VI. FALL CO-CURRICULAR UPDATE - AARON MAY

Per the request at the last meeting of the Co-Curricular Committee, Aaron May will be providing an update to the Committee following each of the three seasons of the year. On Monday, Aaron will review the fall season with the Committee. The full Co-Curricular Report will be compiled and presented to the Committee and Board at the end of the year.

VII. SPRING BREAK AND ATTENDANCE POLICY

At the last Co-Curricular Committee Meeting the Committee discussed sports team practices and tryouts that fall during spring break. The Committee asked Aaron May to bring back the practices of our other sports and how they deal with student

absences, tryouts, etc. Aaron will report on this item to the Committee. Administration is looking for some direction on the Committee's preference for how to handle spring break and practices that fall within this time frame, and the impact on students who are not available during the week of spring break.

VIII. PARA-AMBULATORY TIME STANDARDS FOR TRACK

Aaron May and I will describe to the Committee a request we have received from a parent about prompting the WIAA to add Para-Ambulatory Time Standards to Track. We will describe this issue to you on Monday and see if you are comfortable with us and/or the Board advocating for a change at WIAA to allow for Para-Ambulatory students to participate in the sport through specialized events, much like the accommodation that has been made for wheelchair athletes.
