2025 Resolutions Committee Report

For the 2025 Delegate Assembly
on Saturday, November 22, 2025

SEPTEMBER 2025

September 2025

IASB School Board Members and Administrators,

This 2025 Resolutions Committee Report outlines proposals to be acted upon at the annual meeting of the IASB Delegate Assembly on Saturday, November 22, 2025, in Chicago. Through the Resolutions Process and Delegate Assembly, IASB member districts provide critical direction for IASB to represent member interests before state and national policymakers.

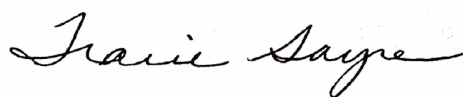

Every member school district is entitled to one voting delegate at the Delegate Assembly. Your board should nominate a primary delegate to represent your school board and an alternate delegate, in the event the primary delegate becomes unable to attend. Once your board chooses a primary delegate, your district's roster manager should register him/her online with IASB in advance of the Delegate Assembly. The alternate delegate does not need to be registered unless the primary delegate becomes unavailable. If the primary delegate becomes unable to attend on-site at the Joint Annual Conference, the alternate delegate can be registered at the Info Center during Conference hours on Friday or in front of the Delegate Assembly location on Saturday.

This year delegates will vote on IASB Constitutional Amendments, the election of IASB officers, and whether to adopt a proposed resolution to become an IASB Position Statement.

I want to highlight that 10 IASB Constitutional Amendments are being proposed this year. The Constitution Review Committee, made up of 14 Illinois school board members and IASB leaders, proposed these amendments. All 10 Constitutional Amendments received a "Do Adopt" recommendation from the IASB Board of Directors on June 7, 2025. I want to recognize and extend IASB's appreciation to the Constitution Review Committee for their time and effort on this work over the past year.

Please discuss with your board the topics that will come before the Delegate Assembly for action to prepare your district's delegate to vote on behalf of your board. To guide these efforts, three documents are included in this report: Guidance for Discussing IASB Constitutional Amendments, Guidance for Discussing IASB Resolutions, and Local School Board Delegate Direction. I hope these pages serve as a valuable resource for your school board in preparing for this discussion.

We look forward to our work together in November.

Tracie Sayre, IASB Resolutions Chair and Vice President

CONSENT AGENDA CONSTITUTIONAL AMENDMENTS

For all of the below Constitutional Amendments, numbered 1 through 10, the Board of Directors Recommends **DO ADOPT**.

1. Article II, Membership - REWRITTEN
2. Article III, Delegate Assembly and Annual Conference: Section 2, Delegate Assembly
3. Article IV, Elections: Section 1, Nominations
4. Article IV, Elections: Section 2, Terms of Office
5. Article V, Board of Directors: Section 2, Composition
6. Article VII, Committees: Section 3, Nominating Committee
7. Article VIII, Divisions: Section 4, Officers
8. Article IX, Resolutions - REWRITTEN
9. Article XI, Miscellaneous: Section 7, Declared Emergencies
10. Article XII, Amendments: Section 2, Proposals

In January 2025, the President of the IASB Board of Directors appointed 14 members from across Illinois to serve on the Constitution Review Committee. The Constitution Review Committee includes members of the Board of Directors, the Resolutions Committee, and Members-at-Large. The Constitution Review Committee recommended 19 proposed changes to the IASB Constitution, which have been compressed into 10 items. These 10 items will be presented as a consent agenda at the Delegate Assembly. Two of those consent agenda items, Article II and Article IX, are presented collectively as “REWRITTEN” Articles. The remaining eight consent agenda items are presented as individual amendments to various Sections of the IASB Constitution Articles. All 10 proposed constitutional amendments received a “Do Adopt” recommendation from the IASB Board of Directors on June 7, 2025.

When the constitutional amendments are presented to the Delegate Assembly, they will be put forth on a consent agenda. Delegates will have the opportunity to remove individual constitutional amendments from the consent agenda for discussion on the floor about that constitutional amendment. All constitutional amendments not removed from the consent agenda will be voted on as the consent agenda. All constitutional amendments removed from the consent agenda will be voted on individually. The crossed-out portion of the proposed constitutional amendment is the proposed deletion to the IASB Constitution, and the underlined portion is the proposed amendment to the IASB Constitution.

