OUR ANAHUAC INDEPENDENT SCHOOL DISTRICT STRATEGIC PLANNING JOURNEY

Anahuac Independent School District's strategic planning journey reflects a deep commitment to continuous improvement, stakeholder voice, and a shared vision for the future of our students, staff, and community. Rather than viewing strategic planning as a compliance exercise or static document, Anahuac Independent School District approached this work as an opportunity to listen, reflect, and design a path forward that honors our traditions while preparing students for an evolving world.

Grounded in Purpose

Our journey began by reaffirming our core purpose: ensuring every student experiences high-quality instruction, meaningful opportunities, and a supportive environment that prepares them for success beyond graduation. District leadership recognized that achieving this vision required more than isolated initiatives — it required a coherent system aligned to instructional excellence, leadership capacity, and student support.

Guided by this belief, the district launched a comprehensive strategic planning process designed to capture authentic input and translate it into actionable priorities.

Data-Informed Reflection

By examining both qualitative and quantitative data, through robust stakeholder engagement and comprehensive landscape analysis, Anahuac Independent School District identified strengths to celebrate and opportunities to address. This balanced approach ensured the plan was both aspirational and grounded in reality.

Defining Strategic Priorities

Through months of collaboration and analysis, the district identified clear strategic priorities to guide the work ahead. While each priority is distinct, all are interconnected and student-centered.

A Shared Commitment to the Future

This strategic planning journey represents more than a roadmap; it reflects a shared commitment to excellence. It honors the voices of our community, the dedication of our educators, and the limitless potential of our students.
As Anahuac Independent School District moves forward, we do so with clarity of purpose, unity of direction, and confidence that — together — we are building an educational experience that prepares every Raider for a successful future.

OUR ANAHUAC INDEPENDENT SCHOOL DISTRICT STEERING COMMITTEE

The Anahuac Independent School District Steering Committee is a dedicated leadership group focused on guiding the district's strategic direction to ensure excellence in learning and leading. The committee brings together a difverse array of experts, including district leaders, as well as campus principals from every level. By integrating instructional leaders, the committee ensures that curriculum and technology initiatives ware aligned with the district's mission to challenge and inspire every student. Their collaborative approach fosters a transparent envorinment that prioritizes student achievement and a safe, nuturing school culture.

STRATEGIC PRIORITIES AND INITIATIVES

PRIORITY 1 – INSTRUCTIONAL LEADERSHIP AND CAPACITY BUILDING

- Tier 1 Instructional Strategies and Supports for All Learners (4.1.2)
- Materials Use Expectation-Setting and Communication (4.2.2)
- Quality Tier 1 Material Access and Use (4.2.3)

PRIORITY 2 – INSTRUCTIONAL LEADERSHIP AND CAPACITY BUILDING

- Culture and Routine Systems Training (5.2.1)
- Instructional Planning Support (5.2.4)
- Observation and Feedback (5.2.5)

1: ACADEMIC EXPERIENCE

Anahuac Independent School District will establish a framework for strong instruction, including the use of research-based strategies and high-quality instructional materials to support a rigorous student academic experience while ensuring equitable access and resources to prepare students for college, career, or military pathways.

- The district will establish a materials adoption process in order to ensure that teachers have access to high-quality instructional materials, resulting in a vertically aligned system.
- The district will establish and communicate clear expectations for implementation and use of instructional materials and delivery, in order to ensure consistency across grade levels and content areas.
- The district design a Multi-Tiered System of Supports (MTSS) Framework to define and provide training on a coherent approach to Tier 1, Tier 2, and Tier 3 academic supports.

2: INSTRUCTIONAL LEADERSHIP AND CAPACITY BUILDING

Anahuac Independent School District will establish systems to enable instructional leadership development and capacity building for instructional leaders and teachers, including planning, internaliation, and effective delivery of instruction. The district ensures foundational practices support data-driven instruction and assessment reflection ebnefiting all learners

- The district will establish a role-aligned support system for instructional leaders and teachers in order to effectively implement and support curriculum, resulting in strong instructional delivery practices.
- The district will refine professional development expectations and practices in order to support identified and targeted areas of need, resulting in intentional growth.
- The district will establish a process and expectations for delivering ongoing, job-embedded supports, with observation and feedback cycles, for instructional leaders in order to build capacity, resulting in teacher retention and heightened instructional capacity.

