ENGAGEMENT LETTER

April 11, 2022

Chickasha Public Schools
900 West Choctaw Avenue
Chickasha, OK 73018

RE: Financial Advisory Services Provided to the Chickasha School District

The purpose of this Engagement Letter (the “Letter”) is to set forth the role BOK Financial Securities, Inc. (“BOKFS”) proposes to serve and the responsibilities BOKFS proposes to assume as financial advisor to the Chickasha School District (the “Issuer”). Upon Issuer’s acceptance, this Letter will serve as our mutual agreement with respect to the terms and conditions of our engagement as Issuer’s financial advisor, effective on the date this Letter is executed by Issuer (the “Effective Date”).

1. Scope of Services. BOKFS will provide, on an on-going basis, professional financial advisory services to the Issuer on any financial matters, including but not limited to the issuance and term of new debt (“Issue” or “Issues”), primarily general obligation bonds. BOKFS will assist the Issuer with each of the following tasks associated with the planning, structuring, marketing, pricing, and closing of the proposed financing(s).

- (a) The Services shall be limited to the services described in **Appendix A** (the “Scope of Services”).
- (b) Except as otherwise provided in the Scope of Services, BOKFS shall not be responsible for certifying as to the accuracy or completeness of any preliminary or final official statement, other than with respect to any information about BOKFS provided by BOKFS for inclusion in such documents.
- (c) The Scope of Services does not (i) include tax, legal, accounting or engineering advice with respect to any Issue, Product or opinion or certificate rendered by counsel or other person at closing, or (ii) include review or advice with respect to any feasibility study, except, in either case, as may be prepared by BOKFS as provided for in the Scope of Services.
- (d) Issuer agrees not to represent, publicly or to any specific person, that BOKFS is Issuer’s independent registered municipal advisor (“IRMA”) for purposes of SEC Rule 15Ba1-1(d)(3)(vi) (the “IRMA exemption”) without BOKFS’s prior written consent.
- (e) When BOKFS is designated by Issuer as its IRMA, BOKFS shall be Issuer’s IRMA solely with respect to the Scope of Services. BOKFS shall not be

responsible for verifying that it is independent (within the meaning of the IRMA exemption as interpreted by the SEC) from another party wishing to rely on the exemption from the definition of municipal advisor afforded under the IRMA exemption. Any reference to BOKFS, its personnel and its role as IRMA in Issuer's written representation contemplated under SEC Rule 15Ba1-1(d)(3)(vi)(B), shall be subject to prior approval by BOKFS.

2. BOKFS's Regulatory Obligations When Providing Services to Issuer.

- (a) MSRB Rule G-42 requires that BOKFS (i) make a reasonable inquiry as to the facts that are relevant to Issuer's determination whether to proceed with a course of action or that form the basis for any advice provided by BOKFS to Issuer, (ii) undertake a reasonable investigation to determine that BOKFS is not basing any recommendation on materially inaccurate or incomplete information, and (iii) use reasonable diligence to know the essential facts about Issuer and the authority of each person acting on Issuer's behalf.
- (b) Issuer agrees to cooperate, and to cause Issuer's agents to cooperate, with BOKFS in carrying out the foregoing requirements, including providing to BOKFS accurate and complete information and reasonable access to relevant documents, other information and personnel needed to fulfill such requirements. In addition, Issuer agrees that, to the extent Issuer requests BOKFS provide advice with regard to any recommendation made by a third party, Issuer will provide to BOKFS written direction to do so and all information Issuer has received from such third party relating to its recommendation.

3. Compensation. For the above services, you agree to pay us the following:

- \$20,000 per General Obligation bond issue completed

The above fees are payable only upon a successful election, if applicable, and subsequent receipt of proceeds from the bonds. However, if your election is held and fails, and another election is called for the issuance of bonds within one year from this date, you hereby agree to employ us under the terms of this contract.

In addition to the above fees, you agree to pay or reimburse us for our payment of the following expenses:

1. All Election Board Expenses, if applicable
2. Legal Publication Fees
3. Secretary of State Filing Fees
4. Official Statement Printing & Distribution, if applicable
5. Credit Rating Agency Fees, if applicable
6. Overnight courier service charges associated with distribution of bond material

4. Term of this Engagement. This Agreement may be terminated with or without cause by either party upon the giving of at least thirty (30) days' prior written notice to the other party of its intention to terminate, specifying in such notice the effective date of such termination. If Issuer exercises its option to terminate this Agreement, Issuer agrees to reimburse BOKFS for any of the expenses described in paragraph 3 advanced by BOKFS pursuant to paragraph 3 above and to pay BOKFS for its services rendered

prior to such termination in a mutually acceptable amount which shall be negotiated in good faith between the parties.

5. **Limitation on Liability.** In the absence of willful misconduct, bad faith, gross negligence or reckless disregard of the obligations of BOKFS arising under this Letter:

- (a) The liability of BOKFS and its associated persons to Issuer for any act or omission in the course of, or connected with, rendering services hereunder, or for any error of judgment or mistake of law, shall be limited to the fees paid or otherwise due and payable under this Agreement; and,
- (b) BOKFS and its associated persons shall have no liability to Issuer for any other loss arising out of any issuance of municipal securities, any municipal financial product or any other investment, or for any financial or other damages resulting from Issuer's election to act or not to act, as the case may be, contrary to any advice or recommendation provided by BOKFS to Issuer; and,
- (c) No recourse shall be had against BOKFS for loss, damage, liability, cost or expense (whether direct, indirect or consequential) arising out of or in defending, prosecuting, negotiating or responding to any inquiry, questionnaire, audit, suit, action, or other proceeding brought or received from the Internal Revenue Service in connection with any Issue or Product or otherwise relating to the tax treatment of any Issue or Product, or in connection with any opinion or certificate rendered by counsel or any other party.

6. **Required Disclosures.** MSRB Rule G-42 requires that BOKFS provide Issuer with disclosures of material conflicts of interest and of information regarding certain legal events and disciplinary history. Such disclosures are provided in BOKFS's Disclosure Statement attached hereto as **Appendix B.**

7. **Waiver of Jury Trial.** EACH PARTY AGREES TO WAIVE ANY RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY CLAIM, COUNTERCLAIM OR ACTION ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THE RELATIONSHIP BETWEEN THE PARTIES. APPENDIX A SCOPE OF SERVICES

1. We shall prepare a written Financial Analysis based upon the capital improvement and other needs of the School District which shall include a survey of the financial resources of the School District. This document shall also contain an analysis of the existing debt and tax structure and compare this analysis to the projected debt. On the basis of information thus developed, we shall devise a financing program to fund the proposed maturities, the estimated interest rate and cost on the proposed bonds, the resulting overall amount of projected annual debt service and tax requirements, and the relationship of these items to existing corresponding projected items of the School District.
2. We shall provide the following services related to a bond election:
 - (A) Provide the School District with information concerning the most advisable dates for holding an election to approve such issuance;
 - (B) Provide the necessary Resolution to call for the election;
 - (C) Provide for filing the necessary documentation with the County Election Board;
 - (D) Assist in providing printed ballots for such election;
 - (E) Arrange for proper legal notices to be published at the appropriate times regarding the notice of such election;
 - (F) Appear at public meetings informing the public as to the use of bond proceeds and the effect on ad valorem taxes (if desired);
 - (G) Assist in the formation of informational brochures discussing the items concerning the election such as taxes and use of proceeds (if desired);
 - (H) Provide the County Election Board with the appropriate material to canvass the election returns; and
 - (I) Assist in the analysis of and provide the School District with election results.
3. Upon approval by the voters of the School District, we shall undertake the following tasks:
 - (A) We shall advise the Board of Education of current bond market conditions, forthcoming bond issues, and other general information and economic data that might normally be expected to influence interest rates or bidding conditions so that the date for the sale of the bonds may be set at a time which, in our opinion, would be favorable to the School District.
 - (B) We shall assist the School District, if necessary, in the identification, evaluation, and negotiations with prospective paying agents, registrars and transfer agents.
 - (C) We shall prepare an Official Notice of Sale that establishes the specifications for bidding; i.e. bond maturity and interest coupon arrangements, interest rate limitations, and other pertinent details.
 - (D) We shall also prepare a Preliminary Official Statement that describes the Bonds offered, including complete information as to the security for the Bonds, the School District and other pertinent details.
 - (E) We shall prepare a uniform Bid Form which would prevent deviation by any bidders when any such deviation would be costly to the issuing body.
 - (F) We shall submit to the national rating services or credit enhancement providers, an application necessary to obtain a rating or enhancement on the Bonds. If such service(s) are determined to be

necessary for the most effective marketing of the bonds, we shall assist the School District with the following:

1. Provide financial, economic and demographic information to such organizations for their review;
2. Coordinate and negotiate with the rating agencies to obtain the highest possible rating for the Bonds.

(G) We shall prepare the necessary Resolution to set the date, time and place for the sale of the Bonds.

(H) We shall be present at the sale of bonds to aid the Board of Education in the tabulation and comparison of bids. We shall also advise the members of the Board of Education as to the bond market conditions at the time of the sale and the advisability of accepting or rejecting the bids submitted.

(I) We shall prepare the necessary Resolution to authorize the issuance of the Bonds.

(J) We shall prepare a final Official Statement that describes the Bonds offered, including complete information as to the security for the Bonds, the School District and other pertinent details for use by the successful bidder of the Bonds.

(K) We shall complete the necessary applications so that the bond issue can be bid electronically (via PARITY's electronic bond bidding system).

(L) Assuming a favorable interest rate is received and accepted by the School District, BOK Financial Securities, Inc., shall then proceed to take all steps necessary to expedite the preparation of all other documentation necessary to achieve delivery of the Bonds, including delivery of the Transcript of Proceedings to the Attorney General's Office.

(M) We shall work with the purchaser and the school district to effectuate the closing of the bond issue and the delivery of bond proceeds to the School District.

4. We shall advise the Board of Education and Administration on the investment of bond proceeds that would, in our opinion, allow the School District to benefit the most from the investment of said proceeds (if desired).
5. We shall advise the School District officials as to any pending legislation in the Oklahoma Legislature and the United States Congress which may have an effect upon the School District's proposed and existing indebtedness.

APPENDIX B DISCLOSURE STATEMENT

This Disclosure Statement is provided by BOK Financial Securities, Inc. (“BOKFS”) to the Chickasha School District (the “Issuer”) in connection with the Engagement Letter (the “Letter”) and is dated as of the same date as the Letter.

