Facilities Portfolio Analysis Update

3

Jackie Turner, Executive Chief of Operations

September 1, 2026- Committee of the Board

About the Taskforce

As outlined in the SPPS School Board Resolution

To ensure every student has access to an equitable and high-quality education, SPPS is beginning a **collaborative process to review our district buildings and create a long-term plan** that ensures our facilities are aligned with our academic programs and the number of students we serve.

To ensure every student has access to an equitable and high-quality education, SPPS is beginning a **collaborative process to review our district buildings and create a long-term plan** that ensures our facilities are aligned⁴ with our academic programs and the number of students we serve.

The **taskforce ensures that diverse perspectives will inform the criteria used for Facilities Portfolio Analysis**. Superintendent Dr. Stacie Stanley will present the final plan to the Board of Education in August 2027. Any changes to the district's facilities will occur after the 2027-28 school year.

Role of Taskforce Members

Members of the Facilities Task force will **serve in an advisory role**.

The taskforce **will help create the criteria** that will be used to make these important decisions and provide input to the superintendent and district leadership.

Members will **review and analyze data** from various sources including, but not limited to:

- Community input
- Demographic studies
- Building utilization
- Academic programming
- City geographic overview, etc.

5

Taskforce process & timeline

Accordion process: expand to listen widely, compress to analyze deeply, expand to share and gather more feedback.

Planned process: Phase 1

Criteria Design Studio

A process to begin creating criteria

The process is not deciding which schools should be restructured, consolidated, or closed. The process will provide a framework for designing the **criteria** that will guide future decision-making. The goal⁸ is to create a range of criteria that are aligned with the District's values and guiding principles.

Txuj Ci Real Estate Market Study

Committee of the Board
September 1, 2026

Cushman & Wakefield - Jaclyn May, Jason Sell

Parameters

The parameters given to seek potential parcels were:

1. 8+ acre sized developable sites, with or without buildings
2. Within school district boundaries (or very close).
Preference for sites east of Snelling and north of the river
3. Retail, industrial, office, specialty and vacant land sites

12

Approach

Approach taken in identifying potential parcels:

- Used multiple commercial real estate databases to identify sites within parameters
- Cold-called organizations that owned parcels identified
- Issued email blast with description to Twin Cities Brokerage Community (750) in July 2026 (previously issued in Oct 2024)
- Explored government-owned properties
- Reviewed Archdiocese-owned properties, potential surplus properties
- *Excluded:* St. Paul Central Business District, residential properties, and railroad-owned properties

13

Potentials Identified

Key:

- School/City boundary
- Preferred search area
- Preliminary Options
- SPPS-owned sites that meet parameters

14

Steps Required for Development

To get to Ownership:

- Tour and evaluate sites for suitability - access, safety, configuration
- Due-diligence site investigations - survey, title confirmation, soil and environmental tests, develop project budget (renovation/build costs)
- Check zoning and approved uses
- Prepare and negotiate non-binding letter of intent
- Approval for purchase and development costs
- Negotiate and execute purchase agreement.
- Closing following formal due diligence

15

Once owned:

- Potential remediation and/or demolition of structures
- Design and construction

READ Act Update

Committee of the Board
September 1, 2026

The READ Act: Overview

The Minnesota Reading to Ensure Academic Development (READ) Act

Minnesota Reading to Ensure Academic Development Act, known as the READ Act, was passed and signed into law by Governor Tim Walz on May 24, 2023.

The goal of this legislation is to have every Minnesota child reading at or above grade level every year, beginning in kindergarten, and to support multilingual learner and students receiving special education services in achieving their individualized reading goals. The READ Act replaces Read Well by Third Grade (RWBTG) and is in effect as of July 1, 2023.

