Financial Recap

I am providing several reports to recap our financial situation as of the end of December (33% of fiscal year completed). A Cash Balance Trend spreadsheet shows balances in the major funds over a four year period. Our balances have been steady over this time.

FUND INFORMATION

Following is a short summary of each major fund:

GENERAL: Expenditures are at 26% of budget, with 33% of the year completed. Receipts are at 28% of budget, with 33% of the year completed. Receipts in November and December are historically very low, and the budgeted amounts “catch up” once the Jan, May and June receipts occur. Both Receipts and Expenditures are tracking very similarly to the prior three years:

GENERAL FUND	all figures thru 12-31 of year	
	<i>Receipts</i>	<i>Expenditures</i>
SY 21-22	\$ 1,183,962	\$ 1,438,250
SY 20-21	\$ 1,194,157	\$ 1,423,418
SY 19-20	\$ 1,223,904	\$ 1,360,911
SY 18-19	\$ 1,148,636	\$ 1,356,531

DEPRECIATION: Purchases this fiscal year are \$5,133 for two garbage disposals. Those are the only expenditures to date. We plan to replace the football field scoreboard through this fund this year (est: \$28,000).

BOND: The December principal and interest payment of \$476,840 was made in December. I had to loan \$83,500 from the General Fund in order to make this payment. (This is typical for the principal payment). January tax receipts should allow this loan to be paid right away.

SPECIAL BUILDING: There is \$787,000 in this account. There are numerous projects being researched, and some of this balance will be expended on fixing drainage issues on the playground. Final expenses on the Greenhouse will be charged to Special Building.

NUTRITION: The Summer Program has been continued for the 21-22 school year due to COVID funding. Students are not charged for meals, and reimbursement rates are much higher than under the standard program. However, reimbursements from the State of Nebraska have been lagging, even though claims are filed on time. I loaned \$12,000 from the General Fund to cover this timing issue. The loan should be able to be repaid in May or June once the May claim is paid. Other than this timing issue, we have not had to use General Funds to support operations of the Nutrition Program this year.

GREENHOUSE

Please see following Greenhouse recap for receipts and expenditures to date. The final payment to Stuppy Greenhouse will be made as soon as final inspection is done. That payment will be \$21,475, which is 25% of their quoted total. The Special Building Fund will make that payment. Special Building Fund will also pay for the outstanding sub-contractor expenses, which include 34 Electric and Starr Plumbing.

BE IT RESOLVED BY THE BOARD OF EDUCATION OF SALINE COUNTY SCHOOL DISTRICT 0068 (FRIEND PUBLIC SCHOOLS) IN THE STATE OF NEBRASKA:

Section 1. The Board of Education (the “**Board**”) of Saline County School District 0068 (Friend Public Schools) in the State of Nebraska (the “**District**”), hereby finds and determines:

(a) The District is duly organized as a Class III School District under Sections 79-102 and 79-407, Reissue Revised Statutes of Nebraska, as amended, maintaining both elementary and high school grades under the direction of a single Board of Education, the District embracing territory having more than one thousand and less than one hundred fifty thousand inhabitants.

(b) The District has heretofore issued and there are now outstanding and unpaid the following valid interest bearing obligations of the District:

(i) General Obligation Refunding Bonds, Series 2017, in the outstanding principal amount of \$4,675,000, dated May 15, 2017 (the “**Outstanding Bonds**”), which mature and bear interest as follows:

<u>Principal Amount</u>	<u>Maturing December 15 of Year</u>	<u>Interest Rate</u>
\$420,000	2022	1.850%
435,000	2023	2.000
440,000	2024	2.200
445,000	2025	2.350
460,000	2026	2.450
470,000	2027	2.550

The Outstanding Bonds are redeemable at the option of the District at any time on or after May 15, 2022, at a redemption price equal to the principal amount thereof plus accrued interest to the date fixed for redemption (the “**Redemption Date**”).

(c) (i) All of the Outstanding Bonds are valid, interest bearing obligations of the District; (ii) since the Outstanding Bonds were issued, the rates of interest available in the market have so declined that by issuing its refunding bonds, to provide funds for the payment and redemption of all or a portion of the Outstanding Bonds, as determined by an Authorized Officer (defined herein), a substantial savings in the amount of yearly running interest will be made to the District; (iii) all or a portion of the Outstanding Bonds (as called for redemption, the “**Refunded Bonds**”) are herein authorized to be called for redemption; (iv)

for the purpose of providing for the payment and redemption of the Refunded Bonds as above set out and to pay costs of issuance thereof, it is in the best interest of the District to issue general obligation refunding bonds of the District, in the aggregate stated principal amount of not to exceed \$4,800,000; and (v) except as set forth herein, the District has no bond sinking funds on hand for the retirement of the Refunded Bonds not required for the timely payment of principal and interest due on the Redemption Date.

