Subject: May Board Report

Student Council:

- We have successfully ended the clothes drive, collecting 23 boxes of clothes. All of the clothes have been cleaned through the washers and dryers at NACTEC and have been sorted based on garment types. Our next steps will be separating and sending out the clothes for entities who need them. Pictured below is the before and after photo for separating the previously boxed clothes.

- The recycling bins are going well, we are scheduling pick up with Kawerak and are planning other recycling related fundraisers. We are working on the sustainability of handing the recycling bins in the future.
- We have collected at least 10 items for our on-going food drive.
- Two high school students, (junior Renee Brown and freshmen Nevelo Hoogendor) attended the Spring AASG conference in Juneau this year. Students met with other regions across Alaska and voted on resolutions presented by the different schools. The Nome-Beltz student council's resolution regarding the implementation of the youth court disciplinary system in schools received unanimous approval by Region 1 (consisting of schools from Utqiagvik all the way to Unalaska). In addition to that, students visited the Alaska State Capital building and met with senators from across the state. Students are

inspired to make changes statewide. First pictured is Renee and Nevelo in front of the whale in Juneau, second is AASG students in Juneau.

- We are working on a club calendar draft for next year. It will map out certain deadlines for each club, like elections, assemblies, and more.
- Last week we celebrated Teacher Appreciation Week by creating cards for each teacher.
- The hallway club fair was successful, with plans to repeat next year and expand the opportunities present.

Issues from the student body:

- Many students are worried about current and future teacher vacancies.
- Students feel the need for better extra duty contract descriptions that focus on the annual goals of the clubs to ensure that vital aspects for each club gets done.

Student Activities:

- Nome's Native Youth Olympics team took 10 students to Anchorage for the NYO state competition this year. Christopher Smith competed in the Toe Kick, Wrist Carry, Alaskan High Kick, Two-Foot High Kick, Kneel Jump, and Seal Hop events. Renee Brown competed in the Wrist Carry, One-Arm Reach, and Seal Hop events. Leyna Ulroan competed in the Alaskan High Kick and Dene Stick Pull events. Kendall Ulroan competed in the Scissor Broad Jump, Dene Stick Pull, and One-Foot High Kick events. Jocelyn Nichols-Takak competed in the Scissor Broad Jump event. Jon Senas Story: Middle School History (ACSA)

As part of the Social Studies standard, "Explain how Alaska's geographic location and resources have affected the state and the world," ACSA students completed a Fishing Industry Project in which they investigated a specific fish found in Alaska and explored the importance of the fishing industry to Alaska's economy. They were also asked to share their own personal experiences of fishing with their families. Here is the link to sample student work:

Jen Berry Story: Middle School Science

My Middle School Science Curriculum is available for review in the offices at Beltz and NES. We are seeking comments from the community, especially in terms of cultural activities. I have worked on this for two years.

In 6th grade science, students completed a 3D landform project. We are currently working on mapping and topography.

In 7th grade science, students investigated willow ptarmigan carcasses donated by John Godsey. Each student also researched an Alaskan animal and presented a slideshow to the class.

In 8th grade science, students learned about how the various kinds of waves (water waves, sound waves, electromagnetic) are similar and different.

Justin Heinrich: NBHS CTE

The Outdoor Class took a field trip to the BHS building and we got to visit the carving room. Mr. Ben Jack taught us how to make ulu handles. We got to use moose antler that the kids cut. By the time our session was over, we all made our handles and attached our blades. Everyone had a great time! Big thank you to Mr. Jack & the BHS crew for making it happen!

12 May 2026

Current / Completed project

Staff ChromeBook Plus models are issued to returning staff. Technology Department personnel issued the new Lenovo 2 in 1 Chromebook Plus devices to confirmed returning staff. This early issue was done to allow staff time to work with the new platform so they can use them alongside their current issued devices to help ensure continuity of operations for next school year. While not all staff have taken advantage of this extra time, the ones that did have reported a fairly easy transition period. Training was also provided to NES Staff and NBMHS Staff on 24APR26 during their inservice day to cover some of the basics of accessing applications, nuances of the stylus, and other tips and tricks.

E-Rate Category I (CAT-I) Internet Services: on the 16th of April I met with representatives from our new Internet Service Provider, Microcom. Microcom's sales rep and network engineer came to Nome to conduct site surveys of NES, NBMHS, and ACSA / DO so they could identify any special needs / equipment for the new service install scheduled for completion on 01JUL26. Plans are well underway for this transition.

The new web filter testing is complete. We will utilize Gaggle Filter and Hāpara Classroom Management for the foreseeable future. Please see page 5 for a report on Allow / Block actions. In April the Gaggle filter blocked 1,058 sites out of 220,772 total attempts (approx 0.479% of all traffic), most of which were gaming, online shopping, and social media sites. Here is a sampling of actions taken by teachers with the Hāpara Classroom Management interface during the testing / adoption phase

Nome Elementary School was selected to administer NAEP this school year and was successful in administration, student participation, and relationship building with NAEP staff.

NAEP stands for the **National Assessment of Educational Progress**. Known as "The Nation's Report Card," v

There will be no NAEP Grade 8 testing for SY 2026-2027.

Curriculum:

The science teachers presented the draft science curriculum at the recent School Board work session. Had I been aware that this presentation was scheduled, I would have attended, as the development of the science curriculum began last school year and continued through the summer. The teachers have not posted the curriculum for public review and feedback, and I understand they plan to bring a formal recommendation to the Board in June 2026.

In alignment with Board policy, I also developed a Standard Operating Procedures outline to guide administrators and teachers through the curriculum development process. This document was submitted to Jamie Bures for review and feedback. I have not yet received a response, but I remain fully open to any recommendations or revisions needed to ensure the process is clear, consistent, and aligned with district expectations.

A recommendation to Superintendent Jamie Burgess is to elevate curriculum development as a district-wide priority each year – from the superintendent level through directors and school leadership. This commitment is essential for addressing the long-standing curriculum gaps in Nome Public Schools and ensuring that teachers across the district have consistent, research-based curriculum materials to guide instruction.

Grants:

On May 7, 2026 State and federal grants were approved the Parent Advisory Committee (PAC). State grants were Substantially Approved and Indian Education was approved for submission. A Consolidation option discussion was led by Jamie Burgess. She will provide a survey to parents with an explanation and vote choice. Indian Education grant will be submitted before May 11, 2026 due date. Kudos to Dani Smithhisler who chaired the May 7, 2026 PAC meeting.

Thank you.

However, failure to take one of these assessments shall not be grounds for withholding a diploma from an otherwise qualified student. At the request of a student, the district shall retroactively issue a high school diploma to a student who did not receive one because of failure to pass all or a portion of the previously required High School Graduation Qualifying Exam and instead received a certificate of achievement, provided the person takes a college and career readiness assessment. The School Board intends that all District students graduate high school ready for college or a career. The Superintendent or designee shall prepare for School Board approval a plan consisting of district graduation requirements. BP 4021 DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS

Purpose

***Note:** All persons subject to commercial driver's license requirements must be tested for alcohol, marijuana, cocaine, amphetamines, opiates (including heroin) and phencyclidine (PCP). In [AS 14.09.025](#), the Alaska Legislature enacted its own statutory requirement for testing bus drivers, which is in effect for all Alaska districts that employ bus drivers. This area, especially post-employment testing of drivers, involves constitutional issues. School districts should refer to legal counsel in designing and implementing drug testing procedures. Although the passage AS 17.38 authorizes the use of marijuana under certain conditions, it explicitly recognizes the authority of employers to prohibit the use, consumption, possession, transfer, display, transportation, sale, or growing of marijuana in the workplace. AS 17.38 also does not prevent employers from establishing policies that restrict the use of marijuana by employees. AS 17.38.120(a). In addition, as a recipient of federal funds, the district is obligated to maintain a drug-free workplace consistent with federal law, which prohibits the manufacture, sale, distribution, possession and sale of marijuana. For purposes of the district's policy and legal obligation, marijuana is prohibited.*

The Superintendent or designee shall establish and implement a drug and alcohol testing program for all bus drivers employed by the school district, in accordance with state and federal law. **This testing program may be accomplished through a contract or agreement with the district's transportation services contractor.** The purpose of the testing program shall be to help prevent accidents and injuries resulting from the misuse of drugs and alcohol by bus drivers. This program shall test drivers for the improper use of drugs and alcohol, and shall include random testing. Improper use of drugs and alcohol consists of use that constitutes a federal or state criminal offense, or otherwise violates the regulations of the Department of Education and Early Development.

Prohibited conduct

No personnel employed by the school district as drivers of motorized vehicles used to transport students shall report for duty requiring the performance of safety-sensitive functions, or remain on duty, when the driver uses any controlled substance or has a prohibited concentration of alcohol in the driver's system. The only exception is when a driver has used a controlled substance pursuant to the instructions of a qualified physician who has advised the driver in writing that the substance does not adversely affect the driver's ability to safely operate a motorized vehicle for the transportation of students. Drivers shall provide a copy of the physician's written advice to the driver's supervisor prior to operating any motor vehicle for the school district.

Required Testing

Drivers shall be subject to pre-employment/pre-duty, reasonable suspicion, random, post-accident, returning to duty and follow-up alcohol and drug testing. Random alcohol

testing shall be limited to the time period surrounding the performance of safety-related functions, which include just before or just after the employee performs the safety-related function for the district. Controlled substance testing may be performed at any time the driver is at work. An employee subject to this testing may not refuse to take a test when required.

Note: Under [49 CFR Part 40](#), the Department of Transportation has made specimen validity testing (SVT) mandatory within the regulated transportation industries. Making SVT mandatory has become necessary because of the increase in products designed to adulterate specimens, which has made tampering with specimens more prevalent.

Consequences for failing or refusing to take a required test

A refusal to take a required test shall be considered in violation of the employee's contractual obligations to the district, and may constitute grounds for the employee's termination from employment with the district. If testing confirms prohibited alcohol concentration levels or the unauthorized presence of a controlled substance, the employee shall be removed immediately from safety-related functions in accordance with law. The district may reassign the employee to non-safety-related functions until such time as the driver complies with the requirements for returning to duty.

The School Board retains the authority, consistent with state and federal law, to discipline or discharge any driver who is alcohol or chemically dependent and whose current use of alcohol or drugs impairs the employee's job qualifications or performance. Before a driver may be reinstated, if at all, the driver shall undergo an evaluation by a substance abuse professional, comply with any required rehabilitation and undergo a return-to-duty test with verified results.

Except as required by law or collective bargaining agreement, the district is not required to provide rehabilitation, pay for substance abuse treatment or to reinstate a driver who has failed a required drug or alcohol test. All employment decisions involving reassignment, reinstatement, termination or dismissal from employment shall be made in accordance with applicable district policies and procedures.

Records

The district shall keep and maintain testing records, and shall maintain the confidentiality of those records, in accordance with law. Testing records, and any information about false positive test results, shall not be released without the written consent of the employee. The district shall not retain records of false positive test results in the employee's employment records.

Training

The district shall take steps to ensure that supervisors receive appropriate training to administer the district's drug and alcohol testing program, and that employees receive the notifications required by law.

BP 4111/4211/4311 ALL PERSONNEL - RECRUITMENT AND SELECTION

Note: *Effective for the 2016-2017 school year, the federal Every Student Succeeds Act has eliminated the requirement that teachers be “highly qualified.” Rather, teachers should be fully licensed and endorsed in each subject they are teaching.*

The district shall employ the most highly qualified person available for each open position. The Superintendent or designee shall develop recruitment and selection procedures to ensure that every effort is made to find and hire fully qualified teachers for all-classrooms **staff**, which include:

1. Assessment of the district's needs to determine those areas where specific skills, knowledge and abilities are lacking.
2. Development of job descriptions which accurately portray the position, including requirements that an **teacher employee** be qualified in accordance with federal and state law.
3. Dissemination of vacancy announcements to ensure a wide range of candidates, when necessary.
4. Screening procedures which will identify the best possible candidates for interviews.
5. Interview procedures which will determine the best qualified candidate for recommendation to the School Board.

Staff members involved in the selection process shall recommend only those candidates who meet all qualifications established by law and the School Board for a particular position. Nominations for employment shall be based upon appropriate screening devices, interviews, observations, recommendations from previous employers and any requirements of applicable collective bargaining agreements.

No inquiry shall be made with regard to age, race, color, religion, sex or national origin of persons proposed for or seeking employment. Questions regarding disability shall be asked only when directly related to the job and as permitted by laws.

Note: *The Alaska Professional Teaching Practices Commission recommends that districts develop a policy regarding the procedures to be followed when desiring to hire an educator currently under contract with another school district. The following policy language is based on procedures developed by the Fairbanks North Star Borough School District.*

Before considering the hire of an **applicant** ~~certificated staff member~~ who is currently under contract in another district, the Superintendent or designee will require the certificated staff to provide written documentation that he/she: (1) has made an effort to

secure a release from the employing district thirty calendar days prior to the employing district's first contract day; or, (2) has secured a written release from the employing district.

Note: *A subject-matter expert teacher, holding a limited certificate issued by the Department, may be employed to teach subjects in which the person has satisfied the education or experience requirements set out in state statute [AS 14.20.022](#). Before a school district determines whether to hire a person as a subject-matter expert teacher, the school district must administer a competency examination. Additionally, once a subject-matter expert teacher is hired, the district must provide a mentor who is an experienced teacher for the subject-matter expert teacher for at least the first year of the subject-matter expert teacher's employment in the school district. A person employed as a subject-matter expert teacher under this section is considered a certificated employee for purposes of the teachers' retirement system. Finally, employment as a subject-matter expert teacher counts as employment for purposes of acquiring tenure; however, a person holding a subject-matter expert limited teacher certificate is not entitled to tenure until the person receives a teacher certificate under [AS 14.20.022](#).*

(cf. 4112.8 - Employment of Relatives)

Note: *[AS 14.20.020](#) requires coursework in Alaska studies and multicultural education or cross-cultural communications in order to be eligible for a teacher certificate. Effective June 30, 2017, [AS 14.20.020](#) also requires training on alcohol and drug related disabilities, sexual abuse and sexual assault awareness and prevention, dating violence and abuse awareness and prevention and suicide prevention in order to be eligible for a teacher certification. [AS 14.20.035](#) requires districts to give preference to applicants who demonstrate training or experience that indicates sensitivity to the traditions and cultures represented in the student population.*

In evaluating applicants, preference shall be given to those applicants who can demonstrate training and experience related to the traditions and cultures represented in the student population.

(cf. 4111.1/4211.1/4311.1 - Affirmative Action)

(cf. 4111.2/4211.2/4311.2 - Legal Status Requirement)

No person shall be employed by the School Board without the recommendation or endorsement of the Superintendent or designee. The School Board shall be presented with the Superintendent or designee's recommended candidate who may be ~~selected~~ **approved** or rejected by the School Board. If the candidate is rejected, the Superintendent or designee shall recommend subsequent candidates until the School Board ~~selects~~ **approves** someone to fill the position. The School Board ~~shall make the final decision on the selection of all employees.~~ **has authority over the employment of all employees, however, the Board may delegate the Superintendent or designee the authority to make staff hires without prior Board approval.** If such authority is delegated,

the Superintendent or designee shall notify the Board of all hires at a regularly scheduled Board meeting.

BP 4113 ASSIGNMENT

The School Board recognizes strategic assignments are essential to supporting student success and maintaining a health, consistent school environment. While assignments must comply with applicable laws and credentialing requirements, the strengths, experiences, and well-being of district staff are important considerations. Since both students and staff benefit from stability, continuity, and positive relationships, assignment decisions should also consider the impact on school climate by minimizing unnecessary disruptions, and promoting consistency in student-teacher relationships. ~~respects the importance of assigning teachers in accordance with law, so as to serve the best interests of our students and the educational program.~~

BP 4115 CERTIFICATED PERSONNEL - EVALUATION/SUPERVISION

Note: [AS 14.20.149](#) requires school districts to have a certificated employee evaluation system. The School Board is required to consider information from students, parents, community members, classroom teachers, affected collective bargaining units, and administrators in the design and periodic review of the system. The evaluation must be based on observation of the employee in the employee's work place. In addition, the law mandates a number of requirements for the system including the establishment of district performance standards, a minimum number of evaluations each year, the preparation and implementation of a plan of improvement, and opportunity for students, parents, community members, teachers, and administrators to provide information on the performance of the person being evaluated.