Section 4. Associate Member

Any former member of an Illinois board of education shall be eligible to be an Associate Member ~~upon written application to the Executive Director and the payment of annual dues. The Board of Directors shall determine the membership privileges of Associate Members, except that the Board of Directors may not grant the privilege of holding elective office.~~

Section 5. Honorary Member

Any individual who has rendered distinguished service to public education in Illinois or to the Association shall be eligible for election by the Board of Directors as an Honorary Member without payment of dues. ~~The Honorary Members shall be entitled to such privileges as the Board of Directors may determine, except that they may not grant the privilege of holding elective office.~~

Section 6. Service Associate Member

Any person, firm, or corporation which provides services or products to school districts may be eligible to be a Service Associate Member; ~~provided, however, upon written application to the Executive Director, approval by the Board of Directors shall approve Service Associate Members, and the payment of annual dues. Service Associate Members shall be entitled to such privileges, except holding elective office, as the Board may determine. These~~ Service Associate Members may name one member as a Special Director to the Board, who shall be without vote.

Constitution Review Committee's Rationale for REWRITTEN - Article II: Membership

1. The rewrite removes redundant language from Sections 2-6 and consolidates that language into Section 1 without substantially changing the meaning. By doing so, it clarifies what language applies uniformly to each class of membership and highlights the differences between classes of membership specified in Sections 2-6.
2. The rewrite specifies that only Active Members shall be allowed to participate in Delegate Assembly, which aligns with current practice.
3. An additional change was proposed to Section 3 to clarify that Career and Technical Education (CTE) programs can be Affiliate Members. CTE programs are similar to special education cooperatives which are authorized by the School Code and are eligible to become Affiliate Members, so adding programs authorized under the Vocational Education Act is

in line with current practice. Additionally, these programs support our member districts' students. In addition, Regional Offices of Education and Intermediate Service Centers, for example, are organized under the School Code and have been and remain eligible to become Affiliate Members under the IASB Constituion.

4. An additional change was proposed to Section 6 to clarify that the Board of Directors shall approve Service Associate members, which is in line with current practice.

The Board of Directors recommends DO ADOPT.

Item 2

ARTICLE III. DELEGATE ASSEMBLY AND ANNUAL CONFERENCE

Section 2. Delegate Assembly

At least once each year, at a time and place determined by the Board of Directors, there shall be a meeting of the Delegate Assembly. One meeting shall be designated as the Annual Meeting of the Association. Each Active Member shall be entitled to one voting delegate at any meeting of the Delegate Assembly or any adjourned meeting thereof. Each Active Member shall select its delegate and alternate from its own membership. Voting shall be done in person by the respective delegate ~~or alternate, or by any means recommended by the Resolutions Committee and approved by the Board of Directors.~~

Constitution Review Committee's Rationale for Article III: Delegate Assembly and Annual Conference - Section 2, Delegate Assembly

1. Before making a substantial change to the IASB Constitution that would allow for email voting, as was originally proposed, more information about voting processes must be collected and more information about alternate voting methods must be collected and studied. Concerns to be addressed with email voting included:
 - The importance and power of IASB membership gathering once a year in person to discuss educational issues; and
 - The negative impact email voting could have on Delegate Assembly attendance.
2. To collect that information, IASB staff will:
 - Investigate hybrid voting platforms and their implementation feasibility;
 - Survey the more than 200 IASB board member districts identified as attending the 2024 Joint Annual Conference, but not attending the 2024 Delegate Assembly;

- Survey those districts that did not attend the 2024 Delegate Assembly or the 2024 Joint Annual Conference;
 - Add seating so that more school board members can observe and become involved in the Delegate Assembly process; and
 - Outreach to IASB scholarship recipients to increase awareness of and involvement in the Delegate Assembly.
3. The proposed changes, however, would allow for an alternative method of voting if these steps prove insufficient. To provide flexibility and not require another constitutional change, the Resolutions Committee, which has a deep understanding of the Delegate Assembly, could recommend an alternative method for voting, if determined necessary and beneficial to members. That recommendation would then go to the Board of Directors to make the final decision, as its members are elected by their Divisions and the Board is composed of Active Members across Illinois and therefore is equipped to ensure a fair voting process amongst all IASB members.

