AGENDA

I. **CALL TO ORDER**

II. **ROLL CALL**

III. **APPROVE AGENDA**

IV. **PUBLIC COMMENTS**

V. **CURRICULUM AND INSTRUCTION PRESENTATION/UPDATES FROM WORLD LANGUAGE, 7-12 ELA, FAMILY & CONSUMER EDUCATION, BUSINESS EDUCATION**

The purpose for this special meeting is to provide the Board updates on work that is occurring in various curricular area across the school district. We previously held these reports as part of the monthly school board meeting, but with the change in format to focus on the strategic planning framework, we have set aside two special meetings per year to hear from our curriculum departments.

On Monday evening you will hear from four departments -- World Language, 7-12 ELA, Family and Consumer Education, and Business Education. We have organized the night so that World Language and 7-12 ELA will present during the first hour, and Family and Consumer Education and Business Education will present during the second hour. We will be dividing into two groups that will rotate through each department for about 25 minutes each.

Tim Schell has provided the departments with the following guidelines for their presentations:

1. What is new?
2. Success Stories
3. Review the work that is occurring within each department.
4. Questions and Answers

Reminder -- we are meeting in the High School LMTC. The time of the meeting is

4:00 p.m. - 6:00 p.m.
