Minutes of Diversity, Equity, Inclusion Committee

The Board of Education Waunakee Community School District

A Diversity, Equity, Inclusion Committee of the Board of Education of Waunakee Community School District was held Tuesday, February 2, 2021, beginning at 6:00 PM in the Waunakee Community School District
905 Bethel Circle
Waunakee, WI 53597.

I. CALL TO ORDER

II. Chairperson Mike Brandt called the meeting to order at 6:03PM

III. ROLL CALL

Bethany Pottinger, Christy Sheppleman, Diane Treis-Rusk, Emily Meier, Joel Lewis, Lara Ostrander, Leslie Petty, Melanie Meister, Melissa Hernandez, Mike Brandt, Michelle Berg, Mike Pisani, Monique Mobley, Gina Pagel, Sam Kaufmann, Stephanie Shefchik, Allison Voeller.

IV. APPROVAL OF MINUTES

A motion was made by Joel Lewis, second by Emily Meier, to approve the minutes of the last meeting. Motion Carried

V. APPROVE AGENDA

A motion was made by Joel Lewis, second by Sam Kaufmann, to approve the agenda as posted.

VI. NEA EQUITY AUDIT

The purpose of this agenda item is to finish the review process of completing the second portion of the equity audit that was started on 01/19/21.

Gina Pagel explained the process the committee would use to continue this portion of the audit.(Items Bi-D) She reviewed the norms the committee agreed on. Melanie Meister was the time keeper, Mike Brandt watched for raised hands and comments, and Allison Voeller took notes on the discussion.

The committee determined that they needed more information for items C and item D. The exact information needed was recorded by the facilitation team.

Gina previewed Criteria 3. After the preview the committee discussed that this Criteria required more information and ways they could acquire this information perhaps by conducting a survey or reviewing old surveys.

It was decided that an update would be shared with the full board at the 2/8/21 meeting and the information the committee is looking for. Then the board or administration would be able to direct the committee on how to obtain this additional information.

For the 2/16 meeting the committee will take a pause from the audit and will discuss some of the other topics they have shared in more detail.

VII. FUTURE MEETINGS

The next meeting is Feb. 16, 2021

The committee discussed developing a time line of direction/decisions to share/make recommendations to the board. This may help the work get started so achievement or progress may begin.

The committee also wanted to discuss how the items from the audit that they needed more information for would be brought back and also if they could take action or develop a timeline for the items from the audit that they have already found to be emerging.

VIII. ADJOURN

A motion was made by Joel Lewis, second by Leslie Petty, to adjourn the meeting at 7:53 PM.

OPPORTUNITY AUDIT

CONDUCTING AN OPPORTUNITY AUDIT

Working together, we can build the schools our students deserve! Think about your school – do you need a way to assess what’s going well in your school, and what may need to be improved for the success of all students? This Opportunity Audit will help you develop a plan to make sure your students have everything they need, eliminate inequities, and strengthen student learning. This Audit will help you assess and take action on both the accessibility and effectiveness of policies, programs, and budgeting that allow you to create the quality learning environment necessary for all students to succeed. The NEA Opportunity Audit data in conjunction with our GPS Indicators Framework (www.nea.org/gpsindicators) will assist you in creating a plan to eliminate inequities and elevate student achievement.

The Every Student Succeeds Act (ESSA) has opened the door for educators, parents, and students to be leaders in fulfilling the promise of a great public school for every student. ESSA requires that states, districts, and schools engage stakeholders in plans to help ensure the success of all students. ESSA also stipulates that plans be based on needs assessments, similar to the one you and your colleagues complete with this Opportunity Audit. The data you collect from your Audit and by engaging parents and the community can help inform which resources and programs get written into local ESSA plans. Additional resources and supports are available at myschoolmyvoice.nea.org.

THREE STEPS FOR A SUCCESSFUL OPPORTUNITY AUDIT

- 1 Build Common Understanding.** Review the terminology and definitions to ensure a common understanding throughout the audit process.
- 2 Analyze the Continuum.** Use the audit continuum consistently for each indicator. What does it mean for an element to be Emerging, Improving, or Flourishing?
- 3 Assess Your School.** Complete the audit for each element. Where along the continuum is your school for each indicator?

Your Audit Team

When conducting your audit, do not feel like you need to conduct it alone! Engage colleagues within your school, parents/families who will work with you to share their thoughts and input, and others whose valuable input may help create a fuller picture of your school's successes and opportunities. Using the chart below, identify who can work with you on the audit, and what they will contribute.

Criteria V: Schools maintain accountability by utilizing multiple indicators to assess student achievement, instructional effectiveness, and school performance.

| | N/A | ELEMENT | DOES NOT EXIST | NOT APPARENT | EMERGING | IMPROVING | FLOURISHING |
|--------|-----|--|----------------|--------------|----------|-----------|-------------|
| A | | Our educators are engaged with the district in developing formative and summative assessments that employ multiple measures of growth, pursuant to state policies. | | | | | |
| B | | Our school ensures all students graduate college and career ready by implementing programs and practices proven to address barriers to advancement, such as SAT/ACT preparation, college and career counseling, and complying with state and local policies. | | | | | |
| C(i) | | Our school receives adequate resources and funding from the district to provide educator training on the use of data to improve instruction and assessment. | | | | | |
| C(ii) | | Educators have timely access to student data and assessment results. | | | | | |
| D(i) | | Educators are given opportunities to collaborate with the state and district to develop school performance indicators. (Where to Find: Consider your state and district Every Student Succeeds Act (ESSA) plan. Both may provide specific or implicit ways to collaborate.) | | | | | |
| D(ii) | | Low-performing schools provide additional supports and funding to students, such as needs assessments, on-site evaluations. | | | | | |
| D(iii) | | Our school works closely with students, families, and support networks to ensure the success of students who are at risk for academic failure. | | | | | |