Department of Education and Early Development regulations require a district's certificated employee evaluation system to evaluate a teacher or administrator's performance on applicable professional content standards as exemplary, proficient, basic, or unsatisfactory. In addition, overall performance must be evaluated with these same four ratings. No later than July 1, 2016, a district shall adopt for teachers and administrators standards for performance based on student learning data. [4 AAC 04.205](#). A district shall report to the department not later than September 15th of each year evaluation results as to tenured and non-tenured teachers, administrators and special service providers and performance levels, as prescribed in [4 AAC 19.055](#). The Educator Evaluation regulations are found at [4 AAC 19.010-19.099](#).

The School Board believes that evaluations can provide important information relevant to employment decisions, can help staff improve their professional skills, can improve the effectiveness of instruction, and raise student achievement levels. In accordance with the district's certificated employee evaluation system, the Superintendent or designee shall evaluate certificated personnel annually, including teachers, administrators, and special service providers. The evaluation system shall evaluate whether the certificated employee is exemplary, proficient, basic, or unsatisfactory on applicable content standards and in overall performance. The district's certificated employee evaluation system will incorporate those procedures and mandates required by law.

The district shall provide ~~annual~~ in-service training to all certificated employees subject to the evaluation system. The training will assure inter-rater reliability and address the evaluation procedures, the standards used by the district in evaluating performance, and other information that may be helpful to a thorough understanding of the evaluation system.

Individuals conducting an evaluation must hold a type B administrator certificate or be a site administrator under the supervision of a person with a type B certificate, be employed by the school district as an administrator, and complete training in the use of the district's evaluation system.

A certificated employee has a right to ~~timely~~ comment **within 10 days** on the evaluation and may not be retaliated against for doing so.

The certificated employee evaluation system will be periodically reviewed. The district will consider input from students, parents, community members, classroom teachers, affected collective bargaining units, and administrators. The district will make a form, template, or checklist that the district uses in the evaluation of certificated employees available to the public, including posting the form, template, or checklist on the district's website. The posting will explain how the district has considered the input of these groups in the design of the evaluation system.

BP 4117.2/4217.2/4317.2 ALL PERSONNEL - RESIGNATION

CERTIFICATED PERSONNEL

The Superintendent or designee is authorized to accept the written resignation of any employee on behalf of the School Board, and the resignation shall become effective immediately upon acceptance by the Superintendent or designee. A resignation presented to and accepted by the Superintendent or designee may not be withdrawn by the employee.

Note: *The Alaska Professional Teaching Practices Commission recommends that districts adopt a policy which addresses the situation of a teacher's request to resign during the teacher's contract term, or abandoning the position without notice. The PTPC further recommends a policy that addresses what procedures the school district will follow when recruiting a teacher currently under contract with another district, including a teacher who has not obtained a written release from that district. The PTPC will implement possible sanctions against a teacher who unilaterally breaches his or her employment contract. The following language can be revised to reflect your district's needs.*

A certificated staff member should provide notice as early as possible to the district when the staff member knows that he or she does not plan to return for the following school year. The district may agree to release a certificated staff member who has signed a contract, provided notice is given to the district, in writing, post-marked thirty calendar days prior to the staff member's first contract day of the school year.

If a request to release a certificated staff member from his or her contract is made when fewer than thirty calendar days remain before the staff member's first contract day, or anytime thereafter OR after June 30th], the district will consider filing a Professional Teaching Practices Commission (PTPC) complaint. When considering if the filing of a PTPC complaint is warranted, the district will weigh any mitigating circumstances including, but not limited to, factors impacting the staff member's family or health, factors related to the staff member's employment or working conditions, or unforeseen changes in the circumstances impacting the staff member's ability to continue employment with the district.

If a certificated staff member is currently under contract with the district and the district learns the staff member has contracted with another district without obtaining a written release, the district will consider a PTPC complaint against the staff member.

The district will not contract with a certificated staff member under contract with another district unless the staff member provides a written release from the current employer. If the district contracts with a certificated staff member who has not disclosed that he/she is under contract with another school district, the district reserves the right to terminate the contract for material misrepresentation and to file a PTPC complaint.

BP 4158/4258/4358 EMPLOYEE SECURITY

Note: Alaska school districts are required to adopt standards relating to when a teacher, teacher's assistant, or other person responsible for students is authorized to use reasonable and appropriate force to maintain classroom safety and discipline. Effective October 2014, the use of restraint and seclusion of students is strictly limited and in some situations prohibited by law. [AS 14.33.125](#). Any use of restraint or seclusion by a district employee of a student must comply with all legal requirements. A teacher, teacher's assistant, principal, or another person responsible for students may not be terminated or otherwise subjected to formal disciplinary action for lawful enforcement of a school disciplinary and safety program, including behavior standards. [AS 14.33.130](#). This group is protected from civil liability for acts or omissions arising out of enforcement of the disciplinary and safety program while in the course of employment, unless the act constitutes gross negligence or reckless or intentional misconduct. [AS 14.33.140](#), and the Every Student Succeeds Act.

An employee may use approved methods of physical restraint if a student's behavior poses an imminent danger of physical injury to the student or others and less restrictive interventions would be ineffective at stopping the imminent danger. Restraint must be limited to that necessary to address the emergency and must be immediately discontinued when the student no longer poses an imminent danger or when a less restrictive intervention is effective to stop the danger.

(cf. 5144 - Discipline)

(cf. 5142.3 – Restraint and Seclusion)

Note: A teacher, teacher's assistant, administrator, or other employee responsible for students who, during the course of employment, observes a student committing a crime must report the crime to local law enforcement. [AS 14.33.130](#). The obligation to report to law enforcement resides with the staff member observing the crime. "Crime" means an offense for which a sentence of imprisonment is authorized; a crime is either a felony or a misdemeanor. [AS 11.81.900](#).

Employees shall promptly report any student attack, assault or threat against them to the Superintendent or designee. The employee and the principal or other immediate supervisor both shall promptly report such instances to the appropriate local law enforcement agency, **as appropriate. The Superintendent or designee shall be made aware of all police reports made by district personnel.**

SCHOOL BOARD COMMUNICATION

Title: Approval of FY27 Final Budget Revision #1

Date: May 12, 2026

Administrator: Jamie Burgess, Superintendent and Genevieve Hollins, CFO

Attachments: FY27 Final Budget Revision #1

Action Needed **For Discussion** **Information** **Other**

BACKGROUND INFORMATION

Subsequent to the City of Nome’s decision to appropriate \$3M to the District for FY27, a revision to the FY27 final budget was required. Additional modifications were made based on the securing of lower cost internet financing and the awarding of the BAG Unlimited grant, and a few small expenditures adjustments, resulting in an increase to the pull from the district’s Apartment Fund to balance the budget.

This budget will be submitted to the City for signature and then transmitted to the Department of Education.

ADMINISTRATIVE RECOMMENDATION

The administration recommends adoption of the revised FY27 Final Budget.

Sample Motion: I move to approve the revised FY27 Final Budget.

PO BOX 131 • Nome, Alaska 99762 • (907) 443-5299

Dear Families,

Paġlagivsi! Welcome to a new school year at Nome Elementary! It is an honor to serve as your principal and to partner with you in supporting the success of every student in our school.

At Nome Elementary, we are committed to three core priorities that guide our work each day: promoting strong attendance, leading effective reading instruction, and cultivating a school environment where every child feels safe, welcome, and valued.

Every day a student is present in school is a day filled with opportunities to learn, grow, and connect. Consistent attendance builds strong academic habits and helps students stay on track with their learning. We understand that life in our community includes many important responsibilities and seasonal activities, and we ask families to work closely with us to ensure students are in school as consistently as possible.

Reading is foundational to learning, and we are committed to ensuring that every student develops the skills needed to read with confidence and understanding. Our staff works together to deliver high-quality instruction, monitor student progress, and provide additional support when needed so that every child continues to grow as a reader.

We are equally committed to cultivating a school environment where every child feels safe, welcome, and valued. Students learn best when they feel secure, respected, and connected to those around them. We will continue to teach clear expectations, build strong relationships, and honor the diverse cultures and experiences that make our school community strong.

You can expect clear communication, high expectations, and a staff that is dedicated to continuous improvement. We believe that strong partnerships between school and home are essential, and we welcome your involvement and voice throughout the year.

Thank you for trusting us with your children. We look forward to a strong and successful year together.

Sincerely,

Corey Shepherd

NES Student Compact (Please read, sign, and return)

It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, students and community representatives, the following are agreed upon roles and responsibilities that we, as partners, will carry out to support student success in school and in life. Please review this compact with your student. A copy for signatures and return will be sent home with each student.

As a teacher, I will:

- Provide high-quality curriculum and instruction, with differentiation and scaffolding as needed.
- Plan instruction to reflect the cultures and needs of my students.
- Endeavor to motivate my students to learn.
- Have high expectations and help every child to develop a love of learning.
- Communicate regularly with families about student progress.
- Provide a warm, safe, and caring learning environment.
- Provide meaningful homework assignments to reinforce and extend learning (up to 30 minutes for grades 1-3 and up to 60 minutes for grades 4-6), to include providing a weekly reading log.
- Participate in professional development opportunities that improve teaching and learning and support the formation of partnerships with families and the community.
- Actively participate in collaborative decision making and consistently work with families and my school colleagues to make schools accessible and welcoming places for families which help each student achieve the school's high academic standards.
- Respect the school, students, staff and families.

As a student, I will:

- Play an active role in my own success: come to school on time ready to learn, stay focused, and do my best.
- Bring, and keep track of, necessary materials, outside gear, and completed assignments/homework.
- Return my weekly reading log tracking a minimum of 15 minutes of reading a day in grades K-2, and 20 minutes a day in grades 3-5.
- Ask for help when I need it, and be open to receiving offered help.
- Communicate regularly with my parents and teachers about school experiences so that they can help me to be successful in school.
- Set and practice healthy boundaries with peers and adults at school using the tools provided by NES staff and family encouragement/support.
- Limit my screen time, and instead study, engage in healthy habits and activities, and read after school every day.
- Respect the school expectations and environment, classmates and classroom culture, staff, and families.

As a parent/guardian or family member I will:

- Provide a dedicated time and place for homework and reading log completion
- Read to/with my child (or encourage my child to read) every day, for at least 15 minutes for grades K-2 and 20 minutes for grades 3-5.
- Communicate with the teacher when I have questions or concerns.
- Communicate the reason when calling a student out, so that the absence may be marked excused.
- Ensure that my child attends school every day on-time, gets adequate sleep, and receives regular medical attention and proper nutrition.
- Regularly monitor my child's needs and progress in school.
- Help create/design a media balanced routine with my student, to include monitoring screentime and content.
- Review, keep, and potentially use the attached American Academies of Pediatrics, Center of Excellence: Social Media and Youth Mental Health, 5 C's of Media Use. I will tear off and keep the page after this compact.
- Participate at school in activities as capable, such as: attending parent-teacher conferences, attend school and family engagement events, engage in school decision making, and/or volunteering in the school.
- Communicate the importance of education and learning to my child in line with our family and/or cultural, and community values.
- Support my child's classroom and teacher as able.
- Communicate my student and families needs to NES: culturally, locally, and learning based needs.
- Respect the school, staff, students, and families through positive communication and solution oriented engagement.

The 5 Cs of Media Use

SCHOOL-AGED CHILDREN: 5 TO 10 YEARS

Congrats! Your child is out of the big-emotions early childhood phase and now is starting to be more of a rule-based thinker. They can probably talk more about their feelings, are learning to read and pay attention to schoolwork, and are building friendships. These are the important developmental tasks that media shouldn't crowd out. Despite their growing maturity, kids are not ready for social media accounts at this age.

ASK YOURSELF THE 5 Cs

WHAT YOU CAN DO

Child

Who is your child, how do they react to media, and what are their motivations for using it?

Children's unique strengths and challenges start to become clear in elementary school. They may struggle with attention (like ADHD), social skills (like autism), reading or other academics (like learning disabilities), or managing their mood (like anxiety or depression). They are also likely to show interest or skills in activities. You may be learning that they are great artists, dancers, are good with animals or science facts. It's important to carve out time to build upon these strengths and interests.

Content

What is worth their attention?

Many kids start to love video games and YouTube at this age but can easily access content that is age-inappropriate (e.g., violent, sexual, or rude). Read reviews on [Common Sense Media](#) to find out what shows, games, and movies are the right fit for their maturity level. Family settings or parental controls, although not 100% effective, can be used for filtering content on devices your child uses. Watch shows and play video games together to see if you like the messages and behaviors they convey—if not, find alternatives. AVOID: 'Teen' video games which have more gore and sexual content.

Calm

How do they calm down emotions or go to sleep?

Many school-aged children like to use media for a mental break at the end of a school day. Be sure that this break doesn't get in the way of homework and other activities, such as meals together. Put devices away at bedtime so that kids can settle their brains and bodies to sleep. Teach them techniques such as deep breathing and listening to quiet music to help calm their brains.

Crowding Out

What does media get in the way of?

Video games and online videos can have designs that promote extended use – for hours at a time. Talk with your kids about balancing time on screens so that there is enough time to sleep, read, draw, do homework, hangout, play sports with other kids, and chat with family. Parents can role model putting phones down at bedtime, dinnertime, and on car rides. AVOID: Letting screens be your child's go-to whenever they get bored, get frustrated with homework, or other challenging tasks.

Communication

How can you talk about media to raise a smart and responsible child?

This is a great time for conversations about media, since kids have a burst of understanding of things like advertising, privacy, and concepts like right vs. wrong. By regularly having open-minded talks about media, you build critical thinking skills and can be the "voice in your child's head" when they become more independent in the teen years. Let your child know that they can talk to you about anything negative or creepy they see online. If they've gotten a phone and have started texting friends, check in about how those interactions are going.

Family Media Plan

At this age, the Family Media Plan can be particularly beneficial as children are still young and receptive to setting up and adhering to rules. While devising a plan together as a family, it is essential to have ongoing conversations about media, keep limits so that kids can get their schoolwork and other activities done, and check what they are playing/watching. Although children in this age group are not yet ready for social media accounts, kid-friendly messaging apps might be a workable alternative for your family.

Make a Media Plan for the whole family (parents too!).

About Us

The American Academy of Pediatrics (AAP) Center of Excellence on Social Media and Youth Mental Health is dedicated to creating a healthy digital ecosystem for children and adolescents. Social media use starts during childhood and can play a significant role in the relationships and experiences that affect children and teens' growth, development, and mental health. The Center provides resources and tools for parents, clinicians, teachers, and youth to learn how to better navigate social media and the online world. Attendance

BP 5113

Regular attendance at school is necessary if students are to gain full benefit from their educational opportunity while in school. Students who have good attendance generally enjoy school more, achieve higher grades, and are more employable after graduating from high school. Some Public Schools' staff will do everything possible to provide a positive learning environment that will encourage students to attend school. The staff and school will inform the parents of their child's attendance record and, through mutual cooperation, work to achieve exceptional attendance.

Please be sure to call the school office (907-443-5299) by 8:30 a.m. If your student is absent and we have not received a call in the office an attempt will be made to contact you by phone.

Absences

An absence is defined as when a student is not physically present in school. All absences, whether excused or unexcused, are counted as absences. Family will provide communication to the school regarding the excused explanation listed below.

Excused absences meet one of the following requirements:

- Subsistence/Cultural/Religious Observance
- Injury or Illness (See suggestions for "How sick is too sick" on page 10)
- Quarantine
- Death in the Family
- Medical, Mental Health, and/or Dental Appointment
- Court or Administrative Proceedings
- Other communicated emergencies (weather, transportation, etc.)