Part A - Disclosures of Conflicts of Interest

MSRB Rule G-42 requires that municipal advisors provide to their clients disclosures relating to any actual or potential material conflicts of interests, including certain categories of potential conflicts of interest identified in Rule G-42, if applicable.

Accordingly, BOKFS makes the following disclosures with respect to material conflicts of interest in connection with the Scope of Services, together with explanations of how BOKFS addresses or intends to manage or mitigate each conflict. To that end, with respect to all of the conflicts disclosed below, BOKFS mitigates such conflicts through its adherence to its fiduciary duty to Issuer, which includes a duty of loyalty. This duty of loyalty obligates BOKFS to deal honestly and with the utmost good faith with Issuer and to act in Issuer’s best interests without regard to BOKFS’s financial or other interests. Furthermore, because BOKFS is a broker-dealer, its financial advisory supervisory structure provides strong safeguards against individuals at BOKFS potentially departing from their regulatory duties due to personal interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

Affiliate Conflict. Any affiliate of BOKFS (the “Affiliate”) may provide certain advice, services and/or products to Issuer that may be directly related to BOKFS’s activities. The Affiliate’s business with Issuer could create an incentive for BOKFS to recommend to Issuer a course of action designed to increase the level of Issuer’s business activities with the Affiliate or to recommend against a course of action that would reduce or eliminate Issuer’s business activities with the Affiliate. This potential conflict is mitigated by the fact that Affiliate is subject to comprehensive regulatory review.

Compensation-Based Conflicts. If the fees due under the Engagement Letter are in a fixed amount established at the outset of the Engagement Letter. The amount is usually based upon an analysis by Issuer and BOKFS of, among other things, the expected duration and complexity of the transaction and the Scope of Services. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, BOKFS may suffer a loss. Thus, BOKFS may recommend less time-consuming alternatives. This conflict of interest is mitigated by the general mitigations described above.

Other Financial Advisor or Underwriting Relationships. BOKFS serves a wide variety of other clients that may have interests that could have an impact on Issuer’s interests. For example, BOKFS serves as financial advisor to other financial advisory clients and, in such cases, owes a regulatory duty to such other clients just as it does to Issuer under this Engagement Letter. These other clients may have competing interests. BOKFS could face a conflict of interest arising from these competing client interests. None of these other engagements or relationships would impair BOKFS’s ability to fulfill its regulatory duties to Issuer.

Municipal Activities with Other Issuer Financing Team Members. In the normal course of business, BOKFS may engage in municipal trading and underwriting activities with other members of the Issuer’s financing team, including but not limited to, bond counsel, underwriter’s counsel and bond underwriters. This may include BOKFS serving as a bond underwriter for a municipal issuer in which the Issuer’s bond counsel is serving as BOKFS’s counsel, an Issuer’s underwriter is serving as a municipal advisor and/or Issuer’s underwriter is serving as an underwriting syndicate member with BOKFS. Such a

situation could present a conflict as BOKFS and members of its financing team jointly participate, from time to time, in other municipal security transactions for compensation. None of these other engagements or relationships would impair BOKFS's ability to fulfill its regulatory duties to the Issuer and the potential conflicts of interest are mitigated as BOKFS relies upon the issuer to select its other financing team members, including bond counsel and bond underwriters.

Broker-Dealer and Investment Advisory Business. BOKFS is a broker-dealer and investment advisory firm that engages in a broad range of securities-related activities, in addition to serving as a financial advisor or underwriter. Such securities-related activities may be undertaken on behalf of, or as counterparty to, Issuer, Issuer's personnel, and current or potential investors in Issuer's securities. These other clients may have interests in conflict with Issuer's interests and the interests of such other clients could create the incentive for BOKFS to make recommendations to Issuer that could result in more advantageous pricing for the other clients. Furthermore, any potential conflict arising from BOKFS effecting or otherwise assisting such other clients in connection with such transactions is mitigated by means of such activities being engaged in on customary terms through units of BOKFS that operate independently from BOKFS's financial advisory business, thereby reducing the likelihood that the interests of such other clients would have an impact on the services provided by BOKFS to Issuer.

Secondary Market Transactions in Issuer's Securities. BOKFS may take a principal position in securities, including Issuer's securities, and therefore BOKFS could have interests in conflict with Issuer with respect to the value of Issuer's securities while held in inventory and the levels of mark-up or mark-down that may be available in connection with purchases and sales thereof. In particular, BOKFS or its affiliates may submit orders for and acquire Issuer's securities issued in an Issue under the Engagement Letter from members of the underwriting syndicate, either for its own account or for the accounts of its customers. This activity may result in a conflict of interest with Issuer in that it could create the incentive for BOKFS to make recommendations to Issuer that could result in more advantageous pricing of Issuer's securities in the marketplace. Any such conflict is mitigated by means of such activities being engaged in on customary terms through units of BOKFS that operate independently from BOKFS's financial advisory business, thereby reducing the likelihood that such investment activities would have an impact on the services provided by BOKFS to Issuer.

Related Disclosure Relevant to Client. While we do not believe that the following creates a conflict of interest on the part of BOKFS, we note that BOKFS has made charitable contributions to support community events. Client may wish to consider any impact such contribution may have on how it conducts its activities with BOKFS.

Payment to or from Third Parties. While we do not believe the following creates a conflict of interest on the part of BOKFS, we note that BOKF NA, an affiliate of BOKFS, has entered into an Independent Contract Agreement with Dr. Joe Siano to provide consulting services related to bond election planning and community relations for Oklahoma school districts. Dr. Siano is also employed by the Oklahoma State School Boards Association with a focus on state education policy development. The District may wish to consider any impact this agreement or Dr. Siano's employment may or may not have on the way BOKFS conducts its activities with the District.

Part B - Disclosures of Information Regarding Legal Events and Disciplinary History

MSRB Rule G-42 requires that municipal advisors provide to their clients certain disclosures of legal or disciplinary events material to the client's evaluation of the municipal advisor or the integrity of the municipal advisor's management or advisory personnel.

Accordingly, BOKFS sets out below required disclosures and related information in connection with such disclosures.

Material Legal or Disciplinary Event. Other than the disclosures summarized below, which may be material to the Issuer’s evaluation of BOKFS or the integrity of BOKFS’s management or advisory personnel there are no legal or disciplinary events that should be disclosed, on any Form MA or Form MA-I filed with the SEC.

January 10, 2012 – A regulatory action against BOKFS by FINRA was resolved via an Acceptance, Waiver & Consent. The allegation was related to “fair and reasonable” pricing of principal transactions.

October 21, 2015 – A regulatory action against BOKFS by FINRA was resolved via an Acceptance, Waiver & Consent. The allegations were related to “fair and reasonable” pricing of corporate bond transactions.

June 18, 2015 – An order was issued against BOKFS by the U.S. Securities and Exchange Commission. The allegation was related to the due diligence conducted by the firm to establish a reasonable basis that certain material representations made by issuers in official statements connected with the offerings were accurate. The violations were self-reported by BOKFS pursuant to the SEC’s Municipalities Continuing Disclosure Cooperation (“MCDC”) Initiative.

March 11, 2019 – An order was issued against BOKFS by the U.S. Securities and Exchange Commission. The allegations were related to inadequate disclosure language in the firm’s ADV brochures regarding the selection of mutual fund share classes that contain 12b-1 fees when share classes that did not contain 12b-1 fees were potentially available. The violations were self-reported by BOKFS pursuant to the SEC’s Share Class Selection Disclosure (“SCSD”) Initiative.

Details of the events disclosed above can be found in the firm’s Form MA available through the SEC’s EDGAR Filing System

(<https://www.sec.gov/edgar/searchedgar/companysearch.html>). Search for “BOK Financial Securities, Inc.” to view the firm’s most recent Form MA filing.

Future Supplemental Disclosures. As required by MSRB Rule G-42, this Section may be supplemented or amended, from time to time as needed, to reflect changed circumstances resulting in new conflicts of interest, or to provide updated information with regard to any legal or disciplinary events of BOKFS. BOKFS will provide Issuer with any such supplement or amendment as it becomes available throughout the term of the Engagement Letter.

Part C - Disclosures of Information Related to MSRB Rule G-10

MSRB Rule G-10 requires disclosure of the following:

1. BOK Financial Securities, Inc. (“BOKFS”) is registered with the Securities Exchange Commission (“SEC”) and the MSRB.

PROPOSAL REQUIREMENTS (OK C1 WAN)

Proposal Requirements

1. **E-Rate Compliance.** Service providers (bidders) must comply with E-Rate program rules as set forth by the Federal Communications Commission (FCC) and administered by the Universal Service Administrative Company (USAC).

Disqualification – FCC Form 498 ID Status. If the bidder is under FCC red light status or does not have an FCC Form 498 ID (service provider identification number), the bidder may be disqualified by the applicant school or library.

2. **Kellogg & Sovereign® Consulting (K&S) authorized.**
The applicant has engaged the services of K&S to assist with the E-Rate filings for the applicant. The applicant has authorized K&S to act on its behalf regarding this procurement. K&S may request information directly from Proposer(s) as well as conduct the competitive bidding process on the e-procurement site, <https://kelloggllc.bonfirehub.com>.

3. **Equivalent products and services.** Proposals are requested for the specified manufacturer, part, model number OR EQUIVALENT.

4. **Timeline.** Bidder must include a project timeline. Preference is given to responses with a service start of July 1, 2022. If the awarded bidder is not the incumbent provider, transition of service must be completed by the later of July 1, 2022 or the contract expiration date associated with the services currently under contract.

Disqualification – Unable to commence service. If the bidder is not able to commence service by the date listed in the bid specifications, the bidder may be disqualified by the applicant school or library.

5. **Mandatory Bidders' Conference or Walk Through.**

APPLIES TO THIS RFP

DOES NOT APPLY FOR THIS RFP

Disqualification – Mandatory Bidders' Conference. If the bidder does not attend a mandatory bidders' conference, walk through, or other mandatory meeting listed in the Bidders' Conference section, the bidder may be disqualified by the applicant school or library.

6. **Questions.** Questions must be submitted prior to the end of the question period. Questions can be submitted online: <https://kelloggllc.bonfirehub.com/portal> no later than the date and time listed above.
7. **Proposal Acceptance.** The applicant school or library reserves the right to accept some, all or none of the items included in the proposal. Notification of bid acceptance or bid rejection will be provided at the discretion of the applicant school or library.
8. **All Costs.** Pricing proposed by the bidder must include all costs. All costs include special construction or non-recurring charges (NRC) required by the service provider to provide the product or service and all monthly recurring charges (MRC) including estimated surcharges and fees. Price increases will not be allowed during the term quoted. Prices may be lowered based on market conditions.

