## **ROYALTON EARLY CHILDHOOD PROGRAM DEVELOPMENT UPDATE:**

**Little Royals Preschool Registration Update:** 60 students have enrolled in the Little Royals preschool program so far. We continue to take enrollments through summer and into fall (enrollments continue throughout the school year). We will add a section of 3-day (M-W) full day preschool for 4-year-olds (teacher position extended to our preschool teacher on leave) and reduce by a section of preschool for 2-day 3-year-olds.

**Little Royals ECFE Program Update:** We are holding Monday/Tuesday morning and evening Birth-5 Family Classes and offering a new Wednesday morning 10-week session Circle of Security Class in fall, winter, and spring sessions staffed with Parent and Child Educators along with a para. This is on par with current programming and budgeting. We will also be adding open gym sessions along with Friday drop in and plays soon along with extending sampler classes. *We would re-evaluate an ECFE coordinator position for the school year 2027-28 or 2028-29.*

**Budget Update -** Cost Savings from Midstate \$8,000 (Bridget confirm)

### **Family Outreach Strategy -**

- Census, early childhood screening and data utilization
- Family communications strategy and engagement events
- Formation of the Early Childhood Advisory Council this fall!

**Community and State Partnerships and Resources Planning:** we will grow partnerships with Morrison County, State of Minnesota Department of Children, Youth, and Families, Arrows Family Services, and continue to work with Midstate for ECSE services. We also partner with Milestones, Northern Pines, Help Me Grow, and our director has joined the Early Childhood Morrison County steering committee with area districts.

**NOTE:** The Community Education Director has been charged with creating a 3-year strategic “roadmap” for our Early Childhood programming including cost/revenue projections, growth modeling, and family outreach.

# MINNESOTA STATE HIGH SCHOOL LEAGUE

## Resolution for Membership Information and DocuSign Instructions

The Resolution for Membership is an annual resolution adopted by MSHSL member schools to renew their membership with the Minnesota State High School League. Each school's governing board agrees to adopt the Constitution, Bylaws, Policies and Regulations of the League and all amendments as are published in the latest edition of the League's *Official Handbook*, or as appears on the League's website, as the minimum standards governing participation in said League-sponsored activities and athletics. This should be done at the June or July school board meeting prior to the start of the upcoming school year.

Each member school Superintendent/Head of School and their Board Clerk must sign the Resolution for Membership Form to renew their membership for the upcoming school year. The process for signing the Resolution for Membership will be done electronically through DocuSign. Please follow the steps below and on the following pages to complete the Resolution for Membership for your school(s).

The Activities Administrator will receive an email from DocuSign when the Resolution for Membership for your school is complete. The Activities Administrator does not need to take any action, as both the League Office and the Superintendent/Head of School will receive a copy of the completed Resolution.

**Printing instructions:** If a physical copy of the Resolution for Membership is needed for the school board packet, [a version is available for printing here](#). **The signed Resolution will only be accepted electronically through DocuSign.**

**Need to reassign to a different Superintendent/Head of School?** If the Resolution for Membership needs to be assigned to a different Superintendent/Head of School, please contact Amanda Johnson, [arjohnson@mshsl.org](mailto:arjohnson@mshsl.org). Inform her of the change to the Superintendent/Head of School and the Resolution for Membership will be reassigned by the League Office.

## Step 1: Superintendent/Head of School Specifies the Board Clerk

- Superintendent/Head of School receives an email from DocuSign.
  - Note: If there is more than one school in your district, the Superintendent/Head of School will receive one email for each school in the district prefilled with the name of the school.
- Click the Review Document button to complete the Recipient's (Board Clerk's) Information.
- Enter the Name, Email and copy and paste the League provided private message below to your Board Clerk and click the Finish button. This will send an email to your Board Clerk and will inform them that they have been designated as such and will sign the Resolution for Membership following the signature of the Superintendent/Head of School.
- **Private Message to Board Clerk:** Please copy and paste the following message into the Private Message field for the Board Clerk

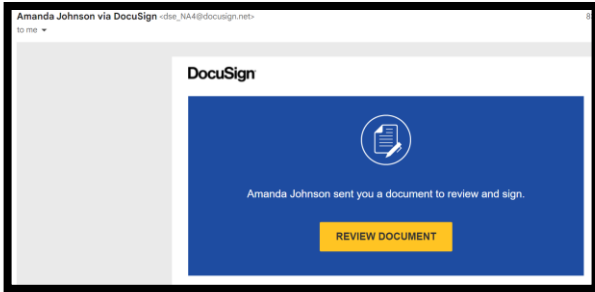

*Dear Board Clerk,  
You are receiving this email as the Designated Board Clerk and will be the second signer on the MSHSL Resolution for Membership Form. Initially you will only be able to view the Resolution form until the Superintendent/Head of School has signed the form first. Following the signature of the Superintendent/Head of School, you will receive a second email that will allow you to sign the Resolution Form. Please contact your Superintendent/Head of School if you have questions regarding the process.  
Thank you.*

- The Board Clerk will only be able to view the Resolution for Membership until the Resolution is signed by the Superintendent/Head of School. The Board Clerk will receive a second email once the Superintendent/Head of School has signed the Resolution and it is the Board Clerk's turn to sign the document.

