Original Adopted Date: 01/05/2004 | **Last Revised Date:** 04/15/2024 | **Last Reviewed Date:** 04/15/2024

Student handbooks will constitute official School Board policies and will be reviewed and updated each year.

Each student will either be given a copy of the appropriate handbook or given notice that the handbook is available for viewing on the district's website.

In the event that a "hard copy" of a handbook is not given to a student, a signed verification will be executed to document that said student and his/her parent have accepted responsibility for reviewing the handbook's contents. The teacher will keep these signatures on file.

The personal appearance regulations policy of the Jackson County School District is included in student handbooks.

District Personnel shall review the personal appearance regulations policy annually and present any changes to the Jackson County Board of Education for approval.

This policy will also be available to parents and students on the district website (www.jcsd.ms) and in the student handbook.

Policy JB: Students Complaints of Sexual Discrimination / Harassment -- Title IX

Status: DRAFT

Original Adopted Date: 06/01/2011 | **Last Revised Date:** 04/15/2024 | **Last Reviewed Date:** 04/15/2024

Title IX of the Education Amendments of 1972 is an anti-discrimination law that states no person in the United States, on the basis of sex, shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving federal financial assistance. The policy of this Board forbids unwelcomed sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature amounting to or constituting harassment and/or discrimination against any student in the district. The Board of Education will not tolerate sexual harassment activity by any of its students.

The Jackson County School District has appointed an employee to serve as the Title IX Coordinator with the District. This person is authorized to coordinate the District's compliance efforts under this law. Because this policy is not amended each time the Title IX Coordinator changes, please contact the Superintendent, the Federal Program Director, or any Principal to request the name and contact information of the current Title IX Coordinator. The Title IX Coordinator is also identified with specificity in the District's student handbook, faculty handbook, and on the District website.

DEFINITIONS:

"Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to the Title IX Coordinator or to any student of the school district. All employees of the district are mandatory reporters under Title IX.

The **"complainant"** is the person who is alleged to be the victim of sexual harassment.

"Deliberate indifference" is when a district's response is clearly unreasonable in light of known circumstances.

An **"educational program or activity"** includes any location, event, or circumstance over which the educational institution exhibits substantial control over both the alleged harasser and the context in which the harassment occurred. This includes programs or activities which occur on-campus or off-campus and can involve the use of email, social media, or other technologies. 34 C.F.R. § 106.44(a)

A **"formal complaint"** of sexual harassment is defined as a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegations.

The **"respondent"** is the individual who has been reported to be the perpetrator of the sexual harassment.

"Sexual harassment" is defined as conduct on the basis of sex that meets one or more of the following:

1. An employee of the recipient conditioning the provision of an aid, benefit or service of the educational institution on an individual's participation in unwelcome sexual conduct (quid pro quo sexual harassment);
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the educational institution's education program or activity; or
3. Conduct on the basis of sex that meets one or more of the following: "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30)

"Supportive measures" are non-disciplinary, non-punitive, individualized services offered as appropriate, as reasonably available, and without fee or charge to a complainant or a respondent before or after the filing of a formal complaint or where a complaint has not been filed. Supportive measures should be designed to restore or preserve equal access to the educational program or activity without unreasonably burdening the other party. Examples of supportive measures include, but are not limited to:

1. Counseling
2. Course Modification
3. Schedule Changes
4. Increased Monitoring or Supervision

If the district does not offer supportive measures, the records should document why the response was not clearly unreasonable under the known circumstances.

INDIVIDUALS AND CONDUCT COVERED:

These policies apply to all students and employees of Jackson County School District, and third parties, persons hired to provide contracted services, and persons volunteering at school activities. Conduct prohibited by these policies is unacceptable in all academic, educational, extracurricular, athletic, and other programs of the school, whether those programs occur on campus, on a bus, or at another location away from campus. Individuals who violate these policies will be subject to disciplinary action, up to and including suspension or expulsion (if a student) or suspension or termination of employment (if any employee), and in egregious situations, law enforcement officials will be notified as required by law.

PARENTAL INVOLVEMENT:

Parents/Guardians of students have the right to act on behalf of the complainant, the respondent, or other individuals at any time.

The district will obtain consent from parents/guardians to initiate an investigation where the complainant or alleged victim is under age eighteen (18), and inform parents/guardians of the complainant that the complainant may be accompanied by a parent/guardian during all steps of the complaint procedure.

The Title IX Coordinator shall contact the parents/guardians and provide them with information regarding the report and Title IX sexual harassment procedures and grievance process for formal complaints.

REPORTING:

Any person may report sex discrimination or sexual harassment, regardless of whether the person is the alleged victim. These reports may be made in person, by mail, by telephone, or email to the Title IX Coordinator, or by any other means that results in receipt by the Title IX Coordinator. For K-12 educational institutions, an actual notice of sexual harassment is a notice of sexual harassment or allegations of sexual harassment made to any employee.

Consistent with Title IX, a school must respond when:

1. The school has actual knowledge of sexual harassment;
2. That occurred within the school's education program or activity;
3. Against a person in the United States.

Nothing in this policy or any other policy impedes or precludes a student, the student's parents, a school employee, or school officials from directly reporting to law enforcement officials any behavior that constitutes a violation of criminal law or any applicable laws.

It is prohibited to knowingly make a false discrimination, harassment, or retaliation report or provide false information in an investigation. Individuals who knowingly file a false or misleading complaint alleging harassment, discrimination or retaliation or provide false information in an investigation are subject to appropriate disciplinary actions.

RETALIATION:

The Jackson County School District encourages reporting all incidents of discrimination or harassment. Retaliation is prohibited against any person for the purpose of interfering with Title IX rights or because the person participated, or refused to participate, in any manner in a proceeding under Title IX regulations. The district must keep confidential the identity of a person who complains of or reports sexual harassment, including parties and witnesses, except as permitted by law to carry out the purpose of the regulations. 34 C.F.R. § 106.71

Retaliation against an individual for reporting harassment or discrimination or for participation in an investigation of a claim of harassment or discrimination is a serious violation of this policy and, like harassment or discrimination itself, will subject an individual to disciplinary action.

RECORDS:

Any records related to reports of sexual harassment must be kept for a minimum of seven (7) years, including:

1. Investigative Records
2. Disciplinary Records
3. Remedies
4. Appeals
5. Records of action taken including supportive measures

The district must also retain for seven (7) years any materials used to train Title IX Coordinators, investigators, decision-makers, and any employee designated to facilitate an informal process. Training materials will also be posted on the district website.

Policy JBAC: Truancy

"Compulsory-school-age child" means a child who has attained or will attain the age of six (6) years on or before September 1 of the calendar year and who has not attained the age of seventeen (17) years on or before September 1 of the calendar year; and shall include any child who has attained or will attain the age of five (5) years on or before September 1 and has enrolled in a full-day public school kindergarten program. ' 37-13-91 (2) (f)

"Truancy" also includes absence without permission from any class, study hall or school-related activity for which a student is scheduled during the school day.

Disciplinary action shall be taken against students who are truant. Continued truancy may lead to academic failure, placement in the alternative school program and/or suspension or expulsion from the regular and/or alternative school programs.

Reports of truancy shall be made in accordance with the Mississippi Compulsory School Attendance Law (MS CODE ' 37-13-91) and Policy JBA.

Policy JBD: Attendance

Status: DRAFT

Original Adopted Date: 11/18/2024 | **Last Reviewed Date:** 11/18/2024

STUDENT ATTENDANCE, REPORTING OF STUDENT ATTENDANCE, TARDINESS AND EXCUSES

Policies regarding student attendance, reporting of student attendance, tardiness and excuses are adopted by the School Board and published annually in the student handbooks as official policy statements of the Jackson County School District.

The school board believes that good attendance, with a minimum of tardiness and absenteeism, is essential if students are to gain maximum benefit from the school district's instructional program. The school board thusly directs the superintendent to develop administrative regulations governing tardiness and absences (excused and non-excused).

The administrative regulations shall be based on all applicable state laws governing absenteeism and tardiness and shall include (but not limited to) the counting and reporting of students to the Mississippi Department of Education for attendance purposes, expectations for good student attendance, parent responsibility, excused and unexcused absences, and tardiness. Initial administrative regulations and any future changes to such administrative regulations shall be approved by the school board before implementation.

Make-up Assignments: The administrative regulations shall specify that no absence will be excused when it is due to suspension, expulsion or other disciplinary action. However, to avoid adopting a policy or administrative rule that would ensure a student's failure, the district may adopt a provision that permits or requires suspended students who are not immediately placed in an alternative school program to make up work within specified deadlines.

Attendance Reporting: In order for a student to be considered as having attended school for a full day, the school board specifies that each student must be present for 63% of his or her individual Instructional day as fixed by the local school board for each individual school. For purposes of reporting absenteeism, a student who has an absence that is more than thirty-seven percent (37%) of the student's instructional day, as fixed by the school board for the school at which the student is enrolled, shall be considered absent the entire school day.

The superintendent shall develop and submit for board adoption a policy which includes:

1. A definition of the instructional day for each individual school so that the 63% of the instructional day can be computed for each student within the school district's individual schools, and
2. A process for computing 63% of the instructional day for each student within the school district's individual schools.

DEFINITIONS:

Full Day Attendance: When a student is present for 63% of his or her individual Instructional day as fixed by the local school board for each individual school.

Unlawful Absence: An absence for an entire school day or during part of a school day when such absence is not due to a valid excuse.

Policy JGA: Pandemic / Epidemic Emergencies

Status: DRAFT

Original Adopted Date: 06/15/2009 | **Last Revised Date:** 05/13/2024 | **Last Reviewed Date:** 05/13/2024

The Board recognizes that a pandemic/epidemic outbreak is a serious threat that stands to affect students, staff, and the community as a whole. With this consideration in mind, the Board establishes this policy in the event the town/municipality and/or school district is affected by a pandemic/epidemic outbreak. At all times, the health, safety and welfare of the students shall be the first priority.

Planning and Coordination:

The Superintendent shall designate one or more employees to serve as a liaison between the school district and local and state health officials. This designee is responsible for connecting with health officials to identify local hazards, to determine what crisis plans exist in the school district and community, and to establish procedures to account for student well-being and safety during such a crisis. The designee shall work with local health officials to coordinate their pandemic/epidemic plans with that of the school district.

The principal and/or school nurse or other designee shall develop a curriculum component to health classes that is designed to teach students about preventing or limiting the spread of communicable diseases.

With fiscal concerns in mind, the district shall purchase and store supplies necessary for an epidemic/pandemic outbreak, including but not limited to disinfectant products, face masks, water, examination gloves, and other supplies as recommended by the school nurse.

The Superintendent shall develop procedures and plans for the transportation of students in the event of an evacuation. Such procedures shall include provisions for students who cannot be transported to home at the time of the evacuation.

Response:

In the event anyone within the school is discovered or suspected to have a communicable disease that may result in an epidemic/pandemic, that person shall be immediately quarantined pending further medical examination. Local and state health officials shall be notified immediately.

In conjunction with local and state health officials, the Superintendent shall ascertain whether an evacuation, lockdown, or shelter-in-place needs to be established. As soon as such a decision has been made, the school district shall attempt to notify the parents of all students.

In the event of an evacuation, the Superintendent is charged with determining when the school shall re-open. In the event of a lockdown or shelter-in-place, the Superintendent shall notify all proper authorities and relief agencies to seek their assistance for the duration of the lockdown or shelter-in-place.

Infection Control:

Any student or staff member found to be infected with a communicable disease that bears risk of a pandemic/epidemic will not be allowed to attend school until medical clearance is provided by that individual's primary care physician or other medical personnel indicating that the person does not bear the risk of transmitting the communicable disease.

Efforts will be made by the staff to determine what, if any, school work the student can complete while absent.

Staff Absences:

Staff members who are forced to miss excessive days of work shall first use any leave entitled to them through the Family and Medical Leave Act and/or accrued sick leave.

Continuance of Education:

The Superintendent shall develop a plan of alternate means of educating students in the event of prolonged school closings and/or extended absences. Such a plan may include providing students with assignments via mail, e-mail, or the school district's website.

The Superintendent is authorized to amend the traditional class schedule and schedule of days. Such a plan may include extending the school day, having school days held on Saturdays, the use of previously scheduled vacation days, and/or extending the school year beyond the previously established end of the school year.

Policy JKAA: School Sponsored Fundraisers

Status: DRAFT

Original Adopted Date: 01/12/2009 | **Last Revised Date:** 11/16/2020 | **Last Reviewed Date:** 09/29/2020

GENERAL:

The Jackson County School District recognizes and supports the efforts of school personnel, students, parent booster organizations, and other community members who have an interest in promoting school programs through fundraising activities. The School Board specifically supports those fundraising activities which are designed to promote educational and extracurricular activities without interfering with the in-school education program. The School Board also recognizes a need for some constraint to prevent fundraising activities from becoming too numerous and overly demanding on employees, students and the general public.

PURPOSE: It is the intent of this policy to regulate school fundraising activities.

TYPES OF FUNDRAISING ACTIVITIES:

I. Booster Organization Fundraising:

- The Jackson County School District appreciates volunteerism and, likewise, the associated fundraising activities that directly support the students of the District. Although Booster Organizations/Clubs directly support school activities and programs, they are an independent organization not regulated by the Jackson County School District. Examples of these organizations are Athletic Booster Clubs, PTA / PTO, etc.
- Funds raised by Booster Clubs will be accounted for by the Booster Club and will be separate from any school activity fund. No school district employee – acting on behalf of the District – shall direct how a Booster Club operates or how funds will be spent. However, Booster Clubs should recognize that the relationship between the Booster Club and the District is a partnership. The Booster Club should coordinate closely with the proper District officials on all decisions/fundraising activities for major projects and seek the District's concurrence (Major projects include, but not limited to, new construction, facility modifications, equipment purchases, etc.).
- Booster Club fundraising activities will be carried out under the direction and supervision of the Booster Club. Funds raised by such organizations will be accounted for by the organization and will be separate from the school activity fund (see Board Policy DK).
- Because outside booster organizations are not regulated by the Jackson County School District, organized student participation in booster fundraising projects will not be coordinated by the school nor be allowed during the school day. Booster fundraising activities will be primarily outside-of-school events and will not fall under the guidelines of this policy. Examples of booster fundraising events would be sporting event concessions and fall festivals.

II. Student Club Fundraising:

This type of fundraising activity will be carried out by middle school or high school student clubs where participation in the club is elective or voluntary. Examples of these organizations are cheerleaders, band, Beta Club, etc.

III. School Concessions:

This type of fundraising activity will be carried out under the direction and supervision of school building principals for the selling of snacks or other goods during the school day. Examples of school concessions are vending machines, in-school concession stands, school apparel stores, book fairs, etc. In addition, fund-raising activities such as the sale of school pictures, the rental of caps and gowns or the sale of graduation invitations for which the school receives a commission, will be classified as School Concessions.

