client in Panorama's marketing collateral, website, and other promotional, proposal and marketing materials.

8.5 **Assignment.** Neither party may assign the Agreement by operation of law or otherwise or assign or delegate its rights or obligations under the Agreement without the other party's prior written consent; provided however, that either party may assign the Agreement to an acquirer of or successor to all or substantially all of its business or assets to which the Agreement relates, whether by merger, sale of assets, sale of stock, reorganization or otherwise. Any assignment or attempted assignment by either party otherwise than in accordance with this Section 8 will be null and void.

8.6 **Equitable Relief.** In any action or proceeding to enforce rights under the Agreement, the prevailing party will be entitled to recover costs and attorneys' fees. Client acknowledges that any unauthorized use of the Platform will cause irreparable harm and injury to Panorama for which there is no adequate remedy at law. In addition to all other remedies available under the Agreement, at law or in equity, Client further agrees that Panorama will be entitled to injunctive relief in the event Client uses the Platform in violation of the limited license granted herein or uses the Platform in any way not expressly permitted by the Agreement.

8.7 **Force Majeure.** Each party will be excused from performance for any period during which, and to the extent that, it is prevented from performing any obligation or service, in whole or in part, as a result of a cause beyond its reasonable control and without its fault or negligence, including, but not limited to, acts of God, acts of war, epidemics, fire, communication line failures, power failures, earthquakes, floods, blizzard, or other natural disasters (but excluding failure caused by a party's financial condition or any internal labor problems (including strikes, lockouts, work stoppages or slowdowns, or the threat thereof)) ("Force Majeure Event"). Delays in performing obligations due to a Force Majeure Event will automatically extend the deadline for performing such obligations for a period equal to the duration of such Force Majeure Event. Except as otherwise agreed upon by the parties in writing, in the event such non-performance continues for a period of thirty (30) days or more, either party may terminate

the Agreement by giving written notice thereof to the other party. Upon the occurrence of any Force Majeure Event, the affected party will give the other party written notice thereof as soon as reasonably practicable of its failure of performance, describing the cause and effect of such failure, and the anticipated duration of its inability to perform.

8.8 **Governance.** This Agreement will be governed by the laws of the Commonwealth of Massachusetts without regard to its conflict of laws provisions. For all disputes relating to this Agreement, each party submits to the exclusive jurisdiction of the state and federal courts located in Boston, Massachusetts and waives any jurisdictional, venue, or inconvenient forum objections to such courts.

8.9 **Agreement.** Both parties agree that the Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of the Agreement, and that all waivers and modifications must be in a writing signed by both parties, except as otherwise provided herein. If any provision of the Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that the Agreement will otherwise remain in full force and effect and enforceable. Any additional or different terms proposed by Client, including those contained in Client's procurement order, acceptance, vendor portal or website, shall not be valid or have any effect unless expressly incorporated into the SO and agreed upon in writing by Panorama. Neither Panorama's acceptance of Client's procurement order nor its failure to object elsewhere to any provisions of any subsequent document, website, communication or act of Client shall be deemed acceptance thereof or a waiver of any of the terms in these Terms. If any term of the SO, including any exhibit attached thereto, expressly conflicts with a term of these Terms, the term of the SO (or if applicable the exhibit) shall prevail. If terms within the SO, including any exhibit attached thereto, and these Terms appear merely inconsistent or ambiguous, all such terms shall be given effect to the extent reasonably possible, with a term that is more specific and detailed on a certain matter prevailing over a more general term or silence on that matter. Silence in the SO, or in any exhibit attached thereto, or in these Terms, on a matter that is addressed elsewhere in the Agreement shall not be deemed to present an express conflict, inconsistency or ambiguity.

8.10 **Notices.** All notices under the Agreement will be in writing and sent to the recipient's address set forth in the SO and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by facsimile or email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

Title: Newsela Contract Renewal

Purpose: To continue our partnership with Newsela for the 2026-2027 school year.