## Step 2: Superintendent/Head of School Completes and Signs the Resolution

- Superintendent/Head of School receives an email from DocuSign to review, fill out and electronically signs the Resolution for Membership Form.
  - Note: If there is more than one school in your district, the Superintendent/Head of School will receive one email for each school in the district prefilled with the name of the school.

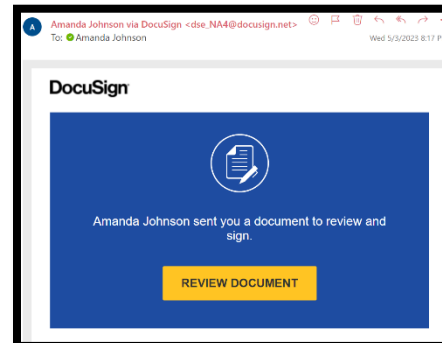

- Upon completion, click the Finish button at the bottom of the document.

### Step 3: Board Clerk Signs the Resolution

- Following the electronic signature of the Superintendent/Head of School, the Board Clerk receives an email from DocuSign to review and electronically sign the Resolution for Membership.
- The Board Clerk is the second signer and will be able to see, but not edit, the names of the representatives entered on the Resolution Form by the Superintendent.
- The Board Clerk only needs to electronically sign at the bottom of the second page of the Resolution.
- Upon completion, click Finish button at the bottom of the document.

Congratulations! The Resolution for Membership Form has been completed and has been electronically signed by both the Superintendent/Head of School and the Board Clerk. The Superintendent/Head of School and the Activities Administrator will receive an email from DocuSign indicating the Resolution for Membership is complete with a copy of the fully executed Resolution.

Please contact Amanda Johnson, [arjohnson@mshsl.org](mailto:arjohnson@mshsl.org) if there are questions on completing this process.

## **Cardiac Emergency Response Plan**

Royalton Public Schools

Date adopted by School Board:

June 8, 2026

---

Date of Last Revision:

# Cardiac Emergency Response Plan

This plan is based on the Minnesota Department of Education’s (MDE’s) model plan guidance for school districts and charter schools to meet the requirements in [Minnesota Statutes 2025, section 121A.241](#) and [Minnesota Statutes 2024, section 121A.035](#) and supports a school’s development of a cardiac emergency response plan (CERP).

## Purpose and Integration

The CERP provides a comprehensive strategy for responding to sudden cardiac arrest (SCA) on school grounds. The plan should become an addendum to the **Crisis Management Policy** and be included in a building-level crisis management plan under crisis-specific procedures for cardiac emergencies. The CERP is presented to staff during workshop week (prior to the start of the school year) and will be printed and placed with all AEDs. Local emergency services (EMS) and the district’s School Resource Officer (SRO) will receive a copy of this plan.

## List of Abbreviations

---

Abbreviations	Definitions
AED	automated external defibrillator
CERP	cardiac emergency response plan
CERT	cardiac emergency response team
CPR	cardiopulmonary resuscitation
EMS	emergency medical services
SCA	sudden cardiac arrest

## Definition of Sudden Cardiac Arrest

Sudden cardiac arrest (SCA), as defined by the American Heart Association, is a sudden and unexpected loss of heart function caused by an irregular heart rhythm and can occur with or without a known heart condition. This disruption prevents effective blood circulation, and without immediate intervention, can cause loss of consciousness, collapse, and death within minutes.

Signs of arrest may include one or more of the following:

- Unresponsiveness
- Abnormal or absent breathing

- seizure-like movements
- In some cases, SCA may occur immediately after a sudden, forceful direct hit to the chest.

## Cardiac Emergency Response Team (CERT):

The school administrator in each building designates available and willing school staff including school nurses, physical education teachers, activities directors, coaches, office and maintenance staff, staff overseeing recess, and any other staff who are present before, during, or after the school day. Best practice suggests including at least five people or 10% of overall staff (AHA, 2025). Minnesota Statutes 2025, section 121A.241, subdivision 2(1).

The school administrator has selected the following staff members to lead emergency medical responses.

## Automated External Defibrillator (AED) Locations

AEDs must be placed in high-traffic, accessible locations (e.g., cafeterias, gymnasiums) to ensure **retrieval and delivery ideally within 3 minutes** of notification of the emergency.

