## **Memorandum Regarding Non-Resident Tuition Waivers and Special Education**

Please be advised that the District currently has in place via policy a waiver of non-resident tuition for full-time employees. This waiver permits the District to allow full-time employees' children to attend without being required to pay the non-resident tuition that would otherwise be required by Section 10-20.12a of the Illinois School Code.

While that policy waives the charge for non-resident tuition otherwise required by Article 10, the District's waiver does not impact special education provisions contained in Article 14, nor can it do so. The Illinois School Code has multiple, separate provisions related to student residency. The determination of which school district is legally and financially responsible for a student's IEP requires an understanding of both Articles 10 and 14 of the Illinois School Code.

Generally, a person who has legal custody of a student and does not reside in the school district shall be charged tuition upon their enrollment of the student in the district. 105 ILCS 5/10-20.12a. A school district may not charge tuition to a non-resident student if: 1) the student becomes a non-resident during a school year (i.e. the student's family moves out of the district during the school year), or 2) the non-resident student is attending the district due to a tuition waiver program. 105 ILCS 5/10-20.12a.

Article 14 of the Illinois School Code applies to students with disabilities and sets forth the residency provisions as to which school district is responsible for FAPE. 105 ILCS 5/14-1.11b. Under 105 ILCS 5/14-1.11, the resident school district is generally the school district in which the parent or guardian of the student resides.

The district that is financially responsible, legally culpable, and whose IEP team is empowered to make decisions regarding the student's special education eligibility and services is the district determined to be the resident district under Article 14 of the Illinois School Code. In other words, the district that is legally and financially responsible for a student's IEP is the school district where the parent or guardian of the student resides. 105 ILCS 5/14-1.11. In those cases where a student attends a district other than where the parent or guardian resides – for example, when a student is attending a district due to a tuition waiver – the resident district remains the school district in which the parent or guardian of the student resides. The resident district is and must remain financially responsible, legally culpable, and empowered to make decisions regarding the student, even if the student is receiving services in another/serving district.

Accordingly, if your child is eligible for special education services, or if there is a request for a special education evaluation while your child attends the District pursuant to the tuition waiver, the resident district must be included in the process, and will be part of the decision-making process related to evaluation, eligibility, IEP services, and placement. If you have any questions about this, you can contact Mr. Erik Young, Superintendent at (309) 723-5111.

## Elementary Principal's Report - December 2024

### **Community Involvement and Awareness**

- 12/18 - We will celebrate the holidays with our annual Holiday Meal for our Third - Fifth grade students. Thanks to Jennifer Scaggs, Emily McCormick, our classroom teachers, supervisory staff, and most importantly our outstanding kitchen staff and custodians who helped make this event a success.

●

### **Curriculum & Program Development/Staff Collaboration**

- 12/3-12/5 - Kindergarten, First, and Second Grade teachers engaged in observations in each others' classrooms in order to see different ways to implement our new UFLI phonics curriculum. They each shared their perceived strengths as well as a few takeaways from the experience. Learning walks like these are something I would like to continue and increase next semester.
- 12/11 - Third and second grade teachers received coaching from Hailey Pocić-Burt, our dedicated math coach related to our new Illustrative Math Curriculum. We continue to offer professional development for our staff and appreciate Hailey's expertise.

### **Students and Staff**

- 12/4 - Fifth grade band performed in their very first band concert. Mr. Marchese and the students did a great job!
- 12/10 - PreK students held their very first Holiday Program which incorporated signing, hot chocolate, and cookies. Thanks to Mrs. Testory, Mrs. Morefield, Mrs. McCormick, Miss Cioni, and Mrs. Veytia for their help with such a great event. We had so many in attendance we had to move from the APR to the gymnasium. What a great night!
- 12/11 - K-4 students performed in their annual holiday concert. This year's theme was Christmas at the Movies. Thanks to Mrs. Aupperle and all staff who remain at school to assist students during this concert! Also, thanks to Mr. Jamerson who assisted with livestreaming the event on YouTube. Overall, the evening was an incredible success!
- 12/17 - 5th Grade students attended their annual Challenger Learning Center field trip in which they engage in an outer space simulation. Thanks as always to the Peoples State Bank of Colfax for helping to pay for this awesome opportunity. We could not attend every year without their support and we are extremely grateful!
- 12/19 - Pre-k students attended their first Christmas themed field trip to Helmig Tree Farm. They had decoration crafts, fun with cookies, and much more, all at a local establishment. Thanks to Mr. and Mrs. Helmig for having students visit the farm!