9. **Cost Allocation.** Bidders must clearly separate E-Rate eligible costs from ineligible costs.
10. **Contracts.** Bidders for services other than tariff or month-to-month arrangements, must include a contract or legally binding agreement in response to this RFP with signature block for both service provider and applicant. The agreement should be provided in form only and will not be completed and executed until after bids are awarded by applicant and negotiations completed as applicable. Quotes are not considered a legally binding agreement.
11. **Contract Terms.** Bidders must clearly define contract terms for all pricing submitted. The applicant school or library may consider multi-year contracts featuring voluntary renewals.

The applicant will reserve the right to extend or abbreviate the contract period if such extension or abbreviation is necessary to make the Contract term coincide with an E- rate "program year" or an extended service end date for an E-Rate program year pursuant to a "service delivery deadline extension," as those terms are defined by the Federal Communications Commission (FCC) and/or the Universal Service Administrative Company (USAC).

12. **Description of Proposal.** Bidder will provide a description of their proposal for all services and solutions. Description will include an overview of the proposal, any deviations from the requested architecture, design or requirements, assumptions made, and any other details that may be useful or necessary for proper evaluation of the proposal.
13. **Required Notice to Proceed and Funding Availability.** The applicant will follow the purchasing policies of their governing board and requirements and procedures of the FCC's E-Rate program as administered by USAC to be eligible for all available funding. The implementation of any associated contracts resulting from this competitive bid process will be dependent on the applicant's issuance of a written Notice to Proceed. E-Rate funding notification alone will not signify Notice to Proceed. The applicant will have the right to allow the contract to expire without implementation if appropriate funding does not become available. Any projects requiring special construction are also contingent on issuance of funds from Oklahoma Universal Services Fund. The applicant will have the right to allow the contract to expire without implementation if this specific funding does not become available.
14. **Broadband data services.** Bidders for broadband data services (e.g. Internet Access, wide area network connections) must comply with the following:

14a. Bandwidth Range. If the applicant specifies a bandwidth range for broadband data services, the service provider may propose incremental pricing for the bandwidth levels specified or the next highest bandwidth level at the service provider's standard bandwidth level offerings.

14b. Site and Service Substitutions. The applicant may need to add, remove or move sites as well as increase or decrease bandwidth levels during the contract term. Accordingly, bid responses should address allowances for site and service substitutions during the contract term.

14c. Network Diagram. Bidders for broadband data services must include a network diagram displaying the paths to be used to serve the specified site.

14d. Service Level Agreement. Bidders for broadband data services shall provide a proposed Service Level Agreement (SLA) with the bid response. The proposal must include a description of the following services and how these services will be measured.

- Trouble Reporting, Escalation and Resolution: A detail trouble reporting, escalation and resolution plan will be provided to the Customer.
- Measurement: stated commitment is to respond to any outage within two (2) hours and a four (4) hour restoration of service. Time starts from the time the Customer contacts the service provider and identifies the problem. Credits for Outages of shortage will be identified.

- Cost allocation detail for fiber strands that will not be placed in service for the exclusive use of the applicant by June 30 of the Erate program year.

14g. Special Construction installment plan. The applicant may request that bidders allow for the non-discount share of special construction charges to be paid in installments up to four years from the first day of the relevant funding year. Bidders are not required to offer installment payments, but if they choose to do so they must disclose the material terms, including the interest rate and terms of the payment plan, in their bid submission.

14h. Special Construction Amortization Non-recurring capital costs must be amortized over a period of three years for charges of \$500,000 or greater.

Bidders may provide bid responses for the bandwidth listed in the bidding specifications section or the next highest standard bandwidth level offered by the service provider.

WIDE AREA NETWORK SERVICES AGREEMENT

This Wide Area Network Leasing and Services Agreement is entered into this ____ day of March 2022 (the "Effective Date"), between the Chickasha Independent School District #1 (the "District") and WANRack, LLC, a Delaware limited liability company ("WANRack"). The District and WANRack are sometimes referred to individually in this Agreement as a "Party" and collectively as the "Parties."

WHEREAS, WANRack is a certificated telecommunications provider that, among other things, is engaged in the business of providing and maintaining wide area network ("WAN") connectivity, facilities and services (collectively, the "WAN Services") to enterprise businesses and other multi-location customers; and

WHEREAS, the District has received all approvals required by it to enter into this Agreement, pursuant to which the District will provide the WAN Services to the District.

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **WAN Services.** WANRack agrees to provide the WAN Services to the District, each as more specifically described on Schedule A attached hereto, and the District agrees to pay for such WAN Services, all in accordance with the provisions of this Agreement. The WAN Services include the provision, maintenance and support of the equipment, fiber optic cable strands and other facilities (collectively, the "WAN Facilities") specifically identified on Schedule A or otherwise provided by WANRack in connection with the WAN Services, which facilities shall at all times remain the property of WANRack. Any changes in the WAN Facilities or the WAN Services, or any additional services to be provided by WANRack to the District, will be set forth in a change order or other document signed by both WANRack and the District. Notwithstanding the foregoing, WANRack will add any new future District sites at the same per site monthly recurring charge listed on Schedule A. Any special construction or other upfront fees will be at the same cost per foot as sites in Schedule A. If WANRack cannot connect a new site within the special construction rules under the E-Rate Program (as defined in Section 4.b below) due to distance or otherwise, the District may file a new Form 470 to solicit quotes for those outlying sites.

2. **WAN Services Commencement.** The WAN Services shall commence on the date (the "Commencement Date") that WANRack completes procurement, construction and testing of the WAN Facilities, to be confirmed by a commencement letter provided by WANRack to the District. This letter shall serve as (i) a final confirmation that the WAN Facilities have been installed and are operational, and (ii) notice of commencement of billing of the Monthly Fees.

3. **Term and Termination.**

a. **Term.** The initial term of this Agreement ("Initial Term") will commence on the Effective Date and will continue for a period of five (5) years from the Commencement Date, unless earlier terminated in accordance with this Agreement. Following expiration of the Initial Term, the term of this Agreement will automatically be extended for up to three additional five

(5) year periods (each, a “Renewal Term”) at the rates set forth on Schedule A unless either Party gives the other Party written notice of its desire to not renew this Agreement at least one hundred twenty (120) days prior to the end of the Initial Term or the then current Renewal Term. The Initial Term and all Renewal Terms are sometimes referred to in this Agreement, collectively, as the “Term.”

b. Termination for Cause. Either Party may terminate this Agreement prior to expiration of the Term only for Cause (as defined below) by giving written notice to the other Party, and this Agreement will be terminated immediately upon delivery of such notice, as follows:

(i) *By WANRack*. As it relates to termination by WANRack, “Cause” means (a) the District’s failure or refusal to make any payment due to WANRack under this Agreement within ten (10) days after the District receives written notice from WANRack of such failure or refusal, or (b) the District’s continuing failure or refusal to perform any other material obligation under this Agreement within thirty (30) days after the District receives written notice from WANRack of such failure or refusal.

(ii) *By the District*. As applied to a termination notice delivered by the District, “Cause” means WANRack’s continuing failure or refusal to perform any material obligation under this Agreement within thirty (30) days after WANRack receives written notice from the District of such failure or refusal.

c. Termination for Non-Appropriation. In the event sufficient funds are not appropriated and budgeted by the District’s governing body or are not otherwise available in any fiscal period for payments or any other amount due under this Agreement, and provided that the District has exhausted all funds legally available for payment or other amounts due, then District shall immediately notify WANRack of such occurrence and provide WANRack with evidence of such non-appropriation or non-availability acceptable to WANRack (which may include written certification by the District’s legal counsel), then the Agreement shall terminate on the last day of the fiscal period for which funds for payments or other amounts due without penalty or further expense to the District of any kind. The District agrees that in the event of non-appropriations or non-availability of funds as described in this sub-section, the District will not replace WANRack’s services with the similar services from another vendor until after the then-applicable Term of this Agreement has expired.

d. Effect of Termination. Upon any termination or expiration of this Agreement, WANRack will cease providing the WAN Services and will have the right, but not the obligation, to remove any WAN Facilities located at facilities under the District’s control, and the Parties agree to cooperate in effecting any such removal, as WANRack may reasonably request. If this Agreement is terminated by WANRack for Cause, without limiting any other rights available under the circumstances, WANRack will be entitled to recover as damages all fees that would have been payable to WANRack under this Agreement for the full Term (including any Renewal Term(s)). Termination or non-renewal of this Agreement will not affect the District’s obligation to pay all fees and charges due and owing to WANRack as of the date of termination or non-renewal.

e. **Ownership of WAN Facilities.** The Parties acknowledge and agree that the WAN Facilities are owned by WANRack and will continue to be owned by WANRack following any expiration or termination of this Agreement. The District has no option or other right to purchase or otherwise acquire the WAN Facilities from WANRack. Following any termination or expiration of this Agreement, WANRack may leave in place any WAN Facilities located at facilities and properties under the District's control and use such WAN Facilities for other customers. In the event WANRack leaves in place any WAN Facilities following any termination or expiration of this Agreement, the District agrees to provide WANRack with continued access to District facilities for purposes of operation and maintenance of the WAN Facilities.

f. **Permitted Usage of WAN Facilities.** The District acknowledges and agrees that (i) the District may not make any alterations or attachments to the WAN Facilities without WANRack's prior written consent, (ii) WANRack has no maintenance or other obligations whatsoever with respect to any alterations or attachments made to the WAN Facilities by the District, (iii) if WANRack provides any maintenance or other services in respect of any such alterations or attachments, WANRack will provide such services subject to its standard charges, terms, and conditions, (iv) WANRack is not responsible for any malfunction, non-performance, or performances degradation of the WAN Facilities, or any inability of WANRack to satisfy its obligations under this Agreement, caused by, or resulting directly or indirectly from, any alteration or attachment made to the WAN Facilities by the District, or any other action by the District, and (v) the District is solely responsible for, and agrees to indemnify WANRack against, all claims and damages caused by, or resulting directly or indirectly from, any alteration or attachment made to the WAN Facilities by the District.

