11.D.3. Update 121

## (LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.
- Additions are in a blue, bold font: **new text**.
- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes moved text.
- Revision bars appear in the right margin to show sections with changes.

---

**Note:** While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes make formatting changes appear tracked, even though the text remains the same.

---

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.

### **Accessibility**

If you have difficulty accessing the information in this document because of disability, please contact:

[tmrobinson@westwoodisd.net](mailto:tmrobinson@westwoodisd.net)  
(903) 729-1776

### **Purpose**

The Student Code of Conduct (“Code of Conduct”), as required by Chapter 37 of the Texas Education Code, provides methods and options for managing student behavior, preventing and intervening in student discipline problems, and imposing discipline.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences, including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Code of Conduct has been adopted by the Westwood ISD board of trustees and developed with the advice of the district-level planning and decision-making committee. It provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. This Code of Conduct remains in effect during summer school and at all school-related events and activities outside the school year until the board adopts an updated version for the next school year.

In accordance with state law, the Code of Conduct shall be posted at each school campus or shall be available for review at the campus principal’s office. Additionally, the Code of Conduct shall be available at the campus behavior coordinator’s office and posted on the district’s website. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Code of Conduct is adopted by the district’s board of trustees, it has the force of policy. In the event of a conflict between the Code of Conduct and the Student Handbook, the Code of Conduct shall prevail.

**Please note:** The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

## **School District Authority and Jurisdiction**

School rules and the district's authority to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

1. During the regular school day;
2. While the student is traveling on district transportation;
3. During lunch periods in which a student is allowed to leave campus;
4. At any school-related activity, regardless of time or location;
5. For any school-related misconduct, regardless of time or location;
6. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
7. When a student engages in cyberbullying, as defined by Education Code 37.0832;
8. When criminal mischief is committed on or off school property or at a school-related event;
9. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;

## **Campus Behavior Coordinator**

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator (CBC). The designated person may be the principal or any other campus administrator selected by the principal. The CBC is primarily responsible for maintaining student discipline. The district shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as CBC. Contact information may be found at [www.westwoodisd.net](http://www.westwoodisd.net) and at <https://www.westwoodisd.net/parents/student-code-of-conduct>.

## **Threat Assessment and Safe and Supportive School Team**

The CBC or other appropriate administrator will work closely with the campus threat assessment and safe and supportive school team to implement the district's threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code of Conduct.

## **Searches**

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district's policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.

## *School District Authority and Jurisdiction*

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district.

Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

### **Reporting Crimes**

The principal or CBC and other school administrators as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

### **Security Personnel**

The board utilizes district police officers to ensure the security and protection of students, staff, and property. In accordance with law, the board has coordinated with the CBC and other district employees to ensure appropriate law enforcement duties are assigned to these persons. Provisions addressing the various types of security personnel can be found in the CKE policy series.

The law enforcement duties of district police officers are

- Creating and maintaining safe, secure and orderly learning environments for students, teachers and staff.
- Establish a trusting channel of communication with the students, parents, and teachers.
- Serve as a positive role model to instill in student's good moral standards, good judgement and discretion, respect for other students, and a sincere concern for the school community.
- Promote citizen awareness of the law to enable students to become better informed and effective citizens, while empowering students with the knowledge of law enforcement efforts and obligations regarding enforcement as well as consequences for violations of the law.

### **“Parent” Defined**

Throughout the Code of Conduct and related discipline policies, the term “parent” includes a parent, legal guardian, or other person having lawful control of the child.

### **Participating in Graduation Activities**

The district has the right to limit a student’s participation in graduation activities for violating the district’s Code of Conduct.

Participation might include a speaking role, as established by district policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered eligible, a student shall not have engaged in any misconduct that resulted in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

The valedictorian and salutatorian may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct that resulted in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

**Unauthorized Persons**

In accordance with Education Code 37.105, a school administrator, SRO, or district police officer shall have the authority to refuse entry to or eject a person from district property if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting and persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from district property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate. However, the timelines for the district's grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 calendar days, unless the complaint is resolved before a board hearing.

See **DAEP—Restrictions During Placement** on page 22 for information regarding a student assigned to DAEP at the time of graduation.

The district may impose campus or classroom rules in addition to those found in the Code of Conduct. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code of Conduct.

### **Discipline Management Techniques**

Discipline shall be designed to improve conduct and encourage students to be responsible members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including restorative practices. Discipline shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

### **Students with Disabilities**

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Code of Conduct. In the event of any conflict, the district shall comply with federal law. For more information regarding discipline of students with disabilities, see policy FOF(LEGAL).

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see **glossary**) until an Admission, Review, and Dismissal (ARD) committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

### **Techniques**

The following discipline management techniques may be used alone, in combination, or as part of progressive interventions for behavior prohibited by the Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.

- Sending the student to the office, another assigned area, or to in-school suspension (ISS).
- Assignment of school duties, such as cleaning or picking up litter.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in student organizations' extracurricular standards of behavior.
- Restriction or revocation of district transportation privileges.
- School-assessed and school-administered probation.
- Corporal punishment, unless the student's parent or guardian has provided a signed statement prohibiting its use.

- Other strategies and consequences as determined by school officials.

### **Prohibited Aversive Techniques**

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain. Aversive techniques include:

- Using techniques designed or likely to cause physical pain, other than corporal punishment as permitted by district policy. [See policy FO(LOCAL).]
- Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
- Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student's face.
- Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
- Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
- Employing a device, material, or object that immobilizes all four of a student's extremities, including prone or supine floor restraint.
- Impairing the student's breathing, including applying pressure to the student's torso or neck or placing something in, on, or over the student's mouth or nose or covering the student's face.

## *Discipline Management Techniques*

- Restricting the student's circulation.
- Securing the student to a stationary object while the student is standing or sitting.
- Inhibiting, reducing, or hindering the student's ability to communicate.
- Using chemical restraints.
- Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student using physical barriers.
- Depriving the student of one or more of the student's senses, unless the technique does not cause the student discomfort or complies with the student's IEP or behavior intervention plan (BIP).

### **Notification**

The CBC shall promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The CBC shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code.

A good-faith effort shall be made to provide written notice of the disciplinary action to the student, on the day the action was taken, for delivery to the student's parent. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the CBC shall send written notification by U.S. Mail. If the CBC is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under age 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

### **Appeals**

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus administration, or CBC, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal's office, the CBC's office, or the central administration office or through Policy Online® at the following address: [www.westwoodisd.net](http://www.westwoodisd.net)

The district shall not delay a disciplinary consequence while a student or parent pursues a grievance. In the instance of a student who is accused of conduct that meets the definition of sexual harassment as defined by Title IX, the district will comply with applicable federal law, including the Title IX formal complaint process. See policies FFH(LEGAL) and (LOCAL).

## **Removal from the School Bus**

A bus driver may refer a student to the principal's office or the CBC's office to maintain effective discipline on the bus. The principal or CBC must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

To transport students safely, the vehicle operator must focus on driving and not be distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal or the CBC may restrict or revoke a student's transportation privileges, in accordance with law.

### **Removal from the Regular Educational Setting**

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

#### **Routine Referral**

A routine referral occurs when a teacher sends a student to the CBC's office as a discipline management technique. The CBC shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for behavior that violates this Code of Conduct to maintain effective discipline in the classroom.

#### **Formal Removal**

A teacher may initiate a formal removal from class if:

1. A student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach the class or with other students' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the CBC or appropriate administrator shall schedule a conference with the student's parent, the student, the teacher who removed the student from class, and any other appropriate administrator.

At the conference, the CBC or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the CBC or other administrator may place the student in:

- Another appropriate classroom.
- ISS.
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

#### **Returning a Student to the Classroom**

A student who has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, or aggravated sexual assault may not be returned to the teacher's class without the teacher's consent.

A student who has been formally removed by a teacher for any other conduct may be returned to the teacher's class without the teacher's consent if the placement review committee determines that the teacher's class is the best or only alternative available.

## **Out-of-School Suspension**

### **Misconduct**

Students may be suspended for behavior listed in the Code of Conduct as a general conduct violation, DAEP offense, or expellable offense.

The district shall not use out-of-school suspension for students in grade 2 or below unless the conduct meets the requirements established in law.

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code sections 46.02 or 46.05;
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

### **Process**

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the CBC or appropriate administrator, who shall inform the student of the alleged misconduct and give the student an opportunity to respond to the allegation before the administrator makes a decision.

The CBC shall determine the number of days of a student's suspension, not to exceed three school days.

In deciding whether to order out-of-school suspension, the CBC shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

**Coursework During Suspension**

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn't require the use of the internet.

A student removed from the regular classroom to ISS or another setting, other than a DAEP, will have an opportunity before the beginning of the next school year to complete each course the student was enrolled in at the time of removal. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.

## *Disciplinary Alternative Education Program (DAEP) Placement*

### **Disciplinary Alternative Education Program (DAEP) Placement**

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 6 and secondary classification shall be grades 7–12.

Summer programs provided by the district shall serve students assigned to a DAEP in conjunction with other students.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the CBC shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

### **Discretionary Placement: Misconduct That May Result in DAEP Placement**

A student may be placed in a DAEP for the following conduct violations:

#### **Misconduct Identified in State Law**

In accordance with state law, a student **may** be placed in a DAEP for any of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or of a student who is 18 years of age or older without the student's consent.
- Involvement in a public school fraternity, sorority, or secret society, or gang including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See **glossary**.)
- Involvement in criminal street gang activity. (See **glossary**.)
- Any criminal mischief, including a felony.
- Assault (no bodily injury) with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.

## *Disciplinary Alternative Education Program (DAEP) Placement*

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see **glossary**) that the student engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses in Title 5 (see **glossary**) of the Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The CBC **may** place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

### **Mandatory Placement: Misconduct That Requires DAEP Placement**

A student **must** be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See **glossary**.)
- Commits the following offenses on school property, within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
  - Engages in conduct punishable as a felony.
  - Commits an assault (see **glossary**) under Penal Code 22.01(a)(1).
  - Sells, gives, or delivers to another person or possesses, uses, or is under the influence of a controlled substance or dangerous drug in an amount not constituting a felony offense. (School-related felony drug offenses are addressed in **Expulsion** on page 28.) (See **glossary** for "under the influence", "controlled substance," and "dangerous drug.")
  - Sells, gives, or delivers to another person or possesses, uses, or is under the influence of marijuana or THC. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision.
  - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol.
  - Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
  - Sells, gives, or delivers to another person or possesses or uses an e-cigarette.
  - Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure. (See **glossary**.)
  - Engages in conduct that contains the elements of an offense of harassment against an employee under Penal Code 42.07(a)(1), (2), (3), or (7).
- Engages in expellable conduct and is six to nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in **Expulsion** on page 28.)