Unexcused Absences

- An unexcused absence is one that does not meet the requirements of an excused absence as listed previously.
A family member calling to say the student isn't coming in, but declines to provide an excused reason will result in an unexcused absence.
- Students who oversleep and students refusing to come to school will be marked as unexcused.
- Students leaving the building without first checking out of the school office will be considered unexcused.

Planned Absences

In the case of planned absences, the school office and classroom teacher should be notified at least one full week in advance, or as much advanced notice as able. Parents should consult with the classroom teacher to determine the appropriateness of homework assignments for their child during the planned absence. Staff will not be required to provide specific instructional assignments for this period of time.

Check Out

Students need to be checked out at the school office by a parent or guardian if they are leaving school prior to dismissal time. For a student to be allowed to walk home, they must call a parent or guardian from the office, and an office staff member must speak with the family to confirm permission. If a student leaves the school without permission, for the student's safety, student's parent/guardian will be notified immediately. On a case by case basis, the Nome Police Department may be notified by school administration.

Chronic Absenteeism

Chronic absenteeism is defined as missing ten percent or more of school days. Students who are chronically absent, excused or unexcused, are at risk of falling behind. Any student missing ten (10) consecutive days unexcused will be dropped from enrollment. Nome Elementary Administration (and/or attendance team) will review students tending towards chronic absenteeism and work with the families, by way of attendance review conference (see below) to improve the students' attendance.

NES Attendance Review

The Nome Elementary School team: teachers, attendance secretary, principal, and assistant principal, will work together to keep parents advised of attendance issues as needed. This committee will assist parents to help improve attendance. A conference will be requested, if necessary, to develop an attendance improvement plan.

Tardy and Early Dismissal

A "tardy" is defined as any appearance of a student after 8:00 a.m. but before 10:00 A.M. Anything after 10:00AM will be considered a ½ day absence.

Truancy

Truancy is defined as a full day, unexcused absence and will be addressed on a case by case basis in accordance with board policy and state statute.

Attendance Facts!

Absenteeism in the first month of school can predict poor attendance throughout the school year. Half the students who miss 2-4 days in September go on to miss nearly a month of school.

Absenteeism and its ill effects start early. One in 10 kindergarten and first grade students are chronically absent.

Poor attendance can influence whether children read proficiently by the end of third grade or be held back.

By 6th grade, chronic absence becomes a leading indicator that a student will drop out of high school.

Research shows that missing 10 percent of school days, or about 17 days in most school districts, negatively affects a student's academic performance. That's just two days a month and that's known as "chronically absent."

When students improve their attendance rates, they improve their academic prospects and chances for graduating.

Illness Suggestions: How Sick is too Sick?

When to Keep Students Home

In most situations, the school prefers students come to school and if they become ill at school, the parent/guardian will be notified. However, here are a few guidelines to help parents/guardians in deciding when to keep your child home from school.

Symptom	Must the student stay at home?
<p>Diarrhea Frequent, loose, or watery stools compared to child's normal pattern: not caused by diet or medication</p>	<p>Yes - if the child has diarrhea with a fever and/or vomiting. Make sure your sick child stays well hydrated. Student can return when he/she has not had diarrhea during the last 24 hours.</p>
<p>Fever Fever is the body's way of destroying the germs making it sick, and it's a common symptom of infections.</p>	<p>Yes - When fever > 101 is accompanied by other symptoms of illness, such as rash, sore throat, vomiting, headache, muscle aches, loss of appetite, etc.</p> <p>Student can return when fever has been gone for 24 hours without medication and the child's appetite and energy level return to normal.</p>
<p>Flu The flu can be serious. Symptoms of the flu typically come on suddenly and can include: fever, chills, headache, body aches, sore throat, nausea, vomiting, dry cough</p>	<p>Yes - If your child has a fever > 101 or will be unable to participate in class.</p> <p>Student can return when fever has been gone for 24 hours without medication and energy level has returned to normal.</p>
<p>Coughing Severe, uncontrolled coughing or wheezing, rapid or difficulty breathing not able to be mitigated by drinking water. <i>Note:</i> Children with asthma may be cared for in school with a written health care plan and authorization for medication/treatment</p>	<p>Yes - Medical attention is necessary as severe uncontrolled coughing will impact student learning and could cause or indicate further medical challenges. Once coughing subsides, students are welcome to return to school. Family can provide, after completion of documentation, cough drops/suppressants available to students as needed.</p>
<p>Mild Respiratory or Cold Symptoms Stuffy nose with clear drainage, sneezing, mild cough</p>	<p>No - Child may attend school if able to participate in class.</p>
<p>Rash An area of irritated skin accompanied by redness, itchiness, and pain. A severe rash may also include raw, blistered, and/or swollen skin.</p>	<p>No - Body rash without fever or other symptoms usually does not require student to remain at home Yes - Seek medical advice for severe rash, fever, open and weeping wounds, or quickly spreading rash</p>
<p>Vomiting Vomiting is another way for the body to rid itself of the germs making it sick and is usually caused by a stomach virus or infection.</p>	<p>Yes - Keep the student home if they have vomited 2 or more times in the last 24 hours. Student can return when he/she has not had vomiting during the last 24 hours.</p>
<p>Pinkeye (conjunctivitis) Symptoms of pinkeye include eye redness, itchiness, discharge that forms a crust during the night that may prevent your eye or eyes from opening in the morning</p>	<p>Yes - If given antibiotics, please keep at home until he/she has taken the antibiotics for at least 24 hours.</p> <p>If your health provider decides not to treat your child, a note is needed.</p>

- With lunches that come from home, be prepared to eat knowing there are no microwaves available to students to heat lunches

Bus Rules

BP 5131.1

Because school bus passengers' behavior can directly affect their safety and the safety of others, the following regulations apply at all times when students are riding a school bus, including on field trips and other special trips. School personnel, parents/guardians, and the students themselves all must see that these regulations are followed.

1. Riders shall follow the instructions and directions of the bus driver at all times.
2. Riders should arrive at the bus stop on time and stand in a safe place to wait quietly for the bus.
3. Riders shall enter the bus in an orderly manner and go directly to their seats.
4. Riders shall remain seated while the bus is in motion and shall not obstruct the aisle with their legs, feet, or other objects. When reaching their destination, riders shall remain seated until the bus stops and only then enter the aisle and go directly to the exit.
5. Riders should be courteous to the driver and to fellow passengers.
6. Serious safety hazards can result from noise or behavior that distract the driver. Loud talking, laughing, yelling, singing, whistling, scuffling, throwing objects, smoking, eating, drinking, standing and changing seats are prohibited actions which may lead to suspension of riding privileges.
7. No part of the body, hands, arms or head should be put out of the window. Nothing should be thrown from the bus.
8. Riders shall help keep the bus and the area around the bus stop clean. Riders shall not damage or deface the bus or tamper with bus equipment.
9. No animals shall be allowed on the bus.
10. Riders should be alert for traffic when leaving the bus.

Riders who fail to comply with the above rules shall be reported to the school principal, who shall determine the severity of the misconduct based on the discipline rubric and proceed accordingly. In all instances of misconduct, the rider and his/her parent/guardian shall be given notice. In the case of a severe violation or repeated offenses, the rider may be denied transportation for a period of time determined by the principal, up to the remainder of the school year.

Bus drivers shall not deny transportation except as directed by the principal.

Closed Campus

BP 5112.5

Nome Elementary School is a closed campus. Students shall not leave the school grounds at any time during the school day, including lunchtime, without prior authorization of their parent or guardian. Students who leave school without such authorization shall be classified as truant and subject to disciplinary action. Nome Police Department and parent/guardian will be notified immediately for the student's safety.

Current Student Information

We may need to contact you because your child is ill, a weather closure of school, or in case of an emergency. We ask that parents please help us keep student information current. **If you change** your physical address, mailing address, e-mail address, home, cell, work or emergency telephone number, please inform the Nome Elementary School office or log on to PowerSchool

and update your information. Court documentation is needed in order to remove a parent from Powerschool. To add an additional contact to Powerschool, reach out to the office, indicating their level of access (emergency, shared academic/health, information, etc.)

Field Trips

Throughout the year your child's class may be taking field trips, participating in activities that will take them away from NES. Teachers will provide a permission slip for all field trips/activities sent home via students. Permission slips must be returned in order for a student to participate.

Immunizations

BP 5141.31

All students attending Nome Elementary School are required by law to have proper immunizations or proper exemption paperwork on file. Students that are not properly immunized will not be allowed to attend school until such immunizations are received and the school has documentation of the required immunizations or exceptions. The responsibility for ensuring that immunizations or exceptions are current lies with the parent or guardian. If you have questions, please contact the school secretaries, State Public Health, or Norton Sound Health Corporation.

Lice

BP 5141.22

Board policy states that a lice examination may be conducted at school as needed. If live lice or a louse is found, the parent or guardian will be contacted and the student will be sent home. The student will need to be treated at home, re-evaluated by school personnel, and found to be free of live lice before re-admittance to the classroom. If crawling lice are not seen but nits are found attached firmly within ¼ inch of the base of hair shafts it suggests further treatment is needed, which will result in parent contact.

Medication

BP 5141.21

Guardians must complete and sign a Medication Form prior to any medication being accepted or dispensed to a student. Students needing to take prescription or non-prescription medicine during the school day (to include cough drops) must leave the medicine with the front office staff. All prescribed and over-the-counter medicine must be in the original bottle. To avoid disposal, over-the-counter medicines must be picked up at the end of each school year.

Release of Directory Information

BP 5125.1

Directory information is information that is contained in an education record of a student, which would not generally be considered harmful, or an invasion of privacy if disclosed. FERPA (34 C.F.R. § 99.3 "Education Records"): school officials may release directory information about a student without first obtaining parental consent, unless the parent objects. Districts may disclose this type of information only after giving notice to parents of the items of personal information the school has designated as directory. This notice must also inform parents of their right to refuse disclosure of directory information about their child. A school district is authorized to define the categories of directory information that it desires, if any, and the list found in the

Family Educational Rights and Privacy Act is for illustration only. Accordingly, the District is not required to include all, or any, of these items as directory information, but may do so if desired. Effective January 2009, federal law amendments clarify that directory information may not include student social security numbers and may not normally include student identification numbers. Effective January 2012, school districts may implement a limited directory information policy in which they specify the parties or purposes for which the information is disclosed.

Directory information means information contained in an education record of a student which would not generally be considered harmful or an invasion of privacy if disclosed.

The Superintendent or designee may use student directory information in school publications and may authorize the release of directory information to representatives of the news media, prospective employers, post-secondary institutions, military recruiters or nonprofit or other organizations. Directory information consists of the following: student's name, address, telephone number, electronic mail address, photograph, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of athletic team members, dates of attendance, grade level, enrollment status, degrees, honors and awards received, scholarship eligibility, and most recent previous school attended.

The District, before making directory information available, shall give public notice at the beginning of each school year of the information which it has designated as directory information. This notice shall also identify all disclosures required by state and federal law, unless parents opt out of such disclosure. The District shall allow a reasonable period of time after such notice has been given for parents/guardians to inform the District that any or all of the information designated should not be released. The District may provide parents with the ability to limit disclosure to specific parties or for specific purposes, as determined by the District.

Directory information shall not be released regarding any student whose parent/guardian notifies the District in writing that such information may not be disclosed. Parents may not, by opting out of directory information, prevent a school from requiring a student to identify him or herself, or to wear or carry a student ID or badge.

The District may disclose directory information about former students without meeting the requirements of this section.

Student Dress

Nome Elementary School is a fragrance free campus. Students are not to wear perfumes and colognes, to include scented lotions and body sprays.

Appropriate student dress and attire are essential to ensure all students safety and well being. Dress and appearance that are distracting as to clearly interfere with the educational process or that present health and safety hazards (to include in case of emergencies) will not be permitted.

- Garments that in any way exhibit profane or obscene words or objects, advocate gangs or violence, drugs, tobacco, or alcohol or the resemblance of such items are prohibited at school. This prohibition extends to shirts or slogans that are inappropriately suggestive or unbecoming for a school environment.
- Students may not wear the following:
 - bare midriff exposing shirts
 - low cut tops
 - tank tops/jerseys (without a shirt underneath, thereby exposing the shoulders)
 - short skirts/dresses/shorts above finger tip length
 - see through clothing
- Students are to wear appropriate shoes at all times. If a student is wearing non closed toed shoes, there needs to be an additional pair of shoes available to change into.
- Students are to wear weather and temperature appropriate clothing during outdoor recess. Should this be unavailable, parents may be contacted for appropriate gear to be brought to school. If appropriate gear is not achievable, please reach out to administration.
- Hooded sweatshirts are to have the hood off/back during the school day. Knit hats/"beanies" that show students faces are permissible in public areas for all school students. Teachers/Staff may prohibit the wearing of hats in their classroom/office as fits their classroom expectations.
- *Spirit Days* student attire, while fulfilling the spirit day request, must be appropriate for school following the information above, to include pajamas to be two piece, non see-through, and include pajama pants (no pajama shorts). Any school-appropriate headwear is permitted on a "Hat Day" spirit day.

Students not following the above dress code will be asked to change the garment or turn it inside out and a parent or guardian may be contacted to have an appropriate replacement garment brought to school. Students refusing to change or correct the garment as requested will be assigned an appropriate consequence under the discipline category of Willful Disobedience. Subsequent instances of inappropriate dress will be treated as a Dress Code disciplinary action.

Behavior Expectations

We engage in **Responsible, Respectful, and Safe** behavior at Nome Elementary School. Every teacher has a classroom management plan. If student behavior is inappropriate, serious, or repeated, families will be notified and may be asked to come to school for a conference.

All discipline procedures are subject to the discretion of the administration and may be changed as needed for the benefit of students.

Various student behaviors and the consequences that apply have been listed in this handbook. However, the Nome Public Schools System recognizes that other behaviors may endanger the welfare and/or safety of students, faculty, staff, or cause disruption to the good order and discipline in the schools. The school system reserves the right to administer consequences for such behavior not specified in the Nome Elementary School Behavior Plan. Families and students need to recognize their responsibility to know the contents of this handbook and to ask staff members for any clarification.

Schoolwide Behavior Expectations

- Be Safe
- Be Responsible
- Re Respectful

Classroom Expectations

Classroom expectations are at the discretion of the teacher and in accordance with the classroom management plan. Teachers post classroom expectations and consequences and review these with students. A copy of these expectations will be made available upon request. Consequences for repeated and/or serious disruptive conduct will include referral to the principal's or assistant principal's office.

Time Out Opportunity

The purpose of a time out opportunity is for students to “cool down” and/or refocus so they may return to their regularly scheduled classroom instruction. If students are unable to refocus and return to their classrooms after a reasonable “cool down” period of time, parents may be contacted for support and/or encouragement.

Student Suspension Policy

BP 5141.1

Authority to Suspend

The Superintendent of Schools, Principal, or Assistant Principal may suspend a student for any of the acts listed under “Grounds for Suspension and Expulsions” for not more than ten consecutive days. Suspension may be imposed upon a first offense if the Principal or their designee determines the student’s behavior to be in some way harmful to the welfare or safety of others, the student’s presence represents a danger to persons or property, or threatens to disrupt the instructional process. If the Board is considering expulsion of a suspended student, the Superintendent or designee may, in writing, extend the suspension until the Board has made a decision.

Short Term Suspension Procedures (10 days or less):

Suspension shall be preceded by the following:

- A quick family conference phone call with school administration and student present
- Following quickly, an in person student resolution conference conducted by administration:
 - to include the student, guardian, and teacher when possible
 - administrator discusses violation, fact finding, and evidence related to the student handbook discipline matrix
 - the student shall be given the opportunity to explain his/her version and evidence in support of his/her defense.

—a discussion on the restorative follow up, and school based follow up supports, will conclude the conference.

