They either come already qualified or are qualifying with us.</p>	<p>Approx 45 Kinder students had never attended school before.</p> <p>Many struggling students are (or have) experienced attendance issues.</p> <p>Our large class sizes impact student learning; it impacts the small group instruction; and it impacts the individualized instruction.</p>	<p>Students that attended PK typically show more growth compared to those that that do not attend PK.</p> <p>High and consistent attendance helps students achieve academic success.</p> <p>The daily double-dose of support (tutoring and intervention) helps students struggling with retention of concepts taught.</p>	<p>Kinder students that do not attend PK will be identified, monitored, and supported earlier.</p> <p>Struggling 1st and 2nd grade students will be identified and supported withing the first 2 weeks of school by interventionists and within small group instruction.</p> <p>For Math, there will be a new textbook adoption beginning next year.; this should help with alignment. What is Our Attendance by Grade Level?

1. Who is struggling most based on the data?	2. What circumstances surrounded struggling students? What is being done about it?	3. Why is it working for some students?	4. Which changes will happen based on the data	5. How can the Board Help?
<p>Struggling most are Kindergarten students and our most vulnerable and medically fragile students; our students in the self-contained Special Education units.</p>	<p>Early in the year we had an influx of the flu. Just last week we had some flu absences as well. We are communicating with parents about the importance of attending school every day to develop good habits and set the foundation of learning, responsibility, and accountability. We also inform parents of what attendance means (monetarily) to our school and school district. I believe that when we know better, we do better.</p>	<p>We encourage all families to bring their child to school daily. We inform parents and students of attendance incentives and the highest attendance “competition” we have going amongst all campuses and within our own grade levels.</p>	<p>Based on data, we will continue making phone calls to parents. Additionally, we will continue to inform them of the value of students attending school all day, every day as well as informing them of attendance laws and the academic consequences of missed attendance.</p> <p>More recently I called parents of transfer students to discuss attendance with those having attendance issues and advised that attendance can/will affect their transfer status.</p>	<p>Continued support of attendance awareness. On any opportunity, inform parents of the consequences to the district, the school, and more importantly, their child’s education, when they choose to keep their children home or pull them early.</p> <p>Consider no half days on the calendar – those days are hard on our attendance rates</p>

Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All products, pricing, and other information is based on the latest information available and is subject to change for any reason, including but not limited to tariffs imposed by government authorities. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dellemc.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringsspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

MEMORANDUM

To: Members of the Board of Trustees
From: Jesus Martinez, Executive Director- Support Services
Subject: Consider and possible Board action to approve interlocal agreement amendment one between El Paso County, Texas and the San Elizario Independent School District-for school resource officers
Date: May 14, 2025

HISTORY: The County of El Paso, Texas and the San Elizario Independent School District entered into an agreement for School Resource Officers. During District School Safety and Security Committee meeting conversations, the topic of having a rifle safe for each school resource officer in each campus has been discussed. The consensus between members was that it would be beneficial that the SRO’s have access to their rifles in an expedited manner, in the event of an emergency.

RATIONALE: The rationale is that in the event of an emergency requiring the SRO to have access to his rifle, it is quicker and aids in faster response time if the SRO has his rifle in the campus, in a rifle safe that would be installed by the district. The rifle safes would be district property. This is the only item being amended on the agreement.

BUDGET IMPACT: The budget impact for the purchase of the five safes does not exceed \$5,000 in total.

ADMINISTRATIVE RECOMMENDATION: The administrative recommendation is to approve the amendment (amendment one) to the interlocal agreement with El Paso County, Texas for School Resource officers which now includes the purchase and installation of rifle safes by the district. The agreement has been reviewed by the district’s legal counsel.

