SCHOOL DISTRICT OF SHOREWOOD
Shorewood, Wisconsin
February 22, 2016 AGENDA

Master Facilities Planning Discussion
7:00 PM
Shorewood High School Conference Room

Posted 2/16/16

I. Welcome

The ad hoc building committee presented a framework for a long term building plan at the February 9th board meeting. This was a culmination of 6 months effort by the committee to outline an approach to address educational, maintenance and aesthetic needs of our School District's facilities.

To allow the community to provide informed comments to the School Board, the district is hosting two sessions to ask questions and gather information. This session will be Monday, February 22nd at 7pm. The Shorewood High School Conference Room is the location for both sessions.
