Students must earn (255) total credit hours to graduate from high school.

Required credit hours students must complete to qualify for the Sumner-Eddyville-Miller High School Diploma:

to me

I shared our Summer School Math assessments with you. Laurie did a great job of assessing them and creating a percentage gained in the spreadsheet so it's easy to see. Some students made great improvements and some stayed the same or grew only slightly. It's a small data point, but at least it's some data. We will continue to grow in our assessing each summer.

I'm happy with the progress and teachers this summer. They've done a great job of engaging the students. Cindy did the craft everyday and we just supported her. Laurie and Lana ran their rooms with the paras being used as co-teachers which was also a goal of mine. I wanted everyone to feel equal and work together.

The students have enjoyed the field trips- Park, Nursing Home, Military Vehicle Museum, Planetarium. This year all the field trips cost us $0 which wasn't intentional but is a nice bonus. We've posted online daily and have had some nice comments.

Students enjoyed the snacks. We've had: Watermelon, Cherries, Pineapple, Kiwi, Red Grapes, Green Grapes, Oranges, Bananas, Strawberries, Green Apples, Red Apples and Crackers. I personally appreciate the district paying for healthy snacks! Some students haven't ever eaten some of the fruits so it was fun talking about the different fruits/tastes.

I just thought I'd give you a summary of SEM Summer School so we're all on the same page. Not sure if you have to report it to the board or not, but this might help if you do.

KSB SCHOOL LAW

NOTICES, REPORTS, AND POLICY REVIEWS REQUIRED OF NEBRASKA SCHOOL BOARDS FOR 2024-25

Each year, school boards are required to provide students, parents, and/or the public with notices, many of which must be provided at the beginning of the school year. Similarly, school boards must review certain policies on an annual basis, even if they do not have to provide a separate notice of that review. This list summarizes the notices and policy reviews your board should complete before or during the 2024-25 school year.

Required Annual Policy Reviews

Parental Involvement Policy (5018). Although it is confusing, there are two "parental involvement" policies: one required by state law and one by federal law under Title I. State law requires the board to hold a public hearing on its parental involvement policy. After the hearing, the board must either alter and adopt the revised policy or reaffirm it as written. NEB. REV. STAT. § 79-533.

Title I Parental Involvement Policy (5057). In addition to the general parental involvement policy, the district must have a policy on the involvement of parents in its Title I program. The board must "conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving the academic quality of the schools served...." 20 U.S.C. § 6318(a)(2)(E) (Elementary and Secondary Education Act § 6318(B)). *Note that NDE has been looking for evidence of parental input in the "annual evaluation" of the policy and programs. We recommend that you provide evidence of input from at least one affected parent, even if that is a staff member of the district, such as recording their input in your board meeting minutes or receiving an e-mail from an affected parent suggesting changes or stating that the policy is good as written.*

Student Fees Policy (5045). The board must review the amount of money collected from students and review the waivers of student fees provided to students under its student fee policy. It must then hold a public hearing on a proposed student fee policy for the following school year. NEB. REV. STAT. § 79-2,134.

Bullying (5054). The board must review its bullying policy. No public hearing is required. NEB. REV. STAT § 79-2,137.

Teacher Evaluation (4031). The district must communicate with staff members in writing about the evaluation process. Rule 10 § 007.06A1a. If the district revises its evaluation instrument or process, it must submit the revised policies and procedures to the Nebraska Department of Education for approval. Rule 10 § 007.06A2.

Safety and Security Committee (3040). The district's safety and security committee must meet at least annually to prepare and/or review safety and security plans and procedures. Rule 10 § 011.01C. The district's safety and security plan must be reviewed annually by at least one person who is not on the safety and security committee and is not an employee of the district. Rule 10 § 011.01C.

Attendance and Excessive Absenteeism (5001). The board must annually review its attendance policy at a board meeting. The statute requires that this review be "in collaboration with the county attorney." We interpret the statute to allow an administrator to communicate with the county attorney either before or after the board's annual review of the policy.

SRO Program and Agreement. Section 79-2703(1) requires NDE to develop and distribute a model memorandum of understanding (MOU). NDE's model MOU requires the school, in collaboration with the applicable law enforcement agency, to conduct an annual review of the program and: (a) make modifications as necessary to accomplish stated program goals; and (b) create a report of the review to be provided to both parties and, to the extent permitted by law, made available online. The parties must establish an evaluation process, to include community stakeholders, as part of the regular review of program goals and relevant data, including the specific measures, data points, and metrics included in the report. The first annual report is for the first full school year following the formation of the MOU.

Required Biennial Policy Reviews

Federal Inventory Review (3004.1). The Education Department General Administrative Regulations (EDGAR) regulations require in section 80.32 that "a physical inventory of the property must be taken and the results reconciled with the property records at least once every two years." If you've accepted federal funds to purchase physical items like iPads or kitchen equipment, you'll need to comply with the biennial inventory requirements. You also will need to tag all non-consumable purchases, like network equipment, and small property such as Chromebooks and tablets that can easily be stolen. Those in charge of grants must ensure that procedures are in place and followed to tag equipment in a visible location and record funding details.

Required Triennial Policy Reviews

Wellness (5052). Under the Healthy and Hunger Free Kids Act of 2010 the district is required to assess and review its wellness policy to determine compliance, compare with NDE model wellness policies, and how much progress has been made toward the goals of the policy. Updates or modifications should be made after review as the board deems appropriate.

Required Reports

Insurance Coverage Report. A school board that opts to permit its members to participate in the school district's hospitalization, medical, surgical, accident, sickness, or term life insurance coverage(s) must report ***quarterly*** at a board meeting the board members who have elected such coverage. The report must be made available in the school district office for review by the public upon request.

Student Academic Performance (5012). The district must distribute an annual report to patrons about the district's academic performance. Rule 10 § 010.01A and B.

Multicultural Education (6020). The board must receive annually a report about the district's multicultural education curriculum. Rule 10 § 004.01F5.

Financial Literacy Act Report. On or before December 31, 2024, and on or before December 31st of each year thereafter, each school district must provide an annual financial literacy status report to its school board, including, but not limited to, student progress in financial literacy courses and other district determined measures of financial literacy progress from the previous school year.

Computer Science and Technology Education Report. [Beginning December 1, 2026, and each December 1st thereafter] Each school district must provide an annual computer science and technology education status report to its school board and NDE, including student progress in computer science and technology courses and other district-determined measures of computer science and technology education progress from the previous school year.

Behavioral Awareness Training. On or before July 1, 2025, and on or before July 1 of each year thereafter, each school district must submit a behavioral awareness training report to the Educational Service Unit Coordinating Council. The report must include the school district behavioral

awareness training plan and summarize how the plan fulfills the requirements of the Act.

Option Enrollment. Beginning July 1, 2024, and on or before July 1 of each year thereafter, each school district shall provide to the State Department of Education, on forms prescribed by the department, information relating to all applications rejected by the option school district.

Option Enrollment - Maximum Capacity Report. The school district will annually establish, publish, and report the capacity for each school building under the district's control pursuant to procedures, criteria, and deadlines established by the Nebraska Department of Education.

Dyslexia. On or before July 1 of each year, the school district will provide the required information relating to dyslexia to NDE.

Required Notices

Family Educational Rights and Privacy Act (5016). The Family Educational Rights and Privacy Act (FERPA), requires school districts to provide parents/guardians and adult students annual notice of their rights to inspect and review education records, amend education records, consent to disclose personally identifiable information in education records, and file a complaint with the U.S. Department of Education. 34 C.F.R. § 99.7. This information is contained in the FERPA policies we have provided you and should be reproduced in your student handbook.

Protection of Pupil Rights Amendment (5015). The Protection of Pupil Rights Amendment (PPRA) requires school districts to adopt a number of policies regarding surveys, instructional materials, physical examinations, personal information used for marketing, etc. Parents must be notified of these policies at least annually at the beginning of the school year and within a reasonable time period after any substantial change is made to the policies. 20 U.S.C. § 1232(h) (c)(2)(A). This information is contained in the PPRA policy we have provided you and should be reproduced in your student handbook.

Child Nutrition Programs (3012). School districts that participate in the National School Lunch Program, the School Breakfast Program, or the Special Milk Program, must provide both parents and the public information near the beginning of the school year, about free and reduced-price meals and/or free milk. 7 C.F.R. § 245.5. Districts must provide parents with an application form. Districts must also notify students and their families of the district's policy for meal purchases by students with negative account balances.

McKinney Vento Act (5014). The McKinney Vento Act requires homeless student liaisons to provide public notice of the education rights of homeless students in places where homeless students receive services under the Act. 42 U.S.C. § 11432(g)(6). This information is included in the policy we have provided you.

The McKinney Vento Act also requires homeless student liaisons to provide public notice of the education rights of homeless students disseminated in places where homeless students receive services under the Act including schools, family shelters, and soup kitchens. The notice must be in a "manner and form" understandable to homeless students and their parents/guardians, "including, if necessary and to the extent feasible," in their native language. 42 U.S.C. § 11432(g)(6). The National Center for Homeless Students (funded by the U.S. Department of Education) has created posters (in black and white or color, in English or in Spanish, for parents or for students) that can be ordered here: http://center.serve.org/nche/products.php#electronic

Title VI, Section 504, Age Discrimination Act, and Title II of the American with Disabilities Act (3053). A number of federal statutes protect the rights of beneficiaries in programs or activities that receive financial assistance from being discriminated against, and most of these statutes require districts to provide public notice of compliance with these laws. The Notice of Non-Discrimination that we have provided with this policy update should appear in your staff and student handbooks.

Drug-Free Workplace (4002). Your staff handbook should contain a notice to all employees that the school is a drug-free workplace. This is required of all recipients of federal funds pursuant to 41 U.S.C. § 702. Be sure to have your employees sign a receipt confirming that they have reviewed and understand that policy.

Notice of Policy on Opting Out of Assessments (5018). The Every Student Succeeds Act requires school districts receiving Title I funds shall notify parents that they may request, information regarding any state or local policy addressing student participation in assessments mandated by state and federal law. Schools must provide this information in a timely manner. We have included in the policy service a sample opt-out notice. If a parent requests this information, you should provide them with a copy of Policy 5018 (as amended in the 2017 Annual Updates).

Information on State and Federal Assessments. ESSA also requires all school districts to take steps to ensure that state and federal assessments are administered with transparency. School districts are required to "make widely available through public means" information on required state assessments

and, if available and feasible to report, information on assessments required districtwide. This information must include:

- Subject matter assessed
- Purpose for which the assessment is designed and used
- Source of the requirement for the assessment

If the following information is available, the public notice of assessments must also include:

- Amount of time students will spend taking the assessment
- Schedule for the assessment
- Time and format for disseminating results

This information must be posted "in a clear and easily accessible manner" on the district's website.

Asbestos Management Plan. Federal law requires districts to have an asbestos management plan for all of its buildings—owned or leased—and to update it periodically, among other requirements for inspections and training if staff work in buildings which contain or may contain asbestos. At least once each school year, schools must notify parents, staff, and local associations of the plan and where it can be found.

Notice of Designation for Support. Schools which are designated by NDE as needing "comprehensive support and improvement" or "targeted support and improvement" must "promptly notify the parents" of every student of the school's identification for support, the reasons for identification, and how parents can become involved in the improvement process.

Annual Training Requirements

Title IX (3057). As of August 1, 2024, the members of your Title IX Team (i.e., Title IX Coordinator, Investigator, Decision-Maker, Appellate Decision-Maker, and Informal Resolution Facilitator) must receive annual training specific to their roles. The regulations also require annual training for ALL staff (including volunteers, subs, community coaches, and board members) on their basic reporting and Title IX obligations.

Dating Violence. The Lyndsay Ann Burke Act, adopted by Nebraska in 2010, requires "[e]ach school district shall provide dating violence training to staff deemed appropriate by a school district's administration. The dating violence training shall include, but not be limited to, basic awareness of dating violence, warning signs of dating violence, and the school district's dating violence policy." Neb. Rev. Stat. § 79-2,141. Notice that this does not have to be an

annual training, but you should be able to point to something since 2010 that you have done which counts as "dating violence training."

Concussion Awareness. The school is obligated to make available training approved by the chief medical officer on how to recognize the symptoms of a concussion or brain injury and how to seek proper medical treatment for a concussion or brain injury to all coaches of school athletic teams. Again, this doesn't have to be re-done every year, but you should make sure all of your current coaches have had that. You also have to provide concussion and brain injury information to students and their parents or guardians prior to such students initiating practice or competition on an annual basis.

Behavioral and Mental Health Training (Formerly Suicide Prevention Training). All public school employees who interact with students and any other "appropriate personnel" as determined by the superintendent must receive at least one hour of behavioral and mental health training with a focus on suicide awareness and prevention training each year. NDE will develop a list of approved training materials.

Seizure Safe Schools Act. Beginning with the 2022-23 school year:

- Each school must have at least one school employee at each school who has met the training requirements necessary to administer or assist with the self-administration of a seizure rescue medication or medication prescribed to treat seizure disorder symptoms as approved by the United States Food and Drug Administration; and
- *Every* certificated school employee must participate in a minimum of one hour of self-study review of seizure disorder materials at least once in every two school years.

Other Required Trainings/Actions

Behavioral Awareness Training. Beginning in school year 2024-25, the Educational Service Unit Coordinating Council shall (i) ensure annual behavioral awareness training is available statewide and (ii) develop, implement, and administer an ongoing statewide teacher support system.

Beginning in school year 2026-27, each school district must ensure that each administrator, teacher, paraprofessional, school nurse, and counselor receives behavioral awareness training. Each administrator, teacher, paraprofessional, school nurse, and counselor who has received such training must receive a behavioral awareness training review at least once every three years. Each school district may offer such training, or similar training, to any other school employees at the discretion of the school district. In addition, all school

employees must have a basic awareness of the goals, strategies, and schoolwide plans included in such training.

Report. On or before July 1, 2025, and on or before July 1 of each year thereafter, each school district must submit a behavioral awareness training report to the Educational Service Unit Coordinating Council. The report must include the school district behavioral awareness training plan and summarize how the plan fulfills the requirements of the Act.

Point of Contact. Each school district must designate one or more school employees as a behavioral awareness point of contact for each school building or other division as determined by such school district. Each behavioral awareness point of contact must be trained in behavioral awareness and shall have knowledge of community service providers and other resources that are available for the students and families in the school district.

Mental Health and Counseling Resources. Each school district must maintain or have access to a registry of local mental health and counseling resources. The registry must include resource services that can be accessed by families and individuals outside of school. Each behavioral awareness point of contact must coordinate access to support services for students whenever possible. Except as provided in section 43-2101, if information for an external support service is provided to an individual student, school personnel must notify a parent or guardian of such student in writing unless the recommendation involves law enforcement or child protective services. Each school district shall indicate each behavioral awareness point of contact for the school district on the school district's website and in any school directory for the school that the behavioral awareness point of contact serves.

Behavioral Awareness and Intervention Training. Beginning in school year 2026-27, each school district must ensure that any school employee who has behavioral management responsibilities participates in behavioral awareness and intervention training consistent with the school district's revised student discipline policy developed and adopted on or before August 1, 2025. The training must be provided by the school district or the school district's ESU. The training must be consistent with the model policy relating to behavioral intervention, behavioral management, classroom management, and removal of a student from a classroom in school developed by NDE (on or before July 1, 2025).

Option Enrollment. If the district intends to declare a program, a class, or a school unavailable for the *next* school year to option students due to lack of capacity, the board must do so no later than October 14th of the *prior* school year.

Suggested **Annual Reviews and/or Trainings**

Although we try hard not to make service on the board of education more onerous that it already is, we think boards would also be well served to review the following policies once per year, whether it be prior to the beginning of the school year, or at the beginning of the calendar year.

Reimbursement and Miscellaneous Expenditures (2007). State statute allows the board of education to provide one recognition dinner each year for the board, employees or volunteers. You may also spend funds on "plaques, certificates of achievement, or items of value awarded to elected or appointed officials, employees, or volunteers." including persons serving on local government boards or commissions. These expenditures have to be formally authorized by the board "after a public hearing." You may not amend the policy more than once in any 12-month period after its initial adoption. This is an area that the Nebraska State Auditor has focused on, so we think school boards would be wise to review this policy annually and to have that review recorded in its meeting minutes.

Meetings (2008). Finally, we strongly suggest that your board "repass" this policy or whichever policy you use to designate the method of providing notice of meetings. The Open Meetings Act requires you to use the method designated in your board's minutes. If you do not have those minutes readily available, repassing the policy and including the methods in your minutes during your next meeting will allow you to comply with that technical requirement.

Data Breach (3047). We recommend that the superintendent, or his/her designee, annually update the data directory. This includes a list of all computing devices purchased by the district, all software installed on district devices, a list of staff members with access to district devices, and a list of staff members with active usernames and passwords for any district software.

Conflict of Interest Training for All Staff Working with Federal Programs (2005 and 4053). The EDGAR regulations require that each school district has a code of conduct to prevent employees who work in programs funded by federal dollars from engaging in behavior which creates a conflict of interest. Although there is no requirement that you train your staff on this policy, we do not think it is fair to create standards for employees like cooks, special education drivers and Title I paraeducators without providing them with training. We recommend that you train on this issue annually.

The bus cost would then be $97,730
If we do not receive the grant we are not obligated to purchase the bus
We would turn in the 2011 Blue Bird Bus - 36 Passenger that Connie Drives, the board transportation committee will determine the placement of the new bus and the shuffling of the route busses.

Recommended Motion(s):

1. Motion to approve purchase of Thomas C2 2025 Freightliner 53 Passenger Capacity Bus if the "Clean Diesel Rebate Program" application is approved

Discussion:

Motion made by Matt Hothem 2nd by Rachel Hrasky to give authorization for Dr Conradt to purchase a bus up to $150,000 with under carriage storage and racks. Look into leasing a coach bus for a year and what it would cost, also finding out what it will cost to lease a couple of vans.

Superintendent Candace Conradt:

The Nebraska Department of Environment and Energy (NDEE) is pleased to inform you that the department's application to EPA's 2022-2023 Diesel Emissions Reduction Act (DERA) National Grant competition has been fully funded. This grant award will allow NDEE to fund the school bus replacement project proposed by Sumner-Eddyville-Miller Schools, along with projects from ten other school districts and one refuse company.

As a reminder, your district applied to replace a 2010 Blue Bird bus (Unit 2010) with a new diesel bus with a quoted price of $123,830. The expected reimbursement for this project is 25% of the purchase price up to a maximum reimbursement of $24,000.

In the next week or so NDEE will prepare a project agreement that your authorized representative must sign electronically using the DocuSign website. That agreement will incorporate your school's application.

When the agreement is ready you will receive an automated e-mail from DocuSign inviting you to view and sign the agreement. After you have signed the agreement, NDEE will issue a formal Commence Work Notification. **You may not order the bus or spend funds until you receive the Commence Work Notification email. Any expenditures made prior to receiving the notification are not eligible for reimbursement.**

Your school bus replacement project must be completed and reimbursement requested by June 30, 2026.

Please acknowledge receipt of this email and let us know if you have any questions.

Policy Changes

REVISIONS OF POLICY 2006: COMPLAINT PROCEDURE

The new Title IX regulations require Title IX appeals to follow the same procedures for other types of civil rights appeals. For years, OCR has requested a uniform process to handle all types of complaints of discrimination, including race, religion, disability, etc. This is why we designed policy 2006 to cover all of those types of complaints and appeals. The 2020 Title IX regulations obviously created an entirely separate process for Title IX. The new 2024 regulations don't require the same procedure across the board for Title IX and other types of civil rights complaints, but they do require a standard appeals process.

To blend the Title IX and other civil rights appeals, we had to make some substantial modifications to policy 2006. Now, most complaints and appeals end with the superintendent. We have significantly limited the types of complaints and appeals that can go to the full board. This was necessary to reconcile the civil rights appeals, because in practice most schools do not involve the full board in discrimination investigations unless they involve allegations against the superintendent. We have been talking for years about limiting items that actually get full board consideration. Is it the highest and best use of the board's time to hear "complaints" about playing time and who makes National Honor Society? We'll explain this in the update webinar, but it will be very important to discuss this with your full board. Now, only complaints about the superintendent and complaints about the wording (not implementation) or policy and about the budget get consideration from the board.

We understand some boards may like this, and others may want to stay involved as a last appeal step in all cases. We recommend against boards hearing all types of cases. At best, it will significantly delay the ability to impose discipline in Title IX cases involving sex discrimination if the process is not complete until the board hears the case. However, if your board does want to serve as the final appeal body for all claims, reach out to one of us, and we are happy to discuss it and help you modify the policy to fit your board's preference.

This change is required.

REVISION OF POLICY 2008: MEETINGS

Have you sent a notice of your school board meeting to your local newspaper only to find out the newspaper didn't publish your notice? Good news! LB 287 modifies the Open Meetings Act to resolve this problem.

Beginning July 19, 2024, and until January 1, 2025, in cases where the newspaper refuses, neglects, or is unable to timely publish the notice, the school district may lawfully advertise its meeting by (1) posting the notice on its website and (2) posting the notice in a "conspicuous public place" within its jurisdiction. The school must keep a written record of the posting.

Beginning January 1, 2025, school districts will have two options to choose from to give notice of their meetings, and it depends on whether you have time to get your notice in the local newspaper. Schools may select one of the following options:

- (1) Publish in a newspaper of general circulation within the school's jurisdiction that is finalized for printing prior to the time and date of the meeting AND (2) post on the newspaper's website, if available, AND (3) post on a statewide website established and maintained as a repository for such notices by a majority of Nebraska newspapers; ***OR***
- (1) Post to the newspaper's website, if available, AND (2) post to a statewide website established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the public body's jurisdiction is to be finalized for printing prior to the time and date of the meeting.

After January 1, 2025, in cases where the newspaper refuses, neglects, or is unable to timely publish the notice, the school district may lawfully advertise its meeting by (1) posting the notice on its website, if available, and (2) submitting a post on a statewide website established and maintained as a repository for such notices by a majority of Nebraska newspapers, AND (3) posting the notice in a "conspicuous public place" within its jurisdiction. The school must keep a written record of the posting. We will provide you with a new policy closer to January 1, 2025.

NOTE: You need to follow the current law until July 19, 2024.

Effective Date: July 19, 2024

This change is required. KSB will send out an updated policy this fall for the version that will be in effect starting January 1, 2025.

REVISION OF POLICY 2009: PUBLIC PARTICIPATION AT BOARD MEETINGS

As you've heard us say many times over the years, the Open Meetings Act only required school districts to allow public comment at "some" meetings. The Nebraska Attorney General's Office had informally indicated that allowing public comment once every three months would be sufficient to comply with the law. Well, those days are over. LB 43 now requires that except for closed sessions, public bodies must allow public comment at each meeting. We have revised this policy to reflect this new requirement.

Please keep in mind that boards may still make and enforce reasonable rules and regulations regarding the conduct of people speaking at meetings. This means you can continue to have "time, place, and manner" restrictions on public comment speakers.

Effective Date: July 19, 2024.

This change is required.

REVISION OF POLICY 3003.1: BIDDING FOR CONSTRUCTION, REMODELING, REPAIR, OR RELATED PROJECTS FINANCED WITH FEDERAL FUNDS

In April 2024, the federal government released revisions to the Uniform Grants Guidance. This policy is updated to reflect changes to the UGG including: the change in terminology to "simplified acquisitions" instead of "small purchases," and the addition of veteran-owned businesses to the list of preferred vendors.

Effective Date: October 1, 2024

This change is required.

REVISION OF POLICY 3004.1: FISCAL MANAGEMENT FOR PURCHASING AND PROCUREMENT USING FEDERAL FUNDS

These changes include the same ones mentioned for 3003.1.

The UGG also increased the threshold for the disposition of equipment and supplies from $5,000 to $10,000. While not a policy change, districts should also be aware that the de minimis indirect rate increased from 10% to 15% and also the amount of subawards a district can apply to their indirect rate increased from $25,000 to $50,000. Additionally, school auditors are jumping for joy as the single audit for federal funds increased from $750,000 to $1,000,000.

Effective Date: October 1, 2024

This change is required.

MOVE CONTENTS OF 3011: TRANSPORTATION, TO 5005: OPTION TRANSPORTATION; RENAME COMBINED POLICY "TRANSPORTATION"; POLICY 3011 NOW "INTENTIONALLY LEFT BLANK"

We received several questions during NDE reviews of policies covering foster student transportation this year. That policy was in the 3000 series, which did not make a lot of sense when other transportation policies are in the 5000 series. We have now combined 3011 and 5005 into one policy named "Transportation" which covers general transportation and option transportation.

Policy 5005, formerly "Option Transportation" had 3 distinct options in separate documents. We've combined those into this one policy. If you have already adopted 1 of the 3 options in policy 5005, keep that one in the policy and delete the other 2 choices.

This change is required.

REVISION AND RENAMING OF POLICY 3017: PRESS RELEASES; RENAMED TO "OFFICIAL COMMUNICATION WITH THE PUBLIC"

On March 15, 2024, the United States Supreme Court issued an opinion in *Lindke v. Freed* which established the test for when government officials are "state actors" when posting on social media for First Amendment considerations. SCOTUS determined a government official's social media post is only government speech if "the official possessed actual authority to speak on the State's behalf and purported to exercise that authority when he spoke on social media." This policy update reflects the new considerations from this case.

This change is not required but is highly recommended.

REVISION AND RENAMING OF POLICY 3032: FEES FOR SCHOOL DISTRICT RECORDS; ELIMINATE "COPYING" FROM TITLE

LB 43 revised the public records statutes. For residents of Nebraska (includes all news media, which is undefined):

- Number of "free hours" goes from 4 to 8
- May not include "any charge for the services of an attorney or any other person to review the requested public records seeking a legal basis to withhold the public records from the public"
- May still charge for time in excess of 8 hours for searching, identifying, physically redacting, or copying

For nonresidents of Nebraska:

- Number of "free hours" goes from 4 to 0
- "The actual added cost used as the basis for the calculation of a fee for records may include a charge for the proportion of the existing salary or pay obligation to the public officers or employees, including a proportional charge for the services of an attorney to review the requested public records, for the time spent searching, identifying, physically redacting, copying, ***or reviewing*** such records"

The policy has been revised to reflect these changes.

Effective Date: July 19, 2024

This change is required.

DELETION OF POLICY 3033: LENDING TEXTBOOKS TO CHILDREN ENROLLED IN PRIVATE SCHOOLS; NOW "INTENTIONALLY LEFT BLANK"

Through June 30, 2024, schools are required to purchase and loan textbooks, upon individual request, to children who are enrolled in kindergarten to grade twelve of an approved private school. Effective July 1, 2024, that obligation is transferred to NDE. This policy may be deleted because it is no longer necessary.

This change is required.

REVISION OF POLICY 3053: NONDISCRIMINATION

This policy was updated to reflect the final rule for the Pregnant Workers Fairness Act (PWFA) which requires covered employers, including school districts, to provide reasonable accommodations to qualified employee's or applicant's known limitations related to, affected by, or arising out of pregnancy, childbirth, or related medical conditions.

This change is required.

REVISION OF POLICY 3057: TITLE IX

We've invested a lot of time and energy into learning and thinking through the Biden Administration's updated Title IX regulations, set to go live on August 1, 2024. We will explain much more of our thinking and guidance in our Title IX introductory webinar on June 25. You can register for that here if you haven't already signed up for this webinar or our full quarterly webinar series.

We feel strongly that schools will find these new regulations better to work with day-to-day compared to the Trump Administration regulations from 2020. For example, in many cases you will be able to use 1 person (likely the Title IX Coordinator) to resolve complaints of sex-based harassment compared to at least 3 under the 2020 regulations. For that reason, we put

together an updated policy for you to consider with your boards in June or July. We do not think schools should ignore the components of these new regulations that will make life better for you.

We will continue to monitor the ongoing litigation, which focuses almost exclusively on the issues of gender identity and facility use. That is getting all the headlines (as usual) but makes up only a very small fraction of the regulations. As you will see, our policy focuses on complaints of sex discrimination. If we need to update the policy moving forward to account for the litigation or changes to the regulations in the future, we will.

Effective Date: August 1, 2024

This change is required.

REVISION OF POLICY 3059: AUDIO AND VIDEO RECORDING

This policy was updated to reflect recent decisions by federal courts that have held parents do not have the right to record special education meetings. This has become an increasing point of contention for several of our districts and we wanted the explicit prohibition to be in your recording policy.

This change is not required but highly recommended.

NEW POLICY 3060: FIREARMS AND WEAPONS FOR NON-STUDENTS

See description in 5035.

This change is required.

REVISION TO POLICY 4011: EMPLOYEE LEAVE UNDER THE FAMILY MEDICAL LEAVE ACT (FMLA)

We are recommending two changes to this policy. First, in the last section of the policy we are deleting the reference to the "301(c) notice." That notice is now superfluous if you use the Department of Labor forms, which we

recommend. Those are all in the 4000 series forms and include the FMLA's required notice provisions.

Second, we have revised section I(A)(2) to clarify the applicable 12-month period for FMLA leave. The FMLA allows employers to use a calendar year basis, another set 12-month period, an "anniversary of use" method, or a "rolling" 12-month period. We strongly discourage schools from using a set 12-month period, because that may result in employees having 24 weeks of leave consecutively.

Instead, we recommend that schools use the "rolling" 12-month period, or the "anniversary date" method as a second choice. Under the recommended "rolling" method, employees "earn" leave back at the rate they used it. For example, assume an employee uses 4 weeks of FMLA leave in each of October, January, and April. The following October, assume the employee needs 6 weeks of FMLA leave. The employee is only eligible to use 4 weeks of FMLA leave for that absence, so the last 2 weeks are not FMLA-covered. Our previous definition of the 12-month period was not as clear as it could have been, especially in situations where the employee uses ongoing "intermittent" leave, such as a day at a time.

If you are making this change, please check your current policy and determine which 12-month leave year option your district selected. The Department of Labor requires you give at least 60 days of notice to all employees if you are wishing to change the method. We have included this change in our staff handbook. Notice can also be given by emailing all employees an updated version of the policy.

This change is required.

REVISION TO POLICY 4053: CONFLICT OF INTEREST

LB 287 created additional conflict of interest procedures for public employees who make $150,000 or more in combined salary and benefits. As a practical matter this probably means it only applies to administrators for the upcoming school year, but the cost of benefits and rising teacher salaries mean that some teaching staff will be affected either now or in the future.

If an employee meets the total cost qualification, they must comply with these additional requirements and report a conflict of interest of any decision or action they might take that could financially benefit or harm themselves,

a business with which the employee is associated or a member of an immediate family member.

This policy revision is required.

REVISION OF 5001: COMPULSORY ATTENDANCE AND EXCESSIVE ABSENTEEISM

LB 1029 amends section 79-201 to clarify that mandatory attendance requirements do not apply when a student's ***mental or physical*** illness makes attendance impossible or impracticable. The policy has been revised in one place to note this "change." We have also updated the policy by replacing the outdated use of "non-accredited" schools with "exempt" schools.

Effective Date: July 19, 2024.

This change is required.

Additionally, the Nebraska Department of Education has informed districts that they can allow or require students to "make-up" absences in order to improve their reported attendance/absenteeism rates. If your district has implemented or wishes to implement a procedure for students to make-up absences, you should include that information in your attendance policy. We've prepared a basic framework for one in our model policy as a placeholder.

This change is an optional provision you may remove or revise at your discretion.

REVISION OF POLICY 5004: OPTION ENROLLMENT

Currently, state law provides that students may only option enroll into another district once unless one of the numerous exceptions apply. However, the Unicameral decided that what Nebraska needs is more option enrollment! LB 1329 amends the option enrollment statutes to grant students an option once during elementary school, once during middle school or junior high school, and once during high school for a total of three times. Unfortunately, LB 1329 does not define which schools contain which grades, and state law generally defines elementary grades as kindergarten

through eight and high school grades as nine through twelve. Middle school is not defined. This means you will have to define which grades are contained in which school in this policy. We have left a blank for this purpose in the definition section.

LB 1329 also changes the burden of proof in any appeal based on a capacity determination made by the school. The school district will bear the burden of proof on any appeal for any rejection based upon capacity limitations established under section 79-238.

This change is effective July 19, 2024.

This change is required.

REVISION AND RENAMING OF POLICY 5005: OPTION TRANSPORTATION; COMBINED WITH 3011

See description in 3011, above.

This change is required.

REVISION OF POLICY 5008: PREGNANT OR PARENTING STUDENTS

The new Title IX regulations discuss responsibilities a school has regarding a student's current, potential, or past pregnancy. Such responsibilities include informing the student of the Title IX Coordinator's contact information and making reasonable modifications based on the student's individualized needs. The school must consult with the student regarding reasonable modifications, and the student may accept or decline any of the modifications. This policy has been updated to include the new Title IX requirements.

This change is effective August 1, 2024

This change is required.

REVISION OF POLICY 5035; POLICY 5049: FIREARMS AND WEAPONS MOVED TO POLICY 3060 AND 5035; POLICY 5049 WILL BE "INTENTIONALLY LEFT BLANK"

The general rule is that any person who possesses a firearm in a school, on school grounds, in a school-owned vehicle, or at a school-sponsored activity or athletic event is guilty of the offense of unlawful possession of a firearm at a school (a Class IV felony). There are a variety of exceptions, and LB 1329 adds two more.

First, qualified law enforcement officers or qualified retired law enforcement officers carrying pursuant to 18 U.S.C. 926B or 926C, respectively, as such sections existed on January 1, 2023 may now carry firearms at school. The more controversial provision authorizes Class I and Class II school districts to allow employees and security personnel to possess a firearm on school grounds, at a school event, or in a school vehicle according to a written policy adopted by the school that includes, at a minimum, requirements for personal qualifications, training, appropriate firearms and ammunition, and appropriate use of force.

Given these changes and the fact that there are also mandatory firearm provisions that apply to students through state and federal law, we have decided to move the non-student portion of this policy to Policy 30XX and to move the student portion of the policy to Policy 5035 - Student Discipline. Policy 5049 will now be "Intentionally Left Blank."

The Unicameral has directed the State Board of Education, in consultation with the Nebraska State Patrol, to develop a model policy relating to the authorization of the carrying of firearms by authorized security personnel (and employees). The policy must include but need not be limited to, the appropriate number of training hours required of such security personnel. **Unlike other instances that require the State to draft a policy, there is no requirement that the school's policy follow or be limited by the State's model policy**.

Policy 3060 currently is for all Class III school districts but only Class I and Class II school districts that have decided not to adopt a policy authorizing employees and contractors to carry firearms on school grounds. We will draft a policy that authorizes employees and contractors to carry firearms on school grounds once the State Board of Education issues its model policy. However, we have heard that ALICAP will not be providing any insurance coverage for matters related to employees or contractors carrying firearms on school property.

Effective Date: July 19, 2024

These changes are required.

We have also made two other tweaks to this policy. First, we included a short paragraph at the beginning noting that all discipline decisions will be made consistent with state and federal disability laws, namely the IDEA and Section 504.

Second, we have added "deepfakes" and other AI-generated content to the list of school rules and grounds for discipline. We have taken an aggressive approach on the creation of deepfake nudes, where one student creates what appears to be a "real" nude of a classmate using one of the many apps and sites that now exist. Creation, distribution, and possession of actual nudes are criminal acts subject to discipline as a violation of state criminal law. However, it is at best unclear whether creating a deepfake nude is a crime in Nebraska at all. By modifying the policy to say the board considers deepfakes an expellable offense, we are using the board's authority to clarify expellable conduct that is "consistent with" the statutory grounds for longterm discipline that already exist. While this could be challenged by a student/parent, we want to ensure schools have options when these situations inevitably arise more often moving forward.

Yes **These changes are not required but are highly recommended.**

5052: SCHOOL WELLNESS

We have revised the "Competitive Foods" section to comply with federal regulations as a result of suggestions made by NDE after some school audits. The change defines "Competitive Foods," when they may be sold, and some exemptions and limitations.

This change is required.

REVISION OF POLICY 6025: STUDENT CELL PHONE OR OTHER ELECTRONIC DEVICES

Already done!

We have had an increasing number of schools reexamine their approach to student cell phone use at school in light of emerging research about the harm that cell phones pose to student mental health. Teachers are also wildly frustrated by the constant battle with students over whether and when students may have their phones, smartwatches or AirPods.

There have been many national headlines examining the success (like this from WaPo) and pushback, especially from parents (like this from EdWeek), for schools that have gone to a ban on cell phones at school or solutions like Yondr bags.

We have added a new option to Policy 6025 for districts that are interested in completely banning all electronic devices during the school day. School districts that adopt this policy option will also need to plan on some sort of PR campaign explaining the change in policy to families. In our experience, parents are as hostile to cell phone bans as students are, so school officials will have to explain the research on the detrimental impact that phones have at school. If you are interested in considering this approach, the research and anecdotal experiences of schools who implemented cell phone bans is pretty clear. It seems to work if you can get all of your students, parents, and community members over the initial hurdle of losing constant connectivity. If you would like help locating resources to share, let us know. We take great pride in talking to students, staff, and parents about digital citizenship and tech-related issues, so we've been following this trend and the litigation against social media companies closely.

This change is optional.

REVISION OF POLICY 6031: EMERGENCY EXCLUSION

Last year, LB 705 amended the processes and procedures under the Nebraska Student Discipline Act. The procedures applicable to emergency exclusion must "substantially" comply with the updated due process requirements related to long-term discipline. We've amended the procedures contained in this policy to comply with those requirements in a manner that aligns with the shortened timeframes applicable to emergency exclusion.

This change is required.

6036: READING INSTRUCTION AND INTERVENTION SERVICES

Schools are required to provide the required information relating to dyslexia to the Nebraska Department of Education on or before July 1 of each year. This requirement has been added to the policy.

The Nebraska Department of Education will provide a professional learning system. The elementary school(s) and early childhood education programs approved by the State Board of Education must ensure that teachers who teach children from four years of age through third grade are aware of the professional learning system and are adequately trained regarding evidence-based reading instruction to effectively instruct students in reading. This requirement has been added to the policy.

Effective Date: July 19, 2024.

This change is required.

NEW POLICY 6039: REPEAT OF GRADE AT PARENT-GUARDIAN REQUEST

LB 71 gives parents the right to have their students repeat grade levels under certain, very specific circumstances. This policy outlines the circumstances applicable to students in grades K-4 and for students in grades 5-12. Notice that the differences between the two ages are significant.

Parents of students in grades K-4 can ask that their child be retained due to:

- Academic Needs. This criteria requires that the student be "at least one year below grade level" in reading, English, **and** language arts. That means that a student who is reading at 3rd grade, first month levels would not be entitled to repeat the 3rd grade. Notice also that there is no parental entitlement to hold a student back for deficits in any other academic area. We have explicitly noted at the end of the policy that this portion of the policy does not override a student's IEP team decision about educational placement under the special education laws.
- Excessive Absenteeism. This criteria requires that the student has been absent fifty percent or more of the school days of the prior school year. The KSB crew is puzzled that the Unicameral chose to give additional rights to parents who may very well be guilty of educational neglect, but we don't get to make the laws, we just get to try to explain them to you. Please note that this makes school district reporting of excessive absenteeism to the county attorney after 20 days of absences crucially important.

- Illness. The statute requires the student to have been hospitalized for two or more weeks during the prior school year in order to qualify under this criteria. Notice that the illness criteria is only available to students in grades K-4. Notice as well that in order for a K-4 st are required to provide the required information relating to dyslexia to the Nebraska Department of Education on or before July 1 of each year. This requirement has been added to the policy.

Parents of students in 5-12 can ask that their child be retained only due to excessive absenteeism.

All of the criteria in the statute are keyed to a school year, so we have set the earliest date that a parent can request a grade level retention as the last day of the school year. This draft policy proposes a two-week window in which parents can request that a student repeat a grade level, with the ability of the superintendent to make timing exceptions for good cause. We also drafted this policy to require parents to submit the initial request to the building principal so that the principal can pass along any relevant information about the situation to the superintendent.

Effective Date: July 19, 2024.

This change is required.

NEW POLICY 6040: PREKINDERGARTEN (PRESCHOOL OR EARLY CHILDHOOD) PROGRAM

Saved for committee discussion.

LB 71 amends the early childhood statutes so that schools may now offer a prekindergarten program to:

- Children who are 3 years of age before July 31 of the enrollment year;
- Children who are 4 years of age at the start of the enrollment year; and
- Children who are 5 years of age at the start of the enrollment year, so long as they do not turn 6 years of age prior to January 1 of that year (subject to the participation limitation below).

Schools are not required to have any prekindergarten program, so the school may choose to offer such a program with any combination of the ages of children outlined above. For this reason, it is difficult, if not impossible, to

draft a one-size-fits-all policy. Please feel free to contact us if you would like to customize this policy.

Effective Date: July 19, 2024

This change is not required but is highly recommended if you have a prekindergarten program.

NEW POLICY 6041: MALCOLM X DAY EDUCATION

Who doesn't love holidays?!? Thanks to LB 1102, we have another one! May 19th of each year will forever more be recognized as El-Hajj Malik El-Shabazz, Malcolm X Day, and must be set apart for holding suitable exercises in the schools of the state in recognition of the sacrifices of the late Nebraska Hall of Fame inductee El-Hajj Malik El-Shabazz, Malcolm X and his contributions to the betterment of society.

Effective Date: July 19, 2024

This policy is required.

NEW POLICY 6042: PROJECTION MAPS

With the passage of LB 1329, school districts will only be allowed to use the Mercator projection map in limited situations, all of which require conjunctive use of either the Gall-Peters projection map or the AuthaGraph projection map. For example, textbooks that display the Mercator projection map are permissible as long as a Gall-Peters projection map or AuthaGraph projection map is displayed in the classroom or shown to students. To comply, school districts should replace Mercator projection maps with either Gall-Peters projection maps or AuthaGraph projection maps.

saved for committee discussion.

NEW POLICY 6043: MAPPING DATA

With the passage of LB 1329, school districts may choose to apply for grant funding to create and share mapping data (defined as maps relating to the school buildings or school property with data for an efficient emergency response to such buildings or property) with public safety agencies. If you wish to apply for a grant to create and share this information, you must pass this policy and ensure that your creation and distribution of the mapping data meet the requirements of the legislation which have been included in this policy.

This policy is required only if you plan to apply for this grant.

Form Changes (NONE...YET!)

TITLE IX

We will be releasing updated Title IX forms closer to the August 1 effective date. We think rolling out the forms in conjunction with Title IX training later this summer will be the most efficient way to provide you with updated forms and explain how to use them to make the process easier.

Other Issues To Consider

Special Education Procedures

We had several school districts receive corrective action plans from NDE's Office of Special Education asking them to revise their special education policies and procedures this year. After being notified of these corrective action plans, we were able to work with NDE to get the matter resolved. It is important that you upload the most current version of Policy 6010 and the most current version of the KSB Special Education Procedures when asked for your special education "policies and procedures." If your district has chosen to tweak your special education procedures, you should check with one of the KSB attorneys to be sure that NDE will accept those procedures as compliant.

2006
Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to complaints unless the complaint is subject to a different procedure required by law, policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When those efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth in any specific policy addressing those areas or the procedures set forth below. Allegations of sex discrimination covered by Title IX will be addressed through the board's Title IX policy.

References to "coordinator" in this policy refer to the board-designated coordinator for the applicable area, such as the Section 504 Coordinator for allegations of disability-based discrimination.

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process.

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant reasonably believes speaking directly to the person would subject complainant or complainant's student to discrimination or harassment.

2. The second step is for the complainant to speak to the building principal, coordinator, superintendent, or president of the board of education, as set forth below. Anyone with questions about the appropriate person to speak with may request clarification from the superintendent.

    a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.

b) Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.

c) Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.

d) Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may be submitted to the applicable coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.

3. When a complainant submits a complaint to an administrator or coordinator, the administrator or coordinator shall first determine whether another applicable procedure is required by policy or law and if so, direct the complaint to the appropriate person to follow that procedure. If not, the administrator or coordinator will promptly and thoroughly investigate the complaint, and shall:

a) Determine whether the complainant has discussed the matter with the respondent.

1) If the complainant has not, urge the complainant to discuss the matter directly with the respondent, if appropriate.

2) If the complainant refuses to discuss the matter with the respondent, the administrator or coordinator shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.

b) Strongly encourage the complainant to reduce his or her concerns to writing.

c) Interview the complainant and, if necessary, the respondent against whom the complaint is filed, to determine:

1) All relevant details of the complaint;

2) All witnesses and documents which the complainant believes support the complaint;

3) The action or solution which the complainant seeks.

d) Respond to the complainant. If the complaint involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the administrator or coordinator receives the complaint.

4. If either the complainant or the respondent is not satisfied with the decision, he or she may appeal the decision to the superintendent. The superintendent may assign a qualified designee to hear any appeal. This provision applies to appeals under the board's policies governing complaints of discrimination or harassment, including Title IX and any other policy with a separate grievance or complaint procedure, unless that other procedure includes its own appeal process. All requirements for appeals within any other policy apply, and in addition to those requirements, the following also apply.

a) The appeal must be in writing.

b) This appeal must be received by the superintendent no later than three (3) calendar days from the date of the decision.

c) For complaints addressed through other applicable procedures that do not include a separate investigatory process, the superintendent will investigate as he or she deems appropriate.

d) The superintendent will prepare a written decision and provide it to the complainant and any other person entitled by law to receive the appeal decision. For complaints involving discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal. Appeals to the superintendent from complaints involving discrimination or harassment are final once the superintendent delivers the written decision, as are all other appeals/complaints to the superintendent unless the complaint can be appealed on the limited grounds to appeal to the board below.

5. The board's role is to set policy, establish and implement a budget, and evaluate the superintendent. The board does not manage the daily operations of the school district entrusted to its administration unless required by law or policy. Because of the board's statutory roles, it does not hear complaints or appeals that may involve oversight or discipline of students, staff, or others, unless those involve allegations against the superintendent as discussed below. The board does not hear complaints or appeals based on allegations of discrimination or harassment unless otherwise required by law. The board will hear appeals only in the following circumstances:

   a) When the complaint is about a board policy, not implementation of the policy;
   b) When the complaint involves the budget or school expenditures that have been or must be approved by the board; or
   c) When the board is required by law, policy, or contract to hear a complaint or appeal.

   If a complaint involves those limited grounds and a party is not satisfied with the superintendent's decision regarding the complaint or appeal, he or she may appeal the decision to the board.

   d) This appeal must be in writing.

   e) This appeal must be received by the board president no later than ten (10) calendar days from the date the superintendent communicated the decision to the complainant.

   f) This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint or appeal. However, all matters involving discrimination or harassment allegations against the superintendent shall be promptly and thoroughly investigated by the board president or a designee.

   g) The board president will notify the complainant and any other person legally required to receive the decision in writing of the decision. If the complaint involves discrimination or harassment allegations against the

Superintendent, the board president shall submit the decision within 180 calendar days after receiving the written appeal.

h) There is no appeal from any decision of the board unless authorized by law.

6. Formal complaints about the superintendent shall be filed with the president of the board. However, complaints about the superintendent do not include disagreement with the superintendent's decision on appeal based on a complaint of discrimination, harassment, or action of any other employee who is not the superintendent. Upon receipt of a complaint, the board president or his or her designee shall promptly and thoroughly investigate the complaint, and shall:

a) Coordinate with school district staff, other than the superintendent, to determine if another procedure in policy or law requires the complaint against the superintendent to follow another procedure. If so, the board president will coordinate handling the complaint through that procedure. If another procedure applies, such as in the case of allegations of sex discrimination against the superintendent, the board president or, at his or her discretion, the full board will serve only to hear any appeal by a party to the complaint.

b) Determine whether the complainant has discussed the matter with the superintendent.

1) If the complainant has not, the board president or designee will urge or require the complainant to discuss the matter directly with the superintendent, if appropriate or required.

2) If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.

c) Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting by the full board.

d) Respond to the complainant or appeal. If the complaint or appeal involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the president received the complaint.

e) Appoint or contract with other individuals qualified to assist the board through this process or any other applicable procedure used to address allegations against the superintendent.

No Retaliation. The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Special Rules Regarding Educational Services and Related Services to Students with Disabilities. Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by the school district. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided a student with a disability, including but not limited to services provided to a student with an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to the school district's Director of Special Education. The Director of Special Education will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided a student with a disability pursuant to a Section 504 plan must be submitted to the school district's 504 Coordinator. The 504 Coordinator will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student who is suspected of having a disability must be submitted in writing to the school district's Director of Special Education or to the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a

disability or will provide prior written notice of the district's refusal to do so.

Bad Faith or Serial Filings. The purpose of the complaint procedure is to resolve complaints at the lowest level possible within the chain of command. Individuals who file complaints (a) without a good faith intention to attempt to resolve the issues raised; (b) for the purpose of adding administrative burden; (c) at a volume unreasonable to expect satisfactory resolution; or (d) for purposes inconsistent with the efficient operations of the district may be dismissed by the superintendent or board president without providing final resolution other than noting the dismissal. There is no appeal from dismissals made pursuant to this section.

