Background Information:

There are minimal changes to the 24-25 Red Oak ISD Extracurricular Code of Conduct since this is a non-legislative year and the document has been functioning.

Fiscal Implications:

No change

Administrative Recommendation:

The Administration recommends approval of the Extracurricular Code of Conduct for the 2024-2025 school year.

Red Oak Independent School District Extracurricular Code of Conduct as of the ~~2023-2024~~2024-2025 school year

I. Extracurricular Activities

The term "extracurricular activities" means, without limitation, all interscholastic athletics, cheerleading, drill team, academic clubs, special interest clubs, musical performances, dramatic products, student government, and any other activity or group that participates in contests, competitions, or community service projects on behalf of or as a representative of the district. The term includes any non-curricular event and membership or participation in groups, clubs, and organizations recognized and approved by the district.

A student's participation in a particular extracurricular activity is conditioned upon the student's compliance with the requirements and standards of behavior set forth in the Red Oak ISD Student Code of Conduct outlined in the Student Handbook, and the Red Oak ISD Extracurricular Code of Conduct. Additionally, individual activities may have additional guidelines specific to their group or activity in which a student may be held accountable.

II. Jurisdiction

Student participation in extracurricular activities is encouraged. Red Oak ISD makes extracurricular activities available as an extension of the regular school program, with this important difference: participation in the regular curriculum is a right afforded to each student, while participation in the extracurricular program is a privilege that carries additional expectations for acceptable conduct. Students engaging in extracurricular activities represent not only themselves, but also other students and the district when performing, competing, or participating in extracurricular activities and while wearing uniforms or other clothing that identifies the student to the community or public in any setting as Red Oak ISD students. For this reason, their behavior must be exemplary and reflect the finest attributes of the total Red Oak ISD student body **at all times and places**.

Important goals of the extracurricular activities are to give students direction in developing self-discipline, responsibility, pride, loyalty, leadership, teamwork, respect for authority, and healthy living habits.

Because participation in extracurricular activities is a privilege and not a right, Red Oak ISD is authorized to set higher standards for participants of extracurricular activities than it would for those students who choose not to participate in these activities. Therefore, this *Extracurricular Code of Conduct* will be enforced with all students grades 6th-12th participating in extracurricular activities:

- Regardless of whether school is in session;

- Regardless of whether the offense occurs on or off school property or at a school-related event;
- Regardless of whether the student is directly involved with the extracurricular activity at the time the prohibited conduct occurs;
- Regardless of whether the extracurricular activity is in-season; and
- Regardless of where and when the conduct occurs.

It is possible that a student who violates the *Red Oak ISD Student Code of Conduct* will incur consequences from both the appropriate school administrator and from his or her coach, director or sponsor for the same particular violation. However, the standards of the *Red Oak ISD Extracurricular Code of Conduct* are independent of the *Red Oak ISD Student Code of Conduct*, and therefore it is also possible that a student participating in extracurricular activities could violate the individual extracurricular activity's code of conduct and/or the *Red Oak ISD Extracurricular Code of Conduct* and be subject to discipline by a coach, director or sponsor without having violated the *Red Oak ISD Student Code of Conduct*.

III. Conduct Expectations

The following conduct is expected of all participants. Failure to meet these expectations can result in disciplinary action by the coach, director or sponsor:

- Student commitment to a team or organization is expected for the entire season or activity. Students are encouraged to participate in more than one extracurricular activity; however, students may not quit one sport or organization later than before the first contest (or other such activity), in order to participate in another while the sport or club that he or she quit is still active. If a student is involved in two activities at the same time, quitting one activity will not affect the student's status in the other activity.
- All students participating in ROISD extracurricular activities that require participation on team or other formal groups, such as athletics, cheerleading, drill team, etc., made a commitment to the team or group, their teammates and their school. Each program demands the dedication of time and energy of the student participant. Part of this commitment is to be a student first and strive for academic excellence and maintaining academic eligibility at all times. Another part of this commitment is to place the ROISD extracurricular team or group above participation in any non-school sanctioned activity and attend all practices, games, contests, or other organized group activities scheduled by ROISD coaches or sponsors.

Without permission from a coach, director, or sponsor, if a student misses an ROISD extracurricular practice or other activity because of participation in an activity not under the direction of ROISD (non UIL extracurricular activities, such as club sports, etc.), the student may be suspended for one game, contest or other event. If a student

***** 2024-2025 DRAFT Extracurricular Code of Conduct *****

chooses an outside activity over an ROISD activity for a second time, he/she may be released from the team or organization.

In addition, in the event a student misses an ROISD extracurricular contest, game or other such event to participate in an activity not under direction of ROISD, the student has chosen that activity over the ROISD activity and he/she may be released from the team or organization.

- Students who participate in extracurricular activities that involve competition among schools and school districts will conduct themselves in a sportsmanlike manner at all times. This includes behavior toward visiting teams or hosting teams as well as the opponent's fans. Red Oak ISD participants will be noted for clean, tough, competitive play. Students who fail to comply with this requirement are subject to punishment up to and including removal from the team or organization for a fixed or indefinite period, or permanently.
- Students who cannot be present for a practice, workouts, meeting, or event should contact the coach, director, or sponsor, as soon as they are aware that they will be absent. Missed practices, meetings, or workouts will be made-up; however, disciplinary action may still be taken if a participant is absent more than two times in a semester or is absent any time without good cause.
- Injured or ill students who are unable to participate should still attend practices, workouts, meetings, or events as required by the coach, director, or sponsor.
- Students are required to show respect at all times to coaches, directors and sponsors.
- Students should follow the rules promulgated in the *Red Oak ISD Student Code of Conduct*. Failure to do so may result in additional disciplinary measures related to the student's participation in extracurricular activities as determined by the coach, director or sponsor.
- Students in grades 9-12 who wish to participate in competitive, school-sponsored extracurricular activities must participate in the mandatory drug testing program. This program shall include comprehensive testing at the beginning of the school year and random testing throughout the school year. See Board Policy FNF (Legal) and (Local) for more information regarding drug testing.