(d) Upon satisfaction of the terms and conditions set forth in **Section 2** hereof, it is necessary, desirable and advisable that the District issue its general obligation refunding bonds, for the purpose of providing funds which, together with other funds of the District legally available for such purposes, shall be sufficient for the payment and redemption of the Refunded Bonds on the Redemption Date.

(e) All conditions, acts and things required by law to exist or to be done precedent to the issuance of general obligation refunding bonds of the District in the principal amount of not to exceed \$4,800,000, for such purposes do exist and have been done in due form and time as required by law.

Section 2. (a) For the purpose of refunding the Refunded Bonds and paying the costs of issuing bonds as described herein, the issuance, sale and delivery of general obligation refunding bonds of the District, is hereby authorized and directed in an aggregate stated principal amount not to exceed \$4,800,000, (the “**Bonds**”). The Bonds shall be sold pursuant to a negotiated sale with D.A. Davidson & Co. (the “**Purchaser**”). The Bonds shall be issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof, not exceeding the amount maturing in any one year, and shall be numbered from R-1 upward in the order of their issuance.

(b) The Superintendent or President of the Board (each, an “**Authorized Officer**”) is each individually hereby authorized and directed, in the exercise of his or her independent judgment and absolute discretion, to hereafter, from time to time, specify, set, designate, determine, establish and appoint, as the case may be, and in each case in accordance with and subject to the provisions of this Resolution, (1) the date of original issue of the Bonds, (2) the aggregate stated principal amount of Bonds to be issued (which shall in no event exceed \$4,800,000 in the aggregate, provided, however, in the event the Bonds are sold with a net original issue discount such aggregate principal amount may be increased in an amount necessary to compensate for any such net original issue discount), (3) any original issue premium or original issue discount properly allocable to each maturity of the Bonds, (4) the principal payment dates for the Bonds and the principal amount of Bonds to mature on each of such dates, (5) the date of final maturity of the Bonds, which shall in no event be later than December 15, 2031, (6) the date or dates upon which the Bonds shall be sold, (7) the rate or rates of interest to be carried by each maturity of the Bonds (which shall result in at least 3.00% present value savings over the Refunded Bonds being refunded by the Bonds), (8) the method by which such rate or rates of interest shall be calculated and the interest payment dates and record date for the Bonds, (9) whether or not the Bonds shall be subject to redemption prior to their stated maturity and, if subject to such prior redemption, (A) the provisions and procedures governing such prior redemption, (B) the nature of any notice to be given in the event of any such prior redemption, (C) the redemption price or prices payable upon such redemption (not to exceed 104%) and (D) the respective periods in which each redemption price shall be payable, (10) the amount and due date of each sinking fund installment for Bonds that are term Bonds, (11) the Registrar for the Bonds, (12) the underwriting discount, not to exceed 0.80% of the stated principal amount of the Bonds, and the price at which the Bonds shall be sold to the Purchaser, (13) the form, contents, terms and provisions of the Bond Purchase Agreement and Registrar Agreement (each as hereinafter defined), (14) the form and contents of any closing and other documentation executed and delivered by the District in connection with the authorization, issuance, sale and delivery of the Bonds, (15) any transfer restrictions relating to the Bonds, and (16) all of the other terms of the Bonds not otherwise determined or fixed by the provisions of this Resolution.

(c) The Authorized Officers, or each individually, are hereby authorized to irrevocably call any or all of the Refunded Bonds for redemption on such date he or she determines appropriate, which date or dates shall be the Redemption Date hereunder. The Authorized Officers, or each individually, are hereby authorized to designate, approve, execute and deliver, as the case may be (i) the form, content, terms and provisions of any published and/or mailed notice of redemption with respect to the payment and redemption of the Refunded Bonds, (ii) an Escrow Agent, (iii) the form, content, terms and provisions of an Escrow Agreement with the Escrow Agent for the purpose of providing for the deposit in trust with the Escrow Agent a portion of the net proceeds of the Bonds, the investment of such net proceeds pending their application, the application of such proceeds and any investment income to the payment of all of the principal of and interest on the Refunded Bonds maturing on or before each respective Redemption Date and the application of the balance of such proceeds and any investment income thereof to the redemption and retirement of the Refunded Bonds on each respective Redemption Date.