Impact upon Teacher Practice: 2025-26 Cohort

Effectiveness of Careiall READ Act Preparation

- 91.5% of educators in this cohort reported that CAREIALl was effective in improving both their *understanding* and *ability to implement* evidence-based literacy instruction
 - 40.6% reported Very Effective
 - 50.9% reported Effective

Strategy Transfer & Application Across Learning Modules

- Across 1,673 module exit ticket responses tracking classroom application from Modules 1 through 8:
 - 89.5% of respondents strongly agreed/agreed that the “*Transfer to Practice*” activities successfully bridged the gap between knowledge and classroom practice
 - 64.6% strongly agreed/agreed that they could immediately apply the learned strategies with students

24

Educator Engagement in Classroom Implementation

- 93.9% of participants were able to provide specific, qualitative examples of strategies they have already implemented, as well as the direct student changes observed as a result of these new strategies

Impact on Immediate Instruction

- Over 64% rated transfer activities at the highest levels (4 or 5 out of 5), confirming that the training delivered immediate, actionable tools rather than abstract theory, allowing them to implement learned strategies immediately and directly with students

Reflections on Educator and Student Impact

"After teachers completed CAREIALL training, they were more **confident** in their implementation of **science of reading strategies** during whole group and **small group UFLI lessons**." ~Elementary Principal

"At our school, the result of this learning has been that **more of our kids are reading** than ever before! I see educators in all parts of our school—**Gen Ed classrooms**, our **Specialized Programming Fed 3 ASD/DCD rooms**, and our **SpEd resource rooms**—using this learning daily and feeling more **confident** in what and how they are **teaching reading**. We now have more **"literacy experts"** in front of our students than we did before." ~Elementary Principal

"I started the school year dreading this course as I had heard so much from others about how much work it required. And at first, I was overwhelmed and unsure of how this was going to benefit me as an upper grade teacher. However, as I continued the course, I became more **excited about what I was learning** and was eager to **take this back to my classroom**." ~Upper Elementary Teacher 25

"From what I have heard from staff, CAREIALL has given our teachers a **shared language** and a crystal-clear lens for **literacy instruction**. It has shifted our conversations from what we hope works to **intentional, evidence-based practices** that directly **boost classroom engagement** and **student confidence**." ~Elementary Principal

"I brought in the **Frayar Model** when learning new **vocabulary** for a whole class novel we were reading. I took **read alouds** to the **next level of learning and for enjoyment**. I jumped into EL Education's (a resource mentioned many times by CAREIALL) Reading Module about the book Love That Dog and taught **poetry and reading comprehension** like I never have before. And going into this new school year I have so much more **I can't wait to implement**." ~Grade 4 Teacher

"READ Act training has given our staff the **pedagogical background** on why it is necessary to approach the teaching of reading with **explicit, intentional, and systematic instruction**. CAREIALL has given us the pathway to **support ALL of our learners**." ~Elementary Principal

V. APPLYING FOR MPL BENEFITS

Employees who wish to submit an application for MPL benefits must first request leave from the District through PeopleSoft and then complete any portion of the MPL paid benefits application form that is designated to be completed by the employee and submit the application for MPL benefits along with any necessary certifications (medical or otherwise) to the state. **Employees enrolled in a District short-term disability program are required to submit a claim directly to the program administrator.** The District will respond to requests for information about an employee's application for MPL benefits within seven calendar days of the request.

VIII. DISABILITY BENEFITS, SICK LEAVE, AND “TOP OFF PAYMENTS” AND MPL.

E. While awaiting the state’s decision on a leave request, employees may choose to “top off” their pay using sick hours, vacation hours, or short-term disability pay. Employees are strongly encouraged to use the estimated pay calculator on the MPL website to determine their “top off” amount. If an employee uses excess sick or vacation hours or short-term disability pay and receives more than their usual salary, the District will not restore the already paid sick or vacation hours and the employee must repay any short-term disability overpayment. The employee is also required to report the overpayment to the state.

VIII. BENEFITS DURING MPL.

- A. During MPL ~~and/or unpaid FMLA leave~~, an employee's ~~eligibility status for any~~ group insurance policies ~~policy~~ and ~~or~~ health care plans will ~~not change~~ transition to administrative billing under ~~from the active plan to the~~ COBRA plan. ~~and the employee may continue their participation in such policy or plan.~~ However, the District will continue to pay its portion of the premiums at the same level as if the employee were actively working. As a result, the employee will only be responsible for paying the standard active ~~All~~ employee contributions rates. All employee contributions ~~(if any)~~ must be paid on a timely basis ~~directly~~ to the District's third-party administrator ~~provider~~ ("Benefit Resource, Inc." or "BRI") ~~in order~~ to maintain the continuous coverage ~~of benefits~~. ~~Contributions will be at the same level as if the employee was working.~~

VIII. BENEFITS DURING MPL.

- A. Coverage will ~~terminate~~ ~~cease~~ if premium payments are not ~~received~~ ~~made~~ within ~~a~~ thirty-calendar days ~~grace-period~~ of the due date. Premium ~~amounts~~ ~~payments~~ and ~~or~~ policy coverages remain ~~are~~ subject to standard plan updates and adjustments ~~change~~.³³ Once the employee's entitlement to MPL and/or FMLA leave ends, the employee is no longer protected under these continuation guidelines. If the employee does not return to active status, District contribution towards premiums will cease, and the employee will become responsible for paying the full COBRA rate to maintain coverage.