NEXT STEPS

Our Anahuac Independent School District leadership team will work in partnership with stakeholders to ensure all milestones and benchmarks occur, making our Anahuac Independent School District strategic plan a living document.

2026 PREPARING FOR THE FUTURE

Strategic Plan Orientation: District leadership will conduct overview sessions with district personnel to ensure clarity of purpose and shared ownership across all campuses and department. Clear implementation timelines and expectations will be used to establish consistent execution across the district.

Academic Experience: Design a districtwide system for curriculum adoption, instructional expectations, and MTSS to prepare for the selection and implementation of high-quality instructional materials aligned to state standards.

Instructional Leadership and Capacity Building: Assess and design role-aligned leadership, professional learning, and observation and feedback systems to prepare instructional leaders to effectively support future curriculum implementation.

2027 YEAR 1

Academic Experience: Evaluate curriculum resources and define instructional expectations and MTSS structures to ensure readiness for HQIM adoption and aligned instructional practices.

Instructional Leadership and Capacity Building: Establish role-aligned expectations and refine professional learning and leadership support systems to prepare leaders and teachers for HQIM implementation.

2028 YEAR 2

Instructional Capacity Building: Adopt and launch HQIM implementation alongside instructional delivery expectations and MTSS supports to ensure aligned and consistent instruction across classrooms.

Integrated Student Supports: Implement professional learning, leadership support, and observation and feedback systems to support teachers and leaders in effective HQIM implementation.

NEXT STEPS: 2029–2031

2029

YEAR 3

Instructional Capacity Building: Strengthen HQIM implementation and MTSS systems through monitoring, targeted support, and data-informed instructional adjustments.

Integrated Student Supports: Strengthen leadership capacity through coaching, professional learning, and observation systems aligned to instructional priorities and student outcomes.

2030

YEAR 4

Instructional Capacity Building: Standardize curriculum implementation and MTSS systems to ensure consistent instructional practices and academic supports across all campuses.

Integrated Student Supports: Embed leadership, professional learning, and coaching systems into district structures to ensure consistent instructional leadership practices.

2031

YEAR 5

Instructional Capacity Building: Institutionalize curriculum and MTSS systems to sustain consistent, high-quality academic experiences and continuously improve student outcomes.

Integrated Student Supports: Institutionalize leadership development, professional learning, and observation and feedback systems to sustain instructional improvement and educator growth.

Ongoing Commitment

Throughout implementation, Anahuac ISD will monitor progress using clearly defined benchmarks, student outcome data, and implementation metrics.

District leadership will regularly review progress with stakeholders, celebrate successes, and adjust strategies as needed to ensure the strategic plan remains a living, responsive roadmap guiding the district toward its mission and vision.

Instructional Focus: Our mission is to strengthen literacy and see growth in every student on our campus. We believe that a strong foundation in literacy will help in all academic areas.

We were able to celebrate our wonderful teachers and staff during teacher appreciation week!

Minus a couple of absent students, we have completed the EOY NWEA and M-Class/CLI testing (PK) for our students. There are areas of refinement and areas of reinforcement. We have completed our teacher summative conferences and have also discussed areas of refinement and areas of reinforcement. May 13 we are celebrating our Top 20 AR readers in 2nd grade by taking them on a field trip.

TSL Update

All grade levels are currently completing End-of-Year NWEA MAP testing. This norm-referenced assessment compares student performance and growth to students nationally. Students are taking assessments in Reading, Math, and Science.

For 3rd grade teachers, as well as 3rd and 4th grade science teachers, student growth scores from these assessments are used as part of the data considered for TIA eligibility.

Unlike the STAAR test, MAP Growth is not a pass/fail test. Its primary purpose is to track academic growth and provide teachers with information to make decisions. At AES we use the NWEA Map test to:

- *Understand a student's instructional level: It helps us differentiate instruction, ensuring that each child receives challenges and support at their "just right" level.*
- *Track progress over time: By testing in the fall, winter, and spring, we can see a clear picture of each student's academic journey throughout the school year.*
- *Identify students needing extra support or enrichment: We use this information to determine who is in need of extra support through our RTI program.*
- *Set personalized learning goals: Our teachers use the information to set goals with students so that they can track their growth.*

3rd Grade Math Fact Celebration

Our 3rd grade students have worked incredibly hard this year mastering their multiplication facts through 12 × 12, and they will soon be celebrating their success with a special ice cream party! Every student will receive ice cream, and for each set of multiplication facts they have mastered, they will earn an additional topping.