 **The Board of Directors recommends DO ADOPT.**

Item 3

ARTICLE IV. ELECTIONS

Section 1. Nominations

Nominations for elective offices shall be made by the Nominating Committee and distributed to all Active Members at least 45 days preceding the Annual Meeting of the Delegate Assembly. If after the 45-day requirement expires, an individual nominated by the Committee is ineligible or unavailable to stand for the office, the Nominating Committee may at the call of its Chair, meet to nominate a new candidate for the office. Any change in nominees shall be distributed to all Active Members immediately. Additional nominations, ~~each with prior written consent of the nominee~~, may be made from the floor of the Delegate Assembly provided the nomination is consistent with any Illinois Association of School Board of Directors Governance Policies.

Constitution Review Committee's Rationale for Article IV: Elections - Section 1, Nominations

1. The proposed change reflects current practice and aligns with the parliamentarian's recommendation and counsel's interpretation of current language. Thus, this change is recommended to provide clarity to members about this process. As it relates to nominations made from the floor, it is important to balance the right for members to run from the floor with IASB's need to be notified in order to prepare for Delegate Assembly. Currently, IASB Board of Directors Governance Policy

requires that certain paperwork be filed, including a verification that the individual's local school board is aware of and supportive of the individual running for an IASB officer position. This is important given the time commitment involved in serving as an IASB officer. Since there is a thorough process in place with the IASB Board of Directors for developing, amending, voting on, and approving IASB Board of Directors Governance Policies, it makes sense that the details of those required filing documents and deadlines be established in those policies.

 **The Board of Directors recommends DO ADOPT.**

Item 4

ARTICLE IV. ELECTIONS

Section 2. Terms of Office

All elective officers shall be elected at the Annual Meeting of the Delegate Assembly. The term of office of officers shall be ~~one-two years or until their successors are elected and qualified, and offices shall be assumed at the close of the Annual Meeting of the Delegate Assembly~~. Each officer may serve no more than ~~one two-year consecutive one-year terms or until their successors are elected and qualified, and offices shall be assumed at the close of the Annual Meeting of the Delegate Assembly~~.

Constitution Review Committee's Rationale for Article IV: Elections - Section 2, Terms of Office

1. The proposed language aligns with the length of time that IASB officers traditionally serve in their roles. The 2-year term also reflects how long many local school board members serve in an officer capacity in their districts. Additionally, the proposed 2-year term provides consistency in leadership for the organization. From a leadership perspective, a two-year term is beneficial for the Association as it allows the President and Vice-President the necessary time to become familiar with their roles, but also the time to make an impact on the organization. Finally, the nominating process is very time-consuming for all involved: officers who must submit a lengthy application 2 years in a row, the Nominating Committee members who review and interview the same applicants two years in a row, and IASB staff that must prepare for and help run the nomination and election process. This change would address this concern and create efficiencies for the organization and its members.

 **The Board of Directors recommends DO ADOPT.**

Item 5

ARTICLE V. BOARD OF DIRECTORS

Section 2. Composition

The Board of Directors of the Association shall consist of the elective officers of the Association and those interim officers selected as provided in Article VI, Section 3; the Immediate Past President of the Association; one member of an Active Member from each Division or a designated alternate from that Division; and the President of the Chicago Board of Education or his/her designee when the Chicago Board of Education is an Active Member; ~~and any member of an Active Member who is an officer or member of the Board of Directors of the National School Boards Association.~~

Constitution Review Committee's Rationale for Article V: Board of Directors - Section 2, Composition:

1. IASB left the National School Boards Association (NSBA) in 2021 and joined the Consortium of State School Boards Associations (COSSBA). Additionally, this clause has not aligned with IASB Board of Directors (BOD) practice for at least two decades and no seat has been provided to an Active Member who is an officer or member of the Board of Directors of COSSBA, NSBA or any other national school board-serving organization.

 The Board of Directors recommends DO ADOPT.

Item 6

ARTICLE VII. COMMITTEES

Section 3. Nominating Committee

A Nominating Committee consisting of a chair who shall be the Immediate Past President and four additional persons who are members of Active Members and serve on the Board of Directors shall be appointed by the President with the approval of the Board of Directors at least 90 days prior to the Annual Meeting of the Delegate Assembly.

