The Board will receive a public presentation on SAISD's 2021-22 Texas Academic Performance Report (TAPR).

Texas Education Code Chapter 39 requires each district's board of trustees to publish the TAPR report, campus performance objectives, a report of violent or criminal incidents, and information received under Texas Education Code §51.403(e) from the Texas Higher Education Coordinating Board. The board of trustees shall hold a hearing for public discussion of the report, and they shall widely disseminate the report within the district. SAISD has posted the TAPR and additional required reports on its District web page. In addition, a copy of the TAPR will be made available at every campus.

The TAPR pulls together a wide range of information on the performance of students in each school and district in Texas. This information is put into the annual TAPR reports, which are made available each year in late fall. Click below to watch the video recording or access the pdf presentation:
