- The authority to quarantine individuals rests with the County Health Department.
- The County Health Department will contact those who may have had close contact with a COVID positive case.
- The District's response to positive cases will balance the need to mitigate COVID exposure and ensuring a disruption to the learning environment for the smallest group possible.
- If necessary, movement between learning models, or school closure, may be communicated by the Infinite Campus messenger system. Please make sure your contact information is updated in the Infinite Campus Parent Portal.
- Information regarding Unity School District's response to COVID-19 will be updated and shared on the District website at www.unity.k12.wi.us.

Parent-Teacher Conferences Go Virtual

Parent-Teacher Conferences are scheduled for Monday, October 19 from 4:00-8:00PM. The format will be changed to virtual conferences with parents scheduling their conferences online. Student Enrollment Down Slightly

The Unity School District's pupil enrollment is down slightly this year, as reported in the DPI September Pupil Count. Unity has had a stable enrollment for the last several years.

Several reasons have been identified as contributing to the decrease.

- Summer school enrollment was less than half of the normal enrollment due to only virtual classes being offered due to COVID.
- Some students enrolled in various online charter schools this summer, rather than participating in Unity's Virtual Learning Option.
- Some families opted to homeschool during this difficult time.

To compensate for enrollment decrease, Unity will qualify for a Declining Enrollment Exemption for the 2020-2021 school year's budget.

LEAP Child Care Center Is Open!

The LEAP (**L**ittle **E**agles **A**t **P**lay) program is open and accepting registrations. If you are an interested parent, contact the Center Director for a tour. Heather Tiedemann can be contacted by email at htiedemann@unity.k12.wi.us or by phone at (715) 825-3515 x4000.

Enrollment at the center has been increasing each week as more families become familiar with the opportunities in the program. There is still space available in many age groups.

In addition, the LEAP Center is now accepting registrations for part-time enrollment. These openings may be limited, so contact them today.

Community Education Changes

- The Unity Aquatics and Fitness Centers have reopened to the public. The hours of operation are the normal times.
- Patrons must pre-register online as the spaces are limited due to social distancing requirements and group size limitations. The link is on the District website: <https://www.mis.io/portal/unityschooldistrict/member/book>. Increased cleaning procedures and other health safety precautions have been implemented.
- Other community events and community education offerings are limited at this time due to the priority of student programming at the school and the necessary cleaning protocols.
- If you have any questions about Community Education, please contact Amanda Warner at (715) 825-3515 x5010 or awarner@unity.k12.wi.us.

USDA Extends Food Service Free Meal Program Through School Year

- The USDA Has Extended Free Meals for Kids for the Entire School Year!
- Flexibilities are now available through June 30, 2021.
- "U.S. Secretary of Agriculture Sonny Perdue announced last Friday that the U.S. Department of Agriculture (USDA) is extending flexibilities to allow free meals to continue to be available to all children throughout the entire 2020-2021 school year. This unprecedented move is part of USDA's unwavering commitment to ensuring all children across America have access to nutritious food as the nation recovers from the COVID-19 pandemic."

Unity's Virtual Learning Option

- Canvas Learning is the platform that Unity uses to help teachers manage and organize educational materials online and conduct online courses. It makes it easier for students and parents to access their learning activities. In addition, over 30% of Higher Education Institutions use Canvas, including the UW-System and University of Minnesota.
- Flipped Learning is an educational approach in which direct instruction moves from the group learning space to the individual learning space, and the resulting group space is transformed into a dynamic, interactive learning environment where the educator guides students as they apply concepts and engage creatively in the subject matter.
- The Four Pillars of F-L-I-P. (<https://flippedlearning.org/definition-of-flipped-learning/>)
 - Flexible Environment
 - Learning Culture
 - Intentional Content
 - Professional Educator
- As of October 1, Unity has 170 students successfully participating in the Virtual Learning Option.

Success of Summer School Food Deliveries

- Unity made and delivered 50,381 lunches and 50,381 breakfasts during the spring and summer of COVID school closure.
- 100,762 total meals were served. Thank you to the food service, custodians, educational assistants, and bus drivers that made this unbelievable feat possible!

* The 60 & 70 series funds are "fiduciary" funds. Presentation of these funds taken out of the adoption format to agree with GASB 34 requirements. This change also brings the school district adoption format more into conformity with statute 65.90 requirements used for other Wisconsin governments which specify that information be presented for governmental and proprietary funds, but does not require it for fiduciary funds.