School Concessions such as vending machines, in-school concession stands, etc. are expected to abide by the School Wellness Policy and are prohibited from the sale of items that do not comply with the requirements of Policy JG, Appendix A. As such, only snacks and beverages meeting the nutrition standards listed in policy JG may be sold during the school day.

IV. General School Fundraising:

This type of fundraising activity will be carried out under the direction and supervision of the school building principal for the purpose of raising revenue to purchase specific goods not provided by the Board of Education to be used by the entire school. Examples of specific goods are playground equipment, school signs, etc.

Guidelines:

- The Jackson County School District expects all students and employees who plan, supervise or participate in approved fundraising events to represent the school, the student organization and the community in a responsible manner. All rules pertaining to student conduct and student discipline extend to student fundraising activities.
- All funds raised by any fundraising event shall be processed through the appropriate financial accounting system as defined in this policy and School Board Policy DK.
- All fund-raising events must have prior approval of the Principal, Attendance Center Assistant Superintendents, Superintendent and School Board. Student Club fundraising projects do not require approval of the Superintendent of Education or the School Board. Participation in non-approved fund-raising events shall be considered a violation of school district policy.
- Fund-raising should be directed to a specific purpose. Fundraising is not intended to acquire a bank account of uncommitted funds.
- Building Principals shall not allow general fund-raising activities that would require door-to-door sales by students. Door-to-door sales are not condoned or encouraged by the Jackson County School District.
- Solicitation of students in elementary grades (K-5) by outside sales representatives to participate in general school fundraising activities is considered distractions to the educational environment and will be prohibited during the school day. Solicitation will be defined as vendor presentations or other similar activities.
- Parents, teachers and students have the right to not participate in any fundraising activity and therefore, such participation will be voluntary.
- Where there are cases of financial need, the school should be sensitive to the possible embarrassment of students, parents or guardians. No student shall be penalized in any way for non-participation in a fundraising event. In addition, as some parents consider participation in fundraising to be unhealthy, Building Principals shall obtain, in writing, parental authorization for their children to participate in fundraising activities.

Each school organization will be limited to three (3) fundraising events per school year.

Teacher Candidate Contract

This document is an agreement between The University of Southern Mississippi, (the “University”), and The Jackson County School District, 4700 Colonel Vickrey Road, Vancleave, MS 39565 (the “District”), concerning the placement of teacher candidates in educational field experiences.

The District agrees to accept students from the University upon recommendation of the Director of Educational Field Experiences, the Dean of the College of Education and Human Sciences, or the Director of the School of Education. The University has on file a current and clear background check for all students participating in educational field experiences. Upon acceptance, the District agrees to assign a qualified mentor teacher to supervise a teacher candidate. The mentor teacher qualifications are:

- a. must be a full-time employee in a cooperating District;
- b. must hold a standard teaching license;
- c. must have 3 consecutive years of positive teaching evaluations;
- d. must positively impact student learning;
- e. must be teaching in his/her field of licensure;
- f. must have successfully completed the USM Mentor Teacher Workshop; and
- g. must voluntarily accept the responsibilities of a mentor teacher as outlined in the Mentor Teacher Workshop (*i.e.*, observing, conversing, critiquing, working collaboratively, evaluating).

The University will have the option of declining an assigned mentor teacher. Appropriate documentation must accompany any such action. This decision may be made when there is sufficient reason to believe that such assignment would result in poor professional experiences for both the teacher candidate and the mentor teacher. The University offers to all persons equal access to educational, programmatic, and employment opportunities without regard to age, sex, religion, color, national origin, Vietnam-era veteran status, or disability status. These provisions are pursuant to applicable federal and state law and regulations.

The District agrees to complete the Teacher Candidacy Placement Form within a prescribed period of time in order to facilitate the timely placement of all teacher candidates. Should problems arise concerning placement or supervision of teacher candidates, representatives of both parties will attempt to reach satisfactory agreements.

This Contract will be in effect upon the signing by both parties through last day of June, 2027 unless terminated by written request from either party.

It is so agreed as of the date of the last signature below.

Mississippi Gulf Coast Community College & Jackson County School District Dual Credit and Collegiate Academy Addendum

This Addendum is entered into on this 8th day of January, 2026, by and between Mississippi Gulf Coast Community College (MGCCC) and Jackson County School District.

MGCCC and Jackson County School District desire to offer secondary students an opportunity to take advantage of Dual Credit. (Dual Credit is defined as secondary students taking postsecondary classes and receiving credit at MGCCC and Jackson County School District for those agreed upon courses.) This addendum will cover Spring 2026 academic and/or Career and Technical Education (CTE) classes that are taught by Jackson County School District instructors (with MGCCC approval) using Jackson County School District facilities, and the addendum will cover courses taught in Collegiate Academy. Other addendums may be proposed at a later time to address other scenarios for dual credit.

THEREFORE, in consideration of the mutual promises contained herein, and for other good and valuable consideration, it is agreed:

Term

This addendum will begin on January 8, 2026, and will continue until such time as either entity decides that it should be ended/adjusted. It shall be reviewed on a semester basis and changes made as either party deems them appropriate to serve the secondary dual credit student. A listing of classes will be agreed upon in writing before each semester begins. Either party may terminate this Addendum Agreement with a ninety (90)-day written notice to the other party, but will only do so in a manner that will not affect a student's credit for any semester already entered into.

Dual Credit

Secondary students who meet the dual credit requirements set out in the Statewide Academic Dual Credit/Dual Enrollment Articulation Agreement shall be allowed to take postsecondary courses and receive secondary and postsecondary credit through Jackson County School District (secondary Carnegie units) and MGCCC (postsecondary credit/hours).

Collegiate Academy

Collegiate Academy provides up to 60 hours of transferable college credit to universities and/or an industry certification credential. The program allows students to simultaneously earn a high school diploma and an associate degree. The student body consists of high school juniors and seniors enrolled in dual credit courses at their high school and at MGCCC. Students must meet all eligibility criteria for dual credit/dual enrollment; be a high school junior in good standing, with a GPA of 3.0, or above, on a 4.0 scale; submit an unconditional written recommendation from their high school principal or guidance counselor; demonstrate appropriate, responsible, and respectful behavior on the high school campus; and demonstrate the maturity to cope with the challenges and relative freedom of a college environment. If pursuing Collegiate Academy or CTE dual credit courses, MGCCC needs to be your exclusive dual credit provider.

Classes

MGCCC may offer up to 29 academic (university parallel) credit hours on site at local high schools each school year, and/or MGCCC may offer up to 14 Career and Technical Education (CTE) program credit hours on site at local high schools each school year. No student will be allowed to accumulate more than 29 total hours at the high school site. Eligible courses are found in the approved Statewide Academic Dual Credit/Dual Enrollment Articulation Agreement. A listing of classes will be agreed upon in writing before each semester begins. Before a class is scheduled, a written request to do so should be submitted to the Dean of Teaching and Learning of the campus responsible for the class. The minimum class size does not matter if the high school is paying the instructor. The classes offered under this agreement are represented in the following table:

Payment

Payment for dual credit classes and Collegiate Academy shall follow standard MGCCC payment timelines and processes. If payments become delinquent, a fee may be assessed. Costs (tuition and fees) for on-site courses at the high school will be the responsibility of the student and/or legal guardian. The local school will have the responsibility of collecting the required payments from students and remitting such to the college. Students taking traditional postsecondary classes (either seated or online) that are not arranged through this addendum agreement will pay tuition, fees, etc. like any other enrolling student. Dual enrollment students will follow the standard college dual enrollment agreement.

Instructional Considerations

Mississippi Gulf Coast Community College has complete ownership of all dual credit classes. The school district shall agree to all college requirements needed to maintain college compliance with the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). Such requirements shall include but not be limited to the following:

- MGCCC must vet the qualifications of any instructor, evaluate the instructor, and provide for the professional development of the instructor.

- The high school may not offer academic courses which combine students enrolled in the college course with students who are only receiving high school credit.
- Instructors will be visited and evaluated in-classroom a minimum of once per year by the Dean of Teaching and Learning or other instructional administrator.
- For administrative purposes, during the time the class is in session, the instructor and students will be under the supervision of the local school administrators.

Costs (tuition and fees) for on-site courses at the high school will be the responsibility of the student and/or legal guardian. The local school will have the responsibility of collecting the required payments from students and remitting such to the college. Students taking traditional postsecondary classes (either seated or online) that are not arranged through this addendum agreement will pay tuition, fees, etc. like any other enrolling student. Dual enrollment students will follow the standard college dual enrollment agreement.

Instructional Considerations

Mississippi Gulf Coast Community College has complete ownership of all dual credit classes. The school district shall agree to all college requirements needed to maintain college compliance with the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). Such requirements shall include but not be limited to the following:

- MGCCC must vet the qualifications of any instructor, evaluate the instructor, and provide for the professional development of the instructor.
- All dual credit instructors will satisfy all requirements that the college requires of all its instructors to include, but not exclusively, the following:
 - Integrating the Student Learning Outcomes in class.
 - Participating in FERPA and sexual harassment training (provided by MGCCC).
 - Receiving Level I certification training of the college's Learning Management System (provided by MGCCC).
 - Following the Uniform Course of Study (provided by MGCCC).
 - Being evaluated by the students (administered by MGCCC).
 - Attending orientation (provided by MGCCC).
 - Utilizing MGCCC-approved texts, materials, and Learning Management System (i.e., Canvas).
 - Employee Development/Other training as directed by the Dean of Teaching and Learning.
 - If CTE program, participating in the program advisory committee
- The course(s) will adhere to all MGCCC requirements regarding curriculum and student learning outcomes.
- Classes offered at the high school will be subject to minimum and maximum class sizes as determined by the college. The minimum class size does not matter if the high school is paying the instructor. The maximum class size should coincide with MGCCC's established standard.
- The high school may not offer academic courses which combine students enrolled in the college course with students who are only receiving high school credit.
- Instructors will be visited and evaluated in-classroom a minimum of once per year by the Dean of Teaching and Learning or other instructional administrator.
- For administrative purposes, during the time the class is in session, the instructor and students will be under the supervision of the local school administrators.
- The instructional facilities for all courses taught at the high school must meet the MGCCC standard for facilities (documented via MGCCC's OCIS Facility Checklist).
- Students must meet minimum technology requirements to complete courses successfully including a mobile device either to receive an SMS text or the ability to install an authenticator app for Multifactor Authentication (MFA) to access college software

applications.

- In addition to providing the official letter grade of the course for concurrently enrolled students, MGCCC will also provide to the high school the numerical grade as determined by the instructor for courses taught at MGCCC.

You acknowledge that the Order Form and the Standard Terms constitute the entire agreement between the parties and will supersede and replace any provisions in your purchase order or other contracting or purchasing documents that do not exactly mirror these terms. The Agreement will be effective as of the Order Date specified on the Order Form and will be binding when the Order Form has been executed by you. We reserve the right to require your submission of one or more purchase orders in accordance with the terms outlined in your Order Form. Capitalized terms used throughout the Agreement are defined in the Order Form, in section 5.0 (below), and elsewhere in these Standard Terms. This warranty is contingent on your use of the Software in accordance with this Agreement and the applicable Documentation. If we breach this express warranty, and you promptly inform us of such in writing, we will at our expense: (a) modify the affected Software to generally conform with the applicable Documentation, or (b) provide a replacement for the affected Software which generally conforms with that Documentation, or (c) refund you the portion of your license price related to the applicable Software that is attributable to the remaining Subscription Period. 3.0 PROFESSIONAL SERVICES. Professional Services listed on the Order Form will be provided subject to the following terms and conditions:

3.1 Mutual Cooperation. You and we mutually agree to cooperate with each other in a professional and courteous manner in the performance of our respective duties in the delivery of Professional Services.

3.2 Scheduling Changes Caused by You. You agree to notify us at least 5 business days in advance of your intention to reschedule previously confirmed on-site Professional Services sessions. If you do not provide such notice, and we are unable to re-assign the resources scheduled to provide your Professional Services, we reserve the right to charge you a cancellation fee of up to \$750 for each day cancelled without such notice.

3.3 Scheduling Changes Caused by Us. If we are required to reschedule (except for reasons caused in whole or in part by you or that are outside our reasonable control) a previously confirmed on-site Professional Services delivery session, we will use all reasonable efforts to provide you at least 5 business days’ notice. If we do not provide such notice, and you incur reasonable direct, non-refundable expenses which you have made good faith efforts to avoid, we will upon your written request (which must include documentation of these expenses) provide you a credit for such expenses. In no case, however, will the amount of credit exceed \$750.

3.4 Acceptance of Services and Warranty.

3.4.1 Warranty and Acceptance. We warrant that the Professional Services we provide will be performed in a workmanlike manner. If you reasonably determine that the Professional Services have not met this standard, you must provide us written notice specifying any deficiencies in detail within 10 business days after the service delivery. We will then use reasonable commercial efforts to cure any such deficiencies promptly which may include our providing additional Professional Services at our expense. If you do not provide notice of any deficiencies to us within the 10-day period, your acceptance of the Professional Services will be considered

3.4.2 Failure to Cure. If you give us notice under subsection 3.4.1 and we are unable to cure the deficiency within 60 days after your notice, you may terminate the directly affected portions of service and obtain a refund of amounts you have paid for the terminated Professional Services.

4.1.1 Fees. You agree to timely pay all amounts due to us as shown on the Order Form and acknowledge that by submitting a signed Order Form, you are representing to us that the employee or agent signing on your behalf has the requisite authority to bind you to the terms and conditions of the Agreement, including the payment obligations identified on the Order Form. The Receiver will protect the Confidential Information of the Discloser as if it were the Receiver's own Confidential Information, and at a minimum, with reasonable care. This obligation will survive termination of this Agreement for a period of 3 years. You accept and acknowledge that you input the information and data into our Software, including any Student personal information that you deem necessary and that we have no control over such input, that certain third parties may have access to such information and data to assist in enhancing the Software and in facilitating your Users use and access of the Software and that we may retain the data and information that you provide in accordance with our normal retention and destruction practices on certain of our servers, SAN and/or cloud backups.

4.2.3 Compelled Disclosure. If by court order, legal requirement or regulatory authority the Receiver is forced to disclose Confidential Information of the Discloser, the Receiver will (to the extent legally permitted) give the Discloser prompt notice of the order and will provide, at the Discloser's request and cost, reasonable assistance to contest the disclosure.

4.2.4 Remedies. If the Receiver discloses or uses (or threatens to disclose or use) any Confidential Information of the Discloser in breach of this section, the Discloser will have the right, in addition to any other available remedies, to seek injunctive relief to prevent further (or the threatened) disclosure.