Policy 812.00 - School Emergency Management

Committee of the Board

September 1, 2026

Becky Schmidt, Director of Health and Wellness

Laurie Olson, Director of Security and Emergency Management

Proposed Revisions

Policy 812.00 SCHOOL EMERGENCY MANAGEMENT must be revised based on new statutory requirements.

Background

MN Statute 121A.241 CARDIAC EMERGENCY RESPONSE PLAN:

Beginning in the 2026-2027 school year, a school district or charter school must develop a cardiac emergency response plan consistent⁴⁴ with the model plan developed by the commissioner under section 121A.035, subdivision 1 (Crisis Management Policy), for cardiac emergencies that occur on school property.

Sudden Cardiac Arrest

Sudden Cardiac Arrest (SCA) is a condition in which the heart suddenly and unexpectedly stops beating its normal rhythm.

- SCA can occur at any age in both athletes and non-athletes
- SCA results in death if not treated within minutes
- Approximately 360,000 SCA events occur outside of hospitals annually with a survival rate of less than 7%. 23,000 were pediatric
- If CPR is performed immediately, survival rates more than triple
- SCA survival rates in schools increase to 71% with AED programs

45

Cardiac arrest occurs when the heart malfunctions and stops beating. A cardiac arrest is an **electrical** problem.

CARDIAC ARREST VS. HEART ATTACK

**Cardiac Arrest =
Electrical Issue**

Like a power outage,
the heart stops
beating

**Heart Attack =
Plumbing Issue**

Like a clogged pipe,
blood flow is
blocked to the heart

Hackensack
Meridian Health

A heart attack occurs when blood flow to the heart is blocked. A heart attack⁴⁶ is a **circulation** problem.

121A.241 Statute Requirements

At a minimum, the plan must:

- (1) establish a school cardiac emergency response team and plan of activation during the event of sudden cardiac arrest;
- (2) provide for placement of automated external defibrillators (AEDs) on school grounds following nationally recognized cardiovascular care organization guidelines;
- (3) provide for routine maintenance of AEDs;
- (4) provide for distribution of the plan on school grounds and in coordination with local emergency medical services providers;
- (5) provide for annual cardiac emergency response plan drills for school staff and students;
- (6) require the school board to annually review and evaluate the effectiveness of the plan; and
- (7) address how school staff must respond to cardiac emergencies at school-sponsored activities, including athletic events on or off school grounds.

47

Statute Requirement #1

(1) establish a school cardiac emergency response team and plan of activation during the event of sudden cardiac arrest;

SPPS steps:

- Cardiac Emergency Response Team (CERT) members will include Safety Team members
- Recommended members include PE Teacher, AD and/or Assistant AD, EDL/Flipside leads
- Building Administrators will identify their building Safety Team Members and any additional staff that would be part of CERT by 9/4/26

Statute Requirement #2

(2) provide for placement of automated external defibrillators (AEDs) on school grounds following nationally recognized cardiovascular care organization guidelines;

SPPS Steps:

- AEDs tracked and monitored monthly
- Athletics' AEDs will not be transported to offsite fields/sites
- AEDs ideally will be situated to have a 3-minute response time
- Facilities is currently mapping locations of building AEDs, which will be added to SEOPs

Statute Requirement #3

(3) provide for routine maintenance of AEDs

SPPS Steps:

Facilities will ensure proper installation and maintenance of AEDs;⁵⁰ all AEDs will be checked monthly by Health and Wellness and Athletics staff to verify expiration dates for the devices' pads and batteries and to ensure the devices are functioning properly.

Statute Requirement #4

(4) provide for distribution of the plan on school grounds and in coordination with local emergency medical services providers;

SPPS Steps:

- School Emergency Operations Plans (SEOP) will contain each school's CERP for responding to a sudden cardiac arrest event. Practice drills should be included in the plan.