A student suspended from school may not participate in any school or district-sponsored activity; furthermore, he/she is not allowed on any Nome Public Schools property during any school or district-sponsored event.

This conference may be omitted if the Principal, designee, or Superintendent determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety, or health of students or school personnel. If the pre-suspension conference is not held, both the parent/guardian and student shall be notified of the student’s right to return to school for the purpose of a conference. The conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such case, the conference will be held as soon as the student is physically able to return to school. This may occur in person or by phone if the student is unable to attend.

Notice to Parents/Guardians: Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension by US Mail or by hand. This notice shall state the reasons for suspension and the date and time when the student may return to school, and may request that the parent/guardian confer with school authorities regarding matters pertinent to the suspension.

Expulsion

The principal or superintendent may recommend expulsion of a student to the School Board. In this situation a parent/guardian will receive a copy of the school board policy concerning expulsion.

Homework Responsibility

BP 6154

Homework will reinforce classroom-learning objectives and be related to student needs and abilities. We ask that all students spend a minimum of twenty minutes on homework per night, Monday through Thursday. This could be twenty minutes of reading. Homework is the responsibility of the student. It is the student’s job to develop regular study habits and to do most assignments independently. Students shall be given the opportunity to make up schoolwork

missed due to absences and shall receive full credit if the work is turned in according to the schedule determined by School Board policy.

Lost and Found

Articles found in classrooms and halls are turned into the office or placed in the "Lost and Found" in the Nome Elementary School front entrance. It is your responsibility to check for lost articles. At the end of each semester, any unclaimed items may be donated to charity. It is important that families label student clothing and lunch containers so found items can be easily returned to the owner.

Migrant Education Program

Each year many Nome school-aged children qualify for services under the provisions of the Federal Migrant Education Program. This includes tutoring, books, and other services. The most common qualifying migrant activity in Nome is a family taking children to fish camp for a minimum of seven cumulative nights and an indication from the family that obtaining and storing of salmon is one of the family's principal means of livelihood. The program is available to any Nome area family, regardless of ethnicity, with children who meet the criteria for eligibility.

Please call Migrant Education at 443-6197 for more information.

Playground

The playground is for student use and is supervised by school employees during recess. The playground will be open to the public at the close of business hours. Dogs are never allowed on the playground.

Playground Expectations

- Be Safe, Be Respectful, Be Responsible.
- Games will include all who want to play.
- Keep body to yourself. Two-Finger Touch Tag is acceptable.

- Line up safely when the whistle is blown at the end of recess.

Substitute Teachers

Our school is fortunate to have qualified substitute teachers to help us when our regular teachers are away from the classroom. Substitute teachers have the same authority and responsibilities as the regular teacher.

Technology Acceptable Use Agreement

We are pleased to be able to offer students of Nome Public Schools access to the District computer network for internet access and electronic mail in certain grade levels. To obtain access to the internet, all students must have family permission online through annual PowerSchool enrollment.

Telephone Calls and Cell Phones

Should a student have the need to make a personal call during the day, students must receive permission from the classroom teacher before being sent to the office to make the call. The office will facilitate all calls home. Phone calls to students during classes will not be permitted. If there is an emergency situation, the office will contact the student. When students need to call home because of illness, someone in the office must speak to the parent/guardian.

If cell phones are brought to school they are required to be powered off once students enter the doors. Phones are to be placed in the class/pod safe until the end of the day. There are no exceptions to this rule. If there is an emergency in which a student must be reached, please call (907) 443-5299 and we will notify the student immediately. All student phone calls and messages come through the front office. If a student needs to reach a parent, they may do so in the front office.

Safety and Security

Notice of Electronic Surveillance

Nome Public Schools employs the use of electronic surveillance equipment for safety and security purposes throughout the public areas of the building and grounds. This equipment may or may not be monitored at any time. For the privacy of all students, only administrative staff have access to the video footage.

Safety Drills

Monthly safety drills are required by AS 14.03.140. All students and staff will react to each safety drill as if it were an actual emergency. Students will follow the direction of the supervising adult. Members of the public shall not enter the school during a drill. Each student will become familiar with the evacuation plan posted in the classroom and with ALICE (Alert, Lockdown, Inform, Counter, and Evacuate) procedures. ALICE lesson drills are available in a binder in the front office at NES for families to view. Teachers will communicate ALICE safety drills and information to families on a regular basis. Drills will be communicated with family members through Powerschool and the conclusion of the drill also communicated.

Search and Seizure

BP 5145.12

Student Desks – Students' desks and cubbies are part of the school building, and as such are under the supervision and jurisdiction of school officials. School officials may search a student's desk or cubby at any time.

Personal Searches – A student's person and/or personal effects may be searched whenever a school authority has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. Any student who evades or flees from staff in order to avoid a personal search or search of their personal effects will be assumed to be in possession of the substances that caused the "reasonable suspicion." If a pat down search of a student's person is conducted, it will be conducted in private by a school official of the same gender and with an adult witness present. If extreme emergency conditions exist that endanger the health and safety of others, a more intrusive search of a student's person will be conducted in private by a school official of the same gender, with an adult witness of the same gender present, and only

upon prior approval of the superintendent or his/her designee. Families will be notified in the case of a personal search.

Visitors/Passes

The community is welcome at Nome Elementary School. For the safety of all, visitors must sign in at the office before they go to classes and wear a visitor badge. Guest speakers and presenters need approval from the principal. No student visitors are permitted during instructional times unless they are taking part in a specific curricular or extracurricular program. Visiting friends and relatives may purchase and/or eat lunch at school and go to recess with parent/guardian in attendance.

Volunteers

Nome Elementary School appreciates everything volunteers do to assist students, faculty, and staff. All volunteers are asked to complete a Volunteer Agreement and submit to a background check if required. We invite and welcome all volunteers.

Regular volunteers are required to complete background checks that include, but are not limited to, those who help in the following activities:

- Volunteers with a regular schedule in the school (morning gym, classroom, playground, cafeteria, library, greeters)
- Activity/Club mentors, volunteers, or chaperones
- Overnight school trip chaperones
- Volunteer coaches (interscholastic or intramural)

Occasional volunteers will not be required to complete background checks. The school staff will conduct a minimal background screening for those individuals as appropriate. This category includes, but is not limited to, those who help in the following activities:

- Occasional volunteer (ex. classroom party, field trip, school/community event)
- School-sponsored events (ex. career fairs, book fairs, science fairs, school dances, guest speakers, field day, registrations)
- Projects with little or only incidental contact with students (ex. fundraisers, boosters, concession stands, scorekeepers)

We appreciate your cooperation and support of this new expanded background check program. We share with you the responsibility to ensure the welfare and safety of our students. Copies of the Nome Elementary School Volunteer Application are available in the main office. Please contact the school office or NPS Human Resources with any questions you may have regarding this program.

INTRODUCTION

Program Description

Our program incorporates critical thinking, collaboration, and creativity through project based lessons with an emphasis on science and technology. To prepare our students for their futures, technology is integrated and utilized to the fullest potential. Students will embark on purposeful, rigorous learning that requires research, investigation, challenge, teamwork and learning through relevant experiences. Lessons are interdisciplinary studies of a theme or topic and place-based when appropriate, generally lasting four to nine weeks and are the core of the curriculum.

The program will foster a strong sense of student community. ACSA is a multi-age school. We believe our multi-age structure allows students to learn at their own developmental pace, learn from students of different academic levels, and to grow as leaders.

ATTENDANCE

Regular school attendance is necessary for students to progress in academic standards and achieve consistent educational gains. Students who are frequently absent or tardy disrupt classroom instruction and our school climate. Regular and on-time attendance is required of all students enrolled at Anvil City Science Academy. The responsibility for regular and on-time attendance lies with the parent/guardian.

Excused Absences

Nome Public School Policy (AR 5113) defines the following as excused absences:

- a. Injury or illness
- b. Quarantine
- c. Death in the immediate/extended family
- d. Medical or dental appointment
- e. Court or administrative proceedings
- f. Religious observance

Please notify the Registrar by email or phone as soon as possible when an absence occurs. The parent will receive a phone call if no message has been received by the morning a student is recorded absent.

Medical Absences

In accordance with Nome Public School policy, medical absences in excess of three (3) consecutive days must be accompanied by a doctor's note. Medical absences will not count towards the consecutive absence rules.

Planned Absences

Anvil City Science Academy is built on the belief that kids learn best by experiencing unique, hands-on activities. The staff believes there is no substitute for the educational interactions between teachers and students, as well as peer-to-peer collaboration. Instruction, discussions, media presentations, hand-on activities, and special activities make up the foundation of effective learning and cannot be completed by students outside the classroom. A student's absence disrupts not only their own learning, but that of their peers, as cooperative group work is an integral part of our program. Students in the classroom have to do extra work, or have to wait on students to return before they can even begin a project.

Therefore, we strongly discourage students missing school for days of vacation or other personal reasons. Families should plan vacations around the school calendar. Absences for vacation or personal reasons should occur only in exceptional circumstances – NOT regularly every year or repeated several times during the same year.

Planned Absence Form

Parents/Guardians shall notify the Registrar at least one week in advance of any planned absence. For a planned absence of three (3) or more days, Parents/Guardians must also submit a Planned Absence Form at least one week prior to the absence.

Consecutive Planned Absence

A planned absence for fifteen (15) or more **consecutive** school days may result in the student being unenrolled from ACSA.

Cumulative Absences Policy

We understand that some absences are unavoidable. However, frequent absences may add up to significant lost learning time in the classroom. Sporadic absences, not just those on consecutive days of school, matter. The following policy is in effect for cumulative full-day equivalent school absences, ~~excused and unexcused~~ (excluding school sponsored absences) during the school year.

Please note: Cumulative absences for chronic illness or health issues with a documented doctor's note will not count towards accumulative absences.

- A. Eight (8) absences: Parents/Guardians will be notified of the dates of absence. Parents/Guardians and the student will re-sign the attendance policy.

- B. Twelve (12) absences: The student and their Parents/Guardians will meet with the principal to review the reasons for the absences and reflect on the effect the absences have had on the student's academic progress and that of their peers.
- C. Seventeen (17) absences: In addition to the steps outlined in b) above, the parties will revisit the student's ACSA application to examine the reasons the student applied to ACSA. Together, the parties will determine whether continued enrollment at ACSA is appropriate.
- D. Twenty-five (25) absences: Parents/Guardians will meet with the principal to discuss possible unenrollment from ACSA or retention of the student in their grade for the following year.

Make-Up Work Policy

Students are obligated to make-up assignments or tests after an absence from school and shall receive full credit if the work is turned in on time, as defined by the policies below. Missing assignments are entered into the gradebook (PowerSchool) as zeros until the assignments are completed and graded.

Absence Assignment Form

~~Students will fill out an *Absence Assignment Form* on the first day back at school from any absence other than a school activities absence. A digital copy of the completed form will be emailed to parents. To make up work, students will be given two (2) days for the first school day missed and one (1) day for each succeeding school day missed, not to exceed seven (7) school days total.~~

Absence - Daily Planner

~~Students will identify future or missing assignments and will record them in their Daily Planner prior to any planned absence and after any unplanned absence. To make up work, students will be given two (2) days for the first school day missed and one (1) day for each succeeding school day missed, not to exceed seven (7) school days total.~~

School Activities Absence

Students who are traveling for school activities will need to request their homework from teachers **in advance** and will be expected to **turn in assignments on their first day back at school**. Pre-assigned homework and tests need to be turned in ahead of time or as directed by the teacher.

Unexcused absence

Students who miss school work because of unexcused absences or suspensions shall be given the opportunity to make up missed work for full or reduced credit. Teachers shall assign such makeup work as necessary to ensure academic progress, not as a punitive measure.

Perfect Attendance

To encourage excellent attendance, students with no absences and no tardiness shall be recognized monthly with an incentive/reward.

Tardiness

A student is expected to be in class on time. A student will be marked tardy if he or she arrives after the school day has started. Teachers have structures in place which require engagement in the first minutes of class, and a student should be prepared to participate.

Sleeping in Class

In order to fully benefit from ACSA's rigorous academic program, it is necessary that students arrive at school on time, well-rested and ready to learn each day. Sleeping in class is a form of absence that interferes with student learning. It interrupts the learning environment for all students and will be handled in a serious manner. Sleeping in class is not acceptable behavior at ACSA. An incident of sleeping in class warrants parent/guardian notification so that families can make necessary adjustments to ensure their student receives adequate rest.

SCHOOL PROCEDURES

Advancement in Classes

The core classes at ACSA are Language Arts, Reading, Science, and Social Studies. Students are placed in one of three levels (Class A, Class B, or Class C) for the core classes.

- Class A students receive quite a bit of direct instruction and learn basic content for each subject area.
- Class B students receive some direct instruction but should also be able to operate somewhat independently using written instructions, and they learn a range of content for each subject area.
- Class C students are expected to function quite independently and know how to use available resources to assist their learning of deeper content in each subject area.

A student may remain at the same class level for more than one year depending on his or her academic needs and ability for self-direction. Any student who attends ACSA for four years will indeed take a certain level twice since there are only three levels for four years of curriculum. However, because the theme is different each year, a student will learn new content while having the opportunity to reinforce skills at a particular level.

To advance to the next math class, a student must demonstrate proficiency in the skills and concepts for the current course level. The student should demonstrate proficiency by completing assigned work, scoring average or better on classwork or placement tests, and/or showing competency through MAP test scores. Students are retained, when needed, to repeat the content and practice the same or similar skills.

Arrival

Students should not arrive at school before 8:30 am. At 8:50, buses arrive and students can go to breakfast at the cafeteria. Students who are dropped off at school by parents/guardians can also go to breakfast.

Students and parents/guardians may work with their teachers to arrange to get help outside of class time.

Communication With Parents/Guardians

Important information pertaining to school is shared with families by email. Parents/Guardians should check their email daily for ACSA messages. ACSA also maintains a website and Facebook page to help families keep informed. Students will keep track of assignments and homework in assignment notebooks, which go home nightly for parent review. For parent/guardian communication to teachers, email is the most efficient and preferred method, but school visits or phone calls are also useful.

ACSA students access Google Classroom, have school-administered Gmail accounts, and use many software programs for school work. In order to understand how these tools are used, parents will be invited to a technology help session in the fall.

Family/Teacher Conferences

Scheduled conferences between parents and teachers will occur no less than twice a year. Fall conferences are between parents and teachers, and students are welcome to attend. Spring conferences are student-led so that students may demonstrate personal responsibility and accountability for their academic performance, a key core value at ACSA.

Grade Reporting

Report cards are given at the end of each of the four quarters. Parents and students should use PowerSchool to keep current with student progress. Progress reports will be made available by request of a parent guardian. ACSA teachers update grades weekly.

Students and parents should monitor grades weekly using PowerSchool (an online gradebook) or other resources. When an assignment has not been completed by the due date, a ZERO will be recorded in PowerSchool, which will remain until the work is turned in.

Homework Responsibility

Homework will reinforce classroom learning objectives and be related to student needs and abilities. Typically, a student will have math and reading homework each night, but at times homework will be assigned in other classes as well. Because it is expected that students complete the assigned homework, grades will be taken and are part of a student's overall class grade.

Honor Roll

Students who receive all A's on their report card will achieve the "A" Honor Roll and all A's and B's will achieve the "B" Honor Roll.

Late work

Timely submission of assignments is crucial as it reinforces understanding of interconnected concepts, fosters discipline, and facilitates prompt feedback from teachers. Work not received by the due date, or that is substantially incomplete, will be recorded as "MISSING" in Powerschool with a corresponding grade of zero until the work is received. **Students will be required to complete missing work during the school day at a time that is approved by staff discretion. Missing work that is unable to be completed at school should be completed on the student's own time.**

Late work is worth 60% of the value of the assignment for daily work.

Late work earns a 10% deduction of the value of the assignment per day for major projects or long-term assignments.

Teachers in each class will set time limits for the acceptance of late work and will communicate those policies in the class syllabus.

