TASB Advocacy Agenda Priorities

As adopted by the 2026 Delegate Assembly.

Public education is strongest when those who shape it work together. Texas Trustees encourage state policymakers and school boards to nurture a productive, collaborative relationship — one that honors the distinct but complementary roles each plays in pursuit of a common goal: ensuring every child has access to exceptional public schools.

Trustees recognize that the Texas Legislature faces the challenging task of balancing a broad range of statewide priorities and offers this agenda in the spirit of partnership and shared purpose. Public schools are the backbone of our communities, the engine of our economy, and the foundation upon which the future of our state is built.

Texas Trustees — the individuals Texans elect to govern their public schools — developed these priorities through regional grassroots meetings, deliberation through a committee elected by fellow Trustees, and a final vote of Trustees representing hundreds of school boards from across the state.

With this understanding, Trustees call upon the 90th Texas Legislature to prioritize the following:

Maintaining Safe Places to Learn and Work: School Safety and Security

Texas Trustees call upon the state to build upon its existing partnership with school districts by funding school safety and security through sustainable, dedicated, and formula-based funding that fully covers the actual and ongoing costs of all state-mandated and recommended protocols, as well as growing demands being addressed by schools statewide.

Trustees advocate for enhanced support and resources for the following:

- School security personnel and law enforcement
- Behavioral and mental health support
- Transportation safety requirements
- Equipment, training, and compliance related to safety
- Facility and infrastructure improvements required to maintain safe learning environments

Reaching Every Student: Special Education

Public schools are proud to open their doors to every student. The commitment to serve each child well — regardless of background, ability, or need — is one of public education's greatest strengths, and it deserves the full backing of the state. Texas faces a growing shortage of specialized professionals needed to fulfill that commitment, and intentional investment in this workforce is an investment in Texas students.

Trustees advocate for:

- Full reimbursement for the actual costs of providing the individualized support students are entitled to by state and federal law
- Increasing the special education full individual and initial evaluation allotment under state law to reflect the actual cost of each evaluation
- Meaningful, long-term investment in recruiting, retaining, and developing the specialized professionals who serve students with disabilities — including diagnosticians, therapists, and paraprofessionals

Building the Educational Workforce: Recruitment and Retention

Texas Trustees advocate for continued work to recruit and retain our state's educational workforce. More work is needed to increase compensation for all educators and school district employees, to expand the educational workforce in Texas, and to retain the workforce required to support student success.

Trustees urge the Legislature to:

- Review and reform educator compensation allotments — including the Teacher Incentive Allotment and Teacher and Staff Retention Allotments — to ensure funding structures support sound local staffing decisions driven by student need
- Reduce certification barriers, such as reciprocity with other states, and fees
- Strengthen TRS and healthcare benefits through increased state contributions
- Direct a comprehensive actuarial study of TRS solvency that fully accounts for the long-term fiscal impact of recent legislative changes — including the Teacher Incentive Allotment, Teacher and Staff Retention Allotments, and Education Savings Account program
- Preserve local control over compensation decisions to meet district workforce needs

Supporting Those Closest to Students and Communities: Local Control

Texas Trustees call upon the Legislature to strengthen local control and governance, recognizing that Texas school districts serve an increasingly diverse and ever-evolving student population — with some communities experiencing rapid growth and others facing enrollment decline — and that each requires the flexibility and long-term capacity to meet its community's unique needs.

Trustees urge the Legislature to:

- Restore local discretion to direct funding and operational decisions in response to community needs
  Uphold local discretion over curriculum decisions by ensuring that funding structures and incentives support that authority
- Preserve school boards' freedom to select their own associations, service providers, and training and advocacy partners
- Prevent new restrictions on bond elections and VATREs, and ensure that ballot language requirements are truthful and accurate
- Retain district control over property funded by local taxpayers

- Provide clear statutory definitions of agency authority over school takeovers and other matters to ensure consistent and predictable implementation for school districts
- Require early notification, meaningful consultation, and input from affected school districts before approving major data center developments or related infrastructure agreements, including full disclosure of potential impacts on school district finances, water and electricity resources, and infrastructure, while ensuring that development-related costs are not shifted to school districts or local taxpayers.

