In light of the COVID-19 emergency and its impact on spring Human Growth and Development units, I am requesting two one-time changes to the HGD scope and sequence for the 2020-2021 school year.

1. That the 4th grade spring unit be compacted with the 5th grade unit for next year's 5th grade students.
2. That a HGD mini-unit be added to 9th grade Intro to Physical Education for next year to supplement the instruction that will occur in this spring's 8th grade Health unit.
