Committee-of-the-Whole Meeting Minutes**

**November 22, 2021**

Chair Linda Diaz called the November 22, 2021, meeting of the Committee-of-the-Whole to order at 5:00 PM with seven Board members present: Inspector Arend, Diaz, Felton, Laliberte, Raasch, Walker and Weber. Others present included Superintendent of Schools Dave Webb and several other staff and community members.

---

**Human Resource Update**

Human Resource Director Cathy Miller highlighted the tentative collective bargaining agreement with the South St. Paul Educational Support Professionals as well as a proposed Memorandum of Agreement for a one-time longevity and retention stipend. The School Board will vote on each of these items during their regular business meeting this evening.

Director Miller reviewed a proposal to add a rate of pay for a new Community Education assignment of Aquatics Lead Instructor to the Miscellaneous Wages report that was previously approved on June 14 and August 9, 2021.

**Audit Review**

Finance Consultant Brady Hoffman and Aaron Nielsen, the district's independent auditor from MMKR, reviewed the financial statements and management report for the fiscal year ended June 30, 2021. The district received an unmodified or "clean" opinion on the district's financial statements.

**Enrollment Update**

Superintendent Webb provided a student enrollment update. With enrollment numbers continuing to decline, administration is watching the numbers closely and gathering information from families to provide context for why students may be withdrawing from our district.

**Superintendent Search**

At the request of the Board, the Board Personnel Committee met on November 15 to review and discuss the superintendent search firm proposals received from the Minnesota School Boards Association (MSBA) and School Exec Connect.

The committee reviewed both proposals and concluded that the services within the proposals were very similar with some minor differences on the structure of services. Both organizations will gather critical stakeholder feedback throughout the superintendent search process. The committee also recognized and discussed the following factors when preparing their recommendation: cost, post-hiring support that MSBA provides, guarantees offered by School Exec Connect, and the board lens of the search.

The board unanimously supported the personnel committee's recommendation to enter into a search agreement with the Minnesota School Board's Association.

**School Board Committee Updates**

School Board members provided updates to the various committees in which they serve.

The committee-of-the-whole meeting adjourned at 5:50 PM.

Public Hearing for  
Taxes Payable in 2022

DECEMBER 13, 2021

PRESENTED BY:

BRADY HOFFMAN,

FINANCE CONSULTANT

# Hearing Agenda

---

- Background Information on School Funding
- District's Budget
- District's Proposed Tax Levy for Taxes Payable in 2022
- Public Comments

# Funding is Highly Regulated

---

## State Sets:

- Formulas which determine revenue; most revenue based on specified amounts per pupil
- Tax policy for local schools
- Maximum authorized property tax levy (districts can levy less but not more than amount authorized by state, unless approved by voters in November)

State also authorizes school board to submit referendums for operating and capital needs to voters for approval