## *Disciplinary Alternative Education Program (DAEP) Placement*

- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see **glossary**) of the Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
  1. The student receives deferred prosecution (see **glossary**),
  2. A court or jury finds that the student has engaged in delinquent conduct (see **glossary**), or
  3. The superintendent or designee has a reasonable belief (see **glossary**) that the student engaged in the conduct.

### **Sexual Assault and Campus Assignments**

A student shall be transferred to another campus if:

- The student has been convicted of continuous sexual abuse of a young child or disabled individual or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus; and
- The victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus.

If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

### **Process**

Removals to a DAEP shall be made by the CBC.

### **Conference**

When a student is removed from class for a DAEP offense, the CBC or appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and, in the case of a teacher removal, the teacher.

At the conference, the CBC or appropriate administrator shall provide the student:

- Information, orally or in writing, of the reasons for the removal;
- An explanation of the basis for the removal; and
- An opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

### **Consideration of Mitigating Factors**

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the CBC shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,

## *Disciplinary Alternative Education Program (DAEP) Placement*

5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

### **Placement Order**

After the conference, if the student is placed in a DAEP, the CBC shall write a placement order. A copy of the DAEP placement order and information for the parent or person standing in parental relation to the student regarding the process for requesting a full individual and initial evaluation of the student for purposes of special education services shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in a DAEP and the length of placement is inconsistent with the guidelines included in this Code of Conduct, the placement order shall give notice of the inconsistency.

### **DAEP at Capacity**

If a DAEP is at capacity at the time the CBC is deciding placement for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical, the student shall be placed in ISS then transferred to a DAEP for the remainder of the period if space becomes available before the expiration of the period of the placement.

If a DAEP is at capacity at the time the CBC is deciding placement for a student who engaged in violent conduct, a student placed in a DAEP for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical may be placed in ISS to make a position in the DAEP available for the student who engaged in violent conduct. If a position becomes available in a DAEP before the expiration of the period of the placement for the student removed, the student shall be returned to a DAEP for the remainder of the period.

### **Coursework Notice**

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete, at no cost to the student, a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation. The notice shall include information regarding all methods available for completing the coursework.

### **Length of Placement**

The CBC shall determine the duration of a student's placement in a DAEP.

The duration of a student's placement shall be determined case by case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year, except as provided below.

Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student's DAEP placement order.

## *Disciplinary Alternative Education Program (DAEP) Placement*

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

### **Exceeds One Year**

Placement in a DAEP may exceed one year when a review by the district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

### **Exceeds School Year**

Students who are in a DAEP placement at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the CBC or the board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see **glossary**) that violates the district's Code of Conduct.

### **Exceeds 60 Days**

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

### **Appeals**

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student's placement in a DAEP should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the principal's office, the CBC's office, the central administration office, or through Policy Online<sup>®</sup> at the following address: [www.westwoodisd.net](http://www.westwoodisd.net)

Appeals shall begin at Level One with the campus principal.

The district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

### **Restrictions During Placement**

State law prohibits a student placed in a DAEP for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities.

## *Disciplinary Alternative Education Program (DAEP) Placement*

A student placed in a DAEP shall not be provided transportation unless he or she is a student with a disability who is entitled to transportation in accordance with the student's IEP or Section 504 plan.

For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the last day of placement in the program shall be the last instructional day, and the student shall be allowed to participate in the graduation ceremony and related graduation activities unless otherwise specified in the DAEP placement order.

### **Placement Review**

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the CBC or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

### **Additional Misconduct**

If during the term of placement in a DAEP the student engages in additional misconduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the CBC may enter an additional disciplinary order as a result of those proceedings.

### **Notice of Criminal Proceedings**

When a student is placed in a DAEP for certain offenses, the office of the prosecuting attorney shall notify the district if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence, and no formal proceedings, deferred adjudication (see **glossary**), or deferred prosecution will be initiated, or
2. The court or jury found a student not guilty or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or

## *Disciplinary Alternative Education Program (DAEP) Placement*

designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

### **Withdrawal During Process**

When a student violates the district's Code of Conduct in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the CBC may complete the proceedings and issue a placement order. If the student then re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the CBC or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

### **Newly Enrolled Students**

The district shall continue the DAEP placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district including a district in another state.

When a student enrolls in the district with a DAEP placement from a district in another state, the district has the right to place the student in DAEP to the same extent as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

State law requires the district to reduce a placement imposed by a district in another state that exceeds one year so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

### **Emergency Placement Procedure**

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

### **Transition Services**

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. See policy FOCA(LEGAL) for more information.

### **Placement and/or Expulsion for Certain Offenses**

This section includes two categories of offenses for which the Education Code provides unique procedures and specific consequences.

#### **Registered Sex Offenders**

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the district must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the student shall be placed in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the student may be placed in DAEP or JJAEP for one semester or placed in a regular classroom. The student may not be placed in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

#### **Review Committee**

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

#### **Newly Enrolled Students**

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

#### **Appeal**

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

#### **Certain Felonies**

Regardless of whether DAEP placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP or JJAEP if the board or CBC makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (see **glossary**) of the Penal Code. The student must have:

## *Placement and/or Expulsion for Certain Offenses*

- Received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

### **Hearing and Required Findings**

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

### **Length of Placement**

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

### **Placement Review**

A student placed in a DAEP or JJAEP under this section is entitled to a review of his or her status, including academic status, by the CBC or board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall have the opportunity to present arguments for the student's return to the regular classroom or campus.

## *Placement and/or Expulsion for Certain Offenses*

### **Newly Enrolled Students**

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

## Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the CBC shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

### Discretionary Expulsion: Misconduct That May Result in Expulsion

Some of the following types of misconduct may result in mandatory placement in a DAEP, whether or not a student is expelled. (See **DAEP Placement** on page 17.)

#### Any Location

A student **may** be expelled for:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of any amount of marijuana, a controlled substance, or a dangerous drug, A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (See **glossary** for “under the influence.”)
- Selling, giving, or delivering another person, or possessing, using, or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol.
- Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.
- Engaging in conduct that contains the elements of assault under Penal Code 22.01(a)(1) against an employee or a volunteer.
- Engaging in deadly conduct. (See **glossary**.)

**Within 300 Feet of School**

A student **may** be expelled for engaging in the following conduct while within 300 feet of school property, as measured from any point on the school's real property boundary line:

- Possession of a firearm, as defined by federal law. (See **glossary**.)

**Property of Another District**

A student **may** be expelled for committing any offense that is a state-mandated expellable offense if the offense is committed on the property of another district in Texas or while the

student is attending a school-sponsored or school-related activity of a school in another district in Texas.

**While in a DAEP**

A student may be expelled for engaging in documented serious misbehavior that violates the district's Code of Conduct, despite documented behavioral interventions while placed in a DAEP. For purposes of discretionary expulsion from a DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;
3. Conduct that constitutes coercion, as defined by Penal Code 1.07; or
4. Conduct that constitutes the offense of:
  - a. Public lewdness under Penal Code 21.07;

  - d. Hazing under Education Code 37.152; or
  - e. Harassment under Penal Code 42.07(a)(1) of a student or district employee.

**Mandatory Expulsion: Misconduct That Requires Expulsion**

A student **must** be expelled under federal or state law for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

**Under Federal Law**

- Bringing to school or possessing at school, including any setting that is under the district's control or supervision for the purpose of a school activity, a firearm, as defined by federal law. (See **glossary**.)

**Note:** Mandatory expulsion under the federal Gun Free Schools Act does not apply to a firearm that is lawfully stored inside a locked vehicle or to firearms used in activities approved and authorized by the district when the district has adopted appropriate safeguards to ensure student safety.

**Under the Penal Code**

- Unlawfully carrying on or about the student's person the following, in the manner prohibited by Penal Code 46.02:
  - A handgun, defined by state law as any firearm designed, made, or adapted to be used with one hand. (See **glossary**.) *Note:* A student may not be expelled solely on the basis of the student's use, exhibition, or possession of a firearm that occurs at an approved target range facility that is not located on a school campus; while participating in or preparing for a school-sponsored, shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department; or a shooting sports sanctioning organization working with the department. [See policy FNCG(LEGAL).]

- Engaging in retaliation against a school employee or volunteer combined with one of the above-listed mandatory expulsion offenses.

### Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

### Process

If a student is believed to have committed an expellable offense, the CBC or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parent shall be invited in writing to attend the hearing.

Until a hearing can be held, the CBC or other administrator may place the student in:

- Another appropriate classroom.
- ISS.
- Out-of-school suspension.
- DAEP.

### Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,

2. An opportunity to testify and to present evidence and witnesses in the student's defense, and
3. An opportunity to question the witnesses called by the district at the hearing.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees delegates to the Superintendent or Superintendent's designee authority to conduct hearings and expel students.

### **Board Review of Expulsion**

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall consider and base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

### **Expulsion Order**

Before ordering the expulsion, the board or CBC shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

If the student is expelled, the board or its designee shall deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the Superintendent or Superintendent's designee shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Code of Conduct, the expulsion order shall give notice of the inconsistency.

### **Length of Expulsion**

The length of an expulsion shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year, except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

### **Withdrawal During Process**

When a student's conduct requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the CBC or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

### **Additional Misconduct**

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the CBC or the board may issue an additional disciplinary order as a result of those proceedings.

### **Restrictions During Expulsion**

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

### **Newly Enrolled Students**

The district shall continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of the expulsion is completed.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

### **Emergency Expulsion Procedures**

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

### **DAEP Placement of Expelled Students**

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

### **Transition Services**

In accordance with law and district procedures, campus staff shall provide transition services for a student returning to the regular classroom from placement in an alternative education program, including a DAEP or JJAEP. See policies FOCA(LEGAL) and FODA(LEGAL) for more information.

#### Propósito

El Código de Conducta Estudiantil (“Código de Conducta”), como lo requiere el Capítulo 37 del Código de Educación de Texas, provee métodos y opciones para manejar la conducta de los estudiantes, prevenir e intervenir en los problemas de disciplina de los estudiantes e imponer disciplina.

La ley exige que el distrito defina la mala conducta que pueda, o deba, dar como resultado consecuencias disciplinarias específicas, incluida la remoción de un salón de clase regular o de la escuela, suspensión fuera de la escuela, asignación a un programa disciplinario de educación alternativa (DAEP), asignación en un programa de educación alternativa de la justicia juvenil (JJAEP), o expulsión de la escuela.