It may be a little messy, but it is always a delicious and exciting reward that students absolutely love! We are especially thankful for our PTO volunteers who are helping serve and celebrate our students with us!

Campus Highlight

Career Day

On May 5th, AES welcomed professionals from our community, along with Anahuac High School CTE students, to share with our students during Career Day. Students had the opportunity to learn about a variety of careers, professions, and local businesses while gaining insight into future opportunities and career pathways.

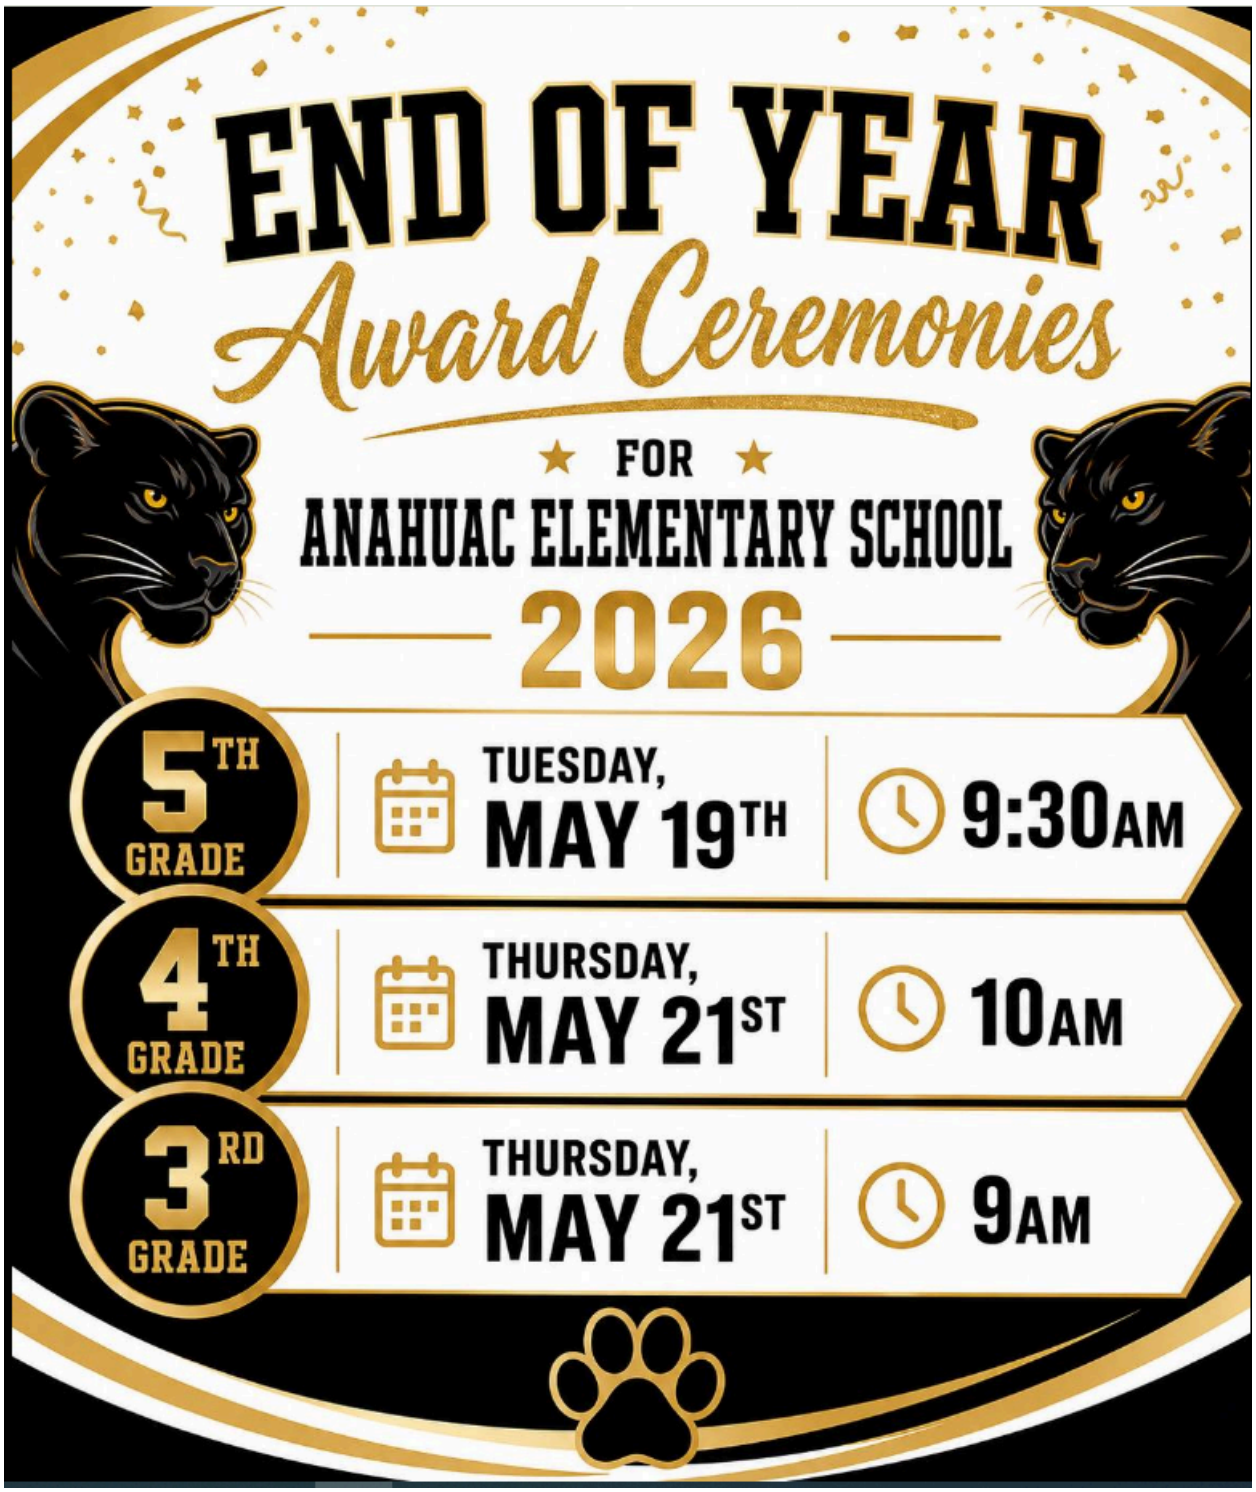
The event was a great success, and students were highly engaged throughout the presentations. Many of our volunteers quickly discovered that when it comes to students, no question or topic is off limits! We are grateful to all of our presenters for taking the time to invest in and inspire our students.

