C. Summary:

- Previous board action relating to this item -
 Background information – The Texas Education Code (TEC) and the Texas Education Agency (TEA) require that the Official district budget be adopted at the fund and function level and must include the General Fund, Debt Service Fund, and Food Service Fund. The attached budget meets the requirements of the Texas Education Code.

The 83rd Legislative Session, under HB 5, amended Section 29.081 (b-1) of the Texas Education Code (TEC). The amendment requires school districts to separately budget sufficient state compensatory education funds and any other funding necessary to sufficiently support the cost of additional accelerated instruction for students who fail to perform satisfactorily on an EOC assessment instrument required for graduation. State compensatory education funds cannot be budgeted “for any pother purpose until the district adopts a budget to support additional accelerated instruction”.

In order to meet the requirements of Texas Education Code section 29.081 (b-1), staff is requesting specific Board approval of \$8,688,649, which has been included in the existing budget requests, however, requiring segregation and identified by Board action. These funds will be used to support the following student accelerated instructional practices and interventions: summer school, end of course (EOC) review sessions, and educational resources to support accelerated instruction.