WHEREAS, El Paso County and the San Elizario Independent School District are authorized to enter into this Agreement pursuant to the Interlocal Cooperation Act, Chapter 791, Texas Government Code; and

WHEREAS, the San Elizario Independent School District is within El Paso County’s primary law enforcement jurisdiction; and

WHEREAS, El Paso County and the San Elizario Independent School District desire to join forces to conduct a program of School Based Policing through School Resource Officers; and

WHEREAS, each Party specifies that it will pay for the performance of these functions of government from current revenues available to the paying Party; and

WHEREAS, this Agreement for interlocal cooperation for El Paso County to provide school resource officers to the San Elizario Independent School District benefits the citizens and constituents of all jurisdictions concerned; and

FOR THESE REASONS, and in consideration of the mutual promises contained in this Agreement, El Paso County and the San Elizario Independent School District mutually agree as follows:

I. SCOPE OF SERVICES

A. Officers Provided. El Paso County Sheriff’s Office will provide Five (5) School Resource Officer to SEISD. Each School Resource Officer will work a 40-hour week, except during vacations, sick leave, and any other time off officers are allowed or required to have in accordance with the contracts between the El Paso County Sheriff’s Office, County, and the El Paso County Sheriff’s Officers Association, as well as any training the School Resource Officers may be required to attend. School Resource Officers shall be entitled to a one-half (1/2) hour paid lunch period and will be subject to emergency calls during lunch. County is not obligated to replace any School Resource Officers who have been granted any leave time, including any extended leave. School Resource Officers may be assigned primary duties at secondary schools within SEISD. School Resource Officers will perform duties at feeder schools when required. School Resource

Officers will at all relevant times be employees of the El Paso County Sheriff's Office and will be subject to the rules and regulations of the El Paso County Sheriff's Office.

B. Communications. School Resource Officers will carry County issued portable radios, or another portable communications equipment. Arrangements may also be made for school officials to contact School Resource Officers via such portable equipment or equipment provided by SEISD.

C. School Resource Officers Duty & Training. School Resource Officers shall operate according to El Paso County Sheriff's Office policies and procedures. School Resource Officers shall at no time act as substitute teachers, nor shall School Resource Officers be utilized to provide sole supervision of a class of students. School Resource Officers will be scheduled to attend and participate in mandatory training as set out by law, policy, or grant requirements. Training includes completion of the National Association of School Resource Officers 40 hour basic training course by each School Resource Officer. School Resource Officers may also participate in reasonable training programs that directly affect the School Resource Officers' ability and skills as School Resource Officers or that enhance School Resource Officers' law enforcement careers. During training, School Resource Officers will be absent from assigned schools.

D. Response to Law Enforcement Incidents. School Resource Officers may be contacted by SEISD to deal with law enforcement situations that exceed SEISD's ability to handle special situations that require a rapid police response or the special knowledge or expertise that a School Resource Officer offers.

- a. The School Resource Officer will take permissible enforcement action when appropriate and within the School Resource Officer's discretion; however, nothing in this Agreement shall create any legal duties to provide additional police protection, which may already exist as to the public.
- b. Nothing in this Agreement shall prohibit SEISD personnel from utilizing the 9-1-1 reporting system, nor shall it prohibit or limit the use of SEISD security guards to handle or supplement calls for service. Use of 9-1-1 is encouraged for emergency and/or priority calls, even if a School Resource Officer is also called.
- c. School Resource Officers shall not be responsible for handling administrative or minor, non-priority incidents typically handled by SEISD security guards.
- d. School Resource Officers will maintain a close working relationship with SEISD security guards. School Resource Officers and security guards may exchange information regarding suspects, incidents, and/or potential problems.
- e. Except in extreme emergencies, School Resource Officers should not be called away from class to handle incidents.

E. Reassignment for Emergency Response. The El Paso County Sheriff's Office reserves the right to assign a School Resource Officer to other police functions in the event of an emergency at the direction of the Sheriff or his designee or according to Sheriff's Office policy. If a School

Resource Officer is assigned to such an emergency response, SEISD will not be billed for the time that the School Resource Officer is assigned to a location outside of the SEISD. For purposes of this paragraph, “emergency response” means a coordinated law enforcement response to an unpredictable event that does not occur during a typical Sheriff’s Office workday. Such events include, but are not limited to, natural disasters, riots, acts of terrorism, or other acts of violence or nature that require a large law enforcement mobilization.

F. Off-Duty Assignments. School Resource Officers may work part time, off duty jobs at approved school functions, subject to El Paso County Sheriff’s Office guidelines and approval. Such off-duty employment will be pursuant to individual agreement and will be considered outside employment as defined by the Sheriff and the contract between County and the El Paso County Sheriff’s Officers Association.

G. Office & Supplies. SEISD will provide School Resource Officers with office space that is equipped with a computer and telephone available for the use by the School Resource Officers. Such office space may be shared with SEISD security guards, will function as a general workstation, and will be provided at no cost to County. SEISD will also provide office supplies and equipment required by School Resource Officers for performance of their duties, at no cost to County.