51

Statute Requirement #5

(5) provide for annual cardiac emergency response plan drills for school staff and students;

SPPS Steps: Each school will sign up for Hands-Only CPR and AED trainings, and that same training date will include a mock drill for a⁵² SCA event

Statute Requirement #6

(6) require the school board to annually review and evaluate the effectiveness of the plan; and

SPPS Steps: At a minimum, the Board of Education will be provided an annual summary of CERP, focusing on ways to improve the effectiveness of the plan.

53

Statute Requirement #7

(7) address how school staff must respond to cardiac emergencies at school-sponsored activities, including athletic events on or off school grounds.

SPPS Steps: CERT members will respond will respond if/when activities are on-site on SPPS grounds, including athletic practices and events at their home SPPS sites. SPPS will not send AEDs on field trips or on off-site SPPS sponsored events.

902.00 Community Use of Buildings and Grounds

Current Policy

Revised in 2008

1. The board encourages community use of school facilities in keeping with the following general policies:
 - Facilities may be used for purposes permitted by Minn. Stat. § 123B.51 and all other applicable laws.
 - All activities shall be under competent, adult supervision and the group using the school shall assume full responsibility for any damage to building or equipment.
 - The Board shall establish a schedule of rates for use of school facilities. Such rates shall be sufficient to offset the District's costs in operating and maintaining the facility during use. The Board shall review said schedule every two (2) years or at such other times as the Board determines.
 - The Superintendent may waive fees for school-related groups whose program is considered a part of the district's educational function.
 - The board shall cooperate with recognized social service agencies and other government agencies in the use of its facilities without charge during wartime or community emergencies.
2. The administration shall implement this policy through procedures that include an appeals process.

Policy Changes:

I. POLICY PURPOSE

The District supports community access to its school buildings and grounds when such use aligns with the District's mission and does not interfere with the **District's educational function**. This policy establishes the framework for authorizing, regulating, and managing community use of District facilities.

II. GENERAL STATEMENT OF POLICY

A. The Board of Education encourages broad community use of District facilities when such use does not disrupt or diminish the educational mission of the District.

B. All facility use must comply with Minn. Stat. § 123B.51 and other applicable laws.

C. The **administration** shall implement this policy through **Procedure 902.00.01**.

Saint Paul Public Schools Policy

STAFF: MINNESOTA PAID LEAVE

I. POLICY PURPOSE:

The purpose of this policy is to inform employees of the Saint Paul Public Schools (“District”) about their rights and responsibilities under the Minnesota Paid Leave (“MPL”) law, effective January 1, 2026. The policy is designed to ensure consistent understanding and administration of MPL benefits, which provide partial wage replacement to eligible employees who take leave for qualifying reasons such as their own serious health condition, family care, bonding, safety leave, or military exigency.

This policy also outlines how MPL interacts with the District’s existing leave programs, benefits, and employment practices. It provides guidance on eligibility, notification requirements, coordination with other leave laws, and employee responsibilities before, during, and after leave.

Through this policy, the District seeks to promote compliance with state law, support employees in balancing work and family responsibilities, and maintain operational continuity while fostering a healthy and equitable workplace.

II. GENERAL STATEMENT OF POLICY:

The Minnesota Paid Leave (“MPL”) law establishes a state-run insurance program that provides partial wage replacement to eligible employees when they take leave for a qualifying reason. MPL is funded through premiums that are split between employers and employees. Employees can apply for leave from the St. Paul School District (the “District”) and paid benefits from the state, as discussed below, and, if approved, the state will pay employees a portion of their usual wages during their leave as MPL benefits. The state, not the District, determines employees’ eligibility to receive paid benefits and the amount of paid benefits that employees receive. This Policy provides additional information to employees about MPL, including notification requirements and how MPL interacts with the District’s other leave policies and procedures.

The Board designates to the superintendent and their designees the authority to implement this and other leave policies to ensure compliance with state and federal law and all district procedures governing the approval and denial of leaves of absences.

Eligibility: To be eligible for leave under the MPL law, an employee must (a) have earned at least 5.3% of the statewide average annual wage in the past year, and (b) have worked 50% or more of the prior year in Minnesota, or, for employees who did not work 50% or more of the year in any one state, live in Minnesota.

Seasonal employees, as defined below, are not eligible for MPL.

