TEACHER'S CONTRACT

THIS CONTRACT is made by and between the Board of Education of Exeter-Milligan-Friend-Public Schools ("District") and **Josiee Sobotka** ("Teacher") and supercedes any prior contract between the parties. The Board of Education agrees to employ the Teacher and the Teacher accepts such employment as follows:

School Year: School Year begins on or about **August 1, 2025**, and ends on or about **May 20, 2026**, subject to Board modification.

Days of Service: Teacher shall be employed for 185 days of service, subject to terms of the negotiated agreement.

Full Time Equivalency: Teacher shall be employed for a full-time equivalency (FTE) of **1.00**

Salary Schedule Placement: Teacher's salary schedule placement is subject to final terms of the negotiated agreement for the applicable contract year between the Board and the bargaining unit representing the certificated employees of the District. The Teacher's salary schedule placement and other terms of employment for the 2025-26 contract year may be set forth on the Annual Supplemental Renewal form to be executed subsequent to this Teacher's Contract.

FIRST: Salary. The salary of the Teacher shall be payable in twelve (12) equal installments. The first installment shall be payable on the 15th day of September, 2025, and the remaining installments shall be payable on same day of each month thereafter. Terms and conditions set forth in this agreement shall be subject to such wages and conditions of employment as may be mutually agreed upon by and between the Board and teachers or a duly recognized collective bargaining agent for said teachers, and said agreement, when reduced to writing, and executed by the parties, shall be deemed to be included herein by reference and shall become a part hereof. This contract shall conform to the regulations governing deductions with reference to Withholding Tax, Social Security and Teacher's Retirement. Other deductions may be withheld as agreed to by the parties to this contract. Upon termination of this contract by the Board or the Teacher, the compensation shall be an amount which bears the same ratio to the yearly salary herein specified as the number of days of service to the date of such termination bears to the number of days of service in the applicable contract year. Any unearned fractional portion of an installment paid but not earned prior to termination of the contract shall be refunded by the Teacher.

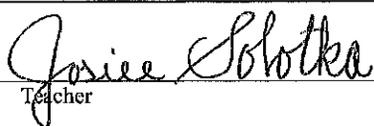

SECOND: Duties. The Teacher hereby agrees to be governed by the policies of the Board of Education of the District. The duties to be performed by the Teacher shall be subject to assignment by the Superintendent or the Board. Days of service may be adjusted from year to year by the Board. The Teacher further agrees to devote full time during days of school to the Teacher's position and in all respects to diligently and faithfully perform the assigned duties to the best of the Teacher's professional ability. Regular dependable attendance is an essential function of the Teacher's position.

THIRD: Extra Duty Assignments. In addition to the normal duties traditionally required of certificated employees, the Teacher may be assigned "extra duty" assignments by the District. Such assignments shall be upon such terms and conditions and at such additional rate of compensation as the Teacher and the District may agree upon; provided, that the Teacher shall not unreasonably refuse to accept such assignments. Duty assignments which do not require a teaching or administrative certificate are on an at-will basis, shall be subject to removal without cause and shall not be subject to continuation or renewal as part of this Teacher's Contract.

FOURTH: Contract Termination. To the extent this Contract is subject to the continuing contract statutes, this Contract may be amended, cancelled or terminated subject to required procedures in the event the Teacher violates any of the provisions of this Contract, or performs any act or does anything which is materially harmful to the employer, or which substantially inhibits the Teacher's ability to discharge the duties as set forth herein, including, but not limited to (1) becoming legally disqualified to teach in the State of Nebraska; (2) participation in any fraud; (3) causing any intentional damage to property; (4) engaging in any unlawful act; (5) just cause, including: (a) incompetency, which includes, but is not limited to, demonstrated deficiencies or shortcomings in knowledge of subject matter or teaching or administrative skills; (b) neglect of duty; (c) unprofessional conduct; (d) insubordination; (e) immorality; (f) physical or mental incapacity; (g) failure to give evidence of professional growth as required by law; or (h) other conduct which interferes substantially with the continued performance of duties. Non-renewal, suspension or other disciplinary action may be enforced in accordance with applicable law. To the extent this Contract is not subject to the continuing contract statutes, it shall be terminable at will, without cause or hearing.

FIFTH: Legal Requirements. The Teacher affirms that: (1) Teacher holds or will hold a valid and appropriate certificate to act as a certificated employee in the State of Nebraska to perform the assigned duties throughout the term of this Contract and any extensions of this Contract; (2) the required certificate to perform the assigned duties shall be registered as required by law; it being understood and agreed that this contract is not valid until the required certificate is registered in accordance with law and that the Teacher shall not be compensated for services performed prior to the date of registration of this certificate; (3) Teacher is not under contract with another board of education within the State of Nebraska covering any part of or all of the same time of performance as provided for in this Contract and (4) there shall be no penalty for release or resignation by Teacher from this Contract; provided no resignation shall become effective until expiration of the remaining term of the Contract unless the Board fixes an earlier effective date. It is understood that this Contract is also subject to provisions of the School Teachers Retirement Act.

SIXTH: Renewal. Hereafter, this contract may be continued by a separate, annual written "Renewal Agreement" which shall incorporate all the provisions hereof by reference except as stated on such Renewal Agreement. Renewal Agreements must be executed by the Teacher and delivered to the Superintendent of Schools or the Secretary of the Board of Education of the District within fifteen calendar days of receipt thereof from the District. Said Renewal agreement shall not be required to be signed by the Teacher prior to March 15. Failure to return the Renewal Agreement or an intent card by the required date shall constitute grounds for termination.