National Elementary Honor Society

On May 14th, AES will proudly induct 48 new students into the National Elementary Honor Society (NEHS). These students have demonstrated outstanding achievement by meeting rigorous academic and behavioral expectations throughout the school year.

We are incredibly proud of their hard work, leadership, responsibility, and commitment to excellence, and we look forward to celebrating this accomplishment with them and their families.

End of Year Awards Celebrations



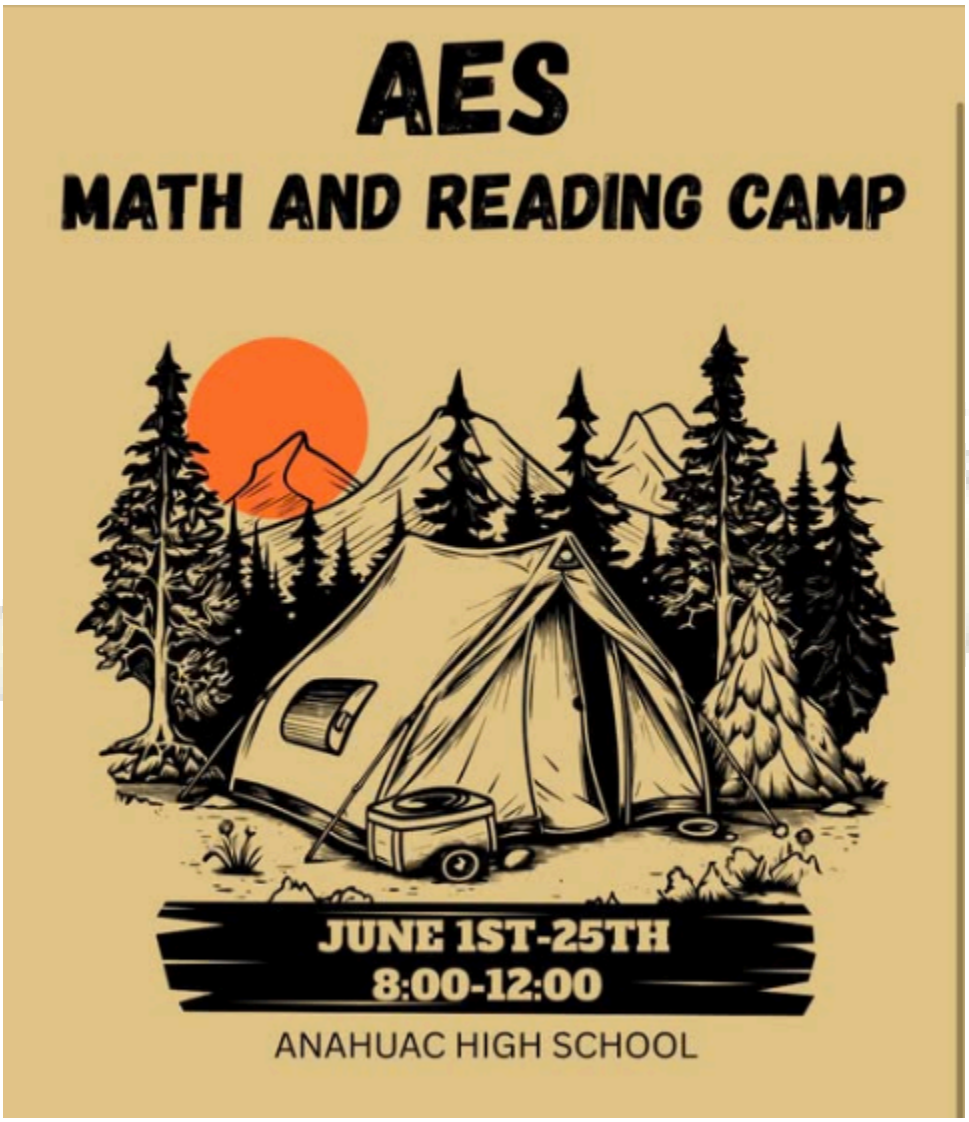
AES Panther Relays

On May 13th, AES will host our annual Panther Relays at the football stadium. Students will have the opportunity to compete in a variety of track and field events while demonstrating teamwork, sportsmanship, and school spirit.

This is always an exciting day for our students, and we are thrilled to welcome families to come cheer on and support our Panthers as they compete and celebrate their hard work together.

Summer School

We are currently preparing for our Summer Math and Reading Camp. This opportunity has been opened to all current 3rd-5th grade students to help strengthen academic skills and provide continued learning opportunities throughout the summer.