# Challenge: State Set Basic General Education Formula Lags Inflation

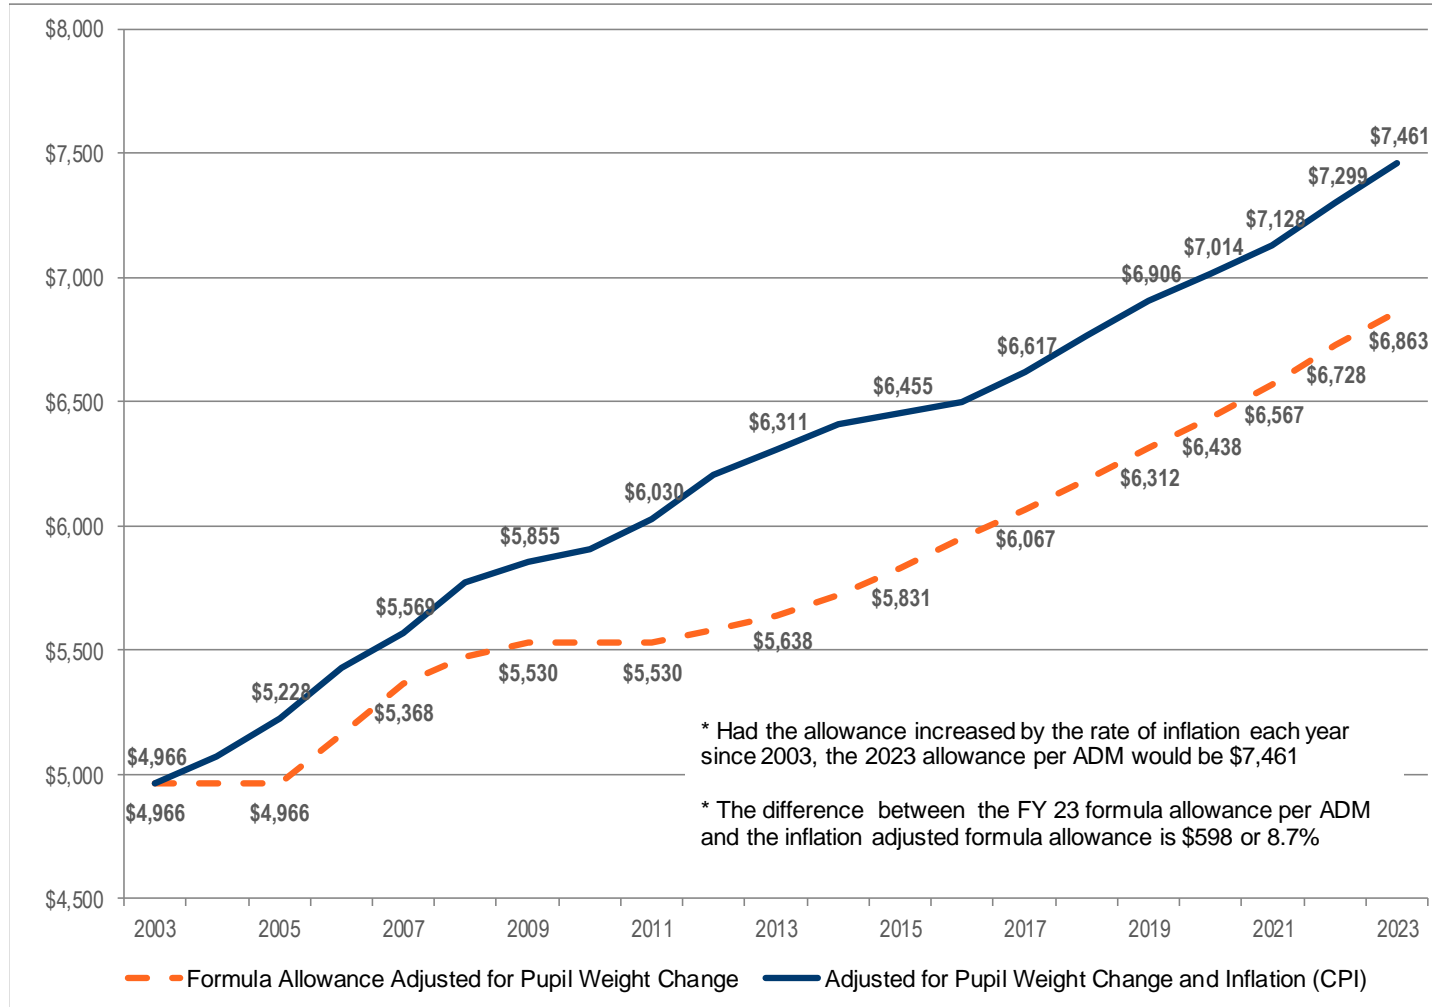

---

- Since 2002-03, state General Education Revenue formula has not kept pace with inflation
- For Fiscal Year 2021-22, an increase of 2.45% or \$161 over previous year was approved
- For Fiscal Year 2022-23, an increase of 2.00% or \$135 over current year was approved

*Per-pupil allowance for Fiscal Year 2022-23 of \$6,863 would need to increase by another \$598 (8.7%) to have kept pace with inflation since 2002-03*

# General Education Formula Allowance, 2003-2023

Adjusted for Pupil Weight Change and Inflation (CPI)

Source: MDE April 2021 Inflation Estimates

# Underfunding of Special Education

---

MDE reports FY 2020 costs of providing special education programs were underfunded statewide by \$673 million

MDE estimates by FY 2025 costs of providing special education statewide will be underfunded by \$806 million

Underfunding of special education costs requires a transfer from regular program resources to support an underfunded program mandated by state and federal law

Primary options to bridge special education funding gap are to cut regular program budgets or increase referendum revenue, most districts have done both

# Change in Tax Levy does not Determine Change in Budget

---

1

Tax levy is based on many state-determined formulas plus voter approved referendums

2

Some increases in tax levies are revenue neutral, offset by reductions in state aid

3

**Expenditure budget is limited** by state-set revenue formulas, voter-approved levies, and fund balance

4

An increase in school taxes does not always correlate to an equal increase in budget

# Budget Information

---

**All school district budgets are divided into separate funds, as required by law**

**District establishes budgets for four funds:**

- General
- Food Service
- Community Service
- Debt Service

# 2021-22 Budgets

# Payable 2022 Property Tax Levy

---

- Determination of levy
- Comparison of 2021 to 2022 levies
- Reasons for changes in tax levy
- Impact on taxpayers