H. Employee of County. School Resource Officers shall remain employees of County and shall not be considered employees of SEISD. County shall be solely responsible for all salary, benefits, and other rights to which School Resource Officers may be entitled. SEISD’s obligation shall be to reimburse County as provided in this Agreement.

I. Supervision. Assigned El Paso County Sheriff’s Office personnel shall supervise School Resource Officers. While on SEISD campuses or facilities, School Resource Officers shall communicate with the principal or facility administrator on a daily basis and take reasonable steps to address security concerns raised by these officials. School Resource Officers shall provide a verbal briefing to school administrators upon request and to the extent reasonable, given the School Resource Officer’s schedule and any emergency that may arise.

J. Information Sharing. Communication and information sharing are essential to the success of the School Based Policing program. Sharing of information will be governed by the Texas Constitution and Statutes, the Texas Administrative Code, El Paso County Sheriff’s Office policies and procedures, and SEISD policies and procedures, as well as federal privacy laws.

- a. School Resource Officers shall inform SEISD school officials of arrests and detentions when required by state law. Upon request by SEISD school officials, School Resource Officers shall also provide information regarding other arrests, detentions, and investigations if such disclosure would not violate state law or El Paso County Sheriff’s Office policies and procedures and would not otherwise interfere with the detection, investigation, or prosecution of crime. Furthermore, if

a School Resource Officer is aware of information of a student which reflects that the student is in violation of school policies, the School Resource Officer may forward that information to SEISD school officials.

- b. School Resource Officers shall have access to any public records maintained by SEISD to the extent allowed by law. School Resource Officers may need confidential information in emergency situations based on the seriousness of the threat to someone's health or safety, time sensitivity, and the direct relationship of the information to the emergency.

Whereas, school nurses address the home and community factors (e.g. social determinants) that impact students' health; and

Whereas, school nurses are professional nurses that advance the well-being, academic success, and life-long achievements of all students by serving on the frontlines and providing a critical safety net for our nation's most fragile children; and

Whereas, school nurses act as a liaison to the school community, families, and healthcare providers on behalf of children's health by promoting wellness and improving health outcomes for our nation's children; and

INTRODUCCIÓN

Para un niño que acaba de cumplir ocho años, el mundo es un lugar único y confuso. Estás creciendo y fortaleciéndote día a día. Pero al mismo tiempo, siempre hay alguien más grande, más fuerte y rápido que tú. Quieres ser un superhéroe y una estrella de rock a la vez. Sin embargo, tus padres y profesores quieren que sigas las reglas y estudies para los exámenes... Pero sabes cuánto más tiene el mundo para ofrecerte. Nadie quiere perder el tiempo simplemente estudiando y acostándose a temprano. Entonces, la verdadera pregunta es: ¿cómo puedes ser un superhéroe, una estrella de rock y una persona especial al mismo tiempo?

Déjame contarte un secreto muy divertido: No es tan difícil. Todo lo que tienes que hacer es ser una gran persona y el resto se dará solo. Si eres amable, fuerte y ayudas a los demás, te convertirás en un superhéroe. Y si te transformas en protector del medio ambiente, ¡serás un poderoso salvador!

La siguiente duda es ¿Cómo puedo ser todo esto teniendo solo ocho años? Buena pregunta...

No tienes que preocuparte por eso porque una vez que comiences a leer este libro, todo se volverá muy sencillo. Descubrir cómo ser genial y especial al mismo tiempo y hacer que todos los que te rodean se sientan geniales y especiales será pan comido. La mejor parte de aprender todas estas habilidades y superpoderes es que todavía tienes ocho años. Tienes mucho tiempo para aprender, cometer errores y hacerlo todo de nuevo.

Además, cuentas con tus padres, profesores y amigos para guiarte durante todo el proceso. Y no olvides la mejor elección que jamás hayas hecho es... ¡Leer este libro!

Introduction

For a child who has just turned eight, the world is a unique and confusing place. You are growing and getting stronger every day. But at the same time there is always someone bigger, stronger and faster than you. You want to be a superhero and a rock star at the same time. However, your parents and teachers want you to follow the rules and study for exams... but you know how much more the world has to offer you. No one wants to waste time just studying and going to bed early. So, the real question is: How can you be a superhero, a rock star and a special person at the same time?

