VI. Teacher comment on student Sergio Soto:

Ms. Rutherford had the following to say about Sergio Soto “Sergio is a big leader on our campus! He is naturally gifted and uses his talents to make his school community a better place. I was fortunate to notice Sergio’s talent and recruited him as a Freshman for our UIL Computer Applications team. Sergio was hooked after his first meet; excelling all the way to State and placing at state competition as a Freshman! He has continued to amaze me with his gifts and has been to state twice, place twice, amoving up each year. I am counting on Sergio this year as a UIL STATE computer applications finalist and am so proud to have him represent Academy High School!”.

SANTA GERTRUDIS VOLLEYBALL TEAM!

“You would be amazed at what can be accomplished when it doesn’t matter who gets the credit.”

We are all here to serve

Basketball

Basketball season is underway and we have our first High School Home game of the season scheduled for 11-17-2020 for the Boys and the Girls will be at home for the first time on 11-23-2020. Coaches have done a great job of transitioning the kids from the Fall sports into basketball. We have a group of coaches who work very well together to plan practice times and facilities to get all of our kids the court time they need to continue to develop their skills. JH Boys and Girls have also started and are playing Bishop today 11-12-20 and will play again on Thursday 11-19-20 against Banquete (girls home, boys away). All tickets are still being sold and processed through the online ticketing system on our SGISD Athletics Website.

Soccer

Coaches have had their Soccer meeting virtually and will begin practice soon. Tryouts are scheduled for November 30th. Right now we are planning to field only Varsity teams for both boys and girls. The games this year will once again be played at Kleberg Park.

We were unsure if the UIL was going to restrict our Soccer teams from attending tournaments as they did with basketball but the latest guidance from them has allowed Soccer to proceed forward with tournaments this year.

Powerlifting-Offseason

Coach Joey Vasquez is the Powerlifting Coach this year and he will begin meeting next week with the students interested in joining. We have purchased big air movers for the weight room to improve circulation in there as well as sanitizing bars and benches between lifters with cleaning wipes. We had a great kick off to the offseason with a visit from Tres Sanchez who came in to speak to the kids during Veterans Week. Our plan is to schedule more Alumni to come in encourage our kids to keep working hard. We have so much ground to make up in the weight room and have no time to waste. I am excited and anxious to take on the challenge!

Athletic Director Message

Thank you to our Band Director Mr. Mendez for organizing a Senior Parents Night event on Monday 11/16/20- This has been such a difficult year for our kids and their parents. We are always looking for a way to honor and thank our Seniors for all of their hard work and leadership.

Facilities and space have always been a challenge with the numbers of teams that we have as a 3A high school but this challenge has been compounded with the current pandemic. I want to thank all of our coaches, parents, and students for doing their best do adjust and adapt. However, there is a definite need for more space to help give our teams additional options to safely get on the court and practice.

Please be careful as you travel to support all of our Lions. I will see you out there!

Coach Lozano IV- SGA Athletics.