IV. Prohibited Conduct and Disciplinary Action

In addition to obeying rules set forth in the *ROISD Student Code of Conduct*, the particular extracurricular activity's guidelines, if any, or rules otherwise communicated to the student by the activity's coach, sponsor or director, a student in grades 6 through 12 participating in any ROISD extracurricular activity shall comply with the *Extracurricular Code of Conduct* and will be disciplined as outlined below:

A. General Misconduct Guidelines

Red Oak ISD students who participate in extracurricular activities are prohibited at all times and in all places from:

- Violating the *ROISD Student Code of Conduct*
- Repeated violations of the *ROISD Student Code of Conduct*

Students will be subject to the consequences outlined in the *ROISD Student Code of Conduct* and the following actions based on the severity of the infraction as determined by the appropriate coach/sponsor/director in conjunction with the designated Campus Behavior Coordinator:

- Suspension from team/activity for up to 30 days and/or
- Removal from or ineligible for leadership role for one calendar year and/or
- Removal from the team or organization

***Leadership is defined as a role or responsibility that was awarded through a formal criteria, selection or evaluation process that a student completed an application for consideration.

Red Oak ISD students who participate in extracurricular activities are prohibited at all times and in all places from:

1. Behaviors resulting in an In-School Suspension or an Out of School Suspension

Action taken:

Any student who is serving an In-School or Out of School Suspension is **NOT** eligible to compete in extracurricular contests until the In-School or Out of School Suspension is complete.

Removal from or ineligible for a leadership role permanently.

3. Behaviors resulting in Mandatory DAEP Assignment

Action taken:

Any student removed from the regular educational setting and assigned to DAEP for a mandatory reason shall be disciplined as follows:

1st Offense: The student shall be suspended from participation in extracurricular activities while assigned to DAEP and from further participation in all extracurricular activities for up to 30 calendar days after returning from DAEP. Removal from or ineligible for a leadership role for one calendar year.

2nd Offense: The student shall be suspended from participation in extracurricular activities while assigned to DAEP and from further participation in all extracurricular activities for up to one calendar year after returning from DAEP. Removal from or ineligible for a leadership role permanently.

3rd Offense: The student shall be dismissed from further participation in all extracurricular activities for the remainder of the student's enrollment in either middle school or high school.

For clarification purposes: Students placed in DAEP are ineligible to participate in or attend extracurricular activities pursuant to Texas Education Code Section 37.006(g).

4. Behaviors resulting in Expulsion

Action taken:

Any student removed from the regular educational setting through an expulsion process shall be removed from all extracurricular activities for one calendar year from the completion of the expulsion.

C. Off Campus Violations

As representatives of ROISD, students who participate in extracurricular activities are expected to demonstrate exemplary behavior whether at school or away and at all times. The behavior of the individual is a reflection of the team or organization and will therefore affect the individual's eligibility to participate and/or represent the team or organization. Therefore, students involved in ROISD extracurricular activities are prohibited from the following:

1. possessing or using drug paraphernalia;
2. possessing, selling, or delivering to another person look-alike drugs or items represented to be drugs or contraband of any kind;
3. possessing, selling, giving, delivering to another person, using, or being under the influence of marijuana, alcohol, a controlled substance, or any dangerous drug;

7. any misconduct requiring law enforcement notification to the school district.

Action taken:

Disciplinary action as outlined below represents the minimum consequences that may be administered.

1st Offense: The student shall be removed from extracurricular activity for up to 30 school days. (If a student confesses to the violation before the school is notified, the penalty will be reduced by one half.) Removal from or ineligible for a leadership role for one calendar year. Any other action the coach/sponsor/director deems appropriate.

2nd Offense: The student shall be dismissed from further participation in all extracurricular activities for up to 90 school days. Removal from or ineligible for a leadership role for one calendar year.

3rd Offense: The student shall be dismissed from further participation in all extracurricular activities for the remainder of the student's enrollment in either middle school or high school.

V. Procedures

For all activities, the school principal, the coach, director or sponsor will determine whether an *Extracurricular Code of Conduct* violation has occurred. Upon determination of a violation by the coach, director or sponsor, the School Administrator and the Activity Director shall be notified to confirm a violation has occurred.

Upon determination of an *Extracurricular Code of Conduct* violation, the following individuals will be notified:

- The student and the student's parent(s); and/or
- In appropriate cases, the student may be referred to a school counselor to provide counseling, support, and guidance in dealing with issues associated with alcohol, drugs, mood-altering chemicals, and other prohibited activities.

Nothing in this *Extracurricular Code of Conduct* limits the authority of a coach, director or sponsor to impose reasonable sanctions, including added training obligations or other minor sanctions for students who breach team or organization conduct expectations but do not engage in conduct prohibited by this *Extracurricular Code of Conduct*.

VI. Insurance

Red Oak ISD may choose to purchase or make available a limited amount of accident insurance to help cover specified expenses relating to injuries suffered by students participating in sports and other extracurricular activities. Such choice will be made by the Board of Trustees each year as a part of the budgetary process. However, the purchase of any such insurance does not operate as a waiver of the district's immunity from liability or damages for student injuries, nor does it imply any agreement by the district to assume any responsibility for such injuries or for expenses. Parents are strongly urged to make sure they have sufficient personal insurance to cover any expenses related to a student injury. Further information concerning student accident insurance may be found on the district website.

VII. Eligibility and Tryouts

All students are eligible, as long as they meet UIL requirements for eligibility and any addendums included for a specific sport or activity. To remain eligible, a student must be

***** 2024-2025 DRAFT Extracurricular Code of Conduct *****

passing all classes and have acceptable conduct as outlined in the *Extracurricular Code of Conduct* and the *Red Oak ISD Student Code of Conduct*.

Tryout procedures and the calendar for the various extracurricular activities are determined by the individual activity directors in partnership with ROISD guidelines. Final approval of the individual extracurricular activity tryout procedures in each area will be given by the appropriate ROISD Administrator or designee. Upon completion of the tryout procedure for the extracurricular activity, the sponsor will notify all participants of their membership status. The results of tryout procedures are final and cannot be appealed.

If due to a disability, a student requires reasonable accommodations for the tryout process, please notify the advisor of the activity as soon as possible. All students will be expected to comply with the neutral, nondiscriminatory criterion used for determining a student's eligibility at tryouts and any accommodations that would result in a fundamental alteration of the activity will not be made.

VIII. Activities - Transportation

Students will ride school-provided transportation to and from *all* events. Exceptions will not be routinely granted, but are reserved for exceptional circumstances and unforeseeable emergencies. A student will only be released to a parent/guardian, and only after completion of a travel release form*, which will be submitted at least 24 hours in advance except in emergency situations. Exceptions will not be granted for convenience. Violations of this rule may subject students to disciplinary actions up to and including removal from the team or organizations.