Let me let you in on a fun secret: it's not that hard. All you have to do is be a great person and the rest will take care of itself. If you are kind, strong, and help others, you will become a superhero. And so you become a protector of the environment, you will be a powerful savior

The next question is, how can I be all this when I'm only eight years old? Good question

You don't have to worry about that because once you start reading this book, everything will become very simple. Discovering how to be cool and special at the same time and make everyone around you feel cool and special will be a piece of cake. The best part about learning all these skills and superpowers is that you are still eight years old. You have plenty of time to learn, make mistakes and do it all over again.

Plus, you have your parents, teachers and friends to guide you through the whole process. And don't forget the best choice you've ever made... Read this book!

You're already a winner.

A Parent's Guide to 3rd Grade Reading and Writing

Welcome to 3rd Grade! Third grade is an exciting year because your child will become a more independent learner. They will move from practicing basic skills to mastering them and applying their knowledge in more complex ways. This is a big step in their education, and you can help them succeed!

Reading in 3rd Grade

By now, your child is reading more fluently and tackling longer books. This year, they will learn to think more deeply about what they read.

What Your Child Will Learn:

- Read longer chapter books and understand their main ideas.
- Talk about stories, characters, and important lessons.
- Compare books in a series or by the same author.
- Recognize and understand tricky words, including metaphors and expressions.

Understanding DRA and Lexile Levels

Your child's reading progress is often measured using DRA (Developmental Reading Assessment) levels and Lexile levels:

- **DRA Levels:** For 3rd grade, students typically range from DRA 24-38 by the end of the year. This helps teachers assess their reading fluency and comprehension.
- **Lexile Levels:** Third graders generally read books in the 500L-800L range, which means they are developing the ability to read more complex texts.

These levels help ensure your child is reading books that challenge them but are not too difficult. You can check a book's Lexile level online or ask your child's teacher for guidance.

How You Can Help at Home:

- **Read Together:** Pick a book series your child likes and read it together. Ask them questions about the characters and events.
- **Learn New Words:** If your child finds a new word, look it up together and try using it in a sentence that day.
- **Meet the Author:** Many authors have websites where kids can learn more about them. Encourage your child to write a letter or email to their favorite author!

Writing in 3rd Grade

This year, your child will write longer pieces and learn to organize their thoughts clearly.

What Your Child Will Learn:

- **Opinion Writing:** Share an opinion and explain why they feel that way.
- **Storytelling:** Write about events in order, using details and emotions.
- **Informational Writing:** Explain a topic using facts, definitions, and sometimes pictures.
- **Editing and Revising:** Plan, review, and improve their writing before it's finished.

How You Can Help at Home:

- **Write About Your Life:** When something fun happens, help your child write about it and share the story with family members.
- **Use Technology:** Let your child type a story on the computer or research a topic they're curious about.
- **Teach Someone Something:** Pick a fun skill (like making a craft or a favorite recipe) and write step-by-step instructions together.

STUDENT ATTENDANCE:

- Student attendance is extremely important, especially with a 4 day school week. If students miss a day they are missing vital instruction and strategies that teachers build upon throughout the entire school year.
- Too many absences-excused or unexcused-can keep students from succeeding in school. How many is too many? 10% of the school year-that's 15 MISSED DAYS OR 1-2 DAYS a month-can knock students off track.

Final Thoughts

Third grade is a big step in your child's learning journey, but with your support, they will thrive! Encourage curiosity, celebrate progress, and most of all, make learning fun.

Guía para Padres sobre la Lectura y Escritura en 3er Grado

¡Bienvenidos al 3er Grado! El tercer grado es un año emocionante porque su hijo(a) se convertirá en un aprendiz más independiente. Pasará de practicar habilidades básicas a dominarlas y aplicarlas de maneras más complejas. Este es un gran paso en su educación, y usted puede ayudarlo a tener éxito.

Lectura en 3er Grado

Para ahora, su hijo(a) lee con más fluidez y se ocupará con libros más largos. Este año, aprenderá a pensar más profundamente sobre lo que lee.

Lo que su hijo aprenderá :

- Leer libros de capítulos más largos y comprender sus ideas principales.
- Hablar sobre historias, personajes y lecciones importantes.
- Comparar libros de una misma serie o del mismo autor.
- Reconocer y comprender palabras difíciles, incluyendo metáforas y expresiones.