Redos

In order to increase understanding of a skill or concept and to earn a higher grade than the original mark, teachers may give students permission to redo certain types of assigned work that was originally completed with a good faith effort. Any work that has been redone correctly will earn 50% of the credit that was missed added to the original score.

Math Homework Redos

Due to regularly assigned homework in Math, special redo policy exists for these classes.

Students must redo each missed math problem on assignments with a score of less than 70%. Redos are optional for assignments with a score of 70% or above.

Redos will be done on a separate sheet of paper and attached to the front of the original work. The redo assignment will include a concise explanation of why each problem, or group of problems, was missed.

Redos are due two days after they are assigned and will appear in Powerschool as "REDO" with no associated grade until completed. Redos completed on time will receive full credit. Redos not received by the deadline will follow the late work policy.

Math Test Retakes

Students are required to retake math tests that earn a score of less than 60%. Retakes are optional for math tests with a score of 60% or higher. The retaken math test will be different from the original test, but will cover the same topics and be of equal difficulty.

Before retaking the math test, the student must devise a plan to improve their grade on the retake and obtain approval for the plan from their teacher. The plan may require one or more of the following actions:

- Redo missed problems, including explanations of why the problems were missed.
- Complete missing homework and homework redos.

- Complete IXL lessons on topics missed.
- Complete reteach worksheets on topics missed.

The retake grade will replace the original grade in the gradebook.

SAFETY AND SECURITY

Student safety and security is a high priority. Any time a student arrives late or leaves early it is important that he or she sees the administrative assistant or the principal and signs in or out. A parent or guardian must notify the principal or staff if the child will be absent.

Visitors must check in with the administrative assistant or principal upon arrival.

Sign In/Sign Out Procedures

All doors to the school building will be locked during the school day between the hours of 9:05 AM -4:00 PM. To drop off or pick up your child **during the school day**, use the entrance on the west side of the school building (door D4). Our school's sign is near the door to the conference classroom where your child will enter or leave. **A parent or guardian must come inside the building** to sign in or sign out their child. **Please do not ask your child to meet you outside.**

To drop off or pick up a child before or after school (before 9:00 AM or after 4:00 PM), please use the east entrance -- there is a cement ramp at this entrance -- to avoid bus traffic.

Backpacks

Students are not permitted to bring a backpack into the classroom due to safety concerns. These concerns range from students and teachers tripping over them to contraband being brought into the classroom. Each student has been assigned a locker and should use it to store his or her backpack and other items.

Building Security

ACSA will utilize a **Stay in Place** protocol to address a medical or behavioral issue. The **Stay in Place** protocol allows authorized individuals to work safely and without obstruction in addressing the medical or behavioral issue. A **Stay in Place** protocol is used when there is not a threat to the safety of the people in the school.

Nome Public Schools will follow an ALICE plan in response to an active intruder. Information about this type of response can be found at [What is ALICE?](#) Anytime the ACSA staff intends to hold a drill, students will be informed and will have an opportunity to ask questions before and after. We want students to feel as comfortable as possible with the concept and procedures.

In the event of a drill for Lockdown or Evacuation or in the event of an actual emergency situation, students shall obey all teachers' directions in a prompt manner. Student safety depends on listening

carefully to the teacher's directions with immediate compliance. Additional emergency classroom instructions are located in each room in the RED EMERGENCY FLIP CHART.

Lastly, it is important to note that prevention and communication are key components of school safety. The ACSA staff will work to establish a school climate of respect, connectedness, and trust amongst all stakeholders. Any time a student is aware of dangerous situations or has a concern about safety or the wellbeing of another student or staff member, that student is expected to share his or her concerns with a teacher, administrator, a school counselor, or staff in the school and/or office.

Search and Seizure

Nome Public Schools staff and Board recognize that incidents may occur where the health, safety and welfare of students and staff are jeopardized. **Such incidents necessitate the search and seizure of students, their property, or their lockers by school officials.**

- Student Lockers – Students' lockers are part of the school building, and as such are under the supervision and jurisdiction of school officials. School officials may search a student's locker at any time.
- Personal Searches – A student's person and/or personal effects may be searched whenever a school authority has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. Any student who evades or flees from staff in order to avoid a personal search or search of their personal effects will be assumed to be in possession of the substances that caused the "reasonable suspicion." If a pat down search of a student's person is conducted, it will be conducted in private by a school official of the same gender and with an adult witness present and parent/guardian. If extreme emergency conditions exist that endanger the health and safety of others, a more intrusive search of a student's person will be conducted in private by a school official of the same gender, with an adult witness of the same gender present, and only upon prior approval of the superintendent or his/her designee.
- Seizure of Illegal Materials – If a properly conducted search yields illegal or contraband materials, such findings will be turned over to proper legal authorities.

Weapons and Knives and Look-a-Likes

Weapons, knives and look-a-likes (including but not limited to multipurpose tools, pocket knives, toy knives, guns, squirt guns, bombs, grenades, fireworks, lighters, martial arts equipment, metal knuckles, etc.) are not permitted on the bus or on campus. Possession of any of these items may result in police notification, out-of-school suspension or recommendation for expulsion.

GENERAL INFORMATION

For issues not specifically addressed in this student handbook, Nome Public Schools Board Policy for Students will inform decision making and resolution.

Calls/Texts

Students who need to make an important phone call/text shall ask the permission of the classroom teacher. Phone calls or texts to students during classes are not permitted. If there is an emergency situation, **a parent/guardian should call the ACSA cell phone at 907-434-0876** or the district office at

443-2231 and the message will be relayed to the ACSA staff. When students need to call home because of illness, **an ACSA teacher must speak to your parent/guardian to approve your dismissal.**

Cell Phones/Electronics

Students may use their electronics before school or after school. Students are not allowed to use or have their electronics, including earbuds, on during class or during passing periods. Students who are using or have their electronics on/out must turn their electronics over to staff upon request. Failure to do so will subject the student to a detention due to willful disobedience. ~~For safety reasons, when special permission for electronics is granted, students are not permitted to wear more than one earbud.~~ **One Earbud Only!**

Discipline Procedures for using electronics during inappropriate times:

1. 1st offense: The electronic device is confiscated, given to the Principal, and the student can pick it up at the end of the school day.
2. All subsequent offenses: Electronic device is confiscated, given to the Principal, and parent/guardian must pick it up from the principal.

The teacher will determine the usage of these items for school related work and will have control over the regulation of these items up to confiscation.

Cyberbullying

Per school board policy, all forms of harassment, intimidation or bullying via electronic means, commonly referred to as cyberbullying, are prohibited. Cyberbullying also includes, but is not limited to, other misuses of technology to threaten, harass, intimidate, or bully, including sending or posting inappropriate email messages, instant messages, text messages, digital pictures or images, or Web site postings, including blogs. An individual who redistributes a cyberbullying communication can be found in violation of this policy, even if the individual did not author or create the original communication or image.

The district's computer network, including access to the Internet via that network, whether accessed on campus or off campus, during or after school hours, may not be used for the purpose of harassment, intimidation, or bullying. Users are responsible for the appropriateness of the material they transmit over the system.

School board policy describes all disciplinary measures concerning cyberbullying.

Anvil City Science Academy is not responsible for lost or stolen electronics.

Field Trips

Throughout the year, ACSA students will be involved in various curricular activities that will take them away from school. Please complete a blanket permission slip for all field trips/activities. Teachers will provide information on each field trip/activity throughout the year.

Student Dress

School is preparing students for future employment. Students need to dress appropriately every day. To create a favorable climate for learning, students' appearance shall be neat and clean. Any clothing that ~~is~~ **distractive** interferes with the educational process, or presents health and safety hazards is not permitted. Wearing "hoodies" (sweatshirt hoods) with the hood up is not allowed inside the ACSA school building. Garments that display profane or obscene words, advocate gangs, illegal drugs, tobacco, or alcohol are not allowed at school. Undergarments should not be visible. No low-cut or off-the shoulder **attire without an undershirt, spaghetti strap tank tops** or exposed midriff will be allowed. Students wearing prohibited clothing will be sent home to change unless parents/guardians agree to bring acceptable attire to school for the student to change into. Students may be asked to cover up the offensive clothing in lieu of going home. Subsequent instances of inappropriate dress will be treated as willful disobedience resulting in further disciplinary action.

Immunizations

All students attending ACSA are required by law to have proper immunizations before being permitted to attend. Students that are not properly immunized will not be allowed to attend school until such immunizations are received and the school has documentation of the required immunizations. The responsibility for ensuring that immunizations are current shall lie with the parent or guardian.

Lockers

Each student is assigned a locker for the storage of books and equipment. It is the student's responsibility to see that his/her locker is kept in order at all times. The person to whom a locker is issued is legally responsible for that locker's contents. The school is not legally liable for items missing from student lockers. Lockers should not be defaced, damaged or misused in any way. Students will be charged for locker damage or for removal costs if stickers, markers, paint, etc. must be removed. The outside of the student lockers is reserved for school-related posters and materials only. If items posted on the inside of a student's locker are offensive to another individual, the student who is assigned that locker must remove those items. (Also see Student Search Procedures)

Anvil City Science Academy is not responsible for lost or stolen items.

Lunches

The school cafeteria is maintained as a vital part of the health program of the school. Please be cooperative regarding the following rules:

- A. Students are not allowed to cut into the lunch line.
- B. Bring all trays to the dishwashing area.
- C. Deposit all lunch litter in wastebaskets.
- D. Leave the table and floor around your place in clean condition for others.
- E. Gum is not allowed in school and should not be on the trays.

Medicines

Students needing to take prescription or non-prescription medicine during the school day must leave the medicine with the principal or administrative assistant. All prescribed over-the-counter medicine must be in the original bottle. Parents/**Guardians** will need to complete and sign a Medication Form prior to any medication being dispensed to a student.

Textbooks

Students are responsible for the replacement cost in case of loss of, or damage to, textbooks issued to them. Before a student's records or report cards are released, charges against the student must be paid.

Snacks and Water Bottles

The daily schedule provides time for students to eat a small snack between breakfast and lunch. Students should bring their own snacks (cookies, chips, and candy are not allowed).

Students are allowed to bring water bottles to classes, and water is the only drink permitted in the halls and classrooms. Nome Public School District is soda-free during school hours. Soda, energy drinks, and caffeinated beverages are prohibited at ACSA, the Beltz cafeteria, and the Beltz gym.

Candy and chewing gum are not permitted inside the ACSA building, Nome-Beltz building, gym or on the school buses. Students found with these items will be asked to discard the item and may be subject to administrative consequences.

Technology Acceptable Use

We are pleased to be able to offer students of Nome Public Schools access to the District computer network for Internet access and electronic mail. To obtain access to the Internet, all students must have parental permission and must sign and return a copy of this form to the school office. ACSA students are assigned a laptop and must care for it. The laptops are to be kept in the charging cart or taken directly to class (not taken to lockers or left in hallways). Also, the computers are to be used for school purposes and assigned work as defined by the teachers. Violations of proper care or usage of a computer will result in the following consequences:

- 1st offense - computer taken for the class period
- 2nd offense - computer taken for the day
- 3rd offense - computer taken for a week
- 4th offense - suspension of computer privileges

Inappropriate care or usage deemed extremely severe can result in moving directly to the 4th offense. Students who have their computer privileges suspended are still responsible for completing their work and having it turned in on time. Students will be responsible for making arrangements with the teachers to complete assignments.

Responsible and Ethical Artificial Intelligence Use

Students may NOT use AI to help create assignments or content unless they have received explicit permission to do so. Students must use AI tools (including software, chatbots, or assistants) solely for educational purposes as directed by teachers or school authorities. Using AI for non-educational activities or submitting AI work as original student work within the school context is prohibited. AI work submitted in place of student work will be considered plagiarism, cheating, and a form of dishonesty in academic work.

Laptops and External Hard Drives

Use of phones, personal laptops, cameras and external hard drives are permitted with prior teacher approval and direct teacher supervision. A breach of the NPS Internet Safety Use Agreement will result in loss of privilege and possible confiscation.

Visitors

All parents are welcome at Anvil City Science Academy. Parents/Guardians and volunteers must check-in with the administrative assistant or principal upon arrival at the school. Please enter the building through the northwest entrance (door D4) and complete the sign-in log.

SCHOOL BUS RULES

1. The driver is in full charge of the bus and students. Students must obey the driver or monitor promptly and willingly. No student shall sit in the driver's seat.
2. Students must remain seated while the bus is in motion. Bus drivers, duty personnel and administration are authorized to assign seats as necessary.
3. Outside of ordinary conversation, classroom conduct will be observed. Students should remember that any action, which distracts the driver or creates a safety hazard, is subject to disciplinary consequences.
4. Windows may be opened only with permission of the school bus driver. Students must not extend any part of their bodies out of the windows.
5. Proper conduct in the bus loading zone or bus stop area is as important as proper conduct on the bus. The bus loading / unloading zones are considered part of the school. Students must leave the school bus in an orderly manner. If it is necessary to cross the street, cross in front of the bus, following the instructions of the driver. Students must wait at the bus stop shelter, not across the street.
6. Students must remember that riding the bus is a privilege, not a right. The Principal, Assistant Principal, Bus Contractor, and/or the Superintendent can deny a student's privilege of riding the bus for any misconduct.
7. High school students should ride the high school bus and middle school students should ride the middle school bus. Written/verbal permission should be obtained from the principal or the administrative assistant to ride a bus at a different time. Failure to follow this rule could result in discipline action and or up to denial of bus riding privileges.
8. Students must inform staff prior to their last class if they will not be riding the bus due to a change of plans.

Activity Bus Runs

Activity bus runs will be provided after activity events. All bus rules remain in effect on these runs.

Student Vehicles

Anvil City Science Academy is successful because of our community. We would like to teach our students to follow the ordinances set forth by our elected officials. As such, no student at ACSA may ride an ATV, motorcycle, or snow-machine to school without parental supervision per Nome City Ordinance 8.15.030, "No person under the age of sixteen shall operate an ATV or snowmachine unless under the direct supervision of an adult. (Ord. O-08-01-01 § 3 (part), 2008)". If you have any questions about this please feel free to contact the officers at the public safety building for more clarification.

BEHAVIOR PLAN

We expect responsible, respectful and safe behavior at Anvil City Science Academy. Every teacher has a classroom discipline plan. If student behavior is inappropriate, serious or repeated, parents will be notified by telephone and may be asked to come to school for a conference.

All discipline procedures are subject to the discretion of the administration and may be changed as needed.

Various student misbehaviors and the consequences that apply have been listed in this handbook. However, the Nome Public Schools System recognizes that other behaviors may endanger the welfare and/or safety of other students, faculty, staff, or cause disruption to the good order and discipline in the schools. The school system reserves the right to administer consequences for such behavior not specified in the Anvil City Science Academy Behavior Plan. Students should recognize their responsibility to know the contents of this handbook and to ask staff members for any clarification.

Classroom Expectations

Classroom expectations are at the discretion of the teacher. Teachers post classroom expectations and consequences and review these with students. Consequences for repeated and/or serious disruptive conduct will include referral to the principal.

Hallway Expectations

ACSA students use the hallways, tunnel, and parking lot to access different areas throughout the Nome-Beltz campus. To respect others who share this space, students adhere to the following expectations. Consequences for infractions of these rules may include loss of gym time, written reflections, detention, or meeting with parents.

- Be quiet (no talking)
- Walk
- Keep your hands to yourself

Incidents requiring disciplinary actions are divided into four categories according to the level of severity and disruption of a safe school environment. This matrix lists the most common behavior issues and is not inclusive of all possible behavior issues that can arise during a school day or activity. Unacceptable behavior not listed will be handled on an individual basis using the progressive discipline model as a guide to consequences.

School consequences are separate from any legal consequences that may arise from the situation (contacting the police and other law enforcement agencies.) Referrals will be made to appropriate community entities.			