Constitution Review Committee's Rationale for Article VII: Committees - Section 3, Nominating Committee

1. Immediate Past President language – the current practice is for the Immediate Past President to serve as the chair of the Nominating Committee which is reflected in IASB Board of Directors Governance policies. This change provides consistency and ensures that an individual serving as chair has the requisite knowledge of the nominating process.
2. Board of Directors language – the current practice is for the four members selected to serve on the

Nominating Committee to be members of the IASB Board of Directors. It is important that the Nominating Committee represents the State's geographic diversity. Limiting the selection of Committee members to the Board of Directors better ensures that this occurs. Additionally, each Board of Director has already been elected by their own Division. Thus, this change ensures that members of the Nominating Committee have been vetted by a larger group of IASB members.

 The Board of Directors recommends DO ADOPT.

Item 7

ARTICLE VIII. DIVISIONS

Section 4. Officers

The members of the Governing Committee or Governing Board of a Division shall elect a Director to serve on the Association's Board of Directors and such other officers as they may determine. Any officer of the Division may serve as a Director of the Association. The members of the Governing Committee or Governing Board of a Division may set a limit on the number of terms a director or officer can serve. The members of the Governing Committee or Governing Board shall be required to take training, within 60 days after being elected, provided by the Association on their authority, roles, and responsibilities. All members of the Governing Committee or Governing Board shall comply with the requirements of their Division's bylaws.

Constitution Review Committee's Rationale for Article VIII: Divisions - Section 4, Officers

1. Division Governing Committee or Governing Board training is an effective way to ensure that those who fill these important roles clearly understand the Association and their responsibilities to their IASB Divisions. Additionally, the training is provided by IASB at no cost to those members, offered virtually, and less than 30 minutes to complete. While this training does require some extra time and effort from our volunteer members, the importance of the training justifies the minimal time commitment.

 The Board of Directors recommends DO ADOPT.

Item 8

ARTICLE IX. RESOLUTIONS

Section 1. Types of Resolutions

Resolutions should be in the form of a Position Statement. Position Statements address issues affecting or concerning local boards of education; they direct the Association's advocacy efforts.

Section 2. Proposals

Resolutions for proposed Position Statements may be proposed by any Active Member, Association Division, the Association's Board of Directors, or the Resolutions Committee upon a majority vote of the Active Member's school board, the Active Members that make up an Association Division, the Association's Board of Directors, or the Resolutions Committee. The vote must be submitted along with the resolution. Resolutions to be published and distributed to the Active Members must be submitted to the Resolutions Committee at least 150 days prior to the Annual Meeting of the Delegate Assembly. Any resolution which is not submitted in the manner described herein shall not be considered by the Delegate Assembly.

Section 3. Presentation of Resolutions

The Resolutions Committee shall review all proposed resolutions, distribute a final draft of proposed resolutions to the membership not less than 45 days prior to the Annual Meeting of the Delegate Assembly, and may recommend the approval or disapproval of any resolution to the Delegate Assembly. The Resolutions Committee has the prerogative to determine which proposals are to be presented to the Delegate Assembly; and whether they are presented as Position Statements. However, all resolutions submitted timely to the Resolutions Committee according to Section above must be distributed to Active Members not less than 45 days prior to the Annual Meeting of the Delegate Assembly. All proposals require a two-thirds affirmative vote by the Delegate Assembly for passage.

Section 4. Annual Review

The Resolutions Committee shall annually review, in accordance with the rules established by the Resolutions Committee, currently in force Position Statements to determine whether they shall remain Position Statements, be amended or be rescinded, are consistent with the current positions of Association members. The Resolutions Committee shall amend or rescind any position statement that is not consistent with the current positions of Association members. All amendments or deletions to existing Position Statements shall be distributed to Active Members not less than 45 days prior to the Annual Meeting of the Delegate Assembly, subject to approval by the Board of Directors. All current Position Statements currently in force will be published annually and

distributed to Active Members within 120 days following 45 days prior to the Annual Meeting of the Delegate Assembly.

Section 5. Appeals

Any Active Member, Association Division, or the Association Board of Directors, that has submitted a resolution proposal that has received a "Do Not Adopt" negative recommendation from the Resolutions Committee, shall have the right to appeal the decision(s) of the Resolutions Committee at the Annual Meeting of the Delegate Assembly. Notice of appeal must be submitted in writing to the Resolutions Committee. An appeal must be filed in accordance with the rules established by the Resolutions Committee and approved by the Board of Directors. All appeals require a two-thirds affirmative vote by the Delegate Assembly for consideration.

