Subject: Request for TEA Homebound
Instruction Waiver

ACTION ITEM

BACKGROUND INFORMATION

North East Independent School District is seeking permission to request a waiver from the Texas Education Agency (TEA) to provide homebound instruction through virtual means for students who meet eligibility criteria for participation in homebound instruction due to compromised immune systems and/or high risk for infection. Requirements for homebound instruction are provided in the TEA Student Attendance Accounting Handbook and include the requirement for face-to-face instruction to be provided by a certified teacher.

The Texas Education Agency allows districts to provide homebound instruction virtually with the approval of a waiver request. In addition to the waiver, schools are required to document consideration of the student's instructional needs, a determination that the virtual instruction will be provided in a manner consistent with state and federal law, and that all other provisions of homebound instruction will be met. This waiver is required for both Special Education and General Education homebound instruction.

The application for the Waiver Request has been prepared by the Division of Instruction and requires Board approval before it can be sent to the Agency.

ADMINISTRATIVE CONSIDERATION

The waivers were approved by TEA last school year for approximately 30 students receiving virtual homebound services through Special Education or Section 504. We expect that the waiver request to requirements of Homebound Funding and Homebound Documentation Requirements in the Student Attendance Accounting Handbook (adopted annually through 19TAC§129.1025) will continue to be granted by TEA for students at risk for communicable diseases which limit the district's ability to provide access to a Free Appropriate Public Education.

BACKGROUND INFORMATION

House Bill 3372 (HB 3372) went into effect September 1, 2025 amending the Texas Education Code by adding Section 11.006, which creates a new statewide prohibition on certain types of financial relationships involving public school district administrators. Specifically, HB 3372 prohibits school administrators from receiving financial benefits for personal services performed for:

1. Any business entity conducting or soliciting business with the District;
2. Educational businesses providing services regarding the curriculum or administration of school districts;
3. Other school districts, open-enrollment chart schools or regional education service centers.

Under HB 3372, exceptions are allowed for administrators not including school board members, superintendents and assistant superintendents, provided that:

- A written contract describing the services is submitted to the Board of Trustees; and
- The board of trustees votes to approve the contract after administration has verified the work being performed:

BACKGROUND INFORMATION

On April 27, 2026, the Board adopted changes to Policy FNCE, which aligns with the TEA's "bell-to-bell" definition of the school day. The Board's intent was for the policy to take effect on the last day of the school year. However, the recorded date, May 25, 2026, was noted in error. To ensure compliance and proper implementation by campus administration, the effective date should be officially corrected to the actual last day of the school year, which is May 29, 2026.

The revisions to FNCE (LOCAL) were developed as part of a Corrective Action Plan related to student use of personal communication devices. This aligns with the Texas Education Agency's guidance on implementing House Bill 1481.