AMS May Board Report 2026

- AMS wants to recognize our paraprofessional staff: Dianne White, Lupe Amaya, Hailey McDaniel, Janna Coates, Janet Hoffeld, Adrianna Acosta, Breonna Morgan, Eloisa Perales and Kevin Clanton.
- AMS would like to honor the following students for the Good Leadership Award: 8th grade - Sheila Darby, 7th grade - Lilliana Hill and 6th grade - Kiersten Sanders.
- May 4th kicked off Teacher Appreciation Week with Snow Cones provided by the Education Foundation. Taco Tuesday followed with Taco Bar provided by Anahuac National Bank. Wednesday, Patients graciously provided the teachers with breakfast from ChickFilA Anahuac Baptist Church provided sweets in the lounge. Thursday, the Student Council provided our teachers with sweet and salty snacks.
- PBIS House winner, ONRAKA, had a full day of celebration for defeating all other houses with PBIS. They won by 2367 points. They enjoyed a water slide bouncy house, yard games, ball games, kickball, chalk art, snow cone machine, four square, lunch cooked by Dr. Abshier and Mr. Andrews. After lunch, they enjoyed a movie to relax with some popcorn to make it special.
- May 5th, students took the MAPS EYO Math test. May 6th the MAPS EYO ELA test and on May 7th the MAPS EYO Science test. This data will help our admin and teachers see the growth the students have made over the course of this year.
- AMS was in full swing celebrating our Perfect Attendance for the month of April. On May 4th, 4 8th graders were rewarded. May 5th, 45 7th graders were rewarded and May 6th, 59 6th graders were rewarded. They enjoyed a snack and some fun time in the Compact Center during homeroom period.
- The AMS had their Spring Band Concert on May 5th. Wow, were they amazing. The Beginner Band performed first, followed by the Concert Band then ending with Honors Band.
- May 6th we celebrated and showed our appreciation to our nurse, Mrs. Martin. We treated her to a delicious lunch, gave her a plant that was in a vase hand-made by our former teacher, Mrs. Schultz. Our Art students painted her a beautiful picture as well.
- May 11th - 14th is College Career Military Readiness Week. "Dream Big" Wear PJ's, "Career Day" Dress Up In your Future Career Apparel, "Our Futures are Bright" Wear Neon/Bright Colors, and Wear College or Military Shirt.
- May 14th students with no referrals, no tardies, no lunch detention, no missing assignments and who are passing all classes will head to Fort Anahuac Park for a picnic with food provided by our awesome cafeteria staff.
- May 19th NJHS will host their annual Dodge Ball Tournament.
- May 20 students who made their AR goal and participated in UIL will head to AR Entertainment in Baytown. They will leave after the UIL awards ceremony at 7:45am.
- May 21, last day of school awards!! 6th grade Academic Awards 8:30am, 8th grade Academic Awards 10:30am, 7th grade Academic Awards 1pm

Math Dept

- Algebra 1 just took the STAAR test this week, prior to that Mr. Lugo had been reviewing for it and was very busy with Tennis competitions.
- Geometry has just finished Area of 2-dimensional shapes. We are preparing to Review for our Final Exams. The year has just flown by.
- Algebra 2 has completed our unit over exponential functions. We will be completing NWEA testing next week before doing final exams.
- Math Models is finishing up a unit over financial literacy, discussing simple and compound interests and comparing them over time.
- College Prep. Math just finished Testing over Sets and Conditional Probability.
- Precal just completed and tested over the Graphs of Sine and Cosine Functions. They will start their last topic of Trigonometric Identities on Monday.
- College Algebra is reviewing for next week's Final Exam.

ELA

- As the school year comes to a close, students across all English courses are demonstrating growth in literacy, critical thinking, and writing skills through a combination of assessments, targeted instruction, and engaging end-of-year activities.
- **ELA I-** Students are completing end-of-year assessments designed to evaluate their development in foundational literacy skills, including reading comprehension, written expression, and analytical thinking. Instruction throughout the year has emphasized close reading, vocabulary development, and evidence-based writing. These assessments will provide valuable data to guide future instruction and support continued student growth as they advance to the next grade level.
- **ELA II-** Students successfully completed STAAR testing last month. We are optimistic that their hard work and dedication will be reflected in the results when scores are released in June. As the year concludes, students are participating in engaging and creative activities, including a poetry unit featuring blackout poetry, which has generated strong student interest. One student, Megan Burroughs, was recognized by her peers for creating a standout blackout poem. Additionally, students are completing free-writing assignments through NoRedInk and an end-of-year reflection project, encouraging them to evaluate their progress, set goals for the future, and provide feedback to inform instructional practices.
- **ELA III-** Students are engaged in end-of-year testing to assess their mastery of key skills in reading, writing, and critical analysis. These assessments measure student growth and readiness for postsecondary expectations. Instruction has focused on rhetorical analysis, comprehension of complex texts, and the development of well-supported written responses. Assessment results will be used to identify strengths and target areas for continued growth as students transition into their senior year.
- **AP ELA Language and Composition-** Students have been preparing for the AP exam through focused writing practice and skill development. Students recently completed a synthesis essay, demonstrating their ability to evaluate multiple sources and construct cohesive arguments. Current instruction emphasizes argumentative writing strategies and the effective use of evidence, with

- students maintaining evidence logs to strengthen their analytical writing. These efforts are designed to ensure students are well-prepared for the rigor of the AP exam.
- **ELA IV-**Students recently completed a unit on Romantic poetry, studying the works of John Keats, Lord Byron, and Percy Bysshe Shelley. The unit focused on key themes of the Romantic era, including emotion, nature, and individualism, with an emphasis on the structure and analysis of odes. Through close reading and literary analysis, students strengthened their critical thinking and interpretive skills as they prepared for postsecondary opportunities.