Length of MPL: The benefits that an eligible employee will receive during a leave covered under the MPL law are calculated as follows, up to the [maximum weekly benefit amount](#):

- 90% of wages that do not exceed 50% of the state average weekly wage; plus
- 66% of wages that exceed 50% of the state's average weekly wage but not 100%; plus
- 55% of wages that exceed 100% of the state average weekly wage.

Employees may calculate their estimated MPL benefits using this [online calculator](#), which has been established by the Minnesota Department of Employment and Economic Development's ("DEED") Paid Leave Division.

An eligible employee may take up to 12 weeks of MPL per MPL leave and benefit year (the "MPL year") for their own serious health condition and up to 12 weeks of MPL per MPL year for bonding, safety leave, family care, and qualifying exigency, except that the total amount of MPL cannot exceed more than 20 weeks in a single MPL year.

Employees may take MPL in blocks or intermittently. For leave covered by both the federal Family Medical Leave Act (FMLA) and MPL law, except for bonding leave, intermittent leave may be taken in increments of no less than one hour. For bonding leave, and for MPL family and medical leave not covered by FMLA, intermittent leave may be taken in increments of no less than one calendar day. Leave based on a serious health condition of the employee or a covered family member may be taken intermittently only if such leave is reasonable and appropriate to the needs of the individual with the serious health condition. Employees may take up to no more than 480 hours of intermittent leave in the applicable MPL year.

Qualifying Reasons for MPL Leave: An eligible employee may take MPL leave for the following reasons:

- their own qualifying serious health condition;
- bonding with their child during the first 12 months after the child's birth, adoption or placement;
- providing care for a covered family member with a qualifying serious health condition;

- safety leave because of domestic abuse, sexual assault, or stalking of the employee or employee's covered family member; or
- any qualifying exigency arising from the active-duty service (or notice of an impending call or order to active duty) in the U.S. armed forces of an employee's covered family member.

Except for bonding leave, the period for which an employee is seeking MPL leave must be based on a seven-day qualifying event.

DEFINITIONS:

The following terms are fully defined in either the MPL law ([Minn. Stat. ch. 268B](#)) or the Minnesota Department of Employment and Economic Development Administrative Rules Regulating Paid Leave ([Minn. R. ch. 3317](#)). For employees' convenience, these definitions are summarized below but the full legal definitions apply to the District's administration of MPL:

- A. **"MPL year"** means the period of 52 calendar weeks beginning the effective date of leave under the MPL law. For an effective date of leave that is January 1, April 1, July 1, or October 1, the benefit year is a period of 53 calendar weeks.
- B. **"Bonding"** means time spent by an employee who is the biological, adoptive, or foster parent with a biological, adopted, or foster child in connection with the child's birth, adoption, or placement.
- C. **"Child"** includes a biological child, adopted child, foster child, stepchild, child of a domestic partner, or child to whom the employee stands in loco parentis, is a legal guardian, or is a de facto custodian.
- D. A **"covered family member"** means a spouse or domestic partner, child, parent or legal guardian, sibling, grandchild, grandparent or spouse's grandparent, a son-in-law or daughter-in law, and an individual with whom the employee has a personal relationship that creates an expectation and reliance that the employee care for the individual without compensation, whether or not the employee and individual reside together.
- E. **"Grandchild"** means a child of the employee's child.
- F. **"Grandparent"** means a parent of the employee's parent.
- G. **"Health care provider"** includes an individual who is licensed, certified, or otherwise authorized under law to practice in the individual's scope of practice as a physician, physician assistant, podiatrist, osteopath, surgeon, advanced practice registered nurse, an alcohol and drug counselor, or a mental health professional.