Section 6. Amendments to Resolutions

Any proposed amendment to a resolution that does not meet the time requirements as set in Section 23 above shall not be considered, be immediately remanded to the Resolutions Committee for consideration.

Section 7. Late Resolutions

~~Resolutions which are not presented to the Resolutions Committee at least 150 days prior to the Annual Meeting of the Delegate Assembly may be considered only by the following procedure. Such resolutions may be proposed by an Active Member, Association Division, the Association Board of Directors, or the Resolutions Committee and submitted in writing to the Resolutions Committee. Any resolution which is not submitted in the manner described above shall not be considered by the Delegate Assembly. Late resolutions shall be considered for approval by the Resolutions Committee. The Resolutions Committee may recommend approval or disapproval of the late resolution to the Delegate Assembly. Any such resolution disapproved by the Resolutions Committee may be appealed by a seventy-five (75) percent majority vote of the delegates present. Delegates seeking authority to present late resolutions at the Annual Meeting of the Delegate Assembly shall provide copies for all delegates present at the meeting, including rationale and relevant supporting documentation.~~

Constitution Review Committee's Rationale for REWRITTEN - Article IX: Resolutions

1. At the 2022 Delegate Assembly, members adopted several changes to the IASB Constitution. The changes streamlined the Resolutions process to ensure a thoughtful and comprehensive process to adopt IASB Position Statements that address issues affecting or concerning local boards of education. Those Position Statements would then direct and guide the Association's advocacy efforts over the upcoming years. These proposed changes further serve that purpose.

2. Proposed changes to Section 2 - requires a majority of an entity, whether it is an Active Member (local school board), Association's Division, the Resolutions Committee, or the Board of Directors, to support a proposed resolution. This support is critical to obtain prior to it being submitted on that entity's behalf. IASB staff will provide guidance for that process and a proposed timeline to ensure thoughtful discussions can take place. While it would likely require more time and engagement from the submitting entity to facilitate this process, it would also strengthen the proposed resolution and ensure it accurately represents the entities' long-term vision for IASB. Importantly, any Active Member (local school board) could still submit that same proposed resolution on behalf of their local school board. However, this proposed change would ensure that all members of the Board, Division, or Committee can consider, discuss, and vote on a proposal prior to it being submitted on behalf of the entity.
3. Proposed changes to Section 4 - addresses current Position Statements. The current Constitutional language provides the Resolutions Committee with the authority to amend or rescind Position Statements. The Resolutions Committee would maintain that authority, but rules should be adopted to govern that process which will provide additional transparency to members when that process occurs. For that reason, three provisions were added to Section 4:
 - The Resolution Committee's annual review shall occur in accordance with rules established by the Resolutions Committee;
 - All amendments or deletions shall be distributed to Active Members at least 45 days prior to the Delegate Assembly (in practice, it would likely be included in the Resolutions Committee packet sent to all members); and
 - Clarifies that following the Delegate Assembly, and consistent with current practice, all current Position Statements will be sent to all Active Members (in practice, it would likely be included with the IASB Constitution that is mailed to members each January).
4. Proposed changes to Section 5 – the first change clarifies that a proposal is a resolution. Another proposed change clarifies that, consistent with current practice, a negative recommendation is a “Do Not Adopt.” As it relates to the “Do Not Present” recommendation, while no additional language was added, education and transparency is essential and IASB staff should take steps to educate members on the recommendations that the Resolutions Committee can make and the reasons why a “Do Not Present” recommendation can be made. The timing of these communications should include, but not be limited to, the call for resolutions, any email that is sent to a member that received a “Do Not Present” recommendation, and at Delegate Assembly.
5. Proposed changes to Section 6 - addresses amendments to resolutions once submitted. It is important that any proposed resolution be carefully evaluated prior to being presented to the Delegate Assembly. In order to accomplish that, the IASB staff must have sufficient time to prepare an analysis for the Resolutions Committee and the Resolutions Committee must have sufficient time to review the analysis and prepare for the Resolutions Committee meeting. The 150-day timeframe specified in Section 2 (rather than the 45-day timeframe specified in Section 3) allows this to occur and allows staff the time needed to prepare and distribute the Resolutions Committee packet to members. This change will allow amendments to resolutions to be submitted, but they would need to be submitted according to the established deadline and prior to the staff analysis.
6. Proposed changes to Section 7 - addresses late resolutions. Although this section was deleted in its entirety, one of the deleted sentences which reads “Any resolution which is not submitted in the manner described above shall not be considered by the Delegate Assembly” has been preserved and moved to Section 2 of this Article. Constitutional amendments adopted by the Delegate Assembly in 2022 addressed issues with appealed resolutions and IASB staff's limited capacity to address new issues on the spot at the Delegate Assembly. Late resolutions create similar challenges. IASB publicizes its call for resolutions well in advance and recent changes to the appeals process better serve members submitting a resolution. Similar to the reasoning for the constitutional changes addressed in 2022:
 - Late resolutions do not allow staff sufficient time to prepare a summary and analysis for the Resolutions Committee to meaningfully discuss the proposal.
 - Changes to this Section would further streamline and ensure resolutions proceed through a complete and thoughtful review process.
 - If an emergency situation occurs, the resolutions process would not be the optimal process to address an emergency. Instead, the Board of Directors and the Division governing boards would be better equipped to handle emergency situations quickly and efficiently.
 - The resolutions process should be reserved for higher level issues that provide IASB with an overarching vision that guides advocacy efforts.