# Property Tax Background

---

- Every owner of taxable property pays property taxes to various “taxing jurisdictions” (county, city/township, school district, special districts) in which property is located
- Each taxing jurisdiction sets own tax levy, often based on limits in state law
- County sends bills, collects taxes from property owners, and distributes funds back to other taxing jurisdictions

# School District Property Taxes

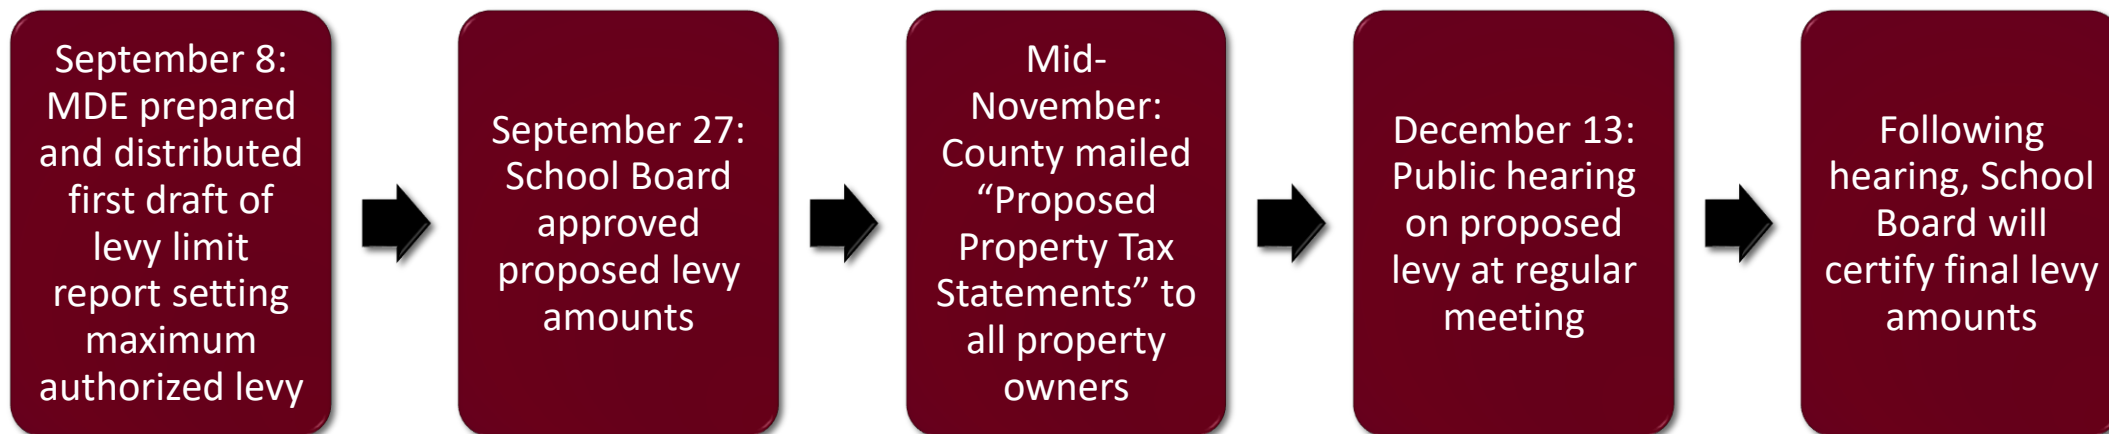

---

- Each school district may levy taxes in over 40 different categories
- Maximum levy amounts for each category are set by:
  - State law
  - Voter approval

*Minnesota Department of Education (MDE) calculates levy maximums for each district*

# Schedule of Events in Approval of District's 2021 (Payable 2022) Tax Levy

---

# Overview of Proposed Levy Payable in 2022

---

- Proposed property tax levy for 2022 is an increase from 2021 of \$146,600 or 1.3%
  - Includes decrease of \$4,480 from proposed levy approved by School Board in September, because District refinanced some of its existing bonds
  - Total savings from refinancing is approximately \$1,800,000, with reduction in debt service levies for taxes payable in 2022 through 2028
- Reasons for major increases and decreases in levy are included on following slides

# Payable 2022 Levy

	<u>Pay 2021</u>	<u>Pay 2022</u>	<u>Change</u>
General Fund	\$7,489,546	\$7,691,830

<b>TOTAL ALL FUNDS</b>	<b><u><u>\$11,070,930</u></u></b>	<b><u><u>\$11,217,530</u></u></b>	<b><u><u>1.32%</u></u></b>