- H. **“Incapacity”** means inability to perform regular work, attend school, or perform regular daily activities due to a serious health condition or treatment or recovery from such condition.
- I. **“Inpatient care”** means an overnight stay in a hospital, hospice, or residential medical care facility, including any period of incapacity, or any subsequent treatment in connection with such inpatient care.
- J. **“Medical care related to pregnancy”** includes prenatal care or incapacity due to pregnancy or recovery from childbirth, stillbirth, miscarriage, or related health conditions.
- K. **“Military member”** means a current or former member of the U.S. armed forces, including a member of the National Guard or reserves, who, except for a deceased military member, is a resident of the state and is a covered family member of the employee.
- L. **“Qualifying exigency”** means a need arising out of a military member’s active duty service or notice of an impending call or order to active duty in the U.S. armed forces, including providing for the care or other needs of the covered family member’s child or other dependent, making financial or legal arrangements for the covered family member, attending counseling, attending military events or ceremonies, spending time with the covered family member during a rest and recuperation leave or following return from deployment, or making arrangements following the death of a military member.
- M. **“Safety leave”** means leave from work because of domestic abuse, sexual assault, or stalking of the employee or the employee’s covered family member, provided the leave is to:
- seek medical attention related to the physical or psychological injury or disability caused by domestic abuse, sexual assault, or stalking;
 - obtain services from a victim services organization;
 - obtain psychological or other counseling;
 - seek relocation due to the domestic abuse, sexual assault, or stalking;
or
 - seek legal advice or take legal action, including preparing for or participating in any civil or criminal legal proceeding related, or resulting from, the domestic abuse, sexual assault, or stalking.
- N. **“Seasonal employee”** means an individual who is employed for not more than 150 days during any consecutive 52-week period in hospitality by an

employer whose average receipts during any six months of the preceding calendar year were not more than 33% percent of its average receipts for the other six months of such year.

O. **“Serious health condition”** means a physical or mental illness, injury, impairment, condition, or substance use disorder that involves:

- inpatient care in a hospital, hospice, or residential medical care facility, including any period of incapacity; or
- continuing treatment or supervision by a health care provider, which includes any one or more of the following:
 - a period of incapacity of seven or more days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves treatment by a health care provider;
 - a period of incapacity due to medical care related to pregnancy;
 - a period of incapacity or treatment for a chronic health condition that (1) requires periodic visits (at least twice a year) for treatment by a health care provider or under orders of or referral by a health care provider; (2) continues over an extended period of time; and (3) may cause episodic rather than continuing periods of incapacity;
 - a period of permanent or long-term incapacity due to a condition for which treatment may not be effective and for which the individual is under continuing supervision of a health care provider (though may not be receiving active treatment);
 - a period of absence to receive multiple treatments by a health care provider for (1) restorative surgery after an accident or other injury, or (2) a condition that would likely result in a period of incapacity of more than seven calendar days in the absence of medical intervention or treatment.

III. **NOTIFICATION REQUIREMENTS:**

- A. Eligible employees must notify the District in advance of the anticipated timing and duration of MPL leave and the type of MPL to be taken by making a leave request to the Benefits Team through PeopleSoft.
- B. If the need for leave is foreseeable, employees must provide the District with at least 30 days’ advance notice before the leave is to begin. Foreseeable qualifying events include, for example, an expected birth, placement for adoption or foster care; planned medical treatment for the employee’s or covered family member’s serious health condition; or other known military exigency. If an employee does not provide at least 30 days advance notice of foreseeable leave, the District may request that the employee explain the reasons why notice was not practicable.

- C. If 30 days advance notice is not practicable for reasons such as a lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, notice must be given as soon as practicable. As soon as practicable means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case. When an employee becomes aware of a qualifying event less than 30 days in advance, it should be practicable for the employee to provide notice of the need for leave either the same day or the next business day that the employee recognizes the need for leave, unless the need for leave is based on a medical emergency.
- D. The employee must inform the District as soon as practicable if dates of scheduled leave change or are extended or were initially unknown.
- E. When an employee takes intermittent MPL, the employee must provide the District with a schedule of needed workdays off as soon as practicable and must make a reasonable effort to schedule the intermittent leave so as not to unduly disrupt the operations of the District.
- F. The District may request certification of the reason for leave from the employee consistent with the MPL law, which the employee must provide as soon as practicable.

IV. STATUS REPORTS:

The employee must periodically update the Benefits Team about the employee's status and intent to return to work. This includes sending updated leave paperwork (in the event that the leave is being extended or if circumstances have changed), a return-to-work statement completed by a physician, and following all applicable guidelines from the Leave of Absence page [here: https://www.spps.org/about/departments/human-resources/benefits/leaves-of-absence](https://www.spps.org/about/departments/human-resources/benefits/leaves-of-absence). Employees should send these communications to benefits@spps.org or call 651-767-8200 with questions.

V. APPLYING FOR MPL BENEFITS:

Employees who wish to submit an application for MPL benefits must first request leave from the District through People Soft and then complete any portion of the MPL paid benefits application form that is designated to be completed by the employee and submit the application for MPL benefits along with any necessary certifications (medical or otherwise) to the state. **Employees enrolled in a District short-term disability program are required to submit a claim directly to the program administrator.** The District will respond to requests for information about an employee's application for MPL benefits within seven calendar days of the request.

