**J. North End Door Replacement** *ACTION*

Attached is the documents for the possible replacement of the north end doors. This would be covered under an extension of the CTS Contract. I am placing the item on as action, but we do not need to necessarily take action this month. We can always further discuss and research.

**K. Request for Additional Paraprofessional** *ACTION*

Since the start of the school year, we have had 34 new students enroll in the district. Of our new students \_\_ receive special education services. Mr. Kendrick and I have reviewed schedules of our special education staff and there is no longer enough time to provide services to all of the new students with special needs.