# Factors Impacting Individual Taxpayers' School Taxes

---

Many factors can cause tax bill for an individual property to increase or decrease from year to year

- Changes in value of individual property
- Changes in total value of all property in District
- Increases or decreases in levy amounts caused by changes in state funding formulas, local needs and costs, voter-approved referendums, and other factors

# Explanation of Levy Changes

---

**Category:** General Fund – Prior Year Adjustments

**Change:** +\$244,972

**Use of Funds:** Various

**Reason for Change:**

- Each year, initial levies are based on estimates of enrollment, values, and expenditures for future years
- In later years, estimates are updated, and levies are retroactively adjusted
- Taxes payable in 2022 includes a large positive adjustment of \$134,574 for Fiscal Year 2020 reemployment costs
- For Long Term Facilities Maintenance program, taxes payable in 2021 included large negative adjustments and taxes payable in 2022 includes a positive adjustment

# Explanation of Levy Changes

---

**Category:** Community Service Fund – School-Age Child Care

**Change:** -\$100,000

**Use of Funds:** Child care services for students with disabilities

**Reason for Change:**

- Initial levy is based on estimated costs
- Estimated costs for taxes payable in 2022 (fiscal year 2022-23) are expected to be less than initial estimate of costs for taxes payable in 2021 (fiscal year 2021-22)

# Four Year School Levy Comparison

---

- Following slides show examples of changes in school district portion of property taxes from 2019 to 2022
- Examples include school district taxes only
- All examples are based on an 18.6% increase in property value over this four-year period
  - Actual changes in value may be more or less than this for any parcel of property
  - Intended to provide a fair representation of what happened to school district property taxes over this period for typical properties

# Impact on Taxpayers

---

- Examples are for property in City of South St. Paul
- Amounts for 2022 are preliminary estimates, based on best available data – final amounts could change slightly
- Estimates prepared by Ehlers, District's municipal financial advisors

## School Board Agenda Item

**Meeting Date:** December 13, 2021

**Place on Agenda:** Committee-of-the-Whole and Regular Business Meeting

**Action Requested:** Approval

**Attachment:** 2021-22 Calendar

**Topic:** 2021-22 Calendar Adjustment

**Presenter(s):** Superintendent Dave Webb

**Background:**

As we approach the upcoming holiday break, our administration recommends a change to the 2021-22 School Year Calendar. We specifically support an extension of winter break by turning Wednesday, December 22nd into a non-school day and holiday for most employees. As you are aware, several metro school districts are also adjusting their calendar to address a few ongoing issues that have continued to persist during the pandemic. These issues include:

**Staffing Challenges:** We continue to experience staffing challenges in many areas due to both the continuing pandemic and changing employment demographics. We know that prior to school calendar breaks, employee absences also increase and substitute employees' availability decreases. This year, we are seeing more exhaustion in our staff members as they work to cover shifts for employee absences and substitute shortages. We believe adjusting this day would show additional appreciation to our staff for the incredible work they have done to support keeping our schools open and serving students this fall.

**Staff and Student Wellness:** While our students and staff have both greatly appreciated being back in person this school year, the pandemic is still taking a toll on mental health and well being. We believe extending the holiday break will support students and staff by reducing stress with additional time.

**Other important details about this recommendation:**

- Our school calendar currently exceeds the state's required number of school days and hours for all schools. This change will not cause us to make up additional hours or days. We also want the board to be aware that approving any additional days may create the need for those days to be made up in alternative ways, later in the school year.

- For our families currently enrolled in School Age Care (“SAC”), we may be opening registration for fee-based, non-school day care on December 22nd. Capacity may also be limited due to available staffing for this unanticipated day. Current SAC families should look for communication about registration.
- After-school athletics and activities will vary. We are not currently seeing competitions on this date, however, our coaches and advisors will provide guidance regarding practices on this date.
- Although most employees previously assigned to work on December 22, 2021 will have a paid day off, employees required to work on December 22 (i.e. Kids Choice employees, some custodial employees) will work with their supervisor to have a paid day off in the future, prior to the end of the school year. Financially, we will still incur the regular costs associated with a regular school day

Finally, we greatly appreciate the amazing efforts of our staff managing through the ongoing pandemic. We also appreciate the patience and support of our families as we continue to manage through another challenging school year.

**Recommendation:**

Administration recommends an adjustment to the 2021-22 calendar by making Wednesday, December 22, 2021, a day off for students and staff.

**Alternatives:**

Do not adjust the calendar and direct administration with next steps.