4. **Obligations of WANRack.**

a. **Services and Facilities.** WANRack agrees to lease the WAN Facilities to the District, and to provide the WAN Services to the District, in accordance with the terms of this Agreement, as more fully described on Schedule A attached hereto. Any changes in the WAN Facilities or the WAN Services, or any additional services to be provided by WANRack to the District, will be set forth in a change order or other document signed by both the District and WANRack.

b. **E-Rate Program.** If requested by the District, WANRack will work together with the District to participate in the Schools and Libraries Program of the Universal Service Fund (the "E-Rate Program"), and in particular the parties will cooperate in maximizing the discounts available to the District under the E-Rate Program in respect of the WAN Facilities and the WAN Services. However, notwithstanding the foregoing, the participation of the District in the E-Rate Program is not a condition to either party's obligations under this Agreement.

c. **Delivery and Installation.** WANRack will deliver, install, configure, and maintain the WAN Facilities, and the parties agree to coordinate and cooperate to schedule, facilitate, and carry out all delivery, installation, configuration, and maintenance activities. Without limiting the generality of the foregoing, the parties agree as follows:

(i) *Staging, Storage, and Access.* During the installation of the WAN Facilities, the District agrees to provide WANRack with (i) suitable staging and storage areas at District facilities for relevant equipment, materials, and components and (ii) such access to District facilities as may be necessary to efficiently carry-out the installation, as reasonably determined by WANRack, provided that such access must be scheduled with the District in advance and, unless otherwise agreed by the District, must occur between 7:00 a.m. and 10:00 p.m. Monday through Saturday, excluding national holidays. District personnel may accompany WANRack personnel during any installation work at any District facility.

(ii) *Site Preparation.* Prior to installation of the WAN Facilities, the District will clean and otherwise prepare all installation sites and will continue to maintain those sites (but not, for clarity, the WAN Facilities) following such installation.

(iii) *Debris Removal; Restoration.* WANRack will remove from installation sites all debris resulting from the installation of the WAN Facilities, including as appropriate by moving such debris to trash receptacles maintained by the District. The District will be responsible for trash removal from such receptacles. WANRACK will restore all landscaping disturbed by WANRack's installation, maintenance, or removal activities. The District will be responsible for landscape watering, including at restored landscaping sites.

(iv) *Planning.* Appropriate representatives of WANRack and the District will meet approximately one month prior to the installation of the WAN Facilities, and otherwise as necessary, to formulate and finalize the installation methodology and configuration design for the WAN Facilities. The parties agree to work cooperatively and reasonably in this process.

(v) *Timeline.* WANRACK and the District agree to the installation and configuration timeline set forth in Schedule A attached hereto. The District agrees to all reasonable extensions of the installation timeline necessitated by the actions or inactions of the District or otherwise resulting from circumstances beyond WANRack's control.

(vi) *Special Needs.* If additional labor or materials are needed to install or maintain the WAN Facilities due to unusual site requirements or other special needs or characteristics of the District or its facilities, as reasonably determined by WANRack, the District will reimburse WANRack for any corresponding extra costs incurred by WANRack to address those requirements, needs, or characteristics.

(vii) *Non-WAN Facilities.* The District is responsible for the installation, configuration, and maintenance of all facilities and components that are not WAN

Facilities. At the District's request, WANRack may install, configure, and maintain such facilities and components, subject to WANRack's standard charges, terms, and conditions.

(viii) *Deviations.* If, prior to or during the installation process, WANRack, in its reasonable judgment, deems it necessary or prudent to deviate from the final installation methodology and design in a material way, it will present such deviation to the District for its approval, which the District may not unreasonably withhold or delay; provided, however, that WANRack reserves the right to make, without such approval, changes in fiber routing, conversion from underground to overhead configuration to avoid obstructions, and other immaterial modifications to the final installation methodology and design.

(ix) *Substitute Materials.* In the event any materials or components of or relating to the WAN Facilities are not available for timely delivery and installation, WANRack may substitute materials or components of equivalent or superior functionality and performance.

d. Manuals. Where relevant, WANRack will furnish the District with applicable manuals and instruction documentation provided by manufacturers and vendors.

e. Maintenance. WANRack is responsible for maintaining the WAN Facilities. The District agrees to provide WANRack with such access to its facilities as may be necessary to efficiently carry out its maintenance activities, as reasonably determined by WANRack, provided that, when practicable, (i) such access must be scheduled with the District in advance and (ii) unless otherwise agreed by the District, must occur between 7:00 a.m. and 10:00 p.m. Monday through Saturday, excluding national holidays. District personnel may accompany WANRack personnel during any maintenance work at any District facility.

f. Representations. WANRack represents and warrants to the District that: (i) it will comply with all applicable laws in installing the WAN Facilities and providing the WAN Services; (ii) this Agreement has been duly authorized, executed, and delivered by WANRack, and (iii) the execution, delivery, and performance of this Agreement do not and will not conflict with, breach, or otherwise violate any of the organizational or governing documents of WANRack or any agreement or instrument to which WANRack is a party or by which WANRack is bound

g. Condition of WAN Facilities and WAN Services. WANRack makes no representation or warranty whatsoever regarding facilities and components that are not WAN Facilities, or regarding services that are not WAN Services. At the District's request, WANRack agrees to work on behalf of the District to resolve warranty claims and other problems regarding such facilities and services, for a reasonable fee. EXCEPT AS EXPRESSLY PROVIDED HEREIN, WANRACK DISCLAIMS ALL WARRANTIES WITH RESPECT TO THE WAN SERVICES AND THE WAN FACILITIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND THE

DISTRICT ACKNOWLEDGES THAT THE WAN FACILITIES AND WAN SERVICES ARE PROVIDED AS-IS, EXCEPT AS EXPRESSLY PROVIDED HEREIN.

5. **Compensation to WANRack.** The District will pay for the leased WAN Facilities and the WAN Services in the amounts set forth on Schedule A attached hereto, and otherwise in accordance with Schedule A and this section.

a. **Due Dates.** All fees will be paid no later than 30 days following the payment date specified on Schedule A, or if Schedule A does not specify a payment date, then no later than 30 days following the receipt by the District of an invoice from WANRack. In the event that any fees are payable on a monthly basis (or otherwise on a regular schedule), the fee for any partial month (or other relevant period) will be pro-rated accordingly.

b. **Late Payments.** Late payments will incur a late payment charge of (i) 1.5% for every month or partial month that the payment is late or (ii) if less, the maximum late payment charge permissible under applicable law.

c. **Changes in WAN Facilities and WAN Services.** If the WAN Facilities or WAN Services are changed, or WANRack provides any additional services to the District, the parties, acting reasonably, will agree on an appropriate adjustment or supplement to the fees.

6. **Obligations and Representations of the District.**

a. **Security.** The District is solely responsible for providing security services in respect of the WAN Facilities located at or on District facilities or properties. The District will provide such security services in a commercially reasonable manner, in light of all security considerations applicable to the relevant facility or property.

b. **District Personnel.** The District will ensure that its personnel and contractors, at all times, (i) are educated and trained in the proper use and operation of the WAN Facilities for the WAN Services (ii) follow applicable operations and instruction manuals.

c. **Electrical Circuits and Energy.** The District will provide all electrical circuits and all electrical energy required for the installation and operation of the WAN Facilities at the sole cost of the District.

d. **Insurance.** The District will procure and maintain insurance policies covering all loss and damage in respect of the WAN Facilities located at facilities under the District's control, including without limitation all materials and components located at District facilities prior to, during, or after the installation process, with appropriate coverage limits and other terms and conditions. The District will cause such insurance policies (i) to name WANRack as an additional insured, (ii) to be endorsed to require at least 30 days' notice to WANRack prior to the effective date of any termination or cancellation of coverage, and (iii) to provide that in the event of any payment of any loss or damage thereunder, the insurers will have no rights of recovery against WANRack. Upon request by WANRack, the District agrees to provide proof of insurance meeting the requirements of this section.

e. Representations. The District represents and warrants to WANRack that: (i) the WAN Facilities and the WAN Services meet the District's requirements; (ii) the District will operate and use the WAN Facilities and the WAN Services in compliance with all applicable law; (iii) this Agreement has been duly authorized, executed, and delivered by the District; and (iv) the execution, delivery, and performance of this Agreement does not and will not conflict with, breach, or otherwise violate any of the organizational or governing documents of the District or any agreement or instrument to which the District is a party or by which the District is bound.

7. **Ownership of WAN Facilities; Confidentiality.**

a. Ownership. The Parties acknowledge and agree that the WAN Facilities are owned by WANRack and will continue to be owned by WANRack following the expiration or termination of this Agreement. The District has no option or other right to purchase or otherwise acquire the WAN Facilities from WANRack. The District acknowledges and agrees that (i) the District may not make any alterations or attachments to the WAN Facilities without WANRack's prior written consent, (ii) WANRack has no maintenance or other obligations whatsoever with respect to any alterations or attachments made to the WAN Facilities by the District, (iii) if WANRack provides any maintenance or other services in respect of any such alterations or attachments, WANRack will provide such services subject to its standard charges, terms, and conditions, (iv) WANRack is not responsible for any malfunction, non-performance, or performance degradation of the WAN Facilities, or any inability of WANRack to satisfy its obligations under this Agreement, caused by, or resulting directly or indirectly from, any alteration or attachment made to the WAN Facilities by the District, or any other action by the District, and (v) the District is solely responsible for, and agrees to indemnify WANRack against, all claims and damages caused by, or resulting directly or indirectly from, any alteration or attachment made to the WAN Facilities by the District.

b. Confidentiality. Each Party acknowledges (i) that it will have access to confidential information of the other Party, (ii) that such information constitutes valuable, special, and unique property of the other Party, and (iii) that no right or license is granted to such Party with respect to such information, except as specifically set forth in this Agreement. Each Party agrees that it will not at any time, in any manner whatsoever, whether directly or indirectly, disclose to any person or entity, or use, any confidential information of the other Party, except as required by law or as necessary for the performance or enforcement of this Agreement. Furthermore, the District agrees to promptly notify WANRack for any open records/public information request that it may receive concerning this Agreement, pricing or any confidential information and allow WANRack the opportunity to analyze and oppose release of requested information as may be provided by law. The Parties acknowledge that remedies at law may be inadequate to protect against any actual or threatened breach of the confidentiality obligations under this Agreement, and, without prejudice to any other rights and remedies otherwise available, agree to the granting of injunctive relief without proof of actual damages. The Parties agree that the foregoing obligations regarding confidentiality will survive the termination or expiration of this Agreement.