Comprensión de los niveles DRA y Lexile

El progreso en la lectura de su hijo(a) a menudo se mide con los niveles DRA (Developmental Reading Assessment) y Lexile:

- **Niveles DRA:** Para el 3er grado, los estudiantes suelen estar en el rango de DRA 24-38 al final del año. Esto ayuda a los maestros a evaluar su fluidez y comprensión lectora.
- **Niveles Lexile:** Los estudiantes de tercer grado generalmente leen libros en el rango de 500L-800L, lo que significa que están desarrollando la capacidad de leer textos más complejos.

Estos niveles ayudan a garantizar que su hijo(a) lee libros que le retan, pero que no son demasiado difíciles. Puede verificar el nivel Lexile de un libro en línea o preguntar al maestro/a de su hijo.

Cómo puede ayudar en casa:

- **Leer juntos:** Elija una serie de libros que le gusten a su hijo(a) y léanlos juntos. Hágale preguntas sobre los personajes y los eventos.
- **Aprender nuevas palabras:** Si su hijo(a) encuentra una palabra nueva, búsquenla juntos y traten de usarla en una oración ese día.
- **Conocer al autor:** Muchos autores tienen sitios en línea donde los niños pueden aprender más sobre ellos. Anime a su hijo(a) a escribir una carta o correo electrónico a su autor favorito.

Escritura en 3er Grado

Este año, su hijo(a) escribirá textos más largos y aprenderá a organizar sus ideas con claridad.

Lo que su hijo(a) aprenderá:

- **Escritura de opinión:** Expresar una opinión y explicar por qué piensa de esa manera.
- **Narración de historias:** Escribir sobre eventos en orden, usando detalles y emociones.
- **Escritura informativa:** Explicar un tema usando hechos, definiciones y, a veces, imágenes.
- **Edición y revisión:** Planear, revisar y mejorar su escritura antes de finalizarla.

Cómo puede ayudar en casa:

- **Escribir sobre su vida:** Cuando ocurra algo divertido, ayude a su hijo(a) a escribir sobre ello y a compartir la historia con familiares.
- **Usar la tecnología:** Permita que su hijo(a) escriba una historia en la computadora o investigue un tema que le interese.
- **Enseñar algo a alguien:** Elijan una habilidad divertida (cómo hacer una artesanía o una receta favorita) y escriban juntos instrucciones paso a paso.

ASISTENCIA ESTUDIANTIL:

- La faltas de los estudiantes es extremadamente importante, especialmente con una semana escolar de 4 días. Si los estudiantes faltan un día, están perdiendo instrucción vital y estrategias que los maestros desarrollan a lo largo de todo el año escolar.
- Demasiadas faltas, ya sean justificadas o no, pueden impedir que los estudiantes tengan éxito en la escuela. ¿Cuántas son demasiadas? El 10% del año escolar, es decir, **15 DÍAS PERDIDOS O 1-2 DÍAS al mes**, puede hacer que los estudiantes se desvíen académicamente.

Reflexión Final

El tercer grado es un gran paso en el aprendizaje de su hijo(a), pero con su apoyo, prosperará. Fomente la curiosidad, celebre sus avances y, sobre todo, haga que el aprendizaje sea divertido.

MEMORANDUM

To: Members of the Board of Trustees
From: Edgar Ponce; Planning & Instruction
Subject: (HB 3) GPM 2.3 Progress Monitoring—Grade 3 Reading Growth
Date: May 14, 2025

HISTORY:

The Board of Trustees has approved Student Outcome Goals and Goal Progress Measures as part of HB 3's progress monitoring requirements. This report aims to provide feedback on HB 3 Goal Progress Measure (GPM) 2.3, which focuses on reading growth for grade 3 students

RATIONALE:

Goal Progress Measure (GPM) 2.3 (District; 1-year Goal)

Students in grade 3 MAP Reading assessment (English) will increase from the 41st percentile in January of 2024 (MOY) to > 45th percentile in January of 2025 (MOY) as measured by the MAP School Profile Report.

Students in grade 3 MAP Reading assessment (Spanish) will increase from the 27th percentile in January of 2024 (MOY) to > 32nd percentile in January of 2025 (MOY) as measured by the MAP School Profile Report.