**Bus Lease for Summer 2025**

Hi Erik,

It was great to see your group come out at the conference last weekend; they are great people and fun to have a couple of beers with!

I put together this proposal for new 77 passenger buses and the option of a 61-passenger lift bus. The lift bus is the same size as your 71 passenger buses, with a rear mounted WC lift and track seating. I included (1) tie down kit for the wheelchair, but the bus can carry up to (3) wheelchairs if needed in the future.

The (3) buses that are coming off a 3-year leases are:

F521324	\$35,000.00
F521325	\$35,000.00
F521326	\$35,000.00

Please let me know what questions you have once you get a chance to look through the proposal.

Thanks again!

Jeff

Dear Superintendent Young,

My name is Tammie Ng, Director of Policy Services from the Illinois Association of School Boards (IASB). I look forward to working with your Board on your policy manual and the potential addition to our **PRESS Plus** service. An essential first step is to provide an overview of the process.

### PARTICIPATION

Since the completed policy manual will be adopted by the Board, it is important that there be **Board representation throughout the process**, along with the Superintendent. This should also be accomplished at our meetings for this project, with the attendees being either the full Board, or a smaller Policy Committee established by the Board\*.

The attached **Participant Worksheet** is to be completed prior to starting the project. Make sure some of the participants at our meetings will be **board members**. Please fill out this form and return it to me at your earliest convenience.

### SCHEDULE

The typical project schedule and stages are as follows:

1. **Questionnaire Meeting\*** (typically 2 hours in length). IASB meets in the district with the Board and administrators to review board and district operations and current practices.
2. **IASB prepares draft manual** based on questionnaire meeting and items provided by the district. IASB provides a copy to the District for review.
3. **District takes up to 60 days** to review the draft manual.
4. **Editing Meeting(s)\*** (typically 3.5 hours in length). IASB meets in the district with the Board and administrators to fine tune the policy manual, discuss various language options, and address any unique language requests noted during the District's review.
5. **IASB prepares pending adoption manual** based on results of Editing Meeting and provides a copy to the District. If interested, district will receive contract(s) for **PRESS Plus** and/or School Board Policies Online (SBPOL) to review.
6. **Board adopts the policy manual**. Once the manual is adopted, notify IASB of the adoption date.
7. **District receives Final Adopted Manual**. If the district is adding a subscription to **PRESS Plus** and the contract has been executed, the Final Adopted Manual will then be used for conversion onto the **PRESS Plus** platform. Once your **PRESS Plus** account is set up, your district will receive a welcome email with log in information.

Based on the length of these meetings, *they should not be combined with regular Board meetings*, and should instead be special meetings for the purpose of policy manual customization\*.

\* **NOTICE: Meetings for this project are subject to the Illinois Open Meetings Act whether conducted with the full board or a policy committee, and regardless of the number of participants.**

**ITEMS NEEDED FROM DISTRICT**

Please provide the following items needed from the District for my review, or point me to where they are located on the web:

1. Current Policy Manual
2. Any Collective Bargaining Agreements (CBAs)
3. Any Handbooks (staff, student, etc.)

**NEXT STEPS**

1. **Select a date for the Questionnaire Meeting.** Please discuss with your Board some possible dates and I will check them with my time availability. These meetings can be held during the day or evening, whichever works best for you and your Board members. Let me know if meeting before 5:00 PM is an option so I may plan my schedule in advance.
2. Please complete the attached **Participant Worksheet** and return it to me at your earliest convenience.
3. Please provide me with the items listed above in the **"Items Needed From District"** section.

Please let me know if you have any questions.

I look forward to starting this project with your district!

Sincerely,

**Tammie Ng**

## Board Governance

During the second half of the 103<sup>rd</sup> General Assembly, the legislature passed laws impacting school board governance:

1. 105 ILCS 5/10-16a(b-10), added by P.A. 103-771, eff. 6-1-25, adds training on student outcomes as a required component of professional development and leadership training that a board member must take within the first year of his or her first term.
2. 105 ILCS 5/5-1(d), added by P.A. 103-790, allows school boards in Cook County that have withdrawn from the authority of the township treasurer to appoint a township treasurer to serve as its school treasurer.

The U.S. Supreme Court also issued a key decision that may impact how board members and district employees conduct themselves on social media platforms. In the case *Lindke v. Freed*, 601 U.S. 187 (2024), the Court held that a government official's speech on social media will be subject to the requirements of the First Amendment only if the official: (1) has actual authority to speak on behalf of the government on a particular matter; and (2) purports to exercise that authority when speaking on social media. The case emphasized the practical importance of maintaining a clear separation between personal and official social media accounts.

In response to these legal developments, the following **PRESS** materials are updated:

- 2:110, Qualifications, Term, and Duties of Board Officers
- 2:120, Board Member Development
- 2:140, Communications To and From the Board
- 5:125, Personal Technology and Social Media; Usage and Conduct
- 8:10, Connection with the Community

## District Operations and Safety

The General Assembly passed laws related to school district operations and safety:

1. 105 ILCS 5/17-2A, amended by P.A. 103-601, extends the time period during which a district may transfer money from specified funds for any purpose through 6-30-26.
2. 30 ILCS 235/2, amended by P.A. 103-880, eff. 1-1-25, allows boards to adopt a resolution to authorize investment in instruments not specifically authorized by the Public Funds Investment Act if the investments comply with other law and board policy.
3. 105 ILCS 5/19-3, amended by P.A. 103-591, allows a board to build or purchase a building for classroom or instructional purposes without a referendum if the board determines the building or purchase will result in an increase in pre-K or kindergarten classroom space in the district. The amendment also makes certain changes related to the calculation of a district's statutory debt limitation.

## PRESS Terminology

What are the meanings of the "AP" and "E" after certain policy numbers?

The **PRESS Policy Reference Manual (PRM)** is an encyclopedia of sample board policies, administrative procedures, and exhibits. They are all in numerical order for easy reference. **PRESS** recommends that local school districts maintain separate board policy and administrative procedure manuals to help distinguish for the board, staff, students, parents, and community members, the distinction between board documents and staff documents, board work, and staff work.

**Policy.** The board develops policies with input from various sources like district administrators, the board attorney, and **PRESS** materials. The board then formally adopts the policies, often after more than one consideration.

**After adoption by the board, each policy should have an adoption date.**

**Administrative Procedures.** Administrative procedures are developed by the superintendent, administrators, and/or other district staff members. The staff develops the procedures that guide implementation of the policies. Administrative procedures are not adopted by the board, which allows the superintendent and staff the flexibility they need to keep the procedures current. **PRESS** sample procedures are numbered to correspond with the policies that they implement for easy reference. For example, policy 6:190's related administrative procedure is 6:190-AP.

**Administrative procedures should be dated for implementation by the administrative staff and kept separately from the board policy manual.**

**Exhibits.** Both board policies and administrative procedures may have related exhibits. Exhibits provide information and forms intended to be helpful to the understanding or implementation of either a board policy or administrative procedure, and they do not require formal board adoption. **PRESS** sample exhibits are numbered to correspond to the related board policy or administrative procedure. For example, Board Policy 2:70 has a related exhibit numbered 2:70-E. Administrative procedure 7:340-AP1 has a related exhibit numbered 7:340-AP1, E.

**Exhibits labeled with an "E" may provide guidance for board work or staff work. Those providing guidance for board work should be dated for implementation by the board. Those providing guidance for the staff should be dated for implementation by the administrative staff.**

**Administrative procedures exhibits, always labeled with the "AP, E" format should be dated for implementation by the administrative staff.**

4. 105 ILCS 5/2-3.204 (final citation pending), added by P.A. 103-736, eff. 1-1-25, requires the Ill. State Board of Education (ISBE) to compile and web post resources on indoor air quality for schools.
5. 105 ILCS 5/10-20.97, added by P.A. 103-1019, eff. 1-1-25, requires that a district have an AED at all attendance centers during the school day and during school-sponsored extracurricular activities held on school grounds.
6. 105 ILCS 128/60, added by P.A. 103-608, eff. 1-1-25, requires districts to develop a cardiac emergency response plan.
7. 105 ILCS 128/45, amended by P.A. 103-780, makes changes to the members of a threat assessment team.
8. 105 ILCS 5/10-27.1A and 5/10-27.1B, amended by P.A.s 103-609 and 103-780, require building principals to annually report verified incidents related to drugs and firearm

possession to ISBE through its School Incident Reporting System.