Subject to the conditions described below and the provisions of section 4.6, we will defend, indemnify and hold you harmless against any loss, damage or costs (including reasonable attorneys' fees) incurred in connection with claims, demands, suits, or proceedings (collectively called "Claims") made or brought against you by a third party, as follows:

a. For Personal Injury or Property Damage. Our indemnity covers Claims alleging personal injury or property damage to the extent caused by the willful misconduct or gross negligence of our personnel while on your premises.

b. For Infringement. Our indemnity covers Claims alleging that your Users use of the Software in accordance with the terms of this Agreement, or any Materials furnished by us in connection with this Agreement infringes the intellectual property rights of a third party. We will have no indemnification obligations or other liability for any claim of infringement or misappropriation to the extent (a) based on specifications or directions you provided, (b) your use of a superseded or altered version of some or all of the Software or Materials if infringement would have been avoided by the use of a subsequent or unaltered release of the Software or Materials provided to you or (iii) your use occurs in a jurisdiction other than the United States. If the Software becomes, or in our opinion is likely to become, the subject of an infringement claim, we may, at our option and expense, either procure for you the right to continue using the Software;

4.3.2 Your Indemnification of Us. Subject to the conditions described below and section 4.6, and to the extent not prohibited by the laws of the State of Mississippi, you will defend, indemnify and hold us harmless against any loss, damage or costs incurred in connection with Claims made or brought against us by (i) a third party alleging that the Customer Data, your use of the Software in violation of this Agreement, or any materials, data or information provided by you or your representatives either: (a) infringes the intellectual property rights of a third party, or (b) has otherwise harmed a third party, or (ii) anyone who has suffered personal injury or property damage based upon you or your employees, agents or Students or Users negligence or intentional misconduct.

4.3.3 Conditions. These indemnities will be conditioned on the party seeking indemnity: (a) promptly providing the other with a written notice of the Claim; (b) giving the other party sole control of the defense and settlement of the Claim, provided that the other party may not settle any Claim unless the party seeking indemnity is unconditionally released from liability; and (c) at no charge, providing the other party with all reasonable assistance relative to the defense of the Claim.

4.3.4 Exclusive Remedies. Our and your exclusive indemnification responsibilities are stated in this section 4.3.

4.5 Force Majeure. The term "Force Majeure" means circumstances beyond the reasonable control of a party (such as acts of God, government restrictions, wars, insurrections, labor strife, or failure of suppliers, communication or data systems, subcontractors, or carriers) which delay or prevent the party from performing under the terms of this Agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. RE: Edmentum Renewal for 2026-2027

We request the purchase of Edmentum's renewal for the 2026-2027 school year. Jackson County School District teachers have utilized Edmentum since the 2020-2021 school year with much success. The online learning platform is designed to support and enhance educational programs. It provides lessons, interactive activities, assessments and practice exercises that support academic standards. The standards-based assessments provide personalized learning paths prescribed from the initial diagnostic assessment. The data-driven insights track student progress. Edmentum integrates with current JCSD programs like Clever and Google platforms. Our teachers have been previously trained and the renewal would give teachers and students tools they need for intervention, remediation and enrichment. Edmentum can be accessed and utilized both in the classroom or remotely if needed.

Thank you for your consideration of this purchase.

RE: Purchase of renewal of Lexia Core 5 Reading Subscription for grades K-5

Our district would like to purchase the one-year renewal of Lexia Core5 Reading Student Subscriptions. This online program is an adaptive blended learning program that accelerates the development of literacy skills for students of all abilities, helping them make that critical shift from learning to read to reading to learn. Our schools have used this for several years. It utilizes a systematic and structured approach in phonological awareness, phonics, vocabulary, structural analysis, fluency and comprehension. A personalized learning path for students is created through adaptive placement and scaffolded activities. It also is useful because it identifies at-risk students, provides real-time data and offers variability of instructional intensity. There was no cost increase for this renewal. The cost of renewal for 400 licenses is \$16,400.00 for the 2026-2027 school year.

We plan to use District funds to purchase the renewal. Thank you for your consideration of this purchase.

STANDARD CONTRACT ADDENDUM

WHEREAS the Jackson County School District is a political subdivision of the State of Mississippi and as such is restricted from entering into contracts and/or agreements with terms and/or provisions contrary to or prohibited by Mississippi Law.

NOW, therefore, in consideration of the mutual benefit to both parties, the undersigned contracting party, HMH Education Company ("VENDOR"), does hereby agree to the following standard terms, conditions and provisions of the Jackson County School District Standard Contract Addendum, and the same are hereby adopted and incorporated into, and shall apply to the Agreement between the parties relating to Proposal #009594945 (pgs. 1-3) (Date of Proposal 03/19/2026), as follows:

Further, any entity or business which contracts with the Jackson County School District submits to the personal jurisdiction of the courts of Jackson County, Mississippi.

6. No waiver of Warranties: Notwithstanding any provisions to the contrary, any contract provision seeking to limit the Jackson County School District's recovery resulting from the breach of an express warranty or any implied warranty of merchantability or fitness for a particular purpose shall be of no force or effect to the extent it is contrary to Mississippi law, but otherwise fully enforceable.

7. No Waiver of Damages: Notwithstanding any provision to the contrary that may be found in the contract, supplemental terms or terms of use that may be referenced therein, any provision seeking to limit and/or waive the recovery by the Jackson County School District of any type of damages, including but not limited to consequential, special and/or punitive damages shall be of no force and effect except when the damages are caused by the District's negligence, willful misconduct or material breach of this addendum or Agreement, or third parties beyond the control of the Vendor, provided that in an event Vendor is required to indemnify District, Vendor shall be entitled to contribution to the extent of the relative fault, if any, of the District to the extent it is contrary to Mississippi law, but otherwise fully enforceable. addendum shall survive and will apply with respect to any dispute that may exist between the parties.

13. RE: Professional Development/School Counselor Support

March 12, 2026

Dr. Williams:

Enclosed is a proposal for Professional School Counseling Support Services for Professional Development during the 2026-27 school year. Insightful Solutions (IS) will offer support to counselors in both planning and implementing their school counseling programs. The services can be tailored to address the specific needs of counselors as they develop in their roles and expand counseling initiatives. Professional development includes coaching and guidance for counselors in planning, implementation, and service delivery.

These services will be delivered by Dr. Whitehead, an educator with three decades of experience and over 20 years in counseling across various educational settings. Dr. Whitehead has previously served as the School Counseling Program Coordinator at the University of Southern Mississippi, where she led curriculum revisions and developed instructional manuals for adjunct faculty teaching summer courses. In addition, she has served as a teacher, school counselor, and administrator. Her extensive expertise is grounded in academic, professional, and personal experience. Dr. Whitehead is supported by a team of experienced school counselors.

Respectfully,

Ursula Whitehead
Ursula O. Whitehead, Ph. D.

Proposal Outline:**Cost of Services:**

Insightful Solutions will offer consulting and professional development at **\$1450.00 per day for 20 days**. Service dates will be coordinated between district staff and the consultant. If additional days are needed, one to ten more can be arranged by mutual agreement at the same daily rate. Services will mainly be delivered in person, with some Zoom options available. The focus is on developing skills, enhancing programs, and improving student services.

Scope of Experience/Quality of Services:

Insightful Solutions is dedicated to delivering high-quality services to the Jackson County School District. Throughout her career, the consultant has held roles including teacher, counselor, professor, school counseling program coordinator, and administrator. Each position has contributed to a comprehensive understanding of the importance and influence of school counselors on a school's mission. Her professional experience encompasses middle school, high school, and university settings. At the university level, she was responsible for coordinating curriculum, instruction, evaluation, and accreditation reporting. Through her work with preservice counselors, she gained valuable insights into the varying performance levels among new professionals and identified key experiences essential for capacity building. She remains committed to enhancing and supporting the development of effective counselors by emphasizing a model focused on coaching, modeling, and training. This approach strengthens relationships with students and fosters more positive school experiences.

The responsibilities undertaken involve facilitating the transition of new counselors as they begin their roles in districts. The consultant has demonstrated a strong commitment to supporting both counselors and the district, which is central to her current position. The IS framework is designed to provide guidance and support to counselors, underscoring their critical functions within today's schools.

IS has recently collaborated with several school districts to deliver support and professional development for school counselors, administrators, and teachers, with the aim of enhancing emotional support systems. A key focus of these partnerships is to deepen participants' understanding of both theoretical and practical aspects within the field. Feedback from various districts and stakeholders reflects a high degree of satisfaction with the professional services rendered. Additionally, presentations delivered at state conferences have received positive recognition through both verbal and written acknowledgements regarding the quality of these services.

Meeting the District's Needs:

Dr. Whitehead's thirty years of professional experience have culminated in her current role, offering specialized support for Professional School Counselors through Insightful Solutions, LLC. With over two decades of counseling practice, she brings extensive expertise to her consultancy. She is well equipped to address the needs of counselors transitioning into new roles, leveraging her deep understanding and proven skill set. Dr. Whitehead provides guidance on fostering effective professional relationships with administrators, teachers, and students—an essential component of building successful school counseling practices. The unique services offered by Insightful Solutions, LLC, empower today's counselors to advance professionally. Through shadowing opportunities, Dr. Whitehead delivers individualized insights that promote growth, guidance, and enhanced competency development. Her comprehensive academic, professional, and life experiences position her to offer the meaningful support that many counselors seek.

Vendor Relationship:

The consultant has implemented professional practices in various areas of employment during her career, including at JCSD. She continues to focus on maintaining relationships with personnel and students as part of her role. Over her 30-year educational career, she has established working relationships based on respect and trust. The work will be conducted with adherence to professional standards.

Other Relevant Information:

Dr. Whitehead has extensive experience in education and holds several counseling credentials, including National Certified School Counselor, National Certified Counselor, Licensed Professional Counselor, and Licensed Professional Counselor-Supervisor. She regularly delivers educational and professional presentations and consistently meets project requirements at a high standard, as demonstrated by her work on SACs and other credentialing reports. Dr. Whitehead is respected by peers for her quality and excellence.

Furthermore, Dr. Whitehead was recently certified as a coach, trainer, and keynote speaker by the Maxwell Leadership Team. These credentials will serve as valuable assets as she supports the professional and personal development of others.

AFFILIATION AGREEMENT

This AFFILIATION AGREEMENT is made as of 3/25/2026 ("Effective Date"), by and between Level All Inc., 152 West 57th Street, 19th Floor, New York, NY 10019, ("Level All") and Jackson County School District ("Organization").

The parties agree as follows:

1. Scope

- (a) **Platform.** Subject to Organization's ongoing compliance with the terms of this Agreement, Level All grants Organization a non-exclusive, non-sublicensable, non-transferable license during the Term (as defined below) to access and use, and to allow Authorized Users (as defined herein) to access and use, Level All's hosted technology offering described in Exhibit A (the "Platform"), solely for educational purposes and in accordance with the terms of this Agreement. "Authorized User" means any individual authorized by Organization to access and use the Platform, including any student served by Organization (a "Student"), any parent or guardian of a Student (a "Parent"), or any educator, administrator, or counselor employed by, or working as a contractor for, Organization (an "Employee"). Level All shall supply to Organization certain access codes, protocols and/or passwords that will be required for Authorized Users to access the Platform ("Access Protocols"). Organization shall ensure that Authorized User login information is not shared or used by more than one Authorized User at a time. Organization is solely responsible for maintaining the confidentiality of Access Protocols, and Level All will not be liable for any activities undertaken by anyone using Organization's Access Protocols. Organization will immediately notify Level All of any unauthorized use of its Access Protocols or any other breach of security relating to the Platform known by Organization.
- (b) **Services.** Level All shall use commercially reasonable efforts to provide the services, including the provisioning and operation of the Platform described in Exhibit A (the "Services") to Organization in accordance with terms contained herein.
- (c) **Changes.** Level All may modify the features or functionality of, or the content it makes available via, the Platform or Services at any time. Level All shall provide Organization with commercially reasonable advance notice of any deprecation of any material feature, functionality, or content made available as part of the Platform or Services.
- (d) **Student Onboarding.**
 - i. Organization will have two options for granting Students access to the Platform:
 - A. *Sponsor Codes shared with Students.* Under this option, Level All provides Organization with Access Protocols, including ones needed for Employees authorized by Organization to serve as administrative users, who then will be responsible for sharing access codes with Students so that individual Students can register and create their own accounts on the Platform.
 - B. *Pre-populating Student Accounts with Delivery of Welcome Email.* Under this option, Organization is responsible for uploading into the Platform information needed to populate each Student's profile information (e.g., Student's name, email address, grade level, graduation year and name of school counselor) through a "mass importing" feature. This feature supports the mass importing of Student profile information to create Student accounts, enables Organization to generate a welcome email that

includes login information for each Student for which it has uploaded profile information, and enables Organization to automatically send the welcome emails to such Students.

Once a Student is registered and has an account, the Student can invite their Parents to register and create a Parent account. Students and Parents may only register and create an account if they review and accept the then-current version of the Level All [Terms of Use](#) and [Privacy Policy](#) and/or Notice of [Level All's Practices Relating to Children's Online Privacy](#). For Students onboarded under Section 1(d)(i)(B), they will be required to accept the then current version of the Level All [Terms of Use](#) and [Privacy Policy](#) and/or Notice of Level All's Practices Relating to Children's Online Privacy when they first log into the Platform.

- ii. Support and Lesson Plans. Level All will support Organization's onboarding of Students by providing reasonable assistance to those Organization administrators or designated representatives that are responsible for overseeing Organization's use of the Services. As part of this assistance, Level All may make available to Organization and its educators or personnel written guidelines and best practices for educators to work with Students and Parents using the Platform, including via in-person sessions, or video chat sessions. Such guidelines may include lesson plans developed by or on behalf of Level All (the "**Lesson Plans**"), which Organization may use solely in connection with use of the Platform and Services for educational purposes to support Students and Parents as contemplated under this Agreement.

(e) Personal Data and Usage and Performance Data.

- i. Definitions.

- A. "**Personal Data**" means information about a specific individual that is provided, submitted, or otherwise made available to Level All by or on behalf of Organization or any Authorized User in connection with any of the Services that constitutes "personal data", "personal information", "personally identifiable information" or similar term under applicable law.

"**Usage and Performance Data**" means any analytics or similar usage data collected, generated or processed by Level All in connection with Organization's and the Authorized Users' access to and use of the Platform (including technical performance data automatically generated by the Platform), which data does not contain any Personal Data.

- ii. Usage and Performance Data. As part of the Services, Level All collects and tracks Usage and Performance Data to assist with the necessary operation and function of the Platform, to provide reporting to Organization and for internal purposes, including without limitation, to facilitate in the provision of updates, support, and invoicing, by Level All, its affiliates, and its agents, as well as research and development. Such Usage and Performance Data will be owned by Level All and may be used for any lawful purpose, provided Level All will only disclose Usage and Performance Data to third parties, including its subcontractors for the purposes of facilitating the Services, for internal purposes as described in this Agreement, to perform its other obligations and exercise its rights under this Agreement, or as otherwise required by law.