 **The Board of Directors recommends DO ADOPT.**

Item 9

ARTICLE XI. MISCELLANEOUS

[NEW] Section 7. Declared Emergencies

Subject to a vote by the majority of the Board of Directors, the Board of Directors may suspend or modify a provision or provisions of this Constitution during an emergency declared by the Governor of the State of Illinois or the President of the United States of America to comply with such emergency declaration and the purposes of the Association.

Constitution Review Committee's Rationale for Article XI: Miscellaneous - Section 7, Declared Emergencies:

1. This proposed change addresses emergency situations. In emergency situations, the Board of Directors may need to make decisions that do not align with certain provisions from the Constitution. Currently, there is nothing in the Constitution giving them the authority to take necessary actions in an emergency. This language would give the Board of Directors the ability to make these decisions, but only in limited emergency circumstances. Importantly, the emergency declaration allows, but does not require, the Board of Directors to suspend or modify a provision of this Constitution during an emergency. In determining whether to suspend a provision, the Board of Directors would have to balance the need to comply with the emergency declaration with the purposes of the Association. For example, during the COVID-19 pandemic, IASB held the Delegate Assembly virtually; this determination was made based on the needs of the Association at the time. However, pursuant to this provision, the Board of Directors would be able to suspend an in-person Delegate Assembly, if it is warranted, during a declared emergency based on the needs of the organization for the time period in which the Board of Directors deems necessary during the declared emergency.

 **The Board of Directors recommends DO ADOPT.**

Item 10

ARTICLE XII. AMENDMENTS

Section 2. Proposals

Amendments to the Constitution may be proposed by any Active Member, Association Division, or the Association's Board of Directors upon majority vote of the Active Member's school board, the Active Members that make up the Association's Division, or the Association's Board of Directors. The vote must be submitted along with

the proposed amendment to the Constitution. Proposed amendments shall be submitted to the Board of Directors at least 105 days prior to the Annual Meeting of the Delegate Assembly. Prior to the Board of Directors submittal to the Delegate Assembly of any proposed amendment to the Constitution, the Board shall first vote on such proposed amendment at its quarterly meeting in August. All such proposed amendments shall be distributed to Active Members not less than 45 days prior to the Annual Meeting of the Delegate Assembly.

Constitution Review Committee's Rationale for Article XII: Amendments - Section 2, Proposals

1. This proposed change requires that a majority of an entity, whether it is an Active Member (local school board), Association's Division, or the Board of Directors, support a proposed amendment is critical prior to it being submitted on that entity's behalf. The IASB staff will provide guidance for that process and a proposed timeline to ensure thoughtful discussions can take place. While this would likely require more time and engagement from the Division's Governing Committee or Governing Board, it would also strengthen the proposed amendment and ensure it accurately represents the entity. Importantly, this would not prevent Active Members (local school boards) from submitting that same amendment on behalf of their individual school boards. However, it would ensure that all members of the entity (e.g., all boards in a Division) had the ability to consider and discuss the proposal prior to it being submitted on their behalf.
2. This proposal also clarifies the process that the Board of Directors currently follows for voting on proposed amendments, as well as the timing for their voting.