3003.1
Bidding for Construction, Remodeling, Repair, or Related Projects Financed with Federal Funds

I. Applicability of the Policy

This policy applies only to construction and contracts undertaken with federal funds which are subject to the federal Uniform Grant Guidance (UGG) and other applicable federal law, including but not limited to the Education Department and General Administration Regulations (EDGAR) and the United States Department of Agriculture (USDA) regulations governing school food service programs. In the event this policy conflicts or is otherwise inconsistent with mandatory provisions of the UGG, EDGAR or other applicable federal law, the mandatory provisions of the laws shall control.

The District will also comply with the requirements of the public lettings laws (NEB. REV. STAT. §§ 73-101 through 73-106) when the contemplated expenditure for the complete project exceeds $109,000, the Political Subdivisions Construction Alternatives Act (NEB. REV. STAT. §§ 13-2901 through 13-2914), energy financing contracts (NEB. REV. STAT. §§ 66-1062 through 66-1066), other applicable state laws, and the board's general policy on Bidding for Construction and Related Projects. In addition, all procurement and construction shall comply with the rules and requirements of 2 CFR part 200.317 through 200.326 and 34 CFR sections 75.601 through 75.615. In the event of a conflict between state and federal law, the more stringent requirement shall apply.

II. All projects undertaken pursuant to this policy will be subject to the following bond requirements

A. A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified.

B. A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

C. A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with

a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

III. Construction Projects with an Anticipated Cost of Under $250,000

A. Methods of Bidding/Soliciting Quotations or Estimates

The type of procedures required depends on the anticipated cost of the project.

1. Construction with an Anticipated Cost of up to $10,000 (Micro-Purchases)

Micro-purchase means an individual procurement transaction for supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed $10,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing.

2. Construction with an Anticipated Cost of between $10,000 and $250,000 (Simplified Acquisition Procedures)

For construction projects subject to this policy, simplified acquisitions are purchases that, in the aggregate amount, is more than $10,000 and less than $250,000 annually. For simplified acquisitions, price or rate quotes shall be obtained in advance from a reasonable number of qualified sources as detailed in the district's standard policies on purchasing and on bid letting and contracts.

B. Construction Projects with an estimated cost of between $109,000 and $249,999 will be made pursuant to the District's Policy on Bid Letting and Contracts.

Pursuant to Nebraska law, construction projects which have an

anticipated aggregate cost of $109,000 or more are subject to state public lettings laws (NEB. REV. STAT. §§ 73-101 through 73-106). The board will follow its standard policy on bid letting and contracts for construction projects financed with federal funds which have an anticipated aggregate cost of between $109,000 and $250,000.

IV. Construction Projects with an Anticipated Cost Over $250,000

A. Sealed Bids: All constructions projects subject to this policy with an anticipated cost of $250,000 or more will be publicly solicited using the sealed bid method

1. Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids, for state, local, and tribal governments, the invitation for bids must be publicly advertised;

2. The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;

3. Sealed bids will be publicly opened in a place and at the specific time stated in the bid solicitation. Bidders shall be notified of the opening and invited to be present.

4. The contract will be awarded to the lowest responsive and responsible bidder.

a) Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest.

b) Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of.

c) Any or all bids may be rejected if there is a sound documented reason.

5. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the lowest, responsible, and responsive bidder whose bid meets the bid specifications. This means that the board will select the bid that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on the work, its equipment and facilities, honesty, integrity, skills,

business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.

6. The board will generally complete its review of bids and select a vendor within 30 days of bid submission.

B. Advertising for Bids.

1. The superintendent or designee will arrange to advertise for bids by publishing notice in any newspaper of general circulation within the school district at least 7 calendar days prior to the date on which bids are due.

2. Nothing shall prevent the superintendent or designee from advertising in additional media outlets or for a longer period of time.

C. Bid Documents

1. The bid documents shall identify the day upon which the bids shall be returned, received, or opened and shall identify the hour at which the bids will close or be received or opened.

2. The bid documents shall also provide that such bids shall be opened simultaneously in the presence of the bidders or their representatives.

3. Bids received after the date and time specified in the bid documents shall be returned to the bidder unopened.

4. If bids are being opened on more than one contract, the board, in its discretion, may award each contract as the bids are opened.

5. Sealed bids will be opened in a place and at the specific time stated in the bid solicitation. Bidders shall be notified of the opening and invited to be present.

6. Bids will be reviewed by the Superintendent and/or designee and submitted to the board for approval.

7. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the lowest, responsible, and responsive bidder whose bid meets the bid specifications. This means that the board will select the bid

that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on the work, its equipment and facilities, honesty, integrity, skills, business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.

8. The board will generally complete its review of bids and select a vendor within 30 days of bid submission.

D. The terms of any construction project undertaken pursuant to this policy will be memorialized in a written contract which has been reviewed by the district's legal counsel and approved by the board.

V. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.322 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. This includes a "Buy American" provision that provides that as appropriate and to the extent consistent with law, the District and contractor should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of the Buy American provision must be included in all subawards including all contracts and purchase orders for work or products under this award.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms are used when possible and consistent with state law.

To the maximum extent practicable, the school food program shall purchase domestic commodities or products produced in the U.S. or processed in the U.S. substantially using agricultural commodities produced in the U.S.

C. Full and Open Competition

The district's procurement transactions will be conducted in a manner providing full and open competition consistent with 2 C.F.R §200.319.

D. Debarment and Suspension

The District awards contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, public policy compliance, proper classification of employees (see the Fair Labor Standards Act, 29 U.S.C. 201, chapter 8), record of past performance, and financial and technical resources when conducting a procurement transaction.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over $25,000 the District verifies that the vendor with whom the District intends to do business with is not excluded or disqualified. 2 C.F.R. Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by revising the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

E. Settlements of Issues Arising Out of Contract

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

F. Record Keeping

1. Record Retention

a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and

§§ 75.730-.731. The District also maintains records of significant project experiences and results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.

b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding construction projects for a minimum of five (5) years after the sale or demolition of the building. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Construction Records for Projects Financed with Federal Funds

a) The District must maintain records sufficient to detail the history of all construction projects financed with federal funds. These records will include, but are not necessarily limited to the following: rationale for the method of construction, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.

b) Retention of construction records shall be in accordance with applicable law and Board policy.

VI. Conflict of Interest and Code of Conduct

A. Board and staff member conflicts of interest are governed by the district's conflict of interest policies.

B. Contracts covered by this policy are subject to the following additional provisions.

1. Employees, officers, and agents engaged in the selection, award, and/or administration of district contracts which are prohibited from engaging in such actions if a real or apparent conflict of interest is present.

2. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

3. The board may determine at its discretion that a financial interest is not substantial enough to give rise to a conflict of interest.

C. Favors and Gifts

An employee, officer, agent, and board member of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts, with the limited exception of unsolicited items of nominal value.

D. Enforcement

Disciplinary Actions will be applied for violations of such standards by officers, employees, board members, or agents of the District at the board's discretion.

VII. Financial Management

A. Identification.

The District will identify, in its accounts, all federal awards received and expended and the federal programs under which they were received. Federal program and award identification include, as applicable, the CFDA title and

number, federal award identification number and year, name of the federal agency, and, if applicable, name of the pass-through entity.

B. Financial Reporting

The District will make an accurate, current, and complete disclosure of the financial results of each federal award or program in accordance with the financial reporting requirements set forth in the Education Department General Administrative Regulations (EDGAR).

C. Accounting Records

The District maintains records which adequately identify the source and application of funds provided for federally-assisted activities. These records must contain information pertaining to grant or subgrant awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation.

D. Internal Controls

The Superintendent or his/her designee must maintain effective control and accountability for all funds, real and personal property, and other assets through board review and approval of claims, an annual audit of the district's finances pursuant to the applicable Nebraska Department of Education and federal rules and regulations, and comparison of expenditures and outlays to budgeted amounts. The District adequately safeguards all such property and assures that it is used solely for authorized purposes.

E. Budget Control

Actual expenditures or outlays will be compared with budgeted amounts for each federal award at least annually and more often as required by law or deemed prudent by the board or administrative staff.

F. Payment Methods

The District will comply with applicable methods and procedures for payment that minimize the time elapsing between the transfer of funds and disbursement by the District, in accordance with the Cash Management Improvement Act at 31 CFR Part 205. Generally, the District receives payment from the Nebraska Department of Education on a reimbursement basis. 2 CFR § 200.305. However, if the District receives an advance in federal grant funds, the District will remit interest earned on the advanced payment quarterly to the federal agency. The District may retain interest amounts up

to $500 per year for administrative expenses. 2 CFR § 200.305(b)(9).

Consistent with state and federal requirements, the District will maintain source documentation supporting the federal expenditures (invoices, time sheets, payroll stubs, etc.) and will make such documentation available for the Nebraska Department of Education to review upon request.

G. Allowability of Costs

Expenditures must be aligned with approved budgeted items. Any changes or variations from the state-approved budget and grant application need prior approval.

When determining how the District will spend its grant funds, the Superintendent or his/her designee will review the proposed cost to determine whether it is an allowable use of federal grant funds before obligating and spending those funds on the proposed good or service. All costs supported by federal education funds must meet the standards outlined in EDGAR, 2 CFR Part 3474 and 2 CFR Part. The Superintendent or his/her designee must consider these factors when making an allowability determination.

The Superintendent or his/her designee will consider Part 200's cost guidelines when federal grant funds are expended. The Superintendent or his/her designee will also consider whether all state - and District-level requirements and policies regarding expenditures have been followed.

H. Use of Program Income – Deduction, Addition, or Cost Sharing or Matching

The default method for the use of program income for the District is the deduction method. 2 C.F.R. § 200.307(e). Under the deduction method, program income is deducted from total allowable costs to determine the net allowable costs. Program income will only be used for current costs unless the District is otherwise directed by the federal awarding agency or pass-through entity. 2 C.F.R. § 200.307(e)(1). The District may also request prior approval from the federal awarding agency to use the addition method. Under the addition method, program income may be added to the Federal award by the Federal agency and the non-Federal entity. The program income must then be used for the purposes and under the conditions of the Federal award. 2 C.F.R. § 200.307(e)(2). The District may also request prior approval from the federal awarding agency to use the cost sharing or matching method.

While the deduction method is the default method, the District always refers to the grant award notice prior to determining the appropriate use of program

income.

I. Cost Sharing or Matching

For all Federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the non-Federal entity's cost sharing or matching when such contributions meet all of the following criteria:

(1) Are verifiable from the non-Federal entity's records;
(2) Are not included as contributions for any other Federal award;
(3) Are necessary and reasonable for accomplishment of project or program objectives;
(4) Are allowable under subpart E (Cost Principles) of this part;
(5) Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;
(6) Are provided for in the approved budget when required by the Federal awarding agency; and
(7) Conform to other provisions of this part, as applicable.

J. Documentation of Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VIII. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.326 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms are used when possible consistent with state law.

To the maximum extent practicable, the school food program shall purchase domestic commodities or products produced in US or processed in US substantially using agricultural commodities produced in US.

C. Record Keeping

1. Record Retention

a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and §§ 75.730-.731. The District also maintains records of significant project experiences and results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.

b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding federal awards for a minimum of six (6) years. Consequently, the District shall retain records for a minimum of six (6) years from the date on which the final Financial Status Report is submitted, unless otherwise notified in writing to extend the retention period by the awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

c) Records will be destroyed in compliance with Schedule

10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Procurement Records

a) The District must maintain records sufficient to detail the history of all procurements. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.

b) Retention of procurement records shall be in accordance with applicable law and Board policy.

D. Privacy

The District has protections in place to ensure that the personal information of both students and employees is protected. These include the use of passwords that are changed on a regular basis; staff training on the requirements of the Family Educational Rights and Privacy Act (FERPA) and State confidentiality requirements; and training on identifying whether an individual requesting access to records has the right to the documentation.

3004.1
Fiscal Management for Purchasing and Procurement Using Federal Funds

I. Applicability of Policy

This policy applies only to non-construction related purchases undertaken with federal funds which are subject to the federal Uniform Grant Guidance (UGG) and other applicable federal law, including but not limited to the Education Department and General Administration Regulations (EDGAR) and the United States Department of Agriculture (USDA) regulations governing school food service programs. In the event this policy conflicts or is otherwise inconsistent with mandatory provisions of the UGG, EDGAR or other applicable federal law, the mandatory provisions of the laws shall control.

All other non-construction purchases will be governed by the Board's general purchasing policy, which can be found earlier in this subsection. In the event of a conflict between state and federal law, the more stringent requirement shall apply.

This procurement policy shall govern all purchasing activities that relate to any aspect of the National School Lunch and Breakfast Programs. The district's goal is to fully implement all required procurement rules, regulations and policies set forth in 2 CFR 200, 7 CFR parts 210, 3016 and 3019, and by the Nebraska Department of Education.

II. Procurement System

The District maintains the following purchasing procedures.

A. Responsibility for Purchasing

The authority to make purchases shall be governed by the District's purchasing policy, which can be found elsewhere in this section. Except as otherwise provided in the District's purchasing policy, the acquisition of services, equipment, and supplies shall be centralized in the administration office under the supervision of the superintendent of schools, who shall be responsible for developing and administering the purchasing program of the school district. Purchases or commitments of district funds that are not authorized by this policy will be the responsibility of the person making the commitment.

B. Methods of Purchasing

The type of purchase procedures required depends on the cost of the item(s) being purchased.

1. Purchases up to $10,000 (Micro-Purchases)

Micro-purchase means an individual procurement transaction for supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed $10,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing, which can be found earlier in this subsection.

2. Purchases between $10,000 and $250,000 (Simplified Acquisition Procedures)

Simplified acquisitions are purchases that, in the aggregate amount, are more than $10,000 and less than $250,000 annually. For simplified acquisitions , price or rate quotes shall be obtained in advance from a reasonable number of qualified sources as detailed in the district's standard policies on purchasing and on bid letting and contracts, which can be found earlier in this subsection.

3. Purchases Over $250,000

a) Sealed Bids (Formal Advertising)

For purchases over $250,000, the district will generally follow the bidding process outlined in the board's policy on Bidding for Construction, Remodeling, Repair or Site Improvement.

b) Contract/Price Analysis

The District performs a cost or price analysis in connection with every procurement action in excess of $250,000, including contract modifications. The district will make an independent estimate of costs prior to receiving bids or proposals.

4. **Noncompetitive Proposals (Sole Sourcing)**

a) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

1) The procurement transaction can only be fulfilled by a single source;

2) The public exigency or emergency for the requirement will not permit a delay resulting from providing public notice of a competitive solicitation;

3) The federal awarding agency or pass-through entity expressly authorizes written approval of noncompetitive proposals in response to a written request from the District; or

4) After solicitation of a number of sources, competition is determined inadequate.

b) Noncompetitive proposals may only be solicited with the approval of the superintendent or the board. Sufficient and appropriate documentation that justifies the sole sourcing decision must be maintained by the superintendent or designee.

c) A cost or price analysis will be performed for noncompetitive proposals when the price exceeds $250,000.

5. **Competitive Proposals.**

a) The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

1) Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered;

2) Proposals must be solicited from an adequate number of qualified sources; and

3) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered.

b) The District may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used to procure A/E professional services. The method may not be used to purchase other services provided by A/E firms are a potential source to perform the proposed effort.

c) The District may select a proposal that offers the best value and that is based upon the proposer's responsiveness to the proposal, experience, reputation, staff qualifications, ability and capacity to carry on the work, price, honesty, integrity, skills, business judgment, financial stability, past performance, and other relevant factors. The evaluation may be conducted by the school board, a designated committee, or another designee of the school board.

C. Use of Purchase (Debit & Credit) Cards

District use of purchase cards is subject to the policy on purchase cards which can be found elsewhere in this subsection.

D. Federal Procurement System Standards

The district's procurement transactions will be conducted in a manner providing full and open competition consistent with 2 C.F.R §200.319.

The District will maintain and follow general procurement standards consistent with 2 C.F.R. §200.318.

E. Debarment and Suspension

The District awards contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, public policy compliance, proper classification of employees (see the Fair Labor Standards Act, 29 U.S.C. 201, chapter 8), record of past performance, and financial and technical resources when conducting a procurement transaction.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over $25,000 the District verifies that the vendor with whom the District intends to do business with is not excluded or disqualified. 2 C.F.R. Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by revising the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

F. Settlements of Issues Arising Out of Procurements

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

III. Conflict of Interest and Code of Conduct

A. Board and staff member conflicts of interest are governed by the district's conflict of interest policies.

B. Purchases covered by this policy are subject to the following additional provisions.

1. Employees, officers, and agents engaged in the selection, award, and/or administration of district contracts which are prohibited from engaging in such actions if a real or apparent conflict of interest is present.

2. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

3. The board may determine at its discretion that a financial interest is not substantial enough to give rise to a conflict of interest.

C. Favors and Gifts

An employee, officer, agent, and board member of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts, except that this provision does not prohibit the receipt of unsolicited items of nominal value. For purposes of this policy, "nominal value" means a fair market value of $25 or less.

D. Enforcement

Disciplinary Actions including, but not limited to, counseling, oral reprimand, written reprimand, suspensions without pay, or termination of employment, will be applied for violations of such standards by officers, employees, board members, or agents of the District.

IV. Property Management Systems

A. Property Classifications

1. Equipment means tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost that equals or exceeds the lesser of the capitalization level established by the District for financial statement purposes, or $10,000.

2. Supplies means all tangible personal property other than those described in §200.33 Equipment. A computing device is a supply if the acquisition cost is less than the lesser of the

capitalization level established by the District for financial statement purposes or $5,000, regardless of the length of its useful life. 2 C.F.R. §200.94.

3. Computing Devices means machines that acquire, store, analyze, process, and publish data and other information electronically, including accessories (or "peripherals") for printing, transmitting and receiving, or storing electronic information. 2 C.F.R. §200.20.

4. Capital Assets means tangible or intangible assets used in operations having a useful life of more than one year which are capitalized in accordance with GAAP. Capital assets include:

    a) Land, buildings (facilities), equipment, and intellectual property (including software) whether acquired by purchase, construction, manufacture, lease-purchase, exchange, or through capital leases; and

    b) Additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations or alterations to capital assets that materially increase their value or useful life (not ordinary repairs and maintenance). 2 C.F.R. §200.12.

B. Inventory Procedure

Newly purchased property shall be received and inspected by the staff member who ordered it to ensure that that it matches the purchase order, invoice, or contract and that it is in acceptable condition.

Equipment, Computing Devices, and Capital Assets must be tagged with an identification number, manufacturer, model, name of individual who tagged the item, and date tagged).

C. Inventory Records

For equipment, computing devices, and capital assets purchased with federal funds, the following information is maintained in the property management system:

1. Serial number;
2. District identification number;
3. Manufacturer;

4. Model;
5. Date tagged and individual who tagged it;
6. Source of funding for the property;
7. Who holds title;
8. Acquisition date and cost of the property;
9. Percentage of federal participation in the project costs for the federal award under which the property was acquired;
10. Location, use and condition of the property; and
11. Any ultimate disposition data including the date of disposal and sale price of the property.

The inventory list shall be adjusted by the superintendent of schools or his/her designee for property that is sold, lost, stolen, cannot be repaired, or that cannot be located.

D. Physical Inventory

1. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

2. The Superintendent or his/her designee will ensure that the physical inventory is performed. The physical inventory will generally occur during the months of June or July, but may be conducted during other time periods with the approval of the superintendent.

E. Maintenance

In accordance with 2 C.F.R. 313(d)(4), the District maintains adequate maintenance procedures to ensure that property is kept in good condition.

F. Lost or Stolen Items

The District maintains a control system that ensures adequate safeguards are in place to prevent loss, damage, or theft of the property. The District will notify the Federal agency or pass-through entity of any loss, damage, or theft of equipment that will have an impact on the program.

G. Use of Equipment

Equipment must be used in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by the federal award, and the District will not encumber the

property for any non-federal program use without prior approval of the federal awarding agency and the pass-through entity.

H. Disposal of Equipment

When it is determined that equipment acquired under a federal award is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, the Superintendent or his/her designee will contact the awarding agency (or pass-through for a state-administered grant) for disposition instructions.

If the item has a current fair market value of $10,000 or less, it may be retained, sold, or otherwise disposed of with no further obligation to the federal awarding agency or pass-through entity.

I. Equipment Retention

When included in the terms and conditions of the Federal award, the Federal agency may permit the recipient to retain equipment, or authorize a pass-through entity to permit the recipient to retain equipment, with no further obligation to the Federal Government unless prohibited by Federal statute or regulation.

J. Equipment and Capital Expenditures

All equipment and capital expenditures shall comply with the rules and requirements of 2 CFR 200.439.

K. Depreciation

All depreciation shall comply with the rules and requirements of 2 CFR 200.436.

V. Financial Management

A. Identification

The District will identify, in its accounts, all federal awards received and expended and the federal programs under which they were received. Federal program and award identification include, as applicable, the CFDA title and number, federal award identification number and year, name of the federal agency, and, if applicable, name of the pass-through entity.

B. Financial Reporting

The District will make an accurate, current, and complete disclosure of the financial results of each federal award or program in accordance with the financial reporting requirements set forth in the Education Department General Administrative Regulations (EDGAR).

C. Accounting Records

The District maintains records which adequately identify the source and application of funds provided for federally-assisted activities. These records must contain information pertaining to grant or subgrant awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation.

D. Internal Controls

The Superintendent or his/her designee must maintain effective control and accountability for all funds, real and personal property, and other assets through board review and approval of claims, an annual audit of the district's finances pursuant to the applicable Nebraska Department of Education and federal rules and regulations, and comparison of expenditures and outlays to budgeted amounts. The District adequately safeguards all such property and assures that it is used solely for authorized purposes.

E. Budget Control

Actual expenditures or outlays will be compared with budgeted amounts for each federal award at least annually and more often as required by law or deemed prudent by the board or administrative staff.

F. Payment Methods

The District will comply with applicable methods and procedures for payment that minimize the time elapsing between the transfer of funds and disbursement by the District, in accordance with the Cash Management Improvement Act at 31 CFR Part 205. Generally, the District receives payment from the Nebraska Department of Education on a reimbursement basis. 2 CFR § 200.305. However, if the District receives an advance in federal grant funds, the District will remit interest earned on the advanced payment quarterly to the federal agency. The District may retain interest amounts up to $500 per year for administrative expenses. 2 CFR § 200.305(b)(9).

Consistent with state and federal requirements, the District will maintain source documentation supporting the federal expenditures (invoices, time

sheets, payroll stubs, etc.) and will make such documentation available for the Nebraska Department of Education to review upon request.

G. Allowability of Costs

Expenditures must be aligned with approved budgeted items. Any changes or variations from the state-approved budget and grant application need prior approval.

When determining how the District will spend its grant funds, the Superintendent or his/her designee will review the proposed cost to determine whether it is an allowable use of federal grant funds before obligating and spending those funds on the proposed good or service. All costs supported by federal education funds must meet the standards outlined in EDGAR, 2 CFR Part 3474 and 2 CFR Part. The Superintendent or his/her designee must consider these factors when making an allowability determination.

The Superintendent or his/her designee will consider Part 200's cost guidelines when federal grant funds are expended. The Superintendent or his/her designee will also consider whether all state - and District-level requirements and policies regarding expenditures have been followed.

H. Use of Program Income – Deduction, Addition, or Cost Sharing or Matching

The default method for the use of program income for the District is the deduction method. 2 C.F.R. § 200.307(e). Under the deduction method, program income is deducted from total allowable costs to determine the net allowable costs. Program income will only be used for current costs unless the District is otherwise directed by the federal awarding agency or pass-through entity. 2 C.F.R. § 200.307(e)(1). The District may also request prior approval from the federal awarding agency to use the addition method. Under the addition method, program income may be added to the Federal award by the Federal agency and the non-Federal entity. The program income must then be used for the purposes and under the conditions of the Federal award. 2 C.F.R. § 200.307(e)(2). The District may also request prior approval from the federal awarding agency to use the cost sharing or matching method.

While the deduction method is the default method, the District always refers to the grant award notice prior to determining the appropriate use of program income.

I. Cost Sharing or Matching

For all Federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the non-Federal entity's cost sharing or matching when such contributions meet all of the following criteria:

(1) Are verifiable from the non-Federal entity's records;
(2) Are not included as contributions for any other Federal award;
(3) Are necessary and reasonable for accomplishment of project or program objectives;
(4) Are allowable under subpart E (Cost Principles) of this part;
(5) Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;
(6) Are provided for in the approved budget when required by the Federal awarding agency; and
(7) Conform to other provisions of this part, as applicable.

J. Documentation of Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VI. Written Compensation Policies

A. Time and Effort Standards

All employees who are paid in full or in part with federal funds must keep specific documents to demonstrate the amount of time they spent on grant activities. This includes an employee whose salary is paid with state or local funds but is used to meet a required "match" in a federal program. These documents, known as time and effort records, are maintained in order to charge the costs of personnel compensation to federal grants. Charges to federal awards for salaries and wages must be based on records that accurately reflect the work performed. These records must:

(1) Be supported by a system of internal controls which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;
(2) Be incorporated into official records;

(3) Reasonably reflect total activity for which the employee is compensated, not exceeding 100% of compensated activities;
(4) Encompass both federally assisted and all other activities compensated by the District on an integrated basis;
(5) Comply with the established accounting policies and practices of the District and
(6) Support the distribution of the employee's salary or wages among specific activities or costs objectives.

B. Time and Effort Procedures

Time and effort procedures will follow and comply with 2 CFR 200.430(i).

C. Fringe Benefits

Except as provided otherwise by federal law, the costs of fringe benefits will be allowable provided that the benefits are reasonable and required by law, a district-employee agreement, or another policy of the District.

D. Leave

The cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if they are provided under established written District leave policies.

E. Unexpected or Extraordinary Circumstances

In the event of a pandemic or other unexpected or extraordinary circumstance, the District may close school or individual buildings. In such case, the District may compensate federally funded or other employees during such closure to ensure the return of staff to employment after the closure as allowed by state or federal law.

F. Documentation for Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VII. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.326 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms are used when possible consistent with state law.

Buy American. The District participates in the National School Lunch Program and School Breakfast Program and is required to use the nonprofit food service funds, to the maximum extent practicable, to buy domestic commodities or products for Program meals. A "domestic commodity or product" is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR 210.21(d). The District may deviate from this general requirement only if:

- The product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality; or
- Competitive bids reveal the costs of a U.S. product are significantly higher than the non-domestic product.

C. Record Keeping

1. Record Retention

a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and §§ 75.730-.731. The District also maintains records of significant project experiences and results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.

b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before

the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding federal awards for a minimum of six (6) years. Consequently, the District shall retain records for a minimum of six (6) years from the date on which the final Financial Status Report is submitted, unless otherwise notified in writing to extend the retention period by the awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Procurement Records

a) The District must maintain records sufficient to detail the history of all procurements. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.

b) Retention of procurement records shall be in accordance with applicable law and Board policy.

D. Privacy

The District has protections in place to ensure that the personal information of both students and employees is protected. These include the use of passwords that are changed on a regular basis; staff training on the requirements of the Family Educational Rights and Privacy Act (FERPA) and

State confidentiality requirements; and training on identifying whether an individual requesting access to records has the right to the documentation.

Title IX

Nondiscrimination. The school district does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity that it operates including in admission and employment. Inquiries about Title IX may be referred to the school district's Title IX Coordinator, the U.S. Department of Education's Office for Civil Rights, or both. The school district's Title IX Coordinator may be contacted at Title IX Coordinator, [Office Address], [Email Address], [Telephone Number]. The school district's nondiscrimination policy and grievance procedures are included this policy, or can be accessed at: [Insert Webpage Here]. To report information about conduct that may constitute sex discrimination or make a complaint of sex discrimination under Title IX, please contact the Title IX Coordinator.

Publication Notice. The school district will include the following notice on its website and in each handbook, catalog, announcement, bulletin, application form, and other places as required by law:

> The school district prohibits sex discrimination in any education program or activity that it operates and individuals may report concerns or questions to the Title IX Coordinator. The school district's Title IX policy, notice, and other information may be accessed at the following link: [Insert Link to Notice of Nondiscrimination]

Retaliation Prohibited. Retaliation, including peer retaliation, is prohibited in the school district's education program or activity. If the school district has information about conduct that reasonably may constitute retaliation under Title IX, it may be required to treat it as an allegation of sex discrimination. Upon receiving a complaint alleging retaliation, the school district will initiate its grievance procedures or informal resolution process.

Definitions. As used in this policy, the following terms are defined as follows:

> **Complainant** means an employee, a student, or a parent, guardian, or other individual with the legal right to act on behalf of a complainant who is alleged to have been subjected to conduct that could constitute sex discrimination, including sex-based harassment; or any other person who may have been subjected to sex discrimination when that person was participating or attempting to participate in the school district's education program or activity.
>
> **Complaint** means an oral or written request to the school district that objectively can be understood as a request for the school district to

investigate and make a determination about alleged sex discrimination under Title IX.

Consent for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. School district officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

Respondent means a person who is alleged to have violated the school district's prohibition on sex discrimination. When a sex discrimination complaint alleges that the school district's policy or practice discriminates on the basis of sex, the school district is not considered a respondent.

Sex-based harassment prohibited by this part is a form of sex discrimination and means sexual harassment and other harassment on the basis of sex that is:

Quid pro quo harassment. An employee, agent, or other person authorized by the school district to provide an aid, benefit, or service under the school district's education program or activity explicitly or impliedly conditioning the provision of such an aid, benefit, or service on a person's participation in unwelcome sexual conduct;

Hostile environment harassment. Unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from the school district's education program or activity (i.e., creates a hostile environment). Whether a hostile environment has been created is a fact-specific inquiry that includes consideration of the following:

- The degree to which the conduct affected the complainant's ability to access the school district's education program or activity;
- The type, frequency, and duration of the conduct;
- The parties' ages, roles within the school district's education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;

- The location of the conduct and the context in which the conduct occurred; and
- Other sex-based harassment in the school district's education program or activity.

Sexual assault meaning an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;

- **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
- **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
- **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

- **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law

- **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent

Dating violence meaning violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length and type of relationship and the frequency of interaction between the persons involved in the relationship;

Domestic violence meaning felony or misdemeanor crimes committed by a person who:

- Is a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction of the school district, or a person similarly situated to a spouse of the victim;
- Is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner;
- Shares a child in common with the victim; or
- Commits acts against a youth or adult victim who is protected from those acts under the family or domestic violence laws of the jurisdiction

Stalking meaning engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others or suffer substantial emotional distress.

Response to Sex-based Harassment.

All Employees. All school district employees must notify the Title IX Coordinator when the employee has information about conduct that reasonably may constitute sex discrimination, including sex-based harassment under Title IX.

Title IX Coordinator. The school district will designate and authorize at least one employee as the school district's "Title IX Coordinator," to coordinate the school district's efforts to comply with its responsibilities under Title IX and this policy. The superintendent or Title IX Coordinator is authorized to delegate specific duties to one or more designees.

For conduct that could constitute sex-based harassment, the Title IX Coordinator must take the following actions:

- Offer and coordinate supportive measures for the complainant and for the respondent;

- Notify the complainant or the individual who reported the conduct of the grievance procedures and, if appropriate, the informal resolution process.
- Take other appropriate steps to avoid the recurrence of sex discrimination and restore or maintain equal access to the school district's programs and activities.

Supportive Measures. The school district will provide supportive measures, as appropriate, in cases involving sex-based harassment. These measures may include but are not limited to: counseling; extending deadlines; increased supervision; no-contact directives; leaves of absence; changes in class, work, or activities, regardless of whether there is a comparable alternative; and training and education programs related to sex-based harassment. Supportive measures may be continued, modified, or discontinued at the conclusion of any grievance process. Supportive measures will not be disclosed to anyone other than the person to whom they apply and others, including school officials, who need to know the supportive measures to implement them.

Requests to Modify Supportive Measures. A complainant or respondent may request modification or reversal of the school district's decision to provide, deny, change, or terminate supportive measures applicable to them. Requests must be made to the Title IX Coordinator in writing, and an impartial individual will review the request.

Students with Disabilities. If the complainant or respondent is a student with a disability, the Title IX Coordinator will consult with one or more members of the student's IEP or Section 504 team to determine compliance with those laws while implementing supportive measures and all other requirements of this policy and Title IX.

Emergency Removal. The school district is authorized to remove a respondent from the school district's education program or activity on an emergency basis, provided that the school district undertakes an individualized safety and risk analysis; determines that an imminent and serious threat to the health or safety of a complainant or other persons arising from the allegations of sex discrimination justifies removal; and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

Administrative Leave. The school district is authorized to place an employee respondent on administrative leave from employment responsibilities during the pendency of the school district's grievance procedures.

Informal Resolution. The school district may offer an informal resolution process unless the complaint includes allegations that an employee engaged in sex-based harassment of a student or informal resolution would be contrary to law. Prior to initiating informal resolution, the parties will be provided with notice of the allegations. Participation in informal resolution is voluntary, and any informal resolution will include consent from the complainant and respondent, the ability to withdraw from the process, and the right to resume the grievance process. If an agreement is reached, it precludes the parties from initiating or resuming the grievance process.

The informal resolution facilitator will not be the same person as the investigator or the decisionmaker in the school district's grievance procedures. Potential terms that may be included in an informal resolution agreement include but are not limited to restrictions on contact, restrictions on participation in programs or activities, and disciplinary sanctions.

If informal resolution is offered, the school district will maintain all evidence gathered, communications about the informal resolution process, and the agreement reached. This information will be disclosed to outside individuals only as permitted by law and if required to implement the requirements of the agreement or Title IX. If no agreement is reached, only relevant and permissible evidence received during the informal resolution process will be considered during the grievance process.

Grievance Procedures to Resolve Complaints of Sex Discrimination. Any person designated as Title IX Coordinator, investigator, or decision maker will not have a conflict of interest or bias for or against any party, generally or specifically. The decisionmaker may be the same person as the Title IX Coordinator or investigator.

Complaint. Complaints of sex-based harassment may only be made by a complainant; a parent, guardian, or other individual with the legal right to act on behalf of a complainant; or the Title IX Coordinator. Complaints of sex discrimination (excluding complaints of sex-based harassment) may be made by any person who was participating or attempting to participate in the school district's education program or activity at the time of the alleged sex discrimination.

Complaint by Coordinator. In the absence of a complaint made by any other individual, the Title IX Coordinator will determine whether to initiate a complaint of sex discrimination. The Title IX Coordinator must consider, at a minimum, the following factors:

- The complainant's request not to proceed with the initiation of a complaint;

- The complainant's reasonable safety concerns regarding the initiation of a complaint;
- The risk that additional acts of sex discrimination would occur if a complaint is not initiated;
- The severity of the alleged sex discrimination, including whether the discrimination, if established, would require the removal of a respondent from campus or imposition of another disciplinary sanction to end the discrimination and prevent its recurrence;
- The age and relationship of the parties, including whether the respondent is an employee of the school district;
- The scope of the alleged sex discrimination, including information suggesting a pattern, ongoing sex discrimination, or sex discrimination alleged to have impacted multiple individuals;
- The availability of evidence to assist a decisionmaker in determining whether sex discrimination occurred; and
- Whether the school district could end the alleged sex discrimination and prevent its recurrence without initiating its grievance procedures.

If the Title IX Coordinator initiates a complaint, they will notify the complainant prior to doing so and address reasonable concerns about the complainant's safety or the safety of others, including by providing supportive measures.

Consolidation of Complaints. The school district may consolidate complaints of sex discrimination against more than one respondent, or by more than one complainant against one or more respondents, or by one party against another party, when the allegations of sex discrimination arise out of the same facts or circumstances. When more than one complainant or more than one respondent is involved, references in this section to a party, complainant, or respondent include the plural, as applicable.

Basic Procedures. This grievance procedure is governed by the following basic requirements:

- A respondent is presumed not responsible for the alleged sex discrimination until a determination is made at the conclusion of the grievance procedure;
- The school district will treat the complainant and respondent equitably throughout the grievance process;
- The school district will take reasonable steps to protect the privacy of individuals participating in the grievance process in a manner that does

not restrict the parties from obtaining and presenting evidence, speaking to witnesses, consulting with family members or advisors, or otherwise participating in the grievance process;

- The District will use the following timelines for each complaint, but the Title IX Coordinator or designee may extend them as needed:

Major Stage	**Target Duration** (calendar days)
Completion of the school district's decision whether to dismiss or investigate a complaint of sex discrimination	1-15
Investigation	1-30
Determination	1-30
Appeal	1-20

Notice of Allegations. Upon initiation of the grievance procedure, the school district will provide notice of the allegations to the parties whose identities are known. The notice will include a copy of this policy; the parties involved in the incident(s); the conduct alleged to constitute sex discrimination; and the date(s) and location(s) of the alleged incident(s), if available. Retaliation is prohibited.

If the school district decides to investigate additional allegations of sex discrimination that are not included in the initial notice, the school district will provide notice of the additional allegations to the parties.

Complaint Investigation. The burden is on the school district to conduct an investigation that gathers sufficient evidence to determine whether sex discrimination occurred. The individual investigating and deciding the complaint will:

- Provide an equal opportunity for the parties to present fact witnesses and relevant and permissible evidence;
- Objectively review all evidence gathered through the investigation and determine what evidence is relevant and permissible;
- Provide each party with an accurate description of the relevant and permissible evidence, and upon request, copies of this evidence;
- Provide the parties a reasonable opportunity to respond to the evidence;
- Use a process that enables the decisionmaker to question parties and witnesses to adequately assess a party's or witness's credibility, but

credibility will not be based upon any individual's status as a complainant, respondent, or witness; and

- Take reasonable steps to prevent and address the parties' unauthorized disclosure of information and evidence obtained solely through the grievance procedures. For purposes of this paragraph, disclosures of such information and evidence for purposes of administrative proceedings or litigation related to the complaint of sex discrimination are authorized.

Relevant and Permissible Evidence. The school district will consider relevant and permissible evidence. Relevant evidence is evidence related to the allegations of sex discrimination under investigation as part of the grievance procedure. Questions are relevant when they seek evidence that may aid in showing whether the alleged sex discrimination occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged sex discrimination occurred.

Generally relevant evidence is permissible, but does not include:

- Evidence that is protected under a privilege as recognized by Federal or State law;
- A party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional in connection with the provision of treatment to the party or witness unless the school district obtains that party's or witness's voluntary, written consent for use in this grievance procedures; and
- Evidence that relates to the complainant's sexual interests or prior sexual conduct, unless that evidence is offered to prove that someone other than the respondent committed the alleged conduct or is evidence about specific incidents of the complainant's prior sexual conduct with the respondent that is offered to prove consent to the alleged sex-based harassment. The fact of prior consensual sexual conduct between the complainant and respondent does not by itself demonstrate or imply the complainant's consent to the alleged sex-based harassment or preclude a determination that sex-based harassment occurred.

Determining Whether Sex Discrimination Occurred. The school district will:

- Use the preponderance of the evidence standard of proof, that it is more likely than not, to determine whether sex discrimination occurred;
- Use only relevant and permissible evidence to reach a determination;

- Notify the parties in writing of the determination whether sex discrimination occurred, including the rationale for such determination, and the procedures and permissible bases for the complainant and respondent to appeal, if applicable;
- If there is a determination that sex discrimination occurred, coordinate and provide remedies to restore equal access, coordinate the imposition of any disciplinary sanctions on a respondent, including notification to the complainant of any such disciplinary sanctions, and require the Title IX Coordinator to take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur;
- Not discipline a party, witness, or others participating in a school district's grievance procedures for making a false statement or for engaging in consensual sexual conduct based solely on the school district's determination whether sex discrimination occurred.

Dismissal of a Complaint. A complaint of sex discrimination made through the grievance procedure may be dismissed for any of the following reasons:

- The school district is unable to identify the respondent after taking reasonable steps to do so;
- The respondent is not participating in the school district's education program or activity and is not employed by the school district;
- The complainant voluntarily withdraws any or all of the allegations in the complaint, the Title IX Coordinator declines to initiate a complaint, and the school district determines that without the complainant's withdrawn allegations, the remaining alleged conduct would not constitute sex discrimination even if proven;
- The school district determines the conduct alleged in the complaint, even if proven, would not constitute sex discrimination under Title IX. Before dismissing the complaint under this paragraph, the school district must make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the school district will promptly notify the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, then the school district must also notify the respondent of the dismissal and the basis for the dismissal promptly following notification to the complainant, or simultaneously if notification is in writing.

The school district will notify the complainant that a dismissal may be appealed and provide the complainant with an opportunity to appeal the

dismissal. If the dismissal occurs after the respondent has been notified of the allegations, then the school district must also notify the respondent that the dismissal may be appealed on the bases set out in this policy. Upon the dismissal of a complaint, at a minimum, the school district will:

- Offer supportive measures to the complainant, and offer supportive measures to the respondent if the respondent has been notified of the complaint;
- Require its Title IX Coordinator to take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur within the school district's education program or activity.

Appeal. The school district will provide the parties the opportunity to appeal the decisionmaker's written determination or a dismissal of a complaint, on the grounds identified below. The school district will implement appeal procedures equally for the parties, including a reasonable and equal opportunity to make a statement in support of or challenging the outcome being appealed. Appeals under Title IX, like other comparable proceedings, will be handled consistent with the school district's general complaint policy.

Time for Appeal. Appeals may only be initiated by submitting a written Notice of Appeal to the superintendent within three (3) calendar days of the party's receipt of (1) the written determination of whether sex discrimination occurred from which the appeal is taken, or (2) the written dismissal of the complaint from which the appeal is taken.

Notice of Appeal Filed By Party. The Notice of Appeal must include (a) the name of the party or parties appealing, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from the following subsection) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy and Title IX.

Appeals of Dismissals. If a dismissal is appealed, the school district will provide notice of the allegations to the complainant and respondent if not provided previously.

Appeal Decision. The decisionmaker for the appeal will be an individual who did not take part in the investigation, determination, and/or decision to dismiss the complaint. The appeal decisionmaker will notify the parties of the result of the appeal and the rationale for the result.

Disciplinary Sanctions and Remedies. If it is determined that sex-based harassment occurred, the school district may impose disciplinary sanctions that may include suspension, expulsion, mandatory reassignment, adverse employment action up to and including termination, or any other actions regarding student behavior that are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation.

Superintendent Authorized to Contract. The board authorizes the Superintendent to contract for, designate, and appoint individuals to serve in the roles of the school district's investigator(s), decision-maker(s), informal resolution facilitator(s), or appellate decision-maker(s) as contemplated by this policy.

Recordkeeping. The school district will maintain the following documents for a period of at least seven years:

- For each complaint of sex discrimination, records documenting the informal resolution process or grievance procedures and the outcome.
- Records documenting the actions the school district took to meet its obligations under Title IX for any allegation of sex discrimination.
- All materials used to provide training as required by this policy. The school district will make these training materials available upon request for inspection by members of the public.

For purposes of this policy "recording" includes still photographs, video, audio, and other similar data captured in any medium.

Secret Recordings. No person is permitted to make surreptitious recordings on school grounds unless authorized by the superintendent.

Recordings Made by The District. The district may use cameras or other devices for purposes of making security, safety, or other recordings when such recordings are deemed necessary or appropriate by an authorized representative of the district. The district will not maintain recordings unless the recording is purposefully copied and saved. Any recording not copied and maintained separately may only be accessible by the authorized representative for a limited time. Recordings made by the district may be destroyed by an authorized representative at any time unless retention is required by law.

Parents may not record meetings with administrators or staff, including meetings related to a student's IEP or 504 plan. Violation of this policy will result in immediate termination of any meeting that is being recorded and may be grounds for exclusion from school property, loss of volunteer privileges, or other restrictions deemed appropriate by the administration.

Recordings Made by Staff. Staff members may make recordings of classroom instruction, student behavior or performance, and school activities

without prior administrative approval only for legitimate educational purposes. Staff members may not make secret recordings while on duty, even if those recordings do not violate state or federal criminal or privacy laws. Recordings Made by Students. This policy applies to students during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event. Students may make recordings of school activities in a non-disruptive manner including things like athletic contests and other extracurricular performances to the extent permitted by law. Students generally are not permitted to record classroom instruction or members of the school community during the school day without the express consent of a staff member or as required by the student's education plan. Student use of assistive technology that has the capacity to record and/or transmit recordings (*e.g.*, AngelSense) must be approved by the student's education team or administration. Students remain subject to all other district policies and rules. Employee Leave Under the Family and Medical Leave Act (FMLA)

The school district shall provide leave to its employees in accordance with the Family and Medical Leave Act ("FMLA"). The terms used herein shall have the meaning ascribed to them under the FMLA. Employees may also qualify for leave under the Nebraska Family Military Leave Act, which is covered under the district's policy for that law. If an employee qualifies for leave under both the Family and Medical Leave Act and the Nebraska Military Leave Act, any leave taken by the employee will count concurrently toward the leave limits of both acts.

I. Qualifying for Leave

A. Qualified Employees

1. To be eligible for ***unpaid*** leave under this policy, an employee must:

    a. Make the request for leave at a time when the school district employs 50 or more workers;

    b. Have been working for the school district for at least 12 months prior to the request; and

    c. Have worked a minimum of 1,250 hours during the 12-month period immediately preceding the commencement of the leave.

2. The applicable 12-month period for computing an employee's entitlement to FMLA leave shall be "rolling" 12-month period measured backward from the date an employee uses any FMLA leave.

3. Employees ineligible for FMLA leave for any reason may be eligible for leave under the Nebraska Family Military Leave Act and should consult policy 4011.1.

B. Qualified Circumstances Necessitating Leave

1. The school district will grant an eligible employee up to a total of 12 workweeks of ***unpaid*** leave under the following conditions:

   a. For birth of a son or daughter, and to care for the newborn child;

   b. For placement of a son or daughter with the employee for adoption or foster care;

   c. To care for the employee's spouse, son, daughter, or parent with a serious health condition;

   d. Because of a serious health condition that makes the employee unable to perform the functions of his or her job; or

   e. Because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation

2. The school district will grant an eligible employee who is the spouse, son, daughter, parent or next of kin of a Covered Servicemember a total of 26 workweeks of ***unpaid*** leave during a 12-month period to care for the service member as permitted under the FMLA. The leave described in this paragraph shall only be available during a single 12-month period.

   <u>For purposes of this provision and this policy, "Covered Servicemember" includes both Military Members and covered Veterans, so long as the covered Veteran was discharged or released under conditions other than dishonorable at any</u>

time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran.

3. During the single 12-month period described in paragraph I(B)(2), an eligible employee shall be entitled to a combined total of 26 workweeks of leave under paragraphs I(B)(1) and I(B)(2). Nothing in this paragraph shall limit the availability of leave under paragraph I(B)(1) during any other 12-month period.

C. Limitations on Leave

1. Leave for birth or placement for adoption or foster care must conclude within 12 months of the birth or placement.

2. In any case in which a husband and wife both employed by the school district are entitled to FMLA leave:

   a. The aggregate number of workweeks of FMLA leave to which both are entitled is limited to 12 during any 12-month period if such leave is taken (i) because of the birth of a son or daughter of the employee and in order to care for such son or daughter; (ii) because of the placement of a son or daughter with the employee for adoption or foster care; or (iii) to care for a sick parent who has a serious health condition; and

   b. The aggregate number of workweeks of FMLA leave to which both that husband and wife are entitled is limited to 26 during the single 12-month period in which leave is taken to care for a Covered Servicemember and the husband and wife employees are both either the son, daughter, parent, or next of kin of such Covered Servicemember, if the leave is taken for this reason or a combination of

this reason and one of the three reasons described in paragraph I(C)(2)(a). If the leave taken by the husband and wife includes leave described in paragraph I(C)(2)(a), the limitation in paragraph I(C)(2)(a) shall apply to the leave described in I(C)(2)(a).

D. Qualifying Notice and Certification

Employees seeking to use FMLA leave will be required to provide:

1. 30-day advance notice when the need to take the leave is foreseeable; provided, if (a) the leave is for needed treatment which is required to begin in less than thirty days or (b) the leave is for the reason set forth in paragraph I(B)(1)(e), the employee shall provide such notice to the school district as is reasonable and practical;

2. Medical certification supporting the need for leave due to a Serious Health Condition affecting the employee or family member or to care for a Military Member, and/or due to a Serious Injury or Illness to care for a Veteran;

3. Second or third medical opinions and periodic re-certifications (at the school district's expense);

4. Certification supporting the need for leave because of a qualifying exigency arising out of the fact that the employee’s spouse, son, daughter or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in the National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation;

5. Certification supporting the need for leave to care for a Veteran who was discharged or

released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness; and

6. Periodic reports during leave, at a frequency reasonably requested by the superintendent, regarding the employee's status and intent to return to work.

E. Scheduling Leave

When leave is needed to care for a family member, for the employee's own illness, or to care for a Covered Servicemember, and such leave is foreseeable based on planned medical treatment, the employee must attempt to schedule treatment so as not to unduly disrupt the school district's operations.

II. Relationship with District During Leave

A. Leave to Be Unpaid

All leave provided to employees under the provisions of the FMLA and this policy shall be unpaid leave.