Discipline Referrals

Level 3 & 4 infractions can result in referrals to outside agencies. Legal violations such as alcohol/tobacco/drug use, possession or sales, theft, or assault, may be referred to Nome Youth Court for trial. Parents and youth will have the option to participate in Youth Court or be ticketed and fined by the Nome Police Department. Behavioral or substance use violations may be referred to agencies providing education or counseling services such as Nome Community Center, NSHC CAMP Department or NSHC.

Students serving lunch detention can request lunch from the cafeteria and will eat in an assigned ACSA classroom. During a detention, a student will be expected to reflect on their actions by speaking with the principal and writing any discussed understandings.

In-School Suspension: The intent of in-school suspension is twofold; the first is to isolate the student from the normal social aspect of school while allowing for academic pursuit. The second is to have the student reflect on their actions, recognize their culpability and identify more appropriate

choices and strategies for conducting themselves. The discipline designee may assign in-school suspension.

Out-of-School Suspension (OSS): If the discipline designee determines that the student will not benefit from placement in ISS or that his/her presence on school property is detrimental to the health, welfare or safety of other students, he/she may be sent home from school for a period of suspension. Unless the student poses an immediate or continuing threat to person(s) or property or the behavior is a serious disruption to the academic process, removal from school will begin the school day following the offense. NOME PUBLIC SCHOOLS VISION AND MISSION STATEMENT & LAND ACKNOWLEDGMENT

Vision Statement:

Together - strong in identity, purpose, potential

Mission Statement:

We inspire and empower students to be culturally grounded responsible citizens who are deeply connected to our community and world.

Land Acknowledgment:

Nome Public Schools respectfully acknowledges and celebrates that we are on the traditional lands of the Inupiat people. We honor the Indigenous peoples who have lived, learned, and thrived in this region since time immemorial, and we recognize their deep spiritual and cultural connections to this land.

We specifically acknowledge the four Indigenous nations currently based in Sityasuaq (Nome):

- *Nome Eskimo Community*
- *King Island Native Community*
- *Native Village of Council*
- *Village of Solomon*

We also recognize that Central Yup'ik and St. Lawrence Island Yupik peoples have made their homes here and are vital members of our community and schools. These lands are shared, lived on, and cared for by many Indigenous peoples whose histories and cultures are part of the living fabric of our region.

Because of this history and connection, Nome Public Schools is committed to supporting Native education, uplifting Indigenous voices, and fostering respectful relationships with Native nations. We strive to create inclusive, affirming spaces for Indigenous students, staff, and families, and to integrate Indigenous knowledge, histories, and languages into our learning environments.

*We believe that building and maintaining strong relationships with Alaska Native families and communities creates a healthier, more united, and more resilient future for all in Nome. This land acknowledgment is one step toward honoring the sovereignty and ongoing contributions of Indigenous peoples, and toward building a future grounded in respect, equity, and cultural understanding.*²³⁸

POSITIVE BEHAVIOR INTERVENTIONS & SUPPORTS (PBIS)

The purpose of this section is to inform NBMHS students and their families as we continue our implementation of Positive Behavior Interventions & Supports (PBIS) into campus life. Our goal is to provide all of our students with a safe and effective school environment where they can experience academic and behavioral success and be #nannutstrong #nanookstrong.

What is PBIS?

PBIS stands for Positive Behavior Interventions and Supports. PBIS focuses on creating and sustaining school-wide, classroom, and individual systems of support that improve the educational environment for all children. Our PBIS implementation plan includes clearly defined outcomes, research-validated practices, supportive administrative systems, and information for problem solving behaviors. All staff members at NBMHS will establish regular, predictable, positive learning and teaching environments. We will serve as positive role models to students as we teach expected school behaviors. We utilize a system in place for recognizing and rewarding expected behaviors called PBIS Rewards. By improving the school environment, we will increase learning time and promote academic and social success for every Nanook in the Den! For more information, please visit: [PBIS.org](https://www.pbis.org)

PBIS Through a Cultural Lens

Behavior expectations at NBMHS are taught with an understanding that students come from cultural traditions that value observation, listening, humility, and learning through experience. Staff are expected to consider cultural communication styles, family roles, and community norms when responding to student behavior.

Nome Public Schools Behavior Purpose Statement

As Nanooks, we care for ourselves and others in our culturally diverse world by making SAFE choices, showing RESPECT, and acting RESPONSIBLY as life-long learners and citizens.

School-Wide Behavior Expectations

Campus teachers and staff will explicitly teach what it looks like to be respectful, responsible, and safe in every area at our school, including how these values are understood and applied within Inupiat, Central Yup'ik and St. Lawrence Island Yupik cultures. These behavior expectations are clearly displayed on the walls around campus.

NBMHS Behavior Expectations Matrices

Consistent expectations are important and provide guidelines for success, opportunities for positive relationships, reduce problem behavior, and increase our school safety. Expectations are simple and easy to remember, positively stated, and applicable to everyone in the Nanook Den. We work together to monitor and reinforce behaviors. The NBMHS Behavior Matrices will keep everyone on the same page and serve as the basis for school activities and lessons designed around school expectations.

<p>Note: While 22 is the minimum requirement, most students will earn an excess of credits upon graduation. Take advantage of every learning opportunity to promote success after high school! For other graduation policies and credit information, please see AR 6146.1.</p>	

To ensure the success of all Nanooks: We require all seniors to have a post-secondary plan prior to graduation and all 8th-grade students to have a high school plan upon promotion.

STUDENT DIRECTORY INFORMATION

Under Federal Law, student information is protected and private, and written consent from parents is required to disclose. However, the District may publish or release directory information in accordance with Board Policy 5125 – Release of Directory Information. During the enrollment/registration process, parents have the opportunity to opt out of releasing Directory Information to military recruiters and/or institutes of higher learning. Parents can also exercise the opt out option at a later date by requesting the appropriate form from the main office.

WITHDRAWAL OR CHANGE OF CLASSES

High school student scheduling begins in the spring, but all schedules will be finalized within the first week of academic classes for enrolled students. Each year, a designated window is set for schedule revisions. After this window closes, classes may not be changed without permission of the administration or designee. A student who drops a course during the first six weeks of the semester may do so without any entry on his/her permanent record. A student who drops a course after the first six weeks of the semester shall receive an F grade on his/her permanent record, unless otherwise decided by the principal or designee because of extenuating circumstances. ([AR 5121](#))

GRADE REPORTING

1. **Grading Period:** Report cards are given at the end of each of the four quarters with official transcript grades given out at the end of the 2nd and 4th quarters (S1 and S2 respectively).
2. **Progress Reports:** Approximately halfway through each quarter, parents/guardians will receive progress reports to notify them of a student's performance in school.

3. **Grades:** Nome Public Schools uses traditional Carnegie Grades (A,B,C,D,F) as indicators of student performance (**BP 5121 AR 5121**). Students and guardians have access to all grading through PowerSchool, and they should contact teachers if discrepancies arise.

NBMHS grading scale

100-90= A 89-80 = B 79-70 = C 69-60 = D 59 and lower =F

For high school courses, students must earn a minimum of 60% to earn credit for a course.

High School Finals

All students will be required to take a final exam or complete a project/presentation for **core content classes** at the end of each semester. Grades for finals will not exceed 10% of the overall course grade. The schedule is as follows:

SCHEDULE INFORMATION

Teacher Assistants

Seniors may be a TA (Teaching Assistant) upon approval from the guidance counselor, principal, and/or teacher. 11th-grade students who would like to be a Teacher's Assistant must have approval from administration. Students may not work as a TA for more than one period per semester. We will provide students with job descriptions and training to ensure their success in earning credit.

Free Periods

Seniors may request a 1st or a [6th-hour](#) free period as long as this does not hinder graduation; this requires a minimum of 19 credits. Students who do not have a class should either make arrangements with a teacher or leave campus during that time and sign in/out in the main office pending approval from their parent/guardian and administration.

ANSEP Acceleration Academy

The ANSEP Acceleration Academy is a partnership with NBHS and ANSEP (Alaska Native Science and Engineering Program). Through this academy, Nome students enroll in university courses that count towards high school graduation and any university degree program. Enrolled students participate in group study sessions facilitated by other ANSEP students, hands-on projects led by practicing scientists and engineers, and conduct weekly community building and social activities. ANSEP will cover the cost of all ANSEP activities and the tuition and fees for ANSEP-approved courses. Please contact Kacey Miller, Acceleration Academy Director at 443-6156 or kacey.miller@alaska.edu.

Dual Credit Courses

- With the exception of students enrolled in the ANSEP Acceleration Academy, students who take dual credit classes (100-level or above) through accredited institutions of higher learning can fulfill credits needed for graduation from NPS: .25 high school credit for one credit college course; .5 high school credit for a 2 credit college course; 1.0 high school credit for a three credit college course.
- It is the student's responsibility to submit college transcripts to the counselor for review.
- 9-11th-grade students who wish to take a dual credit course must have permission from their parent/guardian and administration; seniors who would like to take more than two must have permission from their parent/guardian and administration.

TEACHER-FAMILY CONFERENCES

Our goal is to set up an event that will get more families in attendance to grow our partnerships. We will provide times and schedules in our Family Newsletter Updates. **#familiesmatter**

- **Fall Conferences:**
 - [October 30, 2026](#)
 - [November 2, 2026](#)
- **Spring Conferences:**

ALASKA PERFORMANCE SCHOLARSHIP

The **Alaska Performance Scholarship** provides an opportunity for Alaska high school students to earn a scholarship to help cover the cost of an Alaska postsecondary education. Alaska high school students who take a more rigorous curriculum, get good grades, and score well on college placement or work ready exams, can earn an Alaska Performance Scholarship to qualified Alaska colleges, universities, or vocational/technical programs.

COLLEGE AND APTITUDE EXAMS

College Entrance Exams

PSAT: Nome-Beltz High School offers college entrance tests throughout the school year. Students also have the opportunity to take the Preliminary Scholastic Aptitude Test / National Merit Scholarship Qualifying Test (**PSAT/NMSQT**) to help in their preparations.

We encourage sophomores and/or juniors to take the PSAT because the National Merit Scholarship Corporation offers scholarships based on test scores. A counselor will provide you with information and help with registration and deadlines.

Testing Dates
TBD

SAT: The Scholastic Aptitude Test (**SAT**) will be offered four times this school year. Most colleges and universities within the United States, as a prerequisite to college admission, accept the SAT and require a combined score of at least 1500 for college admittance. The SAT is offered on Saturdays and requires online registration at **The College Board**. Admissions to SAT are restricted, so sign up early with a school counselor. They will provide information about fee vouchers and study resources and will provide you with information and help with registration and deadlines.

Testing Dates
October 3, 2026
November 7, 2026
December 5, 2026
May 1, 2027

The American College Test (**ACT**) will be offered two times this school year. Most colleges and universities within the United States, as a prerequisite to college admission, accept the ACT and require a score of at least a 21 for college admission. The ACT is offered during the school week and requires registration with the College and Career Guide, who can also provide study resources and registration deadlines.

Testing Dates
February 27, 2027
April 10, 2027

WorkKeys Assessment

The **WorkKeys** test is a compilation of assessments that build and measure workplace skills that affect job performance, increase the opportunity for career changes, and facilitate career advancement. We will release testing dates in the fall.

Military Aptitude Exams

Depending on need, the Armed Services Vocational Aptitude Battery (**ASVAB**) will be offered twice this school year, once for juniors and once for seniors. The military uses the military entrance score, also called the Armed Forces Qualification Test (AFQT), to determine eligibility for admittance to the Armed Services. Juniors and seniors are encouraged to take the test. We will release testing dates in the fall.

COUNSELING

Counselors can help with a variety of topics including scheduling questions, academic performance, future planning, collegiate questions and testing, social and emotional concerns, and connecting you with resources. For students, the Counselor's Office works best when scheduling an appointment (email or in person). If you need help or have any questions, feel free to contact us. We are here for you!

STUDENT CELEBRATIONS

We want to celebrate you! Each month, the administration will honor students who are showing Nanook and Cultural values in a variety of ways: Weekly celebrations will happen every Friday at the middle school and on a monthly basis with high school students. We will also acknowledge academic success and students who earn Honor Roll status. We will showcase some of these students at the School Board Meeting. We welcome students and their families and loved ones to celebrate this recognition! **#nanookstars #nannut**

ASSEMBLIES

Assemblies are scheduled for the instructional benefit of students, promotion of school spirit, and to celebrate the Indigenous cultures of the region (including seasonal knowledge and cultural traditions). Spirit Club will have responsibility for organizing and coordinating pep assemblies with a designee. Assemblies and celebrations will also strive to reflect the distinct cultures of the St. Lawrence Island Yupik, Central Yup'ik, and Inupiat peoples of the region through student leadership, language use, and community participation. **#nanookden #wegotspirit #howboutyou #nannut**

INTERNET SAFETY AND USAGE AGREEMENT

All students are required to read, sign and abide by the Internet Safety and Usage Agreement. Violation of this agreement will result in the following consequences:

- 1st offense: suspension of use for 1 week²⁴⁵

- 2nd offense: suspension of use for 2 weeks;
- 3rd offense: suspension of use for 4 weeks;
- 4th offense: suspension of use for the semester;
- 5th offense: suspension of use for the remainder of the school year.

Inappropriate usage deemed extremely severe can result in moving directly to the 5th offense and suspension of privileges for one year. Offenses are subject to administrative review and approval. ([AR 6161.4](#))

SAFETY AND SECURITY

Safety and security are high priorities at NBMHS. The following procedures and general information guide the school's daily efforts to provide a safe, structured, and inviting learning environment for all:

- **Late arrivals/Early Departures:** Students who arrive late or leave early must enter the building through the main entrance and sign in and out at the main office;
- **Visitors:** All visitors must be pre-approved by the administration and check in at the office upon arrival; guests will wear a visitor badge throughout their visit;
- **Safety concerns:** When students are aware of dangerous situations or have concerns about the safety or well being of another student or staff member, they must share their concerns with a staff member.

Emergency Response Procedures

Nome Public Schools has emergency procedures for students and staff to follow when emergency signals/announcements are broadcast in the school building. In addition to the regular monthly fire evacuation drills, students will also be informed of the district's emergency preparedness plan in the event of a violent intruder(s) on campus. The ALICE (Alert, Lockdown, Inform, Confront, Evacuate) approach saves lives, builds confidence in teachers and staff when it comes to making decisions, and mitigates risk factors. All NPS K-12 teachers and staff receive training and will teach students for planned practice drills. You will receive more information through NPS mailings, announcements, and our newsletter. For more information on ALICE, parents and students should visit the website: [ALICE training](#).

STUDENT ATTENDANCE

Regular attendance at school is necessary if students are to gain the full benefit from their educational opportunities. Students who have good attendance generally enjoy school more, achieve higher grades, and are more employable after graduating from high school. Some Public Schools staff will do everything possible to provide a positive learning environment that will encourage students to attend. The staff and school will inform the parents of their child's attendance record, and through mutual cooperation, work to achieve satisfactory attendance.

(AR 5113) For more information on how attendance impacts learning, visit [Attendance Works](#) **#attendancematters #beinittowinit**

Definitions

A) **Absences** - An absence is defined as when a student is not actually physically present in the appropriate class for any reason. All absences, whether excused or unexcused, are counted as absences.

B) **Excused Absences:** All excused absences **must be** accompanied by parent notification, preferably within two (2) school days of the absence.

1. **Excused absences include:**

- a. Injury or illness
- b. Quarantine
- c. Death in the immediate/extended family
- d. Medical or dental appointment
- e. Court or administrative proceedings
- f. Religious observance

2. **Subsistence & Cultural Activities:** Subsistence and cultural activities are essential responsibilities that sustain families, language, and cultural knowledge within St. Lawrence Island Yupik, Central Yup'ik, and Inupiat communities. As such, NBMHS recognizes these responsibilities as valid and important learning experiences that constitute excused absences.

3. **School Sponsored Absences:** School sponsored activity absences are absences due to student participation in school-sponsored clubs, sports activities, or field trips. These absences are considered to be part of the regular school program. Church groups, scouts, beauty pageants, club swim teams, leagues, non-school sponsored activities, etc, are not included as school sponsored activities. Students missing regular classes due to school-sponsored activities, such as sporting events, are expected to make plans with their teachers in advance of travel.