Application Components
JACKSON CO SCHOOL DIST (3000) Public District - FY 2026 - School Improvement, 1003 - Rev 0 - District Level Application
This section of the application has three parts:
Part I: District Application for Section 1003 School Improvement Funds ESSA Section 1003 School Improvement funds are available to school districts with schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI). Districts must submit an application to receive Section 1003 funds. Part I below is the district's application for Section 1003 funds. Part II: Use of Section 1003 School Improvement Funds The State Board Approved methodology for dispersing 1003 funds states that, districts receive \$100,000 for each CSI school. If funds remain after CSI schools have been served, districts will receive \$40,000 for each TSI/ATSI school. If there are not enough funds to serve all schools, priority will be given to CSI schools, then TSI/ATSI schools will receive funding proportionally. Section 1003 funds must be used in identified schools to support evidence-based strategies or interventions that meet strong, moderate, or promising levels of evidence. Part II collects information about how districts plan to use Section 1003 funds in identified schools. Part III: Use of Required Title I, Part A Reservation for CSI, TSI and ATSI Schools (20% of each identified school's Title I, Part A allocation) Under Mississippi's ESSA State Plan approved by the U.S. Department of Education, a Title I school that is identified for CSI, TSI, or ATSI must reserve 20% of its Title I, Part A allocation to implement evidence-based strategies or interventions that meet strong, moderate, or promising levels of evidence and address the issues that caused the identification. Part III collects information about how identified schools will use this Title I, Part A school-level reservation. Note: all CSI, TSI, and ATSI schools that receive Title I, Part A funds must take this reservation whether they receive Section 1003 funds or not.

Checklist

JACKSON CO SCHOOL DIST (3000) Public District - FY 2026 - School Improvement, 1003 - Rev 0 - School Improvement, 1003 Checklist

This checklist is a means of communication between MDE and LEAs regarding the allowability and allocability of the items submitted in the funding application. Please follow the steps below to ensure that the funding application contains items that are in compliance with program requirements.

- After the LEA submits the application, MDE will review the application and mark each section as OK, Not Applicable, or Attention Needed. If the application contains no items that are marked as Attention Needed, the application will be approved.
- If the application contains items that are marked as Attention Needed, the application will be returned to the LEA with a status of not approved. The LEA will review the checklist for items that are marked Attention Needed and make the necessary changes to those items. Only the checked items in the sections marked Attention Needed are to be corrected and/or explained. Each section marked Attention Needed also has a place where MDE may provide notes to explain those items. The LEA should check for notes and additional comments.
- Once the LEA has made the necessary adjustments, the LEA will resubmit the application for approval. If MDE determines that the item has been corrected, Attention Needed will be changed to OK by the MDE Reviewer. If the items that were marked Attention Needed still have not been corrected, the application will be returned again to the LEA with a status of not approved.
- Applications that contain no items that are marked Attention Needed will be approved.

1. **Term.** Subject to the other provisions herein contained, the term of this Lease Agreement shall be for Five Years (5) years, beginning the 1st day of July, 2026, and ending on the 30th day of June, 2031 (called the "primary term"). For purposes of this Lease Agreement the Anniversary Date shall be July 1st of each year.

Provided that this lease has not been terminated prior to the expiration date hereof and that LESSEE is in compliance with all terms and provisions of this lease, LESSEE may extend this lease upon the terms and in the manner provided in MISS. CODE ANN. 1972 §29-3-41 or such other statute as then may be applicable.

2. **Annual Rent.** LESSEE covenants and agrees to pay as rent to LESSOR the sum of Four Thousand Three Hundred Forty and 25/100 (\$4,340.25) per annum, on or before the Anniversary Date of this lease each year; provided, however, that the payment of rent for the first year of this lease shall be due at the time of approval by the LESSOR. The obligation of LESSEE to pay rent under this Lease Agreement is unconditional, and the rent shall not be subject to set off for any reason or cause. LESSOR and LESSEE agree that in the event of termination or cancellation, any rental payment made during the term of this Lease Agreement is not refundable, and LESSEE waives any right or claim it may have to refund of rent paid. In the event LESSEE is delinquent in the payment of rent, LESSEE shall pay a late charge equal to fifteen percent (15%) of the amount of rent past due for more than 30 days and thereafter shall pay interest on any rent past due at an annual rate (the "Default Rate") equal to the maximum rate then allowed by law or, if there is no maximum rate, then a rate equal to five percent per annum above the discount rate, excluding any

In the event it becomes necessary for the County Tax Collector or any other authority responsible for collecting general and special taxes or assessments to retain the services of attorneys to collect any taxes or assessments due from LESSEE under this lease, then LESSEE agrees to pay all costs and expenses of such actions or collections, including a reasonable attorneys' fee for the County Tax Collector or such other authority responsible for collecting said taxes or assessments.

Upon the failure of LESSEE to correct or cure such breach, LESSOR shall have the option to declare this lease in immediate default. No notice to LESSEE is required prior to declaring this lease in default for the failure to pay any rent, tax, or assessment hereunder. LESSOR'S failure to assert any grounds for default shall not be deemed a waiver of the right to do so at any later time.

6. **Remedies.** Upon declaring this lease in default, LESSOR shall have the following rights and may exercise anyone or more of the following remedies in addition to such other rights, remedies, penalties and liens as may be allowed by other provision of this lease, by law or in equity: (a) LESSOR may declare this lease terminated and may then enter upon and take possession of the Leased Premises; LESSOR shall not be obligated to re-let the premises, but any amount received pursuant to any subsequent lease shall be the exclusive property of LESSOR; (b) LESSOR may declare all rent for the remaining term of the lease to be immediately due and payable and LESSEE shall be liable therefor with interest until paid at the highest rate allowed by law; upon failure to pay the same promptly, LESSOR may declare this lease terminated and may collect the accelerated amount of rentals due without credit to LESSEE for any sums received on re-letting; (c) LESSOR may permit this lease to remain in force and may collect rents in intervals or as the same accrue; (d) LESSOR may require specific performance of LESSEE'S obligations with respect to condition of the premises or may hold LESSEE liable for the cost of performing such obligations.

By written notice, either party may change the persons or addresses to whom notice shall be given.

If there are no additional or special provisions then Exhibit "B" shall state "NONE."
25. **Contractual Deposit.** Lessee will also deposit \$450.00, a sum equal to the estimated ad valorem taxes due on the leased premises herein described for one year with the Jackson County School District at the beginning of this Lease Contract in order to cover the ad valorem taxes due the following year after the expiration of the lease and/or said amount may also be used to pay for any delinquent annual rentals. Failure to pay taxes or lease payments as and when due will constitute a default, notwithstanding the use of the deposited funds to pay said taxes or delinquent lease payments. All deposited funds not applied to the payment of delinquent lease fees or taxes will be refunded to the Lessee.

26. **Entire Agreement.** This Lease Agreement shall constitute the entire agreement between the parties. Any prior understanding or representation of any kind preceding the date of this Lease Agreement shall not be binding upon either party except to the extent incorporated in this agreement. Section 16-T4S-R5W containing 621.43 acres (PIN: 00081600.050)

WITNESSETH:

That, for the term and in consideration of the rentals hereinafter set forth, and the covenants, conditions, and obligations to be observed and performed by LESSEE, and by the authority and under the direction of the LESSOR, as recorded in its official Minutes, LESSOR does hereby lease and rent unto LESSEE the following described land (hereinafter the "Leased Premises") to-wit:

Section 16 Township 4 S Range 5 W

**MORE PARTICULARLY DESCRIBED IN EXHIBIT "A" ATTACHED
HERETO AND INCORPORATED BY REFERENCE AS IF COPIED FULLY
HEREIN.**

1. **Term.** Subject to the other provisions herein contained, the term of this Lease Agreement shall be for Five Years (5) years, beginning the 1st day of July, 2026, and ending on the 30th day of June, 2031 (called the "primary term"). For purposes of this Lease Agreement the Anniversary Date shall be July 1st of each year.

Provided that this lease has not been terminated prior to the expiration date hereof and that LESSEE is in compliance with all terms and provisions of this lease, LESSEE may extend this lease upon the terms and in the manner provided in MISS. CODE ANN. 1972 §29-3-41 or such other statute as then may be applicable.

2. **Annual Rent.** LESSEE covenants and agrees to pay as rent to LESSOR the sum of Three Thousand Four Hundred Seventeen and 87/100 (\$3,417.87) per annum, on or before the Anniversary Date of this lease each year; provided, however, that the payment of rent for the first year of this lease shall be due at the time of approval by the LESSOR. The obligation of LESSEE to pay rent under this Lease Agreement is unconditional, and the rent shall not be subject to set off for any reason or cause. LESSOR and LESSEE agree that in the event of termination or cancellation, any rental payment made during the term of this Lease Agreement is not refundable, and LESSEE waives any right or claim it may have to refund of rent paid. In the event LESSEE is delinquent in the payment of rent, LESSEE shall pay a late charge equal to fifteen percent (15%) of the amount of rent past due for more than 30 days and thereafter shall pay interest on any rent past due at an annual rate (the "Default Rate") equal to the maximum rate then allowed by law or, if there is no maximum rate, then a rate equal to five percent per annum above the discount rate, excluding any surcharge thereon, on ninety-day commercial paper in effect at the Federal Reserve

Bank in the Federal Reserve district in which LESSOR is located, calculated according to the actuarial method.

3. **Taxes.** LESSEE covenants and agrees to pay any and all general and special taxes and assessments, including drainage taxes, if ever any there be, applicable to the Leased Premises and LESSEE'S interest therein; further, LESSEE covenants and agrees to pay any and all survey costs and recording fees in connection with this Lease Agreement or any other fees so determined by law. All payments for general and special taxes and assessments, including drainage taxes shall be made directly to the governmental authority responsible for collecting such taxes and assessments. During the final year of the lease term, LESSOR or the governmental authority responsible for collecting taxes and assessments may require payment of any such taxes or assessments in advance or require that other security be given to insure that taxes will be paid when due. In the event it becomes necessary for the County Tax Collector or any other authority responsible for collecting general and special taxes or assessments to retain the services of attorneys to collect any taxes or assessments due from LESSEE under this lease, then LESSEE agrees to pay all costs and expenses of such actions or collections, including a reasonable attorneys' fee for the County Tax Collector or such other authority responsible for collecting said taxes or assessments.

4. **Forest Land Purpose and Lessee's Separate Acknowledgement:** The Leased Premises covered by this Lease Contract is classified as Forest Land as provided by law and that the Lessor holds the same for the purpose of planting, growing, protecting, maintaining, conserving and harvesting therefrom trees, timber, pulpwood and other forest products for the benefit of the students of the school district. The Lessee acknowledges and understands that management of the leased premises is conducted by the school district through an agreement with the Mississippi Forestry Commission and that the Lessee's exercise of any of its rights under this Lease Contract shall in no way impede or hinder the Lessor and/or its agents from carrying out any management practice, tool and/or technique necessary to fully exploit the leased premises as forest land. The Lessor further acknowledges and understands that its rights under this Lease Contract shall be at all times be subordinate to the Lessor's basic and primary rights to manage the leased premises in the manner recommended and carried out by the Forestry Commission, which may include timber harvesting, planting, removal, controlled burning and any other management practice, technique or tool, the execution of which could occur in the winter months during deer season.

Separately acknowledged by Lessee this day.

(Date)

5. **Default.** Any one of the following events shall constitute ground for immediate DEFAULT of this lease, at LESSOR'S option:

- i. Failure to pay rent, or any taxes or assessments within 60 days after the due date thereof;
- ii. Use of the Leased Premises for commercial hunting operation;
- iii. Any breach by LESSEE of any covenant, duty or obligation of this Lease Agreement.

In the event of LESSEE'S breach of any covenant or obligation contained in this lease, excepting the obligation to pay rent, taxes or assessments, LESSEE shall be entitled to notice in writing of the breach and shall have thirty (30) days from the date of the notice to cure or correct such breach. Upon the failure of LESSEE to correct or cure such breach, LESSOR shall have the option to declare this lease in immediate default. No notice to LESSEE is required prior to declaring this lease in default for the failure to pay any rent, tax, or assessment hereunder. LESSOR'S failure to assert any grounds for default shall not be deemed a waiver of the right to do so at any later time.

6. **Remedies.** Upon declaring this lease in default, LESSOR shall have the following rights and may exercise anyone or more of the following remedies in addition to such other rights, remedies, penalties and liens as may be allowed by other provision of this lease, by law or in equity: (a) LESSOR may declare this lease terminated and may then enter upon and take possession of the Leased Premises; LESSOR shall not be obligated to re-let the premises, but any amount received pursuant to any subsequent lease shall be the exclusive property of LESSOR; (b) LESSOR may declare all rent for the remaining term of the lease to be immediately due and payable and LESSEE shall be liable therefor with interest until paid at the highest rate allowed by law; upon failure to pay the same promptly, LESSOR may declare this lease terminated and may collect the accelerated amount of rentals due without credit to LESSEE for any sums received on re-letting; (c) LESSOR may permit this lease to remain in force and may collect rents in intervals or as the same accrue; (d) LESSOR may require specific performance of LESSEE'S obligations with respect to condition of the premises or may hold LESSEE liable for the cost of performing such obligations.

7. **Breach of Lease Agreement.** If LESSEE breaches any of the provisions of this Lease Agreement and fails to cure the same after thirty (30) days written notice from LESSOR (as to a breach for which notice is applicable), then LESSEE, in addition to any other damages for which

it may be responsible, shall pay LESSOR its reasonable costs and expenses in enforcing the Lease Agreement, including but not limited to fees charged by attorneys, expert witnesses, surveyors and appraisers.

8. **Assignment.** This lease SHALL NOT BE ASSIGNED OR SUBLEASED. Assignment or sublease of this Lease Agreement or any rights hereunder shall automatically terminate this lease without any further notice or action by LESSOR.

9. **Notices.** All notices specified by this instrument shall be in writing and sent by registered or certified mail, postage prepaid to the following addresses or hand-delivered in person, delivered by facsimile or otherwise to the following persons. By written notice, either party may change the persons or addresses to whom notice shall be given.

