## BOARD AGENDA ITEM

**Meeting Date:** May 12, 2025

**Item Title:** Administrator Retirement

**Agenda Item:** Dr. Rebecca Brown

### **Background Information:**

Tammy Dowdy is the district's Director of Communications. She is retiring after 28 years of service in public education, including the last 20 years in Dickinson ISD. Tammy began her school public relations career in Pasadena ISD, where she spent eight years before joining Dickinson ISD in 2004.

Throughout her career, Tammy has been a driving force in shaping how the district communicates with families, staff, and the community. She played a key role in the successful passage of five bond referendums, helping guide the messaging and public engagement that led to new schools and major facility improvements. During her time in Dickinson ISD, the district nearly doubled in size—from 6,800 to 12,500 students—and Tammy was at the forefront of communicating that growth.

She has led the charge in sharing the good news about Dickinson ISD schools through evolving print and digital channels and has coordinated countless events, including groundbreaking, dedications, convocations, board recognitions, back-to-school celebrations, and employee honors. Her work has been recognized across Texas, earning her numerous state awards for writing and publications through the Texas School Public Relations Association (TSPRA), where she also served as Vice President for the Houston region.

Thank you, Tammy, for your exceptional dedication to Dickinson ISD, your leadership in school communications, and your commitment to our students, staff, and community.

ORDER APPROVING A NEW TERM RATE PERIOD FOR THE DICKINSON INDEPENDENT SCHOOL DISTRICT VARIABLE RATE UNLIMITED TAX REFUNDING BONDS, SERIES 2013; AND APPROVING OTHER PROVISIONS RELATED THERETO

WHEREAS, pursuant to Chapters 1207 and 1371, Texas Government Code and an order adopted on June 17, 2013 (the “Bond Order”), the Board of Trustees (the “Board”) of Dickinson Independent School District (the “District”) authorized the issuance of the District’s Variable Rate Unlimited Tax Refunding Bonds, Series 2013 (the “Bonds”);

WHEREAS, the Bonds currently bear interest for a Term Rate Period through and including July 31, 2025, and such Bonds are subject to mandatory tender and remarketing on August 1, 2025 (the “Conversion Date”);

WHEREAS, the Board has determined that it is in the best interests of the District for the Bonds that are remarketed to bear interest at a Term Rate for a new Term Rate Period;

WHEREAS, pursuant to Section 2.01 of the Bond Order, each of the District’s Superintendent and its Deputy Superintendent for Business and Operations (each, an “Authorized Representative”) were delegated authority with respect to the pricing, sale and delivery of the Bonds, and the Board desires to confirm such delegation with respect to the conversion and remarketing of the Bonds contemplated herein;

WHEREAS, Section 13.01 of the Bond Order provides that the Bond Order may be amended in any way without consent of the holders of the Bonds: (a) when all Bonds have been tendered to the Remarketing Agent pursuant to the terms of the Bond Order, but have not been remarketed; provided, however, that the Remarketing Agent has received notice of such amendment, and (b) effective upon the Conversion Date to a new Rate Period to make any amendment affecting only the Bonds being converted;

WHEREAS, the Board hereby authorizes amending of the Bond Order as necessary to convert the Bonds to the Term Rate Period provided herein, which amendments shall become effective from and after the Conversion Date.

NOW, THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE DICKINSON INDEPENDENT SCHOOL DISTRICT THAT:

Section 1. Recitals; Definitions. The recitals to this Order are hereby found by the Board to be true and correct and are hereby incorporated into and made a part of this Order. Terms not otherwise defined in this Order, including the above recitals, shall have the same meanings set forth in the Bond Order.

Section 2. Approval of Term Rate Period. Pursuant to Section 3.02(c) of the Bond Order and subject to the availability of sufficient funds to purchase the Bonds required to be purchased pursuant to Section 4.02 the Bond Order, the Bonds shall bear interest at a Term Rate for a new Term Rate Period beginning on the Conversion Date and, except as otherwise determined by the Authorized Representative pursuant to Section 3 below, continuing through and including

July 31, 2027, with such Bonds subject to mandatory tender on August 1, 2027; provided, however, because August 1, 2027 is not a Business Day, such tender shall occur on August 2, 2027, the first Business Day after the scheduled mandatory tender, and the Term Rate Period shall be deemed to have been extended to end on August 1, 2027. The Bonds shall be remarketed in accordance with the terms of the Bond Order, as modified by this Order and the Officer's Pricing Certificate to be signed by the Authorized Representative in connection with the remarketing. The costs of such remarketing shall be paid from lawfully available funds of the District.

Section 3. Delegation; Amendments. The Authorized Representative is hereby authorized and directed to take all other actions that are necessary to provide for the conversion of the Bonds to a new Term Rate Period and, pursuant to Section 13.01(e) of (g) of the Bond Order, to approve any modifications to the terms of the Bond Order or the Bonds deemed necessary or advisable by the Authorized Representative to effectuate the remarketing of such Bonds on the most favorable terms, including, but not limited to, terms related to optional redemption, the Record Date and Interest Payment Dates, the Term Rate Conversion Date for the new Term Rate Period, including adjustments to the Term Rate Conversion Date if such date is not a Business Day, the Stepped Rate, a maximum interest rate for the Bonds, any term-out provisions applicable upon a failed remarketing of such Bonds, and any continuing disclosure undertaking with respect to the Bonds. Any determinations by the Authorized Representative shall be set forth in an Officer's Pricing Certificate delivered to the Remarketing Agent, the Paying Agent/Registrar and the Tender Agent on or before the Conversion Date. Notwithstanding the above, the Authorized Representative may not amend the Bond Order in any manner that would permit the Bonds to be remarketed at a price other than the par amount thereof. The Authorized Representative and all other appropriate officers, agents and representatives of the District are further authorized to take all actions and execute, deliver and/or accept on behalf of the District, all agreements, certificates, consents, waivers, receipts, notices, requests, supplements, and other documents as may be reasonably necessary to carry out the actions contemplated by this Order or the Bond Order.

Section 4. Effect of Failure of Term Rate.