VI. BONDING LEAVE:

- A. Eligibility for bonding leave ends 12 months after birth, adoption or foster placement, except that in cases where the child must remain in the hospital

longer than the mother, the leave must end within 12 months after the child leaves the hospital.

- B. Employees also may use bonding leave before the actual placement or adoption of a child. For example, employees may be required to attend counseling sessions, appear in court, consult with their attorney or the doctor(s) representing the birth parent, submit to a physical examination, or travel to another country to complete an adoption.

VII. DISABILITY BENEFITS, SICK LEAVE, AND “TOP OFF PAYMENTS” AND MPL

- A. An employee who is eligible for both disability benefits and MPL may receive disability insurance payments in addition to MPL benefits. Disability insurance benefits may be offset by MPL benefits paid to employees under the terms of the disability insurance plan.
- B. An employee who has accrued sick or vacation time and applies for MPL may receive payments using their accrued time to supplement or “top off” their benefits paid by the state. For PML that occurs outside of the employee’s regular contract year (such as summer break), the employee will not be allowed to “top off” or supplement their PML. Winter, spring break, or other workshop days are eligible for supplement using accrued time.
- C. For Unions Groups with a “Sick Bank” of donated hours by fellow employees, any sick leave bank hours may only be credited if the applicant falls under the provisions within the contract (i.e., FMLA). Sick bank hours shall not be used to extend any leave of absence outside of the PML or FMLA entitlement.
- D. The total amount of MPL benefits and vacation and/or sick time will not exceed an employee’s usual salary. The use of vacation and/or sick time to supplement MPL benefits does not extend the length of MPL.
- E. While awaiting the state’s decision on a leave request, employees may choose to “top off” their pay using sick hours, vacation hours, or short-term disability pay. Employees are strongly encouraged to use the estimated pay calculator on the MPL website to determine their “top off” amount. If an employee uses excess sick or vacation hours or short-term disability pay and receives more than their usual salary, the District will not restore the already paid sick or vacation hours and the employee must repay any short-term disability overpayment. The employee is also required to report the overpayment to the state.

VIII. BENEFITS DURING MPL

- A. During MPL, an employee’s eligibility status for any group insurance policy or health care plan will ~~not change transition from the active plan to the~~ **COBRA plan** and the employee may continue their participation in such policy or plan. All employee contributions (if any) must be paid on a timely

basis to the District's third-party provider ("Benefit Resource, Inc." or "BRI") in order to maintain the continuous coverage of benefits. Contributions will be at the same level as if the employee was working. Coverage will cease if payments are not made within a thirty-calendar day grace period of the due date. Premium payments or policy coverage are subject to change.

- B. Employees will continue to accrue vacation, and/or sick time only for hours paid by the district. Employees will not accrue vacation and/or sick time for any hours paid by the state. Holidays may only be "topped off" if the employee has elected to "top off" the rest of their PML leave.
- C. During PML, if the employee chooses to supplement or "top off" the PML payments with accrued sick or vacation time, pension payments and any union dues will be deducted, along with any applicable taxes. Should the employee supplement with short-term disability payments or choose not to supplement, no pension payments or union dues will be collected, and the employee is responsible for contacting SPTRFA or PERA to purchase any pension credits.
- D. During PML, any wage garnishments (i.e., child support, tax levies, etc.) or other required deductions will be taken from the employee paychecks as to the extent of the law. If earnings are below the legal threshold, and deductions cannot be made, it is the responsibility of the employee to contact the appropriate party to make any required payments.

IX. RETURN TO WORK

- A. Reinstatement – At the conclusion of the leave of absence, an employee who has been employed by the district for ninety (90) or more days is entitled to be returned to the position the employee held when the leave began, or an equivalent position with equivalent benefits, pay and working conditions, provided that the employee returns to work immediately following such leave. For employees who have not completed 90 days of employment, MPL leave is not job-protected, and the District will determine reinstatement based on the circumstances of the employee's leave, the district's needs and other relevant factors.
- B. Early Return – When it is foreseeable, an employee who intends to return to work earlier than anticipated must notify the Benefits Team at least one week prior to the date the employee is able to return. The Benefits Team shall in turn notify the employee's immediate supervisor.