WANRack will construct a dedicated fiber network WAN for the Chickasha Independent School District, delivering a minimum of 12 strands per site, with emphasis on security and low latency using the most direct route available. Strands assigned to each site will be terminated into a Fiber Distribution Panel (FDP) and spliced into the WANRack owned backbone for transport to the Chickasha Independent School District HUB or aggregation point. Service will propagate over the network without restraint on bandwidth for dark fiber, and without throttling or modulation for IIT services.

WANRack will supply the FDP, jumpers, and Optical Interfaces based on the type of service and bandwidth the Chickasha Independent School District chooses. WANRack will install the building entry as required and will extend a lateral from the backbone to the MPOE, with as-built engineering and diagrams after the installation delivered to Chickasha Independent School District. Circuit information and escalation procedures for any concerns will be provided to the Chickasha Independent School District upon acceptance.

Chickasha Independent School District to supply easement to ROW for entry if not already created and will provide access and if required escort to site for installation and maintenance of the network equipment and materials.

Upon award of the project, permit engineering will begin to obtain approvals from the local permitting agency and any Department of Transportation and Railroad agencies involved. Project management will set up a timeline for the project with proper team members from WANRack and the district included in regularly scheduled project progress calls.

PROPOSAL REQUIREMENTS (C2)

Proposal Requirements

1. **E-Rate Program Compliance.** Service providers (bidders) must comply with E-Rate program rules as set forth by the Federal Communications Commission (FCC) and administered by the Universal Service Administrative Company (USAC).

Disqualification – FCC Form 498 ID Status. If the bidder is under FCC red light status or does not have an FCC Form 498 ID (service provider identification number), the bidder may be disqualified by the applicant school or library.

If at any time during the contract period the service provider is red lighted, debarred, or otherwise no longer eligible to participate in the E-Rate program, the applicant reserves the right to terminate the contract.

2. **Kellogg & Sovereign® Consulting (K&S) authorized.**
The applicant has engaged the services of K&S to assist with the E-Rate filings for the applicant. The applicant has authorized K&S to act on its behalf regarding this procurement. K&S may request information directly from Proposer(s) as well as conduct the competitive bidding process on the e-procurement site, <https://kelloggllc.bonfirehub.com>.
3. **Equivalent products and services.** Proposals are requested for the specified manufacturer, part, model number OR EQUIVALENT.
4. **Mandatory Bidders' Conference or Walk Through.**

APPLIES TO THIS RFP

DOES NOT APPLY FOR THIS RFP

Disqualification – Mandatory Bidders' Conference. If the bidder does not attend a mandatory bidders' conference, walk through, or other mandatory meeting listed in the Bidders' Conference section, the bidder may be disqualified by the applicant school or library.

5. **Questions.** Questions must be submitted online <https://kelloggllc.bonfirehub.com/portal> prior to the end of the question period.
6. **Proposal Acceptance.** The applicant school or library reserves the right to accept some, all or none of the items included in the proposal. Notification of bid acceptance or bid rejection will be provided at the discretion of the applicant school or library.
7. **All Costs.** Pricing proposed by the bidder must include all costs. All costs to provide the product or service should be included in the pricing schedule. Price increases will not be allowed during the term quoted. Prices may be lowered based on market conditions.
8. **Cost Allocation.** Bidders must clearly separate E-Rate eligible costs from ineligible costs.
9. **Contracts.** Bidders for services other than tariff or month-to-month arrangements, must include a contract or legally binding agreement in response to this RFP with signature block for both service provider and applicant. The agreement should be provided in form only and will not be completed

and executed until after bids are awarded by applicant and negotiations completed as applicable. *Quotes are not considered a legally binding agreement.*

10. **Contract Terms.** Bidder must clearly define contract terms for all pricing submitted. The applicant school or library may consider multi-year contracts featuring voluntary renewals. The term should include the period April 1, 2022 through September 30, 2023 for non-recurring services and July 1, 2022 – June 30, 2023 for recurring services. The applicant may consider voluntary terms to purchase products and services from the contract awarded from this RFP over an extended period through September 30, 2027.

The applicant will reserve the right to extend or abbreviate the contract period if such extension or abbreviation is necessary to make the Contract term coincide with an E- rate “program year” or an extended service end date for an E-Rate program year pursuant to a “service delivery deadline extension,” as those terms are defined by the Federal Communications Commission (FCC) and/or the Universal Service Administrative Company (USAC).

11. **Description of Proposal.** Bidder will provide a description of their proposal for all services and solutions. Description will include an overview of the proposal, any deviations from the requested architecture, design or requirements, assumptions made, and any other details that may be useful or necessary for proper evaluation of the proposal.
12. **Required Notice to Proceed and Funding Availability.** The applicant will follow the purchasing policies of their governing board and requirements and procedures of the FCC’s E-Rate program as administered by USAC to be eligible for all available funding. The implementation of any associated contracts resulting from this competitive bid process will be dependent on the applicant’s issuance of a written Notice to Proceed. E-Rate funding notification alone will not signify Notice to Proceed. The applicant will have the right to allow the contract to expire without implementation if appropriate funding does not become available.

13. **Bids for Category Two products and services.**

- Bids for equipment should clearly list the location where the equipment will be installed.
- Bids should meet industry standards and comply with applicable local, state and federal codes and regulations. For example, network wiring/cabling should meet or exceed EIA/TIA standards and national Electrical code standards.

14. Site and Service Substitution (Contract Modification)

The District hereby provides notice to all interested vendors that site and/or service substitutions may be necessary during the term of the contract. Any agreement signed as a result of this RFP should contemplate the possibility of the District changing products or services within the guidelines set forth by the FCC. All vendors are also hereby provided notice that the District may add new locations to its network during the life of the contract, and existing sites may move or close. The contract(s) entered into as a result of this RFP should allow for said site/service substitutions. Vendors are to describe their process for amending the contract to accommodate site/service substitutions during the contract term.

15. Category Two Budget Requirements.

During the E-Rate application process and prior to issuance of E-Rate funding, the applicant may need to make changes to the quantities and items selected in order to stay within their category two budgets. The applicant may contact the awarded bidder to adjust quantities in order to meet the Category 2 budget.

The selected service provider is expected to respond timely with revised proposals and contracts for the applicant to ensure that the selected products and services are at or below the applicant's budget cap. Immediate family includes the employee's spouse, parents, grandparents, children, or corresponding in-laws. Sick leave may be used for dental and/or medical appointments. Hours per day of paid sick leave shall not exceed the number of hours per day for which the employee is regularly employed. Sick leave for part-time employees shall be proportionate to the hours worked by the employee.

The following accrual rates will apply to employees who are not covered by an applicable collective bargaining agreement:

According to applicable law, employees may transfer up to sixty (60) accumulated and unused days of sick leave from another school district where the employee was employed in the previous school year, and such transferred days shall be used first in case of illness. Employees may accrue unused sick leave up to one hundred and twenty (120) days. Any accrued unused sick leave beyond that amount may be transferred to the Oklahoma Teachers' Retirement System but may not be utilized by the employee.

District shall not compensate an employee for any accrued, unused sick leave, except in the case of an employee declaring full retirement or resigning from employment with leaving the District. Full retirement is defined as an employee meeting OTRS guidelines for full retirement, declaring and subsequently beginning withdrawals from OTRS, and resigning employment from his/her current position with District. District will allow retiring or resigning employees to transfer accrued, unused sick leave to OTRS and will compensate such employees for Any sick leave

The Board may provide additional days of paid personal leave to employees in the event that District schools are closed as the result of a sudden emergency, natural disaster, epidemic, pandemic, or when school closure has been ordered by an authorized government official. In the event support employees are required to work during school closure and at the discretion of the Superintendent or supervising administrator, those support employees may utilize such days of personal leave when schools have reopened.

Emergency Leave: At any time during the fiscal year, District's Board may grant up to five (5) days of emergency leave for all employees to be used for days when District's schools are closed due to inclement weather, unsafe conditions of physical facilities, lack of proper supervision of students, unsafe conditions for students, and other unforeseen conditions that are declared an emergency. Family Medical Leave: Pursuant to the Family and Medical Leave Act of 1993 ("FMLA"), an employee who has worked at least one thousand two hundred fifty (1250) hours during the previous twelve (12) month period and all full-time certified teachers shall be allowed up to twelve (12) weeks of unpaid leave for the following reasons: 1) the birth or adoption of a child; 2) because of any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty or has been notified of an impending call to active duty status in support of a contingency operation; 3) for the employee's own serious health condition; or, 4) to care for the employee's spouse, child, or parent who has a serious health condition.

In addition, an eligible employee who is the spouse, son, daughter, parent, or next of kin of a

covered service member who is recovering from a serious illness or injury sustained in the line of duty is entitled to up to 26 weeks of leave in a single 12-month period to care for the service member. The single 12-month period for military caregiver leave begins on the first day the employee takes leave for this reason and ends 12 months later. An eligible employee is limited to a combined total of 26 workweeks of leave for any FMLA qualifying reason during the 12-month period. Up to 12 of the 26 weeks may be for an FMLA-qualifying reason other than military caregiver leave. Military caregiver leave is available to an eligible employee once per veteran, per serious injury or illness.

Prior to taking unpaid leave, an employee must utilize any accrued paid leave to which the employee is entitled. An employee may be required to provide certification from a physician of the necessity of such leave, including the date the condition began, the anticipated duration, and the medical facts regarding the condition.

With the exception of leave approved for military care-givers, District will abide by the Rolling 12-Month Period. The 12-month period is to be measured backward from the date an employee uses any FMLA Leave. Under the Rolling 12-Month Period, each time an employee takes FMLA leave, the remaining leave entitlement would be the balance of the 12 weeks which has not been used during the immediately preceding 12 months.