Enhancing Transparency and Accountability

Texas Trustees advocate for a rigorous, consistent accountability system that measures student outcomes and financial transparency equally across all schools receiving public funds and urges the following reforms to strengthen that system for all Texas students:

- Expand the stability protections established in state law to cover all components of the accountability system — including assessment instruments, indicators, weightings, eligible industry-based certifications, career and technical education pathways, and through-year growth measures — ensuring that no changes within a five-year window narrow pathways, raise barriers, or make it more difficult for students and districts to succeed, so that students, families, and districts have the time needed to meaningfully plan and invest in a consistent system, while preserving flexibility to expand options and opportunities mid-cycle
    - Ensure that changes to accountability components take effect with student cohorts who have sufficient time remaining in their K-12 journey to benefit from district adjustments — not with students who are already in high school, where meaningful program changes become increasingly difficult and disruptive
- Ensure that student and school success is evaluated through a holistic view of student experience, opportunity, and achievement — not solely through standardized assessments
- Remove statutory authority that allows a single campus' performance to trigger consequences for an entire district, and prevent A-F labels from following children from one school to another.
- Extend the assessment exemption for emergent bilingual students to ensure that results more accurately reflect student content knowledge rather than solely the pace of their English language acquisition
- Align TEA accountability ratings with parental rights and state law so that school districts may partner with parents related to student participation in standardized assessments and accelerated instruction without penalty
- Require full transparency in the recapture system, including public reporting on how recapture dollars are collected and distributed, ensure that all recapture funds are directed exclusively to public school districts, and reinstate the early payment discount
- Require state reporting on the impact to recapture of increased student mobility caused by school choice programs including ESAs and charter schools
- Require that fiscal notes for all education legislation identify whether a bill creates a new mandate on school districts and specify whether that mandate is fully funded, partially funded, or unfunded — including a detailed accounting of all associated costs and the specific funding source or allotment designated to cover them

Clearing the Path: Streamlining Statutory Provisions and Agency Rules

Texas Trustees advocate for greater specificity and clarity in statutory provisions, recognizing that legislation that leaves room for interpretation can result in agency rules that extend beyond what the Legislature envisioned, creating unintended burdens on school districts, students, and families. Likewise, Trustees encourage a sustained effort to identify and remove regulatory red tape that diverts time, attention, and resources away from students.

Trustees urge the Texas Legislature — and in some instances Congress and relevant state and federal agencies — to:

- Fully fund all state and federal legislative and regulatory requirements
- Streamline, clarify, and repeal outdated or burdensome statutes and agency rules affecting public schools that do not demonstrably improve outcomes for students
- Review recently enacted laws and related rules to ensure practical implementation aligned with student and parent needs and legislative intent
- Conduct comprehensive and regular reviews of all state mandates imposed on school districts, evaluating each for cost, effectiveness, and continued necessity, with a presumption toward repeal or consolidation of those that are unfunded, duplicative, or no longer aligned with current educational needs
- Require that the Texas Education Agency's four-year rule review process under state law expressly evaluates the fiscal and operational impact of each agency rule on school districts and require that all other state agencies identify and disclose, as part of their rulemaking and periodic review processes, whether a proposed or reviewed rule has a fiscal or operational impact on public schools, ensuring that effects on school districts are not overlooked

Leveling the Playing Field

Texas Trustees call upon the Texas Legislature to ensure that no school receiving public funds operates without comparable accountability for student outcomes and responsible stewardship of taxpayer dollars.

Trustees urge the Legislature to:

- Enact legislation requiring all public, private, and charter schools receiving state funding to meet identical standards for academic accountability, financial transparency, and reporting, and to comply with agency rules and regulations related to pre-K-12 education
- In instances where the Legislature determines that a provision is an unnecessary burden on any type of school receiving public funds, remove it for all rather than creating sector-specific exemptions
- Require that fiscal notes for legislation creating new requirements for public schools explicitly state whether those requirements apply equally across all school types receiving public funds and, if not, provide a clear justification for the disparity

Investing in the Future of Texas

Texas Trustees advocate for fully funded and consistent investments in programs and services that yield meaningful returns — stronger student outcomes, a skilled Texas workforce, and thriving communities — including but not limited to:

- School safety and security
- Special education
- Full-day pre-kindergarten and early learning
- Student workforce development
- School nurses, counselors, and other student support professionals
- Enrollment-based funding
- Transportation

Moreover, Trustees advocate for the Legislature — in collaboration with the TEA and Comptroller — to ensure hold harmless provisions function as intended and school districts receive the funding intended when legislation was passed.