Este Código de Conducta ha sido adoptado por la junta escolar de Westwood ISD y desarrollado con el asesoramiento del comité de planificación y toma de decisiones a nivel del distrito. Provee información a padres y estudiantes referente a las normas de conducta, consecuencias de la mala conducta y procedimientos para administrar disciplina. Este Código de Conducta continúa en efecto durante la escuela de verano y en todos los eventos y actividades relacionados con la escuela fuera del año escolar hasta que la junta adopte una versión actualizada para el siguiente año escolar.

En conformidad con la ley estatal, el Código de Conducta se publicará en cada campus escolar o estará disponible para revisión en la oficina del director de la escuela. Adicionalmente, el Código de Conducta estará disponible en la oficina del coordinador de conducta del campus y se publicará en el sitio web del distrito. Bajo el Capítulo 37 del Código de Educación, se notificará a los padres sobre cualquier infracción de conducta que pueda dar como resultado la suspensión de un estudiante, asignación a un DAEP o JJAEP, expulsión o arresto por un oficial de la ley.

Dado que la junta escolar del distrito adoptó el Código de Conducta, éste tiene la fuerza del reglamento. En caso de que haya conflicto entre el Código de Conducta y el Manual para Estudiantes, el Código de Conducta prevalecerá.

**Advierta que:** La disciplina de los estudiantes discapacitados que reúnen los requisitos para recibir servicios bajo la ley federal (Ley de Educación de Estudiantes Discapacitados y la Sección 504 de la Ley de Rehabilitación de 1973) está sujeta a las disposiciones de esas leyes.

### Autoridad y jurisdicción del distrito escolar

Las reglas de la escuela y la autoridad del distrito para administrar disciplina se aplican siempre que haya interés del distrito, dentro o fuera de la propiedad escolar, junto o independientemente de las clases y actividades patrocinadas por la escuela.

El distrito tiene autoridad disciplinaria sobre un estudiante:

1. Durante el día escolar regular;
2. Mientras el estudiante viaja en transporte del distrito;
3. Durante los periodos de almuerzo cuando un estudiante tenga permitido salir del campus;
4. En cualquier actividad relacionada con la escuela, sin importar la hora o el lugar;
5. Por cualquier mala conducta relacionada con la escuela, sin importar la hora o el lugar;
6. Cuando ocurra una represalia o amenaza en contra de un empleado de la escuela, miembro de la junta o voluntario, sin importar la hora o el lugar;
7. Cuando un estudiante participe en intimidación cibernética (cyberbullying), como se define en el Código de Educación 37.0832;
8. Cuando se cometa mala conducta delictiva dentro o fuera de la propiedad escolar o en un evento relacionado con la escuela;
9. Por ciertas infracciones cometidas dentro de 300 pies desde la propiedad escolar según lo medido desde cualquier punto del límite del inmueble escolar;
10. Por ciertas infracciones cometidas en la propiedad escolar o mientras asiste a una actividad patrocinada por la escuela o relacionada con la escuela de otro distrito en Texas;
11. Cuando el estudiante cometa un delito mayor, de acuerdo al Código de Educación 37.006 o 37.0081; y
12. Cuando el estudiante deba registrarse como delincuente sexual.

### Coordinador de conducta del campus

En conformidad con la ley, se debe designar a una persona en cada escuela que tenga la función de coordinador de conducta del campus (CBC). La persona designada puede ser el director del campus u otro administrador seleccionado por el director. El CBC es el principal responsable de mantener la disciplina de los estudiantes. El distrito publicará en su sitio web y en el Manual para Estudiantes, para cada campus, la dirección de correo electrónico y el número de teléfono de la persona que actúa como CBC. La información de contacto se encuentra en [www.westwoodisd.net](http://www.westwoodisd.net) y en <https://www.westwoodisd.net/parents/student-code-of-conduct>.

### Equipo escolar de evaluación de amenazas y de seguridad y apoyo

El CBC u otro administrador adecuado trabajará estrechamente con el equipo escolar de evaluación de amenazas y de seguridad y apoyo del campus para implementar el reglamento y los procedimientos de evaluación de amenazas del distrito, según lo requerido por la ley, y tomará la medida disciplinaria adecuada en conformidad con el Código de Conducta.

### Registros

Los oficiales del distrito pueden realizar registros de estudiantes, sus pertenencias y sus vehículos en conformidad con la ley estatal y federal y el reglamento del distrito. Los registros de estudiantes serán realizados en una manera razonable y no discriminatoria. Para obtener más información sobre investigaciones y registros, ver los reglamentos del distrito en FNF(LEGAL) y FNF(LOCAL).

El distrito tiene el derecho de registrar un vehículo conducido a la escuela por un estudiante y estacionado en la propiedad escolar siempre que exista una sospecha razonable para creer que contiene artículos o materiales prohibidos por el distrito.

Los escritorios, los casilleros, la tecnología provista por el distrito y artículos similares son propiedad del distrito y se proveen para uso del estudiante a efectos de la comodidad. La propiedad del distrito está sujeta a registro o inspección en cualquier momento sin previo aviso.

### Denuncia de delitos

El director o CBC y otros administradores escolares, según corresponda, denunciarán delitos de acuerdo a lo que exige la ley y llamarán a la policía cuando un administrador sospeche que se ha cometido un crimen en el campus.

### Personal de seguridad

La junta utiliza oficiales de policía para garantizar la seguridad y protección de los estudiantes, el personal y la propiedad. En conformidad con la ley, la junta se ha puesto de acuerdo con el CBC y otros empleados del distrito para garantizar la asignación de funciones de orden público adecuadas a estas personas. Las disposiciones que abordan los diversos tipos de personal de seguridad se pueden encontrar en la serie de reglamentos CKE.

Los deberes de aplicación de la ley de los oficiales de policía del distrito son

- Crear y mantener ambientes de aprendizaje seguros, protegidos y ordenados para estudiantes, maestros y personal.
- Establecer un canal de comunicación de confianza con los alumnos, padres y profesores.
- Servir como un modelo a seguir positivo para inculcar en los estudiantes buenos estándares morales, buen juicio y discreción, respeto por otros estudiantes y una preocupación sincera por la comunidad escolar.
- Promover la conciencia ciudadana sobre la ley para permitir que los estudiantes se conviertan en ciudadanos mejor informados y efectivos, al tiempo que capacita a los estudiantes con el conocimiento de los esfuerzos y obligaciones de aplicación de la ley con respecto a la aplicación, así como las consecuencias de las violaciones de la ley.

### Definición de “padre”

En todo el Código de Conducta y reglamentos de disciplina relacionados, el término “padre” incluye padre, madre, tutor legal u otra persona que tiene control legal del menor.

### Participación en actividades de graduación

El distrito tiene derecho de limitar la participación de un estudiante en actividades de graduación por violar el Código de Conducta del distrito.

## Autoridad y jurisdicción del distrito escolar

La participación podría incluir una función de orador, de acuerdo a lo establecido por el reglamento y los procedimientos del distrito.

Los estudiantes que cumplen con los requisitos de elegibilidad para dar los comentarios de apertura y cierre en la graduación serán notificados por el director del campus. No obstante cualquier otro requisito de elegibilidad, para ser considerado elegible, un estudiante no debe haber sido partícipe en ninguna mala conducta que dé como resultado una suspensión fuera de la escuela, la remoción a un DAEP o expulsión durante el semestre inmediatamente anterior a la graduación.

El valedictorian y el salutatorian también pueden tener roles de orador en la graduación. Ningún estudiante será elegible para tener un rol de orador si participó en una mala conducta que resultó en una suspensión fuera de la escuela, la remoción a un DAEP o expulsión durante el semestre inmediatamente anterior a la graduación.

### Personas no autorizadas

En conformidad con el Código de Educación 37.105, un administrador escolar, SRO, u oficial de policía del distrito tendrán autoridad de negar la entrada o sacar a una persona de la propiedad del distrito si la persona se niega a salir pacíficamente cuando se le pide y:

1. La persona plantea un riesgo sustancial de daño a alguna persona, o
2. La persona se comporta de una manera inapropiada para el entorno escolar y continúa con dicha conducta después de que se le ha advertido verbalmente que la conducta es inapropiada y puede ocasionar que se le deniegue la entrada o que se le pida que se retire.

En conformidad con los reglamentos FNG(LOCAL) o GF(LOCAL), se pueden presentar apelaciones referentes a la negativa de entrada o peticiones de abandonar la propiedad escolar, según corresponda. Sin embargo, los plazos para los procedimientos de queja del distrito serán ajustados según sea necesario para permitirle a la persona dirigirse a la junta en persona dentro de los 90 días calendario, a menos que la queja se resuelva antes de una audiencia con la junta.

El distrito puede imponer reglas del campus o salón de clase además de las que se encuentran en el Código de Conducta. Estas reglas pueden publicarse en los salones de clase o entregarse al estudiante, y pueden o no constituir violaciones del Código de Conducta.

### Técnicas de administración disciplinaria

Se diseñará la disciplina de manera que mejore la conducta y aliente a los estudiantes a ser miembros responsables de la comunidad escolar. La medida disciplinaria será a consideración profesional de maestros y administradores y mediante una variedad de técnicas de administración disciplinaria, incluidas las prácticas restaurativas. La disciplina debe basarse en la gravedad de la infracción, edad y nivel de grado del estudiante, frecuencia de la mala conducta, actitud del estudiante, efecto de la mala conducta en el ámbito escolar y requisitos estatutarios.

### Estudiantes con discapacidades

La disciplina de los estudiantes con discapacidades está sujeta a la ley federal y estatal aplicable además del Código de Conducta. En caso de algún conflicto, el distrito cumplirá con la ley federal. Para obtener más información respecto de la disciplina de estudiantes con discapacidades, ver el reglamento FOF(LEGAL).

En conformidad con el Código de Educación, un estudiante que reciba servicios de educación especial no puede ser disciplinado por conductas que sean parte de la definición de intimidación escolar, intimidación cibernética, acoso o hacer listas negras (ver **glosario**) hasta que un comité de admisión, revisión y retiro (ARD) se reúna y revise la conducta.

Para decidir si se ordenará la suspensión, asignación a un DAEP o expulsión, sin importar si la medida es obligatoria o discrecional, el distrito tomará en cuenta una discapacidad que imposibilite considerablemente la capacidad del estudiante para distinguir la ilicitud de la conducta del estudiante.