Leave of Absence: Any certified employee who has been employed full-time for at least three (3) consecutive years with District may request an unpaid leave of absence for a period which shall not exceed one (1) school year in duration. Requests for such leave must be made in writing, submitted to the superintendent, and contain sufficient detail as to the reasons for the leave so that a decision may be made based on the merits of the request. Requests for an initial Leave of Absence must be submitted no later than May 1 and be for an approved reason. Requests submitted after May 1 will be contingent on District's ability to find a suitable replacement. As a condition of approval, the employee must state that the reason for the leave is not for the purpose of accepting other employment or other activities for direct personal financial gains. A leave of absence may be used when all other applicable leave has been exhausted and the employee is unable to return to work. The Board shall determine if an employee's request for a leave of absence is to be approved, and approval of a leave of absence is contingent upon the needs of District. An employee who returns to work after an approved leave of absence shall be returned to the position previously held or to another comparable position for which the employee is qualified. Employees on an approved leave of absence may participate in and pay for continued insurance coverage or professional memberships, however, sick leave, personal business leave, and vacation leave shall not accrue for the period of time the employee is on an approved leave of absence. Salary increments or years of experience will not increase and/or accumulate during a Leave of Absence except in those cases involving military leave and/or teaching assignments that qualify as teaching experience according to the regulations of the Oklahoma State Department of Education, provided said teaching experience is not a paid position.

Employees who are on an approved Leave of Absence must submit a written request for reinstatement or request an extension of the approved Leave of Absence by certified mail to the Superintendent on or before April 1 prior to the contractual year in which the employee wishes to return. An employee who is on an approved Leave of Absence who fails to submit a request for reinstatement or a request for extension of the approved Leave of Absence shall be considered to

have resigned his/her employment with District. A Leave of Absence may only be extended one time, except in the case of an elected/appointed officer.

Leaves of absence may be granted for the following reasons:

1. **Parental Leave:** Parental leave may be granted for the purpose of child rearing
2. **Illness:** Personal illness or caring for a sick member of the immediate family. Requests for such leave must be accompanied by a physician’s statement. Immediate family is defined as spouse, children, step-children, parent(s), step-parent(s) and legal guardian of the employee.
3. **Educational Leave:** Employees pursuing the completion of an advanced degree or additional certification from an institute of higher learning. Proof of satisfactory completion of at least six (6) hours per semester will be required.
4. **Election/Appointed Officer:** Employees serving as a full-time elected/appointed officer of a professional organization at the state or national level for the duration of the term.

Decisions on whether to grant a leave of absence will be based on the benefit of the employee, the benefit of the District, and the availability of a replacement teacher who is willing to sign a Duration of Need contract. This does not apply to parental leave requested prior to May 1.

Vacation Leave: District will provide annual vacation with pay to those employees assigned to twelve-month positions (253-day contracts or longer). Vacation days are cumulative, up to a maximum balance of 10 days. It is the employee’s responsibility to monitor his or her vacation balances. No employee will be credited any days of vacation that result in the balance exceeding the maximum allowance of 10 days. Days in excess of 10 as of June 30 of each year will be removed from the employee’s vacation leave balance and will roll over into sick leave.

A full year of service is measured from July 1 to June 30. Vacation time will be accumulated only for months during which the employee works the majority of the month. Absences of an employee on sick leave, vacation leave, or other paid approved leave are considered days worked for the purpose of vacation time accrual. Paid vacation leave will not be accrued for leave taken for unapproved reasons, or for reasons that result in unpaid leave.

The following accrual rates will apply to those support employees eligible for paid vacation days:

1-3 years of continuous service as a 12-month employee	1 week
3-6 years of continuous service as a 12-month employee	2 weeks
6-15 years of continuous service as a 12-month employee	3 weeks

15 or more years of continuous service as a 12-month employee 4 weeks

Twelve Month Administrators

Certified Administrators and/or Superintendent receive 22 days of vacation to be used annually in addition to the days central office is closed.

An employee who leaves employment with District will be compensated at the employee’s daily rate of pay for any accrued vacation leave, up to a maximum of 10 days.

Both the supervisor and the employee should strive to arrange vacation times during periods that are the least disruptive to the mission of the District.

Professional Leave: The Board may authorize leave for certified employees to attend professional conferences, conventions, and/or meetings which contribute to the basic functioning of the certified employee’s assignment in accordance with District Regulation.

Holidays: District shall provide those holidays which are set forth on a school calendar and those which are specified by the Superintendent.

COVID-19 Staff Leave Protocols

COVID-19 Leave:

- CPS is providing ten (10) days of leave for any staff member that tests positive for COVID-19 during the 2021-2022 school year.
- Can be used for taking care of immediate family members that have tested positive and/or quarantined for COVID-19.
- This leave would be used first in the event of a positive COVID-19 diagnosis.
- This can be spread out over multiple instances but once a staff member uses all ten (10) days this leave will not be replenished. This leave does not roll over nor accumulate.
- To use this leave, provide the Personnel Office with proof of a positive COVID-19 test result and enter the reason for absence as COVID-19.

Once the COVID-19 leave has been used a staff member will be able to:

- Use their leave provided by CPS per the negotiated agreement.
- Use any comp days that might have been accumulated.
- If or in the event this leave is depleted, then a staff member may request for sick leave days to be donated to them through the leave bank. (See the negotiated agreement for guidelines.)

Additional Notes

- In the event a teacher is quarantined due to COVID-19 they may be able to teach remotely to their students. If this occurs, no leave will be entered that counts against a staff member on days that remote instruction is used for instruction. These days will have to be communicated with the site principal and Executive Director of

Personnel. For a full day to be considered requires remotely teaching the regular day schedule.

- For support staff members – please contact your supervisor about online trainings, working remotely from home, or developing a plan to make up hours in the event you are quarantined. Note: Time sheets or proper documentation must be submitted by a given deadline to not have a disruption in payroll.
- In the event that schools are closed due to COVID-19, CPS will move over to remote instruction for all students enrolled in the traditional pathway. No leave will be counted against a teacher as long as instruction occurs following the regular school day schedule. Principals, teachers, and staff members will be expected to report to school sites unless instructed otherwise.
- In the event the district completely shuts down again, due to the pandemic, then the District administration will make announcements on how to proceed.
- This leave is retroactive back to July 1, 2021. Any leave previously used for these purposes will be changed over to COVID-19 leave and their other leave restored.

Financial Update to Board

To: Members of the Board of Education

From: Jennifer Stegman

Date: March 7, 2022

Expenditures:

Chickasha's General Fund expenditures for the last four fiscal years (FY) and through March of the current fiscal year are presented in Exhibits 1 and 2. Exhibit 1 outlines salary and benefit expenses by month for all Chickasha Public School employees. Exhibit 2 outlines General Fund total expenses (both salary and operational) by month. Beginning in FY21, May and June expenses are reflected in May and July and August payroll expenses are reflected in June for all ten-month employees.

Exhibit 1: Payroll Expenses

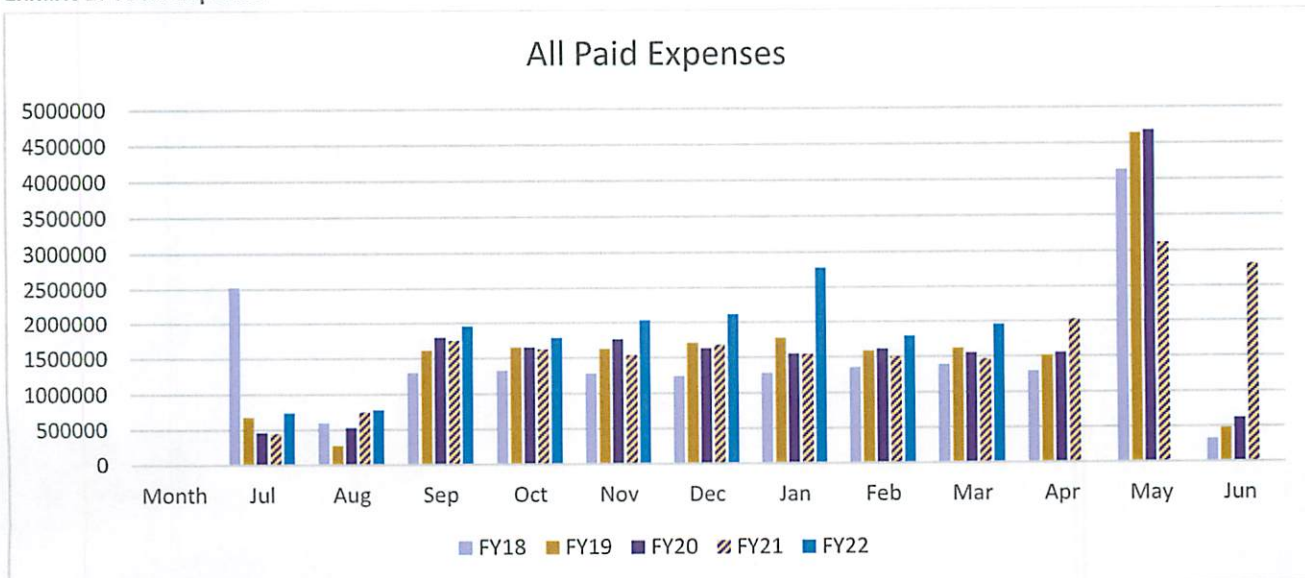

Exhibit 2: Total Expense

Revenues:

Exhibit 4 provides General Fund receipts by month for FY18, FY19, FY20, FY21 and through March of FY22. Receipts include funding from State, Local, and Federal Sources.