Social Studies

- The Social Studies department is finishing the year strong with STAAR testing over for the U.S. History group and AP testing for World History and US History set to take place within the next week. Students are coming into finals and the different subject areas are finishing up the final lessons in preparation for Finals week.
- World Geography, students finishing their unit in Africa.
- World History students are finishing their lessons on the World Wars and the Cold War.
- U.S. History students have been learning about the U.S. from 2016 to today.
- Economics the students just finished their last unit on Globalization and the Information Age.
- The year has been a tremendous year of growth with our students and they have learned so much about the United States, its history, government, and future. Students are better prepared in their understanding of different world cultures and how the other countries' histories have affected the United States.

Science

- **Biology-**Students recently visited the Houston Museum of Natural Science, where they explored evolution and real-world science careers in a hands-on setting. Students really enjoyed the experience and were able to connect classroom concepts to real-life applications. To wrap up the year, students are beginning their final exam project, where they will research an endangered species and apply concepts from each unit. This includes reproduction, habitat, food chains, and the role of natural selection. It is a fun and meaningful way to bring all of biology together.
- **Chemistry-**Students are finishing up the final portion of their curriculum and transitioning into final exam review. Students will take their final exams on May 13. This time is focused on reinforcing key concepts and ensuring students are prepared to successfully close out the year.
- **Physics**-Students are currently working on their final exam project, known as Coach Moore's Rube Goldberg Machine. This project allows students to apply their understanding of key concepts in a hands-on and engaging way as they prepare for the end of the course.
- **Forensic Science-** Students will complete their final exam through a group project where they create and present their own crime scene based on a given scenario. Students will apply the investigative skills and concepts they have learned throughout the year, including evidence collection, analysis, and interpretation.
- As the school year comes to a close, students across all science courses are applying their knowledge in meaningful ways and preparing for a strong finish. We are proud of their hard work and growth this year and look forward to celebrating their success as they head into summer.

CTE

- ENTRE2 - all 10 students passed the ESB IBC exam. Planning for next year's DECA meetings and officers, and Panther Post store products.
- CHILD DEVELOPMENT, HUMAN GROWTH & DEVELOPMENT, PRINCIPLES OF EDUC - icev post tests to show growth. All classes completing resumes to use throughout their HS career.
- IBC exams are being given to BIM. So far, there are 4 / 15 that passed MS Word 2019 Expert.
- ESB is being given to ENTRE 1 students (because of the GMetrix study guide given around spring break), 40 / 44 students have passed.

RESOLUTION OF THE BOARD OF TRUSTEES ANAHUAC INDEPENDENT SCHOOL DISTRICT SB 546 SEAT BELT REQUIREMENTS - FINANCIAL INABILITY DETERMINATION

WHEREAS, Senate Bill 546 (89th Texas Legislature) requires that all school buses operated by or contracted for use by a school district be equipped with three-point seat belts for every passenger, including the operator, with full compliance required no later than September 1, 2029; and

WHEREAS, Anahuac ISD currently operates a fleet that includes a significant number of buses that do not meet the newly mandated safety equipment requirements; and

WHEREAS, the estimated cost to replace or retrofit the non-compliant buses creates a substantial financial burden on the District, and current budget conditions do not permit full compliance within the required timeframe; and

WHEREAS, SB 546 authorizes a school district to determine, through Board action, that the District's budget does not permit the purchase of compliant buses or retrofitting of non-compliant buses at this time, provided that required reporting to the Texas Education Agency (TEA) is completed; and

WHEREAS, the Board of Trustees has reviewed the fleet inventory, cost projections, and multi-year capital replacement requirements and finds that full compliance by the statutory deadline is not financially feasible under current funding conditions; and

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Board of Trustees of Anahuac ISD hereby determines that the District's current budget does not permit full compliance with SB 546 by September 1, 2029.
2. The Board directs the Superintendent to submit the required SB 546 reporting to the Texas Education Agency, including the fleet inventory, cost estimates, and this Resolution.
3. The Board further directs the Superintendent to develop a phased, fiscally responsible replacement and/or retrofit plan and to provide updates to the Board as part of annual budget planning.

Adopted and approved this___ day of _____, 2026 the Board of Trustees of Anahuac Independent School District.