### Técnicas

Se pueden usar las siguientes técnicas de administración de disciplina por sí solas, en combinación o como parte de intervenciones progresivas a causa de conductas prohibidas por el Código de Conducta o por las reglas del campus o del salón de clase:

- Corrección verbal, oral o escrita.
- Tiempo para tranquilizarse o un breve periodo de reflexión, en conformidad con la ley.
- Cambio de asiento en el salón de clase o vehículos operados por o pertenecientes al distrito.
- Confiscación temporal de artículos que interrumpan el proceso de instrucción.
- Recompensas o deméritos.

- Clases de control del enojo.
- Meditación (víctima-ofensor).
- Círculos en el salón de clase.
- Conferencias de grupos familiares.

## Técnicas de administración disciplinaria

- Reducciones de calificación por hacer trampa, plagio y de otra manera permitida por la ley.
- Detención, incluso fuera del horario escolar.
- Enviar al estudiante a la dirección, a otra área asignada, o a en suspensión escolar (ISS).
- Asignación de labores escolares, como limpiar o recoger basura.

- Expulsión, de acuerdo a lo especificado en **Expulsión** en la página 30.
- Traslado a una agencia externa o autoridad legal para proceso penal además de medidas disciplinarias impuestas por el distrito.
- Otras estrategias y consecuencias de acuerdo a lo determinado por los directivos de la escuela.

### Técnicas aversivas prohibidas

Está prohibido el uso de técnicas aversivas con estudiantes y se definen como técnicas o intervenciones con el propósito de reducir la repetición de una conducta a través de infligir intencionalmente considerable molestia o dolor físico o emocional. Las técnicas aversivas incluyen:

- Usar técnicas diseñadas para causar dolor físico o que probablemente lo causen. [Ver el reglamento FO(LOCAL).]
- Usar técnicas diseñadas para causar dolor físico o que probablemente lo causen a través del electrochoque o cualquier procedimiento que incluye puntos de presión o inmovilización de articulaciones.
- Liberación dirigida de un spray, rocío o sustancia nocivo, tóxico o desagradable cerca del rostro de un estudiante.
- Privar de sueño adecuado, aire, alimentos, agua, albergue, cama, comodidad física, supervisión o acceso a un baño.
- Ridiculizar o denigrar a un estudiante de manera que perjudique o ponga en peligro el aprendizaje o la salud mental del estudiante o constituya abuso verbal.

## Técnicas de administración disciplinaria

- Emplear un dispositivo, material u objeto que inmovilice todas las cuatro extremidades de un estudiante, incluso sujeción en el suelo en posición prona o supina.
- Alterar la respiración de un estudiante, incluyendo la aplicación de presión sobre el torso o cuello del estudiante o colocar algo dentro, sobre o encima de la boca o nariz del estudiante o tapar la cara del estudiante.
- Restringir la circulación del estudiante.
- Sujetar al estudiante a un objeto inmóvil mientras el estudiante está de pie o sentado.
- Inhibir, reducir o entorpecer la capacidad del estudiante para comunicarse.
- Usar sujeciones químicas.
- Usar el tiempo de reflexión de una manera que evite que el estudiante pueda participar y avanzar como corresponde en el currículo requerido o en cualesquier metas programa de educación individualizada (IEP) que correspondan, incluso aislando al estudiante usando barreras físicas.
- Privar al estudiante de uno o más de los sentidos del estudiante, a menos que la técnica no cause incomodidad al estudiante o cumpla con el plan de intervención conductual (BIP) o IEP del estudiante.

### Notificación

El CBC notificará inmediatamente al padre del estudiante por teléfono o en persona cualquier violación que pueda dar como resultado suspensión en la escuela o fuera de la escuela, asignación a un DAEP, asignación a un JJAEP, o expulsión. El CBC también notificará al padre del estudiante si el estudiante ha sido detenido por un oficial de la policía bajo las disposiciones disciplinarias del Código de Educación.

Se hará un esfuerzo de buena fe para proporcionar una notificación escrita de la medida disciplinaria al estudiante, el día en que se tomó la medida, para entregarla al padre del estudiante. Si se contacta al padre por teléfono o en persona antes de las 5:00 p.m. del primer día hábil después de que se haya seguido la medida disciplinaria, el CBC enviará una notificación escrita por correo postal de EE.UU. Si el CBC no puede informar al padre, el director o su representante le darán el aviso.

Antes de que el director o administrador adecuado asigne a un estudiante menor de 18 años a detención fuera del horario escolar regular, se informará al padre del estudiante el motivo de la detención y se permitirán arreglos para el transporte necesario.

### Apelaciones

Las preguntas de los padres acerca de las medidas disciplinarias deberían dirigirse al maestro, a la administración del campus o al CBC, según corresponda. Las apelaciones o reclamos con respecto al uso de técnicas específicas de administración de disciplina se deben dirigir en conformidad con el reglamento FNG(LOCAL). Se puede obtener una copia del reglamento en la oficina del director, la oficina del CBC, o en la oficina de administración central o a través de Policy Online® en la siguiente dirección: [www.westwoodisd.net](http://www.westwoodisd.net)

El distrito no demorará una consecuencia disciplinaria mientras un estudiante o padre tramita una queja. En el caso de que se acuse a un estudiante de haber tenido una conducta que coincida con la definición de acoso sexual según se define en el Título IX, el distrito cumplirá con la ley federal correspondiente, que incluye el proceso de quejas formales del Título IX. Vea los reglamentos FFH(LEGAL) y (LOCAL).

### Remoción del autobús escolar

Un conductor de autobús puede derivar a un estudiante a la oficina del director o a la oficina del CBC para mantener una disciplina efectiva en el autobús. El director o CBC debe emplear técnicas adicionales de administración de disciplina, según corresponda, las cuales pueden incluir la restricción o revocación de los privilegios de viajar en autobús de un estudiante.

Para transportar a los estudiantes de manera segura, el operador del vehículo debe concentrarse en conducir y no distraerse con la mala conducta de algún estudiante. Por lo tanto, cuando las técnicas apropiadas de administración de disciplina no mejoran la conducta del estudiante o cuando una mala conducta específica justifica la remoción inmediata, el director o el CBC puede restringir o revocar los privilegios de transporte del estudiante, en conformidad con la ley.

### Remoción del entorno educativo regular

Además de otras técnicas de administración de disciplina, la mala conducta puede dar como resultado la remoción del entorno educativo regular mediante un traslado de rutina o una remoción formal.

#### Derivación de rutina

Una derivación de rutina ocurre cuando un maestro envía a un estudiante a la oficina del CBC como técnica de administración de disciplina. El CBC empleará técnicas alternativas de administración de disciplina, incluyendo intervenciones progresivas. Un maestro o administrador puede remover a un estudiante de la clase por una conducta que infrinja este Código de Conducta para mantener una buena disciplina en el salón de clase.

#### Remoción formal

Un maestro puede iniciar una remoción formal de la clase si:

1. El maestro ha documentado que la conducta de un estudiante interfiere repetidamente con la capacidad del maestro de enseñar la clase o con la capacidad de aprender de otros estudiantes; o
2. La conducta es tan rebelde, perturbadora o abusiva que el maestro no puede enseñar y los estudiantes del salón de clase no pueden aprender.

En un plazo de tres días escolares de la remoción formal, el CBC o el administrador correspondiente programará una reunión con el padre del estudiante, el estudiante, el maestro que retiró al estudiante de la clase y cualquier otro administrador que corresponda.

En la reunión, el CBC o el administrador correspondiente informará al estudiante la supuesta mala conducta y las consecuencias propuestas. El estudiante tendrá una oportunidad para responder a las acusaciones.

Cuando un maestro remueva a un estudiante del salón de clase regular y esté pendiente una reunión, el CBC u otro administrador puede asignar al estudiante a:

- Otro salón de clase adecuado.
- ISS.
- Suspensión fuera de la escuela.
- DAEP.

Un maestro o administrador debe remover a un estudiante de la clase si el estudiante tiene una conducta que bajo el Código de Educación requiera o permita que el estudiante sea asignado a un DAEP o expulsado. Al ser removido por esos motivos, se seguirán los procedimientos de las secciones subsiguientes sobre DAEP o expulsión.

#### Regresar a un estudiante al salón de clase

Un estudiante que haya sido retirado formalmente de la clase por un maestro por conducta en contra del maestro que contenga elementos de agresión, agresión agravada, agresión sexual, o agresión sexual agravada no puede regresar a la clase el maestro sin el consentimiento del maestro.

Un estudiante que haya sido retirado formalmente por un maestro por alguna otra conducta puede regresar a la clase del maestro sin el consentimiento del maestro si el comité de revisión

## **Remoción del entorno educativo regular**

de asignaciones determina que la clase el maestro es la mejor alternativa o la única alternativa disponible.

### Suspensión fuera de la escuela

#### Mala conducta

Se puede suspender a los estudiantes por conducta incluida en el Código de Conducta como infracción general de conducta, infracción de DAEP o infracción que amerita expulsión.

El distrito no utilizará la suspensión fuera de la escuela para los estudiantes en el segundo grado o inferior a menos que la conducta cumpla con los requisitos establecidos por la ley.

Un estudiante en un grado inferior al tercer grado o un estudiante que no tiene hogar no será suspendido fuera de la escuela a menos que, mientras se encuentre en la propiedad escolar o mientras asista a una actividad patrocinada por la escuela o relacionada con la escuela dentro o fuera de la propiedad escolar, el estudiante:

- Participe en una conducta que incluya los elementos de una infracción con armas, en conformidad con la Sección 46.02 o 46.05 del Código Penal.
- Participe en una conducta que incluya los elementos de agresión, agresión sexual, agresión agravada o agresión sexual agravada, según lo dispuesto por el Código Penal; o
- Vende, da o entrega a otra persona, o posee, usa o está bajo los efectos de cualquier cantidad de marihuana, una bebida alcohólica o una sustancia controlada o una droga peligrosa, según lo definido por la ley federal o estatal.

El distrito utilizará un programa de conducta positiva como alternativa disciplinaria para los estudiantes en grados inferiores al tercer grado que cometan violaciones de conducta general en lugar de suspensión o asignación a un DAEP. El programa deberá cumplir con los requisitos de la ley.

#### Proceso

La ley estatal permite que un estudiante sea suspendido un máximo de tres días escolares por violación de conducta, sin límite del número de veces que puede ser suspendido en un semestre o año escolar.

Antes de ser suspendido, un estudiante tendrá una reunión informal con el CBC o el administrador correspondiente, quien informará al estudiante la supuesta mala conducta.