(d) Payments of interest due on the Bonds prior to maturity or earlier redemption shall be made by the Registrar (hereinafter defined) by mailing a check or draft in the amount due for such interest on each interest payment date to the registered owner of each Bond, as of the record date for such interest payment date, to such owner's registered address as shown on the books of registration required to be maintained pursuant to **Section 5**. Payment of the principal or redemption price of and interest on any Bond at maturity or earlier redemption shall be made upon presentation and surrender of such Bond as the same shall become due and payable at maturity, upon redemption or otherwise, in lawful money of the United States of America at the office of the Registrar. Notwithstanding the foregoing, Bonds issued in book-entry form shall be paid in accordance with **Section 2(e)**.

(e) The Bonds shall be executed on behalf of the District by the manual or facsimile signatures of the President and Secretary. The Bonds shall initially be issued in book-entry form only using the services of The Depository Trust Company (the "**Depository**"), with one typewritten bond per maturity being issued to the Depository. In such connection such officers are authorized to execute and deliver a letter of understanding and representation (the "**Representation Letter**") in the form required by the Depository, for and on behalf of the District, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds in book-entry form, the following provisions shall apply:

(1) The District and the Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a "**Bond Participant**") or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a "**Beneficial Owner**") with respect to the following:

(A) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds;

(B) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption; or

(C) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum

or sums so paid. No person other than the Depository shall receive an authenticated Bond.

(2) Upon receipt by the Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the District and the Registrar to do so, the District and the Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (A) to arrange, with the prior written consent of the District, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (B) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(3) Subject to any operational requirements of the Depository, if the District determines that it is desirable that certificates representing the Bonds be delivered to the Beneficial Owners of the Bonds and so notifies the Registrar in writing, the Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of certificates representing the Bonds. In such event, the District and the Registrar shall issue, transfer or exchange certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(4) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Representation Letter.

(5) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Registrar, and the Bonds may be delivered in physical form to the following:

(A) any successor securities depository or its nominee;

(B) any persons, upon (i) the resignation of the Depository from its functions as depository or (ii) termination of the use of the Depository pursuant to this **Section 2**.

(6) In the event of any partial redemption of a Bond, unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this **Section 2**, the books and records of the Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced, the District shall immediately provide a supply of printed bond certificates, duly executed by the manual or facsimile signatures of the President and Secretary, for issuance upon transfers from the Depository and subsequent transfers or in the event of partial redemption. In the event that such supply of bonds shall be insufficient to meet the requirements of the District and Registrar for issuance of replacement bonds upon transfer or partial redemption, the District agrees to order printed an additional supply of bonds and to direct their execution by the manual or facsimile signature of its then duly qualified and acting President and Secretary. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bonds delivered to the Registrar for issuance upon transfer), such signature or such facsimile signature shall nevertheless be valid and sufficient for all

purposes the same as if such officer or officers had remained in office until the delivery of such Bond. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication thereon shall have been duly executed by the Registrar. Certificates of Authentication on different Bonds need not be signed by the same representative. The executed Certificate of Authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution.

(f) Any Bond issued upon transfer or exchange thereof shall be dated as of the date of original issue of such Bond or the interest payment date six months preceding the interest payment date next following the date of registration thereof in the office of the Registrar, as shall be appropriate, unless such date of registration shall be an interest payment date, in which case they shall be dated as of such date of registration; provided, however, that if, as shown by the records of the Registrar, interest on such Bond shall be in default, the Bond issued in lieu thereof may be dated as of the date to which interest has been paid in full on such surrendered Bond; and provided further, that if the date of registration shall be prior to the first interest payment date, such Bond shall be dated as of the date of original issue thereof. The Bonds shall bear interest from the date of original issue thereof.

(g) When any Bond shall have been duly called for redemption and payment thereof duly made or provided for, interest thereon shall cease from and after the date specified for the redemption thereof.

(h) Both the principal of and interest on the Bonds shall be payable at the office of the Registrar in any coin or currency of the United States of America which at the time of such payment is legal tender for public and private debts.

(i) If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the principal corporate trust office of the Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

(j) An Authorized Officer, in her or his discretion, may authorize the printing of CUSIP identification numbers on the Bonds. In the event such numbers are imprinted on the Bonds, no such number shall constitute a part of the contract evidenced by the particular Bond upon which it is imprinted, and no liability shall be attached to the District, or to any officer or agent thereof, including the Registrar, by reason of such numbers or any use made thereof, including any use thereof made by the District, any such officer, the Registrar, or by reason of any inaccuracy, error or omission with respect thereto or in such use.

(k) The Bonds, registration provisions, form of authentication and form of assignment pertaining thereto shall be substantially in the form set forth below with such changes as may be determined upon by an Authorized Officer and such other necessary or appropriate variations, omissions and insertions as are incidental to numbering, denominations, interest rate or rates, registration provisions, redemption provisions and other details thereof or as are otherwise permitted or required by law or this Resolution.