*A travel release form may be obtained from the coach, director or sponsor.

If a student is representing Red Oak ISD in one activity, he/she may be transported to a second Red Oak ISD activity by parent/guardian with previous knowledge/consent by both coaches/sponsors.

IX. Fundraising and Booster Clubs

All students/athletes/participants are encouraged to raise funds for team or organization activities. Students engaged in fundraising activities are expected to promptly turn in all money (including checks) received as directed by the coach, director or sponsor. Students are responsible for safeguarding all funds in their possession, and may be required to reimburse the organization or team for any money lost or otherwise unaccounted for while in a student's possession. Students who fail to turn in all funds in a timely fashion may be subjected to disciplinary actions up to and including removal from the team or organization. Students should also be aware that retaining money that does not belong to the student may subject the student to appropriate sanctions under the *Student Code of Conduct*.

X. Social Media Policy

Red Oak ISD supports the student's rights to freedom of speech, expression, and association, including the use of social networks. As a student, you represent the school district and you are expected to portray yourself, your team/organization, your school and the school district in a positive manner both on and off campus through social media.

The following guidelines will be the standard for social media/networking use by all students who participate in extracurricular activities in grades 6-12 within the Red Oak ISD. Consequences for noncompliance will vary based on severity and frequency of violation.

All extracurricular students will refrain from posting, submitting, sending, or publishing inappropriate, slanderous, derogatory, sexually suggestive, sexually explicit, or any form of negative or obscene comments, photos, texts, etc. to any electronic, public or private entity which includes, but is not limited to: Facebook, Twitter, YouTube, personal email accounts, personal web pages, personal or private chat rooms, personal texting/cell phone accounts, etc. Sending any form of inappropriate (as determined by Red Oak ISD) photos, comments, etc. will not be tolerated regardless of who the intended recipient may be. Once verification of inappropriate content was sent, consequences designated by the coach in conjunction with district administration will occur.

XI. Acknowledgement

A condition to participating in any extracurricular activity or holding any office (elected or appointed) is an acknowledgement that the student has read and understands the *Extracurricular Code of Conduct*. The acknowledgement states that the party understands the consequences for engaging in prohibited conduct. All students upon annual online registration acknowledge receipt of the *Extracurricular Code of Conduct*.

This *Extracurricular Code of Conduct* is in accordance with ROISD Board Policy FO(LOCAL).

Purpose

The Student Code of Conduct (“Code of Conduct”), as required by Chapter 37 of the Texas Education Code, provides methods and options for managing student behavior, preventing and intervening in student discipline problems, and imposing discipline.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Code of Conduct has been adopted by the Red Oak ISD Board of Trustees and developed with the advice of the district-level planning and decision-making committee. It provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. This Code of Conduct remains in effect during summer school and at all school-related events and activities outside of the school year until the board adopts an updated version for the next school year.

In accordance with state law, the Code of Conduct shall be posted at each school campus or shall be available for review at the office of the campus principal. Additionally, the Code of Conduct shall be available at the office of the campus behavior coordinator and posted on the district’s website. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Code of Conduct is adopted by the district’s board of trustees, it has the force of policy. In the event of a conflict between the Code of Conduct and the Student Handbook, the Code of Conduct shall prevail.

Please Note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

School District Authority and Jurisdiction

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

1. During the regular school day;
2. While the student is traveling to and from school or a school-sponsored or school-related activity on district transportation;
3. During lunch periods in which a student is allowed to leave campus;
4. While the student is in attendance at any school-related activity, regardless of time or location;
5. For any school-related misconduct, regardless of time or location;
6. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
7. When a student engages in cyberbullying, as provided by Education Code 37.0832;
8. When criminal mischief is committed on or off school property or at a school-related event;

***** 2024-2025 DRAFT Student Code of Conduct *****

9. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
10. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
11. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
12. When the student is required to register as a sex offender.

Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator (CBC). The designated person may be the principal of the campus or any other campus administrator selected by the principal. The campus behavior coordinator (CBC) is primarily responsible for maintaining student discipline. In Red Oak ISD, the campus behavior coordinator (CBC) will be the campus principal or any other administrator selected by the principal. The district shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as campus behavior coordinator (CBC). Contact information may be found at www.redoakisd.org.

The campus behavior coordinator (CBC) and any district administrator retain the ability and/or power under Chapter 37 of the Texas Education Code, to discipline a student.

Threat Assessment and Safe and Supportive School Team

The campus behavior coordinator (CBC) or other appropriate administrator will work closely with the campus threat assessment and safe and supportive school team to implement the district's threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code of Conduct.

Searches

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district's policies at [FNF\(LEGAL\)](#) and [FNF\(LOCAL\)](#) for more information regarding investigations and searches.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district.

Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

Reporting Crimes

The principal or campus behavior coordinator (CBC) and other school administrators as appropriate will report crimes as required by law and will call local law enforcement (Red Oak ISD Police) when an administrator suspects that a crime has been committed on campus.

Security Personnel

The board utilizes police officers to ensure the security and protection of students, staff, and property. In accordance with law, the board has coordinated with the campus behavior coordinator (CBC) and other district employees to ensure appropriate law enforcement duties are assigned to these persons. Provisions addressing the various types of security personnel can be found in the CKE policy series.

'Parent' Defined

Throughout the Code of Conduct and related discipline policies, the term "parent" includes a parent, legal guardian, or other person having lawful control of the child.

Participating in Graduation Activities

The district has the right to limit a student's participation in graduation activities for violating the district's Code of Conduct.

Participation might include a speaking role, as established by district policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation of the district's Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion at any point during the senior school year.

***** 2024-2025 DRAFT Student Code of Conduct *****

The valedictorian and salutatorian may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct that resulted in an out-of-school suspension, removal to a DAEP, or expulsion at any point during the senior school year.

Unauthorized Persons

In accordance with Education Code 37.105, a school administrator, SRO, or district police officer shall have the authority to refuse entry or eject a person from district property if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting, and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from district property may be filed in accordance with policies [FNG\(LOCAL\)](#) or [GF\(LOCAL\)](#), as appropriate. However, the timelines for the district's grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 days, unless the complaint is resolved before a board hearing.