El CBC determinará el número de días de la suspensión de un estudiante, pero no excederá tres días escolares.

Para decidir si se debe ordenar suspensión fuera de la escuela, el CBC considerará:

1. Defensa propia (ver **glosario**),
2. Intención o falta de intención al momento en el que el estudiante participó en la conducta,
3. El historial disciplinario del estudiante,
4. Una discapacidad que imposibilite de manera significativa la capacidad del estudiante para distinguir la ilicitud de su conducta,
5. La situación de un estudiante bajo tutela del Departamento de Familia y Servicios de Protección (cuidado tutelar), o
6. La situación de no tener hogar de un estudiante.

## Suspensión fuera de la escuela

El administrador correspondiente determinará las restricciones de la participación en actividades extracurriculares y paralelas patrocinadas por la escuela o relacionadas con la escuela.

### **Trabajo de clase durante la suspensión**

El distrito se asegurará de que un estudiante reciba acceso al trabajo de la clase de los cursos del currículo básico mientras el estudiante está en suspensión dentro o fuera de la escuela, incluso al menos un método de recepción de este trabajo de clase que no requiera del uso de internet.

Un estudiante que se traslade del salón de clase regular a ISS u otro programa de educación, además de DAEP, tendrá una oportunidad, antes del inicio del siguiente año escolar, de completar un curso básico del plan de estudio en el cual el estudiante estaba matriculado al momento de la remoción. El distrito puede dar la oportunidad a través de cualquier método disponible, incluido un curso por correspondencia, otra opción de aprendizaje a distancia o la escuela de verano. El distrito no hará ningún cargo al estudiante por el método para completar el trabajo provisto por el distrito.

## Asignación al Programa Disciplinario de Educación Alternativa (DAEP)

### Asignación al Programa Disciplinario de Educación Alternativa (DAEP)

El DAEP se ofrecerá en un entorno distinto al salón de clase regular del estudiante. Un estudiante de primaria no puede ser asignado a un DAEP con un estudiante que no sea un estudiante de primaria.

Para propósitos del DAEP, la clasificación de primaria será de kindergarten a 6o. grado y la clasificación de secundaria será de 7o. a 12o. grado.

Los programas de verano provistos por el distrito darán servicio a los estudiantes asignados a un DAEP en conjunto con otros estudiantes.

Un estudiante expulsado por una infracción que de otra manera habría dado como resultado la asignación a un DAEP no tiene que asignarse a un DAEP además de la expulsión.

Para decidir si se debe asignar a un estudiante a un DAEP, sin importar si la acción es obligatoria o discrecional, el CBC considerará:

1. Defensa propia (ver **glosario**),
2. Intención o falta de intención al momento en el que el estudiante participó en la conducta,
3. El historial disciplinario del estudiante,
4. Una discapacidad que imposibilite de manera significativa la capacidad del estudiante para distinguir la ilicitud de su conducta,
5. La situación de un estudiante bajo tutela del Departamento de Familia y Servicios de Protección (cuidado tutelar), o
6. La situación de no tener hogar de un estudiante.

### Asignación discrecional: Mala conducta que puede dar como resultado la asignación a un DAEP

Se puede asignar a un estudiante a un DAEP por las siguientes violaciones de conducta:

#### Mala conducta identificada en la ley estatal

En conformidad con la ley estatal, **se puede** asignar a un estudiante a un DAEP por alguna de las siguientes infracciones:

- Participación en intimidación escolar que anime a un estudiante a cometer o intentar cometer suicidio.
- Incitación de violencia en contra de un estudiante a través de intimidación escolar grupal.
- Publicación o amenaza de publicación de material visual íntimo de un menor o de un estudiante de 18 años de edad o mayor sin el consentimiento del estudiante.
- Participación en una fraternidad, hermandad, sociedad secreta o pandilla de una escuela pública, incluida la participación como miembro o bajo juramento, o solicitar a otra persona que tome juramento o sea miembro de una fraternidad, hermandad, sociedad secreta o pandilla de una escuela pública. (Ver **glosario**).
- Participación en una actividad delictiva de pandilla callejera delincuente. (Ver **glosario**).
- Travesura delictiva, no sancionable como delito mayor.

## Asignación al Programa Disciplinario de Educación Alternativa (DAEP)

- Cualquier travesura delictiva, incluido un delito mayor.
- Agresión (sin lesión corporal) con amenaza de lesión corporal inminente.
- Agresión mediante contacto físico ofensivo o provocativo.

En conformidad con la ley estatal, se **puede** asignar a un estudiante a un DAEP si el superintendente o su representante cree de manera razonable (ver **glosario**) que el estudiante participó en una conducta sancionable como delito mayor, además de robo agravado o aquellos delitos descritos como ofensas con lesión a una persona en el Título 5 (ver **glosario**) del Código Penal, que ocurra fuera de la propiedad escolar y no en un evento patrocinado por la escuela o relacionado con la escuela, si la presencia del estudiante en el salón de clase regular amenaza la seguridad de otros estudiantes o maestros, o se considera peligroso para el proceso educativo.

El CBC **puede** asignar a un estudiante a un DAEP por conducta fuera de la escuela para la cual la ley estatal exija la asignación a un DAEP si el administrador no tiene conocimiento de la conducta antes del primer aniversario de la fecha en que ocurrió la conducta.

### Asignación obligatoria: Mala conducta que requiere asignación a un DAEP

Se **debe** asignar a un estudiante a un DAEP si:

- Participa en una conducta relacionada con una falsa alarma o informe (incluida una amenaza de bomba) o una amenaza terrorista que incluya una escuela pública. (Ver **glosario**).
- Comete las siguientes infracciones en propiedad de la escuela, dentro de 300 pies de la propiedad escolar según lo medido desde cualquier punto del límite de la propiedad escolar, o mientras asiste a una actividad patrocinada por la escuela o relacionada con la escuela dentro o fuera de la propiedad escolar:
  - Participa en una conducta sancionable como delito mayor.
  - Comete una agresión (ver **glosario**) bajo el Código Penal 22.01(a)(1).
  - Vende, da o entrega a otra persona, o posee, usa o está bajo los efectos de una sustancia controlada o droga peligrosa en una cantidad que no constituya un delito mayor. (Las infracciones de drogas consideradas delito mayor relacionadas con la escuela se incluyen en **Expulsión** en la página 30). (Ver en el **glosario** “bajo los efectos”, “sustancia controlada” y “droga peligrosa”).
  - Vende, da o entrega a otra persona, o posee, usa o está bajo los efectos de la marihuana o THC. Un estudiante con una receta válida de cannabis de bajo THC según lo autorizado por el Capítulo 487 del Código de Salud y Seguridad no infringe esta disposición.
  - Vende, da o entrega a otra persona una bebida alcohólica; comete una infracción grave mientras está bajo los efectos del alcohol; o posee, usa o está bajo los efectos del alcohol.
  - Se comporta de tal manera que sus actos contienen los elementos de una infracción relacionada con abuso de sustancias químicas volátiles.
  - Vende, da o entrega a otra persona o posee o utiliza un cigarrillo electrónico.
  - Se comporta de tal manera que sus actos contienen los elementos de lascivia o exhibicionismo público. (Ver **glosario**).

## Asignación al Programa Disciplinario de Educación Alternativa (DAEP)

- Participa en una conducta que amerita expulsión y tiene de seis a nueve años de edad.
- Comete una violación federal con armas de fuego y es menor de seis años.
- Participa en una conducta que contiene los elementos de la infracción de represalia contra algún empleado o voluntario de la escuela dentro o fuera de la propiedad escolar. (Cometer represalia en combinación con otra infracción que amerite expulsión se incluye en **Expulsión** en la página 30).
- Participar en una conducta sancionable como robo agravado o un delito mayor bajo el Título 5 (ver **glosario**) del Código Penal cuando la conducta ocurre fuera de la propiedad escolar y en un evento no patrocinado por la escuela ni relacionado con la escuela y:
  1. El estudiante recibe enjuiciamiento diferido (ver **glosario**),
  2. Un tribunal o jurado determina que el estudiante ha participado en una conducta delictiva (ver **glosario**), o
  3. El superintendente o su representante cree de manera razonable (ver **glosario**) que el estudiante participó en la conducta.

### Agresión sexual y asignaciones de campus

Se transferirá a un estudiante a otro campus si:

- El estudiante ha sido convicto de abuso sexual continuo de un niño pequeño o de una persona discapacitada, o convicto o asignado a una adjudicación diferida por agresión sexual o agresión sexual agravada en contra de otro estudiante de la misma escuela; y
- El padre de la víctima u otra persona con autoridad de actuar en nombre de la víctima solicita que la junta transfiera al estudiante ofensor a otro campus.

Si no hay otra escuela en el distrito que brinde servicio al nivel de grado del estudiante ofensor, entonces se transferirá a un DAEP.

### Proceso

Las remociones a un DAEP las debe hacer el CBC.

### Reunión

Cuando se remueve a un estudiante de una clase por una infracción de DAEP, el CBC o el administrador correspondiente programará una reunión dentro de tres días escolares con el padre del estudiante, el estudiante y, en caso de la remoción por un maestro, el maestro.

En la reunión, el CBC o el administrador correspondiente brindará al estudiante:

- Información, oral o escrita, de las razones de la remoción;
- Una explicación de las bases de la remoción; y
- Una oportunidad para responder a las razones de la remoción.

Después de intentos válidos de pedir la asistencia, el distrito puede detener la reunión y tomar una decisión de la asignación sin importar si el estudiante o los padres del estudiante asisten a la reunión.

## Asignación al Programa Disciplinario de Educación Alternativa (DAEP)

### Consideración de factores de mitigación

Para decidir si se debe asignar a un estudiante a un DAEP, sin importar si la acción es obligatoria o discrecional, el CBC considerará:

1. Defensa propia (ver **glosario**),
2. Intención o falta de intención al momento en el que el estudiante participó en la conducta,
3. El historial disciplinario del estudiante,
4. Una discapacidad que imposibilite de manera significativa la capacidad del estudiante para distinguir la ilicitud de su conducta,
5. La situación de un estudiante bajo tutela del Departamento de Familia y Servicios de Protección (cuidado tutelar), o
6. La situación de no tener hogar de un estudiante.

### Orden de asignación

Después de la reunión, si se asigna al estudiante a un DAEP, el CBC escribirá una orden de asignación. Se enviará una copia de la orden de asignación a un DAEP e información para el padre o la persona designada en la relación de padre con el estudiante sobre el proceso de solicitar una evaluación individual e inicial completa del estudiante para propósitos de servicios de educación especial al estudiante y al padre del estudiante.

