- L. 2017 2018 Fee Schedule** *ACTION*
Attached is the recommended fee schedule for the 2017-2018 school year. We have no say in the lunch or breakfast prices as these are set by the state.

I would recommend increasing the substitute daily rate to \$95 versus the current \$85. I don't know when the \$85 was implemented but I do know that we were at an \$80 rate in 2004-2005. With the teaching shortage, I think this may help us secure quality substitutes. Most county schools are still around the \$85 mark with Danville being \$95.

I would also recommend increasing the official fees from \$50 to \$60. Many of the county schools have already made this adjustment.