In this report, three parameters will be examined related to grade 3 reading growth:

- Meeting MOY reading growth targets based on the MAP assessment.
- Examining reading achievement from BOY to MOY based on the MAP assessment.
- Subgroup analysis of achievement scores.

For this report, Alarcon and Borrego’s 3rd-grade reading results will be reported separately and then averaged to compare to the target. English and Spanish MAP assessments will also be reported as separate measures.

Part I: Meeting MOY reading growth targets based on the MAP assessment

Alarcon had 72 students in grade 3 take the MAP reading (English) test in January 2025. The table below represents the growth data for reading.

Campus	Number of 3 rd Graders that Tested Reading (English)	Percentile Meeting Growth Projection for Reading (English)
Alarcon	72	29 th Percentile

The mission of the San Elizario Independent School District is to graduate students with innovative skills for 21st-century careers by focusing on academic and social skills, fostering transformative practices, and building community support through positive relationships between home and school.

Our 3rd graders at Alarcon who tested reading in English were in the 29th percentile.

Alarcon students did not take the English (Spanish) test.

Of 101 tested, Borrego’s 3rd graders who tested reading in English reached the 36th percentile. We aim for 50% or more of our students to meet their growth projections.

Campus	Number of 3 rd Graders that Tested Reading (English)	Percentile Meeting Growth Projection for Reading (English)
Borrego	101	36 th percentile

Borrego had 37 grade 3 students take the MAP test in reading (Spanish) during January 2025. The table below represents the growth data for this group of testers, which equates to the 48th percentile.

Campus	Number of 3 rd Graders that Tested Reading (Spanish)	Percentage Meeting Growth Projection for Reading (Spanish)
Borrego	37	48 th percentile

Our targets for GPM 2.3 are based on the English and Spanish testers. It was identified that at Alarcon students only took the English version of the test, at Borrego students took the English and Spanish version of the test. We will still review the average of the exams and compare them to the board goals.

The English version of the Reading test averaged 32nd percentile which is below the 45th percentile goal. We understand the work that is needed to increase the performance of this group.

The Spanish version of the Reading test averaged 48th percentile which is well above the goal of 32nd percentile.

Part II: Examining math achievement from BOY to MOY based on the MAP assessment

The second way the 3rd grade reading data will be examined is by comparing the reading achievement at BOY compared to MOY on the MAP test. We want the scores to increase at MOY. There is no set target; we are considering whether the scores have increased, decreased, or

stayed the same. The data below is from our 3rd graders at Alarcon and Borrego, along with the district averages. Pink represents a decline, while green shows an increase.

Grade/Campus	BOY MAP (Reading-English)	MOY MAP- (Reading-English)	Difference
3 rd —Alarcon	30	30	-
3 rd —Borrego	42	38	-4
District Average	36	34	-2

Both campuses showed a regression from BOY to MOY, with a district average of -2% in reading (English).

Grade/Campus	BOY MAP (Reading-Spanish)	MOY MAP- (Reading-Spanish)	Difference
3 rd —Borrego	53	48	-5%

As mentioned earlier only one campus (Borrego) took the spanish version of the test, seeing a difference of -5%.

Part III: Subgroup Analysis

The data below show the BOY to MOY results for 3rd grade at Alarcon and Borrego, broken down for EL, SPED, and GT subgroups. No 3rd graders were coded GT at Alarcon.

Alarcon—3rd Grade Reading Achievement (English)

Student Group	BOY	MOY	Difference
Gifted and Talented	79	74	-5
English Learners	35	41	6
Special Education	30	32	2

Alarcon—3rd Grade Reading Achievement (Spanish) – None Tested

Borrego—3rd Grade Reading Achievement (English)

Student Group	BOY	MOY	Difference
Gifted and Talented	38	20	-18
English Learners	41	35	-6
Special Education	33	19	-14

Borrego—3rd Grade Reading Achievement (Spanish)

Student Group	BOY	MOY	Difference
Gifted and Talented	N/A	N/A	
English Learners	53	48	-5
Special Education	26	37	11

The data in these tables show a common theme when comparing subgroup data. The “SPED” students showed growth in different areas which shows the dedication and adjustments that are happening throughout the year.

The results noted in the tables above indicate that learning gaps must be overcome with our 3rd graders. We must also consider our approach to MAP testing in terms of relaying the importance of this instrument to our teachers and students.