A más tardar el segundo día hábil después de la reunión, el representante de la junta entregará al tribunal de menores una copia de la orden de asignación y toda la información requerida por la Sección 52.04 del Código de Familia.

Si se asigna al estudiante a un DAEP y el periodo de asignación no coincide con las pautas incluidas en este Código de Conducta, la orden de asignación dará aviso de la incoherencia.

### DAEP con cupo lleno

Si un DAEP tiene cupo lleno al momento que el CBC decide la asignación por una conducta relacionada con marihuana, THC, un cigarrillo electrónico, alcohol o una sustancia química volátil, se asignará al estudiante a ISS y luego se le transferirá a un DAEP por el resto del período cuando haya cupo disponible antes del vencimiento del período de asignación.

Si un DAEP tiene cupo lleno al momento en que el CBC está decidiendo la asignación de un estudiante que participó en una conducta violenta, un estudiante asignado en un DAEP por una conducta relacionada con marihuana, THC, un cigarrillo electrónico, alcohol o una sustancia química volátil se puede asignar a ISS para disponer de espacio en el DAEP para el estudiante que participó en una conducta violenta. Si hay un lugar disponible en un DAEP antes del vencimiento del período de la asignación para el estudiante sacado de la escuela, el estudiante deberá regresar a un DAEP por el resto del período.

### Aviso del trabajo del curso

Se dará un aviso escrito al padre o tutor de un estudiante asignado a un DAEP sobre la oportunidad del estudiante de completar, sin costo para el estudiante, un curso base del plan de estudios en el que el estudiante estaba matriculado al momento de la remoción y que se requiere para graduación. El aviso incluirá información referente a todos los métodos disponibles para completar el trabajo del curso.

## Asignación al Programa Disciplinario de Educación Alternativa (DAEP)

### Duración de una asignación

El CBC determinará la duración de la asignación de un estudiante a un DAEP.

La duración de la asignación de un estudiante será determinada según cada caso en base a la gravedad de la infracción, la edad y nivel de grado del estudiante, la frecuencia de la mala conducta, la actitud del estudiante y los requisitos legales.

El periodo máximo de la asignación a un DAEP será de un año calendario, salvo lo estipulado a continuación.

A menos que se especifique de otra manera en la orden de asignación, los días ausentes de un DAEP no deberán contar para completar el número de días requeridos en la orden de asignación a un DAEP de un estudiante.

El distrito administrará las evaluaciones previas y posteriores requeridas para los estudiantes asignados a un DAEP durante un periodo de 90 días o más en conformidad con los procedimientos administrativos establecidos del distrito para administrar otras evaluaciones de diagnóstico o de punto de referencia.

### Excede un año

La asignación a un DAEP puede exceder un año cuando una revisión del distrito determina que el estudiante es una amenaza para la seguridad de otros estudiantes o empleados del distrito.

Las limitaciones estatutarias sobre el periodo de una asignación a un DAEP no se aplican a la asignación resultante de la decisión de la junta para asignar a un estudiante que participó en una agresión sexual de otro estudiante para que no se asigne a los estudiantes al mismo campus.

### Excede el año escolar

A los estudiantes que cometen infracciones que requieren la asignación a un DAEP al final del año escolar se les puede exigir que continúen en esa asignación al inicio del siguiente año escolar para completar el término de la asignación.

Para una asignación a un DAEP que se extienda más allá del final del año escolar, el CBC o el representante de la junta debe determinar que:

1. La presencia del estudiante en el salón de clase regular o escuela presenta un peligro de daño físico para el estudiante o los demás, o
2. El estudiante ha participado en una mala conducta grave o persistente (ver **glosario**) que viola el Código de Conducta del distrito.

### Excede 60 días

Para la asignación a un DAEP de más de 60 días o del final del siguiente periodo de calificaciones, lo que ocurra primero, se dará aviso al padre del estudiante y la oportunidad de participar en un proceso ante la junta o el representante de la junta.

### Apelaciones

Las preguntas de los padres acerca de las medidas disciplinarias se deben dirigir a la administración escolar.

Las apelaciones de un estudiante o padre de la asignación a un DAEP se gestionarán en conformidad con el reglamento FNG(LOCAL). Se puede obtener una copia de este reglamento

## **Asignación al Programa Disciplinario de Educación Alternativa (DAEP)**

en la oficina del director, la oficina del CBC, la oficina de administración central o a través de Policy Online®™ en la siguiente dirección: [www.westwoodisd.net](http://www.westwoodisd.net)

Las apelaciones comenzarán en Level One con el director de la escuela.

El distrito no demorará consecuencias disciplinarias en espera del resultado una apelación. La decisión de asignar a un estudiante a un DAEP no se puede apelar más allá de la junta.

### **Restricciones durante la asignación**

La ley estatal prohíbe que un estudiante asignado a un DAEP por razones especificadas en la ley estatal asista o participe en actividades extracurriculares patrocinadas por la escuela o relacionadas con la escuela.

A un estudiante asignado a un DAEP no se le proveerá transporte, a menos que el estudiante sea un estudiante con discapacidad que tenga derecho a transporte en conformidad con el IEP del estudiante o el plan de la Sección 504.

Para los estudiantes de doceavo grado que reúnen los requisitos para graduarse y se asignan a un DAEP al momento de la graduación, el último día de la asignación en el programa será el último día de instrucción y se permitirá al estudiante participar en la ceremonia de graduación y en las actividades relacionadas con la graduación, a menos que se especifique de otra manera en la orden de asignación a DAEP.

### **Revisión de asignación**

El CBC o el representante de la junta proveerá a un estudiante asignado a un DAEP una revisión de su estatus, incluido el estatus académico, a intervalos que no excedan 120 días. En el caso de un estudiante de preparatoria, también se revisará el progreso del estudiante hacia la graduación y el plan de graduación del estudiante. En la revisión, se dará la oportunidad al estudiante o al padre del estudiante de presentar argumentos para el regreso del estudiante al salón de clase o campus regular. El estudiante no puede regresar al salón de clase regular de un maestro que haya removido al estudiante sin consentimiento de ese maestro.

### **Mala conducta adicional**

Si durante el plazo de la asignación a un DAEP el estudiante participa en mala conducta adicional para la cual se requiere o permite la asignación a un DAEP o expulsión, se pueden llevar a cabo procesos adicionales y el CBC puede hacer una orden disciplinaria adicional como resultado de esos procesos.

### **Aviso de actuaciones penales**

Cuando un estudiante se asigne a un DAEP por ciertas infracciones, la oficina del fiscal notificará al distrito si:

1. Se negó el enjuiciamiento del caso del estudiante por falta de mérito de acusación o evidencias insuficientes y no se iniciará ningún proceso formal, adjudicación diferida (ver **glosario**) ni enjuiciamiento diferido; o
2. El tribunal o jurado determinó que el estudiante no es culpable, o descubrió que el estudiante no participó en una conducta delictiva o conducta que indique una necesidad de supervisión, y el caso se desestimó con perjuicio.

Si se asignó a un estudiante a un DAEP por dicha conducta, al recibir el aviso del fiscal, el superintendente o su representante revisará la asignación del estudiante y programará una

## **Asignación al Programa Disciplinario de Educación Alternativa (DAEP)**

revisión con el padre del estudiante a más tardar el tercer día después de que el superintendente o su representante reciba aviso del fiscal. El estudiante no puede regresar al salón de clase regular hasta que se lleve a cabo la revisión.

Después de revisar el aviso y recibir información del padre del estudiante, el superintendente o su representante puede continuar la asignación del estudiante si hay motivos para pensar que la presencia del estudiante en el salón de clase regular amenaza la seguridad de los demás estudiantes o del maestro.

El estudiante o padre del estudiante puede apelar la decisión del superintendente a la junta. El estudiante no puede regresar al salón de clase regular hasta que se lleve a cabo la apelación. En caso de una apelación, la junta, en la siguiente reunión programada, revisará el aviso del fiscal y recibirá información del estudiante, el padre del estudiante y el superintendente o su representante, y confirmará o invertirá la decisión del superintendente o su representante. La junta hará un informe de los procesos.

Si la junta confirma la decisión del superintendente o su representante, el estudiante y el padre del estudiante pueden apelar ante el Comisionado de Educación. El estudiante no puede regresar al salón de clase regular hasta que se lleve a cabo la apelación.

### **Baja durante el proceso**

Cuando un estudiante viole el Código de Conducta del distrito de una manera que requiera o permita que el estudiante se asigne a un DAEP y el estudiante se da de baja del distrito antes de completar la orden de la asignación, el CBC puede completar los procesos y emitir una orden de asignación. Si el estudiante se matricula nuevamente en el distrito durante el mismo año escolar o el subsiguiente, el distrito puede ejecutar la orden en ese momento, menos cualquier periodo que el estudiante haya cumplido la asignación durante su matrícula en otro distrito. Si el CBC o la junta no emite una orden de asignación después de la baja del estudiante, el siguiente distrito en el cual se matricule el estudiante puede completar los procesos y emitir una orden de asignación.

### **Estudiantes recién matriculados**

El distrito continuará la asignación al DAEP de un estudiante que se matricule en el distrito y haya sido asignado a un DAEP en una escuela autónoma (charter) de inscripción abierta u otro distrito, incluido un distrito en otro estado.

Cuando un estudiante se matricula en el distrito con una asignación a un DAEP de un distrito de otro estado, el distrito tiene el derecho de asignar al estudiante en un DAEP de la misma manera que a cualquier otro estudiante recién matriculado si la conducta cometida es una razón de asignación a un DAEP en el distrito que recibe al estudiante.

La ley estatal requiere que el distrito reduzca una asignación impuesta por un distrito en otro estado que exceda un año de manera que la asignación total no exceda un año. Sin embargo, después de una revisión, la asignación se puede extender a más de un año si el distrito determina que el estudiante es una amenaza para la seguridad de otros estudiantes o empleados, o si la asignación extendida es para el mejor interés del estudiante.

### **Procedimiento de asignación de emergencia**

Cuando sea necesaria una asignación de emergencia debido a la conducta indebida, perturbadora o abusiva que interfiera seriamente con las operaciones del salón de clase o de la escuela, se dará al estudiante un aviso oral de la razón de la acción. A más tardar el décimo día

## **Asignación al Programa Disciplinario de Educación Alternativa (DAEP)**

después de la fecha de asignación, se dará la oportunidad al estudiante de tener una reunión apropiada requerida para la asignación a un DAEP.