Exhibit 4: Receipts by Month

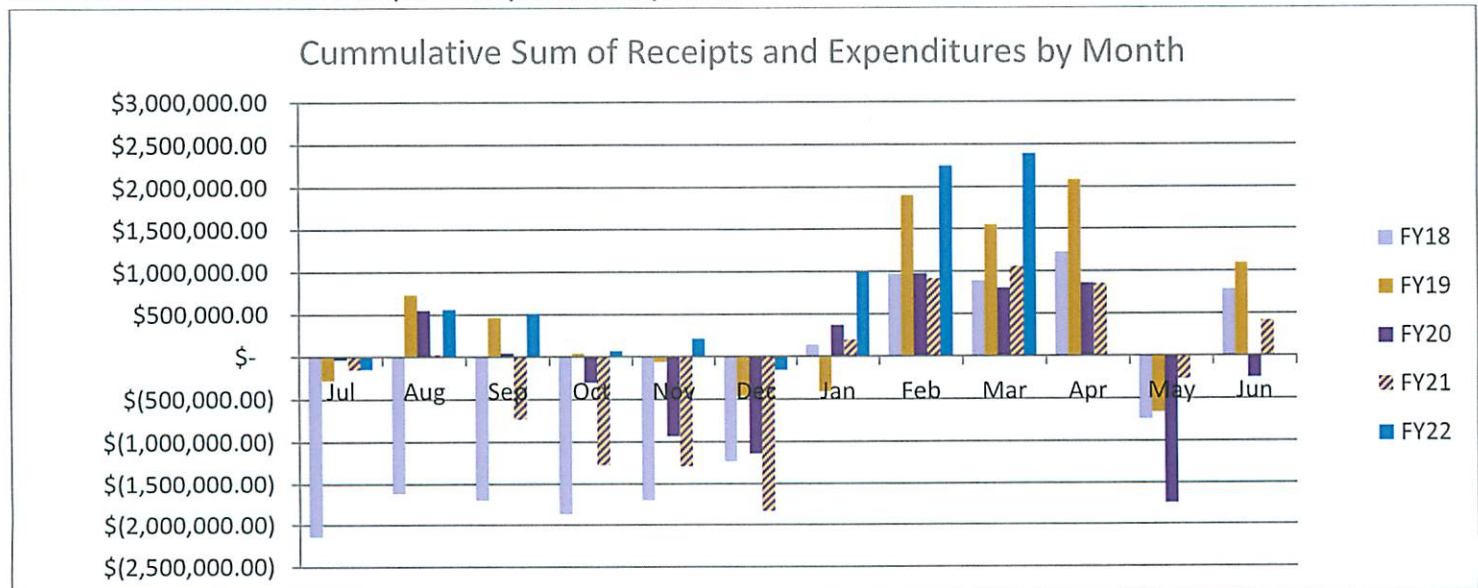

Exhibit 5 outlines General Fund revenues and expenses by month for FY18, FY19, FY20, FY21 and through March of FY22. The values represent the cumulative sum of revenues and expenses by month. The values represent revenue and expenses collected in the designated year and do not include fund balances brought forward from prior years. The information provides cash flow trends and can help guide the district to project the necessary cash fund balances.

Exhibit 5: Cumulative Sum of Receipts and Expenditures by Month

Gross Production and Ad-valorem Trend Data

Exhibits 5 – 8 represent ad-valorem and gross production revenues collected by the district by month and year. These collections are the majority of our local and intermediate sources of revenue and represent approximately 24% of all new revenues for the district. Most of the ad-valorem funds are collected between January and May while gross production funds are collected throughout the year. The district's ad-valorem revenues have increased since fiscal year 2015-2016. The trend data for Gross production revenues reflects an up and down collection across the years and is one of the most variable funding sources for the district. For the beginning of FY22, gross production collections are the highest they have been in the last 5 years.

**OKLAHOMA
Rehabilitation Services**

**OKLAHOMA
Education**

The Workforce Innovation and Opportunity Act (WIOA) requires the Department of Rehabilitation Services (DRS) to collect and report Measurable Skill Gains for Youth.

In order to document these Measurable Gains, Vocational Rehabilitation Counselors need to obtain copies of students' secondary transcripts with parent or student consent if student is 18.

The Oklahoma State Department of Education Special Education Services (OSDE-SES) and the Oklahoma Department of Rehabilitation Services (ODRS) are requesting that LEAs collaborate with their local VR counselors to establish procedures to assist VR Counselors with obtaining students' secondary transcripts and/or report cards in order for them to meet compliance under the WIOA.

Here are some examples of effective procedures that VR Counselors have shared:

1. The VR Counselor obtains DRS signed releases from parents (see example) and provides the school with copies of them. Then the VR Counselor gets the students' transcripts from the counselor's office or special education teacher.
2. The VR Counselor obtains DRS signed releases from parents and provides the school with copies of them. The special education teacher sends students' transcripts to the VR Counselor at the end of each semester with the Student Work Student (SWS) time sheets.
3. The VR Counselor sends out the following letter to students each semester and encloses a self-addressed stamped envelope:

Dear [Client],

The first (second) semester of this school year is almost over and I hope it has been a good semester for you! I am required to document in your vocational rehabilitation file the close of this semester. To do so, I need you to provide me with this semester's grades. Please return either a high school transcript for (insert the fall or spring semester and the year) or report card in the self-addressed stamped envelope that I've enclosed with this letter or email me at (insert counselor's email address). Please call me if you have any questions at all! Thank you so much!!!

Thanks for your support as we work to improve outcomes for students with disabilities.

**STATE OF OKLAHOMA
DEPARTMENT OF REHABILITATION SERVICES
TRANSITION SCHOOL-TO-WORK: WORK STUDY**

This agreement, consisting of fourteen (14) pages (the "Contract"), is hereby made between the Oklahoma Department of Rehabilitation Services ("DRS") and

**Chickasha Public Schools
900 W. Choctaw
Chickasha OK 73018-2213**

("Contractor" or "School"), and constitutes the entire agreement between the DRS and the Contractor, and no other representations are given or should be implied from written or oral agreements or negotiations that preceded the Contract.

RECITALS

WHEREAS, the Oklahoma Department of Rehabilitation Services is authorized to make and enter into all contracts necessary or incidental to the performance of its duties, and may purchase or lease equipment, furniture, materials and supplies, and incur such other expenses as may be necessary to maintain and operate the Department, 74 O.S. § 166.1.C; and

WHEREAS, the Individuals with Disabilities Education Act (IDEA) and the Rehabilitation Act both provide for transition services for children with disabilities to facilitate the child's movement from school to post-school activities including employment, 20 U.S.C. § 1401(34) and 29 U.S.C. § 721(a)(11)(D); and

WHEREAS, the Oklahoma Department of Rehabilitation Services is authorized by rules promulgated by the Oklahoma Commission for Rehabilitation Services at Subchapter 7 of Chapter 10 of Title 612 of the Oklahoma Administrative Code to implement the Transition from School-to- Work Program; and

WHEREAS, in the School-to-Work program, there are many services needed. Some of these services are provided by the school under the individualized education plan (IEP) and some are provided by the Oklahoma Department of Rehabilitation Services under the individualized plan for employment (IPE). Other services may be provided by the parents, Career Tech, and others. A major component of the Transition School-to-Work program is work-readiness training and work experience. The work experience can be provided through Work Adjustment Training or the three types of Work Study Programs.

NOW THEREFORE, the parties agree as follows:

I. Contract Period

The Contract is effective from the latest date of signature of both parties or July 1, 2022, whichever is the latter, through June 30, 2023. The Contract may be renewed for two additional one-year periods upon written agreement of the DRS and the Contractor.

II. Contract Services

Students eligible to participate include those DRS transition students:

- with documented disabilities (includes IEP, 504 Plan, or other documents), who:
 - have been determined eligible for DRS services; or
 - are on a trial work plan as determined by the DRS counselor;
- with an approved case;
- with an individualized plan for employment (IPE) in place;
- with SWS as a line of service on the IPE;
- who are at least 16 years of age; and
- who are attending high school.

DRS clients preauthorized to participate in Work Study may do so for **no more than 24 cumulative months**, as approved on an individual basis by the DRS counselor. The months do not need to be consecutive. Based on individual needs and barriers due to disability, there may be exceptions where the client requires more time to make additional progress. In that instance, the DRS counselor may authorize additional time. Summer months spent in Work Study count in the 24 cumulative months. Transportation, scheduling, administrative or family convenience, or family/individual income needs are not acceptable reasons to extend Work Study beyond 24 cumulative months.

Participating students may work **no more than 15 cumulative hours per week during the school year** (i.e., during the day, evenings, weekends, or holidays). In each of the cases described above, the students must be given school credit for their participation during the school day, and the School staff and the DRS counselor will provide important guidance and instructional help around the work experience. If the student works after school hours, in the evening or on weekends, the School may also choose to give the student school credit and is encouraged to do so to support earning elective credits. The School will provide staff to work with the DRS counselor in the area of transition. The School will have at least one person designated to serve as the “teacher/transition coordinator”. Paraprofessionals could serve as Transition Coordinator or could also be assigned to help with the process and documentation. The Contractor agrees to provide designated staff time for performing the needed duties related to transition. The Contractor agrees to fully inform the staff responsible for carrying out the duties set forth in the Contract. This includes providing all necessary staff with a copy of the Contract.

Students wishing to continue working through the summer as part of Transition School-To-Work: Work Study may do so if the School's current contract, which expires June 30, is

renewed for the following fiscal year that begins July 1st.

The maximum number of hours worked per student that's reimbursable by the DRS cannot exceed 15 cumulative hours per week during the school year. The maximum number of hours worked may exceed 15 cumulative hours per week for summer work only when pre-approved by the DRS counselor. The student can work a maximum of 20 cumulative hours per week during the summer. The DRS will reimburse 100% of the wages paid by the school for a maximum 20 cumulative hours per week. Students may work a maximum 20 cumulative hours per week beginning with the first day of summer break. However, upon the first day back to school, the students must go back to working no more than a maximum 15 cumulative hours per week. All Child Labor Laws apply and must be adhered to.

<https://www.dol.gov/general/topic/youthlabor>

The School is required to continue supervising, monitoring, and reporting on students working in the School or in the community during the summer.

Paid work positions must reflect **real work/jobs** and include tasks that would normally be a function of that position. The students must be learning skills that will transfer to competitive, integrated employment in the community. Classroom instructional time does not count as work. The Contractor must ensure that students have access to a wide variety of work/job types and must also ensure the Contractor has enough work to cover the number of students intended to participate in the program. Examples of work/jobs within the School include, but are not limited to, the following.

- *Custodial/bus barn:* learning simple maintenance of School vehicles, detailing School vehicles.
- *Manager of sports teams:* scheduling, scorekeeping, ordering, inventory maintenance, hauling, moving.
- *Teacher's Aid/Assistant:* reading to groups of or individual children, cleaning, organizing, grading, designing bulletin boards.

- *Office Assistant:* Making ID badges, taking photos for badges, using a camera, laminating, answering phones, taking phone messages, greeting visitors and directing to locations, data entry, filing.
- *Information Technology Assistant:* use compressed air to clean computers and keyboards, replace batteries, replace mice, clean monitors, conduct virus scans, clean out old hard drives, organizing, inventory maintenance, stocking, ordering.

The same guidelines should be adhered to when selecting community placements for paid work experiences.

The final 9 months of their Work Study must be outside the school/district and in the **community** (unless approved by the DRS counselor in special circumstances).

Students may not work in their family owned business unless approved by the DRS counselor. This includes farms and other businesses.

Students who are completing high school at the end of the school year and who are participating in services through the Contract must cease work upon their last day of school/graduation. They may not continue to work through School Work Study or Work Site Learning beyond their last day of high school.

A. Work Study Program

There are two types of Work Study through DRS:

1. School Work Study (SWS) allows students with disabilities to **work on the School campus**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working on campus.
2. Work Site Learning allows students with disabilities to **work in the community**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working off campus.