(l) In the event that payments of interest due on the Bonds on an interest payment date are not timely made, such interest shall cease to be payable to the registered owners as of the record date for such interest payment date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Registrar whenever money for the purpose of paying such defaulted interest becomes available.

(m) The Bonds shall be in substantially the following form:

The Board hereby represents, covenants, and warrants that it shall, for so long as any Bond of such series remains outstanding, annually provide for the levy and collection of a tax in addition to all other taxes upon all of the taxable property which the District levied upon for the Refunded Bonds, sufficient in rate and amount to pay the principal or redemption price of and interest on the Bonds as the same becomes due and payable.

Section 4. The Treasurer of the District or a bank or trust company as determined by an Authorized Officer shall be designated as (a) paying agent for the payment of principal of and interest on the Bonds and (b) bond registrar with respect to the registration, transfer and exchange of Bonds (the “**Registrar**”). If a bank or trust company is designated as Registrar, the District is authorized to enter into the Registrar and Paying Agent Agreement (the “**Registrar Agreement**”) dated the date of its execution and delivery between the District and the Registrar in substantially the form determined by an Authorized Officer in accordance with the provisions of **Section 2(b)** (a copy of which shall be filed in the records of the District). An Authorized Officer is authorized to execute the Registrar Agreement with such changes therein as such official deems appropriate, for and on behalf of and as the act and deed of the District.

The District will at all times maintain a Registrar meeting the qualifications herein described for the performance of the duties hereunder. The District reserves the right to appoint a successor Registrar by (1) filing with the bank or trust company then performing such function a certified copy of the proceedings giving notice of the termination of such bank or trust company and appointing a successor, and (2) causing notice to be given by first-class mail to each registered owner. No resignation or removal of the Registrar shall become effective until a successor has been appointed and has accepted the duties of the Registrar.

Each Registrar appointed hereunder shall at all times be a commercial banking association or corporation or trust company organized and in good standing and doing business under the laws of the United States of America or of the State of Nebraska, authorized under such laws to exercise trust powers and subject to supervision or examination by federal or state regulatory authority.

The Registrar shall be paid the usual fees and expenses for its services in connection therewith.

Section 5. As long as any of the Bonds remain outstanding, the District shall maintain and keep at the office of the Registrar an office or agency for the payment of the principal or redemption price of and interest on the Bonds, and for the registration and transfer of the Bonds, and shall also keep at such office of the Registrar books for such registration and transfer.

Upon surrender for transfer of any fully registered Bond at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or its duly authorized attorney, and upon payment of any tax, fee or other governmental charge required to be paid with respect to such transfer, the District shall execute and the Registrar shall authenticate and deliver, in the name of the designated transferee(s), one or more fully registered Bonds of any authorized denominations and of a like aggregate principal amount, interest rate and maturity.

Except as the right of exchange may be limited by an Authorized Officer, Bonds may, upon surrender thereof at the office of the Registrar, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same maturity and interest rate of any authorized denominations.

In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the District shall execute and the Registrar shall deliver Bonds in accordance with the provisions of this

Resolution. For every such exchange or transfer of Bonds, whether temporary or definitive, the District or the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum(s) shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The District shall not be obligated to make any such exchange or transfer of Bonds during the 15 days next preceding the date of the first publication or the mailing (if there is no publication) of notice of redemption in the case of a proposed redemption of Bonds. The District and the Registrar shall not be required to make any transfer or exchange of any Bonds called for redemption.

As to any Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and the payment of or on account of the principal or redemption price of and the interest on any such Bond shall be made only to or upon the order of the registered owner thereof or its legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum(s) so paid.

Section 6. (a) An Authorized Officer is hereby authorized to enter into a Bond Purchase Agreement between the District and the Purchaser under which the District agrees to sell the Bonds to the Purchaser, upon the terms and conditions set forth therein and with such changes therein as shall be approved by an Authorized Officer, which officer is hereby authorized to execute a Bond Purchase Agreement for and on behalf of the District, such officer's signature thereon being conclusive evidence of his or her approval thereof (the "**Bond Purchase Agreement**"). An Authorized Officer shall be responsible for delivery of the Bonds and for all other ministerial acts relating to the Bonds. Each Authorized Officer and all other officers of the Board are hereby authorized to take all actions subsequent to the sale of the Bonds in accordance with the provisions of this Resolution as may be required for the delivery of the Bonds to the Purchaser thereof. Such officials are hereby authorized to execute such orders, certificates, receipts and other documents as may be necessary or desirable for delivery and to receive the purchase price for the Bonds.