### **Servicios de transición**

En conformidad con la ley y los procedimientos del distrito, el personal del campus proveerá servicios de transición a un estudiante que regresa al salón de clase regular de un programa alternativo de educación, incluso de un DAEP. Para obtener más información, ver el reglamento FOCA(LLEGAL).

### Asignación y/o expulsión por ciertas infracciones

Esta sección incluye dos categorías de infracciones para las cuales el Código de Educación estipula procesos únicos y consecuencias específicas.

#### Delincuentes sexuales registrados

En conformidad con la ley estatal, al recibir una notificación de que un estudiante debe registrarse actualmente como ofensor sexual, el distrito debe remover al estudiante del salón de clase regular y determinar la asignación apropiada, a menos que el tribunal ordene la asignación a JJAEP.

Si el estudiante está bajo alguna forma de supervisión de la corte, incluida libertad condicional, supervisión de la comunidad, libertad provisional, el estudiante se asignará a DAEP o JJAEP por lo menos un semestre.

Si el estudiante no está bajo ninguna forma de supervisión de la corte, el estudiante puede ser asignado a DAEP o JJAEP por un semestre o puede ser asignado a un salón de clase regular. El estudiante no puede ser asignado al salón de clase regular si la junta o su representante determina que la presencia del estudiante:

1. Amenaza la seguridad de otros estudiantes o maestros,
2. Será perjudicial para el proceso de instrucción, o
3. No es para el mejor interés de los estudiantes del distrito.

#### Comité de revisión

Al final del primer semestre de la asignación de un estudiante a un entorno educativo alternativo y antes del inicio de cada año escolar para el cual el estudiante permanezca en una asignación alternativa, en conformidad con la ley estatal, el distrito formará un comité para revisar la asignación del estudiante. El comité recomendará si el estudiante debería regresar al salón de clase regular o permanecer en la asignación. Sin tener ningún hallazgo especial, la junta o su representante debe seguir la recomendación del comité.

La revisión de la asignación de un estudiante discapacitado que recibe servicios de educación especial debe hacerla el comité de ARD.

#### Estudiante recién matriculado

Si un estudiante se matricula en el distrito durante una asignación obligatoria como ofensor sexual registrado, el distrito puede tomar en cuenta el tiempo que el estudiante ya pasó en una asignación, o puede exigir un semestre adicional en una asignación alternativa sin llevar a cabo una revisión de la asignación.

#### Apelación

Un estudiante o padre de un estudiante puede apelar la asignación solicitando una reunión entre la junta o su representante, el estudiante y el padre del estudiante. La reunión se limita a la pregunta factual sobre si el estudiante se debe registrar como ofensor sexual. Cualquier decisión de la junta o su representante bajo esta sección es definitiva y no se puede apelar.

#### Determinados delitos mayores

Sin importar si la asignación a DAEP o expulsión es requerida o permitida por una de las razones en las secciones de Asignación a DAEP o Expulsión, en conformidad con el Código de

## Asignación y/o expulsión por ciertas infracciones

Educación 37.0081, un estudiante puede ser expulsado y asignado a DAEP o JJAEP si la junta o el CBC hace ciertos hallazgos y existen las siguientes circunstancias en relación con robo agravado o un delito mayor bajo el Título 5 (ver **glosario**) del Código Penal. El estudiante debe haber:

- Recibido enjuiciamiento diferido por una conducta definida como robo agravado o un delito mayor bajo el Título 5;
- Sido encontrado por un tribunal o jurado que ha participado en una conducta delictiva por una conducta definida como robo agravado o un delito mayor bajo el Título 5;
- Recibido cargos de participar en una conducta definida como robo agravado o un delito mayor bajo el Título 5;
- Sido remitido a un tribunal de menores por presunta participación en una conducta delictiva definida como robo agravado o un delito mayor bajo el Título 5;
- Recibido libertad provisional o adjudicación diferida, o haber sido arrestado, acusado o convicto de robo agravado o un delito mayor bajo el Título 5.

El distrito puede expulsar al estudiante y ordenar otra asignación bajo estas circunstancias sin importar:

1. La fecha en la que ocurrió la conducta del estudiante,
2. El lugar donde ocurrió la conducta,
3. Si la conducta ocurrió mientras el estudiante estaba matriculado en el distrito, o
4. Si el estudiante completó satisfactoriamente los requisitos de alguna disposición del tribunal impuestos en relación con la conducta.

### Audiencia y hallazgos requeridos

El estudiante debe tener primeramente una audiencia ante la junta o su representante, quien debe determinar que además de las circunstancias anteriores que permiten la expulsión, la presencia del estudiante en el salón de clase regular:

1. Amenaza la seguridad de otros estudiantes o maestros,
2. Será perjudicial para el proceso de instrucción, o
3. No es para el mejor interés de los estudiantes del distrito.

Cualquier decisión de la junta o su representante bajo esta sección es definitiva y no se puede apelar.

### Duración de asignación

El estudiante está sujeto a la asignación hasta que:

1. El estudiante se gradúa de la escuela preparatoria,
2. Se levantan los cargos o se reducen a una infracción menor, o
3. El estudiante completa el término de la asignación o se le asigna a otro programa.

### Revisión de asignación

Un estudiante asignado a un DAEP o JJAEP bajo esta sección tiene derecho a una revisión de su situación, incluido el estatus académico, por parte del CBC o el representante de la junta en

## **Asignación y/o expulsión por ciertas infracciones**

intervalos que no excedan los 120 días. En el caso de un estudiante de preparatoria, también se revisará el progreso del estudiante hacia la graduación y el plan de graduación del estudiante. En la revisión, el estudiante o su padre tendrá la oportunidad de presentar argumentos para el regreso del estudiante al salón de clase o escuela regular.

### **Estudiantes recién matriculados**

Un estudiante que se inscriba en el distrito antes de completar una asignación bajo esta sección de otro distrito escolar debe completar el término de la asignación.

## Expulsión

Para decidir si se debe ordenar la expulsión, sin importar si la acción es obligatoria o discrecional, el CBC considerará:

1. Defensa propia (ver **glosario**),
2. Intención o falta de intención al momento en el que el estudiante participó en la conducta,
3. El historial disciplinario del estudiante,
4. Una discapacidad que imposibilite de manera significativa la capacidad del estudiante para distinguir la ilicitud de su conducta,
5. La situación de un estudiante bajo tutela del Departamento de Familia y Servicios de Protección (cuidado tutelar), o
6. La situación de no tener hogar de un estudiante.

### **Expulsión discrecional: Mala conducta que puede dar como resultado la expulsión**

Algunos de los siguientes tipos de mala conducta pueden dar como resultado una asignación obligatoria a un DAEP, sin importar si se expulsa o no al estudiante. (Ver **Asignación a un DAEP** en la página 19).

#### **Cualquier sitio**

Un estudiante **puede** ser expulsado por:

- Participación en intimidación escolar que anime a un estudiante a cometer o intentar cometer suicidio.
- Incitación de violencia en contra de un estudiante a través de intimidación escolar grupal.
- Publicación o amenaza de publicación de material visual íntimo de un menor o de un estudiante de 18 años de edad o mayor sin el consentimiento del estudiante.
- Conducta que contiene los elementos de agresión bajo el Código Penal 22.01(a)(1) en represalia contra un empleado o voluntario de la escuela.
- Mala conducta delictiva, si es sancionable como delito mayor.
- Participación en una conducta que contenga los elementos de una de las siguientes infracciones en contra de otro estudiante:
  - Agresión agravada.

  - Tentativa de homicidio u homicidio en primer grado.
  - Robo agravado.
- Quebrantamiento de seguridad informática. (Ver **glosario**).

- Participación en una conducta relacionada con una falsa alarma o informe (incluida una amenaza de bomba) o una amenaza terrorista que incluya una escuela pública.

### **En la escuela, a 300 pies o en un evento escolar**

Un estudiante **puede** ser expulsado por cometer cualquiera de las siguientes infracciones en la escuela o dentro de 300 pies de la propiedad escolar según lo medido desde cualquier punto del límite de la propiedad escolar, o mientras asista a una actividad patrocinada por la escuela o relacionada con la escuela dentro o fuera de la propiedad escolar:

- Vende, da o entrega a otra persona, o posee, usa o está bajo los efectos de cualquier cantidad de marihuana, una sustancia controlada o una droga peligrosa. Un estudiante con una receta válida de cannabis de bajo THC según lo autorizado por el Capítulo 487 del Código de Salud y Seguridad no infringe esta disposición. (Ver “bajo los efectos” en el **glosario**).
- Vende, da o entrega a otra persona, o posee, usa o está bajo los efectos de una bebida alcohólica; comete una infracción grave mientras está bajo los efectos del alcohol.
- Se comporta de tal manera que su conducta contiene los elementos de una infracción relacionada con abuso de químicos volátiles.
- Se comporta de tal manera que su conducta contiene los elementos de agresión bajo 22.01(a)(1) del Código Penal contra un empleado o un voluntario.
- Participa en una conducta mortal. (Ver **glosario**).

### **Dentro de 300 pies de la escuela**

Un estudiante **puede** ser expulsado por participar en las siguientes conductas mientras se encuentra a 300 pies de la propiedad escolar según lo medido desde cualquier punto del límite de la propiedad escolar:

- Agresión agravada, agresión sexual o agresión sexual agravada.
- Incendio premeditado. (Ver **glosario**).

- Robo agravado.
- Abuso sexual continuo de un niño pequeño o de una persona discapacitada.
- Delito mayor por ofensas de una sustancia controlada o droga peligrosa, sin incluir THC.
- Portar ilegalmente sobre la persona del estudiante una pistola o una navaja restringida en el sitio, según la definición de estos términos en la ley estatal. (Ver **glosario**).
- Poseer, fabricar, transportar, reparar o vender un arma prohibida, de acuerdo a lo definido por la ley estatal. (Ver **glosario**).
- Posesión de un arma de fuego, de acuerdo a lo definido por la ley federal. (Ver **glosario**).

## Propiedad de otro distrito

Un estudiante **puede** ser expulsado por cometer una infracción que el estado considere infracción con expulsión obligatoria si la infracción se comete en la propiedad de otro distrito en Texas o mientras el estudiante asiste a una actividad patrocinada por la escuela o relacionada con la escuela de otro distrito en Texas.