Students who are traveling or miss school for school activities will need to communicate this to their teachers. Please remember that teachers are **not** required to provide specific instructional assignments during a planned absence, but students will have the opportunity to make-up classwork, assignments, and quizzes or tests upon their return. It is the responsibility of students to ensure that they utilize school supports to make up work.

For more information regarding activities sanctioned by the [Alaska School Activities Association \(ASAA\)](#), please visit their website. We also recommend that you familiarize yourself with the **2026-2027 ASAA Handbook** as NBMHS adheres to all policies and guidelines for its ASAA supported events.

4. **Additional details:**

- Any absence, including medical, in order to count as excused, must be accompanied by a parent notification within two (2) school days of the absence.

C) **Unexcused Absences:** An unexcused absence is one that does not meet the requirements of an excused absence.

D) **Tardy:** All students arriving late to campus must check in at the main office before heading to class - this is for the safety and security of our building. Students excessively late for class are subject to administrative review and behavior consequences, depending on frequency and severity.

E) **Skipping:** A student who is considered on campus, but has willfully missed an inordinate amount of the regular class period(s) to which he/she was assigned, or who has traveled outside of his/her assigned classroom space without first obtaining school permission is

documented as skipping. All instances of skipping class are subject to administrative review and behavior consequences, depending on frequency and severity.

F) **Truancy:** A full day of unexcused absences in all classes. Administration will make contact home in the case of truancy; excessive truancy will be reported to the appropriate agencies.

Attendance Recognition and Celebration

We will recognize students with excellent attendance with incentives and announcements through various outlets such as: pep assemblies, social media, newsletters, and school board meetings; other celebratory events and recognition will occur throughout the year. Being present WILL make a difference in your education and school experience! **#beinittowinit**

MAKE-UP WORK

Planned Absences

Please remember that teachers are **not** required to provide specific instructional assignments during a planned absence, but students will have the opportunity to make-up classwork, assignments, and quizzes or tests upon their return and we will do our best to offer support:

- As a general rule, students will be given one day for each school day missed up to a maximum of 10 make-up days in order to potentially receive full credit for all make-up assignments. Extended absences will be considered on an individual basis.
- Absences that occur at the end of a grading cycle might result in an incomplete (INC) course grade; students will have 2 weeks (10 school days) to submit the appropriate work required for course credit. All outstanding work not completed by the agreed upon due date will receive a zero (0% score). Please note that grades for the 2nd semester are due the day after school releases and incompletes will not be

assigned. Incomplete grades for a course will be at the administration's and/or teacher's discretion.

- Inform the Main Office if you are out for subsistence; we honor these activities with additional exemptions and extensions. #subsistencevalues
- *Absences impact learning; extensive absences will impact a student's ability to succeed. Please make every effort to be in class while school is in session.*

Students shall be given the opportunity to make up missed assignments / assessments due to an excused absence, and will receive full credit if the work is turned in according to the above make-up work policy.

Students who miss schoolwork because of unexcused absences or suspensions will be given the opportunity to make up missed work for credit; refer to the make-up work policy above. Teachers will assign such makeup work as necessary to ensure academic progress, not as a punitive measure. (BP 6154)

AFTER SCHOOL TUTORING

Students who would like support or time to complete current or make up work may come to tutoring. High school students may receive tutoring from 3:25pm until 4:00pm on Tuesdays, Thursdays, and Fridays and may opt to take the middle school bus at 4:10pm. After 4:10pm, students must be in an organized activity to remain on campus. Students who attend tutoring regularly show improvements! We will offer snacks when possible, but plan ahead and bring something to get you through! We also offer Migrant Ed tutoring on Tuesdays and Thursdays from 4:10-5:00; an Activity Bus will provide transportation

BATHROOM AND HALL PASSES

- **Bathroom/Water:** Designated bathroom passes are only for trips to the restroom and/or water fountain. Only one student in a class may use a bathroom pass at any given time.
- **Other Reasons:** For other situations when a student leaves the room, they must have a hall pass, signed by a staff member. An acceptable pass indicates the date, time left, and destination. Teacher Assistants (TAs) and other designated students will have provided passes/lanyards whenever they are out of the room completing their work.

OFF-CAMPUS PASSES

NBMHS is a closed campus, which means students are not allowed to leave during the school day without parent's permission and administrative approval. Should you have to leave campus sometime during the school day you must:

- **BRING** a written note from your parent or guardian on the day that you need to leave. Your parent or guardian may also send an email, but phone calls will not be accepted.
- **SHOW** your teacher the approved pass provided by the main office; before leaving campus, you must sign out with the Main Office. Students who do not have a vehicle registered must be accompanied by a guardian or guardian-approved person listed in PowerSchool.

- **STOP** in the main office and sign in so that you can go to class when you return.
- **Note:** Students who leave/return during lunch must be signed in/out with a parent/guardian listed in PowerSchool.
- **Leaving campus without permission will result in an automatic one-day Out of School Suspension; repeat offenses will result in more severe disciplinary action.**

STUDENT DRESS

NBMHS believes that students and their parents/guardians hold the primary responsibility in determining a student's personal attire, hairstyle, jewelry, and personal items (backpacks, book bags). Schools are responsible for assuring that student attire, hairstyle, jewelry, and personal items do not interfere with the health or safety of any student and do not contribute to a hostile or intimidating environment for any student. Dress and appearance are an integral part of a positive educational atmosphere; we aim for professional dress to encourage post-secondary success and workplace readiness. [We encourage professional dress that includes wearing traditional and cultural attire.](#)

NBMHS Core Values

In relation to student dress, NBMHS's core values are the following:

- Students should be able to dress and style their hair for school in a manner that expresses their individuality without fear of unnecessary discipline or body shaming;
- Students have the right to be treated equitably. Dress code enforcement will not create disparities, reinforce or increase marginalization of any group, nor will it be more strictly enforced against students because of racial identity, ethnicity, gender identity, gender expression, gender nonconformity, sexual orientation, cultural identity, religious identity, household income, body size/type, or body maturity;
- Students and staff are responsible for managing their personal distractions; and
- Students should not face unnecessary barriers to school attendance.

Universal Dress Code

Students must wear:

- Top ([qaspeq/atikluk/ugilhaaq](#), shirt, blouse, sweater, sweatshirt, tank, etc.);
- Bottom (pants, skirt, dress, etc.); and
- Footwear ([kammak](#)).

This dress code permits additional student attire requirements when necessary to ensure safety in certain academic settings (physical activity, science or CTE courses, for example).

Additionally, this policy allows for reasonable variation in required student attire for participation in activities such as swimming.

Students may not wear clothing, jewelry, or personal items that:

- Are pornographic, contain threats, or that promote illegal or violent conduct such as the unlawful use of weapons, drugs, alcohol, tobacco, or drug paraphernalia;
- Demonstrate hate group association/affiliation and/or use hate speech targeting groups based on race, **culture**, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or other protected groups;
- Show private parts (breasts, nipples, genitals, buttocks, belly buttons). Clothing must cover private parts in opaque (not able to be seen-through) material;
- Cover the student's head or face to the extent that the student is not identifiable. This includes but is not limited to hoodies, hair, non-medical masks and other non-religious headgear; or
- Demonstrate gang association/affiliation.

Enforcement

- Administration is required to ensure that all staff are aware of and understand the guidelines of this policy. Staff will use reasonable efforts to avoid dress-coding students in front of others and contacting administration when they have concerns.
- Students will be disciplined or removed from class as a consequence for wearing attire in violation of this policy when the attire creates a substantial disruption to the educational environment, poses a hazard to the health or safety of others, or factors into a student behavior rule violation such as malicious harassment or the prohibition on harassment, intimidation, and bullying.
- Typical consequences for a violation of this policy include parent/guardian contact or conference and the directive to change or remove the non-complying attire. A student may be instructed to leave their classroom briefly to change clothes. NBMHS will provide clothing when possible. Administration will notify a student's parent/guardian of the school's response to violations of the student dress policy.

LOCKERS

- **Middle School:** Because backpacks are not allowed in the classroom, all middle school students will be assigned a locker where they are expected to store all personal items, including backpacks; bulky items may be neatly placed at the locker benches.
- **High School:** All students are assigned lockers; allowing backpacks in classrooms is at the discretion of the teacher.

Regarding ALL NBMHS lockers:

- Keep lockers organized and secure at all times;
- Avoid jamming lockers; this causes damage that could result in fees. Students who set lockers may lose privileges;
- We encourage locker decorations; however, students are responsible for clearing lockers at the end of the year. Students are responsible for any adhesives/stickers used on their lockers - be careful, you might be scrubbing away! #scrubadubdub
- Lockers are the property of the school and can be searched by administration to ensure school safety.

BREAKFASTS AND LUNCHES

All food including fruit needs to stay in the cafeteria. High school students may also use the Nanook Room; with permission, middle school students may use this space as well.

Please be cooperative regarding the following rules:

- **Honor** others' personal space
- **Take** reasonable servings;
- **Bring** all trays to the dishwashing area;
- **Deposit** all meal litter into wastebaskets;
- **Leave** the table and floor around your place in clean condition for others;
- **Keep** food trays in the cafeteria. We can make exceptions for school-related lunch meetings; in that case, make sure you allow time to return your tray!

Students are not allowed to use the Home Econ room for personal use; the cafeteria has microwaves for use during designated meal times.

Middle and High School students:

- After getting off of the bus, **all students will head to the cafeteria**, even if they are not eating.
- Breakfast dismissal is at 8:25 for HS and 9:05 for MS students, who will head to their Advisory classes with their teachers.
- Advisory runs from 9:10-9:25 on most days; with 1st-period starting immediately after.

MIDDLE & HIGH SCHOOL ADVISORY

All students are assigned to an Advisory class. Advisory is a structured support time for the following:

- Daily Bulletin (posted in PowerSchool);
 - Notices of club meetings, general information, athletic, and social events
- Academic support;
- Social and emotional learning;
- Post-Secondary Planning, scholarship packets, job readiness;
- Cohort-relevant activities.

FOOD & BEVERAGES IN CLASS

Food and beverages must be kept out of classrooms, with the exception of water. Water bottles must have a lid and be kept away from technology. Other foods and beverages are at the discretion of the teachers and administration. Please leave your gum at home!

STUDENT TELEPHONE CALLS

With permission from their classroom teachers and a pass, students may use the phone in the main office. Please use the time between classes for non-emergency calls from the office phone. If there is an emergency situation, the office will contact the student. When students need to call home because of illness, someone in the office must speak to a parent/guardian to verify dismissal and make arrangements for transportation home.

CHEATING AND PLAGIARISM

Students who lie, cheat, plagiarize, or claim products generated by Artificial Intelligence as their own violate the **NPS School Board Policy 5131.9 regarding Academic Honesty**. Students plagiarize when they quote, paraphrase, summarize, or present someone else's work without giving credit. All student work considered to be the result of cheating or plagiarism will receive ZERO credit (0%) for that assessment. Plagiarism is a serious offense which can impact credit acquisition and graduation. Additionally:

- **First offenses** will result in a zero for the assessment, a verbal warning, and contact with parents/guardians;
- **Further offenses** will be reported to administration, who will determine disciplinary measures;
- **Teachers will not assign extra credit or make up assignments as a substitute for plagiarized work.**

STUDENT-ISSUED MATERIALS

Students are responsible for the replacement cost in case of loss of, or damage to, issued materials (textbooks, laptops, etc.). Students must clear their balance and resulting charges in order to receive official transcripts and other important school documentation.

CAMPUS VISITORS

All parents/guardians, **Elders, Indigenous Knowledge holders, and community members** are welcome to campus and should check in at the main office upon arrival. Access to the school campus during school hours requires permission from administration and receipt of a guest pass. In order to keep a structured academic environment, our campus does not allow visitors to attend school with currently enrolled students throughout the school day, unless guests make arrangements with teachers and administration (**BP 1260**).

WEAPONS, KNIVES, AND LOOKALIKES

Weapons, knives and lookalikes (including but not limited to multipurpose tools, pocket knives, toy knives, guns, squirt guns, bombs, grenades, fireworks, lighters, martial arts equipment, metal knuckles, etc.) are not permitted on the school bus or on campus. Possession of any of these items may result in police notification, out-of-school suspension, or recommendation for expulsion.

CELL PHONES AND ELECTRONIC DEVICES IN SCHOOL:

Alaska House Bill 57 mandates that school districts create policies restricting cell phone use. Research recognizes that personal devices often diminish the impact of instructional time. These devices include, but are not limited to: cell phones, smart watches, headphones/earbuds and tablets. To avoid classroom disruptions, please contact the school office (907- 443-5201) to communicate with students during the academic school day. NBMHS staff and administration will enforce the following:

Middle School Policy:

- All middle school students will silence devices/use Airplane Mode and turn them in at the start of Advisory. Students will retrieve devices at the end of the academic day. Middle school students will not have access to their devices between 9:10-4:10pm.

High School Policy:

- At the beginning of every class period, high school students will silence devices/use Airplane mode and turn them in to the designated area. When the bell rings at the end of class, students will retrieve their devices.
- High School students may use their cell phones before 1st-period, during passing periods, at lunch, and after dismissal. Parents/Guardians should be aware of the bell schedule to understand students' access time to devices. It is important to learn how to regulate usage, so let's support our Nanooks!

Inappropriate Usage for Middle and High School:

- Administration will address noncompliance with the outlined policy above, which will result in confiscation and appropriate disciplinary measures:
 - **1st offense:** Administration will confiscate devices and hold them in the main office until the end of day and contact parents. Students will retrieve devices after the last bell.
 - **2nd offense:** Administration will confiscate the device, hold it in the main office, and contact parents about the situation. Parents may retrieve their child's device from the school or make arrangements with administration to deliver the device after school hours.
 - **Additional offenses** may result in further disciplinary action.

TOBACCO, VAPE, AND E-CIGARETTES

NBMHS is a tobacco and drug free campus and prohibits the use of all tobacco products by staff, students, visitors, and community members in or on NBMHS property, on school district-sponsored transportation, at school district-sponsored events, in district-owned vehicles, and within five hundred feet of schools. NBMHS prohibits the possession of tobacco products and other substances by students in or on NBMHS property, on school-sponsored transportation, at school-sponsored events, and in school-owned vehicles. For purposes of this policy, the term "tobacco products" includes but is not limited to, cigarettes, cigars, snuff, smoking tobacco, smokeless tobacco, nicotine, electronic smoking/vapor devices and vapor products, non-FDA approved nicotine delivering devices, chemicals or devices that produce the same flavor or physical effect of nicotine substances; and any other smoking/vaping equipment, material, or tobacco innovation.

Athletic Fees and Balances Due

The school district has chosen to assess an athletics fee to assist in offsetting the cost of administering the athletic program at Nome-Beltz. A student participating in sports will be charged \$100.00 per sport and \$50 for each child or additional sport. Athletic fees and balances due to the school must be paid in full prior to activity participation. Athletic Fee Waivers may be completed as part of enrollment. NBMHS students must be currently enrolled in order to participate.

ELIGIBILITY FOR PARTICIPATION IN EXTRACURRICULAR ACTIVITIES

1. Alcohol, Drug, Tobacco, or Other Controlled Substances

The Alaska School Activities Association adopted a Citizenship Rule for athletes. This rule will be statewide and sets the consequences for athletes who are expelled from school as well as those caught using tobacco, alcohol, or drugs. Violations will follow a student within the state of Alaska. In short, the consequences for athletes who are caught using tobacco, alcohol, or drugs will be:

- **1st offense:** 10-day suspension from practice and competition; this can be reduced to a 5-day suspension and practice can be resumed if the educational component is completed by the student and the parent/guardian.
- **2nd offense:** 45-day suspension from interscholastic activities and practice; no reduction in length of the suspension; educational component is required to be completed by the student and parent/guardian.
- **3rd offense:** Suspension for 1 calendar year from interscholastic activities and practices; if the required educational component is completed for student and parent, the student may return to practice.
- **4th offense:** Student privileges to participate in interscholastic activities and practices will be revoked for the remainder of the student's high school years.