(b) The net sale proceeds of the Bonds, along with any necessary funds of the District on hand, shall be applied to the payment and satisfaction of all of the principal of and the interest on the Refunded Bonds falling due prior to, and as called for redemption on, the Redemption Date. Accrued interest received from the sale of the Bonds, if any, shall be applied to pay interest first falling due on the Bonds. Expenses of issuance of the Bonds may be paid from the proceeds of the Bonds. In order to satisfy the District's obligations on the Refunded Bonds, if determined necessary and appropriate by an Authorized Officer, such proceeds of the Bonds along with funds of the District on hand shall be set aside and held and invested in a special trust account which is hereby ordered established with a bank or trust company as determined by an Authorized Officer, to act as escrow agent (the "**Escrow Agent**"). The Escrow Agent shall have custody and safekeeping of the funds and investments which are to be set aside for the payment of the Refunded Bonds. For purposes of governing such escrow account and the holding and application of such funds and investments, the District shall enter into one or more contracts entitled "Escrow Agreement" with the Escrow Agent. The Authorized Officers, or each individually, are hereby authorized and directed to execute and deliver on behalf of the District said Escrow Agreement, including necessary counterparts, in the form and content as determined appropriate by such Authorized Officers, but with such changes and modifications therein as to them seem necessary, desirable, or appropriate for and on behalf of the District. The Authorized Officers, or each individually, are further authorized to approve the investments provided for in said Escrow Agreement, and to make any necessary subscriptions for United States Treasury Securities, State and Local Government Series, or to contract for the purchase of securities in the open market. Said proceeds shall be invested in obligations of the United States Government, direct or guaranteed, including United States Treasury Securities, State and Local

Government Series. To the extent that such proceeds are held in a bank depository account, such deposits shall be insured by insurance of the Federal Deposit Insurance Corporation or, to the extent not fully insured, fully collateralized in the same manner as is required for deposit of public funds. Any investment from the proceeds of the Bonds herein authorized shall mature not later than the Redemption Date. As provided in said Escrow Agreement, the proceeds of the Bonds herein authorized and investment earnings thereon shall be applied to the payment of the principal of and interest on the Refunded Bonds as the same become due on and prior to the Redemption Date, and as called for redemption on the Redemption Date. The District agrees that on the date or dates of original issue of the Bonds, or as soon thereafter as practicable, it shall deposit or otherwise have on hand with the Escrow Agent, from tax levy or other available sources, funds sufficient after taking into consideration available proceeds of the Bonds and investment earnings to provide funds for all payments due on the Refunded Bonds on or before the Redemption Date, and as called for redemption on the Redemption Date.

Section 7. The District's obligations under this Resolution shall be fully discharged and satisfied as to any Bond authorized and issued hereunder, and such Bond shall no longer be deemed outstanding hereunder when payment of the principal or redemption price thereof and accrued interest thereon to the date of maturity or redemption (a) shall have been made, or caused to have been made, in accordance with the terms thereof; or (b) shall have been provided for by depositing with the Registrar, or in escrow with a national or state bank having trust powers in trust solely for such payment of such Bond (1) sufficient money to make such payments; or (2) direct general obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America (herein referred to as "**Government Obligations**"), in such amounts and with such maturities as to principal and interest as will insure the availability of sufficient money to make such payments, and such Bond shall thereupon cease to draw interest from the date fixed for its redemption or maturity and, except for the purposes of such payment, shall no longer be entitled to the benefits of this Resolution; provided that with respect to any Bond called or to be called for redemption prior to the stated maturity thereof, notice of redemption shall have been duly given. If money or Government Obligations shall have been deposited in accordance with the terms hereof with the Registrar or escrow agent in trust for that purpose sufficient to pay the principal or redemption price of or interest on any Bond to the date of maturity or redemption, all liability of the District for such payment shall forthwith cease, determine and be completely discharged, and such Bond shall no longer be considered outstanding.

Section 8. The preparation, use, distribution and delivery of a Preliminary Official Statement and a final Official Statement or other offering materials of the District in such forms and of such contents as an Authorized Officer shall, in the exercise of her or his independent judgment and absolute discretion determine to be necessary, proper, appropriate, advisable or desirable in order to effectuate the issuance, sale and delivery of the Bonds is hereby in all respects, authorized, directed, adopted, specified, accepted, ratified, approved and confirmed. An Authorized Officer shall deem any such offering materials as final for purposes of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934, as amended, as and to the extent required pursuant to Rule 15c2-12.

Section 9. The District hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, a continuing disclosure undertaking (the "**Continuing Disclosure Undertaking**") in such form as shall be satisfactory to the District and in compliance with Rule 15c2-12 of the Securities and Exchange Commission, and (b) covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond (as such terms are defined in the Continuing Disclosure Undertaking) may take such actions as may be necessary and appropriate, including seeking

mandamus or specific performance by court order, to cause the District to comply with its obligations under this **Section 9**.

