6. **Other Reports** *INFO*
7. **Administrative Reports**

a. Dr. Johnson

PARCC Testing: Officially started last Tuesday. Students will once again be tested in ELA and Math. Fifth grade students will later be tested in Science.

The ROE has presented a county-wide grant opportunity through the USDA Rural Utility Services Office. This will be a county-wide grant for up to \$500,000. The focus of the grant is to bring virtual learning opportunities to students in school. Please see the attached document for more information.

Update on the 1% Sales Tax

b. Mr. Kendrick

D. Consent Items Agenda *ACTION*

E. Mowing Contract *ACTION*

We asked several different companies to submit quotes for mowing service. Rich was the only one to submit a quote.

If we wanted to explore a different option we could consider moving ourselves. With additional summer help we could purchase two mowers and begin doing this in-district.

F. Resolution for an Inter Fund Loan Transfer from Working Cash to Transportation in the amount of \$83,000 *ACTION*

G. 2016 2017 Final School Calendar *ACTION*

This is the final school calendar with emergency days accounted for throughout the year. This updated calendar is then submitted to ISBE.

H. County Calendar Approval for 2018-2021 *ACTION*

This is the county-wide calendar that has been created among the county districts. I would recommend approving the calendar for the 2018-2021 school years.

I. Cooperative High School Update *ACTION*

J. Closed Session *ACTION*

K. Personnel *ACTION*

1. Kirsten Thornsborough- Elementary Teacher- Step 0 at \$31,936
2. Debbie Smith- Retirement

L. Public Comment

M. Adjourn