Background:

In September 2021, a district license was first purchased for access to the Newsela Blended Learning Suite which includes ELA, Social Studies, Science, EL, and SEL nonfiction articles with varying Lexile levels to assist students in accessing content and building their reading skills. Six PD sessions were included in the subscription and were offered to teachers throughout the 2021-2022 school year. Each session provided hands-on exploration of the platform in order to use Newsela in the classroom with students. Teachers learned how to set Lexile benchmarks for students, use the formative assessments to measure students' mastery of content, and create text sets to personalize learning for their students.

Additional PD sessions were provided for all staff during subsequent school years, including "Integrating Science and Literacy with Newsela," "Social-Emotional Learning with Newsela," "Supporting English Language Learners with Newsela" and "Cross Curricular Literacy with Newsela." All trainings were recorded and posted in a Schoology Group entitled: Newsela Resources. Teachers regularly accessed recordings and resources by department and for all. Resources include informational and extended texts for all content areas including ELA, Math, Science, Social Studies, Art, Music, Theatre, Engineering, Technology, PE/Health/Wellness, and CTE. Resources also include monthly content calendars such as Black History Month, Black History Collection for Science and Technology, and Women's History Month. These are high interest articles for our students that engage them in higher order thinking through rigorous and relevant content.

Additional resources include high school debate and discussion topics, primary vs. secondary sources, and writing rubrics. Content continues to get updated as world issues

arise and local events occur. A simple keyword search can connect teachers to texts as well as targeted collections by subject or genre.

Teachers have provided consistent, positive feedback for further implementation in their classrooms. They identify the Lexile progression and formative assessment data as strong features of the Newsela platform which gives them standards alignment with texts and skill mastery levels for every student. Teachers are also utilizing the integration of Newsela with Schoology as they pair units with content from most major textbooks and titles, which provides for seamless delivery of assignments for Proviso students. Finally, teachers are using the Spanish language feature for students to read the textual material in English or Spanish, with or without audio. Overall, teachers have shared that the content provided on Newsela helps build students' background knowledge and facilitates lively and engaging discussions in the classroom.

The blended learning suite includes rigorous, culturally relevant, and differentiated textual material that teachers can easily use in their classrooms to meet students' academic and socioemotional needs.

Newsela Renewal aligns with the district's strategic plan under Goal 1, Systemic Alignment/Culture of Excellence, with the objective to build a culture of continuous improvement and design equitable systems for school-based and district improvement. Renewing our contract with Newsela also aligns to Goal 2, Academic Achievement/Student Support which ensures that all students have access to engaging, high-quality, equitable, and relevant instruction through the use of the Newsela platform. The Newsela Blended Learning Suite aligns with Goal #3 of the district's strategic plan by allowing for the integration of technology into teaching and learning. Newsela also provides professional development for teachers to build their capacity for effective integration of learning technologies in order to increase equitable access to high-quality digital resources to provide standards-based, technology-rich learning experiences for all scholars across the district.

Administration's Analysis:

- 1,911 quizzes completed

Student engagement extends beyond reading to include writing, annotation, and assessment, reinforcing comprehension and critical thinking skills.

Overall, Newsela demonstrates strong return on investment through sustained educator adoption, high levels of student engagement, and intentional use of differentiated instructional features.

The platform supports literacy across content areas, enables flexible instructional models (digital and print), and provides critical access support for multilingual learners and students with diverse learning needs.

Title: Driver Education Car Purchase

Purpose: The purpose of this information item is to inform the Board of Education that the District has concluded the competitive bid process for the purchase of six new Driver Education vehicles and has awarded the contract to the lowest responsible bidder, Gerald Kia of North Aurora, in the amount of \$157,771.20.

Background:

Proviso Township High Schools District 209 is required under Illinois Administrative Code 252.20(a) to provide eligible students the opportunity to enroll in Driver Education. While Driver Education is not a graduation requirement, it remains an important component of our offerings and supports student independence and life readiness.