NOTES

NEXT STEPS

Criteria VI: Schools engage with families and communities to collaborate in learning, advocacy, and securing resources.

| | N/A | ELEMENT | DOES NOT EXIST | NOT APPARENT | EMERGING | IMPROVING | FLOURISHING |
|-------|-----|---|----------------|--------------|----------|-----------|-------------|
| A(i) | | Our school successfully engages families by accommodating family schedules and offering home visits. | | | | | |
| A(ii) | | Our school submits data to our district annually on family and community engagement. | | | | | |
| B(i) | | Our school has a full-time community liaison, tasked with engaging and representing families, as well as conveying school policies and procedures. | | | | | |
| B(ii) | | Our school empowers family members and caregivers to access and utilize school materials and information in their context, including providing information in multiple formats and languages. | | | | | |
| C | | Our school offers out-of-school-time learning programs and wrap-around services, such as health, language, mentoring, and tutoring. | | | | | |
| D | | Our schools requires all educators and administrators to participate in professional development, focusing on family and community engagement, with input from higher education institutions and community stakeholders, as part of licensure programs and professional learning. | | | | | |

NOTES

NEXT STEPS

Criteria VII: All schools are sufficiently and equitably funded to provide the resources and supports required to meet all students' needs.

| | N/A | ELEMENT | DOES NOT EXIST | NOT APPARENT | EMERGING | IMPROVING | FLOURISHING |
|-------|-----|--|----------------|--------------|----------|-----------|-------------|
| A(i) | | Our district guarantees sufficient funding and makes adjustments for school level, size, and location. | | | | | |
| A(ii) | | Our school has access to sufficient funds to support students in meeting rigorous academic standards. (Where to Find: Consider your district budget and funding levels that provide more than the basic needs of the school.) | | | | | |
| B | | Our district adjusts funding for diverse student needs, allowing for students in schools with the greatest need to receive additional funding. (Where to Find: Consider if your district allocates sufficient funding and resources for English for Speakers of Other Languages (ESOL), special education, Title I, and Free and Reduced Meals (FARMS) to your school.) | | | | | |
| C(i) | | Educators and families at our school have access to an up-to-date school budget and are included in the school budgeting process. | | | | | |
| C(ii) | | State and district funding programs incentivize evidence-based innovation at our school. | | | | | |
| D | | Current educators and administrators in our school have opportunities to meaningfully participate in the development of a sustainable, multi-year budget. Local efforts to diversify revenue streams are supported by the state. | | | | | |

OPPORTUNITY AUDIT DEFINITIONS

1. **Advanced Course Opportunities** generally refers to accelerated coursework that incorporates elevated rigor, including coursework that provides students opportunities to earn postsecondary credit. Examples include International Baccalaureate programs, Advanced Placement Programs, or dual enrollment.
2. **Community-based organization** means a public or private nonprofit organization of demonstrated effectiveness that is representative of a community or significant segments of a community and provides educational or related services to individuals throughout the community.
3. **Developmentally Appropriate Practice (DAP)** is an approach to teaching grounded in research on how children develop and learn that involves teachers meeting young children where they are in their stage of development and helping each child meet challenging and achievable learning goals.
4. **Educators** includes classroom teachers, paraprofessionals, education support professionals (ESP), specialized instructional support personnel (SISP), librarians, administrators, and higher education professionals.
5. **Full-Service Community School** means a public elementary or secondary school that participates in community-based efforts to integrate educational, health, and other comprehensive services through public, community-based, and private partnerships; and provides access to such services year round, including when school is out.
6. **Indicators** refers to metrics that all public schools in the state must identify for data collection and measurement in their state plans, consisting of not less than one valid, reliable indicator of school quality or student success that allows for meaningful differentiation in school performance, such as measures of engagement, educator engagement, student access to and completion of advanced coursework, postsecondary readiness, or another indicator. States must report on mandatory federal indicators, and, at the state's discretion, additional state indicators.
7. **Language Rich Instruction (LRI)** provides a classroom environment that accelerates oral language and academic vocabulary development through exposure to content-rich language, cooperative learning opportunities, and other tools to aid comprehension and language development for English Language Learners and native speakers.
8. **Pupil Weights** means weighted per-pupil allocations for underserved students.
9. **Response to Intervention (RtI)** is a tiered approach to the early identification and support of students with learning and behavior needs through high-quality instruction and screening of all students in the general education classroom and appropriate progression to appropriate interventions and comprehensive evaluation.
10. **Rigorous** means academically, intellectually, and individually challenging curriculum and learning goals.
11. **School** means a public or private kindergarten, a public or private elementary school or secondary school, or a home school.
12. **Student** means any child or individual age 3 through 21.
13. **Universal Design for Learning (UDL)** is an educational framework based on research in the learning sciences, including cognitive neuroscience, which guides the development of flexible learning environments that can accommodate individual learning differences.
14. **Positive Behavior Support (PBS)** was originally developed to provide an alternative to aversive school discipline procedures often used with students with significant disabilities; now, PBS is a general term that refers to the culturally appropriate application of positive behavioral interventions and systems to achieve socially important behavior change.