Please discuss this policy with your family as well as the dangers of using substances in general. The entire policy can be viewed at the [Alaska School Activities Association](#) website.

2. Attendance at After-School Functions

Students serving OSS may not be on campus throughout the duration of their suspension. After returning to class, students may participate in school activities and events.

3. Activity Progress Reports/Grade Checks

The activities director will check the grades of all participating students prior to competition and/or travel. These checks will occur on a rotating Monday schedule, which will be posted throughout the school. The following procedure will be used for all students that are declared as ineligible or eligible based upon the PowerSchool grade check:

- 1) On designated Mondays administration will certify all students as either eligible or ineligible based on current NPS guidelines. Students certified as ineligible will be held out of travel and competition for the next seven calendar days. **Teachers will not accept student work for grading on eligibility check days to ensure equitable practices for all students.**
- 2) Administration will provide a set of the Activity Progress Reports to the appropriate sponsor for distribution to the participants. Administration will also maintain a set of the activity progress reports.
- 3) The participants should return the parent signed Activity Progress Report to their coach/sponsor prior to travel and/or competition.

4. Scholastic Grade Rule

- Student academic performance must be a priority. Student involvement in extracurricular activities has been demonstrated to contribute to higher student achievement. Students, parents, coaches and sponsors should all be aware of a student's academic performance on a continuous basis.
- Students must maintain a minimum 2.0 cumulative GPA on a 4.0 scale to be eligible for any ASAA event or activity. *During eligibility checks, a student who falls below a 2.0 GPA or who has more than one failing grade will be ineligible for competition or travel.* First quarter eligibility will be determined by the prior year's semester grades, with the exception of first quarter incoming freshmen.
- Ineligible students will not be allowed to travel or participate in contests or performances, but may continue to practice at coach/sponsor discretion.
- Students with more than one failing grade on their Activities Progress Report will not be permitted to travel or participate in contest(s) that week. Activity Progress Reports are required in season, prior to competition or performance as appropriate.
- Students must also meet the academic requirements that are set by the ASAA board.

5. School Attendance

Students must:

- **Attend** all classes the same day to participate in an event/practice;
- **Attend** school the day after travel to be eligible for the next week of scheduled competition.

If the student has a medical appointment or has received administrative approval, the absence shall not preclude participation.

6. Student Conduct

Students are role models and ambassadors of Nome-Beltz and our community. **Any student assigned to more than one day of In-School-Suspension (ISS) or who is assigned Out-of-School Suspension (OSS) may be ineligible for participation in any activity, travel, or competition, and other extra-curricular activities including dances and prom.**

STUDENT TRAVEL RULES

1. **Students must obey the instructions of the chaperone(s).** Students, who display disobedience or uncooperativeness to the chaperone(s), to the extent that safety or

chaperone effectiveness is compromised, may be returned to their home-site with administrative (principal, assistant principal or superintendent) concurrence, and their parent/guardian billed by the school district for the cost of return travel.

2. **The use of tobacco, alcohol, and/or drugs is prohibited regardless of the age of the student.** Students who break the laws of Alaska, such as in the case of shoplifting, alcohol possession or consumption, drug use, etc., will be reported to local law enforcement, the principal, and parent(s)/guardian(s). The student will also be returned to their home-site and their parent-guardian billed by the school district for the price of return travel.
3. **Students must attend all classes on the day of a trip prior to departure and the day after the return from travel.** Students failing to attend classes on the day of departure will not be allowed to travel and failing to attend the day after will be ineligible for the next week of competition. The Principal or their designee may excuse students from attending classes. Permission to miss classes on the day of departure should be secured no later than the day before the trip departure date.
4. **Students will be with the chaperone(s) at all times when traveling.** Chaperone(s) may assign students to groups of at least three students while at a mall, movie or event. Under no circumstances will students be permitted to leave the building without a chaperone(s) in attendance.
5. **Students must dress appropriately for cold weather travel on commuter airlines.** This includes parka, insulated boots, gloves, insulated pants, and insulating headgear. All are to be worn on the plane. Appropriate clothing for both departure and arrival destinations is required when traveling on a major airline.
6. **Students must respect the chaperone(s) decisions regarding the selection and approval of all activities.** Only movies rated “G”, “PG” and “PG-13” shall be permitted.
7. **Unless the schedule absolutely does not permit it, time will be set aside daily for students to work on classroom assignments.**
8. **Students will not be out of their rooms following curfew, lights out and bed check.** Offenses may result in the following: student(s) being returned to their home-site with home-site administrative (principal, assistant principal or superintendent) concurrence and their parent-guardian billed by the school district for the price of return travel; out of school suspension.

The following set of rules shall be read over and understood by a club or organization wishing to hold a dance. It will be the responsibility of the sponsor to make certain that dances are run in strict adherence to the rules. When decorating for a dance, only approved adhesives may be used to stick material to walls to prevent damage. It is the sponsor's responsibility to cooperate and coordinate any decorating for any dance, including prom, with campus maintenance.

For all school dances, sponsors will:

1. **Pre-approve** the event with administration;

3. Students serving OSS on the day of prom will not be allowed to attend; if prom is a weekend event, students serving OSS the school day before and/or after will not be allowed to attend.

SCHOOL AND ACTIVITY BUS EXPECTATIONS

Students must remember that riding the bus is a privilege, not a right. The principal, assistant principal, bus contractor, and/or the superintendent can deny a student’s privilege of riding the bus for any misconduct. The behavior matrix below ensures that all students are safe, responsible and respectful, even to and from school. #nanooksknow #safetyfirst

Be Respectful	<ul style="list-style-type: none"> ● Follow driver and aide’s directions ● Use kind words and actions ● Keep voices at classroom level
Be Responsible	<ul style="list-style-type: none"> ● Take care of yourself and others ● Save snacks and drinks for later ● Keep bus clean

Be Safe	<ul style="list-style-type: none"> ● Sit and stay in seat ● Keep hands and feet to self ● Report unsafe behavior ● Allow the driver to focus

HIGH SCHOOL STUDENT PARKING PERMITS

NPS provides transportation to and from school and we encourage all students to use this service. In order to use a personal vehicle of any type (including snow machines, ATVs, and motorcycles) for transportation to and from school, students 16 and older must register for a parking permit. The process is as follows:

1. **Complete and sign** a Student Driver Parking Permit Form, which includes a copy of the student's valid State of Alaska driver's license.
2. **Place** parking permit on the dashboard when on campus to ensure visibility.

Additionally, all students in possession of a parking permit must adhere to the following:

3. **Remain** parked for the entire day unless permission allows otherwise;
4. **Avoid** parking in front of outlets to ensure teacher/guest access;
5. **Park** only in the middle section of the parking lot or south of the RC area;
6. **Provide** written parent/guardian permission in advance in the rare occasion a student is leaving during their regular scheduled day;
7. **Operate** vehicles in a safe manner. Students who operate their vehicles in a reckless manner on campus may have their driving privileges and permits revoked.

STUDENT SEARCH PROCEDURES

Nome Public Schools staff and Board recognize that incidents may occur where the health, safety and welfare of students and staff are jeopardized. Such incidents necessitate the search and seizure of students, their property, or their lockers by school officials. **Administration may conduct searches without notification.** (BP 5145.12)

ELECTRONIC SURVEILLANCE

Nome Public Schools uses electronic surveillance equipment for safety and security purposes throughout the public areas of our campus. (BP 3515.6)

NOME-BELTZ BEHAVIOR GUIDELINES

Incidents requiring disciplinary actions are divided into four categories according to the level of severity and disruption of a safe, respectful and responsible school environment. This matrix lists the most common behavior issues and is not inclusive of all possible behavior issues that can arise during a school day or activity. The administration may alter discipline as deemed necessary. Unacceptable behavior not listed will be handled on an individual basis using the progressive discipline model as a guide to consequences.

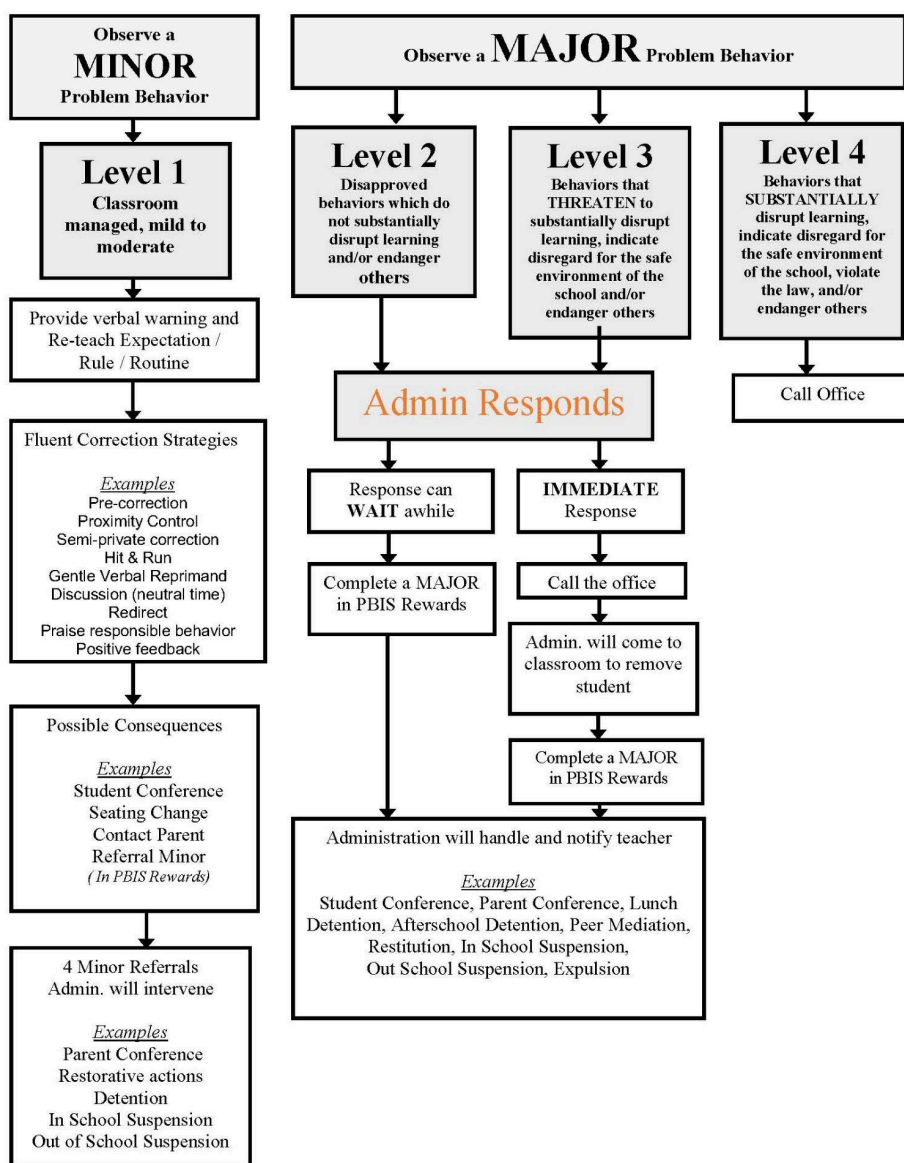

[Include Youth Court Processes & Alternatives to westernized discipline]

Behavior Response Flowchart

We want complete transparency in how we respond to behaviors in the classroom. Teachers employ various corrective strategies in the classroom for minor problem behaviors and administration will respond appropriately to major problem behaviors. The behavior response flowchart illustrates how our processes work.

In School and Out of School Suspensions

- Grounds for suspension; (1) continued willful disobedience or open and persistent defiance of reasonable school authority; (2) behavior that is threatening or harmful to the welfare, safety, or morals of other pupils or a person employed or volunteering at the school.
- This matrix is intended to be a guide. The administration may alter disciplinary measures as appropriate in partnership with the superintendent.

Nome Youth Court (Alternative Discipline)

In alignment with our PBIS framework and commitment to maintaining a safe, respectful, and responsible school environment, Nome-Beltz Middle/High School is working to partner with **Nome Youth Court (NYC)** as a restorative, alternative discipline option. As this partnership grows, our strategy is to incorporate the following:

Overview

Nome Youth Court is a diversion program that allows students to take accountability for their actions through a structured, peer-led process focused on repairing harm and rebuilding

relationships. Participation may serve as an alternative to traditional disciplinary consequences for select offenses.

Eligibility & Referral

Students may be referred to Youth Court by administration for certain behavioral violations, including but not limited to:

- Truancy and attendance concerns
- Tobacco, alcohol, or drug-related violations
- Select non-violent or first-time offenses

Participation is voluntary and requires agreement from the student and parent/guardian. Final determination of eligibility is at the discretion of administration.

Process

Students accepted into Youth Court will:

1. Enter into a participation agreement with parent/guardian consent
2. Complete an intake process with Youth Court representatives
3. Participate in a Youth Court hearing led by trained student volunteers
4. Complete assigned restorative outcomes within a designated timeline (typically up to 90 days)

Outcomes

Youth Court consequences are individualized and may include:

- Community work service
- Reflective writing or educational assignments
- Restorative actions (e.g., apology, restitution)
- Participation in awareness or skill-building programs

All outcomes are designed to support student growth, accountability, and alignment with Nanook values: **Safe, Respectful, Responsible**.

Expectations & Compliance

Students are expected to fully participate and complete all assigned outcomes by the established deadline. Failure to comply may result in the case being returned to school administration for further disciplinary action in accordance with the NBMHS Behavior Guidelines and disciplinary matrix.

Confidentiality

All Youth Court proceedings are confidential. Students and families are expected to respect the privacy of all individuals involved.

- 2nd offense*: suspension of use for 2 weeks;
- 3rd offense: suspension of use for 4 weeks;

STUDENTS RIGHTS & RESPONSIBILITIES

Introduction: As a student, your rights and responsibilities are as follows:

All district personnel have the right and responsibility to intervene when students engage in actions that are contrary to school, district, local, state or federal regulations and guidelines. All students have the right to appeal any decisions or action from a higher authority. This is called “**due process.**” See Due Process section below.

Freedom of Speech/Expression (AR 5145.2 (a))

Students are prohibited from making any expressions or distributing or posting any materials which are obscene, libelous or slanderous, or which demonstrably incite students to commit unlawful acts on school premises, violate school rules, or substantially disrupt the school’s orderly operation.

Freedom to Publish

Generally the restrictions and regulations governing responsible journalism, as defined by the American Society of Newspaper Editors, should be applied to NBHS student publications with the clear understanding that school officials have the authority, indeed the duty, to provide for an ordered educational atmosphere free from constant turmoil and distraction.

DUE PROCESS

All students have the right to appeal any decision or action from a higher authority. This is called “due process.” Along with this comes a prescribed complaint procedure in which you can count on a fair hearing and opportunity to voice your side of the story.

Procedures--Steps or procedures to be followed by all parties involved in a complaint regarding credit, scheduling or staff/student relationships, including classroom discipline and attendance:

1. All complaints must be instituted within five (5) school days of the action being grieved. The complaint may be made on the form available in the NBHS office. Assistance in completing the form is available. The involved staff member, parent/guardian and student should confer in an attempt to solve the problem.
2. If the above conference does not solve the problem, the person with the complaint will request a conference with the administration.
3. If a solution is still not acceptable, the complaint will be submitted to the Grievance Committee (to be formed when needed). After receipt of the written complaint, the Grievance Committee will then schedule a meeting between the grievant and the respondent in order to ascertain all the facts and arrive at a conclusion and a recommended solution. The decision of the Grievance Committee will be rendered in writing to both parties and the administrator within four (4) school days after the hearing has been completed.
4. Either party may appeal the Grievance Committee decision to the principal, which will review the committee's decision and make a decision in a timely manner.
