Absent: Thomas

Previous Minutes: May 11, 2020. Moved by Bryan, seconded by Belill to approve the minutes of May 11, 2020 with any changes or corrections. All in favor

Bills: Bills in the amount of \$ 56,090.44 were presented. Moved by Faris, seconded by Clontz to approve the bills in the amount of \$ 56,090.44.
ROLL CALL: Yeas – Rizk, Bryan, Faris, Clontz, Belill, Paulson
Nays – None Motion carried

Treasurer Report: Faris presented the April 2020 Treasurer Report. Faris stated as of March 31st all the fund balances are at \$7,400,753.59 of which the general fund accounts for just under \$3,000,000. Faris stated we are at 25% of the annual budgeted revenue and expense.

Building Report: Rizk stated construction has picked up with additions and pole barns, but noted the most significant construction happening is the Farrand Road pump station reconstruction. Rizk stated notifications have been sent out to residents regarding road closures and construction wont be complete until 2021.

Library Report: Rizk stated the Library is scheduled to open next Monday.

Senior Center Report: Rizk stated Burger has been busy installing barriers, painting the facility and adding shelves to the facility.

Fire Authority Report: Paulson congratulated DJ Williams on 20 years of service and reported fire runs are up over last year due to brush fires and likely people staying home. Paulson stated the station would be open for walk ins beginning June 15th and protective barriers are in place. Paulson stated they received a \$2700 grant for water packs to fight brush fires.

BDA Report: Rizk stated flower planting will begin once the water is turned on.

Parks & Rec Report: Belill stated their first meeting is Thursday.

Sports Complex Report: Clontz stated a plan is in place to begin baseball and softball and they are currently registering for the season. Clontz reported the new football board is expanding to offer spring and fall flag football and since they recently joined with the other organization they expect to see numbers rise. Clontz stated the Board would be voting on the demolition and re-construction of the soccer concession stand.

Supervisor Report: Rizk appointed Paulson, Faris and Clontz to a committee to look at the Genesee County Sherriff contract that is set to expire on 12/31/20 and explore the possibility of joining Montrose Township, Clio of Clio and possibly Thetford Township to create a northern tier department. Rizk asked for a report back in August. Rizk stated the Vienna Township Offices would be resuming normal hours on June 15, 2020, barring any significant changes and with strict policies in place to be adopted later in the meeting.

Additions/Changes: None
Correspondence: None
Public Comment: None

New Business:

1. 2020 Mid-Year Budget Adjustments. Moved by Bryan, seconded by Faris to approve the 2020 Mid-Year Budget Adjustments. Rizk explained the adjustments are a direct result of the pandemic.

ROLL CALL: Yeas – Bryan, Faris, Clontz, Paulson, Belill, Rizk
Nays – None Motion carried

2. Clio Area Sports Complex Pavilion. Moved by Clontz, seconded by Paulson to contract with Custom US to remove and replace the soccer concessions at the Complex in an amount not to exceed \$49,729.60 and any overages to be covered by the Clio Youth Sports Complex Board. Rizk stated Rozboril has done a tremendous amount of work on this. Clontz stated the building was damaged due to a water line break and was turned into the insurance company as a claim that has since been approved and check received. Clontz explained the quote to do the work exceeds the amount of the claim, but Custom US has agreed to do the work for the amount of the claim. Clontz stated \$5,693.03 was held by the insurance company pending the rebuild and inspection. Belill questioned what occurred to cause that amount in damages. Clontz stated the water line break resulted in a complete loss of the current structure.

ROLL CALL: Yeas – Faris, Clontz, Paulson, Belill, Rizk, Bryan
Nays – None Motion carried

I, the undersigned, do hereby certify that the foregoing is a true and complete copy of the minutes of the regular meeting of the Township Board of the Charter Township of Vienna, Genesee County, Michigan, held on the 8th day of June, 2020.

Clio Senior Center

Report for June 2020

We officially “re-opened” on June 15th; however, the restrictions placed on us have made it feel more deserted than the previous 3 months. Per County restrictions we are to limit participation within the building to 10 - including staff, volunteers, trainers, etc. – very few of our programs are small enough to qualify and only our Woodcarvers have resumed meeting. MMAP, through Susan Marlow, and Legal Services, with Seth Thomas, were both able to see clients. Exercise programs cannot be conducted indoors, therefore, we offered to hold Yoga, Line Dancing, Fitness Walk, and others, outside but the instructors determined that they would wait until they could resume inside the building. The only program that is thriving is Pickleball with daily participation in the early morning or later evening time slots.

Although it is unforeseeable as to when we will be back to “somewhat normal” we are working on some larger outdoor programs for the fall (Car Show and Pentathlon) with the belief that we can reasonably ensure safety. We may have to cancel, but if we don’t plan for the event now it won’t happen. All of this on the heels of the County making a decision to cancel the Senior Day at the Fair in August (people huddled inside a tent...) and Senior Winter Games for February 2021 where all events are indoors and generally well attended.