Section 10. All actions heretofore taken by an Authorized Officer and all other officers, officials, employees and agents of the District, including without limitation the expenditure of funds and the selection, appointment and employment of bond counsel and financial advisors and agents, in connection with issuance and sale of the Bonds, together with all other actions taken in connection with any of the matters which are the subject hereof, are in all respects authorized, adopted, specified, accepted, ratified, approved and confirmed.

Section 11. Without in any way limiting the power, authority or discretion elsewhere herein granted or delegated, the Board hereby (a) authorizes and directs each Authorized Officer and all other officers, officials, employees and agents of the District to carry out or cause to be carried out, and to perform such obligations of the District and such other actions as they, or any of them, in consultation with bond counsel, the Purchaser of the Bonds and its or their counsel, shall consider necessary, advisable, desirable or appropriate in connection with this Resolution, any Preliminary Official Statement and any Official Statement and other offering materials of the District used in connection with issuance, sale and delivery of the Bonds and the redemption of the Refunded Bonds, including without limitation and whenever appropriate the execution and delivery thereof and of all other related documents, instruments, certifications and opinions, and (b) delegates, authorizes and directs each Authorized Officer the right, power and authority to exercise her or his independent judgment and absolute discretion in (1) determining and finalizing all other terms and provisions to be carried by the Bonds not specifically set forth in this Resolution and (2) the taking of all actions and the making of all arrangements necessary, proper, appropriate, advisable or desirable in order to effectuate the issuance, sale and delivery of the Bonds and the redemption of the Refunded Bonds. The execution and delivery by an Authorized Officer or by any such other officers, officials, employees or agents of the District of any such documents, instruments, certifications and opinions, or the doing by them of any act in connection with any of the matters which are the subject of this Resolution, shall constitute conclusive evidence of both the District's and their approval of the terms, provisions and contents thereof and of all changes, modifications, amendments, revisions and alterations made therein and shall conclusively establish their absolute, unconditional and irrevocable authority with respect thereto from the District and the authorization, approval and ratification by the District of the documents, instruments, certifications and opinions so executed and the actions so taken.

Section 12. The District hereby covenants with the purchasers and holders of the Bonds herein authorized that it will make no use of the proceeds of said issue, including monies held in any sinking fund for the payment of principal and interest on said Bonds, which would cause said Bonds to be arbitrage bonds within the meaning of Sections 103 and 148 and other related sections of the Internal Revenue Code of 1986, as amended, (the "**Code**") and further covenants to comply with said Sections 103 and 148 and related sections and all applicable regulations thereunder throughout the term of said issue. The District hereby covenants and agrees to take all actions necessary under the Code to maintain the tax-exempt status (as to taxpayers generally) of interest payable on the Bonds herein authorized, including execution of a Federal Tax Certificate to be dated the date of issuance of the Bonds (a "**Tax Certificate**"). An Authorized Officer is hereby authorized to make any certifications and designation with respect to status of the Bonds under Section 265 of the Code as he or she deems appropriate (including "deem designating" the Bonds, as appropriate).

Section 13. Rebate Account. To ensure proper compliance with the tax covenants contained in **Section 12**, the District shall establish and an Authorized Officer shall maintain one or more accounts separate from any other fund or account established and maintained hereunder appropriately designated as the 2022 Rebate Account. All money at any time deposited in any Rebate Account in accordance with

the provisions of a Tax Certificate shall be held for the account of the District in trust for payment to the federal government of the United States of America, and neither the District nor any registered owner of any Bond shall have any rights in or claim to such money. All amounts deposited into or on deposit in any Rebate Account shall be governed hereby and by the related Tax Certificate. The District shall invest all amounts held in any Rebate Account in accordance with the related Tax Certificate. Money shall not be transferred from a Rebate Account except in accordance with the related Tax Certificate.

Section 14. The Secretary is directed to make and certify transcripts of the proceedings of the District precedent to the issuance of such Bonds, a copy of which shall be delivered to the Purchaser.

Section 15. (a) If any one or more of the provisions of this Resolution should be determined by a court of competent jurisdiction to be contrary to law, then such provisions shall be deemed severable from the remaining provisions of this Resolution and the invalidity thereof shall in no way affect the validity of the other provisions of this Resolution or of the Bonds and the registered owners of the Bonds shall retain all the rights and benefits accorded to them under this Resolution and under any applicable provisions of law.

(b) If any provision of this Resolution shall be held or deemed to be or shall, in fact, be inoperative or unenforceable or invalid in any particular case in any jurisdiction or jurisdictions, or in all cases because it conflicts with any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable or invalid in any other case or circumstance, or of rendering any other provision or provisions herein contained inoperative or unenforceable or invalid to any extent whatever.

Section 16. This Resolution shall take effect and be in force from and after its passage as provided by law.