See **DAEP-Restrictions During Placement** for information regarding a student assigned to DAEP at the time of graduation.

The district may impose campus or classroom rules in addition to those found in the Code of Conduct. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code of Conduct.

Discipline Management Techniques

Discipline will be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action will draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including restorative practices. Discipline shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Code of Conduct. To the extent any conflict exists, the district shall comply with federal law. For more information regarding discipline of students with disabilities, see [policy FOF\(LEGAL\)](#).

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see glossary) until an Admission, Review, and Dismissal (ARD) committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district will take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

Techniques

The following discipline management techniques may be used alone, in combination, or as part of progressive interventions for behavior prohibited by the Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.
- Cooling-off time or a brief "time-out" period, in accordance with law.
- Seating changes within the classroom or vehicles owned or operated by the district.
- Temporary confiscation of items that disrupt the educational process.
- Rewards or demerits.
- Behavioral contracts.
- Counseling by teachers, school counselors, or administrative personnel.
- Parent-teacher conferences.
- Behavior coaching.
- Anger management classes.
- Mediation (victim-offender).
- Classroom circles.

- Family group conferencing.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.
- Detention, including outside regular school hours.
- Sending the student to the office or other assigned area, or to in-school suspension.
- Assignment of school duties such as cleaning or picking up litter.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in individual student organizations' extracurricular standards of behavior.
- Restriction or revocation of district transportation privileges.
- School-assessed and school-administered probation.
- Out-of-school suspension, as specified in the Out-of-School Suspension section of this Code.
- Placement in a DAEP, as specified in the DAEP section of this Code.
- Expulsion and/or placement in an alternative educational setting, as specified in the Placement and/or Expulsion for Certain Serious Offenses section of this Code.
- Expulsion, as specified in the Expulsion section of this Code.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district.
- Other strategies and consequences as determined by school officials.

Prohibited Aversive Techniques

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain.

Aversive techniques include:

- Using techniques designed or likely to cause physical pain, other than corporal punishment as permitted by district policy. [See [policy FO\(LOCAL\)](#).]
- Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
- Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student's face.
- Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
- Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
- Employing a device, material, or object that immobilizes all four of a student's extremities, including prone or supine floor restraint.
- Impairing the student's breathing, including applying pressure to the student's torso or neck or placing something in, on, or over the student's mouth or nose or covering the student's face.
- Restricting the student's circulation.
- Securing the student to a stationary object while the student is standing or sitting.
- Inhibiting, reducing, or hindering the student's ability to communicate.
- Using chemical restraints.
- Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student by the use of physical barriers.
- Depriving the student of one or more of the student's senses, unless the technique does not cause the student discomfort or complies with the student's IEP or behavior intervention plan (BIP).

Notification

The campus behavior coordinator (CBC) will promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The campus behavior coordinator (CBC) shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code.

A good-faith effort shall be made on the day the action was taken to provide to the student for delivery to the student's parent written notification of the disciplinary action. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the campus behavior coordinator (CBC) shall send written notification by U.S. Mail. If the campus behavior coordinator (CBC) is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus administration, or campus behavior coordinator (CBC), as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with [policy FNG\(LOCAL\)](#). A copy of the policy may be obtained from the principal's office, the campus behavior coordinator's (CBC) office, the central administration office, or on the district's website under School Board Policy at www.redoakisd.org.

The district shall not delay a disciplinary consequence while a student or parent pursues a grievance. In the instance of a student who is accused of conduct that meets the definition of sexual harassment as defined by Title IX, the district will comply with applicable federal law, including the Title IX formal complaint process. See policies FFH(LEGAL) and (LOCAL).

Removal from the School Bus

A bus driver may refer a student to the principal, campus behavior coordinator (CBC), or designated district administrator's office to maintain effective discipline on the bus. The principal, campus behavior coordinator (CBC), or designated district administrator must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

Since the district's primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal, campus behavior coordinator (CBC), or designated district administrator may restrict or revoke a student's transportation privileges, in accordance with law.

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the campus behavior coordinator's (CBC) office as a discipline management technique. The campus behavior coordinator (CBC) shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for a behavior that violates this Code of Conduct to maintain effective discipline in the classroom.

Formal Removal

A teacher may also initiate a formal removal from class if:

1. The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach his or her class or with the student's classmates' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the campus behavior coordinator (CBC) or appropriate administrator will schedule a conference with the student's parent, the student, the teacher who removed the student from class, and any other appropriate administrator.

At the conference, the campus behavior coordinator (CBC) or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus behavior coordinator (CBC) or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension (ISS).
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

Returning a Student to the Classroom

A student who has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, or aggravated sexual assault may not be returned to the teacher's class without the teacher's consent.

A student who has been formally removed by a teacher for any other conduct may be returned to the teacher's class without the teacher's consent if the placement review committee determines that the teacher's class is the best or only alternative available.

Out-of-School Suspension

Misconduct

Students may be suspended for any behavior listed in the Code of Conduct as a general conduct violation, DAEP offense, or expellable offense.

The district shall not use out-of-school suspension for students in grade 2 or below unless the conduct meets the requirements established in law.

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code Section 46.02 or 46.05;²⁸

***** 2024-2025 DRAFT Student Code of Conduct *****

- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

Process

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student will have an informal conference with the campus behavior coordinator (CBC) or appropriate administrator, who shall advise the student of the alleged misconduct. The student shall have the opportunity to respond to the allegation before the administrator makes a decision.

The campus behavior coordinator (CBC) shall determine the number of days of a student's suspension, not to exceed three school days. While suspended, a student may not participate in or attend any school-sponsored activity.

In deciding whether to order out-of-school suspension, the campus behavior coordinator (CBC) shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Coursework during Suspension

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn't require the use of the internet.

A student removed from the regular classroom to in-school suspension (ISS) or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.

Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6–12.

Summer programs provided by the district may serve students assigned to a DAEP in conjunction with other students.

***** 2024-2025 DRAFT Student Code of Conduct *****

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator (CBC) will take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Discretionary Placement: Misconduct That May Result in DAEP Placement

A student may be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code of Conduct.

Misconduct Identified in State Law

In accordance with state law, a student may be placed in a DAEP for any one of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or a student who is 18 years of age or older without the student's consent.
- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary.)
- Involvement in street gang activity, including participation as a member or pledge, or soliciting another person to become a pledge or member of a gang. (See glossary.)
- Any criminal mischief, including a felony.
- Exhausting all consequences of the campus discipline plan due to serious and persistent misconduct.
- Any incident of fighting.
- Assault (no bodily injury) with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.