All of our Welcome Desk volunteers and drivers have returned. They have been a tremendous help by answering calls and delivering meals – I feel badly for them and have “given them an out” because the place is a ghost town, but they have all determined that they will continue to help. I can truly say that volunteerism is the heart of what we do at CASC.

Patty is still out on medical leave. Therapy is going well and consistently progressing – the surgeon told her she could return on July 17th. We look forward to her return!

The COVID shutdown has prompted thought about programming and use of the Center... We have had 10 – 15 people who “hung out” at the Center for most of the day in the past (8 or 9 of these people are from group homes). In our current re-opened state, we do not allow that, and moving forward into the next phase I am trying to formulate policy to limit participation to specific programs or times. Obviously, there are many things to consider in this policy, but I believe that the Board and I will be able to create something appropriate.

The County has a new person in the GCROSS who is looking at everything for the first time. Due to salary increases (which you graciously granted CASC employees) she made several changes to the budget that I submitted because she believed that no salary increases are allowed. I spent a great deal of time and provided some historical data before I gave up and redid our budget completely. The

bottom line, the County is responsible for \$170,255 whether it is reimbursement for salaries or other line items. I'll be happy to supply you with the latest budget submission if you would like to see it.

We were able to:

- Provide 232 lunches in June to 16 people. As of June 1, all meals were prepared by GCCARD and delivered by our drivers.
- Distribute Commodities and/or T-fap to 55 people.
- Distribute fresh fruits, vegetables, meat, and dairy to 65 people through the Flint Fresh program.
- Distribute an additional 20 boxes of fruits, vegetables, and meat that were left over from Our Lady of Guadalupe.
- Distribute 21 Senior Project Fresh coupons.

As President of MASC, I've had two Microsoft Team meetings with State agencies: one for update purposes, and the other for brainstorming the idea of "virtual senior centers" (not as replacements for brick and mortar, but as enhancements). We are in the process of plan-development and grant writing to see if we can get some traction on this. This would allow CASC to offer programming participation with other Centers across the State for education, exercise and enrichment. I see it as a win/win for all involved.

Zoom meetings with the other directors from the Count continue weekly. Flushing recently hired Greg Matheson to replace their retired director, and Forest Township has a new director starting July 1. I look forward to working with these people to bring even more, and better, programs to CASC.

To the Vienna Township Sheriff Department,

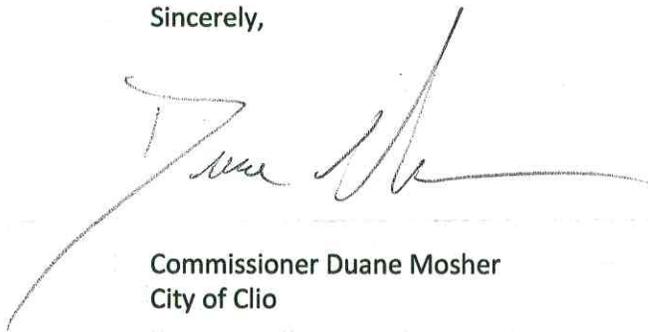

I am writing this letter to thank one of your deputies for his professionalism. On Memorial Day, May 25, 2020, one of your deputies responded to a call to back up the Michigan State Police in Thetford Township at 3137 East Vienna Road on a call that involved firearms.

My mother-in-law lives next door. During the on scene investigation deputy Jim Duhart came to ask her some questions. She had called my wife because of all the activity and was concerned and nervous about getting involved. My wife and I immediately left our house to go comfort her. When we arrived Deputy Duhart was talking to her.

I was pleased to find that Deputy Duhart has been extremely professional and comforting in his conduct. My mother-in-law was relatively calm comfortable with the situation, much more so than when we talked to her on the phone 10 minutes previous. I believe this is thanks to Deputy Duhart doing his job in a responsible and professional manner.

In this day of negative reporting of law enforcement personnel I feel it is important to acknowledge positive experiences with our officers. I wish to thank the entire department and especially Deputy Duhart for the positive situation my mother-in-law experienced.

Sincerely,

Commissioner Duane Mosher

Subject: Comcast Programming Changes

Good afternoon,

We are committed to keeping you and our customers informed about changes to Xfinity TV services. Accordingly, please note the following changes:

We were recently notified by Showtime that on July 15, 2020, they plan to cease providing SHO Beyond and will be launching SHO x BET. Like SHO Beyond, SHO x BET will be a secondary multiplex channel of the primary Showtime service and will replace SHO Beyond wherever it is currently offered.

And on or about July 28, 2020, we plan to add Recipe.TV, Justice Central and Comedy.TV to the Digital Starter level of service. Customers will need an IP-capable device (e.g., Xfinity X1) in order to view these new channels.

Please feel free to contact me at 734-359-2077 if you have any questions.

Sincerely,

John P. Gardner