B. Other Work Opportunities

This is not a Work Study through DRS:

1. Employer Work Study allows students with disabilities employment experience in **part-time jobs in the community** with the employers paying the wages/salary(ies). In this instance, the students are employees of the community employers, **employers maintain liability**, and the **DRS does not reimburse the employers for the wages/salary(ies)**.

C. Contractor's/School's Obligations

The designated teacher/transition coordinator(s) shall:

1. be knowledgeable about the contents and requirements of the Contract.
2. obtain written preauthorization from the DRS counselor before initiating services for students (i.e., not starting the student to work before DRS has approved in writing).
3. serve as a member of the IEP team and make decisions for job placement as a team.
4. provide information regarding the program to School personnel, students, and parents.
5. provide job readiness instruction and assistance to the students in the program prior to starting their jobs (e.g., helping them prepare for interviewing for the potential position) through transition services or five core pre-employment transition services.
 - a. job exploration counseling;

- b. work-based learning experiences;
 - c. counseling on opportunities for enrollment in postsecondary education (college, CareerTech, trade education, professional certification, etc.);
 - d. workplace readiness, including social and independent living skills;
 - e. self-advocacy, including peer mentoring.
6. assist with job placement and regular follow-up on the students' progress.
 7. work with the DRS counselor to maintain a list of all authorized participating students, the place of employment, job title, and tasks learned or practiced, at least one time per semester or updated as new students join or jobs/job duties change.
 8. assist with the coordination of the individualized education program (IEP) and the individualized plan for employment (IPE) to reflect the SWS services provided by DRS, including, but not limited to, present levels of performance, services, and annual education/training or employment goals on the IEP.
 9. document such transition services or Pre-Employment transition services provided and completed by participating students.
 10. provide such documentation to the DRS counselor at the end of each semester.
 11. submit by the 15th of the following month (or whenever payroll is run by the School for their payment cycle), at the same time, monthly invoices/pay stubs, time sheets, progress reports, and proof of payment to students for reimbursement of the wages paid for students participating in School Work Study or Work Site Learning. and
 12. ensure the electronic copy of the contract is routed to the appropriate person for signature and returned electronically to DRS.

If claiming mileage reimbursement for teacher/transition coordinator travel to/from job sites of DRS clients, submit monthly itineraries and travel claims, which are each signed and verified by the school district superintendent.

D. DRS's Obligations

The DRS counselor shall:

1. provide teacher/transition coordinators written preauthorization prior to initiation of services for each student approved to work.
2. accept referrals, process applications, and assist with the coordination of the IEP and the IPE and offer input to the IEP employment goals.
3. serve as a member of the IEP team and make decisions for job placement as a team.
4. organize his or her work schedule in order to be available to confer with the School personnel, the students in the program, parents, employers and other partners in the process.
5. arrange and provide services as needed, including vocational evaluations, and counseling and guidance.
6. provide teacher/transition coordinators updated information (as available) as requested.
7. assist with job placement and regular follow-up on the students' progress.
8. work with the School staff/teachers to maintain a list of all authorized participating

- students, the place of employment, job title, and tasks learned or practiced, at least one time per semester or updated as new students join or jobs/job duties change.
9. regularly monitor students at job sites.
 10. ensure the school/district is submitting monthly time sheets, progress reports, proof of payment to students, and documentation of transition services or Pre-Employment Transition Services (as completed).
 11. provide reimbursement for the wages of students participating in School Work Study and Work Site Learning. and
 12. provide mileage reimbursement at the state rate for teacher coordinator travel to/from job sites of DRS clients participating in School Work Study and Work Site Learning.

E. Student Wage

1. The DRS and the Contractor agree that students who are employed by the School as part of a training program are not independent contractors, but employees of the School. **The Contractor agrees to deduct state and federal income tax from wages paid to the student.** The Contractor is responsible for costs incurred for workers' compensation or other expenses not included in the minimum wage reimbursed by the DRS, as part of its contribution toward providing coordinated transition services outlined in the Individuals with Disabilities Education Act (IDEA) and the Workforce Innovation and Opportunity Act (WIOA).

2. The DRS and the Contractor further agree that **IRS regulations provide that services performed by a student, who is employed by the School in which the student is enrolled, are not considered "employment" for purposes of FICA (Federal Insurance Contribution Act—Social Security and Medicare) and FUTA (Federal Unemployment Tax Act—employment tax) payroll deductions.** 26 C.F.R. § 31.3121(b)(10)-2(a)(1) and § 31.3306(c)(10)-2(b). The rules provide that the services performed by the student must be incident to and for the purposes of pursuing a course of study at the School. Section 31.3121(b)(10)-2(c). **The DRS and the Contractor agree that students who are employed by the School as part of a training program are not subject to FICA or FUTA.** The employee/student must be enrolled and regularly attending classes at the School at which the employee is employed to have the status of a student within the meaning of the regulations. This exemption does not apply if the student is working for a private employer through Employer Work Study, rather than the School, as part of an internship program. *The student must be employed by the School in order for the exception to apply.* The Oklahoma Employment Security Act provides that employment as part of a work-training program is exempt from the definition of "employment" and, therefore, not subject to the Act and, therefore, should not be documented as wages paid in quarterly submissions to the OESC. 40 O.S. §1-210 (15)(I). **At the end of the calendar year, students are to be provided with a W-2, Wage and Tax Statement, and not a 1099-Misc Form for Independent Contractors.**

3. For the School to be reimbursed for the student's wage, the student must have a trial work plan and/or an Individualized Plan of Employment (IPE) with the Oklahoma Department of Rehabilitation Services, and be participating in School Work Study or Work Site Learning.

Additionally, the School must have received in writing preauthorization for students to begin working before payments will be issued.

III. Compensation

A. Contract Amount

The DRS shall reimburse the Contractor as follows:

- school months –the current federal minimum wage. EXEMPT from FICA and FUTA, thus should not be taken out of the student’s check.
- summer months –the current federal minimum wage, plus FICA and FUTA, as summer months are NOT exempt due to the student not being enrolled at least half-time in school.

Payment shall be made upon receipt of properly completed and approved invoices/pay stubs, timesheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services. By law the DRS cannot pay in advance. Neither the Contractor nor any other parties may rely upon any amount set by the DRS in the Contract, or otherwise, as a guaranty, warranty, or any other promise of receipt or payment of that amount, except for those goods and/or services provided to and accepted by the DRS pursuant to the Contract.

The DRS will cancel the Contract if procedures are not followed (e.g., putting students to work before authorized, inappropriate job placements, delayed billing, not submitting proper documentation as outlined in the contract). If a settlement/ratification agreement must be reached between the Contractor and the DRS, the Contractor will receive only 50% of the funds for which it is seeking reimbursement.

The Oklahoma State Constitution, Article 10, Section 23 states, “Balanced Budget - Procedures. The state shall never create or authorize the creation of any debt or obligation, or fund or pay any deficit, against the state, or any department, institution or agency thereof, regardless of its form or the source of money from which it is to be paid, except as may be provided in this section and in Sections 24 and 25 of Article X of the Constitution of the State of Oklahoma.”

An express or written contract is a document evidencing, among other things, the mutual consent of the contracting parties. The written document becomes effective when the parties have signified their mutual consent by the act of signing it. The act of signing occurs when it occurs and applies only to events in the future.

To ensure you stay within the law and that you receive full compensation for services provided, please wait for official written documentation from your DRS counselors as to when a service may actually begin for an approved DRS client. The DRS CAN NOT backdate in order to pay for services for any youth with disabilities.

According to 70 O.S. § 5-142 school districts must conduct national criminal record background searches and fingerprinting on prospective employees. Therefore, the DRS will reimburse the school district up to \$45.00 per DRS client who:

- * is going to participate in School Work Study or Work Site Learning.
- * is at least 18 years of age. and
- * has not previously had a criminal background check completed by the school district or any other school district in Oklahoma.

This reimbursement will occur upon request and submission of properly completed documentation to the DRS counselor. If the Contractor chooses to request the expedited background check (\$58.00) from the Oklahoma State Department of Education, the Contractor will be responsible for any additional fees beyond the \$45.00.

B. Payment

The State of Oklahoma has forty-five (45) days from receipt of properly completed and approved invoices/pay stubs, timesheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services to make payment to the Contractor. - Congratulations to Alli Bordwine, Aidan Gonzalez, and the boys powerlifting team for winning their respective State Championships at the Powerlifting meet back in March. We are very proud of each of you!!!! Congrats on a great season!
- Congratulations to our Robotics Team on a great season and for their accomplishments. In the Oklahoma Regional...
 - Trenten Rippey was selected as a Dean's List Finalist.
 - Team was selected to compete in the playoffs but lost to the #1 seeded Alliance
 - Won the "Innovation in Controls Award" for the sophisticated logic and accuracy of shooting mechanism

In the Green Country Regional...

- Team finished as the captain of the #3 seeded Alliance and made it to the Semi-Finals round of the playoffs before being knocked out by the #2 seeded Alliance team
- Ranked #4 at the end of the Qualification Matches, which was higher than any other Oklahoma team
- Won the "Imagery Award" which celebrates attractiveness in engineering and outstanding visual aesthetic integration of machine and team appearance
- Congratulations to Sandy Ford and Lynn Lee for being names Chicken Express Employees of the Month. Thank you for everything that you do for our students and community.
- Thank you, Trae for your report on Child Nutrition tonight. It is encouraging to hear about our own Child Nutrition department and the great things that are happening with the staff and department.
- CPS will be closed this coming Friday, April 15th. All schools and offices will be closed.
- CPS will be having school next Monday, April 18th. This day was originally listed as a "snow day" on the calendar but was used back on March 11th.
- State testing begins next week at Grand, Lincoln, and the middle school. It will continue for the high school as well (they started on April 6th). I would like to encourage all parents to help us make sure that your children are ready each day especially by being at school on time and ready to go.
- We will be sharing the new Continuous Strategic Improvement Plan at the May board meeting. This plan has been "in the works" for almost the entire past year. It is a collected effort of patrons, parents, teachers, administrators, and students. Over the course of the next 5 years, CPS will work to meet each goal and objective to keep moving our district forward in the direction that we collectively would like to see it go.
- Finally, I just wanted to take a moment and reassure parents, staff, and students that we take security and safety seriously at all of our sites. We have been and will continue looking into each matter and will take steps to ensure our campuses are safe.