Re: Underwriting Engagement and Disclosure Letter

Dear Derek:

On behalf of D.A. Davidson & Co. (“we” or “Davidson”), thank you for the opportunity to serve as underwriter for Saline County School District 0068 (Friend Public Schools) in the State of Nebraska (the “Issuer”) on the Issuer’s proposed offering and issuance of General Obligation Refunding Bonds, Series 2022 (the “Bonds”). This letter will confirm the terms of our engagement; however, it is anticipated that this letter will be replaced and superseded by a bond purchase agreement to be entered into by the parties (the “Purchase Agreement”) if and when the Bonds are priced following successful completion of the offering process.

1. Services to be Provided by Davidson. The Issuer hereby engages Davidson to serve as managing underwriter of the proposed offering and issuance of the Bonds, and in such capacity Davidson agrees to provide the following services:

- Review and evaluate the proposed terms of the offering and the Bonds
- Develop a marketing plan for the offering, including identification of potential investors
- Assist in the preparation of the official statement and other offering documents
- Contact potential investors, provide them with offering-related information, respond to their inquiries and, if requested, coordinate their due diligence sessions
- If the Bonds are to be rated, assist in preparing materials to be provided to securities ratings agencies and in developing strategies for meetings with the ratings agencies
- Consult with counsel and other service providers with respect to the offering and the terms of the Bonds
- Inform the Issuer of the marketing and offering process

- Negotiate the pricing, including the interest rate, and other terms of the Bonds
- Obtain CUSIP number(s) for the Bonds and arrange for their DTC book-entry eligibility
- Plan and arrange for the closing and settlement of the issuance and the delivery of the Bonds
- Perform such other usual and customary underwriting services as may be requested by the Issuer

As underwriter, Davidson will not be required to purchase the Bonds except pursuant to the terms of the Purchase Agreement, which will not be signed until successful completion of the pre-sale offering period. This letter does not obligate Davidson to purchase any of the Bonds.

2. No Advisory or Fiduciary Role. The Issuer acknowledges and agrees: (i) the primary role of Davidson, as an underwriter, is to purchase securities, for resale to investors, in an arm's-length commercial transaction between the Issuer and Davidson and that Davidson has financial and other interests that may differ from those of the Issuer.; (ii) Davidson is not acting as a municipal advisor, financial advisor, or fiduciary to the Issuer and Davidson has not assumed any advisory or fiduciary responsibility to the Issuer with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether Davidson has provided other services or is currently providing other services to the Issuer on other matters or transactions); (iii) the only obligations Davidson has to the Issuer with respect to the transaction contemplated hereby expressly are set forth in this agreement; and (iv) the Issuer has consulted its own financial and/or municipal, legal, accounting, tax and other advisors, as applicable, to the extent it deems appropriate. If the Issuer desires to consult with and hire a municipal advisor for this transaction that has legal fiduciary duties to the Issuer the Issuer should separately engage a municipal advisor to serve in that capacity.

In addition, the Issuer acknowledges receipt of certain regulatory disclosures as required by the Municipal Securities Rulemaking Board and as outlined under the heading "REGULATORY DISCLOSURES" below. The Issuer further acknowledges Davidson may be required to supplement or make additional disclosures as may be necessary as the specific terms of the transaction progress.

3. Fees and Expenses. Davidson's proposed underwriting fee/spread shall not exceed 1.00% of the principal amount of the Bonds issued. The underwriting fee/spread will represent the difference between the price that Davidson pays for the Bonds and the public offering price stated on the cover of the final official statement. In addition to the underwriting fee/spread, the Issuer shall pay to Davidson a fee equal to \$-0- as compensation for its services in assisting in the preparation of the official statement and providing various financial analyses, and for the use of Davidson's capital to advance certain costs prior to settlement. The Issuer shall be responsible for paying or reimbursing Davidson for all other costs of issuance, including without limitation, bond counsel, underwriter's counsel, rating agency fees and expenses, third-party disclosure review, CUSIP, DTC, IPREO (electronic book-running/sales order system), printing and mailing/distribution charges and all other expenses incident to the performance of the Issuer's obligations under the proposed Bonds.

4. Term and Termination. The term of this engagement shall extend from the date of this letter to the closing of the offering of the Bonds except as may be superseded pursuant to a Purchase Agreement. Notwithstanding the forgoing, either party may terminate Davidson's engagement at any time without liability of penalty upon at least 30 days' prior written notice to the other party. If Davidson's engagement is terminated by the Issuer, the Issuer agrees to compensate Davidson for the services provided and to reimburse Davidson for its out-of-pocket fees and expenses incurred to the date of termination.