Texas Trustees stand ready to work alongside the 90th Texas Legislature in pursuit of these priorities, confident that a collaborative approach — one that draws on the expertise of local school boards and the vision of state leadership — will produce the strongest possible outcomes for Texas students, families, and communities.

2027 TASA Legislative Priorities

During the 90th session of the Texas Legislature, the Texas Association of School Administrators (TASA) will support or initiate legislation that aligns with the association's positions and priorities and work with other associations and groups to advocate for them.

Local Control

- A cornerstone priority of TASA members is local control and flexibility, as school districts must be able to respond to the differing needs of students, educators, parents, and the communities they serve.
- Support local control of school finances and oppose measures that erode local discretion.
- Oppose legislation or measures that seek to limit school districts' or administrators' ability to have representation before the Texas Legislature, state agencies, and the executive branch.
- Support Districts of Innovation in their current form.

Education Funding

- Advocate for an adequate and equitable school finance system that raises per-pupil funding to the national average.
- Advocate for local discretion with spending to ensure that the needs of students, staff, and communities are met.
- Support the use of enrollment vs. attendance as the standard for school funding.

Foundation School Program

- Oppose any cuts to school district FSP funding.
- Advocate for adequate and equitable formula-based funding that considers student and district characteristics to meet state and local standards.

Allotment of Basic Costs

- Advocate for increased funding to address rising operational costs driven by inflation, including higher property and casualty insurance premiums.
- Advocate for increased funding to cover employee benefit costs that exceed the state minimum.

School Safety

- Advocate for an increase above current funding levels of $21.10 per student and $33k per campus from the School Safety Allotment.
- Advocate for local flexibility so districts can meet student and staff safety needs while complying with state requirements.
- Support efforts to reduce travel costs and minimize time away from district duties for safety training currently offered only in San Marcos, Texas.

Instructional Materials & Technology Allotment

- Advocate for increased IMTA funding to provide districts with needed technology and instructional materials, while opposing carveouts that reduce district funding.
- Advocate for keeping state-designated OER materials optional, allowing districts to select instructional materials that best meet local student needs.
- Advocate for TEA to implement rigorous pre-publication reviews and clear timelines for the state's Curriculum to prevent future disruptions and protect public funds.

Facilities Funding

- Advocate for additional funding for the Instructional Facilities Allotment (IFA), Existing Debt Allotment (EDA), and the New Instructional Facilities Allotment (NIFA).

2027 TASA Legislative Priorities

Charter Schools

- Oppose further expansion of publicly funded charter schools, including additional campuses under existing charters, unless they are subject to the same accountability and transparency requirements as community-based public schools, including those governing special education, public notices, discipline, finances, transportation, bilingual programs, employment, parental rights, lobbying, student privacy, audits, nutrition, and nepotism.

Special Education Funding

- Advocate for increasing the Special Education Allotment at a minimum by $250 million per each year of the biennium.
- Support public schools with the staff and funding needed to comply with IDEA requirements for determining whether students entering the state's Texas Education Freedom Account Program qualify for special education services.

Teacher Retirement System

- Advocate for the continuation of the current defined benefit pension program for TRS members and advocate for an annual cost-of-living adjustment for all retirees if a study of the fund determines it will not negatively impact the actuarial soundness of the fund.
- Advocate for increased state funding to assist with increased healthcare costs associated with TRS-ActiveCare and TRS-Care.

Teacher Shortage

- Support measures that help with recruitment and retention of the workforce.
- Support expanding the Teacher Retention Allotment and Teacher Incentive Allotment eligibility for hard-to-staff positions, such as counselors and nurses.

Texas Education Freedom Account Program

- Oppose expanding the Texas Education Freedom Account program, which diverts public tax dollars to private entities, homeschool students, or parents without sufficient academic or financial accountability or transparency to the state, taxpayers, or local communities.

Assessment & Accountability

- Advocate for the establishment of a comprehensive accountability system that looks beyond high-stakes, multiple-choice exams to meaningful assessments that have value for students, parents, and teachers, as well as flexible measures that local communities value.
- Advocate for financial assistance to campuses with three consecutive failing grades, with local flexibility to address student performance and prevent further failing grades and state takeover.

Artificial Intelligence

- Support designating a leader to coordinate a statewide K-12 AI strategy and convene an advisory board of educators, parents, industry representatives, and policymakers.
- Support developing and publishing state guidance for school districts on responsible AI use by educators and students, data privacy, AI procurement, and student assessment.