The District's current fleet of Driver Education vehicles has aged significantly. Several vehicles are over ten years old, and the District has relied heavily on leasing and repairs to maintain operational capacity. Over the past several years, the District has incurred recurring repair costs across multiple dealerships, in addition to annual leasing expenses. Most recently, one vehicle involved in a minor accident was deemed a total loss by insurance because repair costs of just over \$7,000 exceeded the vehicle's market value. This incident highlights the declining value and increasing financial risk associated with maintaining an aging fleet.

In response, the District issued Bid #11-2025B – Driver's Education Vehicles, and sealed bids were publicly opened on February 10, 2026.

This purchase aligns with Goal #2 of the District Strategic Plan by ensuring students have access to engaging, high-quality, equitable, and relevant instruction. Driver Education supports life readiness by providing students with essential skills that extend beyond the classroom and into real-world application. The investment also aligns with the 5Essentials framework by strengthening a Supportive Environment through safe, reliable vehicles for instruction, advancing Ambitious Instruction through hands-on, standards-aligned learning experiences, and reflecting Effective Leadership through responsible stewardship of district resources and adherence to a competitive bid process.

Administration Analysis:

Gerald Kia of North Aurora was determined to be the lowest responsible bidder and submitted a total bid of **\$157,771.20**, which includes:

- 3 Kia K4 models at \$25,702.70 each (\$77,108.10)
- 3 Kia Seltos AWD models at \$26,887.70 each (\$80,663.10)

The bid specifications required manufacturer warranties and dealer-installed instructor brake systems to preserve warranty protections and ensure student safety. Additionally, the bid documents specify that no more than two vehicles will be purchased within a 30-day period to comply with warranty and procurement guidelines. Each Proviso campus will receive one Kia K4 and one Kia Seltos.

Continuing to repair and lease aging vehicles is no longer financially prudent. The District has experienced escalating maintenance costs and diminished vehicle value. The recent insurance total-loss determination demonstrates that further investment in the current fleet would yield limited return. Replacing vehicles now reduces ongoing repair expenses, eliminates recurring lease payments, and provides safer, more reliable transportation for students and staff.

New vehicles include updated safety systems such as enhanced braking, advanced airbag systems, improved crash protection, and modern driver-assist features. These upgrades significantly improve instructional safety conditions.

Equity Impact: Replacing aging vehicles ensures equitable access to safe and reliable Driver Education instruction across all campuses. All students, regardless of background or location, will receive instruction in vehicles equipped with modern safety features. By stabilizing the fleet, the District ensures consistent instructional opportunities without disruptions caused by breakdowns or mechanical issues.

Student Impact: Students will benefit from safer instructional environments, modern vehicle technology, and consistent access to Driver Education programming. Updated vehicles reduce instructional interruptions caused by repairs and provide exposure to current vehicle models that better reflect real-world driving experiences. This investment supports both student safety and life readiness outcomes.

Staff Impact: Driver Education instructors will have reliable, up-to-date vehicles equipped with dealer-installed instructor brakes, enhancing instructional control and safety. Reduced maintenance disruptions will allow instructors to focus on high-quality instruction rather than vehicle scheduling and repair coordination.

Financial Impact: The total cost of the purchase is \$157,771.20, funded through locally budgeted District funds. Replacing leased and aging vehicles reduces recurring lease payments and escalating repair costs, representing a long-term fiscally responsible investment. Purchasing through a competitive bid process ensures compliance and cost efficiency.

Communication: Upon Board acknowledgment, the District will coordinate delivery scheduling in accordance with bid specifications (no more than two vehicles within a 30-day period), notify Driver Education instructors of replacement timelines, and communicate the upgrade internally as part of ongoing CTE program improvements

Statute, Administrative Policy or Board Rules Statement:

This purchase complies with Board Policy 4:60 – Purchases and Contracts, which requires competitive bidding for purchases exceeding statutory thresholds and authorizes the Board to award contracts to the lowest responsible bidder. The District followed public bid procedures in accordance with Illinois School Code and formally opened bids prior to awarding the contract.

Superintendent's Recommendation:

That the Board of Education of Proviso Township High School District 209 approves the Superintendent's recommendation to purchase 6 new vehicles for the Driver Education program at a cost of \$157,771.20.