X. FUNDING OF FAMILY MEDICAL LEAVE BENEFITS

In accordance with Minnesota state law, MPL benefits are funded through premiums split between employers and employees. An employee's portion of the premiums will be paid through payroll deductions at a prescribed amount from each eligible employee. The district shall pay 50% of the premium costs, as required by law; employees shall pay the remaining 50%.

XI. COORDINATION WITH OTHER LEAVES

If any employee is eligible for MPL and leave under any other District policy or applicable law, including the federal Family and Medical Leave Act and the Minnesota Pregnancy and Parenting Leave law, the leaves run concurrently unless prohibited by law and employees will be required to follow notice and documentation obligations under such policies or applicable laws in addition to the steps required for MPL.

XII. EMPLOYMENT RESTRICTIONS DURING MPL

- A. While on MPL, the employee may not be employed by another employer during the same hours that the employee was normally scheduled to work for the district.
- B. While on MPL for an individual's own serious health condition, working at other positions (such as summer school, curriculum writing, extended day, extended school year, etc.) is not allowed. While on MPL for care of a family member or bonding leave, working of other positions must be approved, in writing, by the employee's supervisor and Human Resources, prior to the start of any such position.

XIII. RETALIATION PROHIBITED

The District will not discharge, discipline, penalize, interfere with, threaten, restrain, coerce, or otherwise retaliate or discriminate against any employee for requesting or obtaining benefits or leave, or for exercising any other right under the MPL law.

XIV. ADDITIONAL INFORMATION

812.00 SCHOOL EMERGENCY MANAGEMENT

I. PURPOSE

In accordance with Minnesota statute, the School district will develop, adopt, and maintain a crisis management policy and plan to guide School District and building administration, staff, students, School Board members, District families and community members in responding to a wide range of potential crises within the School District.

STATEMENT OF POLICY

1. The school district shall have in place a school district emergency management plan created in consultation with local community response agencies and other appropriate individuals or groups likely to be involved in assisting with a school emergency and employing the National Incident Management System (NIMS) and the Incident Command System (ICS) at the district and building levels. This policy and the school district plan shall be reviewed and updated annually by the School District Director of Security & Emergency Management. Each principal and site coordinator, as well as representatives of local municipalities and appropriate emergency personnel, will receive a copy of the crisis management plan.
2. Individualized school emergency operations response plans aligned to the school district all-hazard plan shall be developed, reviewed and updated by each school administrator annually building in the district. This policy and the building plans shall be reviewed and updated by the District Director of Security & Emergency Management or designee.
3. All school district staff shall receive school safety training including specific instruction on implementing the school district-wide plan and relevant individualized school plan.
4. Each individual school building will conduct at least five fire evacuation drills, five lockdown drills, , and one severe weather drill, and at least one cardiac emergency response drill every school year. All students and staff in the school district shall receive instruction and participate in the drills.
5. The Superintendent or Superintendent's designee shall create procedures for implementation of the District Emergency Operations Management Plan and the individualized school emergency management plans.

RE: B.I.G.G. Reporting Calendar

Please find attached the [B.I.G.G. reporting calendar for Sy26-27](#). Notable revisions to the calendar include:

1. Switch the September and October presentations. Rationale: MDE revised the reading assessment and the results arrive later than usual; the results will be under embargo at the time of the September BOE. Math and reading will be presented together and moved to October.

District funds related to music and arts- The amount of the district funds dedicated to music and arts will increase from \$243 per student in Fiscal Year 2025 to \$284 per student by Fiscal Year 2029 as outlined in the SPPS district budget. Moved to September.

Reading proficiency-The percentage of SPPS students who are proficient in reading will increase from 34% in 2024 to 40% by 2029; as measured by the Minnesota Comprehensive Reading Assessments. Moved to October.

The percentage of SPPS students learning English as a second language who are proficient in reading will increase from 7% in 2024 to 15% by 2029, as measured by the Minnesota Comprehensive Reading Assessments. Move to October

Math proficiency-The percentage of SPPS students who are proficient in math will increase from 26% in 2024 to 31% by 2029, as measured by the Minnesota Comprehensive Mathematics Assessments.

2. Add new content

New program goals related to the framework for African American success requires regular reporting.

Other BOE priority HMong Project also requires regular reporting.