Legislative Priorities for the 90th Legislative Session (DRAFT)

Increase the ABC Allotment	What: Advocate for increased funding in the ABC Allotment to better reflect the actual, rising expenses faced by midsize school districts, including staffing, transportation, utilities, insurance, safety, and student supports. Why: Midsize districts lack the economies of scale of larger systems but are expected to provide comparable services. The current allotment falls short of covering true operational costs, forcing districts to shift resources away from classroom, delay critical nee, and struggle to offer competitive pay.
Index the Basic Allotment	What: TAMS supports the establishment of an ongoing inflationary adjustment tied to recognized cost drivers. Why: Indexing the Basic Allotment to inflation will help restore purchasing power, provide predictable funding, and allow districts to maintain high-quality academic programs and services for our students.
Increase Special Education Funding	**What:** TAMS supports providing additional state funding for special education that more accurately reflects the true cost of services/supports required for students with disabilities. **Why:** Increased funding and improved funding structures will help districts meet federal and state obligations while ensuring students receive the individualized instruction and resources necessary for success.
Fully Fund School Safety	**What:** TAMS supports safe and secure learning environment for all students and staff by providing adequate, sustainable funding to meet school safety requirements. **Why:** Ensuring adequate funding will allow districts to prioritize both student safety and academic success without compromising essential educational programs.
Imbalances in Pay Structures	**What**: Address compensation disparities between TIA-designated teachers and campus administrators, ensuring compensation structures support both excellent teaching and strong campus/instructional leadership. **Why**: Ensuring compensation structures reflect job responsibilities will help districts recruit and retain highly qualified campus administrators/instructional leaders and maintain a strong leadership pipeline for Texas midsize schools.
Preserve Local Control	**What**: TAMS supports policies that protect the authority of locally elected school boards and district leaders to make decisions that reflect the unique needs of their communities, while limiting unnecessary state mandates that reduce flexibility and local innovation. **Why:** Preserving local governance ensures accountability to voters and supports innovative solutions that improve student outcomes.

WIMBERLEY INDEPENDENT SCHOOL DISTRICT
BOARD OF EDUCATION
WIMBERLEY, TEXAS

Subject: Declare the Elected Unopposed Candidates for the November 3, 2026 Trustee Election

Date: 11/16/2026

Presented by: Ken Strange

Action

1. BACKGROUND INFORMATION

Texas Election Code – Unopposed Candidates:
Under Texas Election Code Chapter 2, Subchapter C, when each candidate for an office is unopposed, a school district may declare the unopposed candidates elected and cancel the election**.** (Election Code §§ 2.051–2.053)

When an election is canceled under this subchapter, the governing body shall declare each unopposed candidate elected to the office. A certificate of election is issued in the same manner as if the candidate had been elected at an election. (Election Code § 2.053(b))

Application to Wimberley ISD:
For the November 3, 2026 Trustee Election, the candidates for Position 6 and Position 7 were unopposed. In accordance with Texas Election Code §§ 2.051–2.053 and WISD's resolution canceling the election, the district is not required to conduct a canvass of votes. Instead, the Board must formally declare the unopposed candidates elected and authorize issuance of Certificates of Election.
Certificates of Election: Following the declaration, the presiding officer shall issue a Certificate of Election to each elected trustee. Certificates must include the candidate's name, office, date of election, and the signature and seal of the issuing officer. (Election Code § 67.016)

2. ADMINISTRATIVE RECOMMENDATION

Declare the candidates for the November 3, 2026 Trustee Election elected to office, as permitted by Texas Election Code § 2.053, due to their unopposed status and the lawful cancellation of the election.

3. BOARD ACTION REQUIRED

I move that we approve the declaration of elected unopposed candidates for the November 3, 2026 Trustee Election and authorization to issue Certificates of Election.

Date: 11/16/26

Presented by: Ken Strange

Action

1. BACKGROUND INFORMATION

In accordance with **Texas Election Code § 67.016** and **WISD Board Policy BBBB (Legal)**, once the official canvass of election results has been completed and approved, the presiding officer shall prepare and issue a **Certificate of Election** to each candidate elected to office.

Each Certificate of Election must include:

1. The candidate's name;
2. The office to which the candidate was elected;
3. A statement of election to an unexpired term, if applicable;
4. The date of the election;
5. The signature of the officer preparing the certificate; and
6. The official seal of the issuing authority.

