1. CALL TO ORDER

2. ROLL CALL

3. VISITOR COMMENTS

The school board meeting is a meeting in the public, not a public meeting. Nicollet School Board Policy provides that persons who wish to have a subject discussed at a public school board meeting are encouraged to notify the superintendent's office in advance of the school board meeting. The school board chair will recognize one speaker at a time and will rule out of order other speakers who are not recognized, violations of data privacy, or inappropriate comments.

We have been notified by MDE that our food service fund balance is out of compliance with U.S. Department of Agriculture [7 CFR 210.14 and 210.19](#). Per these regulations, a school food authority must limit its net cash resources to an amount not exceeding three months' average expenditures. Our excess fund balance in the food service fund is \$30,000. We must submit an Excess Cash Resources Reduction plan to MDE by March 30.

I am developing a plan with Barb Rosin to purchase kitchen equipment. We are gathering cost information for a new freezer, serving line, and other equipment.

The daycare staff and children are experiencing a high rate of absenteeism due to COVID-19 and influenza. Some days the toddler and preschool rooms are combined. We may need to reduce the hours of operation to avoid temporarily closing the program.

The 2022 legislative session is underway. The primary areas of focus are expected to be the \$7.7 billion budget surplus and the bonding bills. Additional funding for public education has been proposed by the Governor's in his supplemental budget.

The calendar is important to all stakeholders. Therefore, I organized a committee, which includes representatives from teachers, parents, administration, non-certified staff, and students. The 2022-23 calendar committee will meet February 16. The calendar, developed by the committee, is recommended to the superintendent. The superintendent's recommendation will be submitted to the school board on March 9.

Principal's Report: February 9, 2022

Celebrations/Successes:

On Friday, January 21 we had 2 sessions of students taking the American Govt. There were a total of 28 students who took the exam. This was the district's first time administering this test on a grand scale (more than 1 student). It was a great learning experience for the students, instructor, and people helping administer the test. Our next exam will be the CLEP Biology exam on June 6. The following day, June 7, our students will take the CLEP Microeconomics exam.

Our lunch/kitchen staff and trying hard to make meals that are appealing for children. I have seen and heard stories of other schools and districts that are struggling with this. Kudos to our kitchen staff (Barb Rosin and Rebecca Gieseke).

We will be celebrating our paraprofessionals during the week of April 4-8. National Para Appreciation Day is Wed., April 6, 2022. The case managers are in the process of putting together daily items/ways to celebrate (Whitney Kuehn is spearheading this. Thank you, Whitney).

Master Schedule/Registration Update:

We are waiting to see if we will have 1 or 2 sections of Kindergarten. We will get a more accurate picture after Kindergarten Round-Up in April.

The plan is to start to register 6-11th-grade students for next year later this month during their homerooms.

A tremendous amount of time, effort, and thought go into making a master schedule. I want to thank the following master schedule committee members for their active involvement; Lisa Fischer, Nicole Lecy, Katy Meister, Emmelyn King, April Royer, and Andrea Dallmann.

Staffing Update:

Continue to try and garner interest for various support and certified positions (this and next year).

Conferences:

Conferences took place last Thursday and Friday for our K-6th grade students. We will have the 7-12th grade conferences take place on Thursday, March 10 (3:30-7:30 PM). School Readiness (PreK) will have conferences take place on April 28 (3:30-7:30 PM) and 29 (7:30-3:00 PM).

“Developing responsible, lifelong learners who are ready to succeed in a changing world.”

4. Submitted By Student Leaders

The purpose of this letter is to propose an amendment to the Nicollet Public School Dress Code Policy.

The student body of Nicollet High School would like to propose that the “Clothing and Attire” section of Part I of the Student-Parent Handbook Policy be amended to remove the subsection on headwear which states: “Headwear, including hats, hoods, bandanas, etc. may not be worn indoors during the school day.” This change would effectively allow the wearing of hats, hoods, and other appropriate headwear, which complies with all clothing and attire policy guidelines indoors during the school day.

The student body would like it to be known that this request was preceded by a student lead petition which acquired 146 signatories in favor of the proposed amendment. All 146 signatories were verified as current students of Nicollet Public School.

This change will improve learning since it will reduce the number of disciplinary issues and distractions in the school. This would improve the student climate since some students feel more comfortable wearing hats. This will be good for families since they won't get emails about students wearing hats in school.

The student body would also like to submit the following reasons for changing the policy:

- School administration can focus on more serious disciplinary issues
- Head wear has not been proven to have a negative effect on learning
- Students should have a right to express individuality as long as that expression is appropriate, non-offensive, and professional.
- There can be religious grounds for allowing head wear. Amending the policy now will help to promote a more diverse student body in the future.
- Changing this policy will decrease the number of Serious Incident Reports submitted to Administration
- Changing the policy will help students understand that it is possible to effect change through a responsible and democratic process which models their understanding of Democratic Citizenship for their life after High School. This process demonstrates the effectiveness of responsible decision making versus disobedience and unlawfulness.