 **The Board of Directors recommends DO ADOPT.**

Please note that the term "Active Member" is defined in Article II, Section 2 of the IASB Constitution and includes any local school board that is a current dues-paying member of IASB.

CONSENT AGENDA RESOLUTIONS

The below resolution,
the Resolutions Committee recommends **DO ADOPT**.

1. School Bus Safety Funding

The following resolution received a “Do Adopt” recommendation from the Resolutions Committee. When it is presented to the Delegate Assembly, it will be put forth on a consent agenda. Delegates will have the opportunity to pull the resolution from the consent agenda for discussion on the floor about that resolution. If the resolution is not pulled from the consent agenda it will be put forth for a vote.

FINANCING PUBLIC EDUCATION – LOCAL

School Bus Safety Funding

Submitting District: Sycamore CUSD 427

Statement of Resolution:

Be it resolved that the Illinois Association of School Boards shall urge the Illinois General Assembly and Governor to enact legislation that:

1. Establishes a dedicated School Bus Safety Equipment Grant within the State Board of Education transportation line to provide financial assistance, subject to appropriation, for the verified incremental cost of factory-installed 3-point seat-belt systems on new or leased school buses purchased on or after July 1, 2031;
2. Creates a Small-District Waiver that extends the compliance deadline to July 1, 2034 for districts with a fall enrollment under 2,000 students or an Equalized Assessed Valuation (EAV) per pupil below the statewide median, unless and until full reimbursement funding is available;
3. Authorizes qualifying districts to use Transportation Fund bond proceeds or revolving lease agreements for the local cost-share without counting against the district’s statutory debt limit; and
4. Directs the Illinois Department of Transportation (IDOT) to approve alternative, research-based occupant-protection technologies that may offer equal or greater safety at lower cost, giving districts flexibility to comply.

District Rationale: The 2025 enactment of Senate Bill 191 requires all newly acquired school buses to include lap-and-shoulder belts but provides no state appropriation for the added expense. Current vendor quotes show the belts add \$7,000 – \$18,000 per bus, a disproportionate burden for rural and low-EAV districts that replace only one or two buses per year. Without fiscal relief or additional time, smaller districts will be forced to divert limited education dollars away from classrooms or delay essential fleet turnover, undermining student safety goals. A needs-based grant paired with a narrow waiver window ensures:

- Equity – state support flows first to districts least able to absorb the mandate;
- Fiscal Responsibility – local cost participation and debt-limit flexibility encourage thoughtful fleet planning; and
- Safety – every Illinois student ultimately rides in a belt-equipped bus without sacrificing other critical programs.

Resolutions Committee Rationale: SB191 (now PA 104-0075), which requires all newly purchased school buses to be equipped with 3-point seat safety belts beginning July 1, 2031, is an unfunded mandate and could have a significant fiscal impact on districts. This resolution provides districts with various funding options to comply with this unfunded state mandate, extends the timeline for some school districts that may be disproportionately impacted, and would allow for alternatives to the mandate. This flexibility is beneficial for districts and would help districts balance this new safety requirement with local needs.

The Resolutions Committee recommends **DO ADOPT**.

This year, only one resolution was submitted and that resolution received a “Do Adopt” recommendation from the Resolutions Committee. Therefore, no resolutions received a “Do Not Present” or “Do Not Adopt” recommendation from the Resolutions Committee.

Guidance for Local Board Discussion and Voting at the 2025 Delegate Assembly

This guidance is published for informational purposes and is not a substitute for legal advice. For legal advice or a legal opinion on a specific question, please consult the board attorney.

DISCUSSING IASB RESOLUTIONS

This guidance is published for informational purposes only and is not a substitute for legal advice. For legal advice or a legal opinion on a specific question, please consult the board attorney.

Open Meetings Act

Resolutions of the Illinois Association of School Boards (IASB) are likely considered public business and subject to the Illinois Open Meetings Act (OMA) (5 ILCS 120/). OMA requires school boards to discuss district business only at properly noticed board meetings. Other than during a properly noticed board meeting, a majority or more of a board-quorum (or in the case of a five-person board, a quorum or more) may not engage in contemporaneous interactive communication, which includes electronic communication, to discuss district business, including IASB resolutions. IASB does not monitor for OMA compliance or investigate claims of OMA violations. Members are responsible for their own compliance with OMA requirements.