10. **Indemnification.** LESSEE shall protect, indemnify, defend save, and hold harmless LESSOR, the State of Mississippi, and the Secretary of State, their officers, board members, employees and agents, from and against all claims, demands, liabilities, suits, injuries, and any and all losses or damages and cost of every kind and nature whatsoever ("loss"), including but not limited to all court costs and attorney's fees and all personal injury or death and/or damage to any person or entity including, but not limited to, LESSOR and its property or other loss arising out of any alleged noncompliance with laws or caused by LESSEE'S exercise of its rights under this Lease Agreement and/or resulting from the actions or omission of LESSEE in connection with its presence on or any use of the Leased Premises by LESSEE, its officers, agents, subcontractors, employees or invitees. Provided, however, it is understood that the indemnity provided by LESSEE as described in this paragraph shall not extend to intentional or negligent acts of LESSOR, its officers, or agents. In the event the intentional or negligent acts of LESSOR, its officers or agents, are not the direct and sole proximate cause for one hundred percent (100%) of

the loss of claim, LESSEE shall be responsible to fulfill its obligations under this paragraph for the percentage of liability not attributable to LESSOR, its officers or agents.

11. **Condemnation.** If the whole of the Leased Premises, or such portion thereof as will make the Leased Premises unsuitable for LESSEE'S permitted activities, should be condemned for any public use or conveyed under threat of condemnation, then this lease shall terminate on the date possession is acquired by the condemning authority, and rent shall be apportioned as of that date. All compensation awarded or paid upon such total or partial taking of the Leased Premises shall belong to LESSOR without participation by LESSEE except to the extent the award fairly represents the value of improvements which are the property of LESSEE. It is provided, however, that nothing herein shall preclude LESSEE from prosecuting any claim directly against the condemning authority for damages or any other amounts to which a tenant may be entitled provided that no such claim shall diminish or otherwise adversely affect the amount of LESSOR'S award.

12. **General Duties of LESSEE.** LESSEE expressly covenants and agrees:

(a) To use every precaution to protect the aforesaid timber, trees, and forest products from fire or other damage, and to that end, LESSEE will assist and exercise every effort in putting out any fire that may occur on said lands. In the event that any fire shall be willfully or negligently started or allowed to escape on said lands by LESSEE, LESSOR shall have the right immediately to cancel this lease without notice, and any unearned rentals heretofore paid shall be forfeited to LESSOR. (c) To comply, and to require compliance by all persons to whom hunting and/or fishing privileges as aforesaid shall be extended hereunder, with all laws, rules and regulations now existing or hereinafter enacted by any county, state, or federal authority with respect to uses and activities permitted hereunder. Any violation of any such laws, rules or regulations shall constitute a material breach of this lease and shall give LESSOR the right and privilege of canceling this lease, with or without notice, and in such an event any unearned rentals paid hereunder shall be forfeited to

LESSOR as liquidated damages for breach of this agreement. Bag limits and fishing limits and the length of hunting and fishing seasons shall strictly conform to the effective local, state or federal game laws and regulations;

(d) To exercise all reasonable precautions in and about the enjoyment of LESSEE'S rights hereunder with respect to LESSEE'S safety and the safety of others using said privileges under LESSEE'S authority;

(e) Not to construct or install upon said lands any plantings, food plots, roads, bridges, fences, camps, buildings, lodges, shelters, docks, dog pens, piers, landings or other structures, permanent or temporary, without having first obtained in writing the consent of LESSOR thereto;

(j) Not to use, or permit the use of the Leased Premises for any activity deemed extra-hazardous;

(k) Not to use vehicles on any road or any part of the Leased Premises while the soil is wet to the extent that ruts and erosion will result on the road or land from such use;

(l) To maintain the Leased Premises in a neat and orderly manner and refrain from creating or causing any unsafe or unsightly conditions, attractive nuisances or other nuisances;

(m) To strictly comply with all federal, state and local laws and regulations pertaining to the environment including, but not limited to, laws and regulations relating to air, water, soil and toxic or hazardous substances;

- (o) Not to alter or obstruct any drain or drainage way on the Leased Premises;
- (p) To surrender and deliver full, quiet and peaceful possession of the Leased Premises to LESSOR upon expiration or termination of this lease.

13. **Warranties.** This lease is made and accepted (1) without any representation or warranties of any kind on the part of LESSOR as to title or suitability to the purpose for which the same is granted; and (2) expressly subject to any and all existing easements, reservations, rights-of-way, contracts, leases or other encumbrances or servitudes now of record or on the ground affecting the lands herein described, or to any such agreements that may hereafter be granted from time to time to others by LESSOR.

14. **Lease Premises.** LESSEE assumes responsibility for the condition of the premises and LESSOR shall not be liable or responsible for any damages or injuries caused by any vices or defects therein to LESSEE or to any occupant or to anyone in or on said premises who derives his right to be thereon from LESSEE.

15. **Reservations.** LESSOR reserves title to all oil or gas, coal, lignite or other minerals in, on, or under the Leased Premises, together with the right to enter and remove the same, but not in a manner which interferes with LESSEE'S operations on the Leased Premises.

16. **Rights-of-Way.** LESSOR reserves the right to grant or sell rights-of-way across said lands for roads, highways, railroads, fiber optic cables or any public utility line, provided that any such roads, highways, railroads, fiber optic cables or public utility lines be constructed in a manner so as not to interfere with LESSEE'S operations.

17. **Recording.** LESSOR will deliver this Lease Agreement to the Chancery Clerk of Jackson County for recording, and LESSEE has herewith delivered to LESSOR a check in the sum of Thirty-Five Dollars (35.00) payable to such Chancery Clerk as recording fees.

18. **Immunity.** No provision of this Lease Agreement, whether requiring LESSEE to maintain insurance or to indemnify LESSOR or otherwise, shall be construed as a waiver by LESSOR of any provision of law related to governmental immunity.

19. **Interpretation.** The parties to this Lease Agreement acknowledge that they have freely entered into this Lease Agreement and any ambiguities shall not be construed against a single party.
20. **Definition of LESSEE.** It is further stipulated and agreed that wherever the word "LESSEE" is used herein, it is intended, and shall be deemed, to include and shall be binding upon LESSEE'S members, agents, servants, employees, contractees, invitees, licensees, and guests.

Approval of this Lease Agreement by the Secretary of State indicates that the LESSOR has exercised the care and skill of an ordinary prudent person to protect the beneficiaries of the 16th Section Public School Trust Land.
23. **Supervisory Right.** Secretary of State, as supervisory trustee, shall have the right to institute any action to enforce the terms of this Lease Agreement in the event LESSOR fails to do so in a timely manner. In the event the Secretary institutes legal action to enforce the terms of this Lease Agreement he shall have all rights as are conferred to LESSOR.
24. **Additional Provisions.** This Lease Agreement contains an Exhibit "B." Any additional or special provisions to this Lease Agreement are set forth in Exhibit "B" and incorporated by reference as if copied fully herein. If there are no additional or special provisions then Exhibit "B" shall state "NONE."
25. **Contractual Deposit.** Lessee will also deposit \$450.00, a sum equal to the estimated ad valorem taxes due on the leased premises herein described for one year with the Jackson County School District at the beginning of this Lease Contract in order to cover the ad valorem taxes due the following year after the expiration of the lease and/or said amount may also be used to pay for any delinquent annual rentals. Should Lessee fail to pay its annual rental or ad valorem taxes as and when due, these funds may be expended by the 16th Section Trust to pay any taxes on the

lease or any delinquent lease payments. Failure to pay taxes or lease payments as and when due will constitute a default, notwithstanding the use of the deposited funds to pay said taxes or delinquent lease payments. All deposited funds not applied to the payment of delinquent lease fees or taxes will be refunded to the Lessee.

26. **Entire Agreement.** This Lease Agreement shall constitute the entire agreement between the parties. Should the Board for any reason fail to make funds available, or to have sufficient funds available, to make the necessary payments for its purchase of Products hereunder, Board may terminate this Agreement upon sixty (60) days’ prior written notice to Bottler.

3. **Advertising Rights.**

- (a) School hereby grants to Bottler the exclusive right to advertise Beverages and specifically Products (i) at the Campus and (ii) in connection with the School and Campus. No permanent or temporary advertising, signage or trademark visibility for Competitive Products will be displayed or permitted anywhere at the Campus.
- (b) Bottler will have the exclusive right to advertise the Products as the “official” or “exclusive” soft drink, sports drink, water, tea, energy drink and/or juice or juice drink, etc. of the School and Campus.
- (c) School hereby grants to Bottler a royalty-free license, exclusive for Beverages, to use the trademarks, logos and other intellectual property of the School, Teams and Campus (**“School Marks”**) in connection with the promotion of Products. Such promotion may occur in advertising (TV, radio, print, social media and/or other electronic means), packaging, vessels, promotional materials, and point of sale materials for Products and may be in connection with the marks and logos of Bottler’s other Customers.
- (d) Bottler shall be entitled to signage locations as selected by Bottler at the Campus, including but not limited to advertising panels located on any and all scoreboards. School agrees that Bottler’s advertising shall be positioned at all times in such a manner that the advertising message is in no way obscured (electronically or otherwise) and is clearly visible to the general public. The Products shall be prominently listed on any menu boards located at the Campus and all equipment dispensing Products shall be prominently identified with the trademarks/logos corresponding to such Products.
- (e) School further agrees that only Products will be dispensed in Bottler’s equipment and that no other trademarked Beverage-dispensing equipment, coolers or containers will be permitted at the Campus. Provided, however, this provision shall not be construed to limit the personal equipment, coolers, or containers temporarily brought to the Campus by any “away team”, or any guest, visitor, or attendee of a sporting event at the Campus.
- (f) School will not enter into any agreement or relationship whereby any Competitive Products are associated in any manner with School, the Campus, Team, or any of the School Marks in any advertising or promotional activity of any kind.
- (g) School will promote Gulfport Coca- Cola and mention Gulfport Coca-Cola a minimum of Four (4) times during all athletic events.

4. **Product Rights.**

- (a) Except as permitted in Section 5(f) below, the only Beverages (including, but not limited to, in post-mix, bottle/can, and vending) that will be sold, distributed, dispensed, sampled, or served at the Campus at any time or at any event during the Term will be Bottler’s Products. School agrees that School and and/or its Concessionaires, Teams, and booster clubs, shall purchase all Beverages (and cups, lids and carbon dioxide, if applicable) directly from Bottler. Notwithstanding anything in this Agreement to the contrary, no Competitive Products may be sold, dispensed, sampled, served or otherwise made available anywhere at the Campus. All Products purchased by School (or its Concessionaires) are for resale, service, or distribution only on Campus; School agrees not to sell or distribute, directly or indirectly, any Products purchased hereunder outside of the Campus.

- (b) School and Athletic Booster Clubs agree to exclusively offer 20oz packaged Products at all Athletic and School related events where concessions are sold.
 - (c) School hereby grants to Bottler the exclusive Beverage vending rights at the Campus and exclusive rights to provide Unattended Retail Services at the Campus.
 - (d) Products offered at the Campus in compliance with current USDA guidelines shall be available during the regular and extended school day and at all agreed locations at the Campus, except where not permitted by federal or state regulations. The extended day includes, but is not limited to, activities such as clubs, athletic practices, yearbook, band and choir practice, student government, drama, and childcare programs. School represents and warrants that the current federal and state regulations permit the sale of Beverages at the Campus in accordance with applicable guidelines.
 - (e) Nothing in this Section 4 is intended to restrict any visitor, guest, or attendee of the Campus from bringing Competitive Product for their personal consumption. However, such Competitive Products may not be sold or distributed to the general public.
 - (f) **Permitted Exceptions.** Bottler acknowledges and understands that the School's Food Service Department is subject to state, federal and school board policy regarding competitive bidding and nutritional requirements. The School's Food Service Department shall have the right to accept competitive bids for the purchase of Beverages which are served and sold in Campus cafeterias by the Food Service Department during school hours. Nothing in this Agreement shall be interpreted as an agreement by the School to violate competitive bidding or nutritional requirements pursuant to law or school board policy for the purchase of Beverages by the School's Food Service Department. Bottler will have the opportunity to meet or beat any competitive bids for similar Beverages served and sold by the School's Food Service Department in the Campus cafeterias during meal hours considering such factors as pricing, product content, ingredient, equivalency, nutrition, availability, packaging and regulatory compliance. The availability of any Competitive Products on Campus, other than those served and sold by the School's Food Service Department in accordance with its competitive bidding and nutritional requirements, must be agreed to in writing by both parties. School agrees that this provision shall not be read to allow advertising or promotional rights with respect to such Competitive Products except that trademarks for such Competitive Products may be displayed on menu boards or dispensing equipment.
5. **Consideration.** In consideration of the rights and benefits granted to Bottler hereunder, Bottler agrees to provide School with the specific items as set forth in **Exhibit A** (collectively "**Consideration**"). If Bottler has agreed to make any payments for rebates, commissions, or other consideration, Bottler is not obligated to make such payments until the balance due to Customer is at least \$50. After the balance due reaches \$50, the payment will be made on the next regularly scheduled payment date. Bottler may adjust the frequency of such payments if \$50 or more is not earned in any payment period.
6. **Pricing.** School shall be entitled to purchase bottle/can Products in accordance with Bottler's then current trade pricing. Thereafter, prices are subject to change each Agreement Year. Price increases generally occur automatically on January 1st of each Agreement Year. However, in the event of an increase in a component of Bottler's cost of goods, manufacture or delivery, or increases in taxes, deposits and other government related fees, Bottler may further increase prices to cover such increased costs at other times during the Agreement Year; in which case Bottler will provide thirty (30) days' written notice to School prior to such price changes taking effect.
7. **Equipment.** During the Term, Bottler will loan to School, subject to the terms of Bottler's Equipment Placement Addendum ("**EPA**") attached hereto as **Exhibit B**, at no cost, the Beverage dispensing equipment reasonably required and as mutually agreed upon to dispense Products at the Facility ("**Equipment**"). School agrees that Bottler shall have the right to place a mutually agreed upon number of Beverage vending machines, and coolers or other Equipment, determined by Bottler in its discretion, in mutually agreed upon locations at the Campus. Upon thirty (30) days' notice from Bottler, Bottler shall have the right to remove any Equipment, in its discretion, and School shall provide immediate physical access to Bottler for the removal of such Equipment. The Equipment will not include Freestyle equipment. School hereby agrees to the terms of the EPA set forth in **Exhibit B**.

8. **Concessionaire.** In the event School employs a Concessionaire, School will cause Concessionaire to purchase from Bottler all requirements for Beverages (and cups, lids and carbon dioxide, if applicable). Such purchases will be made at prices and on terms set forth in Bottler's existing agreement with Concessionaire, if any. If no agreement exists between Concessionaire and Bottler, such purchases will be made at prices and on terms set forth in this Agreement. Notwithstanding anything herein to the contrary, Account acknowledges that there will be no duplication of allowances, funding or any other benefits (including, but not limited to, pricing, marketing fees, commissions, rebates) from Bottler to Account or Concessionaire under this Agreement or Bottler's existing agreement with Concessionaire, if any. If Bottler is required to pay the Concessionaire funding or to provide Products pursuant to prices under a separate agreement with the Concessionaire, then Account agrees that Bottler may deduct such duplicate funding and lost margin on such lower cost Products paid or sold to Concessionaire from any payment made by Bottler to Account. In the event of a default in any of Concessionaire's obligations owing to Bottler, School will use commercially reasonable efforts to cause Concessionaire to cure default.
9. **Termination.** If any of the following events occur during the Term of this Agreement, a Party may (in addition to any other remedies available) terminate this Agreement immediately upon notice to the other Party: (a) the other Party breaches any of its obligations set forth in this Agreement and fails to cure such breach within 30 days' written notice thereof; (b) any federal, state or local law, rule, regulation or order prohibits, restricts or in any manner interferes with the sale or advertising of Beverages; (c) the other Party files a petition under any bankruptcy law or becomes insolvent or makes any general assignment for benefit of creditors; or (d) the other Party's full right and authority to enter into this Agreement and to grant and convey the rights set forth herein has expired or been revoked. In the event of any termination of this Agreement other than due to Bottler's uncured material breach, School shall (i) provide immediate physical access to Bottler for the removal of any Equipment and Scoreboards, and (ii) pay to Bottler the unearned portion of any Consideration (including the Scoreboard Funding). Further, if either party elects to terminate this Agreement as provided in Section 2 above, School shall (i) provide immediate physical access to Bottler for the removal of any Equipment, and (ii) pay to Bottler the unearned portion of any prepaid fees, funding, or other consideration, including, but not limited to, the consideration described in Section 5 above.
10. **Right to Off-Set and Withhold.** In the event School fails to pay Bottler any invoice due for Products received, transshipment charges or upon any other basis, Bottler shall have the right to deduct the amount of such unpaid invoice, transshipment charge or other charge from any consideration otherwise due from Bottler to School. Bottler shall have the right to withhold and not pay further any amounts which may become payable to School pursuant to this Agreement if: (i) School has failed to perform its obligations hereunder, (ii) Bottler's rights hereunder have been lost, limited or restricted, or (iii) there exists a bona fide dispute between the parties. Nothing in this section shall operate to restrict any of Bottler's other remedies in the event of a material breach by School.
11. **Adjustment.** If (i) any of the rights granted to Bottler herein are materially restricted or limited during the Term, including as a result of a Force Majeure Event (as defined in Section 13), or (ii) if any material component of the Campus is closed or substantially closed to students, other than in connection with regularly scheduled breaks, for a period of thirty (30) consecutive days, or (iii) a Team fails to play all of its scheduled home games on the Campus for a period of more than thirty (30) consecutive days during its scheduled season, or (iv) the School's full-time student enrollment declines by twenty-five percent (25%) over any prior Agreement Year or the standard school year is shortened, or (v) if the volume of Products sold to the School decreases for any reason in any Agreement Year by ten percent (10%) or more over the prior Agreement Year, then in addition to any other remedies available to Bottler, Bottler may elect to adjust any Consideration to fairly reflect the decreased value of rights granted to Bottler hereunder (and School will pay to Bottler a refund of any prepaid amounts in excess of such Consideration, unless the parties agree in writing to deduct such amount from the Consideration due for the following Agreement Year). If any material component of the Campus is closed to students for more than thirty (30) consecutive days, but less than one hundred twenty (120) consecutive days, Bottler may extend the Term for a corresponding period, whether or not such closure is due to a cause beyond the reasonable control of School.
12. **Notices.** Any notice or other communication under this Agreement must be in writing and must be sent by registered mail or by an overnight courier service (such as Federal Express) that provides a confirming receipt. Notice is

considered duly given when it is properly addressed and deposited (postage prepaid) in the mail or delivered to the courier. Unless otherwise designated by the parties, notice must be sent to the addresses on the signature page (as such addresses may be updated from time to time by written notice).

- 13. Force Majeure Event.** The failure of a party to comply with the terms and conditions hereof because of an act of God, strike, labor troubles, war, fire, earthquake, hurricane, tornado, epidemic, act of terror or public enemies, action of federal, state or local governmental authorities, or for any reason beyond the reasonable control of such party ("**Force Majeure Event**"), will not be deemed a breach of this Agreement. Such party will resume full performance of and compliance with the terms and conditions hereof promptly upon removal of any such Force Majeure Event.
- 14. Claims.** In no event will Bottler accept any audits of, or claims of discrepancies or errors in, pricing, rebates, commissions, funding, discounts, or other Consideration provided under this Agreement ("**Claims**") more than forty-five (45) days from the date of invoice, commission report, payment or other applicable documentation. In order to submit a Claim, School shall provide Bottler a detailed, written request specifying the particular price, commission, funding, product, amount in dispute and reason for dispute, along with a true copy of the original invoice, commission report, payment receipt or other applicable documentation. Bottler will review each Claim in good faith and provide responses to each Claim submitted in accordance with this Section. Bottler will work directly with the School to resolve any Claims or audit issues but will not interact with third-party auditors or contractors. Any audits requested by School shall take place during normal business hours and shall be conducted at Bottler's place of business.
- 15. Complete Agreement.** This Agreement and its exhibits contain the entire agreement between the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral. In the event of a conflict between the provisions of this Agreement and a provision in any other document including any "click through" or other online terms and conditions referenced in any such documents or in a website (collectively, "**Supplemental Terms**"), the provisions of this Agreement shall control. No Supplemental Terms shall modify, amend or supplement the terms of this Agreement, even if such Supplemental Terms are accepted or acknowledged by a party after the execution of this Agreement.
- 16. Confidentiality.** Subject to applicable law, during the Term, and for a one (1) year period thereafter, the parties shall keep the terms of this Agreement confidential.
- 17. Method of Payment.** All payments to and from Bottler under this Agreement will be made by ACH or other mutually agreed electronic payment method.
- 18. Miscellaneous.** This Agreement and any dispute arising out of or relating to this Agreement shall be governed by and construed in accordance with the laws of the State of Mississippi, without reference to its conflict of law rules. Each of the parties hereto agrees that it will, in its performance of its obligations hereunder, fully comply with all applicable laws, regulations and ordinances of all relevant authorities and shall obtain all licenses, registrations or other approvals required in order to fully perform its obligations hereunder. If any portion of this Agreement is severed, that is, held indefinite, invalid, or otherwise unenforceable, the rest of this Agreement continues in full force. But if the severance of a provision affects a party's rights, the severance does not deprive that party of its available remedies, including the right to terminate this Agreement. School shall not obtain, by this Agreement, any right, title or interest in the trademarks of The Coca-Cola Company or Bottler, nor shall this Agreement give School the right to use, refer to, or incorporate in marketing or other materials the name, logos, trademarks or copyrights of Bottler or The Coca-Cola Company. **EACH PARTY, TO THE EXTENT PERMITTED BY LAW, KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ITS RIGHTS TO A TRIAL BY JURY IN ANY ACTION OR OTHER LEGAL PROCEEDING ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT AND THE TRANSACTIONS IT CONTEMPLATES. THIS WAIVER APPLIES TO ANY ACTION OR LEGAL PROCEEDING, WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE.** School may not assign this Agreement without the prior written consent of the Bottler. All amendments to or waivers of this Agreement must be in writing signed by all the parties. Bottler's delay or failure to exercise any of its rights hereunder will not operate as a waiver thereof. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original and all of which shall constitute one Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

EXHIBIT A
CONSIDERATION

1. **Annual Marketing Fees.** Beginning in Agreement Year 2, Bottler agrees to pay School Three Thousand Dollars (\$3,000) each Agreement Year of the Term (the “**Annual Marketing Fees**”). The first installment shall be payable within sixty (60) days after the date this Agreement is fully executed, and subsequent installments shall be due on or about the anniversary date of the Effective Date in each Agreement Year remaining in the Term. The Annual Marketing Fees shall be deemed earned pro rata on a daily basis over the Agreement Year for which they are paid.
2. **Commissions.** Bottler agrees to pay School a monthly commission in the amount of Twenty-five Percent (25%) on all Products sold through Bottler’s full service vending. All taxes, deposits, recycling fees, other handling fees, communication charges and credit and debit card fees, if any, may be deducted from funds collected before calculating commissions. Commissions shall not be payable on any sales from vending machines not filled and serviced exclusively by Bottler. Bottler may adjust the vend prices and/or commission rates to recover its costs, including cost of goods, to implement cash discounts, or as it otherwise deems necessary or desirable, in its sole discretion. Commissions will be paid each month following the month in which they are earned, with an accounting of all sales and monies in a form reasonably satisfactory to the School and shall become immediate property of School.
3. **Rebates.** Bottler agrees to pay School rebates in the amounts of Three Dollars (\$3.00) for each converted case of Product purchased and paid for by School for sale at the Facility (the “**Rebates**”). The Rebates shall be paid quarterly, in arrears, within sixty (60) days after the end of each applicable period in which the Rebates were earned and will be based on Bottler’s case sales records. Rebates shall not be earned on sales of Products through Bottler’s full-service vending machines or truckload fundraisers. As used herein, a “converted case” is measured by 24-count. Regardless of the case configurations in which Products are sold, they are translated to the converted case equivalent for purposes of calculating Rebates.
4. **Scoreboard Marketing Funds.** Bottler agrees to provide School with scoreboard funding on the terms and conditions set forth herein.
 - (a) Bottler shall pay to School a total of Thirty-four Thousand Dollars (\$34,000) (“**Scoreboard Marketing Funds**”) for the cost of purchasing scoreboard(s) to be installed at the Campus at School’s expense (the “**Scoreboard(s)**”). Such Scoreboard Funding shall be payable within thirty (30) days after this Agreement is fully executed and will be earned pro rata on a daily basis over the entire Term.
 - (b) Exclusive and continuous advertising rights during the Term are a material inducement to Bottler to provide the Scoreboard Marketing Funds. Therefore, throughout the Term, Bottler shall be entitled to premiere and exclusive Beverage advertising rights on the Scoreboard(s), and School will not grant advertising rights on the Scoreboard with respect to any Competitive Products.
 - (c) Throughout the Term, School shall operate and maintain the Scoreboard(s) in good condition and repair at School’s expense and allow access by Bottler’s personnel to change the promotional message on the Scoreboard(s), such changes to be in Bottler’s sole discretion and at Bottler’s expense and subject to School approval of content, not to be unreasonably withheld.
 - (d) School shall pay all costs of operating the Scoreboard(s) including, but not limited to, all [maintenance,] utility charges and lamp replacement.
 - (e) To the extent permitted by the laws of Mississippi, School shall indemnify, defend, and hold Bottler and Bottler’s officers, agents, employees, directors, shareholders, affiliates, successors, and assigns harmless from all losses, damages, claims, suits, proceedings, damages and liabilities of any nature, and all costs and expenses, including reasonable attorneys’ fees, resulting from any and all claims, demands, or rights of action that may be asserted at any time against Bottler which are caused by or result from School’s possession, use, or operation of the Scoreboard(s).
 - (f) School shall maintain the following insurance:

- a. All risk property insurance in an amount equal to the replacement cost of the Scoreboard(s), and general liability insurance in the amount of \$2,000,000 per occurrence, including contractual liability for this Agreement and name the Bottler as additional insured, or the maximum insurance coverages for property damage and personal injury which are permitted by law. Certificates of Insurance confirming the existence of such coverages shall be provided to Bottler annually and School will provide Bottler with thirty (30) days' prior written notice of cancelation, non-renewal or material change of such insurance.
- (g) The Scoreboard(s) shall be the property of the School. During the Term and upon expiration or termination of this Agreement, School shall retain ownership of the Scoreboard(s). School shall pay all taxes, permit and license fees associated with the installation, use and ownership of the Scoreboard(s). School shall not sell or otherwise convey the Scoreboard during the Term without Bottler's prior written consent.
- (h) For the duration of the Term, School grants a first priority security interest in the Scoreboard(s) to Bottler to secure the School's performance of its obligations hereunder, including the potential repayment of the Scoreboard Marketing Funds, in addition to all other rights which Bottler may have by law. School authorizes Bottler to file any financing statement describing the Scoreboard(s) in any location deemed necessary and appropriate by Bottler to perfect its security interest.
- (i) If this Agreement is terminated for any reason prior to the expiration date of the Term, or if the Scoreboard is damaged and not fully repaired or replaced, the parties agree that Bottler will suffer School shall pay to Bottler a full refund the Scoreboard Marketing Funds.
5. **Powerade Sideline Support.** Each Agreement Year, Bottler agrees to make available to School Powerade sideline support, such as ten-gallon coolers, cups, squeeze bottles and carriers or other items, with an aggregate estimated retail value of One Thousand Five Hundred Dollars (\$1,500), as determined in good faith by Bottler ("**Powerade Sideline Support**"). Such Powerade Sideline Support will be provided to School upon reasonable advance request. School must request available Powerade Sideline Support during the course of each Agreement Year. If School does not request all available Powerade Sideline Support by the end of each Agreement Year, then any Powerade Sideline Support remaining at the end of each Agreement Year shall be forfeited by School and retained by Bottler with no further obligation. School understands and acknowledges that it will not receive cash in lieu of Powerade Sideline Support.
6. **In-Kind Marketing Fund.** Each Agreement Year, Bottler agrees to make available to School in-kind marketing support for mutually-agreed marketing activities, such as menu boards, banners or other items, with an aggregate estimated retail value of up to One Thousand Five Hundred Dollars (\$1,500), as determined in good faith by Bottler ("**In-Kind Marketing Fund**"). If the entire In-Kind Marketing Fund is not used within the Agreement Year for which it is budgeted, the In-Kind Marketing Fund remaining at the end of the Agreement Year shall be forfeited by School and retained by Bottler with no further obligation. School understands and acknowledges that it will not receive cash in lieu of In-Kind Marketing Funds.
7. **Complimentary Product.** Each Agreement Year, Bottler agrees to make available to School up to Thirty (30) standard physical cases of complimentary Products of Bottler's choosing with an aggregate estimated retail value of One Thousand Five Hundred Dollars (\$1,500), as determined in good faith by Bottler. Such complimentary Products will be provided to School upon reasonable advance request. School must request all available complimentary Products during the course of each Agreement Year. Complimentary Products will only be delivered within the same Agreement Year in which they are requested. If School does not request all available complimentary Products by the end of each Agreement Year, then any complimentary Products remaining at the end of each Agreement Year shall be forfeited by School and retained by Bottler with no further obligation. Complimentary Products are not to be resold. School understands and acknowledges that it will not receive cash in lieu of Complimentary Product.
8. **Fundraisers.** School will participate in Two (2) Coca-Cola truckload fundraiser sales selling a minimum of Six Hundred (600) cases each Agreement Year. School's participation in any truckload fundraiser sales shall be subject to the terms and conditions set forth in **Exhibit C** hereto.