B. Substitution of Paid Leave

1. The school district requires employees to substitute any accrued paid vacation leave, paid personal leave, paid family leave, paid medical leave or paid sick leave for FMLA leave. However, nothing in this policy shall require the school district to provide paid sick or medical leave in any situation in which the school district would not normally provide such paid leave.

2. If an employee uses paid leave under circumstances which do not qualify as FMLA leave, the leave will not count against the

number of workweeks of FMLA leave to which the employee is entitled.

3. Any paid leave which is substituted for FMLA leave will be subtracted from the number of workweeks of unpaid leave provided by the FMLA and this policy.

C. Group Health Plan Benefits

1. The school district will continue group health plan benefits on the same basis as coverage would have been provided if the employee had been continuously employed during the FMLA leave period.

2. Any share of health plan premiums which have been paid by the employee prior to FMLA leave must continue to be paid by the employee during the FMLA leave period.

D. Intermittent or Reduced-Schedule Leave

1. Leave may be taken under this policy intermittently or on a reduced-leave schedule under certain circumstances.

    a. When leave is taken because of a birth or because of a placement of a child for adoption or foster care, an eligible employee may take leave intermittently or on a reduced-leave schedule only with the agreement of the school district. In such a case, the superintendent shall have the authority to approve or disapprove such intermittent or reduced leave schedule, in the superintendent's sole discretion.

    b. When leave is taken to care for a sick family member, for an employee's own serious health condition, or to care for a covered Veteran or Military Member, an eligible employee may take leave

intermittently or on a reduced-leave schedule when medically necessary.

c. When leave is taken by an eligible employee because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation, the employee may take leave intermittently or on a reduced-leave schedule.

d. When leave is taken by an eligible employee to care for a Covered Servicemember, including a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness

e. Intermittent or reduced leave shall not result in a reduction in the employee's total amount of leave beyond the amount of leave actually taken.

f. When an instructional employee seeks to take intermittent leave in connection with a family or personal illness (e.g. physical therapy or periodic care for a sick relative) or to care for a covered Veteran or Military Member, and when such leave would constitute at least 20 percent of the total number of working days in the period during which the leave would extend, the school district may require the employee to elect to take leave in a block, instead

of intermittently, for the entire period or to transfer to an available alternative position within the school system that is equivalent in pay, for which the employee is qualified, and which better accommodates the intermittent leave.

2. If an eligible employee requests intermittent leave or leave on a reduced-leave schedule that is foreseeable based on planned medical treatment, including during a period of recovery from a serious health condition, the school district may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. Such alternative position must have equivalent pay and benefits as the employee's permanent position.

3. Leave taken on an intermittent or reduced-schedule basis will be tracked hourly.

III. Return from Leave

A. Restoration to Position

1. On return from FMLA leave, an employee is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.

2. Any leave taken under this policy will not result in the loss of any employment benefits accrued prior to the date on which the leave commenced.

3. An eligible employee is not entitled to accrual of any seniority or employment benefits during any period of leave, or any right, benefit, or position of employment other than to which the

employee would have been entitled had the employee not taken leave.

B. Denial of Restoration

1. The school district reserves the right to deny restoration to any eligible employee who is a "key employee" (that is an employee who is salaried and among the highest paid 10% of the employees of the school district) if such denial is necessary to prevent substantial and grievous economic injury to the operations of the school district.

2. If the school district intends to deny restoration to such an employee, it will:

   a. notify the employee of his/her status as a "key employee" in response to the employee's notice of intent to take FMLA leave;

   b. notify the employee as soon as the school district decides it will deny job restoration and explain the reasons for this decision;

   c. offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and

   d. make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

C. Failure to Return from Leave

If an employee fails to return from FMLA leave after the period of leave to which the employee is entitled has expired, the employee shall reimburse the district for any premiums the employer paid for maintaining health insurance coverage for the employee during the employee's FMLA leave unless the reason the employee does not return is due to: (1) the

continuation, recurrence, or onset of the serious health condition which entitled the employee to FMLA leave and the employee provides the district with sufficient certification from the proper health care provider of such continuation, recurrence, or onset of the serious health condition or (2) other circumstances beyond the employee's control.

IV. Notice to Employees

A. The school district will post in conspicuous places where employees are employed notices explaining the FMLA and providing information concerning the procedures for filing complaints of FMLA violations with the U.S. Wage and Hour Division.

B. To the extent that any provision in this policy is in any manner inconsistent with the provisions of the Act or the regulations promulgated thereunder, the Act and regulations shall prevail over the provisions of this policy. The school district reserves the right to modify this policy from time to time in its sole discretion.

C. Employees may direct any questions or concerns regarding FMLA leave to the superintendent.

      (1) A business in which the employee or a member of his or her immediate family is a partner, a limited liability company, or serves as a director or an officer.

      (2) A business in which the employee or a member of his or her immediate family is a stockholder in a closed corporation with stock worth one thousand dollars or more, or the employee or his or her immediate family owns more than a five percent equity interest or is a stockholder of publicly traded stock worth more than ten thousand dollars or more at fair market value, or which represents more than ten percent equity interest. This shall not apply to publicly traded stock under a trading account if the employee reports the name and address of the company and stockbroker.

   b. A business association shall be defined to include an individual as a partner, limited liability company member, director or officer, or a business in which the individual or member of the immediate family is a stockholder.

   c. Immediate family member or member of the immediate family shall mean a child residing in an individual's household, a spouse of an individual, or an individual claimed by that individual or that individual's spouse as a dependent for federal income tax purposes

2. Contracts with the School District.

   a. No employee or member of his or her immediate family shall enter into a contract valued at two thousand dollars or more, in any one year, with this school district unless the contract is

awarded through an open and public process that (1) includes prior public notice and (2) allows the public to inspect during the school district's regular business hours the proposals considered and the contract awarded.

b. The existence of any conflict of interest in any contract in which the employee has an interest and in which the school district is a party, or the failure to make public the employee's interest known, may render a contract null and void.

c. The prohibition of a conflict of interest or requirement for public notice shall apply when the employee, or his or her immediate family has a business association with the business involved in the contract or will receive a direct pecuniary fee or commission as a result of the contract.

3. Employing Members of the Immediate Family.

a. An employee may employ or recommend or supervise the employment of an immediate family member if:

(1) The employee does not abuse his or her position.

(a) Abuse of official position shall include, but not be limited to, employing an immediate family member:

(i) who is not qualified for and able to perform the duties of the position;

(ii) for any unreasonably high salary;

(iii) who is not required to perform the duties of the position.

(2) The employee makes a reasonable solicitation and consideration of applications for employment.

(3) The employee makes a full disclosure on the record to the governing body of the school district and to the secretary of the board.

(4) The board approves the employment or supervisory position.

b. The employee shall not terminate the employment of another employee so as to make funds or a position available for the purpose of hiring an immediate family member.

4. Gifts, Loans, Contributions, Rewards, or Promises of Future Employment

a. No employee shall offer or give to the following persons anything of value, including a gift, loan, contribution, reward, or promise of future employment, based upon an agreement that a vote, official action, or judgment would be influenced thereby:

(1) a public official, public employee, or candidate.

(2) a member of the immediate family of an individual listed in Subparagraph 'a' above.

(3) a business with which an individual listed in Subparagraph (1) or (2) above is associated.

c. An employee shall not use or authorize the use of his or her public employment or any confidential information received through the public employment to obtain financial gain, other than compensation provided by law, for himself or herself or a member of his or her immediate family, or a business with which he or she is associated.

d. An employee shall not use or authorize the use of personnel, resources, property, or funds under that person's official care and control other than in accordance with prescribed constitutional, statutory, and regulatory procedures or use such items for personal financial gain, other than compensation provided by law.

5. Conflict of Interest Relating to Campaigning or Political Issues

a. Except as provided below, an employee shall not authorize the use of school district personnel, property, resources, or funds for the purpose of campaigning for or against the nomination or election of a candidate or the qualification, passage, or defeat of a ballot question.

b. This does not prohibit an employee from making school district facilities available to a person for campaign purposes if the identity of the candidate or the support for or opposition to the ballot question is not a factor in making the facilities available or a factor in determining the cost or conditions for use.

c. This does not prohibit an employee from discussing and voting upon a resolution supporting or opposing a ballot question.

d. This does not prohibit an employee under the direct supervision of a public official from responding to specific inquiries by the press or the public as to the board's opinion regarding a ballot question or from providing information in response to a request for information.

e. An employee may present his or her personal opinion regarding a ballot question or respond to a request for information related to a ballot question; but in so doing, the person should clearly state that the information being presented is his or her personal opinion and is not to be considered as the official position or opinion of the school district. However, this shall not be done during a time that the individual is engaged in his or her official duties.

6. Additional Procedures Applicable to Employees With An Annual Salary and Benefits of More than $150,000 Per Year

   a. Staff whose annual salary and benefits exceed one hundred fifty thousand dollars should assess whether they have a conflict of interest before taking any action or making any decision.

   b. Employees have a conflict of interest pursuant to this subdivision of the policy when their actions or decisions may cause financial benefit or detriment to themselves, a business with which they are associated or a member of their immediate family.

i. When assessing whether a conflict of interest exists, qualifying staff members should access whether the benefit or detriment identified is distinguishable from the effects of such action on the public generally or a broad segment of the public.

ii. If qualifying employees are unsure as to whether a conflict of interest exists, they may apply to the Nebraska Political Accountability and Disclosure Commission for an opinion as to whether they have a conflict of interest.

c. Qualifying employees who determine that a conflict of interest does exist under this policy shall:

i. Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict;

ii. Deliver a copy of the statement to the secretary of the board of education, who shall enter the statement onto the public records of the school district; and

iii. Abstain from participating in the matter in which the employee has a conflict of interest.

d. This subsection does not prevent a qualifying employee from making or participating in the making of a decision to the extent that the employee's participation is legally required for the action or decision to be made.

7. Conflict. To the extent that there is a conflict between this policy and the Nebraska Political Accountability and Disclosure Act ("Act"), the Act shall control.

Compulsory Attendance and Excessive Absenteeism

Required Attendance

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

Mandatory Attendance Age

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

Exceptions

This policy does not apply when attendance is made impossible or impracticable by severe weather conditions or by the mental or physical illness of the student or a child whom the student is parenting.

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child. A copy of the required affidavit is attached to this policy.

Discontinuing Enrollment – 5 Year Old Students

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to reenroll in this school district until the beginning of the following school year unless otherwise required by law.

Discontinuing Enrollment – 16 and 17 Year Old Students

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

Only children disenrolling to attend a exempt school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending exempt schools. The superintendent may confirm the validity of the submission with the State Department of Education.

Attendance Officer

Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

Excused Absences

The following absences will be considered excused if they are confirmed by communication to the school from the student's parent/guardian:

1. Physical or mental illness of the student (a physician's verification is required after four (4) consecutive days of absence for illness)
2. Severe weather
3. Medical appointments for the student
4. Death or serious illness of the student's family member

Commented [1]: This sample list is very liberal in what the school considers "excused." Schools that adopt this sample list will have very few students who accrue many "unexcused" absences. Boards may eliminate any of these categories of excused absence except for illness documented by a physician, suspension/expulsion and severe weather. Boards may also add additional requirements before an absence will be excused (e.g. require funeral card to verify family funeral, etc.)

5. Attending a funeral, wedding or graduation
6. Appearance at court or for other legal matters
7. Observance of religious holidays of the student's own faith
8. College planning visits
9. Personal or family vacations

Excessive Absenteeism

When a student receives 5 unexcused absences or the hourly equivalent in any semester, the Attendance Officer will follow the attached procedure for addressing barriers to the student's attendance.

Commented [2]: The board may select any number of unexcused absences to trigger the meeting requirements.

When a student is absent more than twenty days per year or the hourly equivalent and any portion of the absences is unexcused, the Attendance Officer may/must file a report with the county attorney of the county in which the student resides. For example, if the student accumulates 23 days of excused absences due to documented illness and is tardy one time, the Attendance Officer may/must file a report with the appropriate county attorney.

Commented [3]: The board can require the attendance officer to report to the county attorney by changing "may" to "shall"

Making Up Absences (Optional – Remove or revise based on your District's practices.)

When a student receives [X] unexcused absences or the hourly equivalent in any semester, the student shall be required to make up those absences through attendance in [insert program]. Absences shall be made up at a rate of [insert rate.]

Option Enrollment

The board of education supports the concept embodied in the Enrollment Option Program that parents and legal guardians have the primary responsibility for ensuring that their children receive the best education possible. Accordingly, the school district will participate in the option enrollment program and receive option students as provided herein.

1. Definitions

a. Option Student Defined. Option student means a nonresident student who has chosen to attend the school district under the provisions of the option enrollment program.

b. Resident School District Defined. Resident school district means the school district in which a student resides or in which the student is admitted as a resident of the school district pursuant to state law.

c. Option School District Defined. Option school district means the school district that a student chooses to attend other than his or her resident school district.

d. Elementary School Defined. Elementary school means grades K - _____.

e. Middle School Defined. Middle school means grades _____ - _____.

f. High School Defined. High school means grades _____ through 12.

2. Persons Entitled to Apply for Option Enrollment of Students. Only parents and legal guardians may apply for option enrollment of students. Applications filed by foster parents and adults acting *in loco parentis* are not authorized and will be automatically denied.

3. Duties, Entitlements and Rights of Option Students. Except as otherwise provided herein, once an option student's option enrollment application has been accepted he/she shall be treated as a resident student of the school district.

4. Standards for Acceptance or Rejection of Option Students.

a. **Special Education Capacity.** Capacity for special education services will be determined on a case-by-case basis. If an application for option enrollment received by the school district indicates that the student has an individualized education program under the federal Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., or has been identified as a student with a disability as defined in section 79-1118.01, the application will be evaluated by the director of special education services or the director's designee who must determine if the school district and the appropriate class, grade level, or school building has the capacity to provide the applicant the appropriate services and accommodations. The Federal Educational Rights and Privacy Rights Act (FERPA) (20 U.S.C. § 1232g) permits the release of education records when a student seeks or intends to enroll in a different school district.

b. **Numeric Capacity**. The board of education may set the numeric capacity of programs, classes, grade levels, or school buildings by operation of this policy or through freestanding action by the board. Numeric Capacity will be determined based upon available staff, facilities, projected enrollment of resident students, and projected number of students with which the option school district will contract based on existing contractual arrangements. Individuals seeking information about the numeric capacity set by the board may contact the superintendent for a copy of that resolution.

c. **Programmatic Capacity.** In addition to the numeric capacity standards referred to above, the board may, by resolution, prior to October 15 of each school year, declare a program, a class, or a school unavailable for the next school year to option students due to lack of capacity. Individuals seeking information about the programs that have been declared to be unavailable due to lack of capacity may contact the superintendent for a copy of the board's resolution.

d. **Other Standards for Acceptance or Rejection of Option Enrollment Applications.** In addition to the numeric and programmatic capacity standards outlined above, the school district shall not accept an option student when acceptance of the student:

i. Would increase the operating costs of the school district, such as by requiring the hiring of new staff or contracting with outside entities to provide services to the student;
ii. Would require the procurement of new equipment, technology, or furnishings;
iii. Would cause or require the rearrangement of caseloads for staff and contracted professionals;
iv. Is reasonably deemed by appropriate school staff to pose a potential risk to the health or safety of students or staff;
v. May pose a risk of adversely affecting the quality of educational services being provided to resident students, as determined by appropriate school staff.

e. Prohibited Standards. The school district shall not base the decision to accept or reject an option student on the student's previous academic achievement, athletic or other extracurricular ability, disabling condition(s), proficiency in the English language, or previous disciplinary proceedings.

f. Order of Acceptance. If there are more option student applicants for any program, class, grade level or school building than can be accepted into such program, class, grade level or school building, applicants shall be accepted in the following order:

i. students with brothers or sisters attending the school district, either as resident students or as option students, shall be granted first priority;

ii. thereafter, option students shall be accepted into such program, class, grade level or school building in the order in which written applications were received by the school district.

g. Maximum Capacity Report. The school district will annually establish, publish, and report the capacity for each school building under the district's control pursuant to procedures, criteria, and deadlines established by the Nebraska Department of Education.

5. False or Misleading Option Applications. If, prior to the student's attendance as an option student, the school district discovers that a previously accepted option application contained false or substantively misleading information, the option application will be rejected.

6. Academic Credits and Graduation. The school district shall accept credits toward graduation that were awarded by another school district, and shall award a diploma to an option student if the student meets the graduation requirements of the school district.

7. Information Regarding Schools, Programs, Policies and Procedures. The school district, its officers and employees, shall make information about the school district and its schools, programs, policies and procedures available to all interested people.

8. Procedure for Students Optioning Into or Out of the School District.

a. The parent or legal guardian of any student desiring to option into or out of the school district shall submit a proper and timely application to the board of education and the other affected school district for enrollment during the following and subsequent school years. Any application requiring the approval of the school district shall be deemed submitted when the application is actually received in the school district's business office.

b. On or before April 1st, the school district shall notify the parent or legal guardian of any student who has submitted an application to option into the school district and the resident school district, in writing, whether the application is accepted or rejected. If an application is rejected, the reason for such rejection shall be stated in the notification. This written notice shall be sent via certified mail to the address listed on the option application.

9. Late Applications and Requests for Release

a. The board of education may refuse a request of a student seeking to option out of the school district when the option application is submitted after March 15th under the following conditions:

i. When the district has already entered into contracts with teaching staff for the following school year;

ii. When the district has already contracted for the performance of specific services for the student;

iii. When the release of the student would have a negative financial impact or loss of revenue for the district.

b. The board of education will approve late applications to option into the district under the following conditions:

i. When the resident district has released the student, or if the student is an option student at the time of such application and applying to become an option student at a subsequent option school district, a release approval from the option school district the student is attending at the time of such application;

ii. When the student's late enrollment into the district meets the standards for acceptance or rejection of option students contained elsewhere in this policy;

OR

b. The board of education will deny all applications to option into the district that are received by the district after March 15 of the school year prior to the student's requested enrollment.

c. The superintendent will notify parents or guardians who have submitted properly completed option applications after March 15th no later than 60 days following submission of the application of the board's acceptance or rejection of the application.

10. Students Who Do Not Need a Release from the Resident District

a. A student does not need to be released from his/her resident district or the option school district the student is attending at the time of application under the following circumstances:

i. When the student has relocated to a different resident school district after February 1

ii. When a student's option school district merges with another district effective after February 1

b. The school district shall accept or reject an application from a student under this paragraph using the criteria set forth in this policy and will accept or reject the application within forty-five days.

11. Cancellation of Option.

Students who option either into or out of the school district shall:

a. Attend the option school district until graduation or relocation/re-option in a different resident school district unless the student chooses to return to the resident school district, in which case the student's parent or legal guardian shall timely submit a cancellation form to the school board or board of education of the option school district and the resident school district for approval for the following year.

b. Attend an option school district for not less than one school year unless the student relocates to a different resident school district, completes requirements for graduation prior to the end the school year, transfers to a parochial or private school, or upon mutual agreement of the resident and option school districts cancels the enrollment option and returns to the resident school district.

[NOTE TO BE DELETED: THERE ARE THREE CHOICES FOR OPTION TRANSPORTATION BELOW; SELECT ONE AND DELETE THE OTHERS]

5005
Transportation

The school district will provide free transportation, partially provide free transportation, or pay an allowance for transportation in lieu of free transportation on each day school is in session to the students who reside in the district and qualify for transportation according to the district's transportation plan. The families of students who will not be provided transportation pursuant to the district's plan or who must drive students to a pick-up point will be reimbursed according to statute if they qualify for such reimbursement. Parents seeking mileage reimbursement must submit requests to the district on forms which may be obtained from the office of the Superintendent of Schools.

When a student who has been attending the district is placed into foster care, school district staff will collaborate with state and local child welfare agencies to determine whether transportation is required under state law when it is in the child's best interest that their school of origin be maintained. The district will only provide transportation to students placed in foster care when the responsible child welfare agency agrees to reimburse the school district for the cost of transportation or when transportation is otherwise required by law. The board designates the Superintendent of Schools as the initial point of contact for child welfare agency representatives to discuss transportation issues related to children in foster care.

Students who are homeless will be provided with transportation pursuant to Board Policy 5014.

The district will provide transportation to tuition students in accordance with the contract provisions, if any, for services from the contracting districts.

The use of buses for class parties, field trips, and similar purposes shall require the prior approval of the superintendent or appropriate principal.

[OPTION 1]. **Option Transportation**. The board of education does not provide transportation services or mileage reimbursement for option-enrolled students unless otherwise required by law

[OPTION 2] Option Transportation. The board of education provides transportation to option students only if (a) the option student lives on an existing bus route or (b) the option student makes arrangements to be picked up and dropped off at preexisting stops along an existing bus route. The district does not provide mileage reimbursement for option-enrolled students unless otherwise required by law.

[OPTION 3] Option Transportation. The board of education shall annually set the rate for transportation services for option-enrolled students. Such transportation may only be enacted if there is mutual agreement between the school district and the parent or legal guardian of the option student. If such agreement is reached, the stops at the option homestead will be recorded by the school vehicle operator and a billing fee will be assessed to the parent or legal guardian on an annual basis. If two or more option students from the same homestead use school transportation, the district will charge for each trip made. Under no circumstances will an option student(s) be provided school transportation to and from his/her homestead if the result of such transportation (1) necessitates the addition of a third bus route and/or (2) increases the time necessary to run the complete bus route beyond the limit of one hour.

If the option student resides within the distance of one mile of the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.____ per mile per stop.

If the option student resides a distance greater than one mile but less than or equal to two miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.____ for the first mile and $.____ for the additional mile per stop.

If the option student resides a distance greater than two miles but less than or equal to three miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.____ for the first two miles and $.____ for the additional mile, per stop.

If the option student resides a distance greater than three miles but less than or equal to four miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.____ for the first three miles and $.____ for the additional mile, per stop.

If the option student resides a distance greater than four miles but less than or equal to five miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ for the first four miles and $.___ for the additional mile, per stop.

For distances greater than five miles from the route used to reach a homestead which is a regular bus stop for a resident student, the same formula used to determine the above quoted rates will be used to determine the fee.

Students who qualify for free lunch may be entitled to transportation or mileage reimbursement pursuant to state law.

Pregnant or Parenting Students

The District will not discriminate in its education program or activity against any student based on the student's current, potential, or past pregnancy. Students who are pregnant or parenting are encouraged to continue participating in the district's educational and extracurricular programs.

I. Accommodations Regarding Attendance and Participation

A. Generally

Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting should notify their building principal as early as possible to discuss their educational programming. The building principal will work with the student to develop a plan to assist the student in participating in district curriculum and extra-curricular activities. Such a plan may include:

1. If the student cannot regularly attend classes, the provision of online courses;
2. The arrangement of meeting times with teachers;
3. If the student has not identified appropriate childcare, the identification of child care providers that meet statutory requirements for quality and care; and
4. All other curricular adjustments, modifications, and means of supplementing classroom attendance deemed appropriate by the school administrators including, but not limited to, modification of attendance policies.

B. Students with Disabilities

For students with disabilities who have an IEP or Section 504 plan, the administrators, student's parents or guardians, and student if appropriate will collaborate with the student's educational team to coordinate accommodations consistent with state and federal law. As permitted by law, students may be entitled to accommodations as a result of pregnancy.

C. Title IX

When a student, or a person with a legal right to act on a student's behalf, informs a District employee of the student's pregnancy or related conditions, the District will inform the student of the Title IX Coordinator's contact information. The employee will also inform the student that the Title IX Coordinator can coordinate actions to prevent sex discrimination and ensure the student's equal access to the District's education program or activity.

The District will make reasonable accommodations to the District's policies, practices, and procedures as necessary to prevent sex discrimination and ensure equal access to the District's education program or activity. The District will coordinate reasonable modifications based on the student's individualized need. The District will consult with the student when determining what reasonable modifications may be appropriate, and the student has the discretion to accept or decline the reasonable modifications offered by the District.

The District will allow the student to voluntarily access any separate and comparable portion of the District's education program or activity. The District will allow the student to voluntarily take a leave of absence from the District's education program or activity to cover, at a minimum, the period of time deemed medically necessary by the student's licensed healthcare provider. Upon the student's return, the student will be reinstated to the student's academic status, and as practicable, to the extracurricular status that the student held when the voluntary leave began.

II. Accommodations Regarding Lactation and Breastfeeding

A. Accommodations

1. In order to accommodate lactating and breastfeeding students, the district will provide reasonable opportunities to express breast milk or breastfeed in a place, other than a bathroom, which is shielded from view and free from intrusion from district students, employees, and the public.
2. Students who wish or need to express breast milk on a regular schedule will work with school administrators to create a schedule which

accommodates the student's needs while facilitating education to the maximum extent possible.

3. The district will provide a location for students to store expressed breast milk in or near the location designated for students to express milk to create the least amount of disruption to the student's participation in class or activities.

B. Educational Process

In order to prevent interference with the educational process, no student shall express breast milk within school classrooms or buses. Nothing in this policy limits the authority of the administration to impose consequences consistent with the Student Discipline Act and other state and federal law.

Student Discipline

Administrative and teaching personnel may take actions regarding student behavior, other than those specifically provided in this policy and the Student Discipline Act, which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but need not be limited to, counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. Disciplinary consequences may also include in-school suspension, Saturday School, and any other consequence authorized by law. District administrators may develop building-specific protocols for the imposition of student discipline.

Any disciplinary action taken by staff must be consistent with the requirements of other applicable laws, including but not limited to the IDEA, Section 504, and Title IX.

In this policy, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this policy shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or his or her parent or guardian.

Any student who is suspended or expelled from school pursuant to this policy may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

Pre-Kindergarten through Second Grade Students

Notwithstanding any other provision of this policy, an elementary school shall not suspend a student in pre-kindergarten through second grade unless the student brings a deadly weapon as defined in section 28-109 on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school

employee or his or her designee, or at a school-sponsored activity or athletic event. As an alternative to suspension, the school district may take any action authorized by law, including those provided in section 79-258.

Makeup Work for Suspended Students

Any student who is suspended must be given an opportunity to complete any classwork and homework missed during the period of suspension, including, but not limited to, examinations ("makeup work"). Any makeup work must be completed and turned in within 2 school days after completion of the suspension. This makeup guideline shall be provided to the student and a parent or guardian at the time of suspension. Suspended students may not be required to attend the school's alternative program for expelled students in order to complete classwork or homework.

Short-Term Suspension

The Principal may exclude students from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or,
2. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, that occur on or off school grounds, if such conduct interferes with school purposes or there is a connection between such conduct and school.

The following process applies to short-term suspension:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what he or she is accused of having done, be given an explanation of the evidence the authorities have, and be given an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary, not to exceed an additional 48 hours, following the suspension, the Principal will send a written statement to the student, and the student's parent or guardian, describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken. An

opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal ordering the short-term suspension before or at the time the student returns to school and shall document such effort in writing. The Principal shall determine who, in addition to the parent or guardian, is to attend the conference.

4. Students who are short-term suspended must be given the opportunity to complete classwork and homework missed during the period of suspension, including but not limited to examinations, as provided herein.

Emergency Exclusion

Students may be emergency excluded from school pursuant to the board's separate policy on emergency exclusion or state law.

Weapons and/or Firearms

Weapons. No student may possess, handle, or transmit any weapon while on school grounds, in a school vehicle, or at any school activity or event off school grounds except as permitted by this policy. ***Definition of Weapon.*** The term "weapon" means any object, device, instrument, material, or substance which is capable of causing injury in the manner it is used or intended to be used.

Firearms. No student may bring, possess, handle or transmit a firearm on school grounds, in a school owned vehicle, or at a school activity or event off school grounds, except as permitted by this policy. ***Definition of Firearm.*** The term "firearm, as defined in 18 U.S.C. 921, means any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or firearm silencer, or any destructive device (excluding an antique firearm).

Exceptions Regarding Firearms and Weapons. The only exceptions for a student to bring or possess a weapon, including a firearm, are as follows:

1. The issuance of firearms to or possession of firearms by members of the Reserve Officers Training Corps when training or
2. Firearms which may lawfully be possessed by the person receiving instruction under the immediate supervision of an adult instructor who may lawfully possess firearms.

Consequences - Firearm. Any student who brings a firearm, as that term is defined in 18 United States Code 921, to school will be expelled from school

for one calendar year. The superintendent of schools and the board of education shall have the authority to modify the expulsion requirement on a case-by-case basis.

Consequences – Weapon. State law and this policy provide that any student who violates this policy by knowingly bringing, possessing, handling or transmitting a weapon, other than a firearm, on school grounds, in a school owned vehicle, or at a school activity or event off school grounds may be suspended on a long-term basis, mandatorily reassigned, or expelled for the remainder of the school year in which the expulsion takes effect (if the misconduct occurs during the first semester) or the remainder of the second semester, summer school, and the first semester of the following school year (if the misconduct occurs during the second semester).

Confiscation of Firearms and Weapons. Administrative and teaching personnel are statutorily authorized, without a warrant, to confiscate any firearm or weapon possessed in violation of this policy. Any firearm that is confiscated by school personnel shall be delivered to a peace officer as soon as practicable. Such firearms are subject to being destroyed by law enforcement authorities.

Report to Law Enforcement Authorities. All school personnel are required to report any violation of this policy to a principal or the superintendent of schools. Pursuant to state and federal law, school personnel are required to report to law enforcement authorities when a student brings a firearm to school.

Long-Term Suspension

Students may be excluded by the Principal from school or any school function for a period of more than five school days but less than twenty school days (long-term suspension) for any conduct constituting grounds for expulsion as hereinafter set forth. The process for long-term suspension is set forth below.

Expulsion

1. **Meaning of Expulsion.** Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the

following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.

2. **Summer Review**. Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.
3. **Suspension of Enforcement of an Expulsion**: Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.
4. **Alternative School or Pre-expulsion Procedures.** The school shall either provide an alternative school, class or educational program for expelled students, or shall follow the pre-expulsion procedures outlined in NEB. REV. STAT. 79-266.
5. **Conclusion of Expulsion.** At the conclusion of an expulsion, the school district will reinstate the student and accept nonduplicative, grade-appropriate credits earned by the student during the term of expulsion from any Nebraska accredited institution or institution accredited by one of the six regional accrediting bodies in the United States.

4. Nothing in this policy shall preclude the student, student's parents, guardian or representative from discussing and settling the matter with appropriate school personnel prior to the time the long-term suspension, expulsion, or mandatory reassignment takes effect.
5. If a hearing is requested within five days after receipt of the notice, the Superintendent shall recommend appointment of a hearing examiner within two school days after receipt of the hearing request. The student or the student's parent or guardian may request designation of a hearing examiner other than the hearing examiner recommended by the superintendent if notice of the request is given to the superintendent within two school days after receipt of the superintendent's recommended appointment. 8. The principal or legal counsel for the school, the student, and the student's parent, guardian, or representative have the right to receive a copy of all records and written statements referred to in the Student Discipline Act as well as the statement of any witness in the possession

of the school board or board of education no later than forty-eight hours prior to the hearing.

9. If a hearing is requested more than five school days following the receipt of the written notice, but not more than thirty calendar days after receipt, the Superintendent shall appoint a hearing examiner. The hearing will be held according to the requirements of section 79-269. The student shall be entitled to a hearing but the consequence imposed may continue in effect pending final determination.
10. If a request for hearing is not received within thirty calendar days following the mailing or delivery of the written notice, the student shall not be entitled to a hearing.

In the event a hearing is requested, the hearing, hearing procedures, the student's rights and any appeals or judicial review permitted by law shall be governed by the applicable provisions of the Nebraska Student Discipline Act (NEB. REV. STAT. § 79-254 to 79-294).

The specially exempted fundraisers must not take place more than the frequency specified by NDE during such periods that schools are in session. No specially exempted fundraiser foods or beverages may be sold in competition with school meals in the food service area during the meal service.

d. Other Exemptions. The only other nutrition exemptions from the competitive food requirements are those found in 7 CFR § 210.11.
e. Other Limitations. No competitive food can be sold to children anywhere on school premises beginning one half hour before breakfast and/or lunch service until one half hour after meal service unless all proceeds earned during these time periods go to the school nutrition program.

Emergency Exclusion

Grounds for Emergency Exclusion. Any student may be excluded from school in the following circumstances subject to the procedural provisions governing short term suspension found elsewhere in these policies or state law:

(a) If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or

(b) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for up to five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be made according to the procedures set forth below.

Notification of Student's Parent(s) or Guardian(s). The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing. The notice shall include notice of a recommended hearing examiner and an alternate hearing examiner for consideration by the parent(s) or guardian(s) if a hearing is requested.

Opportunity to Request a Hearing. The student's parent(s) or guardian(s) may submit a request for a hearing on the proposed extension of the exclusion within one school day of receiving the notice of the proposed extension.

Failure to Request a Hearing. If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

Appointment and Qualifications of a Hearing Examiner. The parent(s) or guardian(s) shall notify the superintendent within one school day of receiving notice of the recommended extension and proposed hearing examiner and alternate hearing examiner if the alternate hearing examiner is preferred.

Hearing Examiner's Notice to Parent(s) or Guardian(s). The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within ten school days after the initial date of exclusion; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion. If a hearing is requested, the principal may determine in his or her sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.

Examination of Student's Records and Affidavits. Prior to the hearing, the student and his/her parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Attendance at Hearing. The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.

Student's Witness(es). The student and his/her parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

Right to Know Issues and Nature of Testimony. The student and his/her parent(s) or guardian(s) have the right to request in advance of the hearing

the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

Presence of Student and Witnesses at the Hearing. The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify. The school district shall make available to testify at the hearing any employee who is a witness to the matter upon request from the parent(s) or guardian(s).

Sworn or Affirmed Testimony. The principal or his or her designee shall present evidence supporting the recommended extension. Witnesses will give testimony under oath of affirmation, and may be questioned.

Hearing Examiner's Report and Recommendations. The hearing examiner shall prepare a report of his or her findings and recommendations, and forward the report to the superintendent.

Superintendent's Decision. The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. He or she shall have the decision delivered or sent by registered or certified mail to the student, student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

Reading Instruction and Intervention Services

The purpose of this policy is to facilitate reading instruction and intervention services to address student reading needs, including, but not limited to, dyslexia. It is the school district's goal that each student be able to read at or above grade level by third grade.

Effective Reading Teachers. It is the intent of the school district to employ teachers for kindergarten through third grade who are effective reading teachers as evidenced by (a) evaluations based on classroom observations and student improvement on reading assessments or (b) specialized training in reading improvement.

Reading Assessment. The school district will administer a reading assessment approved by the Nebraska Department of Education three times during the school year to all students in kindergarten through third grade. Exceptions to this requirement include:

- Any student receiving specialized instruction for limited English proficiency who has been receiving such instruction for less than two years;
- Any student receiving special education services for whom such assessment would conflict with the individualized education plan; and
- Any student receiving services under a plan pursuant to the requirements of section 504 of the federal Rehabilitation Act of 1973, 29 U.S.C. 794, or Title II of the federal Americans with Disabilities Act of 1990, 42 U.S.C. 12131 to 12165, as such acts and sections existed on January 1, 2018, for whom such assessment would conflict with such section 504 or Title II plan.

The first assessment for kindergarten students must occur within the first 45 calendar days that school is in session of each school year. For all other grades, the first assessment must occur within the first 30 calendar days that school in in session of each school year.

Diagnostic assessments used within a supplemental reading intervention program do not require Nebraska Department of Education approval.

Deficiency Identification. Any student in kindergarten through third grade performing below the threshold level as determined by the Nebraska Department of Education shall be identified as having a reading deficiency for purposes of the Nebraska Reading Improvement Act and this policy. A student who is identified as having a reading deficiency shall remain identified as having a reading deficiency until the student performs at or above the

threshold level on an approved reading assessment. Nothing in the Nebraska Reading Improvement Act or this policy shall prohibit a school district from identifying any other student as having a reading deficiency.

Supplemental Reading Intervention Program. The school district will provide a supplemental reading intervention program to ensure that students can read at or above grade level at the end of third grade. The school district may work collaboratively with a reading specialist at the Nebraska Department of Education, with educational service units, with learning communities, or through interlocal agreements to develop and provide such supplemental reading intervention programs. Each supplemental reading intervention program must be:

- Provided to any student identified as having a reading deficiency;
- Implemented during regular school hours in addition to regularly scheduled reading instruction unless otherwise agreed to by a parent or guardian; and
- Made available as a summer reading program between each summer for any student who has been enrolled in grade one, grade two, or grade three or in a higher grade and is identified as continuing to have a reading deficiency at the conclusion of the school year preceding such summer reading program. The summer reading program may be held in conjunction with existing summer programs in the school district or in a community reading program not affiliated with the school district or offered online.

The supplemental reading intervention program may also include:

- Reading intervention practices that are evidence-based;
- Diagnostic assessments to identify specific skill-based strengths and weaknesses a student may have;
- Frequent monitoring of student progress throughout the school year with instruction adjusted accordingly;
- Intensive intervention using strategies selected from the following list to match the weaknesses identified in the diagnostic assessment:
    - Development in phonemic awareness, phonics, fluency, vocabulary, and reading comprehension;
    - Explicit and systematic instruction with detailed explanations, extensive opportunities for guided practice, and opportunities for error corrections and feedback; or
    - Daily targeted individual or small-group reading intervention based on student needs as determined by diagnostic assessment data subject to planned extracurricular school activities;

- Strategies and resources to assist with reading skills at home, including parent-training workshops and suggestions for parent-guided home reading; or
- Access to before-school or after-school supplemental reading intervention with a teacher or tutor who has specialized training in reading intervention.

Parent/Guardian Notification. The school will give notice in writing or by electronic communication to the parent(s) or guardian(s) of any student identified as having a reading deficiency within 15 working days of such identification that the student has been identified as having a reading deficiency and that an individual reading improvement plan will be established and shared with the parents or guardians.

Reading Improvement Plan. Any student who is identified as having a reading deficiency will receive an individualized reading improvement plan, that shall include a supplemental reading intervention program, no later than 30 days after the identification of the reading deficiency. The reading improvement plan may be created by the teacher, the principal, other pertinent school personnel, and the parents or guardians of the student and shall describe the reading intervention services the student will receive through the supplemental reading intervention program to remedy the reading deficiency. The student must receive reading intervention services through the supplemental reading intervention program until the student is no longer identified as having a reading deficiency.

Reading Progress. Each student in kindergarten through third grade and his or her parent(s) or guardian(s) will be informed of the student's reading progress within a reasonable time after the school district receives the results from the student's approved reading assessment.

NDE Professional Learning System. The Nebraska Department of Education provides a professional learning system. The elementary school(s) and early childhood education programs approved by the State Board of Education will ensure that teachers who teach children from four years of age through third grade are aware of the professional learning system and are adequately trained regarding evidence-based reading instruction to effectively instruct students in reading.

NDE Report. On or before July 1 of each year, the school district will provide the required information relating to dyslexia to the Nebraska Department of Education.

Repeat of Grade at Parent-Guardian Request

Parents and guardians may request that their student repeat a grade level under the following conditions:

Students in Kindergarten through Fourth Grade

Parents and guardians of students in kindergarten through fourth grade may request that their student repeat the grade level that the student has just completed under the following conditions:

1) If the student is at least one year below grade level and behind the child's typically developing peers in reading, English, and language arts such that the child does not possess the necessary academic skills required to succeed in reading, English, and language arts at grade level for the next grade to which the student would otherwise advance; or
2) If the student was absent fifty percent or more of the days in which school was in session for students during the school year which the student has just completed; or
3) If the student experienced a severe mental or physical illness resulting in hospitalization of two or more weeks during the school year.

Students in Fifth through Twelfth Grade

Parents and guardians of students in fifth through twelfth grade may request that their student repeat the grade level that the student has just completed if the student was absent fifty percent or more of the days in which school was in session for students during the school year which the student has just completed.

Procedure for Parent Requests for Student Grade Repetition

Parents and guardians who seek to have their student repeat the grade level just completed must submit a written request to the student's building principal no earlier than the day after the last scheduled student attendance day of the school year, and no later than two weeks after that date. This deadline may be waived by the superintendent for good cause shown. The request must include written documentation the provides evidence that the parents or guardians believe substantiate that the conditions outlined above have been met.

The principal shall promptly forward the request to the superintendent or his/her designee, along with any building-level information about the student which the principal believes will be relevant to the superintendent or designee in responding to the parents' or guardian's request.

The superintendent or designee shall review the request and promptly schedule a meeting with the parents or guardians. At this meeting, the superintendent or designee shall identify any alternative educational opportunities available to the student, including remedial instruction if applicable, and verify any special education supports available to the student. If the child's parent or guardian still intends to have such child repeat a grade, the parent or guardian shall complete a form prescribed by the Nebraska Department of Education and return the form to the office of the superintendent of schools.

Upon completion of the form and if all requirements pursuant to this policy are met, the school district shall have the child repeat the child's grade for the next school year.

Nothing in this policy modifies the school district's policies on mandatory attendance and reporting excessive absenteeism to the county attorney or other members of law enforcement. Likewise, nothing in this policy shall dictate or direct the provision of special education or related services, including but not limited to any IEP team decision about the appropriate educational placement of a child with a disability under Rule 51 of the Nebraska Department of Education.

Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies ~~to board members, patrons, students and school staff,~~ to complaints unless the ~~staff member~~complaint is subject to a different ~~grievance~~ procedure ~~pursuant~~ required by law,~~to~~ policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When ~~such~~ those efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth in any specific policy addressing those areas or the procedures set forth below. ~~Students and employees who believe they have been subjected to sex harassment in violation of Title IX should refer to the board's policy titled "Title IX."~~Allegations of sex discrimination covered by Title IX will be addressed through the board's Title IX policy.

References to "coordinator" in this policy refer to the board-designated coordinator for the applicable area, such as the Section 504 Coordinator for allegations of disability-based discrimination.

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process.

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant reasonably believes speaking directly to the person would subject complainant or complainant's student to discrimination or harassment.

2. The second step is for the complainant to speak to the building principal, ~~Title IX/504~~ coordinator, superintendent of schools, or president of the board of education, as set forth below. Anyone with questions about the appropriate person to speak with may request clarification from the superintendent.

a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.

b) Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.

c) Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.

d) Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may also be submitted~~,~~ at any time during the complaint procedure to the ~~School District's Title IX/504~~applicable coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.

3. When a complainant submits a complaint to an administrator or ~~to the Title IX/504~~ coordinator, the administrator or ~~Title IX/504~~ coordinator shall first determine whether another applicable procedure is required by policy or law and if so, direct the complaint to the appropriate person to follow that procedure. If not, the administrator or coordinator will promptly and thoroughly investigate the complaint, and shall:

a) Determine whether the complainant has discussed the matter with the ~~staff member~~ respondent ~~involved~~.

1) If the complainant has not, ~~the administrator or Title IX/504 coordinator will~~ urge the complainant to discuss the matter directly with ~~that staff member~~the respondent, if appropriate.

2) If the complainant refuses to discuss the matter with the ~~staff member~~respondent, the administrator or ~~Title IX/504~~ coordinator shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.

b) Strongly encourage the complainant to reduce his or her concerns to writing.

c) Interview the complainant and, if necessary, the respondent against whom the complaint is filed, to determine:

1) All relevant details of the complaint;

2) All witnesses and documents which the complainant believes support the complaint;

3) The action or solution which the complainant seeks.

d) Respond to the complainant. If the complaint ~~involved~~ involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the administrator or ~~Title IX/504~~ coordinator ~~received~~ receives the complaint.

4. If either the complainant or the ~~accused party~~respondent is not satisfied with the ~~administrator's or the Title IX/504 coordinator's~~ decision ~~regarding a complaint~~ her or she may appeal the decision to the superintendent. The superintendent may assign a qualified designee to hear any appeal. This provision applies to appeals under the board's policies governing complaints of discrimination or harassment, including Title IX and any other policy with a separate grievance or complaint procedure, unless that other procedure includes its own appeal process. All requirements for appeals within any other policy apply, and in addition to those requirements, the following also apply.

a) ~~This~~ The appeal must be in writing.

b) This appeal must be received by the superintendent no later than ~~ten~~ three (~~10~~3) calendar days from the date ~~the administrator or Title IX/504 coordinator communicated his/her decision to the complainant~~of the decision.

c) ~~The~~ For complaints addressed through other applicable procedures that do not include a separate investigatory process, the superintendent will investigate as he or she deems appropriate. ~~However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated~~.

d) ~~Upon completion of this investigation, the~~The superintendent will prepare a written decision and ~~inform~~ provide it to the complainant and any other person entitled by law to receive the appeal decision ~~in writing of his or her decision~~. ~~If the complaint involved discrimination or harassment~~For complaints involving discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal. Appeals to the superintendent from complaints involving discrimination or harassment are final once the superintendent delivers the written decision, as are all other appeals/complaints to the superintendent unless the complaint can be appealed on the limited grounds to appeal to the board below.

5. The board's role is to set policy, establish and implement a budget, and evaluate the superintendent. The board does not manage the daily operations of the school district entrusted to its administration unless required by law or policy. Because of the board's statutory roles, it does not hear complaints or appeals that may involve oversight or discipline of students, staff, or others, unless those involve the superintendent as discussed below. The board does not hear complaints or appeals based on allegations of discrimination or harassment unless otherwise required by law. The board will hear appeals only in the following circumstances:
   a) When the complaint is about a board policy, not implementation of the policy;
   b) When the complaint involves the budget or school expenditures that have been or must be approved by the board; or
   c) When the board is required by law, policy, or contract to hear a complaint or appeal.

~~5.~~ ~~If either the complainant or the accused~~If a complaint involves those limited grounds and a party is not satisfied with the superintendent's decision regarding ~~a~~ the complaint or appeal, he or she may appeal the decision to the board.

~~a)~~d) This appeal must be in writing.

~~b)~~e) This appeal must be received by the board president no later than ten (10) calendar days from the date the

superintendent communicated his/her decision to the complainant.

~~c)~~f) This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment allegations against the superintendent shall be promptly and thoroughly investigated by the board president or a designee.

~~d)~~g) The board president will notify the complainant and any other person legally required to receive the decision in writing of its decision. If the complaint ~~involved~~ involves discrimination or harassment allegations against the Superintendent, the board president shall submit ~~its~~ the decision within 180 calendar days after ~~it received~~receiving ~~complainant's~~ the written appeal.

~~e)~~h) There is no appeal from any decision of the board unless authorized by law.

6. ~~When a formal complaint about the superintendent of schools has been~~Formal complaints about the superintendent shall be filed with the president of the board.~~,~~ However, complaints about the superintendent do not include disagreement with the superintendent's decision on appeal based on a complaint of discrimination, harassment, or action of any other employee who is not the superintendent. Upon receipt of a complaint, the board president or his or her designee shall promptly and thoroughly investigate the complaint, and shall:

a) Coordinate with school district staff, other than the superintendent, to determine if another procedure in policy or law requires the complaint against the superintendent to follow another procedure. If so, the board president will coordinate handling the complaint through that procedure. If another procedure applies, such as in the case of allegations of sex discrimination against the superintendent, the board president or, at his or her discretion, the full board will serve only to hear any appeal by a party to the complaint.

~~a)~~b) Determine whether the complainant has discussed the matter with the superintendent.

1) If the complainant has not, the board president or designee will urge or require the complainant to discuss the matter directly with the superintendent, if appropriate or required.

2) If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.

~~b) Strongly encourage the complainant to reduce his or her concerns to writing.~~

c) Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting by the full board.

d) Respond to the complainant or appeal. If the complaint or appeal ~~involved~~ involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the president received the complaint.

~~d)~~e) Appoint or contract with other individuals qualified to assist the board through this process or any other applicable procedure used to address allegations against the superintendent.

No Retaliation. The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Special Rules Regarding Educational Services and Related Services to Students with Disabilities. Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by the school district. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided a student with a disability, including but not limited to services provided to a student with

an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to the school district's Director of Special Education. The Director of Special Education will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided a student with a disability pursuant to a Section 504 plan must be submitted to the school district's 504 Coordinator. The 504 Coordinator will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student who is suspected of having a disability must be submitted in writing to the school district's Director of Special Education or to the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a disability or will provide prior written notice of the district's refusal to do so.

Bad Faith or Serial Filings. The purpose of the complaint procedure is to resolve complaints at the lowest level possible within the chain of command. The District will also comply with the requirements of the public lettings laws (NEB. REV. STAT. §§ 73-101 through 73-106) when the contemplated expenditure for the complete project exceeds $109,000, the Political Subdivisions Construction Alternatives Act (NEB. REV. II. All projects undertaken pursuant to this policy will be subject to the following bond requirements

A. A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified.

B. A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

C. A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with

a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

III. Construction Projects with an Anticipated Cost of Under $250,000

A. Methods of Bidding/Soliciting Quotations or Estimates

The type of procedures required depends on the anticipated cost of the project.

1. Construction with an Anticipated Cost of up to $10,000 (Micro-Purchases)

Micro-purchase means an individual procurement transaction for ~~purchase of~~ supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed $10,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing.