Following the canvass of the **November 3, 2026** election, the **District 6 Trustee** and **District 7 Trustee** have been duly elected. Upon approval of the canvass, each will be issued a Certificate of Election, after which they may take the **Statement of Elected Officer** and the **Oath of Office** in accordance with **Texas Constitution Article XVI, Section 1**, and **Election Code § 67.016**.

2. ADMINISTRATIVE RECOMMENDATION

Authorize the **Board Vice President** to issue Certificates of Election to the **District 6 Trustee** and **District 7 Trustee** as determined by the official canvass of returns conducted on **November 16, 2026**.

3. BOARD ACTION REQUIRED

Approve the issuance of Certificates of Election to the **District 6 Trustee** and **District 7 Trustee** following certification of the November 4, 2025 election results.

WIMBERLEY, TEXAS

Subject: Election of Officers

Date: 11/16/26

Presented by: Ken Strange

Action

1. BACKGROUND INFORMATION

Selection of Officers
At the first meeting following each election and qualification of Board Members, the Board shall organize by electing its officers in accordance with **Education Code § 11.061(c)** and **Board Policy BDAA (Legal)**. The Board shall select:

1. A **President**, who must be a member of the Board;
2. A **Vice President**, who must be a member of the Board; and
3. A **Secretary**, who must be a member of the Board.

The Board may also designate a District employee to provide clerical assistance as needed. Officers shall be elected by a **majority vote** of the members present and voting.

Vacancy in Office
A vacancy among Board officers shall be filled by majority action of the Board.

Term and Duties
Board officers shall serve a term of **one year** or until a successor is elected. Officers may succeed themselves in office. Each officer shall perform any legal duties of the office and other duties as required by Board action.

Duties of Officers

- **President:** Preside at all Board meetings; has the right to discuss, make motions and resolutions, and vote on all matters before the Board.
- **Vice President:** Act in the capacity and perform the duties of the President in the event of absence or incapacity.
- **Secretary:** Ensure an accurate record of proceedings, ensure required postings and notices, and sign or countersign documents as directed by Board action.

2. ADMINISTRATIVE RECOMMENDATION

Conduct the **election of Board officers** for the positions of **President**, **Vice President**, and **Secretary**, in accordance with **Board Policy BDAA (Legal/Local)** and **Texas Education Code § 11.061(c)**.

3. BOARD ACTION REQUIRED

Elect officers of the Board for the 2026-2027 term.

Selection of Officers

At the first meeting after each election and qualification of trustees, the members shall organize by selecting:

1. A president, who must be a member of the board.
2. A secretary, who may or may not be a member of the board.
3. Other officers and committees the board considers necessary.

Education Code 11.061(c)

Reorganization

In addition to the required post-election organization, a board may also organize at other times. *Atty. Gen. Op. MW-531 (1982)*

Duties/Powers of Board President

The duties and powers of the president of a board include, but are not limited to, the following:

1. Call a meeting of the board for the purpose of adopting a budget and provide for the publication of notice of the budget and proposed tax rate meeting under Education Code 44.004. [See CE and CCG]
2. Submit the annual financial statement to a newspaper for publication under Local Government Code 140.006. [See CFA]
3. Execute a mineral deed or lease under Education Code 11.153. [See CDB]
4. Execute the deed for the sale of property, other than minerals, held in trust for public school purposes under Education Code 11.154(b). [See CDB]

Board Officers The Board shall elect a President, a Vice President, and a Secretary who shall be members of the Board. The Board may assign a District employee to provide clerical assistance to the Board. Officers shall be elected by majority vote of the members present and voting.

Vacancy A vacancy among officers of the Board shall be filled by majority action of the Board.

Term and Duties Board officers shall serve for a term of one year or until a successor is elected. Officers may succeed themselves in office. Each officer shall perform any legal duties of the office and other duties as required by action of the Board.

President In addition to the duties required by law, the President of the Board shall:

1. Preside at all Board meetings unless unable to attend.
2. Have the right to discuss, make motions and resolutions, and vote on all matters coming before the Board.

Vice President The Vice President of the Board shall:

1. Act in the capacity and perform the duties of the President of the Board in the event of the absence or incapacity of the President.
2. Become President only upon being elected to the position.