### AED Registry

[Minnesota Statutes 2024, section 403.51](#), states that a person who purchases or obtains a public access AED shall register that device with an AED registry within 30 working days of receiving the AED. Register public access devices with the **National Emergency AED Registry (NEAR)** via [PulsePoint AE](#)

### Maintenance

Schools are required to provide routine maintenance of AEDs and should consult with their district or charter school's health and safety or facilities team to determine best practices for proper installation and maintenance of AEDs, including a process for regular safety checks. Minnesota Statutes 2025, section 121A.241, subdivision 2(3).

This plan designates the following school staff or department to maintain AED registry and maintenance of equipment including regular safety checks to verify expiration dates for device pads and batteries and to ensure equipment is functioning properly:

Staff/Department Name	Role	Responsibility
Nichole Klinkhammer, Health Services	Licensed School Nurse	AED registry, regular safety checks, verify pad/battery expirations.
Tony Duevel, Director of Building and Grounds	Director of Building and Grounds	Regular safety checks (fields and summer months), verify pad/battery expirations.

### AED Site Map

This plan references site maps with indoor and outdoor locations for all buildings on campus.

*Site map and AED locations:*

<b>AED Location: Elementary School</b>	<b>Nearest High-Traffic Area</b>	<b>Co-located Items</b>
South side of gymnasium; main hallway	<i>Gymnasium</i>	Naloxone kit

<b>AED Location: Middle/High School</b>	<b>Nearest High-Traffic Area</b>	<b>Co-located Items</b>
HS Commons	<i>Commons</i>	Naloxone kit
HS Cafetorium	<i>Activities Entrance</i>	Naloxone kit
Baseball fields	<i>Baseball fields</i>	
Greenhouse	<i>Greenhouse/football fields</i>	

# Communication Plan

## How to Activate the CERT and Local Emergency Medical Services (EMS)

### Discuss Roles and Responsibilities

Identify and discuss specific tasks within the emergency response team. CERT members should be prepared to assist in multiple roles if necessary to account for when staff are absent or not available at the time of the emergency response.

1. Staff member to call 911
2. Staff member to retrieve the AED
3. Staff member to meet EMS at the quickest entry point to access the scene
4. Staff member to clear the area and manage possible crowds
5. Staff members to assist with compressions and AED use
6. Staff member to document the event timeline and transition report to EMS

### Communication

Communication is a critical component in the team's efficient emergency response. CERTs should determine a communication plan that includes two-way communication covering all areas of the school's campus, both inside and outside of the facility.

The following plan outlines how staff members activate local EMS and the CERT in a consistent manner using overhead page, two-way radio, phone, or other communication device with consideration for confidentiality.

- **Initial Alert:** Any staff member witnessing a collapse should immediately call 911
- **Internal Notification:** Activate the CERT via overhead paging system, walkie talkie, or phone.
- **Standard Script:** "There is a cardiac emergency in [*specific location*] and 911 has been called"
- **Building Status:** School will be placed in a "**hold**" for medical emergency to clear hallways

### Integration of Local EMS with School CERP

School administrators and CERT members develop and implement the CERP in cooperation with relevant local emergency responders, school district health and safety officials, school nurses, athletic staff, and other members of the school or community medical team. The school's CERP with locations of onsite AEDs is provided, along with facility diagrams and site plans to first responders, as requested. Minn. Stat. 121A.241, subd. 2(4) (2025).

The school administrator has designated the school nurse and building principals as the persons responsible for updating and distributing the CERP annually.

## Training and Practice Drills

### Staff Training

Training is the educational process of learning how to recognize sudden cardiac arrest, call 911, perform quality chest compressions, and use an AED. School staff and coaches are encouraged to annually review the school's CERP and learn Hands-Only CPR and AED use to strengthen the school-wide readiness and timely response for cardiac emergencies.

### CERT Certification

Certification formally recognizes a person's proficiency in performing CPR and AED use. Certification is obtained through a nationally recognized organization, such as American Heart Association, the American Red Cross, and others, and includes written and hands-on testing of competency.

Emergency Response Team members are encouraged to maintain CPR/AED certification, renewed at least every two years through nationally recognized organizations like American Heart Association or American Red Cross.

### Student Instruction and Practice

Minnesota law requires grade 7-12 students receive onetime CPR and AED use instruction with hands-on practice as part of the curriculum. Minnesota Statutes 2025, section 120B.236. Schools should consider instructing students on the building's AED locations and how to initiate the emergency response team.

### Annual Drills:

Research shows that having a written and practiced CERP with regular practice drills can increase the chance of survival to 70% compared to less than 10% without such practice (Evans, 2024). Minnesota Statutes 2025, section 121A.241, subdivision 2(5) requires schools to conduct **annual drills** involving staff and students. A successful drill is defined by the American Heart Association as full completion of the protocol in **5 minutes or less**.