## En un DAEP

Un estudiante puede ser expulsado por participar en mala conducta grave documentada que viole el Código de Conducta del distrito, a pesar de las intervenciones de conducta documentadas mientras está asignado a un DAEP. Para propósitos de expulsión discrecional de un DAEP, mala conducta grave significa:

1. Conducta violenta deliberada que imponga una amenaza directa a la salud o seguridad de los demás;
2. Extorción, que significa la obtención de dinero u otra propiedad por fuerza o amenaza;
3. Conducta que constituya coerción, según lo definido por el Código Penal 1.07; o
4. Conducta que constituya la infracción de:
  - a. Lascivia pública bajo el Código Penal 21.07;
  - b. Exhibicionismo bajo el Código Penal 21.08;
  - c. Mala conducta delictiva bajo el Código Penal 28.03;
  - d. Novatadas maliciosas bajo el Código de Educación 37.152; o
  - e. Acoso bajo el Código Penal 42.07(a)(1) de un estudiante o empleado del distrito.

## Expulsión obligatoria: Mala conducta que requiere expulsión

Un estudiante **debe** ser expulsado bajo la ley federal o estatal por cualquiera de las siguientes infracciones que ocurran en la propiedad escolar o mientras asista a una actividad patrocinada por la escuela o relacionada con la escuela dentro o fuera de la propiedad escolar:

### Bajo la ley federal

- Llevar o poseer en la escuela, incluido cualquier lugar que esté bajo control o supervisión del distrito para propósitos de una actividad escolar, un arma de fuego, según lo definido por la ley federal. (Ver **glosario**).

**Nota:** La expulsión obligatoria bajo la Ley Federal de Escuelas sin Armas no se aplica a un arma de fuego que esté legalmente guardada dentro de un vehículo con seguro, o a armas de fuego usadas en actividades aprobadas y autorizadas por el distrito cuando el distrito ha adoptado medidas de resguardo apropiadas para garantizar la seguridad del estudiante.

### Bajo el Código Penal

- Portar ilegalmente sobre la persona del estudiante lo siguiente, de manera prohibida por el Código Penal 46.02:
  - Una pistola, definida por la ley estatal como un arma de fuego diseñada, hecha o adaptada para usarse con una mano. (Ver **glosario**). Nota: Un estudiante no puede ser expulsado únicamente con base en el uso, exhibición, o posesión del estudiante de un arma de fuego que ocurra en unas instalaciones de tiro al blanco que no estén ubicadas en un campus escolar, al participar o prepararse para participar en una competencia

deportiva de tiro patrocinada por la escuela o en una actividad deportiva de tiro patrocinada o apoyada por el Departamento de Parques y Vida Silvestre, o una organización deportiva de tiro trabajando con el departamento. [Ver el reglamento FNCG (LEGAL)].

- Una navaja restringida en el sitio, de acuerdo a lo definido por la ley estatal. (Ver **glosario**).
- Poseer, fabricar, transportar, reparar o vender un arma prohibida, de acuerdo a lo definido por la ley estatal. (Ver **glosario**).
- Comportarse de una manera en la cual la conducta contenga elementos de las siguientes infracciones bajo el Código Penal:
  - Agresión agravada, agresión sexual o agresión sexual agravada.
  - Incendio premeditado. (Ver **glosario**).
  - Homicidio, asesinato capital o intento criminal de cometer homicidio o asesinato capital.
  - Indecencia con un menor.
  - Secuestro agravado.
  - Robo agravado.
  - Homicidio no premeditado.
  - Homicidio criminal negligente.
  - Abuso sexual continuo de un niño pequeño o de una persona discapacitada.
  - Conducta sancionable como delito mayor que incluye vender, dar o entregar a otra persona, o poseer, usar, o estar bajo los efectos de una sustancia controlada o una droga peligrosa.
- Participar en represalias contra un empleado o voluntario de la escuela en combinación con una de las infracciones de expulsión obligatoria indicadas previamente.

### Menos de diez años

Cuando un estudiante menor de diez años participa en una conducta que se castiga con expulsión, el estudiante no será expulsado, sino que se le asignará a un DAEP. Un estudiante menor de seis años no se debe asignar a un DAEP a menos que haya cometido una infracción federal con armas de fuego.

### Proceso

Si se piensa que un estudiante ha cometido una infracción cuyo castigo es la expulsión, el CBC u otro administrador apropiado programará una audiencia dentro de un periodo razonable. Se invitará al padre del estudiante por escrito para que asista a la audiencia.

Hasta que se pueda llevar a cabo una audiencia, el CBC u otro administrador puede asignar al estudiante a:

- Otro salón de clase adecuado.
- ISS.
- Suspensión fuera de la escuela.

- DAEP.

### **Audiencia**

Se dará a un estudiante que se enfrente a la expulsión una audiencia con el debido proceso. El estudiante tiene derecho a:

1. Representación por el padre del estudiante u otro adulto que pueda proveer guía al estudiante y que no sea empleado del distrito,
2. Una oportunidad de testificar y presentar evidencias y testigos en su defensa, y
3. Una oportunidad de hacer preguntas a los testigos convocados por el distrito para la audiencia.

Después de dar aviso al estudiante y su padre sobre la audiencia, el distrito puede detener la audiencia sin importar si el estudiante o los padres del estudiante asisten.

La junta escolar delega al superintendente la autoridad de llevar a cabo audiencias y expulsar a estudiantes.

### **Revisión de la expulsión por parte de la junta**

Después del debido proceso de la audiencia, el estudiante expulsado puede solicitar que la junta revise las decisiones de expulsión. El estudiante o padre debe presentar una solicitud escrita al superintendente en un plazo de siete días después de recibir la decisión escrita. El superintendente debe dar al estudiante o padre un aviso escrito de la fecha, la hora y el lugar de la reunión en la cual la junta revisará la decisión.

La junta revisará el informe de la audiencia de expulsión en una reunión privada, a menos que el padre solicite por escrito que el asunto se puede llevar a cabo en una reunión pública. La junta también puede escuchar una declaración del estudiante o padre y del representante de la junta.

La junta considerará y basará su decisión en evidencias reflejadas en el informe y en cualquier declaración hecha por las partes en la revisión. La junta hará y comunicará su decisión verbalmente al concluir la presentación. No se diferirán las consecuencias hasta que finalice el resultado de la audiencia.

### **Orden de expulsión**

Antes de ordenar la expulsión, la junta o el CBC considerará:

1. Defensa propia (ver **glosario**),
2. Intención o falta de intención al momento en el que el estudiante participó en la conducta,
3. El historial disciplinario del estudiante,
4. Una discapacidad que imposibilite de manera significativa la capacidad del estudiante para distinguir la ilicitud de su conducta,
5. La situación de un estudiante bajo tutela del Departamento de Familia y Servicios de Protección (cuidado tutelar), o
6. La situación de no tener hogar de un estudiante.

Si el estudiante es expulsado, la junta o su representante darán al estudiante y al padre del estudiante una copia de la orden de expulsión del estudiante.

A más tardar el segundo día hábil después de la audiencia, el superintendente o designado de superintendente entregará al tribunal de menores una copia de la orden de expulsión y toda la información requerida por la Sección 52.04 del Código de Familia.

Si el periodo de expulsión no coincide con las pautas incluidas en el Código de Código de Conducta, la orden de expulsión dará aviso de la incoherencia.

### **Duración de la expulsión**

La duración de la expulsión se basará en la gravedad de la infracción, la edad y nivel de grado del estudiante, la frecuencia de la mala conducta, la actitud del estudiante y los requisitos estatutarios.

La duración de la expulsión de un estudiante se determinará con base en cada caso. El periodo máximo de la expulsión es un año calendario, salvo lo estipulado a continuación.

Una expulsión no puede exceder un año, a menos que, después de la revisión, el distrito determine que:

1. El estudiante es una amenaza para la seguridad de otros estudiantes o empleados del distrito, o
2. La expulsión prolongada es para el mejor interés del estudiante.

La ley federal y estatal exige que un estudiante se expulse del salón de clase regular durante un periodo de por lo menos un año calendario por llevar a la escuela un arma de fuego, de acuerdo a lo definido por la ley federal. Sin embargo, el superintendente puede modificar la duración de la expulsión con base en cada caso.

A los estudiantes que cometen infracciones que requieren la expulsión al final del año escolar se les puede expulsar incluso después de iniciar el siguiente año escolar para completar el término de la expulsión.

### **Baja durante el proceso**

Cuando la conducta de un estudiante requiera o permita la expulsión del distrito y el estudiante se da de baja del distrito antes de que se lleve a cabo la audiencia de la expulsión, el distrito puede llevar a cabo una audiencia después de enviar aviso escrito al padre o al estudiante.

Si el estudiante se matricula nuevamente en el distrito durante el mismo año escolar o el subsiguiente, el distrito puede ejecutar la orden de expulsión en ese momento, menos cualquier periodo que el estudiante haya cumplido el periodo de expulsión durante su matrícula en otro distrito.

Si el CBC o la junta no emite una orden de expulsión después de la baja del estudiante, el siguiente distrito en el cual se matricule el estudiante puede completar los procesos.

### **Mala conducta adicional**

Si durante la expulsión el estudiante participa en mala conducta adicional para la cual se requiere o permite la asignación a un DAEP o expulsión, se pueden llevar a cabo procesos adicionales y el CBC puede emitir una orden disciplinaria adicional como resultado de esos procesos.

## Restricciones durante la expulsión

Los estudiantes expulsados tienen prohibido estar en la propiedad escolar o asistir a actividades patrocinadas por la escuela o relacionadas con la escuela durante el periodo de expulsión.

No se obtendrá ningún crédito académico por el trabajo perdido durante el periodo de expulsión a menos que el estudiante esté matriculado en un JJAEP u otro programa aprobado por el distrito.

## Estudiantes recién matriculados

El distrito continuará la expulsión de cualquier estudiante recién matriculado expulsado de otro distrito o de una escuela autónoma (charter) de inscripción abierta hasta que se complete el periodo de expulsión.

Si un estudiante expulsado de otro estado se matricula en el distrito, el distrito puede continuar la expulsión bajo los términos de la orden de expulsión, puede asignar a un estudiante a un DAEP durante el periodo especificado en la orden, o puede permitir que el estudiante asista a clases regulares si:

1. El distrito del otro estado provee al distrito una copia de la orden de expulsión, y
2. La infracción que causó la expulsión es también una infracción con motivo de expulsión en el distrito en el cual el estudiante se está matriculando.

Si un distrito escolar de otro estado expulsó al estudiante por un periodo que exceda un año y el distrito continúa la expulsión o asigna al estudiante a un DAEP, el distrito reducirá el periodo de expulsión o asignación a un DAEP de manera que el periodo no exceda un año, a menos que después de una revisión se determine que:

1. El estudiante es una amenaza para la seguridad de otros estudiantes o empleados del distrito, o
