The meetings of the Newport School Board are open public meetings and the public is welcome to attend and observe. While the board has set aside a portion of the meeting for audience participation and welcomes such participation at that time, the meetings are not a forum for public debate. If you wish to address the board during the designated audience time, please register with the board chair upon arrival. If, at any time during the meeting, you have questions or comments, please wait to be recognized by the Board Chair. We ask that the audience refrain from commenting and/or debating issues during the meeting.
