I. DISTRICT GOALS REPORT

1. Student Goal—Hays CISD believes in the achievement of every student. The District will evaluate and address the individual needs of each student. Student performance will be evaluated in academics, college readiness, and career development. Our staff believes in the education of the whole child and knows that success is based on more than the results of a single test.

Evidence of Attainment—A summary of staff professional development efforts addressing data disaggregation, administrative walk-throughs, and CTE programs, will be presented in December and June that includes literacy and math data, along with specific curricular and teaching strategies to address these areas. Although the timeline calls for this to be presented in December, the professional development plan has been prepared and will be shared with the board at this November board agenda workshop.

Presenter: Dr. Eric Wright, Belinda Ellis

2. Board/Staff/Community Relations Goal—HCISD is dedicated to treating all stakeholders with respect and dignity. Cultivating great community and staff relations requires empathy, visibility, trust, and communication. Communication through all appropriate avenues is a priority, and staff will receive training in these areas. Our district is committed to increasing client engagement both internally and externally.

Evidence of Attainment—Staff will receive targeted training, after a process review, in the areas of customer service and community relations. HCISD will develop strategies and systems to make this the best place to work, and the plan will be presented to the Board in November.

Exceptions for Closed Meetings

A board may conduct a closed meeting for the purposes described in the following provisions.

Attorney Consultation	A board may conduct a private consultation with its attorney only when it seeks the attorney's advice about pending or contemplated litigation or a settlement offer or on a matter in which the duty of the attorney to the board under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with the requirement for open meetings. <i>Gov't Code 551.071</i> [See BE for permissible methods of communication for attorney consultations]
Real Property	A board may conduct a closed meeting to deliberate the purchase, exchange, lease, or value of real property if deliberation in an open meeting would have a detrimental effect on the board's position in negotiations with a third person. <i>Gov't Code 551.072</i>
Prospective Gift	A board may conduct a closed meeting to deliberate a negotiated contract for a prospective gift or donation to a district if deliberation in an open meeting would have a detrimental effect on the board's position in negotiations with a third person. <i>Gov't Code 551.073</i>
Personnel Matters	A board is not required to conduct an open meeting to deliberate the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee or to hear a complaint or charge against an officer or employee. However, a board may not conduct a closed meeting for these purposes if the officer or employee who is the subject of the deliberation or hearing requests a public hearing. <i>Gov't Code 551.074</i> The closed meeting exception for personnel matters does not apply when a board discusses an independent contractor who is not a school employee, such as an engineering, architectural, or consultant firm, or when a board discusses a class or group of employees, not a particular employee. <i>Atty. Gen. Op. MW-129 (1980), Atty. Gen. Op. H-496 (1975)</i>
Employee-Employee Complaints	A board is not required to conduct an open meeting to deliberate in a case in which a complaint or charge is brought against a district employee by another employee and the complaint or charge directly results in the need for a hearing. However, a board may not conduct a closed meeting for this purpose if the employee against whom the complaint or charge is brought makes a written request for an open hearing. <i>Gov't Code 551.082</i>
Student Discipline	A board is not required to conduct an open meeting to deliberate in a case involving discipline of a public school child. However, a board may not conduct a closed meeting for this purpose if the child's parent or guardian makes a written request for an open hearing. <i>Gov't Code 551.082</i>
Personally Identifiable Student Information	A board is not required to conduct an open meeting to deliberate a matter regarding a student if personally identifiable information about the student will necessarily be revealed by the deliberation. Directory information about a public school student is considered to be personally identifiable information about the student for this purpose only if a parent or guardian of the student, or the student if the student has attained 18 years of age, has informed a district that the directory information should not be released without prior consent. [See FL] This exception does not apply if an open meeting about the matter is requested in writing by a parent or guardian of the student or by the student if the student has attained 18 years of age. <i>Gov't Code 551.0821</i>

To discuss or deliberate regarding commercial or financial information that the board has received from a business prospect that the board seeks to have locate, stay, or expand in or near a district and with which the board is conducting economic development negotiations; or 9. To deliberate the offer of a financial or other incentive to such a business prospect. <i>Gov’t Code 551.087</i>

The certified agenda must include a statement of the subject matter of each deliberation, a record of any further action taken, and an announcement by the presiding officer at the beginning and end of the closed meeting indicating the date and time. A presiding officer shall certify that a certified agenda is a true and correct record of the proceedings. If a recording is made, it must include announcements by the presiding officer at the beginning and end of the meeting indicating the date and time. <i>Gov’t Code 551.103</i> “Recording” means a tangible medium on which audio or a combination of audio and video is recorded, including a disc, tape, wire, film, electronic storage drive, or other medium now existing or later developed. <i>Gov’t Code 551.001(7)</i> Closed meetings may not be recorded by an individual trustee against the wishes of a majority of a board. <i>Zamora v.