In accordance with state law, a student may be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see glossary) that the student has engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses in Title 5 (see glossary) of the Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The campus behavior coordinator (CBC) may, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

Mandatory Placement: Misconduct That Requires DAEP Placement

A student must be placed in a DAEP if the student:

***** 2024-2025 DRAFT Student Code of Conduct *****

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary.)
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school’s real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
 - Engages in conduct punishable as a felony.
 - Commits an assault (see glossary) under Penal Code 22.01(a)(1).
 - Sells, gives, or delivers to another person, or possesses, uses, or is under the influence of a controlled substance or dangerous drug in an amount not constituting a felony offense. (School-related felony drug offenses are addressed in the Expulsion section.) (See glossary for “under the influence,” “controlled substance,” and “dangerous drug.”)
 - Sells, gives, or delivers to another person or possesses, uses, or is under the influence of marijuana or THC. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision.
 - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol.
 - Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
 - Sells, gives, or delivers to another person or possesses or uses an e-cigarette.
 - Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure. (See glossary.)

- Engages in expellable conduct and is six to nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in the Expulsion section.)
- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see glossary) of the Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
 1. The student receives deferred prosecution (see glossary),
 2. A court or jury finds that the student has engaged in delinquent conduct (see glossary), or
 3. The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

Sexual Assault and Campus Assignments

A student shall be transferred to another campus if:

- The student has been convicted of continuous sexual abuse of a young child or disabled individual or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus; and
- The victim’s parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus in the district.

If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

Process

Removals to a DAEP will be made by the campus behavior coordinator (CBC) or appropriate administrator.

Conference

When a student is removed from class for a DAEP offense, the campus behavior coordinator (CBC) or appropriate administrator will schedule a conference within three school days with the student's parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the campus behavior coordinator (CBC) or appropriate administrator will inform the student, orally or in writing, of the reasons for the removal and will give the student an explanation of the basis for the removal and an opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

Consideration of Mitigating Factors

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator (CBC) shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Placement Order

After the conference, if the student is placed in the DAEP, the campus behavior coordinator (CBC) will write a placement order. A copy of the DAEP placement order and information for the parent or person standing in parental relation to the student regarding the process for requesting a full individual and initial evaluation of the student for purposes of special education services shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee will deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code of Conduct, the placement order will give notice of the inconsistency.

DAEP at Capacity

If a DAEP is at capacity at the time the campus behavior coordinator (CBC) is deciding placement for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical, the student shall be placed in in-school suspension (ISS) then transferred to a DAEP for the remainder of the period if space becomes available before the expiration of the period of the placement.

If a DAEP is at capacity at the time the campus behavior coordinator (CBC) is deciding placement for a student who engaged in violent conduct, a student placed in a DAEP for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical may be placed in in-school suspension (ISS) to make a position in the DAEP available for the student who engaged in violent conduct. If a position becomes available in a DAEP before the expiration of the period of the placement for the student removed, the student shall be returned to a DAEP for the remainder of the period.

Coursework Notice

***** 2024-2025 DRAFT Student Code of Conduct *****

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation, at no cost to the student. The notice shall include information regarding all methods available for completing the coursework.

Length of Placement

The campus behavior coordinator (CBC) shall determine the duration of a student's placement in a DAEP.

The duration of a student's placement shall be determined case by case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The following are suggestions for length of placement within the Red Oak ISD DAEP:

Elementary

- 15 days for discretionary placement for students in grades K-5 that consists primarily of persistent misconduct displayed on campus and for which the campus discipline plan has been applied to the stage where removal from campus and placement in DAEP is indicated. The second (2nd) discretionary campus removal and program assignment could be for 30 days. A student who is disciplined for fighting on campus on two (2) separate and distinct instances could be placed in DAEP for 30 days. With elementary students K-5, the management of fighting on campus may include other consequences in lieu of placement in DAEP at principal discretion.

Secondary

- 5-15 days of discretionary placement for the first incident of fighting in grades 6-12. A student who is disciplined for fighting on campus in two (2) separate and distinct instances could be placed in DAEP for 30 days.
- 30 days for discretionary placement for secondary students (grades 6-12) that consists primarily of persistent misconduct displayed on campus and for which the campus discipline plan has been applied to the stage where removal from campus and placement in DAEP is indicated. The second (2nd) discretionary campus removal and program assignment could be for 60 days.
- 60 days minimum time for the 2nd time a student is sent to DAEP within a school academic year. If the reason for program referral for the 2nd time is for an offense other than continued violation of the code of conduct, then the length of placement could correspond to the more serious offense and the corresponding time assignment. A student who is assigned to DAEP for a 2nd placement during the academic school year either for discretionary or mandatory reasons will be ineligible for the early release incentive.

All Grade Levels

- Extended time for Felony Behavior: Crimes against persons – 120 days; Drug & Alcohol crimes – 90 days; Property crimes – 60 days.
- Mid-range time for non-felony antisocial behavior: Drugs, alcohol, threats and/or assaults against persons – 60 days. A threat against a person may be classified as Level 1 or Level 2 as a function of the campus administrator's determination of the student's ability and/or means whereby the threat is feasible or might be accomplished. A Level 1 threat is a 30-day DAEP assignment and signifies the administrator's decision that the means of the student following-through on the threat is of low-probability. Conversely, a Level 2 threat is a 60-day placement and signifies the administrator's evaluation that the student's means of follow-through on the threat is feasible or of high probability.
- Gang activity, identifiable gang clothing or styles, recognizable gang signs or other forms of gang communication, including implied intimidation, gang associated fights, graffiti, and/or attempts at recruitment – 60 days; Vandalism & theft – 60 days; Terroristic threats to damage property or to harm students and/or staff – 60 days.

***** 2024-2025 DRAFT Student Code of Conduct *****

The maximum period of DAEP placement shall be one calendar year except as provided below.

Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student's DAEP placement order.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

Exceeds One Year

Placement in a DAEP may exceed one year when a review by the district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the campus behavior coordinator (CBC) or the board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the district's Code of Conduct.

Exceeds 60 Days

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent will be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

Appeals

Questions or complaints from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student's placement in a DAEP should be addressed in accordance with [policy FNG\(LOCAL\)](#). A copy of this policy may be obtained from the principal's office, the campus behavior coordinator's (CBC) office, the central administration office, or under the School Board Policy link on the district website at www.redoakisd.org.

Appeals shall begin at Level One with the principal.

The district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

Restrictions during Placement

The district does not permit a student who is placed in a DAEP to participate in any school-sponsored or school-related extracurricular or co-curricular activity, including seeking or holding honorary positions and/or membership in school-sponsored clubs and organizations.

A student placed in a DAEP shall not be provided transportation unless he or she is a student with a disability who is entitled to transportation in accordance with the student's IEP or Section 504 plan.

For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the last day of placement in the program will be the last instructional day, and the student will be allowed to participate in the graduation ceremony and related graduation activities unless otherwise specified in the DAEP placement order.

Placement Review

A student placed in a DAEP will be provided a review of his or her status, including academic status, by the campus behavior coordinator (CBC) or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan will also be reviewed. At the review, the student or the student's parent will be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a DAEP the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator (CBC) may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings

When a student is placed in a DAEP for certain offenses, the office of the prosecuting attorney will notify the district if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee will review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board will, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board will make a record of the proceedings.

***** 2024-2025 DRAFT Student Code of Conduct *****

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Withdrawal during Process

When a student violates the district's Code of Conduct in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the campus behavior coordinator (CBC) may complete the proceedings and issue a placement order. If the student then re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the campus behavior coordinator (CBC) or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The district shall continue the DAEP placement of a student who enrolls in the district and was assigned to DAEP in an open-enrollment charter school or another district.

A newly enrolled student with a DAEP placement from a district in another state will be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, will reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student will be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student will be given the appropriate conference required for assignment to a DAEP.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. [See [policy FOCA\(LEGAL\)](#) for more information.]

Placement and/or Expulsion for Certain Serious Offenses

This section includes two categories of serious offenses for which the Education Code provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the district must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement will be in either DAEP or JJAEP for at least one semester.

***** 2024-2025 DRAFT Student Code of Conduct *****

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

Review Committee

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee will recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Student

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

Certain Felonies

Regardless of whether DAEP placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP or JJAEP if the board or campus behavior coordinator (CBC) makes certain findings and the following circumstances exist in relation to a felony offense under Title 5 (see glossary) of the Penal Code. The student must have:

- Received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or

4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

Hearing and Required Findings

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

Length of Placement

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

Placement Review

A student placed in a DAEP or JJAEP under these circumstances is entitled to a review of his or her status, including academic status, by the campus behavior coordinator (CBC) or board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall have the opportunity to present arguments for the student's return to the regular classroom or campus.

Newly Enrolled Students

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator (CBC) will take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Discretionary Expulsion: Misconduct That May Result in Expulsion

Some of the following types of misconduct may result in mandatory placement in a DAEP, whether or not a student is expelled. (See DAEP Placement)

Any Location

***** 2024-2025 DRAFT Student Code of Conduct *****

A student may be expelled for:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of any amount of marijuana, a controlled substance, or a dangerous drug. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (See glossary for “under the influence.”)
- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol.
- Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.
- Engaging in conduct that contains the elements of assault under Penal Code 22.01(a)(1) against an employee or a volunteer.
- Engaging in deadly conduct. (See glossary.)

Within 300 Feet of School

A student may be expelled for engaging in the following conduct while within 300 feet of school property, as measured from any point on the school’s real property boundary line:

- Unlawfully carrying on or about the student's person a handgun or a location-restricted knife, as these terms are defined by state law. (See glossary.)
- Possessing, manufacturing, transporting, repairing, or selling a prohibited weapon, as defined by state law. (See glossary.)
- Possession of a firearm, as defined by federal law. (See glossary.)

Property of Another District

A student may be expelled for committing any offense that is a state-mandated expellable offense if the offense is committed on the property of another district in Texas or while the student is attending a school-sponsored or school-related activity of a school in another district in Texas.

While in DAEP

A student may be expelled for engaging in documented serious misbehavior that violates the district's Code of Conduct, despite documented behavioral interventions while placed in a DAEP. For purposes of discretionary expulsion from a DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;
3. Conduct that constitutes coercion, as defined by Section 1.07, Penal Code; or
4. Conduct that constitutes the offense of:
 - a. Public lewdness under Penal Code 21.07;
 - b. Indecent exposure under Penal Code 21.08;
 - c. Criminal mischief under Penal Code 28.03;
 - d. Hazing under Education Code 37.152; or
 - e. Harassment under Penal Code 42.07(a)(1) of a student or district employee.

Mandatory Expulsion: Misconduct That Requires Expulsion

A student must be expelled under federal or state law for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

Under Federal Law

- Bringing to school or possessing at school, including any setting that is under the district's control or supervision for the purpose of a school activity, a firearm, as defined by federal law. (See glossary.)

Note: Mandatory expulsion under the federal Gun Free Schools Act does not apply to a firearm that is lawfully stored inside a locked vehicle, or to firearms used in activities approved and authorized by the district when the district has adopted appropriate safeguards to ensure student safety.

Under the Penal Code

- Unlawfully carrying on or about the student's person the following, in the manner prohibited by Penal Code 46.02:
 - A handgun, defined by state law as any firearm designed, made, or adapted to be used with one hand. (See glossary.) Note: A student may not be expelled solely on the basis of the student's use, exhibition, or possession of a firearm that occurs at an approved target range facility that is not located on a school property.

campus, while participating in or preparing for a school-sponsored, shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department, or a shooting sports sanctioning organization working with the department. [See [policy FNCG\(LEGAL\)](#).]

- A location-restricted knife, as defined by state law. (See glossary.)
- Possessing, manufacturing, transporting, repairing, or selling a prohibited weapon, as defined in state law. (See glossary.)
- Behaving in a manner that contains elements of the following offenses under the Penal Code:

 - Manslaughter.
 - Criminally negligent homicide.
 - Continuous sexual abuse of a young child or disabled individual.
 - Behavior punishable as a felony that involves selling, giving, or delivering to another person, or possessing, using, or being under the influence of a controlled substance or a dangerous drug.
- Engaging in retaliation against a school employee or volunteer combined with one of the above-listed mandatory expulsion offenses.

Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student will not be expelled, but will be placed in a DAEP. A student under age six will not be placed in a DAEP unless the student commits a federal firearm offense.

Process

If a student is believed to have committed an expellable offense, the campus behavior coordinator (CBC) or other appropriate administrator will schedule a hearing within a reasonable time. The student's parent will be invited in writing to attend the hearing.

Until a hearing can be held, the campus behavior coordinator (CBC) or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension (ISS).
- Out-of-school suspension.
- DAEP.

Hearing

A student facing expulsion will be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student's defense, and
3. An opportunity to question the district's witnesses.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

***** 2024-2025 DRAFT Student Code of Conduct *****

The board of trustees delegates to the Red Oak Independent School District Superintendent or his designee the authority to conduct hearings and expel students.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board’s designee.

The board shall hear statements made by the parties at the review and shall base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

Expulsion Order

Before ordering the expulsion, the board or campus behavior coordinator (CBC) shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history,
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct,
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.

If the student is expelled, the board or its designee will deliver to the student and the student’s parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the principal or designee will deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Code of Conduct, the expulsion order will give notice of the inconsistency.

Length of Expulsion

The length of an expulsion will be correlated to the seriousness of the offense, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, and statutory requirements.

The duration of a student’s expulsion will be determined on a case-by-case basis. The maximum period of expulsion is one calendar year except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent or other appropriate administrator may modify the length of the expulsion on a case-by-case basis.

***** 2024-2025 DRAFT Student Code of Conduct *****

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal during Process

When a student has violated the district’s code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the campus behavior coordinator (CBC) or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator (CBC) or the board may issue an additional disciplinary order as a result of those proceedings.

Restrictions during Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit will be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

Newly Enrolled Students

The district shall continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of the expulsion is completed.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district will reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student will be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student will be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services for a student returning to the regular classroom from placement in an alternative education program, including a DAEP or JJAEP. [See policies [FOCA\(LEGAL\)](#) and [FODA\(LEGAL\)](#) for more information.]

DISCIPLINE PLAN ELEMENTARY STUDENTS

Students who violate the district Student Code of Conduct shall be subject to disciplinary action. The district's disciplinary options include using one or more discipline management techniques, removal to a Disciplinary Alternative Education Program, suspension, and expulsion. Disciplinary measures are applied depending on the nature of the offense. More information about the district's Discipline Management Plan is available in the Student Code of Conduct.

Red Oak ISD is committed to establishing a high standard of learning within our students. When a student interrupts or stops that learning from taking place, a warning will be given. Only after the warning* will further consequences be earned as determined by the school administration. * (Note: Immediate consequences may be given when a student's behavior presents risk of harm to self or others. Warnings are not required for those offenses resulting in an office referral.)

Discipline Plan Steps K - 5

***Steps in the plan will accumulate throughout the entire school year.

Step 1:	Administrator Conference
Step 2:	Detention
Step 3:	Detention
Step 4:	Detention
Step 5:	Up to 1 day ISS (in-school suspension)
Step 6:	Up to 1 day earned ISS
Step 7:	Up to 2 days earned ISS
Step 8:	Up to 2 days earned ISS
Step 9:	Up to 3 days earned ISS
Step 10:	OSS (out of school suspension for grades 3-5 up to three days)
Step 11:	Elementary DAEP (15 days)
Step 12:	1 day ISS
Step 13:	2 days ISS
Step 14:	3 days ISS
Step 15:	OSS (for grades 3-5 up to three days)
Step 16:	Elementary DAEP (30 days)

Provided however, a student below grade three or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or attending a school-sponsored or school-related activity on or off school property, the student engages in conduct that contains the elements of: a weapons offense under Penal Code sections 46.02 or 46.05; assault, sexual assault, aggravated assault, or aggravated sexual assault; selling, giving, or delivering to another person or possessing, using, or being under the influence of marijuana, a controlled substance, a dangerous drug, or an alcoholic beverage.

A student who is younger than six years of age may not be removed from class and placed in a DAEP, except that a student younger than six years of age who has been expelled pursuant to the Gun Free Schools Act [see Board Policy FOD] shall be provided educational services in a DAEP.

DISCIPLINE PLAN SECONDARY STUDENTS

Red Oak High School and Red Oak Middle School Discipline Guidelines

The disciplinary action taken will be based on “individual offense actions” in most cases. There are a few instances where total cumulative points earned will determine disciplinary action. The administrator reserves the right to use any action deemed appropriate according to specific circumstances. The natural progression of consequences for inappropriate behavior would include after school detention, Saturday detention, in-school suspension (ISS), out of school suspension, and then recommendation for placement in the Discipline Alternative Education Program (DAEP). Serious acts of misbehavior will result in more serious consequences, such as in-school suspension, out of school suspension, placement in DAEP, or recommendation for expulsion.

The Red Oak High School and Red Oak Middle School Discipline Management Plan is based on a point system. When a student has accumulated 15-20 points the student may be placed in in-school suspension (ISS) for up to three days. When a student has accumulated 30 or more total points for the year, a conference will be held to determine if a DAEP placement is warranted. An example of common offenses is listed below:

Offense	Points Per Offense
Cell Phone / Personal Device	3 + Follow Personal Electronic Communications Guidelines
Dress Code	3 + Follow Dress Code Violation Guidelines
Excessive tardies	3
Referral to the office	3
Going to the parking lot without permission	3
Failure to serve detention or Saturday School	3
Not in assigned area	5
Insubordination / Disrespect	5
Leaving Campus without permission	5
Profanity	5
Scuffling	5
Tobacco	5 Points First Offense; 10 Points Second Offense, DAEP
E-Cigarette / Vape (possession/use)	10 Points and DAEP Placement
Fighting	10 Points and DAEP Placement
Fireworks	30
Theft	10 to 30
Vandalism	10 to 30
Bullying / Harassment of Others	10 to 30
Alcohol / Drugs	DAEP Placement
Assault	DAEP Placement
Weapons	DAEP Placement

Any other offense(s) deemed in need of disciplinary action by the administration will be considered General Misconduct and points per offense will range from 1 – 30.

The administration maintains the discretion to assign additional points should the incident deemed to be more severe.

Before ordering removal to a DAEP, a campus behavior coordinator (CBC) must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student’s disciplinary history, whether the student has a disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct, the student’s status in the conservatorship of the Department of Family and ⁵⁴

***** 2024-2025 DRAFT Student Code of Conduct *****

Protective Services (foster care), or the student's status as homeless, regardless of whether the decision of the campus behavior coordinator (CBC) concerns a mandatory or discretionary action.

Students returning from a DAEP placement will have their discipline reviewed on a case-by-case basis, with a maximum of 15 additional points to be accumulated before a return to DAEP placement.

The principal or campus behavior coordinator (CBC) and other school administrators as appropriate will report crimes as required by law and will call local law enforcement (Red Oak ISD Police) when an administrator suspects that a crime has been committed on campus.

RED OAK ISD

PERSONAL ELECTRONIC COMMUNICATIONS GUIDELINES FOR SECONDARY STUDENTS

Red Oak High School and Red Oak Middle School

Under the Personal Electronic Communications Guidelines, all cell phones, smart watches, Air Pods/headphones and other devices used to communicate electronically fall under the umbrella of personal electronic communications devices and will be referenced as “cell phone(s),” “paging devices” and/ or “device(s).” To promote the best possible learning and social environment in the classrooms and schools as well as overall safety of the students of Red Oak ISD, students will adhere to the guidelines listed below during the school day. The intent of the electronic communications guidelines is to limit access and use of cell phones to avoid distractions from learning and the loss of instructional time and to maintain the integrity of a successful learning environment at Red Oak ISD.

Guidelines of Use

Students will still be allowed to bring cell phones and other personal communication devices to school; however, cell phones and all functions within the device (cameras, Air Pods/headphones, smartwatches, and all other applications) are prohibited in all classrooms unless specifically allowed under Section 504 or within a student’s Special Education IEP.

All students are required to keep their devices turned off and stored away while in the classroom. Students may use their devices before and after school if they are not in a classroom. Students may use their devices during passing periods and in the cafeteria during breakfast and lunch.

Stored away means to have devices turned off and out of sight - off of their desks and out of their hands and/or lap. Devices must be turned off and stored in “off” mode in their pockets, bags, or backpacks.

An exception to “stored away” is that students may still wear Smartwatches; however, they are not allowed to be turned on to where messages can be sent/received or where apps are available while in the classrooms.

An exception to “usage in the hallways and cafeteria” is that Air Pods may only be used in one ear for safety purposes to allow the student the ability to hear all alerts and safety information.

Statement of Expectations

ROISD staff will reinforce the importance of maintaining a cell phone-free environment and consequences will be administered as follows:

- If a student uses a cell phone or device in violation of these guidelines during the school day, the device shall be confiscated.
- The student (on first offense) or parent (on second and subsequent offenses as outlined in consequences below) may pick up the confiscated telecommunications device from the principal's office for a fee of \$15 (for second and subsequent offenses). [See Consequence Offenses below.]
- Confiscated devices that are not retrieved by the student or the student's parent will be disposed of after the notice required by law. [See Board Policy FNCE.]
- In limited circumstances and in accordance with law, a student's cell phone may be searched by authorized personnel. [See Board Policy FNF.]

***** 2024-2025 DRAFT Student Code of Conduct *****

Any disciplinary action will be in accordance with the Student Code of Conduct. The District is not responsible for damaged, lost, or stolen cell phones.

Unauthorized use of cell phones, smart watches, any type of Air Pods/headphones, and other devices used to electronically communicate are infractions of the guidelines.

Students using a personal electronic communications device in a classroom will result in confiscation of the cell phone and adherence to the graduated list of authorized consequences.

In the event of unauthorized use, the teacher should ask a student for the cell phone only one time. Failure to turn over the cell phone upon first request will result in a discipline referral to campus administration for insubordination, confiscation by the administration, and adherence to the graduated list of consequences. Authorized district employees who will be responsible for cell phone confiscation will include administrators and teachers (including substitutes or someone else covering the class).

Consequence Guidelines

1st Offense = Administrator warning in Skyward with student correction; ISS if student cannot correct

2nd Offense = Administrator warning in Skyward and parent phone call with student correction; ISS if student cannot correct

3rd Offense = 1 day ISS and 3 points

4th Offense = 2 days ISS and 3 points

5th Offense = 3 days ISS and 3 points

6th (+) Offense = 1 day OSS and 3 points

NOTE: Hoodies (hoods) or head coverings include caps, hats, berets, head scarfs (unless for documented medical or religious reasons), hoods (hoodies), Du rags, sweatbands, kerchiefs, or visors. If hoods or head coverings are worn in the building, the hoodies or head coverings may be collected by an administrator, and parents will be required to pick them up at the front office. If it becomes an issue with students not following the rule of no hoodies (hoods) or head coverings on the head in the building, due to safety and security, the district will revert back to the “no clothing that has hoodies (hoods) will be allowed” to be worn in the building. It is the responsibility of the student to follow these rules and guidelines for safety/identification purposes, and we need parents to reinforce this with their students for the safety and security of our campuses.

Purchase of IXL Intervention for ROMS and ROHS

Contact Person:

Lynn Dockery, Director of Curriculum and Instruction

Background Information:

IXL is a comprehensive curriculum that has been used at the middle school in the past. For the 2024-2025 school year, the state has approved the IXL Math and Reading portions of the program to be a high-quality intervention for students with teacher support. In previous years, the middle school has used its campus funds to purchase this program but because we are extending the IXL program to the high school, and this program will be the expected program to use in ROISD for our students who qualify for intervention under House Bill 1416, the Curriculum Department will be purchasing this program for both ROMS and ROHS. House Bill 1416 is the Texas law that requires all students who do not achieve approaches or higher on STAAR grades 3 through 8 or EOC assessments be provided accelerated instruction. House Bill 1416 requires that there is a ratio of 4:1 (students to teacher) for groups when providing intervention to students. Using IXL will allow the campuses to waiver this ratio as needed. The cost associated with the IXL program will include Science and Social Studies content for intervention as well as Math and Reading.

Fiscal Implications:

Proposals were not obtained from other vendors as the state approved list is short and we have already used IXL in the past. IXL Learning is the only vendor that qualifies both Math and Reading as high-quality instructional materials for HB 1416.

Cost of IXL for the year for ROMS and ROHS: \$82,688.00 (2024-2025 Curriculum Budget)

Administrative Recommendation:

Administration recommends that the Board approve the purchase of IXL as presented, using TIPS contract 230105.