9. Event Trailers.

- (a) In connection with this Agreement, School may have the opportunity to use a trailer supplied by Bottler for concession sales of Products at School events ("**Event Trailer**"). Bottler shall not be liable to School for any claims based on or arising out of injury to person or property in any way relating to School's use of an Event Trailer, except such claims as might arise solely out of Bottler's gross negligence or willful misconduct. In no event and under no circumstances shall Bottler be liable to School for any claims based upon or arising out of lost profits or prospective profits, loss of Product, or consequential, special or incidental damages in any way relating to School's use of an Event Trailer.
- (b) To the extent permitted by the laws of Mississippi, School shall indemnify, defend and hold Bottler, its parent companies and each of their respective officers, agents, employees, directors, shareholders, affiliates, successors, and assigns harmless from all losses, damages, claims, suits, proceedings, and liabilities of whatever nature, and all resulting costs and expenses, including reasonable attorneys' fees, arising from or related to any bodily injury or death of any person or damage to real or personal property caused by any act or omission of School, its personnel or agents in connection with School's use of an Event Trailer.

EXHIBIT B
EQUIPMENT PLACEMENT ADDENDUM

During the Term of the Agreement, Bottler may provide to School Equipment (as defined below), subject to the terms of this Equipment Placement Addendum ("EPA"). The terms of this EPA shall apply to each piece of Equipment commencing on its date of installation at any School Location ("Commencement Date"). THE TERMS OF THIS EPA WILL CONTINUE IN EFFECT WITH RESPECT TO EACH PIECE OF EQUIPMENT UNTIL THE EQUIPMENT HAS BEEN RETURNED TO BOTTLER AND WILL SURVIVE THE EXPIRATION OR TERMINATION OF ANY AGREEMENT INTO WHICH THIS EXHIBIT IS INCORPORATED. Any term capitalized, and not otherwise defined herein, shall have the meaning given in the Agreement.

1. Installation and Use Restrictions. Bottler may, from time to time, deliver and install **Equipment** (which term encompasses all equipment provided by Bottler at any time, including, without limitation, vending machines, coolers, fountain equipment, racks and/or any replacement parts, replacements, additions or accessories) reasonably required and as mutually agreed upon to dispense the Bottler's Products. School shall use the Equipment only at the particular location to which such Equipment is actually delivered unless otherwise agreed by Bottler. At all times during the term of this Agreement, School shall maintain records of the location of all Equipment and promptly provide copies of such records to Bottler upon request. The Agreement and this EPA, in addition to any additional documents and/or records by and/or between the parties describing the Equipment and the location(s) where such Equipment is placed, shall be maintained by Bottler and shall constitute the official book of record pertaining to the Equipment. School hereby agrees that: (i) no logo, trademark, advertisement, or other indication of Bottler's ownership of the Equipment shall be obstructed, defaced, or removed, and no other logo, trademark, or advertisement shall be attached to the Equipment; (ii) the Equipment shall not be obstructed, moved, or removed without the prior written consent of Bottler; (iii) the Equipment shall not be sold, reassigned, loaned, leased, or rented to any other party except as authorized by Bottler; in which case, School shall remain fully responsible for the Equipment as per the terms of this Agreement; (iv) no racks, merchandise, or any other objects shall be placed on top of or attached to the Equipment unless expressly authorized by Bottler; and (v) School will not attach the Equipment, or allow the Equipment to be attached, in such a manner as to become part of the realty as a fixture or otherwise, and that the Equipment will be maintained so that it may be easily removed without damage to buildings or realty.
2. Operation. In consideration of the provision of the Equipment by the Bottler to School pursuant to the Agreement, School agrees to purchase from Bottler and store in, or sell through, the Equipment only products supplied by Bottler or an authorized Bottler-approved distributor. In Bottler's sole discretion, a review of School's product purchase volume and Equipment usage may justify ongoing Equipment placement or Equipment removal. Removal of any piece of Equipment will not affect the term of any agreement between the parties, and this EPA shall survive with respect to any Equipment remaining in School's possession.
 - a. If Bottler is providing full-service vending, School agrees to permit Bottler to place the vending Equipment on School's premises. Bottler shall stock such vending Equipment and shall collect all vending proceeds from the sale of beverages. If Bottler has agreed to pay School a commission on sales through the Equipment, all taxes, deposits, recycling fees, other handling fees, communication charges and credit and debit card fees, if any, may be deducted from funds collected before calculating any commissions due to School.
 - b. Bottler hereby loans the Equipment to School; however, during the term of this Agreement, Bottler reserves the right, upon prior notice to School, to lease or rent the Equipment to the School and, upon commencement of the lease or rental program, School agrees to pay a monthly rental/lease amount. Bottler may change the rental/lease rate charged under this Agreement by sending notice of such change to School at its present address. School may terminate this Agreement as set forth herein if it objects to such change.
 - c. If the Equipment includes a fountain beverage dispenser, School agrees to permit Bottler to install the fountain Equipment on School's premises. School agrees such fountain Equipment will be used only for the purpose of dispensing fountain beverage products of The Coca-Cola Company ("**Company**"), such as Coca-Cola® classic (or Coke®), diet Coke® and Sprite®, and other fountain products distributed by Bottler with the understanding that no product of PepsiCo, Inc. or of an affiliate thereof may be dispensed. School further agrees not to dispense any product whose pungency could affect the normal taste or quality of the Company's fountain beverage products.
3. Ownership. Bottler is and, at all times, shall remain, the exclusive owner of the Equipment. School shall protect Bottler's title and keep the Equipment free from all claims, liens, and encumbrances arising from the actions or inactions of School. School's obligation under this paragraph remains until such time as Bottler or Bottler's designee picks up the Equipment. School authorizes Bottler to execute and file any additional instruments in all jurisdictions where it deems it necessary to perfect and maintain Bottler's interest in the Equipment. Bottler shall have the right, during School's regular business hours, to inspect the Equipment at School's premises or wherever the Equipment may be located and to review all records that reasonably relate to the Equipment upon reasonable notice to School. School shall promptly notify Bottler of all details arising out of any alleged encumbrances thereon or any accident allegedly resulting from the use or operation thereof.
4. Service and Repair. School shall take reasonable care of the Equipment. Bottler agrees to provide reasonable service and repair for the Equipment during the term hereof. School shall allow Bottler to enter its premises for the purpose of inspection or performance of such service and repair, or necessary replacement or return or removal of the Equipment. In the event additional service and repair is requested by School or reasonably necessary as a result of School's negligence or willful misconduct, Bottler may bill School its standard rate per service call. All service and repair calls must be exclusively handled or authorized by Bottler. School's sole recourse against Bottler with

respect to service and repair provided by Bottler or its agents to the Equipment is that Bottler will correct any defective workmanship at no additional charge to School, provided that Bottler is given prompt notification of any defective workmanship. School shall promptly notify Bottler of any Equipment malfunction and take reasonable steps to mitigate any risk of injury to person or property arising from such malfunction. For example, if a piece of Equipment is not cooling properly, School will unplug that piece of Equipment until it is repaired or replaced by Bottler.

5. Disclaimer of Warranties; Liability and Costs. School acknowledges that Bottler is not the manufacturer of the Equipment. BOTTLER MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND AND EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES AS TO THE FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, DESIGN, CONSTRUCTION, CONDITION, SPECIFICATIONS, OR PERFORMANCE OF THE EQUIPMENT. School accepts no warranties and expressly waives any implied warranties as to the fitness for a particular purpose, merchantability, design, construction, condition, specification, or performance of the Equipment. Except to the extent attributable to the gross negligence or willful misconduct of Bottler, School hereby assumes liability for any and all damage to (normal wear and tear excepted), or loss of, the Equipment from the time the Equipment is delivered to School until returned to or removed and accepted by Bottler. School assumes responsibility to report any damage to, or loss of, Equipment to Bottler immediately. To the extent any payment is due from Bottler to School under the Agreement or otherwise, Bottler may deduct from such payment the cost of repair or replacement of Equipment due to damages for which School is responsible hereunder. All taxes, licenses, charges, or other fees which may be imposed on School's sales of products through the Equipment or in connection with this Agreement by any taxing authority, shall be borne by School.
6. Exculpation. **CUSTOMER ACKNOWLEDGES THAT INSTALLATION, USE, OR OPERATION OF EQUIPMENT CARRIES INHERENT RISKS INCLUDING BUT NOT LIMITED TO FLOODING AND DAMAGE TO FIXTURES AND OTHER PROPERTY.** Bottler shall not be liable to School for any claims based on or arising out of injury to person or property in any way relating to the installation, use, repair, or operation of the Equipment, except such claims as might arise solely out of Bottler's gross negligence or willful misconduct. In no event and under no circumstances shall Bottler be liable to School for any claims based upon or arising out of lost profits or prospective profits, loss of product, or consequential, special or incidental damages in any way relating to the installation, use, repair, or operation of the Equipment. School represents and warrants that plumbing and electrical service on the property is proper and adequate for the installation and use of the Equipment, and School will not use extension cords or other electrical connections not expressly approved by Bottler. Notwithstanding anything herein to the contrary, the provisions of this section will survive termination of the Agreement.
7. Termination or Expiration. Upon termination or expiration of the Agreement, School shall promptly return all Equipment to Bottler.
8. Remedies. In the event of School's breach of this EPA, Bottler shall have the immediate right to exercise any one or more of the following remedies: (w) to terminate the Agreement; (x) to declare the entire amount of any rent immediately due and payable, without notice to or demand of School; (y) to take possession of any or all of the Equipment without demand or notice wherever the same may be located, without any court order or other process of law; or (z) to pursue any other remedy at law or in equity. If the Equipment is not made accessible by School, then School shall pay all costs and expenses relating to the removal of the Equipment, including reasonable attorneys' fees incurred by Bottler in enforcing its rights hereunder by litigation or otherwise. If this EPA is terminated with respect to any piece of Equipment for any reason prior to one year from the commencement date hereof, then School shall pay Bottler all costs and expenses for installation, removal and refurbishment of the Equipment. All rights and remedies provided herein may be exercised exclusively, concurrently, or cumulatively with any other right or remedy hereunder, or as otherwise provided by law.
9. Casters (if applicable). If School requests, at any time during the term of the Agreement, that Bottler provide the Equipment equipped with casters, the following provisions shall apply. School represents and warrants that the Equipment is required by a governmental authority pursuant to applicable health, safety, sanitary or other applicable codes or ordinances, or the School desires the Equipment to be equipped with casters to permit the efficient and thorough cleaning of the Equipment and surrounding areas. School recognizes and acknowledges that the casters provided on the Equipment are not designed or intended to allow for the movement of the Equipment beyond the minimal distances required for cleaning of the immediate area and are not designed for movement from room to room or other similar distances. School agrees that it shall not, and shall not permit its employees, agents, or subcontractors to use the casters to move the Equipment beyond the short distances necessary to adequately clean and maintain the Equipment and immediately surrounding areas. School agrees not to otherwise move or displace the Equipment from the area in which it was placed by Bottler. Any violation of this section by School shall constitute a breach of this EPA.
10. Miscellaneous. To the extent that any of the terms of this EPA conflict with the terms set forth in any other agreement between the parties (and the effect of such conflict diminishes the rights of Bottler under this EPA), the terms of this EPA will control; provided further that removal of any Equipment will not affect the terms of any other agreement between the parties.

EXHIBIT C
FUNDRAISER TERMS AND CONDITIONS

During the Term of this Agreement, School may have the opportunity to conduct truckload fundraiser sales (each, a **"Fundraiser"**) from time to time in which School will promote the sale of Bottler's Products to interested groups and individuals that may order Products for in-person delivery. The pricing and selection of Products, location, and date of each Fundraiser shall be mutually agreed upon by School and Bottler. These terms and conditions shall apply to any and all Fundraisers conducted by School.

All proceeds from Fundraiser sales shall be remitted to Bottler. Bottler shall apply the proceeds to satisfy in full all (i) Bottler's costs for the Products delivered through the Fundraiser, (ii) applicable sales taxes, and (iii) Bottler's administrative costs associated with the Fundraiser (collectively, **"Fundraiser Costs"**). In the event of any chargebacks, refunds, or cancellations, the amount of the reversed charge and any resulting payment network fees incurred by Bottler shall be deducted from the Fundraiser proceeds. If the Fundraiser proceeds collected are insufficient to satisfy the Fundraiser Costs, School agrees to pay the deficiency amount to Bottler.

For each Fundraiser, Bottler's administrative costs are generally estimated to include (a) 4% of gross proceeds for payment card and gateway fees (plus actual fee amounts for any cancelled orders), and (b) a flat fee of \$0.50 per order for use of the Fundraiser's e-commerce website. School may obtain the specific administrative cost estimates for its Fundraiser from Bottler.

After satisfying the Fundraiser Costs, Bottler will remit all remaining proceeds from the Fundraiser to School (**"Proceeds"**). Should any chargebacks, refunds, or cancellations occur after Bottler has delivered the Proceeds to School, School agrees to pay Bottler the amount of the reversed charge and any resulting payment network fees incurred by Bottler.

Unless otherwise agreed in writing by both parties, School authorizes and directs Bottler to make the Proceeds payable to the School's name set forth in the Agreement and to deliver the Proceeds School. School releases and forever discharges the Indemnified Parties (defined below) from any and all claims arising from the Proceed recipient's use, misuse, or possession of the Proceeds. Bottler shall not be liable to School for any claims based upon or arising out of lost profits or prospective profits, loss of Products, or consequential, special, or incidental damages in any way relating to a Fundraiser.

School facilities may be used for school-sponsored educational, social, or extra-curricular functions. It shall be the responsibility of the Superintendent to establish, maintain, and modify rules governing the use of the facilities, to provide for the protection of property, and to provide for the safety, welfare and health of persons using school properties. Copies of the rules shall be furnished to all groups authorized to use the school facilities. These rules are incorporated as part of the School Board Policies.

Fees and conditions for facilities usage shall be set by the Superintendent. Fees set shall include funds necessary to pay for the principal, or designee, other staff members, food, and supplies necessary for the activity being conducted.