Secretary The Secretary of the Board shall:

1. Ensure that an accurate record is kept of the proceedings of each Board meeting.
2. Ensure that notices of Board meetings are posted and sent as required by law.
3. In the absence of the President and Vice President, call the meeting to order and act as presiding officer.
4. Sign or countersign documents as directed by action of the Board.

Minutes of Regular Meeting

Board of Trustees

A Regular Meeting of the Board of Trustees of Wimberley Independent School District was held Monday, **Monday, October 19, 2026**, beginning at **6:00 PM** in the WISD Administration Building, 951 FM 2325, Wimberley, TX 78676.

1. Call the meeting to order and determine a quorum - The Regular Meeting of the Board of Trustees of the Wimberley Independent School District was called to order by Dr. Campbell at 6:00 p.m. A quorum was established with the following members present: Dr. Rob Campbell, Chad Canine, Will Conley, Lindsey Deringer, Lexi Jones and Andrea Justus. Ken Strange: Absent.

   Administrators Present: Dr. Bonewald, Dr. Turek, Michael Doyle, Laurie Grisham, Ryan Wilkes, Joseph Holzmann, SueAnna Thomas, Marlayna Zachary and Christi Moeller
   Directors Present: Allen Bruggman, Lori Pharis

   The Pledge of Allegiance to the U.S. flag was led by the Board of Trustees. Dr. Campbell held a moment of reflection and the District's Vision, Mission and Goals were read.

2. Special Recognition – Presenter Dr. Bonewald introduced the Wimberley Education Foundation and expressed his sincere appreciation for the organization's continued dedication and support of Wimberley ISD. He recognized the Foundation for its commitment to enriching educational opportunities throughout the district by providing Innovative Teaching Grants that allow teachers to bring creative ideas, new programs, and meaningful learning experiences into their classrooms. Dr. Bonewald thanked the Foundation's board members, volunteers, donors, and community supporters for their generosity, hard work, and commitment to the success of WISD students and staff.

3. PUBLIC FORUM – No individual came forward to speak.

4. Information Items

   A. Strategic Plan Update: Priority 2 – Support Staff Excellence – The Blueprint: Texan Leadership Academy

      Dr. Cooper and Dr. Turek presented an overview of *The Blueprint: Texan Leadership Academy*, a new initiative designed to invest in WISD employees, develop leadership capacity, and strengthen the district's future.
      The academy supports the district's strategic goal of Faculty and Staff Excellence through continuous development and training. Participants will gain insight into district operations, including instruction, human resources, finance, safety, and student support. The program will also provide opportunities to observe Board meetings, learn about district-level decision-making, collaborate on real-world leadership challenges, and apply their learning through a District Impact Challenge.
      Dr. Cooper and Dr. Turek introduced the academy's inaugural cohort of 13 WISD employees who will participate in the program. The academy reflects the district's commitment to growing leaders from within and investing in the continued success of its staff and students.

B. Bond Update: AG|CM

Representatives from AG|CM provided the Board with an update on the progress of the 2025 Bond construction projects, including recent activities, budget expenditures, and upcoming milestones.
Construction continues at WHS and DJH, including the band hall addition, weight room, performing arts facilities, and multipurpose pavilion. Roofing, HVAC, and campus safety improvements are also progressing, with several projects nearing completion.
As of September 30, 2026, approximately $30.1 million of the $135 million bond budget has been expended. The overall construction program remains scheduled for completion in Spring 2028.

5. Action Items

A. Consider and possible action to approve an Easement Agreement with Aqua Texas, Inc. for a permanent utility easement and related temporary construction easement for water utility facilities across District-owned real property, being a 0.4789-acre (20,859-square-foot) tract situated in the Clement Henson Survey, Abstract No. 249, Hays County, Texas, and being a portion of the remainder of a called 148.40-acre tract conveyed to Wimberley Independent School District and recorded as Document No. 18029272 of the Official Public Records of Hays County, Texas, as more particularly described by metes and bounds in the Easement Agreement; and authorize the Superintendent or designee to execute the Easement Agreement and related documents.
I move that the Board approve the Easement Agreement with Aqua Texas, Inc. for the permanent utility easement and related temporary construction easement described in the posted agenda item, as proposed by Administration, and authorize the Board President, Superintendent or designee to finalize and execute the Easement Agreement and any related documents necessary to effectuate the Board's approval, including delegation of authority to make any minor or non-substantive edits to finalize the easement.. This motion, made by Lexi Jones and seconded by Chad Canine