5. Limitation of Liability. The Issuer agrees neither Davidson nor its employees, officers, agents or affiliates shall have any liability to the Issuer for the services provided hereunder.

6. Miscellaneous. This letter shall be governed and construed in accordance with the laws of the State of Nebraska. This Agreement may not be amended or modified except by means of a written instrument executed by both parties hereto. This Agreement may not be assigned by either party without the prior written consent of the other party.

REGULATORY DISCLOSURES

The Issuer has engaged D.A. Davidson & Co. (“Davidson”) to serve as an underwriter, and not as a Municipal Advisor, in connection with the issuance of the Bonds. The primary role of an underwriter is to purchase, or arrange for the placement of, securities in an arm’s-length commercial transaction between the issuer and the underwriter and that the underwriter has financial and other interests that differ from those of the issuer. As part of our services as underwriter, Davidson may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. The specific terms of our engagement will be as set forth in a bond purchase agreement to be entered into by the parties if and when the Bonds are priced following successful completion of the offering process.

1. Dealer-Specific Conflicts of Interest Disclosures

Davidson has not identified any actual or potential material conflicts¹ that require disclosure.

2. Transaction-Specific Disclosures

Since Davidson has not recommended a “complex municipal securities financing” to the Issuer, additional disclosures regarding the financing structure for the Bonds are not required under MSRB Rule G-17. In accordance with the requirements of MSRB Rule G-17, if Davidson recommends a “complex municipal securities financing” to the Issuer, this letter will be supplemented to provide disclosure of the material financial characteristics of that financing structure as well as the material financial risks of the financing that are known to us and reasonably foreseeable at that time.

3. Standard Disclosures

A. Disclosures Concerning the Underwriters’ Role:

- (i) MSRB Rule G-17 requires an underwriter to deal fairly at all times with both municipal issuers and investors.
- (ii) An underwriter’s primary role is to purchase the Bonds with a view to distribution in an arm’s-length commercial transaction with the Issuer. The underwriter has financial and other interests that differ from those of the Issuer.
- (iii) Unlike a municipal advisor, the underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.

¹ Reference to *potential* material conflicts throughout this letter, refer to ones that are reasonably likely to mature into *actual* material conflicts during the course of the transaction, which is the standard required by MSRB Rule G-17

- (iv) The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer's interest in this transaction.
- (v) The underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to sell the Bonds to investors at prices that are fair and reasonable.
- (vi) The underwriter will review the official statement for the Bonds in accordance with, and as part of, its respective responsibilities to investors under the federal securities laws, as applied to the facts and circumstances of this transaction.²

B. Disclosures Concerning the Underwriters' Compensation:

- (i) The underwriter will be compensated by a fee and/or an underwriting discount that will be set forth in the bond purchase agreement to be negotiated and entered into in connection with the issuance of the Bonds. Payment or receipt of the underwriting fee or discount will be contingent on the closing of the transaction and the amount of the fee or discount may be based, in whole or in part, on a percentage of the principal amount of the Bonds. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since the underwriter may have an incentive to recommend to the Issuer a transaction that is unnecessary or to recommend that the size of the transaction be larger than is necessary.

4. Questions and Acknowledgment.

Davidson is registered as a broker-dealer with the U.S. Securities and Exchange Commission ("SEC") and the MSRB, and is subject to the regulations and rules on municipal securities activities established by the SEC and MSRB. The website address for the MSRB is www.msrb.org. The MSRB website includes educational material about the municipal securities market, as well as an investor brochure that describes the protections that may be provided by the MSRB rules and how to file a complaint with an appropriate regulatory authority.

If you or any other Issuer officials have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with the Issuer's own financial and/or municipal, legal, accounting, tax and other advisors, as applicable, to the extent you deem appropriate.

It is our understanding that you have the authority to bind the Issuer by contract with us, and that you are not a party to any disclosed conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

We are required to seek your acknowledgement that you have received this letter. Accordingly, please sign and return this letter to me either via email or to the address set forth on Page 1 of this letter.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or potential material conflicts are identified, we may be required to send you additional disclosures regarding

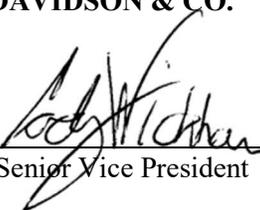

² Under federal securities law, an issuer of securities has the primary responsibility for disclosure to investors. The review of the official statement by the underwriter is solely for purposes of satisfying the underwriter's obligations under the federal securities laws and such review should not be construed by an issuer as a guarantee of the accuracy or completeness of the information in the official statement.

the material financial characteristics and risks of such transaction and/or describing those conflicts. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

Again, we thank you for the opportunity to assist you with your financing and the confidence you have placed in us.

Very truly yours,

D.A. DAVIDSON & CO.