2. Construction with an Anticipated Cost of between $10,000 and $250,000 (~~Small Purchase~~Simplified Acquisition Procedures)

For construction projects subject to this policy, ~~small purchases~~simplified acquisitions are purchases that, in the aggregate amount, is more than $10,000 and less than $250,000 annually. 2. The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;

3. Sealed bids will be publicly opened in a place and at the specific time stated in the bid solicitation. Bidders shall be notified of the opening and invited to be present.

4. The contract will be awarded to the lowest responsive and responsible bidder.

a) Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest.

b) Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of.

c) Any or all bids may be rejected if there is a sound documented reason.

5. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the

lowest, responsible, and responsive bidder whose bid meets the bid specifications. This means that the board will select the bid that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on the work, its equipment and facilities, honesty, integrity, skills, business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.

6. The board will generally complete its review of bids and select a vendor within 30 days of bid submission.

B. Advertising for Bids.

1. The superintendent or designee will arrange to advertise for bids by publishing notice in any newspaper of general circulation within the school district at least 7 calendar days prior to the date on which bids are due.

2. Nothing shall prevent the superintendent or designee from advertising in additional media outlets or for a longer period of time.

C. Bid Documents

1. The bid documents shall identify the day upon which the bids shall be returned, received, or opened and shall identify the hour at which the bids will close or be received or opened.

2. The bid documents shall also provide that such bids shall be opened simultaneously in the presence of the bidders or their representatives.

3. Bids received after the date and time specified in the bid documents shall be returned to the bidder unopened.

4. If bids are being opened on more than one contract, the board, in its discretion, may award each contract as the bids are opened.

5. Sealed bids will be opened in a place and at the specific time stated in the bid solicitation. Bidders shall be notified of the opening and invited to be present.

6. Bids will be reviewed by the Superintendent and/or designee

and submitted to the board for approval.

7. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the lowest, responsible, and responsive bidder whose bid meets the bid specifications. This means that the board will select the bid that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on the work, its equipment and facilities, honesty, integrity, skills, business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.

8. The board will generally complete its review of bids and select a vendor within 30 days of bid submission.

D. The terms of any construction project undertaken pursuant to this policy will be memorialized in a written contract which has been reviewed by the district's legal counsel and approved by the board.

V. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.3226 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. This includes a "Buy American" provision that provides that as appropriate and to the extent consistent with law, the District and contractor should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of the Buy American provision must be included in all subawards including all contracts and purchase orders for work or products under this award.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms are used when possible and consistent with state law.

To the maximum extent practicable, the school food program shall purchase domestic commodities or products produced in the U.S. or processed in the

U.S. substantially using agricultural commodities produced in the U.S.

C. Full and Open Competition

The district's procurement transactions will be conducted in a manner providing full and open competition consistent with 2 C.F.R §200.319.

D. Debarment and Suspension

The District awards contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, ~~compliance with~~ public policy~~,~~ compliance, proper classification of employees (see the Fair Labor Standards Act, 29 U.S.C. 201, chapter 8), record of past performance, and financial and technical resources when conducting a procurement transaction.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over $25,000 the District verifies that the vendor with whom the District intends to do business with is not excluded or disqualified. 2 C.F.R. Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by revising the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

E. Settlements of Issues Arising Out of Contract

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

F. Record Keeping

1. Record Retention

a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and §§ 75.730-.731. The District also maintains records of significant project experiences and results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.

b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding construction projects for a minimum of five (5) years after the sale or demolition of the building. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Construction Records for Projects Financed with Federal Funds

a) The District must maintain records sufficient to detail the history of all construction projects financed with federal funds. These records will include, but are not necessarily limited to the following: rationale for the method of construction, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.

b) Retention of construction records shall be in accordance with applicable law and Board policy.

VI. Conflict of Interest and Code of Conduct

A. Board and staff member conflicts of interest are governed by the district's conflict of interest policies.

B. Contracts covered by this policy are subject to the following additional provisions.

1. Employees, officers, and agents engaged in the selection, award, and/or administration of district contracts which are prohibited from engaging in such actions if a real or apparent conflict of interest is present.

2. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

3. The board may determine at its discretion that a financial interest is not substantial enough to give rise to a conflict of interest.

C. Favors and Gifts

~~The officers, employees, and agents~~An employee, officer, agent, and board member of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts, with the limited exception of unsolicited items of nominal value.

D. Enforcement

Disciplinary Actions will be applied for violations of such standards by officers, employees, board members, or agents of the District at the board's discretion.

VII. Financial Management

A. Identification.

The District will identify, in its accounts, all federal awards received and expended and the federal programs under which they were received. Federal program and award identification include, as applicable, the CFDA title and number, federal award identification number and year, name of the federal agency, and, if applicable, name of the pass-through entity.

B. Financial Reporting

The District will make an accurate, current, and complete disclosure of the financial results of each federal award or program in accordance with the financial reporting requirements set forth in the Education Department General Administrative Regulations (EDGAR).

C. Accounting Records

The District maintains records which adequately identify the source and application of funds provided for federally-assisted activities. These records must contain information pertaining to grant or subgrant awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation.

D. Internal Controls

The Superintendent or his/her designee must maintain effective control and accountability for all funds, real and personal property, and other assets through board review and approval of claims, an annual audit of the district's finances pursuant to the applicable Nebraska Department of Education and federal rules and regulations, and comparison of expenditures and outlays to budgeted amounts. The District adequately safeguards all such property and assures that it is used solely for authorized purposes.

E. Budget Control

Actual expenditures or outlays will be compared with budgeted amounts for each federal award at least annually and more often as required by law or deemed prudent by the board or administrative staff.

F. Payment Methods

The District will comply with applicable methods and procedures for payment that minimize the time elapsing between the transfer of funds and

disbursement by the District, in accordance with the Cash Management Improvement Act at 31 CFR Part 205. Generally, the District receives payment from the Nebraska Department of Education on a reimbursement basis. 2 CFR § 200.305. However, if the District receives an advance in federal grant funds, the District will remit interest earned on the advanced payment quarterly to the federal agency. The District may retain interest amounts up to $500 per year for administrative expenses. 2 CFR § 200.305(b)(9).

Consistent with state and federal requirements, the District will maintain source documentation supporting the federal expenditures (invoices, time sheets, payroll stubs, etc.) and will make such documentation available for the Nebraska Department of Education to review upon request.

G. Allowability of Costs

Expenditures must be aligned with approved budgeted items. Any changes or variations from the state-approved budget and grant application need prior approval.

When determining how the District will spend its grant funds, the Superintendent or his/her designee will review the proposed cost to determine whether it is an allowable use of federal grant funds before obligating and spending those funds on the proposed good or service. All costs supported by federal education funds must meet the standards outlined in EDGAR, 2 CFR Part 3474 and 2 CFR Part. The Superintendent or his/her designee must consider these factors when making an allowability determination.

The Superintendent or his/her designee will consider Part 200's cost guidelines when federal grant funds are expended. The Superintendent or his/her designee will also consider whether all state - and District-level requirements and policies regarding expenditures have been followed.

H. Use of Program Income – Deduction, Addition, or Cost Sharing or Matching

The default method for the use of program income for the District is the deduction method. 2 C.F.R. § 200.307(e). Under the deduction method, program income is deducted from total allowable costs to determine the net allowable costs. Program income will only be used for current costs unless the District is otherwise directed by the federal awarding agency or pass-through entity. 2 C.F.R. § 200.307(e)(1). The District may also request prior approval from the federal awarding agency to use the addition method. Under the addition method, program income may be added to the Federal award by

the Federal agency and the non-Federal entity. The program income must then be used for the purposes and under the conditions of the Federal award. 2 C.F.R. § 200.307(e)(2). The District may also request prior approval from the federal awarding agency to use the cost sharing or matching method.

While the deduction method is the default method, the District always refers to the grant award notice prior to determining the appropriate use of program income.

I. Cost Sharing or Matching

For all Federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the non-Federal entity's cost sharing or matching when such contributions meet all of the following criteria:

(1) Are verifiable from the non-Federal entity's records;
(2) Are not included as contributions for any other Federal award;
(3) Are necessary and reasonable for accomplishment of project or program objectives;
(4) Are allowable under subpart E (Cost Principles) of this part;
(5) Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;
(6) Are provided for in the approved budget when required by the Federal awarding agency; and
(7) Conform to other provisions of this part, as applicable.

J. Documentation of Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VIII. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.326 and described in Appendix II to Part 200—

Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms are used when possible consistent with state law.

To the maximum extent practicable, the school food program shall purchase domestic commodities or products produced in US or processed in US substantially using agricultural commodities produced in US.

C. Record Keeping

1. Record Retention

a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and §§ 75.730-.731. The District also maintains records of significant project experiences and results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.

b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding federal awards for a minimum of six (6) years. Consequently, the District shall retain records for a minimum of six (6) years from the date on which the final Financial Status Report is submitted, unless otherwise notified in writing to extend the retention period by the awarding agency, cognizant agency for audit,

oversight agency for audit, or cognizant agency for indirect costs. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Procurement Records

a) The District must maintain records sufficient to detail the history of all procurements. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.

b) Retention of procurement records shall be in accordance with applicable law and Board policy.

D. Privacy

The District has protections in place to ensure that the personal information of both students and employees is protected. These include the use of passwords that are changed on a regular basis; staff training on the requirements of the Family Educational Rights and Privacy Act (FERPA) and State confidentiality requirements; and training on identifying whether an individual requesting access to records has the right to the documentation.

Fiscal Management for Purchasing and Procurement Using Federal Funds

I. Applicability of Policy

This policy applies only to non-construction related purchases undertaken with federal funds which are subject to the federal Uniform Grant Guidance (UGG) and other applicable federal law, including but not limited to the Education Department and General Administration Regulations (EDGAR) and the United States Department of Agriculture (USDA) regulations governing school food service programs. In the event this policy conflicts or is otherwise inconsistent with mandatory provisions of the UGG, EDGAR or other applicable federal law, the mandatory provisions of the laws shall control.

All other non-construction purchases will be governed by the Board's general purchasing policy, which can be found earlier in this subsection. In the event of a conflict between state and federal law, the more stringent requirement shall apply.

This procurement policy shall govern all purchasing activities that relate to any aspect of the National School Lunch and Breakfast Programs. The district's goal is to fully implement all required procurement rules, regulations and policies set forth in 2 CFR 200, 7 CFR parts 210, 3016 and 3019, and by the Nebraska Department of Education.

II. Procurement System

The District maintains the following purchasing procedures.

A. Responsibility for Purchasing

The authority to make purchases shall be governed by the District's purchasing policy, which can be found elsewhere in this section. Except as otherwise provided in the District's purchasing policy, the acquisition of services, equipment, and supplies shall be centralized in the administration office under the supervision of the superintendent of schools, who shall be responsible for developing and administering the purchasing program of the school district. Purchases or commitments of district funds that are not authorized by this policy will be the responsibility of the person making the commitment.

B. Methods of Purchasing

The type of purchase procedures required depends on the cost of the item(s) being purchased.

1. Purchases up to $10,000 (Micro-Purchases)

Micro-purchase means an individual procurement transaction for ~~purchase of~~ supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed $10,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing, which can be found earlier in this subsection.

2. Purchases between $10,000 and $250,000 (~~Small Purchase~~Simplified Acquisition Procedures)

~~Small purchases~~Simplified acquisitions are purchases that, in the aggregate amount, ~~is~~ are more than $10,000 and less than $250,000 annually. ~~For~~ For simplified acquisitions ~~small purchases~~, price or rate quotes shall be obtained in advance from a reasonable number of qualified sources as detailed in the district's standard policies on purchasing and on bid letting and contracts, which can be found earlier in this subsection.

3. Purchases Over $250,000

a) Sealed Bids (Formal Advertising)

For purchases over $250,000, the district will generally follow the bidding process outlined in the board's policy on Bidding for Construction, Remodeling, Repair or Site Improvement.

b) Contract/Price Analysis

The District performs a cost or price analysis in connection with every procurement action in excess of $250,000, including contract modifications. The district will make an independent estimate of costs prior to receiving bids or proposals.

4. **Noncompetitive Proposals (Sole Sourcing)**

a) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

1) The procurement transaction can only be fulfilled by ~~item is available only from~~ a single source;

2) The public exigency or emergency for the requirement will not permit a delay resulting from providing public notice of a competitive solicitation;

3) The federal awarding agency or pass-through entity expressly authorizes written approval of noncompetitive proposals in response to a written request from the District; or

4) After solicitation of a number of sources, competition is determined inadequate.

b) Noncompetitive proposals may only be solicited with the approval of the superintendent or the board. Sufficient and appropriate documentation that justifies the sole sourcing decision must be maintained by the superintendent or designee.

c) A cost or price analysis will be performed for noncompetitive proposals when the price exceeds $250,000.

5. **Competitive Proposals.**

a) The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

1) Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered ~~to the maximum extent practical~~;

2) Proposals must be solicited from an adequate number of qualified sources; and

3) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered.

b) The District may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used to procure ~~in procurement of~~ A/E professional services. ~~It cannot~~The method may not be used to purchase other ~~types of~~ services ~~though~~ provided by A/E firms are a potential source to perform the proposed effort.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over $25,000 the District verifies that the vendor with whom the District intends to do business with is not excluded or disqualified. 2 C.F.R. Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by revising the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

F. Settlements of Issues Arising Out of Procurements

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

III. Conflict of Interest and Code of Conduct

A. Board and staff member conflicts of interest are governed by the district's conflict of interest policies.

B. Purchases covered by this policy are subject to the following additional provisions.

1. Employees, officers, and agents engaged in the selection, award, and/or administration of district contracts which are prohibited from engaging in such actions if a real or apparent conflict of interest is present.

2. D. Enforcement

Disciplinary Actions including, but not limited to, counseling, oral reprimand, written reprimand, suspensions without pay, or termination of employment, will be applied for violations of such standards by officers, employees, board members, or agents of the District.

A. Property Classifications

1. Equipment means tangible personal property (including information technology systems) having a useful life of more

than one year and a per-unit acquisition cost ~~which~~ that equals or exceeds the lesser of the capitalization level established by the District for financial statement purposes, or $10~~5~~,000.

2. Supplies means all tangible personal property other than those described in §200.33 Equipment. A computing device is a supply if the acquisition cost is less than the lesser of the capitalization level established by the District for financial statement purposes or $5,000, regardless of the length of its useful life. 2 C.F.R. §200.94.

3. Computing Devices means machines ~~used to~~that acquire, store, analyze, process, and publish data and other information electronically, including accessories (or "peripherals") for printing, transmitting and receiving, or storing electronic information. 2 C.F.R. §200.20.

10. Location, use and condition of the property; and
11. Any ultimate disposition data including the date of disposal and sale price of the property.

The inventory list shall be adjusted by the superintendent of schools or his/her designee for property that is sold, lost, stolen, cannot be repaired, or that cannot be located.

D. Physical Inventory

1. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

2. The Superintendent or his/her designee will ensure that the physical inventory is performed. The physical inventory will generally occur during the months of June or July, but may be conducted during other time periods with the approval of the superintendent.

E. Maintenance

In accordance with 2 C.F.R. 313(d)(4), the District maintains adequate maintenance procedures to ensure that property is kept in good condition.

F. Lost or Stolen Items

The District maintains a control system that ensures adequate safeguards are in place to prevent loss, damage, or theft of the property. The District will

notify the Federal agency or pass-through entity of any loss, damage, or theft of equipment that will have an impact on the program.

G. Use of Equipment

Equipment must be used in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by the federal award, and the District will not encumber the property for any non-federal program use without prior approval of the federal awarding agency and the pass-through entity.

H. Disposal of Equipment

When it is determined that ~~original or replacement~~ equipment acquired under a federal award is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, the Superintendent or his/her designee will contact the awarding agency (or pass-through for a state-administered grant) for disposition instructions.

If the item has a current ~~FMV~~ fair market value of $10~~5~~,000 or less, it may be retained, sold, or otherwise disposed of with no further obligation to the federal awarding agency or pass-through entity.

I. Equipment Retention

When included in the terms and conditions of the Federal award, the Federal agency may permit the recipient to retain equipment, or authorize a pass-through entity to permit the recipient to retain equipment, with no further obligation to the Federal Government unless prohibited by Federal statute or regulation.

~~I.~~J. Equipment and Capital Expenditures

All equipment and capital expenditures shall comply with the rules and requirements of 2 CFR 200.439.

~~J.~~K. Depreciation

All depreciation shall comply with the rules and requirements of 2 CFR 200.436.

V. Financial Management

A. Identification

The District will identify, in its accounts, all federal awards received and expended and the federal programs under which they were received. Federal program and award identification include, as applicable, the CFDA title and number, federal award identification number and year, name of the federal agency, and, if applicable, name of the pass-through entity.

B. Financial Reporting

The District will make an accurate, current, and complete disclosure of the financial results of each federal award or program in accordance with the financial reporting requirements set forth in the Education Department General Administrative Regulations (EDGAR).

C. Accounting Records

The District maintains records which adequately identify the source and application of funds provided for federally-assisted activities. These records must contain information pertaining to grant or subgrant awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation.

D. Internal Controls

The Superintendent or his/her designee must maintain effective control and accountability for all funds, real and personal property, and other assets through board review and approval of claims, an annual audit of the district's finances pursuant to the applicable Nebraska Department of Education and federal rules and regulations, and comparison of expenditures and outlays to budgeted amounts. The District adequately safeguards all such property and assures that it is used solely for authorized purposes.

E. Budget Control

Actual expenditures or outlays will be compared with budgeted amounts for each federal award at least annually and more often as required by law or deemed prudent by the board or administrative staff.

F. Payment Methods

The District will comply with applicable methods and procedures for payment that minimize the time elapsing between the transfer of funds and disbursement by the District, in accordance with the Cash Management

Improvement Act at 31 CFR Part 205. Generally, the District receives payment from the Nebraska Department of Education on a reimbursement basis. 2 CFR § 200.305. However, if the District receives an advance in federal grant funds, the District will remit interest earned on the advanced payment quarterly to the federal agency. The District may retain interest amounts up to $500 per year for administrative expenses. 2 CFR § 200.305(b)(9).

Consistent with state and federal requirements, the District will maintain source documentation supporting the federal expenditures (invoices, time sheets, payroll stubs, etc.) and will make such documentation available for the Nebraska Department of Education to review upon request.

G. Allowability of Costs

Expenditures must be aligned with approved budgeted items. Any changes or variations from the state-approved budget and grant application need prior approval.

When determining how the District will spend its grant funds, the Superintendent or his/her designee will review the proposed cost to determine whether it is an allowable use of federal grant funds before obligating and spending those funds on the proposed good or service. All costs supported by federal education funds must meet the standards outlined in EDGAR, 2 CFR Part 3474 and 2 CFR Part. The Superintendent or his/her designee must consider these factors when making an allowability determination.

The Superintendent or his/her designee will consider Part 200's cost guidelines when federal grant funds are expended. The Superintendent or his/her designee will also consider whether all state - and District-level requirements and policies regarding expenditures have been followed.

H. Use of Program Income – Deduction, Addition, or Cost Sharing or Matching

The default method for the use of program income for the District is the deduction method. 2 C.F.R. § 200.307(e). Under the deduction method, program income is deducted from total allowable costs to determine the net allowable costs. Program income will only be used for current costs unless the District is otherwise directed by the federal awarding agency or pass-through entity. 2 C.F.R. § 200.307(e)(1). The District may also request prior approval from the federal awarding agency to use the addition method. Under the addition method, program income may be added to the Federal award by the Federal agency and the non-Federal entity. The program income must then be used for the purposes and under the conditions of the Federal award.

2 C.F.R. § 200.307(e)(2). The District may also request prior approval from the federal awarding agency to use the cost sharing or matching method.

While the deduction method is the default method, the District always refers to the grant award notice prior to determining the appropriate use of program income.

I. Cost Sharing or Matching

For all Federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the non-Federal entity's cost sharing or matching when such contributions meet all of the following criteria:

(1) Are verifiable from the non-Federal entity's records;
(2) Are not included as contributions for any other Federal award;
(3) Are necessary and reasonable for accomplishment of project or program objectives;
(4) Are allowable under subpart E (Cost Principles) of this part;
(5) Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;
(6) Are provided for in the approved budget when required by the Federal awarding agency; and
(7) Conform to other provisions of this part, as applicable.

J. Documentation of Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VI. Written Compensation Policies

A. Time and Effort Standards

All employees who are paid in full or in part with federal funds must keep specific documents to demonstrate the amount of time they spent on grant activities. This includes an employee whose salary is paid with state or local funds but is used to meet a required "match" in a federal program. These documents, known as time and effort records, are maintained in order to charge the costs of personnel compensation to federal grants. Charges to

federal awards for salaries and wages must be based on records that accurately reflect the work performed. These records must:

(1) Be supported by a system of internal controls which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;
(2) Be incorporated into official records;
(3) Reasonably reflect total activity for which the employee is compensated, not exceeding 100% of compensated activities;
(4) Encompass both federally assisted and all other activities compensated by the District on an integrated basis;
(5) Comply with the established accounting policies and practices of the District and
(6) Support the distribution of the employee's salary or wages among specific activities or costs objectives.

B. Time and Effort Procedures

Time and effort procedures will follow and comply with 2 CFR 200.430(i).

C. Fringe Benefits

Except as provided otherwise by federal law, the costs of fringe benefits will be allowable provided that the benefits are reasonable and required by law, a district-employee agreement, or another policy of the District.

D. Leave

The cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if they are provided under established written District leave policies.

E. Unexpected or Extraordinary Circumstances

In the event of a pandemic or other unexpected or extraordinary circumstance, the District may close school or individual buildings. In such case, the District may compensate federally funded or other employees during such closure to ensure the return of staff to employment after the closure as allowed by state or federal law.

F. Documentation for Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VII. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.326 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms are used when possible consistent with state law.

Buy American. The District participates in the National School Lunch Program and School Breakfast Program and is required to use the nonprofit food service funds, to the maximum extent practicable, to buy domestic commodities or products for Program meals. A "domestic commodity or product" is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR 210.21(d). The District may deviate from this general requirement only if:

- The product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality; or
- Competitive bids reveal the costs of a U.S. product are significantly higher than the non-domestic product.

C. Record Keeping

1. Record Retention

a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and §§ 75.730-.731. The District also maintains records of significant project experiences and

results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.

b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding federal awards for a minimum of six (6) years. Consequently, the District shall retain records for a minimum of six (6) years from the date on which the final Financial Status Report is submitted, unless otherwise notified in writing to extend the retention period by the awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Procurement Records

a) The District must maintain records sufficient to detail the history of all procurements. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.

b) Retention of procurement records shall be in accordance with applicable law and Board policy.

D. Privacy

The District has protections in place to ensure that the personal information of both students and employees is protected. These include the use of passwords that are changed on a regular basis; staff training on the requirements of the Family Educational Rights and Privacy Act (FERPA) and State confidentiality requirements; and training on identifying whether an individual requesting access to records has the right to the documentation.

Parents seeking mileage reimbursement must submit requests to the district on forms which may be obtained from the office of the Superintendent of Schools.

When a student who has been attending the district is placed into foster care, school district staff will collaborate with state and local child welfare agencies to determine whether transportation is required under state law when it is in the child's best interest that their school of origin be maintained. The district will only provide transportation to students placed in foster care when the responsible child welfare agency agrees to reimburse the school district for the cost of transportation or when transportation is otherwise required by law. The board designates the Superintendent of Schools as the initial point of contact for child welfare agency representatives to discuss transportation issues related to children in foster care.

Students who are homeless will be provided with transportation pursuant to Board Policy 5014.

The district will provide transportation to tuition students in accordance with the contract provisions, if any, for services from the contracting districts.

The use of buses for class parties, field trips, and similar purposes shall require the prior approval of the superintendent or appropriate principal.

[OPTION 1]. **Option Transportation**. The board of education does not provide transportation services or mileage reimbursement for option-enrolled students unless otherwise required by law

[OPTION 2] Option Transportation. The board of education provides transportation to option students only if (a) the option student lives on an existing bus route or (b) the option student makes arrangements to be picked up and dropped off at preexisting stops along an existing bus route. The district does not provide mileage reimbursement for option-enrolled students unless otherwise required by law.

[OPTION 3] Option Transportation. The board of education shall annually set the rate for transportation services for option-enrolled students. Such transportation may only be enacted if there is mutual agreement between the school district and the parent or legal guardian of the option student. If such agreement is reached, the stops at the option homestead will be recorded by the school vehicle operator and a billing fee will be assessed to the parent or legal guardian on an annual basis. If two or more option students from the same homestead use school transportation, the district will charge for each trip made. Under no circumstances will an option student(s) be provided school transportation to and from his/her homestead if the result of such transportation (1) necessitates the addition of a third bus route and/or (2) increases the time necessary to run the complete bus route beyond the limit of one hour.

If the option student resides within the distance of one mile of the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ per mile per stop.

If the option student resides a distance greater than one mile but less than or equal to two miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ for the first mile and $.___ for the additional mile per stop.

If the option student resides a distance greater than two miles but less than or equal to three miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ for the first two miles and $.___ for the additional mile, per stop.

If the option student resides a distance greater than three miles but less than or equal to four miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ for the first three miles and $.___ for the additional mile, per stop.

If the option student resides a distance greater than four miles but less than or equal to five miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ for the first four miles and $.___ for the additional mile, per stop.

For distances greater than five miles from the route used to reach a homestead which is a regular bus stop for a resident student, the same formula used to determine the above quoted rates will be used to determine the fee.

Students who qualify for free lunch may be entitled to transportation or mileage reimbursement pursuant to state law.

Audio and Video Recording

Students, staff, parents/guardians, and patrons should assume that any class or activity in the school may be recorded by the school district for legitimate educational purposes. There is no reasonable expectation of privacy within classrooms, common areas of the school building or on school grounds outside of the building. Recordings permitted pursuant to this policy may only be used for authorized purposes and may not be republished without additional, written consent from a school administrator. For purposes of this policy "recording" includes still photographs, video, audio, and other similar data captured in any medium.

Secret Recordings. No person is permitted to make surreptitious recordings on school grounds unless authorized by the superintendent.

Recordings Made by The District. The district may use cameras or other devices for purposes of making security, safety, or other recordings when such recordings are deemed necessary or appropriate by an authorized representative of the district. The district will not maintain recordings unless the recording is purposefully copied and saved. Any recording not copied and maintained separately may only be accessible by the authorized representative for a limited time. Recordings made by the district may be destroyed by an authorized representative at any time unless retention is required by law.

Recordings Made by Parents/Guardians and Patrons. Parents/guardians and patrons may make recordings of school activities in a non-disruptive manner including things like athletic contests and school board meetings to the extent permitted by law unless otherwise lawfully restricted by the administration. Parents/guardians or patrons may not make recordings if they are volunteering or visiting school during the school day without permission of the administration or supervising staff member and subject to this policy, such as recording their child's classroom activities or recess. Parents may not record meetings with administrators or staff, including meetings related to a student's IEP or 504 plan. Violation of this policy will result in immediate termination of any meeting that is being recorded and may be grounds for exclusion from school property, loss of volunteer privileges, or other restrictions deemed appropriate by the administration.

Recordings Made by Staff. Staff members may make recordings of classroom instruction, student behavior or performance, and school activities

without prior administrative approval only for legitimate educational purposes. Staff members may not make secret recordings while on duty, even if those recordings do not violate state or federal criminal or privacy laws. Staff members who violate this provision may be subject to consequences up to termination for classified staff and cancellation of contract for certificated staff.

Recordings Made by Students. This policy applies to students during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event. Students may make recordings of school activities in a non-disruptive manner including things like athletic contests and other extracurricular performances to the extent permitted by law. Students generally are not permitted to record classroom instruction or members of the school community during the school day without the express consent of a staff member or as required by the student's education plan. Student use of assistive technology that has the capacity to record and/or transmit recordings (e.g. AngelSense) must be approved by the student's education team or administration. Students remain subject to all other district policies and rules. Employee Leave Under the Family and Medical Leave Act (FMLA)

The school district shall provide leave to its employees in accordance with the Family and Medical Leave Act ("FMLA"). The terms used herein shall have the meaning ascribed to them under the FMLA. Employees may also qualify for leave under the Nebraska Family Military Leave Act, which is covered under the district's policy for that law. If an employee qualifies for leave under both the Family and Medical Leave Act and the Nebraska Military Leave Act, any leave taken by the employee will count concurrently toward the leave limits of both acts.

I. Qualifying for Leave

A. Qualified Employees

1. To be eligible for ***unpaid*** leave under this policy, an employee must:

   a. Make the request for leave at a time when the school district employs 50 or more workers;

   b. Have been working for the school district for at least 12 months prior to the request; and

   c. Have worked a minimum of 1,250 hours during the 12-month period immediately preceding the commencement of the leave.

2. The applicable 12-month period for computing an employee's entitlement to FMLA leave shall be "rolling" 12-month period measured backward from the date an employee uses any FMLA leave~~be the 12-month period measured forward from the date such employee's first FMLA leave begins~~.

3. Employees ineligible for FMLA leave for any reason may be eligible for leave under the

Nebraska Family Military Leave Act and should consult policy 4011.1.

B. Qualified Circumstances Necessitating Leave

1. The school district will grant an eligible employee up to a total of 12 workweeks of ***unpaid*** leave under the following conditions:

    a. For birth of a son or daughter, and to care for the newborn child;

    b. For placement of a son or daughter with the employee for adoption or foster care;

    c. To care for the employee's spouse, son, daughter, or parent with a serious health condition;

    d. Because of a serious health condition that makes the employee unable to perform the functions of his or her job; or

    e. Because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation

2. The school district will grant an eligible employee who is the spouse, son, daughter, parent or next of kin of a Covered Servicemember a total of 26 workweeks of ***unpaid*** leave during a 12-month period to care for the service member as permitted under the FMLA. The leave described in this paragraph shall only be available during a single 12-month period.

    <u>For purposes of this provision and this policy, "Covered Servicemember" includes both Military</u>

Members and covered Veterans, so long as the covered Veteran was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran.

3. During the single 12-month period described in paragraph I(B)(2), an eligible employee shall be entitled to a combined total of 26 workweeks of leave under paragraphs I(B)(1) and I(B)(2). Nothing in this paragraph shall limit the availability of leave under paragraph I(B)(1) during any other 12-month period.

C. Limitations on Leave

1. Leave for birth or placement for adoption or foster care must conclude within 12 months of the birth or placement.

2. In any case in which a husband and wife both employed by the school district are entitled to FMLA leave:

   a. The aggregate number of workweeks of FMLA leave to which both are entitled is limited to 12 during any 12-month period if such leave is taken (i) because of the birth of a son or daughter of the employee and in order to care for such son or daughter; (ii) because of the placement of a son or daughter with the employee for adoption or foster care; or (iii) to care for a sick parent who has a serious health condition; and

   b. The aggregate number of workweeks of FMLA leave to which both that husband and wife are entitled is limited to 26 during the single 12-month period in which leave is taken to care for a Covered Servicemember and the husband and wife employees are both either the son,

daughter, parent, or next of kin of such Covered Servicemember, if the leave is taken for this reason or a combination of this reason and one of the three reasons described in paragraph I(C)(2)(a). If the leave taken by the husband and wife includes leave described in paragraph I(C)(2)(a), the limitation in paragraph I(C)(2)(a) shall apply to the leave described in I(C)(2)(a).

D. Qualifying Notice and Certification

Employees seeking to use FMLA leave will be required to provide:

1. 30-day advance notice when the need to take the leave is foreseeable; provided, if (a) the leave is for needed treatment which is required to begin in less than thirty days or (b) the leave is for the reason set forth in paragraph I(B)(1)(e), the employee shall provide such notice to the school district as is reasonable and practical;

2. Medical certification supporting the need for leave due to a Serious Health Condition affecting the employee or family member or to care for a Military Member, and/or due to a Serious Injury or Illness to care for a Veteran;

3. Second or third medical opinions and periodic re-certifications (at the school district's expense);

4. Certification supporting the need for leave because of a qualifying exigency arising out of the fact that the employee’s spouse, son, daughter or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in the National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation;

5. Certification supporting the need for leave to care for a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness; and

6. Periodic reports during leave, at a frequency reasonably requested by the superintendent, regarding the employee's status and intent to return to work.

E. Scheduling Leave

When leave is needed to care for a family member, for the employee's own illness, or to care for a Covered Servicemember, and such leave is foreseeable based on planned medical treatment, the employee must attempt to schedule treatment so as not to unduly disrupt the school district's operations.

II. Relationship with District During Leave

A. Leave to Be Unpaid

All leave provided to employees under the provisions of the FMLA and this policy shall be unpaid leave.

B. Substitution of Paid Leave

1. The school district requires employees to substitute any accrued paid vacation leave, paid personal leave, paid family leave, paid medical leave or paid sick leave for FMLA leave. However, nothing in this policy shall require the school district to provide paid sick or medical leave in any situation in which the school district would not normally provide such paid leave.

2. If an employee uses paid leave under circumstances which do not qualify as FMLA leave, the leave will not count against the number of workweeks of FMLA leave to which the employee is entitled.

3. Any paid leave which is substituted for FMLA leave will be subtracted from the number of workweeks of unpaid leave provided by the FMLA and this policy.

C. Group Health Plan Benefits

1. The school district will continue group health plan benefits on the same basis as coverage would have been provided if the employee had been continuously employed during the FMLA leave period.

2. Any share of health plan premiums which have been paid by the employee prior to FMLA leave must continue to be paid by the employee during the FMLA leave period.

D. Intermittent or Reduced-Schedule Leave

1. Leave may be taken under this policy intermittently or on a reduced-leave schedule under certain circumstances.

   a. When leave is taken because of a birth or because of a placement of a child for adoption or foster care, an eligible employee may take leave intermittently or on a reduced-leave schedule only with the agreement of the school district. In such a case, the superintendent shall have the authority to approve or disapprove such intermittent or reduced leave schedule, in the superintendent's sole discretion.

   b. When leave is taken to care for a sick family member, for an employee's own

serious health condition, or to care for a covered Veteran or Military Member, an eligible employee may take leave intermittently or on a reduced-leave schedule when medically necessary.

c. When leave is taken by an eligible employee because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation, the employee may take leave intermittently or on a reduced-leave schedule.

d. When leave is taken by an eligible employee to care for a Covered Servicemember, including a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness

e. Intermittent or reduced leave shall not result in a reduction in the employee's total amount of leave beyond the amount of leave actually taken.

f. When an instructional employee seeks to take intermittent leave in connection with a family or personal illness (e.g. physical therapy or periodic care for a sick relative) or to care for a covered Veteran or Military Member, and when such leave would constitute at least 20 percent of the total number of working days in the period

during which the leave would extend, the school district may require the employee to elect to take leave in a block, instead of intermittently, for the entire period or to transfer to an available alternative position within the school system that is equivalent in pay, for which the employee is qualified, and which better accommodates the intermittent leave.

2. If an eligible employee requests intermittent leave or leave on a reduced-leave schedule that is foreseeable based on planned medical treatment, including during a period of recovery from a serious health condition, the school district may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. Such alternative position must have equivalent pay and benefits as the employee's permanent position.

3. Leave taken on an intermittent or reduced-schedule basis will be tracked hourly.

III. Return from Leave

A. Restoration to Position

1. On return from FMLA leave, an employee is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.

2. Any leave taken under this policy will not result in the loss of any employment benefits accrued prior to the date on which the leave commenced.

3. An eligible employee is not entitled to accrual of any seniority or employment benefits during any period of leave, or any right, benefit, or position of employment other than to which the employee would have been entitled had the employee not taken leave.

B. Denial of Restoration

1. The school district reserves the right to deny restoration to any eligible employee who is a "key employee" (that is an employee who is salaried and among the highest paid 10% of the employees of the school district) if such denial is necessary to prevent substantial and grievous economic injury to the operations of the school district.

2. If the school district intends to deny restoration to such an employee, it will:

   a. notify the employee of his/her status as a "key employee" in response to the employee's notice of intent to take FMLA leave;

   b. notify the employee as soon as the school district decides it will deny job restoration and explain the reasons for this decision;

   c. offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and

   d. make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

C. Failure to Return from Leave

If an employee fails to return from FMLA leave after the period of leave to which the employee is entitled has expired, the employee shall reimburse the district

for any premiums the employer paid for maintaining health insurance coverage for the employee during the employee's FMLA leave unless the reason the employee does not return is due to: (1) the continuation, recurrence, or onset of the serious health condition which entitled the employee to FMLA leave and the employee provides the district with sufficient certification from the proper health care provider of such continuation, recurrence, or onset of the serious health condition or (2) other circumstances beyond the employee's control.

IV. Notice to Employees

A. The school district will post in conspicuous places where employees are employed notices explaining the FMLA and providing information concerning the procedures for filing complaints of FMLA violations with the U.S. Wage and Hour Division.

~~**B.** When an employee provides notice of the need for FMLA leave, the school district shall provide the employee with a copy of the "section 301(c) notice" which is attached to this policy.~~

~~C.~~**B.** To the extent that any provision in this policy is in any manner inconsistent with the provisions of the Act or the regulations promulgated thereunder, the Act and regulations shall prevail over the provisions of this policy. The school district reserves the right to modify this policy from time to time in its sole discretion.

~~D.~~**C.** Employees may direct any questions or concerns regarding FMLA leave to the superintendent.

This shall not apply to publicly traded stock under a trading account if the employee reports the name and address of the company and stockbroker.

   b. A business association shall be defined to include an individual as a partner, limited liability company member, director or officer, or a business in which the individual or member of the immediate family is a stockholder.

   c. Immediate family member or member of the immediate family shall mean a child residing in an individual's household, a spouse of an individual, or an individual claimed by that individual or that individual's spouse as a dependent for federal income tax purposes

2. Contracts with the School District.

   a. No employee or member of his or her immediate family shall enter into a contract valued at two thousand dollars or more, in any one year, with this school district unless the contract is

awarded through an open and public process that (1) includes prior public notice and (2) allows the public to inspect during the school district's regular business hours the proposals considered and the contract awarded.

b. The existence of any conflict of interest in any contract in which the employee has an interest and in which the school district is a party, or the failure to make public the employee's interest known, may render a contract null and void.

c. The prohibition of a conflict of interest or requirement for public notice shall apply when the employee, or his or her immediate family has a business association with the business involved in the contract or will receive a direct pecuniary fee or commission as a result of the contract.

3. Employing Members of the Immediate Family.

a. An employee may employ or recommend or supervise the employment of an immediate family member if:

(1) The employee does not abuse his or her position.

(a) Abuse of official position shall include, but not be limited to, employing an immediate family member:

(i) who is not qualified for and able to perform the duties of the position;

(ii) for any unreasonably high salary;

(iii) who is not required to perform the duties of the position.

c. An employee shall not use or authorize the use of his or her public employment or any confidential information received through the public employment to obtain financial gain, other than compensation provided by law, for himself or herself or a member of his or her immediate family, or a business with which he or she is associated.

5. Conflict of Interest Relating to Campaigning or Political Issues

a. Except as provided below, an employee shall not authorize the use of school district personnel, property, resources, or funds for the purpose of campaigning for or against the nomination or election of a candidate or the qualification, passage, or defeat of a ballot question.

b. This does not prohibit an employee from making school district facilities available to a person for campaign purposes if the identity of the candidate or the support for or opposition to the ballot question is not a factor in making the facilities available or a factor in determining the cost or conditions for use.

c. This does not prohibit an employee from discussing and voting upon a resolution supporting or opposing a ballot question.

d. This does not prohibit an employee under the direct supervision of a public official from responding to specific inquiries by the press or the public as to the board's opinion regarding a ballot question or from providing information in response to a request for information.

e. An employee may present his or her personal opinion regarding a ballot question or respond to a request for information related to a ballot question; but in so doing, the person should clearly state that the information being presented is his or her personal opinion and is not to be considered as the official position or opinion of the school district. However, this shall not be done during a time that the individual is engaged in his or her official duties.

6. Additional Procedures Applicable to Employees With An Annual Salary and Benefits of More than $150,000 Per Year

a. Staff whose annual salary and benefits exceed one hundred fifty thousand dollars should assess whether they have a conflict of interest before taking any action or making any decision.

b. Employees have a conflict of interest pursuant to this subdivision of the policy when their actions or decisions may cause financial benefit or detriment to themselves, a business with which they are associated or a member of their immediate family.

i. When assessing whether a conflict of interest exists, qualifying staff members should access whether the benefit or detriment identified is distinguishable from the effects of such action on the public generally or a broad segment of the public.

ii. If qualifying employees are unsure as to whether a conflict of interest exists, they may apply to the Nebraska Political Accountability and Disclosure Commission for an opinion as to whether they have a conflict of interest.

c. Qualifying employees who determine that a conflict of interest does exist under this policy shall:

i. Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict;

ii. Deliver a copy of the statement to the secretary of the board of education, who shall enter the statement onto the public records of the school district; and

iii. Abstain from participating in the matter in which the employee has a conflict of interest.

Compulsory Attendance and Excessive Absenteeism

Required Attendance

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

Mandatory Attendance Age

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

Exceptions

This policy does not apply when attendance is made impossible or impracticable by severe weather conditions or by the ~~temporary~~ mental or physical illness of the student or a child whom the student is parenting.

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child. A copy of the required affidavit is attached to this policy.

Discontinuing Enrollment – 5 Year Old Students

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to reenroll in this school district until the beginning of the following school year unless otherwise required by law.

Discontinuing Enrollment – 16 and 17 Year Old Students

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

Only children disenrolling to attend a ~~non-accredited~~exempt school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending ~~non-accredited~~exempt schools. The superintendent may confirm the validity of the submission with the State Department of Education.

Attendance Officer

Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

Excused Absences

The following absences will be considered excused if they are confirmed by communication to the school from the student's parent/guardian:

1. Physical or mental illness of the student (a physician's verification is required after four (4) consecutive days of absence for illness)
2. Severe weather
3. Medical appointments for the student
4. Death or serious illness of the student's family member

Commented [1]: This sample list is very liberal in what the school considers "excused." Schools that adopt this sample list will have very few students who accrue many "unexcused" absences. Boards may eliminate any of these categories of excused absence except for illness documented by a physician, suspension/expulsion and severe weather. Boards may also add additional requirements before an absence will be excused (e.g. require funeral card to verify family funeral, etc.)

5. Attending a funeral, wedding or graduation
6. Appearance at court or for other legal matters
7. Observance of religious holidays of the student's own faith
8. College planning visits
9. Personal or family vacations

Excessive Absenteeism

When a student receives 5 unexcused absences or the hourly equivalent in any semester, the Attendance Officer will follow the attached procedure for addressing barriers to the student's attendance.

When a student is absent more than twenty days per year or the hourly equivalent and any portion of the absences is unexcused, the Attendance Officer may/must file a report with the county attorney of the county in which the student resides. For example, if the student accumulates 23 days of excused absences due to documented illness and is tardy one time, the Attendance Officer may/must file a report with the appropriate county attorney.

Making Up Absences (Optional – Remove or revise based on your District's practices.)

When a student receives [X] unexcused absences or the hourly equivalent in any semester, the student shall be required to make up those absences through attendance in [insert program]. Absences shall be made up at a rate of [insert rate.]

Accordingly, the school district will participate in the option enrollment program and receive option students as provided herein.

4. Standards for Acceptance or Rejection of Option Students.

a. **Special Education Capacity.** Capacity for special education services will be determined on a case-by-case basis. If an application for option enrollment received by the school district indicates that the student has an individualized education program under the federal Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., or has been ~~diagnosed~~ identified as a student with a disability as defined in section 79-1118.01, the application will be evaluated by the director of special education services or the director's designee who must determine if the school district and the appropriate class, grade level, or school building has the capacity to provide the applicant the appropriate services and accommodations. The Federal Educational Rights and Privacy Rights Act (FERPA) (20 U.S.C. § 1232g) permits the release of education records when a student seeks or intends to enroll in a different school district.

b. **Numeric Capacity**. The board of education may set the numeric capacity of programs, classes, grade levels, or school buildings by operation of this policy or through freestanding action by the board. Numeric Capacity will be determined based upon available staff, facilities, projected enrollment of resident students, and projected number of students with which the option school district will contract based on existing contractual arrangements. Individuals seeking information about the numeric capacity set by the board may contact the superintendent for a copy of that resolution.

c. **Programmatic Capacity.** In addition to the numeric capacity standards referred to above, the board may, by resolution, prior to October 15 of each school year, declare a program, a class, or a school unavailable for the next school year to option students due to lack of capacity. Individuals seeking information about the programs that have been declared to be unavailable due to lack of capacity may contact the superintendent for a copy of the board's resolution.

d. **Other Standards for Acceptance or Rejection of Option Enrollment Applications.** In addition to the numeric and programmatic capacity standards outlined above, the school district shall not accept an option student when acceptance of the student:

ii. Would require the procurement of new equipment, technology, or furnishings;
iii. Would cause or require the rearrangement of caseloads for staff and contracted professionals;
iv. Is reasonably deemed by appropriate school staff to pose a potential risk to the health or safety of students or staff;
v. May pose a risk of adversely affecting the quality of educational services being provided to resident students, as determined by appropriate school staff.

e. Prohibited Standards. The school district shall not base the decision to accept or reject an option student on the student's previous academic achievement, athletic or other extracurricular ability, disabling condition(s), proficiency in the English language, or previous disciplinary proceedings.

f. Order of Acceptance. If there are more option student applicants for any program, class, grade level or school building than can be accepted into such program, class, grade level or school building, applicants shall be accepted in the following order:

7. Information Regarding Schools, Programs, Policies and Procedures. The school district, its officers and employees, shall make information about the school district and its schools, programs, policies and procedures available to all interested people.

8. Procedure for Students Optioning Into or Out of the School District.

a. The parent or legal guardian of any student desiring to option into or out of the school district shall submit a proper and timely application to the board of education and the other affected school district for enrollment during the following and subsequent school years. Any application requiring the approval of the school district shall be deemed submitted when the application is actually received in the school district's business office.

b. On or before April 1st, the school district shall notify the parent or legal guardian of any student who has submitted an application to option into the school district and the resident school district, in writing, whether the application is accepted or rejected. If an application is rejected, the reason for such rejection shall be stated in the notification. This written notice shall be sent via certified mail to the address listed on the option application.

9. Late Applications and Requests for Release

a. The board of education may refuse a request of a student seeking to option out of the school district when the option application is submitted after March 15th under the following conditions:

i. When the district has already entered into contracts with teaching staff for the following school year;

When the resident district has released the student, or if the student is an option student at the time of such application and applying to become an option student at a subsequent option school district, a release approval from the option school district the student is attending at the time of such application;

ii. When the student's late enrollment into the district meets the standards for acceptance or rejection of option students contained elsewhere in this policy;

OR

b. The board of education will deny all applications to option into the district that are received by the district after March 15 of the school year prior to the student's requested enrollment.

c. The superintendent will notify parents or guardians who have submitted properly completed option applications after March 15th no later than 60 days following submission of the application of the board's acceptance or rejection of the application.

10. Students Who Do Not Need a Release from the Resident District

a. A student does not need to be released from his/her resident district or the option school district the student is attending at the time of application under the following circumstances:

i. When the student has relocated to a different resident school district after February 1

ii. When a student's option school district merges with another district effective after February 1

b. The school district shall accept or reject an application from a student under this paragraph using the criteria set forth in this policy and will accept or reject the application within forty-five days.

11. Cancellation of Option.

Students who option either into or out of the school district shall:

a. Attend the option school district until graduation or relocation/re-option in a different resident school district unless the student chooses to return to the resident school district, in which case the student's parent or legal guardian shall timely submit a cancellation form to the school board or board of education of the option school district and the resident school district for approval for the following year.

b. Attend an option school district for not less than one school year unless the student relocates to a different resident school district, completes requirements for graduation prior to the end the school year, transfers to a parochial or private school, or upon mutual agreement of the resident and option school districts cancels the enrollment option and returns to the resident school district.

[NOTE TO BE DELETED: THERE ARE THREE CHOICES FOR OPTION TRANSPORTATION BELOW; SELECT ONE AND DELETE THE OTHERS]

5005
~~Option~~ Transportation

The school district will provide free transportation, partially provide free transportation, or pay an allowance for transportation in lieu of free transportation on each day school is in session to the students who reside in the district and qualify for transportation according to the district's transportation plan. The families of students who will not be provided transportation pursuant to the district's plan or who must drive students to a pick-up point will be reimbursed according to statute if they qualify for such reimbursement. Parents seeking mileage reimbursement must submit requests to the district on forms which may be obtained from the office of the Superintendent of Schools.

When a student who has been attending the district is placed into foster care, school district staff will collaborate with state and local child welfare agencies to determine whether transportation is required under state law when it is in the child's best interest that their school of origin be maintained. The district will only provide transportation to students placed in foster care when the responsible child welfare agency agrees to reimburse the school district for the cost of transportation or when transportation is otherwise required by law. The board designates the Superintendent of Schools as the initial point of contact for child welfare agency representatives to discuss transportation issues related to children in foster care.

Students who are homeless will be provided with transportation pursuant to Board Policy 5014.

The district will provide transportation to tuition students in accordance with the contract provisions, if any, for services from the contracting districts.

The use of buses for class parties, field trips, and similar purposes shall require the prior approval of the superintendent or appropriate principal.

[OPTION 1]. **Option Transportation**. The board of education does not provide transportation services or mileage reimbursement for option-enrolled students unless otherwise required by law

[OPTION 2] Option Transportation. The board of education provides transportation to option students only if (a) the option student lives on an existing bus route or (b) the option student makes arrangements to be picked up and dropped off at preexisting stops along an existing bus route. The district does not provide mileage reimbursement for option-enrolled students unless otherwise required by law.

[OPTION 3] Option Transportation. The board of education shall annually set the rate for transportation services for option-enrolled students. Such transportation may only be enacted if there is mutual agreement between the school district and the parent or legal guardian of the option student. If such agreement is reached, the stops at the option homestead will be recorded by the school vehicle operator and a billing fee will be assessed to the parent or legal guardian on an annual basis. If two or more option students from the same homestead use school transportation, the district will charge for each trip made. Under no circumstances will an option student(s) be provided school transportation to and from his/her homestead if the result of such transportation (1) necessitates the addition of a third bus route and/or (2) increases the time necessary to run the complete bus route beyond the limit of one hour.

If the option student resides within the distance of one mile of the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ per mile per stop.

If the option student resides a distance greater than one mile but less than or equal to two miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ for the first mile and $.___ for the additional mile per stop.

If the option student resides a distance greater than two miles but less than or equal to three miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ for the first two miles and $.___ for the additional mile, per stop.

If the option student resides a distance greater than three miles but less than or equal to four miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ for the first three miles and $.___ for the additional mile, per stop.

If the option student resides a distance greater than four miles but less than or equal to five miles from the route used to reach a homestead which is a regular bus stop of a resident student, the fee shall be set at a rate of $.___ for the first four miles and $.___ for the additional mile, per stop.

For distances greater than five miles from the route used to reach a homestead which is a regular bus stop for a resident student, the same formula used to determine the above quoted rates will be used to determine the fee.

Students who qualify for free lunch may be entitled to transportation or mileage reimbursement pursuant to state law.

Pregnant or Parenting Students

The District will not discriminate in its education program or activity against any student based on the student's current, potential, or past pregnancy. Students who are pregnant or parenting are encouraged to continue participating in the district's educational and extracurricular programs.

I. Accommodations Regarding Attendance and Participation

A. Generally

Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting should notify their building principal as early as possible to discuss their educational programming. The building principal will work with the student to develop a plan to assist the student in participating in district curriculum and extra-curricular activities. Such a plan may include:

1. If the student cannot regularly attend classes, the provision of online courses;
2. The arrangement of meeting times with teachers;
3. If the student has not identified appropriate childcare, the identification of child care providers that meet statutory requirements for quality and care; and
4. All other curricular adjustments, modifications, and means of supplementing classroom attendance deemed appropriate by the school administrators including, but not limited to, modification of attendance policies.

B. Students with Disabilities

For students with disabilities who have an IEP or Section 504 plan, the administrators, student's parents or guardians, and student if appropriate will collaborate with the student's educational team to coordinate accommodations consistent with state and federal law. As permitted by law, students may be entitled to accommodations as a result of pregnancy.

C. Title IX

When a student, or a person with a legal right to act on a student's behalf, informs a District employee of the student's pregnancy or related conditions, the District will inform the student of the Title IX Coordinator's contact information. The employee will also inform the student that the Title IX Coordinator can coordinate actions to prevent sex discrimination and ensure the student's equal access to the District's education program or activity.

The District will make reasonable accommodations to the District's policies, practices, and procedures as necessary to prevent sex discrimination and ensure equal access to the District's education program or activity. The District will coordinate reasonable modifications based on the student's individualized need. The District will consult with the student when determining what reasonable modifications may be appropriate, and the student has the discretion to accept or decline the reasonable modifications offered by the District.

The District will allow the student to voluntarily access any separate and comparable portion of the District's education program or activity. The District will allow the student to voluntarily take a leave of absence from the District's education program or activity to cover, at a minimum, the period of time deemed medically necessary by the student's licensed healthcare provider. Upon the student's return, the student will be reinstated to the student's academic status, and as practicable, to the extracurricular status that the student held when the voluntary leave began.

II. Accommodations Regarding Lactation and Breastfeeding

A. Accommodations

1. In order to accommodate lactating and breastfeeding students, the district will provide reasonable opportunities to express breast milk or breastfeed in a place, other than a bathroom, which is shielded from view and free from intrusion from district students, employees, and the public.
2. Students who wish or need to express breast milk on a regular schedule will work with school administrators to create a schedule which

accommodates the student's needs while facilitating education to the maximum extent possible.

3. The district will provide a location for students to store expressed breast milk in or near the location designated for students to express milk to create the least amount of disruption to the student's participation in class or activities.

B. Educational Process

In order to prevent interference with the educational process, no student shall express breast milk within school classrooms or buses. Nothing in this policy limits the authority of the administration to impose consequences consistent with the Student Discipline Act and other state and federal law.

Student Discipline

Administrative and teaching personnel may take actions regarding student behavior, other than those specifically provided in this policy and the Student Discipline Act, which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but need not be limited to, counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. Disciplinary consequences may also include in-school suspension, Saturday School, and any other consequence authorized by law. District administrators may develop building-specific protocols for the imposition of student discipline.

Any disciplinary action taken by staff must be consistent with the requirements of other applicable laws, including but not limited to the IDEA, Section 504, and Title IX.

In this policy, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this policy shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or his or her parent or guardian.

Any student who is suspended or expelled from school pursuant to this policy may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

Pre-Kindergarten through Second Grade Students

Notwithstanding any other provision of this policy, an elementary school shall not suspend a student in pre-kindergarten through second grade unless the student brings a deadly weapon as defined in section 28-109 on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school

employee or his or her designee, or at a school-sponsored activity or athletic event. As an alternative to suspension, the school district may take any action authorized by law, including those provided in section 79-258.

Makeup Work for Suspended Students

Any student who is suspended must be given an opportunity to complete any classwork and homework missed during the period of suspension, including, but not limited to, examinations ("makeup work"). Any makeup work must be completed and turned in within 2 school days after completion of the suspension. This makeup guideline shall be provided to the student and a parent or guardian at the time of suspension. Suspended students may not be required to attend the school's alternative program for expelled students in order to complete classwork or homework.

Short-Term Suspension

The Principal may exclude students from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or,
2. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, that occur on or off school grounds, if such conduct interferes with school purposes or there is a connection between such conduct and school.

The following process applies to short-term suspension:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what he or she is accused of having done, be given an explanation of the evidence the authorities have, and be given an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary, not to exceed an additional 48 hours, following the suspension, the Principal will send a written statement to the student, and the student's parent or guardian, describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken. An

opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal ordering the short-term suspension before or at the time the student returns to school and shall document such effort in writing. The Principal shall determine who, in addition to the parent or guardian, is to attend the conference.

4. Students who are short-term suspended must be given the opportunity to complete classwork and homework missed during the period of suspension, including but not limited to examinations, as provided herein.

Emergency Exclusion

Students may be emergency excluded from school pursuant to the board's separate policy on emergency exclusion or state law.

Weapons and/or Firearms

~~Students may be disciplined for the possession of weapons and/or firearms pursuant to the board's separate policy on weapons and firearms or state law.~~ **Weapons.** No student may possess, handle, or transmit any weapon while on school grounds, in a school vehicle, or at any school activity or event off school grounds except as permitted by this policy. ***Definition of Weapon.*** The term "weapon" means any object, device, instrument, material, or substance which is capable of causing injury in the manner it is used or intended to be used.

1. **Meaning of Expulsion.** Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior

to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.

2. **Summer Review**. Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.
3. **Suspension of Enforcement of an Expulsion**: Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.
4. **Alternative School or Pre-expulsion Procedures.** The school shall either provide an alternative school, class or educational program for expelled students, or shall follow the pre-expulsion procedures outlined in NEB. REV. STAT. 79-266.
5. **Conclusion of Expulsion.** At the conclusion of an expulsion, the school district will reinstate the student and accept nonduplicative, grade-appropriate credits earned by the student during the term of expulsion from any Nebraska accredited institution or institution accredited by one of the six regional accrediting bodies in the United States.

4. Nothing in this policy shall preclude the student, student's parents, guardian or representative from discussing and settling the matter with appropriate school personnel prior to the time the long-term suspension, expulsion, or mandatory reassignment takes effect.
5. If a hearing is requested within five days after receipt of the notice, the Superintendent shall recommend appointment of a hearing examiner within two school days after receipt of the hearing request. The student or the student's parent or guardian may request designation of a hearing examiner other than the hearing examiner recommended by the superintendent if notice of the request is given to the superintendent within two school days after receipt of the superintendent's recommended appointment. Upon receiving such request, the superintendent must provide one alternative hearing examiner who is not an employee of the school district or otherwise currently under contract with the school district and whose impartiality may not otherwise be reasonably questioned. 8. The principal or legal counsel for the school, the student, and the student's parent, guardian, or representative have the right to receive

a copy of all records and written statements referred to in the Student Discipline Act as well as the statement of any witness in the possession of the school board or board of education no later than forty-eight hours prior to the hearing.

9. If a hearing is requested more than five school days following the receipt of the written notice, but not more than thirty calendar days after receipt, the Superintendent shall appoint a hearing examiner. The hearing will be held according to the requirements of section 79-269. The student shall be entitled to a hearing but the consequence imposed may continue in effect pending final determination.
10. If a request for hearing is not received within thirty calendar days following the mailing or delivery of the written notice, the student shall not be entitled to a hearing.

In the event a hearing is requested, the hearing, hearing procedures, the student's rights and any appeals or judicial review permitted by law shall be governed by the applicable provisions of the Nebraska Student Discipline Act (NEB. REV. STAT. § 79-254 to 79-294).

(b) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for up to five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be made according to the procedures set forth below.

The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing. The notice shall include notice of a recommended hearing examiner and an alternate hearing examiner for consideration by the parent(s) or guardian(s) if a hearing is requested.

Opportunity to Request a Hearing. The student's parent(s) or guardian(s) may submit a~~n oral~~ request for a hearing on the proposed extension of the exclusion within one school day~~two school days~~ of receiving the ~~initial~~ notice of the proposed extension. ~~If the initial request for a hearing is oral, they shall confirm the request in writing.~~

Appointment and Qualifications of a Hearing Examiner. The parent(s) or guardian(s) shall notify the superintendent within one school day of receiving notice of the recommended extension and proposed hearing examiner and alternate hearing examiner if the alternate hearing examiner is preferred.
~~If the parent(s) or guardian(s) request a hearing, the superintendent shall appoint a hearing examiner upon receiving a request for a hearing. The hearing examiner may be any person who did not bring charges against the student, is not to be a witness at the hearing, and has no involvement in the charge.~~

Hearing Examiner's Notice to Parent(s) or Guardian(s). The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within ten~~five~~ school days after the initial date of exclusion; ~~school district receives the initial oral or written request;~~ provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion. If a hearing is requested, the principal may determine in his or her sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.

Examination of Student's Records and Affidavits. Prior to the hearing, the student and his/her parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Student's Witness(es). The student and his/her parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. Presence of Student and Witnesses at the Hearing. The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify. The school district shall make available to testify at the hearing any employee who is a witness to the matter upon request from the parent(s) or guardian(s).

Reading Instruction and Intervention Services

The purpose of this policy is to facilitate reading instruction and intervention services to address student reading needs, including, but not limited to, dyslexia. It is the school district's goal that each student be able to read at or above grade level by third grade.

Effective Reading Teachers. It is the intent of the school district to employ teachers for kindergarten through third grade who are effective reading teachers as evidenced by (a) evaluations based on classroom observations and student improvement on reading assessments or (b) specialized training in reading improvement.

Reading Assessment. The school district will administer a reading assessment approved by the Nebraska Department of Education three times during the school year to all students in kindergarten through third grade. Exceptions to this requirement include:

- Any student receiving specialized instruction for limited English proficiency who has been receiving such instruction for less than two years;
- Any student receiving special education services for whom such assessment would conflict with the individualized education plan; and
- Any student receiving services under a plan pursuant to the requirements of section 504 of the federal Rehabilitation Act of 1973, 29 U.S.C. 794, or Title II of the federal Americans with Disabilities Act of 1990, 42 U.S.C. 12131 to 12165, as such acts and sections existed on January 1, 2018, for whom such assessment would conflict with such section 504 or Title II plan.

The first assessment for kindergarten students must occur within the first 45 calendar days that school is in session of each school year. For all other grades, the first assessment must occur within the first 30 calendar days that school in in session of each school year.

Diagnostic assessments used within a supplemental reading intervention program do not require Nebraska Department of Education approval.

Deficiency Identification. Any student in kindergarten through third grade performing below the threshold level as determined by the Nebraska Department of Education shall be identified as having a reading deficiency for purposes of the Nebraska Reading Improvement Act and this policy. A student who is identified as having a reading deficiency shall remain identified as having a reading deficiency until the student performs at or above the

threshold level on an approved reading assessment. Nothing in the Nebraska Reading Improvement Act or this policy shall prohibit a school district from identifying any other student as having a reading deficiency.

Supplemental Reading Intervention Program. The school district will provide a supplemental reading intervention program to ensure that students can read at or above grade level at the end of third grade. The school district may work collaboratively with a reading specialist at the Nebraska Department of Education, with educational service units, with learning communities, or through interlocal agreements to develop and provide such supplemental reading intervention programs. Each supplemental reading intervention program must be:

- Provided to any student identified as having a reading deficiency;
- Implemented during regular school hours in addition to regularly scheduled reading instruction unless otherwise agreed to by a parent or guardian; and
- Made available as a summer reading program between each summer for any student who has been enrolled in grade one, grade two, or grade three or in a higher grade and is identified as continuing to have a reading deficiency at the conclusion of the school year preceding such summer reading program. The summer reading program may be held in conjunction with existing summer programs in the school district or in a community reading program not affiliated with the school district or offered online.

The supplemental reading intervention program may also include:

- Reading intervention practices that are evidence-based;
- Diagnostic assessments to identify specific skill-based strengths and weaknesses a student may have;
- Frequent monitoring of student progress throughout the school year with instruction adjusted accordingly;
- Intensive intervention using strategies selected from the following list to match the weaknesses identified in the diagnostic assessment:
    - Development in phonemic awareness, phonics, fluency, vocabulary, and reading comprehension;
    - Explicit and systematic instruction with detailed explanations, extensive opportunities for guided practice, and opportunities for error corrections and feedback; or
    - Daily targeted individual or small-group reading intervention based on student needs as determined by diagnostic assessment data subject to planned extracurricular school activities;

- Strategies and resources to assist with reading skills at home, including parent-training workshops and suggestions for parent-guided home reading; or
- Access to before-school or after-school supplemental reading intervention with a teacher or tutor who has specialized training in reading intervention.

Parent/Guardian Notification. The school will give notice in writing or by electronic communication to the parent(s) or guardian(s) of any student identified as having a reading deficiency within 15 working days of such identification that the student has been identified as having a reading deficiency and that an individual reading improvement plan will be established and shared with the parents or guardians.

Reading Improvement Plan. Any student who is identified as having a reading deficiency will receive an individualized reading improvement plan, that shall include a supplemental reading intervention program, no later than 30 days after the identification of the reading deficiency. The reading improvement plan may be created by the teacher, the principal, other pertinent school personnel, and the parents or guardians of the student and shall describe the reading intervention services the student will receive through the supplemental reading intervention program to remedy the reading deficiency. The student must receive reading intervention services through the supplemental reading intervention program until the student is no longer identified as having a reading deficiency.

Reading Progress. Each student in kindergarten through third grade and his or her parent(s) or guardian(s) will be informed of the student's reading progress within a reasonable time after the school district receives the results from the student's approved reading assessment.

NDE Professional Learning System. The Nebraska Department of Education provides a professional learning system. The elementary school(s) and early childhood education programs approved by the State Board of Education will ensure that teachers who teach children from four years of age through third grade are aware of the professional learning system and are adequately trained regarding evidence-based reading instruction to effectively instruct students in reading.

NDE Report. On or before July 1 of each year, the school district will provide the required information relating to dyslexia to the Nebraska Department of Education.

Title IX Policy

It is the policy of the school district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any of the school district's programs or activities. The district is required by Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106 to not discriminate in such a manner.

1. Title IX Coordinator

1.1. **Designation.** The district will designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this policy, who will be referred to as the "**Title IX Coordinator**." The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment). This report may be made by any means, including but not limited to, in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours).

2. Definitions.

As used in this policy, the following terms are defined as follows:

2.1. **Actual knowledge** means notice of sexual harassment or allegations of sexual harassment to any district employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only district employee with actual knowledge is the respondent (as that term is defined below). "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in subsection 1.1 above.

2.2. **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

2.3. **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. The only district official who is authorized to initiate the Grievance Process for Formal Complaints of Sexual Harassment against a respondent is the Title IX Coordinator (by signing a formal complaint). At the time of filing a formal complaint with the district, a complainant must be participating in or attempting to participate in the district's education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under subsection 1.1 above, and by any additional method designated by the district. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy or under 34 C.F.R. part 106, and will comply with the requirements of this policy and 34 C.F.R. part 106, including subsections 5.1.3–5.1.4 and 34 C.F.R. § 106.45(b)(1)(iii).

2.4. **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

2.5. **Consent** for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

2.6. **Sexual harassment** means conduct on the basis of sex that satisfies one or more of the following:

2.6.1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;

2.6.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it

effectively denies a person equal access to the district's education program or activity;

2.6.3. **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:

2.6.3.1. **Sex Offenses, Forcible**—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.

2.6.3.1.1. **Rape**—(Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

2.6.3.1.2. **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.1.3. **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.1.4. **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.2. **Sex Offenses, Non-forcible**—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.

2.6.3.2.1. **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law

2.6.3.2.2. **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent

2.6.4. **Dating violence**, as defined in 34 U.S.C. § 12291(a), which means violence committed by a person—

2.6.4.1. who is or has been in a social relationship of a romantic or intimate nature with the victim; and

2.6.4.2. where the existence of such a relationship shall be determined based on a consideration of the following factors:

2.6.4.2.1. The length of the relationship.

2.6.4.2.2. The type of relationship.

2.6.4.2.3. The frequency of interaction between the persons involved in the relationship.

2.6.5. **Domestic violence**, as defined in 34 U.S.C. § 12291(a), which includes felony or misdemeanor crimes committed by a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction receiving grant funding and, in the case of victim services, includes the use or attempted use of physical abuse or sexual abuse, or a pattern of any other coercive behavior committed, enabled, or solicited to gain or maintain power and control over a victim, including verbal, psychological, economic, or technological abuse that may or may not constitute criminal behavior, by a person who—

2.6.5.1. is a current or former spouse or intimate partner of the victim, or person similarly situated to a spouse of the victim;

2.6.5.2. is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner;

2.6.5.3. shares a child in common with the victim; or

2.6.5.4. commits acts against a youth or adult victim who is protected from those acts under the family or domestic violence laws of the jurisdiction.

2.6.6. **Stalking**, as defined in 34 U.S.C. § 12291(a), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

2.6.6.1. fear for his or her safety or the safety of others; or

2.6.6.2. suffer substantial emotional distress.

2.7. **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

3. Discrimination Not Involving Sexual Harassment.

3.1. **General Prohibition.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be

subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by the district.

3.2. **Specific Prohibitions.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, in providing any aid, benefit, or service to a student, the district will not on the basis of sex:

3.2.1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

3.2.2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

3.2.3. Deny any person any such aid, benefit, or service;

3.2.4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;

3.2.5. Apply any rule concerning the domicile or residence of a student or applicant;

3.2.6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;

3.2.7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

3.3. **Complaint Procedure.** All complaints regarding any alleged discrimination on the basis of sex, including without limitation violations of this policy, 34 C.F.R. part 106, Title IX, Title VII, or other state or federal law—when the alleged discrimination does not arise from or relate to an allegation of sexual harassment as defined in subsection 2.6 above—shall be addressed pursuant to the district's general complaint procedure, Board Policy 2006

4. Response to Sexual Harassment

4.1. **Reporting Sexual Harassment.** Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the

District's Title IX Coordinator. No person will be retaliated against based on any report of suspected sexual harassment or retaliation. Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

4.2. **General Response to Sexual Harassment.** When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. The district will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this policy "education program or activity" includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district's response will treat complainants and respondents equitably by offering supportive measures as defined in subsection 2.7 above to a complainant, and by following the grievance process described in section 5 below before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

4.3. **Emergency Removal.** Nothing in this policy precludes the district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. In the event that the district so removes a respondent on an emergency basis, then the district will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

4.4. **Administrative Leave.** Nothing in this policy precludes the district from placing a non-student employee respondent on

administrative leave during the pendency of a grievance process that complies with section 5 below. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

4.5. **General Response Not Conditioned on Formal Complaint.** With or without a formal complaint, the district will comply with the obligations and procedures described in this section 4.

5. **Grievance Process for Formal Complaints of Sexual Harassment**.

5.1. **General Requirements**.

5.1.1. **Equitable Treatment.** The district will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following the grievance process described in this section 5 before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies will be designed to restore or preserve equal access to the district's education program or activity. Remedies may include the same individualized services described in subsection 2.7 as "supportive measures"; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

5.1.2. **Objective Evaluation.** This grievance process requires an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a complainant, respondent, or witness.

5.1.3. **Absence of Conflicts of Interest or Bias.** The district will require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

5.1.4. **Training.** The district will ensure that all individuals or entities described in this Training section 5.1.4 receive

training as provided below. Any materials used to train these individuals will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment.

5.1.4.1. **All District Employees and Board Members**. All district employees and board members will be trained on how to identify and report sexual harassment.

5.1.4.2. **Title IX Coordinators, Investigators, Decision-Makers, or Informal Resolution Facilitators.** The district will ensure that Title IX Coordinators, investigators, decision-makers, or any person designated by the district to facilitate an informal resolution process receive training on:

5.1.4.2.1. The definition of sexual harassment in subsection 2.6;

5.1.4.2.2. The scope of the district's education program or activity;

5.1.4.2.3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and

5.1.4.2.4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

5.1.4.3. **Decision-Makers.** The district will ensure that decision-makers receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in subsection **Error! Reference source not found.**.

5.1.4.4. **Investigators.** The district will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in subsection 5.5.8.

5.1.5. **Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

5.1.6. **Reasonably Prompt Time Frames.** This grievance process shall include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes. The process shall also allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

5.1.7. **Range of Possible Sanctions and Remedies.** Following a determination of responsibility, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion.

5.1.8. **Range of Supportive Measures**. The range of supportive measures available to complainants and respondents include those listed in subsection 2.7.

5.1.9. **Respect for Privileged Information.** The district will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

5.2. **Notice of Allegations.**

5.2.1. **Initial Notice.** Upon receipt of a formal complaint, the district will provide the following written notice to the parties who are known:

5.2.1.1. A copy of this policy.

5.2.1.2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in subsection 2.6, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, under subsection 5.5.5, and may inspect and review evidence under subsection 5.5.5. The written notice will inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

5.2.2. **Supplemental Notice.** If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Initial Notice described above, the district will provide notice of the additional allegations to the parties whose identities are known.

5.3. **Dismissal of Formal Complaint.**

5.3.1. The district will investigate the allegations in a formal complaint.

5.3.2. **Mandatory Dismissals.** The district **must** dismiss a formal complaint if the conduct alleged in the formal complaint:

5.3.2.1. Would not constitute sexual harassment as defined in subsection 2.6 even if proved;

5.3.2.2. Did not occur in the district's education program or activity; or

5.3.2.3. Did not occur against a person in the United States.

5.3.3. **Discretionary Dismissals**. The district **may** dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing:

5.3.3.1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;

5.3.3.2. The respondent is no longer enrolled in or employed by the district; or

5.3.3.3. Specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

5.3.4. Upon a dismissal required or permitted pursuant to subsections 5.3.2 or 5.3.3 above, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.

5.3.5. Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

5.4. **Consolidation of Formal Complaints.** The district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular "party," "complainant," or "respondent" include the plural, as applicable.

5.5. **Investigation of Formal Complaint.** When investigating a formal complaint and throughout the grievance process, the district will:

5.5.1. Designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint;

5.5.2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the district will obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);

5.5.3. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;

5.5.4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;

5.5.5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

5.5.6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative

interviews, or other meetings, with sufficient time for the party to prepare to participate;

5.5.7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report; and

5.5.8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 calendar days prior to the time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

5.6. **Determination Regarding Responsibility**

5.6.1. **Decision-Maker(s).** The decision-maker(s) cannot be the same person as the Title IX Coordinator or the investigator(s).

5.6.2. **Exchange of Written Questions.** After the district has sent the investigative report to the parties pursuant to subsection 5.5.8, but before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone

other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

5.6.3. **Written Determination.** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) will apply the preponderance of the evidence standard. The written determination will include:

5.6.3.1. Identification of the allegations potentially constituting sexual harassment as defined in subsection 2.6;

5.6.3.2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;

5.6.3.3. Findings of fact supporting the determination;

5.6.3.4. Conclusions regarding the application of the district's code of conduct to the facts;

5.6.3.5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and

5.6.3.6. The district's procedures and permissible bases for the complainant and respondent to appeal.

5.6.4. The district will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the

district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

5.6.5. The Title IX Coordinator is responsible for effective implementation of any remedies.

5.7. **Appeals**. The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

5.7.1. **Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools within ten (10) calendar days of the date of the respective written determination of responsibility or dismissal from which the appeal is taken. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from subsection 5.7.2 below) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy, 34 C.F.R. part, 106, and Title IX.

5.7.2. **Grounds for Appeal.** Appeals from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, are limited to the following grounds:

5.7.2.1. Procedural irregularity that affected the outcome of the matter;

5.7.2.2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

5.7.2.3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the

individual complainant or respondent that affected the outcome of the matter.

5.7.3. As to all appeals, the district will:

5.7.3.1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;

5.7.3.2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;

5.7.3.3. Ensure that the decision-maker(s) for the appeal complies with the standards set forth in subsections 5.1.3–5.1.4.

5.7.3.4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;

5.7.3.5. Issue a written decision describing the result of the appeal and the rationale for the result; and

5.7.3.6. Provide the written decision simultaneously to both parties.

5.8. **Informal Resolution.** The district will not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, the district will not require the parties to participate in an informal resolution process under this section and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

5.8.1. Provides to the parties a written notice disclosing:

5.8.1.1. The allegations;

5.8.1.2. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;

5.8.1.3. That at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and

5.8.1.4. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;

5.8.2. Obtains the parties' voluntary, written consent to the informal resolution process; and

5.8.3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

5.9. **Recordkeeping**.

5.9.1. The district will maintain for a period of seven years records of:

5.9.1.1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;

5.9.1.2. Any appeal and the result therefrom;

5.9.1.3. Any informal resolution and the result therefrom; and

5.9.1.4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The district will make these training materials publicly available on its website, or if the district does not

maintain a website then the district will make these materials available upon request for inspection by members of the public.

5.9.2. For each response required under section 4, the district will create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity. If the district does not provide a complainant with supportive measures, then the district will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

6. **Superintendent Authorized to Contract.** The board authorizes the Superintendent to contract for, designate, and appoint individuals to serve in the roles of the district's investigator(s), decision-maker(s), informal resolution facilitator(s), or appellate decision-maker(s) as contemplated by this policy.

7. **Access to Classes and Schools**.

7.1. **General Standard.** Except as provided in this section or otherwise in 34 C.F.R. part 106, the district will not provide or otherwise carry out any of its education programs or activities separately on the basis of sex, or require or refuse participation therein by any of its students on the basis of sex.

7.1.1. **Contact sports in physical education classes.** This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

7.1.2. **Ability grouping in physical education classes.** This section does not prohibit grouping of students in physical

education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

7.1.3. **Human sexuality classes.** Classes or portions of classes that deal primarily with human sexuality may be conducted in separate sessions for boys and girls.

7.1.4. **Choruses.** The district may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

7.2. **Classes and Extracurricular Activities.** The district may provide nonvocational single-sex classes or extracurricular activities as permitted by 34 C.F.R. part 106.

8. **Athletics.** It is the policy of the district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, club, or intramural athletics offered by the district, and that the district will not provide any such athletics separately on such basis.

8.1. **Separate Teams.** Notwithstanding the foregoing paragraph, the district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.

10.1.2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

11. **Notification of Policy.** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

12. **Publication of Policy.** The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title,

office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).

13. **Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.

14. **Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

WELCOME

Dear Students and Parents:

On behalf of the faculty, administration, and board of education, we welcome you to another school year. We are looking forward to helping your children reach their learning potential and achieve their educational goals in the upcoming year.

Please read this handbook carefully. Students and their parents are responsible for knowing the rules, regulations, and procedures covered in this handbook. The student handbook is an extension of school policies and has the force and effect of board policy when approved by the board of education.

There are several forms at the end of this handbook that you must read, sign, and return no later than August 19, 2024.

This handbook contains information of value to every student and parent. It contains explanations of school regulations and procedures necessary for our school to run smoothly and efficiently. If you are ever in doubt about what is the right thing to do, ask a classroom teacher, speak with the building principal, or contact my office.

Sincerely,

Dr. Candace Conradt
Superintendent

Intent of Handbook

This handbook is intended to be used by students, parents, and staff as a guide to the rules, procedures, and general information about this school district. Students and their parents must become familiar with the handbook, and parents should use it as a resource and assist their children in following the rules contained in it. The use of the word "parents" refers to any adult who has the responsibility for making education-related decisions about a child, including, but not limited to biological parents, adoptive parents, legal guardians, and adults acting in loco parentis.

Although the information in this handbook is detailed and specific on many topics, it is not intended to be all-encompassing or to cover every situation and circumstance that may arise during a school day or school year. This handbook does not create a "contract" with parents, students, or staff, and the administration may make decisions and rule revisions at any time to implement the educational program and to assure the well-being of all students. The administration is responsible for interpreting the rules contained in the handbook. If a situation or circumstance arises that is not specifically covered in this handbook, the administration will make a decision based on applicable school district policies, and state and federal statutes and regulations.

MISSION STATEMENT

The mission of Sumner-Eddyville-Miller public school is to empower all students to achieve their best, become productive, problem-solving citizens, and embrace innovative tools to learn in a safe environment.

SECTION ONE

BASIC SCHOOL RULES AND GENERAL PRACTICES

Attendance - Policy 5001

Required Attendance

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

Mandatory Attendance Age

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

Exceptions

This policy does not apply when attendance is made impossible or impracticable by severe weather conditions or by the mental or physical illness of the student or a child whom the student is parenting.

Discontinuing Enrollment – 5 Year Old Students

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to reenroll in this school district until the beginning of the following school year unless otherwise required by law.

Discontinuing Enrollment – 16 and 17 Year Old Students

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request that demonstrates that the student meets the district's legal criteria allowing for disenrollment to the superintendent using

the applicable district form. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

Only children disenrolling to attend a non-accredited school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending non-accredited schools. The superintendent may confirm the validity of the submission with the State Department of Education.

Attendance Officer
Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

Excused Absences
The following absences will be considered excused if they are confirmed by communication to the school from the student's parent/guardian:

1. Physical or mental illness of the student or of a child whom the student is parenting (a physician's verification is required after four (4) consecutive days of absence for illness)

2. Severe weather ***(Parent Confirmed)***

3. Medical appointments for the student or for a child whom the student is parenting

4. Death or serious illness of the student's family member

5. Attending a funeral, wedding or graduation

6. Appearance at court or for other legal matters

7. Observance of religious holidays of the student's own faith

8. College planning visits
    a. Juniors 1 day - Personal Visit
    b. Seniors 3 days - Personal Visit

c. All school planned college visitations

9. Personal or family vacations ***(Pre-arranged and Pre-Made up)***

Unexcused Absence
If a student is absent and a parent does not notify the school before 8:30 am, the student will have an unexcused absence and will receive a 0 for any homework that is/was not completed. Teachers have the option to give some credit if/when the homework is completed.

Excessive Absenteeism
When a student receives 3 unexcused absences or the hourly equivalent in any semester, the Attendance Officer will follow the district's policy to address barriers to the student's attendance.

When a student is absent more than 20 days per year or the hourly equivalent and any portion of the absences is unexcused, the Attendance Officer may file a report with the county attorney of the county in which the student resides. For example, if the student accumulates 23 days of excused absences due to documented illness and is tardy one time, the Attendance Officer may file a report with the appropriate county attorney.

Absences due to illness
The school district will contact parents if a student becomes ill at school. A student who is absent due to illness has two days for every day of absence to complete missed assignments.

Planned absences
Parents who know in advance that a student will be absent must call the school or send a written note at the earliest possible date. Students who will be absent for reasons that can be anticipated, such as routine medical appointments and school activities, must complete any work required by the teacher before the absence. Parents should make every attempt to schedule medical and other appointments after school hours when possible.

Students are obligated to:
1) Complete all class work in advance for any absence that can be anticipated.
2) Attend school a half day before attending practice or participating in a scheduled student activity except in cases of family emergencies or pre-arranged absences.
3) Check out of school at the office if leaving school during the school day.
4) Make up any and all work that is assigned by teachers as make-up

work for the instructional time that has been missed.

Parents are obligated to:

1) Call the office to inform the school of the reason for each absence.
2) Submit a doctor's statement, if requested, for each period of absence due to illness that exceeds five days.

Pregnant and Parenting Students

The District will not discriminate in its education program or activity against any student based on the student's current, potential, or past pregnancy. Students who are pregnant or parenting are encouraged to continue participating in the district's educational and extracurricular programs. Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting should notify their building principal as early as possible to discuss their educational programming, in collaboration with the Title IX Coordinator..

Band

Students may participate in the elementary band and begin taking band lessons in the 5th grade. Students in grades 7-12 may participate in the school band. Instruments will be provided by students or the school as provided by school policy. Fees may be charged as allowed or provided in the Public Elementary and Secondary Student Fee Authorization Act and the school's student fee policy or other applicable policy.

Bills

Students should pay bills for school breakfast and lunches, supplies, fines, shop materials, clothing orders, etc. in the school bookkeeper's office. Any check for these payments should be made out to SEM Public Schools unless otherwise instructed. Pursuant to board policy, the district will assess an additional penalty of $30 for any check returned from the bank for insufficient funds.

When students purchase items of significant value, such as class rings and letter jackets, they must make payment at the time of purchase or when the order is placed.

Books and Supplies

Students must take care of books and other supplies provided by the district. The school will assess fines for damage to books and school property.

Students must supply their own consumable items such as pens, pencils, kleenex, tablets, notebooks, erasers, and crayons. Each classroom teacher will prepare a supply list for students at the beginning of the school year.

Breastfeeding and Lactation

A 504 plan will be implemented for a student that has this need.
In order to accommodate lactating and breastfeeding students, the district will provide reasonable opportunities to express breast milk or breastfeed in a place, other than a bathroom, which is shielded from view and free from intrusion from district students, employees, and the public. The district will also provide a location for students to store expressed breast milk in or near the location designated for students to express milk to create the least amount of disruption to the student's participation in class or activities.

Students who wish or need to express breast milk on a regular schedule must work with school administrators to create a schedule that accommodates the student's needs while facilitating education to the maximum extent possible.

In order to prevent interference with the educational process, no student shall express breast milk within school classrooms or buses. Nothing in this policy limits the authority of the administration to impose consequences consistent with the Student Discipline Act and other state and federal law.

Bulletin Boards

Bulletin boards are maintained throughout the building to communicate general information, material, and school announcements. Students should check the bulletin boards carefully each school day. A written copy of daily announcements will be posted on the main bulletin board by the offices.

Bulletin board or electronic publishing space may be provided for the use of students and student organizations for notices relating to matters of general interest to students. The following general limitations apply to all posting or publishing:

1. All postings must be approved by the appropriate building principal or designee. Students may not post any material containing any statement or expression that is libelous, obscene, or vulgar; that would violate board of education policies, including the student code of conduct; or that is otherwise inappropriate for the school environment.

2. All postings must identify the student or the student organization posting or publishing the notice.

3. Material shall be removed after a reasonable time to assure full access to the bulletin boards or electronic publishing media.

Bullying

Students are prohibited from engaging in any form of bullying. The Centers for Disease Control and Prevention defines bullying as "any unwanted aggressive behavior(s) by another youth or group of youths who are not siblings or current dating partners that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated." Nebraska statute defines bullying as "an ongoing pattern of physical, verbal or electronic abuse." The District's administrators will consider these definitions when determining whether any specific situation constitutes bullying. Both of these definitions include both in-person and cyberbullying behaviors.

The disciplinary consequences for bullying will depend on the severity, frequency, duration, and effect of the behavior and may result in sanctions up to and including suspension or expulsion. Students who believe they are being bullied should immediately inform a teacher or the building principal.

Reporting Bullying

Students who experience or observe bullying behavior must immediately report what happened to a teacher or administrator. Students can use the district's anonymous platform Safe2HelpNE to make this report. Students may always confer with their parents or guardians about bullying they experience or witness, but the students must also ultimately report the situation to a teacher or administrator.

Bullying Investigations

School district staff will investigate allegations of bullying using the same practices and procedures that the district observes for student disciplinary matters. In no circumstance will school district staff be deliberately indifferent to allegations of bullying.

Cafeteria Rules

1. All food must be consumed in the areas designated by the school.

2. After students have eaten, they must return trays to the kitchen. All straws, papers, milk cartons should be deposited in the trash cans. All leftover food should be scraped off the tray onto the correct container. Forks and spoons should be placed in the pan with water, NOT THROWN AWAY!
3. Students are to use proper manners including eating quietly, cleaning up any mess that is made by the students, and showing respect to each other and the adults in the cafeteria.
4. Students may not throw food or other items.
5. Second servings are available to those who have made an effort to clean their trays and have requisite funds as required by board policy.
6. Students should remain at their tables until they are dismissed.
7. Parents who wish their child to eat lunch away from school must provide a written authorization to the student's building principal.
8. Students must treat lunch personnel with respect.
9. **Locker rooms are not available during lunch time.**
10. Students who violate the above rules will be disciplined.

Candy and Gum

Students may not bring candy or gum to school unless they have prior permission from their classroom teacher or the administration.

Cell Phones and Other Electronic Devices

Students may NOT use cellular phones or other electronic devices while at school during school hours. The use of personal electronic devices by students is NOT allowed on school property during the school day, this includes arrival for breakfast or morning meetings and classes. It includes ICU and detention, until the student is off school property at the end of the school day.

Students are highly discouraged from wearing smartwatches; if smartwatches are worn, they cannot be used for communication purposes.

Any student who is found to be in possession of any cellular phone, or other electronic device (AirPods, personally-owned tablet, gaming device, etc) during school hours is in violation of this policy and the student code of conduct.

Staff who discover students in possession of a cellular phone or electronic device while at school during the school day will immediately confiscate the device and turn it into the administration.
Disciplinary consequences :

1st, 2nd & 3rd offense: device taken away and the student can pick up at the end of the school day from the office.

After the third offense, a parent or legal guardian of the offending student must pick up the confiscated devices from the office in person. The administration will return the device to the parent or guardian, after meeting with the parent or guardian to discuss the rule violation.

Students who repeatedly violate this policy may, at the discretion of the school's administration, be subject to additional discipline, up to and including expulsion.

If the student brings the personal electronic device it must be powered off and stored in their locked locker prior to the start of the school day. As in years past, the school is not responsible for the loss of personal items brought to school.

Students who need to have electronic devices in order to monitor health conditions will continue to follow their individualized plans.

Students who need to contact parents/guardians for emergency reasons may request to use the phone in the school office.

Parents/guardians who need to communicate immediate information with their student during school hours may contact the school office and a message will be shared with the student.

The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise may constitute a crime under state and/or federal law. Any person engaged in these activities while on school grounds, in a school vehicle or at a school activity will be subject to the disciplinary procedures of the student code of conduct. Any student found to be in possession of obscene, pornographic, lewd, or otherwise illegal images or photographs will be promptly referred to law enforcement and/or other state or federal agencies, which may result in arrest, criminal prosecution, and possible inclusion on sex offender registries.

Cheating, Plagiarism, and Academic Dishonesty

Students may not cheat, plagiarize, or otherwise participate in any academic dishonesty in any form. Prohibited behavior includes:

- Obtaining, attempting to obtain, or aiding another person to obtain credit for work by any dishonest or deceptive means.
- Lying.
- Copying another person's work or answers.
- Discussing the answers or questions on a test or assignment unless specifically authorized by the teacher.
- Taking or receiving copies of a test without the permission of the teacher.
- Using or displaying notes, "cheat sheets," or other sources of unauthorized information.
- Using the ideas or work of another person as if they were your own without giving proper credit to the source.
- Submitting work or any portion of work completed by another person.
- Failing to give credit for ideas, statements, facts, or conclusions which rightfully belong to another person.
- Failing to use quotation marks or other appropriate means of attribution when quoting directly from another person or source.

A student who cheats, plagiarizes, or otherwise participates in any academic dishonesty is subject to discipline, up to and including expulsion. The student will receive a zero for the assignment.

Child Abuse and Neglect

School employees will report suspected abuse or neglect of a child as required by state law and school policy. Nebraska law defines abuse or neglect as knowingly, intentionally, or negligently causing or permitting a minor child or an incompetent or disabled person to be (1) placed in a situation that endangers his or her life or physical or mental health; (2) cruelly confined or cruelly punished; (3) deprived of necessary food, clothing, shelter or care; (4) left unattended in a motor vehicle, if such child is six years of age or younger; (5) sexually abused; (6) placed in a situation to be sexually exploited through sex trafficking of a minor as defined in state law or by allowing, encouraging, or forcing such person to engage in debauchery, public indecency, or obscene or pornographic photography, films, or depictions; or (7) placed in a situation to be a trafficking victim as defined in state law.

Class Dismissal

Classes are in session from the ringing of the tardy bell until the teacher dismisses the class. The bell at the end of the period is not a dismissal bell, and students may not leave their classrooms until they have been excused by their classroom teacher.

Classroom Behavior

Student behavior and attitude in the classroom must be cooperative and serious. All students must:

- arrive to class on time;
- prepare for class with all necessary materials;
- be considerate of others;
- respond promptly to all directions of the teacher; and
- take care of school property and the property of others.

Teachers will establish classroom conduct rules that students must obey.

Closed Campus

Students may not leave the building without permission from the administration. Students may leave campus to go home for lunch if they have secured their parents' written permission and submitted it to the office. A student may be assigned closed campus for his/her lunch period by an administrator or by parent request.

The following criteria will be used in order for 9th through 12th grade students to have the privilege of leaving campus for lunch.

1. **Passing all courses.**
2. **No unexcused periods or days absent.**
3. **Three or less tardies per quarter for all classes.**
4. **No behavioral referrals that lead to discipline consequences for the quarter.**
    a. **Detention (After School, Lunch, Morning),** ISS or OSS.

Expectations when leaving the school and returning: (Failure to follow these expectations will result in the loss of Open Campus privileges)

1. Must check out and check in through the office.
    a. **Coming back late from lunch will result in a loss of open campus privileges.**
2. Student's may go to their homes, but are not permitted to take friends with them.
3. Students will not go to their vehicles and will walk on 5th ave to go to Tub's or on Main Street to go to the CO-OP.
4. Student's will finish all food and/or drink prior to entering the school, and will throw the trash away in the trash cans.

Coats and Boots

Elementary students must wear coats outdoors when the weather makes it advisable. The staff will decide when coats are required for recess.

Elementary students may choose to wear over shoes or boots when the playground is wet or muddy. Waterproof boots worn to school should be

taken off and regular shoes worn during the day. Boots worn to school must be marked with the student's name.

Communicable Diseases

Any student who has contracted a contagious disease may be restricted from attendance at school until the student is no longer contagious. The school district uses the Title 173- Nebraska Health and Human Services/Control of Communicable Disease, Chapter 3 of the Nebraska Administrative Code as a "best practice" guideline for contagious and infectious diseases. If there are questions regarding the communicability of your child's health condition or if you know your child has contracted a contagious or communicable disease or condition not otherwise specified in board policy or this handbook, please call the school office (308) 752-2925.

Communicating with Parents

Parents shall be kept informed of student progress, grades, and attendance through report cards, progress reports, and parent/teacher conferences. The school district will notify parents if their students are failing or close to failing. The school district will endeavor to notify parents of failing students prior to entry of the failing grade on the student's report card. Parents will also be notified of their student's possible failure to meet graduation requirements. Other pertinent information will be communicated to parents by mail or by personal contact. Official transcripts of student progress, grades, and attendance will be sent to other school systems upon the student's transfer when the district receives a written request signed by the student's parent or guardian or upon being notified that the student has enrolled in another school.

Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to complaints unless the complaint is subject to a different procedure required by law, policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When those efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth in any specific policy addressing those areas or the procedures set forth below. Allegations or sex discrimination covered by Title IX will be addressed through the board's Title IX policy.

References to "coordinator" in this policy refer to the board-designated coordinator for the applicable area, such as the Section 504 Coordinator for allegations of disability-based discrimination.

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process.

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if the complainant reasonably believes speaking directly to the person would subject the complainant or the complainant's student to discrimination or harassment.

2. The second step is for the complainant to speak to the building principal, coordinator, superintendent of schools, or president of the board of education, as set forth below. Anyone with questions about the appropriate person to so speak with may request clarification from the superintendent.

   a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.

   b) Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.

   c) Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.

   d) Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may also be submitted, at any time during the complaint procedure to the applicable coordinator. Complaints involving discrimination or Harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ ed.gov: by telephone at (816) 268-0550; or by fax at (816)-268-0599

3. When a complainant submits a complaint to an administrator or coordinator, the administrator or coordinator shall first determine whether

another applicable procedure is required by policy or law and if so, direct the complaint to the appropriate person to follow that procedure. If not, the administrator or coordinator will promptly and thoroughly investigate the complaint, and shall:

a) Determine whether the complainant has discussed the matter with the respondent.

1) If the complainant has not, urge the complainant to discuss the matter directly with the respondent, if appropriate.

2) If the complainant refuses to discuss the matter with the respondent, the administrator or coordinator shall, in his or her sole discretion, determine whether the complaint should be pursued further.

b) Strongly encourage the complainant to reduce his or her concerns to writing.

c) Interview the complainant and, if necessary, the respondent against whom the complaint is filed to determine:

1) All relevant details of the complaint;

2) All witnesses and documents which the complainant believes support the complaint;

3) The action or solution which the complainant seeks.

Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided to a student with a disability, including but not limited to services provided to a student with an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to the school district's Director of Special Education. The Director of Special Education will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided a student with a disability pursuant to a Section 504 plan must be submitted to the school district's 504 Coordinator. The 504 Coordinator will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student who is suspected of having a disability must be submitted in writing to the school district's Director of Special Education or to the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a disability or will provide prior written notice of the district's refusal to do so.

Payment for Meals
Students are encouraged to pay for meals several weeks in advance. Payment should be made to the bookkeeper in the office.

If a student has no funds available to pay for a meal, the student will be provided and charged for "courtesy meals," such as a plain sandwich.

Students who qualify for free meals will not be denied a reimbursable meal, even if they have accrued a negative balance from other food purchases. School staff may prohibit any students from charging a la carte or extra items if they do not have cash in hand or their account has a negative balance.

If a student repeatedly lacks funds to purchase a meal, has not brought a meal from home, and is not enrolled in a free meal program, the district will use its resources and contacts to protect the health and safety of the student. Students will not be permitted to return to school until the district finds that no live lice or eggs can be detected. The parent(s) or guardian(s) will be required to treat the student and accompany the student to school to be examined.

The student cannot ride the school bus until the district has cleared the student to return to school

Health Problems Limiting Activities

Parents who do not want their children to play outdoors or participate in physical education for health reasons must send a written request to school. Parents should notify the principal or superintendent if their student has any special health problems such as diabetes, asthma, or the like.

Homebound Instruction

The school district may provide a student with instruction in his or her home and under parental supervision if the student is physically or mentally ill or injured and unable to attend regular classes for an extended period of time. Homebound instruction shall be provided when the student's physical and mental condition are such that the student can benefit from instruction and no other provision will meet the student's educational needs. If you believe that homebound instruction is appropriate for your child, please contact the building principal to initiate the appropriate process to determine eligibility.

Homeless Children and Youth

Homeless students generally include children who lack a fixed, regular, and adequate nighttime residence, as further defined by applicable state and federal law.

Each homeless child shall be provided services for which the child is eligible comparable to services provided to other students in the school selected regardless of residency. Homeless children shall be provided access to

education and other services that such children need to ensure that they have an opportunity to meet the same student performance standards to which all students are held.

If a homeless child registered to attend school in the district is receiving family reconciliation services pursuant to state law, the district will work in cooperation with any county or department of social services in the district to jointly develop an educational program for the child. The district's homeless coordinator is Principal Scott Franzen, who may be contacted at 308-752-2925 or sfranzen@semmustangs.org.

Initiations are prohibited except by permission of the superintendent.

Lockers and Other School Property

The school district owns and exercises exclusive control over student lockers, desks, computer equipment, and other such property. Students should not expect privacy regarding usage of or items placed in or on school property, because school property is subject to search at any time by school officials. Periodic, random searches of lockers, desks, computers, and other such property may be conducted at the discretion of the administration. The assignment of a locker is on a temporary basis and may be revoked at any time. School officials may inspect student lockers without any particularized suspicion or reasonable cause.

Lost and Found

All lost and found articles are to be taken to the school office. Students may claim lost articles there. Unclaimed articles will be donated to a local charity or otherwise disposed of at the conclusion of each semester.

The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician.

Media Center

Students must check out materials from the librarian on duty. Each borrower is responsible for all books checked out in his/her name. A fine of five cents per day per book may be charged for overdue books. Each student is responsible for any fine that accumulated on a book charged to him/her. If a book is lost and not found by the end of the semester, the student must pay for it. Students must also pay for any damage they cause to library books.

Memorials

Memorials or plaques honoring deceased students are generally not allowed in or on the school grounds unless authorized by board policy. Dedications to students will not be allowed.

Scholarships in the deceased person's name will not be set up by the school. Scholarships set up by outside organizations or individuals, such as a foundation, will be allowed.

Opting Out of Assessments

The Board of Education has adopted a policy on approval and denial of state and federal assessment opt-out requests, which is based on requirements in law. The policy can be requested by contacting the Superintendent of Schools.

Parental Involvement

The school district recognizes the unique needs of students who are being served in its Title I program, and the importance of parent and family engagement in the Title I program. Parent and family engagement in the Title I Program shall include, but is not limited to:

1. An annual meeting to which all parents of participating children will be invited to inform parents of their school's participation under this part, to explain the requirements of this part, and the right of the parents to be involved. Invitations may take the form of notes sent with students or announcements in the school newsletter. Additional meetings may be scheduled, based upon need and interest for such meetings.

2. An explanation of the details for the child's and parents' participation, including but not limited to: curriculum objectives, the forms of academic assessment used to measure student progress and the achievement levels of the challenging State academic standards, type and extent of participation, parental input in educational decisions, coordination, and integration with other Federal, State, and district programs, and evaluations of progress.

3. Opportunities for participation in parent involvement activities, such as training to help parents work with their children to improve achievement. A goal of these parent activities is to provide parents with opportunities to participate in decisions relating to the education of their students, where appropriate.

4. The district will, to the extent practicable, provide parents of limited English proficiency, parents with disabilities, parents with limited literacy, are economically disadvantaged, are of a racial or minority background or parents of migratory children with

opportunities for involvement in the Title I Program. Communication to parents about student progress and the district's other Title I Program communications will be provided in the language used in the home to the extent practicable. Responses to parent concerns will be provided in a timely manner.

5. Opportunities for parent-teacher conferences, in addition to those regularly scheduled by the school district, if requested by the parents or as deemed necessary by school district staff.

Personal Items

The school provides the necessary equipment for classroom and school day activities. **Students should not bring items such as athletic equipment, electronic devices, toys, or other similar personal items to school unless they have the prior permission of their classroom teacher or a school administrator. The school is not responsible for damaged or lost personal items or equipment.**

Physical Education

The school district requires students to receive physical education to assist them in developing gross and fine motor skills. Students are not required to wear P.E. uniforms, but are encouraged to wear tennis shoes for P.E.

Physical Exam

Students entering kindergarten and the seventh grade, and those entering school from another state, are statutorily required to show evidence that they have had a physical examination within six months prior to the date of entering school.

Pictures

The school district arranges for a photographer to be present at school in the fall to take class pictures. Parents will be notified of the date. Included in the individual packet is a class composite. Parents who want pictures of their students or of their student's class composite may purchase them directly from the photographer.

Playground Rules

Students must follow these rules to keep the playground safe when they are using the playground as part of the school day:

1. Students must obey the playground supervisor at all times.
2. Students may not enter the street/highway to retrieve a ball unless given permission by the playground supervisor.

The school's playgrounds, equipment, and surrounding areas are generally not supervised. Staff will supervise students when the students are using these areas as part of the school day or as part of a school activity. At all other times and in all other circumstances, the school district does not provide supervision of its playgrounds, equipment, and surrounding areas.

Police Questioning and Apprehension

Police or other law enforcement officers may be called to the school at the request of school administration, or may initiate contact with the school in connection with a criminal investigation. The school district shall inform parents when law enforcement officers seek access to their student prior to the student being questioned unless the officers are investigating charges

that the student has been the victim of abuse or neglect. Members of the school district staff will comply with board policy regarding police questioning of students.

Protection of Student Rights

The Board of Education respects the rights of parents and their children and has adopted a Protection of Pupil Rights policy in consultation with parents to comply with the Protection of Pupil Rights Amendment (PPRA). The policy is available on the district's website or upon request from the district's administrative office. Parents may opt their child out of participation in activities identified by the Protection of Pupil Rights policy by submitting a written request to the superintendent. The approximate dates during the school year when a survey requesting personal information as defined in the Protection of Pupil Rights policy is scheduled are as follows: **Scheduled during the spring**. Parents may have access to any survey or other material described in the Protection of Pupil Rights policy by submitting a written request to the superintendent.

Students may be required to submit to drug or alcohol testing if there is a reasonable suspicion that the student is under the influence of drugs or alcohol.

Rights of Custodial and Non-Custodial Parents

The school district will honor the parental rights of natural and adoptive parents unless those rights have been altered by a court

The term "custodial parent" refers to a biological or adoptive parent to whom a court has given primary physical and legal custody of a child, and a person such as a caseworker or foster parent to whom a court has given legal custody of a child.

The district will not restrict the access of custodial and non-custodial parents to their students and their students' records, unless the district has been provided a copy of a court order that limits those rights. If the district is provided such a court order, school officials will follow the directives set forth in the order.

The district will provide the custodial parent with routine information about his or her child, including notification of conferences. The district will not provide the non-custodial parent with such information on a routine basis, but will provide it upon the non-custodial parent's request unless it has been denied by the courts.

A non-custodial parent who wishes to attend conferences regarding his or her child will be provided information about conference times so both parents may attend a single conference. The district is not required to schedule separate conferences if both parents have been previously informed of scheduled conference times.

If either or both parents' behavior is disruptive, staff members may terminate a conference and reschedule it with appropriate modifications or expectations.

Secret Organizations

Secret organizations are prohibited. School officials shall not allow any person or representative of any such organization to enter upon school grounds or school buildings for the purpose of rushing or soliciting students to participate in any secret fraternity, society, or association.

School Day

The school day typically begins at 8:00 a.m. and ends at 3:31 p.m. Students are to leave the school grounds after dismissal. School staff will provide supervision for students on school grounds 15 minutes before the school day begins and 15 minutes after the school day ends. **There will be no supervision provided by the school before or after these times**. Parents must arrange for their children to leave school promptly at the end of the day.

2. Vehicles parked on school property may be sniffed by sniffer dogs at any time.

3. Classrooms and other common areas may be sniffed by sniffer dogs at any time students and staff are not present.

4. If contraband of any kind is found, the student or staff member shall be subject to appropriate disciplinary action.

Standardized Testing

The NWEA Measure of Academic Progress (MAP) assessments are used to determine the students' achievement probability for individual success. Tests are administered in August, December, and April and the results are sent home. In addition to MAP, the school will also complete other state required tests such as the NSCAS for grades 3-8.

Student Assistance

Parents who believe their students have any learning, behavior, or emotional needs that they believe are not being addressed by the school district should contact the student's teacher. If appropriate, the teacher may convene the Student Assistance Team (SAT). The SAT can explore possibilities and strategies that will best meet the educational needs of the student.

Student Fee Policy

The school district shall provide free instruction in accordance with the Nebraska State Constitution and Nebraska state law. The district also provides activities, programs, and services that extend beyond the minimum level of constitutionally required free instruction. Under the Public Elementary and Secondary Student Fee Authorization Act, the district is permitted to charge students fees for these activities or to require students

to provide specialized equipment and attire for certain purposes. This policy is subject to further interpretation or guidance by administrative or board regulations. Students are encouraged to contact their building administration, their teachers or their coaches, and sponsors for further specifics.

11. Contributions for Class Extracurricular Activities. Students are eligible to participate in a number of extracurricular activities during their years in Junior/ Senior High school, including prom, various senior recognitions, and graduation. In order to fund these extracurricular activities, the school district will ask each student to make a contribution to their class's fund beginning in seventh grade. This contribution is completely voluntary. Students who chose not to contribute to the class fund are still eligible to participate in the extra activities.

Waiver Policy.
Students who qualify for free or reduced-price lunches under United States Department of Agriculture child nutrition programs shall be provided a fee waiver or be provided the necessary materials or equipment without charge for (1) participation in extracurricular activities, (2) materials for course projects, and (3) the use of a musical instrument in optional music courses that are not extracurricular activities. Students are not required to participate in the free or reduced-price lunch program to qualify for the waivers provided in this section. The district is not obligated to provide any particular type or quality of equipment or other material to eligible students. Students who wish to be considered for waiver of a particular fee must submit a completed fee waiver application to their building principal. Application forms are available in each school building office.

Voluntary Contributions to Defray Costs.
When appropriate, the district will request donations of money, materials, equipment, or attire from parents, guardians and other members of the community to defray the costs of providing certain services and activities to students. These requests are not requirements, and staff members of the district are directed to communicate that fact clearly to students, parents, and patrons.

Fund-Raising Activities

Students may be permitted or required to engage in fund-raising activities to support various curricular and extracurricular activities in which they participate. Students who decline to participate in fund-raising activities are not eligible under this policy for waiver of the costs or fees which the fund-raising activity was meant to defray.

Student Illness

Students who suffer from a significant illness which has an actual or expected duration of six months or more may be eligible for accommodations and supports under Section 504 of the Rehabilitation Act or under the Individuals with Disabilities in Education Act. The school will provide accommodations to students who are returning to school after a prolonged absence due to illness, including pediatric cancer, through a 504 plan or an IEP, as appropriate. The student's plan will include informal or formal accommodations, modifications of curriculum and monitoring by medical or academic staff as determined by the student's IEP team or 504 committee. Parents and staff will engage in ongoing communication about the needs of a student who is facing these circumstances.

Students who become ill at school will be sent to the building office where the school nurse or other school employee will determine the appropriate response. When a child is too ill to remain at school, a school employee will contact the child's parent(s) and arrange for the child to be picked up or sent home. If an illness or injury requires immediate medical attention, school officials shall attempt to contact the child's parent(s) regarding treatment for the child. If the parents cannot be contacted, school officials may have the child treated by an available physician. Students who show symptoms of a contagious disease may be sent home, and the district may require a physician's statement before allowing such students to return to school.

Student Government

Students are encouraged to formulate and participate in elective and representative student government activities. The organization, operation, and scope of the student government shall be administered by the superintendent or designee.

Student Records

The Family Education Rights and Privacy Act ("FERPA") provides parents certain rights with respect to their student's education records. These rights include the right to inspect and review the student's education records within 45 days of the date the school receives a request for access; and the right to

request the amendment of the student's education records that you believe to be inaccurate.

If parents believe one of their student's records is inaccurate, they should write to the school principal, clearly identify the part of the record they want changed, and specify why they believe it is inaccurate. If the school decides not to amend the record as requested, it will notify the parents of the decision and advise them of their right to a hearing regarding the request for amendment.

Directory Information. FERPA and the Nebraska Public Records Law authorize school districts to make "directory information" available for review at the request of non-school individuals. These laws also give parents and guardians a voice in the decision-making process regarding the disclosure of directory information regarding their children.

The school district has designated the following as directory information:

> name and grade, name of parent and/or guardian, address, telephone number, including the student's cell phone number, e-mail address, date and place of birth, dates of attendance, the image or likeness of students in pictures, videotape, film or other medium, major field of study, participation in activities and sports, degrees and awards received, social media usernames and handles, weight and height of members of athletic teams, most recent previous school attended, certain class work which may be published onto the Internet, classroom assignment and/or home room teacher, student ID number, user ID, or other unique personal identifier used by the student for purposes of accessing or communicating in electronic systems (but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a personal identification number (PIN), password, or other factor known or possessed only the authorized user). Directory information does not include a student's social security number.

Directory information about students may be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that market or manufacture class rings, sell student photographs or publish student yearbooks.

Federal law requires school districts to provide military recruiters and institutions of higher education with the names, addresses, and telephone listings of high school students unless parents have notified the school

district in writing that they do not want this information disclosed without prior written parental consent. Military recruiters will be granted the same access to a student in a high school grade as is provided to postsecondary educational institutions or to prospective employers of such students.

Parents who ***OBJECT*** to the disclosure of any directory information about their student should write a letter to the principal. This letter should specify the particular categories of directory information that the parents do not wish to have released about their child or the particular types of outside organizations to which they do not wish directory information to be released. This letter must be received by the school district no later than August 14, 2023.

Non-Directory Information

All of the other personally identifiable information about students that is maintained in the school district's education records will generally not be disclosed to anyone outside the school system except under one of two circumstances: (1) in accordance with the provisions of the FERPA statutes and related administrative regulations, or (2) in accordance with the parent's written instructions.

One FERPA exception permits disclosure to school officials with legitimate educational interests without consent. A school official includes, but is not necessarily limited to, a teacher or other educator, administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); school board member; volunteer; contractor or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, representative of the district's insurance providers, auditor, medical consultant, therapist, or a third-party website operator who has contracted with the school district or its agent to offer online programs for the benefit of students and/or the district; members of law enforcement acting on behalf of the school district; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a "legitimate educational interest" if the official needs to review an education record in order to fulfill a school-related professional, contractual, statutory, or regulatory responsibility.

The district will share information with the Department of Education necessary to comply with the requirement of state law that all third- year high school students take a college entrance exam. Any redisclosure of

information related to the administration of this exam shall be governed by the agreement between the Nebraska Department of Education and the third-party testing company.

Transfer of Records Upon Student Enrollment
Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. The school is not obligated to inform parents when it makes a disclosure under this provision.

Complaints
Individuals who wish to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA may contact the Office that administers FERPA:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Student Schedule Changes

Student schedule changes may be made without penalty during the first three days of each semester. Drop and Add slips are to be obtained from the office of the Guidance Counselor and must be signed by the guidance counselor and building principal before they are presented to the teacher of the class that is to be added or dropped.

After the first week of the semester, students who insist on dropping a class, except for instances of an extended illness, will receive a "0" on their permanent records, and that grade will be averaged into the student's cumulative grade point average. If an extended illness makes it impossible or impracticable for a student to successfully complete a class or classes, the student may be allowed to withdraw from a class or classes as (WP)-Withdraw Passing or (WF)-Withdraw Failing. If permission to withdraw as WP or WF is given by the building principal and guidance counselor, the grade(s) will not be averaged into the cumulative grade point average of the student.

Before students are allowed to withdraw from a class as WP or WF, the student, the parents of the student, the guidance counselor, and the building principal must meet and review the circumstances of the situation. All available means that could be utilized to allow the student to successfully complete the course(s) must be reviewed before permission to withdraw as WP or WF is given by the building principal and guidance counselor.

Tardiness

A student who does not have a valid excuse for being tardy to any class will be required to serve detention after their 3rd tardy. Students will make up time for being late to class on the designated days set forth by the building Principal

Students will earn 15 minutes of detention for being tardy to 1st or 5th periods. They will earn 5 minutes of detention for being tardy to 2nd, 3rd, 4th, 6th, 7th, 8th, or study hall.

Example: John has a tardy for 1st, 4th, 5th, and 8th periods: 15+5+15+5 = 40 minutes of detention.

Students that do not make up the detention time on the days designated may not be allowed to participate in extracurricular activities until the time is served. If a student does not participate in extracurricular activities, other consequences, such as in school suspension may be used.

Students and Parents can access attendance and tardy information on PowerSchool.

The Principal may allow other days to make up time for being last to class.

Telephone Calls

The school's telephone may be used only with permission of staff.

Threat Assessment and Response

The board of education is committed to providing a safe environment for members of the school community. Students, staff and patrons are urged to immediately report any statements or behavior that makes the observer fearful or uncomfortable about the safety of the school environment.

1.Definitions

a. A **threat** is an expression of willful intent to physically or sexually harm someone or to damage property in a way that indicates that an individual poses a danger to the safety of school staff, students or other members of the school community.

i. The threat may be expressed/communicated behaviorally, orally, visually, in writing, electronically, or through any other means.

ii. A **transient threat** is an expression of anger or frustration that can be quickly or easily resolved.

Iii. A **substantive threat** is an expression of serious intent to harm others which includes, but is not limited to, any threat which involves a detailed plan and means

b. A **threat assessment** is a fact-based process emphasizing an appraisal of observed (or reasonably-observable) behaviors to identify potentially dangerous or violent situations, to assess them and to manage/address them. Threat assessment is the process of distinguishing "transient" threats from serious ones in a systematic, data-informed way.

i. The threat assessment process is distinct from student disciplinary procedures. The mere fact that the district is conducting a threat assessment does not by itself necessitate suspension, expulsion or emergency exclusion without complying with state law and board policy related governing those actions.

ii. The threat assessment process is distinct from specialized instruction which a student with a disability may receive from the school district. The school district will not change a student's educational placement as that term is used in the Individuals with Disabilities in Education Act *solely* as part of a threat assessment.

2. Obligation to Report Threatening Statements or Behaviors.
All staff and students must report **substantive threats** to a member of the administration immediately and comply with any other mandatory reporting obligations. Staff and students who are unsure whether a threat is substantive or transient should report the situation. Staff and students must make such reports regardless of the nature of the relationship between the individual who initiated the threat or threatening behavior and the person(s) who were threatened or who were the focus of the threatening behavior. Staff and students must also make such reports regardless of where or when the threat was made or the threatening behavior occurred.

THREATS OR ASSAULTS WHICH REQUIRE IMMEDIATE INTERVENTION SHOULD BE REPORTED TO THE POLICE AT 911.

3. Threat Assessment Investigation and Response

When a threat is reported, the school administrator shall initiate an initial inquiry/triage and, in consultation with members of the threat assessment team, make a determination of the seriousness of the threat as expeditiously as possible. The school administrator must contact law enforcement if the administrator believes that an individual poses a clear and immediate threat of serious violence.

If there is no reasonably apparent imminent threat present or once such an imminent threat is contained, the threat assessment team will meet to evaluate and respond to the threatening behavior. The superintendent may, but is not required to, review the following types of information:

- Review of the threatening behavior and/or communication;
- Interviews with the individuals involved including students, staff members, and family members as necessary and/or appropriate;
- Review of school and other records for any prior history or interventions with the students involved;
- Any other investigatory methods that the law enforcement unit determines to be reasonable and useful.
- The superintendent must confer with at least one member of the school's guidance counseling staff as part of his/her investigation. If the threat has been made by, or is directed towards, a student with a disability, the superintendent must confer with a staff member who is knowledgeable about special education services or Section 504 of the Rehabilitation Act, as appropriate.

At the conclusion of the investigation, the superintendent will determine what, if any, response to the threat is appropriate. The superintendent is authorized to disclose the results of his/her investigation to law enforcement and to the target(s) of any threatened acts. The superintendent may refer the individual of concern to the appropriate school administrator for consequences under the school's student discipline policy or, if appropriate, report the results of his/her investigation to the student's individualized education plan team.

Regardless of threat assessment activities, disciplinary action and referral to law enforcement will occur consistent with board policy and Nebraska law.

4. Communication with the Public about Reported Threats

To the extent possible, the superintendent will keep members of the school community informed about substantive threats and about the District's

response to those threats. This communication may include oral announcements, written communication sent home with students, and communication through print or broadcast media. However, the superintendent will not reveal the identity of the individual of concern or of any target(s) of threatened violence unless permitted by law.

5. Coordination with the Crisis Team After Resolution of Threat
The superintendent will confer with the district's crisis team after a threat has been investigated to provide the crisis team with information that the crisis team may use in assessing or revising the district's All-Hazard School's Safety Plan.

Transportation Services

The district operates school buses as a convenience for students and parents. They represent a substantial investment, and students are expected to care for and respect them.

Transportation to School

Students who ride the bus to school will arrive in time for them to eat breakfast at school. Parents must contact their bus driver if a student will not ride the bus on a given day. Bus drivers endeavor to adhere to their schedule, and will wait for riders only a short period of time so as not to jeopardize the time remaining for the rest of their schedule.

Non-resident or option enrollment students may ride the buses, but they will be charged a fee to be established by the board of education. The Superintendent will schedule bus routes, and questions concerning them should be directed to that office.

Bus Regulations

Riding school vehicles is a privilege, not a right. The bus drivers have the same authority as teachers while transporting students. Students must comply with the following rules and all school conduct rules and directives while riding in school vehicles. In addition, students must also comply with the student code of conduct while riding in school vehicles. If misconduct is recurring, the student will not be allowed to ride the bus.

a) **Rules of Conduct on School Vehicles:**

1) Students must obey the driver promptly.

2) Students must wait in a safe place for the bus to arrive, clear of traffic and away from where the vehicle stops.

3) Students are prohibited from fighting, engaging in bullying, harassment, or horseplay.

4) Students must enter the bus without crowding or disturbing others and go directly to their assigned seats.

5) Students must remain seated and keep aisles and exits clear while the vehicle is moving.

6) Students are prohibited from throwing or passing objects on, from, or into vehicles.

7) Students may not use profane language, obscene gestures, tobacco, alcohol, drugs, or any other controlled substance on the vehicles.

8) Students may not carry weapons, look-a-like weapons, hazardous materials, nuisance items, or animals onto the vehicle.

9) Students may carry on conversations in ordinary tones, but may not be loud or boisterous and should avoid talking to the driver while the vehicle is in motion. Students must be absolutely quiet when the vehicle approaches a railroad crossing and any time the driver calls for quiet.

10) Students may not open windows without permission from the driver. Students may not dangle any item (e.g. legs, arms, backpacks) out of the windows.

11) Student must secure any item or items that could break or produce injury if tossed about the inside of the vehicle if the vehicle were involved in an accident

12) Students must respect the rights and safety of others at all times.

13) Students must help keep the vehicle clean, sanitary, and orderly. Students must remove all personal items and trash upon exiting.

14) Students may not leave or board the vehicle at locations other than the assigned stops at home or school unless approved prior to departure by the superintendent or designee.

15) Video cameras may be placed on buses, at random, to monitor student behavior on the bus.

b) **Consequences**

Drivers must promptly report all student misconduct to the administration. These reports may be oral or written. Students who violate the Rules for Conduct will be referred to their building principal for discipline. Disciplinary consequences may include a note home to parents, suspension of bus riding

privileges, exclusion from extracurricular activities, in-school suspension, short term or long term suspension from school, and/or expulsion.

These consequences are not progressive, and school officials have discretion to impose any listed punishment they deem appropriate, in accordance with state and federal law and board policy.

c) **Records**

Records of vehicle misconduct will be forwarded to the appropriate building principal and will be maintained in the same manner as other student discipline records. Reports of serious misconduct may be forwarded to law enforcement.

Requests to be dropped off at a point **not** on the regular route will not be accommodated, unless extenuating circumstances arise and the request is approved by the transportation director or administration.

Students who are not regular route riders may not ride the bus home with a friend, unless the parent of the non-route student presents written permission to the bus driver ahead of time. The written permission should include the date, the non-route rider's name, the signature of the non-rider's parent, and the place approved for drop off. Such requests may not be granted if they cause overcrowding of the vans or buses (Vans-10 riders only, plus driver).

Transportation to Activities

The school district provides transportation to students who are participating in school-sponsored events and they must ride to those events in a school vehicle. Students who wish to take private transportation home from a school event must submit a release form to the sponsor that has been signed by that student’s parent.

Video Surveillance and Photographs

The Board of Education has authorized the use of video cameras on school district property to ensure the health, welfare, and safety of all staff, students and visitors, and to safeguard District facilities and equipment. Video cameras may be used in locations deemed appropriate by the Superintendent. If a video surveillance recording captures a student or other building user violating school policies or rules or local, state, or federal laws, it may be used in appropriate disciplinary proceedings against the student or other building user and may also be provided to law enforcement agencies.

Recordings Made by Parents/Guardians and Patrons. Parents/guardians and patrons may make recordings of school activities intended to be public in a non-disruptive manner including things like athletic contests and school board meetings to the extent permitted by law unless otherwise lawfully restricted by the administration. Parents/guardians or patrons may not make recordings if they are volunteering or visiting school during the school day without permission of the administration or supervising staff member and subject to this policy, such as recording their child's classroom activities or recess. Parents may not record meetings with administrators or staff, including meetings related to a student's IEP or 504 Plan. Violation of this policy will result in immediate termination of any meeting that is being recorded and may be grounds for exclusion from school property, loss of volunteer privileges, or other restrictions deemed appropriate by the administration.

Recordings Made by Students. This policy applies to students during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event. Students may make recordings of school activities in a non-disruptive manner including things like athletic contests and other extracurricular performances to the extent permitted by law. Students generally are not permitted to record classroom instruction or members of the school community during the school day without the express consent of a staff member or as required by the student's education plan. Student use of assistive technology that has the capacity to record and/or transmit recordings (e.g. AngelSense) must be approved by the student's education team or administration. Students remain subject to all other district policies and rules. In no event shall recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy. Students who violate this policy may be subject to discipline up to and including expulsion.

Weather-Related School Closing

The Superintendent will occasionally announce an emergency early school dismissal, late start, or cancellation of school due to extreme heat, snow, or ice. School closings will be announced on radio station KRVN and television station NTV. The School Reach system will also be used and the notice will be posted on the school website and Facebook Page. Parents should assume that school is open and a regular schedule is being followed if there is no announcement concerning the school district. Please do not call the school or individual staff members to find out whether school is being canceled. Parents who do not believe it is safe to transport their students to school may keep their students home after contacting the district office.

If schools are closed due to severe weather conditions, all after-school activities will be canceled.

Withdrawal From School

Students who are moving from the district must notify the school office.

Work Permits

The building principal or other authorized school official shall be responsible for the issuance of work permits for children in accordance with state law.

SECTION TWO: ACADEMIC INFORMATION

Academic Lettering

A student in grades 9-12 is eligible for an academic letter if he/she achieves Honor Roll status in any three of the four quarters in a year.

Certificate of Attendance

To qualify for a Certificate of Attendance, which will be awarded at a time other than the commencement exercises, a student must: 1) attend four complete years of high school; and 2) accumulate (250) hours of classroom credit hours. Students may not participate in commencement exercises to receive a Certificate of Attendance except as provided by law.

Class Rank

Student class rank shall be determined by using a numeric grade point average derived from all classes graded on a numeric basis. To be included in the class ranking, a student must have received a numeric grade for each core curriculum class in which he/she was enrolled. For the purposes of this policy, core curriculum shall include all courses in the areas of language arts, mathematics, science, and social studies.

Students who transfer into the school district will be eligible to be included in class ranking after two semesters of attendance.

Students who transfer into the school district in the middle of their senior year will be eligible to be included in class ranking, although a mid-year transfer will not displace the ranking of a student who has not transferred mid-year. In those circumstances there will be two students holding the relevant class ranking. Mid-year transfer students will not be eligible to receive senior awards such as valedictorian and salutatorian unless the

student has been enrolled in the district's high school for the last two semesters.

Credit for Non-Academic Work

Credit is not awarded for participation in extracurricular activities such as sports, speech, drama, etc. However, all such activities in which the student participates, as well as honors earned, are noted on the student's permanent record.

Correspondence and Online Courses

Under certain circumstances, the school district will reimburse students for the cost of tuition, textbooks, and other mandatory class materials for high school correspondence or online courses that are not part of the school district's regular curriculum. To receive reimbursement, the student must: 1) pay all initial course costs when he/she registers for the course; 2) select a course that is not available in the school curriculum, nor is any comparable course available; 3) register for the course during a specific school period; 4) have a faculty member designated as course monitor; and 5) complete the course during the regular school semester(s).

The district will not be liable for the costs of such courses until the student has successfully completed the course according to the established timelines. After the student has completed the course and the district has reimbursed the student for these costs, the textbooks and class materials shall become the property of the district.

Grades

Students will receive letter grades for their academic core classes.

The middle and high school grading system is as follows:

A	Superior	100% - 93%
B	Above Average	92% - 86%
C	Average	85% - 78%
D	Unsatisfactory/Below Average	77% - 70%
F	Failing (no credit)	69% - 0%
I	Incomplete	

A student may earn an incomplete when he or she fails to complete classroom assignments. Any student in grades 7-11 who receives an incomplete will have this grade recorded on his/her permanent record until the required work is completed to the teacher's satisfaction. If a student does not remove an incomplete by completing the minimum classroom assignments, the incomplete will be calculated as a failing grade in determining the student's grade point average.

If a student does not remove an incomplete by completing the necessary work within two weeks of the end of the grading period, the incomplete will become a failing grade that the student may make up only by taking the entire course again. The two-week period may be extended by mutual agreement of the teacher, principal, and student.

A student who receives an incomplete during his/her senior year must satisfactorily complete the classroom assignments to participate in the graduation ceremony. Seniors with incompletes will not be dismissed from school attendance until the classroom assignments are completed to the teacher's satisfaction.

Graduation Awards

Graduating seniors will be awarded for their academic achievements during the annual commencement activities. The winners of these awards will be determined on the basis of student academic achievement in the core curriculum: English, mathematics, science, social studies, career education, foreign language, and computer science.

The valedictorian and salutatorian of the graduating class shall be the students with the highest and second highest high school cumulative GPA Points 4.0 weighted respectively in core curriculum course work completed in grades nine through twelve. These students will receive their awards during commencement exercises.

Students whose cumulative grade point average in core curriculum course work completed in grades nine through twelve ranks them in the top twenty-five percent of their class and will be recognized during commencement exercises.

Graduation Requirements

Students must earn (255) total credit hours in order to graduate from high school.

Required courses and credit hours that students must complete in order to qualify for the Sumner-Eddyville-Miller High School Diploma are:

COURSE REQUIREMENTS	CREDIT HOURS
English	40
Math	30
Social Science (American History and Government required)	30
Science	30
Fine Arts	10
Vocational/Career	30
Physical Education/Health	10
Electives	60
Personal Finance/College & Career Readiness	10
Introduction to Computer Science	5

Transfer students must meet the minimum hour requirement for graduation both in terms of total number and specific subject areas. Substitutions may be made for deficiencies in required courses, provided that it was not possible to include the courses on the student's schedule while enrolled at this school district.

Students who receive special education services are mainstreamed into the regular education curriculum when appropriate. The curriculum content of regular education classes may be modified to accommodate the individual needs and abilities of verified special education students. Each curriculum modification will be included on the student's Individual Education Plan by the Multi-Disciplinary Team and/or school staffing teams composed of special and regular education staff. Hours in special education will be counted toward a high school diploma.

Parents of students who may not qualify for their high school diploma because of academic deficiencies will be notified of this possibility by the beginning of the second semester of the student's senior year.

Homework

Classroom teachers will often assign homework. Parents who have questions about homework or concerns about class work should contact the teacher. Questions not resolved by the teacher should be referred to the administration.

Each student is expected to spend some time preparing for studies outside of school hours. The amount of time that is needed will depend upon each student. Normally, at least an hour a day should be spent in preparing for an average assignment.

Students who struggle to complete assignments or who must spend an inordinate amount of time completing an assignment should seek the help and advice of their teachers and consult with the principal and/or the guidance counselor.

Honor Roll

To qualify for the honor roll, students must be enrolled in a minimum of seven (8) classes, four of which must be from the core curriculum of English, mathematics, science, social studies, career education, and foreign language, Students who earn a quarter or semester academic average of 94% or better with no grade in any class lower than 85% will qualify for the honor roll.

Report Cards

Report cards are sent home the week following the end of the nine-week reporting period. Student grades can be checked via powerschool at any time. Please contact the office if you have any questions about accessing Powerschool.

Ineligible for Extracurricular Activities

Students that are failing two or more classes will be ineligible to participate in extracurricular activities. The student grade list will be generated at 8:00 on Tuesday mornings. Students that have two grades under 70% will be ineligible for all extracurricular activities until the following Tuesday, regardless of their grades rising to or above 70% during the week. Extracurricular activities include sports, one-act, speech, music, FBLA, FFA, dances, Quiz Bowl, and any other activities that are not part of the school day. If the activity is during the school day, ineligible students will not be excused from school to attend the activity. (Ex. JH Game) If the activity is after the school day, the student may attend the activity as part of the team or group, but is not allowed to participate. (Ex. JV or Varsity competition)

SECTION THREE: STUDENT DISCIPLINE

General Discipline Philosophy

The school district has the authority to discipline students who behave inappropriately on the way to school, at school, during lunch, on the way home, and at all school activities (home and away or any time while on school or district property).

The school district's discipline is guided by the following principles:

1. The school district's discipline policy is intended to ensure that students take responsibility for their behavior.

2. Behavior expectations and the consequences for failing to meet those expectations will be clearly communicated to all students and their parents.

3. The severity of consequences for violating behavior expectations will generally be progressive in nature. That is, sanctions will increase with each instance of misconduct; however, each instance will be assessed on its own facts, and sanctions will be imposed based on the severity of the misconduct.

4. Parents play a vital role in supporting and reinforcing the school district's expectations of their students.

5. Behavior expectations apply to all students; consequences are enforced consistently without regard to a student's academic record or achievement.

Extracurricular activities including athletics, cheerleading, band, chorus, and club activities, are governed by the Student Activity Handbook. Students who are involved in extracurricular activities may face consequences related to the activity in addition to the consequences discussed in this handbook.

The school district reserves the right to refer to the appropriate non-school agency any act or conduct of its students which may constitute a crime under federal, state, county, or local law. The administration will cooperate with these agencies in their investigations.

Forms of School Discipline

Administrative and teaching personnel may take actions regarding student behavior that are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions

may include, but need not be limited to, counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. The actions may also include in-school suspensions during the day or mandatory attendance at Saturday school. When in-school suspensions, after-school assignments, Saturday School, or other disciplinary measures are assigned, the student is responsible for complying with such disciplinary measures; a failure to serve such assigned discipline as directed will serve as grounds for further discipline, up to expulsion from school. District administrators may develop building-specific protocols for the imposition of student discipline.

In this section, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this section shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or his or her parent or guardian.

Any student who is suspended or expelled from school pursuant to this section may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

After School Sessions and Detentions

Teachers and administrators may require students to stay after school or to serve detention when the student violates any of the rules contained in this handbook or violates classroom-specific conduct rules set by individual teachers.

Students who ride the bus home from school will be given a 24-hour notice of after-school time or a detention so that the parents may make plans to pick up the student the following day.

- After-school sessions will not exceed 30 minutes from the time of dismissal and are to be served in the teacher's room. A student who fails to attend an after school session may be given

detention by the teacher or may face additional disciplinary consequences up to and including long-term suspension and/or expulsion. A student who has a conflict with an after-school session is responsible for working it out with the teacher.

- Detentions are 30 minutes, served in the central office or the detention room designated by the building principal.

In-School Suspension

The building administrator may require a student to serve in-school suspension. Students may be required to attend up to six hours per day of school-sponsored suspension a day at a designated location where they will study and participate in campus clean up. There will be zero tolerance for behavior problems from students placed in in-school suspension. Students not completing their In-School Suspension will face further disciplinary action.

Emergency Exclusion

Students may be emergency excluded from school pursuant to the board's separate policy on emergency exclusion or state law.

Short-Term Suspension

The Principal or the Principal's designee may exclude a student from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or

2. Other violations of rules and standards of behavior adopted by the board of education or the administrative or teaching staff of the school, which occur on or off school grounds, if such conduct interferes with school purposes or there is a nexus between such conduct and school.

The following process will apply to short-term suspensions:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.

2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student

will be advised of what he/she is accused of having done, an explanation of the evidence the authorities have, and an opportunity to explain his/her version of the facts.

3. Within 24 hours or such additional time as is reasonably necessary following the suspension, the Principal will send a written statement to the student and the student's parent or guardian, describing the student's conduct, misconduct, or violation of the rule or standard and the reasons for the action taken. An opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal ordering the short-term suspension before or at the time the student returns to school. The Principal shall determine who, in addition to the parent or guardian, is to attend the conference.

4. Students who are short-term suspended will be given the opportunity to complete classwork, including but not limited to examinations, under the following conditions: The course work is completed and turned in at the completion of the suspension.

Weapons and/or Firearms

No student may bring, possess, handle or transmit a firearm on school grounds, in a school owned vehicle, or at a school activity or event off school grounds, except as permitted by this policy

Definition of Firearm. The term "firearm", as defined in 18 U.S.C. 921 means any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or firearm silencer, or any destructive device (excluding an antique firearm).

Exceptions Regarding Firearms. The only exceptions for a students to bring or possess a weapon, including a firearm, are as follows:

1. The issuance of firearms to or possession of firearms by members of the Reserve Officers Training Corps when training or
2. Firearms which may lawfully be possessed by the person receiving instruction under the immediate supervision of an adult instructor who may lawfully possess firearms.

Consequences - Firearm. Any student who brings a firearm, as that term is defined in 18 United States Code 921, to school will be expelled from school for one calendar year. The superintendent of schools and the board

of education shall have the authority to modify the expulsion requirement on a case-by-case basis.

Long-Term Suspension

Students may be excluded by the Principal from school or any school function for a period of more than five school days but less than twenty school days (long-term suspension) for any conduct constituting grounds for expulsion as hereinafter set forth. The process for long-term suspension is set forth below.

Pre-Kindergarten through Second Grade Students
An elementary school shall not suspend a student in pre-kindergarten through second grade unless the student brings a deadly weapon as defined in section 28-109 on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or his or her designee, or at a school-sponsored activity or athletic event. As an alternative to suspension, the school district may take any action authorized by law, including those provided in section 79-258

Expulsion
1. **Meaning of Expulsion.** Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.

2. **Summer Review**. Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances

occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise, the student may be readmitted by action of the Superintendent.

3. **Suspension of Enforcement of an Expulsion**: Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.

4. **Alternative School or Pre-expulsion Procedures.** The school shall provide either an alternative school, class or educational program for expelled students or shall follow the pre-expulsion procedures outlined in Neb. Rev. Stat. 79-266.

Due Process Afforded to Students Facing Long-term Suspension or Expulsion

The following procedures shall be followed with regard to any long-term suspension, expulsion, or mandatory reassignment.

1. On the date of the decision to discipline, the Principal shall file with the Superintendent a written charge and a summary of the evidence supporting such charge.

2. The Principal shall serve the student and the student's parents or guardian with a written notice by registered or certified mail or personal service within two school days of the date of the decision to recommend long-term suspension or expulsion. The notice shall include the following:

a. The rule or standard of conduct allegedly violated and the acts of the student alleged to constitute a cause for long-term suspension, expulsion, or mandatory reassignment, including a summary of the evidence to be presented against the student;

b. The penalty, if any, which the principal has recommended in the charge and any other penalty to which the student may be subject;

c. A statement that, before long-term suspension, expulsion, or mandatory reassignment for disciplinary purposes can be invoked, the student has a right to a hearing, upon request, on the specified charges;

d. A description of the hearing procedures provided by the act, along with procedures for appealing any decision rendered at the hearing;

e. A statement that the principal, legal counsel for the school, the student, the student's parent, or the student's representative or guardian has the right (i) to examine the student's academic and disciplinary records and any affidavits to be used at the hearing concerning the alleged misconduct and (ii) to know the identity of the witnesses to appear at the hearing and the substance of their testimony; and

F. A form on which the student, the student's parent, or the student's guardian may request a hearing, to be signed by such parties and delivered to the principal or superintendent in person or by registered or certified mail.

3. When a notice of intent to discipline a student by long-term suspension, expulsion, or mandatory reassignment is filed with the

superintendent, the student may be suspended by the principal until the date the long-term suspension, expulsion, or mandatory reassignment takes effect if no hearing is requested or, if a hearing is requested, the date the hearing examiner makes the report of his or her findings and a recommendation of the action to be taken to the superintendent, if the principal determines that the student must be suspended immediately to prevent or substantially reduce the risk of (a) interference with an educational function or school purpose or (b) a personal injury to the student himself or herself, other students, school employees, or school volunteers.

4. Nothing in this policy shall preclude the student, student's parents, guardian, or representative from discussing and settling the matter with appropriate school personnel prior to the hearing stage.

5. If a hearing is requested within five days after receipt of the notice, the Superintendent shall appoint a hearing officer who shall follow the "hearing procedures" outlined below.

6. If a hearing is requested more than five school days following the receipt of the written notice, but not more than thirty calendar days after receipt, the Superintendent shall appoint a hearing officer who shall follow the "hearing procedures" outlined below, except that the time constraints set forth may differ as provided by law and this policy. The student shall be entitled to a hearing but the consequence imposed may continue in effect pending final determination.

7. If a request for hearing is not received within thirty calendar days following the mailing or delivery of the written notice, the student shall not be entitled to a hearing.

In the event a hearing is requested, the hearing, hearing procedures, the student's rights and any appeals or judicial review permitted by law shall be governed by the applicable provisions of the Nebraska Student Discipline Act (Neb. Rev. Stat. § 79-254 to 79-294). The school district will provide parents with copies of the relevant statutes upon request.

Title IX Policy

It is the policy of the school district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any of the school district's programs or activities. The district is required by Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106 to not discriminate in such a manner.

1. **Title IX Coordinator**

1.1. **Designation.** The district will designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this policy, who will be referred to as the "**Title IX Coordinator**." The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment). This report may be made by any means, including but not limited to, in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours).

2. **Definitions.** As used in this policy, the following terms are defined as follows:

2.1. **Actual knowledge** means notice of sexual harassment or allegations of sexual harassment to any district employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only district employee with actual knowledge is the respondent (as that term is defined below). "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in subsection 1.1 above.

2.2. **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

2.3. **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. The only district official who is authorized to initiate the Grievance Process for Formal Complaints of Sexual Harassment against a respondent is the Title IX Coordinator (by signing a formal complaint). At the time of filing a formal complaint with the district, a complainant must be participating in or attempting to participate in the district's education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under subsection 1.1 above, and by any additional method designated by the district. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy or under 34 C.F.R. part 106, and will comply with the requirements of this policy and 34 C.F.R. part 106, including subsections 5.1.3–5.1.4 and 34 C.F.R. § 106.45(b)(1)(iii).

2.4. **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

2.5. **Consent** for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

2.6. **Sexual harassment** means conduct on the basis of sex that satisfies one or more of the following:

2.6.1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;

2.6.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity;

2.6.3. **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:

2.6.3.1. **Sex Offenses, Forcible**—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.

2.6.3.1.1. **Rape**—(Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

2.6.3.1.2. **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.1.3. **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.1.4. **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her

temporary or permanent mental or physical incapacity

2.6.3.2. **Sex Offenses, Non-forcible**—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.

2.6.3.2.1. **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law

2.6.3.2.2. **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent

2.6.4. **Dating violence**, as defined in 34 U.S.C. § 12291(a)(10), which means violence committed by a person—

2.6.4.1. who is or has been in a social relationship of a romantic or intimate nature with the victim; and

2.6.4.2. where the existence of such a relationship shall be determined based on a consideration of the following factors:

2.6.4.2.1. The length of the relationship.

2.6.4.2.2. The type of relationship.

2.6.4.2.3. The frequency of interaction between the persons involved in the relationship.

2.6.5. **Domestic violence**, as defined in 34 U.S.C. § 12291(a), which includes felony or misdemeanor crimes committed by a current or former spouse or intimate partner of the victim, under the family or domestic violence laws of the jurisdiction receiving grant funding and, in the case of victim services,includes the use or attempted use of physical abuse or sexual abuse, or a pattern of any other coercive behavior committed, enabled, or solicited to gain or maintain power and control over a victim, including verbal, psycholoical, ecoomic, or technological abuse that may or may not constitute criminal behavior, by a person who-

2.6.5.1. Is a current or former spouse or intimate partner

of the victim, or person similarly situated to a spouse of the victim;

2.6.5.2. Is cohabitating, or has cohabitation, with the victim as a spouse or intimate partner;

2.6.5.3. Shares a child in common with the victim; or

2.6.5.4. Commits acts against a youth or adult victim who is protected from those acts under the family or domestic violence laws of the jurisdiction.

2.6.6. **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

2.6.6.1. fear for his or her safety or the safety of others; or

2.6.6.2. suffer substantial emotional distress.

2.7. **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

3. Discrimination Not Involving Sexual Harassment.

3.1. **General Prohibition.** Except as provided elsewhere in Title IX, 34 C.F.R. Part 106, or this policy, no person shall, on the basis of sex,

be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by the district.

3.2. **Specific Prohibitions.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, in providing any aid, benefit, or service to a student, the district will not on the basis of sex:

3.2.1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

3.2.2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

3.2.3. Deny any person any such aid, benefit, or service;

3.2.4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;

3.2.5. Apply any rule concerning the domicile or residence of a student or applicant;

3.2.6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;

3.2.7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

3.3. **Complaint Procedure.** All complaints regarding any alleged discrimination on the basis of sex, including without limitation violations of this policy, 34 C.F.R. part 106, Title IX, Title VII, or other state or federal law—when the alleged discrimination does not arise from or relate to an allegation of sexual harassment as defined in subsection 2.6 above—shall be addressed pursuant to the district's general complaint procedure, Board Policy 2006

4. Response to Sexual Harassment

4.1. **Reporting Sexual Harassment.** Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the District's Title IX Coordinator. No person will be retaliated against based on any report of suspected sexual harassment or retaliation.

Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

4.2. **General Response to Sexual Harassment.** When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. The district will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this policy "education program or activity" includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district's response will treat complainants and respondents equitably by offering supportive measures as defined in subsection 2.7 above to a complainant, and by following the grievance process described in section 5 below before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

4.3. **Emergency Removal.** Nothing in this policy precludes the district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. In the event that the district removes a respondent on an emergency basis, then the district will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

4.4. **Administrative Leave.** Nothing in this policy precludes the district from placing a non-student employee respondent on

administrative leave during the pendency of a grievance process that complies with section 5 below. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

4.5. **General Response Not Conditioned on Formal Complaint.** With or without a formal complaint, the district will comply with the obligations and procedures described in this section 4.

5. Grievance Process for Formal Complaints of Sexual Harassment.

5.1. General Requirements.

5.1.1. **Equitable Treatment.** The district will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following the grievance process described in this section 5 before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies will be designed to restore or preserve equal access to the district's education program or activity. Remedies may include the same individualized services described in subsection 2.7 as "supportive measures"; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

5.1.2. **Objective Evaluation.** This grievance process requires an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a complainant, respondent, or witness.

5.1.3. **Absence of Conflicts of Interest or Bias.** The district will require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

5.1.4. **Training.** The district will ensure that all individuals or entities described in this Training section 5.1.4 receive training as provided below. Any materials used to train these individuals will not rely on sex stereotypes and will promote impartial

investigations and adjudications of formal complaints of sexual harassment.

5.1.4.1. **All District Employees and Board Members**. All district employees and board members will be trained on how to identify and report sexual harassment.

5.1.4.2. **Title IX Coordinators, Investigators, Decision-Makers, or Informal Resolution Facilitators.** The district will ensure that Title IX Coordinators, investigators, decision-makers, or any person designated by the district to facilitate an informal resolution process receive training on:

5.1.4.2.1. The definition of sexual harassment in subsection 2.6;

5.1.4.2.2. The scope of the district's education program or activity;

5.1.4.2.3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and

5.1.4.2.4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

5.1.4.3. **Decision-Makers.** The district will ensure that decision-makers receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in subsection 5.6.

5.1.4.4. **Investigators.** The district will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in subsection 5.5.8.

5.1.5. **Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

5.1.6. **Reasonably Prompt Time Frames.** This grievance process shall include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes. The process shall also allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

5.1.7. **Range of Possible Sanctions and Remedies.** Following a determination of responsibility, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion.

5.1.8. **Range of Supportive Measures**. The range of supportive measures available to complainants and respondents include those listed in subsection 2.7.

5.1.9. **Respect for Privileged Information.** The district will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

5.2. **Notice of Allegations.**

5.2.1. **Initial Notice.** Upon receipt of a formal complaint, the district will provide the following written notice to the parties who are known:

5.2.1.1. A copy of this policy.

5.2.1.2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in subsection 2.6, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the

identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, under subsection 5.5.5, and may inspect and review evidence under subsection 5.5.5. The written notice will inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

5.2.2. **Supplemental Notice.** If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Initial Notice described above, the district will provide notice of the additional allegations to the parties whose identities are known.

5.3. **Dismissal of Formal Complaint.**

5.3.1. The district will investigate the allegations in a formal complaint.

5.3.2. **Mandatory Dismissals.** The district **must** dismiss a format complaint if the conduct alleged in the formal complaint:

5.3.2.1. Would not constitute sexual harassment as defined in subsection 2.6 even if proved;

5.3.2.2. Did not occur in the district's education program or activity; or

5.3.2.3. Did not occur against a person in the United States.

5.3.3. **Discretionary Dismissals**. The district **may** dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing:

5.3.3.1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;

5.3.3.2. The respondent is no longer enrolled in or employed by the district; or

5.3.3.3. Specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

5.3.4. Upon a dismissal required or permitted pursuant to subsections 5.3.2 or 5.3.3 above, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.

5.3.5. Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

5.4. **Consolidation of Formal Complaints.** The district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular "party," "complainant," or "respondent" include the plural, as applicable.

5.5. **Investigation of Formal Complaint.** When investigating a formal complaint and throughout the grievance process, the district will:

5.5.1. Designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint;

5.5.2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician,

psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the district will obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);

5.5.3. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;

5.5.4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;

5.5.5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

5.5.6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;

5.5.7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district will send to each party and the party's advisor, if any, the evidence subject to

inspection and review in an electronic format or a hard copy, and the parties will have at least 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report; and

5.5.8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 calendar days prior to the time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

5.6. Determination Regarding Responsibility

5.6.1. **Decision-Maker(s).** The decision-maker(s) cannot be the same person as the Title IX Coordinator or the investigator(s).

5.6.2. **Exchange of Written Questions.** After the district has sent the investigative report to the parties pursuant to subsection 5.5.8, but before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

5.6.3. **Written Determination.** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) will apply the preponderance of the evidence standard. The written determination will include:

5.6.3.1. Identification of the allegations potentially constituting sexual harassment as defined in subsection 2.6;

5.6.3.2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the

parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;

5.6.3.3. Findings of fact supporting the determination;

5.6.3.4. Conclusions regarding the application of the district's code of conduct to the facts;

5.6.3.5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and

5.6.3.6. The district's procedures and permissible bases for the complainant and respondent to appeal.

5.6.4.. The district will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

5.6.5. The Title IX Coordinator is responsible for effective implementation of any remedies.

5.7. **Appeals**. The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

5.7.1. **Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools within ten (10) calendar days of the date of the respective written determination of responsibility or dismissal from which the appeal is taken. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds

(from subsection 5.8.2 below) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy, 34 C.F.R. part, 106, and Title IX.

5.7.2. **Grounds for Appeal.** Appeals from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, are limited to the following grounds:

5.7.2.1. Procedural irregularity that affected the outcome of the matter;

5.7.2.2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

5.7.2.3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

5.7.3. As to all appeals, the district will:

5.7.3.1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;

5.7.3.2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;

5.7.3.3. Ensure that the decision-maker(s) for the appeal complies with the standards set forth in subsections 5.1.3–5.1.4.

5.7.3.4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;

5.7.3.5. Issue a written decision describing the result of the appeal and the rationale for the result; and

5.7.3.6. Provide the written decision simultaneously to both parties.

5.8. **Informal Resolution.** The district will not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, the district will not require the parties to participate in an informal resolution process under this section and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

5.8.1. Provides to the parties a written notice disclosing;

5.8.1.1. The allegations;

5.8.1.2. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;

5.8.1.3. That at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and

5.8.1.4. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;

5.9.2. Obtains the parties' voluntary, written consent to the informal resolution process; and

5.9.3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

5.9. **Recordkeeping**.

5.9.1. The district will maintain for a period of seven years records of:

5.9.1.1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;

5.9.1.2. Any appeal and the result therefrom;

5.9.1.3. Any informal resolution and the result therefrom; and

5.9.1.4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The district will make these training materials publicly available on its website, or if the district does not maintain a website then the district will make these materials available upon request for inspection by members of the public.

5.9.2. For each response required under section 4, the district will create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity. If the district does not provide a complainant with supportive measures, then the district will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

6. **Superintendent Authorized to Contract.** The board authorizes the Superintendent to contract for, designate, and appoint individuals to serve in the roles of the district's investigator(s), decision-maker(s), informal resolution facilitator(s), or appellate decision-maker(s) as contemplated by this policy.

7. **Access to Classes and Schools**.

7.1. **General Standard.** Except as provided in this section or otherwise in 34 C.F.R. part 106, the district will not provide or otherwise carry out any of its education programs or activities separately on the basis of sex, or require or refuse participation therein by any of its students on the basis of sex.

7.1.1. **Contact sports in physical education classes.** This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

7.1.2. **Ability grouping in physical education classes.** This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

7.1.3. **Human sexuality classes.** Classes or portions of classes that deal primarily with human sexuality may be conducted in separate sessions for boys and girls.

7.1.4. **Choruses.** The district may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

7.2. **Classes and Extracurricular Activities.** The district may provide nonvocational single-sex classes or extracurricular activities as permitted by 34 C.F.R. part 106.

8. **Athletics.** It is the policy of the district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, club, or intramural athletics offered by the district, and that the district will not provide any such athletics separately on such basis.

8.1. **Separate Teams.** Notwithstanding the foregoing paragraph, the district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.

8.2. **Equal opportunity.** The district will provide equal athletic opportunity for members of both sexes. Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams will not constitute noncompliance with this section.

9. **Certain Different Treatment on the Basis of Sex Permitted.** Nothing herein shall be construed to prohibit the district from treating persons differently on the basis of sex as permitted by Title IX or 34 C.F.R. part 106. For example, and without limiting the foregoing, the district may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

10. **Retaliation Prohibited.** Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

10.1. **Specific Circumstances**.

10.1.1. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section.

10.1.2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

11. **Notification of Policy.** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. Part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

12. **Publication of Policy.** The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).

13. **Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.

14. **Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

SECTION FIVE-Goals for Nutrition

The school district is committed to providing a school environment that enhances learning and the development of lifelong wellness. The goals

outlined in this policy were determined and selected after reviewing and considering evidence-based strategies.*

1. Goals for Nutrition Promotion and Education

a. The district will promote healthy food and beverage choices for all students, as well as encourage participation in school meal programs by such methods as implementing evidence-based healthy food promotion techniques through the school meal programs and promoting foods and beverages that meet or exceed the USDA Smart Snacks in School nutrition standards.

b. The health curriculum will include information on good nutrition and healthy living habits.

c. Teachers will incorporate information on nutrition and wellness into the classroom curriculum as appropriate.

d. The district will collaborate with public and private entities to promote student wellness.

e. Water will be made available to students throughout the school day.

2. Goals for Physical Activity

a. The school district's curriculums shall include instruction on physical activity and habits for healthy living.

b. Students will be encouraged to engage in physical activities throughout the school day and will be provided with opportunities to do so.

c. The district encourages parents and guardians to support their children's participation in physical activity, to be physically active role models, and to include physical activity in family events.

3. Goals for Other School-Based Activities Designed to Promote Student Wellness

a. The district will participate in state and federal child nutrition programs as appropriate.

b. The district will provide professional development, support, and resources for staff about student wellness.

c. Students will be provided sufficient time in which to eat school-provided meals.

d. The district's lunchrooms will be attractive and well-lighted.

e. The district will allow other health-related entities to use school facilities for activities such as health clinics and screenings so long as the activities meet the district's requirements and criteria for the use of facilities.

f. The district may partner with other individuals or entities in the community to support the implementation of this policy.

g. The district will strive to provide physical activity breaks for all students, recess for elementary students, and before and after school activities, as well as encourage students to use active transport (walking, biking, etc.)

h. The district will use evidence-based strategies to develop, structure, and support student wellness.

4. Standards and Nutrition Guidelines for All Foods and Beverages Sold to Students on the School Campus and During the School Day

a. The district will ensure that student access to foods and beverages meet federal, state and local laws and guidelines including, but not limited to:

i. USDA National School Lunch and School Breakfast nutrition standards

ii. USDA Smart Snacks in School nutrition standards.

b. The district will offer students a variety of age-appropriate, healthy food and beverage selections with plenty of fruits, vegetables, and whole grains aimed at meeting the nutrition needs of students within their calorie requirements in order to promote student health and reduce childhood obesity.

5. Standards for All Foods and Beverages Provided, But Not Sold to Students During the School Day

The district may provide a list of healthy party ideas or food and beverage alternatives to parents, teachers, and students for classroom parties, rewards and incentives, or classroom snacks. The district discourages the use of food and beverages as a reward or incentive for performance or behavior.

6. Food and Beverage Marketing

Marketing and advertising is only allowed on school grounds or at school activities for foods and beverages that meet or exceed the USDA Smart Snacks in School nutrition standards, except as follows:

a. This requirement does not apply to marketing that occurs at events outside of school hours such as after school sporting or any other events, including school fundraising events.

b. The district will not immediately replace menu boards, coolers, tray liners, beverage cups, and other food service equipment with depictions of noncompliant products or logos to comply with the new USDA Smart Snacks in Schools nutrition requirements. All previously purchased products will be used, and all existing contracts honored.

c. All equipment that currently displays noncompliant marketing materials will not be removed or replaced (e.g., a scoreboard with a Coca-Cola logo). However, as the district reviews and considers new contracts, and as scoreboards or other such durable equipment are replaced or updated over time, any products that are marketed and advertised will meet or exceed the USDA Smart Snacks in School nutrition standards

7. Public Participation

Parents, students, representatives of the school food authority, teachers, school health professionals, board members, school administrators, and members of the general public shall be allowed to provide their input to the school district during the wellness policy adoption and review process.

8. Competitive Foods (Includes Food and Beverages Sold in Vending Machines, School Stores, Fundraisers).

a. Definitions. "Competitive food" means all food and beverages other than meals reimbursed under programs authorized by the Richard B. Russell National School Lunch Act and the Child Nutrition Act of 1966 available for sale to students on the school campus during the school day. For the purpose of competitive food standards implementation, "school day" means the period from the midnight before to 30 minutes after the end of the official school day.
b. Applicability. Except as otherwise allowed by the Nebraska Department of Education (NDE) or applicable law, all competitive food sold during the school day must meet the USDA Smart Snacks Standards and the nutrition standards found in 7 CFR 8, 210.11. The competitive food restrictions do not apply to food sold during non-school day hours, weekends, and off-campus fundraising events such as concessions during after-school sporting events, school plays or concerts; or to bulk food items that are sold for consumption at home. (Ex; frozen pizzas, cookie dough tubs, etc.)
c. Fundraising Exemptions. A special exemption is allowed for the sale of food and/or beverages that do not meet the competitive food standards as required in this section for the purpose of conducting an infrequent school-sponsored fundraiser. The specially exempted fundraisers must not take place more than the frequency specified by NDE during such periods that schools are in session. No specially exempted fundraiser foods or beverages may be sold in competition with school meals in the food service area during the meal service.
d. Other Exemptions. The only other nutrition exemptions from the competitive food requirements are those found in 7 CFR 8, 210.11.

e. Other Limitations. No competitive food can be sold to children anywhere on school premises beginning one half hour before breakfast and/or lunch service until one half hour after meal service unless all proceeds earned during these time periods go to the school nutrition program.

9. Triennial Assessment

The school board shall assess and review this policy at least every three years to determine:

a. Compliance with this policy;

b. How this policy compares to NDE model wellness policies;

c. Progress made in attaining the goals of this policy.

The school board will update or modify this policy as appropriate.

10. Public Notice

In addition to identifying the topic on its meeting agenda as required by the Open Meetings Act, the school district will provide notice of this policy at least annually to the public and other stakeholders identified in this policy by one or more of the following methods: on its webpage, in its newsletter, in the student and employee handbooks, newspaper advertisements, direct mailings, electronic mail, and public postings.

In addition to identifying the topic on its meeting agenda as required by the Open Meetings Act, the school district will provide notice of the Triennial Assessment and progress reports towards meeting the goals in this policy using one or more of those same methods.

11. Recordkeeping

The District will retain records to document compliance with the requirements of the wellness policy at its central office.

12. Operational Responsibility

The superintendent is responsible for coordinating the implementation of this policy and for monitoring the district's progress in meeting the goals established by this policy. The superintendent will periodically report to the board on the district's progress in implementing this policy.

INTRODUCTION

This handbook provides information to persons who are employed by the school district and are referred to in this handbook as employees, staff, or staff members. It is designed to provide practical information about the daily operation of the schools in the district and contains building and district directories, safety and emergency information, as well as district policies and procedures. Each staff member should carefully review this handbook. The administration and the board of education continually review policies and procedures, so staff members should discuss comments, concerns, or suggestions about this handbook with their building principal or another member of the administrative staff.

This handbook does not create a "contract" of employment. Staff positions and assignments that do not require a teaching certificate or are not otherwise governed by the teacher tenure laws may be ended or changed on an at-will basis notwithstanding anything in this handbook or any other publication or statement, except a contract approved by the board of education.

Many situations may arise that are not covered by this handbook. In those instances, staff members should use their own good judgment or consult with the administration. If any information contained in this handbook conflicts with board policy or state statute, the policy or statute will govern.

The provisions in this handbook are subject to change at the sole discretion of the Superintendent and the Board of Education. From time to time, you may receive updated information concerning changes in the handbook. These updates should be kept within the handbook so that all procedures can be kept up to date. If you have any questions regarding this handbook, please ask your supervisor or the Superintendent for assistance.

Your suggestions about ways to improve the school are welcome and will always be considered.

Policy #4004
DRUG-FREE WORKPLACE REQUIREMENTS

It is vitally important to have a healthy workforce that is free from the effects of illegal drugs. The use or possession of unlawful drugs in the workplace has a very detrimental effect upon safety and morale of the affected employee, coworkers, and the public at large; and on productivity and the quality of work.

Federal law requires this school district, as a recipient of federal funds, to maintain a drug-free workplace. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in the district's workplace is prohibited. The term "workplace" includes every location where district employees may be found during their working hours or while they are on duty, regardless of whether the location is within the geographic boundaries of the district. Any employee who violates this policy will be disciplined with measures up to and including discharge. The district may, in its sole discretion, require or allow an employee who violates this policy to participate in and satisfactorily complete a drug abuse assistance or rehabilitation program.

The district shall provide every current employee with a copy of this policy, and shall provide each newly hired employee with a copy upon hiring. Every employee shall be required to signify receipt of a copy of the policy in writing. All district employees must abide by this policy, including those who are not directly engaged in the performance of work pursuant to a federal grant.

An employee must notify his/her supervisor of any conviction of a criminal drug statute for a violation occurring in the workplace within five days. The failure to report such a conviction will be grounds for dismissal. If the employee convicted of such an offense is engaged in the performance of work pursuant to the provisions of a federal grant, the district shall notify the grant agency within 10 days of receiving notice of a conviction from the affected employee or of receiving actual notice of such a conviction.

Adopted on: 12/13/2021

Board Policies, Rules, and Directives

The board of education has adopted policies that govern the operation of the school district. A complete policy manual is available on the district's website or in the main administrative office. These manuals will be updated as the board adopts new policies or modifies existing policies. In particular, the 4000 series deals with policies that affect personnel. Additionally, the Board has authorized the Superintendent and his or her designee to adopt rules and directives regarding the conduct of students, staff, and other persons. Many of these rules and directives are published in the Student Handbook, Staff Handbook, and Activity Handbook, respectively. Each of these handbooks are available on the district's website and in the main administrative office. **By signing below, you agree that you have read and understood these policies, handbooks, rules, and directives, their application to you, and that you have had an opportunity to discuss any questions with the administration**.

Child Abuse

School employees who have reasonable cause to believe that a child has been subjected to child abuse or neglect or observe a child being subjected to conditions or circumstances which reasonably would result in child abuse or neglect will report the suspected abuse or neglect according to the following procedure.

1. Any school employee who has reasonable cause to believe that a child has been abused or neglected shall report the suspicion to the building principal immediately. Employees shall also personally report or cause a report to be made to local law enforcement or to the Department of Health and Human Services.

2. When the principal makes a report of suspected child abuse or neglect, he/she shall inform the employee(s) who made the initial report.

3. Nothing in the paragraph above shall hinder a school employee from fulfilling his/her/their obligation to report suspected abuse or neglect if he, she or they have reasonable cause to believe that a child has been abused or neglected.

4. Any doubt or question in reporting such cases shall be resolved in the favor of reporting the suspected abuse or neglect. Consultation between the administrator and school employee is encouraged, keeping in mind that prompt reporting is essential.

Complaint Procedure

SEM Complaint Policy follows.

2006
Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to complaints unless the complaint is subject to a different procedure required by law, policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When those efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth in any specific policy addressing those areas or the procedures set forth below. Allegations of sex discrimination covered by Title IX will be addressed through the board's Title IX policy.

References to "coordinator" in this policy refer to the board-designated coordinator for the applicable area, such as the Section 504 Coordinator for allegations of disability-based discrimination.

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process.

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant reasonably believes speaking directly to the person would subject complainant or complainant's student to discrimination or harassment.

2. The second step is for the complainant to speak to the building principal, coordinator, superintendent of schools, or president of the board of education, as set forth below. Anyone with questions about the appropriate person to speak with may request clarification from the superintendent.

    a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.

    b) Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.

    c) Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.

    d) Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may also be submitted at any time during the complaint procedure to the applicable coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.

3. When a complainant submits a complaint to an administrator or coordinator, the administrator or coordinator shall first determine whether another applicable procedure is required by policy or law and if so, direct the complaint to the appropriate person to follow that procedure. If not, the administrator or coordinator will promptly and thoroughly investigate the complaint, and shall:

    a) Determine whether the complainant has discussed the matter with the respondent.

        1) If the complainant has not, urge the complainant to discuss the matter directly with the respondent, if appropriate.

        2) If the complainant refuses to discuss the matter with the respondent, the administrator or coordinator shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.

    b) Strongly encourage the complainant to reduce his or her concerns to writing.

    c) Interview the complainant and, if necessary, the respondent against whom the complaint is filed, to determine:

        1) All relevant details of the complaint;

        2) All witnesses and documents which the complainant believes support the complaint;

        3) The action or solution which the complainant seeks.

    d) Respond to the complainant. If the complaint involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the administrator or coordinator receives the complaint.

4. If either the complainant or the respondent is not satisfied with the decision he or she may appeal the decision to the superintendent. The superintendent may assign a qualified designee to hear any appeal. This provision applies to appeals under the board's policies governing complaints of discrimination or harassment, including Title IX and any other policy with a separate grievance or complaint procedure, unless that other procedure includes its own appeal process. All requirements

for appeals within any other policy apply, and in addition to those requirements, the following also apply.

a) The appeal must be in writing.

b) This appeal must be received by the superintendent no later than three (3) calendar days from the date of the decision.

c) For complaints addressed through other applicable procedures that do not include a separate investigatory process, the superintendent will investigate as he or she deems appropriate..

d) The superintendent will prepare a written decision and provide it to the complainant and any other person entitled by law to receive the appeal decision. For complaints involving discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal. Appeals to the superintendent from complaints involving discrimination or harassment are final once the superintendent delivers the written decision, as are all other appeals/complaints to the superintendent unless the complaint can be appealed on the limited grounds to appeal to the board below.

5. The board's role is to set policy, establish and implement a budget, and evaluate the superintendent. The board does not manage the daily operations of the school district entrusted to its administration unless required by law or policy. Because of the board's statutory roles, it does not hear complaints or appeals that may involve oversight or discipline of students, staff, or others, unless those involve the superintendent as discussed below. The board does not hear complaints or appeals based on allegations of discrimination or harassment unless otherwise required by law. The board will hear appeals only in the following circumstances:
   a) When the complaint is about a board policy, not implementation of the policy;
   b) When the complaint involves the budget or school expenditures that have been or must be approved by the board; or
   c) When the board is required by law, policy, or contract to hear a complaint or appeal.

   If a complaint involves those limited grounds and a party is not satisfied with the superintendent's decision regarding the complaint or appeal, he or she may appeal the decision to the board.

d) This appeal must be in writing.

e) This appeal must be received by the board president no later than ten (10) calendar days from the date the superintendent communicated his/her decision to the complainant.

f) This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment allegations against the superintendent shall be promptly and thoroughly investigated by the board president or a designee.

g) The board president will notify the complainant and any other person legally required to receive the decision in writing of its decision. If the complaint involves discrimination or harassment allegations against the Superintendent, the board president shall submit the decision within 180 calendar days after receiving the written appeal.

h) There is no appeal from any decision of the board unless authorized by law.

6. Formal complaints about the superintendent shall be filed with the president of the board. However, complaints about the superintendent do not include disagreement with the superintendent's decision on appeal based on a complaint of discrimination, harassment, or action of any other employee who is not the superintendent. Upon receipt of a complaint, the board president or his or her designee shall promptly and thoroughly investigate the complaint, and shall:

a) Coordinate with school district staff, other than the superintendent, to determine if another procedure in policy or law requires the complaint against the superintendent to follow another procedure. If so, the board president will coordinate handling the complaint through that procedure. If another procedure applies, such as in the case of allegations of sex discrimination against the superintendent, the board president or, at his or her discretion, the full board will serve only to hear any appeal by a party to the complaint.

b) Determine whether the complainant has discussed the matter with the superintendent.

1) If the complainant has not, the board president or designee will urge or require the complainant to discuss the matter directly with the superintendent, if appropriate or required.

2) If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.

c) Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting by the full board.

d) Respond to the complainant or appeal. If the complaint or appeal involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the president received the complaint.

e) Appoint or contract with other individuals qualified to assist the board through this process or any other applicable procedure used to address allegations against the superintendent.

No Retaliation. The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Special Rules Regarding Educational Services and Related Services to Students with Disabilities. Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by the school district. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided a student with a disability, including but not limited to services provided to a student with an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to the school district's Director of Special Education. The Director of Special Education will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided a student with a disability pursuant to a Section 504 plan must be submitted to the school district's 504

Coordinator. The 504 Coordinator will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student who is suspected of having a disability must be submitted in writing to the school district's Director of Special Education or to the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a disability or will provide prior written notice of the district's refusal to do so.

Bad Faith or Serial Filings. The purpose of the complaint procedure is to resolve complaints at the lowest level possible within the chain of command. Individuals who file complaints (a) without a good faith intention to attempt to resolve the issues raised; (b) for the purpose of adding administrative burden; (c) at a volume unreasonable to expect satisfactory resolution; or (c) for purposes inconsistent with the efficient operations of the district may be dismissed by the superintendent without providing final resolution other than noting the dismissal. There is no appeal from dismissals made pursuant to this section.

Computers and the Internet: Acceptable Use by Staff

Internet access is an important tool for communicating, keeping up-to-date with current developments in education, and for conducting research to enhance management, teaching, and learning skills. Staff members must refer to and comply with the board policy regarding Staff Internet and Computer Use. A copy of this policy is attached below. Staff should also refer to and comply with the board policy regarding Staff and District Social Media Use.

Staff Internet and Computer Use

SEM Staff Internet and Computer Use follows.

4012
Staff Internet and Computer Use

Internet access is an important tool for communicating, keeping up-to-date with current developments in education, and for conducting research to enhance management, teaching and learning skills. The following procedures and guidelines are intended to ensure appropriate use of the Internet at the

school by the district's faculty and staff. Staff should also refer to the district's policy on Staff and District Social Media Use.

I. Staff Expectations in Use of the Internet

A. Acceptable Use While on Duty or on School Property

1. Staff shall be restricted to use the Internet to conduct research for instructional purposes.

2. Staff may use the Internet for school-related e-mail communication with fellow educators, students, parents, and patrons.

3. Staff may use the Internet in any other way which serves a legitimate educational purpose and that is consistent with district policy and good professional judgment.

4. Teachers should integrate the use of electronic resources into the classroom. As the quality and integrity of content on the Internet is not guaranteed, teachers must examine the source of the information and provide guidance to students on evaluating the quality of information they may encounter on the Internet.

B. Unacceptable Use While on Duty or on School Property

1. Staff shall not access obscene or pornographic material.

2. Staff shall not engage in any illegal activities on school computers, including the downloading and reproduction of copyrighted materials.

3. Staff shall not use school computers or district internet access to use peer-to-peer sharing systems such as BitTorrent, or participate in any activity which interferes with the staff member's ability to perform their assigned duties.

4. The only political advocacy allowed by staff on school computers or district internet access is that which is permitted by the Political Accountability and Disclosure Act and complies with district policy.

5. Staff shall not share their passwords with anyone, including students, volunteers or fellow employees.

II. School Affiliated Websites

Staff must obtain the permission of the administration prior to creating or publishing any school-affiliated web page which represents itself to be school-related, or which could be reasonably understood to be school-related. This includes any website which identifies the school district by name or which uses the school's mascot name or image.

Staff must provide administrators with the username and password for all school-affiliated web pages and must only publish content appropriate for the school setting. Staff must also comply with all board policies in their school-affiliated websites and must comply with the board's policy on professional boundaries between staff and students at all times and in all contexts.

Publication of student work or personality-identifiable student information on the Internet may violate the Federal Education Records Privacy Act. Staff must obtain the consent of their building principal or the superintendent prior to posting any student-related information on the Internet.

III. Enforcement

A. Methods of Enforcement

The district owns the computer system and monitors e-mail and Internet communications, Internet usage, and patterns of Internet usage. Staff members have no right of privacy in any electronic communications or files, which are stored or accessed on or using school property and these are subject to search and inspection at any time.

1. The district uses a technology protection measure that blocks access to some sites that are not in accordance with the district's policy. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.

2. Due to the nature of technology, the filter may sometimes block pages that are appropriate for staff research. The system administrator may override the technology protection measures that blocks or filters Internet access for staff access to a site with legitimate educational value that is wrongly blocked.

3. The district will monitor staff use of the Internet by monitoring Internet use history to ensure enforcement of this policy.

B. **Any violation of school policy and rules may result in that staff member facing:**

1. Discharge from employment or such other discipline as the administration and/or the board deem appropriate;

2. The filing of a complaint with the Commissioner of Education alleging unprofessional conduct by a certified staff member;

3. When appropriate, the involvement of law enforcement agencies in investigating and prosecuting wrongdoing.

IV. Off-Duty Personal Use

School employees may use the internet, school computers, and other school technology while not on duty for personal use as long as such use is (1) consistent with other district policies, (2) consistent with the provisions of Title 92, Nebraska Administrative Code, Chapter 27 (Nebraska Department of Education "Rule 27"), and (3) is reported as compensation in accordance with the Internal Revenue Code of 1986, as amended, and taxes, if any, are paid. All of the provisions of Rule 27 will apply to non-certificated staff for the purposes of this policy. In addition, employees may not use the school's internet, computers, or other technology to access obscene or pornographic material, sext, or engage in any illegal activities.

Staff and District Social Media Use
SEM Staff and District Social Media Use Follows.

4051
Staff and District Social Media Use

Social media is an important tool for communicating, keeping up-to-date with current developments in education, and for conducting research to enhance management, teaching, and learning skills. The district also uses social media accounts to provide information to district stakeholders. This policy is intended to ensure (1) appropriate use of social media by staff and (2) appropriate control of social media accounts belonging to or affiliated with the

district. Staff should also refer to the district's policy on Staff Computer and Internet Usage.

IV. Personal Versus School-Affiliated Social Media Use

A. Personal Social Media Use

1. The school district will not require staff members or applicants for employment to provide the district with their username and password to personal social media accounts.

2. The district will not require staff to add anyone to the list of contacts associated with the staff member's personal social media accounts or require a staff member to change the settings on his or her personal social media accounts so that others can or cannot view their accounts.

3. Staff members whose personal social media use interferes with the orderly operation of the school or who use social media in ways that are not protected by the First Amendment may be subject to discipline by the district.

4. Staff members who wish to begin using or to continue using the school district name, programs, mascot, image or likeness as part of any social media profile must notify their supervising administrator of the use, and must secure the administrator's permission to do so.

B. School-Affiliated Social Media Use

1. Any social media account which purports to be "the official" account of the school district (e.g., "Mustang Music"), or any of its programs, classes or entities will be considered to be an account that is used exclusively for the school district's business purpose. Staff members may not use "official" accounts for personal use.

2. Staff may be required to provide their supervising administrator with the username and password to school-affiliated social media accounts.

3. Staff may be required to interact with specified individuals on school-affiliated social media accounts.

4. When staff use school-affiliated social media accounts to comment on school-related matters, they do not do so as private citizens and are therefore not entitled to First Amendment protections.

V. Staff Expectations in Use of Social Media – Applicable to Both Personal and School-Affiliated Use

A. General Use and Conditions

Staff must comply with all board policies, contract provisions, and applicable rules of professional conduct in their social media usage. They must comply with the board's policy on professional boundaries between staff and students at all times and in both physical and digital environments.

Staff must obtain the consent of their building principal or the superintendent prior to posting any student-related information in order to make sure that the publication does not violate the Federal Education Records Privacy Act or any other laws. Staff must also comply with all applicable state and federal record retention requirements, even with regard to personal social media usage.

Staff must comply with all applicable laws prohibiting the use or disclosure of impermissible content, such as copyright laws, accountability and disclosure laws, and any other law governing the use of resources of a political subdivision. Questions about appropriate content should be referred to the staff member's supervising administrator.

B. Acceptable Use

1. Staff may use social media for instructional purposes.

2. Staff may use social media for school-related communication with fellow educators, students, parents, and patrons.

3. Teachers should integrate the use of electronic resources, which may include social media, into the classroom. As the quality and integrity of content on social media is not guaranteed, teachers must examine the source of the information and provide guidance to students on evaluating the quality of information they may encounter

C. Unacceptable Use

1. Staff shall not access obscene or pornographic material while at school, on school-owned device or on school-affiliated social media accounts.

2. Staff shall not engage in any illegal activities, including the downloading and reproduction of copyrighted materials.

3. Staff shall not access social media networking sites such as Facebook, Twitter, and Instagram on school-owned devices or during school time unless such access is for an educational activity which has been preapproved by the staff member's immediate supervisor. This prohibition extends to using chat rooms, message boards, or instant messaging in social media applications and includes posting on social networking sites using personal electronic devices.

VI. School-Affiliated Digital Content

A. General Use and Conditions for School-Affiliated Accounts

Staff must obtain the permission of their supervising administration prior to creating, publishing, or using any school-affiliated web pages, microblogs, social media pages or handles, or any other digital content which represents itself to be school-related, or which could be reasonably understood to be school-related. This includes any content which identifies the school district by name in the account name or which uses the school's mascot name or image.

Staff must provide administrators with the username and password for all school-affiliated accounts and must only publish content appropriate for the school setting. Staff may not provide the username and password to school-affiliated accounts to any unauthorized individual, including students and volunteers.

B. Moderation of Third Party Content

The purpose of school-related social media accounts is to disseminate information. No school-related or school-affiliated social media account covered by this policy shall permit comments by the public unless otherwise approved by the superintendent. All comment functions for applications such as Facebook and Instagram must be turned to "off" without this approval.

In the event the superintendent permits content created by anyone other than the administrator of the account to appear on the account's pages, such as comments made by students, parents, and patrons, the account administrator must monitor the content to ensure it complies with this policy. Posts, comments, or any other content made on the account's pages may be removed when the content meets any of the following conditions:

1. Is obscene, lewd, or appeals to prurient interests;

2. Contains information relating to a student matter or personnel matter which is protected under or prohibited by state or federal law;

3. Contains threatening, harassing, or discriminatory words or phrases;

4. Incites or is reasonably anticipated to incite violence, illegal activity, or a material and substantial disruption to school operations or activities; or

5. Contains any other threat to the safety of students and staff.

Every account administrator must keep a copy of any removed content and must provide a copy to the superintendent along with written notification for the reason the post has been removed. All questions about the appropriateness of removal must be directed to the superintendent.

Adopted on: 12/13/2021

Conflict of Interest

All staff members are subject to the board's policy governing conflict of interest. That policy provides, in part, that no employee shall solicit or accept anything of value, including a gift, loan, contribution, reward, or promise of future employment based on an agreement that the vote, official action, or judgment of the employee would thereby be influenced.

Contact Information

Staff are required to keep the district informed of any change in their name, address, telephone or other contact information. Contact the building secretary to report a change.

Copyright and Fair Use

The school district complies with federal copyright laws. Staff members must comply with copyright laws when using school equipment or working on behalf of the district. Federal law prohibits the unauthorized reproduction of works of authorship, regardless of the medium in which they were created.

The "fair use" doctrine allows limited reproduction of copyrighted works for educational and research purposes. "Fair use" of a copyrighted work includes reproduction for purposes such as criticism, news reporting, teaching (including multiple copies for classroom use), scholarship, or research. Staff who are unsure whether their proposed reproduction of copyrighted material constitutes "fair use" should consult with their building principal, review the school district's copyright compliance policy, and review *Reproduction of Copyrighted Works by Educators and Librarians* from the U.S. Copyright Office found at https://www.copyright.gov/circs/circ21.pdf and *Copyright for Students* found at https://www.whoishostingthis.com/resources/student-copyright/. You can find more information on copyright compliance requirements and permitted uses from the U.S. Copyright Office and the Library of Congress at the following site: http://www.loc.gov/teachers/usingprimarysources/copyright.html.

Corporal Punishment

Corporal punishment is the infliction of bodily pain as a penalty for disapproved behavior, and is prohibited by law. Some physical contact is inevitable, and most of it is appropriate. Corporal punishment does not include the use of physical force that is reasonable and necessary to (1) protect school employees; (2) protect students or property; or (3) remove a student from a situation that endangers the student, persons, or property. Staff members should promptly report any event that required the use of physical force to their building principal.

Crisis Response Team

Any staff member appointed by the district administration will serve on the Crisis Response Team as outlined in the board policies. The Crisis Response Team serves a vital role in supporting the district's staff and students. It is the responsibility of the appointed staff member to discuss with the district administration any circumstances that may affect the staff member's ability to perform the tasks required by board policy.

Disability Leave (Short-Term)

Short-term disability leave will be treated in the manner required by state and federal law and consistent with the negotiated agreement with the school district's local education association. Short-Term Disability leave will run concurrently with FMLA leave.

Discrimination and Harassment

The school district prohibits discrimination and harassment based upon or related to race, color, national origin, sex, religion, marital status, disability, age or any other unlawful basis that (1) has the purpose or effect of creating an intimidating, hostile, or offensive school environment, (2) has the purpose or effect of substantially or unreasonably interfering with an employee's school performance, or (3) otherwise adversely affects an employee's employment opportunities. Employees who believe that they have been the subject of unlawful discrimination or harassment due to their disability should contact the following Section 504 Coordinator: Katie Hothem at 308-752-2925, khothem@semmustangs.org, or in person at school. Employees who believe that they have been the subject of unlawful discrimination or harassment due to their sex should contact the following Title IX Coordinator: Katie Hothem at 308-752-2925, khothem@semmustangs.org, or in person at school. Employees who believe that they have been the subject of any other unlawful discrimination or harassment should contact the Scott Franzen at 308-752-2025, sfranzen@semmustangs.org, or in person at school. Employees may report discrimination or harassment to any staff member who will then forward it on to the appropriate coordinator or administrator. The staff member will follow school district policies to respond to the report.

Driving (both school and personal vehicles)

Staff members who drive school vehicles or volunteer to use their personal automobile to transport students must have a valid driver's license and proof of insurance. Staff members will be provided a Driver's Certification form to verify this information. Staff members who drive school vehicles or transport students in their personal vehicles are responsible for following safe driving practices, including use of seat belts by all occupants, and are responsible for any injury or accident. Staff members are not to use cell phones while driving a school vehicle or while transporting students. Please see the school district's policy on school vehicle use for further information.

Drivers for the school district must be free from drug and alcohol use or abuse. The school district will test drivers as permitted under state and federal law and in accordance with board policy.

Dress Code

The attire worn by staff members conveys an important image to students and the general public. The appearance of professional staff members shall be appropriate to their assigned duties and indicative of their professional standing in the school and community.

Certified staff, paraeducators, and office staff should generally dress in business casual attire that is clean and professional.

The following are examples of unprofessional attire which should not be worn by classroom staff during the traditional school day, when students or visitors are in attendance, or when the employee is supervising, directing, or coaching students when the public is in attendance:

- For men: shirts without collars, unless the shirt can be deemed professional by other standards.
- Athletic wear, including sweat, jogging and wind suits, except when teaching a physical education activity in the gymnasium, on a playing field, or at athletic or other activity practices.
- Shorts, except when teaching physical education class or at athletic or other activity practices.
- Blue jeans, except at athletic or other activity practices, or on days considered to be "dress down" days.
- Hats, except when worn outside for sun coverage.
- Rubber soled 'flip flop' thong sandals.
- Any attire which is excessively wrinkled or torn, so that it is no longer neat and professional.
- Any attire which is immodest or may distract other employees or students in the learning environment.

Custodial, maintenance, and transportation staff should dress in attire appropriate to the work they are performing.

The superintendent or principal shall maintain the discretion to make determinations on staff dress and appearance. Administrators may temporarily suspend all or a portion of the dress code when other factors support a lower dress expectation for school employees (e.g., special "casual days" or field days). Any violation of school policy and rules may result in disciplinary action.

Drug and Alcohol Testing

School district administrators who suspect that drugs or alcohol may be present in a staff member's system may require the staff member to provide a body fluid or breath sample as provided in Nebraska law. Staff members who refuse a lawful directive to provide a body fluid or breath sample may be subject to disciplinary or administrative action by the employer, including denial of continued employment.

Duty to Report

School personnel shall self-report any of the following to the District's Superintendent within 24 hours of its occurrence or at the beginning of the next school day, whichever is earlier:

- Any criminal citation if the alleged offense is a misdemeanor or felony under federal or Nebraska law or in the state in which the alleged offense occurred;
- Any arrest for any reason;
- Any criminal conviction;
- Any sentence of incarceration;
- Any criminal or civil filing or Department of Health and Human Services or law enforcement investigation for child abuse and/or neglect;
- Any complaint or other administrative that could impact any certificate or professional license held by the employee;
- Any action or threat of action by any entity against the employee's driver's license or ability or authority to operate a motor vehicle if the employee's job duties may require the operation of a motor vehicle.

The failure to make a report required by this section may result in disciplinary action up to and including cancellation, termination, and non-renewal.

Electronic Communication While Driving

Except as provided below, school personnel shall not use any electronic communication device to read a written communication, manually type a written communication, send a written communication, verbally communicate with others, or otherwise communicate with others while operating a school vehicle or while using a school-issued electronic communication device while operating a private vehicle. This prohibition includes but is not limited to answering or making telephone calls not related to the transportation and reading or responding to e-mails, instant messages, or text messages.

The superintendent or building principal may grant exceptions and allow verbal communication on an as needed basis for specific district-related work based upon employees' duties and responsibilities.

Expenses

The board will reimburse staff for all approved expenses incurred in attending to school business. Reimbursement for mileage, supplies, overnight travel expense, and credit course reimbursement fees are processed on an expense report form that is available from each building secretary. Appropriate receipts must be attached.

To be reimbursed for an item or for personal vehicle use, staff members must complete a reimbursement claim form, attach receipts and submit it to the Superintendent for approval.

All claims for reimbursement must be approved by the board, so some delay is probable. Mileage reimbursement will be denied if a school vehicle was available.

Employee Leave Under the Family and Medical Leve Act (FMLA)

Qualified employees will be provided leave under the Family and Medical Leave Act (FMLA) as provided in board policy. The school district will utilize the "rolling" 12-month period measured backward from the date an employee uses any FMLA leave.
SEM FMLA Policy follows.

4011
Employee Leave Under the Family and Medical Leave Act (FMLA)

The school district shall provide leave to its employees in accordance with the Family and Medical Leave Act ("FMLA"). The terms used herein shall have the meaning ascribed to them under the FMLA. Employees may also qualify for leave under the Nebraska Family Military Leave Act, which is covered under the district's policy for that law. If an employee qualifies for leave under both the Family and Medical Leave Act and the Nebraska Military Leave Act, any leave taken by the employee will count concurrently toward the leave limits of both acts.

I. Qualifying for Leave

A. Qualified Employees

1. To be eligible for ***unpaid*** leave under this policy, an employee must:

    a. Make the request for leave at a time when the school district employs 50 or more workers;

    b. Have been working for the school district for at least 12 months prior to the request; and

    c. Have worked a minimum of 1,250 hours during the 12-month period immediately preceding the commencement of the leave.

2. The applicable 12-month period for computing an employee's entitlement to FMLA leave shall be "rolling" 12-month period measured backward from the date an employee uses any FMLA leave.

3. Employees ineligible for FMLA leave for any reason may be eligible for leave under the Nebraska Family Military Leave Act and should consult policy 4011.1.

B. Qualified Circumstances Necessitating Leave

1. The school district will grant an eligible employee up to a total of 12 workweeks of ***unpaid*** leave under the following conditions:

    a. For birth of a son or daughter, and to care for the newborn child;

    b. For placement of a son or daughter with the employee for adoption or foster care;

    c. To care for the employee's spouse, son, daughter, or parent with a serious health condition;

    d. Because of a serious health condition that makes the employee unable to perform the functions of his or her job; or

    e. Because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation

2. The school district will grant an eligible employee who is the spouse, son, daughter, parent or next of kin of a Covered Servicemember a total of 26 workweeks of ***unpaid*** leave during a 12-month period to care for the service member as permitted under the FMLA. The leave described in this paragraph shall only be available during a single 12-month period.

    <u>For purposes of this provision and this policy, "Covered Servicemember" includes both Military Members and</u>

covered Veterans, so long as the covered Veteran was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran.

3. During the single 12-month period described in paragraph I(B)(2), an eligible employee shall be entitled to a combined total of 26 workweeks of leave under paragraphs I(B)(1) and I(B)(2). Nothing in this paragraph shall limit the availability of leave under paragraph I(B)(1) during any other 12-month period.

C. Limitations on Leave

1. Leave for birth or placement for adoption or foster care must conclude within 12 months of the birth or placement.

2. In any case in which a husband and wife both employed by the school district are entitled to FMLA leave:

   a. The aggregate number of workweeks of FMLA leave to which both are entitled is limited to 12 during any 12-month period if such leave is taken (i) because of the birth of a son or daughter of the employee and in order to care for such son or daughter; (ii) because of the placement of a son or daughter with the employee for adoption or foster care; or (iii) to care for a sick parent who has a serious health condition; and

   b. The aggregate number of workweeks of FMLA leave to which both that husband and wife are entitled is limited to 26 during the single 12-month period in which leave is taken to care for a Covered Servicemember and the husband and wife employees are both either the son, daughter, parent, or next of kin of such Covered Servicemember, if the leave is taken for this reason or a combination of this reason and one of the three reasons described in paragraph

I(C)(2)(a). If the leave taken by the husband and wife includes leave described in paragraph I(C)(2)(a), the limitation in paragraph I(C)(2)(a) shall apply to the leave described in I(C)(2)(a).

D. Qualifying Notice and Certification

Employees seeking to use FMLA leave will be required to provide:

1. 30-day advance notice when the need to take the leave is foreseeable; provided, if (a) the leave is for needed treatment which is required to begin in less than thirty days or (b) the leave is for the reason set forth in paragraph I(B)(1)(e), the employee shall provide such notice to the school district as is reasonable and practical;

2. Medical certification supporting the need for leave due to a Serious Health Condition affecting the employee or family member or to care for a Military Member, and/or due to a Serious Injury or Illness to care for a Veteran;

3. Second or third medical opinions and periodic re-certifications (at the school district's expense);

4. Certification supporting the need for leave because of a qualifying exigency arising out of the fact that the employee’s spouse, son, daughter or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in the National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation;

5. Certification supporting the need for leave to care for a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment,

recuperation, or therapy for a Serious Injury or Illness; and

6. Periodic reports during leave, at a frequency reasonably requested by the superintendent, regarding the employee's status and intent to return to work.

E. Scheduling Leave

When leave is needed to care for a family member, for the employee's own illness, or to care for a Covered Servicemember, and such leave is foreseeable based on planned medical treatment, the employee must attempt to schedule treatment so as not to unduly disrupt the school district's operations.

II. Relationship with District During Leave

A. Leave to Be Unpaid

All leave provided to employees under the provisions of the FMLA and this policy shall be unpaid leave.

B. Substitution of Paid Leave

1. The school district requires employees to substitute any accrued paid vacation leave, paid personal leave, paid family leave, paid medical leave or paid sick leave for FMLA leave. However, nothing in this policy shall require the school district to provide paid sick or medical leave in any situation in which the school district would not normally provide such paid leave.

2. If an employee uses paid leave under circumstances which do not qualify as FMLA leave, the leave will not count against the number of workweeks of FMLA leave to which the employee is entitled.

3. Any paid leave which is substituted for FMLA leave will be subtracted from the number of workweeks of unpaid leave provided by the FMLA and this policy.

C. Group Health Plan Benefits

1. The school district will continue group health plan benefits on the same basis as coverage would have been provided if the employee had been continuously employed during the FMLA leave period.

2. Any share of health plan premiums which have been paid by the employee prior to FMLA leave must continue to be paid by the employee during the FMLA leave period.

D. Intermittent or Reduced-Schedule Leave

1. Leave may be taken under this policy intermittently or on a reduced-leave schedule under certain circumstances.

   a. When leave is taken because of a birth or because of a placement of a child for adoption or foster care, an eligible employee may take leave intermittently or on a reduced-leave schedule only with the agreement of the school district. In such a case, the superintendent shall have the authority to approve or disapprove such intermittent or reduced leave schedule, in the superintendent’s sole discretion.

   b. When leave is taken to care for a sick family member, for an employee's own serious health condition, or to care for a covered Veteran or Military Member, an eligible employee may take leave intermittently or on a reduced-leave schedule when medically necessary.

   c. When leave is taken by an eligible employee because of any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency

operation, the employee may take leave intermittently or on a reduced-leave schedule.

d. When leave is taken by an eligible employee to care for a Covered Servicemember, including a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness

e. Intermittent or reduced leave shall not result in a reduction in the employee's total amount of leave beyond the amount of leave actually taken.

f. When an instructional employee seeks to take intermittent leave in connection with a family or personal illness (e.g. physical therapy or periodic care for a sick relative) or to care for a covered Veteran or Military Member, and when such leave would constitute at least 20 percent of the total number of working days in the period during which the leave would extend, the school district may require the employee to elect to take leave in a block, instead of intermittently, for the entire period or to transfer to an available alternative position within the school system that is equivalent in pay, for which the employee is qualified, and which better accommodates the intermittent leave.

2. If an eligible employee requests intermittent leave or leave on a reduced-leave schedule that is foreseeable based on planned medical treatment, including during a period of recovery from a serious health condition, the school district may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. Such

alternative position must have equivalent pay and benefits as the employee's permanent position.

3. Leave taken on an intermittent or reduced-schedule basis will be tracked hourly.

III. Return from Leave

A. Restoration to Position

1. On return from FMLA leave, an employee is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.

2. Any leave taken under this policy will not result in the loss of any employment benefits accrued prior to the date on which the leave commenced.

3. An eligible employee is not entitled to accrual of any seniority or employment benefits during any period of leave, or any right, benefit, or position of employment other than to which the employee would have been entitled had the employee not taken leave.

B. Denial of Restoration

1. The school district reserves the right to deny restoration to any eligible employee who is a "key employee" (that is an employee who is salaried and among the highest paid 10% of the employees of the school district) if such denial is necessary to prevent substantial and grievous economic injury to the operations of the school district.

2. If the school district intends to deny restoration to such an employee, it will:

   a. notify the employee of his/her status as a "key employee" in response to the employee's notice of intent to take FMLA leave;

b. notify the employee as soon as the school district decides it will deny job restoration and explain the reasons for this decision;

c. offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and

d. make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

C. Failure to Return from Leave

If an employee fails to return from FMLA leave after the period of leave to which the employee is entitled has expired, the employee shall reimburse the district for any premiums the employer paid for maintaining health insurance coverage for the employee during the employee's FMLA leave unless the reason the employee does not return is due to: (1) the continuation, recurrence, or onset of the serious health condition which entitled the employee to FMLA leave and the employee provides the district with sufficient certification from the proper health care provider of such continuation, recurrence, or onset of the serious health condition or (2) other circumstances beyond the employee's control.

IV. Notice to Employees

A. The school district will post in conspicuous places where employees are employed notices explaining the FMLA and providing information concerning the procedures for filing complaints of FMLA violations with the U.S. Wage and Hour Division.

B. To the extent that any provision in this policy is in any manner inconsistent with the provisions of the Act or the regulations promulgated thereunder, the Act and regulations shall prevail over the provisions of this policy. The school district reserves the right to modify this policy from time to time in its sole discretion.

C. Employees may direct any questions or concerns regarding FMLA leave to the superintendent.

In-School Communication

Every staff member will be assigned a mailbox in the building where he or she works. Staff members are expected to check their mailboxes for messages in the morning upon arrival at school, at lunch time, and at the end of the day before departing.

A great deal of information is distributed to staff via the school's e-mail system. Each staff member must check his or her e-mail account frequently throughout the school day. Staff members are allowed to use their school e-mail accounts for a moderate amount of personal e-mail correspondence. However, sending or receiving personal e-mail during class time is prohibited, regardless of whether that personal e-mail is received on the staff member's school e-mail account or a personal account.

Intellectual Property

All written or artistic works, instructional materials, inventions, procedures, ideas, innovations, systems, programs, or other work product created or developed by any employee in the course and scope of performance of his or her employment duties on behalf of the district, whether published or not, shall be the exclusive property of the district. The district has the sole right to sell, license, assign, or transfer any and all right, title, or interest in and to such property.

Jury and Witness Duty Leave

An employee who has been called to serve as a juror will be granted paid leave. Employees must sign over to the district the compensation they receive for jury duty, but not compensation for expenses.

An employee who has been subpoenaed to testify as a witness in a court proceeding shall be entitled to one day of paid leave. To receive paid leave, the employee must sign over to the district his or her witness fee.

Keys

Staff will not lend or have any duplicate keys made of any school key. Staff will make sure all doors are locked when they enter or leave the building other than regular school hours.

Staff members are responsible at all times for all keys issued to them and must keep their keys in a secure location or on the employee's person. Each classroom teacher must check that the doors and windows in his or her room are closed and locked at the end of the school day. Staff must report lost or stolen keys to the building principal immediately.

Under no circumstances are pupils to be allowed in the building after school hours without faculty supervision. Keys to any school areas are not to be loaned to students under any circumstances.

Locker Room Supervision

Staff members must review and comply with the board's policy regarding locker room supervision.

Maintenance & Cleaning Request Forms

Staff members should fill out maintenance requests forms just as soon as they need or see a maintenance problem. These forms must be turned into the Superintendent.

Meals Program

Staff may take advantage of meals offered through the district's foods program. Staff members will not be allowed to run a deficit in their lunch accounts.

Military Leaves of Absence

Leaves of absence without pay for military or Reserve duty are granted to all employees as required by law. An employee who is called to active military duty or to Reserve or National Guard training or who volunteers for the same should submit copies of the military orders to the Superintendent as soon as is practicable. An administrator, at his or her discretion, may require an employee who requests leave under the Nebraska Family Military Leave Act to provide certification from the proper military authority to verify the employee's eligibility for the leave requested.

Military Leave under the Federal Family and Medical Leave Act (FMLA) and the Nebraska Family Military Leave Act will be governed by the board's policies.

Milk Expression

Except as otherwise provided by law, the district will provide reasonable break time for an employee who wishes to breastfeed or express breast milk for her nursing child each time such employee has the need to do so. The district will provide a place, other than a bathroom, which is shielded from view and free from intrusion from co-workers and the public. These accommodations will

be provided for one year after the child's birth, unless otherwise required by law.

News and Press Releases

Only individuals who have prior administrative approval may issue press releases or other official communications regarding school activities and events in furtherance of the individual's official responsibilities. The superintendent may delegate responsibility for communicating with the media to building principals, the activities director, event sponsors, and other staff on an ad hoc basis.

Activity sponsors and other staff who are involved in newsworthy activity should submit typed press releases to the office for distribution to the media when noteworthy events have occurred. Coaches must communicate with local TV, radio, and print media promptly after matches or games to disseminate the results.

Obligations Related to American Civics Instruction

All staff members shall be familiar with, and comply with, the requirements of state law, board policy, and district curriculum to properly instruct students regarding American Civics, Social Studies, American History, and appropriate patriotic exercises on particular days of the year. Neglect of any such responsibilities by any employee may be considered just cause for dismissal.

Outside Employment

No full-time staff member may accept any other employment or carry on any business or activity for profit that interferes with the complete and competent discharge of his or her responsibilities to the school district.

Political Activities

District employees retain all rights of citizenship, including, but not limited to, engaging in political activities. An employee of the District may participate in the political process, including seeking an elective office, provided that the staff member does not campaign on school property during working hours, and provided all other legal requirements are met. The District assumes no obligation beyond making such opportunities available.

While the District supports its employees by allowing them to exercise their rights, any impact on the employee's ability to perform his or her functions as required by the district is grounds for discipline. For further guidance regarding political conduct on school grounds, contact the superintendent and consult the board policies.

Pregnant or Parenting Students

The school district encourages students who are pregnant or parenting are encouraged to continue to participate in the district's educational and extracurricular programs. Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting have been told to notify their building principal as early as possible to discuss their educational programming. The building principal will work with the student and appropriate district staff to develop a plan to assist the student in participating in district curriculum and extra-curricular activities. Such a plan may include:

1. If the student cannot regularly attend classes, the provision of online courses;
2. The arrangement of meeting times with teachers;
3. If the student has not identified appropriate childcare, the identification of child care providers that meet statutory requirements for quality and care; and
4. All other curricular adjustments, modifications, and means of supplementing classroom attendance deemed appropriate by the school administrators including, but not limited to, modification of attendance policies.

Professional Boundaries Between Staff and Students

All district employees must follow board policy when interacting with students in any way. School district employees are responsible for conducting themselves professionally and for teaching and modeling high standards of behavior and civic values, both at and away from school. District employees must be aware of professional boundaries between students and staff, and they must never blur the boundaries. These standards of behavior apply to social networking sites, such as Facebook, Twitter, Instagram, etc., along with communications and interactions of any kind between staff and students.

Examples of unprofessional misconduct include: inappropriate sexual communications or interactions with students, meeting with students in private outside of school, and intruding on a student's personal space. These are a few examples of inappropriate behavior, not an exhaustive list. For further guidance, refer to the district's policies regarding professionalism and staff-student interactions.

Any teacher or student who witnesses or knows information about a district employee violating board policy should report the violation to the district administration *immediately*. Minor violations and questionable violations should be reported as soon as possible, but always within 24 hours.

A violation of board policies for professionalism will form the basis for employee discipline up to and including termination or cancellation of

employment, filing a report with law enforcement officials, and filing a report with the Commissioner of Education.

Professional Growth

All employees must complete 24 Professional Growth Points during a six year period of time. Teachers shall be provided opportunities for the development of increased competence beyond that which they may attain through the performance of their assigned duties.

In addition to this requirement, the superintendent will select in-service programming to provide additional professional growth activities for certified and classified staff.

Purchasing

All requisitions for books and school supplies must be filed with the building principal. The requisition must include the name of the article being requested, where it may be purchased, how many articles are required and their cost. Requisition forms are available from the office. Orders should not be placed until the district office has issued a printed purchase order. Once an order has been received, the staff member must notify the building secretary so payment can be processed. Failure to follow the procedure for requisitions may prevent the staff member from receiving the items requisitioned. All orders or supplies must be authorized by the administration. Staff may be personally liable for any orders placed without such authorization.

When routine supplies are needed for immediate use, staff should contact the building secretary. When it is necessary to make a special or emergency requisition for supplies or equipment, staff should contact the Business Manager for the necessary forms. The superintendent will either approve or disapprove the request.

Records and Reports

Staff members must refer to and comply with Board Policy No. 5016 regarding the management and maintenance of student records.

All staff members shall promptly furnish the administration with any information relating to their professional training, experience, activities or work required for reports to county, state or federal officials or for official school records. Personal information will be treated confidentially by school officials.
SEM Policy 5016 is following.

5016

Student Records

The school district shall manage student records and reports as is necessary for effective administration and in compliance with law. In general "student records" shall not include transitory communications such as e-mail, text messages, handwritten communication between school and home, and the like, and these items will not generally be maintained by the district. "Student records" also shall not include any records created and maintained by the district's law enforcement unit for a law enforcement purpose.

For purposes of the district's compliance with state and federal law, the district "maintains" only those student records which are reduced to paper or physical format and placed within a student's file in the district's central offices or in the file pertaining to the student's special education or Section 504 services. Records which can be printed in paper form must be printed in order to be "maintained." Other records such as video recordings, which constitute student records, must be reduced to a physical medium in order to be "maintained." For example, a video must be put on a compact disk or other compatible hardware and placed within the student's file to be "maintained."

Each building principal will assign responsibilities for the preparation and maintenance of records and will ensure compliance with the applicable federal and state laws, regulations, and record retention schedules regarding their storage and use in the building. No "student record" or record required to be retained by the Nebraska Secretary of State's Record Retention Schedules applicable to the district will be destroyed unless it is first saved in a retrievable, digital format. This includes only records required to be kept by the applicable Retention Schedules and "student records" as defined by state and federal law, and this policy does not prohibit the district from following its record expungement procedures for all other records.

Students or their parents, guardians, teachers, counselors, or school administrators shall have access to the school's files or records maintained concerning themselves or their students. For purposes of this policy, "teachers" include paraeducators and volunteers who are providing educational services to a student on behalf of the School District. A school official may access, maintain, and use education records containing personally identifiable information (PII) when he or she has a legitimate educational interest in such. "School official" includes any agent, volunteer, or contractor performing an institutional service or function for which the school would otherwise use its own employees and who is under the school district's direct control with respect to their access to, maintenance of, and use of PII from student records. For example, a school official may include, but would not be limited to, a teacher or other educator, administrator, supervisor, instructor,

or support staff member (including health or medical staff and law enforcement unit personnel); school board member; volunteer; contractor or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, representative of the district's insurance providers, auditor, medical consultant, therapist, or a third-party website operator who has contracted with the school district or its agent to offer online programs for the benefit of students and/or the district; members of law enforcement acting on behalf of the school district; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a "legitimate educational interest" if the official needs to review an education record in order to fulfill a school-related professional, contractual, statutory, or regulatory responsibility.

All disciplinary material shall be removed and destroyed upon the pupil's graduation or after the pupil's continuous absence from the school for a period of three years, and after authorization is given by the State Records Board pursuant to state law. Upon request, the school district will disclose education records without consent to officials of another school district in which a student seeks or intends to enroll.

Outside agencies such as physicians, probation officers, psychologists, child guidance clinics, and other agencies concerned with child welfare who are working directly with a child may have access to information pertaining to that child with written parental consent or upon issuance of a valid court order.

The school district shall share student data, records, and information with school districts, educational service units, learning communities, and the State Department of Education to the fullest extent practicable unless otherwise prohibited by law. This includes sharing information with the Department of Education necessary to comply with the requirement of state law that all third-year high school students take a college entrance exam. Any redisclosure of information related to the administration of this exam shall be governed by the agreement between the Nebraska Department of Education and the third-party testing company.

Each year, the school district will notify parents and guardians of their rights under this policy and the Family Educational Rights and Privacy Act.

Adopted on: June 14, 2024

Recordings of Students and Classrooms

Staff members may make audio and video recordings of classroom instruction and school activities upon authorization of the superintendent or supervising administrator. Staff should refer to Board Policy 3059 for information on recording by students.

3059
Audio and Video Recording

Students, staff, parents/guardians, and patrons should assume that any class or activity in the school may be recorded by the school district for legitimate educational purposes. There is no reasonable expectation of privacy within classrooms, common areas of the school building or on school grounds outside of the building. Recordings permitted pursuant to this policy may only be used for authorized purposes and may not be republished without additional, written consent from a school administrator. For purposes of this policy "recording" includes still photographs, video, audio, and other similar data captured in any medium.

Secret Recordings. No person is permitted to make surreptitious recordings on school grounds unless authorized by the superintendent.

Recordings Made by The District. The district may use cameras or other devices for purposes of making security, safety, or other recordings when such recordings are deemed necessary or appropriate by an authorized representative of the district. The district will not maintain recordings unless the recording is purposefully copied and saved. Any recording not copied and maintained separately may only be accessible by the authorized representative for a limited time. Recordings made by the district may be destroyed by an authorized representative at any time unless retention is required by law.

Recordings Made by Parents/Guardians and Patrons. Parents/guardians and patrons may make recordings of school activities in a non-disruptive manner including things like athletic contests and school board meetings to the extent permitted by law unless otherwise lawfully restricted by the administration. Parents/guardians or patrons may not make recordings if they are volunteering or visiting school during the school day without permission of the administration or supervising staff member and subject to this policy, such as recording their child's classroom activities or recess. Parents may not record meetings with administrators or staff, including meetings related to a student's IEP or 504 plan. Violation of this policy will result in immediate termination of any meeting that is being recorded and may be grounds for exclusion from school property, loss of volunteer privileges, or other restrictions deemed appropriate by the administration.

Recordings Made by Staff. Staff members may make recordings of classroom instruction, student behavior or performance, and school activities without prior administrative approval only for legitimate educational purposes. Staff members may not make secret recordings while on duty, even if those recordings do not violate state or federal criminal or privacy laws. Staff members who violate this provision may be subject to consequences up to termination for classified staff and cancellation of contract for certificated staff.

Recordings Made by Students. This policy applies to students during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event. Students may make recordings of school activities in a non-disruptive manner including things like athletic contests and other extracurricular performances to the extent permitted by law. Students generally are not permitted to record classroom instruction or members of the school community during the school day without the express consent of a staff member or as required by the student's education plan. Student use of assistive technology that has the capacity to record and/or transmit recordings (*e.g.*, AngelSense) must be approved by the student's education team or administration. Students remain subject to all other district policies and rules. In no event shall recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

School district employees, board members, and other elected or appointed school district officials who are not transporting children are authorized to use a school district vehicle to travel to a designated location or to their home when the primary purpose of the travel serves a school district purpose. Staff should refer to the board policy regarding the use of school vehicles.

Security

Each staff member is responsible for the security of his/her own classroom or work area. Staff must lock the doors and windows of their classrooms and/or other work areas each night.

Staff members who use the building after it has been locked by the custodian or on weekends are responsible for turning off all lights and locking all windows and doors that they or students under their supervision may have used.

Under no circumstances are pupils to be allowed in the building after school hours without faculty supervision. Keys to any school areas are not to be loaned to students under any circumstances.

Smoking on School Premises or at School Activities

The use or possession of any tobacco product, including cigarettes, cigars, or other tobacco or tobacco derivative products; vapor products or electronic nicotine delivery systems; alternative nicotine products; or any other such look-alike or imitation product, is not permitted on school property at any time.

Sniffer (Drug) Dogs

The administration is authorized to use sniffer dogs to minimize the presence of illicit items on school grounds. Students and staff are specifically notified that:

1. Lockers may be sniffed by sniffer dogs at any time.
2. Vehicles parked on school property may be sniffed by sniffer dogs at any time.
3. Classrooms and other common areas may be sniffed by sniffer dogs at any time students and staff are not present.
4. If contraband of any kind is found, the student or staff member shall be subject to appropriate disciplinary action.

Social Media Usage by Staff

Social media is an important tool for communicating, keeping up-to-date with current developments in education, and for conducting research to enhance management, teaching, and learning skills. The district also uses social media accounts to provide information to district stakeholders. All staff members must refer to and comply with the board's policies regarding Staff Internet and Computer Use and Staff and District Social Media Use. Staff members who are uncertain about the applicability of board policy to a particular situation must confer with their supervising administrator prior to posting on social media.

Student Interviews

Employees shall refer any police officer, child protective service worker, or other similar individual seeking to speak to or interview a student to an administrator.

Telephones

School telephones are maintained for the primary purpose of conducting school business. Staff members should limit their use of school phones to brief conversations. Teachers will not be called to the telephone during class time except in the case of an emergency.

Staff members may not use personal cell phones to make or receive calls or to send or receive text messages during instructional time.

Threat Assessment and Response

Superintendent as Primary Investigator and Decision-Maker

   iii. A **substantive threat** is an expression of serious intent to harm others which includes, but is not limited to, any threat which involves a detailed plan and means

b. A **threat assessment** is a fact-based process emphasizing an appraisal of observed (or reasonably-observable) behaviors to identify potentially dangerous or violent situations, to assessment them and to manage/address them. Threat assessment is the process of distinguishing "transient" threats from serious ones in a systematic, data-informed way.

   i. The threat assessment process is distinct from student disciplinary procedures. The mere fact that the district is conducting a threat assessment does not by itself necessitate suspension, expulsion or emergency exclusion without complying with state law and board policy related governing those actions.

   ii. The threat assessment process is distinct from specialized instruction which a student with a disability may receive from the school district. The school district will not change a student's educational placement as that term is used in the Individuals with Disabilities in Education Act *solely* as part of a threat assessment.

2. Obligation to Report Threatening Statements or Behaviors.

All staff and students must report **substantive threats** to a member of the administration immediately and comply with any other mandatory reporting obligations. Staff and students who are unsure whether a threat is substantive or transient should report the situation. Staff and students must make such report regardless of the nature of the relationship between the individual who initiated the threat or threatening behavior and the person(s) who were threatened or who were the focus of the threatening behavior. Staff and students must also make such reports regardless of where or when the threat was made or the threatening behavior occurred.

THREATS OR ASSAULTS WHICH REQUIRE IMMEDIATE INTERVENTION SHOULD BE REPORTED TO THE POLICE AT 911.

3. Threat Assessment Investigation and Response

When a threat is reported, the school administrator shall initiate an initial inquiry/triage and, in consultation with members of the threat assessment team, make a determination of the seriousness of the threat as expeditiously as possible. The school administrator must contact law enforcement if the administrator believes that an individual poses a clear and immediate threat of serious violence.

If there is no reasonably apparent imminent threat present or once such an imminent threat is contained, the threat assessment team will meet to evaluate and respond to the threatening behavior. The superintendent may, but is not required to, review the following types of information:

- Review of the threatening behavior and/or communication;
- Interviews with the individuals involved including students, staff members, and family members as necessary and/or appropriate;
- Review of school and other records for any prior history or interventions with the students involved;
- Any other investigatory methods that the law enforcement unit determines to be reasonable and useful.
- The superintendent must confer with at least on member of the school's guidance counseling staff as part of his/her investigation. If the threat has been made by, or is directed towards, a student with a disability, the superintendent must confer with a staff member who is knowledgeable about special education services or Section 504 of the Rehabilitation Act, as appropriate.

At the conclusion of the investigation, the superintendent will determine what, if any, response to the threat is appropriate. The superintendent is authorized

to disclose the results of his/her investigation to law enforcement and to the target(s) of any threatened acts. The superintendent may refer the individual of concern to the appropriate school administrator for consequences under the school's student discipline policy or, if appropriate, report the results of his/her investigation to the student's individualized education plan team.

Regardless of threat assessment activities, disciplinary action and referral to law enforcement will occur consistent with board policy and Nebraska law.

4. Communication with the Public about Reported Threats

To the extent possible, the superintendent will keep members of the school community informed about substantive threats and about the District's response to those threats. This communication may include oral announcements, written communication sent home with students, and communication through print or broadcast media. However, the superintendent will not reveal the identity of the individual of concern or of any target(s) of threatened violence unless permitted by law.

5. Coordination with the Crisis Team After Resolution of Threat

The superintendent will confer with the district's crisis team after a threat has been investigated to provide the crisis team with information that the crisis team may use in assessing or revising the district's All-Hazard School's Safety Plan.

Ticket Taking

All staff will be expected to take tickets at one time or another at home events. Staff members who coach a sport may take tickets at an event they do not coach. Staff members who are unavailable to take tickets at the event they are assigned to work must find their own replacements and notify the building principal of who will be taking their place.

Transportation Request Forms

Staff members must complete transportation request forms as soon as they know they need school-provided transportation to allow the activities director adequate time to schedule drivers and vehicles.

Visitors

Staff should welcome members of the public who wish to visit school, but should ensure that visitors follow the district's requirements.

All visitors must report to the building office before visiting any classroom or other areas of the building.

Visitors must comply with the following guidelines:

- if a visitor wishes to observe a specific skill or subject, he or she will be asked to observe during a specified time period
- children under the age of 10 years must be accompanied by a parent or guardian
- all visitors must have the prior approval of the principal or superintendent
- salespeople and other such agents will not be allowed to solicit staff members during school hours
- visitors must wear the visitor's badge supplied by the building office

Wage and Salary Payments

Staff members are paid on the 12th of each month. The district provides direct deposit of paychecks to designated financial institutions. Otherwise, paychecks will be delivered personally at school or mailed to the address on file in the district office. Staff who wish to activate or modify their direct deposits or who wish to have paychecks mailed to a different address must contact the district office. The school district will mail staff paychecks to the last address on file for each employee during months when school is not in session. Employees shall not be paid in advance under any circumstances.

All required deductions, such as for federal, state, and local taxes, retirement contributions, and all authorized voluntary deductions, such as for insurance or union dues, will be withheld automatically from your paychecks. Garnishments are legal proceedings imposed by a court of law upon the school district requiring payment to a third party of monies earned by district employees. The school district will accept all legal garnishments and tax levies

against wages in compliance with state and federal law. An employee's pay will be held upon receipt of a garnishment until a court order is issued indicating satisfaction of the indebtedness or until ordered to surrender the monies to the court or its agent. The school district prohibits improper pay deductions, and employees shall be reimbursed for any improper pay deductions. If you believe that an improper deduction has been made to your pay, you should immediately report this information to your direct supervisor, payroll personnel, or the Superintendent.

Staff members, by their signature on the acknowledgement page of this handbook, authorize the school district to withhold such sums from their paychecks as necessary to cover property damage, cash shortages or other amounts owed to the school district by the employee.

Weather-Related Closings

If school is called off because of bad weather or for any other reason, it will be announced on School Reach System via text, email and phone calls. Also advertised on radio and tv.

Parents may decide to keep their children at home in inclement weather because of personal circumstances. Students absent because of severe weather when school is in session will be marked absent. Staff members should treat the absence like any other absence for legitimate causes provided parents properly notify the school of their decision. Parents may pick up their children in inclement weather (except in case of a tornado) at any time during the school day. Students will not normally be dismissed from school during severe weather on the basis of a telephone request.

Workplace Searches

To safeguard the property and interests of our students, employees, and patrons; to help prevent the possession, sale, and use of illegal drugs on school grounds, and in keeping with the spirit and intent of the district's drug-free workplace policy and other policies, the school district reserves the right to question employees and all other persons entering and leaving our premises, and to inspect any packages, parcels, purses, handbags, briefcases, lunch boxes, or any other possessions or articles carried to and from school when it has reasonable grounds to do so. The school also reserves the right to search any employee's office, desk, files, locker, or any other area or article on school grounds. All offices, desks, files, lockers, and so forth, are school district property and are issued or provided for the use of employees only during their employment with the district. Inspections may be conducted at any time at the discretion of the administration. Employees who refuse to cooperate with this provision will be subject to disciplinary action up to and including discharge.

POLICIES AND PROCEDURES REGARDING CERTIFIED STAFF

Absences

The accumulation of leave for teaching staff is governed by the Negotiated Agreement between the Board of Education and the Education Association. This handbook sets forth the process for using that leave

1. **Sick Leave**
   Certified staff members who are too ill to perform their teaching duties must contact their building principal by 6:00 a.m.

2. **Personal Leave**
   Certified staff who wish to take personal leave must submit a leave request to their building principal at least three days in advance of the proposed leave via Odie. The building principal may deny personal leave requests if the school district is unable to secure the services of a qualified substitute teacher on the day of the proposed leave.

3. **Professional Leave**
   The board and administration recognize the value of continuing education and encourage certified staff to participate in seminars, workshops and other activities which will continue their professional growth. Certified staff members who wish to take professional leave must submit a leave request to their building principal, along with a description of the proposed event and any written materials about the event. Building principals may deny requests for professional leave if they are unable to secure the services of a qualified substitute or if the principal determines that the activity will not enhance the certified staff member's effectiveness as an employee of the district. Certified staff members who feel they have been unfairly denied professional leave may grieve the principal's decision, pursuant to the grievance procedure contained in the district's Negotiated Agreement.

4. **Substitute Folders**
   Each teacher must prepare a substitute folder and keep the completed folder in the upper right-hand drawer of his/her desk. The folder must contain:
   a.) the current seating chart for each class;
   b.) the daily routine followed by each class;
   c.) all schedules (fire drill procedures, lunch schedule, etc.);
   d.) a copy of this handbook; and
   e.) plans for the day if the teacher's absence was anticipated. (These plans are in addition to the teacher's regular lesson plan book.)

Certified staff members may not make arrangements for their own substitute.

Assemblies

Classroom teachers must attend assemblies and pep rallies and sit with students to help maintain order.

All certified staff members should attend school assemblies and should try to attend as many of the school functions as possible regardless of whether they have specific assigned duties or not.

Assignment Notebooks and/or Passes

Assignment Notebooks function as students' make-up slips, as well as a pass out of class or to see another instructor. They can also be used as a communication tool home to parents. Students may not be in the hallways during class time without his/her assignment notebook signed by the instructor. Every time a student leaves class during class time, it should be signed. This way, other staff can ascertain where the student has permission to be.

Students may not go to another classroom without a signed pass obtained from that teacher. No student may be in the halls during class or study time without a signed pass for a specific destination. If a teacher retains a student after the period ends, staff must write a note in the student's assignment book stating why the student was late, rather than sending the student to the office for a tardy slip.

Assignment of Teachers

The administration will assign certified staff to individual duties. Certified staff will also be assigned for various forms of hall, extracurricular, recess, traffic, lunch period and other noontime duties, and athletic events.

Certificates, Teacher Contracts, Salary Information

Teaching certificates must be registered with the Superintendent before they may legally be paid. It is the certified staff member's responsibility to make sure this is done.

Each certified staff member must provide the superintendent's office with the following information:

a. social security number,
b. retirement number,
c. withholding form W-4, and
d. authorization to withhold for insurance benefits.

Each new certified staff member must fill out forms for retirement benefits before the first pay day as well as the family coverage of the district hospital/medical insurance program.

It is the sole responsibility of the certified staff member to inform the superintendent of any changes, including but not limited to changes in certification, endorsements, benefits plans, and salary payment information.

Cheating

Students caught cheating (including plagiarizing) must be sent to the building principal for administrative discipline. The classroom teacher may also give the cheating student a zero grade for the test or assignment.

Check-out Forms

All certified staff must complete a check-out form and obtain the building principal's signature on the form prior to departing for the summer. Classrooms must be tidy to allow the custodial staff to clean classrooms and work areas. Certified staff members who do not clean their work area before departing for the summer will not receive their paychecks will until the work is completed.

Class Record Books

A class record book is the school's official record of matters relating to each student in each teacher's class. It may be maintained in paper or electronic form and must be complete in scope and accurately maintained. All classroom teachers are required to keep class record books which list students in each class in alphabetical order and show the attendance and all grades earned by each student. At the end of each school year, classroom teachers must turn their record books into the building office. Record books are subject to examination by the building principal or superintendent at any time.

Classroom Management and Student Discipline

Classroom discipline is first and foremost the responsibility of the classroom teacher. Individual teachers are expected to assume responsibility for good discipline throughout the school system. However, if a certified staff member needs assistance with student discipline, they should seek the advice and counsel of the principal or superintendent.

Classroom teachers may not leave their classrooms unless the students are supervised by a competent adult.

Classroom teachers may not close the door to their rooms until they have left the building or unless they are sponsoring some other group in other areas.

Classroom teachers should have a well-defined discipline plan that is known to the students. Rules and consequences should be stated clearly and posted where appropriate.

Each building has its own specific procedures concerning student discipline. Classroom teachers should consult with their building principal for more information.

Teachers may remove a student from the classroom for failure to comply with established rules of conduct. Only an administrator can suspend or expel students from class or school and due process must be followed.

Students may be kept after school for matters relating to discipline or to assist in their academic progress. Certified staff should allow all elementary students and junior/senior high students who ride the bus to arrange parental transportation for the next day with their parents. Students who do not have transportation concerns may be kept without delay. Students may not avoid being kept after school because they have an after school practice or other school activity.

Both elementary and secondary certified staff are responsible for assisting with hallway discipline between classes and in the school lunchroom.

Classes should begin on time and end promptly. Work should continue throughout the period assigned for it. Classroom teachers have no right to waste the pupils' time. Classroom teachers may not dismiss classes early except by permission of the building principal.

Staff members may never send a student off school grounds without the authorization of the building principal.

Classroom teachers may not admit tardy students to class without an admit slip from the principal or the student's teacher from the previous period.

Classroom Sanitation

1. Handling of Body Fluids

All body fluids of all persons should be considered to potentially contain infectious agents (germs). Hand washing after contact with a school child is recommended if physical contact has been made with any child's blood or body fluids. The term "body fluids" includes: blood, semen, drainage from scrapes and cuts, tears, feces, urine, vomit, respiratory secretions, and saliva.

2. Infectious Diseases

Certified staff should promptly report any indication of an infectious or contagious disease to the school nurse or building principal. Certified staff should report to the school nurse or the student's parents any pupil whom they suspect of having been exposed to any infectious or contagious disease.

Coaching Supplies

Coaching supplies will be distributed by the athletic director. Such items include tape, prewrap, heel pads, band aids, ankle braces, game balls, etc. Coaches should request additional supplies from the activities directory only when they have run out of supplies.

Coaches must fill out and submit inventory forms to the activities director immediately after the season is complete.

Collection of Student Money

Staff members must comply with the school district's student fee policy before collecting any funds from students.

Money collected from students should be turned into the office on the day it is collected for deposit in the proper activity or school district fund. Any checks written by students or parents for various payments should be made out to SEM Public Schools, unless otherwise instructed. Certified staff must submit a financial accountability form when they turn funds into the office.
When students purchase items such as coats, rings, etc., through the school district, they must pay for these and other major items before the order is sent. The sponsor of any school organization is not to give merchandise to students; items will be distributed by the office after proper payment.

Community Involvement

Certified staff are encouraged to take part in civic affairs in the community and must do so when required by state law and board policy.

Computer Lab

Students and staff who use computers owned by the district must abide by the district's acceptable use policies. Students may use the computer lab during lunch and after school. Classroom teachers may not send students to the computer lab during study halls or class unless they have made prior arrangements with the lab coordinator.

Display of Classroom Work in the School

Classroom teachers are encouraged to display student work for public viewing. Students and parents enjoy viewing the display and may be even more supportive of their school because the display shows them many of the things the students do. Classroom teachers may use the window area of the central

office or the commons area to display student work or they may use during a night activity. Certified staff must contact the principal before displaying student work at an evening activity.

Duties of Certified Staff

The duties of certified staff include, but are not limited to, the following:

a) Becoming acquainted with board policies, district rules and regulations, and the state laws concerning teachers and pupils.
b) Attending such education conferences as are required by law or administrative directives.
c) Attending school assemblies unless excused by the principal.
d) Instructing pupils in the proper use of equipment and instructional supplies.
e) Reporting in writing to the principal any injury to any child while under the jurisdiction of the school, including athletic injuries.
f) Complying with the Teachers Professional Code of Ethics which has been promulgated by the Nebraska Department of Education (92 Neb. Admin. Code § 27) and adopted by the Board of Education of the district.
g) Discussing a student only with the child's parents and the superintendent, principal, guidance counselor or classroom teachers who may know the circumstances and have a need to know. It is unprofessional and inappropriate to discuss student or other staff members in the staff lounge.
h) Being responsible for students whom they keep in school at times other than during regular school time. Certified staff will be responsible for any special work done by their students, including field trips, joint assemblies, school programs, etc.
i) Refraining from joining book clubs or film clubs using the school name.
j) Turning in all monies collected to the main office by the end of the school day.
k) Clearing all class meetings or trips through the principal's office.
l) Participating in Student Assistance Teams pursuant to board policy.
m) Assisting with the administration of standardized testing as assigned by the administration.
n) Provide homebound instruction as assigned by the administration.
o) Performing additional duties as assigned by the administration.

Eligibility Grades 7-12

Student academic eligibility for participation in extra-curricular activities will be determined on a weekly basis. A student will become ineligible by

maintaining an average of less than seventy percent (70%) in two or more classes weekly. Eligibility will be based on the weekly cumulative semester mathematical average of each student. The grading period will end at the conclusion of school on the last school day of the week. Beginning on the fourth Monday of each semester, classroom teachers must submit the names of all students who are not academically eligible to the office by noon on the first school day of each school week. At the discretion of the sponsor, ineligible students will be allowed to participate in practice. Activities affected by the eligibility rule are:

1. All interscholastic contests, including but not limited to, athletics, FFA, FBLA, speech contests, and similar organizations or events.
2. Cheerleading.
3. Music competition, performances (except Christmas and Spring concerts), and clinics.
4. All school dances.
5. Other activities deemed appropriate by the principal.

Extracurricular Activities

Staff must schedule all events and other extracurricular activities at the activity director's office to avoid conflicts. Activities must be put on the school calendar located in the activity director's office at least one week before the activity. Staff should avoid or shorten practices and activities on Wednesday evenings and Sundays, in order to give students sufficient time away from school for family-related activities.

Certain activities require time be scheduled outside regular school hours. Any school sponsored activity involving students must have approval of the principal prior to the activity, including all fund raising activities.

Regular classroom work in all grades will have precedence over any other activity. Students will not be dismissed from classes to participate in extra-curricular activities without permission from the principal. Make up slips must be completely signed and returned to the sponsor of the activity prior to dismissal from class. All evening activities, except practices, must have no less than two school sponsors. Non school sponsors must be approved by the administration. If vehicles are used for transportation, the drivers must be adults who have been approved by the school.

The activities director has the responsibility for all activities. Therefore, any ruling or handbook decision he/she makes will be school regulation in lieu of further board action.

No student may participate in a field trip off school property without written permission of his or her parent or guardian.

Evacuations

Early in the semester, classroom teachers should review instructions for leaving the classroom with all of their students. Classroom teachers should also periodically review with each class what to do in case of fire, tornado or other emergency.

1. Fire Drills

Fire drills will be held on a regular basis. Certified staff may or may not be notified in advance. These drills are important exercises that help ensure the safety of students in case of an emergency.

When the fire alarm is sounded, all students and staff immediately must cease the activity in which they are engaged and leave the building at once, following these regulations:

a) Students nearest the windows will close them before leaving.
b) The classroom teacher will be the last to leave the room. He or she will turn out all lights and close the door as he or she leaves.
c) Classroom teachers will take their fire drill packets and class grade books with them when they leave their classrooms.
d) The first two students reaching the exit doors will hold the doors wide open until everyone has filed out.
e) Staff and students will move far enough away from the building to avoid possible injury from fire and falling embers, and also, to remain clear of emergency vehicle traffic.
f) Once outside, each teacher must account for every student in the class. Classroom teachers will take roll for their class and;
    1) hold up a Green Card (all students accounted for)
    2) hold up a Red Card (missing student (s) listed)
    3) hold up a White Card (extra students listed)

The signal to return to the school building will be the short bell. It will be sounded upon completion of the drill. Students will return in an orderly manner.

2. Tornado Drills

When a tornado warning has been issued, the school will evacuate classrooms and move students to the designated tornado shelters. Tornado alerts will be given via the intercom system. When a tornado alert is given, all students and staff immediately must cease the activity in which they are engaged immediately and seek shelter, following these regulations:

a) All students and staff should proceed to the designated tornado shelter.
b) Once in the basement, each teacher must account for every student in the class.
c) Classroom teachers should be sure that each student is sitting with his or her back to the wall, their knees up and their heads should be between their legs.

3. **Protocol for all Evacuations**

Upon evacuation signals, all students and staff must exit each building. Classroom teachers should do the following:

1) Take the class roster;
2) Lock the classroom door after all occupants have exited the room;
3) Keep the class together and move promptly in an orderly fashion; and
4) Upon arriving at the evacuation point, take roll, maintain order, and supervise students.

Evaluations

The appropriate district administrator will evaluate tenured and probationary teachers as required by law and district policy. Additional evaluations, both formal and informal, may be conducted as the district administration deems appropriate. Copies of the SEM's Board Approved evaluation forms will be handed out at the beginning of the school year.

Faculty Meetings

The superintendent and principals will call meetings as needed. Certified staff are required to be present at all faculty meetings unless excused by the administration.

Field Trip Request Forms

Certified staff who wish to take students off school property must submit a request to the superintendent at least ten calendar days prior to the date of the requested activity.

Elementary grades will be limited to one field trip per year. Additional requests may be granted on a case by case basis.

Grading Policy

Failing reports for Jr.-Sr. High School students must be turned into the office on or before 8:30 a.m. on each Monday. A pupil should never be placed on "pupils failing" list without first being on the "pupils about to fail."

Grades are given as letter or percentage as requested by the building principal. No incompletes or condition grades will be given, but grades may be changed by request of the classroom teacher to the principal. If a student fails the first semester and passes the second semester, a classroom teacher may pass a student for the full year.

A student is to be graded on academic performance. **A student's grade is not to be reduced for discipline.** Prejudice or favoritism has no place in grading a student. All grading should be explained in simple, understandable terms to the student.

Classroom teachers should provide students and parents with frequent updates regarding the student's progress during the quarter. At the conclusion of each quarter, students will receive an end-of-quarter report card. Classroom teachers should use the following symbols for each subject area:

Report Cards	Numerical Scale for Report Cards
A= Excellent	93-100 = A
B= Above Average	85-92 = B
C= Average	76-84 = C
D= Below Average	65-75 = D
F= Failing	64 and below = F
S= Satisfactory Progress	
U= Unsatisfactory Progress	

In the elementary grades, students will receive letter grades only in designated "core" curricular subjects. Elementary teachers should report student progress on grade reports using the following system:

1st Grade – 4th Grade	5th-6th Grade
A, B, C, D, F	***A, B, C, D, F***
Reading	Reading
Math	Math
Spelling	Spelling
Language	Language
Science	Science
Health	Health

Guest Lecturers

Guest lecturers must be approved by the administration before they are asked to address a class. The guest lecturer must have a specific, relatable objective in his/her lecture.

Hall Duty

Every classroom teacher is on hall duty before school in the morning and between classes. Classroom teachers are responsible especially for the part of the hall adjacent to their classrooms.

Homework Policy

Homework is an important part of student learning. When parents, teachers, and students work together, out-of-class assignments are a valuable part of the instructional program. Homework should provide opportunities for students to practice acquired skills, develop initiative, form independent study habits, and use community resources.

Instructional Materials

Instructional materials are made available through the Education Service Unit. A catalog and order forms will be made available to all members. Films should be used as instructional materials. All media must be previewed for suitability by the classroom teacher before being shown to students.

Lesson Plans

Each teacher will prepare and complete a proper lesson plan on Friday for the following week. These plans must be written so that they are clear to any substitute teacher and readily available to any teacher. An up-to-date seating chart of the class or classes shall be part of the lesson plan book. Other regulations relative to lesson plans will be made by individual building principals. The lesson plans of all classroom teachers are subject to review of the building principal or other members of the school district's administration at any time.

Lesson plans must **identify major instructional objectives and show page assignments and general direction that might be followed by anyone who might be called upon to teach the classes.**

Media Center

The media center is set up to serve the needs of certified staff and students. Certified staff who need assistance with textbooks, literature sets, magazines and other reference materials should consult with the media specialist assigned to their building.

Students may use the media center during study halls, at lunch, after school and in the evenings. Classroom teachers may send individual students to use the media center during class time, but should contact the media staff before sending a group of students during class. The media staff may send disruptive students back to class or study hall, or may exclude unruly students from the media center for a specified period of time. Classroom teachers who send their entire class to the media center must accompany and supervise the students, unless prior arrangements have been made with the media specialist.

Audiovisual materials are available to certified staff through the media center. Certified staff may obtain these materials by filling out the required requisition form and sending it to the media specialist in their building. When certified staff return media, they should complete the film report card and return it to the media specialist.

Paraeducators

Paraeducators provide valuable assistance in the educational process and allow teachers to carry out their responsibilities in a more efficient and effective manner. A paraeducator must not, however, assume teaching responsibilities. The classroom teacher must maintain the role of leadership and responsibility for the students, with the teacher aide in a supportive role. Paraeducators may be used to assist the classroom teacher by, among other tasks, assisting with instructional activities under the direction of the teacher, helping to supervise students, copying tests and other written material, organizing class materials, preparing bulletin boards, grading tests or class work, and calculating and recording grades. Paraeducators are to work only on and within their assigned work days. If the classroom teacher desires the paraeducator to work hours other than the assigned work hours or assigned work day, he or she must contact the administration for approval.

Parent-Teacher Communication

Students' academic success has been closely linked to parental involvement in school. Certified staff should strive to develop open and supportive relationships with parents and guardians. Each classroom teacher is responsible for keeping a student's parents informed about the student's progress. This may be done by letter, telephone, e-mail, or personal conference. Certified staff must attend parent teacher conferences, promptly return phone calls, participate in teacher events for students and parents, and where necessary utilize a planner as a communication tool. Certified staff who need additional support in communicating with parents should contact their building principal or guidance counselor.

Planning Time

Each classroom teacher is provided with duty-free time for planning, preparation of school-related materials, and a brief respite from the duties of the day.

The Board defines planning time as time for educational planning and other task-related functions that cannot normally be accomplished during instructional periods. Planning time should not be confused with personal time. **Planning time is not to be used for running personal errands, conducting personal business, or pursuing non-school hobbies and/or interests.**

PowerSchool and PowerGrade

All teachers/classroom aides will be required to use PowerSchool and PowerGrade. Attendance will be taken as follows: Elementary – at the beginning of the morning, and right after lunch; and Secondary – at the beginning of every period. Attendance must be taken within the first five minutes of each period / beginning session. Lunch count will also be taken with PowerGrade.

Classroom teachers will be required to synchronize the PowerGrade application weekly with the main PowerSchool server.

A "comment bank" will be developed for comments on progress reports, report cards, and discipline reports at a later date. You may use the "comment bank" or enter your own free-form comment.

Classroom teachers are not permitted to install PowerGrade on their home computer.

Certified staff who have trouble/problems with PowerSchool/PowerGrade, should contact the Building Secetary.

Private Tutoring

Classroom teachers must provide individual assistance to students as a part of their duties. Any certified staff member who engages in private tutoring for pay (compensation of any kind from a source other than the District) is subject to the following rules:

- Certified staff may not arrange to provide private tutoring for any child enrolled in the staff member's class.
- Certified staff are not to provide private tutoring in a school building.
- Certified staff are not to provide private tutoring during duty time.

- Certified staff are prohibited from advertising or promoting the private tutoring services in the school or in the school's communications systems except with the express permission of the Superintendent or designee.

Projection Maps

The school district will only use the Gall-Peters projection map or a similar cylindrical equal-area projection map or the AuthaGraph projection map for display or use in the classroom. Use of the Mercator projection map is prohibited unless:

1. The Mercator projection map is used in conjunction with other projection maps in a teaching exercise to demonstrate that all maps are flawed in some way and different map projections serve different functions and may affect how individuals view the world; or

2. The Mercator projection map is part of any:

    a. book or material obtained prior to July 19, 2024; or geographic information system; or computer program that renders a three-dimensional representation of Earth based primarily on satellite imagery, such as Google Earth or similar software; and
    b. a Gall-Peters projection map or similar cylindrical equal-area projection map or an AuthaGraph projection map is displayed in the classroom or shown to students during the lesson in which a Mercator projection map is used.

Pupils' Records

1. Each classroom teacher must keep a set of records in the daily class record book of the class recitations, tests, exams, daily work, notebook, etc. This serves as a justification of the final grade in case of dispute between teacher and pupil, or teacher and parent, and assists in making out the final grades. This book must be turned into the principal at the end of each school year.
2. Report cards will be issued within one week following the end of the quarter unless otherwise announced.
    a) Reports should be conscientiously and accurately made because they are a serious estimate of the degree of success of the pupil.
    b) Each classroom teacher should be adequately prepared to defend all decisions given on the report card.
    c) Each classroom teacher is responsible for distribution of class cards on time.
    d) Classroom teachers must confer with the principal before recording any incomplete, failing, or conditional grades on report cards.

Rights of Certified and Probationary Teachers

Certified and probationary teachers are entitled to the legal and procedural rights outlined in the board policies and state and federal law with regard to the amendment, cancellation, or termination of the teacher's employment contract. For specific questions relating to those procedural or legal rights, please refer to the district's board policies.

School Day

All certified staff must be at school or on duty between the hours of 7:45 a.m. and 3:45 p.m., Monday through Thursday. On Fridays and days preceding certain holidays or vacation periods, certified staff are permitted to leave after the students are dismissed and have left the building. Under special circumstances, certified staff may seek permission from their building principal to vary these duty hours. In addition, certified staff may be assigned responsibilities at other hours by the principal or superintendent for supervising or directing school activities or affairs or for participation in affairs under the direct sponsorship of the school.

Each teacher will be in his or her classroom and ready to teach at 8:00 a.m. each day. Classroom teachers will stand at their doors when class is dismissed and must be outside their classroom doors before each class period. Classroom teachers must be physically present in their classrooms at all times during class periods and conference periods.

Personal work may not be done on school time.

Sponsors

Certified staff members are assigned by the superintendent as class and club sponsors. Sponsors must be present at all meetings and activities of the sponsored group. The procedure for activity accounts and meetings can be found in the student manual. Purchasing of supplies must be approved by the Superintendent.

Student Activities

Staff members who sponsor extracurricular activities such as athletics, class plays, and class activities may leave the school building only after making sure that all students and other individuals have left the building. No student is to be left unattended in the school building at any time.

Under no circumstances are pupils to be allowed in the building after school hours without faculty supervision. Keys to any school areas are not to be loaned to students under any circumstances.

School-owned clothing or equipment that is checked out to students remains the property of the school. The clothing or equipment is not to be used or worn by the student except for its intended use. Each piece of equipment or clothing is to be returned to the instructor or coach when the season or the use for such clothing or equipment is over. Certified staff will be held responsible for clothing and equipment that is not returned.

Student Aides

Student aides are to be directly supervised by the certified staff member and are not to leave the building or be in the halls or anywhere they are not being supervised. Student aides are not to be used to assist the certified staff member by helping supervise another student, grade tests or class work, calculate student grades, or record grades. **Keys are NEVER to be given to students, whether they are student aides or not.** A student aide should not be present and assisting a certified staff member without another adult present after the end of regular teacher duty hours.

Student Attendance

Students are expected to arrive at each class, be seated and ready for instruction prior to the beginning of the class day or class period, as appropriate. Student tardiness is the classroom teacher's professional responsibility. Classroom teachers must insist that students be on time.

Each teacher must maintain an accurate record of student attendance each day. Classroom teachers must carefully check and record attendance information at the beginning of each school day and, in upper grades, at the beginning of each period. Students and student assistants are not permitted to check attendance. Excessive absenteeism should be reported to the building principal or guidance counselor.

Students returning from an absence must report to the office prior to going to class. A returning absentee must show each classroom teacher the admittance pass that was issued by the school office. No student should be accepted back into class after an absence without this pass.

A student who departs school during the school day must report to the office and sign out before leaving the building. A student who returns during the school day must sign in at the building office before returning to class.

Student Attire

The responsibility for proper daily grooming and dress is primarily the responsibility of students and parents/guardians. However, certified staff members must insist that students do not remain in school while wearing attire that violates the dress code set forth in the Student Handbook.

Classroom teachers must report students who are not in compliance with the dress code to the building principal. The final decision on what is considered proper grooming and appearance is the responsibility of the building principal.

Student Illness

In the event of student illness or injury, classroom teachers should notify the building principal or superintendent immediately. Staff should never send a pupil home without notifying school officials and checking to see if his/her parents are home.

Student Medication

Student medications should not be dispensed by staff members unless they follow the following procedures.

No staff members other than the school office help may dispense medications (prescription or over-the-counter) to students at any time. Students may, with written parental or guardian permission, self-administer medications such as an asthma inhaler.

Staff members are not authorized to dispense prescription medicine without an agreement with a parent or guardian to provide a prescription container for the medicine that includes a pharmaceutical label, the physician's name, a child guard cap and directions for administering the medication.

After receiving the medication, the school employee should lock the medication in a cabinet or place it in an area where access is restricted to school employees only.

Student Searches

Certified staff members may not search students or their belongings. If a staff member suspects that a student is in possession of contraband, he/she should immediately contact a member of the administration and supervise the student until the administrator arrives. Students who are suspected of having an item in violation of school rules may be directed to wait with a staff member.

Substitute Teaching During Planning Period

Certified staff may be required to substitute during their planning period.

Teaching Controversial Issues

Teachers may teach or lead discussions about controversial issues if they comply with the following criteria:

- The issues discussed must be relevant to the curriculum and be part of a planned educational program.
- Students must have free access to appropriate materials and information for analysis and evaluation of the issues.
- The teacher must encourage students to consider and discuss a variety of viewpoints.
- The topic and materials used must be within the range, knowledge, maturity, and competence of the students.
- The teacher must inform parents and the building principal before discussing sensitive or controversial issues.
- The teacher must keep detailed, documentary evidence to prove that both sides and/or all facts available were presented.
- Teachers must refrain from advocating partisan causes, sectarian religious views, or selfish propaganda through any classroom or a school device; however, a teacher shall not be prohibited from expressing a personal opinion as long as the student is encouraged to reach his/her own decision independently.

Textbooks

Classroom teachers will issue textbooks to the pupils, keeping a record of the number and condition of the book assigned to each pupil. If the books are new, classroom teachers must make sure the books are stamped and numbered before distribution.

Textbooks are to be stored in the classroom or storeroom. Textbooks are to be checked out to the students with teachers keeping an accurate record of each book by number in the place provided in grade books. Pupils are to pay for lost or damaged books. Student textbooks must be covered with a book cover.

Workbooks do not become the property of the students and in most cases should be retained by the school.

APOLICIES AND PROCEDURES REGARDING CLASSIFIED STAFF

At-Will Employment

Classified staff members are employed "at-will." Either you or the school district may terminate your employment at any time, for any reason, with or without cause or notice. This handbook is not a contract, express or implied, guaranteeing employment for any specific duration.

All leaves are specified in the classified employment work agreement.

Hours

Work hours vary with the classified staff member's department and position. Meetings will occasionally be scheduled before or after normal working hours.

It is vital that the district's employees arrive at work punctually and consistently. Staff members who are chronically late or excessively absent will be disciplined, up to and including discharge.