MISSISSIPPI STATE UNIVERSITY

STANDARD CONTRACT ADDENDUM

Notwithstanding any term or condition to the contrary contained within any contract wherein Mississippi State University ("MSU") is a party, or in any quotation, voucher or purchase order which this Addendum accompanies or to which it is attached ("Contract"), MSU does not waive any rights, benefits or prohibitions that may be provided under any law, statute, regulation, or policy. Any and all terms or conditions to the contrary in any Contract to which MSU is a party are hereby null, void and deleted. This Addendum shall be deemed incorporated into the Contract and the following terms and conditions shall take precedence over all other terms and conditions:

1. Governing Law/Venue. The contract is governed and controlled by the laws of the State of Mississippi. All suits, claims, cases, controversies, actions, disputes, complaints and/or orders related to, arising from, in connection with, or to construe or enforce the Contract shall be governed by the laws of the State of Mississippi, without regard to its conflicts of law principles. The courts of Oktibbeha County, Mississippi shall be the sole and exclusive jurisdiction and venue for any civil action related to this Contract, and the Contractor irrevocably consents to jurisdiction in said courts and waives any argument that such courts are not a convenient forum for such litigation. Any provision which purports to establish venue outside the State of Mississippi is deleted.
2. Equal Opportunity. During the performance of any contract with MSU, the Contractor agrees to comply with and be bound by applicable provisions of the Civil Rights Act of 1964 (as amended), the Rehabilitation Act of 1973 (as amended), the Veterans Readjustment Act of 1972 (as amended) and all applicable Regulations and Executive Orders enacted pursuant to such laws, including without limitation Executive Orders 11246, 11701, 11625, and 11758.
3. Availability of Funds. The continuance of the Contract with MSU is based upon the availability of funds. Therefore, this contract can be cancelled by MSU with thirty (30) days' notice to the Contractor at the end of the fiscal period in the event funds are not appropriated by the funding authority. In such event, any property covered by a lease shall be returned to the lessor.
4. Tax-Exempt Status. The Contractor is liable for all taxes arising from, related to, or in connection with the Contract or the performance of the contract. Pursuant to Mississippi law, MSU is exempt from state sales and use tax. Likewise, MSU will not pay excise, personal property, real property, income, value added, or any other similar taxes. If the Contractor is liable for such taxes, the Contractor shall take such into consideration in pricing. It is the Contractor's responsibility to contact the local taxing authority in the state and county where equipment will be located to determine possible tax liabilities in connection with the Contract.
5. Attorneys and Collection Fees. Any references to payment of attorney or collection fees by MSU are deleted.
6. Indemnification. Any references to MSU indemnifying, defending or holding harmless the Contractor or any other party are deleted.
7. Time Limitations. Any provision limiting the timeframe upon which MSU can bring a claim or suit is deleted.
8. Disclaimer of Warranties. MSU does not waive, disclaim or exclude any warranties of any non-MSU party, including without limitation, any non-MSU party's warranties of merchantability or fitness for a particular use or any common law warranties to which MSU is entitled.
9. Waiver of Claims, Remedies or Damages. MSU does not waive any claim or cause of action (present, past or future). MSU does not waive any type or category of remedies or damages.
10. Limitation of Liability/Damages. MSU does not limit the liability of a non-MSU party for negligence, or for intentional or reckless torts. MSU does not limit the liability of any non-MSU party to the amount of the contract or to any other set amount.
11. Liquidated Damages. Any reference to payment of liquidated damages by MSU are deleted.
12. Immunities. MSU does not waive its sovereign immunity or its Constitutional Eleventh Amendment immunity.
13. MSU Liability. MSU shall only be responsible for liability resulting from the actions/inactions of its officers, agents, and employees acting within the course and scope of their official duties with Mississippi State University to the degree and within the parameters required under §§ 11-46-1, *et seq.*, Mississippi Code Annotated of 1972.
14. Policies. Provisions of the contract that provide for actions or results that are inconsistent with or in violation of the policies of MSU or the Mississippi Board of Trustees of State Institutions of Higher Learning are deleted.
15. Control of Litigation. Any provision giving the Contractor exclusive control over litigation is deleted.
16. Insurance. MSU is self-insured under the Mississippi Tort Claims Act. Any provision of the Contract which requires MSU to purchase any form of insurance is deleted. Any provision of the Contract which requires MSU to name a non-MSU party as an additional insured is deleted.
17. Arbitration. MSU does not agree to submit to arbitration or mediation.
18. Unauthorized Payments. MSU does not agree to pay extra compensation, fees, or allowances after service has been rendered or a contract has been made, or for any payment not authorized by law.
19. Payment by MSU. MSU will make payments for all amounts owed pursuant to the Contract no later than forty-five (45) days after receipt of an invoice and receipt, inspection and approval of the Contractor's goods or services. Any provision that requires MSU to pay Contractor any late charges, fees or penalties is governed by Section 31-7-305, Mississippi Code of 1972 (as amended). Any provision that requires MSU to pay a deposit is deleted.
20. Term. The term of the Contract shall be for the term stated in the Contract itself. In the event no term is stated in the Contract, the Contract shall expire five (5) years from the date of the Contract. Any reference to an automatic renewal of the term of the Contract is deleted. All renewals shall be in writing and agreed to by the parties.
21. Breach of Contract. In the event either party materially breaches the contract, the non-breaching party may terminate the contract upon thirty (30) days written notice to the breaching party. Such termination shall not prejudice the non-breaching party's right to pursue any and all other legal or equitable remedies available to it.
22. Assignment/Third Party Beneficiary. Neither party may assign its rights or delegate its duties under the Contract without the prior written consent of the other party, which shall not be unreasonably withheld. Any purported assignment of rights in violation of this provision is void. The Contract does not and is not intended to confer any rights or remedies upon any persons other than the parties to the Contract.
23. Public Records/Transparency. MSU is subject to the Mississippi Public Records Act, Mississippi Code of 1972 (as amended) Section 25-61-1, *et seq.* and the Mississippi Accountability and Transparency Act of 2008,

Mississippi Code of 1972 (as amended) Section 27-104-151, et seq. All payments made by MSU will be posted on a public website. The information posted will include the date of payment, Contractor name, Contractor's city and state, and the payment amount. The release of any such information supersedes any applicable non-disclosure or confidentiality obligation of MSU.

24. **MSU Employment.** Any provision penalizing MSU for hiring an employee of Contractor is deleted.
25. **Publicity/Trademarks.** Contractor may not publicize the fact of the Contract, publicize MSU's relationship with the Contractor as its customer, include MSU on a customer list; or use MSU as a referral source without MSU's prior written consent. Contractor shall submit, for MSU's review and approval, all press releases or any other publicity materials mentioning MSU by name, and Contractor shall not publish such without MSU's prior written approval, which may be withheld at MSU's sole discretion. Contractor shall not use MSU's trademarks, service marks, logos, symbols, designs, or other marks without prior written approval of the MSU Office of Trademark and Licensing.
26. **Governmental Entity.** The Contractor recognizes and acknowledges that MSU, as a political subdivision of the State of Mississippi, enters into this contract only to the extent authorized by Mississippi law, including the opinions of the Attorney General of Mississippi. Any provision to the contract that is not authorized by or is inconsistent with Mississippi law, including the opinions of the Mississippi Attorney General, are invalid and deleted.
27. **Contracting Authority.** Contractor acknowledges that the individual executing the Contract on behalf of MSU is doing so in his/her official capacity only. To the extent any provision contained in the Contract exceeds such authority, Contractor agrees that it will not look to the individual in his/her personal capacity or otherwise seek to hold the individual personally liable for exceeding such authority.
28. **Employment Protection Act.** Contractor represents and warrants that it will ensure compliance with the Mississippi Employment Protection Act, Section 71-11-1, et seq. of the Mississippi Code Annotated (Supp. 2008), and shall register and participate in the status verification system for all newly hired employees. As used in this paragraph, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor shall maintain records of such compliance and, upon request of the State and approval of the Social Security Administration or Department of Homeland Security, where required, to provide a copy of each such verification to the State. Any person assigned by a Contractor to perform services for MSU shall meet the employment eligibility requirements of all immigration laws of the State of Mississippi. Any breach of these warranties may subject Contractor to the following: (a) termination of this Contract and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Contractor may also be liable for any additional costs incurred by MSU or the State due to contract cancellation or loss of license or permit.
29. **FERPA.** To the extent applicable, the Contractor shall protect and maintain all records, information and data collected pursuant to the Contract in accordance with applicable state and federal laws and regulation, including without limitation, the Family Education Rights and Privacy Act, 20 U.S.C. § 1232g ("FERPA"). Specifically and without limiting the generality of the foregoing, the Contractor shall protect and maintain any and all "Education Records" of MSU students consistent with applicable FERPA regulations and shall fully cooperate with MSU in any request for such information. Any provision of the Contract that conflicts with this paragraph is deleted.

30. **Force Majeure.** Neither party shall be considered to have breached this Agreement and both parties shall be fully relieved of their obligations under this Agreement (except for those obligation under this paragraph) in the event either party is unable, despite the exercise of reasonable diligence and not as a result of negligence or fault of the party, to perform its obligation under this Agreement due to the following: an Act of God, war, invasion, terrorism, strike, riot, civil unrest, a national, state or local emergency, a U.S. Department of State Travel Warning, epidemic or pandemic, flood, fire, tornado, earthquake, hurricane, tropical storm, tsunami, snow or ice storm, any other natural disaster or threat of natural disaster that reasonably and detrimentally impacts the safety of a party or its representatives, or any other events beyond the reasonable control of the parties making it impossible to perform under this Agreement ("Force Majeure Occurrence"). Notice of a Force Majeure Occurrence shall be given to the other party immediately upon a reasonable, diligent and good faith determination by either party that it is unable to perform due to a Force Majeure Event. To the extent any deposit has been made by a party, such deposit shall be returned in full within 30 days of notice of a Force Majeure Occurrence. Without limiting the generality of the foregoing, if either party makes a reasonable, diligent and good faith determination that it is unsafe for the party or its representatives to perform the party's obligations under this Agreement due to the COVID-19 pandemic, the party may give notice of such Force Majeure Event to the other party in accordance with this Force Majeure paragraph.
 31. **Entire Agreement.** The parties acknowledge that the contract, including this Addendum, sets forth the entire agreement and understanding of the parties as to the subject matter(s) including therein.
 32. **Modification.** The contract may only be modified by a written amendment authorized and executed by all parties to the contract. No oral statements shall modify or otherwise affect the terms, conditions or specification of the contract.
 33. **Information Security.** To the extent applicable, Contractor shall be responsible for establishing and maintaining an information security program that is designed to (i) ensure the security and confidentiality of data transmitted by MSU to the Contractor or data otherwise obtained by Contractor from or about MSU ("MSU Data"), (ii) protect against any anticipated threats or hazards to the security or integrity of MSU Data, and (iii) protect against unauthorized access to or use of MSU Data that could result in substantial harm or inconvenience to MSU or any of its stakeholders. Contractor shall establish, employ and at all times maintain physical, technical and administrative security safeguards and procedures sufficient to prevent any unauthorized processing of and/or use, access, alteration, disclosure, erasure, copying, exhibition, transmission, or destruction of MSU Data while such information is in Contractor's possession or control and will ensure that such information is not processed in other ways contradictory to privacy and/or data protection laws. Contractor will maintain sufficient procedures to detect and respond to security breaches involving MSU Data and will inform MSU immediately when it suspects or learns of malicious activity involving MSU Data, including an estimate of the activity's effect on MSU and the corrective action taken. Such procedures shall include, but not be limited to, logging of all access to confidential or sensitive data, use of firewalls for all external data connections, and timely implementation of updates and patches.
- At a minimum, Contractor's safeguards for the protection of MSU Data shall include: (i) limiting access to MSU Data to authorized personnel of Contractor and utilizing policies that promote the least internal access; (ii) securing business facilities, data centers, paper files, servers, back-up systems (at a strategically located off-site location) and computing equipment, including, but not limited to, all mobile devices and other equipment with information storage capability; (iii) implementing network, device application, database and platform security; (iv) securing information transmission, storage and disposal; (v) implementing authentication (two-factor or more secure method) and access controls within media, applications, operating systems and equipment; (vi) encrypting (with AES-256 bit or better encryption) MSU data stored on any mobile media; (vii) encrypting MSU Data transmitted over public or wireless networks;

Contractor must obtain the written approval of MSU before subcontracting any portion of this Agreement. All subcontracts shall incorporate the terms of this Agreement so as to require subcontractors to meet or exceed the Contractor's security obligations, including all data security requirements.

MISSISSIPPI STATE UNIVERSITY STANDARD CONTRACT ADDENDUM SPECIAL TERMS APPLICABLE TO SOFTWARE ONLY:

34. **Software License.** Notwithstanding anything contained in the Contract to the contrary, Contractor grants to MSU a perpetual, royalty-free, irrevocable license to use for MSU's internal business only any software which may be installed in the equipment and/or other software provided by Contractor and any associated Documentation (as defined below) provided by Contractor to MSU. MSU may permit its employees, agents, affiliates and independent contractors to use the software and any associated Documentation.
35. **Software Warranty.** Notwithstanding anything contained in the Contract to the contrary, Contractor warrants that (i) the licensed software will perform substantially in accordance with the applicable Documentation (as defined herein) or as represented or warranted by the Contractor, (ii) it has not inserted any Disabling Code (as defined herein) into the licensed software and (iii) it will use reasonable commercial efforts consistent with industry standards to scan for and remove any software viruses before installation of the equipment purchase hereunder. The Contractor warrants that it has the right to license or sublicense the Software to MSU for the purposes and subject to the terms and conditions set forth herein. As used in this warranty statement, (i) "Disabling Code" means computer code that is designed to delete, interfere with, or disable the normal operation of the purchased product; provided, however, that code included in the licensed software that prevents use outside of the license scope purchased for the software will not be deemed to be Disabling Code and (ii) "Documentation" means the Contractor user manuals, on-line help functions, technical specifications and user instructions regarding the operation, installation and use of the software as made available by Contractor to MSU.
36. **Infringement.** (A) Contractor represents that it has full right to sell or license to MSU the software, the products or the use thereof, and that all such software or products are delivered free of any liens, encumbrances or rightful claim for any infringement of any United States copyright, patent, trade secret or trademark. The Contractor further warrants that the licensed software or product will not infringe any patent, copyright, trade secret or trademark. The Contractor agrees to indemnify and hold MSU harmless from any and all third party claims or infringement relating to MSU's use of the products sold hereunder, including but not limited to paying all defense costs and attorney's fees, and any judgements. (B) If the use of any element of the licensed software is enjoined as a result of any claim arising out of a breach of the warranty, the Contractor will, at its option and expense, either secure for MSU the right to continue to use the allegedly infringing product, or to replace or modify the product so that it is no longer infringing, provided the product continues to materially perform the same function(s) as originally desired by MSU and otherwise conforms to the warranty hereunder. In the event Contractor fails to do either of the foregoing, the Contractor shall refund to MSU the full purchase price of all products purchase hereunder.
37. **Data Extraction.** Within ninety (90) days of the termination of the Contract, the Contractor agrees to allow MSU to migrate any stored MSU data from Contractor's software. Upon expiration or earlier termination of the Contract, the Contractor agrees that MSU may elect to have the Contractor migrate the data to a MSU computer at no cost to MSU, or for the Contractor to provide the data to MSU in another form which is acceptable to MSU at no cost to MSU.