The school's plan for practice drills is as follows:

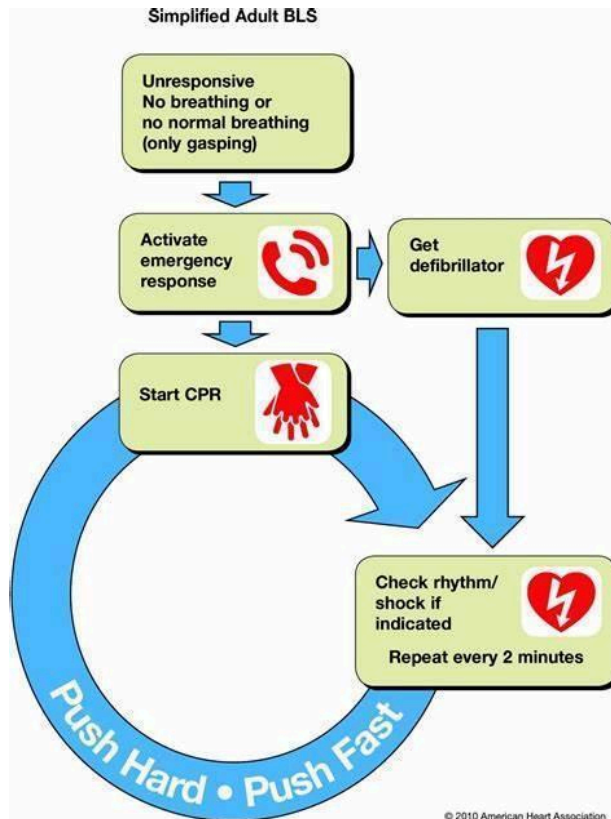

Practice Drill	Students/Staff Involved:	Location:	Drill Format and Time to Complete:
8/24/26	Initial drill will consist of all team members	TBD	[Format e.g., tabletop exercise, hands-on simulation]

## Cardiac Emergency Response Protocol

Although most school staff do not have a background in the medical field, it is possible that a situation will arise that requires quick action from staff to successfully respond to a medical emergency. This protocol provides step-by-step guidance that all staff can follow in the event of a cardiac emergency.

**Scenario:** A person is found on the ground, not responding to verbal prompts or physical touch. The person is observed to have abnormal breathing (irregular breaths, gasping, or not breathing at all), and may begin to show seizure-like movements or convulsions. You need to take immediate action.

1. **Recognize signs of SCA** (may include one or more of the following).
  - Not moving, unresponsive, or unconscious
  - Not breathing normally (e.g., irregular breathing patterns, gasping or gurgling, or may not be breathing at all)
  - Seizure or convulsion-like movements
2. **Call 911:** Direct a specific person to call and stay on the line and answer dispatcher questions
  - Provide building address:
    - **Middle/High School: 120 South Hawthorn St.**
    - **Elementary School: 119 North Driftwood St.**
  - Include closest entry point, if possible, (e.g., “Door A”)
  - Explain the person’s condition and symptoms
  - Listen carefully to the dispatcher for additional guidance
3. **Activate CERT:** Use the internal communication plan to alert the team. *“There is a cardiac emergency in [specific location] and 911 has been called.”*
  - Schools follow communication procedures within the crisis management plan for placing the school or area of the school in a **“hold”** for a medical emergency.
4. **Retrieve AED:** Designate a person to retrieve the nearest AED.
5. **Start CPR:** Place the unresponsive person on their back, on a firm, flat surface and begin chest compressions (100-120 per minute).
  - Use 2-hands placing the heel of one hand in the center of the chest, on the lower half of the breastbone, and the other hand directly on top, interlocking fingers (use one hand for smaller adults and children).
  - If you are able and willing to provide rescue breaths, use a barrier mask and provide 2 breaths after 30 compressions.
  - Continue compressions until EMS arrives.

6. **Turn on the AED:** Apply the pads and follow all audio/visual prompts.
7. **Transfer Care:** Report the time found and CPR start time to EMS.
8. **Document:** A designated CERT member must record all event timings and conditions.

## Post-Event Procedure

**Notification:** Notify emergency contacts following the crisis management plan.

- **AED Data:** Provide AED data to medical providers if requested.
- **After-Action Review:** CERT members should debrief to identify successes and improvements to the plan.
- **Mental Health Support:** Implement a plan for supporting staff and student mental health needs following their participation in or observation of the event. The plan may include support through the Employee Assistance Program or Regional Crisis Response Team ([Minnesota Statewide Crisis Management Team](#))

## Annual Review

The School Board and CERP Coordinator will review this plan annually to ensure it reflects current evidence-based best practices. Minnesota Statutes 2025, section 121A.241, subdivision 2 (6).

Planning and evaluation tools are provided in the MDE Model CERP for Schools, Appendix B.