## Employment and Civil Rights

There have been a number of legal updates related to employment issues and the civil rights of employees and/or students:

1. 775 ILCS 5/2-102(A), amended by P.A. 103-797, eff. 1-1-25, prohibits employers from discriminating against employees on the basis of the employee's *family responsibilities*.
2. 775 ILCS 5/1-102(A) and 5/1-103(Q), amended by P.A. 103-785, eff. 1-1-25, prohibits employers and public accommodations (including schools) from discriminating against individuals on the basis of their *reproductive health decisions*.
3. 775 ILCS 5/2-102(L), added by P.A. 103-804, eff. 1-1-26, prohibits employers from using artificial intelligence in a manner that subjects employees to unlawful discrimination.
4. 820 ILCS 55/13, added by P.A. 103-873, prohibits employers from imposing work authorization verification requirements that go beyond what is required by federal law.
5. 29 C.F.R. Part 541, amended by 89 Fed. Reg. 32842, raises the salary threshold for exempt employees under the Fair Labor Standards Act in accordance with a specific schedule.
6. 325 ILCS 5/7, amended by P.A. 103-624, eff. 1-1-25, eliminates the requirement for mandated reporters to confirm their reports in writing to the local Ill. Dept. of Children and Family Services (DCFS) field office within 48 hours of the initial oral report.

7. 105 ILCS 5/22-93, amended by P.A. 103-1020, adds an exemption to the school counselor gift ban covering certain travel expenses paid by a higher education institution for the counselor's attendance at one of its educational or military programs.
8. 820 ILCS 40/2, amended by P.A. 103-727, eff. 1-1-25, grants employees the ability to inspect, copy, and receive copies of their personnel records upon written request at least two times per calendar year.

## Student Attendance and Records

The General Assembly amended the requirements for approval of a district's e-learning program, which allows districts to implement remote student attendance days instead of using emergency days. 105 ILCS 5/10-20.56, amended P.A. 103-780, now requires the regional office of education (or intermediate service center) to verify a district's e-learning program annually before the implementation of any e-learning days in that school year, rather than by September 1.

The General Assembly also enacted P.A. 103-624, eff. 1-1-25, which amends the Abused and Neglected Child Reporting Act, 325 ILCS 5/8.6, to clarify that upon the request of DCF, a district must purge a final report of an indicated finding

that was overturned in accordance with the Ill. Student Records Act. Districts are no longer required to return any such reports to DCF.

The following **PRESS** materials are updated in response to this legislation:

- 5:90, Abused and Neglected Child Reporting
- 6:20, School Year Calendar and Day
- 6:20-AP, Remote and/or Blended Remote Learning Day Plan(s)
- 7:340-AP1, School Student Records

## Curriculum and Accelerated Placement

The 102nd General Assembly enacted P.A. 102-917, which requires boards, by 7-1-25, to implement or opt out of (in whole or in part) career exploration and development activities in grades 6-12 and College and Career Pathway Endorsements in grades 9-12. Sample **PRESS** policy 6:60, *Curriculum Content*, includes new footnotes that explain boards' choices in these areas. During the 103<sup>rd</sup> General Assembly, P.A. 103-810 expanded the requirement to provide instruction on the dangers of fentanyl beyond high school to include grades 6-8. P.A. 103-764 gives districts the option to provide at least 20 minutes of *relaxation activities* to support student mental health.

In the area of accelerated placement, 105 ILCS 5/2-3.64a-15, amended by P.A. 103-946, allows ISBE to require standardized assessments to be used for diagnostic and screening purposes to determine if students need accelerated placement. P.A. 103-263 amended accelerated placement provisions in 105 ILCS 5/14A to define *advanced academic programs* and to permit a district's accelerated placement policy to include or incorporate procedures to promote equity. P.A.

103-743 made more extensive changes to 105 ILCS 5/14A, including by amending 105 ILCS 5/14A-32(a-5) to only require automatic enrollment into the next most rigorous level of advanced coursework for "a student who ~~meets or~~ exceeds State standards." The automatic enrollment into the next most rigorous level of advanced coursework for "a student who meets State standards" is now required to be in policy by the beginning of the 2027-28 school year. It is not clear why these changes were made and nothing in the law prohibits districts from continuing to offer automatic enrollment to students who meet State standards. Please consult with your board attorney regarding this change.