Freedom of Information Act

Resolutions of IASB and related information are likely subject to the Illinois Freedom of Information Act (FOIA) (5 ILCS 140/). Because of this, the resolutions and related information are likely subject to disclosure under FOIA, unless a specific exemption applies. Members with specific questions should contact their board attorney.

Discussion of Resolutions by the School Board

IASB recommends that as a best practice each school board discuss the proposed resolutions from IASB and come to a consensus regarding whether to vote in support of or against each resolution at the 2025 IASB Delegate Assembly. Board members may consider entering an agenda item on the agenda of a publicly scheduled board meeting to do this. A sample agenda item is as follows:

Discussion and Action on Proposed Illinois Association of School Boards (IASB) Resolutions for Consideration at the 2025 IASB Delegate Assembly and Appointment of [INSERT SCHOOL DISTRICT NAME] Delegate and Alternate Delegate to the 2025 IASB Delegate Assembly

Next, at the board meeting, board members should discuss the proposed IASB resolutions to come to a consensus on how the delegate will vote on each resolution and determine who will represent them as a delegate at the 2025 IASB Delegate Assembly. The District should also consider appointing an Alternate Delegate in case the Delegate cannot attend the Delegate Assembly. A sample motion for appointment of a delegate may read as follows:

Appointment of Delegate and Alternate Delegate

1. I move that [INSERT NAME] be appointed the 2025 IASB Delegate to the 2025 IASB Delegate Assembly on behalf of [INSERT DISTRICT NAME].
2. I move that [INSERT NAME] be appointed the 2025 IASB Alternate Delegate to the 2025 IASB Delegate Assembly on behalf of [INSERT DISTRICT NAME].

Finally, board members will need to take action to determine how the district's delegate should vote at the Delegate Assembly. For example, the board may have two options:

Motion to Direct Delegate Votes at the Delegate Assembly

1. The appointed delegate or alternate delegate may only vote in accordance with the consensus reached at the district's board meeting. In that case, a sample motion might read as follows:

I move that Delegate [INSERT NAME OF DELEGATE] or Alternate Delegate [INSERT NAME OF ALTERNATE DELEGATE] be granted the authority to vote on the IASB resolutions at the 2025 Delegate Assembly solely in accordance with the consensus of the [INSERT DISTRICT NAME] School Board on [INSERT DATE].

2. The delegate or alternate delegate may vote keeping in mind at the Delegate Assembly the consensus at the board table and any discussion or debate raised at the 2025 IASB Delegate Assembly.

I move that [INSERT NAME OF DELEGATE] or Alternate Delegate [INSERT NAME OF ALTERNATE DELEGATE] be granted the authority to vote on the IASB resolutions at the 2025 IASB Delegate Assembly with their independent discretion based on the consensus of the [INSERT DISTRICT NAME] School Board on [INSERT DATE] and any discussions had on each resolution at the 2025 IASB Delegate Assembly.

DISCUSSING IASB CONSTITUTIONAL AMENDMENTS

This guidance is published for informational purposes only and is not a substitute for legal advice. For legal advice or a legal opinion on a specific question, please consult the board attorney.

Discussion of IASB Constitutional Amendments by the School Board

IASB recommends that as a best practice each school board discuss the proposed IASB Constitutional Amendments and come to a consensus regarding whether to vote in support of or against the amendments at the 2025 IASB Delegate Assembly. Board members may consider entering an agenda item on the agenda of a publicly scheduled board meeting to do this. A proposed agenda item is as follows:

Discussion and Action on Proposed Illinois Association of School Boards (IASB) Constitutional Amendments for Consideration at the 2025 IASB Delegate Assembly

Next, at the board meeting, board members should discuss the proposed IASB Constitutional Amendments to come to a consensus on how the previously appointed delegate or alternate delegate should vote on the constitutional amendments at the 2025 IASB Delegate Assembly. A sample motion for appointment of a delegate or alternate delegate may read as follows:

Motion to Direct Delegate or Alternate Delegate Vote on the IASB Constitutional Amendments at the Delegate Assembly

1. The appointed delegate or alternate delegate may only vote in accordance with the consensus reached at the district's board meeting. In that case, a sample motion might read as follows:
