August Board Meeting

Custodians have done a fantastic job this summer of getting the school updated and ready for the new school year. Thank you Aaron, Luke, Crystal, Brianna, Marsha and the boys for all of your hard work.

Mr. Wright and myself attended Administrator Days in Kearney on July 23rd - 25th. We were able to listen to a lot of great speakers from across the country on various topics pertaining to Education. We also attended many breakout sessions with great information about school law, various new policies, evaluating teachers, safety in schools, addressing chronic absenteeism, educator certification, NSCAS updates, school mental health, just to name a few. With all the administrators from across the state at this we were able to do some great networking and discuss topics that we all are facing in our school districts.

Summer has flown by and we have started back up with teacher workdays today and also on Tuesday with CPR and bus training, as well as time for teachers to get their rooms ready.

Students will come on Wednesday. School starts at 8:00 and goes to 1:45 for the rest of the week. During these first 3 days of school we will be practicing our emergency plans, fire, tornado, lockdown, bus evacuation, etc so that the students are familiar with them.

Conditioning for the fall sports started on Monday the 4th.
Fall sports practice started today, Aug. 11th

We will be double checking to make sure all athletes have a physical and that all paperwork is turned in.

We will be doing our Fall MAPS testing next week

The Parent/Coaches meeting was scheduled for today at 6:30 for parents that have students in fall sports.

I am beyond excited to start the 2025-2026 school year. It is going to be a great year.

August Board Report

1) Financial Report

Currently waiting on County evaluations to make final tweaks on the budget as we are sitting pretty well. We moved some funds from General to the Nutrition fund to make sure we have a better balance at the end of the fiscal year.

2) Transportation, Buildings, and Grounds

We have completed all of the projects to get the school ready for the start of the school year. The sink hole is looking like it came from an outside source which I will update you all on during the meeting. Windows should be installed as of today the 11th for the school year which is scheduled to be completed on the August 8th into the 9th.

Security cameras are on pace to be completed prior to the school year starting

3) Board Policy

Some of the policies have been updated to the correct ones on SPARQ but still working on getting them all transferred over and organized. I will also be creating a folder on the computer to have a better access to them.

4) Other

Please let me know if you have any questions!

Thanks!
